-[crying]

578
00:34:55,593 --> 00:34:57,678
It doesn't exist anymore, sweetheart.

579
00:34:59,264 --> 00:35:01,641
We have to stay together as a family.
Do you understand?

580
00:35:01,724 --> 00:35:03,309
-Yeah.
-[softly] We have to.

581
00:35:03,393 --> 00:35:04,394
[Charlotte sniffles]

582
00:35:07,021 --> 00:35:08,022
Okay.

583

00:35:10,566 --> 00:35:11,567
Let's go.

584

00:35:15,070 --> 00:35:17,740
[Marty] It all comes down
to safety and trust.

585

00:35:17,824 --> 00:35:22,829
'Cause we're constantly getting sold to
or advertised to or... or promised to.

586

00:35:22,912 --> 00:35:25,498
Um, I think half the reason
that we cave sometimes

587

00:35:25,581 --> 00:35:27,833
is 'cause we have no idea
what the other person's saying, right?

588

00:35:27,917 --> 00:35:28,918
Take your car to a mechanic,

589

00:35:29,001 --> 00:35:30,753
you pray to God
what he's telling you is the truth.

590

00:35:30,836 --> 00:35:33,047
-It's crazy.
-So what are you sellin' me?

591

00:35:33,131 --> 00:35:35,758
Yeah. Yeah. Straight to the point.
I appreciate that.

592

00:35:35,841 --> 00:35:37,302
Uh, okay.

593

00:35:37,385 --> 00:35:39,387
Eugenia, in a perfect world,

594

00:35:39,470 --> 00:35:41,681

a woman as smart as you
would not need someone like me

595

00:35:41,764 --> 00:35:45,476
to help you with your money,
but it's not a perfect world.

596

00:35:45,560 --> 00:35:48,438
So here's what I offer my clients.
I offer two things. Number one:

597

00:35:48,521 --> 00:35:52,817
I offer a safe but aggressive
investment scheme

598

00:35:52,900 --> 00:35:55,861
that follows the... the way
that economics are trending, right?

599

00:35:55,945 --> 00:35:58,198
'Cause I read the...
There's this... uh, report.

600

00:35:58,281 --> 00:36:00,658
I'm sure you don't read it
'cause it would bore you to death.

601

00:36:00,741 --> 00:36:03,828
[stammers] But I do.
I read them. I like them.

602

00:36:03,911 --> 00:36:06,831
God knows why.
Probably 'cause I'm a nerd, right?

603

00:36:06,914 --> 00:36:08,374
Son, is your dad a nerd?

604

00:36:08,457 --> 00:36:10,793
-Total.
-See? He knows.

605

00:36:10,877 --> 00:36:14,005

The... the second thing, and I think this
is more important than the first thing,

606

00:36:14,088 --> 00:36:18,050
it is that... that safety and trust thing.
Um, well, first let me ask you,

607

00:36:18,133 --> 00:36:20,470
has an advisor ever asked you
what your financial goals are?

608

00:36:20,553 --> 00:36:21,679
First thing they say.

609

00:36:22,347 --> 00:36:24,599
Very first thing. Always, right?
And I could be wrong here,

610

00:36:24,682 --> 00:36:27,017
but your goal is to make as much money
as possible, right?

611

00:36:27,101 --> 00:36:29,187
Isn't that...
That's gotta be the goal, right, Sam?

612

00:36:29,270 --> 00:36:32,064
-Uh, yeah, yeah. Only point I see.
-Right.

613

00:36:32,147 --> 00:36:36,236
So, what I do is I invest your money
exactly the way I invest mine.

614

00:36:36,319 --> 00:36:39,697
Safe. You can trust me.
You do well, I do well.

615

00:36:40,323 --> 00:36:41,866
And right here inside this folder

616

00:36:41,949 --> 00:36:44,410
is a detailed description

of exactly how I do that.

617

00:36:44,494 --> 00:36:45,828
In this pocket right here,

618

00:36:45,911 --> 00:36:49,290
that's a history of all the assets
that I've had under my management.

619

00:36:49,374 --> 00:36:50,750
The ROIs of those funds.

620

00:36:50,833 --> 00:36:53,628
What's to stop me from taking this
to the guy I've worked with for years,

621

00:36:53,711 --> 00:36:56,922
and tell him, "Do what Marty Byrde does"?

622

00:36:57,965 --> 00:37:01,010
Nothing. Nothing would stop you.

623

00:37:02,803 --> 00:37:04,972
You know, I'm...
I'm not begging for your business.

624

00:37:05,055 --> 00:37:06,474
I would... I would love to have it.

625

00:37:06,557 --> 00:37:09,810
However, if you would feel more
comfortable with your current manager,

626

00:37:09,894 --> 00:37:11,312
I'd recommend that you do that.

627

00:37:11,396 --> 00:37:14,524
'Cause, as... as I was saying,
I think that the most important thing,

628

00:37:14,607 --> 00:37:16,817
when it comes to your money,

is feeling safe.

629

00:37:17,402 --> 00:37:21,281

-So, you think and I'm done. That's it.
-[Eugenia] Mm-hmm.

630

00:37:21,364 --> 00:37:25,243

Okay. I appreciate meeting you, Eugenia.
And Sam, I appreciate the meeting.

631

00:37:25,326 --> 00:37:28,079

-[Sam] Yeah.
-Beautiful art, by the way, behind him.

632

00:37:28,162 --> 00:37:31,707

Son, should we do it?
Thank you, guys, very much.

633

00:37:32,750 --> 00:37:34,794

-Wait. Wait.
-Yeah.

634

00:37:34,877 --> 00:37:36,962

-Let's do this. Let's do this right now.
-[Marty] What?

635

00:37:37,046 --> 00:37:38,631

-Be done with it.
-Yeah?

636

00:37:38,714 --> 00:37:40,466

[Eugenia] Come on. Come on back in.

637

00:37:41,426 --> 00:37:42,635

-Right now.
-Okay.

638

00:38:18,546 --> 00:38:19,547

[car engine stops]

639

00:38:20,465 --> 00:38:22,007

[gate rattles open]

640
00:38:28,055 --> 00:38:29,557
Is it okay if I leave my phone here?

641
00:38:30,224 --> 00:38:32,310
-Sure.
-Thanks.

642
00:38:49,827 --> 00:38:51,203
[lock buzzes]

643
00:38:52,580 --> 00:38:54,123
[Ruth clears throat]

644
00:38:54,206 --> 00:38:55,666
[door closes]

645
00:38:57,335 --> 00:39:00,046
-[lock buzzes]
-[guards chatter indistinctly]

646
00:39:02,047 --> 00:39:04,967
[Cade] You wanna tell me
why Marty Byrde's still alive?

647
00:39:08,554 --> 00:39:10,515
Someone messed with my riggin'.

648
00:39:11,974 --> 00:39:14,143
You said no one was gonna be there.

649
00:39:18,398 --> 00:39:21,526
In the half hour it took
to pick him up and bring him back...

650
00:39:22,568 --> 00:39:24,487
the transformer was reconnected.

651
00:39:28,199 --> 00:39:29,241
What happened to your face?

652
00:39:31,619 --> 00:39:35,415

-I got into a fight with a stripper.
-What's that? Speak up.

653

00:39:35,498 --> 00:39:37,542

I got...

I got into a fight with a stripper.

654

00:39:37,625 --> 00:39:38,876

She had a ring on.

655

00:39:39,794 --> 00:39:43,005

I meant the cheeks
and the lips and the eye caps.

656

00:39:44,382 --> 00:39:45,883

You look like a whore.

657

00:39:48,343 --> 00:39:52,222

You know where the phrase
"Don't stick your neck out" comes from?

658

00:39:53,641 --> 00:39:55,059

Fuckin' chickens.

659

00:39:55,893 --> 00:39:57,812

When they feel their head
on the choppin' block,

660

00:39:57,895 --> 00:40:00,690

they actually
stick their fuckin' necks out.

661

00:40:00,773 --> 00:40:04,276

[chuckles] Makes it easier
to chop off their own heads.

662

00:40:05,319 --> 00:40:08,656

-Mmm. Stupid, huh?

-[both chuckle]

663

00:40:11,576 --> 00:40:14,369

-Stupid chickens.

-[Cade laughing]

664

00:40:17,206 --> 00:40:18,248
No.

665

00:40:20,960 --> 00:40:22,586
Stupid you.

666

00:40:23,921 --> 00:40:27,216
You had Marty Byrde and you let him go.

667

00:40:30,636 --> 00:40:34,515
-I told you...
-Don't come back here until he's dead.

668

00:40:35,975 --> 00:40:37,560
[lock buzzes]

669

00:40:42,773 --> 00:40:43,983
[typing]

670

00:41:44,960 --> 00:41:47,337
[Charlotte] What do you think her dad did
to end up in there?

671

00:41:47,421 --> 00:41:50,591
Well, it's a transition
from a maximum security prison, so...

672

00:41:50,675 --> 00:41:51,967
Something serious.

673

00:41:55,513 --> 00:41:59,308
All day, I've seen versions
of how I could end up and I hate them all.

674

00:42:00,976 --> 00:42:02,770
I miss who I was.

675

00:42:03,604 --> 00:42:05,314
I miss my friends.

676

00:42:05,397 --> 00:42:08,025
Your friends are always gonna
be your friends, no matter what.

677

00:42:08,108 --> 00:42:09,777
You don't know that.

678

00:42:10,570 --> 00:42:13,030
You made it so that
I can't tell them anything.

679

00:42:13,948 --> 00:42:17,451
I have to pretend like the worst,
scariest, most damaging thing in my life

680

00:42:17,535 --> 00:42:19,453
is actually fucking awesome.

681

00:42:20,412 --> 00:42:24,083
And watching their Snapchat stories
is like FOMO 24/7.

682

00:42:24,750 --> 00:42:26,836
I hear you. I really do.

683

00:42:28,337 --> 00:42:30,923
Animals mimic their parents' behavior,
you know that?

684

00:42:31,799 --> 00:42:34,844
But I will not suffer in silence.
I am not you.

685

00:42:35,636 --> 00:42:38,806
-That's not fair.
-Well, where are your friends?

686

00:42:38,889 --> 00:42:40,432
What do you tell them?

687

00:42:41,266 --> 00:42:43,603
I tell them what I believe to be true.

688
00:42:44,353 --> 00:42:46,981
That this is a family sabbatical.

689
00:42:48,065 --> 00:42:49,525
Return to simplicity.

690
00:42:51,944 --> 00:42:53,654
You hate it here, too.

691
00:42:53,737 --> 00:42:55,739
[gate lock buzzing]

692
00:43:09,670 --> 00:43:11,130
[minivan door opens]

693
00:43:16,301 --> 00:43:17,720
[sniffles]

694
00:43:24,644 --> 00:43:26,436
[Ruth sobs quietly]

695
00:43:33,568 --> 00:43:35,780
It's the first thing people see
when they come in.

696
00:43:35,863 --> 00:43:36,864
[Eugenia] That's the point.

697
00:43:36,947 --> 00:43:39,574
Did you not hear what Marty Byrde
said about it?

698
00:43:39,659 --> 00:43:43,287
He complimented it.
So, he's a smart man.

699
00:43:43,370 --> 00:43:46,415
-He could teach you a few things.
-I introduced you two.

700
00:43:47,249 --> 00:43:50,127

Kid puts blacklight posters
all over his room.

701

00:43:50,210 --> 00:43:53,673
Now he lectures me about art?
[scoffs and chuckles]

702

00:43:53,756 --> 00:43:54,757
Okay.

703

00:43:54,840 --> 00:43:59,303
Inherits a business,
and now he's the last tycoon. [chuckles]

704

00:43:59,386 --> 00:44:02,181
You're my employee, Mom.
You work for me, remember?

705

00:44:02,264 --> 00:44:06,351
-[laughs] Excuse me?
-You heard me.

706

00:44:07,144 --> 00:44:10,022
All I heard were the mutterings of someone

707

00:44:10,105 --> 00:44:14,777
who lets the dog lick peanut butter
off his feet.

708

00:44:16,486 --> 00:44:18,656
Can I... Can I ask you a question?

709

00:44:19,239 --> 00:44:24,328
Why do you have to be such a constant,
24/7, nagging, incessant fucking bitch?

710

00:44:24,954 --> 00:44:26,706
My entire fucking adult life,

711

00:44:26,789 --> 00:44:29,834
I've listened to your garbage
that you tell me about myself.

712

00:44:29,917 --> 00:44:33,045
Is this back to that college thing?
[chuckles]

713

00:44:33,128 --> 00:44:35,464
You never would have survived
out of state.

714

00:44:37,341 --> 00:44:39,259
Where do you think Marty Byrde lives, Mom?

715

00:44:39,343 --> 00:44:43,180
-What do I care?
-In Buddy Dieker's old house...

716

00:44:43,263 --> 00:44:46,892
with Wendy Davis. Wendy Davis Byrde.

717

00:44:47,476 --> 00:44:51,021
Yeah. That's right, Mom. Surprise!
They're married.

718

00:44:53,232 --> 00:44:55,192
You lied to me.

719

00:44:55,818 --> 00:44:59,029
Call him. I want those papers back.
I'm gonna rip them up.

720

00:44:59,113 --> 00:45:01,656
Oh, you want 'em back?
Why don't you call him yourself, okay?

721

00:45:02,616 --> 00:45:04,994
Oh, and you know what? You're fired.

722

00:45:08,455 --> 00:45:09,623
Where are you going?

723

00:45:10,750 --> 00:45:14,419
To put the signs on the street side,
where they belong.

724

00:45:21,426 --> 00:45:22,427
[door closes]

725

00:45:24,054 --> 00:45:28,183
See how long she stays by his side
when he has no business.

726

00:45:28,725 --> 00:45:30,811
Wendy Davis Byrde.

727

00:45:30,895 --> 00:45:33,522
Woman can't even commit
to one name. [scoffs]

728

00:45:33,605 --> 00:45:35,357
Come back in the house, Mom, okay?

729

00:45:35,440 --> 00:45:38,110
Let's just talk it out, 'cause I don't
wanna fight anymore. All right?

730

00:45:38,193 --> 00:45:40,529
You think you'd even have a job
if it wasn't for me?

731

00:45:40,612 --> 00:45:42,156
You think you'd sell any houses?

732

00:45:42,239 --> 00:45:44,408
And you know we don't put the signs
on the street anymore.

733

00:45:44,491 --> 00:45:46,743
We put 'em on the lake side now.
You know that.

734

00:45:46,827 --> 00:45:48,578
-"We" ?
-Okay, me.

735

00:45:48,662 --> 00:45:50,790

I don't put the signs
on the street anymore.

736

00:45:50,873 --> 00:45:52,707

[mocking]

"We don't put signs on the street."

737

00:45:52,792 --> 00:45:54,334

Boy, you can't even think for yourself.

738

00:45:54,418 --> 00:45:57,880

Okay, that's enough. 'Cause I think
you're being childish, how about that?

739

00:45:57,963 --> 00:45:59,589

-Oh, I'm being childish?

-Yeah.

740

00:45:59,673 --> 00:46:02,843

Well, I am not listening
to your foolishness anymore.

741

00:46:02,927 --> 00:46:05,220

-La, la, la, la.

-Oh, you're really doing this right now?

742

00:46:05,304 --> 00:46:07,973

Seriously? Mom? Mom, get out of the way.

Mom, get out of the road!

743

00:46:09,391 --> 00:46:11,185

[truck brakes squealing]

744

00:46:16,648 --> 00:46:19,234

Would you stop worrying?
I'll call you when it's done.

745

00:46:19,318 --> 00:46:21,070

-[knocking on door]

-He's here.

746

00:46:21,946 --> 00:46:22,947

Coming.

747
00:46:26,533 --> 00:46:27,534
Hey.

748
00:46:31,038 --> 00:46:32,081
[chuckles]

749
00:46:32,998 --> 00:46:34,291
I have a surprise.

750
00:46:35,167 --> 00:46:36,668
-You ready?
-[nervous chuckle]

751
00:46:40,547 --> 00:46:42,757
-What is this?
-I made it.

752
00:46:43,258 --> 00:46:44,384
Well, me and Kinko's.

753
00:46:45,344 --> 00:46:46,511
For our place.

754
00:46:47,387 --> 00:46:49,348
I called the place Fly Life.

755
00:46:50,265 --> 00:46:51,641
I can change it if you want, but...

756
00:46:51,725 --> 00:46:54,186
-[chuckles softly]
-...I think it's a pretty cool name.

757
00:46:54,269 --> 00:46:56,856
"Caters to the high-end spin fisherman

758
00:46:56,939 --> 00:46:59,942
who won't settle
for anything but the best."

759

00:47:00,985 --> 00:47:01,986
[chuckles]

760
00:47:02,652 --> 00:47:06,531
We'll have Pflueger open face reels.
Simms lug sole waders.

761
00:47:06,615 --> 00:47:09,284
Brass and nickel bodies and blades.

762
00:47:09,952 --> 00:47:11,620
-[chuckles]
-Turn it over.

763
00:47:14,957 --> 00:47:18,502
"Co-founders Robert Powell
and Russ Langmore."

764
00:47:19,962 --> 00:47:21,380
[Russ chuckles]

765
00:47:22,464 --> 00:47:24,549
Your name should come first, you know.

766
00:47:25,342 --> 00:47:26,676
Alphabetical order.

767
00:47:28,012 --> 00:47:29,846
This whole thing was your idea.

768
00:47:33,058 --> 00:47:36,811
-[chuckles] Yeah.
-Anyway, you wanted to talk.

769
00:47:36,896 --> 00:47:37,897
What?

770
00:47:40,024 --> 00:47:43,152
You called me, remember?

771
00:47:44,444 --> 00:47:48,532
I just... wanted to see you, is all.

772
00:47:51,201 --> 00:47:52,202
[chuckles softly]

773
00:47:56,456 --> 00:47:58,208
[panting]

774
00:48:08,093 --> 00:48:10,095
[sobbing]

775
00:48:35,787 --> 00:48:37,831
Preacher did the right thing.

776
00:48:38,623 --> 00:48:40,960
-[Darlene] Look at this guy here.
-[sighs]

777
00:48:41,876 --> 00:48:45,130
Ash said he sat there
for a good, long time.

778
00:48:45,714 --> 00:48:48,050
Then when Byrde left, he followed.

779
00:48:48,633 --> 00:48:50,927
Someone's watching Byrde, Jacob.

780
00:48:51,011 --> 00:48:55,765
I don't want to wait
for someone else to kill him.

781
00:48:56,808 --> 00:49:00,354
-[chuckles] My hotheaded bride.
-[scoffs]

782
00:49:00,896 --> 00:49:03,732
I mean, nothing's gone right for us
since he's been here.

783
00:49:03,815 --> 00:49:07,569
-Now he's outed us to the preacher?
-Who will go back on the water.

784

00:49:08,278 --> 00:49:10,280
Our lives are different, Jacob.

785

00:49:11,865 --> 00:49:13,742
[narrator on laptop]
Starlings spread diseases

786

00:49:13,825 --> 00:49:15,952
in both humans and livestock

787

00:49:16,036 --> 00:49:19,039
and cost up to \$800 million a year
to treat.

788

00:49:19,831 --> 00:49:22,876
They're on the list
of the world's worst invaders.

789

00:49:26,213 --> 00:49:27,339
-Daddy?
-Charlotte?

790

00:49:28,215 --> 00:49:29,508
-You okay?
-Yeah.

791

00:49:29,591 --> 00:49:30,634
Hmm?

792

00:49:33,053 --> 00:49:34,638
I'm sorry I scared you.

793

00:49:35,139 --> 00:49:37,849
Well, you're home.
That's all I care about.

794

00:49:38,767 --> 00:49:41,311
-You all right? You all right?
-[sniffles] Yeah, yeah. Um...

795

00:49:41,936 --> 00:49:44,523

Can I go for a swim?
[stammers] I'll talk better after.

796
00:49:44,606 --> 00:49:47,067
[Marty]
A swim? Isn't it freezing outside?

797
00:49:47,151 --> 00:49:48,693
I'll wear my suit. I'll be fine.

798
00:49:50,112 --> 00:49:52,781
All right, just out to the first buoy,
that's it, okay?

799
00:49:52,864 --> 00:49:54,283
-A short one.
-Okay.

800
00:49:54,366 --> 00:49:55,367
[Wendy sniffles]

801
00:49:55,617 --> 00:49:57,327
[door slides open]

802
00:49:58,453 --> 00:50:00,038
[door slides shut]

803
00:50:04,001 --> 00:50:05,168
[Marty] So, how is she?

804
00:50:05,711 --> 00:50:07,963
[Wendy]
She's depressed, lonely and anxious.

805
00:50:08,588 --> 00:50:10,632
We've really fucked up, Marty.

806
00:50:10,715 --> 00:50:14,761
I think she just needs some familiar,
sort of connective tissue, right?

807
00:50:14,844 --> 00:50:17,013

Maybe we can convince her
to try the swim team again.

808

00:50:17,097 --> 00:50:19,641
No, we are way past
any point of assimilation here.

809

00:50:21,226 --> 00:50:22,602
We took her life away.

810

00:50:23,437 --> 00:50:25,605
Everything she thought was safe is a lie.

811

00:50:31,736 --> 00:50:33,780
[Marty] We'll look deeper for what's here.

812

00:50:33,863 --> 00:50:35,824
[Wendy] I know what's here. Trust me.

813

00:50:35,907 --> 00:50:37,909
It's the shit you run away from.

814

00:50:38,452 --> 00:50:41,913
It's pickups and warm beer
and low expectations.

815

00:50:41,996 --> 00:50:44,499
It's grown men
with bourbon on their breath,

816

00:50:44,583 --> 00:50:47,169
who lean in a little too close and say,
"My, how you've grown."

817

00:50:47,252 --> 00:50:49,463
All right, do you have any suggestions
what we might do?

818

00:50:49,546 --> 00:50:51,548
Yeah. She needs to go back to Chicago.

819

00:50:51,631 --> 00:50:53,300

-Not an option.
-Jonah needs to go with her.

820
00:50:53,383 --> 00:50:56,470
-Please. We're not sending our kids away.
-Marty, they need a life.

821
00:50:56,553 --> 00:50:58,847
They need to stay with us. Just forget it.

822
00:50:58,930 --> 00:51:01,683
I've spoken to Coach Daniels
and her spot is still available

823
00:51:01,766 --> 00:51:03,477
-on the swim team, and Mr. Oakes...
-You what?

824
00:51:03,560 --> 00:51:05,395
...he wants Jonah to be part
of the science decathlon

825
00:51:05,479 --> 00:51:07,021
-now that he's in middle--
-Hang on a sec.

826
00:51:07,106 --> 00:51:10,817
You talked to both of them
without talking to me first?

827
00:51:12,194 --> 00:51:13,862
[Wendy]
I'm just trying to do what's right.

828
00:51:13,945 --> 00:51:16,865
While excluding me from the process?
What's the matter with you?

829
00:51:16,948 --> 00:51:19,201
You said that
we're business partners, right?

830
00:51:19,284 --> 00:51:20,369

-Yeah.

-Right? Well,

831

00:51:20,452 --> 00:51:22,078
sometimes business partners disagree.

832

00:51:22,162 --> 00:51:24,206
Caitlin's mom said
that she would house them.

833

00:51:24,289 --> 00:51:26,291
Hang on. You trying to teach them
your little trick?

834

00:51:26,375 --> 00:51:28,042
When shit gets hot, you pack up and run?

835

00:51:28,127 --> 00:51:30,129
Oh, fuck you, Marty!

836

00:51:30,212 --> 00:51:33,047
Let me tell you something.
Any of us run, we're dead.

837

00:51:33,132 --> 00:51:35,091
-So forget it.
-Hey, Marty, look around!

838

00:51:35,175 --> 00:51:37,386
This place is death.

839

00:51:37,969 --> 00:51:41,181
Jonah, he's dragging dead animals
around with their guts falling out.

840

00:51:41,265 --> 00:51:43,142
He wants to shoot birds out of the sky!

841

00:51:43,225 --> 00:51:46,228
There was a corpse
that came up to our dock,

842

00:51:46,311 --> 00:51:50,399
and in our basement, right now,
there is an old man dying as we speak.

843
00:51:50,482 --> 00:51:52,651
Let me ask you a question.
How long before you follow them?

844
00:51:52,734 --> 00:51:53,902
To Chicago. How long?

845
00:51:53,985 --> 00:51:55,779
-We're not talking about me.
-The fuck we're not.

846
00:51:55,862 --> 00:51:58,114
This is another betrayal.
How long you been planning this?

847
00:51:58,615 --> 00:51:59,991
-Tell me.
-[Wendy] Hey, look.

848
00:52:00,075 --> 00:52:02,452
I have done nothing since I've been here
except support you,

849
00:52:02,536 --> 00:52:04,996
and I've been saving this family
over and over again.

850
00:52:05,079 --> 00:52:06,456
[Marty] Great. Wendy's here, everybody.

851
00:52:06,540 --> 00:52:08,375
-We're safe now.
-Oh, great. Shut up, Marty,

852
00:52:08,458 --> 00:52:10,001
before you say something
you can't take back.

853
00:52:10,084 --> 00:52:14,130

No. Let's say exactly what we feel, Wendy.
Right now, let's be honest.

854

00:52:14,214 --> 00:52:17,133
Let's do it. Can you do it?
Or are you just a deceitful bitch?

855

00:52:18,009 --> 00:52:20,053
-Wow.
-Let's have it.

856

00:52:20,136 --> 00:52:22,181
You wanna...
You wanna talk about betrayal? Really?

857

00:52:22,264 --> 00:52:24,224
You wanna go there? Okay.

858

00:52:24,308 --> 00:52:27,811
You have a video on your computer of me.

859

00:52:30,522 --> 00:52:31,940
-Yeah.
-Mm-hmm.

860

00:52:32,441 --> 00:52:36,278
That's just a confirmation
of exactly who you are.

861

00:52:36,361 --> 00:52:38,363
You've been watching it for months.

862

00:52:38,447 --> 00:52:41,950
There's a counter on that thing
and you have watched it 27 times.

863

00:52:42,033 --> 00:52:44,494
You think I wanted to see that
even once, Wendy?

864

00:52:44,578 --> 00:52:46,663
If you knew, why didn't you confront me?

865

00:52:46,746 --> 00:52:48,790
-[coughing]
-[Marty] And what would I say?

866

00:52:48,873 --> 00:52:50,875
[Wendy] Anything! Anything at all.

867

00:52:52,586 --> 00:52:54,921
Instead of pushing all of those
emotions down, distancing yourself

868

00:52:55,004 --> 00:52:56,340
-from anything you feel.
-Hang on--

869

00:52:56,423 --> 00:52:58,633
Do not change the subject to me
'cause we're talking about you.

870

00:52:58,717 --> 00:53:01,886
-We're talking about that.
-You have walled me out!

871

00:53:01,970 --> 00:53:03,888
-Wendy, we're talking about you...
-But Bruce?

872

00:53:03,972 --> 00:53:06,099
-You've never talked to me...
-...and how you lived a lie

873

00:53:06,182 --> 00:53:07,892
-every goddamn night.
-...about how he betrayed you.

874

00:53:07,976 --> 00:53:11,396
Every night you came home to this family,
you were living a fuckin' lie.

875

00:53:11,480 --> 00:53:13,898
How do you do that? I don't get it.

876

00:53:13,982 --> 00:53:16,776
I don't understand how you did that.
Explain it to me.

877
00:53:18,612 --> 00:53:20,697
[softly] You slapped my ass, Marty.

878
00:53:21,823 --> 00:53:24,826
Yeah, I slapped your ass
because I thought that you liked it.

879
00:53:24,909 --> 00:53:26,745
Oh, that is such bullshit

880
00:53:26,828 --> 00:53:29,581
-and you know it. You are full of shit.
-Why is it bullshit

881
00:53:29,664 --> 00:53:32,000
that I would want to do something
you might like?

882
00:53:32,083 --> 00:53:34,253
-My own wife. But I was so confused...
-Just stop.

883
00:53:34,336 --> 00:53:37,297
...about what you might like, I ended up
doing exactly what your lover did.

884
00:53:37,381 --> 00:53:38,923
-Stop it!
-That's fuckin' bullshit.

885
00:53:39,007 --> 00:53:41,260
Do you know how many times
you could've said no to that guy?

886
00:53:41,343 --> 00:53:44,554
You could've said no
the first drink that he bought you.

887
00:53:44,638 --> 00:53:45,639

Right?

888

00:53:45,722 --> 00:53:46,723

-Stop.

-You could've said no

889

00:53:46,806 --> 00:53:48,600

when he asked for your number,
but you didn't.

890

00:53:48,683 --> 00:53:51,770

You could've said no the first
goddamn motel room that you booked.

891

00:53:51,853 --> 00:53:54,356

Or the first time he stuck his fuckin'
tongue down your throat.

892

00:53:54,439 --> 00:53:57,526

Right? Or the fuckin' first time
he slapped your ass.

893

00:53:57,609 --> 00:53:59,944

Why would I say no, Marty? Why?

894

00:54:00,028 --> 00:54:03,448

[voice breaking] Who was I saving
myself for? Intimacy from you?

895

00:54:03,782 --> 00:54:06,285

-I don't know.

-Any affection from you?

896

00:54:06,576 --> 00:54:08,286

-Well, you didn't, did you?

-You shut me out

897

00:54:08,370 --> 00:54:11,623

the minute we decided to launder
the stupid fucking money.

898

00:54:12,832 --> 00:54:16,920

-Well, maybe I was trying to protect you.

-I didn't want protection! I wanted you.

899

00:54:18,380 --> 00:54:20,173
I wanted you, you idiot.

900

00:54:23,969 --> 00:54:25,053
[Marty sighs]

901

00:54:25,136 --> 00:54:26,638
Why do you even want me here?

902

00:54:27,472 --> 00:54:28,765
Necessity.

903

00:54:29,808 --> 00:54:31,100
Not desire.

904

00:54:35,605 --> 00:54:38,483
Why didn't you let Del kill me
when he had the chance?

905

00:54:43,154 --> 00:54:47,659
Oh, what? What? No dry, witty comeback?

906

00:54:49,118 --> 00:54:50,912
No more truth? Okay.

907

00:54:51,580 --> 00:54:54,207
[inhales deeply] All right, Marty.
