1

00:00:16,016 --> 00:00:18,893
-[Muzak plays softly over speakers]
-[door bell jingling]

2

00:00:51,301 --> 00:00:53,428
-[cocks pistol]
-Everyone on the floor!

3

00:00:53,511 --> 00:00:55,055
-[woman screams]
-Get on the ground.

4

00:00:55,138 --> 00:00:57,307
-[people clamoring]
-[grunts] Come on!

5

00:00:57,390 --> 00:00:58,433
[clattering]

6

00:00:58,516 --> 00:01:00,768
-[young man] Get your asses down!
-[glass shatters]

7

00:01:00,852 --> 00:01:03,605
Get your ass on the ground. On the ground.
Get on the ground. Hey! Hey!

8

00:01:04,397 --> 00:01:06,441
-[gunshots]
-Fuck! Fuck! Fuck!

9

00:01:06,524 --> 00:01:07,859
Ah, fuck! Fuck!

10

00:01:07,942 --> 00:01:09,986
Ah, man, why'd you make me do that?

11

00:01:10,612 --> 00:01:13,448
-Get your asses down! Stay down!
-[man panting]

12

00:01:14,074 --> 00:01:16,618

-Shit!
-[man groaning]

13
00:01:17,202 --> 00:01:19,036
Stay down. Stay down. Stay down!

14
00:01:19,121 --> 00:01:20,497
[gasping]

15
00:01:20,580 --> 00:01:22,165
[young man] Keep your asses down!

16
00:01:22,249 --> 00:01:24,083
-Bullshit!
-[clerk] I swear. I promise!

17
00:01:24,167 --> 00:01:26,002
-They don't give me--
-Give me the goddamn money.

18
00:01:26,419 --> 00:01:27,253
Come on!

19
00:01:27,337 --> 00:01:30,965
[clerk sobbing] There's only 50 here.
Just please take it and just leave.

20
00:01:31,048 --> 00:01:32,800
Don't hurt me!

21
00:01:32,884 --> 00:01:34,136
Whoa, whoa, wait. Whoa, whoa.

22
00:01:34,219 --> 00:01:35,845
Take another step,
I shoot her in the face.

23
00:01:36,596 --> 00:01:37,764
[man] No, no, no, no, no.

24
00:01:37,847 --> 00:01:40,267
This isn't ending the way

you thought it would.

25

00:01:41,226 --> 00:01:43,645
Stay the fuck back.

26

00:01:43,728 --> 00:01:44,979
-You understand?
-Yeah, yeah.

27

00:01:45,062 --> 00:01:47,399
-I'm not fucking around with you, man.
-I got it.

28

00:01:47,482 --> 00:01:50,110
-Stay back.
-This whole thing...

29

00:01:50,485 --> 00:01:52,654
went south when you pulled the trigger.

30

00:01:52,737 --> 00:01:56,073
Wallets, cash, jewelry, all of it!
Now! Come on! Let's go.

31

00:01:56,158 --> 00:01:58,285
Stay on the ground, man.
Stay on the ground. Man, back!

32

00:01:58,368 --> 00:02:01,621
Just because you made a mistake
doesn't mean you can't turn this around.

33

00:02:01,704 --> 00:02:03,623
No, no, no, no.
Hey, wait, wait, look at him.

34

00:02:03,706 --> 00:02:05,041
See, he's gonna make it.

35

00:02:05,125 --> 00:02:10,463
Right now, you've got a second chance...
down the road. But if you commit murder...

36

00:02:12,382 --> 00:02:13,508
you're gonna go away forever.

37

00:02:14,717 --> 00:02:17,595
-I'm not fucking playing.
-[softly] I know you're not.

38

00:02:17,679 --> 00:02:22,225
And I know you got this rage inside
of you that you gotta... put somewhere.

39

00:02:26,438 --> 00:02:28,105
Just put it right here instead.

40

00:02:29,482 --> 00:02:31,234
You're a fucking psycho, you know that?

41

00:02:32,026 --> 00:02:33,987
-Hey. Fuck. Fuck!
-[man] Hey, hey, hey. Calm down.

42

00:02:34,070 --> 00:02:35,655
Calm down. Look at me. Look at me!

43

00:02:47,709 --> 00:02:48,835
[groans softly]

44

00:02:49,919 --> 00:02:52,214
[sirens wailing in the distance]

45

00:02:53,215 --> 00:02:54,966
[breathing shakily]

46

00:03:04,392 --> 00:03:06,060
[birds twittering]

47

00:03:31,961 --> 00:03:33,255
[woman] Mason!

48

00:03:36,466 --> 00:03:38,384
Ash is here to help with the boat.

49

00:03:39,594 --> 00:03:41,221
[Mason] I'll be in in a second.

50

00:05:25,825 --> 00:05:27,494
[Wendy]
How do you know that's Bobby Dean?

51

00:05:28,077 --> 00:05:31,163
Because I've sat with him.
Pretty sure that's Bobby Dean.

52

00:05:31,456 --> 00:05:33,583
Well, what distinguishing feature
are you seeing here?

53

00:05:33,666 --> 00:05:35,752
-Please don't argue with me.
-What? What, his eyes?

54

00:05:35,835 --> 00:05:37,504
Look like they've been sucked out by fish.

55

00:05:37,587 --> 00:05:39,464
How about his fucking
blue knockoff Gucci shirt?

56

00:05:40,840 --> 00:05:42,425
Somebody left him here on purpose.

57

00:05:42,508 --> 00:05:44,510
[boat revving in distance]

58

00:05:45,136 --> 00:05:48,014
-We have to call the cops.
-No, we're not doing that. Forget it.

59

00:05:48,097 --> 00:05:50,850
-There is a body at our dock.
-Yeah.

60

00:05:50,933 --> 00:05:54,020

It's the body of the man whose business
I just took over. Think about it.

61

00:05:55,855 --> 00:05:56,731
[Wendy] Okay.

62

00:05:56,814 --> 00:05:58,524
Why don't we just go inside?

63

00:05:58,608 --> 00:06:01,069
We could just pretend we didn't see it,
and we...

64

00:06:01,152 --> 00:06:02,654
-[Marty] Stop poking him.
-No, we push him.

65

00:06:02,737 --> 00:06:05,031
-Wendy!
-[man] Are you guys okay there?

66

00:06:07,784 --> 00:06:08,701
[Marty] Yeah!

67

00:06:11,746 --> 00:06:12,830
Nice work.

68

00:06:13,748 --> 00:06:17,669
Waving your big fluorescent oar around,
attracting a bunch of attention.

69

00:06:18,377 --> 00:06:19,879
[siren wailing]

70

00:06:20,672 --> 00:06:22,424
[indistinct chatter]

71

00:06:22,507 --> 00:06:24,426
-[officer 1] Got that?
-[officer 2] Got 'em right here.

72

00:06:26,803 --> 00:06:29,221

Well, you can't possibly think
I'm dumb enough to kill someone

73

00:06:29,305 --> 00:06:31,098
and put the body at the end of my dock.

74

00:06:31,641 --> 00:06:33,851
Well, trust me when I tell you,
I've seen dumber.

75

00:06:33,935 --> 00:06:36,353
My dealings with Bobby Dean were amicable.

76

00:06:36,438 --> 00:06:39,106
I offered him an above-market price
for a failing business.

77

00:06:40,942 --> 00:06:43,027
Well, this place has a history
of chewing up men

78

00:06:43,111 --> 00:06:45,113
who come in here thinking
they're smarter than us.

79

00:06:45,780 --> 00:06:47,740
Far more formidable men than you.

80

00:06:49,784 --> 00:06:52,745
I expect to see that bill of sale
on my desk first thing tomorrow.

81

00:07:26,696 --> 00:07:28,155
[Marty] Everything all right?

82

00:07:29,073 --> 00:07:31,618
Thought I'd introduce myself.

83

00:07:31,701 --> 00:07:32,952
Jacob Snell.

84

00:07:33,035 --> 00:07:34,829

Hi, there. Martin Byrde.

85

00:07:35,872 --> 00:07:39,333

I've come to understand that
you're the new owner of Lickety Splitz.

86

00:07:40,251 --> 00:07:42,128

-Oh, yeah.
-Congratulations.

87

00:07:43,045 --> 00:07:44,296

Thank you.

88

00:07:45,214 --> 00:07:47,467

Not sure if you're aware, but...

89

00:07:47,550 --> 00:07:50,720

previous owner and I,
we had a business arrangement.

90

00:07:50,803 --> 00:07:52,847

Benefited us both greatly.

91

00:07:54,516 --> 00:07:56,476

The folk who thrive around here

92

00:07:56,559 --> 00:07:59,604

make a point of easing
their neighbor's burden.

93

00:07:59,687 --> 00:08:00,980

Is that right?

94

00:08:01,063 --> 00:08:05,234

I figured you'd wanna continue
with this local tradition.

95

00:08:07,904 --> 00:08:11,448

[stammers] Unfortunately, I don't think
that my employer would allow it.

96

00:08:12,283 --> 00:08:14,118

You haven't heard my terms yet.

97

00:08:20,208 --> 00:08:21,709
Business is business.

98

00:08:23,545 --> 00:08:24,546
Yeah.

99

00:08:27,048 --> 00:08:28,299
Good talking to you.

100

00:08:29,216 --> 00:08:30,593
You too, sir.

101

00:08:33,304 --> 00:08:34,556
[engine starts]

102

00:08:51,239 --> 00:08:53,449
-[music plays softly on jukebox]
-[man] Thanks.

103

00:08:56,869 --> 00:08:57,828
I got it.

104

00:09:00,998 --> 00:09:03,334
-[chuckles] Thanks.
-Yeah.

105

00:09:07,463 --> 00:09:08,589
Let me help.

106

00:09:09,090 --> 00:09:10,841
[chuckles] That's okay, Vineyard Vines.

107

00:09:10,925 --> 00:09:12,718
You're really not supposed
to be back here.

108

00:09:13,469 --> 00:09:15,680
Okay. Just trying to be chivalrous.

109

00:09:15,763 --> 00:09:18,808
-Ah, chivalry's dead. Haven't you heard?
-Uh-huh.

110
00:09:21,352 --> 00:09:23,062
-Hey. Change this for me?
-Yeah?

111
00:09:23,145 --> 00:09:24,355
Uh, okay.

112
00:09:25,356 --> 00:09:26,523
[young man clears throat]

113
00:09:30,486 --> 00:09:31,779
You from Chicago?

114
00:09:32,321 --> 00:09:33,823
Uh, yeah.

115
00:09:33,906 --> 00:09:35,742
-Highland Park.
-Naperville.

116
00:09:36,576 --> 00:09:39,787
-Ah, the Naper-thrill. Nice.
-[laughs]

117
00:09:39,871 --> 00:09:41,080
I'm Zach.

118
00:09:42,039 --> 00:09:43,165
Charlotte.

119
00:09:45,585 --> 00:09:46,711
Okay.

120
00:09:48,379 --> 00:09:52,174
You gotta...
See, here, that goes in there...

121
00:09:56,638 --> 00:09:58,347

So you live here? Now?

122

00:09:58,430 --> 00:10:00,600
Uh, only for the summer.

123

00:10:00,683 --> 00:10:01,684
Hmm.

124

00:10:02,602 --> 00:10:05,897
So is there any chance
I can get you to the party cove?

125

00:10:05,980 --> 00:10:08,399
-[chuckles]
-Gets pretty wild on a holiday weekend.

126

00:10:09,859 --> 00:10:12,319
Uh, I wish,
but I'll be chained to that dock.

127

00:10:14,196 --> 00:10:16,157
-I see. Thanks.
-[chuckles]

128

00:10:17,742 --> 00:10:19,035
How much do I owe you?

129

00:10:19,744 --> 00:10:22,371
Uh, you know,
I'm not usually back here, so...

130

00:10:23,497 --> 00:10:24,498
I have no idea.

131

00:10:25,166 --> 00:10:27,669
Well... keep the change.

132

00:10:30,129 --> 00:10:31,839
Hope to see you around.

133

00:10:39,180 --> 00:10:41,015
[Zach]

All right, we're good to go.

134

00:10:41,724 --> 00:10:44,476
-Party cove, here we come!
-[people cheering]

135

00:10:46,145 --> 00:10:48,856
-[hip-hop music playing]
-[indistinct chatter]

136

00:10:49,815 --> 00:10:51,275
[man] Yeah, I'm over here!

137

00:11:00,284 --> 00:11:01,452
Hey, there you are. Um...

138

00:11:01,535 --> 00:11:03,620
do you have any idea
why everyone's staring at me out there?

139

00:11:03,704 --> 00:11:05,414
They think you killed him.

140

00:11:06,457 --> 00:11:08,250
-They think I killed Bobby Dean.
-Mm-hmm.

141

00:11:08,334 --> 00:11:10,419
Great. That's great. [scoffs]

142

00:11:10,502 --> 00:11:14,716
Yep. First I heard it from Fats
when I got my smokes.

143

00:11:14,799 --> 00:11:17,509
-Who's Fats?
-You know, the guy from the liquor store.

144

00:11:17,593 --> 00:11:20,637
-No.
-And then Mary mentioned it at breakfast.

145

00:11:20,721 --> 00:11:23,432
-Mary?
-You know, the waitress with the teeth.

146
00:11:23,516 --> 00:11:26,102
Okay. This whole town's like
a big fuckin' game of telephone.

147
00:11:26,185 --> 00:11:27,895
Yeah, except Mary said that...

148
00:11:28,312 --> 00:11:31,357
they just saw Bobby Dean's head
floating in the water,

149
00:11:31,440 --> 00:11:33,401
just bobbing all like...

150
00:11:33,776 --> 00:11:35,945
Mm-hmm. Well, what'd you tell them?

151
00:11:36,863 --> 00:11:40,825
I told them Bobby Dean didn't have
a nice body anyway. Man tits.

152
00:11:41,367 --> 00:11:43,202
Okay. Well, obviously,
I didn't kill anyone.

153
00:11:43,786 --> 00:11:46,080
I know. If you're a killer,
then I'm fucking Snow White.

154
00:11:46,163 --> 00:11:48,165
-And I don't see any dwarfs around.
-Right.

155
00:11:48,249 --> 00:11:50,584
So, listen, Ruth, um, I need you to, um,

156
00:11:50,667 --> 00:11:52,461
take care of things around here
for a little while.

157

00:11:52,544 --> 00:11:54,671
Can you do that? Run stuff?

158

00:11:54,756 --> 00:11:55,757
-Me?
-Yeah.

159

00:11:55,840 --> 00:11:58,384
Just through the holiday weekend.
I gotta work at the Blue Cat.

160

00:11:58,467 --> 00:12:00,677
Well, it'll be fucking slammed here.

161

00:12:01,262 --> 00:12:03,222
I'll make it worth your while,
cash-wise, I promise.

162

00:12:03,305 --> 00:12:05,307
You got any questions,
just give me a call. Okay?

163

00:12:05,933 --> 00:12:06,934
You'll be fine.

164

00:12:17,611 --> 00:12:19,238
[sighs quietly]

165

00:12:21,365 --> 00:12:22,366
[sighs]

166

00:12:26,954 --> 00:12:30,707
Who... who the hell said you could
come in here without my permission?

167

00:12:31,876 --> 00:12:36,172
Did your pinko parents not teach you
the meaning of private property?

168

00:12:38,299 --> 00:12:39,300
Huh?

169

00:12:43,095 --> 00:12:46,265
-Is the lake a dangerous place?
-Is what?

170

00:12:46,807 --> 00:12:48,184
Is the lake dangerous?

171

00:12:49,852 --> 00:12:52,104
This about the body they found?

172

00:12:56,233 --> 00:13:00,737
Well, dangerous is not the first word
that comes to mind. [grunts]

173

00:13:00,822 --> 00:13:05,576
Although, I've seen my share of
bare bodies bloated beyond recognition...

174

00:13:06,660 --> 00:13:10,998
tourists turned to Swiss cheese
by propeller blades...

175

00:13:12,624 --> 00:13:15,169
They usually ascribe it to ignorance.

176

00:13:17,004 --> 00:13:21,467
But... I guess you can't discount the...

177

00:13:22,676 --> 00:13:26,973
possibility of something more sinister
at work.

178

00:13:29,475 --> 00:13:31,435
Is that why you have all these guns?

179

00:13:33,145 --> 00:13:36,690
[chuckling softly]
If that's what you wanna say.

180

00:13:37,691 --> 00:13:38,817
[sighs]

181

00:13:40,236 --> 00:13:42,446
My parents don't really like guns.

182

00:13:45,241 --> 00:13:46,993
[wings flapping, bird squawking]

183

00:13:47,076 --> 00:13:50,829
Why the hell did they move here
if they don't like guns?

184

00:13:55,668 --> 00:13:58,587
You know, a kid can't pass
middle school health class

185

00:13:58,671 --> 00:14:00,756
until he had his hunter's safety badge.

186

00:14:03,217 --> 00:14:04,593
It was for work.

187

00:14:05,011 --> 00:14:06,262
What kinda work?

188

00:14:09,891 --> 00:14:12,226
My dad brings businesses back to life.

189

00:14:14,145 --> 00:14:17,982
Well, wasn't the swamp thing on the dock
in business with your dad?

190

00:14:19,191 --> 00:14:22,403
If so, looks like
a mighty dangerous place to be.

191

00:14:25,031 --> 00:14:26,073
No.

192

00:14:29,285 --> 00:14:30,661
[rifle clanking]

193

00:14:30,744 --> 00:14:32,079
I don't know.

194
00:14:33,289 --> 00:14:35,582
Well, I've been here nearly 30-odd years.

195
00:14:35,666 --> 00:14:39,461
And in that time, every son of a bitch
I've seen move here

196
00:14:39,545 --> 00:14:42,381
was running from something unsavory.

197
00:14:46,260 --> 00:14:47,761
What were you running from?

198
00:14:50,431 --> 00:14:51,974
You moved here, right?

199
00:14:54,601 --> 00:14:55,811
What did you do?

200
00:14:58,105 --> 00:14:59,190
[rifle clicks]

201
00:15:00,857 --> 00:15:03,444
Now, hold it still.
You let the barrel slip

202
00:15:03,527 --> 00:15:06,447
'cause you weren't staring
through the shot.

203
00:15:06,530 --> 00:15:11,994
You gotta keep aiming at the target
even after the smoke clears.

204
00:15:17,416 --> 00:15:18,750
[wheezing laugh]

205
00:15:20,211 --> 00:15:21,628
Yes!

206
00:15:21,712 --> 00:15:24,423
Now that's what I love about watermelon.

207
00:15:24,506 --> 00:15:25,507
-They...
-[cocks rifle]

208
00:15:25,591 --> 00:15:28,469
...approximate the water content
of a human body.

209
00:15:31,973 --> 00:15:32,974
[chuckles]

210
00:15:33,057 --> 00:15:36,602
Not that I advocate that,
but... [chuckles]

211
00:15:41,398 --> 00:15:43,692
[Tuck] Did you know a sacrifice fly

212
00:15:43,775 --> 00:15:47,821
doesn't affect batting average,
but lowers OBP?

213
00:15:47,904 --> 00:15:52,201
So, at bat did happen,
but didn't happen at the same time.

214
00:15:52,952 --> 00:15:55,121
[Wyatt] Jesus, Tuck.
How do you remember all that stuff?

215
00:15:55,204 --> 00:15:57,373
[Tuck] I don't know. I just do. [chuckles]

216
00:15:57,456 --> 00:15:59,166
[Wyatt] Here, throw this out for me?

217
00:15:59,541 --> 00:16:02,628
-Whoa! Easy, Pacquiao.

-I just wanted to say sorry.

218

00:16:02,711 --> 00:16:06,048
-All good. It's just about healed.
-No, for my freak show of a mother.

219

00:16:06,132 --> 00:16:09,718
And the punch you deserved,
but a dead animal's just disgusting.

220

00:16:09,801 --> 00:16:11,512
Well, uh, apology accepted.

221

00:16:11,595 --> 00:16:14,806
Uh... And, I'm... I'm really sorry

222

00:16:14,890 --> 00:16:16,892
-about all that stuff, too.
-Well...

223

00:16:19,770 --> 00:16:23,399
Should've known I wouldn't
come at you with my right. Not again.

224

00:16:23,983 --> 00:16:25,192
Why? Is it, like,

225

00:16:25,276 --> 00:16:27,736
good manners to put the second black eye
on the other side?

226

00:16:27,819 --> 00:16:28,862
[chuckles]

227

00:16:28,945 --> 00:16:31,657
Uh, I don't know about manners,
but symmetry is more attractive.

228

00:16:31,740 --> 00:16:32,825
[chuckles]

229

00:16:34,535 --> 00:16:35,411

See ya.

230

00:16:39,623 --> 00:16:41,500

[Marty] You know that
Bobby Dean had enemies?

231

00:16:41,583 --> 00:16:43,710

[Rachel scoffs] Most assholes do.

232

00:16:43,794 --> 00:16:46,172

People that would pin a murder on someone?

233

00:16:47,339 --> 00:16:49,800

You mean the someone
that stole his strip club?

234

00:16:49,883 --> 00:16:53,179

Oh, please. I paid a fair price.
A lot more than I needed to.

235

00:16:54,180 --> 00:16:58,059

[chuckles] Okay, I am starting to get
the feeling that there is more to you

236

00:16:58,142 --> 00:17:00,894

than meets the eye,
at least more than good hair.

237

00:17:00,977 --> 00:17:02,646

And I'm not sure how I feel about it.

238

00:17:02,729 --> 00:17:04,648

Mm. I'm a businessman, Rachel. That's it.

239

00:17:04,731 --> 00:17:07,609

Yeah, look. I have no idea
what Bobby Dean was into, okay?

240

00:17:07,693 --> 00:17:10,196

I avoided him like the clap
when he was alive

241

00:17:10,279 --> 00:17:12,906
and I don't see why
that should change now that he is dead.

242
00:17:12,989 --> 00:17:14,116
But here's what I do know.

243
00:17:14,200 --> 00:17:16,993
You, being here,
being visible to customers...

244
00:17:18,287 --> 00:17:20,539
I'm not sure that's good
for business right now.

245
00:17:21,123 --> 00:17:22,458
You should stay away.

246
00:17:23,209 --> 00:17:24,210
Oh, yeah?

247
00:17:24,293 --> 00:17:28,422
At least, you know, camp out in the office
or something till this gets sorted out.

248
00:17:28,505 --> 00:17:32,593
Yeah, fine.
Although, let me ask you a question.

249
00:17:32,676 --> 00:17:35,221
Uh, what do you know about the name...

250
00:17:35,887 --> 00:17:37,139
Snell?

251
00:17:40,059 --> 00:17:41,102
Well...

252
00:17:46,732 --> 00:17:49,276
they've lived here
as long as anyone can remember.

253

00:17:50,360 --> 00:17:52,863
Moved up into those hills
when the dam was built.

254

00:17:53,405 --> 00:17:55,699
Lake swallowed up their ancestors' graves.

255

00:17:56,325 --> 00:17:58,869
Folks tell all kinds of tales
about the devious things

256

00:17:58,952 --> 00:18:02,623
that are going on on that farm,
but who knows what is just urban legend.

257

00:18:04,333 --> 00:18:07,086
[Darlene] How'd Bobby look
when they fished him out?

258

00:18:07,169 --> 00:18:08,795
[Jacob] Like a peeled pumpkin.

259

00:18:08,879 --> 00:18:12,216
[Darlene] Mm.
Let that be a lesson to you, Ash.

260

00:18:12,841 --> 00:18:17,137
Never trust a redneck
when you need the job done right.

261

00:18:17,721 --> 00:18:20,099
-[Ash] Yes, ma'am.
-[Darlene] And this Byrde man...

262

00:18:20,182 --> 00:18:21,558
[Jacob] Martin Byrde.

263

00:18:22,184 --> 00:18:24,770
Said his employer wouldn't allow it.

264

00:18:24,853 --> 00:18:26,480
His exact words.

265

00:18:26,563 --> 00:18:28,607
Even after he saw the body?

266

00:18:30,066 --> 00:18:33,154
I watched Sheriff Nix fish it out
right in front of him.

267

00:18:34,070 --> 00:18:38,284
All of which means he's more afraid
of his boss than he is of us.

268

00:18:38,367 --> 00:18:41,495
Only question is,
does he have reason to be?

269

00:18:41,578 --> 00:18:43,872
-[dogs barking]
-Ash!

270

00:18:45,916 --> 00:18:50,921
Now, you know what you need to do
for us now, don't you?

271

00:18:51,421 --> 00:18:52,756
About Mr. Byrde.

272

00:18:53,215 --> 00:18:54,216
Yes, ma'am.

273

00:18:54,591 --> 00:18:57,219
-Best get to it, then.
-Yes, ma'am.

274

00:19:02,933 --> 00:19:04,601
[sighs] Another nest?

275

00:19:05,352 --> 00:19:06,562
Mm-hmm.

276

00:19:07,438 --> 00:19:10,982
Every one we've found so far
has been up in the hills.

277

00:19:12,901 --> 00:19:14,820
Way above the waterline.

278

00:19:15,612 --> 00:19:19,325
-[thunder rumbling in distance]
-We must be due one hell of a storm.

279

00:19:20,075 --> 00:19:22,203
It'll start before sunset.

280

00:19:22,994 --> 00:19:25,247
Guess we won't have to water the crop.

281

00:19:41,013 --> 00:19:43,015
[thunder rumbling]

282

00:20:21,678 --> 00:20:25,641
This is Josh Silverberg.
I believe you knew his father Gary?

283

00:20:26,225 --> 00:20:29,728
Josh has some questions
about his father's suicide.

284

00:20:30,937 --> 00:20:32,273
Nice to meet you, Josh.

285

00:20:36,777 --> 00:20:38,320
Leave you two to talk.

286

00:20:44,159 --> 00:20:46,536
-[door closes]
-I am so sorry about your father.

287

00:20:46,620 --> 00:20:49,415
It was pretty easy for me
to find you, actually.

288

00:20:50,541 --> 00:20:53,794
You were all over
my father's Facebook page.

289

00:20:57,130 --> 00:20:58,173
What kind of questions?

290

00:20:58,257 --> 00:21:01,134
Why'd you hang up on me
when I called you from my father's phone?

291

00:21:02,052 --> 00:21:05,264
-Seems like a pretty good place to start.
-I don't know.

292

00:21:07,724 --> 00:21:09,309
I guess I was surprised.

293

00:21:10,394 --> 00:21:12,479
Yeah, I've been calling the detective...

294

00:21:13,021 --> 00:21:15,691
who's been working
on my father's case every day,

295

00:21:15,774 --> 00:21:19,110
telling him that there's no way
my father could've killed himself.

296

00:21:20,279 --> 00:21:22,614
-What does he say?
-That I'm wrong,

297

00:21:22,698 --> 00:21:25,241
that I should talk to someone,
that I'm in denial.

298

00:21:25,326 --> 00:21:28,370
Well, it's... it's only natural,
I mean, to search for answers.

299

00:21:29,413 --> 00:21:30,956
When I was 16...

300

00:21:32,582 --> 00:21:36,628

one of my best friends ended her life,
and my friends and I, we just...

301

00:21:36,712 --> 00:21:40,632
-we couldn't accept that she--
-The detective is wrong. I know it.

302

00:21:44,177 --> 00:21:47,806
-Okay.
-He was the happiest he'd been in years.

303

00:21:48,932 --> 00:21:50,100
He told me so...

304

00:21:50,434 --> 00:21:55,063
ten days before he supposedly
threw himself out of an 80th-story window?

305

00:22:00,110 --> 00:22:01,987
I had just told him...

306

00:22:04,114 --> 00:22:05,324
that it was over.

307

00:22:05,866 --> 00:22:09,786
That I was leaving Chicago with my family
to give my marriage a second chance.

308

00:22:12,331 --> 00:22:15,250
I... I talked to my father
almost every day.

309

00:22:15,625 --> 00:22:17,753
How... how come I never even heard of you?

310

00:22:17,836 --> 00:22:18,837
I don't know.

311

00:22:19,380 --> 00:22:20,881
I have a family.

312

00:22:21,840 --> 00:22:23,759

Maybe he was trying to protect me.

313

00:22:23,842 --> 00:22:26,637
So you expect me to believe
that my father...

314

00:22:27,471 --> 00:22:29,598
loved you so much that he...

315

00:22:30,891 --> 00:22:34,895
-took his own life when you left?
-I'm just telling you what I know.

316

00:22:36,062 --> 00:22:37,230
Did you love him?

317

00:22:46,114 --> 00:22:47,824
[thunder rumbling]

318

00:22:54,998 --> 00:22:56,041
[Rachel clears throat]

319

00:22:56,124 --> 00:22:59,044
-[door opens]
-[man] I'm gonna jump in the shower, Rach.

320

00:23:07,594 --> 00:23:08,762
[Marty] Hi.

321

00:23:09,805 --> 00:23:11,598
Sorry, I forgot it was Sunday.

322

00:23:15,143 --> 00:23:19,022
Well, he's...
Wasn't that good if you were wondering.

323

00:23:19,690 --> 00:23:22,568
His ego just needed a little boost.

324

00:23:25,612 --> 00:23:28,699
So we're screwed for the Fourth
if this doesn't let up, right?

325

00:23:29,908 --> 00:23:31,618
Old-timers like my grandma...

326

00:23:32,202 --> 00:23:35,747
she used to call these
big summer holidays the "ruling days."

327

00:23:35,831 --> 00:23:39,960
As in, these are the days that will rule
how we live the rest of the year. But...

328

00:23:41,670 --> 00:23:43,964
I'm guessing
Marty Byrde already knew that.

329

00:23:45,757 --> 00:23:48,469
I'm guessing he's not really here
'cause of the rain.

330

00:23:51,096 --> 00:23:54,933
Yeah. Things are a little, uh,
complicated at the house right now.

331

00:23:56,309 --> 00:23:57,227
Well...

332

00:23:58,687 --> 00:24:01,397
if anyone knows complicated, it's me.

333

00:24:02,315 --> 00:24:03,650
[Marty] Hmm.

334

00:24:03,734 --> 00:24:06,319
Well, my wife's talking
to her dead lover's son.

335

00:24:11,908 --> 00:24:12,742
[chuckles softly]

336

00:24:14,244 --> 00:24:15,537
Thanks. What about your...

337

00:24:15,621 --> 00:24:17,455

-Fuck of the week?

-Yeah.

338

00:24:18,373 --> 00:24:20,834

Yeah, well, company's better out here.

339

00:24:24,045 --> 00:24:24,880

Thanks.

340

00:24:30,719 --> 00:24:32,846

[hip-hop music playing]

341

00:24:33,346 --> 00:24:35,098

[overlapping chatter]

342

00:24:48,236 --> 00:24:49,613

Hey, no lap dance for you.

343

00:24:50,321 --> 00:24:51,823

Yeah... free money.

344

00:24:52,866 --> 00:24:54,326

That was good. Huh.

345

00:25:14,763 --> 00:25:16,181

Who the hell is that on the pole?

346

00:25:17,348 --> 00:25:20,393

We needed to class the joint up
if we ever wanna make any money.

347

00:25:20,476 --> 00:25:23,271

-And this was Marty's idea?

-Mm-mm. Mine.

348

00:25:24,355 --> 00:25:28,443

I looked at our inventory
and I felt that it was lacking.

349

00:25:30,445 --> 00:25:32,072
Don't get your thong in a bunch.

350
00:25:32,155 --> 00:25:34,658
Competition's good for you.
It builds character.

351
00:25:35,241 --> 00:25:37,118
Well, we all know why you're here.

352
00:25:38,787 --> 00:25:40,330
What was that you said?

353
00:25:43,124 --> 00:25:44,167
It's okay. Tell me.

354
00:25:44,751 --> 00:25:47,128
Bobby Dean turns up dead,
and now you're in charge?

355
00:25:48,672 --> 00:25:50,674
Don't deny it.
We all know who your daddy is.

356
00:25:52,759 --> 00:25:54,720
-[grunting]
-[groans]

357
00:26:03,645 --> 00:26:06,773
Anyone else got shit to say
about my daddy?

358
00:26:07,315 --> 00:26:08,358
Hmm?

359
00:26:12,112 --> 00:26:13,113
Then get back to work.

360
00:26:13,196 --> 00:26:15,782
We got a shit-ton of money
to make this weekend.

361

00:26:15,865 --> 00:26:17,867
-[music continues]
-[indistinct chatter]

362
00:26:23,248 --> 00:26:24,958
[thunder rumbling]

363
00:26:37,596 --> 00:26:39,014
Well, what does he know?

364
00:26:40,140 --> 00:26:41,099
Nothing.

365
00:26:42,142 --> 00:26:44,144
Nothing? What the hell
was the kid doing here, then?

366
00:26:44,227 --> 00:26:46,229
Why'd he drive all the way down
from Chicago?

367
00:26:47,147 --> 00:26:49,274
Because he suspects.

368
00:26:49,357 --> 00:26:50,942
Okay, what does he suspect?

369
00:26:51,526 --> 00:26:53,319
And I'll need some specifics, Wendy.

370
00:26:55,947 --> 00:26:58,449
He doesn't believe
his father committed suicide.

371
00:27:00,035 --> 00:27:01,828
And he's talking to the police.

372
00:27:12,339 --> 00:27:14,883
-Well, did you change his mind?
-I don't know.

373
00:27:15,425 --> 00:27:17,677

-Then you didn't change his mind.
-I don't know.

374

00:27:17,761 --> 00:27:19,721
-You would know, don't you think?
-I don't know.

375

00:27:19,805 --> 00:27:21,848
And what was I supposed to do?

376

00:27:21,932 --> 00:27:23,934
Kill him and throw him off the dock?

377

00:27:24,851 --> 00:27:28,772
What did you tell him? What was said?
What did you speak about?

378

00:27:31,692 --> 00:27:34,861
I told him his father was heartbroken
because I left.

379

00:27:36,487 --> 00:27:38,489
-What'd he say?
-[sighs]

380

00:27:40,742 --> 00:27:42,410
Where you going? Wendy?

381

00:27:46,957 --> 00:27:48,917
He asked me if I loved his dad.

382

00:27:50,794 --> 00:27:51,962
Oh, yeah?

383

00:27:53,463 --> 00:27:54,715
What did you say?

384

00:27:56,049 --> 00:27:57,508
That I didn't.

385

00:28:01,387 --> 00:28:03,639
-Was that the truth?

-Yes.

386
00:28:06,059 --> 00:28:07,102
Okay.

387
00:28:30,041 --> 00:28:31,584
[panting]

388
00:28:44,389 --> 00:28:45,974
[Russ] Been looking for you.

389
00:28:47,225 --> 00:28:49,644
Checked out a couple of spots I know.

390
00:28:49,728 --> 00:28:51,646
Water's running real good.

391
00:28:52,522 --> 00:28:55,275
I thought you weren't interested
in fishing with me anymore.

392
00:28:56,401 --> 00:28:58,904
Well, you planning on paying me
for my time?

393
00:29:00,363 --> 00:29:01,489
Of course.

394
00:29:02,908 --> 00:29:04,159
Money's money.

395
00:29:05,410 --> 00:29:07,453
All right. Well...

396
00:29:08,121 --> 00:29:09,622
just give me a call, then.

397
00:29:17,380 --> 00:29:18,506
[engine starts]

398
00:29:33,729 --> 00:29:35,857

Here's that bill of sale you asked for.

399

00:29:35,941 --> 00:29:39,735

You can see the final sale price there
and the date of transfer.

400

00:29:40,611 --> 00:29:44,950

Next page, you can see the certification,
the... title transaction.

401

00:29:45,033 --> 00:29:46,201

It's all there.

402

00:29:46,827 --> 00:29:48,995

-[Nix] Hmm.

-Okay?

403

00:29:49,079 --> 00:29:52,582

I... I called the Chicago PD
earlier today.

404

00:29:52,665 --> 00:29:57,087

Seems your business partner
and his girlfriend disappeared

405

00:29:57,170 --> 00:30:00,215

just before you moved to my little
jurisdictional paradise here.

406

00:30:00,298 --> 00:30:01,299

[Marty] Mm-hmm.

407

00:30:01,382 --> 00:30:02,968

You have anything to tell me about that?

408

00:30:03,969 --> 00:30:07,013

Got nothing to say that we haven't
already told the authorities.

409

00:30:07,722 --> 00:30:12,268

I'm gonna give you the simplest,
most neighborly advice I can give.

410
00:30:12,853 --> 00:30:15,438
Whatever it is you're up to...

411
00:30:16,815 --> 00:30:17,983
stop.

412
00:30:19,317 --> 00:30:21,361
Sheriff, we're not up to anything, okay?

413
00:30:23,905 --> 00:30:26,699
All right. Well... [clears throat]

414
00:30:27,367 --> 00:30:28,701
Keep the bill of sale.

415
00:30:29,202 --> 00:30:31,704
Bobby Dean had enough heroin in him
to kill a horse.

416
00:30:32,247 --> 00:30:33,665
We're calling it an overdose.

417
00:30:35,708 --> 00:30:36,543
Okay.

418
00:30:39,004 --> 00:30:40,296
Was it an overdose?

419
00:30:42,215 --> 00:30:45,176
[stammers] Yesterday you seemed certain
it was foul play.

420
00:30:45,927 --> 00:30:49,514
Well, we prefer to keep all options open
at the start of an investigation.

421
00:30:50,098 --> 00:30:51,933
Enough heroin to kill a horse.

422
00:30:52,517 --> 00:30:54,477
Not even the worst addicts

have that much heroin--

423

00:30:54,560 --> 00:30:56,104
It was an expression.

424

00:30:58,273 --> 00:30:59,274
Was it?

425

00:31:02,568 --> 00:31:04,946
Let me... Let me make this very clear.

426

00:31:05,864 --> 00:31:10,160
It's better for all of us
if we can just call this an overdose.

427

00:31:11,828 --> 00:31:12,787
Understood.

428

00:31:14,164 --> 00:31:15,706
You have a good day.

429

00:31:28,386 --> 00:31:29,429
[clears throat]

430

00:31:29,512 --> 00:31:32,182
[Petty] Holy Loretta!
I can't believe how many you just caught.

431

00:31:32,265 --> 00:31:34,434
You know exactly where you were taking me.

432

00:31:34,517 --> 00:31:37,020
[Russ] Oh, hell, yeah, I've been...
I've been there a hundred times.

433

00:31:37,103 --> 00:31:39,022
-That's my little spot.
-[chuckles]

434

00:31:40,690 --> 00:31:43,651
-[Russ] It's a good little... little hole.
-[Petty] I will tell you this,

435

00:31:43,734 --> 00:31:47,113
I have never seen someone catch one,
get it off the hook,

436

00:31:47,197 --> 00:31:50,366
put it back in, and get another one
so fast in my life.

437

00:31:50,450 --> 00:31:52,327
-[laughing] Well...
-[Petty clears throat]

438

00:31:52,410 --> 00:31:54,996
Oh! That's what it takes...

439

00:31:56,080 --> 00:31:57,999
to be a professional,
you know what I'm saying?

440

00:31:58,083 --> 00:31:59,250
[Petty laughs]

441

00:32:00,626 --> 00:32:01,711
Oh!

442

00:32:01,794 --> 00:32:03,338
[both laughing]

443

00:32:04,255 --> 00:32:05,465
Oh, buddy.

444

00:32:06,007 --> 00:32:08,384
[grunts] Give me some of that.

445

00:32:08,468 --> 00:32:10,345
Mmm. Mmm.

446

00:32:10,428 --> 00:32:13,014
That is the best damn day in the water
I've ever had in my life.

447
00:32:13,098 --> 00:32:15,391
-I know.
-Fuck! [chuckles]

448
00:32:15,475 --> 00:32:17,477
[exhales] Right?

449
00:32:17,560 --> 00:32:19,354
-[grunts]
-[panting]

450
00:32:20,396 --> 00:32:21,606
[mutters] Ah, shit.

451
00:32:25,068 --> 00:32:26,444
Hey. [clears throat]

452
00:32:32,450 --> 00:32:33,576
The fuck is wrong with you?

453
00:32:33,659 --> 00:32:35,245
I'm sorry. I just got carried away.

454
00:32:36,955 --> 00:32:39,249
-Stay away from me, you fucking fag!
-[grunts]

455
00:32:39,332 --> 00:32:40,375
-[coughs]
-Faggot!

456
00:32:40,458 --> 00:32:43,128
-All right. All right. All right.
-Get... get the fuck out!

457
00:32:43,211 --> 00:32:44,754
The fuck out of my truck!

458
00:32:44,837 --> 00:32:46,756
-All right. All right.
-Fuck you!

459

00:32:47,298 --> 00:32:48,216
He knows.

460

00:32:48,924 --> 00:32:50,551
He knows the Snells killed him.

461

00:32:51,427 --> 00:32:53,221
Fucking sheriff
and even he's afraid of them.

462

00:32:53,304 --> 00:32:55,390
Snells wanted us dead,
they would've done it already.

463

00:32:55,473 --> 00:32:58,101
So don't worry. We just...
We just avoid their turf, I think.

464

00:32:58,184 --> 00:33:00,770
-So what exactly is their turf?
-Well, fucking everything, right?

465

00:33:00,853 --> 00:33:03,814
Probably why every single business
rejected me the second we got in here.

466

00:33:03,898 --> 00:33:06,276
Now I got that dead body.
No one's gonna wanna work with me.

467

00:33:06,359 --> 00:33:08,903
We're screwed.
We got \$4 million left to launder.

468

00:33:08,987 --> 00:33:11,364
How are we gonna find
enough businesses to clean that much

469

00:33:11,447 --> 00:33:13,700
without getting into a war
with these people?

470

00:33:17,120 --> 00:33:18,413
[Wendy] Uh...

471
00:33:21,041 --> 00:33:22,125
[sighs]

472
00:33:23,043 --> 00:33:25,128
We have to build something of our own.

473
00:33:25,211 --> 00:33:26,796
Flipping houses isn't gonna do it, Wendy.

474
00:33:26,879 --> 00:33:28,714
Could flip 50 houses,
it's not gonna make a dent.

475
00:33:28,798 --> 00:33:30,591
-Then it has to be bigger.
-Yeah? Like what?

476
00:33:30,675 --> 00:33:31,884
I don't know.

477
00:33:31,967 --> 00:33:34,095
But you can move money
through construction costs.

478
00:33:34,179 --> 00:33:38,474
-Yeah. It'd have to be massive.
-Yeah! Well, obviously.

479
00:33:38,558 --> 00:33:40,976
Think lots of people. Lots of cash.

480
00:33:41,686 --> 00:33:42,937
And no IRS.

481
00:33:43,813 --> 00:33:46,232
Okay. So... so... so what is that?

482
00:33:46,316 --> 00:33:47,733
-I don't know. You tell me.

-I'm--

483

00:33:47,817 --> 00:33:51,154
Well, there's gotta be some business
the IRS is afraid to touch.

484

00:33:58,786 --> 00:34:01,247
-Hello.
-Hi! We're the Byrdes. I'm Wendy.

485

00:34:01,330 --> 00:34:02,206
-Hi.
-Hey.

486

00:34:02,290 --> 00:34:03,291
-Marty. Hi.
-Mason.

487

00:34:03,374 --> 00:34:05,168
-Hey. Grace. Hi. [chuckles]
-Hi.

488

00:34:05,251 --> 00:34:06,502
-Thanks for having us.
-Course.

489

00:34:06,586 --> 00:34:08,213
[Grace] We can go out to the porch here.

490

00:34:16,221 --> 00:34:18,723
Don't swim past that red buoy.

491

00:34:19,724 --> 00:34:23,269
Boats come out of nowhere,
they'll sweep you up in their wake.

492

00:34:25,605 --> 00:34:29,692
Take a month to fish out
all your tender little bits and pieces.

493

00:34:31,944 --> 00:34:33,321
Not that I'd miss you...

494

00:34:34,364 --> 00:34:38,033
but if you cost me the last good month
of boating in my life,

495

00:34:38,118 --> 00:34:41,704
I promise I'll piss on your grave
every last day until I die.

496

00:34:42,663 --> 00:34:43,664
Yeah, well,

497

00:34:43,748 --> 00:34:47,168
what makes you think they'd find enough
to bury me before you drop dead?

498

00:35:05,978 --> 00:35:08,648
[Mason] So, uh, what drew you here?

499

00:35:08,731 --> 00:35:10,650
Um, well, the work.

500

00:35:11,567 --> 00:35:14,820
Right. Probably the work, mostly.
Thank you so much.

501

00:35:14,904 --> 00:35:17,824
Sure. I meant...
I meant to our congregation.

502

00:35:18,449 --> 00:35:20,451
-Mm.
-[laughs]

503
