Joseph Otero's watch.

336

00:17:31,425 --> 00:17:34,136
[Kevin] That's that family, right?
It's him, isn't it?

337

00:17:34,219 --> 00:17:35,054
BTK.

338

00:17:35,137 --> 00:17:37,890
He bragged about a fifth victim,
but he never named her.

339

00:17:38,390 --> 00:17:39,475
We think it was Kathy.

340

00:17:39,558 --> 00:17:41,935
[Kevin] I told you, he'd done this before.

341

00:17:42,019 --> 00:17:43,479
He knew what he was doing!

342

00:17:43,562 --> 00:17:45,689
I-- I don't have brain damage
like they say.

343

00:17:45,773 --> 00:17:47,483
-I just get tired!
-We believe you.

344

00:17:47,900 --> 00:17:50,486
-And we'll catch him.
-[Kevin] I can't wait for that.

345

00:17:50,569 --> 00:17:52,404
-What do you mean?
-[Kevin] I saw his face!

346

00:17:52,488 --> 00:17:53,781
He knows I'm out here.

347

00:17:53,864 --> 00:17:56,617
Every time I walk into a store,
every time somebody walks into a room.

348

00:17:56,700 --> 00:17:58,994
-Even at church.
-This guy does not go to church.

349

00:17:59,078 --> 00:18:01,163
-Where are you gonna go, Kevin?
-[Kevin] Just... away.

350

00:18:01,872 --> 00:18:02,790
[sobs]

351

00:18:02,873 --> 00:18:04,875
[train rattling loudly on tracks]

352

00:18:11,131 --> 00:18:12,549
Can't say that I blame him.

353

00:18:14,259 --> 00:18:15,636
[keys jingle]

354

00:18:15,719 --> 00:18:16,970
[engine starts]

355

00:18:20,891 --> 00:18:23,310
-[keys jingle]
-[door opens]

356

00:18:23,435 --> 00:18:25,270
[crickets chirping]

357

00:18:46,375 --> 00:18:47,417
[cap clatters]

358

00:18:48,335 --> 00:18:50,087
[door creaks]

359

00:19:15,571 --> 00:19:16,864
[sighs]

360

00:19:41,597 --> 00:19:42,681
-Nance?
-[Nancy gasps]

361

00:19:43,307 --> 00:19:44,933
-Uh, what's wrong?
-[Tench] Nothing.

362

00:19:45,017 --> 00:19:45,976
It's okay.

363

00:19:46,643 --> 00:19:48,729
Honey, did you leave the back door open?

364

00:19:49,438 --> 00:19:51,481
I was taking out the trash.
Brian couldn't sleep.

365

00:19:51,565 --> 00:19:52,941
Are you-- Are you coming to bed?

366

00:19:53,525 --> 00:19:55,360
-I'll be in soon.
-[Nancy] All right.

367
00:19:57,946 --> 00:19:58,822
[sighs]

368
00:20:10,292 --> 00:20:11,627
[exhales]

369
00:20:20,636 --> 00:20:21,678
[knocking on door]

370
00:20:22,679 --> 00:20:25,265
[Holden] Wendy's almost ready to meet
for those Georgia interviews.

371
00:20:25,474 --> 00:20:26,600
Right.

372
00:20:32,231 --> 00:20:34,233
-BTK.
-[Tench] He's a new animal.

373
00:20:34,316 --> 00:20:37,152
-Lots of interesting contradictions.
-You mind?

374
00:20:43,450 --> 00:20:47,621
He brought the little girl to the basement
and constructed a ritualized execution.

375
00:20:48,455 --> 00:20:49,623
That took time.

376
00:20:51,166 --> 00:20:52,668
This was a big risk.

377
00:20:53,252 --> 00:20:54,878
Her scene is the only one
with semen present.

378

00:20:54,962 --> 00:20:56,505
She was clearly his primary interest.

379
00:20:56,588 --> 00:20:59,049
The rest of the family is just...
collateral.

380
00:20:59,800 --> 00:21:02,678
He only expected the mother
and youngest daughter to be home.

381
00:21:03,178 --> 00:21:04,137
But he learns.

382
00:21:04,596 --> 00:21:06,598
After the Oteros,
all of his victims are women.

383
00:21:06,682 --> 00:21:09,643
None of the men were at home,
except for your witness, Bright's brother.

384
00:21:09,726 --> 00:21:10,852
Kevin wasn't expected either.

385
00:21:10,936 --> 00:21:14,189
So BTK changes his MO,
and that's why he stabs the sister.

386
00:21:14,940 --> 00:21:17,818
What's amazing is
even though he was surprised

387
00:21:17,901 --> 00:21:19,903
during the Bright and Otero murders,

388
00:21:21,822 --> 00:21:24,574
he somehow manages
to overcome his own panic.

389
00:21:24,658 --> 00:21:26,034
[Tench] Imagine the adrenaline.

390

00:21:26,118 --> 00:21:29,454
You've planned for a petite woman
and an eleven-year-old girl.

391

00:21:29,538 --> 00:21:31,331
And all of a sudden,
you got a barking dog,

392

00:21:31,415 --> 00:21:34,001
another child,
and a retired master sergeant.

393

00:21:34,459 --> 00:21:36,920
But he didn't run. He took his time.

394

00:21:37,754 --> 00:21:39,339
Maybe Otero wasn't his first.

395

00:21:39,423 --> 00:21:41,550
Too many rookie mistakes.
It was his first.

396

00:21:41,633 --> 00:21:44,594
But I also think
that he was exceptionally prepared.

397

00:21:44,678 --> 00:21:45,512
He practiced?

398

00:21:45,595 --> 00:21:48,265
Remember Kemper practiced on dolls,
animals.

399

00:21:48,765 --> 00:21:50,100
He spent years fantasizing,

400

00:21:50,183 --> 00:21:52,185
so he knew
exactly how he was going to do it

401

00:21:52,269 --> 00:21:53,562
when the time came.

402

00:21:53,645 --> 00:21:55,480
There's no way our guy doesn't have
a rap sheet.

403

00:21:55,564 --> 00:21:56,523
Animal abuse,

404

00:21:56,606 --> 00:21:59,151
maybe peeping neighborhood girls,
assaulting prostitutes.

405

00:21:59,234 --> 00:22:00,736
So what have we got so far?

406

00:22:00,861 --> 00:22:03,238
White male, late 20s to early 30s,

407

00:22:03,322 --> 00:22:05,657
rap sheet, possible assault complaints.

408

00:22:05,741 --> 00:22:07,034
High school education at best.

409

00:22:07,117 --> 00:22:09,119
Has difficulty holding
more than a menial job.

410

00:22:09,202 --> 00:22:12,122
Kevin said he smelled "clean."
His clothes were nice.

411

00:22:12,205 --> 00:22:13,874
He wasn't angry or harsh.

412

00:22:13,957 --> 00:22:17,377
He sounds almost as ordinary and suburban
as the victim pool.

413

00:22:17,461 --> 00:22:20,130
Everyone we've interviewed
is a product of a difficult home

414

00:22:20,213 --> 00:22:21,548
and a string of adult failures.

415

00:22:21,631 --> 00:22:23,675

-Hmm.

-[Holden] They're all emotionally scarred.

416

00:22:23,759 --> 00:22:27,095

The only one who managed to keep a job
was Brudos, and he was blue-collar.

417

00:22:27,179 --> 00:22:28,388

What about his letters

418

00:22:28,472 --> 00:22:30,307

that he writes to the newspaper?

419

00:22:32,809 --> 00:22:34,644

He's equating himself with famous killers.

420

00:22:35,520 --> 00:22:38,273

"Son of Sam," "Jack the Ripper,"
"Ted of the West Coast."

421

00:22:38,357 --> 00:22:40,067

That's gotta be Bundy. Who's Glatman?

422

00:22:40,150 --> 00:22:42,778

Harvey. Famous for binding
and strangling women in the '50s.

423

00:22:42,861 --> 00:22:45,113

-Of course you know that.

-He's studying them.

424

00:22:45,197 --> 00:22:46,948

Modeling himself after them.

425

00:22:47,032 --> 00:22:47,991

Look at this page.

426

00:22:48,241 --> 00:22:50,369
He actually gives himself possible names.

427

00:22:50,911 --> 00:22:52,037
"I like the following.

428

00:22:52,287 --> 00:22:53,246
How about you?

429

00:22:53,330 --> 00:22:55,499
'The BTK Strangler,'

430

00:22:55,582 --> 00:22:59,002
'Wichita Strangler,'
'Wichita Executioner.'"

431

00:22:59,086 --> 00:23:01,171
He's christening himself for the media.

432

00:23:01,254 --> 00:23:04,549
Like Zodiac,
or Berkowitz naming himself "Son of Sam."

433

00:23:04,633 --> 00:23:08,178
Berkowitz also courted the press.
He wrote directly to Jimmy Breslin.

434

00:23:08,553 --> 00:23:11,223
Berkowitz also gave himself a symbol
with initials.

435

00:23:11,306 --> 00:23:13,350
He used it on every letter he wrote.

436

00:23:13,433 --> 00:23:14,393
[Tench] Right.

437

00:23:15,102 --> 00:23:16,186
It had a cross on the top.

438

00:23:18,271 --> 00:23:19,147

Like this.

439

00:23:20,816 --> 00:23:21,900
Look at our guy.

440

00:23:27,739 --> 00:23:29,408
We have to talk to the chubby behemoth.

441

00:23:30,158 --> 00:23:33,036
This is what we're doing now?
Rearranging our interviews

442

00:23:33,120 --> 00:23:34,579
to service investigations?

443

00:23:34,663 --> 00:23:36,540
Because all of our subjects are important.

444

00:23:36,623 --> 00:23:38,500
Berkowitz has been on the list
since the beginning.

445

00:23:38,583 --> 00:23:41,753
Maybe, but we need to discuss
where he fits into our analysis.

446

00:23:42,421 --> 00:23:44,172
I mean, he's a diagnosed schizophrenic.

447

00:23:44,256 --> 00:23:45,340
So was Kemper as a juvenile.

448

00:23:45,424 --> 00:23:48,593
We need to at least consider
that Berkowitz is a blitz killer.

449

00:23:49,136 --> 00:23:52,681
He exhibits none of Kemper
or Brudos' psycho-sexual motivations.

450

00:23:52,764 --> 00:23:55,976
By his own account, he walked up to cars,

fired five shots, and then ran.

451

00:23:56,059 --> 00:23:58,019
I can't see how anything lasting
19 seconds

452

00:23:58,103 --> 00:24:00,021
could allow for sexual gratification.

453

00:24:00,105 --> 00:24:04,443
Well,
we know BTK is inspired by Berkowitz.

454

00:24:04,985 --> 00:24:07,737
And we know BTK kills
for sexual fulfillment.

455

00:24:08,196 --> 00:24:10,240
And he's active. Seven so far.

456

00:24:10,323 --> 00:24:11,491
And he's hunting again.

457

00:24:12,033 --> 00:24:14,035
Either of these Georgia boys
up for the chair?

458

00:24:14,119 --> 00:24:15,912
-[Carr] Hance is on death row.
-On appeal.

459

00:24:15,996 --> 00:24:17,956
[Tench] Plenty of time.
We'll push them off a week.

460

00:24:18,039 --> 00:24:19,458
I'll put together the research. Gregg,

461

00:24:19,541 --> 00:24:21,042
-can you change the flights?
-Sure.

462

00:24:31,970 --> 00:24:33,096
This is what we're doin' now.

463

00:24:35,724 --> 00:24:36,725
[chuckles] What?

464

00:24:38,602 --> 00:24:40,687
-["Call Me" playing on jukebox]
-[raucous chatter]

465

00:24:40,770 --> 00:24:42,689
[Tench] This doesn't seem like your scene.

466

00:24:43,106 --> 00:24:44,316
Holden brought me here.

467

00:24:44,524 --> 00:24:46,276
Doesn't seem like Holden's scene.

468

00:24:47,777 --> 00:24:49,571
Look, I won't usually betray a confidence,

469

00:24:50,363 --> 00:24:53,074
but when Holden disappeared
those two days,

470

00:24:53,450 --> 00:24:54,868
he went to see Kemper.

471

00:24:54,951 --> 00:24:57,287
Now, whatever happened
during that visit precipitated--

472

00:24:57,370 --> 00:24:58,205
Panic attacks.

473

00:24:58,288 --> 00:25:00,624
-You knew?
-[Tench] I had to retrieve his ass.

474

00:25:01,166 --> 00:25:03,835
I'm really sorry I didn't tell you.

I thought the last thing we need

475

00:25:03,919 --> 00:25:05,921
is for Holden to have everyone
walking on eggshells around here.

476

00:25:06,004 --> 00:25:07,839
Quite frankly, Bill,
this demands our attention.

477

00:25:07,923 --> 00:25:11,384
He had an episode. Even the doctor said
it feels worse than it is.

478

00:25:11,468 --> 00:25:13,678
Panic attacks may not be brought on
by anything real,

479

00:25:13,762 --> 00:25:15,138
but their effects are very real.

480

00:25:15,597 --> 00:25:17,682
Whether you think Holden deserves
your sympathy or not,

481

00:25:17,766 --> 00:25:19,768
this could have serious consequences
for us

482

00:25:19,851 --> 00:25:22,646
and very real physiological consequences
for him.

483

00:25:22,729 --> 00:25:23,730
You're right.

484

00:25:24,648 --> 00:25:26,274
-Does Gunn know about this?
-No.

485

00:25:26,525 --> 00:25:29,861
He's based his vision and his largesse
on the Holden Ford miracle.

486

00:25:29,945 --> 00:25:32,030
I couldn't tell him
Boy Wonder has the vapors.

487

00:25:32,113 --> 00:25:34,616
-We might not be worth salvaging--
-With this Berkowitz interview,

488

00:25:34,699 --> 00:25:36,451
you have got to take the lead.

489

00:25:36,535 --> 00:25:38,411
He's gonna be walking in there
in a heightened state,

490

00:25:38,495 --> 00:25:41,289
knowing that he's got one shot
at the killer on the cover of Newsweek.

491

00:25:41,706 --> 00:25:44,668
He'll be anxious, vulnerable,
and that could prime him for an episode.

492

00:25:44,751 --> 00:25:46,836
The last time he was in the room
with a serial killer,

493

00:25:46,920 --> 00:25:48,964
he ended up chained to a hospital bed.
What do I do?

494

00:25:49,047 --> 00:25:49,881
[Carr] Be observant.

495

00:25:49,965 --> 00:25:53,260
Apart from the obvious physical cues,
an attack can manifest dozens of ways.

496

00:25:53,343 --> 00:25:56,137
So if he seems manic
or overly nervous, fragile--

497

00:25:56,221 --> 00:25:57,514
Should I carry smelling salts?

498

00:25:57,597 --> 00:25:58,473
It's not a joke.

499

00:25:58,557 --> 00:26:01,142
If you see one hint,
you get him out of there.

500

00:26:01,226 --> 00:26:04,646
Whatever you feel about Holden's health,
if he blows this with Berkowitz,

501

00:26:04,729 --> 00:26:06,481
Gunn will rethink his investment.

502

00:26:07,023 --> 00:26:09,901
And from now on,
there needs to be transparency between us.

503

00:26:09,985 --> 00:26:12,195
Whatever is going on with him,
we both know about it.

504

00:26:12,279 --> 00:26:13,238
Two-way street.

505

00:26:13,321 --> 00:26:14,239
Deal.

506

00:26:14,322 --> 00:26:16,324
[patrons shouting and cheering]

507

00:26:23,206 --> 00:26:24,332
I'll get our next one.

508

00:26:24,416 --> 00:26:26,334
-I feel like I owe you.
-[Carr] I got it.

509

00:26:30,964 --> 00:26:32,799
-[bartender] Another round?
-[patron 1] Gorgeous.

510
00:26:33,466 --> 00:26:35,719
-Mm!
-Yeah. Thank you.

511
00:26:35,802 --> 00:26:37,012
Let me get that for you.

512
00:26:37,345 --> 00:26:38,221
Leave her alone, Gary.

513
00:26:38,305 --> 00:26:40,515
-[inhales sharply]
-She's with General Patton over there.

514
00:26:40,599 --> 00:26:42,392
[patron 1]
Well, you keep blowing me off, Kay!

515
00:26:42,475 --> 00:26:45,979
How else is a red-blooded American patriot
supposed to spend his hard-earned pay?

516
00:26:46,062 --> 00:26:48,231
I'm sure you don't need any help
coming up with ideas.

517
00:26:48,315 --> 00:26:50,108
[patron 2] What if I promise
to take you out of here

518
00:26:50,191 --> 00:26:51,860
and away from all these assholes?

519
00:26:51,943 --> 00:26:53,862
-What's your name, Marine?
-[patron 2] Eric.

520
00:26:54,237 --> 00:26:56,239
Did you just get into Quantico, Eric?

521

00:26:56,323 --> 00:26:57,240
Yes, ma'am.

522

00:26:57,324 --> 00:26:59,242
Why don't you help me
through my first long night?

523

00:26:59,326 --> 00:27:00,702
Oh, Eric, you are new here.

524

00:27:01,286 --> 00:27:03,038
These boys put you up to it, didn't they?

525

00:27:03,121 --> 00:27:05,999
Sadly, you are warming up the bat
all by yourself tonight.

526

00:27:06,750 --> 00:27:09,210
-[whispers] I play for the other team.
-[patron 1 laughs]

527

00:27:09,294 --> 00:27:10,462
[Eric grunts]

528

00:27:10,545 --> 00:27:11,588
[patron 1] If she's bent,

529

00:27:11,671 --> 00:27:12,797
so are Christie Brinkley
and Brooke Shields.

530

00:27:12,881 --> 00:27:14,924
-[Eric] Well, I'd watch that pillow fight.
-Same tab?

531

00:27:16,134 --> 00:27:17,510
No, I've got this one.

532

00:27:21,598 --> 00:27:22,599
That really work?

533

00:27:23,308 --> 00:27:24,768
People see what they wanna see.

534

00:27:25,518 --> 00:27:26,895
Let me know
if I can get you anything else.

535

00:27:26,978 --> 00:27:28,730
-Thanks.
-[patron 1] Thanks for dropping by.

536

00:27:29,314 --> 00:27:31,316
-[snaps fingers]
-Eyes forward, maggots.

537

00:27:34,903 --> 00:27:38,365
[Holden] Six killed, seven wounded.
Biggest manhunt in US history.

538

00:27:38,448 --> 00:27:41,660
And he says a demon inhabiting
a neighbor's dog made him do it.

539

00:27:41,743 --> 00:27:44,162
-Do we really buy that?
-[man speaking indistinctly on radio]

540

00:27:44,245 --> 00:27:45,872
On the surface, the crimes appear random,

541

00:27:45,955 --> 00:27:49,751
but... I'm not sure he's the madman
he makes himself out to be.

542

00:27:50,126 --> 00:27:52,253
There's just enough pattern
to show intention.

543

00:27:52,337 --> 00:27:55,090
He always shot at women
or women in the company of men.

544

00:27:55,173 --> 00:27:58,009
And when he shot at couples in cars,
he always shot at the passenger side.

545
00:27:58,093 --> 00:28:00,387
That was used to support
the "random" argument.

546
00:28:00,470 --> 00:28:03,765
It's the side closest to the sidewalk.
No planning, no strategy.

547
00:28:03,848 --> 00:28:04,724
Just shoot.

548
00:28:05,141 --> 00:28:07,936
But in couples,
the male is usually the driver.

549
00:28:09,187 --> 00:28:12,273
He never shot at the driver's side.
He unleashed everything on the...

550
00:28:13,024 --> 00:28:14,442
woman's side of the vehicle.

551
00:28:23,368 --> 00:28:26,329
-[alarm buzzes]
-[officers speaking indistinctly]

552
00:28:31,835 --> 00:28:35,171
[bell rings]

553
00:28:54,607 --> 00:28:56,609
-[door slams]
-[lock clicks]

554
00:28:56,735 --> 00:28:58,486
[indistinct clamoring]

555
00:28:58,570 --> 00:28:59,821
[keys jingle]

556

00:29:00,572 --> 00:29:02,490
[woman speaking indistinctly over PA]

557

00:29:03,658 --> 00:29:05,910
[alarm buzzes]

558

00:29:09,873 --> 00:29:12,333
I'm surprised the FBI hasn't come sooner.

559

00:29:13,334 --> 00:29:16,212
The night I was arrested,
the mayor came to see me.

560

00:29:16,796 --> 00:29:19,007
He came down to my cell
in the middle of the night.

561

00:29:19,090 --> 00:29:20,842
We fit you in as soon as we could.

562

00:29:23,511 --> 00:29:25,346
So, you're talking to other people?

563

00:29:25,430 --> 00:29:26,264
[Tench] A few.

564

00:29:27,182 --> 00:29:28,933
But no one who's done what you did.

565

00:29:30,059 --> 00:29:32,312
You held an entire city in thrall.

566

00:29:33,188 --> 00:29:36,024
Girls got their hair cut
so you wouldn't single them out.

567

00:29:36,232 --> 00:29:37,650
Discos closed early.

568

00:29:38,026 --> 00:29:40,737
It was the largest task force

New York ever assembled.

569

00:29:41,696 --> 00:29:43,114
A hundred years from now,

570

00:29:43,198 --> 00:29:45,909
people will still know the name
Son of Sam.

571

00:29:45,992 --> 00:29:46,868
[dog barking]

572

00:29:47,243 --> 00:29:49,662
I always say,
if you want to learn how to paint,

573

00:29:50,914 --> 00:29:52,248
go straight to the artist.

574

00:29:53,958 --> 00:29:56,211
-What does that mean?
-[Tench] You got so much publicity,

575

00:29:56,294 --> 00:29:58,797
there's a killer out in Kansas
who idolizes you.

576

00:29:59,589 --> 00:30:01,424
He's writing letters to the press.

577

00:30:01,508 --> 00:30:03,009
And he's writing about you.

578

00:30:05,970 --> 00:30:09,140
-[Berkowitz] Is he shitting me?
-Guy's killed seven so far.

579

00:30:09,224 --> 00:30:11,142
He even made a symbol.
Show him the thing.

580

00:30:11,726 --> 00:30:15,021

[inmate shouts indistinctly]

581

00:30:21,569 --> 00:30:22,487
What is that? Boobs?

582

00:30:23,029 --> 00:30:23,905
It's a B.

583

00:30:24,864 --> 00:30:27,826
-This is a complete rip-off.
-[Tench] That's what we think.

584

00:30:30,245 --> 00:30:31,162
How's he kill 'em?

585

00:30:31,955 --> 00:30:34,833
[Tench] He breaks into houses,
ties 'em up, strangles 'em.

586

00:30:35,500 --> 00:30:37,210
Calls himself BTK.

587

00:30:37,293 --> 00:30:38,586
For Bind, Torture, Kill.

588

00:30:39,504 --> 00:30:41,172
David, why did you name yourself?

589

00:30:41,840 --> 00:30:43,758
"I am the Son of Sam.

590

00:30:44,509 --> 00:30:47,220
Go out and kill, commands father Sam."

591

00:30:52,058 --> 00:30:55,103
The press had called me
the ".44 Caliber Killer."

592

00:30:55,770 --> 00:30:58,356
They had this absurd theory

593

00:30:58,439 --> 00:31:00,775
the gun somehow symbolized my penis.

594

00:31:02,235 --> 00:31:04,153
I'm not some crazed sex killer.

595

00:31:05,071 --> 00:31:07,782
I needed a name
that explained who I really was.

596

00:31:08,157 --> 00:31:11,452
That I was being controlled
by a 3,000-year-old demon.

597

00:31:12,537 --> 00:31:14,581
People need to know demons are real.

598

00:31:15,164 --> 00:31:17,834
The Exorcist is based on actual shit.

599

00:31:17,917 --> 00:31:19,043
You saw The Exorcist?

600

00:31:19,919 --> 00:31:20,837
Everyone did.

601

00:31:21,254 --> 00:31:24,382
You read a lot about demons
and exorcisms before the killings?

602

00:31:26,217 --> 00:31:27,218
Maybe.

603

00:31:27,302 --> 00:31:30,430
Let's go to the first attack.
We're fascinated by your mindset--

604

00:31:30,513 --> 00:31:31,598
You're adopted, aren't you?

605

00:31:38,271 --> 00:31:41,774
Yeah. Just before this all started,

606

00:31:42,400 --> 00:31:44,360
I traced my biological mother.

607

00:31:44,444 --> 00:31:46,988
-Found out she never wanted me.
-That must've been hard.

608

00:31:47,697 --> 00:31:50,325
My adoptive mother
told me my real mother died.

609

00:31:50,742 --> 00:31:52,660
That often happens with adopted kids.

610

00:31:55,580 --> 00:31:56,956
Well, I was illegitimate.

611

00:31:57,749 --> 00:31:58,625
They both lied.

612

00:32:00,668 --> 00:32:02,837
That's about when
I started hearing voices.

613

00:32:02,921 --> 00:32:04,130
[Holden] The "demons."

614

00:32:06,966 --> 00:32:08,927
How do you know when you have a demon?

615

00:32:09,177 --> 00:32:10,136
Are there symptoms?

616

00:32:12,680 --> 00:32:14,724
[Berkowitz] Possession isn't just

617

00:32:14,807 --> 00:32:16,517
what you see on the outside.

618

00:32:17,518 --> 00:32:19,938

The torment inside is horrible.

619

00:32:20,772 --> 00:32:23,066
Demons are powerful beings.

620

00:32:23,149 --> 00:32:26,569
They use your own voice,
your own thoughts against you.

621

00:32:27,195 --> 00:32:28,738
They make you think you're crazy.

622

00:32:29,238 --> 00:32:32,325
When they get strong enough,
they speak their name out loud.

623

00:32:32,408 --> 00:32:36,204
And once they've done that,
they are in complete control.

624

00:32:36,496 --> 00:32:38,665
So, now you know you've got a demon...

625

00:32:39,707 --> 00:32:40,667
What did you do?

626

00:32:41,793 --> 00:32:44,379
I quit my job
and locked myself in my apartment.

627

00:32:44,879 --> 00:32:47,674
For a month,
I stayed home listening, preparing--

628

00:32:47,757 --> 00:32:49,592
Listening? To what exactly?

629

00:32:52,637 --> 00:32:54,222
My neighbor, Sam, had a dog.

630

00:32:54,305 --> 00:32:56,182
-[lighter clicks]

-[Berkowitz] Every night,

631

00:32:56,265 --> 00:32:57,809
this dog would howl.

632

00:32:58,142 --> 00:32:59,936
He would not shut up.

633

00:33:00,353 --> 00:33:02,313
He kept saying he needed blood.

634

00:33:02,397 --> 00:33:03,898
He demanded blood.

635

00:33:05,400 --> 00:33:06,526
I had no choice.

636

00:33:06,609 --> 00:33:10,154
That writing on your apartment walls,
what was that about?

637

00:33:10,238 --> 00:33:11,698
[sighs]

638

00:33:14,075 --> 00:33:16,744
Sometimes the voices came
from inside the walls.

639

00:33:17,203 --> 00:33:18,538
So, not from a dog?

640

00:33:19,664 --> 00:33:21,207
I'm just trying to keep it all straight.

641

00:33:22,250 --> 00:33:23,334
[Berkowitz] They tormented me.

642

00:33:23,418 --> 00:33:25,420
I would tear the walls open
looking for 'em.

643

00:33:25,503 --> 00:33:28,631
Was that about the time you saw
The Exorcist and read your books?

644
00:33:30,216 --> 00:33:32,010
-Around then.
-[Holden] I'm curious.

645
00:33:32,093 --> 00:33:34,554
You had this history of demonic voices,

646
00:33:34,637 --> 00:33:35,722
psychotic episodes.

647
00:33:36,431 --> 00:33:39,058
Why not plead not guilty
by reason of insanity?

648
00:33:39,142 --> 00:33:42,603
Why plead guilty and never get a trial
where you could explain your demons?

649
00:33:42,687 --> 00:33:44,647
Because I am not insane.

650
00:33:44,897 --> 00:33:47,275
I can't pretend to be insane.

651
00:33:48,192 --> 00:33:51,237
I knew it was wrong,
but they made me do it.

652
00:33:51,320 --> 00:33:55,074
Hearing demons is quite possibly
the textbook definition of insanity.

653
00:33:55,158 --> 00:33:57,118
They came to me, not from me.

654
00:33:57,201 --> 00:34:00,121
Sorry to dwell on it,
but it is the part that fascinates people.

655

00:34:00,204 --> 00:34:04,459
You know, two people are writing books.
Your neighbor and some guy

656

00:34:04,542 --> 00:34:06,836
you gave your life rights to
for whatever reason.

657

00:34:06,919 --> 00:34:08,421
I'm in a legal dispute with him.

658

00:34:08,504 --> 00:34:10,256
That book is gonna move like Big Macs.

659

00:34:10,339 --> 00:34:12,675
A guy who talks to dogs, hears demons.

660

00:34:13,968 --> 00:34:15,428
Crazy sells, man. [sighs]

661

00:34:16,679 --> 00:34:19,182
He makes any proceeds off the book, right?

662

00:34:19,640 --> 00:34:22,477
-The guy with your life rights?
-Like I said, it's a legal dispute.

663

00:34:22,560 --> 00:34:23,978
I can't discuss the details.

664

00:34:24,062 --> 00:34:25,521
[Holden] Oh, I bet it is.

665

00:34:26,314 --> 00:34:29,484
The voices don't interfere
with talking to your lawyer, do they?

666

00:34:34,238 --> 00:34:37,575
[takes a deep breath]
It's a crock, isn't it?

667

00:34:39,577 --> 00:34:41,412
There's no voices, no demon.

668
00:34:42,789 --> 00:34:43,664
The dog doesn't talk.

669
00:34:45,249 --> 00:34:48,044
You saw a movie,
read some books, and made it all up.

670
00:34:48,127 --> 00:34:49,796
So if everything went to shit...

671
00:34:50,213 --> 00:34:51,047
you'd have a way out.

672
00:34:52,381 --> 00:34:54,008
Do you want to forever be known at the FBI

673
00:34:54,092 --> 00:34:57,178
as the guy who let a Labrador land him
in jail for the rest of his shitty life?

674
00:35:00,139 --> 00:35:03,351
They all bought it, David, didn't they?

675
00:35:05,061 --> 00:35:06,270
Even the shrinks.

676
00:35:06,979 --> 00:35:08,272
[alarm buzzes]

677
00:35:13,528 --> 00:35:14,987
Especially the shrinks.

678
00:35:16,656 --> 00:35:18,616
Hell, I believed some of it.

679
00:35:19,992 --> 00:35:21,452
I'm very suggestible.

680

00:35:21,536 --> 00:35:23,204
[Holden] Did you wanna hear voices?

681
00:35:23,287 --> 00:35:24,789
[Berkowitz] I kept reading about 'em.

682
00:35:24,872 --> 00:35:26,999
They got kinda tied up
with my fantasies.

683
00:35:27,083 --> 00:35:28,751
What fantasies are those?

684
00:35:28,835 --> 00:35:30,545
[Berkowitz] Girls. Revenge.

685
00:35:30,628 --> 00:35:32,713
I'm what you call
a "sex-starved daydreamer."

686
00:35:33,965 --> 00:35:35,800
That-- That's just me.
That's not clinical.

687
00:35:35,883 --> 00:35:38,803
-When did these fantasies start?
-[Berkowitz] When I was a teenager.

688
00:35:39,220 --> 00:35:42,223
But even now,
I still spend most of my time fantasizing.

689
00:35:44,767 --> 00:35:47,436
My killings were not sex crimes.

690
00:35:48,062 --> 00:35:49,856
I never wanted to rape anybody.

691
00:35:50,398 --> 00:35:51,691
I just wanted to kill 'em.

692
00:35:52,233 --> 00:35:55,611

Voices helped me justify
what I already wanted to do.

693

00:35:55,695 --> 00:35:57,613
How did you find them? Your victims?

694

00:35:58,239 --> 00:35:59,699
Just started driving.

695

00:35:59,782 --> 00:36:01,659
-Driving?
-[Berkowitz] All the time.

696

00:36:01,742 --> 00:36:02,660
Lookin' for girls.

697

00:36:02,743 --> 00:36:05,496
So you never picked anyone out in advance
and surveilled them?

698

00:36:05,580 --> 00:36:08,332
No. I never knew who it would be.

699

00:36:08,791 --> 00:36:10,042
Is that what Kansas does?

700

00:36:10,126 --> 00:36:11,669
We think so from his letters.

701

00:36:11,752 --> 00:36:13,462
[Berkowitz] I just drove and drove.

702

00:36:13,546 --> 00:36:15,131
I'll bet he does too, Kansas.

703

00:36:16,382 --> 00:36:18,176
Gotta have a reliable car.

704

00:36:18,634 --> 00:36:19,760
And I was cunning.

705

00:36:19,844 --> 00:36:21,846
I studied maps, escape routes.

706

00:36:21,929 --> 00:36:24,932
I carried my gun,
a roll of quarters for parking.

707

00:36:26,017 --> 00:36:27,727
You never know
when it might come together.

708

00:36:27,810 --> 00:36:29,687
[Tench] How did you know
what nights to go hunting?

709

00:36:29,770 --> 00:36:32,190
Did it have anything to do
with lunar cycles?

710

00:36:32,273 --> 00:36:34,150
Fuck no. I hunted every night.

711

00:36:34,233 --> 00:36:35,818
-Every night?
-[Berkowitz] That's what it takes.

712

00:36:35,902 --> 00:36:36,819
Commitment.

713

00:36:37,236 --> 00:36:38,529
You go out every night,

714

00:36:38,613 --> 00:36:42,617
but... maybe once every few weeks,
you find the right girl

715

00:36:42,700 --> 00:36:44,452
in the right place, at the right time.

716

00:36:45,119 --> 00:36:47,079
I never knew what I was lookin' for,

717

00:36:47,997 --> 00:36:49,624
but I knew her when I saw her.

718
00:36:49,707 --> 00:36:51,083
You ever take souvenirs?

719
00:36:51,751 --> 00:36:52,793
Something from the scene?

720
00:36:52,877 --> 00:36:55,630
-Maybe something from one of the girls?
-No, I ran.

721
00:36:57,590 --> 00:36:59,091
The copycat, he takes things?

722
00:36:59,425 --> 00:37:00,259
[Tench] Yeah.

723
00:37:00,343 --> 00:37:04,263
David, did you ever go back
to any of the crime scenes?

724
00:37:04,972 --> 00:37:05,932
All the time.

725
00:37:06,015 --> 00:37:08,935
Was it because you felt guilt or remorse?

726
00:37:10,269 --> 00:37:11,103
Nah.

727
00:37:11,187 --> 00:37:13,564
If I struck out
or there were too many cops,

728
00:37:13,648 --> 00:37:15,441
I'd go back to where I did a job.

729
00:37:15,524 --> 00:37:16,609
You'd relive it.

730

00:37:18,402 --> 00:37:20,529
Every detail. [chuckles softly]

731

00:37:22,782 --> 00:37:26,452
Sometimes, I rolled around in the dirt
where they died, just to feel it.

732

00:37:27,787 --> 00:37:28,663
Did you...?

733

00:37:32,166 --> 00:37:34,168
-[sighs]
-[Berkowitz] Masturbate?

734

00:37:34,752 --> 00:37:35,753
Oh, yeah.

735

00:37:36,963 --> 00:37:38,506
But not there. At home.

736

00:37:39,173 --> 00:37:43,261
Again, I never fantasized
about sex with violence.

737

00:37:44,637 --> 00:37:46,264
Those two things were always separate.

738

00:37:46,347 --> 00:37:47,431
[Holden] Of course.

739

00:37:49,642 --> 00:37:51,644
[inmates shouting in distance]

740

00:37:54,146 --> 00:37:57,566
Even if he takes souvenirs, your guy,

741

00:37:58,109 --> 00:38:00,319
I guarantee you he goes back.

742

00:38:01,320 --> 00:38:02,488
You can't resist it.

743

00:38:04,115 --> 00:38:05,741
Maybe he just drives by.

744

00:38:07,743 --> 00:38:08,661
Maybe.

745

00:38:09,912 --> 00:38:11,914
[indistinct chatter]

746

00:38:12,373 --> 00:38:15,626
His own narcissism forces him
to admit that the demons were fabricated.

747

00:38:15,710 --> 00:38:19,297
The thought of someone else profiting
from his fame was unbearable.

748

00:38:19,380 --> 00:38:20,464
Your instincts were right.

749

00:38:20,548 --> 00:38:22,967
A schizophrenic wouldn't be able
to turn the voices on and off.

750

00:38:23,050 --> 00:38:25,303
Crazed killer or possessed,
what's the difference?

751

00:38:25,386 --> 00:38:27,930
He can't tolerate his image
tarnished by insanity.

752

00:38:28,889 --> 00:38:30,349
The demons make him special.

753

00:38:30,933 --> 00:38:33,185
A warrior battling insurmountable evil.

754

00:38:33,602 --> 00:38:34,812
Crazy's just weak.

755

00:38:34,895 --> 00:38:37,315
You know what's really surprising
is that despite appearances,

756

00:38:37,398 --> 00:38:39,692
his crimes are psycho-sexually motivated.

757

00:38:39,775 --> 00:38:42,695
He kept making the point
that his sexual fantasies were separate

758

00:38:42,778 --> 00:38:43,612
from the violence.

759

00:38:43,696 --> 00:38:45,573
He did not want his gun mistaken
for his penis.

760

00:38:45,656 --> 00:38:46,657
He did choose a .44.

761

00:38:46,741 --> 00:38:49,827
[Carr] That goes back to public image
conflicting with self-image.

762

00:38:49,910 --> 00:38:51,454
Sex offenders are perverts.

763

00:38:51,537 --> 00:38:52,788
He's a tormented genius.

764

00:38:52,872 --> 00:38:55,374
When the media got that wrong,
he corrected the narrative.

765

00:38:55,458 --> 00:38:57,877
So is he getting off on publicity
more than the killings?

766

00:38:57,960 --> 00:38:58,794
[Carr] It's both.

767

00:38:58,878 --> 00:38:59,962
The killings were foreplay,

768

00:39:00,046 --> 00:39:02,381
but he was just as concerned
with how he was perceived.

769

00:39:02,465 --> 00:39:05,134
Naming himself,
communicating with the media.

770

00:39:05,217 --> 00:39:06,594
It all adds up to control.

771

00:39:06,677 --> 00:39:08,846
And Berkowitz can't control
how women treat him

772

00:39:08,929 --> 00:39:10,806
or how he fits into his family.

773

00:39:10,890 --> 00:39:13,184
So he creates this monstrous persona,

774

00:39:13,267 --> 00:39:16,187
but really he's just a dumpy,
awkward mailman.

775

00:39:16,270 --> 00:39:20,024
[Tench] If we go by what Berkowitz said,
BTK trolls every night.

776

00:39:20,107 --> 00:39:23,110
No one could hold down a real job,
have a family,

777

00:39:23,194 --> 00:39:26,655
hunt, visit their crime scenes.
He's got a menial job at best.

778

00:39:26,739 --> 00:39:28,949
-And no real relationships.

-Certainly not with women.

779

00:39:29,033 --> 00:39:30,117
[Carr] Based on Berkowitz,

780

00:39:30,201 --> 00:39:32,703
we're gonna have to open up
an entire new category.

781

00:39:32,787 --> 00:39:35,539
We've been looking at whether killers
follow their stories in the media,

782

00:39:35,623 --> 00:39:36,749
like Kemper did.

783

00:39:36,832 --> 00:39:40,586
But now we have to consider how they use
the media to create their own mythologies.

784

00:39:40,669 --> 00:39:42,129
So Berkowitz, what is he?

785

00:39:44,131 --> 00:39:47,551
[sighs] He's not schizophrenic.
Does virtually no preplanning.

786

00:39:47,635 --> 00:39:50,596
Has an absurd supernatural explanation
if caught.

787

00:39:50,679 --> 00:39:53,057
And there are definite sexual components
to his crimes.

788

00:39:53,140 --> 00:39:54,600
[Tench] Organized or disorganized?

789

00:39:54,683 --> 00:39:56,769
Does he get a promotion
now that he's not talkin' to dogs?

790

00:39:57,186 --> 00:40:00,147
Overall, I'd say
he's more organized than not.

791
00:40:01,399 --> 00:40:02,316
Who'd have thunk?

792
00:40:03,442 --> 00:40:04,944
[Holden sighs]

793
00:40:12,785 --> 00:40:13,744
Hey, Bill.

794
00:40:15,204 --> 00:40:16,038
How was he?

795
00:40:17,081 --> 00:40:18,582
A little stiff at first.

796
00:40:18,666 --> 00:40:20,960
But then back to his old cocksure self.

797
00:40:21,043 --> 00:40:24,713
-You read it.
-Hmm. Still think we need to be cautious.

798
00:40:25,214 --> 00:40:26,257
I think he's back.

799
00:40:31,512 --> 00:40:32,346
Good night.

800
00:40:32,430 --> 00:40:33,264
Good night.

801
00:40:38,477 --> 00:40:39,603
[door closes]

802
00:40:59,331 --> 00:41:00,416
[water running]

803

00:41:04,628 --> 00:41:06,213
[doorbell rings]

804
00:41:09,341 --> 00:41:10,885
[dog barking in distance]

805
00:41:13,804 --> 00:41:16,599
Good evening. Uh, is Nancy Tench home?

806
00:41:17,433 --> 00:41:18,767
I'm her husband. Can I help you?

807
00:41:18,851 --> 00:41:21,103
I'm Detective Spencer
with Fredericksburg PD.

808
00:41:21,187 --> 00:41:22,354
[Tench] Special Agent Tench.

809
00:41:22,438 --> 00:41:23,481
FBI.

810
00:41:23,772 --> 00:41:24,940
What can I do for ya?

811
00:41:25,232 --> 00:41:27,776
[sighs] I'm so sorry.
Detective Art Spencer.

812
00:41:28,611 --> 00:41:32,448
Mrs. Tench, are you the Realtor
for 1159 Cimmaron Court?

813
00:41:32,531 --> 00:41:33,449
Yes.

814
00:41:33,532 --> 00:41:36,702
You need to know that the residence is,
unfortunately, a crime scene.

815
00:41:36,785 --> 00:41:39,914
-What? Has there been a break-in?

-[Spencer] No, there's been a...

816

00:41:41,665 --> 00:41:43,375

-body found in the garage.

-[gasps]

817

00:41:44,877 --> 00:41:46,170

Oh, my God.

818

00:41:46,712 --> 00:41:48,714

We're investigating it as a homicide.

819

00:41:49,048 --> 00:41:51,258

Um... I'm afraid I can't disclose...

820

00:41:53,260 --> 00:41:55,429

Forgive me. [sighs]

821

00:41:56,472 --> 00:41:57,348

May I come in?

822

00:41:57,431 --> 00:41:58,390

Of course.

823

00:41:59,850 --> 00:42:02,436

-Can I get you some water, anything?

-No, thank you.

824

00:42:02,645 --> 00:42:04,855

I've just come from notifying next of kin.

825

00:42:04,939 --> 00:42:06,565

-That is rough.

-Oh, my God.

826

00:42:06,815 --> 00:42:08,275

I'm sorry, how can we help?

827

00:42:09,068 --> 00:42:10,819

I need to ask a few questions.

828

00:42:10,903 --> 00:42:15,157
Ma'am, who has access to
or has recently entered the premises?

829
00:42:15,824 --> 00:42:18,619
Um, just me and the owner.
I've only shown it twice.

830
00:42:18,702 --> 00:42:20,913
There's a lockbox.
The combination is the street address.

831
00:42:20,996 --> 00:42:22,540
I know that's not very secure.

832
00:42:22,623 --> 00:42:25,417
Is it possible any of the doors
may have been left open by mistake?

833
00:42:25,501 --> 00:42:27,419
No, I'm always so careful.

834
00:42:27,503 --> 00:42:29,505
What about the yard?
Do you have a regular crew?

835
00:42:29,588 --> 00:42:32,049
That's supposed to be me,
but I'm afraid I never got there.

836
00:42:32,841 --> 00:42:35,344
I'll need to get the names of anyone
that you've taken through the house.

837
00:42:35,427 --> 00:42:37,012
Of course. Um...

838
00:42:37,846 --> 00:42:38,973
Please, sit down.

839
00:42:41,058 --> 00:42:43,561
[drawers clattering]

840

00:42:43,978 --> 00:42:45,980
[breathing shakily]

841

00:42:48,023 --> 00:42:50,067
This one's got me a little shook up,
Agent Tench.

842

00:42:50,150 --> 00:42:51,735
[Tench] Bill. I get it.

843

00:42:51,819 --> 00:42:54,280
I work in a special homicide unit myself.

844

00:42:55,114 --> 00:42:57,241
I've seen plenty of things
that kept me up at night.

845

00:42:58,367 --> 00:42:59,493
Anything you wanna share?

846

00:42:59,577 --> 00:43:01,704
[sighs] I really shouldn't discuss
the particulars.

847

00:43:01,787 --> 00:43:02,663
Understood.

848
