1

00:00:14,472 --> 00:00:17,392
[siren blaring in distance]

2

00:00:18,018 --> 00:00:19,644
[man over megaphone] Mr. Miller?

3

00:00:21,146 --> 00:00:23,690
Is everyone okay in there?

4

00:00:23,773 --> 00:00:24,858
[car door opens]

5

00:00:25,734 --> 00:00:27,152
Agent Ford, FBI.

6

00:00:30,280 --> 00:00:31,239
Here, sir.

7

00:00:31,322 --> 00:00:33,908
[man over megaphone]
We want to know what's going on.

8

00:00:34,701 --> 00:00:37,871
If you harm anyone,
it will not end well for you!

9

00:00:37,954 --> 00:00:39,456
Special Agent Holden Ford.

10

00:00:41,166 --> 00:00:42,876
-Ninkovich.
-Is he talking?

11

00:00:42,959 --> 00:00:44,294
Not making sense. Been briefed?

12

00:00:44,377 --> 00:00:46,254
On the way over.
Five people still in there?

13

00:00:46,337 --> 00:00:49,090

A security guard, the secretary,
three guys from the line.

14

00:00:49,174 --> 00:00:50,425
[door opens]

15

00:00:52,010 --> 00:00:54,971
-[Miller] Where is she?
-[Ninkovich] Take it easy, Mr. Miller.

16

00:00:55,055 --> 00:00:56,723
[Miller] I want my wife!

17

00:00:56,806 --> 00:00:59,476
Put the gun down,
step away from Ms. Curtwell.

18

00:00:59,559 --> 00:01:04,022
-[Miller] I have asked you--
-We need to see that everyone is unharmed.

19

00:01:04,606 --> 00:01:05,482
You gonna shoot me?

20

00:01:05,982 --> 00:01:09,694
If you do not abide by our terms,
and soon--

21

00:01:09,778 --> 00:01:11,279
You can't see me!

22

00:01:11,362 --> 00:01:14,574
I'm warning you,
our patience is wearing thin.

23

00:01:14,657 --> 00:01:17,660
How can you shoot what you can't see?

24

00:01:17,744 --> 00:01:18,745
Mr. Miller!

25

00:01:19,329 --> 00:01:20,914

-No, thank you.
-[feedback squeals]

26
00:01:20,997 --> 00:01:22,332
Hey, Cody.

27
00:01:23,666 --> 00:01:26,503
My name is Holden. I'd like to help you.

28
00:01:27,045 --> 00:01:29,672
-Tell me what's going on.
-I gotta talk to my wife.

29
00:01:29,756 --> 00:01:31,424
-[Holden] All right.
-She's the only one.

30
00:01:31,508 --> 00:01:32,759
I understand.

31
00:01:32,842 --> 00:01:35,553
For the moment,
is there anything else we can get you?

32
00:01:35,637 --> 00:01:37,639
Get these fucking people away.

33
00:01:37,722 --> 00:01:38,640
Okay.

34
00:01:41,226 --> 00:01:44,229
-Okay...
-[camera shutters clicking]

35
00:01:45,313 --> 00:01:46,815
[sighs]

36
00:01:46,898 --> 00:01:48,942
If I can get them to back off,

37
00:01:49,484 --> 00:01:52,779
will you... relax with Ms. Curtwell?

38

00:01:53,696 --> 00:01:56,324
Give us some time to reach your wife.

39

00:01:59,160 --> 00:02:00,328
[Miller] Okay.

40

00:02:00,411 --> 00:02:01,454
Thank you.

41

00:02:05,959 --> 00:02:08,503
Keep the snipers. Back out the perimeter.

42

00:02:08,586 --> 00:02:10,505
If he starts firing,
we'll have to storm the place.

43

00:02:10,588 --> 00:02:12,674
They're making me nervous.
Imagine what they're doing to him.

44

00:02:12,757 --> 00:02:15,218
He has no criminal history.
He's clearly having an episode.

45

00:02:15,301 --> 00:02:17,637
We need to keep him calm
and wear him down.

46

00:02:18,054 --> 00:02:19,556
Get rid of those reporters.

47

00:02:21,349 --> 00:02:22,767
[indistinct radio chatter]

48

00:02:22,851 --> 00:02:24,561
All right, guys. Back it up!

49

00:02:24,644 --> 00:02:27,689
-[man] All right. Let's go. Back it up.
-[man 2] Move back.

50

00:02:29,858 --> 00:02:30,859
How am I doing?

51

00:02:32,443 --> 00:02:33,945
[woman gasps]

52

00:02:37,198 --> 00:02:39,367
-[Miller] You see me?
-Oh, God.

53

00:02:41,119 --> 00:02:42,871
Yes, I can see you!

54

00:02:44,330 --> 00:02:47,292
-What do you see?
-[Holden] I can see that you're naked.

55

00:02:47,876 --> 00:02:49,460
I can see that you're cold.

56

00:02:49,544 --> 00:02:52,630
[thunder rumbling]

57

00:02:57,510 --> 00:02:59,345
[indistinct radio chatter]

58

00:02:59,429 --> 00:03:01,264
Is there a phone?
Can we get him on the line?

59

00:03:01,347 --> 00:03:04,309
-He's got it off the hook.
-That was his demand, talk to his wife?

60

00:03:04,392 --> 00:03:06,352
Took all day to find her.
She's on her way.

61

00:03:06,436 --> 00:03:08,688
-You're not bringing her.
-I want her to calm him.

62

00:03:08,771 --> 00:03:10,440
Her presence might have
the opposite effect.

63

00:03:14,193 --> 00:03:16,321
Hi, Mrs. Miller? Don't get out.

64

00:03:16,404 --> 00:03:19,866
I'm Holden Ford from the FBI.
Do you understand the situation?

65

00:03:19,949 --> 00:03:23,369
-Cody's got some people in there?
-What happened this morning?

66

00:03:23,453 --> 00:03:24,412
I don't know.

67

00:03:24,954 --> 00:03:27,999
I tried to get him sectioned on Sunday,
but I haven't seen him since.

68

00:03:28,082 --> 00:03:31,377
They told me he stole a shotgun,
robbed a liquor store?

69

00:03:31,461 --> 00:03:32,754
Was he delusional? Violent?

70

00:03:32,837 --> 00:03:34,756
He's not violent.

71

00:03:34,839 --> 00:03:37,884
He's been saying that he's invisible
for a while now.

72

00:03:37,967 --> 00:03:40,011
Truly invisible.
He's been seeing a doctor.

73

00:03:40,094 --> 00:03:41,262
Did the doctor diagnose him?

74

00:03:41,888 --> 00:03:43,556
Cody wouldn't tell me.

75

00:03:43,640 --> 00:03:46,100
He's taking medication,
but he might've stopped.

76

00:03:46,184 --> 00:03:48,478
-What kind of medication?
-I'm not sure.

77

00:03:49,479 --> 00:03:50,438
Here's his doctor.

78

00:03:50,521 --> 00:03:52,273
You tried to get him sectioned?

79

00:03:52,357 --> 00:03:55,526
He kept talking to people that weren't
there, saying they could see him.

80

00:03:56,402 --> 00:03:59,030
I told him I was gonna leave him
if he didn't go to the hospital.

81

00:03:59,113 --> 00:04:01,574
-You gave him an ultimatum?
-[Mrs. Miller sobbing] I'm sorry.

82

00:04:02,492 --> 00:04:04,827
-I feel awful.
-This is not your fault.

83

00:04:05,286 --> 00:04:06,704
Has he hurt anyone?

84

00:04:06,788 --> 00:04:09,374
Not that we know about.
I'm sending you along for now.

85

00:04:09,874 --> 00:04:11,292

[bangs on roof of car]

86

00:04:14,212 --> 00:04:15,755
Have someone call his doctor.

87

00:04:15,838 --> 00:04:17,799
Get his wife to tell him
she won't leave him.

88

00:04:17,882 --> 00:04:20,969
We need more information.
Let's see if we can get him on the line.

89

00:04:22,845 --> 00:04:24,097
Cody!

90

00:04:24,180 --> 00:04:26,182
Everything okay in there?

91

00:04:29,143 --> 00:04:31,104
I'd really like to know
what's going on in there.

92

00:04:31,187 --> 00:04:33,064
I promise you, we can work this out.

93

00:04:40,905 --> 00:04:42,031
Where's my wife?

94

00:04:42,532 --> 00:04:46,244
[Holden] It's a difficult situation.
Taking a while to get her here.

95

00:04:46,327 --> 00:04:48,538
-She doesn't want to talk to me?
-[Holden] That's not it.

96

00:04:48,621 --> 00:04:51,249
She is very worried about you.

97

00:04:51,791 --> 00:04:54,210
-You talked to her?

-[Holden] On the phone.

98

00:04:55,253 --> 00:04:58,214
-Maybe you could talk to her on the phone.
-No!

99

00:05:00,049 --> 00:05:01,634
She has to be here.

100

00:05:06,681 --> 00:05:10,226
-[Holden] I understand your frustration.
-[Miller] What do you understand?

101

00:05:10,310 --> 00:05:13,980
[Holden] Not being able to communicate
with a trusted loved one.

102

00:05:15,231 --> 00:05:16,774
What do you want to say to her?

103

00:05:17,775 --> 00:05:18,985
Why would I tell you?

104

00:05:22,238 --> 00:05:23,740
Maybe I can help.

105

00:05:25,658 --> 00:05:26,743
I don't think so.

106

00:05:30,538 --> 00:05:33,875
[screams]

107

00:05:33,958 --> 00:05:36,627
[all clamoring]

108

00:05:46,179 --> 00:05:48,806
[theme music playing]

109

00:07:26,112 --> 00:07:27,321
[door opens]

110

00:08:27,673 --> 00:08:28,508
[exhales]

111
00:09:28,317 --> 00:09:29,819
-Thank you.
-You're welcome.

112
00:09:40,830 --> 00:09:45,751
You followed procedure. You did your job.
You did everything by the book.

113
00:09:45,835 --> 00:09:48,588
He took hostages.
He knew there'd be consequences.

114
00:09:48,671 --> 00:09:50,673
-He thought he was invisible.
-You're not his shrink.

115
00:09:50,756 --> 00:09:53,926
You're not responsible for diagnosing him.
That's not your remit.

116
00:09:54,885 --> 00:09:58,055
These things happen in real time,
and we are the last responders.

117
00:09:58,139 --> 00:10:01,684
If an operation's gonna go south,
this is not the worst outcome.

118
00:10:01,767 --> 00:10:03,436
Stay focused on what we do.

119
00:10:03,519 --> 00:10:06,397
If I did everything by the book,
it begs the question--

120
00:10:06,480 --> 00:10:10,484
This place is pretty much the benchmark
for excellence in law enforcement.

121
00:10:11,694 --> 00:10:14,572

In the rest of the world,
hostage negotiation's on its way out.

122

00:10:14,655 --> 00:10:17,617
You think the Israelis bothered
to negotiate at Entebbe last year?

123

00:10:19,869 --> 00:10:24,457
You didn't lose one hostage or bystander.
That's how we measure success.

124

00:10:26,459 --> 00:10:29,086
And your courses are a big hit
in the summer.

125

00:10:29,170 --> 00:10:31,255
I actually think
you should be teaching more.

126

00:10:31,339 --> 00:10:33,466
-You're putting me out to pasture.
-No.

127

00:10:33,549 --> 00:10:35,551
I'm putting you to work
where it really counts.

128

00:10:35,635 --> 00:10:37,011
Despite what happened.

129

00:10:37,094 --> 00:10:39,347
Because of what happened, Holden.

130

00:10:39,847 --> 00:10:40,890
It seasoned you.

131

00:10:45,102 --> 00:10:46,103
Thank you, sir...

132

00:10:47,104 --> 00:10:48,105
but I'd rather not.

133

00:10:48,189 --> 00:10:49,774
Well, this is awkward.

134
00:10:52,485 --> 00:10:54,695
I'd like you to sleep on it
over the weekend...

135
00:10:56,322 --> 00:10:58,491
because you start full-time on Monday.

136
00:11:06,791 --> 00:11:11,003
This is how we find ourselves
completely out of control.

137
00:11:12,213 --> 00:11:15,716
The fugitive has already killed
a police officer that morning in Austin.

138
00:11:17,134 --> 00:11:19,553
He's taken two nine-millimeter rounds
in the ass,

139
00:11:19,637 --> 00:11:21,472
grabbed a ten-year-old boy as a hostage,

140
00:11:21,555 --> 00:11:23,391
and he's holed up
in a suburban neighborhood

141
00:11:23,474 --> 00:11:25,601
crawling with women and small children.

142
00:11:26,769 --> 00:11:28,687
Now we must focus on one thing:

143
00:11:29,355 --> 00:11:31,065
de-escalation.

144
00:11:31,649 --> 00:11:35,319
San Antonio's chief of police arrives
and starts using a bullhorn,

145

00:11:35,403 --> 00:11:38,739
which more than effectively
intimidates our hostage-taker.

146

00:11:40,199 --> 00:11:43,244
Coming at anyone with an attitude of
"I'm right, you're wrong"

147

00:11:43,327 --> 00:11:45,454
assumes that they're of rational mind.

148

00:11:47,623 --> 00:11:50,376
We must establish communication.

149

00:11:51,752 --> 00:11:54,880
Non-threatening communication.

150

00:11:55,756 --> 00:11:57,049
Ascertain demands,

151

00:11:57,133 --> 00:12:00,261
concede nothing, reject nothing,
just listen.

152

00:12:01,804 --> 00:12:03,389
Listen to what he has to say.

153

00:12:05,391 --> 00:12:08,227
Try understanding him
instead of trying to dominate him.

154

00:12:09,228 --> 00:12:10,729
Look for common ground.

155

00:12:10,813 --> 00:12:12,815
Find commonality.

156

00:12:13,357 --> 00:12:17,153
And if it feels like you're buying time,
well... that's because you are.

157

00:12:17,695 --> 00:12:20,739

But it's the key
to making any perp feel heard.

158

00:12:20,823 --> 00:12:23,284
-[chime sounds]
-[indistinct chatter]

159

00:12:23,367 --> 00:12:24,869
[Holden] Our goal is no body bags.

160

00:12:24,952 --> 00:12:27,329
That is the hostage negotiator win-win.

161

00:12:29,290 --> 00:12:31,876
And I'm in my office on Friday
for anyone who has questions

162

00:12:31,959 --> 00:12:34,253
about the psychological strategies exam.

163

00:12:43,095 --> 00:12:45,806
[man] Wanton, indiscriminate murder.

164

00:12:45,890 --> 00:12:48,517
Seemingly random, serendipitous.

165

00:12:48,601 --> 00:12:50,269
Each one, extremely violent.

166

00:12:50,352 --> 00:12:52,980
No explanation. No apparent reason.

167

00:12:53,063 --> 00:12:54,607
They weren't sexually assaulted,

168

00:12:54,690 --> 00:12:56,650
there was no attempt
to relieve them of valuables,

169

00:12:56,734 --> 00:12:58,360
they didn't know their assailant.

170

00:12:58,903 --> 00:13:02,198
Robert Violante and Stacy Moskowitz
were making out in their car

171

00:13:02,281 --> 00:13:05,493
when David Berkowitz walked up
and shot them both point-blank.

172

00:13:06,368 --> 00:13:08,704
Berkowitz killed six people
over two summers,

173

00:13:08,787 --> 00:13:10,748
wounding seven more. Why?

174

00:13:11,999 --> 00:13:14,376
Because a dog told him to do it.

175

00:13:15,753 --> 00:13:16,670
Now...

176

00:13:18,506 --> 00:13:22,259
we can say that the guy's crazy,
or that he's pretending that he's crazy.

177

00:13:22,676 --> 00:13:25,346
But if we're looking for a motive
we can understand,

178

00:13:25,429 --> 00:13:27,306
we suddenly find there is none.

179

00:13:27,890 --> 00:13:29,099
It's a void.

180

00:13:29,183 --> 00:13:30,518
It's a black hole.

181

00:13:36,232 --> 00:13:40,986
Forty years ago, your FBI was founded
hunting down John Dillinger,

182

00:13:41,445 --> 00:13:43,989
Baby Face Nelson, Machine Gun Kelly.

183

00:13:44,073 --> 00:13:46,742
Criminals who thumbed their noses
at society,

184

00:13:46,825 --> 00:13:49,078
but were basically in it
for personal gain.

185

00:13:50,037 --> 00:13:53,999
Now, we have extreme violence
between strangers.

186

00:13:54,959 --> 00:13:56,502
Where do we go...

187

00:13:57,670 --> 00:14:00,005
when motive becomes elusive?

188

00:14:09,515 --> 00:14:11,600
Excuse me, Professor Rathman?

189

00:14:13,852 --> 00:14:16,272
Holden Ford, Hostage Negotiation.

190

00:14:16,355 --> 00:14:17,565
Peter. Hi.

191

00:14:17,648 --> 00:14:21,277
I listened in on your class earlier.
What you were saying about crime today...

192

00:14:22,152 --> 00:14:23,863
I don't know, it really resonates.

193

00:14:23,946 --> 00:14:26,031
-Gets attention.
-Were you teaching this before Berkowitz?

194

00:14:26,115 --> 00:14:28,701
A version of it.
The headlines kind of fell into my lap.

195
00:14:28,784 --> 00:14:29,869
What got you started?

196
00:14:30,202 --> 00:14:32,621
Starkweather. Whitman.
Manson, of course.

197
00:14:32,705 --> 00:14:35,249
But Son of Sam kind of epitomizes now.

198
00:14:35,332 --> 00:14:39,420
It's as if... we don't know anymore
what moves people to kill one another.

199
00:14:39,503 --> 00:14:42,256
Used to be you find a victim
with 50 stab wounds,

200
00:14:42,339 --> 00:14:45,092
you look for the jilted lover,
the ex-business partner.

201
00:14:45,342 --> 00:14:49,138
Now... it could be a random run-in
with a disgruntled mailman.

202
00:14:49,221 --> 00:14:52,558
It's a different era.
No more "Just the facts, ma'am."

203
00:14:52,641 --> 00:14:54,810
That's television. And reruns.

204
00:14:55,394 --> 00:14:57,479
-Crime has changed.
-Right.

205
00:14:58,898 --> 00:15:00,733
Do you... want to grab a beer?

206

00:15:02,192 --> 00:15:03,193
Yeah, okay.

207

00:15:04,153 --> 00:15:06,071
[Rathman] Look at the unprecedented events

208

00:15:06,155 --> 00:15:08,866
that have occurred
in the past decade and a half.

209

00:15:08,949 --> 00:15:10,492
A president assassinated.

210

00:15:10,576 --> 00:15:13,245
Fighting an unpopular war
that we didn't win.

211

00:15:13,329 --> 00:15:15,748
National Guard killing
four college students.

212

00:15:15,831 --> 00:15:18,292
-You can hardly wrap your mind around it.
-Watergate.

213

00:15:18,375 --> 00:15:21,921
Our democracy is vanishing into what?

214

00:15:22,004 --> 00:15:23,672
Is that what all this is about?

215

00:15:23,923 --> 00:15:25,925
Just a response to turmoil?

216

00:15:26,008 --> 00:15:29,094
The government used to be, symbolically,
a parental institution.

217

00:15:29,178 --> 00:15:31,639
Now? It's a free-for-all.

218

00:15:31,722 --> 00:15:35,184
The world barely makes any sense,
so it follows that crime doesn't either.

219

00:15:35,267 --> 00:15:38,729
You and I could theorize all night,
but the truth is, I don't fucking know.

220

00:15:38,812 --> 00:15:41,023
-I don't know either.
-No one does.

221

00:15:41,106 --> 00:15:42,691
But we're supposed to, right?

222

00:15:42,775 --> 00:15:47,237
Sure, but here's the troubling thing:
no one's even asking the questions.

223

00:15:51,116 --> 00:15:52,034
We are.

224

00:15:52,701 --> 00:15:53,702
We are.

225

00:15:56,622 --> 00:15:57,915
Mm!

226

00:15:59,333 --> 00:16:02,586
Next time, let's discuss
Lee Harvey Oswald as Oedipus.

227

00:16:04,463 --> 00:16:05,589
-Thank you.
-Anytime.

228

00:16:17,893 --> 00:16:19,395
-Hey.
-Hey.

229

00:16:19,812 --> 00:16:21,063
What are you looking at?

230

00:16:21,814 --> 00:16:22,940
I like your outfit.

231

00:16:23,482 --> 00:16:25,901
What is that, a jumpsuit?
What do you call that?

232

00:16:25,985 --> 00:16:28,112
-This? I call it a jumpsuit.
-Stylish.

233

00:16:28,195 --> 00:16:30,698
What do you call that?
You look like a Mormon.

234

00:16:31,156 --> 00:16:32,282
You look like my dad.

235

00:16:32,366 --> 00:16:33,409
Is he a Mormon?

236

00:16:33,492 --> 00:16:34,910
No, but he looks like one.

237

00:16:34,994 --> 00:16:36,203
So does mine.

238

00:16:36,286 --> 00:16:38,622
He bought me this suit,
as a matter of fact.

239

00:16:38,706 --> 00:16:41,041
Did he buy you those nice shiny shoes?

240

00:16:41,458 --> 00:16:42,334
Yes.

241

00:16:42,918 --> 00:16:45,421
I have one brown pair and one black pair.

242

00:16:46,255 --> 00:16:48,590
I've got sneakers,
but I had to buy those myself.

243
00:16:48,674 --> 00:16:51,844
What kind of grown-up lets their parents
choose their clothes for them?

244
00:16:53,679 --> 00:16:56,682
-Are you coming on to me?
-How do you like my approach?

245
00:17:02,354 --> 00:17:03,981
You having a good time?

246
00:17:04,064 --> 00:17:05,733
-I will be.
-Huh!

247
00:17:05,816 --> 00:17:07,026
It's my birthday today.

248
00:17:07,109 --> 00:17:09,361
Happy birthday. How old are you?

249
00:17:09,445 --> 00:17:12,197
-Twenty-four.
-You don't look old enough to be in here.

250
00:17:12,281 --> 00:17:14,533
-What are you, a narc?
-FBI, actually.

251
00:17:16,035 --> 00:17:17,786
Special Agent Holden Ford.

252
00:17:17,870 --> 00:17:19,204
Wow.

253
00:17:20,998 --> 00:17:23,042
-Can you tell?
-Everybody can tell.

254

00:17:23,625 --> 00:17:24,501
You got a gun?

255

00:17:24,585 --> 00:17:26,795
I have one,
but I'm not gonna show it to you.

256

00:17:26,879 --> 00:17:27,796
Nuts.

257

00:17:28,630 --> 00:17:31,175
I'm a teacher.
Right up the road at Quantico.

258

00:17:31,258 --> 00:17:32,384
What do you teach?

259

00:17:33,260 --> 00:17:36,263
Hostage negotiation, such as it is.

260

00:17:36,346 --> 00:17:39,183
-Holy cow.
-You really think I look like a narc?

261

00:17:39,266 --> 00:17:41,435
-Are you kidding?
-I don't see it.

262

00:17:41,518 --> 00:17:43,228
You stick out like a sore thumb.

263

00:17:44,646 --> 00:17:48,400
Well, I'm not here to...
infiltrate the Black Panthers.

264

00:17:48,734 --> 00:17:52,404
Those guys are hardly Black Panthers.
They're engineering students.

265

00:17:52,863 --> 00:17:54,323
You should go talk to them.

266

00:17:54,406 --> 00:17:57,367

I'm sure the FBI's in need
of some great-looking black dudes.

267

00:17:57,451 --> 00:18:00,621

-You've got the wrong idea about me.
-You gonna book me?

268

00:18:00,704 --> 00:18:01,872

Maybe.

269

00:18:01,955 --> 00:18:02,998

Handcuffs?

270

00:18:08,170 --> 00:18:10,506

I'm here to see this really cool band
from Detroit.

271

00:18:11,048 --> 00:18:12,424

You ever been to Detroit?

272

00:18:13,217 --> 00:18:14,760

Yes, actually. I was a--

273

00:18:18,430 --> 00:18:20,891

I was a brick agent there
for a couple of years.

274

00:18:21,308 --> 00:18:24,645

I can't believe they're here.
They used to play PJ's in Corktown.

275

00:18:25,395 --> 00:18:26,814

-You know Corktown?
-Sure.

276

00:18:26,897 --> 00:18:29,358

-It looked like a furniture store.
-They always sold liquor.

277

00:18:29,441 --> 00:18:32,820

The whole furniture thing was just a front

that started during Prohibition.

278

00:18:32,903 --> 00:18:34,321
Where are you really from?

279

00:18:34,863 --> 00:18:36,532
[sighs] Everywhere.

280

00:18:36,615 --> 00:18:38,283
But the Midwest, right?

281

00:18:38,367 --> 00:18:41,328
I grew up in the Midwest,
but I was born in Brooklyn.

282

00:18:41,411 --> 00:18:43,789
You do not seem like a guy from New York.

283

00:18:44,873 --> 00:18:47,042
You don't seem like a girl from Corktown.

284

00:18:50,129 --> 00:18:51,380
Buy you a drink?

285

00:18:54,800 --> 00:18:57,511
-[rock music playing]
-[vocalizing]

286

00:20:56,463 --> 00:20:59,007
[music continues]

287

00:21:36,837 --> 00:21:39,047
-[Holden] What's your name?
-Debbie.

288

00:21:42,384 --> 00:21:44,803
-You want some pot?
-Is that a trick question?

289

00:21:44,886 --> 00:21:45,887
Come on.

290
00:21:46,263 --> 00:21:48,390
Are you serious?
No, that's completely inappropriate.

291
00:21:48,473 --> 00:21:50,225
Come on, it's my birthday.

292
00:21:50,309 --> 00:21:52,811
Oh, Jesus, you're not gonna
drink and drive, are you?

293
00:21:52,894 --> 00:21:54,354
You've been plying me with booze.

294
00:21:54,438 --> 00:21:56,732
Don't you think
that's kind of a mixed message?

295
00:22:01,069 --> 00:22:01,987
You coming?

296
00:22:06,033 --> 00:22:07,909
[engine starts]

297
00:22:12,080 --> 00:22:15,334
[indistinct chatter]

298
00:22:15,417 --> 00:22:17,544
[rock music plays softly]

299
00:22:20,005 --> 00:22:23,383
So what does a brick agent
get up to in Detroit?

300
00:22:23,884 --> 00:22:25,761
Mostly corralling Army deserters.

301
00:22:26,595 --> 00:22:29,097
Guys AWOL from Vietnam
trying to get to Canada.

302

00:22:30,390 --> 00:22:31,600
Too scared to go back.

303
00:22:32,267 --> 00:22:34,603
Young guys. Same age I was.

304
00:22:35,103 --> 00:22:36,688
So you were a snitch?

305
00:22:38,940 --> 00:22:40,942
There's worse things than being a snitch.

306
00:22:44,029 --> 00:22:46,615
Maybe this'll loosen you up.

307
00:22:47,949 --> 00:22:49,743
[Holden exhales]

308
00:22:50,243 --> 00:22:51,870
God, you are making me nervous.

309
00:22:52,704 --> 00:22:54,289
You are such a goody-goody.

310
00:22:55,874 --> 00:22:57,709
What are you, some kind of honey trap?

311
00:22:58,210 --> 00:23:00,253
I've been warned to watch out
for women like you.

312
00:23:02,005 --> 00:23:03,215
You mean normal ones?

313
00:23:08,595 --> 00:23:10,305
[sighs]

314
00:23:10,889 --> 00:23:13,475
So just put your mouth over the hole...

315
00:23:16,311 --> 00:23:17,938

[exhales] Okay. [clears throat]

316

00:23:21,942 --> 00:23:23,401

-And inhale.

-[bubbling]

317

00:23:29,533 --> 00:23:30,617

[coughs]

318

00:23:30,700 --> 00:23:32,119

[coughing loudly]

319

00:23:33,995 --> 00:23:35,288

[continues coughing]

320

00:23:35,372 --> 00:23:38,125

[gunfire]

321

00:23:41,753 --> 00:23:43,171

[panting]

322

00:23:44,756 --> 00:23:47,092

[loud gunfire]

323

00:23:47,175 --> 00:23:49,136

[man] I don't want to talk
to somebody trying to calm me.

324

00:23:49,219 --> 00:23:50,971

-Get somebody in charge.

-I am in charge!

325

00:23:51,054 --> 00:23:54,850

I don't want to talk to some flunky pig
trying to calm me. What's he doing?

326

00:23:54,933 --> 00:23:57,060

-Will you get back over there?

-What are they there for?

327

00:23:57,144 --> 00:23:59,771

Will you get the fuck back?

Get back there, will ya?

328

00:23:59,855 --> 00:24:01,189

-Look at him!

-Get over there!

329

00:24:01,273 --> 00:24:03,900

-Go back there, man!

-Get over there, will ya?

330

00:24:03,984 --> 00:24:06,945

He wants to kill me so bad,

he can taste it! All right?

331

00:24:07,028 --> 00:24:09,656

Attica! Attica! Attica!

332

00:24:10,699 --> 00:24:13,869

-Attica! Attica!

-[crowd cheering]

333

00:24:13,952 --> 00:24:16,997

Attica! Attica! Attica!

334

00:24:17,080 --> 00:24:20,709

[man] I was so confused,

I was doing insane things.

335

00:24:22,252 --> 00:24:23,670

What sort of things, Leon?

336

00:24:28,592 --> 00:24:29,718

After the wedding...

337

00:24:31,052 --> 00:24:33,471

I ran off for ten days to Atlantic City.

338

00:24:34,973 --> 00:24:36,516

Sonny was frantic.

339

00:24:37,267 --> 00:24:38,560

He knew I'd been drinking,

340

00:24:38,643 --> 00:24:40,979
he didn't know where I was,
who I was with.

341

00:24:42,564 --> 00:24:45,317
[stuttering] Well,
I couldn't explain the things I did.

342

00:24:46,234 --> 00:24:47,861
So I went to a psychiatrist...

343

00:24:48,528 --> 00:24:49,654
who told me...

344

00:24:50,780 --> 00:24:54,242
that I was a woman
trapped in a man's body.

345

00:25:01,416 --> 00:25:03,668
[Holden] So they were both homosexuals,

346

00:25:03,752 --> 00:25:05,003
but he was married,

347

00:25:05,086 --> 00:25:08,798
and his boyfriend wanted to become
a woman, which is confusing.

348

00:25:08,882 --> 00:25:11,301
-You really gotta get out more, Holden.
-It was mixed up.

349

00:25:11,384 --> 00:25:14,012
-You didn't like it?
-No, I really liked it.

350

00:25:14,095 --> 00:25:16,765
It was just so... sad.

351

00:25:16,848 --> 00:25:20,310
He was obviously very disturbed,

but somehow I liked him.

352

00:25:20,393 --> 00:25:22,604

-Yeah, you have empathy.

-Yeah.

353

00:25:23,355 --> 00:25:24,439

Empathy.

354

00:25:24,981 --> 00:25:27,776

I really liked the dialogue.

It was just very real.

355

00:25:27,859 --> 00:25:29,152

When I started at the Academy,

356

00:25:29,236 --> 00:25:32,113

they would send women out of the room

if there was any of that talk.

357

00:25:32,197 --> 00:25:34,449

They called it "deviant terminology."

358

00:25:34,532 --> 00:25:36,785

We even had a list of words

we had to memorize.

359

00:25:36,868 --> 00:25:38,578

Really? Which words?

360

00:25:39,955 --> 00:25:40,997

You know...

361

00:25:41,081 --> 00:25:44,459

fuck, shit, pussy... blow job.

362

00:25:46,545 --> 00:25:47,379

Oh, fuck.

363

00:25:48,004 --> 00:25:48,922

Shit.

364

00:25:50,131 --> 00:25:51,132
[both moaning]

365

00:25:51,633 --> 00:25:53,051
Finger my pussy.

366

00:25:54,886 --> 00:25:57,097
Finger my pussy, I'll give you a blow job.

367

00:25:57,597 --> 00:25:59,766
[Debbie laughs]

368

00:26:00,850 --> 00:26:02,811
All the bad words used in a sentence.

369

00:26:07,857 --> 00:26:10,568
[moaning]

370

00:26:11,361 --> 00:26:13,363
[man] It's classic he said-she said.

371

00:26:13,446 --> 00:26:17,450
He says she hit her head on the bedpost
having consensual sexual intercourse.

372

00:26:17,534 --> 00:26:18,785
She says he knocked her out

373

00:26:18,868 --> 00:26:21,121
and dragged her into this motel room
to rape her.

374

00:26:21,204 --> 00:26:25,166
We know she didn't hit her head
on that bedpost because we've measured.

375

00:26:25,250 --> 00:26:27,043
[Shepard] Where do you propose
you would go?

376

00:26:27,127 --> 00:26:29,045

University of Virginia in Charlottesville.

377

00:26:29,129 --> 00:26:30,130
Studying what?

378

00:26:30,213 --> 00:26:33,675
Contemporary Applied Criminal Psychology.
Ratchet things up a notch.

379

00:26:33,758 --> 00:26:35,760
What exactly is it
you think you're missing out on?

380

00:26:35,844 --> 00:26:37,679
We need to know
the current academic thinking.

381

00:26:37,762 --> 00:26:39,723
No, you don't want to rely
on academics, Holden.

382

00:26:39,806 --> 00:26:42,225
I'm not saying rely, just get updated.

383

00:26:42,309 --> 00:26:43,643
We just got updated.

384

00:26:43,727 --> 00:26:46,980
It's all in the library.
1972, everything was new.

385

00:26:47,063 --> 00:26:48,773
That was five years ago.

386

00:26:49,941 --> 00:26:51,276
What's the thinking now?

387

00:26:51,359 --> 00:26:52,569
Okay, look.

388

00:26:53,528 --> 00:26:56,072
There have been some fine

psychological studies over the years,

389

00:26:56,156 --> 00:26:59,701
but these are people
who don't understand the criminal mind.

390

00:26:59,784 --> 00:27:03,121
They understand their corner of the world,
which is a very small corner.

391

00:27:03,204 --> 00:27:05,540
Well, they must know something.

392

00:27:10,295 --> 00:27:11,755
I'm going to level with you.

393

00:27:13,048 --> 00:27:16,384
I'm going to tell you something
I really don't want you to repeat.

394

00:27:17,093 --> 00:27:22,182
As far as the Bureau is concerned,
psychology is for backroom boys.

395

00:27:22,265 --> 00:27:25,477
-[chime sounds]
-You understand what I'm trying to say?

396

00:27:27,270 --> 00:27:28,980
No. What's a "backroom boy"?

397

00:27:30,774 --> 00:27:32,317
It's just frowned upon.

398

00:27:34,652 --> 00:27:36,738
We should be using every resource we can.

399

00:27:38,323 --> 00:27:41,826
Talking to the smartest people we find
from the broadest possible spectrum.

400

00:27:41,910 --> 00:27:44,371

-And we do.
-Otherwise, it's like the military.

401
00:27:44,454 --> 00:27:46,956
-Hey, we recruited Elvis.
-So did the military.

402
00:27:47,040 --> 00:27:48,792
The King doesn't do it for you?

403
00:27:48,875 --> 00:27:50,960
Hoover died over five years ago,

404
00:27:51,044 --> 00:27:54,881
and we're still recruiting accountants
and lawyers like it's 1946.

405
00:27:54,964 --> 00:27:57,133
Actually, recruitment has tapered off.

406
00:27:57,217 --> 00:28:00,261
-We can't get accountants.
-Well, then we're in trouble.

407
00:28:01,054 --> 00:28:03,348
[sighs] All right. I'll scratch your back

408
00:28:03,431 --> 00:28:05,642
and recommend funding for you
to audit a few classes,

409
00:28:05,725 --> 00:28:09,020
but you will be expected to use
the opportunity for recruitment.

410
00:28:09,938 --> 00:28:11,898
Speakers, lecturers, great minds.

411
00:28:11,981 --> 00:28:15,527
-Are you sure you want me doing that?
-You're smart, you're idealistic...

412

00:28:15,735 --> 00:28:16,903
more than a little sensitive.

413

00:28:17,487 --> 00:28:18,655
They're gonna love you.

414

00:28:35,880 --> 00:28:38,258
[bell tolling]

415

00:28:42,804 --> 00:28:45,306
-Hare Krishna.
-Hare Krishna.

416

00:28:46,558 --> 00:28:49,310
-Hare Krishna.
-[man] And then, in 1872,

417

00:28:49,394 --> 00:28:54,274
Italian physician Cesare Lombroso
drags us out of the Dark Ages

418

00:28:54,357 --> 00:28:57,068
and launches the scientific era
in criminology

419

00:28:57,736 --> 00:29:01,072
by differentiating five criminal classes:

420

00:29:02,991 --> 00:29:04,284
the born criminal,

421

00:29:05,410 --> 00:29:06,911
insane criminal,

422

00:29:07,787 --> 00:29:09,414
criminal by passion,

423

00:29:10,457 --> 00:29:11,875
habitual criminal,

424

00:29:12,250 --> 00:29:14,919
and the occasional criminal.

425

00:29:15,003 --> 00:29:17,630

In other words,
there are those that are born that way

426

00:29:18,131 --> 00:29:20,425

and those who become that way.

427

00:29:20,508 --> 00:29:22,427

And in 1965,
there's this other breakthrough.

428

00:29:22,510 --> 00:29:24,345

This criminal psychology research project

429

00:29:24,429 --> 00:29:28,266

at Bellevue psychiatric hospital
in New York couched it like this:

430

00:29:28,349 --> 00:29:31,269

personality and character

431

00:29:31,352 --> 00:29:35,690

far outweigh the presence
of psychotic or defective diagnoses.

432

00:29:35,774 --> 00:29:38,526

In other words, by extrapolation...

433

00:29:39,360 --> 00:29:40,820

are criminals born...

434

00:29:42,322 --> 00:29:44,115

or are they formed?

435

00:30:04,969 --> 00:30:06,137

Do you mind if I sit?

436

00:30:06,596 --> 00:30:07,430

You're sitting.

437

00:30:11,643 --> 00:30:13,770
You know, I wasn't aware
of that project at Bellevue.

438

00:30:13,853 --> 00:30:15,688
Well, you should be.

439

00:30:16,689 --> 00:30:19,400
Where I come from,
criminals are always born that way.

440

00:30:19,484 --> 00:30:21,319
Some people
will never stop believing that.

441

00:30:22,320 --> 00:30:23,905
-It's too easy.
-It lets us off the hook.

442

00:30:23,988 --> 00:30:25,865
Well, essentially we're a puritan nation.

443

00:30:25,949 --> 00:30:29,202
We blame all our problems
on a minority of bad apples.

444

00:30:29,285 --> 00:30:31,704
What's your name again?
I'm sorry. Is it Leon?

445

00:30:31,788 --> 00:30:32,747
Buchanan. [scoffs]

446

00:30:33,790 --> 00:30:34,666
Leo.

447

00:30:34,749 --> 00:30:35,583
Holden.

448

00:30:36,376 --> 00:30:38,503
-Holden Ford.
-I know who you are.

449

00:30:39,462 --> 00:30:40,463
Everybody does.

450

00:30:40,547 --> 00:30:41,506
Yeah.

451

00:30:42,715 --> 00:30:44,717
I've noticed some of the looks
I've been getting.

452

00:30:44,801 --> 00:30:47,679
Funny looks isn't a federal offense...
yet.

453

00:30:48,346 --> 00:30:49,848
Yeah, they're just curious.

454

00:30:50,306 --> 00:30:51,474
Well, I'm not a spy.

455

00:30:51,891 --> 00:30:53,226
This isn't some kind of cover.

456

00:30:53,309 --> 00:30:57,105
Good. Because that...
would have been a really pathetic cover.

457

00:30:58,064 --> 00:31:01,234
I'm actually an instructor too,
but I'm just here to learn.

458

00:31:01,317 --> 00:31:04,195
And I'm here to talk to people like you.

459

00:31:04,279 --> 00:31:05,697
What do you want to talk about?

460

00:31:05,780 --> 00:31:08,157
I want to start a dialogue with you.

461

00:31:08,241 --> 00:31:09,409

Would be that okay?

462

00:31:10,201 --> 00:31:11,578

A dialogue about what?

463

00:31:12,120 --> 00:31:15,874

I'm an instructor in the Bureau's training
and recruitment program out of Quantico.

464

00:31:15,957 --> 00:31:18,793

And we really need to hear
from people like you.

465

00:31:18,877 --> 00:31:22,964

I'm sorry, are you trying to recruit me?

466

00:31:23,047 --> 00:31:25,717

Just to hear your perspectives
and your insights.

467

00:31:28,094 --> 00:31:30,722

[laughs] I understand...

468

00:31:32,765 --> 00:31:33,808

perfectly.

469

00:31:36,311 --> 00:31:39,731

I'm sorry. You call yourself
a professor of criminal psychology.

470

00:31:40,315 --> 00:31:43,276

But you won't even talk
to the educational arm of the FBI?

471

00:31:43,359 --> 00:31:44,319

It's just...

472

00:31:45,236 --> 00:31:46,613

a sign of the times, man.

473

00:31:48,698 --> 00:31:51,451

-[Debbie] Lost your appetite?

-[Holden] Do these fucking hippies

474

00:31:51,534 --> 00:31:55,246
seriously believe that they're worthy
of an enormously costly, labor-intensive

475

00:31:55,330 --> 00:31:57,165
federal surveillance operation?

476

00:31:57,248 --> 00:31:59,292
It sounds like the contempt is mutual.

477

00:31:59,667 --> 00:32:03,379
Don't you think that the traditional
counterculture-law enforcement enmity

478

00:32:03,463 --> 00:32:05,089
is a little old hat by now?

479

00:32:05,590 --> 00:32:08,760
They'll never forgive you
for putting a tail on John and Yoko.

480

00:32:09,594 --> 00:32:13,056
Frankly, I'm surprised to have aroused
such a degree of fucking neuroses

481

00:32:13,139 --> 00:32:15,183
amongst supposedly intelligent people.

482

00:32:15,266 --> 00:32:17,560
Please, they're flattering themselves.

483

00:32:20,146 --> 00:32:22,023
[whispers]
They think you're wearing a wire.

484

00:32:25,485 --> 00:32:27,278
There. You're one of us now.

485

00:32:27,362 --> 00:32:31,115
Okay, everything's all right.

Come on. Right. Yeah. Okay.

486

00:32:33,242 --> 00:32:35,119

-Come on out, Sonny.

-They're too close!

487

00:32:35,203 --> 00:32:37,830

Come on, get back!

What the fuck are you doing? Get back!

488

00:32:37,914 --> 00:32:38,873

Get them back.

489

00:32:38,957 --> 00:32:40,833

-Get back, okay?

-Come here.

490

00:32:41,542 --> 00:32:42,835

Come on out.

491

00:32:42,919 --> 00:32:45,046

Now take a look at this. Come on.

492

00:32:45,588 --> 00:32:47,340

Hey, look. Look up here. Look.

493

00:32:48,591 --> 00:32:49,550

Look.

494

00:32:50,551 --> 00:32:52,136

Look over here. Huh?

495

00:32:56,933 --> 00:32:59,394

Over there. Look.

You got everything here, okay?

496

00:33:09,529 --> 00:33:12,073

Okay. So what are they doing wrong?

497

00:33:12,657 --> 00:33:15,743

-They're making him mad.

-They're making him scared.

498

00:33:16,202 --> 00:33:19,956

-So?

-We do not want him scared.

499

00:33:20,039 --> 00:33:22,625

We want him calm.

500

00:33:22,709 --> 00:33:25,420

[film reel playing in fast speed]

501

00:33:28,840 --> 00:33:32,885

Let me call and see what they say.
I'll talk to them and ask, all right?

502

00:33:32,969 --> 00:33:35,013

Then we'll see.

Anything else I can give you?

503

00:33:39,058 --> 00:33:41,477

Yeah, I want you
to bring my wife down here.

504

00:33:42,395 --> 00:33:43,771

Okay, what do you give us?

505

00:33:44,022 --> 00:33:45,023

What do you want?

506

00:33:47,358 --> 00:33:51,946

The guy is robbing a bank
to pay for a sex change for his boyfriend.

507

00:33:52,030 --> 00:33:54,365

He wants a helicopter with a piano.

508

00:33:54,907 --> 00:33:58,453

But more than anything,
he wants to talk to his wife.

509

00:34:00,246 --> 00:34:02,665

-Complicated, right?

-[man] Yeah.

510

00:34:03,082 --> 00:34:04,417
[Holden] Trust me on this.

511

00:34:05,251 --> 00:34:08,713
Always expect complicated.

683

00:42:34,510 --> 00:42:37,596
-You can come back for the rest.
-The woman found behind the church.

684

00:42:37,680 --> 00:42:40,266
-We're here for something else.
-The woman and her little boy.

685

00:42:40,349 --> 00:42:41,725
We're instructors.

686

00:42:41,809 --> 00:42:43,269
Are you from the Methodist church?

687

00:42:43,352 --> 00:42:45,354
Do we look like
we're from the Methodist church?

688

00:42:45,437 --> 00:42:46,397
Yes.

689

00:42:46,939 --> 00:42:47,940
Make a hole.

690

00:42:49,525 --> 00:42:50,693
Good to see ya.

691

00:42:51,902 --> 00:42:54,113
[Tench] Motive, means, opportunity.

692

00:42:54,196 --> 00:42:57,575
The three pillars of criminal
investigation for the last century.

693

00:42:58,158 --> 00:43:01,704
But it's 1977,
and suddenly motive is elusive.

694

00:43:03,372 --> 00:43:04,748
What, why, who.

695

00:43:05,291 --> 00:43:08,168
"What happened?"
"Why did it happen that way?"

696

00:43:08,252 --> 00:43:10,087
Which should lead to: "Who did it?"

697

00:43:11,130 --> 00:43:14,258
A person is murdered.
Not sexually assaulted, not robbed.

698

00:43:14,633 --> 00:43:16,677
But the body is mutilated posthumously.

699

00:43:17,177 --> 00:43:19,847
The question is not only
why did the killer do it,

700

00:43:19,930 --> 00:43:22,016
but why did the killer do it this way?

701

00:43:23,100 --> 00:43:27,187
We are now talking about... psychology.

702

00:43:30,232 --> 00:43:33,193
[clears throat] When I'm involved
in a hostage negotiation,

703

00:43:33,277 --> 00:43:35,529
the perpetrator is standing
right in front of me,

704

00:43:35,613 --> 00:43:38,866
but I have to gauge
how much destruction he's capable of,

705

00:43:39,366 --> 00:43:43,621
what in his background or personal life
that could've triggered today's standoff.

706

00:43:43,704 --> 00:43:45,247
Some people are just crazy, right?

707

00:43:45,789 --> 00:43:47,958
Crazy in that they have no reason
for what they do?

708

00:43:48,042 --> 00:43:49,376
-Yeah.
-[Holden] Okay.

709

00:43:49,460 --> 00:43:53,922
But keep in mind, often, this crazy person
has never done anything like this before.

710

00:43:54,006 --> 00:43:55,799
Something just... flips.

711

00:43:56,383 --> 00:43:58,260
-Like a switch.
-Good, a switch.

712

00:43:58,761 --> 00:44:00,220
Anybody know what flips it?

713

00:44:01,180 --> 00:44:03,474
-Getting fired?
-Fired. Yes.

714

00:44:03,557 --> 00:44:04,933
-Getting dumped.
-[Holden] Absolutely.

715

00:44:05,017 --> 00:44:07,227
A romantic breakup is a top trigger.

716

00:44:07,728 --> 00:44:11,523

When we know who the criminal is,
we can understand what set him off.

717

00:44:11,607 --> 00:44:13,817
In a homicide situation,
we do the inverse.

718

00:44:14,234 --> 00:44:18,572
We ask, "What happened?
Why did it happen that way?"

719

00:44:18,656 --> 00:44:20,783
Which narrows the search for who did it.

720

00:44:21,283 --> 00:44:24,578
But what if our killer
is someone who's not rational?

721

00:44:31,251 --> 00:44:33,170
Why do we behave the way we do?

722

00:44:34,713 --> 00:44:38,801
It's a question asked by poets,
and philosophers, and theologians

723

00:44:38,884 --> 00:44:40,511
since time immemorial.

724

00:44:40,928 --> 00:44:44,765
The playground of Shakespeare,
Dostoyevsky, Freud.

725

00:44:44,848 --> 00:44:48,435
The stuff of Crime and Punishment
and Beyond the Pleasure Principal.

726

00:44:49,687 --> 00:44:53,941
The greatest minds in history have been
fascinated by the vagaries of behavior.

727

00:44:56,485 --> 00:45:01,490
So, in a case where we can't immediately
divine a motive, we shouldn't panic.

728

00:45:02,199 --> 00:45:04,034
It's a riddle, but it can be solved.

729

00:45:04,118 --> 00:45:07,996
It's complex, but... it's human.

730

00:45:10,290 --> 00:45:12,292
-[quiet muttering]
-Thank you, Holden.

731

00:45:13,460 --> 00:45:15,504
That was very... illuminating.

732

00:45:15,587 --> 00:45:18,549
[quiet laughter, chatter]

733

00:45:18,632 --> 00:45:21,176
So what the hell's
Beyond the Pleasure Principle?

734

00:45:21,260 --> 00:45:24,096
-By Freud?
-[man] So this is about sex?

735

00:45:24,179 --> 00:45:26,765
Actually, it's where he looks
for human impulses beyond sex,

736

00:45:26,849 --> 00:45:28,892
-specifically the death drive.
-[man 2] What's that?

737

00:45:28,976 --> 00:45:31,937
-Something my kid does with a stick shift.
-[laughter]

738

00:45:32,020 --> 00:45:34,481
Freud suggests that there's
an innate desire for destruction,

739

00:45:34,565 --> 00:45:36,859

based on the propensity for matter
to return--

740

00:45:36,942 --> 00:45:38,902
-What does this have to do with motive?
-[Holden] Well...

741

00:45:39,319 --> 00:45:43,323
we've always looked at motive
as need or greed, right?

742

00:45:43,407 --> 00:45:46,285
-Guy steals a TV to sell it to buy drugs.
-[Holden] Exactly.

743

00:45:46,368 --> 00:45:49,371
But let's say, while he's at it,
he steals your wife's panties, too.

744

00:45:49,455 --> 00:45:51,165
If he stole my wife's panties,
I'd be amazed.

745

00:45:51,248 --> 00:45:53,792
-[laughter]
-[Holden] Well, he's not selling those.

746

00:45:53,876 --> 00:45:56,170
So why does he do it?
Is it merely prurient?

747

00:45:56,253 --> 00:45:58,755
He could be motivated by something
he doesn't even understand.

748

00:45:58,839 --> 00:46:01,091
Our new quest, like Freud,

749

00:46:01,175 --> 00:46:04,761
is to look beyond what we assume
are obvious impulses.

750

00:46:04,845 --> 00:46:06,513

So why didn't you just say that?

751

00:46:11,226 --> 00:46:14,396
[Holden] They don't want to learn.
What are we even doing here?

752

00:46:14,646 --> 00:46:16,523
[Tench] Don't make it too complicated.

753

00:46:16,773 --> 00:46:17,983
What's wrong with complicated?

754

00:46:18,066 --> 00:46:20,944
There's complicated
and there's too complicated, Holden.

755

00:46:24,156 --> 00:46:27,075
We used to do this experiment
in social psychology.

756

00:46:27,618 --> 00:46:28,952
Uh-huh. What was that?

757

00:46:29,328 --> 00:46:32,956
You get onto a crowded elevator,
and you face the opposite direction,

758

00:46:33,040 --> 00:46:36,543
the back of the elevator,
and everybody freaks out.

759

00:46:37,044 --> 00:46:40,380
They're uncomfortable
for reasons they can't even articulate.

760

00:46:41,465 --> 00:46:45,803
But if you turn around and face the front,
everybody relaxes.

761

00:46:46,386 --> 00:46:49,014
Okay. Well, how do we do that?

762

00:46:51,934 --> 00:46:53,310
What do we have in common?

763

00:46:55,437 --> 00:46:56,647
What unites us?

764

00:46:58,649 --> 00:47:01,527
What keeps us all awake at night?

765

00:47:05,364 --> 00:47:09,159
-[all groaning]
-Monster. Right?

766

00:47:10,118 --> 00:47:11,537
I think we can all agree.

767

00:47:13,622 --> 00:47:15,457
But what do you really know about him?

768

00:47:16,333 --> 00:47:19,044
Did you know that his mother
was a jailbird and a prostitute?

769

00:47:19,419 --> 00:47:21,088
Did you know when he was ten years old,

770

00:47:21,171 --> 00:47:24,007
she palmed him off
onto his sadistic, Bible-thumping uncle

771

00:47:24,091 --> 00:47:28,679
who beat him within an inch of his life
and taunted him to act like a man?

772

00:47:29,513 --> 00:47:31,473
Charles responded to that
by becoming a pimp

773

00:47:31,557 --> 00:47:34,268
and an armed robber,
and was incarcerated for over 20 years,

774

00:47:34,351 --> 00:47:36,353
where he continued to be brutalized.

775
00:47:36,436 --> 00:47:41,275
In 1967, he was paroled,
during the Summer of Love.

776
00:47:42,067 --> 00:47:43,443
And our nightmare began.

777
00:47:44,903 --> 00:47:47,322
[all groaning, chattering]

778
00:47:50,951 --> 00:47:52,369
-[man] Jesus!
-[man 2] Come on!

779
00:47:54,621 --> 00:47:58,000
Here we have a child who was unwanted,
unloved, regularly beaten,

780
00:47:58,083 --> 00:47:59,835
and repeatedly institutionalized.

781
00:47:59,918 --> 00:48:03,964
Now, might this not have had
some sort of an effect on him?

782
00:48:04,631 --> 00:48:07,050
-He was born that way.
-What way?

783
00:48:07,634 --> 00:48:10,178
-[man] Just bad.
-Can we be a little bit more specific?

784
00:48:10,262 --> 00:48:12,472
-Technically, he didn't kill anybody.
-[murmuring]

785
00:48:12,556 --> 00:48:15,892
Look at those eyes.
How can you not say that dude's evil?

786

00:48:15,976 --> 00:48:19,646
That's a little bit Old Testament,
don't you think?

787

00:48:19,730 --> 00:48:23,483
Good, evil, black, white, it's easy.

788

00:48:23,859 --> 00:48:26,695
But who in this room
has a life that's easy?

789

00:48:27,529 --> 00:48:30,032
Circumstances affect behavior.

790

00:48:30,699 --> 00:48:32,743
When we look at Manson's background,

791

00:48:32,826 --> 00:48:36,288
the real question is,
how could we not have seen this coming?

792

00:48:36,371 --> 00:48:37,331
We did.

793

00:48:37,873 --> 00:48:39,041
[Holden] I'm sorry?

794

00:48:39,124 --> 00:48:42,586
He was institutionalized
because we could see it coming.

795

00:48:42,669 --> 00:48:45,589
Okay, but I'm saying maybe, just maybe,

796

00:48:46,131 --> 00:48:48,967
locking him up his young life
helped make him what he was.

797

00:48:49,051 --> 00:48:50,761
-[man] No.
-What the fuck?

798

00:48:50,844 --> 00:48:53,221
They locked him up
because of what he did.

799

00:48:53,305 --> 00:48:54,765
They already knew what he was.

800

00:48:54,848 --> 00:48:57,934
Okay, guys, I'm not asking anybody
to feel sorry for Charles Manson.

801

00:48:58,018 --> 00:49:00,771
If he were here, I'd shoot him dead.
No one would stop me.

802

00:49:00,854 --> 00:49:01,688
[man] Right.

803

00:49:01,772 --> 00:49:03,982
What Holden's trying to say
is maybe it's both.

804

00:49:04,066 --> 00:49:06,234
The one impacting on the other
in a vicious circle.

805

00:49:06,318 --> 00:49:08,487
Nobody has all the answers.

806

00:49:08,570 --> 00:49:11,490
-We have some answers.
-We should be asking questions.

807

00:49:11,573 --> 00:49:12,824
[man] No shit.

808

00:49:12,908 --> 00:49:15,327
Well, I'll just tell my buddies
in Robbery-Homicide

809

00:49:15,410 --> 00:49:17,663

who were there
when the corpses were found,

810
00:49:17,746 --> 00:49:20,999
that they may have overlooked
a difficult upbringing.

811
00:49:21,083 --> 00:49:22,459
You were LAPD?

812
00:49:22,542 --> 00:49:23,877
Twenty-two years.

813
00:49:25,128 --> 00:49:26,254
You worked Manson?

814
00:49:26,338 --> 00:49:28,548
No, but I knew every single man who did.

815
00:49:29,925 --> 00:49:31,718
How many homicides have you worked?

816
00:49:31,802 --> 00:49:33,804
[audience murmuring]

817
00:49:35,472 --> 00:49:38,350
Figure out who you're talking to
before you tell a sob story

818
00:49:38,433 --> 00:49:40,185
about little Chuckie Manson.

819
00:49:40,268 --> 00:49:42,521
They wrote "pigs" on the wall
in their victims' blood.

820
00:49:42,604 --> 00:49:44,147
They completely missed my point.

821
00:49:44,231 --> 00:49:47,526
In the future, ask if anyone's worked
a case before you bring it up.

822

00:49:47,609 --> 00:49:50,445
-Know your fucking audience.
-Oh, shit.

823

00:49:51,405 --> 00:49:53,699
It's okay, they always do this.

824

00:49:53,782 --> 00:49:55,534
Just be a good listener.

825

00:49:55,617 --> 00:49:56,535
Gentlemen.

826

00:49:58,203 --> 00:49:59,204
Frank McGraw.

827

00:50:00,163 --> 00:50:02,165
I didn't mean to embarrass anybody
back there.

828

00:50:02,249 --> 00:50:03,375
Not a problem.

829

00:50:03,458 --> 00:50:05,544
We're all a little tense around here.

830

00:50:05,627 --> 00:50:09,297
You must have heard about the mother
and child who were murdered recently.

831

00:50:09,381 --> 00:50:12,175
-Ada Jeffries and her boy.
-We've seen reporters.

832

00:50:13,385 --> 00:50:14,970
She was bound,

833

00:50:15,053 --> 00:50:17,347
stabbed repeatedly
about the chest and face.

834

00:50:18,014 --> 00:50:19,266
The boy's throat was cut.

835

00:50:19,349 --> 00:50:22,352
[groans] Rough one.

836

00:50:22,436 --> 00:50:26,273
I don't understand entirely
what you're talking about with psychology.

837

00:50:27,649 --> 00:50:30,068
I don't understand
much of anything anymore.

838

00:50:30,152 --> 00:50:31,737
What's on your mind, Frank?

839

00:50:34,030 --> 00:50:36,616
-I hate to bother.
-No, by all means. Bother us.

840

00:50:43,081 --> 00:50:46,960
When I left Los Angeles,
I thought I'd gone far enough.

841

00:50:49,755 --> 00:50:53,258
Ada was the kind of woman
who wouldn't say boo to a goose.

842

00:50:53,800 --> 00:50:56,553
She came from a deeply religious family
in Arkansas.

843

00:50:57,095 --> 00:50:59,890
When they found out she was pregnant,
they put her out.

844

00:51:00,390 --> 00:51:02,934
She lived in a rooming house
in Libertyville.

845

00:51:03,018 --> 00:51:07,564

No drugs, no alcohol,
never had a brush with the law.

846

00:51:08,315 --> 00:51:10,484
The boy was polite and quiet.

847

00:51:11,151 --> 00:51:13,904
She had him in Sunday school
at the Methodist church.

848

00:51:14,237 --> 00:51:17,407
She would sweep the steps every evening,

849
