239

00:14:31,954 --> 00:14:33,330  
Don't worry, I am just as pissed at you.

240

00:14:33,414 --> 00:14:36,333  
-But what Wendy did was wrong.  
-Whoa, whoa, whoa, whoa, whoa.

241

00:14:36,417 --> 00:14:37,793  
I'm Dad, she's Mom.

242

00:14:37,877 --> 00:14:40,171  
The first name business stops right now.  
That understood?

243

00:14:41,172 --> 00:14:43,715  
-And I want you to go easy on her.  
-Why are you defending her?

244

00:14:44,675 --> 00:14:46,052  
I'm sure you could tell us stuff.

245

00:14:46,135 --> 00:14:48,888  
I mean, bad things she's done  
that would poison us on her.

246

00:14:49,931 --> 00:14:52,433  
-Am I right?  
-Uh, Charlotte...

247

00:14:54,601 --> 00:14:55,769  
-you're gonna be late.  
-[sighs]

248

00:14:55,852 --> 00:14:57,271  
Hurry up. Get in there.

249

00:15:01,483 --> 00:15:03,110  
[breathes deeply]

250

00:15:09,325 --> 00:15:11,118  
This all sounds good.

251

00:15:14,663 --> 00:15:16,790  
So, would you consider yourself  
a self-starter?

252

00:15:16,873 --> 00:15:18,875  
Yeah, definitely a self-starter, sure.

253

00:15:18,960 --> 00:15:20,962  
And I'd say I have  
leadership qualities, as well,

254

00:15:21,045 --> 00:15:22,629  
but not to the point  
where I'd undermine the boss,

255

00:15:22,713 --> 00:15:24,006  
or suck the air out of the room.

256

00:15:24,090 --> 00:15:26,633  
-Well, thank you. [chuckles]  
-Yeah.

257

00:15:26,717 --> 00:15:28,260  
Could you start this weekend?

258

00:15:29,220 --> 00:15:31,555  
Uh, could you excuse me  
for a moment, please?

259

00:15:36,518 --> 00:15:37,979  
[Three] Oh, dude.

260

00:15:39,813 --> 00:15:41,607  
[Wyatt] On three, pop shove, right now.

261

00:15:42,566 --> 00:15:43,734  
Hey!

262

00:15:44,944 --> 00:15:46,695  
-[grunts]  
-[Three laughing]

263  
00:15:51,367 --> 00:15:52,909  
You just got hit by a girl!

264  
00:15:56,998 --> 00:15:59,166  
-Did I just see what I think I saw?  
-Yep.

265  
00:16:00,376 --> 00:16:02,378  
-Good shot.  
-[engine starting]

266  
00:16:06,131 --> 00:16:07,257  
[crickets chirping]

267  
00:16:07,341 --> 00:16:08,968  
[owl hooting]

268  
00:16:14,931 --> 00:16:15,932  
[door opens]

269  
00:16:19,520 --> 00:16:20,980  
You watching porn?

270  
00:16:21,981 --> 00:16:23,024  
No.

271  
00:16:24,566 --> 00:16:25,901  
Just kidding.

272  
00:16:28,070 --> 00:16:30,572  
Uh, you have any questions  
about this morning?

273  
00:16:32,116 --> 00:16:33,825  
-No, I'm good.  
-You sure?

274  
00:16:34,951 --> 00:16:37,746  
Okay. You know, if... if you do,  
you can just ask.

275

00:16:38,664 --> 00:16:39,665  
Yeah?

276

00:16:40,874 --> 00:16:41,958  
Okay.

277

00:16:50,134 --> 00:16:52,219  
-[man speaking Spanish]  
-[gunfire]

278

00:17:01,437 --> 00:17:04,148  
[Wendy] Charlotte won't even  
call us Mom and Dad.

279

00:17:04,231 --> 00:17:06,358  
I've never hated the sound  
of my own name more.

280

00:17:06,442 --> 00:17:09,028  
You should've seen her when I told her  
I couldn't get that ice cream.

281

00:17:09,111 --> 00:17:12,197  
It was like Medusa.  
I almost turned to stone.

282

00:17:12,948 --> 00:17:16,035  
Most kids wish that their biggest worry  
was ice cream.

283

00:17:16,118 --> 00:17:18,287  
-[typing]  
-But this isn't their biggest worry.

284

00:17:18,370 --> 00:17:20,789  
Wendy, I'm on it, okay?  
It's our worry, not theirs.

285

00:17:20,872 --> 00:17:22,499  
No, it's all of our worry.

286

00:17:22,583 --> 00:17:24,835  
You know this could mess them up for life.

287

00:17:24,918 --> 00:17:28,047  
[stammers] I just spoke to Jonah,  
and... and he's fine.

288

00:17:28,130 --> 00:17:30,882  
Besides, a little adversity isn't...  
is not so terrible.

289

00:17:30,966 --> 00:17:32,093  
-Adversity?  
-Yeah.

290

00:17:32,176 --> 00:17:33,969  
Did either of us grow up  
with any advantages?

291

00:17:34,053 --> 00:17:37,264  
Okay, this is not like  
being picked last for dodgeball,

292

00:17:37,347 --> 00:17:38,849  
-or failing a class.  
-I'm not saying that.

293

00:17:38,932 --> 00:17:41,518  
Oh, Jesus Christ, Marty.  
You can't just rationalize this away.

294

00:17:41,602 --> 00:17:43,479  
I know what you think of me right now,  
and that's fine.

295

00:17:43,562 --> 00:17:45,731  
But I love my kids,  
and I'm not gonna fucking lose them.

296

00:17:45,814 --> 00:17:47,316  
Oh, come on. Where are you going?

297

00:17:47,399 --> 00:17:50,944  
I've got shit to figure out, Wendy.  
The Blue Cat alone is not gonna cut it.

298  
00:17:55,866 --> 00:17:57,618  
[man on TV cackling]

299  
00:18:00,412 --> 00:18:02,456  
[vehicle approaches outside]

300  
00:18:05,501 --> 00:18:06,543  
[engine turns off]

301  
00:18:06,627 --> 00:18:08,879  
[vehicle doors open, slam shut]

302  
00:18:08,962 --> 00:18:10,714  
[cackling continues on TV]

303  
00:18:15,511 --> 00:18:16,720  
Yo.

304  
00:18:17,721 --> 00:18:19,306  
What's up, ladies?

305  
00:18:20,974 --> 00:18:22,476  
Fuck happened to you?

306  
00:18:23,227 --> 00:18:25,896  
-[Wyatt] Nothing.  
-[Three] Chick beat his ass.

307  
00:18:26,688 --> 00:18:28,274  
Eat a dick, Three.

308  
00:18:28,357 --> 00:18:30,859  
It was that, uh, Byrde girl.

309  
00:18:32,236 --> 00:18:34,363  
You just gonna let that little piece  
get away with that?

310  
00:18:34,446 --> 00:18:35,572  
[sighs] No, Boyd.

311

00:18:35,656 --> 00:18:37,491  
You know I don't advocate  
hitting a woman.

312

00:18:37,574 --> 00:18:40,827  
Somebody needs to toughen him up.  
Go on, get up. Hit me. Right here.

313

00:18:40,911 --> 00:18:43,038  
-[Russ] Step off, Boyd.  
-Come on, hit me in the face.

314

00:18:43,122 --> 00:18:46,417  
Just... What's that, uh, movie? Fuck.  
Robert De Niro and the other--

315

00:18:46,500 --> 00:18:47,959  
-Step off.  
-Raging Bull.

316

00:18:48,043 --> 00:18:50,879  
Yeah, Raging Bull. That's it.  
Come on, up. Stand up and hit me--

317

00:18:50,962 --> 00:18:53,590  
I'm asking you,  
step away from my boy!

318

00:18:53,674 --> 00:18:55,091  
[both grunting]

319

00:18:55,176 --> 00:18:59,180  
-Fuck you, man!  
-All right, man. Chill out. We're cool.

320

00:18:59,930 --> 00:19:01,097  
Chill out.

321

00:19:01,181 --> 00:19:03,392  
-[Russ and Boyd grunting]  
-[glass shatters]

322  
00:19:21,243 --> 00:19:22,619  
What is it this time?

323  
00:19:23,120 --> 00:19:26,123  
-Who fucking knows?  
-Is Three fighting, too?

324  
00:19:26,623 --> 00:19:28,625  
Nah, he's fine.  
He's basically passed out.

325  
00:19:28,709 --> 00:19:29,793  
[Ruth] Hmm.

326  
00:19:38,719 --> 00:19:41,012  
-What you reading?  
-[inhales sharply]

327  
00:19:43,014 --> 00:19:44,140  
[chuckles softly]

328  
00:19:45,350 --> 00:19:46,894  
You love that guy, huh?

329  
00:19:47,352 --> 00:19:49,188  
Yeah, except this one's non-fiction.

330  
00:19:49,688 --> 00:19:56,111  
It's about when he had to write the movie  
for Moby-Dick for some hot-shit director.

331  
00:19:56,195 --> 00:19:58,239  
Got no fucking rest. Almost killed him.

332  
00:19:58,322 --> 00:19:59,490  
[Ruth chuckles]

333  
00:20:02,534 --> 00:20:03,952  
You know what I read?

334  
00:20:05,329 --> 00:20:07,581

-My phone.  
-[both chuckle]

335  
00:20:07,664 --> 00:20:08,874  
Texts.

336  
00:20:09,500 --> 00:20:11,335  
That's fucking it. [chuckles]

337  
00:20:15,381 --> 00:20:17,508  
-Hey, I was thinking.  
-Yeah?

338  
00:20:18,634 --> 00:20:24,265  
Maybe, uh... after you, like,  
invest some of that money or whatever,

339  
00:20:24,348 --> 00:20:28,394  
I could maybe...  
borrow some to go someplace?

340  
00:20:30,312 --> 00:20:33,232  
Like a vacation?  
Florida or some shit like that?

341  
00:20:34,190 --> 00:20:35,984  
-Sure.  
-Yeah.

342  
00:20:37,152 --> 00:20:39,530  
Or for good, maybe.

343  
00:20:43,200 --> 00:20:44,743  
Well, where are you gonna go?

344  
00:20:46,328 --> 00:20:48,121  
I don't know. [chuckles]

345  
00:20:49,122 --> 00:20:50,541  
Well... [sighs]

346  
00:20:51,959 --> 00:20:53,460

Here's what I'll tell you...

347

00:20:54,044 --> 00:20:57,589  
we're gonna get a lot more  
than 20 grand soon.

348

00:20:58,507 --> 00:20:59,341  
Okay?

349

00:21:02,553 --> 00:21:03,637  
You know, Wyatt...

350

00:21:04,555 --> 00:21:08,309  
in our world, it's...  
it's good to be one of the smart ones.

351

00:21:09,518 --> 00:21:10,727  
Remember that.

352

00:21:11,978 --> 00:21:13,104  
Okay?

353

00:21:16,733 --> 00:21:18,985  
[woman on TV] ...this season  
for the tri-county region.

354

00:21:19,069 --> 00:21:22,656  
The visitor bureau estimates high demand  
for boats and recreational vehicles.

355

00:21:22,739 --> 00:21:24,783  
So make those reservations soon.

356

00:21:24,866 --> 00:21:26,827  
And now, a word from our sponsors.

357

00:21:26,910 --> 00:21:28,829  
-[somber music plays]  
-I'm Sarah McLachlan,

358

00:21:28,912 --> 00:21:32,291  
and I'm here to tell you

about an innocent animal who's suffering

359

00:21:32,374 --> 00:21:33,583  
and needs your help.

360

00:21:34,167 --> 00:21:37,338  
You can help rescue her from abusers,  
help her get medicine,

361

00:21:37,421 --> 00:21:40,882  
shelter, food and love.

362

00:21:40,966 --> 00:21:43,427  
So, please,  
instead of changing the channel

363

00:21:43,510 --> 00:21:45,804  
or running to the refrigerator  
for a snack,

364

00:21:45,887 --> 00:21:47,222  
call the number on your screen,

365

00:21:47,306 --> 00:21:50,934  
or go online and help us  
with a monthly gift, right now.

366

00:21:51,017 --> 00:21:52,436  
But not you, Marty.

367

00:21:53,479 --> 00:21:56,189  
Not you. I don't trust  
you'll care for these animals.

368

00:21:56,272 --> 00:21:59,610  
In fact, if you adopt them, they'll die.

369

00:21:59,693 --> 00:22:03,405  
So, please, pledge with me now  
to save these animals.

370

00:22:03,489 --> 00:22:06,575

Just a small act of kindness  
can help save a life.

371

00:22:06,658 --> 00:22:08,284  
For just \$18 a month, we'll send the...

372

00:22:08,369 --> 00:22:11,413  
[man on TV]  
They are eager to join her on the hunt,

373

00:22:11,497 --> 00:22:13,915  
but still far too young.

374

00:22:13,999 --> 00:22:18,754  
They would only endanger themselves  
and give away her presence.

375

00:22:18,837 --> 00:22:21,131  
As prey migrate away

376

00:22:21,214 --> 00:22:23,216  
-from the drying plains...  
-[Buddy coughing]

377

00:22:23,300 --> 00:22:27,137  
...so, too, must the lioness venture  
beyond her familiar territory...

378

00:22:27,679 --> 00:22:28,680  
into the territory...

379

00:22:28,764 --> 00:22:30,807  
[Buddy continues coughing]

380

00:22:42,486 --> 00:22:44,070  
[wheezing and coughing]

381

00:22:48,492 --> 00:22:50,243  
[floor creaking]

382

00:22:55,582 --> 00:22:57,292  
[birds twittering]

383  
00:23:06,134 --> 00:23:07,678  
Goddamn it.

384  
00:23:07,761 --> 00:23:09,012  
What is it?

385  
00:23:09,095 --> 00:23:11,097  
Fuck. Nothing.

386  
00:23:12,933 --> 00:23:13,850  
Get some sleep?

387  
00:23:15,977 --> 00:23:17,729  
Uh, no, but I feel fine.

388  
00:23:17,813 --> 00:23:19,690  
[screeching in distance]

389  
00:23:19,773 --> 00:23:22,025  
What is that? Do you hear that?

390  
00:23:24,402 --> 00:23:26,154  
Jesus. Fuck.

391  
00:23:35,497 --> 00:23:36,498  
[Wendy] Hey!

392  
00:23:37,666 --> 00:23:39,000  
Hey!

393  
00:23:40,001 --> 00:23:42,420  
Hey! Hey!

394  
00:23:43,004 --> 00:23:45,257  
-Hey!  
-[wings fluttering]

395  
00:23:45,340 --> 00:23:47,342  
[pants] Oh.

396

00:23:48,552 --> 00:23:51,262  
Oh! Oh, my God. Oh, my God.  
That's disgusting.

397

00:23:52,055 --> 00:23:54,850  
What, you didn't...  
you didn't hear vultures in our backyard?

398

00:23:54,933 --> 00:23:56,852  
No. No.

399

00:23:58,436 --> 00:24:00,355  
-I wanna know how this got here.  
-Maybe coyotes?

400

00:24:00,438 --> 00:24:01,940  
Mm-mmm. Mm-mmm.

401

00:24:02,023 --> 00:24:05,611  
Someone would've had to...  
drag it and then leave it.

402

00:24:05,694 --> 00:24:07,863  
I'll see if the old man's  
got a wheelbarrow.

403

00:24:09,906 --> 00:24:11,492  
[vulture screeches overhead]

404

00:24:12,784 --> 00:24:13,618  
[sighs]

405

00:24:40,311 --> 00:24:42,022  
-[Marty] Morning.  
-[Evans] Mr. Byrde?

406

00:24:42,105 --> 00:24:43,231  
[Marty] Yeah.

407

00:24:43,982 --> 00:24:45,441  
Trevor Evans, FBI.

408

00:24:46,276 --> 00:24:47,235  
Oh.

409

00:24:47,319 --> 00:24:48,487  
-Have a second?  
-How's it going?

410

00:24:48,570 --> 00:24:50,947  
-All right.  
-Sure. Absolutely. What can I do for you?

411

00:24:51,031 --> 00:24:54,367  
We're looking into the disappearance  
of your partner, Bruce Liddell.

412

00:24:57,078 --> 00:24:58,872  
The disappearance? What do you mean?

413

00:24:58,955 --> 00:25:00,331  
Exactly what I said.

414

00:25:00,415 --> 00:25:04,961  
Neither he nor his fiancée  
have been heard from in almost a week.

415

00:25:05,045 --> 00:25:06,379  
Oh, God.

416

00:25:07,047 --> 00:25:08,798  
When's the last time you two spoke?

417

00:25:10,467 --> 00:25:13,845  
Um... uh...

418

00:25:15,013 --> 00:25:17,808  
Tuesday? Last Tuesday, I think.

419

00:25:17,891 --> 00:25:20,518  
-What time?  
-Uh, I'm not sure.

420

00:25:21,436 --> 00:25:22,813  
Disappeared, huh?

421

00:25:24,397 --> 00:25:30,278  
Our records indicate he called you  
that night at, uh, 11:47 p.m.

422

00:25:30,862 --> 00:25:32,322  
-Yeah, that sounds right.  
-That right?

423

00:25:32,405 --> 00:25:33,448  
Yeah, could be.

424

00:25:33,531 --> 00:25:36,492  
You spoke for a minute and 12 seconds.

425

00:25:37,827 --> 00:25:38,954  
What'd you talk about?

426

00:25:40,956 --> 00:25:42,958  
-Well, we didn't.  
-You didn't?

427

00:25:43,041 --> 00:25:45,627  
No, he left a message. Uh...

428

00:25:46,628 --> 00:25:49,172  
He, um, he... Uh, he said a lot.

429

00:25:49,255 --> 00:25:51,717  
He was rambling a bit.  
You know, maybe drunk.

430

00:25:51,800 --> 00:25:53,509  
Uh, I'd called him earlier in the day,

431

00:25:53,594 --> 00:25:57,764  
and I... I'd told him that... that I...  
I wanted to dissolve the partnership.

432

00:25:57,848 --> 00:26:01,142

-Uh, so maybe that's--  
-Why'd you dissolve the partnership?

433  
00:26:04,020 --> 00:26:07,733  
I, you know, I thought that...  
that he was maybe doing something illegal.

434  
00:26:08,900 --> 00:26:10,318  
I don't know.

435  
00:26:11,778 --> 00:26:13,780  
And why did you think that?

436  
00:26:13,864 --> 00:26:16,199  
'Cause he was...  
He just started acting different.

437  
00:26:16,282 --> 00:26:18,827  
He was nervous about something,  
definitely, and...

438  
00:26:19,786 --> 00:26:22,748  
I caught him making a couple of calls  
in Spanish.

439  
00:26:23,707 --> 00:26:25,751  
-Do you know Spanish?  
-I don't.

440  
00:26:25,834 --> 00:26:29,630  
Uno, dos, tres. That's it.  
And I had no idea that he did, yeah.

441  
00:26:29,713 --> 00:26:32,423  
So I asked him about it,  
and... and he was evasive.

442  
00:26:33,091 --> 00:26:35,301  
[muffled] That's what set off the, uh...

443  
00:26:35,385 --> 00:26:37,262  
the... the alarms. You know, and...

444

00:26:37,345 --> 00:26:38,429  
[Charlotte] Hey, hermit crab.

445

00:26:41,599 --> 00:26:43,935  
[sighs] This is so fucked, isn't it?

446

00:26:44,811 --> 00:26:46,312  
Well, Dad's a drug dealer.

447

00:26:46,396 --> 00:26:48,857  
If he's a dealer, then I'm a user  
'cause I take Advil.

448

00:26:49,608 --> 00:26:50,442  
Watch.

449

00:26:51,484 --> 00:26:53,945  
[indistinct yelling in Spanish,  
gunfire over speakers]

450

00:26:54,029 --> 00:26:56,865  
-[sighs]  
-Those are Dad's coworkers.

451

00:26:56,948 --> 00:26:58,784  
[shouts continue]

452

00:27:00,493 --> 00:27:03,288  
Just stick with porn. Seriously.

453

00:27:04,581 --> 00:27:05,540  
[sighs]

454

00:27:06,291 --> 00:27:09,878  
When you think about it,  
it's always been, uh, a little bit off.

455

00:27:09,961 --> 00:27:11,212  
-You know.  
-Here you go, honey.

456

00:27:11,296 --> 00:27:12,673  
-Oh. Thanks.  
-Hello.

457  
00:27:12,756 --> 00:27:13,965  
Trevor Evans, FBI.

458  
00:27:15,300 --> 00:27:17,135  
-FBI? What's going on?  
-Yeah.

459  
00:27:17,218 --> 00:27:19,470  
We believe your husband's partner  
was murdered.

460  
00:27:20,430 --> 00:27:22,182  
-Murdered? Hang on.  
-Oh, my God.

461  
00:27:22,265 --> 00:27:24,642  
You said "disappeared."  
What makes you think he was murdered?

462  
00:27:24,726 --> 00:27:26,477  
How'd Bruce take it  
when you dissolved the partnership?

463  
00:27:27,395 --> 00:27:29,606  
Uh, he didn't take it well,  
like I told you.

464  
00:27:30,106 --> 00:27:35,070  
So... that's why you emptied  
your bank accounts and left Chicago?

465  
00:27:37,655 --> 00:27:41,326  
No, sir. I have a business opportunity  
here. What are you implying?

466  
00:27:43,912 --> 00:27:48,083  
I think the two of you should know  
that Bruce was working with us...

467

00:27:49,167 --> 00:27:51,169  
as an informant against them.

468  
00:27:52,295 --> 00:27:53,171  
What?

469  
00:27:54,047 --> 00:27:55,298  
Who's "them"?

470  
00:27:56,091 --> 00:27:57,675  
Come on, Wendy. You know.

471  
00:27:58,802 --> 00:27:59,844  
Know what?

472  
00:27:59,928 --> 00:28:03,056  
Let's all stop playing this game,  
shall we?

473  
00:28:03,139 --> 00:28:05,516  
It's gotta be exhausting, right?

474  
00:28:06,434 --> 00:28:08,644  
The lying, the running.

475  
00:28:09,562 --> 00:28:11,397  
Aren't you both tired?

476  
00:28:13,358 --> 00:28:14,984  
These people are murderers.

477  
00:28:16,569 --> 00:28:18,238  
They skin people alive...

478  
00:28:18,989 --> 00:28:23,118  
or they... they hang them from bridges  
to make a point,

479  
00:28:23,201 --> 00:28:25,829  
or if... if they want someone to just...

480

00:28:26,788 --> 00:28:30,500  
disappear...  
they dissolve their bodies in acid.

481  
00:28:31,877 --> 00:28:33,879  
We all know the cartel killed Bruce.

482  
00:28:34,838 --> 00:28:37,423  
Who's next? You?

483  
00:28:39,300 --> 00:28:40,593  
Your kids?

484  
00:28:43,722 --> 00:28:46,224  
You need to tell us what we want to know.

485  
00:28:50,686 --> 00:28:54,900  
I don't know anything  
about Bruce's involvement with any cartel.

486  
00:28:56,651 --> 00:28:58,737  
We can get you in witness protection.

487  
00:28:59,988 --> 00:29:01,156  
Keep you safe.

488  
00:29:04,910 --> 00:29:07,662  
[chuckles] We had an opportunity,

489  
00:29:07,746 --> 00:29:12,458  
and... and we made a choice to move  
our family to... to a more peaceful place.

490  
00:29:21,592 --> 00:29:24,137  
Did you have any idea  
he was working for them?

491  
00:29:28,892 --> 00:29:30,143  
What do you think?

492  
00:29:36,524 --> 00:29:37,984  
I'm so sorry.

493

00:29:39,735 --> 00:29:42,322  
I gotta get the rest of this shit  
off the yard.

494

00:29:42,405 --> 00:29:43,489  
You okay?

495

00:29:44,950 --> 00:29:46,827  
I'm getting used to betrayal.

496

00:30:04,760 --> 00:30:07,388  
-What are you doing here?  
-Working.

497

00:30:08,681 --> 00:30:10,851  
-What's it look like?  
-I didn't hire you.

498

00:30:11,309 --> 00:30:12,894  
Take it up with Marty.

499

00:30:16,022 --> 00:30:17,899  
Would you look at that?

500

00:30:18,984 --> 00:30:21,987  
Shit's so clean you can eat right off it.

501

00:30:25,448 --> 00:30:27,158  
I don't hire criminals.

502

00:30:27,242 --> 00:30:29,744  
Well, all I've seen is a hard worker.

503

00:30:30,703 --> 00:30:36,334  
2009, a series of off-season break-ins  
in Osage Beach. Langmores.

504

00:30:36,417 --> 00:30:41,089  
2012, a chop shop in Camden  
doing 15 cars a week. Langmores.

505

00:30:41,172 --> 00:30:43,591  
-Should I... Should I continue?  
-No, I'm sensing a trend.

506

00:30:43,674 --> 00:30:46,302  
Okay, good. 'Cause I haven't even gotten  
to the aggravated assaults yet.

507

00:30:46,386 --> 00:30:48,596  
Uh, look, she doesn't work  
for the Blue Cat. She works for me.

508

00:30:48,679 --> 00:30:50,765  
Well, maybe you wanna  
talk to me next time.

509

00:30:52,308 --> 00:30:55,103  
People deserve a second chance,  
just like businesses.

510

00:30:55,186 --> 00:30:59,149  
If she steals so much as a fork,  
she is gone.

511

00:31:06,656 --> 00:31:07,699  
[boat engine revs]

512

00:31:16,666 --> 00:31:18,793  
That there what you meant  
about another revenue stream?

513

00:31:18,877 --> 00:31:21,004  
Pumping gas on a dock? [chuckles]

514

00:31:21,922 --> 00:31:24,840  
Can't say as it makes me wish  
I'd gone to business school.

515

00:31:24,925 --> 00:31:25,926  
How can I help you?

516

00:31:27,552 --> 00:31:29,304

Don't tell me you don't recognize me.

517

00:31:29,387 --> 00:31:31,181  
You were all up in my titty bar,

518

00:31:31,264 --> 00:31:34,309  
all full of ideas  
on how I should go about my business.

519

00:31:35,018 --> 00:31:38,479  
What was it that you called yourself,  
again? A silent partner?

520

00:31:39,064 --> 00:31:42,943  
Secret Santa?  
It was... some kind of investor.

521

00:31:43,026 --> 00:31:46,029  
-Angel investor.  
-Angel, that's right.

522

00:31:46,112 --> 00:31:48,031  
You're funny. [chuckles]

523

00:31:49,157 --> 00:31:50,116  
Fill her up, son.

524

00:31:54,454 --> 00:31:59,334  
I... I was told, over the phone,  
that you had organic pistachio ice cream.

525

00:31:59,417 --> 00:32:00,418  
Okay.

526

00:32:00,501 --> 00:32:03,213  
Yeah. So now that I'm here,  
all-all I see is mint.

527

00:32:04,172 --> 00:32:05,840  
Please tell me you have some in the back.

528

00:32:06,507 --> 00:32:09,469

-Um, no, ma'am. We don't.  
-What do... What do you mean, no?

529  
00:32:09,552 --> 00:32:10,761  
No?

530  
00:32:11,304 --> 00:32:12,138  
Um...

531  
00:32:13,139 --> 00:32:15,350  
-I'm sorry, you made a mistake.  
-I drove an hour and a half

532  
00:32:15,433 --> 00:32:17,602  
to come to this particular supermarket

533  
00:32:17,685 --> 00:32:20,939  
because one of your employees told me  
that you had pistachio ice cream!

534  
00:32:21,022 --> 00:32:23,358  
-Yes, ma'am, I understand--  
-No, I don't think you do!

535  
00:32:23,441 --> 00:32:25,818  
I mean, is...  
is mint the same as pistachio?

536  
00:32:25,901 --> 00:32:28,113  
-No, ma'am.  
-Huh? Is it? Is it?

537  
00:32:28,196 --> 00:32:30,240  
I mean, it tastes nothing like pistachio.

538  
00:32:30,323 --> 00:32:33,784  
One has... has chips,  
and the other has nuts.

539  
00:32:33,868 --> 00:32:36,787  
Can you not tell the difference?  
Because I sure as hell can!

540  
00:32:38,539 --> 00:32:41,709  
[Evans] She was calm. Like her hubby.

541  
00:32:43,378 --> 00:32:45,130  
They were unified in their story.

542  
00:32:46,714 --> 00:32:48,883  
I... [sighs]

543  
00:32:48,967 --> 00:32:51,677  
Still not certain it was the right tactic.

544  
00:32:51,761 --> 00:32:56,807  
Well, by announcing yourself in the front,  
they won't be watching the back.

545  
00:32:56,891 --> 00:32:58,143  
[Evans chuckles]

546  
00:33:02,397 --> 00:33:04,274  
And that's presumptuous.

547  
00:33:06,026 --> 00:33:07,485  
I was going to stay.

548  
00:33:07,568 --> 00:33:09,904  
Well, and that is presumptuous.

549  
00:33:17,412 --> 00:33:19,914  
-Breakfast tomorrow?  
-Too busy.

550
