74

00:03:23,077 --> 00:03:24,787
That's what the sign say, don't it?

75

00:03:24,871 --> 00:03:28,750
Well, I sure hope you buy a lot of it,
because I'm about to blow your mind.

76

00:03:28,833 --> 00:03:31,419
I ain't got much mind left to blow,
so have at it.

77

00:03:32,045 --> 00:03:33,338
[JJ] How about them gold apples?

78

00:03:34,505 --> 00:03:36,424
[chuckles] That ain't real.

79

00:03:36,507 --> 00:03:37,425
That ain't real?

80

00:03:37,508 --> 00:03:39,636
-[pawnbroker] It can't be.
-Feel how heavy it is.

81

00:03:40,428 --> 00:03:42,555
Mm-hm. Mm-hm!

82

00:03:43,181 --> 00:03:44,432
Let's get some light on that.

83

00:03:46,768 --> 00:03:48,686
Spray-painted tungsten.

84

00:03:48,770 --> 00:03:50,647
Spray-painted tungsten? Really? Okay.

85

00:03:51,147 --> 00:03:53,107
Why don't you see how, uh, soft it is?

86

00:03:53,191 --> 00:03:54,609
-You mind?

-No, go for it.

87

00:03:56,527 --> 00:03:59,489
-[JJ] Wow. Would you look at that?
-[pawnbroker] Hold your horses.

88

00:03:59,572 --> 00:04:01,908
We ain't got to the acid test yet.

89

00:04:02,325 --> 00:04:03,826
Ooh! The acid test.

90

00:04:04,410 --> 00:04:05,703
My favorite, guys.

91

00:04:09,290 --> 00:04:12,293
Well, it ain't plated,
and it ain't painted.

92

00:04:12,377 --> 00:04:14,879
Ma'am, I'm telling ya,
this is as real as the day is long.

93

00:04:14,963 --> 00:04:17,423
It looks like somebody
tried to melt it down.

94

00:04:18,466 --> 00:04:19,342
My mom.

95

00:04:20,385 --> 00:04:22,303
She had all this jewelry
laying around the house,

96

00:04:22,387 --> 00:04:24,847
and she thought it was best
to-- to melt it down.

97

00:04:24,931 --> 00:04:26,224
To "consolidate" it.

98

00:04:28,309 --> 00:04:29,310

[pawnbroker] Seven pounds?

99

00:04:29,394 --> 00:04:30,979
That's a lot of earrings.

100

00:04:31,062 --> 00:04:32,397
Okay, to be honest, ma'am,

101

00:04:33,022 --> 00:04:36,317
[clears throat] ...it's really hard
to see my mom fall apart with Alzheimer's.

102

00:04:37,819 --> 00:04:39,570
-[pawnbroker] Mm-hm.
-Alzheimer's?

103

00:04:39,654 --> 00:04:40,863
Give me a minute.

104

00:04:40,947 --> 00:04:42,115
Take your time, ma'am.

105

00:04:43,658 --> 00:04:45,368
[man on radio] Good news...

106

00:04:45,451 --> 00:04:46,911
Some kids just rolled in here

107

00:04:46,995 --> 00:04:49,122
with the biggest gold nugget
I have ever seen.

108

00:04:49,205 --> 00:04:50,665
Almost seven pounds.

109

00:04:50,748 --> 00:04:52,292
[Barry] You mean seven ounces?

110

00:04:52,375 --> 00:04:54,585
[pawnbroker] I mean seven pounds.

111

00:05:00,133 --> 00:05:01,759
[whispering] ...she's coming out...

112
00:05:01,843 --> 00:05:03,219
So, I, uh...

113
00:05:03,303 --> 00:05:04,554
[clears throat]

114
00:05:04,637 --> 00:05:06,180
I talked to my boss.

115
00:05:06,264 --> 00:05:09,350
-[JJ] And?
-And, uh, this is what I can do.

116
00:05:12,312 --> 00:05:13,271
Fifty thousand?

117
00:05:13,813 --> 00:05:16,274
You think I walked in here
not knowin' the spot price?

118
00:05:16,357 --> 00:05:19,736
Ma'am, I know for a fact
this is worth 140, at least.

119
00:05:19,819 --> 00:05:21,571
Well, sweetie, you in a pawnshop.

120
00:05:21,654 --> 00:05:23,239
This ain't Zurich.

121
00:05:23,323 --> 00:05:25,074
Do I look Swiss to you?

122
00:05:25,158 --> 00:05:26,993
Ninety, or I walk.

123
00:05:27,452 --> 00:05:29,704
Seventy. Half price...

124

00:05:30,163 --> 00:05:31,247
and, um...

125

00:05:32,332 --> 00:05:35,585
[quietly] ...I don't ask questions
about where you got this.

126

00:05:41,174 --> 00:05:43,176
I'm gonna need that
in large denominations, please.

127

00:05:47,555 --> 00:05:49,182
Well, here's the snag.

128

00:05:49,265 --> 00:05:51,768
I don't have that much denominated,
not here anyway.

129

00:05:51,851 --> 00:05:53,186
I can write you a cashier's check.

130

00:05:53,269 --> 00:05:56,272
Cash... No, ma'am. I want the cold hard.
That's what that sign says.

131

00:05:56,356 --> 00:05:58,816
Cash for gold. And that's what I expect.

132

00:05:58,900 --> 00:06:00,651
I'm gonna get it in cold hard.

133

00:06:00,735 --> 00:06:05,490
Well, I have to send you to the warehouse.
I have the money there. Is that all right?

134

00:06:08,451 --> 00:06:09,911
Where's this warehouse?

135

00:06:10,703 --> 00:06:12,705
[reggae music playing on car stereo]

136

00:06:17,210 --> 00:06:19,504
So they keep money out here?

137

00:06:19,587 --> 00:06:20,671
[JJ] That's what she said.

138

00:06:20,755 --> 00:06:22,799
-[chuckles] That's what she said.
-Stop.

139

00:06:23,216 --> 00:06:25,802
I've never even heard
of Resurrection Drive.

140

00:06:25,885 --> 00:06:27,929
-'Cause you're rich.
-You've never heard of it either.

141

00:06:28,012 --> 00:06:29,055
Thank you.

142

00:06:30,098 --> 00:06:31,808
[Kie] There's nothing but weeds back here.

143

00:06:31,891 --> 00:06:35,353
All right, just 'cause it's just weeds,
doesn't mean it's, like...

144

00:06:35,436 --> 00:06:37,605
-[siren whoops]
-[Kie] Cops? Out here?

145

00:06:37,688 --> 00:06:40,733
-God! Are you kidding me?
-What did we do?

146

00:06:40,817 --> 00:06:42,568
-Why are we getting pulled over?
-Stash that.

147

00:06:42,652 --> 00:06:43,820
-Chill, guys.
-Put it--

148
00:06:43,903 --> 00:06:45,613
-I hate cops.
-Did you bring the gun?

149
00:06:45,696 --> 00:06:46,823
[JJ] No. Okay?

150
00:06:46,906 --> 00:06:48,741
Everybody told me
to leave it back at the place.

151
00:06:48,825 --> 00:06:49,659
Thank God.

152
00:06:49,742 --> 00:06:51,577
-Okay...
-Please, everything else in your bag.

153
00:06:51,661 --> 00:06:53,037
-I am! I am, all right?
-Oh, oh--

154
00:06:53,121 --> 00:06:54,914
[Kie] How much weed
do you have on you, bro?

155
00:06:54,997 --> 00:06:57,333
-[Pope] He's walking up.
-[John B] Nothing better to do--

156
00:06:57,417 --> 00:06:58,835
-Sir--
-[cocks gun]

157
00:07:00,169 --> 00:07:02,422
[Barry] Why don't I go ahead
and see them hands in the air?

158
00:07:03,881 --> 00:07:05,508
All y'all's hands up in the air now!

159

00:07:05,591 --> 00:07:06,801
You, out of the car! Let's go!

160
00:07:10,096 --> 00:07:11,597
Out of the car! Let's go! Hurry!

161
00:07:12,265 --> 00:07:13,266
Let them out!

162
00:07:14,934 --> 00:07:17,728
What are you waitin' on?
What are you waitin' on? Let them out!

163
00:07:17,812 --> 00:07:19,439
-[whimpers]
-[Barry] All y'all!

164
00:07:19,897 --> 00:07:22,567
Go on! Go on!
Let's get out the car! Let's go!

165
00:07:23,067 --> 00:07:26,320
There you go, pretty girl. Here we go!
Get out the car, let's go! Hurry up!

166
00:07:26,404 --> 00:07:27,238
There you go!

167
00:07:27,321 --> 00:07:28,906
-We're broke--
-[Barry] Shut the hell up!

168
00:07:28,990 --> 00:07:31,284
-All right! Just relax!
-[Barry] Shut the hell up! Shut up!

169
00:07:31,367 --> 00:07:33,244
-[JJ] Chill!
-[Barry] Blow your damn head off!

170
00:07:33,327 --> 00:07:35,663
Lay down in the ditch!
Lay down in the ditch!

171
00:07:35,746 --> 00:07:37,790
On your goddamn hands and knees! Down!

172
00:07:37,874 --> 00:07:39,125
Put your face on the ground!

173
00:07:39,208 --> 00:07:41,294
Stay here just like that!
Put your head down!

174
00:07:41,711 --> 00:07:44,088
Don't let me see you look up! All right?

175
00:07:44,714 --> 00:07:46,048
That's all y'all gotta do.

176
00:07:53,764 --> 00:07:54,765
It's a setup, guys.

177
00:07:54,849 --> 00:07:56,350
That old bat shanked us.

178
00:07:56,434 --> 00:07:58,352
Fuck! Goddamn it!

179
00:08:03,274 --> 00:08:04,859
Wait. No, no, no, no.

180
00:08:04,942 --> 00:08:07,403
John B... No... [whimpers]

181
00:08:09,030 --> 00:08:09,906
[Pope] John B.

182
00:08:10,323 --> 00:08:11,616
-Don't be a hero, man.
-Sh.

183
00:08:12,742 --> 00:08:13,910
[trembling]

184
00:08:16,746 --> 00:08:18,331
[Barry gasps]

185
00:08:29,675 --> 00:08:30,551
[groans]

186
00:08:30,635 --> 00:08:32,303
[Barry] All right, y'all stay like that.

187
00:08:32,386 --> 00:08:35,223
Unless you want your brains blown out
all over this road,

188
00:08:35,306 --> 00:08:37,475
don't move your goddamn heads, okay?

189
00:08:38,518 --> 00:08:39,977
[whimpers]

190
00:08:47,693 --> 00:08:50,363
[both grunting]

191
00:08:52,823 --> 00:08:54,575
[John B] Guys, I got the gun!

192
00:08:56,494 --> 00:08:58,287
[grunting]

193
00:09:00,581 --> 00:09:02,083
-I got the gold!
-[Sarah shrieks]

194
00:09:04,043 --> 00:09:06,254
[Barry grunting]

195
00:09:06,337 --> 00:09:07,547
You son of a bitch!

196
00:09:07,630 --> 00:09:09,632
[panting]

197
00:09:10,049 --> 00:09:11,425
I know this piece of shit!

198
00:09:11,509 --> 00:09:13,386
-He's a basehead!
-Probably knows my brother.

199
00:09:13,469 --> 00:09:14,637
He sells coke to my dad.

200
00:09:14,720 --> 00:09:17,181
Listen, I couldn't hurt
any single one of y'all--

201
00:09:17,265 --> 00:09:18,766
-[Kie] JJ!
-[Pope] Dude, chill, man.

202
00:09:18,849 --> 00:09:20,685
-Come on.
-[Barry wheezing]

203
00:09:20,768 --> 00:09:22,311
[John B] Come on, let's get outta here.

204
00:09:22,395 --> 00:09:23,854
[Barry coughing]

205
00:09:26,190 --> 00:09:27,650
We got one last stop.

206
00:09:28,526 --> 00:09:29,360
[John B] Hey!

207
00:09:29,443 --> 00:09:31,946
[JJ] Let's go see
where this son of a bitch lives.

208
00:09:32,405 --> 00:09:34,156
[Barry] I'm gonna remember this shit!

209

00:09:35,324 --> 00:09:37,868
-You can't hide from me!
-[engine starts]

210

00:09:37,952 --> 00:09:39,870
I know exactly who y'all are!

211

00:09:40,413 --> 00:09:41,872
Huh? You're gonna see me again!

212

00:09:42,582 --> 00:09:43,958
-You hear me?
-[keys jangle]

213

00:09:44,041 --> 00:09:45,418
-[JJ] Come on!
-[Barry] You hear me?

214

00:09:45,501 --> 00:09:46,836
I'mma see you again!

215

00:09:49,130 --> 00:09:51,132
[loon calling]

216

00:09:51,716 --> 00:09:55,803
-[Sarah] Welcome to Crackhead Wasteland.
-[Pope] I don't know about this, man.

217

00:10:00,433 --> 00:10:01,851
Dude, why are we at Barry's?

218

00:10:03,060 --> 00:10:04,437
[JJ] This'll only take a second.

219

00:10:04,520 --> 00:10:05,980
[dog barking]

220

00:10:10,776 --> 00:10:13,863
-[John B] Where you going?
-Yo soy justicia.

221

00:10:15,656 --> 00:10:17,325
Did you glean anything from that?

222
00:10:17,408 --> 00:10:19,410
-You know somebody should probably--
-Yeah, I got it.

223
00:10:19,493 --> 00:10:20,453
-Right.
-[sighs]

224
00:10:23,080 --> 00:10:25,374
[JJ] I know you got a stash
around here somewhere.

225
00:10:26,542 --> 00:10:28,127
[door opens]

226
00:10:30,171 --> 00:10:31,756
Yeah, so what's your plan, slick?

227
00:10:31,839 --> 00:10:35,134
Well, as thou hath stealeth from us,

228
00:10:35,676 --> 00:10:38,262
we shall stealeth from ye.

229
00:10:38,346 --> 00:10:41,057
-That kind of got lost in translation.
-An eye for an eye, John B.

230
00:10:41,140 --> 00:10:44,185
Yeah, that's great, JJ. But what happens
after you rob a drug dealer, huh?

231
00:10:44,268 --> 00:10:45,269
He knows who we are!

232
00:10:45,353 --> 00:10:47,229
[scoffs] I'm not scared of this guy.

233
00:10:47,730 --> 00:10:48,731

[John B] JJ, don't--

234

00:10:52,860 --> 00:10:54,070
There we go.

235

00:10:56,572 --> 00:10:58,532
-What are you doing?
-[JJ] Getting even!

236

00:11:01,494 --> 00:11:03,412
All right, took care of business.

237

00:11:03,996 --> 00:11:06,248
Hey, look at me.
If you keep going down this road,

238

00:11:06,332 --> 00:11:08,167
you're gonna end up
just like your dad, do--

239

00:11:09,585 --> 00:11:10,920
You watch your mouth, man.

240

00:38:49,827 --> 00:38:50,745
I wish.

745
00:38:52,204 --> 00:38:53,497
[both chuckle]

746
00:38:55,541 --> 00:38:56,709
[John B clears throat]

747
00:38:58,210 --> 00:39:00,588
You can play it that way if you want.
I won't force your hand.

748
00:39:03,341 --> 00:39:04,633
But I know that you did.

749
00:39:05,301 --> 00:39:06,927
-[chuckles]
-[whispers] Yeah...

750
00:39:08,471 --> 00:39:10,973
And it's amazing.
Sincerely, it's unbelievable.

751
00:39:12,058 --> 00:39:13,309
[laughs]

752
00:39:13,392 --> 00:39:15,561
150 years, people been lookin'
for that goddamn gold.

753
00:39:15,644 --> 00:39:17,521
None of 'em could find it. You found it.

754
00:39:19,273 --> 00:39:21,817
Here's the thing, son. Finding it?

755

00:39:22,234 --> 00:39:23,819
That's where your fun ends.

756

00:39:24,403 --> 00:39:26,280
That's where all your problems begin.

757

00:39:26,364 --> 00:39:28,491
Ones you haven't even thought of.
I mean, excavating it.

758

00:39:28,574 --> 00:39:31,202
You're probably trying now.
If it's in water, how do you get it up?

759

00:39:31,285 --> 00:39:34,288
If it's on land, on somebody's property,
and they catch you trying to take it?

760

00:39:34,372 --> 00:39:35,664
That's theft.

761

00:39:36,123 --> 00:39:39,335
Jesus, son, we are talkin'
a massive amount of gold, John.

762

00:39:39,418 --> 00:39:41,295
You're 16.
How are you gonna transport that gold?

763

00:39:41,379 --> 00:39:43,756
How are you gonna turn it
into something in your bank account,

764

00:39:43,839 --> 00:39:44,882
something you can spend?

765

00:39:44,965 --> 00:39:48,052
See what I'm saying? See the difficulties?
This is what I'm talking about.

766

00:39:48,135 --> 00:39:51,055
The real truth,
the hard truth is that, John, right now...

767

00:39:52,932 --> 00:39:54,308
you are way over your head.

768

00:39:59,146 --> 00:40:00,064
You need me.

769

00:40:03,275 --> 00:40:04,443
Let's do this together.

770

00:40:06,070 --> 00:40:08,697
I can make all those problems go away.
That's my job.

771

00:40:08,781 --> 00:40:10,908
You and I will figure out
an equitable split.

772

00:40:11,575 --> 00:40:14,620
I know you didn't do this on your own,
that you have friends that helped you,

773

00:40:14,703 --> 00:40:15,621
so we cut them in.

774

00:40:16,747 --> 00:40:19,834
Don't be so nervous. It's okay, all right?
I'm just here to help you.

775

00:40:20,584 --> 00:40:22,044
All you gotta do is trust me.

776

00:40:25,214 --> 00:40:26,173
What do you say?

777

00:40:28,801 --> 00:40:29,760
Wanna do this?

778

00:40:33,055 --> 00:40:34,723
I don't know what you're talkin' about.

779

00:40:40,229 --> 00:40:42,356
Okay. Okay, John.

780
00:40:45,317 --> 00:40:47,820
Okay. All right, all right.
We can play it that way.

781
00:40:47,903 --> 00:40:49,989
I think very quickly
you'll come to realize

782
00:40:50,072 --> 00:40:53,242
there's really no other choice.
I mean, I know, right?

783
00:40:53,325 --> 00:40:54,994
I know that you have it.

784
00:40:55,077 --> 00:40:57,163
I know that you've had
a little taste of it.

785
00:40:57,246 --> 00:41:00,291
I know a submersible went missing
from the salvage yard, right?

786
00:41:00,374 --> 00:41:02,460
I know maybe that's
how you got it out of the water.

787
00:41:02,543 --> 00:41:04,336
If it's on land,
I know that you've been all...

788
00:41:04,420 --> 00:41:06,964
all around the Eight recently, okay?

789
00:41:07,047 --> 00:41:08,883
I know maybe it's something to do
with Redfield.

790
00:41:08,966 --> 00:41:10,509
I know you asked

for the map from Sarah,

791

00:41:10,593 --> 00:41:12,052
so I gave you the map from Tannyhill.

792

00:41:12,136 --> 00:41:15,681
-What did you just say?
-I know-- The map of Tannyhill.

793

00:41:15,764 --> 00:41:18,267
[John B] What-- what did you just say?
The other thing.

794

00:41:21,562 --> 00:41:22,980
This was my father's.

795

00:41:24,148 --> 00:41:25,191
[Kie] What's Redfield?

796

00:41:31,280 --> 00:41:33,032
How do you know about Redfield?

797

00:41:35,910 --> 00:41:36,952
[chuckles]

798

00:41:37,036 --> 00:41:39,413
Unless you have my father's compass.

799

00:41:39,747 --> 00:41:42,833
-Um-- I don't--
-[John B] And if you have the compass,

800

00:41:42,917 --> 00:41:44,835
then you knew to search for it, right?

801

00:41:45,669 --> 00:41:47,838
-Do you hear how crazy you're being?
-[John B] Yes, yes.

802

00:41:47,922 --> 00:41:49,632
-I'm listening!
-[Ward] You sound crazy.

803
00:41:49,715 --> 00:41:52,051
Redfield! You said Redfield, did you not?

804
00:41:53,385 --> 00:41:57,264
"Redfield" was the last message
my father left before he disappeared.

805
00:42:00,935 --> 00:42:03,187
You know about his disappearance,
don't you?

806
00:42:05,231 --> 00:42:07,733
Don't-- don't--
don't fucking lie to me, Ward.

807
00:42:07,816 --> 00:42:08,984
I can see that you do.

808
00:42:11,195 --> 00:42:13,364
Let's see what the sheriff
has to say about this.

809
00:42:17,368 --> 00:42:18,410
Goin' home.

810
00:43:19,221 --> 00:43:20,180
[clangs loudly]

811
00:43:24,935 --> 00:43:26,854
[suspenseful instrumental music playing]
