1

00:00:31,114 --> 00:00:31,948  
Hey!

2

00:00:32,323 --> 00:00:34,200  
Might be a better artist than me now.

3

00:00:35,201 --> 00:00:36,661  
Don't let it go to your head.

4

00:00:36,745 --> 00:00:38,204  
It's not saying much.

5

00:00:40,832 --> 00:00:42,083  
That's supposed to be us.

6

00:00:43,585 --> 00:00:45,670  
From now on, how about we stick together?

7

00:00:47,047 --> 00:00:47,881  
No matter what.

8

00:00:54,763 --> 00:00:56,389  
This is where we are now

9

00:00:57,599 --> 00:00:59,934  
and this is the Resolute.

10

00:01:00,018 --> 00:01:02,270  
You've been there before, twice,

11

00:01:02,353 --> 00:01:05,315  
and neither time was that great, but--  
Roll with me here.

12

00:01:07,442 --> 00:01:09,027  
This is Alpha Centauri.

13

00:01:09,736 --> 00:01:11,112  
I've told you all about it.

14

00:01:11,654 --> 00:01:12,614  
It's our new home,

15

00:01:13,740 --> 00:01:16,367  
and the only way of getting there is you.

16

00:01:17,619 --> 00:01:19,037  
I think we'll like it there.

17

00:01:19,120 --> 00:01:20,872  
I mean, I think we will.

18

00:01:20,955 --> 00:01:22,874  
Thank you. If you hadn't killed SAR,

19

00:01:22,957 --> 00:01:25,126  
the robot would still be trapped  
down there.

20

00:01:27,212 --> 00:01:28,046  
Trust me.

21

00:01:28,129 --> 00:01:29,130  
It's going to work.

22

00:01:37,180 --> 00:01:39,682  
[Ben] It'll be the first robot  
we've found in one piece.

23

00:01:40,058 --> 00:01:42,227  
It'll be fully functional  
and more capable.

24

00:01:42,310 --> 00:01:45,855  
[woman] Testing in three, two, one.

25

00:01:45,939 --> 00:01:47,190  
[electronic whirring]

26

00:01:49,776 --> 00:01:50,693  
Careful now.

27

00:01:51,820 --> 00:01:53,571  
You don't want to damage the thing.

28

00:01:54,030 --> 00:01:55,240  
That's our ticket home.

29

00:01:55,824 --> 00:01:57,325  
I need to be prepared.

30

00:01:59,828 --> 00:02:02,247  
[Hastings] We'll be waiting for you  
at the extraction point.

31

00:02:02,455 --> 00:02:05,917  
All you have to do is get them inside  
and we'll take care of the rest.

32

00:02:23,935 --> 00:02:25,061  
How's it feel?

33

00:02:25,436 --> 00:02:26,938  
Uh, it tingles.

34

00:02:27,021 --> 00:02:29,399  
[Judy] Good.  
It means the fibroblasts are activating.

35

00:02:29,482 --> 00:02:31,651  
-Gross.  
-No, it's good. It means it's working.

36

00:02:31,734 --> 00:02:32,861  
Still gross.

37

00:02:33,486 --> 00:02:34,571  
Okay.

38

00:02:35,155 --> 00:02:36,823  
-Oh, slow, slow, slow, slow.  
-[grunts]

39

00:02:36,906 --> 00:02:38,533  
It's good to be back together again, huh?

40  
00:02:39,117 --> 00:02:40,160  
-Come here.  
-Yeah.

41  
00:02:40,952 --> 00:02:42,370  
Glad you're safe, kiddo.

42  
00:02:42,453 --> 00:02:44,330  
-You too, Dad.  
-[groans]

43  
00:02:44,414 --> 00:02:46,541  
-Oh, this hug must really hurt, huh?  
-[Judy laughs]

44  
00:02:46,624 --> 00:02:47,959  
Yeah. It hurts.

45  
00:02:49,836 --> 00:02:52,714  
So, I saw Dr. Smith being treated earlier.

46  
00:02:52,797 --> 00:02:54,424  
Which is strange because

47  
00:02:55,049 --> 00:02:56,467  
she wasn't being arrested.

48  
00:02:56,759 --> 00:02:59,262  
Yeah, I think she's turning over  
a new leaf.

49  
00:02:59,345 --> 00:03:01,514  
Well, she can turn over  
as many new leafs as she wants,

50  
00:03:01,598 --> 00:03:03,099  
but the tree's still rotten.

51  
00:03:03,183 --> 00:03:05,435

She saved Mr. Jackson's life  
like a real doctor.

52

00:03:05,518 --> 00:03:07,729  
We got bigger problems than Dr. Smith.

53

00:03:07,812 --> 00:03:08,980  
Uh, hey! Where are you going?

54

00:03:10,064 --> 00:03:12,692  
[sighs] I was sent down to that planet  
to do a job,

55

00:03:14,152 --> 00:03:15,486  
and that job's not done.

56

00:03:20,283 --> 00:03:21,701  
[John] Permission to come aboard.

57

00:03:21,826 --> 00:03:22,994  
[man] Permission granted.

58

00:03:23,203 --> 00:03:26,539  
[indistinct chatter]

59

00:03:26,623 --> 00:03:29,876  
John Robinson. I'm surprised  
to see you on your feet so soon.

60

00:03:29,959 --> 00:03:31,336  
I get that a lot.

61

00:03:33,129 --> 00:03:36,382  
So, uh, I wanted to check where we stand  
with the water supply.

62

00:03:36,466 --> 00:03:39,969  
It's not ideal, but we did manage to bank  
over 200 thousand gallons

63

00:03:40,053 --> 00:03:42,597  
from wells one and two before

we became aware it was contaminated.

64

00:03:42,680 --> 00:03:43,598  
Where is it?

65

00:03:43,681 --> 00:03:46,517  
We have it safely stored in bladders  
so there's no risk to the ship.

66

00:03:46,601 --> 00:03:49,103  
What happens now?  
How do we clean it up so we can leave?

67

00:03:49,187 --> 00:03:51,189  
Our scientists devised a process.

68

00:03:52,023 --> 00:03:52,941  
It's painstaking.

69

00:03:53,024 --> 00:03:56,277  
-I'm told it will take roughly 53 weeks.  
-A year?

70

00:03:57,028 --> 00:04:00,406  
Longer than we had hoped,  
but we'll manage.

71

00:04:03,326 --> 00:04:06,037  
That's not the only reason  
you came to speak to me, is it?

72

00:04:06,120 --> 00:04:07,705  
Well, now that you mention it--

73

00:04:07,789 --> 00:04:09,791  
The incident with your daughter,

74

00:04:10,625 --> 00:04:12,502  
it was difficult for all of us,

75

00:04:12,627 --> 00:04:15,672  
but my duty is to do what's best

for everyone on this ship.

76

00:04:15,755 --> 00:04:17,882

You're a soldier,  
you understand the situation I was in.

77

00:04:17,966 --> 00:04:19,133

But I'm also a father,

78

00:04:20,218 --> 00:04:24,681

so the next time you make a decision  
that affects the lives of my family,

79

00:04:26,015 --> 00:04:27,517

you better make me a part of it.

80

00:04:28,476 --> 00:04:31,312

Captain, comms have picked up something.

81

00:04:31,396 --> 00:04:33,231

-What is it?

-You'll wanna hear this.

82

00:04:42,490 --> 00:04:43,324

[beeping]

83

00:04:44,158 --> 00:04:44,993

[beeping]

84

00:04:46,619 --> 00:04:48,454

Clear the bridge. Get me Hastings.

85

00:04:49,414 --> 00:04:50,248

What's going on?

86

00:04:50,331 --> 00:04:52,166

We will have to continue this later.

87

00:04:52,792 --> 00:04:54,585

Escort Mr. Robinson off the bridge.

88

00:05:01,050 --> 00:05:02,218  
[horse neighing]

89

00:05:03,011 --> 00:05:05,013  
Whoa! It's okay. Don't worry.

90

00:05:06,222 --> 00:05:07,098  
It's okay.

91

00:05:07,640 --> 00:05:09,100  
Gypsy's a friend.

92

00:05:12,145 --> 00:05:14,230  
I think you two got off  
on the wrong foot.

93

00:05:15,231 --> 00:05:16,691  
This is a horse.

94

00:05:17,275 --> 00:05:18,818  
He's a domesticated animal.

95

00:05:18,901 --> 00:05:22,405  
Before we had things like chariots,  
we used them for transportation.

96

00:05:22,864 --> 00:05:26,075  
This is how we calm them down  
when they're nervous or upset.

97

00:05:28,703 --> 00:05:29,746  
Whoa, whoa, whoa.

98

00:05:29,829 --> 00:05:30,788  
It's okay,

99

00:05:30,872 --> 00:05:32,582  
this is called a bit.

100

00:05:33,041 --> 00:05:35,043  
We put one in so he doesn't run away.

101  
00:05:36,127 --> 00:05:37,545  
All right.

102  
00:05:43,634 --> 00:05:46,054  
[robotic voice] Friend Will Robinson.

103  
00:05:46,137 --> 00:05:47,513  
[Will] Yeah. He's a friend.

104  
00:05:47,597 --> 00:05:49,724  
It's just to make sure  
we keep him under control.

105  
00:05:52,226 --> 00:05:53,144  
It doesn't hurt.

106  
00:05:53,853 --> 00:05:54,896  
I promise you.

107  
00:06:00,818 --> 00:06:02,570  
See? He likes to be ridden.

108  
00:06:03,154 --> 00:06:04,030  
Come on.

109  
00:06:22,548 --> 00:06:24,092  
[Ben] I can't tell what its reaction is.

110  
00:06:24,675 --> 00:06:25,968  
I imagine it's positive.

111  
00:06:27,220 --> 00:06:28,513  
That thing was hunting my son.

112  
00:06:28,930 --> 00:06:31,766  
Wanted him so badly  
it threw the robot in a pit for 7 months

113  
00:06:31,849 --> 00:06:34,060  
in the distant chance  
that it would lure Will down here.

114  
00:06:34,143 --> 00:06:36,604  
But why do you suppose  
that thing was so interested in your son?

115  
00:06:37,230 --> 00:06:38,147  
[Maureen] I don't know.

116  
00:06:38,731 --> 00:06:40,483  
Maybe because what they have is special.

117  
00:06:41,818 --> 00:06:44,028  
Special things are often  
considered a threat.

118  
00:06:46,030 --> 00:06:47,156  
We should get going.

119  
00:07:02,547 --> 00:07:05,341  
[Don] Guess you could say I've been  
sentenced a little mandatory Me Time.

120  
00:07:05,591 --> 00:07:07,718  
[siren blaring]

121  
00:07:08,094 --> 00:07:08,928  
Agh!

122  
00:07:11,222 --> 00:07:13,474  
Oh, in case you're wondering,  
it really hurts.

123  
00:07:13,558 --> 00:07:15,184  
-I'm really sorry about all this.  
-[groans]

124  
00:07:15,268 --> 00:07:17,103  
The truth is, I owed Penny one, so--

125  
00:07:17,854 --> 00:07:19,856  
-About that.  
-[Don] No, no, no. Say no more.

126

00:07:19,981 --> 00:07:21,816  
Kid's got a bright future.

127

00:07:21,941 --> 00:07:23,693  
Plus, I wanna be written about  
in the sequel.

128

00:07:23,776 --> 00:07:26,195  
Good, because I'm gonna need  
your help again.

129

00:07:26,279 --> 00:07:29,991  
The Resolute received an audio signal  
this morning, and ever since then,

130

00:07:30,074 --> 00:07:32,368  
Kamal and Hastings have been holed up  
in the bridge

131

00:07:32,452 --> 00:07:34,871  
and they put a freeze on  
all the transports from the planet.

132

00:07:34,954 --> 00:07:37,582  
That probably just has something  
to do with the whole rust business.

133

00:07:37,665 --> 00:07:39,417  
I don't think so.  
The shuttles were running

134

00:07:39,500 --> 00:07:41,502  
right up until the audio signal came in.

135

00:07:41,878 --> 00:07:43,129  
Something's not right.

136

00:07:43,629 --> 00:07:44,589  
Kamal's face.

137

00:07:44,672 --> 00:07:47,008

-It was like she'd seen a ghost.  
-Heard a ghost, technically.

138

00:07:47,675 --> 00:07:49,802

-[grunts]

-Every signal that gets picked up by RTS

139

00:07:49,886 --> 00:07:52,096

-is backed up in the server room.

-Recordings?

140

00:07:52,180 --> 00:07:54,390

But the only people that have access  
to the server room

141

00:07:54,474 --> 00:07:56,684

are people with the highest  
clearance level.

142

00:07:57,101 --> 00:07:59,312

A clearance level that you, my friend,

143

00:07:59,395 --> 00:08:00,313

do not have.

144

00:08:00,396 --> 00:08:03,566

But if anyone could bypass that clearance,  
it's Don West, right?

145

00:08:03,649 --> 00:08:04,859

Normally, yes.

146

00:08:04,942 --> 00:08:07,320

But right now,  
I can't even bypass my room.

147

00:08:07,987 --> 00:08:08,905

So you're screwed.

148

00:08:11,449 --> 00:08:13,493

[Smith] I'm afraid

I just can't help you, John.

149

00:08:13,576 --> 00:08:15,912  
You're talking about breaking  
and entering.

150

00:08:15,995 --> 00:08:17,121  
I'm a doctor.

151

00:08:17,205 --> 00:08:19,123  
I have a reputation to preserve.

152

00:08:19,207 --> 00:08:21,501  
How about we start  
by being straight with each other.

153

00:08:21,584 --> 00:08:22,543  
I'd love that.

154

00:08:22,627 --> 00:08:25,046  
Seems that you've managed  
to stay out of trouble

155

00:08:25,129 --> 00:08:27,089  
by always being one step ahead.

156

00:08:27,173 --> 00:08:28,716  
Two steps, actually.

157

00:08:28,799 --> 00:08:30,176  
Yeah, well, you're behind now.

158

00:08:30,259 --> 00:08:32,261  
We all are. By a lot.

159

00:08:32,929 --> 00:08:34,639  
Doesn't that make you feel uncomfortable?

160

00:08:34,722 --> 00:08:36,599  
Well, I have my own office.

161

00:08:36,682 --> 00:08:38,476  
Do I look uncomfortable to you?

162  
00:08:38,559 --> 00:08:41,979  
How about when Captain Kamal  
almost blew you out into space

163  
00:08:42,063 --> 00:08:43,105  
to save her ship.

164  
00:08:43,189 --> 00:08:44,774  
-Were you comfortable then?  
-Oh.

165  
00:08:45,525 --> 00:08:46,359  
So, I see.

166  
00:08:47,527 --> 00:08:49,779  
This is really about helping me,

167  
00:08:50,029 --> 00:08:50,863  
not you.

168  
00:08:52,532 --> 00:08:54,367  
It's a classic soft-in.

169  
00:08:54,450 --> 00:08:55,535  
One of my favorites.

170  
00:08:55,618 --> 00:08:56,494  
Well played.

171  
00:08:56,577 --> 00:08:58,538  
I am not playing anyone.

172  
00:08:58,621 --> 00:09:01,999  
I am trying to keep my family safe.

173  
00:09:03,376 --> 00:09:04,585  
Let's say I were to help you,

174  
00:09:04,669 --> 00:09:05,836  
what would that entail?

175

00:09:07,922 --> 00:09:12,385  
I need to get into a place  
only a few people have access to.

176

00:09:14,345 --> 00:09:15,805  
And what makes you think that I can--

177

00:09:15,888 --> 00:09:18,558  
Because everyone here believes  
that you're Dr. Smith,

178

00:09:19,350 --> 00:09:21,852  
which means that you have managed  
to move around

179

00:09:22,103 --> 00:09:23,104  
undetected,

180

00:09:23,479 --> 00:09:26,566  
avoid security, alter digital records.

181

00:09:26,649 --> 00:09:30,736  
As far as I can tell, if anyone can access  
the inaccessible, it's you.

182

00:09:30,820 --> 00:09:32,196  
I don't know.

183

00:09:32,572 --> 00:09:34,240  
Sounds risky.

184

00:09:34,782 --> 00:09:35,700  
[heavy sigh]

185

00:09:37,118 --> 00:09:41,247  
Do you honestly believe that  
I would come to you of all people

186

00:09:41,831 --> 00:09:45,501  
if I didn't feel that  
this was absolutely necessary?

187  
00:09:45,876 --> 00:09:46,836  
No.

188  
00:09:47,420 --> 00:09:48,754  
I honestly don't.

189  
00:09:50,298 --> 00:09:52,550  
[sighs] Fine.

190  
00:09:54,343 --> 00:09:58,306  
But if I'm sticking my neck out like this,  
you and your family are gonna owe me.

191  
00:09:59,724 --> 00:10:00,808  
Big time.

192  
00:10:03,603 --> 00:10:06,606  
[mooing]

193  
00:10:17,575 --> 00:10:18,909  
Adler, do you know what those are?

194  
00:10:18,993 --> 00:10:20,953  
[Ben] Haven't come across them before.

195  
00:10:21,037 --> 00:10:24,415  
I thought you said you had seen everything  
this planet has to offer.

196  
00:10:25,666 --> 00:10:27,293  
Well, we can't ride through them.

197  
00:10:27,376 --> 00:10:28,878  
We're gonna have to ride around.

198  
00:10:32,465 --> 00:10:34,634  
Let's see if we can find  
an alternate route.

199  
00:10:41,432 --> 00:10:42,516

Hey.

200

00:10:42,642 --> 00:10:43,601  
That's pretty good.

201

00:10:44,644 --> 00:10:45,978  
You want to learn how to feed him?

202

00:10:47,313 --> 00:10:49,065  
Here, let me get something for you.

203

00:10:52,193 --> 00:10:53,903  
You want a slice of apple, Gypsy?

204

00:10:54,779 --> 00:10:55,905  
Here you go.

205

00:10:57,406 --> 00:10:58,282  
Go on.

206

00:10:58,616 --> 00:10:59,492  
Like this.

207

00:11:13,130 --> 00:11:14,131  
[chuckles]

208

00:11:14,423 --> 00:11:15,591  
That's enough for now.

209

00:11:15,841 --> 00:11:17,134  
You don't want overfeed him.

210

00:11:38,823 --> 00:11:39,657  
[Maureen] There.

211

00:11:39,740 --> 00:11:42,326  
There's a way to the pickup spot,  
just to the south.

212

00:11:42,827 --> 00:11:44,161  
Where that canyon narrows.

213  
00:11:45,663 --> 00:11:47,373  
I don't know how you got so good  
at all this.

214  
00:11:47,456 --> 00:11:48,999  
I didn't grow up in the city.

215  
00:11:55,131 --> 00:11:57,842  
My son has a scar like that.

216  
00:11:58,592 --> 00:12:00,219  
[inhale] Oh.

217  
00:12:00,720 --> 00:12:01,762  
You saw that.

218  
00:12:02,179 --> 00:12:03,013  
Sorry.

219  
00:12:05,433 --> 00:12:07,309  
I know you think that

220  
00:12:07,435 --> 00:12:10,271  
what Will and this Robot have is special.

221  
00:12:10,855 --> 00:12:12,356  
I thought I had it too...

222  
00:12:14,024 --> 00:12:15,151  
with Scarecrow,

223  
00:12:16,235 --> 00:12:17,445  
but it was a lie.

224  
00:12:20,364 --> 00:12:21,323  
There is some...

225  
00:12:21,991 --> 00:12:23,659  
base programming in these things,

226

00:12:25,745 --> 00:12:27,538  
all intelligences have it.

227

00:12:28,748 --> 00:12:30,958  
The primal, lizard part of our brains,

228

00:12:31,041 --> 00:12:33,419  
in humans, it's tied to survival.

229

00:12:33,544 --> 00:12:37,006  
If we're threatened, we run  
or we fight for our lives.

230

00:12:37,757 --> 00:12:41,510  
And we have kids,  
so that life can continue after we die.

231

00:12:42,094 --> 00:12:43,429  
These things aren't alive.

232

00:12:44,221 --> 00:12:45,931  
They don't know what life is.

233

00:12:47,641 --> 00:12:48,601  
They're killers.

234

00:12:50,060 --> 00:12:54,106  
If you strip away all the...  
paintings and the high-fives,

235

00:12:54,815 --> 00:12:56,275  
that's all you're left with.

236

00:13:09,747 --> 00:13:10,831  
What are you doing?

237

00:13:14,376 --> 00:13:15,753  
[robotic voice] Friend.

238

00:13:15,836 --> 00:13:16,670  
[sighs]

239  
00:13:17,129 --> 00:13:17,963  
Look,

240  
00:13:18,589 --> 00:13:20,424  
I know you think you're helping him,

241  
00:13:20,508 --> 00:13:22,009  
but he needs his bit.

242  
00:13:22,092 --> 00:13:23,677  
He doesn't know any better.

243  
00:13:24,053 --> 00:13:26,180  
Without it, he'd just wander off.

244  
00:13:26,263 --> 00:13:27,389  
[horse neighing]

245  
00:13:29,225 --> 00:13:30,059  
Hey.

246  
00:13:32,019 --> 00:13:33,646  
What happened to the horse's bridle?

247  
00:13:33,729 --> 00:13:35,272  
It was the robot.

248  
00:13:36,315 --> 00:13:38,067  
What? Why would it do that?

249  
00:13:38,150 --> 00:13:39,568  
He just doesn't understand.

250  
00:13:40,694 --> 00:13:43,823  
Okay, Will, I think a lot of people  
wouldn't understand.

251  
00:13:44,323 --> 00:13:47,451  
-[Ben] You ready to go?  
-Yeah. You're gonna have to neck rein.

252

00:13:47,535 --> 00:13:49,787  
And mind your seat,  
you won't have his mouth.

253

00:13:50,663 --> 00:13:52,122  
He'll be harder to control.

254

00:13:56,669 --> 00:13:58,504  
[automated voice] Dr. Zoe Smith.

255

00:13:58,879 --> 00:14:00,881  
Security access granted.

256

00:14:00,965 --> 00:14:02,550  
[John] Seriously? That's it?

257

00:14:02,633 --> 00:14:05,219  
All that, "You're gonna owe me stuff"  
and all you have to do

258

00:14:05,302 --> 00:14:06,929  
is wave your arm in front of a sensor?

259

00:14:07,012 --> 00:14:08,264  
[chuckles, scoffs]

260

00:14:08,347 --> 00:14:10,724  
You didn't think the only thing  
I upgraded was my name,

261

00:14:10,808 --> 00:14:12,810  
-did you?  
-Unbelievable.

262

00:14:13,143 --> 00:14:15,145  
Thank you. And you're welcome.

263

00:14:15,646 --> 00:14:17,231  
And you still owe me.

264

00:14:20,818 --> 00:14:22,820  
[beeping]

265  
00:14:30,619 --> 00:14:31,495  
[grunts]

266  
00:14:34,623 --> 00:14:35,499  
It's a...

267  
00:14:36,125 --> 00:14:38,085  
a lot of customers you still owe.

268  
00:14:38,419 --> 00:14:39,962  
[Don] Former customers,

269  
00:14:40,337 --> 00:14:42,840  
now it's just a list of people  
I have to hide from.

270  
00:14:43,883 --> 00:14:46,594  
-[Judy] Even though you saved my sister?  
-[inhales]

271  
00:14:46,677 --> 00:14:49,013  
Former customers don't really care  
about that.

272  
00:14:49,263 --> 00:14:50,139  
You know,

273  
00:14:50,514 --> 00:14:52,391  
once we get to Alpha Centauri,

274  
00:14:52,975 --> 00:14:56,145  
everyone will hear about your heroism  
and all will be forgiven.

275  
00:14:56,228 --> 00:14:58,814  
Is that how it works? Yeah. Maybe.

276  
00:14:59,523 --> 00:15:00,482  
If we get there.

277

00:15:00,566 --> 00:15:04,403  
Well, my mom and Will are coming back  
with the robot, so we're gonna get there.

278

00:15:04,528 --> 00:15:06,906  
You might want to share  
some of that optimism with your dad.

279

00:15:08,240 --> 00:15:09,408  
-What do you mean?  
-You know,

280

00:15:09,491 --> 00:15:11,827  
the whole thing on the bridge.  
What they heard, and--

281

00:15:14,121 --> 00:15:15,247  
He didn't tell you that?

282

00:15:15,331 --> 00:15:16,373  
Tell me what?

283

00:15:16,457 --> 00:15:18,083  
Oh...

284

00:15:18,167 --> 00:15:21,211  
you know, it might be  
a father-daughter type conversation.

285

00:15:21,295 --> 00:15:22,963  
-Don.  
-Honestly, I don't know what it is,

286

00:15:23,047 --> 00:15:24,924  
but it concerned your father enough  
to go to Smith for help.

287

00:15:25,007 --> 00:15:26,133  
Smith?

288

00:15:26,216 --> 00:15:28,260

-Clearly he didn't tell you that either.  
-Smith?

289

00:15:28,344 --> 00:15:30,804  
Saying her name three times  
is not gonna make her disappear.

290

00:15:30,888 --> 00:15:32,890  
What could he possibly need  
from someone like Smith?

291

00:15:32,973 --> 00:15:36,018  
Look, you didn't hear it from me,  
but I know where they're going.

292

00:15:42,733 --> 00:15:44,735  
-[Will] Do you trust him?  
-Adler?

293

00:15:46,654 --> 00:15:49,365  
Sometimes you gotta work with people  
that you don't trust.

294

00:15:49,448 --> 00:15:50,658  
You just gotta be smart.

295

00:15:50,950 --> 00:15:51,909  
I don't know.

296

00:15:52,451 --> 00:15:53,577  
He's pretty smart too.

297

00:15:54,161 --> 00:15:56,622  
He built something strong enough  
to kill SAR

298

00:15:56,705 --> 00:15:59,041  
but he didn't know  
we were walking into a trap.

299

00:15:59,124 --> 00:16:00,834  
He didn't know we were in danger.

300  
00:16:03,253 --> 00:16:05,798  
-So why'd he bring him?  
-[scavengers screeching]

301  
00:16:10,803 --> 00:16:12,096  
It's those things again.

302  
00:16:12,179 --> 00:16:14,348  
There's no way they'll attack  
with him here.

303  
00:16:14,682 --> 00:16:15,766  
Will's right.

304  
00:16:16,183 --> 00:16:17,351  
They're not hunting us.

305  
00:16:17,935 --> 00:16:19,603  
[Ben] Then what are they hunting?

306  
00:16:33,826 --> 00:16:35,494  
[mooing]

307  
00:16:39,957 --> 00:16:41,959  
-[horse neighs]  
-[rumbling]

308  
00:16:51,051 --> 00:16:53,053  
[robotic voice] Danger, Will Robinson!

309  
00:16:53,137 --> 00:16:54,388  
Mom.

310  
00:16:57,224 --> 00:16:58,684  
-[horse neighing]  
-Will!

311  
00:16:58,767 --> 00:17:00,269  
-[grunts]  
-Will!

312

00:17:08,986 --> 00:17:10,279  
[horse neighing]

313  
00:17:10,362 --> 00:17:12,239  
-You okay?  
-Yeah, I'm okay.

314  
00:17:13,824 --> 00:17:16,535  
No, Robot! Come back here!

315  
00:17:19,288 --> 00:17:20,539  
Come back here!

316  
00:17:21,874 --> 00:17:24,251  
-[horse neighing loudly]  
-No!

317  
00:17:31,216 --> 00:17:32,342  
No! Come back, please!

318  
00:17:32,426 --> 00:17:33,886  
Robot, no!

319  
00:17:44,021 --> 00:17:46,023  
[breathes heavily]

320  
00:17:49,359 --> 00:17:50,277  
Please.

321  
00:18:18,138 --> 00:18:19,515  
Will told it to come back.

322  
00:18:20,766 --> 00:18:21,934  
Why didn't it listen to him?

323  
00:18:22,309 --> 00:18:24,394  
[Maureen] The robot was  
just helping its friend.

324  
00:18:25,521 --> 00:18:27,106  
I thought Will was his friend.

325  
00:18:29,274 --> 00:18:30,400  
Come on.

326  
00:18:31,026 --> 00:18:32,319  
We got a ride to catch.

327  
00:18:37,533 --> 00:18:38,700  
[sighs]

328  
00:18:38,826 --> 00:18:41,286  
I take back what I said about  
you being an amazing doctor.

329  
00:18:41,370 --> 00:18:44,665  
The fact that you can't keep up  
has nothing to do with hypothermia.

330  
00:18:44,748 --> 00:18:47,459  
I think Dad can handle this,  
don't know why you're dragging me into it.

331  
00:18:47,543 --> 00:18:49,586  
Maybe because you and Smith  
have a special connection,

332  
00:18:49,670 --> 00:18:52,422  
and if push comes to shove  
then we're gonna need your help.

333  
00:18:52,506 --> 00:18:55,342  
Okay, firstly, you are way better  
at pushing and shoving than I am,

334  
00:18:55,425 --> 00:18:57,594  
and I do not have a special connection  
with Smith.

335  
00:18:58,137 --> 00:19:00,264  
I just convinced her  
to use her powers for good.

336  
00:19:00,347 --> 00:19:02,683

Well, I don't know what kind of good  
she'd be doing with Dad,

337

00:19:02,766 --> 00:19:05,853  
but Dr. Smith never does anything  
without an ulterior motive.

338

00:19:07,354 --> 00:19:09,106  
You really know how to work this thing?

339

00:19:09,189 --> 00:19:11,066  
I know how to work a computer.

340

00:19:11,650 --> 00:19:12,901  
What I don't know

341

00:19:12,985 --> 00:19:15,737  
is the exact time  
of the original transmission

342

00:19:15,821 --> 00:19:17,406  
they heard on the bridge.

343

00:19:17,489 --> 00:19:18,615  
Could be any of these.

344

00:19:18,699 --> 00:19:20,450  
Great. I'll get comfortable.

345

00:19:23,412 --> 00:19:24,788  
You seem a little nervous.

346

00:19:24,872 --> 00:19:25,706  
You okay?

347

00:19:28,125 --> 00:19:29,877  
Yeah. It's just, um...

348

00:19:32,421 --> 00:19:34,298  
I'm not used to this, you know,

349

00:19:35,215 --> 00:19:36,258  
having a partner.

350

00:19:38,010 --> 00:19:39,136  
I usually go it alone.

351

00:19:39,219 --> 00:19:40,554  
-Why's that?  
-That way,

352

00:19:40,637 --> 00:19:42,973  
the only person you have to trust  
is yourself.

353

00:19:43,056 --> 00:19:45,559  
Decreases the chances  
of getting screwed over.

354

00:19:45,642 --> 00:19:48,270  
But then no one's got your back  
when things go south.

355

00:19:49,354 --> 00:19:52,524  
I've gotten pretty good at making things  
go the way I want them to.

356

00:19:55,319 --> 00:19:56,737  
Seems a little lonely to me.

357

00:19:56,820 --> 00:19:59,531  
What does a man with a wife  
and three kids know about loneliness?

358

00:20:00,324 --> 00:20:01,783  
Haven't always been this man.

359

00:20:03,452 --> 00:20:04,912  
It was nothing, you know,

360

00:20:04,995 --> 00:20:07,414  
I just did some stupid things  
when I was young.

361

00:20:07,497 --> 00:20:08,957  
Got into some fights,

362

00:20:09,082 --> 00:20:10,876  
spent a couple of nights in jail.

363

00:20:10,959 --> 00:20:12,544  
John Robinson has a record.

364

00:20:12,920 --> 00:20:13,837  
What'd you do?

365

00:20:14,129 --> 00:20:17,007  
Enough for my mom and dad  
to strongly recommend

366

00:20:17,090 --> 00:20:19,343  
that I join the Navy to keep out  
of trouble.

367

00:20:19,426 --> 00:20:21,887  
-[inhales] And did it work?  
-Ah, mostly.

368

00:20:21,970 --> 00:20:23,847  
You know what it did do, was teach me

369

00:20:24,139 --> 00:20:26,516  
to rely on my brother and sisters  
at my side.

370

00:20:26,600 --> 00:20:28,602  
I had to trust them with my life.

371

00:20:29,645 --> 00:20:31,605  
I think people have to earn your trust.

372

00:20:31,855 --> 00:20:33,982  
How can they earn it  
if you don't let 'em?

373

00:20:34,566 --> 00:20:37,277  
I wouldn't be alive today  
if I hadn't put my trust in

374

00:20:37,402 --> 00:20:38,904  
Maureen and the kids.

375

00:20:39,446 --> 00:20:43,450  
[scoffs] Hell, I even had to learn how  
to trust a damn robot. [laughs]

376

00:20:43,825 --> 00:20:45,285  
And now you're trusting me.

377

00:20:49,706 --> 00:20:50,540  
Yeah.

378

00:20:52,042 --> 00:20:52,960  
Yeah, I am.

379

00:20:55,212 --> 00:20:57,172  
[audio signal reverberating]

380

00:20:57,673 --> 00:21:01,093  
-Found it.  
-[audio signal reverberating]

381

00:21:01,176 --> 00:21:02,427  
I've heard that before.

382

00:21:04,096 --> 00:21:06,098  
[beeping]

383

00:21:07,516 --> 00:21:08,392  
Me, too.

384

00:21:10,143 --> 00:21:11,895  
It's the sound from the alien ship.

385

00:21:12,271 --> 00:21:13,897  
That's not just one ship.

386  
00:21:13,981 --> 00:21:15,023  
Where's it coming from?

387  
00:21:16,775 --> 00:21:18,986  
[beeping]

388  
00:21:19,069 --> 00:21:19,945  
Everywhere.

389  
00:21:29,329 --> 00:21:30,747  
How you doing back there?

390  
00:21:31,581 --> 00:21:34,459  
Uh, Gypsy's lagging a little,  
but we're fine.

391  
00:21:34,793 --> 00:21:36,378  
-I'm gonna walk him for a minute.  
-Okay.

392  
00:21:36,461 --> 00:21:38,463  
[rumbling]

393  
00:21:41,216 --> 00:21:42,718  
[Maureen] Looks like our ride's here.

394  
00:21:43,510 --> 00:21:46,221  
What do you think the chances are  
they brought fresh coffee?

395  
00:21:46,555 --> 00:21:47,931  
[beeping]

396  
00:21:48,557 --> 00:21:49,725  
[Gypsy neighing]

397  
00:21:49,808 --> 00:21:50,642  
[Will] Mom!

398  
00:21:50,726 --> 00:21:52,311  
-[Gypsy neighing]

-[Will] Mom!

399

00:21:52,561 --> 00:21:53,979  
[neighing continues]

400

00:22:01,111 --> 00:22:02,571  
It's gonna be okay, Gypsy.

401

00:22:08,410 --> 00:22:09,911  
It's okay.

402

00:22:12,539 --> 00:22:13,373  
Oh, no.

403

00:22:13,457 --> 00:22:14,583  
It's cut.

404

00:22:16,543 --> 00:22:19,796  
Maybe it was grazed by a horn  
during the stampede,

405

00:22:19,880 --> 00:22:21,548  
but that wouldn't have caused it to--

406

00:22:21,631 --> 00:22:22,507  
Could be infected.

407

00:22:23,091 --> 00:22:25,093  
That looks like some kind of toxin.

408

00:22:26,261 --> 00:22:27,888  
[Will] It's bad, isn't it?

409

00:22:27,971 --> 00:22:29,473  
[Maureen] It's spreading fast.

410

00:22:30,140 --> 00:22:31,558  
[Will] Don't worry, buddy.

411

00:22:31,641 --> 00:22:34,269  
Oh, Will, I don't--

I don't think he's gonna make it.

412

00:22:37,856 --> 00:22:38,815  
[Will] Hey, buddy.

413

00:22:39,983 --> 00:22:40,817  
I'm here.

414

00:22:45,864 --> 00:22:48,033  
He's not like you.

415

00:22:49,743 --> 00:22:50,952  
We can't repair him.

416

00:23:43,630 --> 00:23:44,506  
Maureen?

417

00:23:44,840 --> 00:23:45,966  
Just wait.

418

00:23:50,846 --> 00:23:51,721  
What's it doing?

419

00:23:53,181 --> 00:23:55,183  
It's grieving.

420

00:23:57,519 --> 00:23:58,562  
It can't.

421

00:24:24,212 --> 00:24:25,630  
Is the coast clear?

422

00:24:25,797 --> 00:24:26,756  
[Smith] For now.

423

00:24:26,923 --> 00:24:28,884  
So, who are you gonna tell about this?

424

00:24:28,967 --> 00:24:31,678  
When Maureen gets back,  
we'll figure out what this means,

425  
00:24:31,761 --> 00:24:33,597  
how long we have, and what we do next.

426  
00:24:33,847 --> 00:24:35,307  
[clicks tongue] Maureen.

427  
00:24:36,349 --> 00:24:37,893  
And here I thought we were partners.

428  
00:24:37,976 --> 00:24:39,978  
And here I thought  
you always worked alone.

429  
00:24:40,687 --> 00:24:41,897  
Touché.

430  
00:24:41,980 --> 00:24:43,607  
Ready to get out of here?

431  
00:24:46,234 --> 00:24:47,277  
After you.

432  
00:24:51,698 --> 00:24:52,782  
[sighs]

433  
00:24:53,742 --> 00:24:56,286  
Okay, listen to me.  
I'm gonna make this clear,

434  
00:24:57,120 --> 00:24:58,330  
this was my idea.

435  
00:24:58,413 --> 00:25:01,458  
-I made her come with me.  
-We know. Thanks for the tip, Doctor.

436  
00:25:04,377 --> 00:25:05,504  
This whole time?

437  
00:25:05,587 --> 00:25:08,632

John, you have to understand  
the position you put me in.

438

00:25:09,424 --> 00:25:11,968  
You asked me to commit an illegal act.

439

00:25:12,052 --> 00:25:14,679  
More than illegal, mutinous.

440

00:25:14,763 --> 00:25:15,722  
Grab him.

441

00:25:16,890 --> 00:25:17,933  
Come on!

442

00:25:18,141 --> 00:25:20,435  
Someday you're gonna get  
what's coming to you.

443

00:25:20,519 --> 00:25:21,353  
[Judy] Dad?

444

00:25:21,436 --> 00:25:23,813  
Girls, it's okay,  
it's just a misunderstanding.

445

00:25:23,897 --> 00:25:25,148  
Go back to the Jupiter.

446

00:25:25,398 --> 00:25:27,192  
-Your mom will be back soon.  
- What's going on?

447

00:25:27,609 --> 00:25:28,985  
It's a misunderstanding.

448

00:25:32,280 --> 00:25:33,323  
[sighs]

449

00:25:33,823 --> 00:25:37,619  
You did the right thing today.  
From what I understand, you...

450

00:25:38,328 --> 00:25:40,705  
you lived with the Robinsons  
for a while, so...

451

00:25:41,790 --> 00:25:42,791  
I'm curious.

452

00:25:43,542 --> 00:25:44,668  
Why'd you turn him in?

453

00:25:45,544 --> 00:25:47,671  
I want us to get to Alpha Centauri safely.

454

00:25:48,421 --> 00:25:50,465  
And the news of those machines out there

455

00:25:50,549 --> 00:25:52,968  
would cause widespread panic  
in the Resolute.

456

00:25:53,343 --> 00:25:54,511  
I couldn't let that happen.

457

00:25:54,594 --> 00:25:57,764  
You're right about that. The last thing  
we need right now is a panic.

458

00:25:59,140 --> 00:26:02,269  
Well, if there's anything else  
I can assist you with,

459

00:26:02,394 --> 00:26:04,396  
please don't hesitate to ask.

460

00:26:04,980 --> 00:26:06,982  
I'm glad to hear you say that, that's--

461

00:26:07,941 --> 00:26:09,693  
There's been a change of plans and,

462

00:26:11,152 --> 00:26:14,030  
I think you could be extremely valuable  
in the days ahead.

463  
00:26:15,782 --> 00:26:17,242  
Always glad to help.

464  
00:26:43,768 --> 00:26:44,894  
[beeping]

465  
00:26:48,732 --> 00:26:50,442  
Let's get the robot loaded first.

466  
00:26:51,401 --> 00:26:52,736  
Then unpack the horses.

467  
00:26:55,822 --> 00:26:56,781  
[Will] Come on.

468  
00:27:07,250 --> 00:27:08,084  
Will?

469  
00:27:11,254 --> 00:27:12,088  
Will.

470  
00:27:16,051 --> 00:27:16,885  
Listen to me,

471  
00:27:18,053 --> 00:27:20,805  
you do realize the importance  
of what you've done here?

472  
00:27:21,348 --> 00:27:24,476  
A lot of people are finally gonna get  
to go home and see their families.

473  
00:27:24,559 --> 00:27:25,935  
Don't thank me...

474  
00:27:26,853 --> 00:27:27,729  
thank him.

475  
00:27:33,652 --> 00:27:35,028  
Did you give him that?

476  
00:27:35,987 --> 00:27:37,072  
[Will chuckles]

477  
00:27:37,155 --> 00:27:38,031  
No.

478  
00:27:39,324 --> 00:27:42,202  
I guess he wanted something  
to remember him by.

479  
00:27:56,466 --> 00:27:57,300  
Wait.

480  
00:28:01,429 --> 00:28:02,681  
Change of plans.

481  
00:28:03,932 --> 00:28:06,059  
We're not gonna use  
that storage container.

482  
00:28:07,185 --> 00:28:09,312  
We'll find another way onto the Jupiter...

483  
00:28:12,107 --> 00:28:13,858  
that's a little less uncomfortable.

484  
00:28:19,906 --> 00:28:22,701  
Any attempt to leave this Jupiter  
will activate the electromagnet

485  
00:28:22,784 --> 00:28:24,786  
and result in an electric shock.

486  
00:28:24,869 --> 00:28:27,205  
Any attempt to tamper  
with the proximity sensor

487  
00:28:27,288 --> 00:28:28,998

will result in an electric shock.

488

00:28:29,082 --> 00:28:31,793

Any attempt to remove  
the ankle device will result in--

489

00:28:31,876 --> 00:28:34,003

In an electric shock. Yeah, I get it.

490

00:28:34,254 --> 00:28:35,213

Thanks.

491

00:28:41,469 --> 00:28:43,054

-[sniffs]

-Why her?

492

00:28:43,138 --> 00:28:44,180

I needed her help.

493

00:28:44,723 --> 00:28:47,058

No! You're supposed to come to us  
if you need help, not her.

494

00:28:47,142 --> 00:28:49,102

-She's conniving and manipulative.

-Let me explain.

495

00:28:49,227 --> 00:28:51,688

[Smith] Are you really gonna let her  
talk about me like that?

496

00:28:52,355 --> 00:28:53,189

Really?

497

00:28:53,898 --> 00:28:56,276

You're just gonna sit there  
and act like you've done nothing?

498

00:28:56,359 --> 00:28:57,485

Relax.

499

00:28:58,987 --> 00:28:59,946

I was invited.

500

00:29:00,029 --> 00:29:01,072  
Judy. It's okay.

501

00:29:01,156 --> 00:29:03,158  
No. What do you mean, it's okay?

502

00:29:04,993 --> 00:29:07,078  
Oh. You two were--

503

00:29:08,496 --> 00:29:10,915  
Personally, I thought your father's  
performance was a bit much,

504

00:29:11,833 --> 00:29:13,460  
but I can't argue with the results.

505

00:29:14,335 --> 00:29:15,712  
Hastings trusts me.

506

00:29:16,379 --> 00:29:17,213  
I'm in.

507

00:29:17,297 --> 00:29:19,466  
So, it was all set up?

508

00:29:19,549 --> 00:29:22,010  
It was the only way I could find out  
what was really going on.

509

00:29:22,093 --> 00:29:23,052  
So...

510

00:29:23,720 --> 00:29:24,721  
what is really going on?

511

00:29:24,804 --> 00:29:27,348  
Hastings asked me to serve  
as the ship's therapist

512

00:29:27,432 --> 00:29:29,893  
in an official capacity  
for the next few days

513

00:29:29,976 --> 00:29:31,102  
to keep everyone calm.

514

00:29:31,186 --> 00:29:32,937  
If they're trying to keep  
the danger secret,

515

00:29:33,021 --> 00:29:34,731  
why are they so concerned  
about a reaction?

516

00:29:36,024 --> 00:29:38,943  
That's a bit of a good news-  
bad news situation.

517

00:29:39,027 --> 00:29:41,488  
Why can it never just be a good news-  
good news situation?

518

00:29:41,571 --> 00:29:43,615  
As soon as Maureen and Will get back...

519

00:29:45,033 --> 00:29:47,744  
the Resolute will be ready to leave  
for Alpha Centauri.

520

00:29:48,244 --> 00:29:50,079  
So the good news is  
your family will be safe.

521

00:29:50,163 --> 00:29:50,997  
Okay.

522

00:29:51,748 --> 00:29:52,791  
What's the bad news?

523

00:29:52,874 --> 00:29:55,960  
We'll be leaving  
with only those currently on board.

524

00:29:57,670 --> 00:29:58,922  
Currently?

525

00:29:59,005 --> 00:30:00,423  
There's only enough water to support

526

00:30:00,507 --> 00:30:02,592  
the transport of a limited number  
of passengers.

527

00:30:02,675 --> 00:30:05,553  
But there are hundreds of people  
down there on that planet.

528

00:30:05,637 --> 00:30:07,764  
Friends, family, children,  
what about them?

529

00:30:07,847 --> 00:30:10,183  
The decision's been made  
to leave them behind.

530

00:30:12,352 --> 00:30:13,478  
We're abandoning them.

531

00:30:36,251 --> 00:30:37,252  
Maureen here.

532

00:30:37,710 --> 00:30:39,504  
When can I start sending up  
the rest of our people?

533

00:30:40,755 --> 00:30:42,507  
You haven't started yet?

534

00:30:42,882 --> 00:30:45,093  
-Why?  
-I was hoping you could tell me.

535

00:30:45,218 --> 00:30:47,804  
There's been no order yet.

The Jupiters in camp are still grounded.

536

00:30:49,430 --> 00:30:51,641  
I don't know anything about it. Really.

537

00:30:54,811 --> 00:30:57,105  
As far as I know,  
they're still dealing with the quarantine.

538

00:30:57,188 --> 00:30:59,315  
They're probably just double checking  
the docking bays.

539

00:31:00,024 --> 00:31:01,025  
Right.

540

00:31:01,693 --> 00:31:03,611  
Maureen, when you get to the Resolute,

541

00:31:03,695 --> 00:31:05,029  
tell my son I'll see him soon.

542

00:31:05,572 --> 00:31:06,823  
[Maureen] I will, Victor.

543

00:31:06,906 --> 00:31:10,159  
[indistinct chatter]

544

00:31:12,829 --> 00:31:16,207  
Shouldn't be much longer, everyone.  
Just, um, just sit tight.

545

00:31:19,961 --> 00:31:20,795  
Hey.

546

00:31:23,131 --> 00:31:24,465  
When we get back up there,

547

00:31:25,258 --> 00:31:26,968  
things are gonna be different  
than last time.

548

00:31:29,137 --> 00:31:31,139  
This time, you're gonna save everyone.

549

00:31:39,647 --> 00:31:41,566  
[Hastings] It should be in chains.

550

00:31:42,984 --> 00:31:44,903  
[Ben] We don't have to force it  
to help us.

551

00:31:46,195 --> 00:31:47,780  
It decided to on its own.

552

00:31:48,823 --> 00:31:52,118  
[Hastings] Which means it can decide  
to change its mind on its own, too.

553

00:31:52,535 --> 00:31:54,037  
[Ben] It's not gonna do that.

554

00:31:54,913 --> 00:31:56,289  
It cares.

555

00:31:56,706 --> 00:31:58,625  
[Hastings] About one boy.

556

00:31:58,708 --> 00:32:00,126  
[Ben] Not just about Will.

557

00:32:00,209 --> 00:32:03,004  
It cares about other living things  
as well.

558

00:32:03,087 --> 00:32:07,634  
You thought Scarecrow had a brain,  
now you think Tin Man has a heart?

559

00:32:08,718 --> 00:32:10,511  
I suppose so, yeah.

560

00:32:11,679 --> 00:32:13,681

[Hastings] That only makes it  
more dangerous.

561

00:32:19,771 --> 00:32:20,605  
We're ready.

562

00:32:23,024 --> 00:32:26,402  
Robot... remove the engine  
from the Jupiter 2.

563

00:32:58,059 --> 00:32:59,936  
Hastings to bridge. It's working.

564

00:33:00,019 --> 00:33:01,688  
[radio signal squealing]

565

00:33:02,188 --> 00:33:03,898  
It jams short-range radio signals.

566

00:33:05,316 --> 00:33:06,401  
Well, you're the expert.

567

00:33:07,193 --> 00:33:11,906  
In fact, you just might be the most  
important person on this ship right now.

568

00:33:12,490 --> 00:33:14,450  
Maureen, if it's okay with Will,

569

00:33:14,534 --> 00:33:15,868  
I'd like to have a word.

570

00:33:16,786 --> 00:33:19,080  
Some things happened while you were gone.

571

00:33:20,248 --> 00:33:21,082  
What things?

572

00:33:21,165 --> 00:33:23,292  
[sighs] It's better if we speak  
in private.

573  
00:33:28,965 --> 00:33:30,383  
[Maureen] Alien ships.

574  
00:33:31,217 --> 00:33:32,719  
How many are we talking about?

575  
00:33:32,802 --> 00:33:35,888  
It's hard to tell,  
but given our history with these machines,

576  
00:33:35,972 --> 00:33:39,017  
I wouldn't stick around  
and make an accurate count.

577  
00:33:39,142 --> 00:33:41,269  
How-- How many people know?

578  
00:33:41,352 --> 00:33:42,979  
A select few. Adler,

579  
00:33:43,146 --> 00:33:44,981  
Captain Kamal, and...

580  
00:33:45,940 --> 00:33:47,066  
your husband.

581  
00:33:47,734 --> 00:33:48,776  
You told John?

582  
00:33:48,901 --> 00:33:50,486  
He, uh, well...

583  
00:33:50,611 --> 00:33:52,321  
he actually found out on his own.

584  
00:33:52,989 --> 00:33:55,658  
Broke into a high-security  
information vault.

585  
00:33:56,534 --> 00:33:57,994  
-That sounds like him.

-You understand

586

00:33:58,077 --> 00:34:01,039  
I had to place him under house arrest,  
just for appearances.

587

00:34:01,622 --> 00:34:03,041  
You know, once we get to the colony,

588

00:34:03,124 --> 00:34:05,126  
we can share drinks  
and laugh about it, but till then

589

00:34:05,209 --> 00:34:07,837  
-I can't be seen to be playing favorites.  
-All right.

590

00:34:08,629 --> 00:34:11,466  
I'll make sure the systems are ready,  
so when the engine's in place

591

00:34:11,549 --> 00:34:14,052  
and all the people on the planet  
are back on board,

592

00:34:14,594 --> 00:34:15,678  
we'll be ready to go.

593

00:34:16,971 --> 00:34:17,972  
That'd be great.

594

00:34:31,319 --> 00:34:32,236  
John?

595

00:34:35,698 --> 00:34:36,532  
Hey.

596

00:34:36,783 --> 00:34:38,701  
I heard you had a dust-up with Hastings?

597

00:34:38,785 --> 00:34:40,536  
-What happened?

-Thank goodness you're back.

598

00:34:41,329 --> 00:34:42,830  
What is she doing here?

599

00:34:44,123 --> 00:34:45,124  
We need to talk.

600

00:34:47,335 --> 00:34:50,630  
My dad is still down there.  
Everyone is still down there.

601

00:34:50,713 --> 00:34:52,590  
Hastings just lied right to my face.

602

00:34:52,673 --> 00:34:55,635  
How can they expect us  
to just abandon our families?

603

00:34:55,718 --> 00:34:57,470  
No one will be left behind.

604

00:34:57,553 --> 00:34:59,639  
The Resolute's leaving  
soon as that engine is in place.

605

00:34:59,722 --> 00:35:02,058  
And even if we can get everyone  
back on the ship,

606

00:35:02,141 --> 00:35:04,685  
we don't have enough oxygen  
to support them.

607

00:35:04,769 --> 00:35:07,522  
The water we brought up from the planet  
is contaminated.

608

00:35:07,605 --> 00:35:09,941  
If we run it through the OGS Systems  
to make breathable air,

609

00:35:10,024 --> 00:35:11,109  
it'll rot out the pipes.

610

00:35:11,192 --> 00:35:13,694  
The Resolute will literally dissolve  
from the inside out.

611

00:35:13,778 --> 00:35:15,446  
Speaking from personal experience,

612

00:35:15,530 --> 00:35:16,864  
that would not be awesome.

613

00:35:16,948 --> 00:35:19,408  
There must be some way  
to decontaminate the water.

614

00:35:19,492 --> 00:35:21,786  
There is, but it would take a year

615

00:35:21,869 --> 00:35:23,996  
to collect the amount of ammonia gas  
we'd need to do it.

616

00:35:24,080 --> 00:35:27,583  
[John] And there's no way Hastings  
and his team are waiting around for that.

617

00:35:28,835 --> 00:35:30,169  
I need to collect my thoughts.

618

00:35:43,141 --> 00:35:44,725  
I think that means we're ready.

619

00:35:46,435 --> 00:35:48,312  
Now let's move it to the engine room.

620

00:35:55,111 --> 00:35:56,154  
Come on.

621

00:36:06,581 --> 00:36:07,832  
-Hey.

-Hey.

622

00:36:07,915 --> 00:36:09,542  
[John] We didn't get a chance to talk.

623

00:36:09,750 --> 00:36:10,835  
How was it down there?

624

00:36:10,918 --> 00:36:12,420  
-How's Will?  
-[Maureen] He's good.

625

00:36:13,129 --> 00:36:14,380  
He got his friend back,

626

00:36:14,630 --> 00:36:15,631  
but...

627

00:36:16,591 --> 00:36:18,759  
he's different, somehow.

628

00:36:19,552 --> 00:36:20,595  
The robot?

629

00:36:20,928 --> 00:36:22,597  
Yeah. He's just, uh...

630

00:36:24,557 --> 00:36:25,474  
What is it?

631

00:36:25,558 --> 00:36:28,853  
Izabel, what do we know about that planet?

632

00:36:36,152 --> 00:36:37,403  
This idea is crazy.

633

00:36:37,486 --> 00:36:38,696  
Never stopped us before.

634

00:36:38,779 --> 00:36:39,697  
Really wish it would.

635

00:36:39,780 --> 00:36:40,865  
Look, we have to try.

636

00:36:41,574 --> 00:36:43,701  
We have to explain to them  
that there is a way.

637

00:36:43,784 --> 00:36:45,745  
Even if you're right  
about the planet out there,

638

00:36:45,828 --> 00:36:48,664  
Hastings and Kamal will never put  
the Resolute at that kind of risk.

639

00:36:48,748 --> 00:36:50,917  
Well, then, let's not ask for permission.

640

00:36:51,459 --> 00:36:52,668  
That's mutiny.

641

00:36:52,752 --> 00:36:53,628  
-Is it?  
-Yeah.

642

00:36:53,711 --> 00:36:56,297  
Taking a ship somewhere  
the captain doesn't want it to go?

643

00:36:56,380 --> 00:36:57,506  
That's mutiny.

644

00:36:59,926 --> 00:37:01,594  
There will be consequences.

645

00:37:01,677 --> 00:37:03,971  
Any worse than for the people  
being left behind?

646

00:37:11,646 --> 00:37:14,065  
First thing we need is a plan.

647  
00:37:15,024 --> 00:37:16,025  
[Smith] I agree.

648  
00:37:16,943 --> 00:37:17,985  
Totally.

649  
00:37:22,073 --> 00:37:24,492  
[closing theme music playing]
