1

00:00:07,757 --> 00:00:10,260
[photocopier whirring, beeps]

2

00:00:14,889 --> 00:00:17,517
[whines, clicks]

3

00:00:17,934 --> 00:00:20,186
[beeping rapidly]

4

00:00:28,403 --> 00:00:29,988
[rattles]

5

00:00:30,780 --> 00:00:31,740
[bangs violently]

6

00:00:33,742 --> 00:00:34,743
Let me help you.

7

00:00:34,826 --> 00:00:37,495
-Oh, I can get it. J-Just show me.
-[photocopier beeps]

8

00:00:37,829 --> 00:00:39,456
This one's been acting up all day.

9

00:00:39,998 --> 00:00:43,168
-Then you shouldn't let people use it.
-[man] You gotta really get in there.

10

00:00:43,585 --> 00:00:44,544
[latch clicks]

11

00:00:46,838 --> 00:00:47,672
Poetry, huh?

12

00:00:48,381 --> 00:00:51,051
[ADT serviceman] You really need to put
an Out of Order sign on it.

13

00:00:51,217 --> 00:00:52,052
This is only half.

14

00:00:53,344 --> 00:00:54,763
All right. Well, take the original.

15

00:00:54,846 --> 00:00:56,556
I need the other half.

16

00:00:57,265 --> 00:01:00,226
-The Xerox guy's gonna have to clear it.
-Then call one.

17

00:01:00,810 --> 00:01:02,937
That's my property.
I'm not leaving without it.

18

00:01:28,004 --> 00:01:30,673
[theme music playing]

19

00:03:04,225 --> 00:03:07,979
[Gregg] The bodies were dismembered,
stuffed in trash bags,

20

00:03:08,062 --> 00:03:10,565
and spent between two and six weeks
in the Hudson River.

21

00:03:12,066 --> 00:03:14,194
None of the six victims
was ever identified.

22

00:03:14,277 --> 00:03:15,945
Cause of death never determined.

23

00:03:16,029 --> 00:03:17,906
Police were able to trace,

24

00:03:18,615 --> 00:03:20,074
uh, the articles of clothing

25

00:03:20,158 --> 00:03:23,536
to a fetish shop on Christopher Street
that catered to the leather community.

26

00:03:24,370 --> 00:03:25,872
And there's the lambda tattoo.

27

00:03:25,955 --> 00:03:27,290
Maybe he was a Greek scholar.

28

00:03:27,373 --> 00:03:30,293
Paul Bateson frequented the gay bars
in the Meatpacking District,

29

00:03:30,376 --> 00:03:32,253
but police could never connect him
to the bodies.

30

00:03:32,337 --> 00:03:33,880
He was only convicted for one murder

31

00:03:33,963 --> 00:03:36,507
because he called a journalist
and confessed to it.

32

00:03:36,591 --> 00:03:38,760
The final victim, Addison Verrill.

33

00:03:38,843 --> 00:03:41,054
Who was not dismembered
and stuffed in a bag,

34

00:03:41,137 --> 00:03:43,765
so why should we talk to this guy
if we don't even know he did these?

35

00:03:43,848 --> 00:03:46,142
Because he told a friend
he was the Bag Murderer.

36

00:03:46,226 --> 00:03:47,560
And that he liked to kill.

37

00:03:47,810 --> 00:03:52,148
Isn't someone who practices S and M

already equating arousal with violence?

38

00:03:52,232 --> 00:03:53,608
-He's just a step--
-S/M.

39

00:03:55,777 --> 00:03:58,780
The correct terminology is S/M.
Sadomasochism.

40

00:03:59,155 --> 00:04:00,573
Not "sado and masochism."

41

00:04:01,449 --> 00:04:05,662
S/M is primarily the exchange of power
between a dominant and a submissive.

42

00:04:05,745 --> 00:04:08,706
Pain and violence are just two types
of currency within that exchange.

43

00:04:08,790 --> 00:04:12,543
There's also humiliation, fear,
sometimes even tickling.

44

00:04:12,627 --> 00:04:14,045
Tickled to death? Whole new meaning.

45

00:04:14,128 --> 00:04:16,047
The fact that one of the victims
wore a dog collar

46

00:04:16,130 --> 00:04:17,840
makes me think our guy
likes to be in charge.

47

00:04:17,924 --> 00:04:19,509
Well, due to the condition of the bodies,

48

00:04:19,592 --> 00:04:23,429
we have no evidence of how he killed
or whether S/M was even one of his MOs.

49

00:04:23,513 --> 00:04:25,014
Who else would prey on guys like these?

50

00:04:25,098 --> 00:04:27,558
They were into the same stuff,
and he gets off on going too far.

51

00:04:27,642 --> 00:04:28,810
Well, this isn't just a case

52

00:04:28,893 --> 00:04:31,604
of someone who occasionally crossed
the line of consent.

53

00:04:31,688 --> 00:04:33,731
This is a practiced, organized killer.

54

00:04:33,815 --> 00:04:37,110
Dismembering and disposing
of the bodies without witnesses?

55

00:04:37,193 --> 00:04:38,820
I mean, that takes planning
and commitment.

56

00:04:38,903 --> 00:04:40,738
[Gregg] Well,
there's no denying his victim pool

57

00:04:40,822 --> 00:04:42,907
is specific to what gives him
sexual pleasure.

58

00:04:42,991 --> 00:04:44,492
But they're also low-hanging fruit
for him.

59

00:04:44,575 --> 00:04:45,410
[chuckles] I'll say.

60

00:04:45,493 --> 00:04:48,413
He's accepted in their environment,

and he knows how to lure them.

61

00:04:48,496 --> 00:04:49,789
[Holden] They actually want to be tied up.

62

00:04:49,872 --> 00:04:52,125
So you're saying his victim selection
is about opportunity.

63

00:04:52,208 --> 00:04:53,876
[Carr] I'm just saying
that it would be interesting

64

00:04:53,960 --> 00:04:55,086
to find out how essential

65

00:04:55,169 --> 00:04:57,755
his sexual practices were
to how he killed.

66

00:04:57,839 --> 00:04:58,798
And why.

67

00:04:59,507 --> 00:05:01,426
You know, was sadomasochism...

68

00:05:02,051 --> 00:05:04,887
just a convenient way
for Bateson to find his victims,

69

00:05:04,971 --> 00:05:07,181
-or was it fundamental to his--
-[Holden] That's Atlanta.

70

00:05:08,766 --> 00:05:09,934
It's the police commissioner.

71

00:05:10,685 --> 00:05:13,021
As Jackson said, we would like to applaud

72

00:05:13,813 --> 00:05:16,107
the decision made

by the Department of Justice

73

00:05:16,524 --> 00:05:18,860
to open an FBI investigation

74

00:05:18,943 --> 00:05:20,486
into Atlanta's missing

75

00:05:20,570 --> 00:05:21,696
and murdered children.

76

00:05:22,739 --> 00:05:24,657
Director Webster has assured me

77

00:05:24,907 --> 00:05:27,744
that the bureau will coordinate
with our own task force

78

00:05:27,827 --> 00:05:31,581
and make their abundant resources
available to our city.

79

00:05:33,791 --> 00:05:35,752
[Gunn] We've already been to Atlanta once.

80

00:05:35,835 --> 00:05:37,045
We've done the background work.

81

00:05:37,128 --> 00:05:38,254
[man on speaker]
The vice president's placing

82

00:05:38,338 --> 00:05:40,006
the highest priority on this.

83

00:05:40,089 --> 00:05:42,884
I don't want us to look like we're running
a research project down there.

84

00:05:42,967 --> 00:05:43,801
Absolutely not.

85

00:05:43,885 --> 00:05:45,511
We're there to get convictions.

86

00:05:45,595 --> 00:05:48,306
All right, Ted. I'll call Wyman,
tell him we're sending the BSU

87

00:05:48,389 --> 00:05:50,600
instead of that third canine unit
he wants.

88

00:05:51,017 --> 00:05:52,518
They better be house-trained.

89

00:05:52,602 --> 00:05:54,103
[Gunn]
And on a short leash. You have my word.

90

00:05:57,398 --> 00:05:58,316
That was...

91

00:05:58,399 --> 00:05:59,400
Director Webster.

92

00:06:00,109 --> 00:06:03,988
The president doesn't want child murder
lingering over his first 100 days,

93

00:06:04,072 --> 00:06:05,990
so he's throwing George Bush at this.

94

00:06:07,158 --> 00:06:08,826
The director wants to be sure

95

00:06:09,285 --> 00:06:11,871
the bureau comes out smelling good
to this administration.

96

00:06:11,954 --> 00:06:13,706
And it came down to us or Lassie.

97

00:06:14,082 --> 00:06:15,124
[Gunn] Essentially.

98

00:06:15,541 --> 00:06:17,543
Holden, I'd like you there
as soon as possible. Bill,

99

00:06:17,627 --> 00:06:18,878
you can fly out Monday,

100

00:06:19,337 --> 00:06:21,339
right after the directors' retreat.

101

00:06:21,756 --> 00:06:23,508
Webster's going out on a limb.

102

00:06:23,591 --> 00:06:26,761
He needs to understand who we are,
have assurance in what we can do.

103

00:06:26,844 --> 00:06:27,678
Yes, sir.

104

00:06:27,762 --> 00:06:30,139
We're budgeted through the end,
so pack accordingly.

105

00:06:30,223 --> 00:06:32,433
They're following 17 cases.

106

00:06:32,517 --> 00:06:34,268
That could be a while.

107

00:06:34,352 --> 00:06:36,896
If Webster's involved,
he's going for closure.

108

00:06:38,147 --> 00:06:39,607
We want to be part of that.

109

00:06:40,441 --> 00:06:43,236
Go do what you do, but as we've learned,

110
00:06:43,319 --> 00:06:45,071
our methods are not always
gonna be received

111
00:06:45,154 --> 00:06:47,240
with unbridled enthusiasm, so...

112
00:06:47,323 --> 00:06:48,282
Play nice.

113
00:06:48,366 --> 00:06:49,367
Play smart.

114
00:06:53,371 --> 00:06:54,247
Bill.

115
00:06:58,376 --> 00:06:59,794
We will be okay.

116
00:07:01,170 --> 00:07:02,088
Yes, sir.

117
00:07:05,258 --> 00:07:06,592
[knocks]

118
00:07:07,093 --> 00:07:09,971
How are we supposed
to fulfill Gunn's expansive vision

119
00:07:10,054 --> 00:07:11,514
if he keeps sending you away?

120
00:07:11,931 --> 00:07:13,891
This time, it comes from the very top.

121
00:07:14,350 --> 00:07:18,187
Well, I can select support staff,
but I can't recruit and train agents.

122
00:07:18,271 --> 00:07:21,524

I need to be back in town every Friday
for some things with Brian.

123

00:07:21,941 --> 00:07:24,444
I'll spend the afternoon here,
do what I can.

124

00:07:25,194 --> 00:07:26,571
You and Gregg take Bateson.

125

00:07:26,654 --> 00:07:27,989
Keep the interviews going.

126

00:07:28,448 --> 00:07:30,908
You're going to leave Holden alone
three days a week?

127

00:07:31,159 --> 00:07:33,578
He's down there on his own
till Monday as it is.

128

00:07:33,661 --> 00:07:35,663
Gunn wants me at the directors' retreat.

129

00:07:35,746 --> 00:07:37,790
I mean, last time he managed
to get you tossed out,

130

00:07:37,874 --> 00:07:38,791
and you were with him.

131

00:07:38,875 --> 00:07:40,001
I'll call Jim Barney.

132

00:07:40,668 --> 00:07:43,087
Ask him to be Holden's wingman
till I get there.

133

00:07:43,379 --> 00:07:44,464
It's three days.

134

00:07:45,131 --> 00:07:46,132

Exactly.

135

00:07:55,308 --> 00:07:57,477
-[door opens]
-[Tench] Nance?

136

00:07:57,560 --> 00:08:00,980
Back here! [under breath] Jeez.

137

00:08:08,154 --> 00:08:12,158
[at normal volume] Want some dinner?
There's spaghetti and one chicken leg.

138

00:08:12,408 --> 00:08:14,785
-[kisses]
-No, I'm bushed.

139

00:08:17,288 --> 00:08:18,247
How's Bri?

140

00:08:18,581 --> 00:08:19,499
He's fine.

141

00:08:21,751 --> 00:08:22,752
How was your day?

142

00:08:23,044 --> 00:08:24,045
Super.

143

00:08:26,005 --> 00:08:26,964
How super?

144

00:08:28,090 --> 00:08:30,760
It was fine. Um, hand me that bag.

145

00:08:36,974 --> 00:08:37,892
Thanks.

146

00:08:52,573 --> 00:08:53,658
Is it that bad?

147

00:08:53,741 --> 00:08:55,243
[Nancy] Three times this week.

148
00:08:55,910 --> 00:08:58,412
If he wets again tonight,
I'm throwing them out.

149
00:08:58,788 --> 00:08:59,705
I got cheapies.

150
00:08:59,789 --> 00:09:02,708
-Jesus. Brian hasn't wet the bed for--
-[Nancy] Three years and five months.

151
00:09:02,792 --> 00:09:04,460
Believe me, I remember.

152
00:09:06,170 --> 00:09:08,631
Today I found him playing
with his baby toys.

153
00:09:08,714 --> 00:09:09,590
Three Men in a Tub.

154
00:09:10,007 --> 00:09:11,717
It's like he's going backwards.

155
00:09:11,801 --> 00:09:13,594
Just when he was getting
some independence.

156
00:09:14,262 --> 00:09:16,138
Suddenly, I'm potty training again.

157
00:09:16,222 --> 00:09:18,140
Let's talk to Dr. Moritz tomorrow.

158
00:09:18,558 --> 00:09:21,477
-Maybe it's part of the process.
-[Nancy] Oh, I haven't packed you yet.

159
00:09:21,894 --> 00:09:23,896

But your suit's back from the cleaners.

160

00:09:23,980 --> 00:09:26,691
It's okay, I'll pack.
Don't worry about it.

161

00:09:26,774 --> 00:09:28,359
Oh, have you spoken to Gunn today?

162

00:09:31,696 --> 00:09:34,073
-Bill, you need to take time off.
-[sighs]

163

00:09:34,156 --> 00:09:36,075
Brian needs you. I need help with him.

164

00:09:37,034 --> 00:09:38,744
Honey, I just found out today:

165

00:09:39,036 --> 00:09:41,289
after the retreat,
I have to go to Atlanta.

166

00:09:41,372 --> 00:09:44,125
We've opened an investigation
into the murders there.

167

00:09:44,417 --> 00:09:45,543
I don't have a choice.

168

00:09:47,378 --> 00:09:48,254
Okay.

169

00:09:57,138 --> 00:10:00,057
Look, I'm coming home every Thursday night

170

00:10:00,474 --> 00:10:01,976
for the Friday appointments.

171

00:10:02,518 --> 00:10:03,769
I'll stay all weekend.

172

00:10:04,228 --> 00:10:06,105
-Every week.
-I said okay.

173

00:10:07,106 --> 00:10:09,191
You say there's nothing you can do, so...

174

00:10:10,651 --> 00:10:12,028
the decision's been made.

175

00:10:57,365 --> 00:10:59,700
[man] My biggest complaint
is I can't get to the Joffrey.

176

00:11:01,786 --> 00:11:03,204
But prison dried me out.

177

00:11:03,287 --> 00:11:06,374
I was draining two bottles of vodka a day
till I lost my job.

178

00:11:06,791 --> 00:11:08,668
You were a radiology technician.

179

00:11:09,168 --> 00:11:11,295
Until I was an usher in a porn theater.

180

00:11:12,129 --> 00:11:14,674
Now I'm sober, work out every day.

181

00:11:14,757 --> 00:11:16,842
And, mostly, they leave me unsupervised.

182

00:11:17,760 --> 00:11:20,763
Actually, I'd appreciate
a little more discipline.

183

00:11:21,597 --> 00:11:23,474
[prisoners yelling in distance]

184

00:11:24,475 --> 00:11:27,061

How did you meet Addison Verrill?

185

00:11:28,312 --> 00:11:29,939
Sitting at the bar at The Anvil.

186

00:11:30,398 --> 00:11:31,607
We were doing poppers.

187

00:11:31,691 --> 00:11:33,109
Started talking porn.

188

00:11:33,567 --> 00:11:35,903
He knew 'em all.
Appreciated the good ones.

189

00:11:36,737 --> 00:11:37,571
Good ones?

190

00:11:37,655 --> 00:11:39,990
[Bateson] Anybody can roll a camera
on a piece of muscle

191

00:11:40,074 --> 00:11:41,617
plowing some bottom raw.

192

00:11:42,159 --> 00:11:44,120
I can catch that live at The Tunnel.

193

00:11:44,704 --> 00:11:46,914
But there's an art
to letting things happen

194

00:11:46,997 --> 00:11:48,040
in the right rhythm.

195

00:11:48,165 --> 00:11:49,917
Finding that bond in violence.

196

00:11:51,836 --> 00:11:52,837
You watch any porn?

197

00:11:55,464 --> 00:11:56,882
Bonding in violence.

198
00:11:58,008 --> 00:12:00,177
Is that how you prefer
to relate to people?

199
00:12:01,011 --> 00:12:03,055
On a deeper level, probably.

200
00:12:04,014 --> 00:12:06,767
-Love is violence. Sex is violence.
-[Carr] Is it?

201
00:12:06,851 --> 00:12:10,146
Every interaction is violence.
It's just a matter of scale.

202
00:12:10,229 --> 00:12:12,398
How much of something do we want to feel?

203
00:12:12,732 --> 00:12:15,025
Does it feel good
when your lover takes your hand

204
00:12:15,109 --> 00:12:16,569
and you didn't expect it?

205
00:12:17,653 --> 00:12:20,072
Does it feel better
when he grabs your nipples?

206
00:12:20,948 --> 00:12:21,782
Twists 'em?

207
00:12:22,700 --> 00:12:24,577
What did Addison think about violence?

208
00:12:25,578 --> 00:12:26,662
Full into it.

209
00:12:27,329 --> 00:12:29,582

The films he liked, the things he said.
I could tell.

210

00:12:29,665 --> 00:12:30,708
Is that why you picked him?

211

00:12:30,791 --> 00:12:34,044
-No, we pick each other, don't we?
-[Carr] But he was your type.

212

00:12:34,128 --> 00:12:35,421
No, not really.

213

00:12:35,838 --> 00:12:37,423
Usually, I don't like swishes.

214

00:12:37,506 --> 00:12:39,049
They give us all a bad name.

215

00:12:40,843 --> 00:12:43,262
Addison was holding court at the bar.

216

00:12:43,763 --> 00:12:46,140
He could've left with anyone,
but he stuck with me.

217

00:12:47,475 --> 00:12:48,559
That was nice.

218

00:12:49,685 --> 00:12:53,773
When you went back to his apartment,
had you already decided to kill him?

219

00:12:54,982 --> 00:12:55,816
No.

220

00:12:55,900 --> 00:12:58,527
We smoked some weed.
Drank some of his Scotch.

221

00:12:58,694 --> 00:13:00,279
Had lots of sex.

222

00:13:01,614 --> 00:13:04,992
He liked it rough.
That's how they knew it was me.

223

00:13:05,075 --> 00:13:07,036
When I called that reporter,

224

00:13:07,787 --> 00:13:10,039
I told him the couch
and rug were covered in Crisco.

225

00:13:11,081 --> 00:13:13,042
[chuckling]
Police hadn't figured out what it was.

226

00:13:14,293 --> 00:13:15,377
What happened after?

227

00:13:18,088 --> 00:13:19,340
I hadn't come down yet.

228

00:13:21,050 --> 00:13:23,052
He asked me if I wanted a joint.

229

00:13:23,928 --> 00:13:26,514
I hit him with a skillet,
and then I stabbed him.

230

00:13:26,972 --> 00:13:30,267
Was that the natural conclusion
of an arousal experience for you?

231

00:13:33,437 --> 00:13:35,981
The "rough" sex that you had,

232

00:13:36,065 --> 00:13:37,775
did it build in intensity?

233

00:13:38,025 --> 00:13:39,318

-Was--

-[Bateson] Sure.

234

00:13:39,610 --> 00:13:41,529
You always wanna have somewhere to go.

235

00:13:42,029 --> 00:13:43,364
Pain is the release.

236

00:13:43,948 --> 00:13:47,326
The fear...
that's what you want to play with.

237

00:13:48,035 --> 00:13:50,538
So, was killing Addison
an extension of the sexual violence?

238

00:13:50,621 --> 00:13:52,164
No, we were done.

239

00:13:52,248 --> 00:13:53,415
Wore ourselves out.

240

00:13:55,292 --> 00:13:56,836
You can only go for so long.

241

00:13:57,753 --> 00:13:59,213
[Carr] Then why did you kill him?

242

00:14:04,009 --> 00:14:06,262
[sighs]

243

00:14:06,554 --> 00:14:08,264
It... It wasn't a...

244

00:14:09,723 --> 00:14:11,100
soul act for him.

245

00:14:13,978 --> 00:14:15,312
I was looking for real connection.

246

00:14:15,396 --> 00:14:17,398
[Carr] Was The Anvil

247

00:14:17,481 --> 00:14:19,942
a place that you had found
a real connection before?

248

00:14:20,025 --> 00:14:20,860
[Bateson] No.

249

00:14:21,652 --> 00:14:23,404
But there's always that moment...

250

00:14:24,697 --> 00:14:27,074
where something might turn
into the real thing.

251

00:14:28,242 --> 00:14:29,326
It just didn't.

252

00:14:32,329 --> 00:14:34,123
That's what we're all looking for.

253

00:14:35,082 --> 00:14:36,083
Connection.

254

00:14:36,166 --> 00:14:38,669
When you went out,
were you a dominant or a submissive?

255

00:14:39,086 --> 00:14:41,922
-[Bateson] Those days, I was a total top.
-[Carr] Those days?

256

00:14:42,006 --> 00:14:45,759
I started off as a bottom. Most do.
That's... how you learn what to do.

257

00:14:45,843 --> 00:14:47,553
What a bottom wants to feel.

258

00:14:47,636 --> 00:14:48,637
How far you can go.

259

00:14:48,721 --> 00:14:52,975
So you were practiced at finding
that moment when things could turn...

260

00:14:53,559 --> 00:14:56,270
into nothing or into connection,

261

00:14:56,353 --> 00:14:58,522
or perhaps into deeper violence.

262

00:15:02,526 --> 00:15:03,819
The Bag Murders,

263

00:15:03,903 --> 00:15:07,281
six leathermen dumped in the Hudson
in garbage bags.

264

00:15:07,990 --> 00:15:10,534
Do you think that the person
who killed those men

265

00:15:10,951 --> 00:15:12,411
could've been experimenting?

266

00:15:13,037 --> 00:15:15,623
Seeing how it felt to go too far?

267

00:15:15,706 --> 00:15:17,875
They keep trying to get me for those.

268

00:15:20,002 --> 00:15:21,211
Gay guy into leather.

269

00:15:21,795 --> 00:15:24,173
-So imaginative.
-[Carr] It's more than that.

270

00:15:24,590 --> 00:15:27,801
You also worked in a hospital.
You had some training in anatomy,

271

00:15:28,260 --> 00:15:29,637
access to medical instruments.

272

00:15:29,720 --> 00:15:31,555
I wasn't squeamish,
if that's what you're asking,

273

00:15:31,639 --> 00:15:34,767
-but I wasn't a surgeon.
-[Glenn] You did confess to a friend.

274

00:15:34,850 --> 00:15:37,519
You... actually told him, verbatim,

275

00:15:38,729 --> 00:15:40,022
"I like to kill."

276

00:15:40,189 --> 00:15:41,482
Ugh. God--

277

00:15:41,649 --> 00:15:44,568
We were all so fucked up at the time.

278

00:15:46,820 --> 00:15:50,115
The cops actually said if I confess,
I would do less time on a plea deal.

279

00:15:50,199 --> 00:15:52,284
-Less time?
-[Bateson] Crazy, right?

280

00:15:52,368 --> 00:15:54,453
They just want to say
they closed the books.

281

00:15:54,536 --> 00:15:55,663
Keep the queens happy.

282

00:15:55,746 --> 00:15:56,664
But I got news:

283

00:15:56,747 --> 00:16:00,042

the queens want this to be
some uptight straight guy.

284

00:16:00,417 --> 00:16:01,961
Why would they care who it is?

285

00:16:02,044 --> 00:16:04,546
Perceptions matter
when you're an "aberration," Anita.

286

00:16:09,009 --> 00:16:10,761
We can't be seen as eating our own.

287

00:16:11,470 --> 00:16:13,639
Do you think it was an angry straight guy?

288

00:16:15,182 --> 00:16:17,601
Leathermen can smell a straight guy
a mile away.

289

00:16:18,102 --> 00:16:19,520
No one would go anywhere with him.

290

00:16:19,603 --> 00:16:21,689
Clubbers are looking for guys
who know what they're doing.

291

00:16:21,772 --> 00:16:23,732
So the killer would be experienced.

292

00:16:23,816 --> 00:16:25,526
[Bateson] He'd be cruising for the guy...

293

00:16:25,943 --> 00:16:28,195
that wants exactly what he wants to give.

294

00:16:29,613 --> 00:16:32,282
He's watched a thousand guys,
gone home with hundreds.

295

00:16:32,783 --> 00:16:35,536
Feeling the right pulse,

the right quickening of breath.

296

00:16:37,287 --> 00:16:40,791
He's looking for that guy
that just wants it.

297

00:16:40,874 --> 00:16:42,042
Nobody wants to die.

298

00:16:42,126 --> 00:16:45,713
No, but some want to feel
what it's like to almost die.

299

00:16:47,464 --> 00:16:49,216
They let you go just a bit further.

300

00:16:51,552 --> 00:16:52,636
Might even beg you.

301

00:16:53,178 --> 00:16:54,513
And that would excite him?

302

00:16:54,972 --> 00:16:56,056
Of course.

303

00:16:56,390 --> 00:16:59,768
So he would know the victims,
may have been with them intimately before.

304

00:16:59,852 --> 00:17:01,812
[Bateson] Why waste time on an unknown?

305

00:17:02,980 --> 00:17:04,523
And then what would he do?

306

00:17:06,191 --> 00:17:07,109
And then...

307

00:17:09,486 --> 00:17:10,529
he works 'em.

308

00:17:12,406 --> 00:17:13,240
Hard.

309
00:17:14,992 --> 00:17:16,410
Until there's a connection.

310
00:17:16,869 --> 00:17:18,245
What sort of connection?

311
00:17:23,000 --> 00:17:24,251
Well, that's the mystery.

312
00:17:25,586 --> 00:17:27,212
It's trust with fear.

313
00:17:27,671 --> 00:17:28,964
Complete vulnerability.

314
00:17:29,506 --> 00:17:32,301
He lets the master take him
just across that line.

315
00:17:32,885 --> 00:17:33,719
How?

316
00:17:36,221 --> 00:17:37,514
How would he kill him?

317
00:17:37,598 --> 00:17:39,933
How long would he take?
What would he use?

318
00:17:40,017 --> 00:17:41,560
What marks would he leave?

319
00:17:44,563 --> 00:17:46,231
Everyone in the scene's
into their own thing.

320
00:17:46,315 --> 00:17:48,567
You'd have to ask him. Alan.

321

00:17:49,234 --> 00:17:50,569
-[Alan] Yeah.
-I'm ready.

322

00:17:50,861 --> 00:17:51,904
[Alan] All right. Let's move him out.

323

00:17:56,075 --> 00:17:57,451
[door opens]

324

00:17:58,494 --> 00:18:01,455
-Only your killer would know that.
-[handcuffs click]

325

00:18:33,779 --> 00:18:35,781
-[phones ringing]
-[indistinct chatter]

326

00:18:35,989 --> 00:18:37,366
[receptionist] Good morning.

327

00:18:58,846 --> 00:18:59,721
[Barney] Holden.

328

00:19:00,472 --> 00:19:01,390
[Holden] Jim!

329

00:19:01,682 --> 00:19:02,766
This has grown.

330

00:19:02,850 --> 00:19:04,560
Looks like they've narrowed it down
to half the city.

331

00:19:04,643 --> 00:19:07,604
They're all over the map on this.
Smells like desperation.

332

00:19:07,688 --> 00:19:10,232
We got a real lead last night.
You should hear it.

333

00:19:11,733 --> 00:19:13,402

[man on recording]

A whole generation of Negro wiped out

334

00:19:13,485 --> 00:19:15,279

with each one of these dead kids.

335

00:19:15,362 --> 00:19:17,990

You'll find the last one
in the woods by Sigman Road.

336

00:19:18,282 --> 00:19:20,701

And you can count on another one
every month from now on.

337

00:19:20,784 --> 00:19:21,743

[operator] Sir, can you give me

338

00:19:21,827 --> 00:19:23,745

-the exact location of--
-[dial tone buzzes]

339

00:19:23,829 --> 00:19:25,247

[operator] Sir? Sir?

340

00:19:31,128 --> 00:19:32,296

I can't say.

341

00:19:33,130 --> 00:19:34,756

They all sound the same to me.

342

00:19:35,757 --> 00:19:36,675

Just meanness.

343

00:19:36,758 --> 00:19:38,510

Sorry to make you listen to that.

344

00:19:38,594 --> 00:19:39,720

Thank you, Beverly.

345

00:19:44,683 --> 00:19:46,393

Y'all still looking for my Earl?

346

00:19:47,186 --> 00:19:49,563
He'd be 11 now. Might be taller.

347

00:19:49,646 --> 00:19:50,480
[Redding] Yes ma'am.

348

00:19:50,564 --> 00:19:52,357
You can be sure we're lookin'.

349

00:20:00,157 --> 00:20:01,575
Call came in last night.

350

00:20:02,659 --> 00:20:05,662
Staked out a three-mile stretch
of Sigman Road overnight --

351

00:20:05,746 --> 00:20:06,747
nothin'.

352

00:20:07,164 --> 00:20:10,250
First light, put in search teams
on the ground and in the air.

353

00:20:10,334 --> 00:20:13,045
We have agents questioning
known Klan members in the area.

354

00:20:13,128 --> 00:20:15,088
We'll find the body, but,
uh, Jim here says

355

00:20:15,172 --> 00:20:17,257
you might be able to help us
find the caller.

356

00:20:17,341 --> 00:20:19,384
-You won't find a body.
-[Redding] Oh, I'll find it.

357

00:20:19,468 --> 00:20:22,095

Got 250 searchers working grids,
canine units.

358

00:20:22,179 --> 00:20:24,097
There is no body. He's not your man.

359

00:20:25,682 --> 00:20:27,684
-Excuse me?
-It might be the same caller

360

00:20:27,768 --> 00:20:29,728
as the Terrell case,
but he's not your killer. It's a hoax.

361

00:20:32,189 --> 00:20:34,650
You can tell me that
by listening to a tape once?

362

00:20:34,733 --> 00:20:36,944
Same tape we've been listening to
since midnight?

363

00:20:37,027 --> 00:20:37,861
Think about it.

364

00:20:38,362 --> 00:20:41,949
The entire purpose of organizations
like the Klan is to sow terror.

365

00:20:42,032 --> 00:20:44,576
Why would they wait
until number 18 to claim responsibility?

366

00:20:44,660 --> 00:20:47,746
Young man, I've been dealing
with the Klan my whole life.

367

00:20:47,829 --> 00:20:50,749
Sometimes their only purpose
is to kill whatever black person

368

00:20:50,832 --> 00:20:52,251
they can get their hands on.

369

00:20:52,376 --> 00:20:53,794
I have no good reason to doubt this

370

00:20:53,877 --> 00:20:55,587
just because it's not
what you want to hear.

371

00:20:55,671 --> 00:20:57,673
[Holden] But then why call the police,
not the press?

372

00:20:58,257 --> 00:21:01,301
We've learned from Berkowitz,
the Zodiac... they want a story.

373

00:21:01,760 --> 00:21:03,303
Lasting mythology.

374

00:21:03,762 --> 00:21:05,681
To find that,
they go straight to the press.

375

00:21:05,764 --> 00:21:08,392
It makes the police look like
they're the last to know.

376

00:21:10,269 --> 00:21:12,229
That sounds like a grand theory,
Agent Ford.

377

00:21:12,312 --> 00:21:13,981
Like you put a lot of thought into it

378

00:21:14,064 --> 00:21:15,857
in the two minutes
we've been standing here.

379

00:21:15,941 --> 00:21:19,027
But I'm operating on the actual fact
that five days ago...

380

00:21:20,070 --> 00:21:21,989
Lubie Geter, number 18,

381

00:21:22,072 --> 00:21:25,617
was dropped off at a mall parking lot
to sell car deodorizers.

382

00:21:25,701 --> 00:21:27,119
He never came home.

383

00:21:27,494 --> 00:21:29,371
His mama calls me twice a day.

384

00:21:31,373 --> 00:21:33,959
Besides him,
I got four other boys still missing.

385

00:21:34,459 --> 00:21:39,256
Numbers six, eight, 12, and 14,
in case you don't wanna remember names.

386

00:21:39,339 --> 00:21:41,717
And this call is the only lead we got.

387

00:21:42,217 --> 00:21:43,176
Are you comin'?

388

00:21:50,809 --> 00:21:52,811
[foot tapping rhythmically]

389

00:21:58,692 --> 00:21:59,609
Brian...

390

00:22:00,444 --> 00:22:03,030
can you tell me why you took the boys
to the house?

391

00:22:10,412 --> 00:22:12,414
Was it because the baby was crying?

392

00:22:13,623 --> 00:22:16,293
Did you think you could make him

feel better in the house?

393

00:22:20,130 --> 00:22:21,131
It's okay, Bri.

394

00:22:21,214 --> 00:22:22,507
-You can talk to the doc--
-[hushes]

395

00:22:29,973 --> 00:22:32,309
Do you remember the boys holding the baby?

396

00:22:37,898 --> 00:22:40,025
Did you think
they were trying to help him?

397

00:22:41,902 --> 00:22:43,278
To make him stop crying?

398

00:22:50,452 --> 00:22:51,578
[sighs]

399

00:22:54,790 --> 00:22:57,584
It's best for them to know
no one will answer for them.

400

00:22:57,876 --> 00:22:58,835
I understand.

401

00:22:58,919 --> 00:23:01,755
Is it necessary
to make him remember everything?

402

00:23:02,255 --> 00:23:04,424
[Moritz]
Well, it may be uncomfortable for us,

403

00:23:04,508 --> 00:23:06,760
but it allows him
to relate to his feelings

404

00:23:06,843 --> 00:23:08,345

in an accepting environment.

405

00:23:11,640 --> 00:23:14,393
His teacher says Brian isn't participating
in class

406

00:23:14,476 --> 00:23:16,395
and has no interaction with his peers.

407

00:23:16,478 --> 00:23:20,107
-[Nancy] You spoke with Brian's teacher?
-Miss Leland did a class visit.

408

00:23:20,357 --> 00:23:22,442
-What she observed--
-[Nancy] Excuse me.

409

00:23:22,818 --> 00:23:24,528
She was in his class?

410

00:23:25,112 --> 00:23:28,198
Caseworkers have no obligation
to inform you of school visits.

411

00:23:36,581 --> 00:23:38,875
Have you noticed changes in his behavior?

412

00:23:41,211 --> 00:23:43,338
Brian has started wetting his bed again...

413

00:23:43,797 --> 00:23:44,756
on occasion.

414

00:23:44,840 --> 00:23:46,049
Almost every other night.

415

00:23:46,133 --> 00:23:49,052
Even one event tells us a lot
about a patient's progress.

416

00:23:49,136 --> 00:23:50,262
[Nancy] Like what?

417

00:23:50,929 --> 00:23:52,013

What does it tell us?

418

00:23:52,472 --> 00:23:54,933

-Well, secondary enuresis is most--

-Secondary what?

419

00:23:55,267 --> 00:23:56,810

[Moritz] Uh, enuresis. Uh...

420

00:23:57,018 --> 00:23:59,479

Bed-wetting subsequent
to successful toilet training.

421

00:24:00,021 --> 00:24:02,524

The most common cause
is psychological trauma.

422

00:24:03,066 --> 00:24:05,110

He's sleeping with his baby toys,

423

00:24:06,278 --> 00:24:07,821

things he hasn't touched in years.

424

00:24:08,238 --> 00:24:12,033

Emotional regression can also be a marker
for processing extreme distress.

425

00:24:13,076 --> 00:24:15,745

-Is there anything else?

-[Tench] He's been sucking his thumb.

426

00:24:21,501 --> 00:24:24,588

I'm prescribing a low dose
of desmopressin for the bed-wetting.

427

00:24:24,671 --> 00:24:25,839

You want him to take a pill?

428

00:24:25,922 --> 00:24:27,591

It's important

he doesn't develop behaviors

429

00:24:27,674 --> 00:24:29,968
that place him
in a regressed emotional state.

430

00:24:33,013 --> 00:24:34,264
And you need to set limits.

431

00:24:34,723 --> 00:24:35,599
If he wets the bed,

432

00:24:35,682 --> 00:24:37,392
make him responsible
for washing the sheets.

433

00:24:37,476 --> 00:24:39,144
Isn't he gonna think
we're punishing him?

434

00:24:39,227 --> 00:24:41,563
Well, you're helping him
to deal with what he experienced

435

00:24:41,646 --> 00:24:42,772
instead of displacing it.

436

00:24:42,856 --> 00:24:44,483
[Nancy] Brian never mentions it.

437

00:24:44,941 --> 00:24:47,360
The other day we drove by the house
where it happened.

438

00:24:47,444 --> 00:24:50,447
He watched it go by, and he blurted out,
"I want pancakes."

439

00:24:51,490 --> 00:24:54,284
Is trauma really what's causing him
to wet the bed?

440

00:24:54,367 --> 00:24:58,121
Isn't it possible that making him come
to a doctor's office once a week,

441

00:24:58,413 --> 00:25:01,291
having some woman show up
at his school and stare at him,

442

00:25:01,374 --> 00:25:02,792
-giving him pills...
-Nance.

443

00:25:02,876 --> 00:25:06,087
Isn't it possible that those things
are making him regress?

444

00:25:06,171 --> 00:25:08,715
He's reminded every day
that he's not normal.

445

00:25:09,925 --> 00:25:13,595
If he was at home,
doing the things he used to do...

446

00:25:13,678 --> 00:25:16,264
Kids get over stuff. They forget.

447

00:25:16,348 --> 00:25:17,474
Mrs. Tench,

448

00:25:18,808 --> 00:25:21,895
children do not simply forget trauma.

449

00:25:22,896 --> 00:25:24,523
No one simply forgets.

450

00:25:45,585 --> 00:25:47,337
[porter] Let me get that for you, sir.

451

00:25:48,922 --> 00:25:51,007
-Hey, thanks.
-[porter] A pleasure, sir.

452

00:25:52,801 --> 00:25:55,428
-[indistinct chatter]
-[piano music playing]

453

00:26:00,850 --> 00:26:03,186
-I'm with the bureau retreat.
-Yes, sir.

454

00:26:03,979 --> 00:26:06,940
Bill. You're just getting here?

455

00:26:07,607 --> 00:26:08,567
Cutting it close.

456

00:26:08,942 --> 00:26:11,653
I wanted to clear off my desk
before leaving town, sir.

457

00:26:11,736 --> 00:26:14,239
The judge's plane took off late,
so you get a little reprieve.

458

00:26:14,322 --> 00:26:15,365
The judge?

459

00:26:15,448 --> 00:26:17,867
[Gunn] Director Webster was a judge
before his appointment.

460

00:26:17,951 --> 00:26:21,830
He prefers his judicial title, which,
in rules of protocol, takes precedence.

461

00:26:22,747 --> 00:26:24,916
He is a man who appreciates pecking order.

462

00:26:25,000 --> 00:26:25,959
Good to know.

463

00:26:26,626 --> 00:26:29,129
The judge's advance.
Gentlemen, how long?

464

00:26:29,212 --> 00:26:30,505
[agent] Pulling in now, sir.

465

00:26:30,589 --> 00:26:31,965
-[receptionist] There you are.
-Thank you.

466

00:26:32,048 --> 00:26:33,216
It's good to be king.

467

00:26:33,717 --> 00:26:34,759
Yes, it is.

468

00:26:35,719 --> 00:26:38,597
The schedule has you in for an hour,
but keep it to 40 minutes.

469

00:26:38,680 --> 00:26:40,599
And... maybe lose the jacket and tie.

470

00:26:41,182 --> 00:26:43,018
These retreat symposia
are 90 percent retreat,

471

00:26:43,101 --> 00:26:44,352
ten percent symposia.

472

00:26:45,228 --> 00:26:46,605
I'll buy you a little time.

473

00:26:47,063 --> 00:26:49,691
-Judge.
-Ted, great to see you.

474

00:26:50,483 --> 00:26:53,111
-You already got a round in.
-[Gunn] And Wyman owes us all a drink.

475

00:26:53,820 --> 00:26:56,573
-We'll cut you in.
-Mm, okay, then. Gentlemen.

476
00:27:04,789 --> 00:27:05,707
[Nancy] Brian.

477
00:27:09,878 --> 00:27:11,588
Brian, your sandwich is ready.

478
00:27:29,189 --> 00:27:30,106
Brian?

479
00:27:40,075 --> 00:27:41,076
Brian?

480
00:27:49,334 --> 00:27:50,335
Brian!

481
00:27:57,384 --> 00:27:58,259
Brian!

482
00:28:04,307 --> 00:28:05,183
Adele!

483
00:28:06,184 --> 00:28:07,477
Have you seen Brian?

484
00:28:15,527 --> 00:28:16,986
[squeaking]

485
00:28:17,112 --> 00:28:18,029
[Nancy] Brian?

486
00:28:20,699 --> 00:28:21,574
Brian!

487
00:28:25,954 --> 00:28:27,622
Did you hear me calling you?

488
00:28:37,549 --> 00:28:38,717
Go on, honey.

489

00:28:39,342 --> 00:28:40,343
Go on.

490
00:28:40,802 --> 00:28:42,387
You can go play with her.

491
00:28:44,055 --> 00:28:45,014
Come on, Paige.

492
00:28:46,099 --> 00:28:47,142
It's time to go.

493
00:28:49,602 --> 00:28:53,189
-Come on, honey. Grandma's waiting for us.
-[Paige speaks indistinctly]

494
00:29:00,363 --> 00:29:03,158
Brian, we don't stare. Remember?

495
00:29:03,241 --> 00:29:04,159
It's impolite.

496
00:29:05,702 --> 00:29:06,828
Look at me.

497
00:29:08,663 --> 00:29:10,290
I need you to come home...

498
00:29:10,874 --> 00:29:11,875
so we can--

499
00:29:16,087 --> 00:29:18,089
[helicopter blades whirring]

500
00:29:25,638 --> 00:29:28,433
-[dogs barking in distance]
-[indistinct radio chatter]

501
00:29:36,483 --> 00:29:38,234
[indistinct chatter]

502

00:29:41,029 --> 00:29:43,948
-Delta sector, report.
-Chief Redding, I feel like we--

503
00:29:44,032 --> 00:29:46,075
[man 1 on radio]
Delta sector report negative.

504
00:29:46,701 --> 00:29:48,369
[man 2 on radio]
...sector report negative.

505
00:29:48,453 --> 00:29:52,415
Sir, chopper needs to refuel.
He suggests suspending for the night.

506
00:29:56,127 --> 00:29:57,962
All sectors, all sectors, suspend.

507
00:29:58,046 --> 00:30:00,673
-Y'all start coming on in.
-[man 1 on radio] Copy that.

508
00:30:01,174 --> 00:30:02,634
-No body.
-Come on, bring it in, guys!

509
00:30:02,717 --> 00:30:04,093
-That what you wanted to hear?
-[officer 1] Let's go!

510
00:30:04,177 --> 00:30:06,012
-No, sir. It's not.
-[officer 1 whistles]

511
00:30:06,095 --> 00:30:07,764
It's bad if you don't find one.

512
00:30:08,723 --> 00:30:09,933
Worse if you do.

513
00:30:10,016 --> 00:30:11,935
I wanted to say,

I feel like we started off wrong.

514

00:30:12,018 --> 00:30:15,188

-You could say that.

-I only meant we don't wanna waste our--

515

00:30:16,147 --> 00:30:17,941

your resources on every tip.

516

00:30:18,483 --> 00:30:20,443

Over the past year,
I've pulled children's bodies

517

00:30:20,527 --> 00:30:23,446

out of creek beds, woods,
vacant buildings.

518

00:30:23,530 --> 00:30:25,198

[man 3 on radio] Chief,
we'll be opening the road here

519

00:30:25,281 --> 00:30:27,367

-as things clear out.

-Roger.

520

00:30:27,450 --> 00:30:29,828

We have thousands of acres
of untended property.

521

00:30:30,453 --> 00:30:32,705

When we get any lead
that narrows it to one road,

522

00:30:32,789 --> 00:30:34,415

I have no choice but to take it.

523

00:30:34,499 --> 00:30:37,085

We've learned things
about how these types of killers think.

524

00:30:37,168 --> 00:30:38,211

We can anticipate them,

525

00:30:38,294 --> 00:30:40,713
focus on their next move
instead of just reacting.

526

00:30:40,964 --> 00:30:43,299
We have a meeting Monday morning
with all the jurisdictions.

527

00:30:43,383 --> 00:30:45,927
You have a way to narrow things down,
happy to hear it.

528

00:30:46,010 --> 00:30:47,887
Now I have to go brief the mayor.

529

00:30:47,971 --> 00:30:49,806
-[people clamoring]
-Shit.

530

00:30:50,098 --> 00:30:51,266
[officer 2] Stay back!

531

00:30:51,349 --> 00:30:55,270
[reporter 1] Chief Redding! Chief Redding,
has there been another body found?

532

00:30:55,353 --> 00:30:57,814
-Did the FBI initiate this search?
-[reporter 2] We heard about a phone call.

533

00:30:57,897 --> 00:30:59,315
Did you find a body?

534

00:30:59,399 --> 00:31:01,401
[Redding] I have no statement
at this time.

535

00:31:02,485 --> 00:31:03,778
[reporter 3] Was there a body found?

536

00:31:03,862 --> 00:31:05,321
Did the FBI call for this search?

537

00:31:05,405 --> 00:31:08,449
Will the FBI work with APD,
or are you running your own investigation?

538

00:31:08,533 --> 00:31:11,536
-[reporters clamoring]
-[reporter 1] Any leads? Any suspects?

539

00:31:11,619 --> 00:31:12,871
Any more leads?

540

00:31:12,954 --> 00:31:16,082
-[helicopter blades whirring overhead]
-[engine starts]

541

00:31:16,165 --> 00:31:18,918
[Webster] It's a local case, Ted.
It's gotten national attention.

542

00:31:19,002 --> 00:31:22,338
The bureau responding to this
is like a tail wagging the dog.

543

00:31:22,422 --> 00:31:24,382
-[group chuckles]
-[Webster] Agent Tench,

544

00:31:25,049 --> 00:31:28,428
you're going down there.
What can your unit bring to this case?

545

00:31:29,137 --> 00:31:31,472
[Tench] Well, sir,
we'll be looking for connections.

546

00:31:32,307 --> 00:31:33,975
We think some of these cases
may be linked.

547

00:31:34,058 --> 00:31:36,060
Sir, the work these guys are doing
is groundbreaking.

548

00:31:36,144 --> 00:31:37,562
They interviewed Manson.

549

00:31:37,854 --> 00:31:39,856
Manson's crazier than a shithouse rat.

550

00:31:39,939 --> 00:31:41,524
[group chuckles]

551

00:31:41,608 --> 00:31:43,818
Can we really learn
from someone like him, Agent?

552

00:31:43,902 --> 00:31:46,070
We've also interviewed
more cogent subjects.

553

00:31:46,154 --> 00:31:47,196
Such as?

554

00:31:47,280 --> 00:31:48,364
[Tench] Ed Kemper.

555

00:31:48,448 --> 00:31:49,657
The Co-ed Killer.

556

00:31:49,741 --> 00:31:52,201
-Beheaded ten college girls.
-[Tench] Well, six, actually.

557

00:31:52,285 --> 00:31:53,494
But he did kill ten people.

558

00:31:53,578 --> 00:31:54,704
What was he like?

559

00:31:55,204 --> 00:31:56,247
To talk to?

560

00:31:57,040 --> 00:31:59,334

Well, he's six nine.

561

00:31:59,417 --> 00:32:00,335
[Webster] Oh!

562

00:32:00,418 --> 00:32:01,920
[Tench]
So he could be a little intimidating

563

00:32:02,003 --> 00:32:03,880
to sit across from with no guard,

564

00:32:03,963 --> 00:32:05,340
no sidearm, no cuffs.

565

00:32:05,840 --> 00:32:08,092
But you have to develop a level of trust.

566

00:32:08,176 --> 00:32:10,261
One day, we brought a pizza in
and had lunch with him.

567

00:32:10,345 --> 00:32:12,430
We're dividing slices
while he's telling us

568

00:32:12,513 --> 00:32:14,724
-how hard it is to sever a head.
-[group chuckles]

569

00:32:16,225 --> 00:32:19,187
And this guy has hands
like catcher's mitts,

570

00:32:19,520 --> 00:32:21,439
and he's sitting three feet away.

571

00:32:21,898 --> 00:32:22,774
How did he do it?

572

00:32:23,399 --> 00:32:24,275
How did he kill 'em?

573

00:32:24,651 --> 00:32:26,152
[Tench] He picked up hitchhikers,

574

00:32:26,235 --> 00:32:27,904
drove them to a wooded area,

575

00:32:28,446 --> 00:32:30,114
and then stabbed and strangled them.

576

00:32:30,531 --> 00:32:32,659
Then he raped 'em
and cut off their heads.

577

00:32:33,076 --> 00:32:34,494
And then he raped the heads.

578

00:32:34,577 --> 00:32:36,245
[group murmurs]

579

00:32:36,579 --> 00:32:37,997
[Webster] Why decapitation?

580

00:32:38,081 --> 00:32:39,666
[Tench] He collected them...

581

00:32:40,625 --> 00:32:41,584
as trophies.

582

00:32:42,418 --> 00:32:44,545
Kemper was the first to make us see

583

00:32:44,629 --> 00:32:48,341
these killers develop
a sickening personal signature.

584

00:32:48,424 --> 00:32:52,387
And we're learning these offenders
start having fantasies very young.

585

00:32:52,804 --> 00:32:55,723

They practice: dolls, animals.
That escalates.

586

00:32:55,807 --> 00:32:57,809
[Webster] I dealt with my share
of criminals from the bench.

587

00:32:58,226 --> 00:33:00,812
Most of them were bad from the start,
even as kids:

588

00:33:01,396 --> 00:33:02,605
runaways, loners.

589

00:33:02,689 --> 00:33:03,690
They never fit in.

590

00:33:04,107 --> 00:33:06,526
I always said when I had a juvenile
I knew was bad,

591

00:33:06,609 --> 00:33:08,236
I wish I could put him away for life.

592

00:33:09,362 --> 00:33:10,697
You could just see it

593

00:33:10,780 --> 00:33:11,823
in their eyes.

594

00:33:13,908 --> 00:33:14,867
Gentlemen,

595

00:33:15,702 --> 00:33:18,162
they keep a well-stocked humidor
behind the bar

596

00:33:18,246 --> 00:33:19,706
that I turned a blind eye to.

597

00:33:20,915 --> 00:33:22,000
Shall we?

598

00:33:22,709 --> 00:33:24,711
[group chattering]

599

00:33:37,265 --> 00:33:39,267
[phone ringing]

600

00:33:39,892 --> 00:33:41,811
-Hello?
-[Tench over phone] Hey, it's me.

601

00:33:42,979 --> 00:33:44,522
It's late. What time is it?

602

00:33:44,605 --> 00:33:45,732
It's almost 10:00.

603

00:33:45,815 --> 00:33:48,735
I just called to check in on you.
How's Brian?

604

00:33:49,235 --> 00:33:50,069
Fine...

605

00:33:51,237 --> 00:33:52,155
now.

606

00:33:52,822 --> 00:33:54,073
What do you mean, "now"?

607

00:33:55,324 --> 00:33:57,452
He got out. I-- I couldn't find him.

608

00:33:57,744 --> 00:33:58,578
Got out?

609

00:33:58,661 --> 00:34:01,789
[sighs] I went door to door.

610

00:34:03,124 --> 00:34:04,792
Finally found him in the park.

611
00:34:06,085 --> 00:34:08,588
He was staring at this child. Just...

612
00:34:10,715 --> 00:34:11,799
staring.

613
00:34:11,883 --> 00:34:13,885
[men laugh]

614
00:34:15,094 --> 00:34:16,304
But he scared me.

615
00:34:17,388 --> 00:34:19,015
What do you want me to do, Nance?

616
00:34:19,098 --> 00:34:20,099
Nothing.

617
00:34:21,392 --> 00:34:22,560
Everything's done.

618
00:34:23,352 --> 00:34:24,937
I just... wanted to tell you.

619
00:34:25,438 --> 00:34:27,482
Honey, I don't know what to say.

620
00:34:27,940 --> 00:34:31,069
How about,
"I'm gonna take time off to help"?

621
00:34:31,152 --> 00:34:32,445
[men chuckling]

622
00:34:32,528 --> 00:34:34,447
You know I can't do that right now.

623
00:34:34,655 --> 00:34:35,490
I know.

624
00:34:36,157 --> 00:34:37,200
You have to work.

625
00:34:37,742 --> 00:34:38,785
I just...

626
00:34:39,744 --> 00:34:42,538
honestly don't know
if I can do this alone, Bill.

627
00:34:42,622 --> 00:34:43,915
You're not alone.

628
00:34:45,291 --> 00:34:46,417
I have to go to sleep.

629
00:34:47,752 --> 00:34:50,880
-[receiver clatters]
-[dial tone buzzes]

630
00:34:55,802 --> 00:34:57,804
["The Gambler" playing on jukebox]

631
00:34:59,180 --> 00:35:01,724
[Gunn speaks indistinctly] Hey, sit down.

632
00:35:01,808 --> 00:35:03,559
-Whiskey, please.
-[bartender] Sure thing.

633
00:35:03,643 --> 00:35:05,394
I still want to hear about Manson.

634
00:35:06,729 --> 00:35:09,232
-Make it a double.
-[group laughs]

635
00:35:10,149 --> 00:35:11,109
[glasses clink]

636
00:35:11,192 --> 00:35:14,695

"Do you find yourself getting so lost
in your own thoughts

637

00:35:14,779 --> 00:35:17,615
that you ignore
and forget your surroundings?

638

00:35:18,074 --> 00:35:19,117
All the time.

639

00:35:19,200 --> 00:35:20,409
Some of the time.

640

00:35:20,493 --> 00:35:21,536
Occasionally.

641

00:35:21,619 --> 00:35:22,662
Never."

642

00:35:24,163 --> 00:35:25,206
-Wen.
-Huh?

643

00:35:25,289 --> 00:35:28,459
Should I answer for you?
I think I have a good shot at this one.

644

00:35:30,503 --> 00:35:33,047
-Where'd you get that?
-[Kay] Found it on a bus.

645

00:35:33,172 --> 00:35:34,841
-Ew.
-[Kay] Come on, it'll be fun.

646

00:35:35,174 --> 00:35:36,634
I'm gonna mark that one as...

647

00:35:37,176 --> 00:35:38,386
"some of the time."

648

00:35:39,637 --> 00:35:42,306

Uh...

"Is it difficult to get you excited?"

649

00:35:42,390 --> 00:35:44,350

Oh, you should probably answer that one.

650

00:35:44,433 --> 00:35:46,435

Come on, you have to take this seriously,
or the results won't be accurate.

651

00:35:46,519 --> 00:35:49,313

I find it kind of difficult
to take a Myers-Briggs test seriously,

652

00:35:49,397 --> 00:35:52,358

especially one that has a panty liner ad
on the back of it.

653

00:35:53,067 --> 00:35:54,235

I should just focus on this.

654

00:35:54,318 --> 00:35:55,862

[Kay] Come on.

There's only a couple left.

655

00:35:55,945 --> 00:35:58,656

"Do you find yourself
initiating conversations?"

656

00:35:58,739 --> 00:35:59,991

-Yes.

-Really?

657

00:36:00,074 --> 00:36:02,326

Yeah. I initiated conversation with you.

658

00:36:02,410 --> 00:36:03,744

Because you wanted to fuck me.

659

00:36:03,828 --> 00:36:05,830

I initiate conversations all day.

660

00:36:05,913 --> 00:36:07,999
Oh, an interview's not a conversation.

661
00:36:08,082 --> 00:36:10,960
[Carr] You know, whose test is this?
Yours or mine?

662
00:36:11,294 --> 00:36:12,795
I'm just trying to get to know you.

663
00:36:12,879 --> 00:36:15,089
It feels a little like you're trying
to get to correct me.

664
00:36:15,173 --> 00:36:18,342
Well, would you rather tell me
about whatever it is

665
00:36:18,426 --> 00:36:20,094
that you're burying your face in?

666
00:36:22,305 --> 00:36:23,848
I'm sorry, ask me another one.

667
00:36:25,141 --> 00:36:25,975
No.

668
00:36:27,226 --> 00:36:28,060
Come on.

669
00:36:29,437 --> 00:36:30,771
Tell me about what you're reading.

670
00:36:31,355 --> 00:36:33,566
It's the, uh...
It's the Bateson interview.

671
00:36:34,025 --> 00:36:35,943
-Okay.
-[Carr] Mm.

672
00:36:38,946 --> 00:36:41,908

It's just a fine line of giving them
enough attention

673

00:36:41,991 --> 00:36:43,284
so that they'll engage with you,

674

00:36:43,367 --> 00:36:45,536
but also being able
to steer the conversation.

675

00:36:46,287 --> 00:36:48,456
And when it's over
in just a few minutes, it...

676

00:36:48,539 --> 00:36:49,624
Wasn't worth the effort?

677

00:36:49,707 --> 00:36:51,626
He was surprisingly forthcoming
in the beginning.

678

00:36:51,709 --> 00:36:54,545
He answered every question,
even volunteered information.

679

00:36:55,046 --> 00:36:57,673
But when I got to the questions
I really wanted to ask,

680

00:36:57,757 --> 00:36:59,050
he just walked out.

681

00:36:59,133 --> 00:37:00,509
So he rope-a-doped you?

682

00:37:00,968 --> 00:37:03,304
-I don't know what that means.
-[Kay] Rumble in the Jungle?

683

00:37:03,387 --> 00:37:05,806
You know, when Ali
let George Foreman punch himself out.

684

00:37:05,890 --> 00:37:08,392
Yeah. Sure, he, uh, "rope-a-doped" me.

685

00:37:08,476 --> 00:37:12,730
Oh, I'm sure he had plenty of practice
leading people down the garden path.

686

00:37:13,189 --> 00:37:16,567
[Carr] No, I should have seen it coming.
I mean, I've been studying manipulators

687

00:37:16,651 --> 00:37:18,319
-my whole career.
-Oh.

688

00:37:19,570 --> 00:37:20,529
On paper.

689

00:37:25,201 --> 00:37:26,535
[sighs]

690

00:37:28,579 --> 00:37:31,165
No, I'm-- I'm just saying
that you-- you don't have to be an expert

691

00:37:31,249 --> 00:37:33,084
at everything the first time.

692

00:37:34,543 --> 00:37:35,461
Huh.

693

00:37:36,295 --> 00:37:37,838
It's just a bit disappointing.

694

00:37:42,802 --> 00:37:45,638
[reporter on TV] Another sad chapter
in the epidemic of child murders

695

00:37:45,721 --> 00:37:47,640
unfolded today in Rockdale County

696

00:37:47,723 --> 00:37:51,352
where the FBI conducted
an unsuccessful search along Sigman Road.

697
00:37:51,435 --> 00:37:53,938
Channel 2
has been unable to confirm reports

698
00:37:54,021 --> 00:37:57,191
that a man called in a tip
about where a body could be found.

699
00:37:57,275 --> 00:37:59,610
The FBI and police had no comment.

700
00:38:00,486 --> 00:38:03,739
Meanwhile, the search
for 14-year-old Lubie Geter continues.

701
00:38:04,323 --> 00:38:05,700
That's it for us tonight.

702
00:38:05,783 --> 00:38:07,034
It's 10:30.

703
00:38:07,118 --> 00:38:08,995
Do you know where your children are?

704
00:38:09,078 --> 00:38:11,622
[news fanfare playing]

705
00:38:13,582 --> 00:38:16,752
I always want you present
in the local room

706
00:38:16,836 --> 00:38:19,797
where my reporters and Mr. Wallace Cook

707
00:38:19,880 --> 00:38:23,217
can drink you in constantly

708
00:38:23,301 --> 00:38:25,386

as a warning against fakes!

709

00:38:25,886 --> 00:38:28,472
-[piano music playing]
-[indistinct chatter]

710

00:38:39,275 --> 00:38:41,277
-[elevator bell dings]
-[Tanya] Agent Ford.

711

00:38:41,402 --> 00:38:43,404
[elevator door opens]

712

00:38:43,738 --> 00:38:44,655
[Holden] Tanya.

713

00:38:45,573 --> 00:38:47,408
-[elevator door closes]
-[Holden] Hi.

714

00:38:49,285 --> 00:38:51,704
[Tanya] I thought that was you.
I saw you'd checked in,

715

00:38:51,787 --> 00:38:53,205
for a while, it looks like.

716

00:38:53,372 --> 00:38:54,415
Until it's over.

717

00:38:55,916 --> 00:38:57,335
I was expecting you sooner.

718

00:38:57,418 --> 00:39:00,046
I came the moment they opened
an official FBI investigation.

719

00:39:00,921 --> 00:39:02,131
[takes a deep breath]

720

00:39:02,214 --> 00:39:03,299
And...

721

00:39:04,383 --> 00:39:06,719
you should know we've moved
beyond looking into the families.

722

00:39:08,054 --> 00:39:11,599
I came down specifically
to refocus the APD's efforts.

723

00:39:12,016 --> 00:39:14,310
I saw on the news
someone called about a body.

724

00:39:14,935 --> 00:39:15,811
He a suspect?

725

00:39:16,729 --> 00:39:18,356
I can't say officially, but...

726

00:39:18,439 --> 00:39:21,650
A man calls to tell you he did it,
you may want to consider him.

727

00:39:24,362 --> 00:39:26,655
I'm not at liberty
to discuss details, but...

728

00:39:28,699 --> 00:39:31,410
my unit is here to focus on

729

00:39:31,494 --> 00:39:35,373
-what we consider most probable.
-[Tanya] Most probable for each child?

730

00:39:35,748 --> 00:39:37,291
They all got different things going on.

731

00:39:37,375 --> 00:39:40,711
Some of them hustling jobs here and there.
Carrying groceries, running errands.

732

00:39:40,795 --> 00:39:42,922

A few of them
might've gotten themselves into situations

733

00:39:43,005 --> 00:39:45,257
-they didn't know were dangerous.
-What does that mean?

734

00:39:45,341 --> 00:39:48,636
You looking at where these kids work?
Parking lots, drive-throughs?

735

00:39:48,719 --> 00:39:49,970
I'm sure we will.

736

00:39:51,222 --> 00:39:54,809
Our most recent was seen
selling car deodorizers outside a mall.

737

00:39:55,351 --> 00:39:56,394
Lubie Geter.

738

00:39:56,477 --> 00:39:57,561
Right.

739

00:39:57,645 --> 00:39:59,605
Not all of 'em have
car deodorizers to sell.

740

00:39:59,688 --> 00:40:01,065
They do whatever they can.

741

00:40:01,148 --> 00:40:02,358
What do you mean? Drugs?

742

00:40:02,441 --> 00:40:04,360
There's drugs, panhandling.

743

00:40:04,443 --> 00:40:07,405
Some kids learn to steal little things
and sell them.

744

00:40:08,614 --> 00:40:11,033

Folks have been saying
that a few of these boys

745

00:40:11,117 --> 00:40:12,743
could be selling themselves.

746

00:40:12,827 --> 00:40:14,870
These kids are 11, 12.

747

00:40:14,954 --> 00:40:17,206
Every kid is told
to watch out for strangers.

748

00:40:18,666 --> 00:40:21,836
Most have no idea
how dangerous some strangers can be.

749

00:40:23,295 --> 00:40:24,964
-All I'm sayin' is...
-[phone ringing]

750

00:40:25,047 --> 00:40:27,216
...you all should be looking
at those people too.

751

00:40:29,301 --> 00:40:30,594
[receiver rattles]

752

00:40:31,053 --> 00:40:33,764
This is the Omni. Tanya speaking.
How may I help you?

753

00:40:36,934 --> 00:40:38,227
Absolutely. One moment.

754

00:40:38,769 --> 00:40:40,771
[lock rattling]

755

00:41:14,889 --> 00:41:16,223
[grunts]

756

00:41:29,528 --> 00:41:30,821

[groans softly]

757

00:41:34,658 --> 00:41:36,202
[exhales]

758

00:41:50,299 --> 00:41:51,550
[sighs]

759

00:42:01,018 --> 00:42:02,561
[coins clatter]

760

00:42:15,824 --> 00:42:17,117
[door opens]

761

00:42:18,160 --> 00:42:19,787
-Morning.
-[Barney] Good morning.

762

00:42:23,958 --> 00:42:26,335
What do you know about child prostitution
in Atlanta?

763

00:42:26,418 --> 00:42:27,836
[Barney] I know it goes on.

764

00:42:27,920 --> 00:42:29,213
The same as any big city.

765

00:42:30,673 --> 00:42:32,466
It's not something I've dealt with,

766

00:42:33,175 --> 00:42:34,593
but I can ask Atlanta PD.

767

00:42:35,886 --> 00:42:36,720
Why?

768

00:42:36,804 --> 00:42:39,890
I need files on known pedophiles
in the greater Atlanta area.

769

00:42:39,974 --> 00:42:42,309
-[door squeaks]
-Sure. We can look into that.

770
00:42:45,813 --> 00:42:47,606
It looks like greater Atlanta
just walked in.

771
00:42:48,399 --> 00:42:50,401
Gonna be interesting
to see how they take to us.

772
00:42:50,484 --> 00:42:52,486
There's no reason
for them not to want our help.

773
00:42:54,029 --> 00:42:54,905
Bill!

774
00:42:56,574 --> 00:42:57,408
Hey!

775
00:42:58,409 --> 00:42:59,410
Good to see ya.

776
00:42:59,493 --> 00:43:00,452
Welcome, Bill.

777
00:43:00,536 --> 00:43:01,453
This is us.

778
00:43:02,371 --> 00:43:04,123
Sorry to miss first day of school.

779
00:43:04,748 --> 00:43:06,125
What are we starting with?

780
00:43:06,625 --> 00:43:09,295
We're about to walk into a meeting
with the county chiefs.

781
00:43:09,378 --> 00:43:12,172

Chief Redding wants our advice
on how to focus the investigation.

782

00:43:12,590 --> 00:43:13,549
Sounds good.

783

00:43:17,303 --> 00:43:19,722
[Holden]
For instance, David Berkowitz, Son of Sam,

784

00:43:19,805 --> 00:43:20,889
told us he was compelled

785

00:43:20,973 --> 00:43:24,018
to go back to a specific site
where he had killed before.

786

00:43:24,101 --> 00:43:25,894
To physically relive the experience.

787

00:43:26,520 --> 00:43:28,063
You interviewed Son of Sam?

788

00:43:28,147 --> 00:43:29,023
[Tench] We did.

789

00:43:29,356 --> 00:43:32,484
So the theory is,
instead of trying to cover all of Atlanta,

790

00:43:32,568 --> 00:43:35,362
we concentrate on where we believe
the killer may return.

791

00:43:35,446 --> 00:43:38,949
We'll deploy teams to canvass
previous abduction and dump sites,

792

00:43:39,033 --> 00:43:41,827
narrowing our scope
to these higher probability areas.

793

00:43:41,910 --> 00:43:43,871
Go back over all the ground
we've already covered?

794

00:43:43,954 --> 00:43:46,123
[Tench] Neighbors may have seen someone
returning to a scene.

795

00:43:46,206 --> 00:43:47,708
Maybe something was moved or left.

796

00:43:47,791 --> 00:43:49,335
Y'all are assuming it's one suspect.

797

00:43:49,418 --> 00:43:51,795
We got 18 cases
spread all over kingdom come.

798

00:43:51,879 --> 00:43:55,132
So many murders in the same age
and socioeconomic range

799

00:43:55,215 --> 00:43:57,593
is highly improbable
without at least some being linked.

800

00:43:57,676 --> 00:43:59,386
That how we're gonna proceed, Chief?

801

00:43:59,470 --> 00:44:01,388
Seems like we're ignoring
a lot of possibilities.

802

00:44:01,472 --> 00:44:03,515
Nobody's saying rule anybody out.

803

00:44:04,767 --> 00:44:06,352
But let's focus our manpower.

804

00:44:06,644 --> 00:44:10,356
Chief, this kind of focus means
re-canvassing 18 abduction and dump sites,

805

00:44:10,439 --> 00:44:12,650
plus reinterviewing dozens of witnesses.

806

00:44:12,733 --> 00:44:14,109
Gonna really stretch your manpower.

807

00:44:14,193 --> 00:44:16,654
We can use academy recruits
to fill out the teams.

808

00:44:17,029 --> 00:44:19,239
Only way we'll be able
to even half-ass it.

809

00:44:20,449 --> 00:44:21,700
Based on this,

810

00:44:22,868 --> 00:44:25,913
I'm redeploying today's search
to a previous dump site...

811

00:44:26,497 --> 00:44:27,498
Redwine Road,

812

00:44:27,581 --> 00:44:29,708
where we found Milton Harvey's remains.

813

00:44:30,125 --> 00:44:33,587
Assemble your teams.
See if this amounts to anything.

814

00:44:34,129 --> 00:44:36,674
-[Tench] Thank you, Chief.
-[Holden] Thank you.

815

00:44:36,757 --> 00:44:38,926
-Thank you.
-[Redding] Thank you, gentlemen.

816

00:44:43,764 --> 00:44:46,975
Remember Earl Terrell?
I'd like to work his case.

817

00:44:47,059 --> 00:44:49,687
He's still missing, but I think
we could do more than we did for him.

818

00:44:49,770 --> 00:44:52,147
[Tench]
Of course. Mind if I round out your team?

819

00:44:52,231 --> 00:44:53,857
Think I'll join the chief
at the dump site.

820

00:44:53,941 --> 00:44:54,775
[Tench] Okay.

821

00:44:55,859 --> 00:44:57,319
[Barney] So he was last seen at the pool

822

00:44:57,403 --> 00:44:59,071
-across the park.
-[thunder rumbles]

823

00:44:59,154 --> 00:45:01,448
It was a long time ago,
but do you remember him?

824

00:45:01,532 --> 00:45:02,449
I seen him.

825

00:45:02,866 --> 00:45:04,451
Him and a couple others.

826

00:45:05,369 --> 00:45:07,246
[Barney]
You recall seeing him last summer?

827

00:45:07,663 --> 00:45:09,456
Yeah. Lots of times.

828

00:45:09,540 --> 00:45:11,709
Are you out here on your porch

two days a week?

829

00:45:11,792 --> 00:45:13,335

-Three?

-Well, if it's hot,

830

00:45:13,419 --> 00:45:14,628

I'm out here every day.

831

00:45:15,087 --> 00:45:17,214

So in the summer, I see everybody.

832

00:45:19,550 --> 00:45:23,303

Sometimes... them kids head down...

833

00:45:24,263 --> 00:45:25,431

that house there.

834

00:45:25,806 --> 00:45:27,766

-[Tench] The brick house?

-[woman] Mm-hmm.

835

00:45:27,850 --> 00:45:30,936

And sometimes they go to Elsie's. There.

836

00:45:31,228 --> 00:45:33,105

-[Tench] That yellow house?

-[woman] Mm-hmm.

837

00:45:33,981 --> 00:45:36,191

Ma'am, are those glasses prescription?

838

00:45:36,483 --> 00:45:37,943

These are my readers.

839

00:45:38,026 --> 00:45:39,153

For my stories.

840

00:45:39,653 --> 00:45:42,656

Anything else you told the officers before
could be helpful.

841

00:45:43,073 --> 00:45:44,950
Weren't no officers come here.

842

00:45:45,033 --> 00:45:46,910
Ain't nobody ask us nothin'.

843

00:45:48,203 --> 00:45:49,913
Thank you, ma'am.
You've been very helpful.

844

00:45:49,997 --> 00:45:51,165
-[woman] Mm-hmm.
-[Barney] Thank you.

845

00:45:53,083 --> 00:45:54,793
There's no car at the brick house.

846

00:45:55,252 --> 00:45:56,295
Elsie's first.

847

00:45:56,378 --> 00:45:58,088
That's the third person we've talked to

848

00:45:58,172 --> 00:46:00,132
within one block
of where this kid disappeared,

849

00:46:00,215 --> 00:46:01,759
and not one of them was interviewed.

850

00:46:01,842 --> 00:46:04,720
I'm starting to think there's a lot
that's dropped through the cracks.

851

00:46:05,012 --> 00:46:06,180
[bangs on hood]

852

00:46:06,263 --> 00:46:08,891
We called and told them
Earl came by the day he went missing,

853

00:46:08,974 --> 00:46:10,517
but nobody came askin'.

854
00:46:10,893 --> 00:46:14,480
He was looking for Albert,
but Albert wasn't home, so Earl, he left.

855
00:46:15,564 --> 00:46:18,859
-Albert, get in here.
-[cartoon sound effects playing on TV]

856
00:46:23,113 --> 00:46:24,239
Tell 'em about Earl.

857
00:46:27,201 --> 00:46:30,120
Him and Lubie come over to play sometimes.

858
00:46:30,537 --> 00:46:31,371
I wasn't here.

859
00:46:31,455 --> 00:46:32,372
Lubie Geter?

860
00:46:33,040 --> 00:46:34,792
-He and Earl knew each other?
-[Albert] Yeah.

861
00:46:35,793 --> 00:46:38,921
Earl act sometimes
like Lubie's big brother,

862
00:46:39,004 --> 00:46:40,172
take him around and stuff.

863
00:46:40,255 --> 00:46:41,423
Where would Earl take him?

864
00:46:41,757 --> 00:46:43,467
[Albert] You know, just around.

865
00:46:43,842 --> 00:46:45,844
Do you know where else

Earl might have gone that day?

866

00:46:47,721 --> 00:46:48,889
It's all right, baby.

867

00:46:48,972 --> 00:46:50,891
They with the FBI. You can tell them.

868

00:46:52,142 --> 00:46:52,976
See?

869

00:46:54,603 --> 00:46:55,562
You wanna hold it?

870

00:46:57,189 --> 00:46:59,233
Anybody else
Earl might have gone to play with?

871

00:46:59,858 --> 00:47:01,443
They used to hang with Pat-Man.

872

00:47:01,777 --> 00:47:03,403
Does Pat-Man have a last name?

873

00:47:03,487 --> 00:47:04,738
[Elsie] Won't do no good.

874

00:47:04,822 --> 00:47:07,491
He was... uh, one of them.

875

00:47:07,991 --> 00:47:08,992
One of them?

876

00:47:09,076 --> 00:47:11,787
He was right before Lubie.
His real name was Patrick Rogers.

877

00:47:11,870 --> 00:47:13,497
I didn't like him comin' around here.

878

00:47:13,580 --> 00:47:14,998

He too old for these boys.

879

00:47:15,916 --> 00:47:17,793
-Anything else you can tell the men?
-[knock on door]

880

00:47:17,876 --> 00:47:19,503
[officer] Excuse me, the ME's heading out

881

00:47:19,586 --> 00:47:21,213
to Redwine Road. They found something.

882

00:47:22,881 --> 00:47:24,132
Thank you so much, ma'am.

883

00:47:29,263 --> 00:47:31,557
Let's get the address of this brick house.

884

00:47:33,475 --> 00:47:36,019
-[helicopter blades whirring]
-[sirens blaring]

885

00:47:37,062 --> 00:47:39,189
[Holden] Guys, these remains
are less than 100 yards

886

00:47:39,273 --> 00:47:41,692
from where Milton Harvey was dumped
13 months ago.

887

00:47:41,775 --> 00:47:44,444
He's returning to the scene.
What's the press doing here?

888

00:47:44,528 --> 00:47:47,072
Get down there and set up a perimeter!
This is now a crime scene.

889

00:47:47,155 --> 00:47:48,699
[dogs barking in distance]

890

00:47:49,575 --> 00:47:50,993

Forensics show up yet?

891

00:47:51,076 --> 00:47:52,995
We don't have a body retrieval unit.

892

00:47:53,328 --> 00:47:55,205
Recruits will collect any evidence.

893

00:47:55,581 --> 00:47:56,665
It's not Lubie Geter.

894

00:47:56,748 --> 00:47:57,791
Been out here too long.

895

00:47:57,875 --> 00:47:59,877
But it could be
one of the other three still missing.

896

00:47:59,960 --> 00:48:01,753
Earl Terrell was wearing shorts
when he disappeared.

897

00:48:01,837 --> 00:48:02,838
What do you got?

898

00:48:03,714 --> 00:48:05,382
I found these close to the road.

899

00:48:05,465 --> 00:48:08,218
A tennis shoe, one cigarette butt,
and a couple of porno mags.

900

00:48:08,302 --> 00:48:09,845
-Porno?
-[officer 1] Yes, sir.

901

00:48:09,928 --> 00:48:11,096
Gallery and Penthouse.

902

00:48:11,763 --> 00:48:14,766
There's tire tracks, a heavy vehicle,
near where we found 'em.

903

00:48:14,850 --> 00:48:17,269
-[officer 2] Body! Body!
-[officer 3] Body!

904

00:48:17,394 --> 00:48:19,104
-[officer 4] Come on! Body!
-[whistle blows]

905

00:48:20,981 --> 00:48:23,066
Get this stuff into evidence bags
and get some gloves.

906

00:48:23,150 --> 00:48:24,067
Yes, sir.

907

00:48:24,151 --> 00:48:26,486
We need to get
a real forensics unit down here.

908

00:48:26,653 --> 00:48:27,988
Three bodies at one site.

909

00:48:28,363 --> 00:48:31,533
It's one guy. And this is his graveyard.

910

00:48:31,617 --> 00:48:33,619
[officers clamoring]

911

00:48:34,077 --> 00:48:35,787
[flies buzzing]

912

00:48:39,291 --> 00:48:41,418
[Redding] Well, lucky he had a prior.

913

00:48:42,169 --> 00:48:44,463
Never would have traced the prints
off those magazines.

914

00:48:45,756 --> 00:48:46,757
A plumber.

915

00:48:47,341 --> 00:48:49,676
Runs his own business
out of his rented home.

916

00:48:50,802 --> 00:48:52,054
Short rap sheet.

917

00:48:52,596 --> 00:48:54,514
-One incident of petty theft.
-[Holden] What kind?

918

00:48:54,598 --> 00:48:55,682
Clothing? Personal items?

919

00:48:55,766 --> 00:48:56,642
[Redding] Tires.

920

00:48:57,351 --> 00:48:59,895
Seems like he needed a set of four
when he was 19.

921

00:49:01,313 --> 00:49:03,523
No, uh, prior assault.

922

00:49:05,150 --> 00:49:06,818
No history of racial violence.

923

00:49:07,569 --> 00:49:08,779
Sound like our man?

924

00:49:09,821 --> 00:49:11,698
Wait a minute, this guy's Caucasian.

925

00:49:11,782 --> 00:49:14,868
Doesn't change anything
if we can tie him directly to a scene.

926

00:49:15,035 --> 00:49:16,495
We should at least follow up on that.

927

00:49:16,578 --> 00:49:19,289

[Holden] Those magazines are
adult women, not black children.

928

00:49:19,706 --> 00:49:22,376
Even if the labs are positive for semen,
it supports nothing.

929

00:49:22,793 --> 00:49:25,921
Holden, we have three bodies
within 100 yards of each other.

930

00:49:26,004 --> 00:49:28,757
[Holden] There's no doubt
the unsub's dumping them there.

931

00:49:28,840 --> 00:49:30,884
I'm just saying, before we drag in...

932

00:49:31,385 --> 00:49:34,721
Pickett Yarborough,
he's not who we're looking for.

933

00:49:36,848 --> 00:49:38,100
[Tench] Did we run his car?

934

00:49:38,600 --> 00:49:40,727
White 1975 pickup truck.

935

00:49:40,811 --> 00:49:42,062
No police-type vehicle.

936

00:49:42,145 --> 00:49:43,730
No, but utilitarian.

937

00:49:43,814 --> 00:49:45,899
You could keep a hunting kit
without drawing suspicion.

938

00:49:45,983 --> 00:49:47,025
We could surveil him.

939

00:49:47,109 --> 00:49:49,194

[Tench] If he smells us at all,
he'll destroy evidence.

940

00:49:49,277 --> 00:49:50,529
We need to get warrants.

941

00:49:50,988 --> 00:49:52,906
Search his house, his truck.

942

00:49:54,366 --> 00:49:55,826
I think we should bring him in.

943

00:49:56,034 --> 00:49:57,619
Even if it's just to rule him out.

944

00:49:57,703 --> 00:49:59,621
Jim, you're familiar with DA Slaton,
are you not?

945

00:49:59,705 --> 00:50:00,831
Mm-hmm.

946

00:50:01,206 --> 00:50:02,791
Slaton's third-generation law.

947

00:50:02,874 --> 00:50:04,126
He ain't by the book,

948

00:50:04,918 --> 00:50:06,003
he is the book.

949

00:50:06,753 --> 00:50:09,131
-[thunder rumbles]
-[brakes screech]

950

00:50:18,432 --> 00:50:21,101
-[indistinct chatter]
-[piano music playing]

951

00:50:31,319 --> 00:50:33,530
Excuse me, gentlemen,
we're closed for an event.

952

00:50:33,613 --> 00:50:35,782

We need to speak
with District Attorney Slaton.

953

00:50:35,866 --> 00:50:37,284

If you could point him out to us.

954

00:50:37,367 --> 00:50:39,995

Uh, I'm sorry,
we're a private institution.

955

00:50:40,078 --> 00:50:42,372

I'm happy to let Mr. Slaton
know you're here, mister...

956

00:50:42,456 --> 00:50:44,458

Special Agents Tench, Ford, and Barney.

957

00:50:44,541 --> 00:50:47,461

Excuse me a moment?
Mr. and Mrs. Peteet, right this way.

958

00:50:50,213 --> 00:50:51,089

Well...

959

00:50:51,548 --> 00:50:52,632

enjoy your evening.

960

00:50:53,258 --> 00:50:56,887

Mr. Slaton is making an address
at the moment. Excuse me.

961

00:50:56,970 --> 00:50:58,930

Mr. and Mrs. Hamilton, right this way.

962

00:51:00,182 --> 00:51:01,266

I apologize.

963

00:51:02,059 --> 00:51:03,977

If you gentlemen could just wait in...

964
00:51:05,270 --> 00:51:08,398
wait in here,
I'll ask if he can see you afterwards.

965
00:51:11,443 --> 00:51:12,402
Thank you.

966
00:51:13,695 --> 00:51:14,946
Mr. and Mrs. Trambley.

967
00:51:16,740 --> 00:51:18,992
We're only going to get Slaton's ear
for a minute.

968
00:51:19,076 --> 00:51:21,787
-[crowd applauds]
-I'll call and see if the labs are back.

969
00:51:21,870 --> 00:51:25,791
[Slaton] It's been my pleasure to serve
as chair of the fund drive this season.

970
00:51:26,083 --> 00:51:29,419
I told the board,
I can't string two notes together,

971
00:51:29,503 --> 00:51:31,379
but I know good music when I hear it.

972
00:51:31,463 --> 00:51:33,757
Our symphony stands up
against any in the country.

973
00:51:34,174 --> 00:51:37,427
New York, Philadelphia, you name it.

974
00:51:37,511 --> 00:51:39,096
Music lover. Who'd have thought?

975
00:51:39,179 --> 00:51:42,307
But no cultural organization
can flourish...

976

00:51:43,016 --> 00:51:45,352
without benevolent donors like yourselves.

977

00:51:45,685 --> 00:51:49,523
You are the very lifeblood
of the arts in Atlanta.

978

00:51:50,941 --> 00:51:53,902
-Yes, my wife wrote that last part for me.
-[crowd chuckles]

979

00:51:54,194 --> 00:51:55,946
[Slaton] But it's absolutely true.

980

00:51:56,571 --> 00:51:59,908
These musicians are a credit
to their community,

981

00:52:00,575 --> 00:52:03,328
to our city,
and to the great state of Georgia.

982

00:52:03,829 --> 00:52:07,624
So, please, give generously...
and enjoy your evening.

983

00:52:07,707 --> 00:52:08,542
Thank you.

984

00:52:12,129 --> 00:52:15,674
[Tench] Labs are back.
No blood, but definite seminal fluid.

985

00:52:15,757 --> 00:52:18,760
-[string quartet playing]
-[chewing] Gonna be a hard sell.

986

00:52:24,724 --> 00:52:26,476
[speaking indistinctly]

987

00:52:27,310 --> 00:52:29,479

I'd hoped,
since you gentlemen thought it necessary

988

00:52:29,563 --> 00:52:31,356
to pull me out of my wife's event,

989

00:52:31,606 --> 00:52:34,860
which took three months to plan,
you'd have a more compelling argument.

990

00:52:34,943 --> 00:52:37,154
Sir, if I can explain our methodology.

991

00:52:37,237 --> 00:52:39,531
[Slaton] I'm an evidence man, Agent Tench.

992

00:52:39,614 --> 00:52:42,325
You have no eyewitness account,
no relevant priors,

993

00:52:42,409 --> 00:52:45,745
no evidence directly tying this man
to any of the bodies.

994

00:52:46,204 --> 00:52:50,208
Sir, these types of crimes
are sexually motivated.

995

00:52:50,292 --> 00:52:53,170
The men who perpetrate them
are compelled to repeat the crime...

996

00:52:53,628 --> 00:52:55,839
or to relive the sexual satisfaction

997

00:52:55,922 --> 00:52:59,217
by going to crime scenes
and feeling that relief again.

998

00:52:59,301 --> 00:53:01,261
Finding three bodies over time

999

00:53:01,344 --> 00:53:03,680
and a clear-cut scene
of self-gratification

1000

00:53:03,763 --> 00:53:05,265
at the same remote site...

1001

00:53:05,348 --> 00:53:07,184
[Barney]

We're concerned that if we merely surveil,

1002

00:53:07,267 --> 00:53:10,270
the suspect will destroy the evidence
you'll need to prosecute.

1003

00:53:10,353 --> 00:53:12,105
As intriguing as that sounds,

1004

00:53:12,772 --> 00:53:16,151
I've never issued warrants
based on radical psychological theories.

1005

00:53:16,234 --> 00:53:18,778
My constituents trust
that I will protect their rights

1006

00:53:18,862 --> 00:53:20,572
against unlawful search and seizure.

1007

00:53:20,655 --> 00:53:22,824
Lubie Geter has been missing for six days.

1008

00:53:23,450 --> 00:53:25,702
We've got no leads,
and the clock is ticking.

1009

00:53:29,247 --> 00:53:30,248
I'll grant your warrants.

1010

00:53:31,541 --> 00:53:33,919
But I want no press.

1011

00:53:34,669 --> 00:53:35,670
None.

1012
00:53:36,213 --> 00:53:39,132
This must remain absolutely silent.

1013
00:53:39,466 --> 00:53:40,425
Understood.

1014
00:53:41,051 --> 00:53:42,177
[helicopter blades whirring]

1015
00:53:43,094 --> 00:53:44,179
-[Yarborough] It's okay.
-[woman] No.

1016
00:53:44,262 --> 00:53:46,264
-[Yarborough] Baby, don't worry about me.
-[woman] What's happening?

1017
00:53:46,348 --> 00:53:47,807
-[Yarborough] It'll be all right.
-[woman] Don't touch me.

1018
00:53:47,891 --> 00:53:49,184
[Yarborough] It'll be fine, baby.

1019
00:53:49,267 --> 00:53:51,686
