EPISODE 1.06

"Eulogy"

Maureen debates whether to share what she saw in the sky, Don leads a mission to find fuel, and the robot's presence stokes tensions within the group.

MAIN EPISODE CAST

Toby Stephens	...	John Robinson
Molly Parker	...	Maureen Robinson
Maxwell Jenkins	...	Will Robinson
Taylor Russell	...	Judy Robinson
Mina Sundwall	...	Penny Robinson
Ignacio Serricchio	...	Don West
Parker Posey	...	June Harris / Dr. Smith
Brian Steele	...	The Robot
Sibongile Mlambo	...	Angela
Ajay Friese	...	Vijay Dhar
Raza Jaffrey	...	Victor Dhar
Cary-Hiroiyuki Tagawa	...	Hiroki Watanabe
Kiki Sukezane	...	Aiko Watanabe
Iain Belcher	...	Evan
Amelia Burstyn	...	Diane
Yukari Komatsu	...	Naoko Watanabe
Viv Leacock	...	Reese
Adam Greydon Reid	...	Peter Beckert
Rowan Schlosberg	...	Connor

1

00:00:06,297 --> 00:00:08,299
[instrumental theme music playing]

2

00:01:15,992 --> 00:01:20,705
[Maureen] There are eclipsing binaries,
astrometric binaries,

3

00:01:20,789 --> 00:01:22,832
spectroscopic binaries.

4

00:01:25,251 --> 00:01:28,671
It's hard to tell which one we're in
without a map of the star system.

5

00:01:32,342 --> 00:01:35,011
-[John] You're doing it again.
-[Maureen] Doing what?

6

00:01:36,679 --> 00:01:37,514
Shh.

7

00:01:38,097 --> 00:01:40,183
[John] Using astrophysics
as a smokescreen.

8

00:01:40,266 --> 00:01:42,185
Just tell me the bad news.

9

00:01:45,396 --> 00:01:47,273
[Maureen] Okay, fine.

10

00:01:50,026 --> 00:01:55,156
If this is our planet and this is a sun,

11

00:01:56,449 --> 00:01:59,369
a typical orbit looks like this.

12

00:02:01,121 --> 00:02:04,040
Okay, so I'm guessing
our orbit isn't typical.

13

00:02:04,124 --> 00:02:05,834
[Maureen] The way the ecosphere
has been behaving,

14

00:02:05,917 --> 00:02:08,211
the longer days
and the increased temperatures,

15

00:02:08,294 --> 00:02:12,507
I couldn't figure it out
until I got up there and I saw this.

16

00:02:15,635 --> 00:02:17,053
A coffee mug?

17

00:02:17,595 --> 00:02:22,851
A black hole.
Hiding just off the shoulder of our sun.

18

00:02:22,934 --> 00:02:25,979
The gravitational pull
is altering the orbit,

19

00:02:26,062 --> 00:02:29,691
pulling our planet closer and closer,
until, when it makes this turn,

20

00:02:30,483 --> 00:02:33,653
nothing on the surface,
I mean nothing, will survive.

21

00:02:42,412 --> 00:02:43,454
How long do we have?

22

00:02:44,205 --> 00:02:46,207
Till the planet becomes uninhabitable?

23

00:02:47,458 --> 00:02:49,544
Weeks, maybe months.

24

00:02:49,627 --> 00:02:52,130
It's hard to know
without more information.

25

00:02:54,090 --> 00:02:56,301
So, we have a decision to make.

26

00:02:56,926 --> 00:02:58,428
Do we tell people?

27

00:02:59,721 --> 00:03:01,097
[John] You're asking me?

28

00:03:01,180 --> 00:03:03,099
[Maureen] Yeah, I'm asking you.

29

00:03:04,142 --> 00:03:07,520
[John] Honestly, I don't know.

30

00:03:09,814 --> 00:03:10,857
I mean, God, Maureen,

31

00:03:10,940 --> 00:03:13,484
you should have seen their faces
out there tonight.

32

00:03:13,568 --> 00:03:19,741
Looking to me to answer questions
about that machine that I don't have.

33

00:03:22,243 --> 00:03:26,122
So, tomorrow I get to clean up that mess.

34

00:03:26,956 --> 00:03:28,958
-This one--
-It's okay.

35

00:03:30,293 --> 00:03:31,419
I'll figure it out.

36

00:03:34,005 --> 00:03:37,592
Whatever you decide, I'll support you.

37

00:03:59,072 --> 00:04:01,783

[man]
Twenty-seven people died crashing here.

38
00:04:02,158 --> 00:04:03,910
Husbands, wives, friends.

39
00:04:03,993 --> 00:04:06,120
Dead because of what that thing did.

40
00:04:06,204 --> 00:04:08,623
What about last night?
It was protecting us.

41
00:04:08,706 --> 00:04:10,667
-It was defending itself!
-Who knows what would've happened.

42
00:04:10,750 --> 00:04:13,002
-Maybe it can help us--
-Please! Enough!

43
00:04:15,088 --> 00:04:18,716
One at a time.
Let's not have this devolve into chaos.

44
00:04:19,467 --> 00:04:21,678
Victor, if I could make a suggestion.

45
00:04:22,845 --> 00:04:27,225
Maybe we should hear from someone
who has seen, firsthand,

46
00:04:27,308 --> 00:04:29,560
what this thing is capable of.

47
00:04:32,522 --> 00:04:36,818
Angela, would you like
to tell us anything?

48
00:04:43,116 --> 00:04:47,036
My husband was the seventh musician
chosen for relocation.

49

00:04:48,997 --> 00:04:50,248
He played cello.

50

00:04:52,166 --> 00:04:55,545
He loved football and hated the rain.

51

00:04:58,089 --> 00:05:00,591
[voice breaking]
He was the best part of my life,

52

00:05:01,092 --> 00:05:06,014
and that thing murdered him
in front of me.

53

00:05:08,099 --> 00:05:10,560
So to be forced to sit here,

54

00:05:11,060 --> 00:05:14,939
listening to people wonder
how they can use it...

55

00:05:16,482 --> 00:05:17,984
sickens me.

56

00:05:19,902 --> 00:05:23,364
I think the best course of action would be
to treat this as we would at home.

57

00:05:24,282 --> 00:05:26,743
If a man had committed
any of these crimes--

58

00:05:26,826 --> 00:05:28,328
But it's not a man.

59

00:05:30,288 --> 00:05:31,706
Isn't that the point?

60

00:05:33,458 --> 00:05:34,375
Angela...

61

00:05:36,377 --> 00:05:39,464
I'm truly sorry
about what happened to your husband.

62

00:05:40,798 --> 00:05:44,844
There is nothing that we can do or say
that can replace that loss.

63

00:05:45,470 --> 00:05:47,847
But I think that it's important
that we understand

64

00:05:47,930 --> 00:05:49,557
that the robot has changed.

65

00:05:49,640 --> 00:05:52,643
-Changed? John, what are you--
-Let him speak.

66

00:05:52,727 --> 00:05:58,900
Okay. Think of it like a computer
that's been rebooted or reprogrammed.

67

00:06:01,152 --> 00:06:04,030
Look, I don't know
what the hell this thing was before,

68

00:06:04,113 --> 00:06:07,867
or why it's here now,
but what I do know is

69

00:06:08,701 --> 00:06:10,953
that the only reason
my daughter is alive today

70

00:06:11,037 --> 00:06:14,415
is because that machine saved her life.

71

00:06:16,042 --> 00:06:20,880
And it kept my family safe...
when I couldn't.

72

00:06:22,715 --> 00:06:26,594

We're in a place where I think
we'd all like to feel a little safer.

73

00:06:26,677 --> 00:06:31,224
[sighs] Yeah, and, uh...
what if it changes again?

74

00:06:31,641 --> 00:06:34,227
Who's going to keep us safe from it?

75

00:06:34,310 --> 00:06:36,771
You saw it for yourself.
It listens to my son.

76

00:06:36,854 --> 00:06:38,898
So you'd put our safety
in the hands of a child?

77

00:06:38,981 --> 00:06:40,358
It worked last night.

78

00:06:40,441 --> 00:06:42,485
Only difference is,
now you all know about it.

79

00:06:44,028 --> 00:06:47,490
Okay, everyone. I think we should try
and reach a consensus here.

80

00:06:47,573 --> 00:06:50,118
[man] Let's begin with the fact
that we can't control this thing,

81

00:06:50,201 --> 00:06:53,121
-nor do we understand it.
-[man 2] We might need its help again.

82

00:06:53,204 --> 00:06:55,123
[chatter continues indistinctly]

83

00:07:00,211 --> 00:07:04,132
-[Angela panting]
-Angela, wait.

84

00:07:04,215 --> 00:07:07,760
I just wanted to say, you're not alone.

85

00:07:08,302 --> 00:07:12,432
[stammers]
I lost a very dear friend in the crash.

86

00:07:14,225 --> 00:07:16,269
I buried her with my own hands.

87

00:07:17,228 --> 00:07:18,771
Very sorry to hear that.

88

00:07:20,189 --> 00:07:21,357
[sighs]

89

00:07:21,441 --> 00:07:23,443
It's good to see that you're on your feet.

90

00:07:23,526 --> 00:07:25,653
I knew you were a fighter
when we found you.

91

00:07:27,947 --> 00:07:29,824
When you found me?

92

00:07:30,783 --> 00:07:34,120
Don West didn't mention
that I was there with...

93

00:07:35,288 --> 00:07:37,582
I was the one who insisted that... [sighs]

94

00:07:38,374 --> 00:07:42,545
Never mind.
Some people need to feel like a hero.

95

00:07:45,131 --> 00:07:46,757
I'm just happy to see you're on the mend.

96

00:07:47,717 --> 00:07:49,594
Well, thank you.

97

00:07:51,179 --> 00:07:55,641
For what it's worth,
after trauma like you've endured,

98

00:07:55,725 --> 00:07:58,561
it could be helpful
to speak with a professional.

99

00:07:59,270 --> 00:08:01,439
I'm a therapist.
I'd be happy to help you--

100

00:08:01,522 --> 00:08:04,066
[stutters] No, I appreciate it,

101

00:08:04,150 --> 00:08:09,405
but I'm focusing on my physical therapy
at the moment.

102

00:08:09,489 --> 00:08:10,823
Maybe some other time.

103

00:08:11,699 --> 00:08:12,950
No problem.

104

00:08:13,826 --> 00:08:15,536
Enjoy your walk.

105

00:08:19,373 --> 00:08:20,666
[indistinct chatter]

106

00:08:37,558 --> 00:08:40,478
-Souvenir?
-Ah, research.

107

00:08:42,355 --> 00:08:46,400
If I brought some of that back, too,
would that be worth something to somebody?

108

00:08:46,817 --> 00:08:51,656
Uh... only if you could keep it
from becoming contaminated.

109
00:08:52,198 --> 00:08:53,491
Could you teach me?

110
00:08:53,574 --> 00:08:55,284
[Naoko chuckles and speaks Japanese]

111
00:08:55,368 --> 00:08:56,911
[continues speaking Japanese]

112
00:08:57,828 --> 00:08:58,704
[Hiroki sighs]

113
00:09:00,331 --> 00:09:02,416
-[in English] Not enough time.
-Oh.

114
00:09:03,042 --> 00:09:04,919
[speaking Japanese]

115
00:09:07,880 --> 00:09:09,048
[in English] Thank you.

116
00:09:14,053 --> 00:09:15,471
[Don sighs]

117
00:09:15,596 --> 00:09:18,224
Thanks. Oh, here.

118
00:09:18,307 --> 00:09:20,184
[grunts] What's this for?

119
00:09:20,768 --> 00:09:25,439
Protection. In case you didn't notice,
it's getting dangerous around here.

120
00:09:26,107 --> 00:09:28,734
Last time a pretty lady
offered me protection,

121

00:09:28,818 --> 00:09:31,404
-it was because we were--
-[footsteps thudding]

122

00:09:50,715 --> 00:09:52,592
Maybe you should go back inside.

123

00:09:53,301 --> 00:09:54,677
But I thought we could help.

124

00:09:55,011 --> 00:09:57,972
I mean, there are a lot of heavy things
and he can--

125

00:09:58,055 --> 00:10:01,642
Inside. Just until your dad gets back.
Go on.

126

00:10:03,227 --> 00:10:04,228
Okay.

127

00:10:08,399 --> 00:10:10,192
[footsteps receding]

128

00:10:15,156 --> 00:10:16,282
[sighs]

129

00:10:23,623 --> 00:10:24,749
[Penny] Having fun?

130

00:10:25,374 --> 00:10:26,208
Uh... [sighs]

131

00:10:26,876 --> 00:10:29,879
If you're wondering if rotting meat
smells the same here as it does on Earth,

132

00:10:29,962 --> 00:10:31,464
then the answer is yes.

133

00:10:31,547 --> 00:10:34,967
Well, I'm going swimming at the waterfall.

134
00:10:35,843 --> 00:10:37,887
-We haven't tested the water yet.
-So?

135
00:10:37,970 --> 00:10:39,847
So it could kill you.

136
00:10:42,016 --> 00:10:45,353
Besides, I told my dad I'd do this, so...

137
00:10:45,436 --> 00:10:48,939
All right, whatever. I'm gonna go.
You can come if you want.

138
00:10:49,690 --> 00:10:50,816
[stutters]

139
00:10:51,901 --> 00:10:54,153
[vehicle approaching]

140
00:10:55,112 --> 00:10:56,030
Wait up.

141
00:10:56,697 --> 00:10:57,948
[Vijay panting]

142
00:11:02,036 --> 00:11:05,623
John, tell Maureen I'd like to talk to her
when she has a minute.

143
00:11:05,706 --> 00:11:06,832
About what?

144
00:11:07,500 --> 00:11:10,378
We're out of fuel, can't reach
the Resolute, audibly or visibly.

145
00:11:11,545 --> 00:11:14,548
Might be time to consider the reality

of long-term habitation of the planet.

146

00:11:15,716 --> 00:11:17,968
Right. I'll let her know.

147

00:11:31,232 --> 00:11:33,442
-[Maureen] How'd it go?
-What'd they say?

148

00:11:35,069 --> 00:11:36,737
-The robot stays.
-Yes!

149

00:11:37,697 --> 00:11:39,532
But there are conditions.

150

00:11:40,074 --> 00:11:44,954
You keep it away from other people,
you report any changes in behavior,

151

00:11:45,037 --> 00:11:48,416
and register its whereabouts at all times.

152

00:11:48,499 --> 00:11:51,419
Yeah, no problem.
I want to show you something.

153

00:11:53,587 --> 00:11:54,630
[sighs]

154

00:11:56,298 --> 00:11:59,301
-He doesn't get it.
-Let him be happy for a minute.

155

00:12:04,807 --> 00:12:07,726
-Victor's outside. Wants to talk.
-[sighs]

156

00:12:08,519 --> 00:12:10,062
You gonna tell him?

157

00:12:10,146 --> 00:12:11,480

About what?

158

00:12:12,982 --> 00:12:14,191
The coffee mug.

159

00:12:15,109 --> 00:12:17,319
I made a list.
Stuff the robot could do to help people.

160

00:12:17,403 --> 00:12:20,489
And then when they see how awesome he is,
they'll accept him.

161

00:12:21,073 --> 00:12:23,576
Actually, I had something else in mind.

162

00:12:23,659 --> 00:12:26,370
-Why don't you help me today?
-With what?

163

00:12:26,454 --> 00:12:30,458
I'll tell you later.
It's kind of a father-son thing.

164

00:12:30,541 --> 00:12:32,168
[footsteps approaching]

165

00:12:34,920 --> 00:12:39,675
Actually, I forgot,
it's more of a father-son-robot thing.

166

00:12:48,142 --> 00:12:50,644
John, are you forgetting something?

167

00:12:51,353 --> 00:12:53,939
Oh, yeah. Right. We're heading off.

168

00:13:02,990 --> 00:13:06,368
Man, those Robinsons
can be a real pain in the ass, right?

She lost her husband on the Resolute.

509

00:36:27,602 --> 00:36:29,437
This first one's for him.

510

00:36:36,152 --> 00:36:40,990
[Smith] In order to release the pain,
you have to acknowledge its source.

511

00:36:43,784 --> 00:36:44,785
Okay.

512

00:36:47,121 --> 00:36:48,331
How do I do that?

513

00:36:48,414 --> 00:36:52,501
[Smith] Words are a gateway
to your emotions.

514

00:36:53,085 --> 00:36:58,090
I want you to start by sharing
what you remember about that day.

515
00:36:59,634 --> 00:37:02,803
Well, like everyone else,

516
00:37:03,721 --> 00:37:06,724
when the alarm went off,
we had no idea what it was for.

517
00:37:07,308 --> 00:37:11,979
I remember Josh making jokes
so I wouldn't worry.

518
00:37:13,272 --> 00:37:16,067
Tell me about the moment
where you first encountered the machine.

519
00:37:21,781 --> 00:37:28,037
Outside the hangar,
there was panic, running, shoving.

520
00:37:29,997 --> 00:37:33,167
At first, we thought
it's just the way people are.

521
00:37:34,627 --> 00:37:37,380
Trying to be the first ones
to reach their Jupiter.

522
00:37:39,507 --> 00:37:42,760
But then, we realized

523
00:37:43,886 --> 00:37:46,806
they weren't running toward something.

524
00:37:48,099 --> 00:37:49,183
They were running away.

525
00:37:51,352 --> 00:37:56,899
That... thing was in there.

526

00:37:57,441 --> 00:38:02,989
Anyone who got in its path,
it just... eliminated.

527

00:38:05,283 --> 00:38:07,285
[Smith] You're doing great, Angela.

528

00:38:09,704 --> 00:38:15,459
Now it's time to access
your sense memories.

529

00:38:15,543 --> 00:38:17,253
I want you to lie down...

530

00:38:18,921 --> 00:38:20,172
close your eyes.

531

00:38:28,306 --> 00:38:33,561
I want you to focus on the sounds...

532

00:38:36,355 --> 00:38:37,982
the smells.

533

00:38:38,899 --> 00:38:42,570
[Angela] There's a strange metallic buzz,

534

00:38:44,071 --> 00:38:49,201
like something very close,
except it's everywhere.

535

00:38:51,954 --> 00:38:55,333
And then I smell burning.

536

00:38:57,126 --> 00:39:00,671
[sniffs, voice breaking] People burning.

537

00:39:05,259 --> 00:39:06,677
What do you see?

538

00:39:07,553 --> 00:39:09,889
[Angela] Red. Emergency lighting.

539

00:39:09,972 --> 00:39:13,225
So, it was hard to make out where we were.

540

00:39:14,643 --> 00:39:16,562
Josh held my hand.

541

00:39:18,856 --> 00:39:21,567
We tried to skirt the perimeter
to our Jupiter.

542

00:39:22,318 --> 00:39:25,571
It was... It was so close.

543

00:39:28,866 --> 00:39:30,201
And then...

544

00:39:31,077 --> 00:39:32,578
he stopped.

545

00:39:34,705 --> 00:39:37,041
[sniffles] His body went rigid.

546

00:39:37,541 --> 00:39:38,459
[sobs]

547

00:39:41,212 --> 00:39:47,343
He was hot, searing, white heat.

548

00:39:48,844 --> 00:39:51,972
I couldn't let go of his hand. [crying]

549

00:39:52,973 --> 00:39:55,351
It had burned into mine.

550

00:39:59,814 --> 00:40:01,107
[crying]

551

00:40:02,316 --> 00:40:05,694
I'm sorry.
Can we please not do this anymore?

552

00:40:08,322 --> 00:40:09,281
Of course.

553

00:40:10,699 --> 00:40:13,285
I think we've gone far enough
for this session.

554

00:40:13,369 --> 00:40:15,579
I thought talking about it
would make me feel better,

555

00:40:15,663 --> 00:40:19,083
but I feel worse. [crying]

556

00:40:19,166 --> 00:40:21,752
[stammers] These things, they take time.

557

00:40:22,044 --> 00:40:23,754
What if we don't have time?

558

00:40:25,131 --> 00:40:28,134
Angela, I... I understand your anger...

559

00:40:29,552 --> 00:40:31,178
that this thing...

560

00:40:32,263 --> 00:40:38,060
that did this to your husband
is being welcomed among us.

561

00:40:38,853 --> 00:40:43,274
But what prevents people
from moving on from tragedy

562

00:40:44,733 --> 00:40:46,068
is a feeling...

563

00:40:47,695 --> 00:40:51,699
that there's something they could do
to change it.

564

00:40:53,409 --> 00:40:56,704
But there isn't. There simply isn't.

565

00:40:57,997 --> 00:41:01,375
All we can do is hope, pray...

566

00:41:02,626 --> 00:41:04,837
it doesn't happen to anyone else.

567

00:41:05,963 --> 00:41:10,050
What if there is something I could do?

568

00:41:12,261 --> 00:41:15,890
Something more than just hoping
and praying.

569

00:41:16,307 --> 00:41:18,350
I'm sorry, Angela,
but I'm gonna have to ask you

570

00:41:18,434 --> 00:41:21,645
to refrain from saying anything further
on this subject.

571

00:41:22,813 --> 00:41:24,482
Maybe I should go.

572

00:41:27,109 --> 00:41:29,820
-What?
-[sighs] We can pick it up tomorrow.

573

00:41:30,488 --> 00:41:33,324
You can't just make me relive all that
and then--

574

00:41:33,407 --> 00:41:35,910
I'm sorry. We can pick this up tomorrow.

575

00:41:35,993 --> 00:41:39,830
[stutters] You can't just abandon me!

576

00:41:40,498 --> 00:41:42,041
Dr. Smith?

577

00:41:44,335 --> 00:41:45,961
[Angela sobbing]

578

00:41:53,093 --> 00:41:56,013
-[sighs] Last one.
-Yeah.

579

00:41:56,096 --> 00:41:57,723
Let me give you a hand.

580

00:41:58,807 --> 00:41:59,642
No.

581

00:42:00,392 --> 00:42:01,894
-[grunts]
-I, uh...

582

00:42:03,729 --> 00:42:04,939
I should do this one.

583

00:42:12,655 --> 00:42:13,822
[Will grunting]

584

00:42:20,788 --> 00:42:22,122
[panting]

585

00:42:25,251 --> 00:42:27,086
[grunting and panting]

586

00:42:31,340 --> 00:42:32,466
[continues grunting]

587

00:42:39,557 --> 00:42:40,683
[John sighs]

588

00:42:46,313 --> 00:42:49,066
[sighs] Let's hope
we never have to add another one.

589

00:42:59,577 --> 00:43:00,995
All clear! [echoing]

590

00:43:02,621 --> 00:43:04,123
So, we good?

591

00:43:05,416 --> 00:43:08,168
-Are you referring to our arrangement?
-Yeah.

592

00:43:08,669 --> 00:43:10,671
We're good
when we get the fuel safely back.

593

00:43:10,754 --> 00:43:11,964
What does that mean?

594

00:43:12,047 --> 00:43:14,717
It means you need to stop standing around
and start helping.

595

00:43:15,426 --> 00:43:16,385
How much longer?

596

00:43:16,468 --> 00:43:19,305
Once we start the transfer,
about three hours.

597

00:43:19,388 --> 00:43:21,890
Yeah, well, uh, let's try and make it two.

598

00:43:21,974 --> 00:43:25,978
Would you like me to change
the laws of physics, or just lie to you?

599

00:43:29,732 --> 00:43:31,191
Okay, everyone, listen up.

600

00:43:32,067 --> 00:43:35,154
In just three hours, we're gonna have
a tank full of liquid methane

601

00:43:35,237 --> 00:43:37,072
ready for transport. I...

602

00:43:40,451 --> 00:43:41,452
What is it?

603

00:43:41,827 --> 00:43:42,703
-Me?
-Mmm.

604

00:43:42,786 --> 00:43:44,872
Yeah. I was just wondering
what we're gonna do

605

00:43:44,955 --> 00:43:48,083
when the Jupiter falls off the edge,
takes the fuel tank with it?

606

00:43:48,167 --> 00:43:50,044
Clearly we're hoping
that's not gonna happen.

607

00:43:50,127 --> 00:43:54,256
Oh, you can have all the hope you want,
but gravity may have other plans.

608

00:43:54,340 --> 00:43:58,969
You see, Vic, the west side of the Jupiter
is hanging over the edge.

609

00:43:59,470 --> 00:44:02,139
Now, the auxiliary fuel supply,
that's on the east side.

610

00:44:02,222 --> 00:44:05,434
As we transfer the fuel out,
the east side gets lighter.

611

00:44:05,809 --> 00:44:09,730
The weight shifts to the west side,
sending it over the edge.

612

00:44:10,648 --> 00:44:13,400
And since our hose
is connected to the tanker...

613

00:44:14,526 --> 00:44:18,530
Okay, so do you have a better idea?
Or do you want us to pay for that, too?

614

00:44:18,614 --> 00:44:20,366
We use the Chariots as an anchor.

615

00:44:20,449 --> 00:44:22,743
We dig down,
attach the towlines to the Jupiter.

616

00:44:22,826 --> 00:44:25,371
With the torque in the engines,
we counteract the shift in the weight.

617

00:44:25,454 --> 00:44:26,789
-[Don] Hmm.
-Will that work?

618

00:44:26,872 --> 00:44:29,917
It might. Just gotta get the right guy
behind the wheel.

619

00:44:30,000 --> 00:44:31,335
Or right girl.

620

00:44:31,919 --> 00:44:34,546
No offense,
but who do you expect to handle this?

621

00:44:34,963 --> 00:44:37,633
Somebody who saves lives
or somebody who gambles with them?

622

00:44:37,716 --> 00:44:40,427
No offense? How is that not offensive?

623

00:44:42,471 --> 00:44:43,931
Don't let us down, Robinson.

624

00:45:01,281 --> 00:45:03,534

[Penny]

I'm sorry I kinda freaked out back there.

625

00:45:03,617 --> 00:45:05,244

It's pretty embarrassing.

626

00:45:06,078 --> 00:45:07,371

Oh, um...

627

00:45:08,914 --> 00:45:11,708

I almost forgot.

Everyone knows about the robot,

628

00:45:11,792 --> 00:45:14,795

so guess I don't need that anymore.

629

00:45:16,964 --> 00:45:17,840

Thanks.

630

00:45:23,804 --> 00:45:26,598

Don't worry about it. Back there.

631

00:45:27,266 --> 00:45:29,560

Everybody does embarrassing things
when they think they're gonna die.

632

00:45:29,643 --> 00:45:31,854

Yeah, well, not like me.

633

00:45:36,108 --> 00:45:38,193

Do you wanna know

why I didn't want you to see this?

634

00:45:40,195 --> 00:45:41,572

It's something I wrote...

635

00:45:43,615 --> 00:45:47,578

when our Jupiter was crashing
and I didn't think we were gonna make it.

636

00:45:55,711 --> 00:45:56,712
Read it.

637

00:45:58,213 --> 00:45:59,214
Really.

638

00:46:14,480 --> 00:46:15,481
It's a poem.

639

00:46:16,356 --> 00:46:20,360
Yeah, uh, a testimony.
In case anyone found our bodies.

640

00:46:21,069 --> 00:46:23,363
"If you find this message, do not weep.

641

00:46:23,447 --> 00:46:25,741
I have lived a life, I was not a creep.

642

00:46:26,283 --> 00:46:28,994
I did not like books, but loved my guitar.

643

00:46:29,077 --> 00:46:32,623
Brought my music to space
and traveled afar."

644

00:46:36,210 --> 00:46:38,795
-This is terrible.
-[both laugh]

645

00:46:39,505 --> 00:46:41,423
You try and rhyme
when you're hurtling to your death.

646

00:46:41,507 --> 00:46:42,716
-Okay. [clears throat]
-[chuckles]

647

00:46:42,799 --> 00:46:46,386
"I am Vijay Dhar, aged 16 years.

648

00:46:46,470 --> 00:46:49,973
I loved free climbing
and I faced my fears.

649
00:46:50,682 --> 00:46:54,561
I once had vertigo, but then overcame it.

650
00:46:54,645 --> 00:47:00,234
Won a state-wide certificate
and my mom made me frame it."

651
00:47:00,692 --> 00:47:02,861
[chuckles] It's from the heart.

652
00:47:04,446 --> 00:47:09,535
"I have never been in love,
no girl broke this heart.

653
00:47:10,327 --> 00:47:13,997
Seems my life is over
before it could start.

654
00:47:15,082 --> 00:47:17,626
If you find this message,
please do not weep.

655
00:47:17,709 --> 00:47:21,380
I'm just a particle of space dust
you don't have to keep."

656
00:47:23,799 --> 00:47:27,177
I was gonna do the whole
"miles to go before I sleep" thing, but--

657
00:47:27,261 --> 00:47:28,428
Shut up.

658
00:47:49,533 --> 00:47:52,744
Can you tell me which direction
the Robinsons' Jupiter is from here?

659
00:47:52,828 --> 00:47:54,788
North. About half a mile.

660

00:47:55,956 --> 00:47:56,957

Thanks.

661

00:47:58,542 --> 00:48:00,711

-You're walking?

-Yeah.

662

00:48:01,128 --> 00:48:03,297

Do you have something to protect yourself?

663

00:48:03,672 --> 00:48:06,174

Yeah, I do.

664

00:48:07,593 --> 00:48:09,720

[engines whirring]

665

00:48:19,271 --> 00:48:21,189

[engines revving]

666

00:48:30,365 --> 00:48:32,117

How's your foot? Getting tired yet?

667

00:48:32,200 --> 00:48:35,370

Not tired enough to keep me
from kicking your ass when this is over.

668

00:48:35,454 --> 00:48:36,663

[Don] Can't we just skip this?

669

00:48:36,747 --> 00:48:39,124

Go back to the part
where we're friends again?

670

00:48:39,916 --> 00:48:43,253

West, I don't know how much longer
these are going to hold.

671

00:48:43,337 --> 00:48:45,547

Go inside and tell Aiko
we need to disconnect now,

672

00:48:45,631 --> 00:48:46,590
while we still can.

673

00:48:46,673 --> 00:48:48,050
Aye, aye, Captain.

674

00:48:48,508 --> 00:48:49,718
We're not done yet.

675

00:48:49,801 --> 00:48:51,053
Pretty sure we are.

676

00:48:51,136 --> 00:48:52,095
West, let's go!

677

00:48:53,388 --> 00:48:54,723
You okay in there?

678

00:48:56,266 --> 00:48:58,018
Yeah. You?

679

00:48:58,101 --> 00:49:00,062
I'm not sure how much more I got.

680

00:49:00,145 --> 00:49:01,480
Engine's running high.

681

00:49:01,563 --> 00:49:04,191
Just hold on, okay?
Don's pulling everyone out.

682

00:49:09,571 --> 00:49:12,074
-[Don] You guys almost done? We gotta go.
-Tapping out now.

683

00:49:12,532 --> 00:49:14,785
-You get it all?
-[Aiko] Every drop.

684

00:49:14,868 --> 00:49:16,453
Cool. See you topside.

685
00:49:16,536 --> 00:49:17,579
[Aiko] Yeah.

686
00:49:18,163 --> 00:49:19,539
[grunting]

687
00:49:21,333 --> 00:49:22,626
[electricity crackling]

688
00:49:25,796 --> 00:49:27,923
-[rumbling]
-Ow!

689
00:49:28,006 --> 00:49:30,509
-[groaning]
-[electricity crackling]

690
00:49:45,482 --> 00:49:47,484
[engines whirring]

691
00:49:51,446 --> 00:49:53,782
-[rumbles]
-[grunts]

692
00:49:57,536 --> 00:49:59,246
[breathing heavily]

693
00:50:06,169 --> 00:50:07,337
[breathing heavily]

694
00:50:09,089 --> 00:50:10,549
[breathing heavily]

695
00:50:13,760 --> 00:50:15,137
[Don grunting]

696
00:50:19,099 --> 00:50:20,976
[breathing heavily]

697
00:50:35,365 --> 00:50:36,700

Son of a bitch.

698

00:50:37,284 --> 00:50:41,204

Let's go. Come on.

Let's go. Go, go. [grunts]

699

00:50:41,288 --> 00:50:43,290

[ship creaking]

700

00:50:47,753 --> 00:50:50,130

We're losing the Jupiter.

Prepare to detach.

701

00:50:50,213 --> 00:50:52,632

-We need to do it simultaneously.

-What?

702

00:50:52,716 --> 00:50:54,801

Judy, you won't believe what I found.

703

00:50:54,885 --> 00:50:57,554

-Don? Where are you?

-[Don over radio] On my way out.

704

00:50:57,637 --> 00:50:59,723

[Judy] Don, we can't hold it any longer.

Hurry up!

705

00:51:01,057 --> 00:51:05,604

Detach on three. One, two...

706

00:51:05,687 --> 00:51:06,521

No! No!

707

00:51:06,605 --> 00:51:08,774

...three! Detach!

708

00:51:13,570 --> 00:51:14,821

Whoa!

709

00:51:14,905 --> 00:51:16,490

No, no, no!

710
00:51:19,743 --> 00:51:20,577
[breathing heavily]

711
00:51:24,331 --> 00:51:26,666
-[Judy grunting]
-[Victor] Detach!

712
00:51:27,250 --> 00:51:29,169
-Judy, what the hell are you doing?
-Robinson!

713
00:51:29,252 --> 00:51:30,921
West is inside.

714
00:51:32,172 --> 00:51:33,340
Don, I can't hold it!

715
00:51:33,423 --> 00:51:35,425
-You need to detach now, Judy!
-No!

716
00:51:35,509 --> 00:51:36,510
Then I'll do it for you.

717
00:51:36,593 --> 00:51:37,636
Don, no--

718
00:51:56,196 --> 00:51:58,031
[panting]

719
00:51:58,615 --> 00:52:00,242
[crashing]

720
00:52:05,163 --> 00:52:05,997
No.

721
00:52:07,958 --> 00:52:11,086
[stutters] He detached it on his own.

722
00:52:11,920 --> 00:52:13,255

[continues panting]

723

00:52:15,048 --> 00:52:16,508
He sacrificed for all of us.

724

00:52:22,514 --> 00:52:26,059
[grunts] Are you crazy?
I don't even like you guys.

725

00:52:27,018 --> 00:52:27,853
West?

726

00:52:27,936 --> 00:52:30,230
[both panting]

727

00:52:30,313 --> 00:52:31,565
[Don grunts]

728

00:52:31,648 --> 00:52:32,899
[all panting]

729

00:52:32,983 --> 00:52:37,112
See, I knew she was too much
of a goody-goody to do it herself.

730

00:52:37,195 --> 00:52:42,576
And frankly, I was tired
of getting yelled at and blamed.

731

00:52:42,659 --> 00:52:47,455
I don't wanna have to be responsible
for the Chariot going over, so...

732

00:52:47,831 --> 00:52:48,748
Just gonna...

733

00:52:48,832 --> 00:52:51,209
[stammering] But you were... How did...

734

00:52:51,293 --> 00:52:53,670
'Cause I'm a badass, princess.

735

00:52:54,671 --> 00:52:57,883
[chuckling] You're a badass princess.

736

00:52:57,966 --> 00:53:00,844
-What? [stammers]
-[all chuckle]

737

00:53:01,386 --> 00:53:04,306
No, no, no. There's a comma.

738

00:53:04,389 --> 00:53:07,058
-You know, "I'm a badass, comma, prince--"
-[Judy] Yeah.

739

00:53:07,142 --> 00:53:08,476
Yeah, whatever you say.

740

00:53:08,560 --> 00:53:10,687
Yeah, oh, you're welcome, by the way.

741

00:53:15,609 --> 00:53:16,818
Thank you.

742

00:53:41,343 --> 00:53:43,094
Oh, um... Hi, Mom.

743

00:53:43,178 --> 00:53:46,222
Hey. Where have you been?

744

00:53:46,598 --> 00:53:47,641
Just hanging out.

745

00:53:51,978 --> 00:53:53,063
Penny...

746

00:53:55,148 --> 00:53:56,149
He seems nice.

747

00:54:00,695 --> 00:54:01,696
[chuckles softly]

748

00:54:02,614 --> 00:54:05,951
[Judy over radio] Mom, do you read?
Can you hear me? Mom?

749

00:54:08,078 --> 00:54:09,955
Yes, Judy, hi. Go ahead.

750

00:54:10,038 --> 00:54:12,874
[Judy] We got it, Mom. We got the fuel.
All of it.

751

00:54:12,958 --> 00:54:14,209
[sighs]

752

00:54:14,292 --> 00:54:17,504
Mom? [chuckles] Mom? Are you okay?

753

00:54:17,587 --> 00:54:20,173
Yes, yes. I'm... I'm...

754

00:54:21,299 --> 00:54:23,301
I'm good. I'm wonderful, actually.

755

00:54:23,802 --> 00:54:25,720
Okay. Victor thinks it's too late
to trek home,

756

00:54:25,804 --> 00:54:28,265
so we're gonna spend the night.
I just wanted to let you know.

757

00:54:28,348 --> 00:54:30,350
Okay. Just get back safe.

758

00:54:31,017 --> 00:54:33,436
[chuckles] I will. I love you.

759

00:54:35,021 --> 00:54:36,731
I love you, too, honey.

760

00:54:38,692 --> 00:54:42,237

Judy... great job.

761

00:54:43,571 --> 00:54:44,864
[Judy chuckles]

762

00:54:45,615 --> 00:54:47,492
Thanks, Mom. Bye.

763

00:54:49,661 --> 00:54:54,541
-Oh, hey. How's everything back here?
-[Maureen sighs]

764

00:54:56,209 --> 00:54:57,043
What is it?

765

00:54:58,336 --> 00:54:59,546
We're gonna be okay.

766

00:55:02,465 --> 00:55:05,552
[John] Four, four, four.

767

00:55:05,844 --> 00:55:09,848
Five, five, five. Five. Okay.

768

00:55:09,931 --> 00:55:13,226
So, what you're trying to do is,
you're trying to make pairs.

769

00:55:13,310 --> 00:55:16,938
So you have to ask the other players
if they have any of the cards you need.

770

00:55:24,988 --> 00:55:27,490
Seriously? Do you ever play fair?

771

00:55:27,574 --> 00:55:30,452
I am so sorry
that I have excellent peripheral vision.

772

00:55:31,286 --> 00:55:33,705
Hey, Smith, should we deal you in?

773

00:55:33,788 --> 00:55:35,832
[chuckles softly] No, thank you.

774

00:55:41,087 --> 00:55:42,172
[John] You got an eight?

775

00:55:46,259 --> 00:55:48,094
[Will] Do you have--

776

00:55:48,178 --> 00:55:49,387
[Smith] Uh, Will.

777

00:55:49,471 --> 00:55:51,639
Why don't you ask your mom to join?

778

00:55:52,682 --> 00:55:55,769
She's busy.
Said she had to do some calculations.

779

00:55:55,852 --> 00:55:58,563
[Smith] The fuel doesn't get here
till tomorrow afternoon.

780

00:55:58,897 --> 00:56:03,276
And when does she ever have the time
to just sit and play with you guys?

781

00:56:10,533 --> 00:56:12,202
[Will] Okay, I'll go ask her.

782

00:56:13,661 --> 00:56:16,456
Hey, don't worry. He'll be back.

783

00:56:21,795 --> 00:56:23,463
I've never seen him make that face before.

784

00:56:24,672 --> 00:56:27,967
-It looks like he's smiling.
-[chuckles softly]

785

00:56:41,523 --> 00:56:44,734

Hey, Angela. What can I do for you?

786

00:56:53,618 --> 00:56:55,578
Why don't we go talk outside?

787

00:56:58,540 --> 00:57:00,583
[Angela] I have no quarrel with you,
Mr. Robinson.

788

00:57:00,667 --> 00:57:03,837
You're doing what you think is best
to protect your family.

789

00:57:05,672 --> 00:57:10,635
I'm happy to discuss this with you,
after my daughter has left the room.

790

00:57:10,718 --> 00:57:12,846
Dad, no.

791

00:57:12,929 --> 00:57:14,097
[John] Angela...

792

00:57:16,307 --> 00:57:18,184
put the weapon down.

793

00:57:18,726 --> 00:57:20,728
That's exactly why I'm here.

794

00:57:24,023 --> 00:57:27,569
To put the weapon down.

795

00:57:27,652 --> 00:57:31,448
Robot, leave the Jupiter.

796

00:57:35,285 --> 00:57:36,619
[Will] Mom.

797

00:57:38,413 --> 00:57:40,290
We're all playing Go Fish.
You wanna come?

798

00:57:41,166 --> 00:57:43,376
Oh, honey, I'd love to but I've got to...

799

00:57:44,752 --> 00:57:45,879
You know what? I'd love to.

800

00:57:46,629 --> 00:57:48,006
Great, I'll deal ya.

801

00:57:49,257 --> 00:57:50,675
[gunshots]

802

00:57:58,099 --> 00:58:01,811
[echoes] Will! Will, don't go in there!

803

00:58:03,062 --> 00:58:04,063
Will!

804

00:58:04,939 --> 00:58:06,107
[gunshot]

805

00:58:11,863 --> 00:58:12,697
[gasps]

806

00:58:12,780 --> 00:58:14,449
[gunshots]

807

00:58:32,342 --> 00:58:33,176
No!

808

00:58:41,476 --> 00:58:42,769
[shuddering]

809

00:58:49,567 --> 00:58:51,986
[monitor beeping]

810

00:58:58,535 --> 00:59:01,913
A very hard head
is one of your dad's finest qualities.

811

00:59:04,874 --> 00:59:06,376
He'll be all right.

812
00:59:06,793 --> 00:59:09,462
Judy will check in on him
when she gets back tomorrow.

813
00:59:10,338 --> 00:59:11,923
He just needs some rest.

814
00:59:28,940 --> 00:59:30,233
[sighs]

815
00:59:42,829 --> 00:59:43,830
Come on.

816
00:59:48,209 --> 00:59:52,005
[Don] I don't know who she is,
but she's not Dr. Smith.

817
00:59:53,256 --> 00:59:56,301
I had even more proof in my hand.

818
00:59:56,384 --> 01:00:00,013
Photographs, diplomas.
Pictures of the man with his family.

819
01:00:00,096 --> 01:00:01,389
Wearing the St. Christopher necklace.

820
01:00:01,472 --> 01:00:03,808
-So why would she--
-I don't know.

821
01:00:03,891 --> 01:00:05,018
But one thing's for damn sure.

822
01:00:05,101 --> 01:00:07,895
You don't go through this much trouble
unless you have something to hide.

823
01:00:14,444 --> 01:00:16,237

Don't worry, Angela.

824

01:00:17,947 --> 01:00:20,658
No one will blame you for what happened.

825

01:00:21,534 --> 01:00:23,536
It's all gonna work out fine.

826

01:00:37,175 --> 01:00:38,509
[groans]

827

01:00:42,388 --> 01:00:43,473
Hey.

828

01:00:44,599 --> 01:00:46,517
[sighs] What happened?

829

01:00:48,561 --> 01:00:50,438
It's okay. Everything's okay.

830

01:00:53,733 --> 01:00:54,734
Where's Will?

831

01:01:26,265 --> 01:01:27,975
You're the best friend I ever had.

832

01:01:30,395 --> 01:01:34,023
You know that, right?

833

01:01:46,911 --> 01:01:48,246
[Will sniffles]

834

01:01:52,667 --> 01:01:54,669
I have to be responsible for you.

835

01:01:59,716 --> 01:02:01,175
[cries] Step forward.

836

01:02:18,192 --> 01:02:19,402
[gasps]

837

01:03:09,994 --> 01:03:13,456
[slow instrumental music playing]
