MAIN EPISODE CAST

Molly Parker	...	Maureen Robinson
Toby Stephens	...	John Robinson
Maxwell Jenkins	...	Will Robinson
Taylor Russell	...	Judy Robinson
Mina Sundwall	...	Penny Robinson
Ignacio Serricchio	...	Don West
Brian Steele	...	Robot
Parker Posey	...	June Harris / Dr. Smith
JJ Field	...	Ben Adler
Ajay Friese	...	Vijay Dhar
Douglas Hodge	...	Hastings
Nevis Unipan	...	Samantha
Ildiko Susany	...	Resolute Security Officer
Monte Thompson	...	Handler
Josh Chambers	...	Handler
Alan Mak	...	Resolute Crew
Zehra Fazal	...	Computer (Voice)

1
00:00:20,478 --> 00:00:22,480
[wind howling]

2
00:00:35,660 --> 00:00:37,871
What do you think
the boy has done with them?

3
00:00:39,706 --> 00:00:41,791
I'm not sure the boy's in charge anymore.

4
00:01:03,772 --> 00:01:05,023
What is he doing?

5
00:01:05,190 --> 00:01:06,274
I don't know.

6
00:01:09,903 --> 00:01:11,237
[Will] That ship's broken.

7
00:01:12,197 --> 00:01:13,323
You can't fly it.

8
00:01:17,368 --> 00:01:18,953
Where are you trying to go?

9
00:01:21,956 --> 00:01:23,750
[robotic voice] Help. Friend.

10
00:01:23,833 --> 00:01:26,252
I want to help him too,
but we can't right now.

11
00:01:26,878 --> 00:01:29,214
You have to take the Resolute
to Alpha Centauri

12
00:01:29,297 --> 00:01:30,548
like I told them you would.

13
00:01:30,632 --> 00:01:35,095
[robotic voice] No. Help. Friend.

Will Robinson.

14

00:01:38,723 --> 00:01:39,557
You're right.

15

00:01:41,267 --> 00:01:42,310
He is different.

16

00:01:42,393 --> 00:01:44,521
-No, Will. I didn't mean it like that.
-No.

17

00:01:44,938 --> 00:01:48,900
All this time, I've been trying to pretend
he's still the same...

18

00:01:50,318 --> 00:01:51,653
-but he's not.
-Will.

19

00:01:51,820 --> 00:01:53,822
And maybe that's okay.

20

00:01:56,741 --> 00:01:58,827
I'm not the same
as when we met up in that tree.

21

00:01:59,619 --> 00:02:01,204
Why should he be any different?

22

00:02:03,498 --> 00:02:04,499
We're connected.

23

00:02:06,835 --> 00:02:07,836
We're growing up.

24

00:02:08,586 --> 00:02:10,088
[rumbling]

25

00:02:10,171 --> 00:02:11,422
[indistinct chatter]

26

00:02:12,090 --> 00:02:13,716
Someone's coming. What do we do?

27

00:02:17,428 --> 00:02:18,388
We have to hide them.

28

00:02:18,471 --> 00:02:20,348
Hide them? We can't hide two giant robots.

29

00:02:20,431 --> 00:02:23,643
Where are we gonna fit two giant robots?
And I have an idea.

30

00:02:25,228 --> 00:02:27,522
-They're here somewhere. We'll find them.
-And when you do,

31

00:02:27,605 --> 00:02:30,275
I don't want any more talk
of hearts or emotions.

32

00:02:30,358 --> 00:02:32,110
Just spike him. Clear him.

33

00:02:32,193 --> 00:02:33,570
The way you did Scarecrow.

34

00:02:33,862 --> 00:02:37,198
Everything else that machine wants
or feels will just...

35

00:02:37,657 --> 00:02:38,908
just drift away.

36

00:02:39,075 --> 00:02:40,368
What about the Robinsons?

37

00:02:40,493 --> 00:02:41,578
They're protective of it.

38

00:02:41,661 --> 00:02:43,079

They won't go down without a fight.

39

00:02:43,163 --> 00:02:44,831
But they will go down.

40

00:02:45,123 --> 00:02:46,291
Sir?

41

00:02:47,375 --> 00:02:49,627
What will history say
about what we've accomplished, Ben?

42

00:02:50,378 --> 00:02:52,046
Twenty-three successful missions

43

00:02:52,130 --> 00:02:54,674
and all they'll write about is the 24th.

44

00:02:55,925 --> 00:02:58,094
No one is ever remembered
for their accomplishments,

45

00:02:58,845 --> 00:02:59,846
only their failures.

46

00:02:59,929 --> 00:03:03,057
-We haven't failed. We can--
-The Robinsons have seized control

47

00:03:03,141 --> 00:03:04,517
of the narrative,

48

00:03:05,852 --> 00:03:08,188
and when we get to Alpha Centauri,

49

00:03:09,355 --> 00:03:12,817
when our families...
are told the story of what happened here,

50

00:03:12,901 --> 00:03:14,819
how do you think our roles will be cast?

51

00:03:17,906 --> 00:03:19,365
So what do you suggest we do?

52

00:03:20,742 --> 00:03:21,826
Rewrite the story.

53

00:03:33,213 --> 00:03:34,756
[John over radio] Hey, are you back yet?

54

00:03:35,048 --> 00:03:35,882
Hey.

55

00:03:36,341 --> 00:03:39,010
Well, it turns out when I grabbed this pod
it was already low on fuel

56

00:03:39,093 --> 00:03:40,637
so I'm taking it slow.

57

00:03:41,554 --> 00:03:42,931
Conserving power.

58

00:03:44,015 --> 00:03:45,558
It's actually quite beautiful out here.

59

00:03:45,642 --> 00:03:48,603
Well, we shouldn't stick around
any longer than we have to.

60

00:03:49,354 --> 00:03:51,564
So, how long do we have to?

61

00:03:51,648 --> 00:03:53,942
Well, if I continue through the ammonium
at this speed

62

00:03:54,025 --> 00:03:55,777
the water should be clean...

63

00:03:56,361 --> 00:03:58,655
by the time we finish our first orbit.

64

00:03:59,239 --> 00:04:00,949
On Earth that's 92 minutes.

65

00:04:01,324 --> 00:04:03,409
A planet this size, that's what? An hour?

66

00:04:03,493 --> 00:04:04,452
Give or take.

67

00:04:04,911 --> 00:04:07,747
Then we pick up the survivors and,
with the robot's help,

68

00:04:08,665 --> 00:04:10,792
be on our way to Alpha Centauri.

69

00:04:11,251 --> 00:04:12,418
At last.

70

00:04:12,502 --> 00:04:14,712
I can't even believe we pulled this off.

71

00:04:16,297 --> 00:04:17,465
I believe we got lucky.

72

00:04:17,548 --> 00:04:19,259
Today could have been a lot worse.

73

00:04:20,551 --> 00:04:22,303
[rapid beeping]

74

00:04:22,804 --> 00:04:24,514
[automated voice]
Fuel cell critically low.

75

00:04:26,057 --> 00:04:28,935
Eh, looks like I'm finally out of juice.

76

00:04:29,560 --> 00:04:31,104
Okay, sit tight.

77

00:04:31,479 --> 00:04:33,856
I'll grab one of these pods
and tow you back in.

78

00:04:44,450 --> 00:04:47,620
[Hastings] This serves
to report a code violation

79

00:04:47,704 --> 00:04:50,373
among the population of Colonist Group 24.

80

00:04:51,416 --> 00:04:53,543
Maureen Robinson,

81

00:04:53,626 --> 00:04:57,338
in a moment of panic
and uncertainty of purpose,

82

00:04:58,006 --> 00:05:02,302
attempted to take control of the Resolute.

83

00:05:02,385 --> 00:05:03,803
[rumbling]

84

00:05:06,764 --> 00:05:12,186
But when she realized
the error of her ways...

85

00:05:12,270 --> 00:05:13,104
[gasps]

86

00:05:14,897 --> 00:05:16,733
...Maureen and her husband,

87

00:05:16,816 --> 00:05:18,109
-John Robinson...
-Hi.

88

00:05:18,776 --> 00:05:21,237
-Hey.
-...attempted to repair the damage...

89
00:05:21,321 --> 00:05:23,323
-I gotcha.
-...they had caused.

90
00:05:26,034 --> 00:05:26,868
However...

91
00:05:28,161 --> 00:05:29,912
in this course of action,

92
00:05:31,080 --> 00:05:36,336
their maintenance pods were lost
to the perils of space.

93
00:05:38,838 --> 00:05:40,089
[alert beeping]

94
00:05:40,631 --> 00:05:41,466
What the hell?

95
00:05:42,216 --> 00:05:43,343
What's wrong?

96
00:05:43,426 --> 00:05:45,970
-[automated voice] Access denied.
-The codes are jammed.

97
00:05:46,929 --> 00:05:48,473
[Hastings] Rescue attempts were made.

98
00:05:48,931 --> 00:05:50,808
I'm gonna try and do this manually.

99
00:05:50,892 --> 00:05:51,726
Hang on.

100
00:05:54,979 --> 00:05:56,147
Come on.

101
00:05:56,230 --> 00:05:57,940

[Hastings] Those attempts
were unsuccessful.

102
00:06:00,234 --> 00:06:01,235
Come on.

103
00:06:04,906 --> 00:06:06,741
[Maureen over radio] John, stop.

104
00:06:06,824 --> 00:06:08,576
Stop. It's not going to work.

105
00:06:09,702 --> 00:06:10,536
Why not?

106
00:06:11,704 --> 00:06:13,539
It's Hastings. He locked us out.

107
00:06:14,540 --> 00:06:15,375
[sighs]

108
00:06:21,297 --> 00:06:22,799
Hastings to bridge.

109
00:06:22,882 --> 00:06:24,759
Accelerated orbit, please.

110
00:06:25,885 --> 00:06:27,470
The faster we clean the water,

111
00:06:27,553 --> 00:06:30,807
the faster we can pick up
the other survivors and get on our way.

112
00:06:31,933 --> 00:06:34,352
[woman] Copy that.
Stand by for operational control.

113
00:06:35,853 --> 00:06:36,687
[groans]

114

00:06:42,985 --> 00:06:44,362
Whoa, whoa, whoa, whoa, whoa!

115
00:06:46,948 --> 00:06:47,949
God!

116
00:06:49,784 --> 00:06:51,577
-No!
-[groans]

117
00:06:55,248 --> 00:06:57,250
[rapid beeping]

118
00:07:04,340 --> 00:07:06,259
Come on! Come on!

119
00:07:07,927 --> 00:07:09,595
Ahh, dammit!

120
00:07:15,810 --> 00:07:16,727
Judy, come in!

121
00:07:17,520 --> 00:07:19,605
Uh, hey, Mom, is everything okay?

122
00:07:19,689 --> 00:07:20,648
Judy, listen to me.

123
00:07:20,731 --> 00:07:22,150
Your dad and I are stranded.

124
00:07:22,859 --> 00:07:24,777
-What?
-Don't talk, just listen.

125
00:07:24,861 --> 00:07:26,863
We are in two maintenance pods.

126
00:07:26,946 --> 00:07:28,906
We're drifting from the Resolute

127

00:07:28,990 --> 00:07:31,659
at a separating speed
of 40 arc minutes per second.

128
00:07:31,742 --> 00:07:34,412
At that speed there's no way
we can possibly catch you,

129
00:07:34,495 --> 00:07:36,831
but the Resolute has to finish its orbit

130
00:07:36,914 --> 00:07:39,750
around the planet before it can
exit the atmosphere, so...

131
00:07:39,834 --> 00:07:41,627
[unclear, losing signal]

132
00:07:41,711 --> 00:07:44,380
...to turn around and meet you there.

133
00:07:44,464 --> 00:07:47,216
Uh, You're--
You're breaking up, Mom. I'm losing you.

134
00:07:47,300 --> 00:07:48,468
Hey, Jude.

135
00:07:48,926 --> 00:07:51,888
Judy, listen to me.
We're almost out of range.

136
00:07:52,388 --> 00:07:54,432
Find your brother and sister.
Fill them in.

137
00:07:54,515 --> 00:07:56,434
Tell them to stay away
from Hastings, okay?

138
00:07:56,517 --> 00:07:57,393
[Judy] Dad?

139
00:07:57,477 --> 00:07:58,311
Jude?

140
00:07:58,394 --> 00:07:59,854
[static from radio]

141
00:07:59,937 --> 00:08:00,897
Jude?

142
00:08:00,980 --> 00:08:02,106
[sighs]

143
00:08:04,233 --> 00:08:05,193
Dad!

144
00:08:06,736 --> 00:08:07,737
Is something wrong?

145
00:08:08,738 --> 00:08:09,739
Of course there is.

146
00:08:09,864 --> 00:08:12,366
-I don't even know why I ask anymore.
-Will? Uh, Penny?

147
00:08:13,075 --> 00:08:14,076
Where are you guys?

148
00:08:18,456 --> 00:08:19,290
Okay.

149
00:08:22,543 --> 00:08:23,669
[sighs] There.

150
00:08:24,253 --> 00:08:25,755
Now no one can track us by our radios.

151
00:08:25,838 --> 00:08:27,840
We also have no way to contact anyone.

152

00:08:28,508 --> 00:08:30,551
Not Judy or Mom and Dad.

153
00:08:31,177 --> 00:08:33,054
But we can contact them another way.

154
00:08:33,137 --> 00:08:34,847
We need to hide right now.

155
00:08:35,181 --> 00:08:36,641
We're, like, fugitives.

156
00:08:36,724 --> 00:08:38,226
We're not fugitives.

157
00:08:38,768 --> 00:08:39,769
We're helping our friend.

158
00:08:39,852 --> 00:08:41,938
Will, we're hiding in trash
so we don't get arrested.

159
00:08:42,021 --> 00:08:44,023
It doesn't really get more fugitive-y
than that.

160
00:08:45,858 --> 00:08:47,193
Okay, Robot,

161
00:08:48,361 --> 00:08:51,239
if we're going to help Scarecrow,
you need to tell us how.

162
00:08:51,322 --> 00:08:52,657
Where are we supposed to go?

163
00:09:08,464 --> 00:09:09,674
These symbols...

164
00:09:10,466 --> 00:09:11,801
I've seen these before.

165
00:09:12,009 --> 00:09:12,843
[Penny] Yeah.

166
00:09:12,927 --> 00:09:14,303
On the water planet.

167
00:09:14,387 --> 00:09:16,180
The pictures Mom took in the trench.

168
00:09:16,764 --> 00:09:18,891
They match. So...

169
00:09:19,809 --> 00:09:23,271
we need to take Scarecrow
to the water planet?

170
00:09:26,315 --> 00:09:27,358
[Penny] Or not.

171
00:09:32,405 --> 00:09:34,365
[Will] All his markings are different.

172
00:09:35,449 --> 00:09:36,659
I don't understand.

173
00:09:44,458 --> 00:09:46,210
Oh, Pictionary, okay.

174
00:09:46,335 --> 00:09:48,337
It's a table. It's a tractor.

175
00:09:48,421 --> 00:09:49,589
It's a throne.

176
00:09:49,714 --> 00:09:51,257
It's a ski jump.

177
00:09:51,340 --> 00:09:52,341
It's a horse.

178

00:09:54,343 --> 00:09:55,344
Oh, it is a horse.

179
00:09:56,012 --> 00:09:59,223
But what does a horse have anything
to do with saving the, um...

180
00:10:00,308 --> 00:10:02,935
[clicks tongue] No. No. No.

181
00:10:03,019 --> 00:10:06,022
I don't care how sick this thing is, Will,
I'm not feeding it a horse.

182
00:10:06,856 --> 00:10:07,857
The Amber Planet.

183
00:10:09,358 --> 00:10:10,610
You want us

184
00:10:11,402 --> 00:10:12,820
to take Scarecrow

185
00:10:13,654 --> 00:10:15,906
to the ring on the Amber Planet.

186
00:10:17,158 --> 00:10:17,992
Yeah!

187
00:10:20,995 --> 00:10:22,913
[Ben over PA] Attention colonists:

188
00:10:22,997 --> 00:10:24,457
this is Ben Adler,

189
00:10:24,540 --> 00:10:27,084
Director of Advanced Systems
onboard the Resolute.

190
00:10:27,710 --> 00:10:29,587
This message is to alert you
to the actions

191

00:10:29,670 --> 00:10:31,631
of one of your fellow colonists,

192

00:10:31,714 --> 00:10:33,299
Will Robinson.

193

00:10:33,382 --> 00:10:37,595
We have video evidence of him removing
from the engine room a piece of equipment

194

00:10:37,678 --> 00:10:41,140
that is vital to the completion
of our journey to Alpha Centauri.

195

00:10:42,391 --> 00:10:46,354
This action was taken without
the regard of the future safety of you

196

00:10:46,437 --> 00:10:47,730
or your loved ones.

197

00:10:49,398 --> 00:10:50,566
With that in mind,

198

00:10:51,359 --> 00:10:52,568
we request

199

00:10:53,277 --> 00:10:56,030
that if you see him
or the robot he controls,

200

00:10:56,113 --> 00:10:59,950
you report their whereabouts
to security personnel immediately.

201

00:11:03,204 --> 00:11:04,997
And Will, if you can hear me...

202

00:11:06,874 --> 00:11:08,626
I know you think
you're doing the right thing,

203

00:11:08,709 --> 00:11:10,836
but there are other ways to handle this.

204

00:11:12,129 --> 00:11:14,799
Don't let this go any further than
it already has.

205

00:11:18,469 --> 00:11:20,513
Okay. What now?

206

00:11:31,148 --> 00:11:33,317
When starting a game of cat and mouse...

207

00:11:35,945 --> 00:11:38,072
you better make damn sure you're the cat.

208

00:11:38,155 --> 00:11:39,198
Can I help you?

209

00:11:39,323 --> 00:11:41,575
No, but I can help you.

210

00:11:42,159 --> 00:11:44,995
You want to catch a Robinson,
you need to think like a Robinson.

211

00:11:46,205 --> 00:11:48,374
I lived with those people
for seven months.

212

00:11:49,333 --> 00:11:51,127
You want to know what makes them tick,

213

00:11:51,210 --> 00:11:52,712
you talk to me.

214

00:11:52,795 --> 00:11:54,755
[Penny] So how are we gonna get
to the planet?

215

00:11:55,339 --> 00:11:57,758
I don't know. Fly down in a Jupiter?

216
00:11:58,175 --> 00:12:01,345
Yeah, that would be really great
if either of us knew how to fly a Jupiter.

217
00:12:01,429 --> 00:12:03,931
Okay, so we get help.

218
00:12:04,140 --> 00:12:05,516
[Smith] They're going to need help.

219
00:12:05,599 --> 00:12:07,893
There are things the Robinsons can't
or won't do,

220
00:12:07,977 --> 00:12:11,063
so they rely on the expertise of others.

221
00:12:11,981 --> 00:12:13,107
Find Don West.

222
00:12:13,190 --> 00:12:14,734
Find the Watanabes.

223
00:12:15,901 --> 00:12:18,070
The kids will show up there
sooner or later.

224
00:12:18,154 --> 00:12:19,530
What about the parents?

225
00:12:19,822 --> 00:12:21,991
We still haven't been able to locate
John or Maureen.

226
00:12:26,120 --> 00:12:27,163
Focus on the kids.

227
00:12:29,915 --> 00:12:30,750
Sir,

228
00:12:31,500 --> 00:12:33,377
I'm sorry to interrupt.

229
00:12:33,461 --> 00:12:34,295
What is it?

230
00:12:34,378 --> 00:12:37,006
Victor Dhar's codes were used
to access the refuse system.

231
00:12:37,089 --> 00:12:38,299
Why does that matter?

232
00:12:39,049 --> 00:12:40,426
Victor Dhar's not on the Resolute.

233
00:12:41,302 --> 00:12:42,178
But his son is.

234
00:12:42,803 --> 00:12:44,430
Send a team to the compactor.

235
00:12:45,556 --> 00:12:46,557
Now.

236
00:12:51,395 --> 00:12:52,980
Penny, Will, do you guys copy?

237
00:12:53,814 --> 00:12:55,775
-Seriously guys, where are you?
-[Samantha] Judy!

238
00:12:56,776 --> 00:12:58,527
Um, hey-- Hey, Sam.

239
00:12:58,819 --> 00:13:00,154
I heard the announcement about...

240
00:13:00,237 --> 00:13:02,990
Uh, yeah, I'm sure it's just a big,

uh, misunderstanding.

241

00:13:03,073 --> 00:13:04,241
My mom says I'm--

242

00:13:05,451 --> 00:13:07,912
I'm not supposed to talk
to you guys anymore.

243

00:13:07,995 --> 00:13:09,497
Yeah, it's okay. I understand.

244

00:13:09,830 --> 00:13:11,248
The thing is,

245

00:13:11,332 --> 00:13:13,959
I don't always listen
like I'm supposed to.

246

00:13:15,419 --> 00:13:16,462
How can I help?

247

00:13:16,545 --> 00:13:18,380
-[screams]
-[grunts]

248

00:13:18,464 --> 00:13:21,342
-Penny! What the hell?
-Hi. Sorry, I didn't mean to scare you.

249

00:13:21,425 --> 00:13:23,135
I've been calling you like crazy!

250

00:13:23,219 --> 00:13:25,012
Yeah, I know. I smashed our radios.

251

00:13:25,346 --> 00:13:27,973
Did you think maybe to call me
before you did that?

252

00:13:28,641 --> 00:13:31,602
Yes, but can I refer you back to the whole

smashing of the radios thing?

253

00:13:32,978 --> 00:13:35,397
Okay-- [sighs] Where's Will?

254

00:13:43,572 --> 00:13:44,740
Hi, Judy.

255

00:13:48,911 --> 00:13:50,412
Yeah, we should probably talk.

256

00:13:50,621 --> 00:13:51,914
[sighs]

257

00:13:51,997 --> 00:13:54,208
I don't understand.
How is getting to that ring

258

00:13:54,291 --> 00:13:55,543
going to help Scarecrow?

259

00:13:56,544 --> 00:13:57,586
I don't know.

260

00:13:57,962 --> 00:13:59,797
Maybe it's where he's from.

261

00:14:00,214 --> 00:14:01,340
Like his home?

262

00:14:02,091 --> 00:14:02,967
Yeah, I guess.

263

00:14:03,050 --> 00:14:05,386
You're willing to risk everything
on "I guess"?

264

00:14:05,469 --> 00:14:07,096
What else are we supposed to do?

265

00:14:07,179 --> 00:14:08,138

[scoffs]

266

00:14:08,264 --> 00:14:09,765
No, I'm sorry, no.

267

00:14:10,516 --> 00:14:12,393
-It's too dangerous.
-For who?

268

00:14:12,726 --> 00:14:14,353
For all of us.

269

00:14:20,401 --> 00:14:22,653
The robot's always done
whatever we've asked.

270

00:14:23,571 --> 00:14:25,865
No matter how dangerous,
he has been there.

271

00:14:26,949 --> 00:14:29,118
And he's never asked us for anything.

272

00:14:29,702 --> 00:14:30,744
Until now.

273

00:14:34,331 --> 00:14:35,875
We need to do this.

274

00:14:36,292 --> 00:14:39,253
We have to at least try, because...

275

00:14:43,382 --> 00:14:45,092
because that's what friends do...

276

00:14:47,428 --> 00:14:48,429
for each other.

277

00:14:50,139 --> 00:14:51,891
It can't just be a one-way street.

278

00:14:54,643 --> 00:14:56,896
-[thud]
-[indistinct chatter]

279
00:14:59,773 --> 00:15:01,025
What do we do?

280
00:15:01,317 --> 00:15:02,234
I have an idea.

281
00:15:56,622 --> 00:15:57,748
[whispers] Anything?

282
00:16:12,179 --> 00:16:13,514
You'll be safe here.

283
00:16:14,848 --> 00:16:16,308
They'll be safe here.

284
00:16:17,393 --> 00:16:18,519
Thank you.

285
00:16:20,980 --> 00:16:22,064
Okay, what now?

286
00:16:22,982 --> 00:16:26,610
[sighs] If Mom and Dad were here
they would tell us to do pros and cons,

287
00:16:26,777 --> 00:16:30,447
but I'm going to save us some time because
there's just too many cons with this one.

288
00:16:30,656 --> 00:16:32,741
-Judy...
-And because they're not here,

289
00:16:32,825 --> 00:16:33,826
whatever I say goes.

290
00:16:33,909 --> 00:16:34,994
-Judy.

-And I say that

291

00:16:35,077 --> 00:16:37,621
if we're gonna do this
we're gonna need one heck of a plan.

292

00:16:37,705 --> 00:16:38,580
Judy.

293

00:16:40,624 --> 00:16:41,458
Wait.

294

00:16:42,918 --> 00:16:44,211
What? [chuckles]

295

00:16:47,881 --> 00:16:51,051
Okay. I have a question, though.
You said that Mom and Dad weren't here.

296

00:16:52,803 --> 00:16:54,054
Where did they go?

297

00:16:58,559 --> 00:17:00,602
[Maureen over radio]
It shouldn't be too much longer.

298

00:17:01,353 --> 00:17:03,856
Hey, when we see the Resolute
turn off your lights.

299

00:17:04,648 --> 00:17:06,608
Probably better
if they don't know we're coming.

300

00:17:08,068 --> 00:17:08,902
Okay.

301

00:17:10,863 --> 00:17:12,489
So do you want to talk about it?

302

00:17:13,407 --> 00:17:14,366
About what?

303
00:17:15,325 --> 00:17:17,745
The elephant in the maintenance pod.

304
00:17:17,828 --> 00:17:18,787
[chuckles]

305
00:17:21,248 --> 00:17:25,002
About... what Hastings told you I did

306
00:17:25,085 --> 00:17:26,879
to get Will to qualify.

307
00:17:27,504 --> 00:17:29,173
There's nothing to talk about.

308
00:17:30,257 --> 00:17:31,842
But you think I made a mistake.

309
00:17:32,342 --> 00:17:33,635
You don't make mistakes.

310
00:17:34,511 --> 00:17:36,096
You made a judgment call.

311
00:17:36,722 --> 00:17:38,557
And you're questioning my judgment.

312
00:17:39,808 --> 00:17:40,768
Aren't you?

313
00:17:42,352 --> 00:17:44,188
I mean, look at where we are.

314
00:17:46,815 --> 00:17:49,276
Anyway, look,
it doesn't matter what I think.

315
00:17:50,694 --> 00:17:51,737
But, uh...

316
00:17:53,989 --> 00:17:55,240
Judy was there.

317
00:17:56,116 --> 00:17:57,117
She heard it all.

318
00:17:58,869 --> 00:18:00,329
What did she say?

319
00:18:00,913 --> 00:18:01,830
She didn't.

320
00:18:03,665 --> 00:18:05,375
I just thought you should know.

321
00:18:09,088 --> 00:18:10,464
[loud crashing]

322
00:18:10,547 --> 00:18:12,508
Whoa. What the hell was that?

323
00:18:19,014 --> 00:18:21,016
[whistling call from outside]

324
00:18:25,229 --> 00:18:26,146
Whoa!

325
00:18:26,438 --> 00:18:27,272
Oh, my God.

326
00:18:35,656 --> 00:18:36,657
Oh, my...

327
00:18:37,741 --> 00:18:38,575
What?

328
00:18:38,659 --> 00:18:40,786
[warbling call from creature]

329
00:18:46,416 --> 00:18:47,876

[both grunting]

330
00:18:52,339 --> 00:18:54,174
-I can't stop!
-Hold on!

331
00:18:54,258 --> 00:18:55,259
[alarm beeping rapidly]

332
00:18:58,428 --> 00:18:59,263
[Maureen] John!

333
00:19:07,521 --> 00:19:09,398
-[grunts]
-[alarm beeping continues]

334
00:19:11,692 --> 00:19:12,526
[Maureen] John!

335
00:19:13,026 --> 00:19:14,403
Right behind you!

336
00:19:24,246 --> 00:19:25,080
[yells]

337
00:19:25,747 --> 00:19:26,999
-[grunts]
-Damn!

338
00:19:27,958 --> 00:19:29,209
[Maureen yells]

339
00:19:29,293 --> 00:19:30,169
[John] Hang on!

340
00:19:35,591 --> 00:19:37,050
[Maureen] I can't stop!

341
00:19:37,467 --> 00:19:38,302
[groans]

342

00:19:38,385 --> 00:19:40,637
[automated voice]
Warning, temperature critical.

343
00:19:50,856 --> 00:19:51,690
Come on.

344
00:19:53,150 --> 00:19:54,151
Come on.

345
00:19:56,737 --> 00:19:58,572
Almost there.

346
00:19:58,655 --> 00:19:59,573
[whirring]

347
00:20:00,365 --> 00:20:01,825
[John] Gotcha! [grunts]

348
00:20:03,285 --> 00:20:04,494
-[alarm beeping]
-Come on!

349
00:20:04,578 --> 00:20:06,079
[grunts]

350
00:20:06,205 --> 00:20:07,372
[John] Hang on!

351
00:20:08,874 --> 00:20:09,833
-[grunts]
-[yells]

352
00:20:15,547 --> 00:20:17,424
[pants]

353
00:20:17,507 --> 00:20:18,592
You all right?

354
00:20:19,218 --> 00:20:20,052
Yes.

355
00:20:20,844 --> 00:20:22,095
You?

356
00:20:22,179 --> 00:20:23,430
Yeah.

357
00:20:24,932 --> 00:20:25,974
Where are we?

358
00:20:28,477 --> 00:20:30,270
[sighs] We're miles off course.

359
00:20:30,354 --> 00:20:33,565
Do you-- Do you have enough fuel
to get us back?

360
00:20:34,066 --> 00:20:34,900
[grunts]

361
00:20:34,983 --> 00:20:37,402
[automated voice]
Warning, fuel level at twelve percent.

362
00:20:38,278 --> 00:20:39,154
Yeah.

363
00:20:40,405 --> 00:20:41,531
Yeah, sure.

364
00:20:42,115 --> 00:20:43,450
Yeah, we're gonna be fine.

365
00:20:44,201 --> 00:20:45,077
[pants] Okay.

366
00:20:45,452 --> 00:20:46,286
[exhales]

367
00:20:46,370 --> 00:20:49,122
[Penny] Okay, so the way I see it,
if we're going to get Robot

368
00:20:49,206 --> 00:20:50,832
and Scarecrow down to the Amber Planet,

369
00:20:51,250 --> 00:20:53,293
-we're gonna need to hijack a Jupiter.
-No. [stammers]

370
00:20:53,418 --> 00:20:55,295
Penny, we're not gonna hijack a Jupiter.

371
00:20:55,379 --> 00:20:57,589
You're right, sorry.
We're gonna need to steal a Jupiter.

372
00:20:57,673 --> 00:21:01,718
Borrow. The term is borrow,
as in we have to ask permission first.

373
00:21:01,802 --> 00:21:03,679
Okay, but who's crazy enough

374
00:21:03,762 --> 00:21:06,014
to let a bunch of kids
borrow their Jupiter?

375
00:21:07,641 --> 00:21:08,809
What time is it?

376
00:21:09,434 --> 00:21:10,477
12:03. Why?

377
00:21:11,353 --> 00:21:12,562
It's lunch time.

378
00:21:13,188 --> 00:21:15,649
All this going on and that's all
you can think about?

379
00:21:16,191 --> 00:21:19,403
Samantha, can you get me
to the dining hall?

380
00:21:19,945 --> 00:21:20,862
[Samantha] Sure thing.

381
00:21:32,874 --> 00:21:33,750
Hey.

382
00:21:34,793 --> 00:21:36,837
-Hey.
-[indistinct chatter]

383
00:21:36,962 --> 00:21:39,089
We shared an intimate
near-death experience

384
00:21:39,172 --> 00:21:40,674
and all I get is a "hey"?

385
00:21:40,757 --> 00:21:41,717
Sorry.

386
00:21:42,968 --> 00:21:44,886
Your elbow has boldly gone
where no man has--

387
00:21:44,970 --> 00:21:47,514
-I have to go. I'm sorry.
-You haven't seen Penny, have you?

388
00:21:47,931 --> 00:21:48,765
[Vijay] Uh...

389
00:21:49,891 --> 00:21:50,976
No, not recently.

390
00:21:51,059 --> 00:21:52,769
[sigh] That's too bad.

391
00:21:54,062 --> 00:21:55,355
You like her, don't you?

392

00:21:56,481 --> 00:21:57,816
No, we're just friends.

393

00:21:58,400 --> 00:21:59,860
What about your father?

394

00:22:00,944 --> 00:22:01,987
Does he like her?

395

00:22:03,071 --> 00:22:05,032
He doesn't really know her.

396

00:22:05,115 --> 00:22:06,283
Right,

397

00:22:07,034 --> 00:22:08,952
because he's still down on the planet,

398

00:22:09,286 --> 00:22:11,955
hasn't been quite able
to get back up here yet.

399

00:22:12,039 --> 00:22:13,332
He's probably lucky.

400

00:22:14,291 --> 00:22:15,917
It's not an easy trip to make.

401

00:22:16,501 --> 00:22:18,503
Those Jupiters can be so...

402

00:22:19,671 --> 00:22:20,547
[inhales]

403

00:22:20,630 --> 00:22:22,090
...unpredictable.

404

00:22:23,800 --> 00:22:27,095
Fortunately for you, I happen to have
a lot of pull at the moment.

405

00:22:28,096 --> 00:22:31,058
I'm sure you've heard
what the Robinsons have done, so...

406
00:22:31,141 --> 00:22:33,226
[whispers] maybe if you help us find them

407
00:22:33,310 --> 00:22:35,604
I can put in a good word for Daddy.

408
00:22:36,063 --> 00:22:39,316
Make sure he gets on one of the more,
you know, predictable flights.

409
00:22:45,030 --> 00:22:46,073
You okay?

410
00:22:47,032 --> 00:22:49,284
Looks like you lost your appetite.
[crunches]

411
00:22:49,951 --> 00:22:51,703
I think I'll just save it for later.

412
00:22:52,079 --> 00:22:53,330
It's probably best.

413
00:22:53,413 --> 00:22:54,373
[crunches]

414
00:22:55,791 --> 00:22:56,875
Talk soon.

415
00:23:03,256 --> 00:23:04,758
Is he gonna be okay?

416
00:23:11,765 --> 00:23:14,351
My sisters are doing everything they can
to help us.

417
00:23:19,272 --> 00:23:20,107
[sighs]

418
00:23:27,197 --> 00:23:28,615
What is that?

419
00:23:30,200 --> 00:23:31,868
Is that how he got hurt?

420
00:23:42,254 --> 00:23:43,088
No.

421
00:23:44,631 --> 00:23:46,091
We're not gonna let him die.

422
00:24:03,650 --> 00:24:05,402
[Penny] Hey, don't look down, okay?

423
00:24:05,485 --> 00:24:07,863
What did I just say?
There's cameras everywhere.

424
00:24:09,448 --> 00:24:12,701
Just pull out your tablet
and pretend I'm not here.

425
00:24:18,331 --> 00:24:19,374
[unzips bag]

426
00:24:21,168 --> 00:24:22,419
So is it, um...

427
00:24:23,545 --> 00:24:25,005
is it true what you guys did?

428
00:24:25,422 --> 00:24:26,298
No.

429
00:24:27,632 --> 00:24:30,760
Okay, yeah, actually, sort of,
but we had a really good reason,

430
00:24:30,844 --> 00:24:33,263

and I kinda don't have time
to explain that right now.

431

00:24:33,346 --> 00:24:34,639
So, I just need to ask your help.

432

00:24:36,016 --> 00:24:37,559
What kind of help?

433

00:24:37,642 --> 00:24:40,020
The kind where you let us borrow
your Jupiter.

434

00:24:42,898 --> 00:24:45,484
You borrow a pencil, Penny.

435

00:24:45,567 --> 00:24:47,027
You borrow, like, a sweater.

436

00:24:47,110 --> 00:24:49,154
You don't borrow
a 40-million-dollar spaceship.

437

00:24:49,237 --> 00:24:51,615
-[thud]
-[footsteps approach]

438

00:24:56,536 --> 00:24:57,454
Hi.

439

00:25:05,170 --> 00:25:07,297
Vijay, it's a yes or no question.

440

00:25:09,508 --> 00:25:11,510
Well, who's going to be flying it?

441

00:25:12,761 --> 00:25:16,056
I don't know, um, Judy probably.
She has the most time on the simulator.

442

00:25:17,140 --> 00:25:18,892
This isn't a simulation, Penny.

443

00:25:18,975 --> 00:25:20,685
The stakes are real.

444

00:25:20,769 --> 00:25:22,604
Okay, for all of us.

445

00:25:23,980 --> 00:25:25,232
Okay, sorry. I just...

446

00:25:25,315 --> 00:25:29,528
Look, when I met you, you asked me
to go to the waterfall with you, right?

447

00:25:29,611 --> 00:25:30,820
So, I did,

448

00:25:30,904 --> 00:25:32,822
but I got in a lot of trouble, okay?

449

00:25:32,906 --> 00:25:35,242
And then you asked me
to get information on Dr. Smith

450

00:25:35,325 --> 00:25:37,452
and we both almost died floating in space.

451

00:25:38,411 --> 00:25:39,704
For some reason,

452

00:25:40,580 --> 00:25:42,499
whenever you ask me to do stuff,

453

00:25:43,500 --> 00:25:45,001
I can't say no.

454

00:25:47,420 --> 00:25:48,713
But this time...

455

00:25:49,339 --> 00:25:51,967
Look, this time

it's not just me that could get hurt.

456

00:25:53,552 --> 00:25:55,095
What are you talking about?

457

00:25:56,096 --> 00:25:58,598
They told me that if I helped you, then...
[sighs]

458

00:26:00,016 --> 00:26:02,310
Okay, look, Penny,
the point is my dad is still out there

459

00:26:02,394 --> 00:26:05,188
and I just really don't want to do
anything that could put him in danger.

460

00:26:06,856 --> 00:26:09,317
And I want to help, okay,
because we're friends

461

00:26:09,901 --> 00:26:12,737
and that's what friends do, but...

462

00:26:12,821 --> 00:26:14,406
But friendship isn't a one-way street.

463

00:26:14,948 --> 00:26:15,782
What?

464

00:26:16,199 --> 00:26:17,075
Nothing.

465

00:26:17,158 --> 00:26:19,578
Nothing, um, you're right and...

466

00:26:20,662 --> 00:26:21,663
I'm sorry,

467

00:26:21,746 --> 00:26:24,958
and I shouldn't ask you
to keep doing things for me

468

00:26:25,041 --> 00:26:26,918
because that's actually
not what friends do.

469

00:26:27,669 --> 00:26:29,754
I'm really sorry. I wish that I could.

470

00:26:29,838 --> 00:26:30,880
No, it's okay.

471

00:26:31,756 --> 00:26:33,883
It's okay. We're just gonna--
We'll find another way.

472

00:26:41,224 --> 00:26:43,602
[indistinct chatter over radio]

473

00:26:47,105 --> 00:26:49,107
[Ben] What exactly did the Robinsons do

474

00:26:49,190 --> 00:26:51,401
that would make you
turn against them like this?

475

00:26:51,484 --> 00:26:55,196
If I were to diagnose this family I'd say
they have a rampant hero complex.

476

00:26:57,157 --> 00:26:59,618
Desperate need to be seen
as better than everyone,

477

00:27:00,118 --> 00:27:01,745
smarter, braver.

478

00:27:03,330 --> 00:27:05,248
So much so they'll even create
circumstances

479

00:27:05,332 --> 00:27:06,875
they'll have to rescue others from.

480
00:27:07,667 --> 00:27:09,753
I believe this makes them a danger,

481
00:27:09,836 --> 00:27:12,088
not only to themselves,
but to everyone around them.

482
00:27:12,172 --> 00:27:14,090
And you think
that's what's happening here?

483
00:27:14,924 --> 00:27:18,678
That they're manufacturing a situation
with the robot for their own benefit?

484
00:27:18,762 --> 00:27:20,555
That robot is the key
to everyone's survival.

485
00:27:21,264 --> 00:27:22,515
They've taken it.

486
00:27:23,266 --> 00:27:24,684
Why else would they do that?

487
00:27:26,978 --> 00:27:27,937
-Hey.
-Hey.

488
00:27:28,021 --> 00:27:29,773
Did Don have any idea
how to get us a Jupiter?

489
00:27:29,856 --> 00:27:31,858
Med bay's crawling with guards.
Couldn't get to him.

490
00:27:31,941 --> 00:27:33,318
It's like they knew we were coming.

491
00:27:33,401 --> 00:27:35,403

-Yeah, 'cause they did.

-What do you mean?

492

00:27:35,487 --> 00:27:37,405

-Smith is helping them.

-Of course she is.

493

00:27:37,489 --> 00:27:40,158

She knows us too well. They're always gonna be one step ahead of us.

494

00:27:40,241 --> 00:27:43,286

That's why we have to do something that

495

00:27:43,787 --> 00:27:44,954

she's not expecting,

496

00:27:45,038 --> 00:27:47,624

something that we would never ever do.

497

00:27:48,291 --> 00:27:49,125

Like what?

498

00:27:49,793 --> 00:27:53,088

The Robinsons may be annoying, but they're clever.

499

00:27:54,381 --> 00:27:55,924

They know we're onto them.

500

00:27:57,759 --> 00:27:59,844

So they're gonna try and outsmart us.

501

00:28:01,513 --> 00:28:02,347

How?

502

00:28:16,361 --> 00:28:17,445

[Will] Is it safe?

503

00:28:19,864 --> 00:28:22,283

-[robotic voice] Safe. Will Robinson.

-Shhh.

504
00:28:29,916 --> 00:28:30,750
Okay.

505
00:28:33,586 --> 00:28:34,629
[Will] Okay.

506
00:28:35,463 --> 00:28:36,297
Hey.

507
00:28:37,006 --> 00:28:38,758
Don't worry. He's gonna be okay.

508
00:28:39,801 --> 00:28:41,302
This is a good plan.

509
00:28:43,638 --> 00:28:44,472
[sighs]

510
00:28:45,014 --> 00:28:47,434
Do you think Mom's gonna be mad
when she finds out what we did?

511
00:28:47,517 --> 00:28:48,768
Oh, yeah, hundred percent.

512
00:28:48,852 --> 00:28:51,521
Well, Mom's not exactly the arbiter
of what's right and wrong anymore.

513
00:28:52,814 --> 00:28:53,982
What do you mean?

514
00:28:55,024 --> 00:28:56,568
Look, I just mean that, um...

515
00:28:58,737 --> 00:29:01,239
we're old enough to take responsibility
for our actions.

516
00:29:01,656 --> 00:29:04,576

Right, this is it.
You guys know what you have to do?

517
00:29:04,659 --> 00:29:05,744
Yes, I do.

518
00:29:08,705 --> 00:29:11,082
[indistinct announcements over PA]

519
00:29:18,923 --> 00:29:21,342
How long before we left Earth
did you get your implant?

520
00:29:25,305 --> 00:29:26,514
Why do you want to know?

521
00:29:26,598 --> 00:29:27,682
It's nothing.

522
00:29:28,099 --> 00:29:31,728
I just know a thing or two about scars,
and well, yours looked pretty fresh.

523
00:29:31,811 --> 00:29:35,690
For someone whose job it is to make sure
nothing happens to that robot,

524
00:29:36,274 --> 00:29:38,276
you seem to be spending a lot of time

525
00:29:39,486 --> 00:29:40,820
focused on me.

526
00:29:45,658 --> 00:29:47,076
It's interesting,

527
00:29:47,160 --> 00:29:49,788
you were on that planet with Maureen
and Will for quite a while.

528
00:29:51,748 --> 00:29:54,167
I can't help but wonder

if your priorities have shifted.

529

00:29:54,667 --> 00:29:57,545
That robot is the key to me
ever seeing my family again.

530

00:29:58,129 --> 00:29:59,798
Do not question my resolve!

531

00:29:59,881 --> 00:30:02,300
I might remind you that
Scarecrow is my project.

532

00:30:02,383 --> 00:30:04,177
It belongs to me, not you.

533

00:30:05,637 --> 00:30:07,263
Wouldn't be so sure about that.

534

00:30:09,224 --> 00:30:10,600
You're not the only one in the room

535

00:30:10,683 --> 00:30:12,477
that's had a relationship
with these machines.

536

00:30:14,604 --> 00:30:17,816
I myself was connected to the robot.

537

00:30:20,109 --> 00:30:21,194
He was my friend...

538

00:30:22,987 --> 00:30:24,197
not just Will's.

539

00:30:26,241 --> 00:30:27,158
You?

540

00:30:28,243 --> 00:30:30,078
You were able to connect with one of them?

541

00:30:30,161 --> 00:30:31,454
Of course.

542
00:30:32,789 --> 00:30:33,623
Wait.

543
00:30:34,833 --> 00:30:35,792
You weren't?

544
00:30:38,253 --> 00:30:40,380
You may know the robot,
but I know the boy.

545
00:30:40,797 --> 00:30:43,174
What makes you think you know him
better than I do?

546
00:30:43,258 --> 00:30:44,592
Oh, I know I do.

547
00:30:45,176 --> 00:30:46,094
Will and I...

548
00:30:47,554 --> 00:30:48,638
we're the same.

549
00:30:50,056 --> 00:30:52,642
Before I got tangled up in all this...

550
00:30:55,353 --> 00:30:56,604
I used to be him.

551
00:30:58,773 --> 00:30:59,691
The question is...

552
00:31:01,234 --> 00:31:02,402
who did you used to be?

553
00:31:05,154 --> 00:31:06,072
[sighs]

554

00:31:07,031 --> 00:31:07,991
[exhales]

555
00:31:11,452 --> 00:31:12,328
Gotcha!

556
00:31:23,756 --> 00:31:25,675
Hey, send your men into the subsystem.

557
00:31:25,758 --> 00:31:27,385
The Robinsons will be down there
somewhere.

558
00:31:29,554 --> 00:31:31,514
-[indistinct chatter]
-[distant tires screeching]

559
00:31:31,598 --> 00:31:32,640
Huh, what the hell is that?

560
00:31:34,392 --> 00:31:38,104
[engine roaring]

561
00:31:38,730 --> 00:31:40,440
Someone stop that chariot!

562
00:31:43,818 --> 00:31:45,653
[sighs] I know no one saw
this coming, huh?

563
00:31:46,112 --> 00:31:48,114
[tires screeching]

564
00:31:48,823 --> 00:31:49,908
Oh, there's people!

565
00:31:49,991 --> 00:31:51,826
[Judy] Move, move, move, move, move!
Excuse me.

566
00:31:51,910 --> 00:31:53,828
Yeah, so this is seeming like

a less good idea.

567

00:31:54,579 --> 00:31:55,622
[man yelling]

568

00:31:56,372 --> 00:31:58,499
Is this hallway smaller
than it used to be?

569

00:31:59,125 --> 00:32:02,337
I think everything is smaller
when you're in a vehicle this size.

570

00:32:03,421 --> 00:32:04,255
[screams]

571

00:32:05,256 --> 00:32:08,676
-You, uh, need to thread the needle, Judy.
-I know, I know, I got it, I got it.

572

00:32:09,469 --> 00:32:12,472
[indistinct chatter over radio]

573

00:32:12,555 --> 00:32:15,475
Can someone tell me
what the hell is going on here?

574

00:32:15,558 --> 00:32:17,185
The Robinsons are making a run for it.

575

00:32:17,268 --> 00:32:21,272
We're in the middle of outer space.
Where the hell are they gonna run to?

576

00:32:23,191 --> 00:32:26,986
[engine roaring, tires screeching]

577

00:32:33,993 --> 00:32:35,828
Judy, I really wish I'd peed first.

578

00:32:36,204 --> 00:32:37,038
What?

579
00:32:38,289 --> 00:32:40,416
[Penny] Uh, Judy, the doors are closing.

580
00:32:40,500 --> 00:32:43,336
-We're not gonna make the turn.
-Relax, okay? It's physics.

581
00:32:43,419 --> 00:32:46,547
We head for the apex of the turn then
slow down before accelerating out of it.

582
00:32:46,631 --> 00:32:49,676
-No, we're not gonna make it. Turn!
-I got it, Penny! I got it!

583
00:32:53,179 --> 00:32:55,682
[coughing]

584
00:32:56,724 --> 00:32:57,684
What happened?

585
00:32:58,685 --> 00:33:00,103
We didn't make the turn.

586
00:33:01,145 --> 00:33:03,314
[breathes hard] What do we do now?

587
00:33:03,982 --> 00:33:06,192
-[exhales] We stay calm.
-[knocking from outside]

588
00:33:06,275 --> 00:33:08,277
[Hastings] It's over now, girls.
Open the door.

589
00:33:09,737 --> 00:33:11,489
-No, don't, don't.
-[panting]

590
00:33:13,825 --> 00:33:15,576
-[exhales] Hey.

-[man] Open up.

591

00:33:15,660 --> 00:33:16,577
Hey.

592

00:33:16,661 --> 00:33:17,787
It's gonna be okay.

593

00:33:18,538 --> 00:33:19,372
[door opens]

594

00:33:19,455 --> 00:33:22,625
[man] Security team,
we have the Robinsons on site. Standby.

595

00:33:24,168 --> 00:33:25,003
Step out!

596

00:33:25,086 --> 00:33:26,087
[exhales]

597

00:33:26,963 --> 00:33:30,717
-[man] Let's go. Let's go.
-Sir, the scarecrow, it's here.

598

00:33:33,886 --> 00:33:35,930
Hey, look you don't have to do this.

599

00:33:36,014 --> 00:33:37,682
You leave me no choice.

600

00:33:40,893 --> 00:33:42,061
[electricity crackling]

601

00:33:48,443 --> 00:33:49,402
What?

602

00:33:50,028 --> 00:33:51,696
-It's just an arm, sir.
-[scoffs]

603

00:33:53,031 --> 00:33:54,282
It was a shell game.

604
00:33:56,200 --> 00:33:57,577
Where the hell are they?

605
00:33:57,660 --> 00:34:00,038
[man] Alert all teams. All security teams.

606
00:34:03,958 --> 00:34:04,876
The plan worked.

607
00:34:04,959 --> 00:34:05,918
No guards.

608
00:34:13,176 --> 00:34:15,053
[automated voice] Access granted.

609
00:34:18,931 --> 00:34:19,807
Hello, Will.

610
00:34:22,018 --> 00:34:23,227
How'd you know we'd be here?

611
00:34:23,311 --> 00:34:25,188
Because it's where I would have gone.

612
00:34:25,688 --> 00:34:27,065
No place like home, right?

613
00:34:30,068 --> 00:34:31,027
This is Adler.

614
00:34:31,444 --> 00:34:32,361
I've got them.

615
00:34:32,779 --> 00:34:33,988
Jupiter 2.

616
00:34:34,072 --> 00:34:35,114
[man over radio] Standby.

617

00:34:35,198 --> 00:34:36,491
-Personnel on its way.
-Will...

618

00:34:36,574 --> 00:34:38,284
[electric whirring]

619

00:34:38,367 --> 00:34:40,161
I need you to step away from the robot.

620

00:34:41,579 --> 00:34:42,455
No.

621

00:34:46,000 --> 00:34:48,044
No, both of you, stop.

622

00:34:48,127 --> 00:34:50,004
Stop, please!

623

00:34:50,088 --> 00:34:51,881
I don't know what
you think you're doing, Will,

624

00:34:51,964 --> 00:34:53,925
but I cannot let you take away
our only hope of survival.

625

00:34:54,008 --> 00:34:55,134
I'm not!

626

00:34:55,218 --> 00:34:57,178
-Then what are you doing?
-Can't you see?

627

00:34:57,762 --> 00:34:58,763
He's dying.

628

00:34:59,597 --> 00:35:00,973
You think you can save him?

629

00:35:01,057 --> 00:35:03,017
[sighs] I've done it before.

630

00:35:04,477 --> 00:35:07,730
Look, the Resolute isn't even ready
to leave yet.

631

00:35:07,814 --> 00:35:09,941
By the time the rest of the colonists
are on board,

632

00:35:10,650 --> 00:35:11,818
we'll be back.

633

00:35:13,528 --> 00:35:15,029
You won't have to wait for us,

634

00:35:15,655 --> 00:35:18,950
-and we won't put anyone else in danger.
-Life never goes according to plan, Will.

635

00:35:19,325 --> 00:35:21,869
We both know that, all too well.

636

00:35:24,705 --> 00:35:27,458
You said you wished you and Scarecrow
could have been friends.

637

00:35:29,752 --> 00:35:31,587
Well, now's your chance to act like one.

638

00:35:32,630 --> 00:35:35,133
We have to think
beyond these machines, Will.

639

00:35:36,008 --> 00:35:38,344
We're talking about the survival
of the human race.

640

00:35:38,427 --> 00:35:39,554
What about their race?

641

00:35:39,637 --> 00:35:42,932
If you're asking me to choose between
the survival of your friend and my family,

642
00:35:43,432 --> 00:35:44,684
I choose my family...

643
00:35:46,686 --> 00:35:48,312
and I believe you'd do the same.

644
00:35:50,273 --> 00:35:52,400
I am truly sorry about this, Will.

645
00:35:53,359 --> 00:35:54,735
[electricity crackling]

646
00:35:54,819 --> 00:35:56,821
No! Stop, no!

647
00:35:56,904 --> 00:35:58,698
No! Robot!

648
00:36:00,408 --> 00:36:01,784
There's nowhere else to go.

649
00:36:03,035 --> 00:36:04,120
It ends here.

650
00:36:04,203 --> 00:36:05,371
No!

651
00:36:06,664 --> 00:36:07,957
No!

652
00:36:09,834 --> 00:36:10,751
[robotic voice] Help.

653
00:36:11,627 --> 00:36:12,628
Family.

654
00:36:20,178 --> 00:36:21,012

[grunts]

655

00:36:29,312 --> 00:36:31,522
[robotic voice] Help. Ben Adler.

656

00:36:33,691 --> 00:36:35,318
Help, Ben Adler.

657

00:36:35,902 --> 00:36:38,404
[Hastings] Ben, get your EMF device.
Use it.

658

00:36:39,113 --> 00:36:40,031
Ben!

659

00:36:41,032 --> 00:36:42,992
[robotic voice] Help, Ben Adler.

660

00:36:47,955 --> 00:36:49,248
Help me get him on board.

661

00:36:50,416 --> 00:36:52,668
[men yelling]

662

00:36:57,298 --> 00:36:58,299
[both grunting]

663

00:37:08,100 --> 00:37:09,268
Come on! Robot!

664

00:37:09,769 --> 00:37:11,896
[robotic voice] No. Will Robinson.

665

00:37:12,939 --> 00:37:14,106
I'm not leaving you.

666

00:37:14,190 --> 00:37:16,484
You have to get up.
You have to fight back!

667

00:37:16,901 --> 00:37:18,527

If we're gonna go, we go now!

668

00:37:19,403 --> 00:37:22,740
[robotic voice fading] Help. Friend.

669

00:37:22,823 --> 00:37:23,658
[grunts]

670

00:37:43,678 --> 00:37:45,680
[engines roar]

671

00:37:47,390 --> 00:37:48,599
Should we go after them?

672

00:37:49,350 --> 00:37:50,268
No.

673

00:37:51,686 --> 00:37:53,396
We have everything we need.

674

00:37:57,650 --> 00:37:59,986
Captain Kamal, this is Hastings.

675

00:38:00,444 --> 00:38:01,779
We have enough water.

676

00:38:02,238 --> 00:38:03,322
It's time to leave.

677

00:38:14,834 --> 00:38:16,085
[Maureen over radio] John, look.

678

00:38:16,168 --> 00:38:17,795
[automated voice]
Fuel level at one percent...

679

00:38:17,878 --> 00:38:19,213
[John] It's the Jupiter 2.

680

00:38:19,672 --> 00:38:21,215
Where are they going?

681
00:38:21,299 --> 00:38:24,135
-We haven't got enough fuel to find out.
-But what if there's--

682
00:38:24,218 --> 00:38:25,636
We can't be at two places at once.

683
00:38:25,720 --> 00:38:28,639
The intake valve is closing,
it's our only way back in.

684
00:38:28,723 --> 00:38:30,516
-[automated voice] Fuel at minimum.
- Hold on.

685
00:38:32,435 --> 00:38:35,688
Power shutoff in T-minus ten seconds.

686
00:38:39,233 --> 00:38:40,234
Almost...

687
00:38:40,776 --> 00:38:41,610
John.

688
00:38:43,279 --> 00:38:44,405
John!

689
00:38:45,031 --> 00:38:46,073
Almost...

690
00:38:47,491 --> 00:38:48,617
there!

691
00:38:49,744 --> 00:38:51,871
[both screaming]

692
00:39:05,343 --> 00:39:06,344
[exhales]

693
00:39:18,272 --> 00:39:20,733

[Will] What do you think is gonna happen
to Robot?

694

00:39:21,567 --> 00:39:22,651
I don't know.

695

00:39:24,195 --> 00:39:25,488
Want to go back?

696

00:39:32,078 --> 00:39:32,995
No.

697

00:39:36,374 --> 00:39:38,209
We're taking Scarecrow to the ring.

698

00:39:45,841 --> 00:39:47,343
That's what Robot wanted.

699

00:39:53,057 --> 00:39:54,350
[man] Robot is secured.

700

00:40:07,196 --> 00:40:08,739
Do we really have to do this?

701

00:40:12,827 --> 00:40:13,702
Proceed.

702

00:40:21,168 --> 00:40:23,546
[drill whirring]

703

00:40:34,974 --> 00:40:36,976
[somber music playing]
