Seems like you've been this way a lot.

343

00:22:38,732 --> 00:22:40,359
[Samantha] Yeah, in the beginning, but...

344

00:22:40,442 --> 00:22:42,235
[Judy] Careful. Your bag is caught
on the--

345

00:22:43,111 --> 00:22:44,237
No!

346

00:22:44,321 --> 00:22:45,781
Hey, it's okay. It's okay.

347

00:22:47,866 --> 00:22:49,534
They're-- They're important.

348

00:22:50,660 --> 00:22:51,495
That's all.

349
00:22:54,331 --> 00:22:56,166
[Judy] It's from your family, right?

350
00:22:56,792 --> 00:22:57,834
From my dad.

351
00:23:00,045 --> 00:23:01,421
He worked here.

352
00:23:02,005 --> 00:23:04,466
The rule was after ten trips

353
00:23:04,800 --> 00:23:06,510
he was allowed to bring us

354
00:23:06,593 --> 00:23:09,805
and we were all going to get to stay
on Alpha Centauri...

355
00:23:10,514 --> 00:23:11,390
together.

356
00:23:12,849 --> 00:23:14,309
It's a good rule.

357
00:23:14,393 --> 00:23:15,727
After the first attack

358
00:23:15,811 --> 00:23:17,312
they tried to find him,

359
00:23:17,396 --> 00:23:19,398
but then it was just me and my mom.

360
00:23:21,650 --> 00:23:24,027
When the monsters came back again...

361
00:23:24,945 --> 00:23:25,946
we...

362
00:23:27,989 --> 00:23:29,324
we got separated.

363
00:23:30,951 --> 00:23:32,619
I don't know where she is.

364
00:23:34,538 --> 00:23:37,040
You know, if they were evacuated

365
00:23:38,250 --> 00:23:41,002
your mom will be out there somewhere
looking for you,

366
00:23:43,255 --> 00:23:47,300
and when we get back to my family
we're going to help you find yours, okay?

367
00:23:49,052 --> 00:23:49,886
Okay.

368
00:23:52,639 --> 00:23:55,892
Wait, you said
"when the monsters came back."

369
00:23:57,394 --> 00:23:59,020
Did you mean that there was more than one?

370
00:23:59,438 --> 00:24:00,564
[loud crashing]

371
00:24:08,738 --> 00:24:09,614
[metal creaking]

372
00:24:20,125 --> 00:24:22,377
Well, there's no water coming out
of the taps.

373
00:24:23,628 --> 00:24:24,921
You know what that means?

374
00:24:25,005 --> 00:24:28,884

The oxygen generating system must be diverting resources to keep us breathing.

375

00:24:30,135 --> 00:24:34,014
I was gonna go with no Slurpees,
but yes, that's also true.

376

00:24:34,764 --> 00:24:36,600
[loud banging]

377

00:24:36,683 --> 00:24:37,726
[Penny] What was that?

378

00:24:40,562 --> 00:24:43,607
Mom. Dad. There's something coming
towards us, please tell me it's you.

379

00:24:44,274 --> 00:24:45,317
We're still below you.

380

00:24:45,692 --> 00:24:46,526
Hide!

381

00:24:46,610 --> 00:24:48,695
Don't make a sound. Mute your coms.

382

00:24:49,362 --> 00:24:51,865
Don, can you see any movement
outside the dining hall?

383

00:24:51,948 --> 00:24:53,909
[Don] No, nothing. Not from this angle.

384

00:24:56,578 --> 00:24:57,746
[breathing heavily]

385

00:25:01,249 --> 00:25:03,084
[whispering] I can still hear it.

386

00:25:03,752 --> 00:25:05,170
Come on, we got to keep moving.

387
00:25:06,963 --> 00:25:10,509
[rumbling getting louder]

388
00:25:10,592 --> 00:25:13,637
[growls]

389
00:25:23,355 --> 00:25:24,606
[growls]

390
00:25:24,856 --> 00:25:26,900
[neighs]

391
00:25:28,568 --> 00:25:29,444
Hm.

392
00:25:30,070 --> 00:25:31,071
[Penny sighs]

393
00:25:31,863 --> 00:25:32,864
[exhales]

394
00:25:33,907 --> 00:25:35,408
Mom. Dad.

395
00:25:35,492 --> 00:25:36,785
We're okay.

396
00:25:36,868 --> 00:25:37,994
-You sure?
-Yeah.

397
00:25:38,078 --> 00:25:40,121
You're not going to believe it,
but there's--

398
00:25:40,205 --> 00:25:41,873
There's a horse in the dining hall.

399
00:25:42,040 --> 00:25:43,166
Did you say a horse?

400
00:25:43,250 --> 00:25:45,335
Yeah, I think he came looking for food.

401
00:25:45,418 --> 00:25:47,796
[Don] Guys, don't laugh,
but it looks like there's

402
00:25:47,879 --> 00:25:51,466
-a horse loose in the dining hall.
-Good to know, Don. Thanks. Very timely.

403
00:25:51,550 --> 00:25:53,009
Okay. Sarcasm.

404
00:25:53,426 --> 00:25:55,095
[Maureen] Hey, guys. Is Judy there yet?

405
00:25:55,178 --> 00:25:56,638
-She said she was close.
-No.

406
00:25:56,721 --> 00:25:57,764
We haven't seen her.

407
00:25:58,848 --> 00:25:59,808
Judy?

408
00:26:00,850 --> 00:26:01,685
Judy!

409
00:26:02,310 --> 00:26:04,187
[metallic clanking]

410
00:26:04,521 --> 00:26:06,523
[both breathing nervously]

411
00:26:10,694 --> 00:26:12,320
[rumbling]

412
00:26:16,491 --> 00:26:17,909
-[John] Judy, if you're--

-Dad.

413

00:26:17,993 --> 00:26:20,078
Are you okay? Why weren't you answering?

414

00:26:20,161 --> 00:26:22,163
[whispering] We saw something...
No, below us.

415

00:26:22,247 --> 00:26:23,331
It was in--

416

00:26:23,415 --> 00:26:24,833
Which deck?

417

00:26:24,958 --> 00:26:26,960
-B.
-[Judy] B.

418

00:26:27,043 --> 00:26:27,961
Heading which way?

419

00:26:28,044 --> 00:26:30,547
[Judy] The same way we are.
Towards the dining hall.

420

00:26:32,882 --> 00:26:34,801
[automated voice]
Opening Cryo Bay Six.

421

00:26:34,884 --> 00:26:36,761
Dr. Zachary Smith.

422

00:26:37,554 --> 00:26:40,640
Patient status: awaiting treatment.

423

00:26:52,944 --> 00:26:53,778
Who are you?

424

00:26:53,862 --> 00:26:55,905
[breathes hard] Don't you know?

425
00:26:56,489 --> 00:26:58,658
-[automated voice] Cryo Sleep activated.
-[sighs]

426
00:26:58,742 --> 00:26:59,701
I'm you.

427
00:27:06,041 --> 00:27:07,584
[Sheila] I'm really proud of you, baby.

428
00:27:07,667 --> 00:27:11,129
[sighs] You know, you must be doing
very well to afford all this.

429
00:27:11,921 --> 00:27:13,214
I know it took a while,

430
00:27:13,298 --> 00:27:14,966
but I think I finally found my calling.

431
00:27:15,050 --> 00:27:15,967
[Sheila] This new job.

432
00:27:16,051 --> 00:27:17,218
It's in finance?

433
00:27:17,302 --> 00:27:19,095
[Smith] Uh, portfolio assessment.

434
00:27:19,179 --> 00:27:20,347
Mainly overseas.

435
00:27:21,806 --> 00:27:22,891
Very corporate.

436
00:27:23,183 --> 00:27:24,643
Whup! Empty.

437
00:27:24,726 --> 00:27:26,853
I'm going to go downstairs and fill it up.

438
00:27:29,189 --> 00:27:30,023
[sighs]

439
00:27:30,774 --> 00:27:31,608
So.

440
00:27:32,150 --> 00:27:34,194
Tell me, sis.

441
00:27:36,279 --> 00:27:37,489
Ever hear a name...

442
00:27:38,406 --> 00:27:39,282
Jeri Vick?

443
00:27:40,325 --> 00:27:41,576
I can't say I have.

444
00:27:42,160 --> 00:27:43,870
She's an investment banker.

445
00:27:45,080 --> 00:27:46,289
Passed away...

446
00:27:47,040 --> 00:27:48,208
two months ago.

447
00:27:48,416 --> 00:27:49,250
Oh...

448
00:27:49,334 --> 00:27:52,462
But for some reason, some of her clients

449
00:27:53,338 --> 00:27:55,924
still believe they're conducting business
with her.

450
00:27:57,717 --> 00:27:58,593
Yeah, I found...

451

00:28:00,136 --> 00:28:02,472
a stack of these business cards...

452
00:28:03,932 --> 00:28:05,350
in your new car.

453
00:28:06,685 --> 00:28:07,936
[exhales] Come on.

454
00:28:08,019 --> 00:28:10,897
Anyone with enough money to invest
can afford to lose a little.

455
00:28:10,980 --> 00:28:14,526
Just because you pretend
to be someone else...

456
00:28:14,609 --> 00:28:17,195
-[deep exhale]
-...doesn't mean it's not your fault.

457
00:28:17,862 --> 00:28:19,489
It does if you don't get caught.

458
00:28:21,241 --> 00:28:23,410
-But I just caught you.
-[Sheila] Girls!

459
00:28:23,493 --> 00:28:25,120
Come join me up here!

460
00:28:25,620 --> 00:28:28,790
Let's enjoy the view
before the Zofran wears off.

461
00:28:31,292 --> 00:28:33,420
-If you're not gonna tell her, I will.
-[Smith] Come on.

462
00:28:34,129 --> 00:28:35,463
She's having a good day.

463

00:28:36,923 --> 00:28:38,758
Why do you want to ruin it for her?

464
00:28:38,842 --> 00:28:40,260
Like you ruin those other people?

465
00:28:40,343 --> 00:28:41,344
[Smith] What people?

466
00:28:42,554 --> 00:28:43,847
Do you know them?

467
00:28:43,930 --> 00:28:45,682
Ever seen their faces?

468
00:28:46,349 --> 00:28:47,559
That's the beauty of it.

469
00:28:48,518 --> 00:28:49,436
Neither have I.

470
00:28:59,779 --> 00:29:00,822
[John] Hey!

471
00:29:01,990 --> 00:29:02,866
John.

472
00:29:03,324 --> 00:29:04,284
[John] What is it?

473
00:29:04,951 --> 00:29:06,202
[Maureen] Look at this.

474
00:29:07,120 --> 00:29:08,037
[John] Whoa.

475
00:29:09,622 --> 00:29:12,000
Blast marks everywhere.
Must have been a hell of a fight.

476
00:29:12,083 --> 00:29:14,085

Behind this wall.
That's where they kept it.

477
00:29:14,169 --> 00:29:15,336
The alien engine.

478
00:29:16,212 --> 00:29:18,089
That's why the Resolute's still here.

479
00:29:18,173 --> 00:29:21,301
SAR came back to finish the job
that Will's robot couldn't do.

480
00:29:21,384 --> 00:29:25,138
Without the engine the Resolute's nothing
more than a floating parking lot.

481
00:29:26,306 --> 00:29:28,016
Come on. We've got to keep moving.

482
00:29:34,939 --> 00:29:37,066
Stupid horse nearly gave me
a heart attack.

483
00:29:37,150 --> 00:29:38,276
[horse growling]

484
00:29:38,359 --> 00:29:40,779
He's stupid? I thought you liked horses.

485
00:29:42,322 --> 00:29:43,531
No, no, no, no, no.

486
00:29:43,615 --> 00:29:46,576
They're smelly and their teeth
are uncomfortably huge

487
00:29:46,659 --> 00:29:49,037
and so is their poop. I just...
It's not for me.

488
00:29:52,415 --> 00:29:54,834

But at Grandma's you were always
hanging out in the stables.

489

00:29:54,918 --> 00:29:58,505
If you don't like horses,
then why were you--

490

00:29:58,588 --> 00:30:00,089
Because Mom was there.

491

00:30:02,050 --> 00:30:03,301
She loves horses.

492

00:30:07,722 --> 00:30:09,307
It's always been really easy for you

493

00:30:09,390 --> 00:30:11,017
because you and Mom
have the science thing,

494

00:30:12,018 --> 00:30:14,938
but I wanted something in common, too,
so I made one up.

495

00:30:15,980 --> 00:30:18,399
-[loud neighing]
-Uh-oh.

496

00:30:18,483 --> 00:30:20,235
-Why "uh-oh?"
-He's scared.

497

00:30:20,318 --> 00:30:21,611
[neighing]

498

00:30:22,237 --> 00:30:23,071
Of what?

499

00:30:32,121 --> 00:30:33,665
Can I ask you something?

500

00:30:34,082 --> 00:30:35,208

Uh, yeah.

501

00:30:35,959 --> 00:30:36,835
Sure.

502

00:30:36,918 --> 00:30:39,170
The place we met, that Hall of Heroes--

503

00:30:39,254 --> 00:30:42,048
do you think the people
who didn't survive up here--

504

00:30:42,131 --> 00:30:46,052
do you think... maybe...
will go up on that wall someday?

505

00:30:46,845 --> 00:30:48,137
Yeah. Um...

506

00:30:48,847 --> 00:30:50,265
Yeah, I believe they will.

507

00:30:53,226 --> 00:30:54,435
You know, um...

508

00:30:55,520 --> 00:30:57,647
my dad's up there on that wall.

509

00:30:57,730 --> 00:30:58,773
[Samantha] For real?

510

00:30:59,440 --> 00:31:00,275
[Judy] Mm-hm.

511

00:31:01,526 --> 00:31:04,529
Never got to know him, though.
It happened before I was born.

512

00:31:05,029 --> 00:31:07,991
My mom told me that
he'll always be with me,

513

00:31:08,408 --> 00:31:09,242
that...

514

00:31:09,659 --> 00:31:12,120
a lot goes into making a person
who they are.

515

00:31:12,203 --> 00:31:14,122
And he'll always be a part of them,

516

00:31:14,205 --> 00:31:16,499
just like your dad will always be
a part of you.

517

00:31:16,583 --> 00:31:19,419
That's just something people say
to make you feel better.

518

00:31:19,544 --> 00:31:20,628
[Judy] Yeah, maybe,

519

00:31:21,337 --> 00:31:24,424
but no one taught you how to survive here
on your own...

520

00:31:26,134 --> 00:31:27,510
yet you did.

521

00:31:29,220 --> 00:31:31,472
So where do you think you got that from?

522

00:31:33,016 --> 00:31:35,435
Maybe he's even the one
keeping the monster away.

523

00:31:41,649 --> 00:31:43,943
[man on recording]
...fake their way into a new life.

524

00:31:45,528 --> 00:31:46,571
June Harris.

525
00:31:46,988 --> 00:31:47,906
What a career.

526
00:31:48,072 --> 00:31:49,115
Breaking and entering.

527
00:31:49,949 --> 00:31:51,451
Possession of stolen goods.

528
00:31:51,910 --> 00:31:53,870
Identity theft. Mail schemes.

529
00:31:54,787 --> 00:31:56,497
You've graduated to the big time.

530
00:31:56,915 --> 00:31:59,626
We have-- We have you on camera.

531
00:32:07,592 --> 00:32:08,676
Who the hell are you?

532
00:32:08,760 --> 00:32:10,970
-[Smith on recording] Let's make a deal.
-[grunting]

533
00:32:14,057 --> 00:32:15,266
[yelling on recording]

534
00:32:15,350 --> 00:32:17,560
[automated voice]
Air lock releasing in ten seconds.

535
00:32:17,644 --> 00:32:20,897
-[man on recording] You open this door...
-[automated voice] ...to override, 9, 8...

536
00:32:20,980 --> 00:32:22,440
You don't want to do this to me.

537
00:32:22,523 --> 00:32:25,485
[Jessica] Just because you pretend

to be someone else...

538

00:32:25,568 --> 00:32:28,696
-[Sheila] ...to look at...
-...doesn't mean it's not your fault.

539

00:32:28,780 --> 00:32:30,740
[overlapping voices echo]

540

00:32:30,823 --> 00:32:33,284
[man yelling from recording echoes]

541

00:32:39,707 --> 00:32:42,335
Guys. Your folks are almost there.

542

00:32:43,044 --> 00:32:44,420
[Will over radio] Thanks, Don.

543

00:32:44,504 --> 00:32:46,923
-Any sign of Judy?
-No, not at the moment, but...

544

00:32:53,388 --> 00:32:54,263
-[gasps]
-Whoa.

545

00:32:55,890 --> 00:32:58,267
Don, what's going on?
The lights just went out.

546

00:32:58,351 --> 00:33:01,729
The entire electrical system on B-Deck
is resetting or something.

547

00:33:02,814 --> 00:33:04,482
Smith, son of a...

548

00:33:04,941 --> 00:33:06,985
Uh, Robinsons, turn on your flashlights

549

00:33:07,068 --> 00:33:08,569
so I can see where you are, please.

550

00:33:09,862 --> 00:33:12,365
John, you got a straight shot
to the dining hall.

551

00:33:15,618 --> 00:33:17,328
Judy, I thought you were in
the subsystem.

552

00:33:17,412 --> 00:33:18,454
Uh, we are.

553

00:33:18,538 --> 00:33:20,206
Well, then, who the hell's...

554

00:33:20,289 --> 00:33:21,666
[John over radio] Maybe it's Smith.

555

00:33:21,791 --> 00:33:23,167
[neighing loudly]

556

00:33:23,751 --> 00:33:25,211
Hey. He's doing it again.

557

00:33:31,342 --> 00:33:32,760
Whatever it is, it's moving.

558

00:33:32,844 --> 00:33:35,722
-Where are they going? Talk to me, Don.
-[Don] Toward the dining hall.

559

00:33:35,805 --> 00:33:37,432
You have to get it to calm down.

560

00:33:37,515 --> 00:33:38,683
-How?
-Well, I don't know.

561

00:33:38,766 --> 00:33:42,020
You're supposed to be the horse girl.
Come on.

562
00:33:42,520 --> 00:33:45,690
[neighing loudly]

563
00:33:45,982 --> 00:33:47,025
It's okay.

564
00:33:47,859 --> 00:33:48,776
Hi.

565
00:33:48,860 --> 00:33:50,570
[horse whinnying loudly]

566
00:33:50,653 --> 00:33:53,364
[whispering] Just a little upset.

567
00:33:53,448 --> 00:33:54,949
[horse whinnying loudly]

568
00:33:56,451 --> 00:33:57,285
All right.

569
00:33:57,368 --> 00:34:01,581
-[Will] You got this.
-It's okay. Shhh.

570
00:34:02,331 --> 00:34:03,374
It's okay.

571
00:34:05,960 --> 00:34:07,462
It's okay. Shh.

572
00:34:11,841 --> 00:34:13,092
Whoa.

573
00:34:15,803 --> 00:34:17,263
Okay, now they're stopping...

574
00:34:18,056 --> 00:34:19,849
They're heading in another direction.

575

00:34:28,900 --> 00:34:30,902
-[clattering]
-[horse neighing loudly]

576
00:34:33,529 --> 00:34:34,906
Guys, it's not Smith.

577
00:34:34,989 --> 00:34:36,657
-I repeat, it's not Smith!
-SAR.

578
00:34:37,325 --> 00:34:38,493
[grunts]

579
00:34:39,035 --> 00:34:40,369
[John] Run!

580
00:34:40,912 --> 00:34:42,663
Will! Penny! You need to hide now!

581
00:34:45,583 --> 00:34:47,543
[automated voice] Backup power engaged.

582
00:34:52,131 --> 00:34:54,133
[breathes shakily]

583
00:35:05,061 --> 00:35:06,854
-[Will] That's...
-[Penny] ...not...

584
00:35:06,938 --> 00:35:07,897
[Will] ...SAR.

585
00:35:09,440 --> 00:35:11,317
How many of these things are there?

586
00:35:12,151 --> 00:35:13,528
[Don] It's in the dining hall.

587
00:35:13,903 --> 00:35:15,238
Hey! Hey!

588
00:35:16,823 --> 00:35:17,949
We're not gonna make it!

589
00:35:23,329 --> 00:35:25,289
[metal creaking]

590
00:35:29,544 --> 00:35:31,045
[softly] Come on, come on.

591
00:35:39,178 --> 00:35:41,180
[breathing shakily]

592
00:35:44,600 --> 00:35:47,061
[John shouting]
Some people call me the space cowboy!

593
00:35:47,937 --> 00:35:51,357
Some call me the gangster of love!

594
00:35:53,151 --> 00:35:56,779
Some people call me Maurice!

595
00:35:56,863 --> 00:36:03,202
-[robot clanking]
-'Cause I speak of the pompatus of love!

596
00:36:03,286 --> 00:36:04,871
[Don] It's moving away from the kids.

597
00:36:04,954 --> 00:36:06,330
Whatever you're doing, keep doing it.

598
00:36:06,414 --> 00:36:07,456
Keep going!

599
00:36:07,540 --> 00:36:09,876
Some people talk about me, baby!

600
00:36:10,751 --> 00:36:12,503
I don't know any more of the words.

601
00:36:13,045 --> 00:36:15,673
I don't think we're going
to need them anyway. Run!

602
00:36:15,756 --> 00:36:16,841
-[gasps]
-Run!

603
00:36:16,924 --> 00:36:19,302
Guys, it's coming fast.
You need to pick it up.

604
00:36:21,179 --> 00:36:22,555
Don, we're gonna need your help!

605
00:36:22,638 --> 00:36:23,764
[Don] What kind of help?

606
00:36:23,848 --> 00:36:26,142
[John] The kind where you tell
us where the hell we're going.

607
00:36:26,225 --> 00:36:27,059
Uh... Right.

608
00:36:27,935 --> 00:36:28,769
Um...

609
00:36:29,437 --> 00:36:30,396
[groans]

610
00:36:30,479 --> 00:36:32,356
Beautiful. Way easier to fix than to use.

611
00:36:32,982 --> 00:36:34,483
Here. Follow me.

612
00:36:37,778 --> 00:36:38,654
[John] Run.

613
00:36:44,410 --> 00:36:47,205

[metal creaking]

614

00:36:51,042 --> 00:36:51,876
I lost you guys.

615

00:36:52,627 --> 00:36:54,754
[Don over radio] John? Maureen?
Where are you?

616

00:36:55,254 --> 00:36:58,007
What's going on? Is everything okay?
Someone talk to me.

617

00:36:58,257 --> 00:36:59,133
Don.

618

00:36:59,759 --> 00:37:00,927
Is it close?

619

00:37:01,010 --> 00:37:03,012
[Don] I don't know. I've lost visual.

620

00:37:03,095 --> 00:37:06,057
[quietly] Can you create a diversion
of some kind,

621

00:37:06,140 --> 00:37:07,975
an alarm or something? [gasps]

622

00:37:08,059 --> 00:37:10,603
[Don over radio] Yeah, but it's going
to take a couple minutes.

623

00:37:10,978 --> 00:37:14,273
[Maureen over radio] We don't have
a couple minutes. It's getting closer.

624

00:37:14,357 --> 00:37:16,359
[Don over radio] I can only do
so much, Maureen.

625

00:37:16,901 --> 00:37:19,237

[Maureen over radio] Actually, Don,
you've been perfect.

626

00:37:20,279 --> 00:37:21,364
[Maureen] Go, John! Now!

627

00:37:23,991 --> 00:37:25,785
[both gasping]

628

00:37:25,868 --> 00:37:27,870
[loud banging]

629

00:37:28,496 --> 00:37:29,705
[loud banging]

630

00:37:29,789 --> 00:37:31,791
[both breathing heavily]

631

00:37:37,463 --> 00:37:39,382
So you never loved my singing?

632

00:37:40,675 --> 00:37:41,676
No.

633

00:37:42,218 --> 00:37:43,719
[both chuckling]

634

00:37:45,012 --> 00:37:47,640
Someone's gonna have to explain to me
what the hell just happened.

635

00:37:48,307 --> 00:37:49,934
Kids, it's safe to come out now.

636

00:37:51,727 --> 00:37:53,688
-See you in a few minutes.
-[Will over radio] Okay.

637

00:38:01,487 --> 00:38:03,281
[grunting, breathing heavily]

638

00:38:04,031 --> 00:38:04,991
Judy.

639

00:38:05,992 --> 00:38:07,076
What are you doing here?

640

00:38:08,202 --> 00:38:12,164
Don. He, uh, he wanted me
to make sure you were okay.

641

00:38:12,248 --> 00:38:13,916
[Samantha] Is she a friend of yours?

642

00:38:14,333 --> 00:38:15,376
Um...

643

00:38:15,793 --> 00:38:16,752
No, not exactly.

644

00:38:16,836 --> 00:38:18,170
We're more like family.

645

00:38:18,254 --> 00:38:20,381
[Judy] Hey, come on,
let's go back to the Jupiter, okay?

646

00:38:20,464 --> 00:38:21,882
-Don't forget your picture.
-Okay.

647

00:38:26,345 --> 00:38:28,306
It must be a very important photograph.

648

00:38:29,307 --> 00:38:32,393
It's me... and my dad.

649

00:38:35,438 --> 00:38:37,189
It's the last one I have of him.

650

00:38:37,898 --> 00:38:40,234
You don't want to do this to me.
Press the override.

651
00:38:40,318 --> 00:38:42,320
Please! Override!

652
00:38:44,363 --> 00:38:45,865
[yelling]

653
00:38:46,824 --> 00:38:48,701
I'm sorry for your loss.

654
00:38:51,203 --> 00:38:52,663
-Hey, come on.
-Yeah.

655
00:39:08,846 --> 00:39:09,805
Mom!

656
00:39:09,889 --> 00:39:10,723
Dad!

657
00:39:10,806 --> 00:39:12,141
-Oh!
-Hi.

658
00:39:12,224 --> 00:39:13,100
Hey!

659
00:39:13,184 --> 00:39:14,560
-You're okay.
-Are you okay?

660
00:39:14,643 --> 00:39:15,936
[sighing]

661
00:39:29,116 --> 00:39:31,035
You've been here this whole time?

662
00:39:33,120 --> 00:39:36,123
-You people purposely look for danger.
-[laughs]

663

00:39:36,207 --> 00:39:37,666
Oh, that's funny?

664
00:39:38,167 --> 00:39:39,543
You're good, though, right?

665
00:39:42,088 --> 00:39:42,922
Hey.

666
00:39:43,422 --> 00:39:45,466
You've always been so good with animals.

667
00:39:46,634 --> 00:39:47,635
Thank you.

668
00:39:52,431 --> 00:39:53,641
Will.

669
00:39:53,724 --> 00:39:57,019
Samantha told me that when the Resolute
was attacked for a second time

670
00:39:57,520 --> 00:39:58,896
that there were two robots.

671
00:39:58,979 --> 00:40:00,064
It wasn't just SAR.

672
00:40:01,440 --> 00:40:02,316
Yeah, I know.

673
00:40:02,775 --> 00:40:04,151
-We saw the other--
-No.

674
00:40:04,235 --> 00:40:06,153
She said the second one was shaped
like a man.

675
00:40:06,904 --> 00:40:09,490
It had two legs
and it was protecting people.

676

00:40:11,200 --> 00:40:12,701
Will, your robot was here.

677

00:40:14,120 --> 00:40:15,162
What does that mean?

678

00:40:15,246 --> 00:40:16,414
It means...

679

00:40:17,248 --> 00:40:18,666
that somewhere on the ship

680

00:40:19,542 --> 00:40:20,459
there's a clue.

681

00:40:21,460 --> 00:40:22,878
We just have to find it.

682

00:40:22,962 --> 00:40:23,838
A clue for what?

683

00:40:24,922 --> 00:40:26,340
For where he is now.

684

00:40:26,924 --> 00:40:29,093
Can we just have a break, just for once...

685

00:40:29,176 --> 00:40:31,178
[continues indistinctly]

686

00:40:35,558 --> 00:40:36,517
[sighs]

687

00:40:45,943 --> 00:40:46,986
Hey, look!

688

00:40:51,282 --> 00:40:52,116
[laughs]

689

00:40:52,783 --> 00:40:53,826
Survivors!

690
00:40:59,540 --> 00:41:00,708
-Who is it?
-Hello.

691
00:41:02,376 --> 00:41:04,211
[man] Contain them.

692
00:41:04,295 --> 00:41:06,422
[John] No, no, no, no, no, it's okay.
Everything's fine.

693
00:41:06,505 --> 00:41:07,756
Robinsons.

694
00:41:08,716 --> 00:41:10,259
Glad to see you all in one piece.

695
00:41:10,509 --> 00:41:12,845
Ben Adler,
deputy director of advanced systems.

696
00:41:12,928 --> 00:41:15,139
Now, please.
Get on board, while we still can.

697
00:41:15,222 --> 00:41:17,892
If you're worried about that thing
wandering around, we contained it.

698
00:41:18,559 --> 00:41:20,352
Contained it? With what?

699
00:41:20,978 --> 00:41:22,062
A radio.

700
00:41:22,146 --> 00:41:23,814
[Don] Well, and me. Hey.

701
00:41:23,898 --> 00:41:26,442

Don West. I was pretty vital
in this whole operation.

702

00:41:26,525 --> 00:41:29,069
-I was the eyes. I was the ears--
-Mostly the mouth.

703

00:41:31,405 --> 00:41:33,073
How did you know we were here?

704

00:41:33,157 --> 00:41:35,034
As soon as you docked
I picked up your signal.

705

00:41:36,869 --> 00:41:38,245
Samantha?

706

00:41:38,954 --> 00:41:39,872
Is that you?

707

00:41:42,416 --> 00:41:44,168
We looked everywhere for you.

708

00:41:44,251 --> 00:41:45,878
Your mom's going to be overwhelmed.

709

00:41:45,961 --> 00:41:47,046
She's alive?

710

00:41:47,922 --> 00:41:48,964
Oh, very...

711

00:41:50,341 --> 00:41:52,092
and she's been missing you so much.

712

00:41:54,136 --> 00:41:55,137
Where is she?

713

00:41:56,722 --> 00:42:00,059
After the attack, we all took refuge
on a planet in the system.

714

00:42:00,142 --> 00:42:01,185
Temporarily.

715

00:42:01,268 --> 00:42:04,271
Only until the Resolute was safe enough
to support us again.

716

00:42:04,438 --> 00:42:05,856
Where did it come from--

717

00:42:06,065 --> 00:42:07,525
That robot up here?

718

00:42:07,691 --> 00:42:09,068
What happened to it?

719

00:42:09,151 --> 00:42:10,736
And you must be young Will.

720

00:42:11,445 --> 00:42:14,073
We've heard quite a few stories about you
from the other survivors.

721

00:42:14,156 --> 00:42:17,368
When we've all settled in, I'd love
to hear it from the horse's mouth.

722

00:42:17,451 --> 00:42:21,163
Speaking of horses, you might want a mop
and some disinfectant for the dining hall.

723

00:42:21,247 --> 00:42:22,248
It's kinda...

724

00:42:22,331 --> 00:42:24,124
Could we speak to you privately?

725

00:42:30,548 --> 00:42:32,800
Sounds like you had quite the adventure
up there.

726

00:42:33,425 --> 00:42:34,885
You must have some questions.

727

00:42:35,177 --> 00:42:36,470
Uh, a few.

728

00:42:36,554 --> 00:42:38,847
Let's start with what the hell it was
we trapped back there.

729

00:42:38,931 --> 00:42:40,975
You didn't trap it. You put it back.

730

00:42:43,227 --> 00:42:44,061
Put it back?

731

00:42:44,436 --> 00:42:47,231
Let's just say
your son wasn't the first one

732

00:42:47,314 --> 00:42:49,608
to make contact with
an alien intelligence.

733

00:42:51,443 --> 00:42:54,071
[pounding continues]

734

00:42:54,154 --> 00:42:55,406
We call it Scarecrow.

735

00:42:55,656 --> 00:42:57,491
I'm familiar with scarecrows.

736

00:42:57,575 --> 00:43:00,160
The real ones don't usually try
and kill the crows.

737

00:43:00,369 --> 00:43:03,831
So, that thing's been on the Resolute
this whole time?

738

00:43:03,914 --> 00:43:05,583

-Indeed.

-For what purpose?

739

00:43:05,666 --> 00:43:09,920

The answer to that and a whole lot more
is on the other side of this wall.

740

00:43:12,548 --> 00:43:14,091

What do you say, Robinsons?

741

00:43:14,925 --> 00:43:16,510

Ready to go through the looking glass?

742

00:43:24,602 --> 00:43:26,520

[closing theme music playing]
