74

00:06:17,752 --> 00:06:20,212  
Which means  
your work is gonna have to wait.

75

00:06:20,755 --> 00:06:21,881  
End of story.

76

00:06:23,257 --> 00:06:24,383  
Excuse me.

77

00:06:28,346 --> 00:06:29,847  
[indistinct chatter]

78

00:06:36,688 --> 00:06:38,523  
[Jacob] And change to you.

79

00:06:38,606 --> 00:06:39,816  
Thank you.

80

00:06:41,400 --> 00:06:43,861  
[Marty] I convinced the pastor  
to go back out onto the water.

81

00:06:43,945 --> 00:06:46,155  
You didn't have to burn  
that goddamn place down.

82

00:06:46,823 --> 00:06:49,033  
Plus, I could have bulldozed it, you know.

83

00:06:49,116 --> 00:06:50,409  
I could have used the expenses.

84

00:06:50,493 --> 00:06:52,286  
That's what that place is about,  
the expenses.

85

00:06:52,369 --> 00:06:53,621  
Without expenses, I can't launder.

86

00:06:53,705 --> 00:06:56,290  
And if I can't launder,  
my boss gets pissed off. Understand?

87

00:06:56,916 --> 00:07:00,252  
Now the whole fucking site's on lockdown  
for an arson investigation.

88

00:07:00,336 --> 00:07:02,589  
We didn't burn down your church.  
Mason did.

89

00:07:03,590 --> 00:07:06,217  
-[Tim] Thanks again, Jacob.  
-Pleasure, Tim.

90

00:07:06,300 --> 00:07:07,969  
Mason burned it down?

91

00:07:08,678 --> 00:07:10,638  
[Darlene] It was a gesture, Martin.

92

00:07:10,722 --> 00:07:14,100  
Some people understand  
the importance of gestures.

93

00:07:15,560 --> 00:07:18,688  
You didn't convince Mason of shit. We did.

94

00:07:19,396 --> 00:07:22,442  
Fact, all you did was tell him  
about our operation.

95

00:07:22,525 --> 00:07:26,070  
A fact which, quite frankly,  
makes us question your intelligence.

96

00:07:29,406 --> 00:07:32,660  
You gave us distribution,  
but you stole our anonymity.

97

00:07:33,744 --> 00:07:37,540  
So you wanna know what we did?

We stole yours.

98

00:07:38,040 --> 00:07:39,667  
Told Mason all about you.

99

00:07:40,460 --> 00:07:42,128  
And by the looks of those ashes,

100

00:07:42,211 --> 00:07:46,215  
the good pastor wants nothing to do  
with your dirty money.

101

00:07:48,217 --> 00:07:51,763  
Be grateful it was only your church  
that went up in flames.

102

00:08:12,492 --> 00:08:14,994  
Why is there a Mexican  
sitting on your house?

103

00:08:18,372 --> 00:08:19,332  
Agent Evans.

104

00:08:20,124 --> 00:08:21,209  
I remember.

105

00:08:22,001 --> 00:08:23,961  
Last chance for witness protection.

106

00:08:24,587 --> 00:08:26,088  
Excuse me?

107

00:08:26,172 --> 00:08:28,007  
We're moving on your husband, Wendy.

108

00:08:28,465 --> 00:08:29,884  
With or without you.

109

00:08:29,967 --> 00:08:31,761  
I don't understand  
what you're talking about.

110  
00:08:31,844 --> 00:08:34,013  
The wave's about to crash on him.

111  
00:08:35,014 --> 00:08:36,641  
I'm throwing you a life raft.

112  
00:08:37,600 --> 00:08:38,434  
Take it.

113  
00:08:42,772 --> 00:08:46,025  
Maybe I'll go introduce myself  
to that Mexican man.

114  
00:08:46,108 --> 00:08:48,736  
Oh, you know, I really don't think  
that'd be in your best interest.

115  
00:08:49,445 --> 00:08:50,947  
-Mine?  
-'Cause you see,

116  
00:08:51,030 --> 00:08:56,243  
if we are who you say we are,  
and that man is who you suspect he is,

117  
00:08:56,327 --> 00:08:58,871  
then you alerting him to your identity  
as an FBI agent

118  
00:08:58,955 --> 00:09:01,498  
only serves to have my family killed.

119  
00:09:01,583 --> 00:09:02,959  
You'd lose your alleged witnesses,

120  
00:09:03,042 --> 00:09:05,461  
who you so desperately need  
for whatever it is you're after.

121  
00:09:05,545 --> 00:09:09,131  
And, you know, I bet that's why  
you tracked me down here at work...

122  
00:09:09,674 --> 00:09:11,968  
instead of approaching me at home,  
within his view.

123  
00:09:15,096 --> 00:09:16,556  
You have a very good day.

124  
00:09:35,700 --> 00:09:37,243  
Looks good, right?

125  
00:09:37,326 --> 00:09:38,244  
Morning.

126  
00:09:40,412 --> 00:09:41,956  
You know, I been thinking.

127  
00:09:42,957 --> 00:09:46,711  
There's a lot of good fishing spots  
in this country.

128  
00:09:47,879 --> 00:09:50,590  
Towns a lot better than this one.

129  
00:09:51,340 --> 00:09:52,967  
Rivers that really run.

130  
00:09:54,051 --> 00:09:56,428  
-Cleaner lakes, in places that are--  
-Hey, Russ.

131  
00:09:56,512 --> 00:09:59,556  
Places that... me and you could...

132  
00:09:59,641 --> 00:10:02,769  
That we could be. [sighs]

133  
00:10:04,270 --> 00:10:06,313  
There's this spot in Oregon.

134  
00:10:06,397 --> 00:10:08,149

I'm sure we could get an investor and--

135

00:10:08,232 --> 00:10:09,859  
Russ, stop.

136

00:10:11,110 --> 00:10:12,361  
I need you to hear something.

137

00:10:14,446 --> 00:10:15,489  
[recorder beeps]

138

00:10:15,572 --> 00:10:19,493  
[Petty] Promise me that you won't try  
to kill Martin Byrde again.

139

00:10:21,370 --> 00:10:23,706  
-[Russ mumbling]  
-I need the words.

140

00:10:24,415 --> 00:10:26,668  
-Why is--  
-Just listen.

141

00:10:27,752 --> 00:10:30,337  
[Russ] I won't try to kill  
Marty Byrde again.

142

00:10:31,505 --> 00:10:32,506  
[recorder beeps]

143

00:10:36,761 --> 00:10:37,887  
What is that?

144

00:10:38,721 --> 00:10:40,431  
Well, it amounts to a confession.

145

00:10:43,851 --> 00:10:45,186  
No, but why do you have it?

146

00:10:46,020 --> 00:10:46,937  
[sighs]

147  
00:10:52,902 --> 00:10:54,362  
I'm an FBI agent.

148  
00:10:56,155 --> 00:10:58,407  
And I have you  
on conspiracy to commit murder.

149  
00:11:32,483 --> 00:11:33,943  
What the fuck?

150  
00:11:39,031 --> 00:11:41,408  
Class B felony in Missouri  
is five to 15 years--

151  
00:11:41,492 --> 00:11:42,827  
Fuck you talking about?

152  
00:11:42,910 --> 00:11:44,453  
I don't want you to serve that.

153  
00:11:44,537 --> 00:11:47,832  
I've got a way you don't have to.  
I need Martin Byrde.

154  
00:11:47,998 --> 00:11:48,833  
[sighs]

155  
00:11:53,170 --> 00:11:54,171  
What?

156  
00:11:54,881 --> 00:11:58,300  
You help me get him,  
and they will cut you a deal.

157  
00:12:02,179 --> 00:12:04,891  
You understand what's happening right now?

158  
00:12:15,026 --> 00:12:16,235  
Russ.

159  
00:12:18,695 --> 00:12:21,115

-I don't know shit about Byrde.  
-Ruth does.

160  
00:12:21,908 --> 00:12:25,369  
Get something on Ruth that'll force her  
to turn State's against him.

161  
00:12:25,452 --> 00:12:27,121  
You've already got her for the dock.

162  
00:12:27,204 --> 00:12:28,915  
-I didn't see her rig it.  
-You saw it rigged.

163  
00:12:28,998 --> 00:12:30,457  
-It's not the same.  
-But she did it.

164  
00:12:30,541 --> 00:12:33,335  
-[stammers] She told me she did it.  
-That's hearsay.

165  
00:12:35,087 --> 00:12:36,923  
Without real evidence,  
I need a confession.

166  
00:12:38,257 --> 00:12:39,842  
I can't breathe.

167  
00:12:41,593 --> 00:12:43,595  
-Here. Here, here, here.  
-I can't fucking breathe.

168  
00:12:44,471 --> 00:12:45,514  
Just drink some water.

169  
00:12:46,473 --> 00:12:48,225  
Fuck you, you faggot fuck!

170  
00:12:50,561 --> 00:12:52,396  
-You fucking turned me!  
-I...

171  
00:12:52,479 --> 00:12:54,065  
You fucking turned me!

172  
00:12:56,317 --> 00:12:57,484  
[Russ grunting]

173  
00:13:00,988 --> 00:13:03,115  
[grunting] Get the fuck off me!

174  
00:13:03,532 --> 00:13:05,075  
-Stay down!  
-[grunting]

175  
00:13:05,576 --> 00:13:08,579  
[panting] You think I just happened to be  
right next to you

176  
00:13:08,662 --> 00:13:11,040  
when I needed somebody who knew the lake?  
Huh?

177  
00:13:11,916 --> 00:13:13,000  
I found you.

178  
00:13:13,625 --> 00:13:15,627  
'07, Jeff City.

179  
00:13:15,711 --> 00:13:19,090  
You were arrested for picking up  
a 19-year-old male prostitute.

180  
00:13:19,173 --> 00:13:21,258  
So, no. No, I did not fucking turn you.

181  
00:13:21,592 --> 00:13:22,802  
[sniffles]

182  
00:13:23,302 --> 00:13:24,887  
Now you work with me...

183  
00:13:25,471 --> 00:13:27,223

or everyone's gonna know about it.

184

00:13:27,598 --> 00:13:30,059  
[sobs quietly]

185

00:13:30,977 --> 00:13:32,603  
Now I'm gonna get up.

186

00:13:33,812 --> 00:13:37,316  
And when I do, I advise you to remember  
you're dealing with a federal agent.

187

00:13:41,778 --> 00:13:43,280  
[panting]

188

00:13:50,412 --> 00:13:51,580  
[sniffles]

189

00:13:58,337 --> 00:13:59,380  
Sign them.

190

00:14:01,883 --> 00:14:03,675  
Permission to bug your trailer.

191

00:14:09,806 --> 00:14:11,267  
[breathing heavily]

192

00:14:14,436 --> 00:14:16,022  
A garbage truck?

193

00:14:17,064 --> 00:14:21,068  
Yeah. She was taking the open house sign  
to the front of the yard.

194

00:14:21,152 --> 00:14:22,444  
Oh, my God.

195

00:14:24,113 --> 00:14:26,532  
-It's my fault. I picked a fight.  
-No.

196

00:14:26,615 --> 00:14:28,075  
Well, I did.

197  
00:14:29,160 --> 00:14:32,204  
It is, 'cause I was telling her  
about you and Marty,

198  
00:14:32,288 --> 00:14:35,041  
and how you two are married, and...

199  
00:14:35,124 --> 00:14:37,209  
just to mess with her and...  
[inhales deeply]

200  
00:14:37,293 --> 00:14:38,585  
...she was being mean.

201  
00:14:40,129 --> 00:14:41,589  
And childish. It was...

202  
00:14:42,256 --> 00:14:44,550  
-so stupid.  
-Oh, Sam.

203  
00:14:46,343 --> 00:14:47,844  
And I fired her.

204  
00:14:50,389 --> 00:14:52,266  
-You fired...  
-Yeah.

205  
00:14:54,101 --> 00:14:55,937  
Do not blame yourself.

206  
00:15:01,608 --> 00:15:05,029  
I'm never gonna be able to take out  
the garbage without thinking about her.

207  
00:15:10,492 --> 00:15:12,703  
Sam, should you go home?

208  
00:15:12,786 --> 00:15:15,206

[stammering] I mean, I can...  
I can cover things here.

209  
00:15:16,332 --> 00:15:17,333  
Yeah.

210  
00:15:18,875 --> 00:15:19,876  
Yeah, okay.

211  
00:15:19,961 --> 00:15:21,628  
Are you hungry? Have you eaten today?

212  
00:15:21,712 --> 00:15:24,340  
I can... I can go pick something.  
I can bring it by.

213  
00:15:24,423 --> 00:15:27,176  
Those cheese hash browns  
from the Pancake House.

214  
00:15:27,259 --> 00:15:28,886  
-You love those.  
-Uh...

215  
00:15:29,553 --> 00:15:33,140  
No, there actually...  
There's something, though, you could do.

216  
00:15:33,224 --> 00:15:34,308  
Anything.

217  
00:15:35,434 --> 00:15:37,811  
I'm gonna need  
some of that money back from Marty.

218  
00:15:40,272 --> 00:15:43,734  
Oh, I'm... I'm not sure that's advisable.  
Just financially, it's...

219  
00:15:44,526 --> 00:15:50,032  
[grunts] I mean, well, my mom  
had a lot of requests for her funeral.

220

00:15:51,075 --> 00:15:52,576  
Those are gonna add up.

221

00:15:55,371 --> 00:15:58,415  
Of course.  
I'll... I'll talk to Marty tonight.

222

00:16:00,167 --> 00:16:01,710  
-Thanks.  
-Mm-hmm.

223

00:16:05,006 --> 00:16:07,549  
You just let me back in  
until the end of the week.

224

00:16:07,633 --> 00:16:09,760  
You gotta be fucking kidding me.

225

00:16:09,843 --> 00:16:13,930  
Look, true or false? You have no idea  
what it is that I do or who I do it for.

226

00:16:14,015 --> 00:16:15,099  
-That is not the point.  
-Right?

227

00:16:15,182 --> 00:16:17,851  
You've never helped me and I will  
make sure you never would help me.

228

00:16:17,934 --> 00:16:20,646  
You never signed anything.  
You never even handed me a goddamn pen.

229

00:16:20,729 --> 00:16:22,064  
Which means there will be nothing

230

00:16:22,148 --> 00:16:25,442  
to implicate you  
in whatever it is that I do, okay?

231

00:16:25,526 --> 00:16:27,194

-Jesus, Marty.  
-[stammering] Even so,

232

00:16:27,277 --> 00:16:30,489  
I know that if the authorities caught me,  
if they busted me,

233

00:16:30,572 --> 00:16:32,700  
they would try everything  
to link you to me, right?

234

00:16:32,783 --> 00:16:35,536  
And it would be difficult for you  
to prove that you didn't conspire.

235

00:16:35,619 --> 00:16:39,540  
Unless, of course, I made it very easy  
for you to prove your innocence.

236

00:16:39,623 --> 00:16:40,749  
-What are you doing?  
-Your iPhone?

237

00:16:40,833 --> 00:16:43,293  
-Give me my phone.  
-Hold on. One second. This is almost over.

238

00:16:44,253 --> 00:16:45,212  
Rachel...

239

00:16:46,172 --> 00:16:48,507  
you let me back into the Blue Cat  
to finish my business,

240

00:16:48,590 --> 00:16:49,633  
or I'm gonna come for you.

241

00:16:51,427 --> 00:16:54,096  
You understand what I'm saying?  
I will kill you.

242

00:16:54,180 --> 00:16:56,098  
I will throw your body in the lake

243

00:16:56,182 --> 00:16:58,975  
and no one will find you.  
No one will know.

244

00:16:59,060 --> 00:17:00,311  
[cell phone beeps]

245

00:17:01,020 --> 00:17:03,230  
Okay. I get caught,  
that's all you'll need.

246

00:17:11,405 --> 00:17:12,322  
Come on.

247

00:17:13,324 --> 00:17:15,492  
I miss this deadline,  
the whole family dies.

248

00:17:19,496 --> 00:17:20,914  
Just till the end of the week.

249

00:17:23,417 --> 00:17:25,211  
-And that's it?  
-Yeah.

250

00:17:39,100 --> 00:17:40,267  
[Russ] Hey.

251

00:17:41,017 --> 00:17:42,269  
Bury the hatchet?

252

00:18:04,333 --> 00:18:05,834  
[sighs]

253

00:18:13,759 --> 00:18:16,220  
Thanks for not telling your dad  
about the other day.

254

00:18:17,888 --> 00:18:19,515  
Guess I was jealous.

255  
00:18:20,891 --> 00:18:21,892  
Why?

256  
00:18:24,186 --> 00:18:26,105  
You've been getting so close  
to Byrde lately,

257  
00:18:26,188 --> 00:18:29,233  
it seems like you're more interested  
in laundering for the Mexicans

258  
00:18:29,316 --> 00:18:30,734  
than helping your kin.

259  
00:18:32,528 --> 00:18:34,530  
I told you that wasn't the case.

260  
00:18:37,824 --> 00:18:39,368  
You still want to kill him?

261  
00:18:43,164 --> 00:18:44,498  
[inhales deeply]

262  
00:18:44,581 --> 00:18:45,999  
[exhales, chuckles]

263  
00:18:47,668 --> 00:18:49,420  
Jesus, Russ.

264  
00:18:51,255 --> 00:18:54,216  
-Can't you talk about anything else?  
-I'm... I'm just saying.

265  
00:18:54,300 --> 00:18:56,885  
You tried once. It didn't work.

266  
00:18:57,886 --> 00:18:59,346  
You gonna try again?

267  
00:18:59,430 --> 00:19:00,972  
I have shit to fold.

268  
00:19:07,103 --> 00:19:08,104  
[door opens]

269  
00:19:12,025 --> 00:19:13,194  
[door closes]

270  
00:19:15,196 --> 00:19:16,447  
[knocking on door]

271  
00:19:18,031 --> 00:19:20,284  
You fucking happy?  
I did what you asked.

272  
00:19:21,785 --> 00:19:22,786  
Who the fuck is this?

273  
00:19:24,246 --> 00:19:26,748  
Russ, this is Agent Evans, your handler.

274  
00:19:26,832 --> 00:19:29,168  
He'll be taking over all FBI interaction  
from here on out.

275  
00:19:29,751 --> 00:19:31,920  
-Handler?  
-You can reach me at this number.

276  
00:19:32,713 --> 00:19:34,673  
What the fuck you talking about?

277  
00:19:34,756 --> 00:19:37,301  
I'm done. I did it.  
You heard Ruth. She admitted it.

278  
00:19:37,384 --> 00:19:39,345  
Actually, you talked  
and she pretty much listened.

279  
00:19:39,928 --> 00:19:42,931  
Nothing she said today  
was explicitly incriminating.

280  
00:19:43,890 --> 00:19:47,561  
We need specifics. Her plan to kill Marty,  
her role in the laundering process.

281  
00:19:47,644 --> 00:19:48,729  
I'm not talking to you.

282  
00:19:48,812 --> 00:19:50,564  
You're only talking to him from now on.

283  
00:19:50,647 --> 00:19:52,148  
Man, fuck you!

284  
00:19:55,694 --> 00:19:56,987  
Go back.

285  
00:19:57,863 --> 00:19:58,947  
Do it again.

286  
00:20:15,046 --> 00:20:18,384  
[Evans] Jesus, fuck. You idiot.

287  
00:20:18,717 --> 00:20:19,551  
What?

288  
00:20:20,302 --> 00:20:21,720  
Tell me you didn't.

289  
00:20:23,472 --> 00:20:24,681  
I got it done.

290  
00:20:25,932 --> 00:20:27,226  
You're a fucking animal.

291  
00:20:45,827 --> 00:20:47,913  
I don't trust her. I don't trust Rachel.

292  
00:20:48,580 --> 00:20:49,665  
We're gonna have to.

293

00:20:49,748 --> 00:20:52,000  
If Evans gets to her, she'll fold.

294

00:20:53,084 --> 00:20:56,129  
Look, if I don't transfer the last  
of the \$8 million today,

295

00:20:56,212 --> 00:20:58,632  
we're all gonna be swinging  
from a bridge, all right?

296

00:20:58,715 --> 00:21:00,592  
And that's including the money

297

00:21:00,676 --> 00:21:03,262  
that I already cleaned out  
of Eugenia's account.

298

00:21:03,345 --> 00:21:05,597  
God knows what happens  
if Sam keeps asking for it.

299

00:21:05,681 --> 00:21:07,724  
-Just roll it forward.  
-I got it. I know. I got it.

300

00:21:07,808 --> 00:21:10,852  
So, once the crew finishes  
with the air ducts,

301

00:21:10,936 --> 00:21:13,647  
they're gonna lay the new carpet,  
they'll replace the kitchenettes,

302

00:21:13,730 --> 00:21:16,358  
then we'll be out of Rachel's hair.  
Don't have to worry about it.

303

00:21:16,442 --> 00:21:18,485  
No, we're gonna need this place  
when Del sends more.

304

00:21:18,569 --> 00:21:19,570  
[Marty grunts]

305  
00:21:20,279 --> 00:21:21,738  
We'll find new businesses.

306  
00:21:21,822 --> 00:21:24,450  
Jesus fucking Christ. It just never ends.

307  
00:21:27,869 --> 00:21:29,120  
Don't know what you want me to say.

308  
00:21:29,204 --> 00:21:30,956  
I'm worried about the \$8 million today.

309  
00:21:31,039 --> 00:21:33,625  
I haven't gone on to worry  
about the fact that

310  
00:21:33,709 --> 00:21:35,961  
the prize for saving our fucking lives

311  
00:21:36,044 --> 00:21:38,213  
is just to do it all over again,  
only ten times bigger.

312  
00:21:38,964 --> 00:21:40,341  
Do you wanna talk about our fight?

313  
00:21:41,633 --> 00:21:43,635  
Nope. You do, though, huh?

314  
00:21:44,261 --> 00:21:45,095  
No.

315  
00:21:45,762 --> 00:21:48,974  
I said everything I need to say.  
I just wonder if you heard me.

316  
00:21:49,057 --> 00:21:50,351  
I heard you.

317  
00:21:51,560 --> 00:21:53,770  
-Did you hear me?  
-Yes, actually.

318  
00:21:54,563 --> 00:21:55,564  
Good.

319  
00:21:58,984 --> 00:22:01,487  
If we weren't stuck,  
would we still be together?

320  
00:22:15,542 --> 00:22:16,585  
I don't know.

321  
00:22:21,382 --> 00:22:23,425  
Thank you for not taking that FBI deal.

322  
00:22:24,885 --> 00:22:27,596  
Honestly... Please.

323  
00:22:27,679 --> 00:22:28,680  
[Sam] Hey, Wendy?

324  
00:22:28,764 --> 00:22:31,099  
-I mean, what the fuck do they have on us?  
-Oh, shit.

325  
00:22:32,434 --> 00:22:33,727  
Sam.

326  
00:22:35,396 --> 00:22:37,147  
Well, that's all we need.

327  
00:22:40,484 --> 00:22:41,693  
[Sam] Hey, Wendy?

328  
00:22:43,987 --> 00:22:45,989  
-Sam, hi.  
-Hey.

329  
00:22:47,032 --> 00:22:49,367

-So, I just-- Hey, Marty.  
-Hey, Sam. Hi, buddy.

330  
00:22:49,451 --> 00:22:51,327  
Look, I'm...  
I'm sorry to bother you but, uh,

331  
00:22:51,412 --> 00:22:55,331  
I did a little more thinking last night  
about my mother's funeral request

332  
00:22:55,416 --> 00:22:58,293  
and I definitely think  
I'm gonna need that money.

333  
00:22:58,376 --> 00:23:01,630  
Buddy, I'm really, really sorry  
to hear about Eugenia.

334  
00:23:01,713 --> 00:23:04,132  
-Your mother was a real fine woman.  
-Thank you.

335  
00:23:04,216 --> 00:23:05,759  
Yeah. Listen, uh...

336  
00:23:06,760 --> 00:23:08,303  
we understand that you... [stammering]

337  
00:23:08,386 --> 00:23:10,681  
...you want to give her  
the kind of send-off she deserves,

338  
00:23:10,764 --> 00:23:13,517  
but, you know,  
as your new financial planner,

339  
00:23:13,600 --> 00:23:15,185  
I got... I gotta advise you that...

340  
00:23:15,268 --> 00:23:19,355  
that oftentimes there are penalties  
for early withdrawal of funds

341

00:23:19,440 --> 00:23:21,316  
and it can get very, very expensive.

342

00:23:22,108 --> 00:23:25,779  
Right, but I've got to do it,  
though, so, I mean...

343

00:23:25,862 --> 00:23:28,114  
You know, and also the market took  
a big dip last week.

344

00:23:28,198 --> 00:23:29,407  
I don't know if you knew that.

345

00:23:29,491 --> 00:23:30,867  
-Um, I just...  
-Okay.

346

00:23:30,951 --> 00:23:33,244  
Any way you can pay for the funeral  
with other savings?

347

00:23:34,245 --> 00:23:37,749  
Well, it's really not any of your business  
how I pay for the funeral, Marty.

348

00:23:37,833 --> 00:23:40,168  
No, no, I know. I know. Um...

349

00:23:40,251 --> 00:23:41,503  
I mean, my mother's gone.

350

00:23:41,587 --> 00:23:43,338  
Yeah. No, I get it.  
I just think it's not--

351

00:23:43,421 --> 00:23:46,967  
Okay, so just give me my fucking money.  
Please.

352

00:23:47,551 --> 00:23:50,011

Oh, Sam. Sam, we're just trying to help.

353

00:23:50,095 --> 00:23:51,972

Look, do I... Do I have to get a lawyer?

354

00:23:52,055 --> 00:23:54,766

No, no, no. Listen. Let's... Sorry.  
[stammers] Let's back up here.

355

00:23:54,850 --> 00:23:57,268

-I mean, it's my mother. So, I don't...  
-I understand.

356

00:23:57,352 --> 00:23:58,479

So, I mean, I don't...

357

00:23:58,562 --> 00:24:01,147

I don't care if the penalties  
are gonna be 50 fucking percent.

358

00:24:01,231 --> 00:24:02,273

I got an idea.

359

00:24:03,316 --> 00:24:05,777

How about we cover the cost  
of the funeral?

360

00:24:07,278 --> 00:24:08,655

No interest loan.

361

00:24:08,739 --> 00:24:11,617

You can pay us back out of the fund  
after we're done with the penalty phase.

362

00:24:11,700 --> 00:24:13,785

That way you don't lose  
any additional money.

363

00:24:13,869 --> 00:24:15,787

-It's a great idea.  
-Yeah.

364

00:24:15,871 --> 00:24:18,081  
-So... So, you'll pay for it?  
-Absolutely.

365  
00:24:18,164 --> 00:24:20,291  
This is an awful time for you.  
I can't imagine.

366  
00:24:20,375 --> 00:24:23,504  
I don't want to make it worse  
by you losing money and...

367  
00:24:23,587 --> 00:24:24,671  
-Yeah.  
-Yeah.

368  
00:24:24,755 --> 00:24:26,256  
Let us do this. We want to help.

369  
00:24:26,965 --> 00:24:29,885  
Wow, that's, uh... Look, I'm...

370  
00:24:29,968 --> 00:24:32,971  
-I'm sorry for showing up like...  
-[Wendy] Oh, please.

371  
00:24:33,680 --> 00:24:34,681  
[sighs]

372  
00:24:35,599 --> 00:24:38,393  
Wendy can go with you to the funeral home  
and help with the billing.

373  
00:24:38,476 --> 00:24:41,146  
-What do you think? I got this.  
-Yeah, sure.

374  
00:24:41,229 --> 00:24:44,816  
[stammers] I need to go clean up  
a little bit, but, uh, I'll go.

375  
00:24:44,900 --> 00:24:47,736  
-Okay. Yeah, sure.

-This is better.

376

00:24:48,278 --> 00:24:50,989  
-Cool. Well, I'll be in the car.  
-Okay.

377

00:24:52,073 --> 00:24:54,159  
-Thanks. Really appreciate it.  
-Yep.

378

00:25:02,208 --> 00:25:04,586  
-How we gonna pay for this?  
-I'll call the bank.

379

00:25:04,670 --> 00:25:07,923  
I'll get a credit increase.  
Funerals are what? Ten grand?

380

00:25:15,972 --> 00:25:19,100  
[Wendy] I'm... I'm sorry,  
what is it she wants?

381

00:25:19,184 --> 00:25:22,646  
It's extreme embalming.  
Uh, it started in Puerto Rico.

382

00:25:23,271 --> 00:25:27,483  
It's a celebration of their life,  
a way to show them at their best.

383

00:25:27,568 --> 00:25:29,444  
Mom saw it on Good Morning America.

384

00:25:30,987 --> 00:25:33,198  
-\$12,000?  
-Yeah.

385

00:25:34,783 --> 00:25:36,868  
I understand she staged homes  
for a living.

386

00:25:38,411 --> 00:25:39,454  
Loved it.

387

00:25:39,955 --> 00:25:41,957  
Well, if you would like her  
hanging a piece of art,

388

00:25:42,040 --> 00:25:44,084  
that would be quite beautiful, I think.

389

00:25:44,167 --> 00:25:46,544  
-[Sam] Oh.  
-There would be an extra charge, though.

390

00:25:47,128 --> 00:25:48,630  
-And why is that?  
-Oh.

391

00:25:49,130 --> 00:25:51,675  
My engineers would have to figure out

392

00:25:51,758 --> 00:25:55,345  
how to suspend the painting in a way  
that won't topple the corpse.

393

00:25:55,428 --> 00:25:57,055  
Probably a ceiling mount.

394

00:25:58,473 --> 00:25:59,975  
[Sam] Oh, yeah. That'll do it.

395

00:26:00,976 --> 00:26:03,394  
I also worked up a rough estimate  
of the other items

396

00:26:03,478 --> 00:26:05,230  
we spoke about on the phone.

397

00:26:06,106 --> 00:26:09,067  
The full buffet.  
Did you decide on a head count?

398

00:26:09,776 --> 00:26:12,570  
-Between 100 and 150.

-That many?

399

00:26:13,238 --> 00:26:16,658  
Yacht club, bridge club, Rotary.

400

00:26:16,742 --> 00:26:19,202  
Hundred and fifty, to be safe.

401

00:26:19,285 --> 00:26:21,162  
[whispers] Sam, this is a lot.

402

00:26:21,871 --> 00:26:25,250  
Well, she always swore that she'd throw  
a funeral better than her wedding.

403

00:26:25,792 --> 00:26:27,711  
Stick it to my father. [chuckles]

404

00:26:28,336 --> 00:26:29,504  
So Mom, isn't it?

405

00:26:31,464 --> 00:26:38,221  
Our compression services for the carat  
she requested runs \$19,900, pre-tax.

406

00:26:38,304 --> 00:26:41,391  
And I brought some of these diamonds here  
to show you.

407

00:26:41,474 --> 00:26:45,561  
[stammering] Well, I'm sorry.  
I'm a little behind here. What are these?

408

00:26:46,688 --> 00:26:50,108  
Compression preserves our loved ones  
and keeps them with us.

409

00:26:50,191 --> 00:26:51,693  
We cremate the body,

410

00:26:51,777 --> 00:26:56,406  
then use heat compression to convert

the ashes into a diamond like these.

411

00:26:56,990 --> 00:27:01,161  
Yeah, Mom wanted me to have it in case  
I met somebody and decide to propose.

412

00:27:01,244 --> 00:27:02,663  
Hmm.

413

00:27:03,329 --> 00:27:04,372  
-Hey, Sam?  
-Yeah?

414

00:27:04,455 --> 00:27:08,376  
Will you excuse us for a minute and just  
let me talk to Harry here about pricing?

415

00:27:10,337 --> 00:27:12,589  
-Yeah, sure. Okay.  
-Okay.

416

00:27:13,882 --> 00:27:15,300  
-[Sam] Thanks.  
-Yeah.

417

00:27:21,056 --> 00:27:22,724  
-[clears throat]  
-Harry...

418

00:27:23,892 --> 00:27:26,812  
it seems to me that  
some of this pricing just isn't accurate.

419

00:27:27,312 --> 00:27:28,229  
It is.

420

00:27:29,647 --> 00:27:32,400  
Well, but surely there's some room  
for negotiation?

421

00:27:32,483 --> 00:27:33,526  
Not really.

422

00:27:36,863 --> 00:27:38,156  
What's the total?

423

00:27:38,740 --> 00:27:44,037  
Pre-tax, it's \$49,950 with the headstone.

424

00:27:44,120 --> 00:27:46,331  
What do you need a headstone for?  
She's a ring.

425

00:27:47,665 --> 00:27:48,834  
Visitation.

426

00:27:49,584 --> 00:27:51,002  
Visitation.

427

00:27:52,713 --> 00:27:53,922  
Of course.

428

00:27:54,923 --> 00:27:56,341  
[chuckles] Of course.

429

00:27:59,845 --> 00:28:01,304  
Hey, Harry?

430

00:28:02,472 --> 00:28:05,433  
-Do you have a business partner?  
-Just me.

431

00:28:05,516 --> 00:28:07,227  
God, that's gotta be hard.

432

00:28:08,519 --> 00:28:12,107  
'Cause I was noticing that your...  
your roof needs to be replaced.

433

00:28:12,190 --> 00:28:15,819  
And the... the floor in the lobby  
and the wooden banister need refinishing.

434

00:28:15,902 --> 00:28:19,655

And you know, it was amazing  
how, when we called,

435

00:28:19,740 --> 00:28:21,616  
you were able to see us immediately.

436

00:28:21,699 --> 00:28:23,618  
You didn't have any appointments  
to reschedule.

437

00:28:23,702 --> 00:28:25,537  
You don't even have a receptionist.

438

00:28:26,079 --> 00:28:27,831  
Now, maybe that's because  
you don't need one,

439

00:28:27,914 --> 00:28:29,750  
but I suspect it's because...

440

00:28:32,878 --> 00:28:34,545  
you can't afford one.

441

00:28:36,672 --> 00:28:38,341  
You're struggling.

442

00:28:39,634 --> 00:28:43,388  
And it seems to me...  
you're trying to solve that problem

443

00:28:43,471 --> 00:28:46,725  
by upselling and overcharging  
a man in grief...

444

00:28:48,226 --> 00:28:49,685  
who is my friend.

445

00:28:54,733 --> 00:28:55,734  
So...

446

00:28:58,820 --> 00:29:00,613  
what if I had an alternate solution?

447  
00:29:04,534 --> 00:29:07,703  
-[Charlotte] Yes! I told you.  
-[Jonah] Come on!

448  
00:29:12,583 --> 00:29:15,586  
Hey. There's no hit man out front.

449  
00:29:17,547 --> 00:29:19,465  
I transferred the last of the eight.

450  
00:29:22,552 --> 00:29:24,888  
-We're done?  
-For now.

451  
00:29:25,847 --> 00:29:27,598  
-Yeah.  
-[Wendy chuckles]

452  
00:29:29,267 --> 00:29:31,519  
-We did it.  
-[chuckles softly]

453  
00:29:32,896 --> 00:29:34,355  
I want one of those.

454  
00:29:34,981 --> 00:29:36,191  
Wendy.

455  
00:29:51,581 --> 00:29:52,791  
Cheers.

456  
00:30:01,800 --> 00:30:03,718  
How'd that Sam thing go?

457  
00:30:03,802 --> 00:30:05,846  
We own a funeral home now. [sighs]

458  
00:30:09,724 --> 00:30:11,226  
-[Wendy laughs]  
-[chuckles]

459  
00:30:13,519 --> 00:30:14,938  
Of course we do.

460  
00:30:16,731 --> 00:30:17,816  
[Ruth] Gotta kill those fuckers.

461  
00:30:17,899 --> 00:30:19,442  
-[Boyd] I know.  
-What are you doing?

462  
00:30:19,525 --> 00:30:21,236  
-This controller's shit.  
-You're shit.

463  
00:30:21,319 --> 00:30:23,029  
-[Boyd] You're shit.  
-'Sup?

464  
00:30:23,113 --> 00:30:25,323  
[Boyd exclaims] So embarrassing.

465  
00:30:25,866 --> 00:30:27,909  
My go. Ruth, you and me?

466  
00:30:27,993 --> 00:30:31,412  
-[Russ] Wyatt, you guys and Boyd go...  
-[TV turns off]

467  
00:30:31,496 --> 00:30:33,414  
...down to the Steak 'n Shake  
and get some dinner.

468  
00:30:33,498 --> 00:30:34,916  
-[Three] All right.  
-Whoo!

469  
00:30:36,251 --> 00:30:38,794  
-You want a triple?  
-Uh, yeah. I'll take a triple.

470  
00:30:39,587 --> 00:30:41,339  
Chili cheese fries.

471  
00:30:41,506 --> 00:30:43,842  
[Three]  
You know that Dumpster in the back...

472  
00:30:43,925 --> 00:30:47,470  
Ruth... wait a second.

473  
00:30:51,975 --> 00:30:54,060  
Look, I need to know  
what the plan is with Byrde.

474  
00:30:54,561 --> 00:30:55,603  
Dude, what's your deal?

475  
00:30:55,686 --> 00:30:59,399  
My deal is I wanna stop wiping  
other people's asses, finally.

476  
00:31:00,400 --> 00:31:03,528  
And Wyatt, Wy's smart, you know.  
He could go to college.

477  
00:31:03,611 --> 00:31:05,363  
You want him saddled with that debt?

478  
00:31:05,446 --> 00:31:07,823  
You know, you barely care  
if he goes to high school.

479  
00:31:07,908 --> 00:31:10,160  
He can miss a few days  
with that brain of his.

480  
00:31:11,577 --> 00:31:14,205  
If you want that cash so bad, you do it.

481  
00:31:14,289 --> 00:31:17,375  
But you... you were the one  
who learned to clean it.

482  
00:31:17,458 --> 00:31:19,044

That was the whole plan.

483

00:31:20,378 --> 00:31:21,880

-Get outta my way.

-No.

484

00:31:24,424 --> 00:31:26,968

Just say you'll try it again.

485

00:31:27,052 --> 00:31:28,219

You're acting fucking weird.

486

00:31:28,303 --> 00:31:30,763

Just want to make sure  
you're holding up your end.

487

00:31:31,431 --> 00:31:33,558

Kill Marty Byrde and get his money.

488

00:31:43,902 --> 00:31:45,320

[chuckles]

489

00:31:47,530 --> 00:31:50,325

I never wanted to kill Marty Byrde.

490

00:31:52,035 --> 00:31:53,786

That was your idea.

491

00:31:58,874 --> 00:32:03,379

And, frankly, I don't know  
why you want to kill him so badly.

492

00:32:03,463 --> 00:32:07,968

He's a good guy and a great businessman.

493

00:32:08,759 --> 00:32:11,846

And since I'd very much like  
to keep my job,

494

00:32:11,930 --> 00:32:14,849

how about you kindly  
get the fuck out of my way?

495  
00:32:29,780 --> 00:32:31,074  
[sighs]

496  
00:32:32,575 --> 00:32:34,202  
[cell phone buzzing]

497  
00:32:40,916 --> 00:32:42,335  
[Russ grunts]

498  
00:32:44,879 --> 00:32:46,631  
-What?  
-[Petty] She's onto you.

499  
00:32:46,714 --> 00:32:49,884  
No, she's not. She's just a...  
She's just a bitch.

500  
00:32:49,968 --> 00:32:52,345  
Fucking plays head games  
with everyone about everything.

501  
00:32:52,971 --> 00:32:56,016  
Doesn't mean shit. I... I can do this.

502  
00:33:04,857 --> 00:33:08,069  
Try again, but don't push so damn hard.  
You'll blow it.

503  
00:33:13,241 --> 00:33:15,035  
[Russ] Can I talk to you, Boyd?

504  
00:33:15,118 --> 00:33:16,995  
-Thought you wanted food.  
-They can go alone.

505  
00:33:17,078 --> 00:33:19,330  
Wyatt, take my truck. Keys are in it.

506  
00:33:19,414 --> 00:33:20,748  
Get over here, Boyd.

507

00:33:21,541 --> 00:33:24,377  
-Where the fuck we going?  
-Shut up and get over here.

508

00:33:28,548 --> 00:33:30,216  
[mutters] Oh, God...

509

00:33:34,929 --> 00:33:35,971  
[truck engine starts]

510

00:33:36,889 --> 00:33:38,308  
I'm killing him tomorrow.

511

00:33:39,642 --> 00:33:40,768  
What?

512

00:33:40,851 --> 00:33:42,603  
Marty. Gonna get his money.

513

00:33:43,979 --> 00:33:46,191  
-The fuck you talking about?  
-I'm leaving town.

514

00:33:46,274 --> 00:33:47,608  
I'll get you your half, okay?

515

00:33:47,692 --> 00:33:50,445  
Leaving? Wait, I thought  
Ruth was taking care of him.

516

00:33:50,528 --> 00:33:53,323  
No, Ruth ain't doing shit.  
She's fucking stalling.

517

00:33:56,742 --> 00:33:58,244  
Russ, what's going on?

518

00:34:00,038 --> 00:34:03,208  
Why are we standing out here  
in the woods right now?

519

00:34:07,378 --> 00:34:08,713  
I fucked up.

520  
00:34:10,423 --> 00:34:12,925  
There's feds. They're in town.

521  
00:34:13,008 --> 00:34:14,719  
-Feds?  
-FBI.

522  
00:34:14,802 --> 00:34:17,555  
-Somehow been watching me. They got me.  
-What are you talking about?

523  
00:34:17,638 --> 00:34:20,058  
They got me on conspiracy to...  
to murder Byrde.

524  
00:34:20,141 --> 00:34:21,809  
-What the... How the fuck?  
-Yeah. Yeah.

525  
00:34:21,892 --> 00:34:24,979  
[stammering] They had somebody...  
They had somebody undercover.

526  
00:34:28,983 --> 00:34:30,235  
That fisherman?

527  
00:34:36,616 --> 00:34:39,369  
They'd cut me loose  
if I could help them get Ruth.

528  
00:34:39,452 --> 00:34:41,121  
-Ruth?  
-Yeah.

529  
00:34:41,204 --> 00:34:43,206  
I mean, they really want Byrde, but...

530  
00:34:43,289 --> 00:34:46,459  
[stammers] Or Byrde's boss,  
or his boss' boss...

531

00:34:46,542 --> 00:34:48,086  
I don't fucking know.

532

00:34:48,878 --> 00:34:50,421  
But first, Ruth.

533

00:34:50,505 --> 00:34:52,257  
And then they get her to do

534

00:34:52,340 --> 00:34:54,259  
what they're doing with me,  
except with Marty.

535

00:34:54,925 --> 00:34:57,345  
-They'd cut her a deal?  
-If she helped 'em.

536

00:34:58,596 --> 00:35:00,181  
-Well, then do it.  
-No. It--

537

00:35:00,265 --> 00:35:03,684  
-You gotta do it, Russ. Yes!  
-It... No. No, I can't-- No, she knows.

538

00:35:03,768 --> 00:35:05,103  
She fucking knows.

539

00:35:06,771 --> 00:35:09,399  
I tried to get her to incriminate  
and she figured it out.

540

00:35:09,482 --> 00:35:12,485  
[stammers] You remember that shit  
Cade would do

541

00:35:12,568 --> 00:35:14,362  
when he knew  
you was lying about something?

542

00:35:16,071 --> 00:35:18,032
