EPISODE 2.05

"Run"

John's predicament goes from bad to worse, sending Judy on a frantic race across the planet. Penny spies on Smith -- with help from an old friend.

MAIN EPISODE CAST

Molly Parker	...	Maureen Robinson
Toby Stephens	...	John Robinson
Maxwell Jenkins	...	Will Robinson
Taylor Russell	...	Judy Robinson
Mina Sundwall	...	Penny Robinson
Ignacio Serricchio	...	Don West
Parker Posey	...	June Harris / Dr. Smith
JJ Field	...	Ben Adler
Ajay Friese	...	Vijay Dhar
Raza Jaffrey	...	Victor Dhar
Tattiawna Jones	...	Ava
Rob LaBelle	...	Mr. Jackson
Susie Lee	...	Young Judy's Teacher
Zen Shane Lim	...	Resolute Security Officer
Ella Simone Tabu	...	Young Judy
Deborah Barnes	...	Young Judy's Grandma
Aaron Pearl	...	Hilmi Farhan
Mauricio Romero	...	Crew Member
Shaun Parkes	...	Captain Radic
Chris Shields	...	Dr. Luna
Jojo Ahenkorah	...	Injured Worker
Zehra Fazal	...	Computer (Voice)
Sibongile Mlambo	...	Angela

1

00:00:23,231 --> 00:00:25,233
[scattered applause]

2

00:00:33,950 --> 00:00:36,995
My hero is the famous astronaut
Grant Kelly.

3

00:00:37,078 --> 00:00:38,538
He was brave and smart,

4

00:00:38,621 --> 00:00:40,623
and he was also my biological dad.

5

00:00:41,374 --> 00:00:43,501
[Judy] Grant Kelly was born in Detroit,
Michigan.

6

00:00:44,002 --> 00:00:46,463
He got a scholarship to MIT when he was 17

7

00:00:46,755 --> 00:00:48,715
and graduated top of his class.

8

00:00:49,299 --> 00:00:51,176
Then he went into the space program.

9

00:00:51,259 --> 00:00:52,969
He got to go to the moon and Mars,

10

00:00:53,053 --> 00:00:54,763
which is really far away.

11

00:00:54,846 --> 00:00:56,890
Farther away than Disneyland or France.

12

00:00:57,390 --> 00:00:58,516
[all laughing]

13

00:01:05,106 --> 00:01:08,526
He was one of the first people to work
on the Alpha Centauri program.

14

00:01:09,527 --> 00:01:11,196
I never got to meet Grant Kelly.

15

00:01:11,279 --> 00:01:12,614
He died before I was born.

16

00:01:12,697 --> 00:01:15,617
But everyone who knew him
said he was very courageous.

17

00:01:15,700 --> 00:01:17,118
That's why he's my hero.

18

00:01:20,955 --> 00:01:23,249
Thank you, Judy,
that was a wonderful presentation.

19

00:01:23,333 --> 00:01:24,167
I'm not done.

20

00:01:24,793 --> 00:01:26,544
[all laughing]

21

00:01:34,761 --> 00:01:36,596
My other hero is my adopted dad,

22

00:01:36,971 --> 00:01:38,014
John Robinson.

23

00:01:38,598 --> 00:01:41,267
He's a Navy SEAL.
He protects us from bad guys.

24

00:01:41,726 --> 00:01:43,186
He also tells funny jokes

25

00:01:43,269 --> 00:01:45,313
and makes me hot chocolate when I'm sick.

26

00:01:46,314 --> 00:01:49,400

And he always read me a bedtime story,
even when he's far away.

27

00:01:50,026 --> 00:01:52,612
I'm very lucky that I have two heroes
to look up to.

28

00:01:54,864 --> 00:01:56,866
[applause]

29

00:02:04,040 --> 00:02:06,251
[man over radio]
How you doing down there, John?

30

00:02:06,334 --> 00:02:07,794
-[heavy breathing]
-John?

31

00:02:09,587 --> 00:02:10,630
[sighs]

32

00:02:11,631 --> 00:02:12,674
Believe it or not,

33

00:02:13,383 --> 00:02:14,217
I've been worse.

34

00:02:14,717 --> 00:02:16,302
How are things up there?

35

00:02:17,345 --> 00:02:19,848
We've got about four hours
until we can get to you.

36

00:02:19,931 --> 00:02:21,933
-[exhales]
-You gotta hang on.

37

00:02:22,559 --> 00:02:23,434
Hang on.

38

00:02:23,893 --> 00:02:25,854

Right. Huh.

39

00:02:26,354 --> 00:02:28,356
[metal creaking]

40

00:02:32,152 --> 00:02:34,863
[rumbling]

41

00:02:39,075 --> 00:02:40,076
[yelling]

42

00:02:40,577 --> 00:02:42,954
[grunts and groans]

43

00:02:44,122 --> 00:02:47,584
[groaning in pain]

44

00:02:52,172 --> 00:02:54,632
[groaning in pain]

45

00:03:02,015 --> 00:03:06,227
[indistinct yelling and chattering]

46

00:03:08,521 --> 00:03:10,315
[Judy] Possible spine fracture
and head trauma.

47

00:03:10,398 --> 00:03:11,983
He has multiple contusions.

48

00:03:12,066 --> 00:03:14,777
-[man] He likely has internal injuries.
-Yes, his pulse is weak

49

00:03:14,861 --> 00:03:16,571
and irregular oxygenation is compromised.

50

00:03:16,654 --> 00:03:17,906
His temp is dropping.

51

00:03:17,989 --> 00:03:19,240

He's bradycardic.

52

00:03:20,033 --> 00:03:24,329
Okay, we're gonna need a CT image
of his head, thoracic and lumbar spine.

53

00:03:28,041 --> 00:03:28,875
What is it?

54

00:03:29,500 --> 00:03:30,335
I don't know.

55

00:03:30,418 --> 00:03:33,463
[Don] But it's turning this metal into
weird pencil shavings.

56

00:03:33,546 --> 00:03:35,548
I've never seen anything rust that fast.

57

00:03:35,840 --> 00:03:37,926
The Chariots are made of a ferrous alloy.

58

00:03:38,009 --> 00:03:40,762
Mostly titanium so it's not rust,
it's some kind of...

59

00:03:41,429 --> 00:03:42,597
chemical infection.

60

00:03:43,223 --> 00:03:44,557
How is that even possible?

61

00:03:45,099 --> 00:03:48,478
The answer to how is that
insert-bad-thing-here even possible,

62

00:03:48,561 --> 00:03:50,438
it's always the same.
We're on an alien planet.

63

00:03:51,689 --> 00:03:52,899
Whoa, whoa, whoa.

64

00:03:55,693 --> 00:03:57,111
It spreads through contact.

65

00:03:58,154 --> 00:03:58,988
Great.

66

00:04:00,657 --> 00:04:01,783
Everyone listen up.

67

00:04:02,367 --> 00:04:04,994
I want all vehicles grounded at base camp
until further notice.

68

00:04:05,078 --> 00:04:07,080
That's Chariots, Jupiters, everything.

69

00:04:08,539 --> 00:04:10,291
[grunting]

70

00:04:10,625 --> 00:04:12,585
[panting]

71

00:04:12,669 --> 00:04:13,586
[grunting]

72

00:04:25,265 --> 00:04:26,391
[groaning in pain]

73

00:04:28,351 --> 00:04:29,894
Hey Judy, do you copy?

74

00:04:31,271 --> 00:04:33,648
[sighs] Yeah.
I just dropped off a patient.

75

00:04:33,731 --> 00:04:36,276
-I'm heading back to you now.
-[John] You might wanna hurry.

76

00:04:36,734 --> 00:04:39,237

I fell and I got poked by a damn rod.

77

00:04:39,821 --> 00:04:40,905

Poked?

78

00:04:40,989 --> 00:04:43,533

Well, more like impaled. [small chuckle]

79

00:04:45,118 --> 00:04:47,745

Can you, uh, tell me where
the puncture wound is exactly?

80

00:04:47,829 --> 00:04:49,080

Left hand side,

81

00:04:49,956 --> 00:04:51,332

just below my abdomen.

82

00:04:51,416 --> 00:04:52,875

How much blood have you lost?

83

00:04:53,334 --> 00:04:55,420

[John] It's not gushing, so moderate.

84

00:04:55,837 --> 00:04:57,714

[groaning] I'm applying pressure now.

85

00:04:58,047 --> 00:04:59,757

Okay, can you read me your vitals?

86

00:05:00,174 --> 00:05:01,301

Heart rate is 100,

87

00:05:01,384 --> 00:05:04,345

blood pressure is 140 over 80.

88

00:05:04,470 --> 00:05:06,973

And, uh, temperature is 98.6.

89

00:05:07,557 --> 00:05:09,225

Your temp and BP are normal.

90

00:05:09,309 --> 00:05:11,019
Heart rate is high
but that's to be expected.

91

00:05:11,102 --> 00:05:13,479
I can't tell if
you punctured a vital organ,

92

00:05:13,563 --> 00:05:15,565
but it sounds like
the rod is holding its position,

93

00:05:15,648 --> 00:05:17,275
that's why you didn't bleed out instantly.

94

00:05:17,358 --> 00:05:19,235
Ah. Lucky me.

95

00:05:19,694 --> 00:05:22,322
Dad, it's important that you don't move.

96

00:05:22,405 --> 00:05:24,240
Further damage could cause
the infected vessels

97

00:05:24,365 --> 00:05:26,534
to bleed more freely,
sending you into hypovolemic shock.

98

00:05:27,160 --> 00:05:30,121
You're gonna need an epinephrine shot ASAP
to keep your blood pressure up,

99

00:05:30,747 --> 00:05:32,999
and antibiotics for the impending sepsis.

100

00:05:34,000 --> 00:05:36,586
Well, you know where I am.

101

00:05:37,295 --> 00:05:39,797
All right. Keep monitoring your vitals.

102

00:05:39,881 --> 00:05:40,840
I'll be there soon.

103

00:05:45,470 --> 00:05:46,888
Judy Robinson to Hapgood.

104

00:05:47,513 --> 00:05:48,973
This is Hapgood.

105

00:05:49,057 --> 00:05:50,433
How soon can you get to my father?

106

00:05:50,516 --> 00:05:52,226
We're looking at three hours
and 40 minutes.

107

00:05:52,310 --> 00:05:53,686
He can't wait that long.

108

00:05:53,770 --> 00:05:56,939
At the drill site,
there was a pile of long tubing.

109

00:05:57,023 --> 00:05:58,149
[Hapgood] Caledon.

110

00:05:58,232 --> 00:06:01,027
Can you send that down to him?
I can use it to get him medical supplies.

111

00:06:01,110 --> 00:06:03,071
Judy, no. You can't take the Chariot.

112

00:06:03,154 --> 00:06:04,614
There was an accident at the drill site.

113

00:06:04,697 --> 00:06:06,783
-I know, I heard your father's trapped.
-No, he's hurt.

114

00:06:07,367 --> 00:06:09,452
And I can't reach my mom
to tell her what's going on

115

00:06:09,535 --> 00:06:10,495
so I need to get to him.

116

00:06:10,578 --> 00:06:12,872
If you take the Chariot,
it could break down before you get there.

117

00:06:12,955 --> 00:06:14,499
You'd be stranded
in the middle of nowhere.

118

00:06:14,582 --> 00:06:15,875
Then I have two people to rescue.

119

00:06:15,958 --> 00:06:18,211
Right. Well, he will die
if I don't do this.

120

00:06:21,464 --> 00:06:23,091
I'm very aware of the risks.

121

00:06:25,927 --> 00:06:26,761
Go.

122

00:06:32,517 --> 00:06:34,394
Just stay inside the perimeter fence.

123

00:06:34,477 --> 00:06:35,561
Got it.

124

00:06:44,404 --> 00:06:46,072
I saw what the robot saw.

125

00:06:46,239 --> 00:06:48,157
I was looking at a hoodoo rock.

126

00:06:48,241 --> 00:06:49,283
That hoodoo rock.

127
00:06:49,367 --> 00:06:51,244
[Penny] So he's been here the whole time.

128
00:06:51,327 --> 00:06:52,161
Is he okay?

129
00:06:52,245 --> 00:06:54,831
I don't know.
I only saw a flash for a second.

130
00:06:55,665 --> 00:06:58,376
I'm glad you're going to go get him.
I miss his starry face.

131
00:06:59,043 --> 00:07:01,546
How exactly are you gonna find
this particular hoodoo?

132
00:07:02,088 --> 00:07:03,756
I mean, there must be a million out there.

133
00:07:03,840 --> 00:07:06,259
I cross referenced the data stamp
from that photograph

134
00:07:06,342 --> 00:07:08,010
to the map surveys of the planet.

135
00:07:08,094 --> 00:07:11,848
And it looks like the robot is about
200 kilometers east of base camp.

136
00:07:11,931 --> 00:07:13,808
Your dad'll be done working at the well

137
00:07:13,891 --> 00:07:16,185
and once we pick him up,
we can drive there in about a day.

138
00:07:16,269 --> 00:07:18,271
Are you, um, sure you don't need me?

139
00:07:18,354 --> 00:07:20,815
Honey, are you worried about being up here
all by yourself?

140
00:07:20,898 --> 00:07:22,900
Without parental supervision?

141
00:07:23,234 --> 00:07:24,694
I'll struggle through.

142
00:07:24,777 --> 00:07:26,195
You know you have school today.

143
00:07:26,988 --> 00:07:27,989
I thought that was a joke.

144
00:07:28,072 --> 00:07:30,283
You haven't been to school
in seven months.

145
00:07:30,366 --> 00:07:31,868
You make us study every day.

146
00:07:31,951 --> 00:07:32,910
[scoffs]

147
00:07:32,994 --> 00:07:34,620
You should be happy
for the change of pace.

148
00:07:35,204 --> 00:07:36,581
Will's not going to school.

149
00:07:37,915 --> 00:07:38,916
Just stay out of trouble.

150
00:07:39,959 --> 00:07:42,545
Or better yet, just wait until I get back.

151
00:07:54,599 --> 00:07:55,433

Oh.

152

00:07:55,641 --> 00:07:56,601
Hey, Mr. Adler.

153

00:07:56,684 --> 00:07:57,935
It's just Ben.

154

00:07:59,479 --> 00:08:01,856
[automated voice]
Transport shuttle launch will commence.

155

00:08:01,939 --> 00:08:03,524
-Please stand clear.
-Maureen.

156

00:08:04,358 --> 00:08:06,360
Air pressure stabilized.

157

00:08:06,777 --> 00:08:08,696
I appreciate you letting me tag along.

158

00:08:09,530 --> 00:08:11,782
We both know you'd come
whether I wanted you to or not.

159

00:08:11,866 --> 00:08:15,578
-I woulda thought you wanted the back up.
-We're used to doing things on our own.

160

00:08:17,246 --> 00:08:18,581
So I've noticed.

161

00:08:20,124 --> 00:08:22,335
Look, I know what I'm capable of

162

00:08:22,502 --> 00:08:24,212
and I know what he's capable of.

163

00:08:25,129 --> 00:08:27,340
But you don't know anything about me.

164
00:08:29,425 --> 00:08:30,259
Still,

165
00:08:30,843 --> 00:08:32,678
we're all lost out here together

166
00:08:33,137 --> 00:08:34,013
relying on the...

167
00:08:35,014 --> 00:08:37,642
visions of a twelve-year-old boy
to lead us home.

168
00:08:38,434 --> 00:08:42,104
[automated voice] Launch will commence
in T-minus 30 seconds.

169
00:08:42,563 --> 00:08:44,649
I'll admit, I don't understand

170
00:08:45,233 --> 00:08:46,901
Will's connection to the robot.

171
00:08:46,984 --> 00:08:48,319
It's a mystery to me.

172
00:08:48,402 --> 00:08:50,404
I could guess at the science...

173
00:08:53,991 --> 00:08:56,369
but I think it's deeper than that.

174
00:08:57,745 --> 00:09:00,623
[automated voice]
Sealing cabin for airlock disengagement.

175
00:09:05,795 --> 00:09:07,255
Something we have to take on faith.

176
00:09:10,341 --> 00:09:12,009
It's not easy for people like us.

177

00:09:18,766 --> 00:09:23,229

[automated voice]

Disengage in T-minus ten, nine, eight,

178

00:09:23,604 --> 00:09:30,027

seven, six, five, four, three, two, one.

179

00:09:54,552 --> 00:09:56,304

Is that Captain Radic? What happened?

180

00:09:56,470 --> 00:09:58,681

One of the doctors said
he just collapsed out of nowhere.

181

00:09:58,764 --> 00:10:00,766

She had no idea what was wrong with him.

182

00:10:01,225 --> 00:10:02,977

-Which doctor?

-A therapist.

183

00:10:03,060 --> 00:10:05,855

Uh, I think she said her name
was Dr. Smith.

184

00:10:07,315 --> 00:10:08,691

Hope this fits your needs.

185

00:10:08,983 --> 00:10:11,485

Most of the offices were destroyed
during the first attack.

186

00:10:11,652 --> 00:10:12,486

[sighs]

187

00:10:17,408 --> 00:10:18,909

It's perfect.

188

00:10:19,160 --> 00:10:20,202

Thank you.

189
00:10:20,786 --> 00:10:22,121
You're welcome, Dr. Smith.

190
00:10:22,204 --> 00:10:23,039
[exhales]

191
00:10:25,958 --> 00:10:27,335
[whispering] A clean slate.

192
00:10:35,134 --> 00:10:36,177
You were arrested.

193
00:10:39,013 --> 00:10:40,973
A silly misunderstanding.

194
00:10:41,557 --> 00:10:43,184
What did you do to Radic?

195
00:10:47,063 --> 00:10:49,440
One minute he was fine and...

196
00:10:50,441 --> 00:10:52,151
the next he was on the ground.

197
00:10:52,234 --> 00:10:53,069
It...

198
00:10:54,153 --> 00:10:56,113
It all happened so fast.

199
00:10:56,197 --> 00:10:57,448
And now you have an office?

200
00:10:58,282 --> 00:11:00,618
Well, where else am I going
to see my patients?

201
00:11:03,996 --> 00:11:06,415
Everyone's been dealing
with so much trauma.

202
00:11:08,542 --> 00:11:09,710
I wanna do my part.

203
00:11:11,587 --> 00:11:12,797
Help everyone heal.

204
00:11:18,678 --> 00:11:19,595
And move on.

205
00:11:24,058 --> 00:11:26,686
Now if you'll excuse me,
I have a lot of work to do.

206
00:11:28,145 --> 00:11:30,690
-Unless you want to make an appointment.
-No, thank you.

207
00:11:34,151 --> 00:11:35,403
[exhales]

208
00:11:41,283 --> 00:11:43,786
[metal clanking]

209
00:11:43,869 --> 00:11:45,579
[alarm blaring continuously]

210
00:11:45,663 --> 00:11:46,497
No.

211
00:11:47,707 --> 00:11:48,791
Come on.

212
00:11:50,543 --> 00:11:51,794
No.

213
00:11:55,381 --> 00:11:56,382
[grunting loudly]

214
00:12:03,264 --> 00:12:05,266
[wind howling]

215
00:12:10,396 --> 00:12:11,230
[sighs]

216
00:12:15,276 --> 00:12:16,444
[sighs deeply]

217
00:12:21,866 --> 00:12:26,328
[automated voice] You are currently
24.5 kilometers from your destination.

218
00:12:29,123 --> 00:12:30,166
[Young Judy] I can't do it.

219
00:12:30,249 --> 00:12:31,292
It's too hard.

220
00:12:32,835 --> 00:12:34,170
It is hard, kiddo,

221
00:12:34,253 --> 00:12:35,629
but you got to keep trying.

222
00:12:37,715 --> 00:12:39,508
I'll just run. I'm good at running.

223
00:12:39,592 --> 00:12:41,343
[small chuckle] You are good at running.

224
00:12:41,427 --> 00:12:42,887
In fact, you're good at most things.

225
00:12:42,970 --> 00:12:44,388
But every once in a while

226
00:12:44,472 --> 00:12:46,932
there's gonna be something
that doesn't come easy.

227
00:12:47,016 --> 00:12:49,018
Now, that doesn't mean you just give up.

228
00:12:50,436 --> 00:12:52,563
All right, what do you say we get back on?

229
00:12:52,772 --> 00:12:54,273
Come on, give it another go.

230
00:12:58,027 --> 00:12:58,861
Okay.

231
00:13:00,780 --> 00:13:02,198
Don't let go until I say so.

232
00:13:02,281 --> 00:13:03,491
I won't. You ready?

233
00:13:04,617 --> 00:13:06,035
[Judy] Don't let go! Don't let go!

234
00:13:06,160 --> 00:13:07,369
I'm here. I'm right here.

235
00:13:08,329 --> 00:13:09,413
Hey, you're doing it.

236
00:13:09,497 --> 00:13:10,539
[whimpering]

237
00:13:12,291 --> 00:13:14,752
You're doing it! You're doing it!

238
00:13:15,294 --> 00:13:16,378
Okay, let go!

239
00:13:17,546 --> 00:13:18,756
[John] Woo-hoo!

240
00:13:18,881 --> 00:13:19,799
Look at you!

241
00:13:19,882 --> 00:13:21,926

Watch me, Daddy! Watch me!

242

00:13:22,009 --> 00:13:22,968
I'm watching!

243

00:13:27,139 --> 00:13:28,182
I'm watching.

244

00:13:35,981 --> 00:13:37,983
[Judy over radio]
Judy to Dad, do you copy?

245

00:13:38,734 --> 00:13:39,568
Yeah, I'm here.

246

00:13:40,820 --> 00:13:42,655
How you doing? BP, heart rate?

247

00:13:43,239 --> 00:13:44,657
No better, no worse.

248

00:13:45,032 --> 00:13:47,034
All right, that's good. No change.

249

00:13:47,284 --> 00:13:49,745
Uh, so whatever made the drill collapse

250

00:13:49,829 --> 00:13:51,330
is now affecting the Chariots.

251

00:13:51,413 --> 00:13:53,123
The one I have just broke down.

252

00:13:53,249 --> 00:13:54,834
I have to go on foot from here.

253

00:13:55,543 --> 00:13:56,794
How far away are you?

254

00:13:56,877 --> 00:13:58,879
[exhales] About fifteen miles.

255
00:13:58,963 --> 00:14:01,048
-[John] Judy, that's too far.
-Not for me.

256
00:14:01,131 --> 00:14:02,800
If I run at a pace of

257
00:14:03,217 --> 00:14:04,510
eight minutes per mile,

258
00:14:04,593 --> 00:14:06,053
I can get there in two hours.

259
00:14:07,596 --> 00:14:09,932
Hey... you're talking
to the former state champ

260
00:14:10,015 --> 00:14:11,600
-of track and field.
-[chuckles]

261
00:14:11,684 --> 00:14:12,685
I remember.

262
00:14:14,645 --> 00:14:15,563
[John] Okay.

263
00:14:15,646 --> 00:14:17,898
-Be careful.
-[Judy] Yeah.

264
00:14:21,485 --> 00:14:24,613
[panting]

265
00:14:30,578 --> 00:14:32,329
[indistinct chatter]

266
00:15:07,615 --> 00:15:08,490
[alarm beeping]

267

00:15:08,574 --> 00:15:11,535
[automated voice]
Reminder, class begins in two minutes.

268
00:15:23,464 --> 00:15:24,298
[boy] Penny.

269
00:15:27,092 --> 00:15:27,927
Vijay.

270
00:15:28,010 --> 00:15:29,887
We weren't sure
that we'd ever see you again.

271
00:15:30,763 --> 00:15:31,680
Yeah, I know.

272
00:15:31,972 --> 00:15:34,350
I thought you would be on the planet
with the other colonists.

273
00:15:34,433 --> 00:15:36,936
Isn't your dad supposed to be there
representing?

274
00:15:37,019 --> 00:15:39,855
My dad is, but my mom is up here
with logistical team,

275
00:15:39,939 --> 00:15:42,107
so they're making sure
everything's stocked,

276
00:15:42,191 --> 00:15:44,401
ready for people
to come back here and stuff.

277
00:15:44,485 --> 00:15:45,319
Right.

278
00:15:49,323 --> 00:15:50,532
Oh! Do you wanna...?

279
00:15:50,616 --> 00:15:53,035
-No. I sit right-- Right there. Yeah.
-Right. Cool.

280
00:15:53,118 --> 00:15:55,496
All right, everyone, welcome back!

281
00:15:56,956 --> 00:15:58,290
Good to see you again, Penny.

282
00:15:58,916 --> 00:16:00,960
Good to be seen, Mr. Jackson.

283
00:16:01,752 --> 00:16:05,381
Since it appears as if our time
on this planet is coming to an end,

284
00:16:05,464 --> 00:16:06,590
I would be remiss...

285
00:16:06,674 --> 00:16:08,384
So I guess I'll see ya around.

286
00:16:08,467 --> 00:16:09,468
Yeah. See ya around.

287
00:16:09,551 --> 00:16:12,513
[Mr. Jackson] ...of exploration
to study the unique vegetation

288
00:16:12,596 --> 00:16:14,598
that we're leaving behind.

289
00:16:15,641 --> 00:16:18,602
For this project, we will be working
in groups of two.

290
00:16:19,645 --> 00:16:22,147
So, uh, let's go ahead and partner up.

291
00:16:22,231 --> 00:16:23,399

I'm with Vijay.

292

00:16:27,653 --> 00:16:30,072
[indistinct chatter]

293

00:16:30,197 --> 00:16:31,448
Are you sure?

294

00:16:31,657 --> 00:16:33,659
I mean, maybe it was just a coincidence?

295

00:16:33,742 --> 00:16:34,618
A coincidence?

296

00:16:34,868 --> 00:16:37,287
That he fell ill an hour
after he arrested her

297

00:16:37,371 --> 00:16:39,748
and now he's in a coma
because his brain won't stop swelling?

298

00:16:40,040 --> 00:16:42,418
Okay. You-- You need to tell my dad.

299

00:16:42,501 --> 00:16:44,211
He's not gonna believe us
if we don't have proof.

300

00:16:44,294 --> 00:16:45,629
Us?

301

00:16:53,554 --> 00:16:54,638
Um, Mr. Jackson?

302

00:16:55,305 --> 00:16:57,182
Can we go clean up in the bathroom?

303

00:16:58,434 --> 00:17:00,436
-Vijay spilled and...
-Sure.

304
00:17:03,397 --> 00:17:05,399
[panting]

305
00:17:12,906 --> 00:17:14,742
[Judy] Ugh. You look tired!

306
00:17:15,200 --> 00:17:16,660
Race you to the trash can.

307
00:17:16,910 --> 00:17:18,037
[John] Sure. If you want.

308
00:17:18,996 --> 00:17:21,457
Sure you're not gonna poop out on me,
old man?

309
00:17:21,707 --> 00:17:23,792
Hey. First, I'm not an old man.

310
00:17:23,917 --> 00:17:26,795
Second of all, Navy SEALs do not poop.

311
00:17:26,879 --> 00:17:28,839
One, two, three. Go!

312
00:17:28,922 --> 00:17:31,633
[both panting]

313
00:17:34,303 --> 00:17:36,013
Yeah! Ha ha!

314
00:17:36,597 --> 00:17:37,848
[laughs]

315
00:17:38,265 --> 00:17:39,099
Ugh.

316
00:17:40,017 --> 00:17:41,268
-Still got it.
-Uh-huh.

317
00:17:41,810 --> 00:17:42,644
[grunting]

318
00:17:43,479 --> 00:17:44,855
Okay. Okay.

319
00:17:44,938 --> 00:17:46,190
I'll race you to the car.

320
00:17:46,690 --> 00:17:47,649
What, already?

321
00:17:47,733 --> 00:17:50,319
-Yeah. You'll catch up.
-[John laughing]

322
00:17:50,402 --> 00:17:51,236
Huh.

323
00:17:56,825 --> 00:17:58,827
[thunder rumbling]

324
00:18:02,456 --> 00:18:05,584
[panting]

325
00:18:05,959 --> 00:18:08,295
[screeching sound in distance]

326
00:18:12,216 --> 00:18:13,467
[panting] Hey Dad, do you copy?

327
00:18:14,218 --> 00:18:15,427
Yeah, I'm here.

328
00:18:17,012 --> 00:18:18,263
Hey. How you doin'?

329
00:18:18,639 --> 00:18:21,350
Uh... maybe a little warm.

330

00:18:22,601 --> 00:18:23,977
What's your temperature?

331
00:18:25,562 --> 00:18:26,688
Uh, it's, uh...

332
00:18:27,981 --> 00:18:29,525
A hundred and three.

333
00:18:29,608 --> 00:18:32,444
Dad! That's not a little warm!
What's your BP and heart rate?

334
00:18:32,528 --> 00:18:34,154
[John] Eighty-eight over 50.

335
00:18:35,072 --> 00:18:37,074
And 110.

336
00:18:38,283 --> 00:18:39,576
Are you still bleeding?

337
00:18:41,328 --> 00:18:42,412
[grunting]

338
00:18:44,331 --> 00:18:45,457
Maybe a little more.

339
00:18:46,083 --> 00:18:48,252
You're bleeding into
your abdominal compartment.

340
00:18:49,795 --> 00:18:51,547
[panting]

341
00:19:00,556 --> 00:19:02,099
[screeching sound]

342
00:19:02,182 --> 00:19:03,433
Are you still there?

343

00:19:05,269 --> 00:19:08,313
Um... I found a faster route.
I'll be there soon.

344
00:19:11,191 --> 00:19:14,111
[automated voice]
Warning. Perimeter fence deactivated.

345
00:19:16,280 --> 00:19:18,824
Warning. You are outside
the perimeter fence.

346
00:19:19,158 --> 00:19:21,160
For your safety, please return.

347
00:19:29,835 --> 00:19:31,295
-Stop looking.
-I'm not.

348
00:19:43,515 --> 00:19:46,518
We don't see each other for seven months
and I'm already trespassing for you.

349
00:19:46,602 --> 00:19:48,604
You are the one who insisted on coming.

350
00:19:48,729 --> 00:19:50,647
Yeah, like I'm really just gonna
give you the code

351
00:19:50,731 --> 00:19:52,316
that unlocks everything on the Resolute.

352
00:19:52,399 --> 00:19:54,776
Oh, the one that you secretly stole
from your dad.

353
00:19:54,860 --> 00:19:56,195
That's different, I guess.

354
00:19:56,486 --> 00:19:58,071
[distant rumbling]

355
00:19:58,697 --> 00:19:59,698
Quick.

356
00:20:09,666 --> 00:20:13,253
[door opens and closes]

357
00:20:19,218 --> 00:20:22,137
Hold on. They program the compactor
to turn on every hour.

358
00:20:24,181 --> 00:20:25,098
Okay...

359
00:20:25,849 --> 00:20:26,725
Yes!

360
00:20:27,684 --> 00:20:28,810
I think we're good.

361
00:20:31,939 --> 00:20:34,566
-[gasps] Oh.
-Oh. [gagging]

362
00:20:38,820 --> 00:20:40,280
That is a lot of garbage.

363
00:20:43,033 --> 00:20:46,245
[Penny] Okay. So we're looking
for a blue trash bag.

364
00:20:46,370 --> 00:20:47,287
You can go first.

365
00:20:47,371 --> 00:20:48,330
This was your idea.

366
00:20:51,208 --> 00:20:52,167
Okay. Fine.

367
00:21:05,806 --> 00:21:06,765
[grunts]

368
00:21:08,016 --> 00:21:09,643
I cannot. I can't do this.

369
00:21:09,726 --> 00:21:12,312
Come on. Just, like,
breathe through your mouth, something.

370
00:21:12,396 --> 00:21:13,939
I don't want it in my mouth.

371
00:21:14,022 --> 00:21:16,525
Okay. That's fine.
Can you just help me up then?

372
00:21:16,608 --> 00:21:17,526
Thank you.

373
00:21:18,735 --> 00:21:20,070
[both grunting]

374
00:21:20,153 --> 00:21:20,988
Ah.

375
00:21:21,613 --> 00:21:22,447
[sighs]

376
00:21:22,698 --> 00:21:23,532
Okay.

377
00:21:24,324 --> 00:21:25,784
I'm going to look over here,

378
00:21:26,326 --> 00:21:27,327
you look over there.

379
00:21:31,290 --> 00:21:34,584
[screeching sound approaching]

380
00:21:36,169 --> 00:21:39,214
[dinosaur screeching]

381
00:21:39,298 --> 00:21:41,300
[panting]

382
00:21:43,969 --> 00:21:46,763
[dinosaurs screeching fiercely]

383
00:21:52,602 --> 00:21:54,771
[grunting and panting]

384
00:22:20,422 --> 00:22:21,798
[screeching fiercely]

385
00:22:28,388 --> 00:22:29,556
[yelling]

386
00:22:30,265 --> 00:22:31,308
[panting]

387
00:22:36,521 --> 00:22:38,899
[John] Remember these three rules
when you're in the wild.

388
00:22:39,524 --> 00:22:41,443
Could be the difference
between life and death.

389
00:22:41,526 --> 00:22:44,780
Dad, we're going to a campground
with numbered posts.

390
00:22:44,863 --> 00:22:46,281
And a water park.

391
00:22:46,365 --> 00:22:49,618
Never leave food unattended--
You don't want to attract animals.

392
00:22:49,701 --> 00:22:53,038
Rule number two,
always remember your fire protocols.

393

00:22:53,455 --> 00:22:55,415
What's the main cause of forest fires?

394

00:22:55,916 --> 00:22:56,750
Humans.

395

00:22:56,833 --> 00:22:57,876
Humans, that's right.

396

00:22:57,959 --> 00:23:00,462
-Which leads me to rule number three--
-Yeah, yeah, I get it.

397

00:23:00,545 --> 00:23:01,838
I'll text you when I get there.

398

00:23:02,714 --> 00:23:03,924
Hey. What's rule number three?

399

00:23:04,007 --> 00:23:05,550
Uh, accept the unexpected.

400

00:23:05,634 --> 00:23:07,260
When things go wrong,

401

00:23:07,344 --> 00:23:08,970
don't stand around and complain.

402

00:23:09,054 --> 00:23:10,180
Assess your options.

403

00:23:10,263 --> 00:23:11,515
And move forward. Love you! Bye.

404

00:23:11,598 --> 00:23:12,557
Love you, too.

405

00:23:12,641 --> 00:23:14,267
-[excited chatter]
-[engine starts]

406
00:23:15,435 --> 00:23:16,395
Have fun.

407
00:23:31,076 --> 00:23:33,078
[rocks clattering]

408
00:23:33,161 --> 00:23:34,996
[Judy] Uh, accept the unexpected.

409
00:23:35,622 --> 00:23:36,998
[John] Assess your options.

410
00:23:37,082 --> 00:23:39,251
[Judy] And move forward. Love you! Bye.

411
00:23:42,712 --> 00:23:46,049
[dinosaurs screeching above]

412
00:23:54,141 --> 00:23:55,434
[screeching]

413
00:24:01,398 --> 00:24:03,316
[shouts, grunts]

414
00:24:08,363 --> 00:24:09,239
[grunting]

415
00:24:12,409 --> 00:24:13,368
[gasps]

416
00:24:18,290 --> 00:24:21,918
[grunts deeply, panting]

417
00:24:22,002 --> 00:24:23,253
[screeching]

418
00:24:23,336 --> 00:24:25,672
[dinosaurs screeching in distance]

419
00:24:31,803 --> 00:24:34,222

This is taking forever.
Mr. Jackson is gonna go looking for us

420
00:24:34,306 --> 00:24:36,099
when he realizes
we've been gone for so long.

421
00:24:39,436 --> 00:24:41,730
-Oh, my God.
-What-- Did you find it?

422
00:24:44,024 --> 00:24:45,484
Somebody else brought Oreos.

423
00:24:49,154 --> 00:24:50,197
What are you doing?

424
00:24:50,280 --> 00:24:52,073
Hm? Nothing.

425
00:24:52,866 --> 00:24:54,743
-You were looking in that package.
-No, I wasn't.

426
00:24:54,826 --> 00:24:56,369
You were checking if there was any left.

427
00:24:56,453 --> 00:24:59,331
I-- What kind of a person
do you think I am?

428
00:25:01,500 --> 00:25:03,585
You know, the last time we were together,

429
00:25:03,668 --> 00:25:06,296
we were in a poop cave and now
we're up to our knees in garbage,

430
00:25:06,379 --> 00:25:09,382
so... I wonder if the universe is trying
to tell us something.

431

00:25:09,466 --> 00:25:11,092
Yeah, we stink together.

432
00:25:13,720 --> 00:25:15,430
But we're like friends now, right?

433
00:25:15,514 --> 00:25:18,016
You're the only person I know
on the Resolute, so...

434
00:25:18,099 --> 00:25:20,101
yes. Sure.

435
00:25:20,519 --> 00:25:22,354
Okay, as a friend,
can I ask you something?

436
00:25:22,479 --> 00:25:24,314
As long as you can multitask.

437
00:25:28,443 --> 00:25:30,820
What exactly did you mean
when you said I was a bad kisser?

438
00:25:33,323 --> 00:25:36,159
When we were on that other planet,
you said I was a bad kisser.

439
00:25:38,036 --> 00:25:39,204
[exhales]

440
00:25:41,748 --> 00:25:42,832
We're in a room

441
00:25:43,250 --> 00:25:44,668
that smells like feet

442
00:25:45,335 --> 00:25:46,169
and vomit.

443
00:25:47,629 --> 00:25:49,005
And you want to talk about kissing?

444
00:25:49,089 --> 00:25:51,049
It's just, I've never had
any complaints before so--

445
00:25:51,132 --> 00:25:53,885
-Sorry, I brought your average down.
-Well, was it too much lip?

446
00:25:53,969 --> 00:25:55,512
-Not enough?
-We're really doing this.

447
00:25:55,595 --> 00:25:56,513
Was it my breath?

448
00:25:56,596 --> 00:25:59,432
Because, to be fair, MREs give me
acid reflux and I ran out of gum.

449
00:25:59,516 --> 00:26:00,350
I don't remember--

450
00:26:00,433 --> 00:26:02,352
And also, I tense up
when I'm caught off guard,

451
00:26:02,435 --> 00:26:03,687
which I was that day. I mean--

452
00:26:03,770 --> 00:26:06,356
Usually I can see a kiss coming
from miles away

453
00:26:06,439 --> 00:26:08,316
in which case
I'll do some relaxation tec--

454
00:26:08,400 --> 00:26:09,651
Oh, my God, please stop.

455
00:26:10,193 --> 00:26:12,737

Clearly you've been obsessing over this
for months

456

00:26:12,821 --> 00:26:15,282
and so I'm going to be totally honest
with you.

457

00:26:15,740 --> 00:26:20,287
I may not be the best judge
when it comes to kissing.

458

00:26:22,622 --> 00:26:23,707
But you said that it was--

459

00:26:23,790 --> 00:26:24,791
Yeah, I know what I said.

460

00:26:24,874 --> 00:26:27,669
Just... get a second opinion.

461

00:26:29,629 --> 00:26:30,505
Oh, my God.

462

00:26:32,757 --> 00:26:33,925
I was your first kiss.

463

00:26:34,009 --> 00:26:35,218
And if that were true,

464

00:26:35,302 --> 00:26:37,304
I would like to circle back
to this conversation

465

00:26:37,387 --> 00:26:39,055
when I have something to compare it to.

466

00:26:39,139 --> 00:26:43,184
Now, can we please focus
on stopping a criminal mastermind?

467

00:26:46,646 --> 00:26:47,522
Oh, my God.

468
00:26:50,233 --> 00:26:51,067
I found it.

469
00:26:54,237 --> 00:26:55,196
Empty MRE bag...

470
00:26:56,448 --> 00:26:57,532
a banana peel...

471
00:26:59,534 --> 00:27:00,577
a dirty tissue...

472
00:27:02,579 --> 00:27:03,955
a banana peel.

473
00:27:06,124 --> 00:27:07,917
God, a banana peel.

474
00:27:08,001 --> 00:27:09,836
Smith really loves bananas, I guess.

475
00:27:11,630 --> 00:27:12,505
Wait, hold on.

476
00:27:13,340 --> 00:27:14,924
There's something written on this.

477
00:27:15,008 --> 00:27:16,217
What does it say?

478
00:27:20,555 --> 00:27:21,723
"Killed."

479
00:27:33,276 --> 00:27:35,028
[siren blaring]

480
00:27:35,111 --> 00:27:36,488
Is that what I think it is?

481

00:27:38,073 --> 00:27:40,075
[compactor starting]

482
00:27:41,743 --> 00:27:43,453
We gotta get out of here. Come on.

483
00:27:44,537 --> 00:27:45,497
[Penny] No. No, no, no.

484
00:27:45,580 --> 00:27:46,414
Penny, come on!

485
00:27:46,498 --> 00:27:48,083
I can't-- My foot is stuck.

486
00:27:52,462 --> 00:27:54,130
Come on. [grunting]

487
00:27:54,214 --> 00:27:55,131
Okay, just pull!

488
00:27:55,215 --> 00:27:56,132
I am pulling!

489
00:27:58,593 --> 00:28:00,095
[Vijay] I'm sorry. I got to go!

490
00:28:00,178 --> 00:28:01,513
Vijay!

491
00:28:02,389 --> 00:28:04,015
Wait, wait, where are you going?

492
00:28:04,099 --> 00:28:05,266
No, no, no.

493
00:28:06,059 --> 00:28:07,352
Vijay!

494
00:28:07,435 --> 00:28:08,353
[panting]

495
00:28:09,229 --> 00:28:10,313
Where are you going?

496
00:28:10,814 --> 00:28:12,065
Help!

497
00:28:14,734 --> 00:28:16,236
No, no, no, no!

498
00:28:16,528 --> 00:28:18,363
Vijay!

499
00:28:21,116 --> 00:28:23,493
[compactor stops]

500
00:28:24,619 --> 00:28:26,287
[gasping]

501
00:28:28,415 --> 00:28:29,374
[chuckles]

502
00:28:29,958 --> 00:28:30,875
[exhales]

503
00:28:34,963 --> 00:28:36,047
Thanks, Vijay.

504
00:28:36,756 --> 00:28:38,758
If you weren't here to save me, I'd be...

505
00:28:40,468 --> 00:28:42,137
Wait, did you think I had left you?

506
00:28:43,138 --> 00:28:45,890
Uh, because I had to, you know,
go turn off the machine.

507
00:28:47,142 --> 00:28:49,853
I know. [stammers] I don't know how else
you would have done it. Nope.

508
00:29:07,245 --> 00:29:08,413
[sighs]

509
00:29:09,122 --> 00:29:10,540
I have a confession to make.

510
00:29:10,623 --> 00:29:11,958
Well, keep it to yourself

511
00:29:12,041 --> 00:29:14,294
'cause I don't want to
have to testify against you.

512
00:29:18,423 --> 00:29:19,841
You were my first kiss too.

513
00:29:22,844 --> 00:29:24,179
Yeah, it's...

514
00:29:25,430 --> 00:29:27,265
it's super obvious in retrospect.

515
00:29:29,934 --> 00:29:30,977
Whoa!

516
00:29:47,619 --> 00:29:48,870
He acts so grown up now,

517
00:29:48,995 --> 00:29:52,332
I forget how young he looks
when he's asleep.

518
00:29:52,415 --> 00:29:55,168
My kids used to fall asleep
whenever we were in the car.

519
00:29:56,544 --> 00:29:57,670
You have children?

520
00:29:57,754 --> 00:30:00,006

Twin boys. A couple years older than Will.

521

00:30:01,424 --> 00:30:02,801
Maybe Penny knows them.

522

00:30:02,884 --> 00:30:05,386
They're already on Alpha Centauri
with my wife.

523

00:30:06,638 --> 00:30:08,640
They were in the fifth colonist group.

524

00:30:11,434 --> 00:30:13,019
You didn't go with them?

525

00:30:14,854 --> 00:30:17,982
My job requires that I travel back
and forth on the Resolute.

526

00:30:18,441 --> 00:30:20,360
Usually three months at a time.

527

00:30:20,443 --> 00:30:21,778
Now you're here.

528

00:30:24,405 --> 00:30:25,490
That's hard.

529

00:30:25,573 --> 00:30:27,075
Thanks to your son,

530

00:30:27,617 --> 00:30:29,369
I have a hope of seeing them again.

531

00:30:33,623 --> 00:30:35,834
So it's a good thing
he passed his test then.

532

00:30:37,126 --> 00:30:38,294
Excuse me?

533

00:30:39,254 --> 00:30:41,256
His records,
they say he had some difficulty

534
00:30:41,339 --> 00:30:43,174
with his pre-qualification training.

535
00:30:43,675 --> 00:30:45,343
But obviously he pulled through.

536
00:30:46,052 --> 00:30:47,387
Yes. He did.

537
00:31:06,948 --> 00:31:08,950
[panting]

538
00:31:10,118 --> 00:31:12,579
[John] They tore down that park
we used to run in.

539
00:31:15,123 --> 00:31:17,834
I think it's part of a strip mall now.

540
00:31:20,628 --> 00:31:22,422
Yeah, no one runs outside anymore.

541
00:31:23,298 --> 00:31:24,299
Right.

542
00:31:25,091 --> 00:31:26,217
'Cause of the air.

543
00:31:28,970 --> 00:31:29,804
[clears throat]

544
00:31:32,515 --> 00:31:35,810
Your mother told me that
you really stepped up when I was away.

545
00:31:37,145 --> 00:31:39,606
Helped Penny and Will
with their homework...

546
00:31:41,441 --> 00:31:42,567
made meals...

547
00:31:44,444 --> 00:31:47,071
all the while studying
for your medical exams.

548
00:31:48,323 --> 00:31:50,742
It's a lot of pressure
for an eighteen-year-old.

549
00:31:55,038 --> 00:31:56,289
Now I'm back.

550
00:31:56,956 --> 00:31:58,541
You don't have to work so hard.

551
00:32:00,251 --> 00:32:01,878
Being with family isn't work.

552
00:32:02,795 --> 00:32:03,671
I didn't mean...

553
00:32:05,840 --> 00:32:07,216
What I-- What I meant was--

554
00:32:07,300 --> 00:32:10,386
That you want things to go back
to how they were before you left Mom?

555
00:32:12,472 --> 00:32:13,723
I didn't...

556
00:32:14,098 --> 00:32:16,142
mean for that to happen.

557
00:32:18,728 --> 00:32:19,771
Now I'm back.

558
00:32:21,147 --> 00:32:22,148

For good.

559

00:32:23,441 --> 00:32:25,068
And we can be a family again.

560

00:32:29,322 --> 00:32:30,281
Look, um...

561

00:32:31,532 --> 00:32:35,912
I get that you feel bad and, uh,
and wanna make it up,

562

00:32:36,829 --> 00:32:40,375
so just make it up to Penny
and Will and Mom, but, um...

563

00:32:41,000 --> 00:32:43,336
Yeah, don't come to Alpha Centauri
on my behalf

564

00:32:43,419 --> 00:32:45,129
'cause I'm doing fine without you.

565

00:32:59,143 --> 00:33:01,145
[ragged breathing]

566

00:33:07,068 --> 00:33:08,319
[John over radio] Judy.

567

00:33:09,153 --> 00:33:10,196
Can you hear me?

568

00:33:10,738 --> 00:33:12,699
Yeah. Just a mile, I'll be there soon.

569

00:33:13,866 --> 00:33:14,826
I know you will.

570

00:33:19,539 --> 00:33:21,207
You know, when I first saw you...

571

00:33:22,417 --> 00:33:23,418
[chuckles softly]

572
00:33:24,419 --> 00:33:25,712
...you were this...

573
00:33:26,629 --> 00:33:28,423
tiny little thing.

574
00:33:28,798 --> 00:33:30,299
But I knew...

575
00:33:30,633 --> 00:33:32,719
that you were gonna be a force of nature.

576
00:33:34,512 --> 00:33:36,055
And when I married your mom...

577
00:33:37,473 --> 00:33:38,766
I promised her...

578
00:33:40,101 --> 00:33:42,103
that I would do everything I could...

579
00:33:43,730 --> 00:33:45,606
to help you become

580
00:33:45,732 --> 00:33:47,734
the person that you were meant to be.

581
00:33:50,194 --> 00:33:51,612
Why are you telling me this?

582
00:33:51,696 --> 00:33:52,655
Listen...

583
00:33:54,115 --> 00:33:55,533
all the tools...

584
00:33:56,534 --> 00:33:58,536
all the things I taught you...

585
00:34:00,204 --> 00:34:01,539
you have them.

586
00:34:02,331 --> 00:34:03,541
You know them by heart.

587
00:34:03,624 --> 00:34:05,585
[panting] Read me your vitals.

588
00:34:05,668 --> 00:34:08,087
[panting] Read me your vitals.

589
00:34:08,171 --> 00:34:10,381
You don't need your old man anymore.

590
00:34:13,551 --> 00:34:15,928
I know that whatever happens to you
in life...

591
00:34:19,474 --> 00:34:21,100
you're gonna do great.

592
00:34:21,726 --> 00:34:23,269
[panting] Great.

593
00:34:24,062 --> 00:34:24,937
Great, okay.

594
00:34:25,021 --> 00:34:27,148
Let me tell you what life will be like
without you.

595
00:34:27,231 --> 00:34:29,025
[Judy panting over radio]

596
00:34:29,150 --> 00:34:32,153
Mom... will throw herself into work.

597
00:34:32,236 --> 00:34:34,697
She'll grow cold and distant.

598

00:34:35,239 --> 00:34:38,117
Penny's snark will turn bitter
and she'll act out.

599

00:34:38,201 --> 00:34:39,035
And Will...

600

00:34:40,119 --> 00:34:42,955
will retreat into himself.

601

00:34:43,664 --> 00:34:44,707
All that hope,

602

00:34:45,708 --> 00:34:47,543
that light he carries inside of him,

603

00:34:47,627 --> 00:34:50,463
it'll die the second I tell him
that you didn't make it.

604

00:34:51,422 --> 00:34:53,382
And me, well, I'll just--

605

00:34:53,466 --> 00:34:55,551
[panting] I'll just do what I always do;

606

00:34:56,052 --> 00:34:58,012
I'll try and keep the family together

607

00:34:58,096 --> 00:34:59,388
because that is my duty.

608

00:34:59,972 --> 00:35:02,391
That's my job because I love them,

609

00:35:03,142 --> 00:35:04,352
but I will hate you.

610

00:35:06,437 --> 00:35:08,439
I will hate you for giving up.

611
00:35:08,815 --> 00:35:11,776
[panting] I will hate you
for taking another father

612
00:35:12,443 --> 00:35:13,528
away from me.

613
00:35:14,695 --> 00:35:16,447
-[chuckles]
-I will hate you

614
00:35:17,240 --> 00:35:18,699
for not loving me enough

615
00:35:18,783 --> 00:35:20,284
-to try harder...
-[crying]

616
00:35:22,453 --> 00:35:23,955
because I need you.

617
00:35:28,501 --> 00:35:30,461
I'm always gonna need you.

618
00:35:31,546 --> 00:35:32,964
And I'm not gonna hate you,

619
00:35:33,047 --> 00:35:34,549
and I'm not letting you go.

620
00:36:00,116 --> 00:36:01,450
Don't let go. Don't let go.

621
00:36:01,534 --> 00:36:03,119
I'm here. I'm right here.

622
00:36:12,587 --> 00:36:13,754
I'm coming, Dad. Stay with me!

623
00:36:14,213 --> 00:36:15,840

[panting]

624

00:36:18,301 --> 00:36:19,385

[grunting]

625

00:36:47,747 --> 00:36:49,498

Dad? You have the shots.

626

00:36:50,291 --> 00:36:53,294

Give yourself the epinephrine first,
then the antibiotics.

627

00:36:55,379 --> 00:36:56,297

Dad?

628

00:37:00,301 --> 00:37:02,303

Hold the drilling! Hold it!

629

00:37:04,555 --> 00:37:06,807

-[indistinct chatter]

-[drilling stops]

630

00:37:08,100 --> 00:37:08,935

Dad?

631

00:37:09,018 --> 00:37:10,102

Do you copy?

632

00:37:10,186 --> 00:37:11,437

[heavy breathing]

633

00:37:12,563 --> 00:37:13,397

Dad?

634

00:37:13,481 --> 00:37:15,566

[heavy breathing]

635

00:37:19,278 --> 00:37:20,196

[John] I got it.

636

00:37:21,072 --> 00:37:21,989

[grunts]

637

00:37:23,157 --> 00:37:23,991

[groans]

638

00:37:26,452 --> 00:37:28,579
Now get me out of this damn well.

639

00:37:31,332 --> 00:37:33,125

-Start it up!

-[sighs]

640

00:37:45,721 --> 00:37:47,348

[Hapgood] Easy. Easy.

641

00:37:48,516 --> 00:37:49,642

All right.

642

00:37:52,353 --> 00:37:53,187

Okay.

643

00:37:53,271 --> 00:37:54,272

All right, Dad.

644

00:37:56,023 --> 00:37:59,026
I'm just gonna give you an IV,
all right?

645

00:37:59,735 --> 00:38:00,695

Judy.

646

00:38:00,778 --> 00:38:01,988

Judy.

647

00:38:02,071 --> 00:38:03,072

[whispering] Hi.

648

00:38:03,489 --> 00:38:04,448

Judy.

649

00:38:05,116 --> 00:38:06,200

Judy.

650

00:38:06,284 --> 00:38:08,953
-[whispering] I am here, Dad.
-[sighs]

651

00:38:09,203 --> 00:38:10,746
[whispering] I'm right here.

652

00:38:13,291 --> 00:38:14,959
[whispering] I'm right here.

653

00:38:17,169 --> 00:38:18,254
Hey.

654

00:38:25,261 --> 00:38:27,638
Now, the screen on the left
is a vascular plant.

655

00:38:27,722 --> 00:38:31,475
If we zoom in, we can see the tissues
that are used to transport...

656

00:38:34,645 --> 00:38:35,813
[whispering] What does it say?

657

00:38:52,621 --> 00:38:53,956
Excuse me.

658

00:38:55,750 --> 00:38:57,126
[Mr. Jackson] Yes, may I help you?

659

00:38:57,668 --> 00:38:59,670
I'm here to see Penny Robinson.

660

00:39:00,254 --> 00:39:01,339
Are you her mother?

661

00:39:02,631 --> 00:39:03,466
No.

662

00:39:03,841 --> 00:39:05,176
I'm Dr. Zoe Smith,

663

00:39:05,259 --> 00:39:06,969
the therapist in residence.

664

00:39:07,636 --> 00:39:11,223
I just want to see how Penny's doing
with her life back on the Resolute.

665

00:39:12,600 --> 00:39:13,809
[beeping]

666

00:39:14,185 --> 00:39:15,394
Well, it's perfect timing.

667

00:39:16,187 --> 00:39:18,981
Uh, class, we'll continue this tomorrow.

668

00:39:19,065 --> 00:39:21,734
[indistinct chatter]

669

00:39:24,737 --> 00:39:26,405
Hi, you're Vijay, right?

670

00:39:26,864 --> 00:39:29,116
I read all about you in Penny's book.

671

00:39:30,284 --> 00:39:32,661
[sniffs] Ah. What's that smell?

672

00:39:33,245 --> 00:39:34,622
Oh, it's you.

673

00:39:35,790 --> 00:39:38,250
I hope my note you found
in the Dumpster was worth it.

674

00:39:38,334 --> 00:39:39,919
I don't know what you're talking about.

675

00:39:40,127 --> 00:39:40,961
Huh.

676

00:39:41,504 --> 00:39:43,422
Curiosity may have killed the cat,

677

00:39:44,090 --> 00:39:46,050
but at least cats don't make it obvious

678

00:39:46,133 --> 00:39:47,635
when they're following someone.

679

00:39:48,135 --> 00:39:49,261
You wanna talk about obvious?

680

00:39:49,887 --> 00:39:50,763
[Vijay] Penny.

681

00:39:50,846 --> 00:39:51,972
What did you do to Radic?

682

00:39:52,056 --> 00:39:52,973
Penny, come on.

683

00:39:53,557 --> 00:39:56,977
You mean besides calling for help
and saving his life?

684

00:40:01,941 --> 00:40:02,817
Penny.

685

00:40:02,900 --> 00:40:04,568
You're not gonna get away this.

686

00:40:04,652 --> 00:40:08,656
You don't understand.
I'm trying to protect you.

687

00:40:09,240 --> 00:40:10,157
Everyone thinks--

688

00:40:11,158 --> 00:40:13,327
No, everyone knows...

689

00:40:14,745 --> 00:40:17,873
that I'm a respected member
of the 24th colonist group.

690

00:40:18,416 --> 00:40:20,000
You need to accept it.

691

00:40:20,543 --> 00:40:21,377
[scoffs]

692

00:40:21,460 --> 00:40:23,838
Because if you start making
wild accusations

693

00:40:23,921 --> 00:40:27,174
-that are easily disproven by the facts--
-You made up the facts.

694

00:40:27,258 --> 00:40:29,552
I just don't want people thinking
you're delusional.

695

00:40:29,635 --> 00:40:32,721
-[scoffs]
-Because I'm Dr. Smith now.

696

00:40:34,140 --> 00:40:35,182
Permanently.

697

00:40:37,476 --> 00:40:38,561
Forever.

698

00:40:38,644 --> 00:40:41,605
It doesn't matter what your name is.
You are who you are.

699

00:40:43,149 --> 00:40:46,986
I know this is a lot to ask,
but can't you just be happy for me?

700
00:40:47,403 --> 00:40:48,237
[sighs]

701
00:40:49,697 --> 00:40:50,698
-Vijay.
-[grunts]

702
00:41:13,721 --> 00:41:16,098
This metal ring in your report.

703
00:41:17,349 --> 00:41:19,018
Was wondering when that was gonna come up.

704
00:41:19,101 --> 00:41:21,937
What if I was to tell you
that this wasn't the only one?

705
00:41:23,147 --> 00:41:26,192
That the planet we're headed to,
there's one there as well?

706
00:41:26,775 --> 00:41:28,277
It seems to be the same as yours.

707
00:41:28,360 --> 00:41:30,613
The electrical storm hits it
every 23 days.

708
00:41:31,238 --> 00:41:35,910
We've been hesitant to get anywhere close,
but in typical Robinson fashion,

709
00:41:36,035 --> 00:41:39,163
you find yourself right
in the middle of one. So, uh...

710
00:41:39,663 --> 00:41:41,332
Any theories as to what they are?

711
00:41:41,749 --> 00:41:43,834
I assumed it had something to do
with the lightning.

712
00:41:43,918 --> 00:41:47,004
I mean, you don't build something that big
as an art project.

713
00:41:47,838 --> 00:41:49,465
It has to have a purpose.

714
00:41:51,217 --> 00:41:53,302
Now these glyphs on the surface,

715
00:41:53,385 --> 00:41:56,263
our linguists haven't been able to make
heads or tails of what they mean.

716
00:41:56,347 --> 00:41:58,349
[Will] When we find my robot down there,

717
00:41:59,099 --> 00:42:00,100
we can ask him.

718
00:42:02,228 --> 00:42:03,979
Let's just hope we like the answer.

719
00:42:29,171 --> 00:42:31,590
[closing theme music playing]
