295  
00:13:42,571 --> 00:13:44,448

-[Pope] Diver down, fool.  
-[John B sighs]

296  
00:13:44,532 --> 00:13:46,242  
-Diver down. [grunts]  
-Yeah, he is.

297  
00:14:13,602 --> 00:14:14,687  
[Pope] Should we go get him?

298  
00:14:15,563 --> 00:14:16,647  
[coughing]

299  
00:14:16,730 --> 00:14:18,983  
-Oh, my God. That took forever!  
-Ah, jeez.

300  
00:14:19,066 --> 00:14:20,276  
Any dead bodies?

301  
00:14:20,359 --> 00:14:21,902  
-Looting potential?  
-[John B] No. No.

302  
00:14:21,986 --> 00:14:23,404  
I found this motel key.

303  
00:14:23,863 --> 00:14:25,948  
-[Pope] A key.  
-[John B] Yes, a key, Pope.

304  
00:14:26,031 --> 00:14:27,908  
[JJ] Great! We salvaged a motel key.

305  
00:14:28,450 --> 00:14:30,911  
[Kie] Guys, we should report the wreck  
to the coast guard.

306  
00:14:30,995 --> 00:14:33,747  
-Maybe we'll get a finder's fee.  
-[JJ] Yeah, and not work all summer.

307

00:14:33,831 --> 00:14:35,374  
Thanks, Agatha, ya batch.

308  
00:14:45,134 --> 00:14:47,136  
[power tools whirring]

309  
00:14:52,933 --> 00:14:55,728  
-[man] You haven't seen him since?  
-[woman 1] Not since before the storm.

310  
00:14:55,811 --> 00:14:56,979  
[man] What did the police say?

311  
00:14:57,062 --> 00:15:00,024  
Well, they said I have to wait 24 hours  
before I can report anything,

312  
00:15:00,107 --> 00:15:01,400  
but I know something's wrong.

313  
00:15:01,483 --> 00:15:02,443  
[man] Nothing is wrong.

314  
00:15:02,526 --> 00:15:05,446  
You know, it's Scooter.  
He knows how to handle himself in a storm.

315  
00:15:05,529 --> 00:15:07,781  
[woman 1] Well, when was the last time  
that you saw him?

316  
00:15:08,324 --> 00:15:12,077  
[man] Uh, last time I saw him,  
he was prepping the Druthers with Sarah.

317  
00:15:14,079 --> 00:15:15,164  
Sarah!

318  
00:15:17,333 --> 00:15:19,543  
-You seen the princess?  
-[woman 2] She's out back.

319

00:15:19,627 --> 00:15:21,629  
[engine powering up]

320  
00:15:22,504 --> 00:15:23,714  
Let there be generators.

321  
00:15:23,797 --> 00:15:26,425  
Thank God. It's like living in Nicaragua.

322  
00:15:27,593 --> 00:15:30,554  
It didn't fall near the house.  
It completely uprooted it.

323  
00:15:30,638 --> 00:15:33,140  
Oh, look at this.  
Storm blew it right into the pool.

324  
00:15:33,223 --> 00:15:35,184  
Be careful with that.  
Rose is gonna kill me.

325  
00:15:35,267 --> 00:15:37,937  
-[worker] Yes, sir, Mr. Cameron.  
-I don't wanna know how much it cost.

326  
00:15:38,020 --> 00:15:40,314  
Dad, the Wi-Fi's not working.  
I can't post anything.

327  
00:15:40,397 --> 00:15:42,650  
Wheezie, there was a hurricane,  
sweetheart.

328  
00:15:42,733 --> 00:15:43,984  
[girl] No. No, no, no!

329  
00:15:44,068 --> 00:15:45,402  
What is your sister doing?

330  
00:15:45,486 --> 00:15:46,570  
Saving mice.

331

00:15:46,654 --> 00:15:48,030  
[Cameron] I'm sorry. Sarah!

332  
00:15:48,113 --> 00:15:50,157  
-[Sarah] I'm busy!  
-[Cameron] What are you doing?

333  
00:15:50,240 --> 00:15:52,785  
The burrows filled with water  
from the surge.

334  
00:15:53,577 --> 00:15:55,412  
The birds are having a field day.

335  
00:15:55,496 --> 00:15:57,289  
[Cameron] The birds have to eat too,  
Sarah.

336  
00:15:57,373 --> 00:15:59,750  
[Sarah] No,  
it's a mouse genocide out here. No!

337  
00:16:00,125 --> 00:16:02,503  
The cycle of life is what it is,  
sweetheart. Now, come on.

338  
00:16:02,586 --> 00:16:05,756  
I can't be a part of it.  
First they came for the mice, Daddy.

339  
00:16:05,839 --> 00:16:07,800  
-I have a human being...  
-[Sarah] Oh, my God.

340  
00:16:07,883 --> 00:16:09,218  
-...you might help.  
-Hi.

341  
00:16:09,301 --> 00:16:11,929  
-I'm Sarah. I'm so sorry.  
-[Cameron] This is Lana, Scooter's wife.

342  
00:16:12,429 --> 00:16:13,931

You were storm prepping  
with him, right?

343

00:16:14,014 --> 00:16:16,433  
Yeah. He helped me latch the cabin  
on the Druthers.

344

00:16:16,517 --> 00:16:17,768  
-Last night?  
-Yeah.

345

00:16:17,851 --> 00:16:19,186  
And did he go out after that?

346

00:16:19,269 --> 00:16:20,437  
-From here?  
-Yeah.

347

00:16:20,521 --> 00:16:24,400  
-No. Are you crazy? There was a hurricane.  
-Well, did he say where he was going?

348

00:16:24,483 --> 00:16:26,944  
Get a phone call or mention anything?

349

00:16:27,528 --> 00:16:29,196  
He didn't say anything to me.

350

00:16:29,989 --> 00:16:31,949  
-I'm so sorry. Is he okay?  
-He's absolutely okay.

351

00:16:32,032 --> 00:16:34,326  
-I hope so.  
-[Cameron] He's hunkered down somewhere.

352

00:16:34,410 --> 00:16:35,828  
-We'll find him.  
-[Sarah] Sorry.

353

00:16:35,911 --> 00:16:37,621  
-Thank you.  
-[Cameron] He's hunkered down

354

00:16:37,705 --> 00:16:40,290  
-somewhere with a six-pack...  
-[seabirds calling]

355

00:16:40,833 --> 00:16:43,335  
[man 1] She doesn't need to talk  
to the coast guard. It's a dog.

356

00:16:43,419 --> 00:16:45,087  
How about the Humane Society?

357

00:16:45,170 --> 00:16:47,172  
[indistinct chatter]

358

00:16:48,382 --> 00:16:49,633  
[woman] He's diabetic!

359

00:16:50,551 --> 00:16:52,678  
-He's a-- he's a diabetic!  
-[man 1] ...a dog...

360

00:16:52,761 --> 00:16:54,096  
-No, I understand that.  
-Excuse me!

361

00:16:54,179 --> 00:16:55,931  
Excuse me.  
Hey, man, we-- we found a boat.

362

00:16:56,015 --> 00:16:57,057  
-[woman] Please...  
-I--

363

00:16:57,141 --> 00:17:00,269  
-You're gonna wanna hear this.  
-Hey! Calm down.

364

00:17:00,936 --> 00:17:02,730  
-Now--  
-Canine diabetes is very...

365

00:17:02,813 --> 00:17:05,941  
-[man 1] Oh, my gosh. Diabetes for a dog?  
-[woman] It is so true!

366  
00:17:06,025 --> 00:17:09,028  
[man 2] Your boat? We're not worried  
about your boat right now, okay?

367  
00:17:09,653 --> 00:17:10,946  
Well, that went well.

368  
00:17:11,030 --> 00:17:12,531  
So, what's the plan?

369  
00:17:13,240 --> 00:17:15,659  
I know how we're gonna find the guy  
who owns that boat.

370  
00:17:15,743 --> 00:17:17,786  
We don't know whose room that is.  
It could be anyone.

371  
00:17:17,870 --> 00:17:20,998  
-I'm in.  
-Come on. I'll be lookout.

372  
00:17:21,582 --> 00:17:23,625  
[John B] Finder's fee. Just sayin'.

373  
00:17:23,709 --> 00:17:26,128  
And, hey,  
at least you'll only be an accomplice.

374  
00:17:26,962 --> 00:17:28,547  
-Man.  
-[John B] Come on, bubba.

375  
00:17:28,630 --> 00:17:30,632  
[radio chatter]

376  
00:17:34,261 --> 00:17:36,847  
[JJ whistles]  
I thought the Château looked bad.

377

00:17:36,930 --> 00:17:40,434  
-[John B] This place is a shitshow.  
-[Kie] Motel or meth lab?

378

00:17:40,517 --> 00:17:41,935  
[Pope] You be the judge.

379

00:17:42,019 --> 00:17:44,646  
[John B] Doesn't look like a place  
somebody with a Grady-White stays.

380

00:17:44,730 --> 00:17:47,900  
[Pope] No. Looks like a place someone  
with a Grady-White would get killed.

381

00:17:48,442 --> 00:17:49,359  
All right. Here we go.

382

00:17:49,443 --> 00:17:52,780  
[JJ] This is your captain speaking.  
HMS Pogue comin' in for landing.

383

00:17:53,155 --> 00:17:54,364  
Whoo!

384

00:17:56,408 --> 00:17:57,826  
-[John B] We good?  
-Yeah, we good.

385

00:17:57,910 --> 00:17:59,745  
[John B] All right. Here goes nothin'.

386

00:18:00,079 --> 00:18:01,413  
-Hey.  
-[John B] Yeah?

387

00:18:01,497 --> 00:18:03,165  
Don't let him do anything stupid.

388

00:18:03,248 --> 00:18:05,209  
-Oh, we will.

-I'm not making promises.

389

00:18:05,292 --> 00:18:06,543  
Yeah, I know.

390

00:18:06,919 --> 00:18:08,295  
Uh, be careful.

391

00:18:10,506 --> 00:18:11,340  
I mean it.

392

00:18:12,549 --> 00:18:13,717  
[chuckles] Yeah.

393

00:18:14,134 --> 00:18:15,052  
Yeah.

394

00:18:15,135 --> 00:18:16,095  
Let's go.

395

00:18:17,846 --> 00:18:19,139  
Why are all these mattresses out?

396

00:18:19,223 --> 00:18:21,600  
[JJ] After a hurricane,  
they ditch 'em 'cause they're moldy.

397

00:18:21,683 --> 00:18:23,894  
Just be so careful, John.

398

00:18:23,977 --> 00:18:25,687  
-God, you're so weird.  
-What was that about?

399

00:18:25,771 --> 00:18:27,648  
I don't know.  
Maybe she wants us to be careful.

400

00:18:28,482 --> 00:18:31,360  
Since she heard you're being threatened  
with exile, she's just been, like,

401

00:18:31,443 --> 00:18:34,154  
-"Oh! Be so careful, John B."  
-[John B] Get off.

402

00:18:34,238 --> 00:18:37,241  
[JJ] "Oh, give me that John D already."  
When are you gonna swoop on that, man?

403

00:18:37,324 --> 00:18:39,701  
Bro, you know the rule.  
No Pogue-on-Pogue macking.

404

00:18:39,785 --> 00:18:42,412  
-You're the one always hitting on her.  
-Of course I'm hitting on her.

405

00:18:42,496 --> 00:18:45,082  
She's a super-hot, rich, hippie chick  
slumming with us.

406

00:18:45,165 --> 00:18:48,377  
Why? I can't figure it out either,  
but who cares, bro?

407

00:18:48,460 --> 00:18:51,463  
I know that door's locked  
because I've tried it. Have you?

408

00:18:51,547 --> 00:18:53,382  
-[power tools whirring]  
-You need help.

409

00:18:53,465 --> 00:18:55,092  
Not a little help, you need a lot of help.

410

00:18:55,175 --> 00:18:58,345  
It's like every girl who just has  
a heartbeat, you're like... "Uhh!"

411

00:18:58,428 --> 00:19:00,889  
-What? It's not a big deal.  
-Is that us? Twenty-nine.

412  
00:19:01,473 --> 00:19:03,142  
-This is it.  
-Okay.

413  
00:19:05,853 --> 00:19:07,146  
[high-pitched] Housekeeping.

414  
00:19:10,440 --> 00:19:12,359  
-[John B] Should we try it?  
-Yeah.

415  
00:19:12,442 --> 00:19:13,318  
[speaking Spanish]

416  
00:19:13,402 --> 00:19:15,779  
No power. No security cameras.  
No one's gonna know.

417  
00:19:20,576 --> 00:19:21,410  
[John B] Huh.

418  
00:19:21,994 --> 00:19:22,953  
Okay.

419  
00:19:23,036 --> 00:19:26,039  
Check the bag. See if there's a name  
on there somewhere.

420  
00:19:27,708 --> 00:19:29,376  
-[JJ] A jacket.  
-[John B] Denim slides.

421  
00:19:29,459 --> 00:19:30,586  
No name on the jacket.

422  
00:19:30,669 --> 00:19:32,546  
-It's a nice jacket, though.  
-Definitely over 50.

423  
00:19:32,629 --> 00:19:34,047  
He's got New Balances.

424

00:19:39,386 --> 00:19:42,431

[JJ] Yo, dude, come here.

Maybe this is where they were fishing.

425

00:19:42,514 --> 00:19:43,891

-[John B] Let me see.

-Right there.

426

00:19:43,974 --> 00:19:45,809

[John B]

No, that's off the continental shelf.

427

00:19:45,893 --> 00:19:48,770

-That's Big Swell. Nobody fishes there.

-[JJ] Okay.

428

00:19:55,235 --> 00:19:57,112

-[John B] Coffee?

-Yeah.

429

00:19:57,196 --> 00:20:00,115

Standard.

Tissues for when you get lonely...

430

00:20:00,699 --> 00:20:02,284

-Ooh!

-[John B] Did you find anything?

431

00:20:02,367 --> 00:20:04,578

A really awesome Dopp kit  
you won't let me steal.

432

00:20:04,661 --> 00:20:06,622

[John B]

Yeah, 'cause we're not stealing shit.

433

00:20:07,456 --> 00:20:08,665

[grunts]

434

00:20:11,001 --> 00:20:13,086

-One, one, one.

-[safe beeping]

435  
00:20:13,670 --> 00:20:15,422  
-Biggest pet peeve?  
-Yeah.

436  
00:20:15,505 --> 00:20:18,383  
Easy.  
Giving one percent to the environment.

437  
00:20:18,467 --> 00:20:21,094  
-What's wrong with that?  
-We only have one Earth, Pope.

438  
00:20:21,178 --> 00:20:23,805  
We should be giving it 100 percent,  
bare minimum.

439  
00:20:24,389 --> 00:20:26,934  
Right. That's not fiscally sound.

440  
00:20:27,017 --> 00:20:29,394  
[Kie] Neither is destroying the planet  
we have to live on.

441  
00:20:29,478 --> 00:20:30,854  
[Pope] Hey, hey, cops.

442  
00:20:30,938 --> 00:20:32,397  
-Shit.  
-Call them.

443  
00:20:32,481 --> 00:20:33,941  
I can't. Towers are down.

444
