1

00:00:06,089 --> 00:00:09,217
-[camera shutter clicks]
-[Tench] We've held him almost five hours.

2

00:00:09,342 --> 00:00:11,803
We need to talk to him
before he calls a lawyer.

3

00:00:11,886 --> 00:00:13,888
-We have to use the magazines.
-[Holden] It's not enough.

4

00:00:13,972 --> 00:00:16,224
We need something that tells him
we've already nailed him.

5

00:00:16,307 --> 00:00:18,059
-It's got to unnerve him.
-Right.

6

00:00:18,560 --> 00:00:19,477
His rock.

7

00:00:19,561 --> 00:00:20,478
If he's got one.

8

00:00:20,562 --> 00:00:22,105
-[indistinct chatter]
-[metal clatters]

9

00:00:22,188 --> 00:00:24,274
[Holden] Remember,
Berkowitz always had his kit.

10

00:00:24,816 --> 00:00:27,610
This is a white guy
from outside the victims' world.

11

00:00:27,694 --> 00:00:29,946
If our perp's doing these,
he's working on the move.

12

00:00:30,030 --> 00:00:32,699
There'd be something in there
that connects him with the crimes.

13

00:00:33,324 --> 00:00:36,578
You got anything he could use
to strangle or restrain anyone?

14

00:00:36,661 --> 00:00:38,747
Rope. But every plumber's got rope.

15

00:00:38,830 --> 00:00:40,415
Any supremacist literature?

16

00:00:40,498 --> 00:00:41,499
[Barney] Nope.

17

00:00:42,876 --> 00:00:44,669
The Geter boy's been missing
almost a week.

18

00:00:44,753 --> 00:00:46,254
We have to move, Holden.

19

00:00:46,713 --> 00:00:48,631
You can't force a square peg
into a round hole

20

00:00:48,715 --> 00:00:50,050
just because you prefer it to fit.

21

00:00:50,133 --> 00:00:52,135
-[Barney] Bill.
-[Tench] What is it?

22

00:00:55,180 --> 00:00:56,264
Awful lot of tape.

23

00:00:56,556 --> 00:00:59,142
We have no evidence tape was used
on any of the victims.

24

00:00:59,225 --> 00:01:00,977
We have no evidence that it wasn't.

25
00:01:02,437 --> 00:01:03,521
[sighs]

26
00:01:06,691 --> 00:01:09,360
[theme music playing]

27
00:02:47,750 --> 00:02:48,835
[exhales]

28
00:02:51,546 --> 00:02:52,714
[Holden sighs]

29
00:02:54,924 --> 00:02:56,342
We'll get you more of those.

30
00:02:57,427 --> 00:02:58,595
You need anything else?

31
00:02:59,220 --> 00:03:00,054
Coffee?

32
00:03:00,138 --> 00:03:00,972
No, I'm...

33
00:03:01,598 --> 00:03:03,099
-I'm fine.
-You sure?

34
00:03:03,683 --> 00:03:04,684
[Yarborough sighs]

35
00:03:05,518 --> 00:03:06,394
Okay. Sure.

36
00:03:12,317 --> 00:03:13,401
[sighs]

37
00:03:16,362 --> 00:03:17,822

[clicks, whirs]

38

00:03:19,032 --> 00:03:22,577
[Holden takes a deep breath,
clears throat]

39

00:03:24,162 --> 00:03:26,039
[clicks tongue] You're a plumber.

40

00:03:28,458 --> 00:03:29,292
Yeah.

41

00:03:33,546 --> 00:03:35,048
You're pretty clean, you know.

42

00:03:36,090 --> 00:03:36,966
Huh?

43

00:03:38,509 --> 00:03:39,427
Your record.

44

00:03:39,969 --> 00:03:40,803
It's clean.

45

00:03:41,638 --> 00:03:45,600
There's the... petty theft.
What's that about?

46

00:03:45,683 --> 00:03:48,645
Well, that was, um...
That was just a misunderstanding.

47

00:03:48,728 --> 00:03:49,854
Misunderstanding?

48

00:03:50,271 --> 00:03:51,439
[Yarborough] Well, yeah. I, uh...

49

00:03:52,523 --> 00:03:54,442
I put cash on the counter
for them tires,

50

00:03:54,525 --> 00:03:56,569
but, uh, they never found it, so...

51

00:04:00,073 --> 00:04:01,824
You know, it's hard to argue with that.

52

00:04:03,117 --> 00:04:04,035
Good point.

53

00:04:06,996 --> 00:04:08,748
Looks like you grew up here.

54

00:04:09,165 --> 00:04:10,208
Born in Fulton County.

55

00:04:10,291 --> 00:04:12,919
-Mm-hmm. My whole life.
-So you know your way around.

56

00:04:15,755 --> 00:04:17,507
The shortcuts, the back roads.

57

00:04:21,552 --> 00:04:23,263
Most of your clients live nearby?

58

00:04:24,847 --> 00:04:26,307
Word-of-mouth type of thing?

59

00:04:26,808 --> 00:04:27,850
[lighter clicks]

60

00:04:29,727 --> 00:04:32,188
-[sighs] Uh...
-[lighter clicks]

61

00:04:36,109 --> 00:04:37,360
[Yarborough] Some folks I know.

62

00:04:37,777 --> 00:04:38,861
But I work all over.

63

00:04:39,404 --> 00:04:41,739
-All over where, exactly?
-[Yarborough sighs] Um...

64

00:04:42,323 --> 00:04:45,326
East Point, uh... Lakewood Heights.

65

00:04:45,868 --> 00:04:46,744
Uh...

66

00:04:47,787 --> 00:04:49,998
You know, mostly south of downtown, so...

67

00:04:53,334 --> 00:04:54,627
[Holden] You drive a lot.

68

00:04:55,753 --> 00:04:56,879
Gotta get to work.

69

00:04:57,630 --> 00:04:59,841
You go through
a lot of different neighborhoods.

70

00:05:00,508 --> 00:05:01,759
White neighborhoods,

71

00:05:02,510 --> 00:05:03,636
black neighborhoods.

72

00:05:03,720 --> 00:05:04,804
[scoffs] Sure.

73

00:05:06,139 --> 00:05:08,433
I mean, it's mostly mixed-in down here.

74

00:05:09,851 --> 00:05:12,228
You get to see
a lot of different ways of life.

75

00:05:14,022 --> 00:05:15,315
You're in people's homes,

76

00:05:16,566 --> 00:05:17,608
under the sink.

77

00:05:19,193 --> 00:05:20,903
They go about their business,

78

00:05:21,571 --> 00:05:23,114
almost forget you're there.

79

00:05:25,658 --> 00:05:26,743
[Yarborough] I guess.

80

00:05:28,119 --> 00:05:29,996
Any of your clientele have kids?

81

00:05:32,540 --> 00:05:33,708
Probably. I, uh...

82

00:05:33,791 --> 00:05:36,461
You know, I'm just there
to do my thing, and I don't, uh--

83

00:05:36,544 --> 00:05:38,546
But you'd notice a kid if he was around.

84

00:05:41,924 --> 00:05:43,134
[Yarborough] I suppose.

85

00:05:45,219 --> 00:05:46,346
Most of your clients white?

86

00:05:46,929 --> 00:05:48,848
Like I said, you know, it's a mix.

87

00:05:48,931 --> 00:05:50,350
So you're in black homes too.

88

00:05:52,894 --> 00:05:54,187
Some, yeah.

89

00:05:57,315 --> 00:05:58,358
Sugar, right?

90

00:05:59,192 --> 00:06:00,026
Yeah.

91

00:06:04,030 --> 00:06:05,031
[Barney chuckles]

92

00:06:06,949 --> 00:06:07,784
I got it.

93

00:06:08,242 --> 00:06:09,118
Sorry about that.

94

00:06:13,456 --> 00:06:14,999
-Thanks.
-[Barney] Mm-hmm.

95

00:06:15,083 --> 00:06:15,958
[door closes]

96

00:06:26,344 --> 00:06:27,553
You belong to any clubs?

97

00:06:28,221 --> 00:06:29,138
Clubs?

98

00:06:30,264 --> 00:06:31,557
You know, groups.

99

00:06:32,141 --> 00:06:33,309
Go to any meetings?

100

00:06:34,977 --> 00:06:35,853
What kind of meetings?

101

00:06:35,937 --> 00:06:38,773
Maybe the kind
where you all have the same dislikes,

102
00:06:39,315 --> 00:06:40,358
grievances.

103
00:06:41,150 --> 00:06:42,276
The kind where you...

104
00:06:42,985 --> 00:06:44,070
wear a sheet.

105
00:06:44,153 --> 00:06:46,614
No, I don't-- I don't--
I don't get involved in that shit.

106
00:06:47,073 --> 00:06:49,742
That's not... That's not me.
I-- I-- That's--

107
00:06:49,826 --> 00:06:50,868
-You sure?
-[Yarborough] Well...

108
00:06:50,952 --> 00:06:52,620
Seems pretty common,
this neck of the woods.

109
00:06:52,703 --> 00:06:54,414
[Yarborough] I, uh... Well... It...

110
00:06:56,332 --> 00:06:57,792
It is. Uh...

111
00:07:00,461 --> 00:07:03,339
But I wasn't raised like that.
You know, not to do things like that.

112
00:07:03,798 --> 00:07:04,632
Like what?

113
00:07:04,715 --> 00:07:06,426
[Yarborough]
Like, hatin' people and shit, you know?

114

00:07:06,843 --> 00:07:07,969
Just because of...

115

00:07:09,095 --> 00:07:11,973
[sighs] ...who they are.
No, I-- I wasn't raised like that.

116

00:07:12,056 --> 00:07:12,932
[rapping on glass]

117

00:07:17,937 --> 00:07:19,856
[takes a deep breath]
Looks like we're almost done

118

00:07:19,939 --> 00:07:20,815
with your truck.

119

00:07:20,898 --> 00:07:22,316
-My truck?
-[Holden] We've been searching it

120

00:07:22,400 --> 00:07:23,484
since you stepped through the door.

121

00:07:23,568 --> 00:07:24,819
Uh, for what?

122

00:07:29,699 --> 00:07:30,992
Do you recognize this?

123

00:07:32,285 --> 00:07:34,287
-It's tape.
-You have an awful lot of it.

124

00:07:35,246 --> 00:07:36,747
I'm a plumber, so...

125

00:07:38,249 --> 00:07:41,043
You was... You was, um...
You was looking for tape?

126

00:07:41,127 --> 00:07:42,420
You watch the news lately?

127

00:07:42,503 --> 00:07:45,423
[Holden] You keep a dozen rolls of tape
on hand just in case...

128

00:07:45,882 --> 00:07:46,841
what?

129

00:07:47,258 --> 00:07:49,677
The Chattahoochee threatens
to burst through a shower drain?

130

00:07:49,760 --> 00:07:52,513
-I don't know. What about the news?
-You ever been to Redwine Road?

131

00:07:54,974 --> 00:07:56,350
Yeah, I drive it

132

00:07:56,434 --> 00:07:58,644
-on my way to work sometimes.
-[Holden] So you must've seen the news.

133

00:07:59,061 --> 00:07:59,979
Heard about the bodies.

134

00:08:00,062 --> 00:08:03,232
So the only reason
you go down Redwine Road is for work?

135

00:08:03,316 --> 00:08:05,735
-Yeah, I-- I, uh...
-Never for anything else?

136

00:08:06,068 --> 00:08:06,944
[sighs]

137

00:08:22,293 --> 00:08:23,461
You know what these are?

138

00:08:24,170 --> 00:08:25,546
Mm... Yeah.

139
00:08:30,051 --> 00:08:31,135
They're, uh...

140
00:08:31,844 --> 00:08:34,597
-Yeah, I know what they are.
-We found your fingerprints on them.

141
00:08:34,680 --> 00:08:35,515
I don't understand.

142
00:08:35,598 --> 00:08:37,975
We also found traces of semen
on the magazines.

143
00:08:38,059 --> 00:08:39,685
-[sighs]
-[Tench] You need us to tell you

144
00:08:39,769 --> 00:08:40,978
where we found those?

145
00:08:42,104 --> 00:08:44,899
Fifty feet from the bodies
of two murdered boys.

146
00:08:44,982 --> 00:08:46,067
And across Redwine Road

147
00:08:46,150 --> 00:08:48,945
from where we found Milton Harvey's body
last year.

148
00:08:51,280 --> 00:08:52,865
[Yarborough breathing heavily]

149
00:08:56,035 --> 00:08:57,078
[softly] I'm sorry.

150
00:08:58,412 --> 00:09:00,206

-I'm so sorry.
-[Holden] I'm sure you are.

151
00:09:00,748 --> 00:09:03,167
Now you just need to tell us
what you're sorry for.

152
00:09:05,920 --> 00:09:07,547
Well, my, uh, wife, she's, um--

153
00:09:07,630 --> 00:09:08,965
-Your wife?
-[Yarborough] Yeah, my wife.

154
00:09:09,048 --> 00:09:10,174
She's pregnant and, um...

155
00:09:10,800 --> 00:09:14,804
It's our first.
And we haven't, you know...

156
00:09:15,263 --> 00:09:16,138
[exhales]

157
00:09:17,723 --> 00:09:19,892
And I bought those magazines,
and I took them to the woods,

158
00:09:19,976 --> 00:09:21,018
and I used 'em.

159
00:09:22,478 --> 00:09:23,479
I ain't never hurt nobody.

160
00:09:23,563 --> 00:09:26,566
You're tellin' me
you went into the woods to jack off?

161
00:09:26,649 --> 00:09:28,568
I don't know nothin' about any murders.

162
00:09:28,776 --> 00:09:29,735

It-- [sighs]

163

00:09:30,486 --> 00:09:32,446
-It's just, sometimes you gotta--
-[knocking]

164

00:09:36,242 --> 00:09:37,159
[clicks]

165

00:09:39,537 --> 00:09:40,705
[Yarborough exhales]

166

00:09:42,290 --> 00:09:44,458
-[softly] Another body.
-[Holden] Is it...?

167

00:09:44,542 --> 00:09:45,501
It's not Lubie.

168

00:09:45,835 --> 00:09:49,088
Forensics says he was killed
and dumped within the last six hours.

169

00:09:49,630 --> 00:09:51,549
We think it's a kid named Terry Pue.

170

00:09:51,632 --> 00:09:54,552
Last seen around midnight,
well after we picked this guy up.

171

00:09:54,635 --> 00:09:55,928
He couldn't have done it.

172

00:09:56,971 --> 00:09:59,223
So you're telling me the guy
we spent all night squeezing,

173

00:09:59,307 --> 00:10:01,350
who doesn't match our profile,
not a single criteria--

174

00:10:01,434 --> 00:10:03,686

We had his semen, fingerprints.

175

00:10:03,769 --> 00:10:05,813
That guy did nothing wrong
but whack it in the woods.

176

00:10:05,896 --> 00:10:07,898
And while we were dicking around
with duct tape and porn,

177

00:10:07,982 --> 00:10:09,025
another kid was murdered.

178

00:10:12,945 --> 00:10:14,113
I'll make the apology.

179

00:10:14,447 --> 00:10:16,449
Gotta stick around
to make the call to Slaton anyway.

180

00:10:16,532 --> 00:10:18,159
Don't want him to see it first
on the news.

181

00:10:18,242 --> 00:10:19,076
Sorry.

182

00:10:19,160 --> 00:10:20,244
You had to.

183

00:10:20,328 --> 00:10:22,288
Just leave a prelim report on my desk.

184

00:10:22,538 --> 00:10:24,457
Get some sleep. It's already tomorrow.

185

00:10:24,665 --> 00:10:25,541
[Tench] Thanks.

186

00:10:25,625 --> 00:10:29,337
[reporter on TV] With unconfirmed reports
that yet another body has been found,

187

00:10:29,420 --> 00:10:32,006
there may finally be a break
in the investigation...

188

00:10:32,089 --> 00:10:33,799
[crowd clamoring]

189

00:10:33,883 --> 00:10:37,053
-[Yarborough] I can't go out there.
-It's okay. I'll take you out the back.

190

00:10:37,511 --> 00:10:39,680
...but a man was taken into custody

191

00:10:39,764 --> 00:10:42,183
and questioned overnight by the FBI.

192

00:10:42,516 --> 00:10:47,104
This comes just days after the discovery
of two new sets of remains.

193

00:10:47,271 --> 00:10:49,815
-Safety commissioner...
-That's guy's life is ruined.

194

00:10:49,899 --> 00:10:51,567
...outside the task force.

195

00:10:51,901 --> 00:10:56,614
I cannot comment on the status
of the individual at this time,

196

00:10:56,697 --> 00:10:59,033
other than the fact that we issued...

197

00:10:59,450 --> 00:11:01,494
-[officer] Yeah.
-...a custodial warrant.

198

00:11:02,286 --> 00:11:03,996
No charges have been issued as of yet.

199

00:11:04,080 --> 00:11:07,041
[Tench] Well, we're not getting
any more favors from DA Slaton.

200

00:11:07,166 --> 00:11:09,251
-I can let you know...
-[Holden] Waste of time.

201

00:11:09,335 --> 00:11:10,378
It could've been him.

202

00:11:11,045 --> 00:11:12,046
You wanted it to be.

203

00:11:14,465 --> 00:11:15,591
We had to eliminate him.

204

00:11:15,675 --> 00:11:17,176
There's no point in us being down here

205

00:11:17,259 --> 00:11:19,220
if we're not doing the one thing
only we know how to do.

206

00:11:19,303 --> 00:11:20,930
We can't have tunnel vision, Holden.

207

00:11:21,013 --> 00:11:23,474
Whittling down possibilities
is not tunnel vision.

208

00:11:23,683 --> 00:11:24,558
That guy didn't fit.

209

00:11:24,642 --> 00:11:26,435
We don't have enough yet
to know what fits.

210

00:11:26,519 --> 00:11:30,231
-Where are you going?
-I need a shower, food, and sleep.

211

00:11:30,856 --> 00:11:33,567

I'm no good to anyone
after 24 goddamn hours.

212

00:11:33,651 --> 00:11:36,195

[reporter on TV] ...further comment
from task force officials,

213

00:11:36,278 --> 00:11:37,988

but we have crews following this--

214

00:11:38,948 --> 00:11:40,491

[door closes]

215

00:11:41,283 --> 00:11:42,702

[Barney on TV]

I'll answer your questions one at a time.

216

00:11:42,785 --> 00:11:44,286

[reporter 1]

Is the man you released a suspect?

217

00:11:44,370 --> 00:11:46,747

[Barney] The gentleman's not being charged
and is not being considered a suspect. No.

218

00:11:46,831 --> 00:11:48,499

[reporter 2] We have reports
of another body being found.

219

00:11:48,582 --> 00:11:50,876

-What can you tell us about that?

-I'm not able to talk about any details.

220

00:11:50,960 --> 00:11:53,587

-Thank you.

-[reporters clamoring indistinctly]

221

00:11:54,004 --> 00:11:57,216

[anchor] The body found this morning
along Sigman Road in Rockdale County

222

00:11:57,299 --> 00:12:00,386
has been identified
as 15-year-old Terry Pue.

223

00:12:00,469 --> 00:12:02,555
The cause of death was strangulation.

224

00:12:02,638 --> 00:12:06,016
The task force and FBI had searched
that stretch along Sigman Road

225

00:12:06,100 --> 00:12:08,227
just a few days ago based on a tip.

226

00:12:08,602 --> 00:12:10,396
That search turned up nothing.

227

00:12:10,479 --> 00:12:12,606
-Today, the same area yielded...
-[TV volume increases]

228

00:12:12,690 --> 00:12:15,568
...the 19th victim
of Atlanta's child slayings.

229

00:12:16,152 --> 00:12:19,739
This is the first time
a body has been found in Rockdale County.

230

00:12:20,156 --> 00:12:23,868
Rockdale Sheriff's Department said today
they would be cooperating with APD

231

00:12:23,951 --> 00:12:25,536
and Task Force Chief Morris Redding

232

00:12:25,619 --> 00:12:26,912
-in their investigation.
-[line ringing]

233

00:12:26,996 --> 00:12:29,373
[phone ringing]

234

00:12:29,457 --> 00:12:30,374
[Tench grunts]

235

00:12:32,752 --> 00:12:33,836
[glass clatters]

236

00:12:33,919 --> 00:12:36,464
-[Tench] Hello.
-[Holden on phone] He's fucking with us.

237

00:12:36,630 --> 00:12:40,259
-[sighs] What?
-The killer, he's fucking with us.

238

00:12:40,718 --> 00:12:43,137
[Tench] If he's still fuckin' with us
in eight hours,

239

00:12:43,220 --> 00:12:44,472
tell me about it.

240

00:12:48,434 --> 00:12:49,268
[sighs]

241

00:12:49,351 --> 00:12:52,104
The search continues
for three children still missing,

242

00:12:52,229 --> 00:12:53,981
11-year-old Darron Glass,

243

00:12:54,064 --> 00:12:55,691
11-year-old Jeffrey Mathis,

244

00:12:55,775 --> 00:12:57,777
and 14-year-old Lubie Geter.

245

00:12:57,860 --> 00:12:59,779
When we got the hoax call
from Sigman Road,

246

00:12:59,862 --> 00:13:02,531
we walked that site for 12 hours
and we found nothing.

247

00:13:04,033 --> 00:13:05,159
Until yesterday.

248

00:13:07,578 --> 00:13:10,164
Terry Pue, right where we'd searched.

249

00:13:10,539 --> 00:13:13,793
He dumped Pue's body on Sigman Road
because he saw us on TV.

250

00:13:14,835 --> 00:13:16,170
He's following the press,

251

00:13:16,629 --> 00:13:17,546
taunting us.

252

00:13:19,298 --> 00:13:21,801
You know, BTK sent his first letter

253

00:13:22,218 --> 00:13:25,429
after the police arrested two other guys
for the Otero murders.

254

00:13:25,513 --> 00:13:27,223
Just like we arrested the plumber.

255

00:13:27,306 --> 00:13:28,140
It's about credit.

256

00:13:28,224 --> 00:13:31,185
And look, he's dropped bodies
in three major counties around Atlanta.

257

00:13:31,268 --> 00:13:34,772
Cobb, Fulton, and then he drops the tenth,
Aaron Wyche,

258

00:13:35,147 --> 00:13:37,316
four feet over the line in Dekalb County.

259

00:13:37,399 --> 00:13:39,360
Every major county except for Rockdale.

260

00:13:41,195 --> 00:13:42,071
Terry Pue.

261

00:13:46,575 --> 00:13:48,702
Sigman Road's in Rockdale County.

262

00:13:51,413 --> 00:13:52,540
It's not random.

263

00:13:53,290 --> 00:13:55,584
He's showing us how deliberate he is.

264

00:13:56,377 --> 00:13:57,378
How smart he is.

265

00:13:57,461 --> 00:13:59,588
He's been having a one-sided conversation.

266

00:14:00,464 --> 00:14:01,632
We need to respond.

267

00:14:01,715 --> 00:14:03,384
It puts him in control.

268

00:14:03,968 --> 00:14:05,594
Like he's directing the hunt.

269

00:14:06,554 --> 00:14:08,722
Dropping Pue's body
at a site we've searched

270

00:14:08,806 --> 00:14:10,891
is a way of inserting himself
in the investigation.

271

00:14:10,975 --> 00:14:13,435
We've seen this before.
Kemper, BTK, Berkowitz,

272

00:14:13,519 --> 00:14:16,397
they love to be the only ones at the table
playing with a full deck.

273

00:14:17,481 --> 00:14:18,440
All right.

274

00:14:20,025 --> 00:14:20,860
What do we do?

275

00:14:20,943 --> 00:14:22,278
He's responding to media coverage.

276

00:14:22,361 --> 00:14:24,822
We need to strictly manage
what we give them.

277

00:14:24,905 --> 00:14:27,241
That way, we're focusing him
to respond to the right things.

278

00:14:27,324 --> 00:14:30,119
And what if he responds
by abducting another child?

279

00:14:30,202 --> 00:14:32,121
All I can tell you is, with BTK,

280

00:14:32,204 --> 00:14:34,582
they chose not to engage,
and he continued to kill.

281

00:14:35,124 --> 00:14:37,084
We might be able to push him
to make a mistake.

282

00:14:37,167 --> 00:14:40,546
Let's provide him a single,
focused opportunity to insert himself.

283

00:14:41,255 --> 00:14:43,424
-Something we control.
-And who is "he"?

284

00:14:44,216 --> 00:14:45,676
Seems we ought to start with the guy

285

00:14:45,759 --> 00:14:47,928
who called and told us
to search Sigman Road.

286

00:14:48,012 --> 00:14:49,680
The man we're looking for
would never allow his voice

287

00:14:49,763 --> 00:14:51,432
-to be recorded.
-We don't know that for certain.

288

00:14:51,515 --> 00:14:53,309
That caller was ranting.

289

00:14:53,392 --> 00:14:55,853
We've never found evidence
that these crimes are racially motivated.

290

00:14:55,936 --> 00:14:59,148
Son, we've got 19 dead black children.

291

00:14:59,607 --> 00:15:01,567
You telling me that's a coincidence?

292

00:15:01,650 --> 00:15:04,570
This is Atlanta. You don't have to carry
a burning cross to be a racist.

293

00:15:04,653 --> 00:15:06,655
Some of the biggest ones are sitting
behind a gavel.

294

00:15:06,739 --> 00:15:07,740

[Tench] Holden, they have a point.

295

00:15:08,157 --> 00:15:11,285
We've had two white callers:
the Terrell case and the Geter case.

296

00:15:11,368 --> 00:15:13,203
It's hard to rule them both out
as hoaxes without--

297

00:15:13,287 --> 00:15:14,121
Crosses.

298

00:15:14,622 --> 00:15:15,456
What?

299

00:15:15,539 --> 00:15:17,708
We set up memorials
for some of the victims.

300

00:15:18,250 --> 00:15:20,878
Put crosses at a couple of the dump sites.

301

00:15:20,961 --> 00:15:23,005
We make an announcement, hold a vigil.

302

00:15:25,132 --> 00:15:27,343
We can tie it to one of the STOP marches.

303

00:15:30,179 --> 00:15:32,014
The press will eat that up.
It'll go everywhere.

304

00:15:32,097 --> 00:15:33,265
He won't be able to stay away.

305

00:15:33,349 --> 00:15:35,476
[Holden] We photograph license plates,
canvass the crowds.

306

00:15:35,559 --> 00:15:36,769
Look for anyone that fits our profile.

307

00:15:37,061 --> 00:15:39,730
He could show up at an odd hour
when it's not populated.

308

00:15:39,813 --> 00:15:41,190
-Be easy to spot.
-Hold-- Hold on.

309

00:15:41,607 --> 00:15:44,193
This sounds like
a whole lot of screwin' around,

310

00:15:44,526 --> 00:15:45,861
not a lot of police work.

311

00:15:46,904 --> 00:15:47,821
Frankly, sir,

312

00:15:48,697 --> 00:15:49,865
you have a better idea?

313

00:15:51,825 --> 00:15:52,826
[slams loudly]

314

00:15:52,910 --> 00:15:53,744
What are these?

315

00:15:53,827 --> 00:15:55,829
Pedophile convictions
goin' back three years.

316

00:15:56,121 --> 00:15:58,290
-Agent Barney said you asked for 'em.
-Thank you.

317

00:16:05,506 --> 00:16:07,299
Hey, you got time
to help me go through these sex offenders?

318

00:16:07,383 --> 00:16:08,926
I'm picking out sites for the memorials.

319

00:16:09,009 --> 00:16:10,636

[Barney] Sure.

As soon as I get this off to DC.

320

00:16:10,719 --> 00:16:13,722

Great. Separate out the black males,
early 20s to early 30s,

321

00:16:13,806 --> 00:16:16,016

with convictions involving kids nine
to 15.

322

00:16:16,100 --> 00:16:18,352

-[Barney] Bedtime reading.

-[Holden] You going somewhere?

323

00:16:19,019 --> 00:16:19,979

[Tench] Goin' home.

324

00:16:20,562 --> 00:16:22,690

I told Wendy I'd catch up
at the office on Fridays.

325

00:16:22,773 --> 00:16:24,942

We've got less than ten days
to put this together.

326

00:16:25,025 --> 00:16:26,902

There's the crosses to source,
press releases.

327

00:16:26,986 --> 00:16:27,945

[Tench] Right.

328

00:16:28,028 --> 00:16:32,157

And without the cooperation of STOP,
I'd say we got less than no chance.

329

00:16:32,866 --> 00:16:35,786

You made that relationship,
let's see how it goes.

330
00:16:36,328 --> 00:16:37,204
See you Monday.

331

00:26:01,434 --> 00:26:03,395

-It's a pretty big case.

-[Nancy clears throat]

504

00:26:03,603 --> 00:26:05,647

But I'll be back
for all Brian's appointments.

505

00:26:05,730 --> 00:26:08,817

Can I get you some coffee?
I was just about to make breakfast.

506

00:26:09,651 --> 00:26:12,654

-Yes, thank you.

-Please.

507

00:26:14,656 --> 00:26:17,158

[Leland]

What's the case you're working on?

508

00:26:17,492 --> 00:26:19,369

[Tench] ATKID. Atlanta Child Murders.

509

00:26:20,203 --> 00:26:21,037

Oh.

510

00:26:22,163 --> 00:26:23,081

Goodness.

511

00:26:24,708 --> 00:26:26,835

Horrible reports coming out about that.

512

00:26:27,377 --> 00:26:28,420

How many children?

513

00:26:28,503 --> 00:26:29,421

Nineteen.

514

00:26:29,504 --> 00:26:31,423

-[exhales]

-A few are still missing.

515

00:26:31,506 --> 00:26:34,509

I was surprised
that he's on an active case.

516

00:26:34,593 --> 00:26:36,177

He's usually in research,

517

00:26:36,845 --> 00:26:37,679

teaching.

518

00:26:38,888 --> 00:26:40,640

Why did you take this assignment?

519

00:26:40,724 --> 00:26:43,435

Well, my unit, Behavioral Sciences,

520

00:26:43,518 --> 00:26:46,271

we were asked by the Justice Department
to do a profile.

521

00:26:46,354 --> 00:26:47,480

-Here you go.

-Profile?

522

00:26:47,564 --> 00:26:49,107

A workup of the suspect.

523

00:26:49,190 --> 00:26:52,527

Create a list of characteristics
police can use to narrow the search field.

524

00:26:52,611 --> 00:26:53,653

That's fascinating.

525

00:26:53,737 --> 00:26:55,530

How do you create your list?

526

00:26:55,864 --> 00:26:59,743

We interview men who've been convicted
of extremely violent crimes--

527

00:27:00,869 --> 00:27:02,579
serial killers, we're calling them.

528

00:27:02,662 --> 00:27:05,248
-[Leland] Uh-huh.
-And find similarities.

529

00:27:05,332 --> 00:27:07,167
Upbringing, social environment,

530

00:27:07,667 --> 00:27:11,004
factors that have contributed
to their particular behaviors.

531

00:27:11,087 --> 00:27:13,965
And you think...
that could help in Atlanta?

532

00:27:14,049 --> 00:27:15,216
We're hoping.

533

00:27:15,300 --> 00:27:16,801
What we do is still pretty new,

534

00:27:16,885 --> 00:27:18,678
so it can be hard
to get everyone to buy in.

535

00:27:18,762 --> 00:27:19,721
It all starts somewhere.

536

00:27:21,389 --> 00:27:23,558
Is Brian aware of the kind of work you do?

537

00:27:23,642 --> 00:27:24,893
Brian knows I catch bad guys.

538

00:27:24,976 --> 00:27:28,063
-[chuckles]
-He doesn't know... specifics.

539

00:27:28,146 --> 00:27:30,565

-[Nancy] Mm-hmm.

-You don't, uh-- Uh, no, thank you.

540

00:27:31,024 --> 00:27:33,026

You don't... bring your work home?

541

00:27:34,027 --> 00:27:34,903

Never.

542

00:27:37,614 --> 00:27:38,865

Mrs. Tench,

543

00:27:39,991 --> 00:27:41,993

this is a typical morning in your house?

544

00:27:42,577 --> 00:27:44,788

-Just about.

-I'm usually at work by now.

545

00:27:44,871 --> 00:27:46,915

A cup of coffee and a cigarette,
but I'm off.

546

00:27:47,332 --> 00:27:48,792

Maybe we should get Brian.

547

00:27:48,875 --> 00:27:50,001

Brian?

548

00:27:50,460 --> 00:27:53,004

-Honey? Breakfast!

-You typically get home around what time?

549

00:27:53,088 --> 00:27:55,048

Depends. Changes day to day.

550

00:27:55,131 --> 00:27:56,299

Mm-hmm.

551

00:27:56,633 --> 00:28:00,220

And business trips,
those are typical for you?

552

00:28:00,303 --> 00:28:02,389

Our interviews
and cases are all over the country,

553

00:28:02,472 --> 00:28:05,266

so we have to go
wherever the need takes us.

554

00:28:05,767 --> 00:28:07,185

[Nancy] Oh, there you are.

555

00:28:07,352 --> 00:28:09,396

You remember Mommy's friend, Miss Leland?

556

00:28:09,479 --> 00:28:10,689

Ms. Leland.

557

00:28:11,648 --> 00:28:12,816

Hi, Brian.

558

00:28:18,822 --> 00:28:20,115

You remember me, right?

559

00:28:23,785 --> 00:28:26,121

[Kay grunts]

560

00:28:28,581 --> 00:28:29,457

Good morning.

561

00:28:31,000 --> 00:28:32,919

I didn't know you cooked.

562

00:28:33,670 --> 00:28:34,754

Don't get too excited,

563

00:28:34,838 --> 00:28:36,798

- 'cause it's just eggs.

-[chuckles]

564

00:28:37,215 --> 00:28:38,049
[kisses]

565

00:28:43,179 --> 00:28:45,181
[inhales sharply] Mm!

566

00:28:49,894 --> 00:28:51,354
This is nice, isn't it?

567

00:28:51,688 --> 00:28:53,064
[Kay] Needs a little salt.

568

00:28:54,649 --> 00:28:57,444
Oh, I didn't realize
you were fishing for compliments.

569

00:29:00,113 --> 00:29:01,448
-How'd you sleep?
-[Carr] Eh.

570

00:29:02,115 --> 00:29:03,825
-[Kay] Work?
-I just thought

571

00:29:03,908 --> 00:29:05,744
that I'd really broken through
with Henley.

572

00:29:05,827 --> 00:29:07,620
You did.
You learned something about yourself.

573

00:29:07,704 --> 00:29:11,207
Even with Bateson, I thought
that Gunn would at least see some of that.

574

00:29:12,459 --> 00:29:14,127
I just think it's ridiculous

575

00:29:14,210 --> 00:29:16,337
that I'm spending all my time sitting
in a basement,

576

00:29:16,421 --> 00:29:17,964
waiting instead of helping out.

577

00:29:18,047 --> 00:29:18,923
And you're good at it.

578

00:29:19,466 --> 00:29:21,509
-Yeah, I was.
-[Kay] So tell him that.

579

00:29:21,593 --> 00:29:23,970
Tell him you want to keep going.
He's not a mind reader.

580

00:29:24,053 --> 00:29:26,723
-I did.
-[Kay] I'm sure you were painfully polite.

581

00:29:27,140 --> 00:29:28,266
Use your big-girl voice.

582

00:29:32,020 --> 00:29:34,606
I've never been great
at asking for what I want.

583

00:29:35,064 --> 00:29:36,149
Practice makes perfect.

584

00:29:36,232 --> 00:29:37,400
Yeah, but maybe Gunn's right.

585

00:29:37,484 --> 00:29:39,944
The first interview was easy
because I could relate to him.

586

00:29:40,028 --> 00:29:42,489
You are talking about a sexual sadist.

587

00:29:42,989 --> 00:29:44,783
Ah, maybe it was just a fluke.

588

00:29:47,660 --> 00:29:49,162
The bright side is that we'll get

589

00:29:49,245 --> 00:29:51,080
to spend more time together.
[chuckles softly]

590

00:29:52,123 --> 00:29:53,708
Well, we're together right now.

591

00:29:54,667 --> 00:29:56,044
No, I didn't mean it...

592

00:29:57,420 --> 00:29:59,255
You and me, this is nice, isn't it?

593

00:30:00,673 --> 00:30:01,633
Yeah, it is.

594

00:30:09,933 --> 00:30:11,810
You know that I have a spare bedroom.

595

00:30:12,352 --> 00:30:13,603
I never use it.

596

00:30:13,686 --> 00:30:16,105
It's just sitting there,
practically empty.

597

00:30:17,649 --> 00:30:18,608
Uh-huh.

598

00:30:19,359 --> 00:30:21,152
It's... just going to waste.

599

00:30:22,028 --> 00:30:24,280
Are you asking me to move in with you?

600

00:30:24,364 --> 00:30:26,699
[Carr]
You're already here four nights a week.

601

00:30:26,783 --> 00:30:29,077
And we could get you a... a dresser.

602

00:30:30,453 --> 00:30:32,163
You want me to be your roommate?

603

00:30:33,122 --> 00:30:35,208
[Carr] Well,
think of how much money you'd save.

604

00:30:35,500 --> 00:30:38,586
Are you asking me to be your roommate
or are you asking me to move in with you?

605

00:30:38,670 --> 00:30:40,505
I want you to be here and--

606

00:30:40,588 --> 00:30:43,466
Wendy, you need to decide
what the fuck you're asking me first.

607

00:30:43,883 --> 00:30:46,469
Because if I'm gonna move in,
I'd wanna share a bed with you.

608

00:30:46,553 --> 00:30:47,428
I want to pay rent.

609

00:30:47,512 --> 00:30:49,681
I don't want you to just toss me
a bit of your excess life.

610

00:30:49,764 --> 00:30:51,558
I'm-- I'm trying to do something nice.

611

00:30:51,641 --> 00:30:54,143
It sounds like you're trying
to keep your guest bedroom occupied.

612

00:30:54,227 --> 00:30:55,770
[Carr] No, that's not it at all.

613

00:30:55,854 --> 00:30:59,148
I want you to be here, and I want you
to feel like you have your own space.

614

00:30:59,232 --> 00:31:00,567
All right, let's tease this out.

615

00:31:00,650 --> 00:31:03,319
Say I move my stuff in
and I have my own "space."

616

00:31:04,153 --> 00:31:05,488
What happens in six months?

617

00:31:05,572 --> 00:31:07,657
If I don't pick up the dishes
or I don't come home on time?

618

00:31:08,074 --> 00:31:09,576
What happens if somebody comes over?

619

00:31:09,659 --> 00:31:12,662
Or you don't have four shots of tequila
to be able to kiss me in public?

620

00:31:12,745 --> 00:31:13,746
That's not fair.

621

00:31:14,163 --> 00:31:16,958
-I was out for years in Boston.
-But now you compartmentalize.

622

00:31:17,041 --> 00:31:19,502
Because I wouldn't be able to do my job
effectively if I didn't.

623

00:31:19,586 --> 00:31:22,547
[Kay] I understand that you're sensitive
about work, and I get it.

624

00:31:22,630 --> 00:31:23,965

No, this has nothing to do with work.

625

00:31:24,048 --> 00:31:25,800

I'm not someone
that you need to take care of.

626

00:31:25,884 --> 00:31:29,262

You keep saying that--
that we'll just figure this out,

627

00:31:29,345 --> 00:31:33,850

and I don't understand what that means.
So if you could just tell me, I'll--

628

00:31:33,933 --> 00:31:36,811

I want you to want me to move in.

629

00:31:36,895 --> 00:31:39,314

Not because it's a good use
of an extra bedroom

630

00:31:39,397 --> 00:31:41,024

or because it's better for taxes.

631

00:31:41,524 --> 00:31:43,526

Because you want it.

632

00:31:45,028 --> 00:31:47,405

I'm so sorry. I didn't mean to upset you.

633

00:31:55,413 --> 00:31:57,957

[Holden] STOP has agreed
to place memorials at two sites.

634

00:31:58,041 --> 00:32:01,085

They'll pause for a short prayer at each
to draw press attention.

635

00:32:01,586 --> 00:32:04,130

-We'll need to assign personnel--
-[panting] Sorry.

636

00:32:05,089 --> 00:32:06,007
Welcome back.

637
00:32:07,634 --> 00:32:09,719
I was telling the chief
we have STOP's help.

638
00:32:09,802 --> 00:32:11,554
We just have to get them crosses
in advance.

639
00:32:11,638 --> 00:32:14,641
That's great.
Think they'd put out a press statement?

640
00:32:14,724 --> 00:32:16,017
Be best coming from them.

641
00:32:16,851 --> 00:32:18,269
Sure, I can work on that.

642
00:32:18,353 --> 00:32:21,773
It's very gracious of them to help out,
but, uh, I think we should be cautious

643
00:32:21,856 --> 00:32:24,442
about involving the mothers
too much in our operations.

644
00:32:24,525 --> 00:32:27,528
Why? They're the people
most committed to solving these crimes.

645
00:32:27,612 --> 00:32:29,614
We're all committed, Agent Ford,

646
00:32:30,281 --> 00:32:32,909
but there are rumblings
city hall might open an investigation.

647
00:32:32,992 --> 00:32:33,826
Into what?

648

00:32:34,243 --> 00:32:36,245
STOP's taken in a ton of donations.

649

00:32:36,329 --> 00:32:38,623
There are concerns over exactly
who received the benefits.

650

00:32:38,706 --> 00:32:39,540
[Holden] Wait, what?

651

00:32:39,958 --> 00:32:41,709
[Redding] There may not be
equal distribution

652

00:32:41,793 --> 00:32:42,835
among families, and some folks--

653

00:32:42,919 --> 00:32:44,212
-Are you kidding me?
-Holden.

654

00:32:44,295 --> 00:32:46,130
Who gives a shit where the money is going?

655

00:32:46,214 --> 00:32:48,591
If we turn our backs on Camille,
and on the other families,

656

00:32:48,675 --> 00:32:50,343
that entire community will shut us out.

657

00:32:50,426 --> 00:32:51,386
Period.

658

00:32:51,469 --> 00:32:53,763
-No one will talk to us.
-[Barney] He's right, Chief.

659

00:32:54,180 --> 00:32:56,474
-We got the Ops Order for the crosses.
-Finally.

660

00:32:56,557 --> 00:32:58,851
-But there are a few details to work out.
-[Holden] What details?

661

00:32:58,935 --> 00:33:01,229
-Everything is ready on this end.
-What's the problem?

662

00:33:01,312 --> 00:33:03,773
DC is discussing
who should make the crosses.

663

00:33:03,856 --> 00:33:04,691
Excuse me?

664

00:33:04,774 --> 00:33:06,776
Whether it should be
their exhibit section at headquarters

665

00:33:06,859 --> 00:33:08,277
or the carpentry shop at Quantico.

666

00:33:08,361 --> 00:33:10,321
Why don't we ask the Klan
for their suppliers?

667

00:33:11,489 --> 00:33:14,283
I tried to do an end run,
but I got buried in acronyms. Sorry, guys.

668

00:33:14,367 --> 00:33:16,077
There's gotta be a way
to get this done efficiently.

669

00:33:16,160 --> 00:33:18,162
We can source the project
to an outside vendor.

670

00:33:18,246 --> 00:33:19,789
I'd have to submit a requisition.

671

00:33:19,872 --> 00:33:22,000

Then the Puzzle Palace
would have to approve--

672

00:33:22,083 --> 00:33:23,209
This is ridiculous.

673

00:33:23,960 --> 00:33:24,919
I'm calling Ted.

674

00:33:30,466 --> 00:33:31,676
Apologies, Chief.

675

00:33:32,969 --> 00:33:33,886
He cares.

676

00:33:33,970 --> 00:33:37,473
-We all do, Agent Tench.
-[Holden] Thank you, sir.

677

00:33:38,808 --> 00:33:40,852
Ted's gonna try to fast-track the crosses.

678

00:33:40,935 --> 00:33:42,812
We've still got a few days.
We have to try.

679

00:33:42,895 --> 00:33:44,188
[Barney] I'll stay on it.

680

00:33:44,272 --> 00:33:46,232
Meanwhile,
I found something in those files

681

00:33:46,315 --> 00:33:48,359
you gave me over the weekend.
Sex offenders.

682

00:33:48,443 --> 00:33:51,112
This guy was picked up
just after Lubie went missing,

683

00:33:51,279 --> 00:33:53,364

faces charges for sodomy with a minor.

684

00:33:53,448 --> 00:33:54,323
Look at the house.

685

00:33:55,074 --> 00:33:57,076
[Tench] This the brick house
down the street in Lakewood?

686

00:33:57,160 --> 00:33:57,994
Yep.

687

00:33:58,244 --> 00:34:00,747
A neighbor said Lubie
and Earl Terrell used to go to this house.

688

00:34:00,830 --> 00:34:01,831
We should get a warrant.

689

00:34:02,707 --> 00:34:04,709
Vice already tore his house and car apart.

690

00:34:04,792 --> 00:34:06,627
Pulled out boxes of Polaroids,

691

00:34:06,711 --> 00:34:08,087
hundreds of them, all young boys.

692

00:34:08,629 --> 00:34:10,923
They arrested two other men
who shared the photos between them,

693

00:34:11,007 --> 00:34:11,883
possibly sold them.

694

00:34:11,966 --> 00:34:14,135
-We need to look through those photos.
-[Barney] But here's the thing.

695

00:34:14,719 --> 00:34:17,889
Evidence file says
every single picture was of white kids.

696

00:34:17,972 --> 00:34:19,140
[Holden] Makes sense.

697

00:34:21,059 --> 00:34:23,061
-This isn't our guy.
-How can you be so sure?

698

00:34:23,144 --> 00:34:24,854
He's white, he's old,

699

00:34:26,022 --> 00:34:27,648
his car isn't close to a police vehicle.

700

00:34:28,691 --> 00:34:32,904
Has your hypothesis ever entertained
that there could be more than one unsub?

701

00:34:32,987 --> 00:34:35,114
That two things could be going on
at the same time?

702

00:34:35,198 --> 00:34:36,199
Obviously.

703

00:34:36,949 --> 00:34:38,701
But this guy isn't preying on
our victim pool.

704

00:34:38,785 --> 00:34:39,952
We need to follow this up.

705

00:34:40,036 --> 00:34:43,456
We know two victims went to his house.
Maybe there were other offenders there.

706

00:34:43,539 --> 00:34:45,708
Especially if these guys were part
of a ring.

707

00:34:46,250 --> 00:34:48,461
We know Earl and Lubie hung out

with another victim.

708

00:34:48,544 --> 00:34:52,298
They called him Pat-Man.
Patrick Rogers. Number 17.

709

00:34:52,715 --> 00:34:53,591
I'll take 'em.

710

00:34:55,176 --> 00:34:56,094
Thank you.

711

00:35:02,683 --> 00:35:04,685
[vacuum droning]

712

00:35:10,900 --> 00:35:13,194
-[doorbell rings]
-[vacuum cleaner clicks off]

713

00:35:15,947 --> 00:35:18,199
-[high-pitched whistling]
-Um, Mrs. Tench?

714

00:35:19,784 --> 00:35:20,660
Nancy?

715

00:35:22,578 --> 00:35:24,580
[kettle whistling]

716

00:35:34,590 --> 00:35:35,675
Thank you.

717

00:35:39,220 --> 00:35:41,347
[Dickinson] They say it takes time.

718

00:35:44,892 --> 00:35:47,186
I can't... imagine.

719

00:35:47,436 --> 00:35:49,397
He was such a sweet boy.

720

00:35:50,982 --> 00:35:52,358
A beautiful boy.

721
00:35:55,111 --> 00:35:56,320
My father's eyes.

722
00:35:57,697 --> 00:36:00,074
Can I get you sugar, anything? I...

723
00:36:02,618 --> 00:36:04,162
I can't stop asking:

724
00:36:06,414 --> 00:36:08,541
Why would God let this happen?

725
00:36:13,546 --> 00:36:14,797
[sighs]

726
00:36:15,673 --> 00:36:16,799
I've been praying.

727
00:36:17,466 --> 00:36:19,510
Hoping that he would speak to me.

728
00:36:20,469 --> 00:36:22,805
Give me some answers.

729
00:36:22,889 --> 00:36:23,723
But...

730
00:36:23,806 --> 00:36:25,850
-If there's anything--
-[Dickinson] They let me see him.

731
00:36:26,976 --> 00:36:28,269
His skin was...

732
00:36:29,770 --> 00:36:32,190
It wasn't Daniel. But his hair...

733
00:36:33,357 --> 00:36:35,359

Their hair is so fine at that age.

734

00:36:36,444 --> 00:36:39,113
I made them tell me... everything.

735

00:36:40,615 --> 00:36:41,908
I had to know.

736

00:36:42,158 --> 00:36:43,826
Uh... where he was.

737

00:36:45,995 --> 00:36:47,788
What he saw last.

738

00:36:55,671 --> 00:36:59,175
Father Monaghan says
the Lord is mysterious.

739

00:37:01,761 --> 00:37:03,930
We can't know his plan.

740

00:37:04,388 --> 00:37:06,265
We can only await his grace.

741

00:37:10,478 --> 00:37:12,480
I've decided I can't carry this anymore.

742

00:37:13,064 --> 00:37:14,232
This pain,

743

00:37:15,483 --> 00:37:16,817
the anger. It's...

744

00:37:17,735 --> 00:37:20,112
I can't. [takes a deep breath]

745

00:37:21,614 --> 00:37:25,701
I came here because I want you to know
I forgive your son.

746

00:37:30,289 --> 00:37:32,375

-I don't--
-He wasn't trying to hurt anyone.

747
00:37:32,458 --> 00:37:33,626
He was trying to help.

748
00:37:33,709 --> 00:37:37,338
That's what he was doing,
putting... Daniel on that cross.

749
00:37:38,214 --> 00:37:39,840
I see that now. [crying]

750
00:37:42,134 --> 00:37:44,512
May I meet... your Brian?

751
00:37:46,097 --> 00:37:48,891
I'd like him to understand
that I forgive him.

752
00:37:49,934 --> 00:37:52,311
That I know his intentions were pure.

753
00:37:52,395 --> 00:37:55,064
That's he's a good boy,
just like my Daniel.

754
00:37:58,317 --> 00:37:59,151
No.

755
00:38:00,528 --> 00:38:02,446
-I just want to tell him--
-[Nancy] No, I'm sorry.

756
00:38:03,364 --> 00:38:04,615
That won't be possible.

757
00:38:07,410 --> 00:38:08,411
[Dickinson] I understand.

758
00:38:12,832 --> 00:38:14,583
[sniffles] I never... [sighs]

759
00:38:17,128 --> 00:38:19,130
Even when you have a baby,

760
00:38:19,213 --> 00:38:22,174
and they tell you
to expect the unexpected,

761
00:38:22,258 --> 00:38:23,718
I never... [gasps]

762
00:38:26,304 --> 00:38:27,305
[weeping]

763
00:38:31,350 --> 00:38:32,518
We should go.

764
00:38:32,601 --> 00:38:33,853
[takes a deep breath, sniffles]

765
00:38:39,358 --> 00:38:40,234
I forgive you.

766
00:38:42,028 --> 00:38:43,029
I do.

767
00:38:44,488 --> 00:38:46,115
Thank you for meeting with me.

768
00:38:54,665 --> 00:38:55,499
[door opens]

769
00:38:56,709 --> 00:38:57,793
[door closes]

770
00:38:59,503 --> 00:39:00,421
[sobs]

771
00:39:02,757 --> 00:39:03,799
[knocks on door]

772

00:39:05,176 --> 00:39:06,135
Mrs. Rogers?

773

00:39:07,136 --> 00:39:08,220
[Rogers] FBI, right?

774

00:39:09,180 --> 00:39:10,097
May I come in?

775

00:39:14,185 --> 00:39:16,479
You the first person to come by here
since he been gone.

776

00:39:22,234 --> 00:39:25,696
Sorry... don't have anything new for you.

777

00:39:29,617 --> 00:39:30,951
[Barney] Pat-Man liked music?

778

00:39:31,619 --> 00:39:32,870
Patrick loved his music.

779

00:39:33,537 --> 00:39:34,997
Loved to disco dance.

780

00:39:36,082 --> 00:39:37,583
He even wrote his own songs.

781

00:39:40,044 --> 00:39:41,170
More Motown.

782

00:39:41,545 --> 00:39:42,671
That's what he said.

783

00:39:44,757 --> 00:39:47,051
[breathing shakily] See?

784

00:39:49,595 --> 00:39:52,223
He wrote
"I Feel Your Love in the Sunshine,"

785

00:39:54,100 --> 00:39:55,059
and, uh...

786

00:39:58,187 --> 00:39:59,271
"Lonely Without You."

787

00:40:00,231 --> 00:40:01,273
I love that one.

788

00:40:01,899 --> 00:40:02,942
He was talented.

789

00:40:06,278 --> 00:40:09,073
Mrs. Rogers,
did Patrick know Lubie Geter...

790

00:40:09,865 --> 00:40:11,075
or Earl Terrell?

791

00:40:11,992 --> 00:40:12,910
Yeah.

792

00:40:13,577 --> 00:40:14,954
He knew Lubie and Earl.

793

00:40:16,247 --> 00:40:18,124
It was hard on him losing those two.

794

00:40:19,625 --> 00:40:22,211
Seemed every few weeks,
there was somebody he knew.

795

00:40:23,671 --> 00:40:26,382
Are you saying he knew more victims
than just Lubie and Earl?

796

00:40:27,007 --> 00:40:27,925
Oh, yeah.

797

00:40:28,717 --> 00:40:30,386
He knew Aaron Jackson.

798

00:40:31,262 --> 00:40:32,346
They were good friends.

799

00:40:32,763 --> 00:40:35,474
They carried groceries together
down at Moreland Plaza.

800

00:40:36,517 --> 00:40:37,351
Let's see.

801

00:40:37,435 --> 00:40:40,020
At one point,
he dated Alfred Evans' cousin.

802

00:40:40,104 --> 00:40:41,647
So when he died,

803

00:40:42,148 --> 00:40:45,067
that was way back, Patrick knew about him.

804

00:40:46,026 --> 00:40:47,445
He knew Charles Stephens.

805

00:40:47,987 --> 00:40:51,282
And I think he must've known Terry,
because I know Lubie used to--

806

00:40:51,365 --> 00:40:52,199
Terry Pue?

807

00:40:54,285 --> 00:40:56,871
It's a blessing
Patrick never had to know about him.

808

00:41:00,458 --> 00:41:02,835
Did he ever talk to you about the murders?
Or the victims?

809

00:41:04,837 --> 00:41:07,214
He was all broke up about Little Aaron.

810
00:41:08,299 --> 00:41:09,133
Aaron Wyche.

811
00:41:09,550 --> 00:41:10,509
Aaron Wyche.

812
00:41:11,469 --> 00:41:12,720
How'd he know him?

813
00:41:15,306 --> 00:41:16,807
Aaron lived right over there.

814
00:41:19,059 --> 00:41:20,060
[sighs]

815
00:41:20,603 --> 00:41:23,230
The day they pulled Aaron
from up underneath that bridge,

816
00:41:23,314 --> 00:41:24,857
Patrick, he come home and he said,

817
00:41:24,940 --> 00:41:27,651
"Mama... he's gettin' closer."

818
00:41:32,656 --> 00:41:36,202
[explosion blasts]

819
00:41:36,285 --> 00:41:39,246
-[helicopter blades whirring]
-[sirens blaring]

820
00:41:40,372 --> 00:41:43,334
[reporter] Police and emergency vehicles
responded this morning...

821
00:41:43,417 --> 00:41:47,087
[on TV] ...to a powerful explosion
in the Bowen Homes Housing complex.

822
00:41:47,171 --> 00:41:51,383

The blast tore through a daycare center
at approximately 11:30,

823

00:41:51,467 --> 00:41:54,595
killing three children
and injuring 11 others.

824

00:41:54,678 --> 00:41:58,516
The city says early investigations point
to a faulty boiler.

825

00:41:58,599 --> 00:42:01,644
But many residents of Bowen Homes
are not satisfied.

826

00:42:01,727 --> 00:42:06,148
They are convinced it is tied
to the recent slayings of black children.

827

00:42:06,565 --> 00:42:09,193
Mayor Maynard Jackson
will update the community

828

00:42:09,276 --> 00:42:12,363
and address concerns tonight
at a local Baptist church.

829

00:42:13,656 --> 00:42:17,451
I grieve for,
and I grieve with, this community...

830

00:42:18,494 --> 00:42:19,703
and these families.

831

00:42:20,704 --> 00:42:23,499
With all the families
who have lost little ones.

832

00:42:24,500 --> 00:42:29,004
This is tragedy
heaped upon inexplicable tragedy.

833

00:42:29,421 --> 00:42:31,549

-[crowd clamors]
-But remember,

834
00:42:32,216 --> 00:42:35,469
he "hath not given us
the spirit of fear...

835
00:42:35,553 --> 00:42:37,930
-[camera shutters clicking rapidly]
-...but of power...

836
00:42:38,013 --> 00:42:39,640
[crowd] Yes.

837
00:42:39,723 --> 00:42:42,393
-...and of love."
-[crowd] Yes.

838
00:42:42,810 --> 00:42:48,440
[Jackson] We cannot allow anything
to tear at the bonds of our community.

839
00:42:48,524 --> 00:42:50,651
-[crowd clamors]
-[man 1] Amen!

840
00:42:50,734 --> 00:42:54,071
[Jackson] It is within those bonds
that we have always prevailed.

841
00:42:54,154 --> 00:42:56,448
-He's very good.
-[Jackson] Through our courage,

842
00:42:56,532 --> 00:43:00,452
-through our optimism, and our faith.
-His daddy and granddaddy were preachers.

843
00:43:00,536 --> 00:43:02,162
Consoling is the family business.

844
00:43:02,246 --> 00:43:05,749
As a member of this community,

and as your mayor,

845

00:43:06,250 --> 00:43:10,421

I assure you that just as no injustice
will go unanswered,

846

00:43:11,505 --> 00:43:14,133

no negligence will go unpunished.

847

00:43:14,633 --> 00:43:16,427

[cheering]

848

00:43:21,932 --> 00:43:25,769

Uh, Mayor Jackson, what is the city doing
to find out what caused the explosion?

849

00:43:25,853 --> 00:43:29,481

We are absolutely committed
to finding out what happened here.

850

00:43:29,773 --> 00:43:31,734

But what exactly are you doing?

851

00:43:31,817 --> 00:43:33,527

-Who are you investigating?
-[crowd clamors]

852

00:43:33,611 --> 00:43:36,280

Well, right now, the question is:
What are we investigating?

853

00:43:36,363 --> 00:43:37,323

[woman 1] What?

854

00:43:37,406 --> 00:43:40,618

It appears that some
of the heating equipment was quite old.

855

00:43:40,701 --> 00:43:42,536

[man 2] I'm a veteran.
That sounded like a bomb.

856

00:43:42,620 --> 00:43:44,538
[woman 2] Nah, it blew down fences.
It wasn't no boiler.

857
00:43:44,622 --> 00:43:48,375
There is no indication from the scene
of any explosive device.

858
00:43:48,459 --> 00:43:51,086
They killin' children every other way.
Why not like this?

859
00:43:51,170 --> 00:43:52,379
[crowd clamors]

860
00:43:52,755 --> 00:43:55,674
My friends, we cannot conflate an accident

861
00:43:55,758 --> 00:43:57,176
-with the murders--
-[woman 3] Ain't no accident!

862
00:43:57,259 --> 00:43:58,677
[man 3] We know who done this!

863
00:43:58,761 --> 00:44:00,638
Just like we know
who done all the rest of 'em!

864
00:44:00,721 --> 00:44:01,764
It's the Klan!

865
00:44:01,847 --> 00:44:07,102
Please, let me be very clear,
there is no evidence of Klan involvement.

866
00:44:07,186 --> 00:44:08,729
[man 4]
They been terrorizing us for generations!

867
00:44:08,812 --> 00:44:12,024
-Now they're coming after our children!
-How could you not investigate them?

868

00:44:12,107 --> 00:44:15,069
-We are looking into every possible lead.
-[man 5] What leads?

869

00:44:15,152 --> 00:44:17,071
Why don't you tell these people the truth?

870

00:44:17,154 --> 00:44:19,448
-It's the Klan that's doing this!
-[crowd shouting]

871

00:44:19,531 --> 00:44:23,577
We got 19 dead or missing black children!

872

00:44:23,661 --> 00:44:24,870
Who else doin' that to us?

873

00:44:25,371 --> 00:44:26,455
They our babies!

874

00:44:27,081 --> 00:44:28,165
They our babies!

875

00:44:28,248 --> 00:44:29,541
[crowd shouts and cheers]

876

00:44:29,625 --> 00:44:31,293
[Jackson] Please, good people.

877

00:44:32,127 --> 00:44:33,921
We must remain calm.

878

00:44:34,963 --> 00:44:36,799
I thought these were his supporters.

879

00:44:37,341 --> 00:44:38,217
They are.

880

00:44:38,300 --> 00:44:41,470
If I believed the Klan

had anything to do with this,

881

00:44:41,553 --> 00:44:45,933
I would not sleep until I had
each and every one of them behind bars.

882

00:44:46,016 --> 00:44:47,142
[crowd clamors]

883

00:44:47,226 --> 00:44:50,646
-[Jackson] You may write it as scripture.
-We know who it is, why don't you know?

884

00:44:51,355 --> 00:44:54,525
We will leave no stone unturned.

885

00:44:54,608 --> 00:44:57,528
[woman 4] We got us a black mayor!
We got us a black commissioner!

886

00:44:57,611 --> 00:44:58,904
Black council members!

887

00:44:58,987 --> 00:45:02,116
We voted for you!
And now ain't nobody doing nothing for us?

888

00:45:02,199 --> 00:45:04,034
[crowd cheers and applauds]

889

00:45:04,702 --> 00:45:06,995
[Jackson] We are not your adversaries
in this problem.

890

00:45:07,079 --> 00:45:09,331
-[woman 4] Wanna know who the Klan is?
-[crowd] Yeah!

891

00:45:09,415 --> 00:45:10,791
We are together in this.

892

00:45:10,874 --> 00:45:14,086

They the rich white men
that own him and him!

893

00:45:14,670 --> 00:45:18,132
[man 3] You boot-licking lackeys,
always telling us not to be emotional!

894

00:45:18,215 --> 00:45:20,300
-Well damn it, I'm emotional!
-All right, sir.

895

00:45:20,384 --> 00:45:23,095
-[crowd shouting and booing]
-[assistant] Come on!

896

00:45:23,929 --> 00:45:27,015
I've never seen a black politician
shouted down at a church before.

897

00:45:27,391 --> 00:45:29,393
The accident
has nothing to do with the murders.

898

00:45:29,476 --> 00:45:32,146
-They don't want to hear logic.
-They don't want to hear excuses.

899

00:45:32,229 --> 00:45:36,066
Eleven black children had to die
for this city to take us seriously.

900

00:45:36,150 --> 00:45:38,360
-[indistinct shouting]
-[door closes]

901

00:45:38,652 --> 00:45:39,653
Eleven.

902

00:45:41,864 --> 00:45:44,491
Now they tell us
they're turnin' over every stone.

903

00:45:44,575 --> 00:45:47,327

-[crowd murmurs in agreement]
-[Camille] Well, I have news for them:

904

00:45:47,911 --> 00:45:50,998
we will leave no stone unturned!

905

00:45:51,081 --> 00:45:52,207
[crowd murmurs in agreement]

906

00:45:52,583 --> 00:45:56,128
-This is what they want to hear.
-We know what isn't being done!

907

00:45:56,545 --> 00:45:58,672
We know what isn't being said!

908

00:45:59,173 --> 00:46:00,174
And why?

909

00:46:00,799 --> 00:46:02,050
Because they're afraid...

910

00:46:02,134 --> 00:46:03,260
That's right.

911

00:46:03,343 --> 00:46:05,763
...of losing election dollars.

912

00:46:05,846 --> 00:46:07,306
Losing tourists.

913

00:46:07,389 --> 00:46:11,435
-While we are losing babies!
-[crowd cheers]

914

00:46:11,518 --> 00:46:14,104
-Yes!
-We got nothing left to lose!

915

00:46:15,564 --> 00:46:16,690
We elected these leaders,

916

00:46:16,774 --> 00:46:22,070
yet our children are not given
the full protection of the law!

917

00:46:22,154 --> 00:46:23,405
[crowd shouts in agreement]

918

00:46:23,489 --> 00:46:25,866
We are going to make this city

919

00:46:25,949 --> 00:46:29,161
give every poor, black child

920

00:46:29,244 --> 00:46:32,998
-the same consideration and protection...
-Yes! Yes!

921

00:46:33,081 --> 00:46:35,542
...as every other kind of child.

922

00:46:36,043 --> 00:46:37,377
That's right!

923

00:46:38,420 --> 00:46:44,092
We will show the world
who is the real strength of Atlanta!

924

00:46:44,176 --> 00:46:48,096
[crowd cheers]

925

00:46:48,180 --> 00:46:51,475
-[airplane engine roars overhead]
-[woman speaking indistinctly on PA]

926

00:46:55,479 --> 00:46:56,522
The plane was late.

927

00:46:57,898 --> 00:46:59,733
Redding and Jim are already up there.

928

00:47:00,067 --> 00:47:01,693

-Any clue what it's about?

-Nope.

929

00:47:01,777 --> 00:47:03,695
Jesus, you should've been with us
Thursday night.

930

00:47:03,779 --> 00:47:06,031
-Where?
-The mayor spoke at a Baptist church.

931

00:47:06,114 --> 00:47:08,116
Bill, they shouted him down
from the pulpit.

932

00:47:08,200 --> 00:47:09,243
At a black church?

933

00:47:09,535 --> 00:47:11,829
These people are saying
that everything is the Klan:

934

00:47:11,912 --> 00:47:14,748
the explosion, the killings.
They didn't care what he had to say.

935

00:47:14,832 --> 00:47:17,668
-Which is why we're not getting support--
-You gentlemen coming?

936

00:47:18,919 --> 00:47:22,172
[Holden] Also, while you were gone,
we missed the Friday STOP deadline.

937

00:47:22,256 --> 00:47:25,217
The crosses never materialized,
and the march starts in an hour.

938

00:47:25,676 --> 00:47:26,927
Look, we tried.

939

00:47:27,594 --> 00:47:28,470
Did we?

940

00:47:30,305 --> 00:47:33,016
[Redding] The mayor's ordered
a covert investigation into the Klan.

941

00:47:33,100 --> 00:47:35,060
This is what I was trying to tell you.

942

00:47:35,435 --> 00:47:37,437
Jim and I saw him
take the beating of his life

943

00:47:37,521 --> 00:47:39,189
trying to convince people
it's not the Klan.

944

00:47:39,273 --> 00:47:41,275
To convince people
not to jump to conclusions.

945

00:47:41,358 --> 00:47:42,192
[Holden] And he's right.

946

00:47:42,276 --> 00:47:44,945
Are we directing this investigation
based on voter whim?

947

00:47:45,028 --> 00:47:47,489
[Redding] This has nothing to do with
what you saw at that church.

948

00:47:47,573 --> 00:47:49,533
The mayor has always believed,
and I agree,

949

00:47:49,616 --> 00:47:51,827
we have to take a serious look
into the Klan.

950

00:47:52,452 --> 00:47:54,371
But we don't want to inflame the public.

951

00:47:54,454 --> 00:47:56,290
He wants GBI to take the lead.

952
00:47:56,373 --> 00:47:57,583
Fine, let them have it.

953
00:47:57,666 --> 00:47:59,960
Why wouldn't the task force run it?
We know the cases.

954
00:48:00,043 --> 00:48:03,881
[Redding] The mayor insists this be run
completely independent of APD.

955
00:48:03,964 --> 00:48:06,216
We have a long history of Klan
in the ranks.

956
00:48:06,300 --> 00:48:08,260
If any member of the force,
past or present,

957
00:48:08,343 --> 00:48:11,305
turns out to be involved,
we need a clean chain of evidence.

958
00:48:11,388 --> 00:48:12,306
Makes sense.

959
00:48:13,640 --> 00:48:18,270
I need an agent from the bureau
to serve as liaison for the operation.

960
00:48:19,771 --> 00:48:20,898
You got it, Chief.

961
00:48:20,981 --> 00:48:24,318
You've got warrants for wiretaps
and authorization for 24-hour surveillance

962
00:48:24,401 --> 00:48:25,569
on local operatives.

963

00:48:26,028 --> 00:48:27,404
This stays under the radar.

964

00:48:27,487 --> 00:48:30,073
Only myself and Commissioner Brown
will be read in.

965

00:48:31,116 --> 00:48:32,701
I'll set you up with GBI.

966

00:48:42,169 --> 00:48:43,503
-What?
-Nothing.

967

00:48:44,046 --> 00:48:44,922
Good.

968

00:48:48,342 --> 00:48:50,886
[Holden] You think this operation
is a good use of your time?

969

00:48:51,803 --> 00:48:54,848
What I "think" is we're here
to solve 19 murders.

970

00:48:55,265 --> 00:48:56,892
So I'm gonna allow
for every possibility.

971

00:48:56,975 --> 00:48:59,603
Even if it has nothing to do
with what we came here to pursue?

972

00:48:59,686 --> 00:49:02,648
Holden,
we're not here to support any theory.

973

00:49:03,357 --> 00:49:07,819
We should be deriving a theory
by either confirming or eliminating leads.

974

00:49:08,403 --> 00:49:10,822

Evidence informs the profile.
Not the other way around.

975

00:49:10,906 --> 00:49:12,866
What evidence is there
to suspect the Klan?

976

00:49:13,533 --> 00:49:16,870
Generations of violence
and systemic racism.

977

00:49:17,704 --> 00:49:18,997
We can't not investigate that.

978

00:49:19,081 --> 00:49:21,917
Then let some brick agent sit in the woods
and stare at rednecks.

979

00:49:22,000 --> 00:49:22,960
We need to stay focused.

980

00:49:23,043 --> 00:49:24,878
-If you're distracted--
-I'm not distracted.

981

00:49:24,962 --> 00:49:25,796
I know you have a family,

982

00:49:25,879 --> 00:49:27,506
and I understand being home
on the weekends--

983

00:49:27,589 --> 00:49:28,840
-Holden.
-[Holden] But now you're taking

984

00:49:28,924 --> 00:49:31,677
part of Thursday, all of Friday,
plane's late half the time on Monday.

985

00:49:32,052 --> 00:49:35,055
Look, I have some things
to deal with at home.

986
00:49:35,597 --> 00:49:36,723
It's personal.

987
00:49:39,142 --> 00:49:39,977
The crosses.

988
00:49:46,817 --> 00:49:47,776
Unbelievable.

989
00:49:50,570 --> 00:49:52,239
"Assembly required"?

990
00:49:52,698 --> 00:49:54,199
Who comes up with this shit?

991
00:49:54,533 --> 00:49:55,909
We're not gonna make it in time.

992
00:49:55,993 --> 00:49:57,411
I promised I would be there.

993
00:49:58,245 --> 00:49:59,287
I'm fucking doing this.

994
00:50:02,749 --> 00:50:06,336
Promise me you'll never tell anyone
I helped build crosses for a march.

995
00:50:09,423 --> 00:50:11,591
[drill whirs]

996
00:50:17,014 --> 00:50:18,348
Done. Where's the base?

997
00:50:20,600 --> 00:50:21,810
[grunts]

998
00:50:23,895 --> 00:50:25,439
[eerie instrumental music plays]

999
00:50:37,868 --> 00:50:39,036
Just go! Go! Go!

1000
00:50:39,619 --> 00:50:40,954
[tires squeal]

1001
00:50:41,038 --> 00:50:43,081
[engine revs]

1002
00:50:43,165 --> 00:50:46,126
[suspenseful orchestra music playing]

1003
00:50:46,209 --> 00:50:48,295
Go all the way down Butler:
that'll take us south to Auburn.

1004
00:50:48,378 --> 00:50:52,049
We can beat them to the church,
get at least one up before they get there.

1005
00:50:52,132 --> 00:50:53,800
[engine revving]

1006
00:50:55,385 --> 00:50:56,928
-[horn blares]
-[man] Hey, asshole!

1007
00:50:57,012 --> 00:50:58,346
[horn honks]

1008
00:51:00,599 --> 00:51:01,725
[brakes screech]

1009
00:51:03,226 --> 00:51:04,853
[officer] You can't park here!

1010
00:51:05,103 --> 00:51:06,980
-You're gonna have to move the car.
-[Tench] FBI.

1011
00:51:08,523 --> 00:51:10,025

[frantic violin music playing]

1012

00:51:10,108 --> 00:51:11,943
[Tench and officer speaking indistinctly]

1013

00:51:16,490 --> 00:51:17,324
[Holden] Excuse me!

1014

00:51:17,407 --> 00:51:19,326
Federal agent! Pardon me!

1015

00:51:19,409 --> 00:51:21,453
[engine revs]

1016

00:51:27,084 --> 00:51:28,418
[marchers speak indistinctly]
