MAIN EPISODE CAST

Toby Stephens	...	John Robinson
Molly Parker	...	Maureen Robinson
Maxwell Jenkins	...	Will Robinson
Taylor Russell	...	Judy Robinson
Mina Sundwall	...	Penny Robinson
Ignacio Serricchio	...	Don West
Parker Posey	...	June Harris / Dr. Smith
Brian Steele	...	The Robot (voice)
Sibongile Mlambo	...	Angela
AnnaMaria Demara	...	Tam Roughneck

1
00:00:06,297 --> 00:00:08,550
[alarm blaring, distant]

2
00:00:11,011 --> 00:00:12,762
[alarm continues loudly]

3
00:00:13,847 --> 00:00:15,015
[loud creaking]

4
00:00:15,098 --> 00:00:16,182
[snorts]

5
00:00:16,433 --> 00:00:18,601
[breathing heavily]

6
00:00:19,519 --> 00:00:21,396
[clucking]

7
00:00:39,039 --> 00:00:41,583
[grunts and pants]

8
00:00:42,375 --> 00:00:44,711
[groaning]

9
00:00:55,597 --> 00:00:57,265
-[ship rumbles]
-[groans]

10
00:01:00,351 --> 00:01:02,187
[panting]

11
00:01:03,271 --> 00:01:05,523
-Any chance you can get that for me?
-[clucks]

12
00:01:06,524 --> 00:01:07,734
Right.

13
00:01:10,904 --> 00:01:13,615
Tam! Tam, are you there?

14
00:01:14,449 --> 00:01:15,867
It's just me!

15
00:01:17,035 --> 00:01:18,036
Can you move?

16
00:01:18,745 --> 00:01:19,954
I'm stuck.

17
00:01:20,038 --> 00:01:22,665
It's the restraints.
Sand's jammed them up.

18
00:01:23,374 --> 00:01:24,626
[grunting]

19
00:01:24,876 --> 00:01:26,795
[panting]

20
00:01:29,464 --> 00:01:30,632
-Whoa!
-[Smith screams]

21
00:01:32,133 --> 00:01:35,553
Listen to me. I need you
to toss me your knife, okay?

22
00:01:36,137 --> 00:01:39,098
It's the only one we got.
So don't drop it.

23
00:01:39,182 --> 00:01:40,391
What happened to yours?

24
00:01:41,351 --> 00:01:42,185
I dropped it.

25
00:01:44,103 --> 00:01:45,480
Okay, I'm ready.

26
00:01:45,897 --> 00:01:48,358

-Reach for your knife. You got this.
-[whimpering]

27

00:01:48,441 --> 00:01:49,734
Come on.

28

00:01:51,820 --> 00:01:53,780
Okay. Toss it.

29

00:01:54,072 --> 00:01:54,906
[grunts]

30

00:01:55,323 --> 00:01:56,157
Yes!

31

00:01:56,741 --> 00:01:59,911
Lucky for you, I'm the person
you'd most want to be stranded with

32

00:01:59,994 --> 00:02:01,579
in an emergency situation.

33

00:02:02,163 --> 00:02:04,958
You know what I love about these ships
when they break in half?

34

00:02:06,835 --> 00:02:08,503
They spill oil everywhere.

35

00:02:16,678 --> 00:02:17,804
Oh!

36

00:02:18,388 --> 00:02:20,932
-It worked! I'm coming to get you.
-Are you okay?

37

00:02:21,850 --> 00:02:23,560
-[ship creaking]
-Come on, hurry!

38

00:02:26,479 --> 00:02:28,064
[grunting]

39
00:02:36,239 --> 00:02:37,615
-[shouts]
-Aah! Hold on!

40
00:02:44,539 --> 00:02:45,373
[Smith] Come on!

41
00:02:45,582 --> 00:02:47,083
[Don panting] Come on.

42
00:02:48,543 --> 00:02:49,752
[yelling]

43
00:02:52,505 --> 00:02:55,258
-[shuddering]
-Okay. All right. Okay.

44
00:02:56,968 --> 00:02:57,802
[Don grunts]

45
00:02:58,678 --> 00:02:59,679
-[gasps]
-Whoa!

46
00:03:00,722 --> 00:03:02,682
-Oh!
-[Smith screams and whimpers]

47
00:03:02,765 --> 00:03:04,726
Try to climb out of here without moving.

48
00:03:07,395 --> 00:03:09,522
-[panting]
-[ship creaking]

49
00:03:13,943 --> 00:03:15,236
[shouts]

50
00:03:15,320 --> 00:03:17,071
[grunting]

51

00:03:18,948 --> 00:03:20,033
[whimpers]

52

00:03:20,658 --> 00:03:23,119
[Don grunts] All right. Here.

53

00:03:25,038 --> 00:03:26,039
[Don groans] Push!

54

00:03:26,831 --> 00:03:29,500
[grunting]

55

00:03:29,584 --> 00:03:31,544
[both yelling]

56

00:03:41,638 --> 00:03:43,139
[wind whistling]

57

00:03:44,891 --> 00:03:46,768
[breath trembling]

58

00:03:52,941 --> 00:03:54,150
It's okay, Mom.

59

00:04:01,407 --> 00:04:03,660
[chuckles] I knew we weren't alone.

60

00:04:07,956 --> 00:04:09,832
It's... It's synthetic. It's...

61

00:04:12,460 --> 00:04:14,504
It's built, not born.

62

00:04:14,587 --> 00:04:16,881
We still make the history books
for first contact,

63

00:04:16,965 --> 00:04:18,883
even if it's a robot, right?

64

00:04:18,967 --> 00:04:22,345
"We"? You only get to be famous
for being related to me.

65

00:04:22,428 --> 00:04:24,180
[Maureen] Do you have a name?

66

00:04:27,350 --> 00:04:28,726
Do you know where we are?

67

00:04:29,394 --> 00:04:31,437
-He's not from here.
-How do you know?

68

00:04:31,521 --> 00:04:32,939
I saw his spaceship.

69

00:04:34,941 --> 00:04:36,025
You did?

70

00:04:36,109 --> 00:04:37,986
I think he crashed when we did.

71

00:04:39,862 --> 00:04:42,699
-How many more of you are there?
-I think he's all alone.

72

00:04:43,408 --> 00:04:45,702
Or else he wouldn't have needed me
to help him.

73

00:04:46,494 --> 00:04:47,453
You helped it?

74

00:04:47,829 --> 00:04:48,830
He was hurt.

75

00:04:52,000 --> 00:04:53,501
Now it's helping you.

76

00:05:05,054 --> 00:05:07,056
[power whirring]

77

00:05:09,350 --> 00:05:10,810
He's going down to the Jupiter.

78

00:05:12,228 --> 00:05:13,938
[Penny] I was gonna suggest it do that.

79

00:05:14,022 --> 00:05:17,025
I was just waiting for a break
in the conversation.

80

00:05:17,984 --> 00:05:20,862
Hey... how'd this happen?

81

00:05:22,280 --> 00:05:26,326
Uh, I don't know.
I guess it happened when I fell.

82

00:05:32,540 --> 00:05:34,584
[Smith and Don panting]

83

00:05:40,173 --> 00:05:42,884
-I don't suppose you have a toolbox.
-[Smith chuckles]

84

00:05:43,634 --> 00:05:46,179
'Cause you can fix this
and get us out of here?

85

00:05:46,679 --> 00:05:49,140
Yeah, I'll let you in on a trade secret.

86

00:05:49,223 --> 00:05:52,852
The answer to the question
"Can you fix this?" is always "Yes."

87

00:05:52,935 --> 00:05:54,020
Even if you can't?

88

00:05:54,103 --> 00:05:55,646
Especially if you can't.

89

00:05:55,730 --> 00:05:57,815
Then you just add
that you gotta find the right tool.

90

00:05:57,899 --> 00:06:00,318
So you're gonna bullshit
our way to safety.

91

00:06:00,401 --> 00:06:02,904
Yep. Just need to find the right tool.

92

00:06:03,780 --> 00:06:04,655
Oh.

93

00:06:07,867 --> 00:06:09,619
[clucking]

94

00:06:21,297 --> 00:06:22,507
[chuckles nervously]

95

00:06:24,717 --> 00:06:25,635
[grunts]

96

00:06:28,638 --> 00:06:29,514
Don't get sentimental.

97

00:06:29,597 --> 00:06:32,100
I'm not carrying your bag
when it gets too heavy.

98

00:06:35,603 --> 00:06:37,146
Oh, hello.

99

00:06:37,230 --> 00:06:38,564
[grunts]

100

00:06:40,274 --> 00:06:41,150
My necklace!

101

00:06:42,902 --> 00:06:44,320
It must have fallen off.

102
00:06:45,321 --> 00:06:46,405
You're welcome.

103
00:06:46,489 --> 00:06:47,949
It's not that heavy.

104
00:06:53,746 --> 00:06:54,747
Tam!

105
00:06:55,331 --> 00:06:56,457
Tam!

106
00:06:57,583 --> 00:06:59,669
Doc! Doc, get over here.

107
00:07:04,715 --> 00:07:06,425
I'm not that kind of doctor.

108
00:07:07,427 --> 00:07:08,511
Doesn't matter.

109
00:07:15,893 --> 00:07:20,440
Stealing her boots?
I thought you two were friends.

110
00:07:20,523 --> 00:07:25,027
[grunts] She would've done the same.
That's why we got along so well.

111
00:07:29,615 --> 00:07:32,785
Somebody ought to show
some basic human decency.

112
00:07:32,869 --> 00:07:34,328
Bury her if you want, Doc.

113
00:07:34,412 --> 00:07:36,831
I'm gonna try to make sure
nobody has to bury us.

00:07:41,294 --> 00:07:42,170
[Smith grunts]

115
00:07:42,753 --> 00:07:44,672
Hope someone's having a better day
than we are.

116
00:07:52,054 --> 00:07:52,889
[gasps]

117
00:08:17,121 --> 00:08:18,748
[hysterical sobs]

118
00:08:26,297 --> 00:08:28,758
I wish Dad would hurry up
so we can get down there.

119
00:08:29,592 --> 00:08:31,427
It's not so bad up here.

120
00:08:31,511 --> 00:08:33,554
-[howling in the distance]
-[both gasp]

121
00:08:37,475 --> 00:08:39,977
Let's agree that was just wind.

122
00:08:45,358 --> 00:08:48,569
[automated voice]
Main deck water level reduced to 1%.

123
00:08:54,742 --> 00:08:57,620
Lower deck water level reduced to 60%.

124
00:09:11,634 --> 00:09:14,387
Oh, come on, you stupid thing.

125
00:09:15,555 --> 00:09:16,681
[sighs]

126
00:09:16,764 --> 00:09:18,307
[heavy footsteps]

127
00:09:21,519 --> 00:09:24,605
[automated voice]
Main deck water level reduced to 1%.

128
00:09:49,171 --> 00:09:50,715
What the hell are you?

129
00:09:59,724 --> 00:10:00,558
[Smith sighs]

130
00:10:01,684 --> 00:10:05,229
-Maybe we should shoot off another flare.
-We already wasted one.

131
00:10:07,732 --> 00:10:11,235
There's no one out there. [sighs]

132
00:10:17,700 --> 00:10:18,993
Wait!

133
00:10:20,119 --> 00:10:23,581
-Looks like someone ejected.
-Maybe they can help us.

134
00:10:24,165 --> 00:10:25,166
Let's ask.

135
00:10:31,213 --> 00:10:32,465
Put those on.

136
00:10:33,382 --> 00:10:34,717
I'm not wearing those.

137
00:10:38,596 --> 00:10:41,140
This sand... is sharp as diamonds.

138
00:10:41,891 --> 00:10:43,267
Might even be diamonds.

139
00:10:44,977 --> 00:10:46,562

It's gonna tear through your soles.

140

00:10:47,730 --> 00:10:48,773
[sighs]

141

00:10:50,191 --> 00:10:51,108
Thanks.

142

00:10:56,280 --> 00:10:58,074
-What?
-You remind me of someone.

143

00:10:58,574 --> 00:10:59,617
Best lover you ever had?

144

00:11:02,244 --> 00:11:03,245
My brother.

145

00:11:05,706 --> 00:11:06,749
[sighs]

146

00:11:06,832 --> 00:11:09,418
Just don't want you slowing me down.
You ready?

147

00:11:10,836 --> 00:11:12,254
Lead the way.

148

00:11:18,511 --> 00:11:20,638
[sighs] Oh, God.

149

00:11:20,721 --> 00:11:23,182
-All right, all right. Stop staring at me.
-[clucking]

150

00:11:23,265 --> 00:11:25,893
Let's go. No chicken left behind.

151

00:11:28,938 --> 00:11:31,190
If we find a cow, you carry it.

152

00:11:44,328 --> 00:11:46,038
[panel beeping]

153
00:11:54,255 --> 00:11:56,507
I'm gonna go get the leg brace
from the printer.

154
00:11:56,590 --> 00:11:57,967
It's okay to lie down, you know.

155
00:11:59,510 --> 00:12:01,220
No, I'm fine.

156
00:12:05,683 --> 00:12:08,561
[Maureen over intercom] Penny, how are
we coming along with those filters?

157
00:12:11,397 --> 00:12:13,482
The starboard side's almost finished.

158
00:12:14,024 --> 00:12:15,776
Pick up the pace, please.

159
00:12:18,028 --> 00:12:20,364
[steam hissing nearby]

160
00:12:33,961 --> 00:12:35,337
Your robot's creepy.

161
00:12:36,338 --> 00:12:37,548
You'll get used to him.

162
00:12:40,217 --> 00:12:42,720
-How long is it staying?
-[John over intercom] Penny, go up top.

163
00:12:42,803 --> 00:12:46,140
The hose is freezing over again.
You can finish the filters later.

164
00:12:48,517 --> 00:12:49,727
Okay, Dad.

165
00:12:51,520 --> 00:12:53,647
[dings, beeping]

166
00:13:09,580 --> 00:13:12,249
-Oh, hey.
-Hey.

167
00:13:12,333 --> 00:13:14,877
Uh, I heard it ding.

168
00:13:14,960 --> 00:13:16,086
Thanks.

169
00:13:16,754 --> 00:13:18,214
You had a tough day.

170
00:13:19,673 --> 00:13:20,591
How you holding up?

171
00:13:21,926 --> 00:13:24,136
Yeah, I'm... I'm good.

172
00:13:24,720 --> 00:13:27,223
Yeah? Okay.

173
00:13:32,770 --> 00:13:34,104
[steam hissing]

174
00:13:38,901 --> 00:13:39,818
Hey.

175
00:13:44,448 --> 00:13:47,576
I... just...

176
00:13:48,744 --> 00:13:51,080
I just wanted to say, um...

177
00:14:01,590 --> 00:14:02,633
thank you.

178
00:14:23,946 --> 00:14:25,489
[Judy] You have to lift a little bit.

179
00:14:28,742 --> 00:14:30,703
[mechanical clicking]

180
00:14:31,871 --> 00:14:33,414
[sighs] Okay.

181
00:14:33,789 --> 00:14:36,500
This will do most of the work
until your leg's healed.

182
00:14:38,961 --> 00:14:40,129
Let's try it out.

183
00:14:48,679 --> 00:14:49,680
[laughs]

184
00:14:52,474 --> 00:14:54,101
Fantastic!

185
00:14:54,685 --> 00:14:56,186
What is that... [sniffs]

186
00:14:56,270 --> 00:14:58,731
Penny, why haven't you
finished the filters?

187
00:14:58,814 --> 00:15:00,316
I can still smell ozone.

188
00:15:00,399 --> 00:15:03,527
-Dad said I should be cleaning--
-I'd like to breathe.

189
00:15:13,662 --> 00:15:15,956
[John over intercom]
Penny, we're gonna burn out the motor.

190
00:15:18,459 --> 00:15:21,337

But Mom said that I should
fix the filters right now.

191

00:15:21,754 --> 00:15:22,838
It can wait.

192

00:15:32,097 --> 00:15:33,849
[rumbling]

193

00:15:41,565 --> 00:15:44,944
Mom, Dad, you might wanna come
take a look at this.

194

00:15:48,739 --> 00:15:50,824
[Maureen] Hey.
So that explosion Penny saw

195

00:15:50,908 --> 00:15:53,369
was definitely a reserve tank
of another Jupiter.

196

00:15:54,161 --> 00:15:55,496
Let's hope there are survivors.

197

00:15:56,372 --> 00:15:57,289
Are you coming?

198

00:15:58,916 --> 00:15:59,833
Are you coming?

199

00:16:00,501 --> 00:16:02,211
The girls did excellent work.

200

00:16:04,713 --> 00:16:06,966
Listen, I think it's important

201

00:16:07,758 --> 00:16:10,636
that they all hear us speaking
with one voice.

202

00:16:11,428 --> 00:16:13,889
-Couldn't agree more.

-That voice is mine.

203

00:16:14,473 --> 00:16:15,557
[sighs]

204

00:16:16,475 --> 00:16:17,559
Great.

205

00:16:34,410 --> 00:16:35,494
It's been a while.

206

00:16:38,288 --> 00:16:39,164
Yeah.

207

00:16:39,832 --> 00:16:41,333
We're gonna look for survivors.

208

00:16:41,625 --> 00:16:43,419
Get your gear. You're coming along.

209

00:16:44,753 --> 00:16:45,713
Does Mom know?

210

00:16:46,797 --> 00:16:48,465
Just get your gear.

211

00:16:53,637 --> 00:16:57,224
Girls, while your dad and I are gone,
you're gonna help free the Jupiter.

212

00:16:57,891 --> 00:17:01,687
If we don't work our way out gently,
we could make the ice unstable.

213

00:17:02,146 --> 00:17:04,773
Worst case scenario,
the ice could crush our ship.

214

00:17:04,857 --> 00:17:05,691
Understood.

215

00:17:05,774 --> 00:17:07,943
So, we'll use the maneuvering rockets,

216
00:17:08,027 --> 00:17:11,405
melt the ice to water,
and just float up inch by inch.

217
00:17:11,697 --> 00:17:12,781
Okay.

218
00:17:12,865 --> 00:17:15,784
20% power, ten minute intervals,
ten second burn.

219
00:17:16,201 --> 00:17:17,745
Twenty, ten, ten.

220
00:17:17,828 --> 00:17:20,956
By this time tomorrow,
our ship should be clear.

221
00:17:21,999 --> 00:17:23,459
And then what?

222
00:17:23,542 --> 00:17:25,252
Feet off the console.

223
00:17:40,267 --> 00:17:41,268
[typing]

224
00:17:46,190 --> 00:17:49,693
"The print model you've requested
does not meet colony safety protocol.

225
00:17:50,069 --> 00:17:54,698
For assistance, dial 874628 to speak
with your district representative."

226
00:17:56,575 --> 00:17:59,119
Yeah, well,
I'm not at the colony, asshole.

227

00:18:01,538 --> 00:18:03,957
[Penny] I was hoping you'd
left this thing back on Earth.

228

00:18:04,416 --> 00:18:06,794
Leave my lucky whiteboard? [scoffs]

229

00:18:07,711 --> 00:18:09,797
Okay, see if you can finish these
while we're gone.

230

00:18:20,682 --> 00:18:25,270
[Will] So, if the sun rises in the east
and sets to the west...

231

00:18:25,896 --> 00:18:28,732
-[Will continues speaking indistinctly]
-[Maureen grunts]

232

00:18:37,407 --> 00:18:40,452
I don't wanna let it out of my sight.
And you don't get one without the other.

233

00:18:41,620 --> 00:18:44,289
You see, this is one of the things
we might have discussed.

234

00:18:44,748 --> 00:18:45,874
We can discuss it.

235

00:18:47,709 --> 00:18:51,713
No. It's fine. I'm not worried about Will.

236

00:18:53,549 --> 00:18:55,759
-Since when?
-[Will] The Jupiter's here...

237

00:18:58,137 --> 00:18:59,471
You trust that thing?

238

00:19:01,431 --> 00:19:06,228
It brought Will back safe,
saved Judy from suffocating under the ice.

239

00:19:06,311 --> 00:19:08,522
It's the kind of behavior
that builds trust.

240

00:19:09,481 --> 00:19:10,357
Come on!

241

00:19:11,900 --> 00:19:14,069
Come on. Let's go.

242

00:19:37,926 --> 00:19:39,261
[sighs]

243

00:19:41,138 --> 00:19:43,098
[Smith panting]

244

00:19:46,727 --> 00:19:48,770
Just what kind of doctor are you, anyway?

245

00:19:52,941 --> 00:19:55,319
-I'm a psychologist.
-[laughs]

246

00:19:55,402 --> 00:19:57,738
I can't believe people
pay people for that.

247

00:19:58,113 --> 00:20:01,909
Actually, they do. A lot.

248

00:20:02,868 --> 00:20:04,578
[Don]
All you have to do is look at a person

249

00:20:04,661 --> 00:20:07,289
to know what their deal is
within five minutes of meeting them.

250

00:20:07,748 --> 00:20:09,124
You think it's that easy?

251

00:20:11,210 --> 00:20:12,920
Like you, for example.

252

00:20:13,587 --> 00:20:16,048
Take that necklace.
That's a Saint Christopher medal.

253

00:20:16,131 --> 00:20:18,217
He's supposed to watch over you,
keep you safe.

254

00:20:18,967 --> 00:20:22,679
Personally, I look out for myself.
And I've never met no saint.

255

00:20:22,763 --> 00:20:25,224
But you, you're not so different.

256

00:20:25,641 --> 00:20:26,892
You're a Ph.D. or something,

257

00:20:26,975 --> 00:20:29,269
which makes me think
you don't believe in that junk either.

258

00:20:29,895 --> 00:20:31,104
Why do you wear it?

259

00:20:31,563 --> 00:20:32,940
Must be another reason.

260

00:20:33,941 --> 00:20:37,402
Perhaps it has something to do
with that brother I remind you of.

261

00:20:39,529 --> 00:20:40,906
It's none of your business.

262

00:20:42,366 --> 00:20:44,159
So it is your brother.

263

00:20:44,243 --> 00:20:46,036
See, that wasn't that hard.

264
00:20:46,411 --> 00:20:49,498
And hey, I'll charge you half
of what you'd charge me.

265
00:20:50,332 --> 00:20:52,668
-[chicken clucking]
-I know.

266
00:21:04,471 --> 00:21:05,389
[grunts]

267
00:21:07,849 --> 00:21:10,477
I didn't think we'd be the ones
rescuing people.

268
00:21:11,937 --> 00:21:13,021
We're not.

269
00:21:13,605 --> 00:21:17,818
All due respect, Angela,
this is nothing personal.

270
00:21:19,611 --> 00:21:20,570
[grunts]

271
00:21:22,489 --> 00:21:24,825
-[groans]
-Oh! What the...

272
00:21:25,367 --> 00:21:26,868
You didn't check her pulse?

273
00:21:27,286 --> 00:21:29,204
Hey, you're not a real doctor either.

274
00:21:32,416 --> 00:21:33,709
So now what?

275
00:21:43,343 --> 00:21:44,886

[timer beeps]

276

00:21:51,101 --> 00:21:53,395
[console beeping]

277

00:21:53,478 --> 00:21:55,147
[rumbling]

278

00:22:04,489 --> 00:22:07,951
[plastic crinkling]

279

00:22:10,996 --> 00:22:12,873
-[sighs]
-[crinkling continues]

280

00:22:14,708 --> 00:22:16,710
-What is that?
-I know, right?

281

00:22:17,127 --> 00:22:20,172
So familiar, but what is it?
It's on the tip of your tongue.

282

00:22:20,255 --> 00:22:21,673
I'm not playing this, Penny.

283

00:22:21,757 --> 00:22:24,593
I'm sorry, Jude.
That's just the way the cookie crumbles.

284

00:22:26,928 --> 00:22:32,225
"That's just the way the cookie crumbles."
I could not have made it more obvious.

285

00:22:33,143 --> 00:22:34,478
Where did you get those?

286

00:22:34,561 --> 00:22:38,857
So, you are interested in the only Oreos
in a hundred trillion miles?

287

00:22:38,940 --> 00:22:42,736

You spent 14.3 ounces of your personal weight allocation on that?

288

00:22:42,819 --> 00:22:44,696

No. Mom did.

289

00:22:44,780 --> 00:22:46,406

It's the last item on her checklist.

290

00:22:46,490 --> 00:22:49,659

"Retrieve the blue object from locker 24A."

291

00:22:49,743 --> 00:22:52,412

It was this or another pack of air filters. I made the call.

292

00:22:52,496 --> 00:22:53,580

What are you doing?

293

00:22:53,872 --> 00:22:56,875

Having it be the last item on the list indicates it's a reward for finishing.

294

00:22:56,958 --> 00:23:00,212

-No, you have to wait for everyone.

-I'm going in.

295

00:23:01,755 --> 00:23:02,923

[sighs] Sure.

296

00:23:03,006 --> 00:23:04,716

[beeping]

297

00:23:06,134 --> 00:23:07,552

Pump's clogged again.

298

00:23:09,888 --> 00:23:11,223

Can we trade off?

299

00:23:23,193 --> 00:23:24,903

[John] This was the Jupiter 17.

300

00:23:25,320 --> 00:23:28,240
-[Will] Did you know anyone on it?
-[Maureen] No, honey.

301

00:23:30,534 --> 00:23:31,910
That could have been us.

302

00:23:35,497 --> 00:23:36,998
Well, it wasn't.

303

00:23:42,796 --> 00:23:45,257
[thunder rumbling in the distance]

304

00:23:54,307 --> 00:23:58,353
Aah, I swear to God, every time
I come up here it's something worse.

305

00:24:01,940 --> 00:24:04,943
Mom, Dad, come in.
Do you read me? Over.

306

00:24:05,444 --> 00:24:06,820
They're out of range.

307

00:24:07,821 --> 00:24:11,408
In the valley, they're not gonna
see that storm until it's directly above.

308

00:24:12,576 --> 00:24:13,535
[typing]

309

00:24:14,119 --> 00:24:16,371
-We have to do something.
-Think it through.

310

00:24:16,454 --> 00:24:18,665
What pace would we need to maintain
to hike down to them

311

00:24:18,748 --> 00:24:21,710
-and get back here in time?

-Why walk when we have a Chariot?

312

00:24:21,793 --> 00:24:23,587
It's in the garage,
buried under a ton of ice.

313

00:24:23,670 --> 00:24:25,839
-We have to get it out!
-How?

314

00:24:26,381 --> 00:24:28,800
I was specifically told
to go easy on the engines

315

00:24:28,884 --> 00:24:31,344
so the ice wouldn't become unstable
and crush our ship!

316

00:24:31,428 --> 00:24:35,140
-Mom, Dad, and Will--
-Can take care of themselves.

317

00:24:35,682 --> 00:24:37,517
Now stop panicking.

318

00:24:37,976 --> 00:24:39,853
[Judy sighs, resumes typing]

319

00:24:50,155 --> 00:24:51,448
[typing continues]

320

00:24:57,329 --> 00:24:58,830
Penny!

321

00:25:09,925 --> 00:25:12,135
[engines powering down]

322

00:25:15,055 --> 00:25:17,015
-[console beeping]
-[panting]

323

00:25:19,017 --> 00:25:23,146

-Have you lost your mind?
-Somebody had to do something.

324
00:25:38,161 --> 00:25:38,995
See?

325
00:25:46,795 --> 00:25:48,713
Come on. You don't even have your license.

326
00:25:48,797 --> 00:25:50,549
That's why you're gonna drive.

327
00:25:58,014 --> 00:25:58,974
[Penny sighs]

328
00:26:02,769 --> 00:26:04,854
You've got to be kidding me.

329
00:26:06,273 --> 00:26:07,190
Let it go, Penny.

330
00:26:14,364 --> 00:26:17,576
[into radio] This is Maureen Robinson
from the Jupiter 2.

331
00:26:17,659 --> 00:26:20,662
We're at the crash site of the Jupiter 17.

332
00:26:21,121 --> 00:26:22,872
We've found no survivors.

333
00:26:23,498 --> 00:26:26,960
If there are any other search parties
in the area, please respond.

334
00:26:27,043 --> 00:26:28,712
[radio static]

335
00:26:29,754 --> 00:26:31,631
-No luck?
-No.

336

00:26:32,799 --> 00:26:35,760

-This is Maureen--

-[screeching over radio]

337

00:26:40,515 --> 00:26:41,516

You heard that before?

338

00:26:43,560 --> 00:26:44,394

Yeah.

339

00:26:45,020 --> 00:26:48,440

It was coming from the crashed ship.

His crashed ship.

340

00:26:50,358 --> 00:26:52,861

-It must be somewhere close.

-It's a long walk back.

341

00:26:53,903 --> 00:26:55,905

Ask if it knows where its ship is.

342

00:26:59,993 --> 00:27:01,619

Do you know where your spaceship is?

343

00:27:05,373 --> 00:27:08,376

I don't think he remembers anything
from before.

344

00:27:08,460 --> 00:27:09,461

Before what?

345

00:27:10,378 --> 00:27:13,548

Before he got hurt.

I told you, he got hurt.

346

00:27:13,631 --> 00:27:14,966

But it remembers you.

347

00:27:15,050 --> 00:27:17,052

So it must remember where it met you.

348

00:27:17,802 --> 00:27:19,262
Let's not push our luck.

349
00:27:19,346 --> 00:27:21,056
There's so much we don't know yet.

350
00:27:21,139 --> 00:27:23,475
We need to take this opportunity
to find out.

351
00:27:23,558 --> 00:27:25,935
When you don't know,
that's when you go home.

352
00:27:27,437 --> 00:27:29,439
We're heading back to the Jupiter.
Come on.

353
00:27:29,522 --> 00:27:31,441
Will, since when do you not do what I ask?

354
00:27:40,659 --> 00:27:42,285
Can you take us to where we met?

355
00:27:47,832 --> 00:27:49,084
Oh, great.

356
00:27:49,167 --> 00:27:50,460
Sorry.

357
00:27:52,670 --> 00:27:54,381
You know you want to go as much as I do.

358
00:27:54,756 --> 00:27:57,258
Not with an 11-year-old kid
and a gimpy wife.

359
00:27:57,342 --> 00:27:58,635
[scoffs] I'm not!

360
00:27:58,718 --> 00:27:59,886
What? Gimpy?

361

00:28:00,345 --> 00:28:02,055

-[sighs]

-Or my wife?

362

00:28:10,688 --> 00:28:13,233

That's probably the Jupiter
where she ejected from.

363

00:28:13,316 --> 00:28:15,777

Maybe there's someone there
who's a little more conscious.

364

00:28:21,991 --> 00:28:23,827

[thunder rumbling]

365

00:28:27,205 --> 00:28:28,540

[Don] We gotta move.

366

00:28:32,419 --> 00:28:33,878

What do you think she weighs?

367

00:28:34,379 --> 00:28:37,090

No, there's no way I can carry her.
She'll just slow us down.

368

00:28:38,133 --> 00:28:41,970

That's it. That's what we're doing.
We leave her.

369

00:28:43,722 --> 00:28:45,432

-Are you sure?

-We have no choice.

370

00:28:46,641 --> 00:28:48,268

[Smith] I suppose you're right.

371

00:28:52,272 --> 00:28:53,231

Oh, hell.

372

00:28:53,314 --> 00:28:55,275

-[chicken clucking]

-[grunts]

373

00:28:55,358 --> 00:28:56,359
[Don grunts]

374

00:29:02,365 --> 00:29:03,366
I'm no humanitarian.

375

00:29:03,450 --> 00:29:05,326
Yeah. Sure.

376

00:29:05,410 --> 00:29:06,619
Think whatever you want.

377

00:29:07,036 --> 00:29:09,789
You know what the bonus is
for a guy like me for saving you two?

378

00:29:09,873 --> 00:29:11,207
A house in Malibu.

379

00:29:11,291 --> 00:29:14,252
Weather's not what it used to be,
but the margaritas are just as good.

380

00:29:15,587 --> 00:29:17,505
Who's gonna pay you out here?

381

00:29:20,091 --> 00:29:24,679
You put on a good show
of being completely self-interested,

382

00:29:26,014 --> 00:29:27,974
but I know you're a good person.

383

00:29:29,934 --> 00:29:31,603
Look how you saved this chicken.

384

00:29:32,312 --> 00:29:34,856
Ask the chicken if I'm a good guy
come dinnertime.

385
00:29:49,162 --> 00:29:50,955
[whirring, clicking]

386
00:29:54,667 --> 00:29:57,003
[Penny] Judy? The Chariot's ready.
Let's go.

387
00:29:57,796 --> 00:29:59,005
[whimpering]

388
00:30:11,100 --> 00:30:12,185
[sniffles]

389
00:30:30,912 --> 00:30:32,038
[sighs]

390
00:30:56,479 --> 00:30:58,356
-[alarm beeping]
-[door whirring]

391
00:30:58,439 --> 00:31:01,067
-[beeping, whirring continue in distance]
-[sniffles]

392
00:31:01,442 --> 00:31:03,278
-[whirring stops]
-Penny?

393
00:31:11,411 --> 00:31:12,287
Penny!

394
00:31:15,456 --> 00:31:16,833
[tires screech]

395
00:31:17,500 --> 00:31:18,751
[Judy] Penny!

396
00:31:32,473 --> 00:31:33,975
This is really not too bad.

397
00:31:41,316 --> 00:31:42,609

[grunts]

398

00:31:50,450 --> 00:31:53,536
[thunder rumbling]

399

00:31:54,871 --> 00:31:56,039
No.

400

00:32:03,755 --> 00:32:06,382
Mom? Dad? Are you there?

401

00:32:08,092 --> 00:32:09,761
Uh, yeah, this is your daughter.

402

00:32:09,844 --> 00:32:13,389
The one who really doesn't want to
drive the Chariot off a cliff right now.

403

00:32:13,473 --> 00:32:15,850
So if you're there, please come in.

404

00:32:15,934 --> 00:32:16,851
[radio static]

405

00:32:30,698 --> 00:32:31,824
[sighs]

406

00:32:41,584 --> 00:32:44,003
-[button beeps]
-[automated voice] Engaging winter mode.

407

00:32:46,005 --> 00:32:50,176
Okay. Okay. Uh-huh. Uh-huh.

408

00:32:51,427 --> 00:32:54,347
Mm-hmm. Just like bumper cars.

409

00:32:55,682 --> 00:32:57,392
Where everybody dies.

410

00:33:09,195 --> 00:33:10,905

[panting]

411

00:33:13,741 --> 00:33:15,451
Maybe it's time for a flare.

412

00:33:31,718 --> 00:33:32,885
[Don sighs]

413

00:33:34,012 --> 00:33:36,055
[Smith] What if we're the only survivors?

414

00:33:37,849 --> 00:33:39,142
There must be someone out there.

415

00:33:39,809 --> 00:33:42,311
-We only have one flare left.
-[Don exhales heavily]

416

00:33:43,187 --> 00:33:44,230
[Smith sighs]

417

00:33:50,570 --> 00:33:52,030
I can fix that for you.

418

00:33:55,450 --> 00:33:56,743
No, thanks.

419

00:33:58,578 --> 00:34:01,748
Your brother give it to you?
The one I remind you of?

420

00:34:04,083 --> 00:34:05,710
I put two and two together.

421

00:34:12,258 --> 00:34:13,593
It reminds me of him.

422

00:34:14,886 --> 00:34:17,722
It must have been hard
leaving him back on Earth.

423

00:34:18,848 --> 00:34:20,224
He left first.

424
00:34:21,601 --> 00:34:22,560
Car wreck.

425
00:34:24,353 --> 00:34:25,646
Sorry.

426
00:34:27,565 --> 00:34:28,691
Should have bought two.

427
00:34:28,775 --> 00:34:29,859
[thunder rumbling]

428
00:34:30,902 --> 00:34:32,236
Storm's getting closer.

429
00:34:33,404 --> 00:34:35,156
How far can you get with her?

430
00:34:43,581 --> 00:34:44,749
[John grunts]

431
00:34:52,548 --> 00:34:53,591
[chuckles]

432
00:34:55,885 --> 00:34:58,429
In a day of firsts, this wins.

433
00:35:51,858 --> 00:35:54,277
[Maureen echoing] Will, stay outside.

434
00:35:59,282 --> 00:36:00,533
[John] What the...

435
00:36:04,203 --> 00:36:05,371
[gasps]

436
00:36:38,779 --> 00:36:39,947
You're hovering.

437

00:36:48,873 --> 00:36:50,875
Tough seed to survive that fire.

438

00:36:53,794 --> 00:36:55,504
I'm gonna add it to my collection.

439

00:37:00,468 --> 00:37:01,761
How'd that get in there?

440

00:37:08,226 --> 00:37:09,352
Catch.

441

00:37:17,526 --> 00:37:18,361
Here.

442

00:37:18,945 --> 00:37:20,905
Open your hand. Hold on to it.

443

00:37:25,826 --> 00:37:27,119
Throw it back.

444

00:37:31,582 --> 00:37:32,541
Gently.

445

00:37:37,755 --> 00:37:38,714
Nice.

446

00:37:42,969 --> 00:37:46,305
This isn't weird. This isn't weird at all.

447

00:37:47,848 --> 00:37:49,016
[Will] Nice throw.

448

00:37:50,226 --> 00:37:51,227
Yeah!

449

00:38:01,404 --> 00:38:03,364
I always wanted him to come back.

450

00:38:07,076 --> 00:38:09,954
But... now that he's here...

451
00:38:14,834 --> 00:38:16,711
You probably don't know what a dad is.

452
00:38:35,146 --> 00:38:36,731
-[John] Oh!
-[Maureen] John?

453
00:38:38,482 --> 00:38:39,942
Did you touch something?

454
00:38:40,026 --> 00:38:42,653
-No. Did you?
-No.

455
00:39:08,888 --> 00:39:10,264
That's where we are.

456
00:39:21,734 --> 00:39:23,152
It's a map.

457
00:39:23,235 --> 00:39:25,112
[John] Good. We need one.

458
00:39:34,789 --> 00:39:35,831
[John gasps]

459
00:39:45,800 --> 00:39:48,135
I thought the Milky Way
looked different from this.

460
00:39:49,470 --> 00:39:50,596
It does.

461
00:39:52,932 --> 00:39:54,433
So what galaxy is this?

462
00:39:56,519 --> 00:39:58,771
-Do you want to give it a name?
-[scoffs]

463

00:40:05,152 --> 00:40:07,113

[John]

How the hell did The Resolute get us here?

464

00:40:08,197 --> 00:40:11,617

It's impossible,
according to every law of physics.

465

00:40:11,700 --> 00:40:12,660

Uh-huh.

466

00:40:14,829 --> 00:40:16,664

Maybe someone wrote some new ones.

467

00:40:21,210 --> 00:40:23,170

[people screaming]

468

00:40:28,592 --> 00:40:30,845

[gasping and panting]

469

00:40:42,356 --> 00:40:44,692

[whispers] No. No. [sniffling]

470

00:40:48,946 --> 00:40:50,906

[panting]

471

00:40:56,328 --> 00:40:58,539

[heavy pursuing footsteps]

472

00:41:07,339 --> 00:41:09,341

[panting]

473

00:41:13,971 --> 00:41:14,930

Was that you?

474

00:41:17,558 --> 00:41:19,310

Why did you attack us?

475

00:41:20,895 --> 00:41:22,229

Tell me!

476
00:41:26,942 --> 00:41:28,277
You really don't remember?

477
00:41:33,991 --> 00:41:38,287
But you're not like that anymore.
You're not... You're not like that.

478
00:41:39,955 --> 00:41:40,789
Are you?

479
00:41:50,090 --> 00:41:51,509
Raise your left hand.

480
00:41:57,681 --> 00:41:59,850
Now... Now raise your right.

481
00:42:07,858 --> 00:42:09,193
Turn around.

482
00:42:19,703 --> 00:42:20,829
Walk forward.

483
00:42:22,873 --> 00:42:23,958
No. Wait!

484
00:42:25,751 --> 00:42:27,127
Come back.

485
00:43:02,079 --> 00:43:04,748
[grunting and panting]

486
00:43:04,832 --> 00:43:08,627
Come on, hurry up. Get in. Get in.

487
00:43:14,842 --> 00:43:15,926
[gasping]

488
00:43:23,392 --> 00:43:24,518
My necklace.

489
00:43:25,394 --> 00:43:28,397
I had it a minute ago.
It must've fallen off.

490
00:43:30,399 --> 00:43:31,483
[groans]

491
00:43:46,457 --> 00:43:47,291
Here.

492
00:43:49,752 --> 00:43:51,253
You should let me fix that for you.

493
00:43:54,173 --> 00:43:55,591
Fix it while I'm gone.

494
00:43:57,635 --> 00:43:58,510
Gone?

495
00:43:59,219 --> 00:44:03,265
I know you won't leave her,
because you're a good man.

496
00:44:03,349 --> 00:44:04,683
Even if you wish you weren't.

497
00:44:06,560 --> 00:44:09,229
But someone has to go out there
and bring back help.

498
00:44:11,440 --> 00:44:12,524
Are you sure about this?

499
00:44:13,692 --> 00:44:17,488
You have one flare left.
You'll know when to use it.

500
00:44:18,489 --> 00:44:19,948
That's how I'll find you.

501
00:44:21,825 --> 00:44:22,993

See you soon.

502

00:44:33,879 --> 00:44:36,340
If you die now, I'll be pissed.

503

00:44:43,138 --> 00:44:45,307
-[John] Will?
-[Maureen] Will?

504

00:44:45,808 --> 00:44:46,850
[John] Will!

505

00:44:47,810 --> 00:44:48,852
[Maureen] Where are you?

506

00:44:48,936 --> 00:44:49,895
I'm here.

507

00:44:50,479 --> 00:44:52,231
-You okay?
-Hey.

508

00:44:52,564 --> 00:44:54,817
-Why did you run off?
-I didn't run off.

509

00:44:58,195 --> 00:44:59,780
We were just exploring.

510

00:45:01,448 --> 00:45:05,744
Yeah, well...
that's enough exploring for today.

511

00:45:07,663 --> 00:45:08,705
Come on.

512

00:45:22,511 --> 00:45:26,098
Mom... Mom, Dad, Will, do you hear me?
Anybody? Over.

513

00:45:34,356 --> 00:45:37,693
[thunder rumbling]

514
00:45:51,498 --> 00:45:52,666
Cool.

515
00:45:52,750 --> 00:45:55,961
-[thunder rumbles]
-[projectiles passing through leaves]

516
00:46:03,469 --> 00:46:06,555
-What is that? Will, come here.
-We need to get cover. Come on!

517
00:46:06,638 --> 00:46:07,848
Quick! Quick! Come on!

518
00:46:07,931 --> 00:46:09,641
[Will grunting]

519
00:46:13,562 --> 00:46:14,396
[John] Come on.

520
00:46:14,897 --> 00:46:15,731
[Maureen] Go. Go.

521
00:46:16,440 --> 00:46:18,275
[all panting]

522
00:46:25,908 --> 00:46:27,993
[screams and groans]

523
00:46:28,660 --> 00:46:29,495
Damn.

524
00:46:39,463 --> 00:46:42,007
[Penny, signal distorted]
Mom-- Where are you?

525
00:46:42,090 --> 00:46:43,926
-Do you hear me?
-Penny?

526

00:46:44,259 --> 00:46:45,511
-Mom?
-Penny!

527
00:46:45,594 --> 00:46:47,554
-I'm in the Chariot. Coming to get you.
-What?

528
00:46:47,638 --> 00:46:49,515
-[stammers] How did you--
-We will discuss this

529
00:46:49,598 --> 00:46:51,642
when you are also in the Chariot.

530
00:46:52,601 --> 00:46:55,437
I can't track you because of the storm.
Where are you?

531
00:46:55,521 --> 00:46:56,355
Uh...

532
00:46:56,438 --> 00:46:58,440
-We're... We're, uh...
-[robot powering up]

533
00:47:01,860 --> 00:47:03,028
Look for the light.

534
00:47:03,779 --> 00:47:04,821
The light?

535
00:47:05,614 --> 00:47:08,367
Here. Put them on.

536
00:47:20,796 --> 00:47:22,256
I see it. I see it. I'm coming!

537
00:47:27,469 --> 00:47:29,346
Oh, that light.

538
00:47:31,098 --> 00:47:34,184

-Look.
-Go! Go, go, go! Go!

539
00:47:35,727 --> 00:47:36,728
Come on!

540
00:47:37,563 --> 00:47:38,522
[Will] Penny!

541
00:47:41,108 --> 00:47:42,526
Not the daughter you expected?

542
00:47:43,026 --> 00:47:44,736
-Please drive.
-[John] Move over.

543
00:47:46,572 --> 00:47:47,531
I don't think he'll fit.

544
00:47:49,241 --> 00:47:51,410
-Tell him to hold on tight.
-Hold on to the back!

545
00:47:55,747 --> 00:47:58,584
-Put your seat belts on.
-Let's go.

546
00:48:08,427 --> 00:48:11,138
[pants and laughs]

547
00:48:16,184 --> 00:48:17,561
[panting]

548
00:48:19,813 --> 00:48:22,441
Excellent. You finished the list.

549
00:48:23,692 --> 00:48:24,985
[laughs]

550
00:48:30,073 --> 00:48:31,950
[panting]

551

00:48:33,327 --> 00:48:36,330
Listen, I should have, uh,
been more receptive to you.

552

00:48:36,997 --> 00:48:38,915
You have the experience,
the training, and I...

553

00:48:41,001 --> 00:48:42,252
I was wrong.

554

00:48:44,546 --> 00:48:46,048
I'm glad you were here today.

555

00:48:47,674 --> 00:48:49,051
What about tomorrow?

556

00:48:50,218 --> 00:48:51,970
We'll talk about it tomorrow.

557

00:48:54,598 --> 00:48:56,808
So which one of you
do I need to listen to?

558

00:48:59,978 --> 00:49:02,773
[wind whistling]

559

00:49:20,999 --> 00:49:23,460
Angela! That's our ride!

560

00:49:28,215 --> 00:49:31,802
It's the last flare we got.
Give it a peck for good luck.

561

00:49:38,183 --> 00:49:40,102
Dad. Dad, look.

562

00:49:40,727 --> 00:49:41,770
There's someone out there.

563

00:49:45,941 --> 00:49:46,858

We can make it.

564

00:49:47,734 --> 00:49:49,069

-Wha--

-Don't do the math.

565

00:49:52,781 --> 00:49:54,449

[thunder rumbling]

566

00:49:56,493 --> 00:49:57,661

[Penny] Just to be clear,

567

00:49:57,744 --> 00:50:01,164

we just got out of the storm
and now you wanna go back in?

568

00:50:07,879 --> 00:50:09,673

There, there. I see them right there.

569

00:50:14,469 --> 00:50:15,887

-[John] Come on!

-[Will] Come on!

570

00:50:16,680 --> 00:50:18,390

-Come on!

-Come on!

571

00:50:20,892 --> 00:50:23,186

-Run! Get in!

-Hurry! Come on!

572

00:50:23,812 --> 00:50:25,564

-I've got the bag.

-Come on. Come on.

573

00:50:25,647 --> 00:50:27,441

-[coughing]

-It's okay.

574

00:50:27,524 --> 00:50:28,942

Is there anyone else with you?

575

00:50:30,318 --> 00:50:31,194
No.

576

00:50:33,864 --> 00:50:34,740
It's just me.

577

00:50:36,658 --> 00:50:38,160
Go!

578

00:50:47,419 --> 00:50:48,628
[Smith] My necklace.

579

00:50:58,680 --> 00:51:00,182
You have one flare left.

580

00:51:00,265 --> 00:51:03,143
You'll know when to use it. See you soon.

581

00:51:03,977 --> 00:51:05,562
Son of a bitch!

582

00:51:08,774 --> 00:51:09,775
[grunts]

583

00:51:13,403 --> 00:51:14,738
[clucking]

584

00:51:14,821 --> 00:51:16,990
[thunder crashing]

585

00:51:21,244 --> 00:51:22,204
[Smith] Thank you.

586

00:51:22,287 --> 00:51:25,081
You're so brave. What's your name?

587

00:51:25,165 --> 00:51:27,292
I'm Penny. This is my brother, Will.

588

00:51:27,375 --> 00:51:29,127
-Hi.

-[panting] Hi.

589

00:51:29,586 --> 00:51:31,129
I always wanted a brother.

590

00:51:32,964 --> 00:51:37,761
-What's your name?
-I'm Dr. Smith. [coughing]

591

00:51:40,430 --> 00:51:42,057
Come on. Come on. Come on.

592

00:51:50,982 --> 00:51:53,026
-[Maureen] Come on. Come on.
-Oh, my God!

593

00:51:53,110 --> 00:51:54,569
-Come on, come on!
-Dad, come on!

594

00:52:01,827 --> 00:52:05,372
-Dad! Dad! Go!
-Come on!

595

00:52:09,209 --> 00:52:11,169
[gasps, panting]

596

00:52:29,855 --> 00:52:31,523
-[tires screech]
-[John grunts]

597

00:52:35,735 --> 00:52:38,321
[all panting]

598

00:52:46,997 --> 00:52:47,998
You did it.

599

00:52:49,374 --> 00:52:52,586
Yeah. This is really not my thing.

600

00:52:53,628 --> 00:52:56,548
You need to get back to being you,

so I can get back to being me.

601

00:52:56,631 --> 00:52:58,008

-Okay?

-Come here.

602

00:53:00,844 --> 00:53:01,845

-Here.

-Thank you.

603

00:53:01,928 --> 00:53:03,889

-You're welcome.

-Thank you so much.

604

00:53:04,764 --> 00:53:06,224

-You okay?

-I think so.

605

00:53:06,308 --> 00:53:07,142

Good.

606

00:53:08,476 --> 00:53:10,520

-[plastic crackling]

-[Penny] Mom.

607

00:53:10,604 --> 00:53:12,397

You're crushing the Oreos.

608

00:53:12,480 --> 00:53:14,608

[all chuckling]

609

00:53:20,447 --> 00:53:21,364

[gasps]

610

00:53:22,782 --> 00:53:23,617

Don't worry.

611

00:53:24,993 --> 00:53:26,202

He's not dangerous.

612

00:53:37,797 --> 00:53:40,217

[dramatic music playing]
