1  
00:00:39,497 --> 00:00:40,999  
[Marty sighs]

2  
00:00:45,795 --> 00:00:47,964  
[Marty] A family is like a small business.

3  
00:00:48,048 --> 00:00:52,052  
And with a small business,  
at times, there comes...

4  
00:00:52,135 --> 00:00:53,762  
-Transition.  
-...a bit of a transition.

5  
00:00:53,845 --> 00:00:54,846  
Thank you, Wendy.

6  
00:00:54,929 --> 00:00:57,349  
And... and whenever  
a small business transitions,

7  
00:00:57,432 --> 00:00:59,642  
it's important to stay lean  
and to not overextend.

8  
00:00:59,726 --> 00:01:01,978  
So when did the Marriott  
become such a stretch?

9  
00:01:02,062 --> 00:01:04,731  
No, your father, he's just saying  
we have to prioritize our spending.

10  
00:01:04,814 --> 00:01:07,067  
-That's all, Charlotte. That's all.  
-He's not saying anything.

11  
00:01:07,150 --> 00:01:09,652  
Uh, so today,  
while your mom is buying us a new house,

12  
00:01:09,736 --> 00:01:12,530

uh, you two are to plant yourselves here.  
That is your job.

13  
00:01:12,614 --> 00:01:14,866  
Everything we have of value  
is in that room.

14  
00:01:14,949 --> 00:01:15,950  
[leaf blower whirring loudly]

15  
00:01:16,033 --> 00:01:17,410  
-Really?  
-Yeah.

16  
00:01:17,494 --> 00:01:19,913  
You're not gonna be honest with us?  
Either of you?

17  
00:01:20,455 --> 00:01:22,832  
What are we doing here? Enough already!

18  
00:01:22,915 --> 00:01:24,834  
-Christ!  
-[leaf blower stops]

19  
00:01:24,917 --> 00:01:28,004  
Sorry, man. We're just  
finishing up breakfast. Thank you.

20  
00:01:32,217 --> 00:01:35,052  
No one goes in that room  
whose last name is not Byrde.

21  
00:01:35,928 --> 00:01:37,305  
Understood?

22  
00:01:39,599 --> 00:01:40,892  
-Just nod.  
-Yeah.

23  
00:01:40,975 --> 00:01:42,602  
Thank you. Shall we?

24

00:01:44,979 --> 00:01:48,233  
And I'd love to not have to turn the room  
upside down to find the clicker.

25

00:01:49,651 --> 00:01:50,944  
That wasn't fun.

26

00:01:53,280 --> 00:01:54,697  
Love you both.

27

00:01:58,576 --> 00:02:01,454  
-[Wendy] Maybe I should get a job.  
-[Marty] I don't think so, Wendy.

28

00:02:01,538 --> 00:02:04,124  
Seven and a half bucks an hour is not  
gonna put a dent in our problems.

29

00:02:04,207 --> 00:02:06,501  
[Wendy] Oh, come on.  
I have a Master's degree.

30

00:02:06,584 --> 00:02:08,586  
[Marty] That you haven't used  
since Charlotte was born.

31

00:02:08,670 --> 00:02:10,004  
-[Wendy] So?  
-[Marty] So?

32

00:02:11,714 --> 00:02:14,967  
-What's our story for the kids?  
-What do you mean?

33

00:02:15,051 --> 00:02:18,263  
Well, they see this polite dance  
that we're doing in front of them.

34

00:02:18,346 --> 00:02:20,723  
They... they hear the constant edge  
in your voice.

35

00:02:21,724 --> 00:02:24,311  
Well, we could tell them the truth, Wendy.  
How would that be?

36  
00:02:24,894 --> 00:02:26,563  
Oh, you know what, Marty?

37  
00:02:26,646 --> 00:02:29,106  
Before you get too comfortable  
up there on your cross,

38  
00:02:29,191 --> 00:02:33,027  
and have your pity party, let me just...  
let me just jog your memory for a minute.

39  
00:02:33,110 --> 00:02:36,072  
There was an innocent man  
who was murdered.

40  
00:02:37,657 --> 00:02:38,658  
Gary.

41  
00:02:39,784 --> 00:02:41,536  
He was a good man.

42  
00:02:42,787 --> 00:02:46,166  
He... he only did good things  
in this world. Not like Bruce.

43  
00:02:46,833 --> 00:02:49,961  
Gary was a father. He had two grown sons.

44  
00:02:50,461 --> 00:02:54,007  
I never met them, but I...  
I know he loved them.

45  
00:02:54,090 --> 00:02:57,927  
And... he was thrown off his balcony.

46  
00:02:59,095 --> 00:03:00,388  
For what?

47

00:03:02,807 --> 00:03:04,351  
People cheat!

48  
00:03:06,811 --> 00:03:09,981  
They have sex with people  
who they aren't married to.

49  
00:03:10,064 --> 00:03:12,234  
It happens. It's not unique.

50  
00:03:13,776 --> 00:03:16,571  
I was unhappy.  
You're not exactly blameless in this.

51  
00:03:17,489 --> 00:03:20,283  
For this house, I want you to find one  
as nice as possible,

52  
00:03:20,367 --> 00:03:23,160  
but as cheap as possible.  
I want you to think starter home.

53  
00:03:23,245 --> 00:03:25,913  
We got \$20,000 to our name. Just 20.

54  
00:03:25,997 --> 00:03:29,542  
So please, do not sign anything  
without talking to me first.

55  
00:03:30,752 --> 00:03:35,590  
And we are not husband and wife...  
anymore.

56  
00:03:36,173 --> 00:03:39,135  
We're just business partners.  
And our job is to raise those kids.

57  
00:03:39,219 --> 00:03:41,804  
But you're absolutely right  
that I share some blame for this.

58  
00:03:41,888 --> 00:03:42,889  
I should've caught Bruce.

59

00:03:42,972 --> 00:03:45,350  
I was in charge of the numbers.  
I should've seen it coming.

60

00:03:45,433 --> 00:03:47,810  
But my mind was elsewhere, Wendy.

61

00:03:49,103 --> 00:03:50,605  
You know, it's Saturday night...

62

00:03:50,688 --> 00:03:53,566  
and your... your foxy boxing,  
or your Zumba,

63

00:03:53,650 --> 00:03:56,694  
or whatever the hell it is that costs me  
a few hundred dollars every month,

64

00:03:56,778 --> 00:03:59,239  
it ended two hours ago,  
and there's no Wendy.

65

00:04:00,407 --> 00:04:02,116  
Why does she get so many texts  
every night?

66

00:04:02,199 --> 00:04:03,868  
Why does she have to leave the room  
to make a call?

67

00:04:03,951 --> 00:04:06,788  
I wonder who's fucking my wife?  
So that's my bad.

68

00:04:07,872 --> 00:04:09,457  
And, no, I... I don't forget Gary.

69

00:04:09,540 --> 00:04:11,459  
I don't forget  
how you emptied our bank accounts

70

00:04:11,542 --> 00:04:13,544  
when you knew I needed that money, Wendy.

71  
00:04:13,628 --> 00:04:16,005  
You knew I needed it.

72  
00:04:16,088 --> 00:04:18,758  
And I doubt very, very much  
that you did that by yourself,

73  
00:04:18,841 --> 00:04:22,512  
that you did that in a vacuum.  
So... my memory's crystal clear.

74  
00:04:22,595 --> 00:04:24,472  
I was there. For all of it.

75  
00:04:25,848 --> 00:04:29,311  
In fact, the satisfying sound  
of your lover smacking the pavement

76  
00:04:29,394 --> 00:04:31,396  
is the only thing  
that gets me to sleep every night.

77  
00:04:39,028 --> 00:04:40,947  
Open the goddamn door!

78  
00:05:02,677 --> 00:05:03,928  
Hello?

79  
00:05:07,390 --> 00:05:09,434  
Excuse me, is there anybody here?

80  
00:05:09,517 --> 00:05:11,811  
[man moaning] Oh, yeah.

81  
00:05:11,894 --> 00:05:13,938  
Don't be shy, you know what to do.

82  
00:05:14,022 --> 00:05:17,066  
Come on, baby.

It's all for you, just gobble it up.

83

00:05:17,692 --> 00:05:20,320  
Oh, yeah. Get after it.

84

00:05:21,237 --> 00:05:22,155  
-[moans]  
-Hey!

85

00:05:24,157 --> 00:05:26,826  
Hey, um... [chuckles] I'm Sam Dermody.

86

00:05:27,410 --> 00:05:29,912  
Uh, sorry, it's... You know,  
people are out for lunch right now.

87

00:05:29,996 --> 00:05:32,081  
-Um, but...  
-[dog whines]

88

00:05:35,543 --> 00:05:39,171  
-Sorry, it keeps me awake when nobody's--  
-I could give a fuck.

89

00:05:39,255 --> 00:05:40,381  
I need a house.

90

00:05:40,923 --> 00:05:42,467  
Get yourself together.  
Give your girl some water.

91

00:05:42,550 --> 00:05:44,802  
-I'll meet you outside.  
-Yeah, you got it.

92

00:05:50,392 --> 00:05:51,559  
Hey, housekeeping?

93

00:05:52,351 --> 00:05:54,729  
Yeah, no need to go in there. Thank you.

94

00:05:55,271 --> 00:05:56,314

How about the towels?

95

00:05:56,398 --> 00:05:58,232  
You can just leave them  
outside of the door.

96

00:06:05,948 --> 00:06:07,158  
Thank you.

97

00:06:07,742 --> 00:06:12,121  
I've been to the Windy City.  
Oprah, December '97.

98

00:06:12,204 --> 00:06:15,792  
Thought it'd be her Christmas show,  
you know, the one with all the free swag?

99

00:06:15,875 --> 00:06:18,711  
-[Marty] Mmm-hmm.  
-[scoffs] No. Race.

100

00:06:18,795 --> 00:06:23,257  
She traipses out a bunch of colored folks,  
mad over what, I still couldn't tell you.

101

00:06:23,841 --> 00:06:27,887  
Police, I think.  
Walk a mile in my Crocs, I say.

102

00:06:27,970 --> 00:06:28,971  
[Marty] Yep.

103

00:06:29,055 --> 00:06:31,808  
Past due business licenses. Deeds.

104

00:06:32,392 --> 00:06:34,102  
Delinquent taxes.

105

00:06:34,185 --> 00:06:39,816  
Bankruptcies, judgments,  
property titles, liens and plat maps.

106

00:06:39,899 --> 00:06:41,108  
All public record.

107  
00:06:41,192 --> 00:06:44,153  
If you need any copies, let me know.  
Ten cents a page.

108  
00:06:44,236 --> 00:06:46,113  
Yeah, thank you. I'll be busy.

109  
00:06:47,156 --> 00:06:49,075  
Tell me again what it is you're doin'.

110  
00:06:49,826 --> 00:06:51,828  
I am an angel investor.

111  
00:06:51,911 --> 00:06:53,996  
I... I help turn around  
struggling businesses.

112  
00:06:54,080 --> 00:06:58,417  
You intend to make money  
off of businesses that aren't making any?

113  
00:06:58,668 --> 00:06:59,877  
In a roundabout way.

114  
00:07:00,503 --> 00:07:01,504  
Hmm.

115  
00:07:02,380 --> 00:07:04,257  
Best get some ice on that lip.

116  
00:07:04,632 --> 00:07:05,967  
Mm, yeah.

117  
00:07:13,015 --> 00:07:16,894  
There are a lot of innovative ideas  
in self storage.

118  
00:07:17,479 --> 00:07:20,022  
You park your boat

or put your shit in a shed,

119

00:07:20,106 --> 00:07:22,191

lock it up and walk away.

What am I missing?

120

00:07:22,775 --> 00:07:25,027

Well, a lot of clichés are clichés  
for good reason,

121

00:07:25,111 --> 00:07:28,072

and one of them is,

"You need money to make money,"

122

00:07:28,155 --> 00:07:31,075

in my opinion.

Um, and I could be that money.

123

00:07:31,158 --> 00:07:34,328

You would get to hold on  
to 100% ownership.

124

00:07:34,411 --> 00:07:36,456

In return for what? [sighs]

125

00:07:36,539 --> 00:07:40,126

Well, I would control the finances,  
uh, the accounting,

126

00:07:40,209 --> 00:07:41,836

investment oversight...

127

00:07:42,712 --> 00:07:43,796

Stuff like that.

128

00:07:44,255 --> 00:07:46,298

I would get to recoup  
100% on my investment.

129

00:07:46,382 --> 00:07:48,718

I'd get two-and-a-half percent of...

130

00:07:49,552 --> 00:07:51,262  
-you know, the net profits.  
-Mm.

131  
00:07:51,345 --> 00:07:53,848  
Sir, you are delinquent on...  
on your property taxes...

132  
00:07:53,931 --> 00:07:57,059  
and you got those  
tenants that are suing you.

133  
00:07:57,143 --> 00:08:00,688  
I think there's three of them, yeah?  
Maybe this could work for both of us.

134  
00:08:00,772 --> 00:08:02,273  
Plus, I'll tell you what...

135  
00:08:03,065 --> 00:08:05,443  
I bet it would feel a lot better  
if I wasn't just an investor,

136  
00:08:05,526 --> 00:08:07,236  
and I was also a client.

137  
00:08:07,319 --> 00:08:10,197  
I... I'm looking for storage space myself.

138  
00:08:10,281 --> 00:08:14,326  
So, um, if that's a unit right there,  
I will take that big one,

139  
00:08:14,410 --> 00:08:17,705  
and I will deal with  
whatever's on the inside of it for...

140  
00:08:17,789 --> 00:08:19,791  
how about 75 bucks a month?

141  
00:08:20,333 --> 00:08:21,209  
What do you say?

142  
00:08:21,792 --> 00:08:24,754  
-Hundred.  
-One hundred.

143  
00:08:24,837 --> 00:08:28,215  
"Got to spend money to make money."  
That how that went?

144  
00:08:28,299 --> 00:08:30,259  
That's what I said. Yeah.

145  
00:08:31,636 --> 00:08:32,845  
All right.

146  
00:08:32,929 --> 00:08:35,222  
Court pays me to store evidence. [sighs]

147  
00:08:35,306 --> 00:08:38,059  
Nobody claims it, I inherit it.

148  
00:08:38,560 --> 00:08:42,021  
Guy cut the tip of a pontoon off,  
put it on a hinge.

149  
00:08:50,738 --> 00:08:54,200  
Thought he'd smuggle methamphetamines  
to and fro across the lake.

150  
00:08:54,784 --> 00:08:59,288  
'Course, you put six tweakers  
on a pontoon boat, all wild-eyed,

151  
00:08:59,371 --> 00:09:03,167  
and racing about, and yammering at once,

152  
00:09:03,250 --> 00:09:05,878  
bound to raise the eyebrow  
of the Water Patrol.

153  
00:09:05,962 --> 00:09:09,090  
Not a fishing pole  
or a cooler of soda pop for a cover.

154  
00:09:09,173 --> 00:09:11,634  
-Hm.  
-Let that be a lesson to you.

155  
00:09:11,718 --> 00:09:15,137  
Okay. Okay. All right.

156  
00:09:16,055 --> 00:09:17,431  
Well, uh...

157  
00:09:18,474 --> 00:09:20,935  
Where you going?  
What about our business arrangement?

158  
00:09:21,018 --> 00:09:23,646  
No arrangement.  
You rented storage from me. End of story.

159  
00:09:23,730 --> 00:09:27,024  
Oh, come on now.  
Your operating costs are fixed, sir.

160  
00:09:27,108 --> 00:09:31,153  
We could invest in stackable storage,  
and refrigerated units--

161  
00:09:31,237 --> 00:09:33,280  
I'm an old dog.  
New tricks don't appeal to me.

162  
00:09:33,364 --> 00:09:34,907  
Rent's due on the first, skipper.

163  
00:09:47,419 --> 00:09:50,464  
...cash investment where you, uh,  
you really can build out

164  
00:09:50,547 --> 00:09:53,467  
and reinvest maybe,  
you know, in a whole new boat.

165

00:09:53,550 --> 00:09:54,594  
Could do a color here.

166  
00:10:02,977 --> 00:10:04,395  
If there's more product in here,

167  
00:10:04,478 --> 00:10:06,522  
and a little better lighting,  
it will get more people in.

168  
00:10:06,606 --> 00:10:07,649  
The aesthetic can come up

169  
00:10:07,732 --> 00:10:11,068  
and then the clientele can come up  
a little bit, and you'd be surprised...

170  
00:10:11,152 --> 00:10:12,862  
You know, your name's right here. Sir?

171  
00:10:12,945 --> 00:10:14,196  
You can put it right down here.

172  
00:10:20,620 --> 00:10:22,121  
[Sam stammering]

173  
00:10:23,581 --> 00:10:25,750  
[Marty] Come here. Okay.

174  
00:10:30,630 --> 00:10:32,506  
[Sam]  
Let's take a look at this bad boy.

175  
00:10:37,219 --> 00:10:39,055  
Okay. Yeah.

176  
00:10:42,767 --> 00:10:43,976  
[sighs]

177  
00:10:48,648 --> 00:10:50,692  
[inaudible]

178  
00:11:21,305 --> 00:11:24,683  
Manager wanted me to make sure  
you still had one of these in your room.

179  
00:11:26,018 --> 00:11:28,645  
-Yeah, we're all set.  
-Sure?

180  
00:11:29,731 --> 00:11:32,691  
It's chock-full of, uh...  
[inhales sharply]

181  
00:11:32,775 --> 00:11:35,820  
...clever-sounding,  
overly-judgmental one-liners.

182  
00:11:36,946 --> 00:11:38,030  
Yeah, look, Wyatt, is it?

183  
00:11:38,114 --> 00:11:40,657  
I really don't wanna have to  
get you fired today, okay?

184  
00:11:40,742 --> 00:11:43,535  
Well, if you could,  
I'd have to thank you.

185  
00:11:44,453 --> 00:11:46,372  
This job's my old man's idea.

186  
00:11:46,956 --> 00:11:50,042  
Something about "calluses and character."

187  
00:11:50,126 --> 00:11:53,087  
Yeah, well, you're blowing leaves,  
not hiding Anne Frank.

188  
00:11:54,005 --> 00:11:57,466  
I doubt that that argument resonates  
with a Baptist Kansas City lawyer,

189  
00:11:57,549 --> 00:11:59,051

but I'll give it a go.

190

00:11:59,135 --> 00:12:01,220

-Your dad's a lawyer?

-Yeah.

191

00:12:01,303 --> 00:12:03,347

We've got a, uh, summer home out here.

192

00:12:03,430 --> 00:12:06,433

And, uh, well,

I'm going to Mizzou in the fall.

193

00:12:06,517 --> 00:12:08,352

-Mm.

-Dad's not happy about my major,

194

00:12:08,435 --> 00:12:12,899

so he's hoping I'll have some, like,  
come-to-Jesus summer and switch.

195

00:12:13,690 --> 00:12:16,778

-What about you?

-We're from Chicago.

196

00:12:16,861 --> 00:12:19,822

My dad's in finance,  
but clearly he's just cheap.

197

00:12:21,115 --> 00:12:23,868

Anyway. [clears throat] Three and I  
are going wakeboarding in a little bit,

198

00:12:23,951 --> 00:12:25,411

if you guys wanna come along.

199

00:12:25,995 --> 00:12:28,539

Leaving in, like, 20 minutes.

I don't know.

200

00:12:28,622 --> 00:12:30,582

Better than sitting around here all day.

201  
00:12:36,338 --> 00:12:38,800  
-[sighs]  
-Dad said to stay here.

202  
00:12:38,883 --> 00:12:41,552  
What? To guard three iPads  
and a Pandora bracelet?

203  
00:12:41,635 --> 00:12:42,678  
Have at it.

204  
00:12:45,014 --> 00:12:46,265  
[Charlotte sighs]

205  
00:12:49,393 --> 00:12:50,394  
[hip-hop music playing]

206  
00:12:50,477 --> 00:12:52,688  
[Marty] It's very common  
for someone to start a business

207  
00:12:52,771 --> 00:12:54,398  
because they have an affinity  
for the product.

208  
00:12:54,481 --> 00:12:55,482  
You know what I'm saying?

209  
00:12:55,566 --> 00:12:58,527  
And that they not necessarily  
have a very strong business model.

210  
00:12:58,610 --> 00:13:02,198  
-It happens all the time, so--  
-I like titties so I opened a titty bar.

211  
00:13:02,281 --> 00:13:03,657  
That's exactly what I'm saying.

212  
00:13:03,740 --> 00:13:05,617  
Or gentlemen's club,  
not sure what you call it around here.

213  
00:13:05,701 --> 00:13:07,411  
-But it's--  
-I call it a titty bar.

214  
00:13:07,494 --> 00:13:09,330  
You think you can do better?

215  
00:13:09,413 --> 00:13:12,959  
Well, I think that any business  
could benefit from a set of fresh eyes,

216  
00:13:13,042 --> 00:13:16,921  
and my research tells me  
that you have the only, um...

217  
00:13:17,004 --> 00:13:18,547  
-Titty bar.  
-...titty bar, sure,

218  
00:13:18,630 --> 00:13:21,425  
in the lake area, and yet you still...  
you still seem to struggle,

219  
00:13:21,508 --> 00:13:26,263  
and I'm wondering  
what you could do with an immediate loan

220  
00:13:26,347 --> 00:13:28,057  
and an updated business plan.

221  
00:13:30,935 --> 00:13:33,229  
I... I think that, uh,  
a higher-caliber dancer

222  
00:13:33,312 --> 00:13:37,108  
would definitely translate  
into a higher-paying customer.

223  
00:13:37,191 --> 00:13:39,651  
Is there any reason you can't have  
beautiful women on your payroll?

224  
00:13:39,735 --> 00:13:40,862  
I don't think so.

225  
00:13:40,945 --> 00:13:44,073  
Beautiful girls won't work here.  
I won't let 'em.

226  
00:13:44,156 --> 00:13:48,202  
Plain Janes with a work ethic?  
That's my sweet spot right there.

227  
00:13:48,870 --> 00:13:50,787  
Or freak bait. [sighs]

228  
00:13:50,872 --> 00:13:55,459  
Angie here is working on number four.  
See, I own the stage.

229  
00:13:55,542 --> 00:13:58,837  
They pay me to climb up on it,  
plus 25% of their tips.

230  
00:13:58,921 --> 00:14:02,925  
Ain't no payroll.  
All 1099s. Independent contractors.

231  
00:14:03,009 --> 00:14:06,971  
No health insurance,  
vacation time, 401(k)s,

232  
00:14:07,054 --> 00:14:10,182  
social security, sick leave...  
and no liability.

233  
00:14:10,266 --> 00:14:13,685  
-But I want my 25%. Read me?  
-Uh-huh. Loud and clear.

234  
00:14:13,769 --> 00:14:16,063  
-Listen, this is--  
-How much you got?

235

00:14:18,857 --> 00:14:22,694  
-\$100,000, uh, to start.  
-You got more? 150, maybe 200?

236  
00:14:23,570 --> 00:14:26,698  
Yeah, sure I can.  
Of course I can. Um, yeah.

237  
00:14:26,782 --> 00:14:30,202  
I'd need to, obviously, recoup 100%  
of my investment as soon as possible,

238  
00:14:30,286 --> 00:14:32,162  
-and then I'd have two--  
-Twenty-five percent.

239  
00:14:33,414 --> 00:14:34,248  
Sorry?

240  
00:14:35,082 --> 00:14:36,208  
My cut...

241  
00:14:37,376 --> 00:14:38,669  
for washing your money.

242  
00:14:39,753 --> 00:14:41,088  
What you're doing, ain't it?

243  
00:14:42,798 --> 00:14:44,841  
-I... I don't think you really--  
-Hey!

244  
00:14:46,052 --> 00:14:48,095  
Don't you play me, Mr. Byrde.

245  
00:14:48,179 --> 00:14:50,056  
Got me a real big temper.

246  
00:14:50,139 --> 00:14:52,141  
You do not wanna see it get away from me.

247  
00:14:52,224 --> 00:14:53,809

We're done here.

248

00:14:58,981 --> 00:14:59,982

[Sam] All righty.

249

00:15:01,608 --> 00:15:05,321

All right. So... it was built in '75.

250

00:15:06,780 --> 00:15:11,827

You got... 2,500 square feet,

251

00:15:11,911 --> 00:15:16,415

not to mention 350 feet of lake frontage.

252

00:15:17,458 --> 00:15:19,376

You got two sea docks.

253

00:15:20,586 --> 00:15:22,922

-No way I can afford this.

-[car door closes]

254

00:15:24,423 --> 00:15:27,218

-Hey, Sam.

-[Sam] Hey, Buddy.

255

00:15:28,177 --> 00:15:30,096

Actually, it's under your budget.

256

00:16:50,926 --> 00:16:52,136

[boat engine revs]

257

00:16:53,595 --> 00:16:55,931

[Wyatt]

Yeah, I'd, uh, invite you in, but...

258

00:16:56,848 --> 00:16:59,101

-my old man's in a mood right now.

-[Charlotte] Huh.

259

00:16:59,185 --> 00:17:01,562

[Wyatt] Wants me to study law

and work for him.

260  
00:17:01,645 --> 00:17:04,148  
Thinks journalism's a worthless degree.

261  
00:17:04,231 --> 00:17:06,733  
-[Charlotte sighs] Isn't it?  
-Probably.

262  
00:17:08,735 --> 00:17:10,487  
-Everyone ready?  
-[Charlotte] Yeah.

263  
00:17:22,916 --> 00:17:26,878  
[man on TV] The great white shark's teeth  
develop in many layered rows.

264  
00:17:26,962 --> 00:17:30,174  
While the shark may use only 50  
at any given time,

265  
00:17:30,257 --> 00:17:32,343  
hundreds more of the shark's serrated--

266  
00:17:54,156 --> 00:17:56,117  
[Buddy]  
Basement's finished. I'll take that.

267  
00:17:56,867 --> 00:17:58,910  
You and yours can have the rest.

268  
00:18:00,079 --> 00:18:04,291  
I don't drive much but when I do,  
I don't want to be hemmed in.

269  
00:18:04,375 --> 00:18:06,710  
So, wait... [stammers]  
You want to remain in the house?

270  
00:18:06,793 --> 00:18:08,170  
[Buddy groans] Sam...

271  
00:18:08,254 --> 00:18:10,964

Sorry, Buddy. I didn't have time  
to explain that to her. Um--

272

00:18:11,047 --> 00:18:14,009  
-I've got a bad heart.  
-[Sam] Yeah.

273

00:18:15,344 --> 00:18:20,141  
I need a new one.  
But I'm 82, so I'm not getting one.

274

00:18:20,932 --> 00:18:24,603  
My cardiologist tells me  
that I've got a year...

275

00:18:25,396 --> 00:18:27,314  
eighteen months, tops.

276

00:18:28,357 --> 00:18:31,902  
He's a dot head, but other than that  
I've no reason to doubt the man.

277

00:18:31,985 --> 00:18:33,904  
Um... I'm sorry.

278

00:18:35,364 --> 00:18:39,493  
[grunts] I'm selling the place  
under the condition

279

00:18:39,576 --> 00:18:43,122  
that I be allowed to live here  
until I die.

280

00:18:44,331 --> 00:18:48,085  
I have a hot plate and a fridge  
I can move downstairs.

281

00:18:48,544 --> 00:18:51,297  
Any luck, we can go weeks  
without seeing each other.

282

00:18:51,380 --> 00:18:52,423  
[Wendy chuckles]

283  
00:18:53,006 --> 00:18:54,216  
Well, there it is.

284  
00:18:55,426 --> 00:18:58,679  
I understand it's an unusual condition,

285  
00:18:58,762 --> 00:19:01,598  
and I've priced the property  
to reflect that.

286  
00:19:05,186 --> 00:19:09,315  
-How many kids do you have?  
-Two. Girl and a boy.

287  
00:19:10,149 --> 00:19:11,692  
How old's the girl?

288  
00:19:13,569 --> 00:19:14,570  
Fifteen.

289  
00:19:15,487 --> 00:19:16,405  
Why?

290  
00:19:16,905 --> 00:19:20,201  
Oh, we're on a septic tank here,  
not a sewer line.

291  
00:19:20,284 --> 00:19:23,704  
If she's gonna chuck her period plugs  
down the crapper,

292  
00:19:23,787 --> 00:19:26,873  
you're gonna foot the Roto-Rooter bill  
when the tank backs up.

293  
00:19:26,957 --> 00:19:29,793  
I beg your pardon. Period plugs?

294  
00:19:32,045 --> 00:19:36,383  
I have terminal heart disease, ma'am.  
Since 2012.

295  
00:19:36,467 --> 00:19:40,346  
I believe in being direct.  
That's not a problem, is it?

296  
00:19:41,597 --> 00:19:42,472  
No.

297  
00:19:43,849 --> 00:19:44,725  
No problem.

298  
00:19:45,934 --> 00:19:48,729  
Well, been very nice meeting you.

299  
00:19:49,980 --> 00:19:53,567  
If this isn't for you,

456

00:30:18,774 --> 00:30:21,277  
IRS'll be on your front doorstep  
first thing in the morning.

457

00:30:21,361 --> 00:30:25,073  
All that is there is a lifetime supply  
of groceries and gas.

458

00:30:25,156 --> 00:30:26,407  
That's all it is.

459

00:30:26,491 --> 00:30:27,909  
-Fuckin' A.  
-Shut up.

460

00:30:27,993 --> 00:30:28,994  
[Marty] That's mine.

461

00:30:29,077 --> 00:30:31,787  
And, technically,  
I'm only responsible for it.

462

00:30:32,413 --> 00:30:34,916  
Whose money is it? Technically?

463

00:30:35,000 --> 00:30:37,919  
His name is Omar Navarro.

Does that mean anything to you?

464

00:30:38,003 --> 00:30:40,130

-No. Who the fuck is a Omar Navarro?

-Well, it should.

465

00:30:40,213 --> 00:30:42,465

-He's a guy you need to worry about.

-[Three] Who is...

466

00:30:42,549 --> 00:30:44,217

-Omar Navarro.

-...Omar Navarro.

467

00:30:44,300 --> 00:30:46,427

-What do you mean, technically?

-[automated voice] Checking.

468

00:30:46,511 --> 00:30:50,265

Technically, it's not my money.

It's his and I'm... responsible for it.

469

00:30:50,348 --> 00:30:52,976

-[Wyatt] Oh, fuck me.

-So you need to think this through.

470

00:30:58,814 --> 00:31:01,317

-You get it?

-[Boyd] No. No, I don't think so.

471

00:31:01,401 --> 00:31:04,529

Guy who runs a drug cartel's a smart man.

472

00:31:04,612 --> 00:31:07,615

He wouldn't trust damn near \$3 million  
to someone like you.

473

00:31:07,698 --> 00:31:08,909

Oh, he trusted me with eight.

474

00:31:08,992 --> 00:31:11,161

There's five more million under  
the bed at that motel

475  
00:31:11,244 --> 00:31:13,246  
in a couple of duffel bags and a suitcase.

476  
00:31:13,329 --> 00:31:16,917  
You guys need to know how big  
this mistake you're making is.

477  
00:31:17,000 --> 00:31:20,336  
You have \$8 million  
of some drug kingpin's money?

478  
00:31:20,420 --> 00:31:21,880  
-That's right.  
-Why?

479  
00:31:21,963 --> 00:31:23,298  
Don't worry about that.

480  
00:31:23,381 --> 00:31:25,884  
The only question you guys  
need to be asking is are you murderers?

481  
00:31:25,967 --> 00:31:28,511  
You steal that money,  
you're gonna have to kill me.

482  
00:31:28,594 --> 00:31:30,931  
'Cause there's another man  
who works for Mr. Navarro,

483  
00:31:31,014 --> 00:31:33,474  
a very serious man...  
and he's gonna come to town.

484  
00:31:33,558 --> 00:31:35,810  
He's gonna ask me where that money is.  
And if I'm still alive,

485  
00:31:35,894 --> 00:31:38,479  
I'm gonna have to tell him  
that the Langmores stole it.

486  
00:31:38,563 --> 00:31:41,900  
At which point he's gonna  
find someone with your last name

487  
00:31:41,983 --> 00:31:45,195  
and start removing their skin  
until he locates the rest of you.

488  
00:31:45,278 --> 00:31:49,115  
So you decide, right now,  
once and for all, are you killers?

489  
00:31:51,826 --> 00:31:54,954  
You know, a case could be made that...

490  
00:31:55,496 --> 00:31:57,916  
the disappearance of Mr. Byrde

491  
00:31:57,999 --> 00:32:02,753  
and the redistribution of this money...  
constitutes a good thing.

492  
00:32:03,964 --> 00:32:07,383  
He's aiding and abetting  
the sale of drugs.

493  
00:32:07,467 --> 00:32:09,094  
-[Russ] Mm-hmm.  
-Oh, boy.

494  
00:32:09,885 --> 00:32:14,975  
Who knows how much pain and misery  
he's caused?

495  
00:32:15,266 --> 00:32:17,310  
-Would cause.  
-Would cause.

496  
00:32:18,353 --> 00:32:19,687  
To kids, even.

497  
00:32:25,693 --> 00:32:26,819

Okay.

498

00:32:26,902 --> 00:32:32,908  
No, we won't be buying new cars  
and trucks off the lot. Fine.

499

00:32:32,993 --> 00:32:37,247  
But Merle'd be happy to sell us  
lightly used for cash, would he not?

500

00:32:37,330 --> 00:32:38,331  
Oh, yeah.

501

00:32:39,915 --> 00:32:45,213  
You think the IRS radar's up  
the 70-inch Samsungs?

502

00:32:46,589 --> 00:32:47,548  
I think not.

503

00:32:48,549 --> 00:32:53,388  
We're never ever going to get  
another opportunity like this.

504

00:32:54,805 --> 00:32:58,226  
Who's the weak link here? Hmm?  
Who's got the big mouth?

505

00:32:58,309 --> 00:33:02,355  
Who's the weak link with the big mouth  
and dates the trashy women

506

00:33:02,438 --> 00:33:06,317  
and drinks too much  
with the trashy men? Who is it?

507

00:33:06,401 --> 00:33:11,948  
Who's the irresponsible one that's gonna  
burn through theirs in, like, five years?

508

00:33:12,490 --> 00:33:14,159  
They're gonna come asking you  
for a little bit of yours

509

00:33:14,242 --> 00:33:16,744  
and what are you gonna  
tell that person? Hmm?

510

00:33:16,827 --> 00:33:19,747  
You gonna tell them, "No"?  
What happens then?

511

00:33:20,665 --> 00:33:24,919  
Do they threaten to rat you out  
for stealing the money and killing me?

512

00:33:25,003 --> 00:33:28,339  
'Cause, don't forget,  
for all this to work, you gotta kill me.

513

00:33:29,507 --> 00:33:32,343  
And did you know that Missouri  
has the death penalty?

514

00:33:33,844 --> 00:33:37,432  
So... unless you're prepared  
to kill a family member

515

00:33:37,515 --> 00:33:39,600  
to keep yourself off death row,

516

00:33:39,684 --> 00:33:44,564  
you're looking at constant, continuous,  
relentless pursuit

517

00:33:44,647 --> 00:33:46,191  
for the rest of your life.

518

00:33:46,983 --> 00:33:48,151  
-[sighs] Yeah. I'm out.  
-[Marty] Yeah.

519

00:33:48,234 --> 00:33:49,235  
-Three.  
-Oh, yeah.

520  
00:33:49,444 --> 00:33:50,445  
Good choice.

521  
00:33:50,528 --> 00:33:53,323  
-[Three] I'm sorry about Charlotte.  
-Not good enough.

522  
00:33:53,406 --> 00:33:57,493  
-We're taking a hundred grand.  
-Mr. Navarro will take it back.

523  
00:33:57,577 --> 00:33:59,787  
-Fifty, then.  
-He'll take that, too.

524  
00:34:01,581 --> 00:34:03,458  
-Thirty.  
-Nope.

525  
00:34:03,541 --> 00:34:06,877  
We're taking \$20,000. Get 20...

526  
00:34:07,837 --> 00:34:08,879  
That's a mistake.

527  
00:34:08,963 --> 00:34:11,174  
[Russ] ...for our trouble  
and dashed expectations.

528  
00:34:11,257 --> 00:34:12,300  
-[Ruth chuckles]  
-Okeydoke.

529  
00:34:12,383 --> 00:34:14,385  
-Deal with it.  
-You deal with it.

530  
00:34:14,469 --> 00:34:18,098  
Or you can tell Mr. Navarro the truth.

531  
00:34:18,181 --> 00:34:20,891  
You are a poor steward of his money.

532  
00:34:20,975 --> 00:34:22,310  
I'll let him know.

533  
00:34:24,812 --> 00:34:25,730  
[Russ] Come on.

534  
00:34:41,371 --> 00:34:43,456  
Almost got that done, didn't I?

535  
00:34:46,041 --> 00:34:50,171  
Why do I have this feeling we both know  
that you'd be better off dead?

536  
00:35:49,355 --> 00:35:51,649  
-[indistinct radio chatter]  
-[helicopter whirring]

537  
00:35:56,111 --> 00:35:59,407  
[officer on radio]  
Route 78. Three miles south of I-80.

538  
00:36:08,499 --> 00:36:11,043  
[indistinct chatter]

539  
00:36:33,274 --> 00:36:34,900  
[Petty exhaling sharply]

540  
00:36:38,863 --> 00:36:40,072  
[grunting]

541  
00:36:44,285 --> 00:36:45,495  
[Evans] Well?

542  
00:36:49,957 --> 00:36:52,210  
The jawbone was Hanson Sr.'s...

543  
00:36:53,586 --> 00:36:57,047  
but I guarantee you, if the rest  
of that ooze could take shape...

544

00:36:58,173 --> 00:37:00,510  
you'd find Bruce Liddell in there, too.

545  
00:37:04,764 --> 00:37:06,516  
And you're transferring to Missouri?

546  
00:37:08,142 --> 00:37:10,811  
That's where Martin Byrde is. [sniffles]

547  
00:37:10,895 --> 00:37:12,021  
[weights clattering]

548  
00:37:12,104 --> 00:37:14,690  
Alive and well, swiping his Amex.

549  
00:37:14,774 --> 00:37:16,317  
How are we gonna do this?

550  
00:37:19,695 --> 00:37:20,905  
[sighs]

551  
00:37:22,072 --> 00:37:24,409  
Byrde liquidates his business.

552  
00:37:25,410 --> 00:37:27,828  
Somebody does the same to Bruce.

553  
00:37:29,705 --> 00:37:30,539  
[sighs]

554  
00:37:30,623 --> 00:37:34,084  
He jerks his family from Chicago  
and \$8 million from the bank,

555  
00:37:34,168 --> 00:37:36,296  
transporting both to southern Missouri.

556  
00:37:38,714 --> 00:37:39,799  
Why?

557  
00:37:40,716 --> 00:37:43,093

That money was clean. Taxes were paid.

558

00:37:44,595 --> 00:37:47,682

If he was scared of us freezing it,  
he'd just wire it into offshore oblivion.

559

00:37:47,765 --> 00:37:50,685

He needs that money.  
For what, I do not know, but...

560

00:37:52,144 --> 00:37:53,563

it'll be illegal.

561

00:37:55,773 --> 00:37:57,400

And I'm gonna catch him.

562

00:37:58,401 --> 00:38:00,278

And when I do,  
he'll tell me exactly how and where

563

00:38:00,361 --> 00:38:04,824

the cartels are laundering that money,  
at which point I'll seize it. All of it.

564

00:38:08,202 --> 00:38:10,079

And then my career will be made.

565

00:38:11,747 --> 00:38:13,291

That's how I'm gonna do it.

566

00:38:15,335 --> 00:38:16,711

You and me.

567

00:38:17,795 --> 00:38:20,298

Have you thought about  
how we're going to do this?

568

00:38:21,507 --> 00:38:22,717

We're not.

569

00:38:27,638 --> 00:38:29,098

[Petty clears throat]

570  
00:39:13,476 --> 00:39:14,477  
[sighs]

571  
00:39:32,161 --> 00:39:34,163  
[softly] Who loves his little girl?

572  
00:39:37,041 --> 00:39:38,250  
[Charlotte sighs softly]

573  
00:39:49,887 --> 00:39:51,389  
-[softly] Hey, Dad.  
-Yeah?

574  
00:39:51,472 --> 00:39:52,765  
Where you going?

575  
00:40:00,773 --> 00:40:02,775  
I just have to go somewhere.

576  
00:40:05,110 --> 00:40:07,362  
I want you to go back to sleep, okay?

577  
00:40:13,494 --> 00:40:15,287  
I'm sorry I left yesterday.

578  
00:40:16,706 --> 00:40:17,915  
I know.

579  
00:40:19,792 --> 00:40:21,001  
It's okay.

580  
00:40:24,254 --> 00:40:25,673  
I made a friend.

581  
00:40:28,175 --> 00:40:29,635  
His name is Tuck.

582  
00:40:31,929 --> 00:40:34,515  
And he works at the Blue Cat Lodge.

583

00:40:36,308 --> 00:40:38,644  
Nobody stays in the lodge or...

584

00:40:39,687 --> 00:40:42,231  
eats in the restaurant  
or drinks at the bar.

585

00:40:45,109 --> 00:40:47,194  
That's your kind of place, right, Dad?

586

00:40:51,406 --> 00:40:54,034  
Go back to sleep, okay? I love you.

587

00:40:55,536 --> 00:40:56,996  
I love you, too.

588

00:41:12,970 --> 00:41:15,806  
You know, someday you're gonna  
have a little boy.

589

00:41:20,603 --> 00:41:23,731  
And I hope that you're as proud of him  
as I am of you.

590

00:41:29,612 --> 00:41:30,738  
[Jonah] Okay.

591

00:41:31,572 --> 00:41:32,865  
Okay.

592

00:41:35,200 --> 00:41:36,410  
Go to sleep.

593

00:41:52,176 --> 00:41:54,219  
[Marty]  
The insurance payout is a million dollars.

594

00:41:54,303 --> 00:41:55,846  
-Okay?  
-Marty, you got the money back.

595

00:41:55,930 --> 00:41:58,015  
-You take the kids today...  
-You... you won.

596  
00:41:58,098 --> 00:41:59,433  
-...and live off the credit card.  
-You won.

597  
00:41:59,517 --> 00:42:02,061  
I didn't win. How did I win?

598  
00:42:03,812 --> 00:42:05,689  
I lost everything.

599  
00:42:09,652 --> 00:42:10,986  
We have nothing.

600  
00:42:12,487 --> 00:42:15,157  
If I'm dead, we have something.  
It's simple.

601  
00:42:15,240 --> 00:42:18,536  
You take the kids today  
and you live off the credit cards

602  
00:42:18,619 --> 00:42:20,538  
-until the insurance pays out.  
-You're not thinking straight.

603  
00:42:20,621 --> 00:42:22,414  
Then you take that money  
and you start over.

604  
00:42:22,497 --> 00:42:23,624  
You just need more time.

605  
00:42:23,708 --> 00:42:26,544  
No, I don't, Wendy.  
This was a dodge. This was a lie.

606  
00:42:26,627 --> 00:42:29,338  
No one can wash \$8 million down here.

607

00:42:29,421 --> 00:42:30,840  
Not in three months.

608

00:42:31,757 --> 00:42:35,135  
And when Del gets his \$8 million back,  
he'll be whole...

609

00:42:35,761 --> 00:42:38,347  
and if he knows that I'm dead,  
I don't think that he...

610

00:42:38,430 --> 00:42:40,474  
I mean, he's got no reason to, uh...

611

00:42:42,059 --> 00:42:43,352  
To what?

612

00:42:43,435 --> 00:42:45,605  
He has...  
He has no reason to kill... to kill us?

613

00:42:45,688 --> 00:42:48,065  
Yeah, I don't think that he will.  
Why would he?

614

00:42:48,857 --> 00:42:50,568  
-You don't have to do this.  
-I know.

615

00:42:50,651 --> 00:42:51,735  
-Listen.  
-You don't.

616

00:42:51,819 --> 00:42:54,154  
-You don't have to--  
-On this piece of paper is Del's e-mail.

617

00:42:54,238 --> 00:42:57,449  
And underneath it is an address  
and the number of a storage unit.

618

00:42:57,532 --> 00:43:00,620

And that's where his money is.  
That's where he'll find it.

619

00:43:00,703 --> 00:43:02,454  
In three hours,  
I want you to call the sheriff,

620

00:43:02,537 --> 00:43:05,875  
and I want you to tell the sheriff  
that I haven't come back

621

00:43:05,958 --> 00:43:07,710  
-and that you're worried.  
-Marty...

622

00:43:07,793 --> 00:43:11,714  
I was hiking on Horseshoe Bend,  
near Sweetwater Bluff.

623

00:43:11,797 --> 00:43:14,884  
-Okay? Can you say that?  
-[whimpers]

624

00:43:14,967 --> 00:43:17,177  
-Say that. Say that to me. Come on.  
-Horseshoe...

625

00:43:17,261 --> 00:43:20,139  
-Horseshoe Bend. Near Sweetwater Bluff.  
-[crying] Horseshoe Bend...

626

00:43:21,265 --> 00:43:24,393  
I was hiking on Horseshoe Bend,  
near Sweetwater Bluff.

627

00:43:24,476 --> 00:43:26,145  
Sweetwater...

628

00:43:27,062 --> 00:43:28,313  
Okay.

629

00:43:29,314 --> 00:43:30,775  
That's where they're gonna find me

630  
00:43:30,858 --> 00:43:34,236  
and then I want you to e-mail Del  
and I want you to do it immediately, okay?

631  
00:43:34,319 --> 00:43:36,405  
Because if somebody else  
finds that money,

632  
00:43:36,488 --> 00:43:39,574  
if somebody else goes  
poking around that storage place...

633  
00:43:39,659 --> 00:43:42,327  
Marty. Marty, don't do this.

634  
00:43:42,411 --> 00:43:44,079  
Don't. Do not do this.

635  
00:43:44,163 --> 00:43:45,623  
[continues indistinctly]

636  
00:43:46,373 --> 00:43:48,208  
[inaudible]

637  
00:43:55,883 --> 00:43:57,885  
[dialing phone]

638  
00:44:04,516 --> 00:44:05,600  
[Bob] Hello?

639  
00:44:05,685 --> 00:44:08,145  
Hey, Bob. Good morning. It's Marty Byrde.

640  
00:44:08,228 --> 00:44:11,023  
I've got a little bit  
of a random question for you.

641  
00:44:11,106 --> 00:44:16,696  
Have you, by chance, ever handled  
any life insurance investigations?

642  
00:44:16,779 --> 00:44:18,864  
A couple dozen. Why?

643  
00:44:18,948 --> 00:44:21,909  
Okay, good. 'Cause I've got this friend

644  
00:44:21,992 --> 00:44:27,497  
and he is looking for an answer,  
or statistics, really,

645  
00:44:27,581 --> 00:44:31,293  
on how often carriers deny claims

646  
00:44:31,376 --> 00:44:36,924  
if there's any suspicion that  
the policy holder has committed suicide.

647  
00:44:41,386 --> 00:44:45,766  
Does this client have an actual claim  
that's been denied or is he just curious?

648  
00:44:45,849 --> 00:44:48,310  
I think he just wants to know  
how often the...

649  
00:44:48,394 --> 00:44:51,438  
the claim is paid out  
after the investigation.

650  
00:44:51,521 --> 00:44:56,235  
Uh, yeah, how, how many times  
they follow through with the payment.

651  
00:44:56,318 --> 00:44:59,822  
Uh, you know, I guess a percentage, maybe?

652  
00:44:59,905 --> 00:45:03,408  
I'm not sure. I mean, what can I tell him?  
What do you think?

653  
00:45:03,492 --> 00:45:07,579  
Uh, 85% or... or 70%? Is it... Is it less?

654

00:45:07,662 --> 00:45:11,291  
If it's an individual by himself,  
any death, it's gonna be investigated.

655

00:45:11,375 --> 00:45:13,335  
Sure, that's understandable.

656

00:45:13,418 --> 00:45:16,130  
Um, but if it's an actual accident.

657

00:45:16,213 --> 00:45:18,632  
If it's a car accident, if it's...

658

00:45:18,715 --> 00:45:20,592  
I don't know,  
I don't know what it would be.

659

00:45:20,675 --> 00:45:23,053  
[stammers] If it's hiking or if it's--

660

00:45:23,137 --> 00:45:25,765  
It would depend. Now, this client...

661

00:45:25,848 --> 00:45:28,225  
say he's maybe had  
recent financial problems

662

00:45:28,308 --> 00:45:32,646  
or demonstrated unusual behavior,  
like quitting his job suddenly.

663

00:45:33,272 --> 00:45:38,944  
Or... if maybe he had a spouse  
who'd been unfaithful.

664

00:45:41,113 --> 00:45:44,283  
That's all ammunition  
the insurance company would use

665

00:45:44,366 --> 00:45:46,285  
to try and not pay out.

666  
00:45:46,368 --> 00:45:48,120  
Yeah, yeah, so...

667  
00:45:48,203 --> 00:45:50,622  
would you put it at, like, 50%?

668  
00:45:59,799 --> 00:46:01,967  
Bob? Is it less than 50?

669  
00:46:03,677 --> 00:46:05,637  
I can't give you numbers.

670  
00:46:10,392 --> 00:46:11,393  
Mr. Byrde?

671  
00:46:11,811 --> 00:46:13,020  
[sighs]

672  
00:46:14,438 --> 00:46:16,148  
Thanks so much for your help.

673  
00:46:50,765 --> 00:46:53,477  
[Wendy stammering] Yes, yes, I know. I...

674  
00:46:53,560 --> 00:46:56,105  
I'm sure I'm worrying over nothing.  
It's just he...

675  
00:46:56,188 --> 00:46:57,689  
He doesn't know the roads here.

676  
00:46:59,316 --> 00:47:01,193  
Exactly. That's all I ask.

677  
00:47:03,028 --> 00:47:05,447  
All right. Thank you, Sheriff. Thank you.

678  
00:47:09,118 --> 00:47:10,327  
[sniffles]

679  
00:47:13,205 --> 00:47:15,749  
-[door unlocks, opens]  
-[Jonah] Hey, Dad.

680  
00:47:15,832 --> 00:47:17,584  
-[Marty] Where's your mom?  
-[door closes]

681  
00:47:20,880 --> 00:47:22,256  
[breathing heavily]

682  
00:47:25,467 --> 00:47:26,718  
Did you send the e-mail?

683  
00:47:30,138 --> 00:47:30,973  
Good.

684  
00:47:33,934 --> 00:47:35,144  
Good.

685  
00:47:40,524 --> 00:47:42,026  
I wasn't thinking straight.

686  
00:47:52,619 --> 00:47:53,954  
[sobbing]

687  
00:48:01,670 --> 00:48:02,588  
Hey, pal.

688  
00:48:04,298 --> 00:48:06,300  
Tell me more about the Blue Cat Lodge.

689  
00:48:23,650 --> 00:48:26,570  
-[woman] What do you want?  
-[Marty] What do you want?

690  
00:48:27,487 --> 00:48:29,949  
Go on. Get up. I got shit to do. Come on.

691  
00:48:30,032 --> 00:48:31,575  
Up, up. Come on.

692  
00:48:31,658 --> 00:48:34,369  
Miss Garrison,  
I don't know anything about your business.

693  
00:48:34,453 --> 00:48:39,166  
Therefore I have no suggestions  
on how to improve it.

694  
00:48:39,249 --> 00:48:42,502  
I invest in people, not businesses.

695  
00:48:42,586 --> 00:48:45,505  
I look for people that are passionate  
about what they do,

696  
00:48:45,589 --> 00:48:48,968  
and for some reason,  
they haven't found success.

697  
00:48:49,051 --> 00:48:52,471  
And I know money.  
I know how to make it work.

698  
00:48:53,597 --> 00:48:55,057  
I know how to get it.

699  
00:48:55,765 --> 00:49:01,105  
I have it...  
and I'm willing to invest it in you.

700  
00:49:02,564 --> 00:49:03,898  
[chuckles]

701  
00:49:04,899 --> 00:49:09,529  
Look, uh, Marty, I know this angle.

702  
00:49:10,155 --> 00:49:12,699  
You invest. Hmm?

703  
00:49:13,367 --> 00:49:15,660  
And then we go and we remodel some units.

704  
00:49:17,537 --> 00:49:20,290  
And come June,  
business improves incrementally...

705  
00:49:21,083 --> 00:49:22,751  
and I take a little more money.

706  
00:49:22,834 --> 00:49:25,045  
And then July rolls around,  
a little more money,

707  
00:49:25,129 --> 00:49:27,339  
but it's advertising for the Fourth.

708  
00:49:27,422 --> 00:49:30,050  
And then a few more units are rented...

709  
00:49:31,176 --> 00:49:34,388  
and it's better than nothing,  
but it's still not enough

710  
00:49:34,471 --> 00:49:37,391  
to service the debt on the loan  
I already owe the bank.

711  
00:49:37,474 --> 00:49:40,394  
A loan secured by the mortgage  
on this property.

712  
00:49:41,853 --> 00:49:43,105  
That old chestnut.

713  
00:49:45,440 --> 00:49:48,568  
And then, before you know it,  
it's Labor Day

714  
00:49:48,652 --> 00:49:51,488  
and I'm in hock to you and the bank

715  
00:49:51,571 --> 00:49:55,284  
and you force a sale,

recoup your investment with interest.

716

00:49:55,367 --> 00:49:59,288

I don't need you for that, Marty,  
'cause I can fuck things up all by myself.

717

00:49:59,997 --> 00:50:00,998

So get out.

718

00:50:02,166 --> 00:50:03,208

Now.

719

00:50:03,833 --> 00:50:05,252

[alarm chirps]

720

00:50:18,265 --> 00:50:23,019

Shit, I don't know.

I do know that he has a kitty named Henry.

721

00:50:23,103 --> 00:50:27,982

Tuck, you are, without a doubt,  
the biggest retard I've ever seen.

722

00:50:28,066 --> 00:50:30,068

[country music playing on radio]

723

00:50:31,861 --> 00:50:32,946

Hey.

724

00:50:34,073 --> 00:50:36,575

Don't use that word.

What the hell's the matter with you?

725

00:50:36,658 --> 00:50:39,828

-Did you say something to me?

-You can't use that word. Ever.

726

00:50:41,663 --> 00:50:43,540

You telling me what I can and can't say?

727

00:50:43,623 --> 00:50:46,085

Yeah. I give that lesson to my kids,

they get it right away.

728

00:50:46,168 --> 00:50:47,836  
You got about 20 years on both of them

729

00:50:47,919 --> 00:50:49,588  
and you still don't know  
you can't say that shit?

730

00:51:01,850 --> 00:51:05,937  
I mean, why does he have to feel bad  
just so you can feel good?

731

00:51:06,020 --> 00:51:10,359  
Plus, when you disrespect him,  
you disrespect this whole place.

732

00:51:10,442 --> 00:51:12,319  
And you might be able to get away  
with that kind of crap

733

00:51:12,402 --> 00:51:15,697  
at the dive bars you're used to going to,  
but not here.

734

00:51:16,323 --> 00:51:17,324  
I won't tolerate it.

735

00:51:18,158 --> 00:51:21,077  
-[man] You won't tolerate it?  
-That's right.

736

00:51:23,288 --> 00:51:26,916  
I won't... tolerate it.

737

00:51:40,514 --> 00:51:41,932  
[Marty]  
Now hang on a second.

738

00:51:42,015 --> 00:51:44,810  
You take a big deep breath,  
'cause I want you to look at something.

739  
00:51:46,395 --> 00:51:49,314  
That wall's got about  
50 years' worth of photographs.

740  
00:51:49,398 --> 00:51:51,483  
One specifically, this one right here,

741  
00:51:51,566 --> 00:51:53,443  
with the kid and his dad  
and that great big fish.

742  
00:51:53,527 --> 00:51:54,986  
Bartender, can I see that picture there

743  
00:51:55,069 --> 00:51:56,946  
with the kid and his dad  
and that big fish?

744  
00:51:57,030 --> 00:51:58,448  
That's it. Thank you.

745  
00:51:59,533 --> 00:52:02,619  
Now, this is an illusion.  
Whoever took this photo

746  
00:52:02,702 --> 00:52:06,957  
told this kid to push this fish forward  
so it'd look bigger in the picture

747  
00:52:07,040 --> 00:52:10,961  
because he wanted to make this memory  
as special as possible, because he cared.

748  
00:52:11,586 --> 00:52:12,754  
That happens here.

749  
00:52:13,380 --> 00:52:16,591  
And you want to disrespect that?  
I don't think so.

750  
00:52:17,175 --> 00:52:22,180  
Now I want you to apologize

to that young man right now.

751

00:52:24,183 --> 00:52:27,394  
You miserable, redneck...

752

00:52:29,521 --> 00:52:30,855  
cocksucker.

753

00:52:55,129 --> 00:52:56,590  
Who is that?

754

00:52:59,384 --> 00:53:00,802  
[Wendy] That is Buddy Dieker.

755

00:53:01,553 --> 00:53:02,554  
Who?

756

00:53:03,430 --> 00:53:09,269  
Mr. Dieker will be living in the basement  
for a year... give or take.

757

00:53:10,979 --> 00:53:12,564  
Mom, what are we doing here?

758

00:53:18,278 --> 00:53:19,279  
[sighs]

759

00:53:19,863 --> 00:53:22,741  
Your father's laundering money  
for a Mexican drug cartel.

760

00:53:25,785 --> 00:53:27,161  
I shit you not.

761

00:53:29,623 --> 00:53:30,874  
Hello, Mr. Dieker!
