-[scoffs]

172

00:12:33,753 --> 00:12:35,838
I didn't realize you were so undervalued.

173

00:12:35,921 --> 00:12:37,298
Doesn't seem fair.

174

00:12:38,632 --> 00:12:39,633

Is that a new patch?

175

00:12:40,092 --> 00:12:42,428
Did that have anything to do
with the alarm earlier?

176

00:12:43,429 --> 00:12:45,389
I just want to know how safe I am here.

177

00:12:46,307 --> 00:12:48,726
You're as safe as you were yesterday,
okay?

178

00:12:49,018 --> 00:12:54,023
-[strong wind blowing]
-[thunder rumbling]

179

00:12:54,106 --> 00:12:55,149
Here we go.

180

00:12:57,234 --> 00:12:58,402
[Will] Like clockwork,

181

00:12:59,028 --> 00:13:01,280
down to the minute every 23 days.

182

00:13:01,739 --> 00:13:03,324
How is... how is that possible?

183

00:13:03,407 --> 00:13:05,367
There's a remote spot in Venezuela

184

00:13:05,451 --> 00:13:08,579
where they have lightning storms
in the exact time and place

185

00:13:08,662 --> 00:13:12,374
265 days a year,
and nobody knows why that happens either.

186

00:13:12,875 --> 00:13:15,377
-They call it the Beacon of Maracaibo.

-[distant thunder rumbling]

187

00:13:15,461 --> 00:13:17,379
And it's guided sailors for centuries.

188

00:13:20,549 --> 00:13:24,220
If you have clouds and sun, or two suns,

189

00:13:24,303 --> 00:13:25,846
to heat them up,

190

00:13:26,931 --> 00:13:28,682
you're going to have lightning.

191

00:13:29,099 --> 00:13:31,268
That much is true no matter where you are.

192

00:13:52,122 --> 00:13:53,707
[Don speaks indistinctly]

193

00:13:53,791 --> 00:13:56,293
[Penny] You've got this.
You've got this whole puzzle.

194

00:13:56,377 --> 00:13:59,046
-You're gonna figure it out.
-[Don] See, here's the thing...

195

00:13:59,880 --> 00:14:00,881
-[John] Hey.
-Hey.

196

00:14:05,803 --> 00:14:06,720
[sighs]

197

00:14:06,804 --> 00:14:10,015
[Don] See, here's the thing,
the trick about puzzles is that...

198

00:14:10,432 --> 00:14:12,059
-Wait, hold on.
-Just finish that thought.

199
00:14:12,142 --> 00:14:13,686
-You can keep going.
-Take your time. It's fine.

200
00:14:15,145 --> 00:14:15,980
[sighs]

201
00:14:16,939 --> 00:14:17,940
That was a good day.

202
00:14:18,023 --> 00:14:19,233
Yeah, it was.

203
00:14:23,988 --> 00:14:25,072
I've been thinking...

204
00:14:26,699 --> 00:14:27,533
the lightning.

205
00:14:28,117 --> 00:14:31,161
We could recharge the batteries
then jumpstart the Jupiter.

206
00:14:31,620 --> 00:14:33,289
We could get off this planet.

207
00:14:33,372 --> 00:14:35,082
But to get to the storms,
we'd have to fly.

208
00:14:35,165 --> 00:14:36,667
No, we don't have to fly.

209
00:14:39,461 --> 00:14:40,296
[scoffs]

210
00:14:45,634 --> 00:14:46,510
This is crazy.

211
00:14:46,969 --> 00:14:50,097

People have been using this technology
for thousands of years.

212

00:14:50,180 --> 00:14:52,725
-Why are you bringing this up now?
-The winds are changing

213

00:14:52,808 --> 00:14:54,351
and I-- I think we have a window.

214

00:14:54,435 --> 00:14:57,187
And if we miss it, it's--
It's going to be another year.

215

00:14:57,271 --> 00:14:59,189
This is about that thing in the garage.

216

00:14:59,273 --> 00:15:01,275
That thing in the garage

217

00:15:02,359 --> 00:15:04,612
brought us halfway across the universe.

218

00:15:05,821 --> 00:15:07,823
It's the only way
we're gonna get to Alpha Centauri.

219

00:15:07,907 --> 00:15:09,199
I thought you'd given up on it.

220

00:15:09,283 --> 00:15:11,744
You don't have to understand a tool
to use it.

221

00:15:12,411 --> 00:15:16,665
The robot's engine is inert,
it's as... asleep.

222

00:15:17,041 --> 00:15:18,417
and the last time it worked

223

00:15:18,542 --> 00:15:19,460

we were in space.

224

00:15:19,543 --> 00:15:21,670

We just need to recreate those conditions.

225

00:15:21,754 --> 00:15:23,881

And what if you still can't figure it out?

226

00:15:28,928 --> 00:15:31,013

Well, there are four other planets
in this system.

227

00:15:31,096 --> 00:15:32,932

I mean, maybe one of them is better.

228

00:15:35,935 --> 00:15:38,938

I'm not risking the lives of our kids

229

00:15:39,021 --> 00:15:40,481

because things may be better.

230

00:15:40,564 --> 00:15:42,358

Things can always be better,

231

00:15:42,441 --> 00:15:45,653

but sometimes you have to appreciate
what you've got.

232

00:15:53,160 --> 00:15:55,537

Our kids will never meet anyone new here.

233

00:15:56,914 --> 00:16:00,167

No friends... to confide in,

234

00:16:01,251 --> 00:16:03,629

or to challenge them
or to understand them.

235

00:16:05,464 --> 00:16:06,966

They'll never fall in love here.

236

00:16:07,049 --> 00:16:09,176
They'll never have families of their own.

237

00:16:12,846 --> 00:16:14,848
Babe, they'll never have what we have.

238

00:16:16,976 --> 00:16:18,227
We have to leave.

239

00:16:18,310 --> 00:16:19,269
[Penny] That one...

240

00:16:20,187 --> 00:16:21,647
We have to try.

241

00:16:26,902 --> 00:16:28,654
I'm sorry. It's too dangerous.

242

00:16:29,488 --> 00:16:30,447
[sighs]

243

00:16:33,826 --> 00:16:34,994
It's too dangerous.

244

00:16:37,329 --> 00:16:38,831
We'll revisit this in a year.

245

00:17:01,478 --> 00:17:07,735
[siren blaring]

246

00:17:08,485 --> 00:17:09,361
[sighs]

247

00:17:10,154 --> 00:17:10,988
[sniffles]

248

00:17:11,071 --> 00:17:12,031
[exhales]

249

00:17:13,532 --> 00:17:16,827
[air bursting out rapidly]

250
00:17:16,910 --> 00:17:17,828
No, no, no!

251
00:17:18,495 --> 00:17:19,747
[inhales deeply]

252
00:17:25,335 --> 00:17:27,087
[strong wind bursting in]

253
00:17:27,171 --> 00:17:29,131
[coughing]

254
00:17:29,882 --> 00:17:30,716
John?

255
00:17:32,968 --> 00:17:34,219
-[Judy] Mom, what's going on?
-John?

256
00:17:34,303 --> 00:17:35,345
-[Judy] Mom?
-[Penny] Mom?

257
00:17:35,429 --> 00:17:36,263
-[Will] Mom?
-Dad?

258
00:17:36,346 --> 00:17:38,307
[strong wind bursting in]

259
00:17:38,390 --> 00:17:39,850
-John?
-[Penny, Judy, Will] Dad?

260
00:17:39,933 --> 00:17:41,018
[grunting]

261
00:17:42,978 --> 00:17:44,354
[grunting] Ah!

262

00:17:44,438 --> 00:17:45,689
Get my com pack.

263
00:17:45,773 --> 00:17:46,774
[Judy] Come on. Come on.

264
00:17:46,857 --> 00:17:48,859
-John, get out of there!
-Dad!

265
00:17:49,610 --> 00:17:51,278
[Penny] Dad! Dad, come on! Dad!

266
00:17:51,487 --> 00:17:52,321
[Will] Mom!

267
00:17:52,738 --> 00:17:53,572
Dad!

268
00:17:53,655 --> 00:17:55,032
-Penny! Penny, help!
-Go!

269
00:17:55,365 --> 00:17:56,241
Dad, please!

270
00:17:56,325 --> 00:17:57,701
-[grunts and gags]
-[Maureen] John!

271
00:17:57,785 --> 00:17:59,078
-Dad!
-[Maureen] Okay!

272
00:17:59,161 --> 00:18:01,330
[Don] Make sure you close it
behind me, okay?

273
00:18:01,413 --> 00:18:03,248
[grunting]

274
00:18:03,332 --> 00:18:04,291

[Maureen] Get back!

275

00:18:04,374 --> 00:18:06,043
[grunting and panting]

276

00:18:06,668 --> 00:18:07,669
John!

277

00:18:07,753 --> 00:18:09,713
-[grunting]
-Come on, John. We gotta go, buddy.

278

00:18:09,797 --> 00:18:11,882
-Get up, get up, get up. Come on.
-[Penny] Dad!

279

00:18:11,965 --> 00:18:13,550
I said get back!

280

00:18:13,634 --> 00:18:14,802
[Don] Come on! Okay.

281

00:18:14,885 --> 00:18:17,179
-Hang on. Come on, come on, come on.
-[gasping and grunting]

282

00:18:17,262 --> 00:18:19,640
[indistinct yelling]

283

00:18:19,723 --> 00:18:20,599
[John groaning]

284

00:18:20,682 --> 00:18:21,517
[grunting]

285

00:18:21,600 --> 00:18:22,935
[John coughing and gagging]

286

00:18:23,018 --> 00:18:25,854
-John!
-[Will] Is he okay? Is he okay?

287

00:18:25,938 --> 00:18:28,065
[John groaning and coughing]

288

00:18:33,821 --> 00:18:36,949
[Don] Once the patch gave away
the atmosphere just forced its way in,

289

00:18:37,616 --> 00:18:38,575
sharp as a knife.

290

00:18:41,328 --> 00:18:42,579
How we gonna fix this?

291

00:18:44,123 --> 00:18:45,165
It'll be difficult.

292

00:18:53,841 --> 00:18:54,800
We're leaving.

293

00:18:57,845 --> 00:18:59,012
We are?

294

00:18:59,096 --> 00:19:00,305
[Penny] We can do that?

295

00:19:02,015 --> 00:19:03,058
Tell them your plan.

296

00:19:03,934 --> 00:19:04,893
[Don] What plan?

297

00:19:13,735 --> 00:19:14,653
[Will] I got it.

298

00:19:18,907 --> 00:19:20,284
[grunting]

299

00:19:30,294 --> 00:19:31,128
[Will] You got it?

300

00:19:41,972 --> 00:19:43,390
[grunts] Where is it?

301

00:19:44,141 --> 00:19:46,643
-Have you seen the Jupiter flight manual?
-I'm the flight manual.

302

00:19:46,727 --> 00:19:47,978
-What do you need to know?
-Okay.

303

00:19:58,864 --> 00:20:01,533
This is Will Robinson
of the 24th Colonist Group.

304

00:20:02,284 --> 00:20:05,078
I'm making a record of this,
because it seems

305

00:20:05,996 --> 00:20:10,042
we're the first humans to try and turn
a spaceship into a sailboat.

306

00:20:11,001 --> 00:20:11,835
[grunting]

307

00:20:17,424 --> 00:20:18,258
[John] Don!

308

00:20:18,342 --> 00:20:19,551
[Don] I'm trying!

309

00:20:19,635 --> 00:20:21,261
Won't you just give me a second.

310

00:20:22,137 --> 00:20:23,013
[Penny] I got it.

311

00:20:25,224 --> 00:20:28,143
[Judy] I got it. I got it. I got it. Okay.

312

00:20:28,227 --> 00:20:32,064

[Maureen] Be careful! Is that good?

313

00:20:33,106 --> 00:20:36,777
[all grunting and sighing]

314

00:20:42,741 --> 00:20:45,244
[Maureen] By historic standards,
it's a pretty easy journey.

315

00:20:45,744 --> 00:20:47,955
I'm hoping to achieve a speed
of four to five knots.

316

00:20:48,038 --> 00:20:50,040
At a hundred nautical miles per day,

317

00:20:50,249 --> 00:20:51,959
that'll make it a two-day trip.

318

00:20:52,042 --> 00:20:55,337
Then we recharge the ship's battery
in the middle of a giant lightning storm.

319

00:20:55,420 --> 00:20:56,546
First, we need to get there.

320

00:20:56,630 --> 00:21:00,175
It's basically a straight shot.
We have to avoid this archipelago here,

321

00:21:00,259 --> 00:21:02,386
because it has a pretty jagged coastline.

322

00:21:02,469 --> 00:21:03,720
Um, how jagged?

323

00:21:03,804 --> 00:21:04,846
If we hit it, we sink.

324

00:21:04,972 --> 00:21:07,516
Which is why we are gonna steer
well clear of it.

325

00:21:07,599 --> 00:21:09,559
You said the monsoon winds
are changing by the day.

326

00:21:09,643 --> 00:21:11,979
They gonna push us in the direction
of the jagged coastline?

327

00:21:12,062 --> 00:21:13,272
Once the winds change, yes,

328

00:21:13,355 --> 00:21:15,649
but we have plenty of time
to get there before that happens.

329

00:21:16,191 --> 00:21:19,903
And luckily, your father has spent
half of his life on boats,

330

00:21:20,529 --> 00:21:22,531
and he's a pretty seasoned captain.

331

00:21:22,614 --> 00:21:24,616
We've been just a family for a while.

332

00:21:26,159 --> 00:21:28,620
We have to remember
how to be a crew again.

333

00:21:29,788 --> 00:21:30,872
Tomorrow's a big day.

334

00:21:31,999 --> 00:21:33,333
Let's get some rest.

335

00:21:38,922 --> 00:21:39,756
[Maureen] Hey.

336

00:21:40,882 --> 00:21:43,010
Practicing your knots with your gloves on?

337

00:21:43,218 --> 00:21:44,594
[Will] Just trying to be prepared.

338

00:21:45,721 --> 00:21:47,514
If we get the robot engine going,

339

00:21:48,890 --> 00:21:50,642
it can take us anywhere, right?

340

00:21:51,226 --> 00:21:54,479
Well, it should take us directly
to the colony on Alpha Centauri.

341

00:21:59,151 --> 00:22:00,527
I'm not going without him.

342

00:22:04,364 --> 00:22:05,365
Um...

343

00:22:06,366 --> 00:22:09,077
How would we even know
where to look for the robot?

344

00:22:09,578 --> 00:22:11,204
It's not like he left you a map

345

00:22:11,830 --> 00:22:13,457
or breadcrumbs to follow.

346

00:22:13,540 --> 00:22:14,374
Maybe he did.

347

00:22:15,334 --> 00:22:17,669
They're just

What is it?

524

00:31:47,405 --> 00:31:48,281
No way!

525

00:31:49,365 --> 00:31:51,701
-[Penny] Did you call him here to help us?
-[Judy] He's here?

526

00:32:01,920 --> 00:32:02,837
[Penny] Hey.

527

00:32:08,718 --> 00:32:09,594

Hey, Will.

528

00:32:10,136 --> 00:32:11,471
I thought it was him, too.

529

00:32:14,641 --> 00:32:15,808
[both sigh]

530

00:32:17,602 --> 00:32:18,853
I've been talking to Don.

531

00:32:20,146 --> 00:32:23,816
And, uh, we think we can scrape together
enough power for a two-second burn.

532

00:32:23,900 --> 00:32:24,734
[sighs]

533

00:32:26,861 --> 00:32:28,529
Might be enough to push us clear.

534

00:32:30,073 --> 00:32:31,157
That's it.

535

00:32:32,533 --> 00:32:34,452
Really? That's the answer?

536

00:32:34,535 --> 00:32:36,871
No. You and Don are the answer.

537

00:32:37,080 --> 00:32:37,914
We are?

538

00:32:38,456 --> 00:32:39,457
[Don grunting]

539

00:32:39,958 --> 00:32:43,086
Using the popouts is a hell of a way
to lever us off the reef.

540

00:32:43,169 --> 00:32:44,462

[John grunting]

541

00:32:46,339 --> 00:32:48,925
It's my own fault
for being the strongest guy here.

542

00:32:50,385 --> 00:32:51,803
You're a close second.

543

00:32:54,555 --> 00:32:56,224
[loud crashing]

544

00:32:57,100 --> 00:32:58,685
[Maureen] Whoa! We're free!

545

00:32:58,768 --> 00:33:00,561
At least we won't be here
when the storm hits.

546

00:33:00,645 --> 00:33:01,771
No, we'll be out there.

547

00:33:01,854 --> 00:33:03,481
-Any chance we can outrun it?
-Not anymore.

548

00:33:03,564 --> 00:33:04,983
Suit up. Crew on deck.

549

00:33:06,484 --> 00:33:08,653
-[strong wind whistling]
-[thunder rumbling]

550

00:33:14,200 --> 00:33:15,368
[John] Reef the sails!

551

00:33:15,451 --> 00:33:17,996
[Penny and Will grunting]

552

00:33:23,418 --> 00:33:24,293
[Penny] Hold on to me.

553

00:33:24,377 --> 00:33:27,046
[John] We're gonna have to weather
this storm out the best we can.

554

00:33:29,257 --> 00:33:30,341
[Judy] Okay.

555

00:33:32,844 --> 00:33:34,679
-[Will grunts]
-[breathing heavily]

556

00:33:42,895 --> 00:33:45,356
That is exactly what I wanted to avoid.

557

00:33:45,440 --> 00:33:46,649
[Don] We have a problem.

558

00:33:46,733 --> 00:33:47,567
What is it?

559

00:33:47,650 --> 00:33:50,528
When we hit the reef it seems
we sprung a leak after all,

560

00:33:50,611 --> 00:33:51,946
and it's dripping into Ceedra.

561

00:33:52,030 --> 00:33:53,823
If that shorts out, we're dead.

562

00:33:53,906 --> 00:33:56,034
I like breathing as much as you do.

563

00:33:56,909 --> 00:33:57,785
Can you patch it?

564

00:33:57,869 --> 00:33:58,870
I'm working on it.

565

00:33:59,495 --> 00:34:01,706
Just promise me

we won't hit anything else.

566

00:34:06,335 --> 00:34:07,170
[sighs]

567

00:34:08,254 --> 00:34:09,672
We won't hit anything else.

568

00:34:10,214 --> 00:34:11,382
Look, Ceedra.

569

00:34:11,466 --> 00:34:14,886
If we could just hold on together
until the storm passes,

570

00:34:14,969 --> 00:34:16,387
-I would really ap--
-[siren blaring]

571

00:34:16,471 --> 00:34:19,307
Okay, that's not holding it together,
baby!

572

00:34:19,390 --> 00:34:21,768
[strong wind whistling]

573

00:34:22,560 --> 00:34:23,603
All right, I'm done!

574

00:34:23,686 --> 00:34:24,687
You're doing a great job!

575

00:34:25,271 --> 00:34:27,815
-Okay, we're... we're done here!
-[John] Head down below.

576

00:34:28,524 --> 00:34:29,776
[Penny] Oh, God.

577

00:34:31,110 --> 00:34:33,613
[John] Hey, Jude, take my hand. Come on.

578
00:34:34,113 --> 00:34:35,656
[strong wind howls]

579
00:34:35,740 --> 00:34:37,825
[John] Will! Get down!

580
00:34:39,368 --> 00:34:40,244
[Penny screaming]

581
00:34:40,328 --> 00:34:41,621
Will!

582
00:34:41,704 --> 00:34:43,706
[Will] Dad!

583
00:34:45,374 --> 00:34:46,209
Will!

584
00:34:46,667 --> 00:34:47,668
[Will] Dad!

585
00:34:47,752 --> 00:34:49,462
[grunts] Come on!

586
00:34:51,047 --> 00:34:51,923
Will!

587
00:34:54,050 --> 00:34:55,093
[Judy] Will!

588
00:34:55,885 --> 00:34:57,887
-[grunts]
-[Penny] Come on, Will!

589
00:34:58,763 --> 00:35:01,641
Got him? You got him.
Okay, we've got him.

590
00:35:02,100 --> 00:35:04,102
Dad, hold your breath. Hold your breath.

591
00:35:04,685 --> 00:35:06,062
We need to get them inside!

592
00:35:06,145 --> 00:35:08,856
[Penny] Mom! Mom! We need you
in the med bay!

593
00:35:08,940 --> 00:35:10,483
[kids grunting]

594
00:35:10,566 --> 00:35:12,443
-[Penny] Dad?
-[Judy] You're gonna be okay.

595
00:35:12,527 --> 00:35:13,361
[Penny] Ah!

596
00:35:13,444 --> 00:35:14,821
I've gotta get back up there!

597
00:35:14,904 --> 00:35:16,864
Oh, no, you will not!
We have to sail the ship!

598
00:35:16,948 --> 00:35:19,367
-We don't know how to sail in this.
-Mom! We need your help!

599
00:35:19,492 --> 00:35:21,828
-[Penny] What do we do?
-[Will] Mom? Mom?

600
00:35:21,911 --> 00:35:22,954
[Penny] What do we do?

601
00:35:23,037 --> 00:35:24,038
[Will] Mom!

602
00:35:26,040 --> 00:35:27,500
You really know how to sail?

603

00:35:28,126 --> 00:35:29,252
We're wasting time.

604
00:35:29,335 --> 00:35:31,462
If this is another lie,
it'll be your last.

605
00:35:43,015 --> 00:35:45,059
[Penny] Well, this is a sign
of the Apocalypse.

606
00:35:46,477 --> 00:35:47,436
[all grunting]

607
00:35:48,521 --> 00:35:49,522
[distant thunder rumbling]

608
00:35:52,191 --> 00:35:53,192
[Smith] Oh!

609
00:35:54,318 --> 00:35:56,779
[breathing heavily]

610
00:35:57,196 --> 00:35:58,406
[Maureen] Smith, what do we do?

611
00:35:59,615 --> 00:36:01,617
[thunder rumbling]

612
00:36:01,701 --> 00:36:02,618
Smith!

613
00:36:04,120 --> 00:36:05,454
I knew this was a mistake!

614
00:36:05,538 --> 00:36:07,790
-Raise the sails.
-But we just brought them down!

615
00:36:07,874 --> 00:36:09,125
We need speed!

616
00:36:09,208 --> 00:36:11,627
We're too close to the rocks already.
We need to go around.

617
00:36:11,711 --> 00:36:12,587
We can't go around!

618
00:36:12,670 --> 00:36:15,006
-We have to go through!
-[Penny] Through rocks?

619
00:36:15,089 --> 00:36:17,300
Raise the sails! Let's go!

620
00:36:18,593 --> 00:36:22,054
-[thunder rumbling]
-[strong wind howls]

621
00:36:23,055 --> 00:36:25,474
-[Penny] Judy! [gasps]
-[Judy] Hey! Penny, hold on!

622
00:36:25,558 --> 00:36:28,019
Hey, I can't do this without you.

623
00:36:28,102 --> 00:36:32,106
[breathing heavily]
Yeah, okay. Yeah, I'm getting up.

624
00:36:32,190 --> 00:36:33,024
[Judy] Smith!

625
00:36:34,108 --> 00:36:36,110
-[Smith] Go!
-Go!

626
00:36:37,320 --> 00:36:38,237
[grunts] Good?

627
00:36:40,615 --> 00:36:42,450
[Maureen screams]

628
00:36:55,713 --> 00:36:57,006
[gasps]

629
00:37:00,218 --> 00:37:02,178
[panting]

630
00:37:02,261 --> 00:37:04,805
Gotcha. We need to get the sail up now!

631
00:37:09,685 --> 00:37:11,020
Raise the sails!

632
00:37:15,775 --> 00:37:18,903
-[thunder rumbling]
-[strong wind howls]

633
00:37:23,282 --> 00:37:25,117
-[wheezing]
-Dad!

634
00:37:25,243 --> 00:37:27,787
[grunts and coughs]

635
00:37:27,870 --> 00:37:28,955
Are we going faster?

636
00:37:29,038 --> 00:37:31,916
[strong wind continues]

637
00:37:39,298 --> 00:37:40,758
[John] Maureen, what's happening?

638
00:37:40,841 --> 00:37:42,718
We're picking up speed. [coughs]

639
00:37:42,802 --> 00:37:44,178
[Maureen] Yeah, I know.

640
00:37:44,512 --> 00:37:45,596
[sighs] Be careful.

641
00:37:46,055 --> 00:37:49,100
We're way past that...
but I appreciate the sentiment.

642
00:37:49,684 --> 00:37:50,559
You look worried.

643
00:37:50,643 --> 00:37:53,145
[sighs] That's just my normal face now.

644
00:37:53,229 --> 00:37:55,231
Hey, Will, I trust your Mom.

645
00:37:56,232 --> 00:37:57,858
[coughs]

646
00:37:57,942 --> 00:38:00,069
But... Mom's not in charge anymore.

647
00:38:01,570 --> 00:38:04,824
-[distant rumbling]
-[strong wind howling]

648
00:38:13,457 --> 00:38:14,458
John...

649
00:38:14,542 --> 00:38:16,377
We need to shift the weight to leeward.

650
00:38:16,460 --> 00:38:18,963
Get the load side lower any way you can!

651
00:38:19,672 --> 00:38:20,589
The Chariot.

652
00:38:22,425 --> 00:38:24,427
[loud crashing]

653
00:38:25,428 --> 00:38:28,014
[John] The Chariot weighs two tons.
[grunts]

654
00:38:28,097 --> 00:38:29,974
Dad! Dad, are you okay?

655
00:38:30,057 --> 00:38:32,101
-You're gonna have to do this.
-I am?

656
00:38:32,184 --> 00:38:34,687
Turn radius is tight,
so you're gonna have to floor it.

657
00:38:34,770 --> 00:38:35,688
But I'll crash.

658
00:38:35,771 --> 00:38:36,647
Yeah.

659
00:38:37,398 --> 00:38:39,900
Put your seat belt on. And Will...

660
00:38:40,609 --> 00:38:41,569
don't overthink it.

661
00:38:41,986 --> 00:38:43,070
Go!

662
00:38:47,450 --> 00:38:48,659
[Judy] We're not gonna make it!

663
00:38:50,411 --> 00:38:51,495
[all panting]

664
00:38:52,663 --> 00:38:53,622
[exhales]

665
00:38:55,541 --> 00:38:56,417
No thinking.

666
00:39:08,512 --> 00:39:10,264
-[Smith] Pull!

-Pull!

667

00:39:10,348 --> 00:39:11,766
[Maureen and Smith] Pull!

668

00:39:11,849 --> 00:39:14,185
[Maureen and Smith] Pull! Pull!

669

00:39:23,402 --> 00:39:26,614
-[Maureen] Oh!
-[laughing]

670

00:39:26,697 --> 00:39:28,866
That's the power of teamwork.

671

00:39:28,949 --> 00:39:30,951
You do know how to sail!

672

00:39:31,243 --> 00:39:33,079
Sometimes I actually tell the truth.

673

00:39:40,211 --> 00:39:43,005
Hey, Will! You okay? What happened?

674

00:39:45,424 --> 00:39:46,342
I gave it gas.

675

00:39:46,425 --> 00:39:47,843
-[chuckles]
-[laughs]

676

00:39:47,927 --> 00:39:50,054
Come on. [coughs]

677

00:39:51,222 --> 00:39:52,181
[Will] Judy!

678

00:39:52,306 --> 00:39:55,476
-[gasps]
-That's sailing. Good job.

679

00:39:55,768 --> 00:39:58,229
-[Penny, Judy, Will breathing heavily]
-[coughing]

680
00:39:58,312 --> 00:39:59,355
Are you okay?

681
00:39:59,730 --> 00:40:00,815
Lungs'll heal.

682
00:40:01,774 --> 00:40:02,900
My legs are tired.

683
00:40:02,983 --> 00:40:04,151
And my arms are tired.

684
00:40:04,360 --> 00:40:07,780
And there are parts of my body that I was
previously unaware of that are very tired.

685
00:40:07,863 --> 00:40:10,616
[sighs] Well, you did good.
[breathes heavily]

686
00:40:10,699 --> 00:40:12,034
Yeah, 'cause you were there.

687
00:40:12,118 --> 00:40:15,079
I'm happy to report
that I've repaired Ceedra.

688
00:40:15,162 --> 00:40:17,289
-[sighs]
-That's right, Judy, I am amazing.

689
00:40:17,373 --> 00:40:19,917
And in an evident karmic exchange,

690
00:40:20,042 --> 00:40:23,379
this space ghost over here
trashed the Chariot.

691

00:40:25,965 --> 00:40:26,799
Nice work.

692
00:40:27,299 --> 00:40:28,259
Thanks.

693
00:40:28,717 --> 00:40:31,220
Wow! Let's all remember this moment,
you know,

694
00:40:31,303 --> 00:40:33,305
-in case she wants to yell at me again.
-[coughs]

695
00:40:37,893 --> 00:40:39,395
I've secured the deck.

696
00:40:47,278 --> 00:40:48,237
[Judy] Okay.

697
00:41:05,004 --> 00:41:07,006
[exhales]

698
00:41:14,889 --> 00:41:16,765
I know what you're thinking, Maureen.

699
00:41:17,850 --> 00:41:19,685
How could I have gotten these burns?

700
00:41:20,644 --> 00:41:24,106
What if the greenhouse contamination
wasn't an accident?

701
00:41:25,065 --> 00:41:28,402
What if someone peeled off the patch
on purpose?

702
00:41:31,322 --> 00:41:33,532
But if that were even possible,
it would mean

703
00:41:33,908 --> 00:41:37,661

for the last seven months
I wasn't as locked up as you thought.

704

00:41:37,745 --> 00:41:39,663
Maybe someone like me,

705

00:41:39,955 --> 00:41:41,790
who's been incarcerated a few times,

706

00:41:41,874 --> 00:41:43,876
would be able to break out;

707

00:41:44,710 --> 00:41:46,253
come and go as I please

708

00:41:46,754 --> 00:41:48,339
and you would never know.

709

00:41:50,674 --> 00:41:53,219
If any of that were true,
you'd owe me, Maureen.

710

00:41:54,637 --> 00:41:56,597
We've gotten everything we both wanted.

711

00:41:59,016 --> 00:42:01,685
John was never gonna leave
that dirty scrap of land.

712

00:42:02,728 --> 00:42:03,979
Because I was the bad guy

713

00:42:04,522 --> 00:42:05,898
you didn't have to be.

714

00:42:09,652 --> 00:42:12,071
Not much point in locking me up anymore.

715

00:42:12,571 --> 00:42:13,572
[Smith exhales]

716

00:42:15,908 --> 00:42:17,326
[Smith] Please, let me help.

717

00:42:17,409 --> 00:42:20,162
I've been freeloading for months
eating your delicious homegrown food.

718

00:42:20,996 --> 00:42:22,831
So, what, now she's part of the family?

719

00:42:22,915 --> 00:42:23,832
Less work for me.

720

00:42:24,917 --> 00:42:27,336
Yeah? You'd better watch yourself.

721

00:42:27,461 --> 00:42:29,129
I don't want trouble.

722

00:42:45,104 --> 00:42:46,230
Okay.

723

00:43:13,257 --> 00:43:14,091
[sighs]

724

00:43:18,554 --> 00:43:19,972
So I learned how to drive.

725

00:43:22,224 --> 00:43:25,394
And today, for the first time,
I drove by myself.

726

00:43:28,606 --> 00:43:29,648
I crashed.

727

00:43:33,277 --> 00:43:35,404
I wish you'd been there to see it.

728

00:43:40,784 --> 00:43:43,287
Everyone thinks the only reason I miss you

729

00:43:44,538 --> 00:43:46,540
is because you help us out of trouble...

730

00:43:48,626 --> 00:43:50,085
but we do okay on our own.

731

00:43:52,254 --> 00:43:54,173
I just miss you 'cause we're friends.

732

00:43:56,884 --> 00:44:00,512
So, the whole reason
I was crashing the Chariot

733

00:44:01,138 --> 00:44:03,599
is because we've been sailing
across the ocean...

734

00:44:04,391 --> 00:44:05,392
in the Jupiter...

735

00:44:06,852 --> 00:44:10,481
with sails, real sails,
if you can believe it.

736

00:44:12,149 --> 00:44:14,485
Me, Judy and Penny
made a pretty good crew...

737

00:44:16,028 --> 00:44:19,990
until it was just me and Judy
because Penny was too busy throwing up.

738

00:44:20,074 --> 00:44:20,908
[chuckles]

739

00:44:23,744 --> 00:44:24,787
[Maureen] We made it, babe.

740

00:44:27,331 --> 00:44:29,541
Pretty soon,
we're gonna be off this planet.

741

00:44:31,585 --> 00:44:33,045
[John] I didn't want it all to end.

742
00:44:35,089 --> 00:44:37,216
[Maureen] We're surrounded by water
we can't drink

743
00:44:37,299 --> 00:44:38,676
and air we can't breathe.

744
00:44:39,635 --> 00:44:41,178
[John] But we made our home here.

745
00:44:42,680 --> 00:44:44,682
Finally, we were all together again.

746
00:44:47,518 --> 00:44:48,727
[Maureen] We're still together.

747
00:44:49,937 --> 00:44:50,771
[John] Wait.

748
00:44:52,022 --> 00:44:53,023
Do you see that?

749
00:44:53,107 --> 00:44:54,149
[Maureen] What is that?

750
00:44:55,275 --> 00:44:56,652
Are those more shoals?

751
00:44:58,028 --> 00:44:59,655
-[John] I don't like this.
-[rumbling]

752
00:44:59,738 --> 00:45:00,656
[gasps]

753
00:45:01,156 --> 00:45:03,742
We're caught in the current.
We've gotta slow down.

754
00:45:06,120 --> 00:45:07,621
What are we looking at?

755
00:45:12,376 --> 00:45:13,919
Is that a waterfall?

756
00:45:15,045 --> 00:45:15,879
[Will] Go!

757
00:45:15,963 --> 00:45:18,674
Go, go, go, go, go. Come on,
come on, come on! Strap in!

758
00:45:18,757 --> 00:45:20,050
-[Penny] Hurry!
-[loud crashing]

759
00:45:22,970 --> 00:45:24,179
Will, come on!

760
00:45:24,263 --> 00:45:26,849
Can we just get where we're going
once without crashing?

761
00:45:28,892 --> 00:45:31,228
Everyone, hold on. We're going over.

762
00:45:32,688 --> 00:45:33,856
I love you guys.

763
00:45:36,400 --> 00:45:38,152
[loud crashing]

764
00:45:38,235 --> 00:45:40,237
-[rumbling]
-[breathing heavily]

765
00:45:40,320 --> 00:45:42,823
[Judy] Okay. Hey, Penny?
Penny, Will, are you okay?

766

00:45:42,906 --> 00:45:43,991
[Penny] Yeah. Yeah.

767

00:45:44,074 --> 00:45:46,368
-Okay, we're good, right?
-[Judy] Belts off. We gotta go.

768

00:45:46,452 --> 00:45:50,038
-[Judy breathing heavily] Yeah.
-[Will] Mom? Dad?

769

00:46:09,641 --> 00:46:10,476
Well...

770

00:46:11,310 --> 00:46:12,352
we're here.

771

00:46:12,436 --> 00:46:14,104
That looks like metal down there.

772

00:46:14,188 --> 00:46:16,356
That's too straight.
That can't be natural.

773

00:46:16,440 --> 00:46:17,441
No.

774

00:46:18,066 --> 00:46:19,193
Somebody built this.

775

00:46:21,069 --> 00:46:22,154
Who?

776

00:46:23,071 --> 00:46:25,073
[dramatic music playing]

777

00:46:58,816 --> 00:47:01,860
[scratching]

778

00:47:19,378 --> 00:47:21,296
[closing theme music playing]
