280
00:23:11,432 --> 00:23:12,433
Wendy?

281
00:23:17,145 --> 00:23:20,065
-Hey!
-Safe. Safe. They're on the road.

282
00:23:20,148 --> 00:23:21,692
[coughing]

283
00:23:26,154 --> 00:23:27,238
[sighs]

284
00:23:30,909 --> 00:23:32,911
-What now?
-[sighs]

285
00:23:34,746 --> 00:23:36,123
Wait for dark.

286
00:23:51,513 --> 00:23:53,431
[lift trolley whirring]

287
00:24:04,192 --> 00:24:07,821
[Buddy] Oh, Christ on a bike.
You don't know how to work it.

288
00:24:08,572 --> 00:24:13,201
Oh, good. Right, call a friend. [chuckles]
That won't send up any red flags.

289
00:24:13,910 --> 00:24:16,162
It's just... It's a YouTube...

290
00:24:16,246 --> 00:24:18,165
[man on video]
A single crematorium furnace

291
00:24:18,248 --> 00:24:22,210
generates temperatures between
1,600 and 2,000 degrees Fahrenheit.

292

00:24:22,293 --> 00:24:24,796
You were the one who said
you owned a funeral home.

293

00:24:24,880 --> 00:24:28,008
Yeah, because you didn't trust
dumping a body in the lake.

294

00:24:28,091 --> 00:24:32,137
Well, even if you puncture the lungs, they
still got a tendency to float up on you.

295

00:24:32,929 --> 00:24:34,640
-Is that right?
-Uh-huh.

296

00:24:35,265 --> 00:24:37,475
Soft tissue is vaporized, while bones...

297

00:24:37,559 --> 00:24:43,273
You given any thought to what you want
when you, uh... you know?

298

00:24:43,690 --> 00:24:45,984
Yeah. I wanna be buried, no casket.

299

00:24:46,943 --> 00:24:48,945
Let the worms get at my body.

300

00:24:50,196 --> 00:24:52,658
They'll break it down,
give back to the earth.

301

00:24:53,867 --> 00:24:58,288
You know, feed the flowers, the trees...

302

00:25:00,665 --> 00:25:01,500
Really?

303

00:25:02,584 --> 00:25:03,919
No, not really.

304

00:25:04,920 --> 00:25:06,421
What are you, soft in the head?

305

00:25:07,548 --> 00:25:09,966
Nobody wants to be eaten by goddamn worms.

306

00:25:10,050 --> 00:25:10,926
Right.

307

00:25:11,927 --> 00:25:13,804
[cell phone ringing]

308

00:25:18,934 --> 00:25:21,477
That's probably my boss calling,
looking for an update.

309

00:25:22,437 --> 00:25:24,773
I'm guessing he'd be displeased.

310

00:25:25,482 --> 00:25:29,277
Yeah. You know, by shooting him,
you basically signed my death warrant.

311

00:25:31,362 --> 00:25:34,616
Well, remind me.
Next time, I'll let him kill your family.

312

00:25:35,576 --> 00:25:38,078
Um, let's just shove him in there.

313

00:25:38,161 --> 00:25:40,413
I'll turn this fucker up
as hot as it goes, okay?

314

00:25:43,041 --> 00:25:45,210
-[furnace whirring]
-[Buddy grunting]

315

00:25:50,716 --> 00:25:52,050
[coughing]

316
00:25:53,218 --> 00:25:54,845
-You all right?
-Yeah. [coughing]

317
00:25:56,429 --> 00:25:58,348
-You ready?
-Ready.

318
00:25:59,557 --> 00:26:01,226
[furnace igniting]

319
00:26:28,629 --> 00:26:30,463
[cell phone buzzing]

320
00:26:36,261 --> 00:26:37,303
Where are you?

321
00:26:37,387 --> 00:26:39,139
[Marty] I'm home now. New plan.

322
00:26:39,222 --> 00:26:43,351
There's a, uh, athletic field off of I-80.

323
00:26:43,434 --> 00:26:46,354
Exit 112 near, uh... Morris, Illinois.

324
00:26:46,437 --> 00:26:49,607
I need you to be there with the kids
at 2:00 p.m. Can you do that?

325
00:26:53,403 --> 00:26:56,072
-Wendy?
-Yeah. Yeah. Yeah.

326
00:26:56,156 --> 00:26:57,407
Say it back to me.

327
00:26:59,075 --> 00:27:03,329
I-80. Exit 112. Morris, Illinois. 2:00.

328
00:27:04,497 --> 00:27:05,581

We'll see you there.

329

00:27:08,960 --> 00:27:10,879
[sighs] I love you.

330

00:27:43,494 --> 00:27:44,788
[Rachel] Can I help you?

331

00:27:48,083 --> 00:27:49,960
How exactly did it happen?

332

00:27:52,212 --> 00:27:53,504
[Rachel] Just a freak accident.

333

00:27:54,589 --> 00:27:57,633
Boat must've pulled the wiring loose.
AC current leaked into the water.

334

00:28:05,350 --> 00:28:07,602
Are you the one who wired the dock?

335

00:28:09,354 --> 00:28:11,272
Uh, no, it was one of my workers.

336

00:28:14,484 --> 00:28:16,111
Someone you hired? Or...

337

00:28:18,154 --> 00:28:19,447
did Marty Byrde?

338

00:28:22,325 --> 00:28:23,785
Why would you ask that?

339

00:28:25,703 --> 00:28:28,832
Well, he's an investor here, right?

340

00:28:31,292 --> 00:28:34,045
Body washed up on his dock
at home, I heard.

341

00:28:36,840 --> 00:28:37,924

People talk.

342

00:28:38,884 --> 00:28:41,386

I'm sorry, you have
some kind of special interest in this?

343

00:28:41,469 --> 00:28:43,889

Russ Langmore was my fishing guide.

344

00:28:46,141 --> 00:28:47,475

He was my friend.

345

00:28:50,436 --> 00:28:53,148

If you thought there was
something strange going on...

346

00:28:56,359 --> 00:28:58,236

I'm sure there's people you could talk to.

347

00:29:10,749 --> 00:29:12,083

I gotta get back to work.

348

00:29:19,925 --> 00:29:22,844

[clerk] Let's see. Heron Mills Estates...

349

00:29:22,928 --> 00:29:25,305

Heron Mills. Heron...

350

00:29:25,388 --> 00:29:29,350

Here we go. You should've just said.
That's Snell property.

351

00:29:29,893 --> 00:29:30,977

Yeah? Is that right?

352

00:29:31,061 --> 00:29:34,314

Nice people.

I buy their honey at the farmers' market.

353

00:29:34,397 --> 00:29:35,606

Uh, you know, if you've got it,

354

00:29:35,690 --> 00:29:38,568
I'd love to see maps that connect
this area with the Missouri River.

355

00:29:38,651 --> 00:29:40,320
So I guess as far up as Jefferson City.

356

00:29:41,029 --> 00:29:44,950
Of course I got 'em.
The question is, why am I getting 'em?

357

00:29:45,616 --> 00:29:49,412
Uh, why? Uh, my, uh...
My son's doing a research project.

358

00:29:49,495 --> 00:29:53,583
With, you know, connecting local rivers
and how it affects global warming.

359

00:29:53,666 --> 00:29:56,336
-[scoffs]
-Right. Oh, I know.

360

00:29:57,128 --> 00:30:00,966
Missouri River is 2,500 miles long,

361

00:30:01,049 --> 00:30:05,094
and you can still float an oil barge
all the way on it if you got a notion.

362

00:30:05,178 --> 00:30:09,140
[Marty] Okay. And so that...
Okay. That's Snell's there. Yeah?

363

00:30:10,892 --> 00:30:15,021
Great. And you're sure
all of this is Snell property, right?

364

00:30:15,105 --> 00:30:18,024
Oh, it goes a heck of a ways
further than that.

365

00:30:18,108 --> 00:30:19,234
I'll get another map.

366
00:31:21,671 --> 00:31:22,672
[Rachel] Uh...

367
00:31:23,506 --> 00:31:25,008
Sorry, we're closed.

368
00:31:29,637 --> 00:31:31,389
I'm looking for Marty Byrde.

369
00:31:33,183 --> 00:31:34,600
Well, he's not here.

370
00:31:37,437 --> 00:31:38,688
Are you cold?

371
00:31:39,314 --> 00:31:40,481
You're shaking.

372
00:31:42,525 --> 00:31:47,197
Oh. Yeah, we had an accident
on the dock a couple nights ago,

373
00:31:47,280 --> 00:31:51,284
and two men died,
so I'm just a little upset. [chuckles]

374
00:31:57,457 --> 00:31:59,709
Anyway, um, you know,
we'll be open in a couple hours,

375
00:31:59,792 --> 00:32:02,170
if you wanna stop by then.

376
00:32:02,253 --> 00:32:03,922
I'll leave you to your work.

377
00:32:04,005 --> 00:32:05,006
Oh.

378
00:32:05,924 --> 00:32:08,176
Uh, should I tell Marty who stopped by?

379
00:32:10,636 --> 00:32:13,139
No. I'd rather surprise him.

380
00:32:19,395 --> 00:32:20,355
[door closes]

381
00:33:28,798 --> 00:33:30,341
[Petty] I fucking got that motherfucker.

382
00:33:30,425 --> 00:33:32,135
[Evans] I told you,
I don't see how this works.

383
00:33:32,218 --> 00:33:33,678
Well, we're gonna figure it out.

384
00:33:33,761 --> 00:33:35,346
We don't have anything
to arrest him on.

385
00:33:35,430 --> 00:33:37,723
-Then we're gonna make something up.
-Are you drunk?

386
00:33:37,807 --> 00:33:39,350
Nope. I'm enlightened.

387
00:33:39,642 --> 00:33:41,102
Del Rio's got a clean sheet.

388
00:33:41,186 --> 00:33:44,522
That... that's why they use him to travel
back and forth. We can't touch him.

389
00:33:44,605 --> 00:33:46,857
Jesus, what fucking box factory
are you working in?

390

00:33:46,941 --> 00:33:50,778
The same one that'll take away your badge
if you try to make a bust without cause.

391
00:33:50,861 --> 00:33:53,031
You need to stop worrying about the law.

392
00:33:53,614 --> 00:33:54,532
That's a joke, right?

393
00:33:54,615 --> 00:33:57,952
Right now, the only things that matter
are leverage and perception.

394
00:33:58,036 --> 00:34:00,913
-How do you figure?
-We need to get Marty Byrde on anything,

395
00:34:00,996 --> 00:34:04,542
so that he knows he has no other choice
than to turn on Del Rio and the cartel.

396
00:34:04,625 --> 00:34:08,129
-I understand fucking leverage, Roy.
-So, perception.

397
00:34:08,213 --> 00:34:10,131
If we drag Del Rio in here on anything,

398
00:34:10,215 --> 00:34:12,300
it does not matter what it is,
it doesn't have to stick,

399
00:34:12,383 --> 00:34:15,803
so long as we know that he sees
that we're holding Marty Byrde, too.

400
00:34:18,848 --> 00:34:20,475
Then Del Rio will get spooked.

401
00:34:20,558 --> 00:34:23,978
Yeah. And Marty will know
he has to cooperate for protection.

402

00:34:25,020 --> 00:34:26,397
Otherwise, he's a dead man.

403

00:34:36,699 --> 00:34:39,244
-[Three] Hey, you might wanna see this.
-[Ruth] What happened?

404

00:34:39,327 --> 00:34:41,204
-[Three] Just get over here.
-[Ruth] What?

405

00:34:50,588 --> 00:34:51,756
What are you doing?

406

00:34:51,839 --> 00:34:55,260
Wyatt fucking Langmore,
what're you doing? What the fuck!

407

00:34:56,051 --> 00:34:58,971
Hey, stop it! Stop!

408

00:35:00,055 --> 00:35:02,767
Stop. What the fuck are you doing?
Did you hear me?

409

00:35:02,850 --> 00:35:05,811
-What are you doing?
-It's none of your business.

410

00:35:06,396 --> 00:35:09,107
-What did you say to me?
-What? None of it fits anyone,

411

00:35:09,190 --> 00:35:12,193
and it's too shitty for Goodwill,
so what're you getting so mad for?

412

00:35:18,741 --> 00:35:20,785
It might not feel like it now...

413

00:35:21,827 --> 00:35:24,580

but there's gonna come a day
when you're staring at a picture...

414

00:35:26,165 --> 00:35:28,000
of your dad wearing some...

415

00:35:28,876 --> 00:35:32,130
fucking stupid motorcycle T-shirt...

416

00:35:32,713 --> 00:35:34,882
and you're gonna wish to fucking God...

417

00:35:35,758 --> 00:35:40,263
that someone said to you,
"You know what? Keep that jacket.

418

00:35:41,931 --> 00:35:43,391
Keep that dress."

419

00:35:45,393 --> 00:35:49,772
'Cause right then,
all you're gonna want to do is put it on.

420

00:35:54,527 --> 00:35:56,737
'Cause that's the fucking
closest thing you got.

421

00:36:03,244 --> 00:36:05,538
Hey! Where are the guns?

422

00:36:07,373 --> 00:36:08,499
What are you talking about?

423

00:36:09,250 --> 00:36:12,253
Two handguns. They're not in the trailer,
and they're not in the truck, either.

424

00:36:20,595 --> 00:36:21,929
So, you're, um...

425

00:36:22,805 --> 00:36:25,015
you're still promising to buy us suits

for the funeral?

426

00:36:26,309 --> 00:36:27,143
Yeah.

427

00:36:29,312 --> 00:36:30,313
Okay, then.

428

00:37:21,697 --> 00:37:22,990
[engine starts]

429

00:37:45,638 --> 00:37:48,599
-Dad said 2:00.
-[sighs] He's just late.

430

00:37:48,683 --> 00:37:51,852
-He's never late. It's rude.
-No, it's a long drive, sweetheart.

431

00:37:52,979 --> 00:37:54,021
[Bob] Wendy.

432

00:38:07,076 --> 00:38:08,244
Marty sent me.

433

00:38:14,417 --> 00:38:16,544
Maybe you want the kids
to wait in the car?

434

00:38:21,841 --> 00:38:22,925
[Wendy] Is he okay?

435

00:38:24,552 --> 00:38:25,803
Your husband's fine.

436

00:38:26,762 --> 00:38:29,014
He instructed me to bring you these.

437

00:38:37,607 --> 00:38:41,986
There's passports,
Social Security cards, birth certificates.

438

00:38:45,156 --> 00:38:46,615
"Michael Fleming"?

439

00:38:47,074 --> 00:38:50,911
"Cindy." Are these real people?
Are... Are we stealing their identities?

440

00:38:51,829 --> 00:38:53,288
I don't want to be Mike Fleming.

441

00:38:53,373 --> 00:38:55,458
I'm afraid choosing names isn't an option.

442

00:38:56,834 --> 00:38:58,794
What if people call me Flem?

443

00:38:58,878 --> 00:39:01,881
Wendy, your license will need
to be renewed in six months.

444

00:39:01,964 --> 00:39:05,343
-And I'll also need your phones.
-No fucking way.

445

00:39:05,426 --> 00:39:06,969
-Charlotte, please.
-My life's in there.

446

00:39:07,052 --> 00:39:09,680
Use this until you establish
a permanent location...

447

00:39:09,764 --> 00:39:11,306
-Please.
-...then you can set up accounts

448

00:39:11,391 --> 00:39:12,517
in your new names.

449

00:39:18,105 --> 00:39:19,314
Please.

450
00:39:24,069 --> 00:39:25,905
[sniffs] Charlotte.

451
00:39:30,701 --> 00:39:31,994
How do you know my husband?

452
00:39:37,332 --> 00:39:39,209
He hired me a few months back.

453
00:39:41,712 --> 00:39:43,130
What do you do, exactly?

454
00:39:44,173 --> 00:39:45,925
I'm a private investigator.

455
00:39:46,967 --> 00:39:48,094
In Chicago.

456
00:39:51,346 --> 00:39:53,558
[Jonah] Why would Dad hire
a private investigator?

457
00:39:55,059 --> 00:39:56,769
[Charlotte]
What about my dad's envelope?

458
00:39:56,852 --> 00:39:58,729
Did... Did you send it to him already?

459
00:39:59,397 --> 00:40:02,066
I was only hired to create
three identities.

460
00:40:04,234 --> 00:40:06,779
-Mom...
-[Bob] I'll give you some privacy.

461
00:40:09,281 --> 00:40:10,116
Sir...

462
00:40:11,742 --> 00:40:13,911

did he ask you
to make these up recently or...

463

00:40:15,245 --> 00:40:17,790
when you were doing
your investigating in Chicago?

464

00:40:19,750 --> 00:40:21,752
It was after I finished my work for him.

465

00:40:22,795 --> 00:40:24,296
The day before you left.

466

00:40:33,556 --> 00:40:34,432
Ma'am.

467

00:40:40,729 --> 00:40:41,647
Mom...

468

00:40:42,189 --> 00:40:45,317
do something.
Just call him. Do something.

469

00:40:51,657 --> 00:40:52,950
[dialing]

470

00:41:01,834 --> 00:41:03,586
[crickets chirping ringtone]

471

00:41:22,396 --> 00:41:23,606
[Buddy] Friends of yours?

472

00:41:26,734 --> 00:41:29,361
Yeah. Yeah, yeah. It's just a meeting.

473

00:41:29,654 --> 00:41:31,113
Enjoy your walk. It's okay.

474

00:41:33,115 --> 00:41:33,949
It's okay.

475

00:41:36,035 --> 00:41:36,911
Go on.

476
00:41:39,539 --> 00:41:44,001
Hey, hey! Del, it's amazing,
I was literally just about to call you.

477
00:41:44,084 --> 00:41:45,085
Is that so?

478
00:41:45,169 --> 00:41:47,171
Yeah, got the answer to all our problems.

479
00:41:48,172 --> 00:41:50,174
And what kind of problems
do I have, Marty?

480
00:41:50,257 --> 00:41:52,342
Bad choice of words.
It's just a figure of speech.

481
00:41:52,426 --> 00:41:53,427
No, it's a good word.

482
00:41:53,969 --> 00:41:54,845
Problem.

483
00:41:55,345 --> 00:41:58,808
What else do you call it when your trusted
lieutenant refuses to answer your calls?

484
00:42:00,893 --> 00:42:03,437
-Hmm?
-What are you talking about?

485
00:42:03,938 --> 00:42:05,648
Where the fuck is Garcia?

486
00:42:12,321 --> 00:42:14,073
[cell phone ringing]

487
00:42:16,659 --> 00:42:17,660

[Ruth] Hello?

488

00:42:18,368 --> 00:42:20,913

[automated voice] This is
the Missouri Department of Corrections.

489

00:42:20,996 --> 00:42:24,208

-You have a collect call from...
-[Cade] Cade Langmore.

490

00:42:24,875 --> 00:42:27,086

[automated voice]
To accept charges, say, "Accept."

491

00:42:27,169 --> 00:42:30,005

To decline, say, "Decline," or hang up.

492

00:42:30,297 --> 00:42:31,131

Accept.

493

00:42:32,716 --> 00:42:33,551

[Wyatt] Come on.

494

00:42:38,764 --> 00:42:39,598

Daddy?

495

00:42:41,183 --> 00:42:43,102

Warden just called me in.

496

00:42:44,311 --> 00:42:46,396

Told me my brothers were dead.

497

00:42:48,190 --> 00:42:49,358

That true?

498

00:42:51,986 --> 00:42:52,820

Yeah.

499

00:42:55,615 --> 00:42:57,449

Said it was some kind of accident.

500

00:42:59,744 --> 00:43:00,745
Um...

501
00:43:02,622 --> 00:43:04,790
They got electrocuted on a dock.

502
00:43:06,125 --> 00:43:07,710
At the Blue Cat Lodge.

503
00:43:15,092 --> 00:43:16,426
And Marty Byrde?

504
00:43:18,763 --> 00:43:20,055
How's his health?

505
00:43:24,644 --> 00:43:25,811
He's fine.

506
00:43:31,942 --> 00:43:34,654
You and me are gonna talk in person.

507
00:43:35,487 --> 00:43:36,947
Listen, Daddy. I'm--

508
00:43:37,031 --> 00:43:39,116
[automated voice]
Your call is no longer connected.

509
00:43:49,168 --> 00:43:51,045
[Wyatt] Uncle Cade? How'd he take it?

510
00:43:51,670 --> 00:43:53,255
[Ruth] Who knows anything with him?

511
00:44:01,055 --> 00:44:02,514
I know what happened, you know.

512
00:44:04,349 --> 00:44:06,435
I figured it out
when the guns went missing.

513

00:44:07,812 --> 00:44:10,147
They weren't going to the Blue Cat
for a fucking beer.

514
00:44:10,230 --> 00:44:12,232
They were going to kill Charlotte's dad.

515
00:44:12,691 --> 00:44:13,817
At least rob him.

516
00:44:14,443 --> 00:44:15,778
You don't know that.

517
00:44:16,696 --> 00:44:20,365
What, business opportunity?
Skipping town? Not telling you?

518
00:44:21,366 --> 00:44:22,576
They were gonna kill him...

519
00:44:23,493 --> 00:44:24,662
except he got to them first.

520
00:44:26,163 --> 00:44:29,499
Marty Byrde doesn't have it in him
to kill someone.

521
00:44:29,583 --> 00:44:33,462
Not even in a chickenshit kind of way,
like a rigged dock.

522
00:44:33,545 --> 00:44:36,256
My guess is,
is fuckin' Boyd did some stupid shit,

523
00:44:36,340 --> 00:44:39,301
like hit the power cord
or some shit like that.

524
00:44:39,593 --> 00:44:40,511
Yeah.

525

00:44:41,303 --> 00:44:42,596
And the other part?

526

00:44:44,598 --> 00:44:45,891
I don't know. Maybe.

527

00:44:49,103 --> 00:44:53,315
Look... I don't want Three growing up

528

00:44:53,398 --> 00:44:56,360
knowing that his dad was willing
to be a murderer, okay?

529

00:45:11,708 --> 00:45:15,212
Listen, I've been thinking. Um...

530

00:45:15,295 --> 00:45:18,632
I know I'm only two years
older than you, but...

531

00:45:18,715 --> 00:45:21,676
And you're way fuckin' smarter than me--

532

00:45:21,761 --> 00:45:24,138
-No, I'm--
-No, no, just fuckin' listen.

533

00:45:24,221 --> 00:45:25,264
I was thinking that...

534

00:45:25,973 --> 00:45:31,645
maybe I could call Social Services
and see if they'd let me be your guardian.

535

00:45:32,938 --> 00:45:36,566
Not to, like, you know,
give you rules and shit, but...

536

00:45:38,986 --> 00:45:42,156
more just so
nothing can ever split us apart.

537

00:45:45,159 --> 00:45:47,202
I mean, would you be okay with that?

538

00:45:50,164 --> 00:45:52,541
Yeah. Yeah, totally.

539

00:45:59,714 --> 00:46:02,342
Um... what do you think?

540

00:46:07,973 --> 00:46:09,308
[Ruth] You look perfect.

541

00:46:29,286 --> 00:46:30,620
[Del sighs]

542

00:46:32,539 --> 00:46:33,707
Where is he, Marty?

543

00:46:34,833 --> 00:46:36,210
I told you, I don't know.

544

00:46:41,173 --> 00:46:42,049
Hang on.

545

00:46:42,799 --> 00:46:46,678
I do not know where he is.
I do not know where he is.

546

00:46:47,596 --> 00:46:50,224
Del, goddamn it.
I've got no fucking idea.

547

00:46:50,307 --> 00:46:52,601
Hey. I have no idea where the--

548

00:46:52,684 --> 00:46:55,354
[screams] Goddamn it! Shit!

549

00:46:56,146 --> 00:46:58,858
Fuck! Motherfucker!

550

00:46:59,483 --> 00:47:01,485
Why would he call
and tell me there was a problem?

551
00:47:01,568 --> 00:47:02,736
[groans]

552
00:47:04,154 --> 00:47:06,698
[sighs] I don't know.

553
00:47:07,366 --> 00:47:08,951
I've got no idea.

554
00:47:11,286 --> 00:47:13,288
Del... hang on!

555
00:47:13,873 --> 00:47:16,041
I've got no idea where Garcia is.

556
00:47:16,125 --> 00:47:19,378
Hang on, goddamn it! [groans]

557
00:47:19,461 --> 00:47:21,171
No! Fuck!

558
00:47:22,422 --> 00:47:24,383
Fuck! [panting]

559
00:47:24,466 --> 00:47:26,676
Why would I do anything to him?

560
00:47:27,552 --> 00:47:30,139
I finished the summer.
I got a new shipment.

561
00:47:30,222 --> 00:47:31,431
My life is good!

562
00:47:36,853 --> 00:47:38,855
Where the fuck is Garcia?

563

00:47:39,731 --> 00:47:40,815
I don't know.

564
00:47:41,567 --> 00:47:43,068
Ah! Fuck you!

565
00:47:43,151 --> 00:47:46,405
-[choking]
-Why are you taking this? Huh?

566
00:47:46,864 --> 00:47:50,576
Huh? We both know
that you barely made the eight million.

567
00:47:50,659 --> 00:47:52,411
What makes you think you can handle 50?

568
00:47:54,371 --> 00:47:55,664
[straining] I've got a plan.

569
00:47:56,540 --> 00:47:58,208
You didn't give me the details.

570
00:47:59,001 --> 00:48:00,627
[Marty panting]

571
00:48:00,710 --> 00:48:05,007
I'm getting my fucking toenails
ripped off. [coughing]

572
00:48:10,220 --> 00:48:12,264
You didn't give me any of the details.

573
00:48:17,477 --> 00:48:22,066
I knew Bruce was lying
because he finally shut his big mouth.

574
00:48:23,817 --> 00:48:28,322
You, when you were lying,
you talked a mile a minute.

575
00:48:30,032 --> 00:48:33,618

But now... you do have something.

576

00:48:34,744 --> 00:48:35,912
Don't you?

577

00:48:37,998 --> 00:48:39,917
I just need you to have an open mind.

578

00:48:41,835 --> 00:48:45,089
[Nix] So you're looking for this fella
on behalf of the Mexican government?

579

00:48:45,172 --> 00:48:46,756
They're requesting extradition.

580

00:48:47,591 --> 00:48:50,677
This is a drunk and disorderly from 2002.

581

00:48:51,803 --> 00:48:52,638
Yes.

582

00:48:53,055 --> 00:48:56,891
So y'all must want this sucker pretty bad,
digging this deep in the trash.

583

00:48:56,976 --> 00:48:58,560
-We do.
-Hey, boss.

584

00:48:58,643 --> 00:49:00,312
Patrol car just got a hit on that plate.

585

00:49:00,395 --> 00:49:03,357
It's a black Suburban, heading
onto the Heron Mills Foothills Estate.

586

00:49:04,066 --> 00:49:05,067
All right.

587

00:49:07,277 --> 00:49:08,445
Heron Mills.

588

00:49:10,238 --> 00:49:11,281
There a problem?

589

00:49:11,865 --> 00:49:14,409
That's the Snell farm.
It's over 500 acres.

590

00:49:15,244 --> 00:49:16,870
You go in there cherries blazing,

591

00:49:16,953 --> 00:49:19,789
your target's likely to disappear
into the wild.

592

00:49:20,540 --> 00:49:22,126
You got another idea?

593

00:49:22,209 --> 00:49:24,336
You got a warrant to go in. I don't.

594

00:49:24,419 --> 00:49:26,963
But if this fella's got no reason
to be suspicious,

595

00:49:27,047 --> 00:49:29,258
there's only one main road in and out.

596

00:49:29,341 --> 00:49:30,925
So, you wait outside that,

597

00:49:31,010 --> 00:49:35,597
I'll provide as much backup as you need,
and he'll roll straight into your arms.

598

00:49:44,648 --> 00:49:47,942
Jacob, Darlene, uh...
this is, uh, Camino Del Rio.

599

00:49:48,027 --> 00:49:51,738
He's a representative from
the second-largest drug cartel in Mexico.

600
00:49:52,531 --> 00:49:53,782
Gentlemen.

601
00:49:55,325 --> 00:49:56,493
So precise.

602
00:49:57,161 --> 00:49:59,204
Always with "the second-largest."

603
00:49:59,288 --> 00:50:02,791
Yeah. [chuckles] Um... should we sit down?

604
00:50:04,501 --> 00:50:05,335
Uh...

605
00:50:07,629 --> 00:50:09,214
Darlene and Jacob...

606
00:50:10,299 --> 00:50:14,803
grow and control all of the heroin
in this area.

607
00:50:16,888 --> 00:50:18,057
Congratulations.

608
00:50:18,140 --> 00:50:20,559
-[dog barks]
-[Del] Hey.

609
00:50:20,642 --> 00:50:23,062
Jumper, get. Get!

610
00:50:23,937 --> 00:50:26,815
-[Ash] Hey, Jumper, get.
-[Darlene] He's a hunting dog.

611
00:50:26,898 --> 00:50:29,984
He's sensitive to different smells.

612
00:50:36,408 --> 00:50:39,161
So, I... I am in the unique position

613
00:50:39,244 --> 00:50:42,497
of understanding the needs
of your operation and of your operation,

614
00:50:42,581 --> 00:50:43,998
and I think that what I have here

615
00:50:44,083 --> 00:50:46,085
is something that's...
that's mutually beneficial.

616
00:50:46,876 --> 00:50:50,505
Uh, they have a distribution problem,
and... and I'm proposing

617
00:50:50,589 --> 00:50:54,426
that the cartel becomes the sole buyer
and distributor of their product.

618
00:50:55,552 --> 00:50:58,263
-And why would I consider this?
-[Marty] Because you...

619
00:50:58,347 --> 00:51:01,558
lose roughly 20% of your product
to seizure at the border.

620
00:51:02,184 --> 00:51:04,186
And this would offset that loss,

621
00:51:04,269 --> 00:51:08,315
and would also put you about seven hours
from your central hub in Chicago.

622
00:51:11,776 --> 00:51:15,447
And you make good money
controlling all the heroin in this area?

623
00:51:16,115 --> 00:51:17,491
Yes, we do.

624

00:51:20,327 --> 00:51:23,997
I'm sorry.
I just have no way to tell, you know?

625
00:51:24,581 --> 00:51:25,999
[Marty] My point is...

626
00:51:26,082 --> 00:51:30,170
buying the product in this region
would mitigate your risk,

627
00:51:30,254 --> 00:51:32,339
and it would alleviate
their distribution problem.

628
00:51:34,341 --> 00:51:37,802
I'm a man of charity. You know this of me.

629
00:51:39,138 --> 00:51:42,516
But helping the less fortunate
is not my primary motivation.

630
00:51:45,977 --> 00:51:49,439
Sure, um... if I may, uh...

631
00:51:50,315 --> 00:51:53,109
This, uh... this map here...

632
00:51:55,111 --> 00:51:58,031
Pardon me. Um, this here...

633
00:51:58,948 --> 00:52:00,617
Right there. This is your property.

634
00:52:00,700 --> 00:52:05,038
Okay? And the first time I came here,
you pointed out this stream right here,

635
00:52:05,121 --> 00:52:07,332
and I saw that it flowed west.

636
00:52:07,916 --> 00:52:10,377

It's curious, right? Flowing west?

637

00:52:11,336 --> 00:52:17,926

So, if you trace that stream
all the way here, all the way there,

638

00:52:18,009 --> 00:52:19,803

all the way up into Jefferson City...

639

00:52:20,762 --> 00:52:22,055

it hits the Missouri.

640

00:52:23,598 --> 00:52:25,392

That means it's not a tributary to,

641

00:52:25,475 --> 00:52:28,937

but is an... it's an actual branch
of the Missouri River.

642

00:52:29,020 --> 00:52:32,399

Missouri law states
that a riverboat casino can be built

643

00:52:32,482 --> 00:52:34,609

within 1,000 feet of any approved river.

644

00:52:34,693 --> 00:52:37,612

-The Missouri River makes that list.
-[Jacob] That stream ain't a river.

645

00:52:37,696 --> 00:52:41,991

That's true.

But if you dam that stream right here...

646

00:52:42,742 --> 00:52:45,745

and you flood these three acres,
you turn it into a river,

647

00:52:45,829 --> 00:52:48,748

which makes it eligible to house a casino.

648

00:52:48,832 --> 00:52:52,794

And that's away from all of the land
that you use for your growth operation.

649

00:52:52,877 --> 00:52:54,671

-Flooding.

-That's right.

650

00:52:54,754 --> 00:52:58,800

You're aware of our family history,
how we come to be on this hill.

651

00:53:00,051 --> 00:53:04,181

-But this is three acres.

-Symbolism matters, Mr. Byrde.

652

00:53:04,681 --> 00:53:09,686

Maybe not to people who have no pride,
no history. But to us.

653

00:53:10,229 --> 00:53:13,940

Riverboat casinos gross
nearly \$90 million a month.

654

00:53:14,733 --> 00:53:19,195

But, besides being incredibly profitable,
a casino will be able to handle

655

00:53:19,279 --> 00:53:22,115

all of the money laundering needs
of your operation...

656

00:53:23,242 --> 00:53:24,243

and of yours.

657

00:53:25,369 --> 00:53:26,578

All of it.

658

00:53:27,287 --> 00:53:28,330

[Jacob] I'm afraid that...

659

00:53:29,456 --> 00:53:32,459

you're too stupid to understand
what it is you're suggesting.

660

00:53:51,561 --> 00:53:52,979
Since 1985...

661

00:53:56,024 --> 00:53:57,567
you have spent your profits...

662

00:53:58,818 --> 00:54:02,781
to buy roughly ten acres
of surrounding property every year.

663

00:54:03,532 --> 00:54:05,284
And you never build, right?

664

00:54:06,743 --> 00:54:08,161
If I had to guess,

665

00:54:08,244 --> 00:54:10,747
I would say that your goal
is to get some kind of leverage

666

00:54:10,830 --> 00:54:16,378
over that power company that displaced
your people, long ago, with that flooding.

667

00:54:19,005 --> 00:54:22,926
A casino will give you a lot of money.
Buy a lot of land.

668

00:54:23,009 --> 00:54:24,844
It would give you
a lot of political capital.

669

00:54:26,305 --> 00:54:28,181
You'd be able to do, in five years,

670

00:54:28,264 --> 00:54:31,810
what no Snell has been able to do
in the last 75.

671

00:54:48,076 --> 00:54:49,453
Mr. Del Rio?

672
00:54:58,545 --> 00:55:00,004
I need to make a phone call.

673
00:55:01,798 --> 00:55:02,882
Someplace private.

674
00:55:06,470 --> 00:55:07,471
Ash.

675
00:55:08,805 --> 00:55:10,849
I don't want them touching anything.

676
00:55:40,128 --> 00:55:41,337
[sighs]

677
00:55:46,718 --> 00:55:47,886
I'll be right back.

678
00:55:52,391 --> 00:55:53,933
[phone ringing]

679
00:55:59,313 --> 00:56:02,025
-Byrde residence.
-[Wendy] Hi, it's Wendy.

680
00:56:02,108 --> 00:56:03,402
[Buddy] Are you safe?

681
00:56:04,444 --> 00:56:06,279
Yeah, we're okay. I, um...

682
00:56:07,822 --> 00:56:09,657
I've been trying
to get in touch with Marty,

683
00:56:09,741 --> 00:56:11,242
and he's not answering his phone.

684
00:56:12,160 --> 00:56:15,539
And I... I just need to know

if he's still alive.

685

00:56:20,126 --> 00:56:20,960
Buddy?

686

00:56:22,378 --> 00:56:23,797
As far as I know.

687

00:56:24,714 --> 00:56:27,676
There were a couple of more Mexicans here.
He didn't want my help.

688

00:56:29,010 --> 00:56:30,178
He drove off with 'em.

689

00:56:30,970 --> 00:56:33,222
That doesn't mean he's not okay.

690

00:56:34,140 --> 00:56:35,349
No, of course not.

691

00:56:38,144 --> 00:56:39,312
Thank you.

692

00:56:41,189 --> 00:56:42,190
For...

693

00:56:44,067 --> 00:56:45,068
For everything.

694

00:56:47,696 --> 00:56:49,781
Well, it's just what you do.

695

00:56:53,284 --> 00:56:54,410
[chuckles softly]

696

00:56:56,496 --> 00:56:57,497
Bye, Buddy.

697

00:56:59,332 --> 00:57:00,459
[line disconnects]

698

00:57:16,600 --> 00:57:17,767
We have a deal.

699

00:57:21,020 --> 00:57:22,021
Okay.

700

00:57:23,272 --> 00:57:25,817
I'll leave it to Marty here
to work out the details.

701

00:57:30,572 --> 00:57:32,782
Okay, great news. Good.

702

00:57:32,866 --> 00:57:36,035
I told them that there
was some dark business here.

703

00:57:36,119 --> 00:57:39,038
-Garcia must have gotten involved somehow.
-Hmm.

704

00:57:39,122 --> 00:57:41,249
He was always too ambitious.

705

00:57:41,958 --> 00:57:42,959
Okay.

706

00:57:43,668 --> 00:57:44,586
Okay.

707

00:57:45,003 --> 00:57:48,256
Only Marty Byrde can move to Missouri...

708

00:57:49,048 --> 00:57:52,426
and somehow convince me to partner
with a bunch of rednecks.

709

00:57:52,511 --> 00:57:54,596
-[chuckles]
-[Darlene] I'm sorry. What was that?

710

00:57:56,848 --> 00:57:59,350
I said only Marty Byrde...

711

00:58:00,059 --> 00:58:01,770
can somehow convince me...

712

00:58:02,646 --> 00:58:05,482
to partner with a bunch of red--

713

00:58:05,565 --> 00:58:06,566
[gunshot]

714

00:58:09,986 --> 00:58:11,279
[gagging]

715

00:58:12,989 --> 00:58:14,491
[Jacob] Goddamn it, Darlene.

716

00:58:15,492 --> 00:58:17,160
You just cannot be doing that.

717

00:58:17,994 --> 00:58:20,038
I won't abide that talk. You know that.

718

00:58:20,121 --> 00:58:21,330
[gunshot]

719

00:58:21,414 --> 00:58:22,916
Man was a guest.

720

00:58:24,083 --> 00:58:26,711
Ash, get some towels, please.

721

00:58:26,795 --> 00:58:29,213
-He was disrespectful.
-Mm-hmm.

722

00:58:29,297 --> 00:58:30,381
[Marty] You fucked us.

723

00:58:31,508 --> 00:58:34,886
Oh, you've completely fucked us.
You know that?

724
00:58:36,054 --> 00:58:37,764
Are you out of your goddamn minds?

725
00:58:37,847 --> 00:58:40,474
Huh? Are you fucking crazy?
Do you know who that guy works for?

726
00:58:40,559 --> 00:58:42,101
[Jacob] I suggest you watch your mouth,

727
00:58:42,185 --> 00:58:44,103
or you and her are gonna have
some discrepancies.

728
00:58:44,187 --> 00:58:48,858
His boss, your new partner,
is gonna be expecting him home.

729
00:58:48,942 --> 00:58:50,610
And when he doesn't,

730
00:58:50,694 --> 00:58:53,487
they'll send another Mexican
to take his place.

731
00:58:53,572 --> 00:58:55,782
If there's one thing Mexico is full of,
it is Mexicans.

732
00:58:57,158 --> 00:58:59,536
And what the fuck are we gonna say
to that guy about Del?

733
00:59:01,580 --> 00:59:06,000
Why would we kill someone
we'd just gone into partnership with?

734
00:59:06,084 --> 00:59:08,920
No logic to it... is there, Darlene?

735

00:59:10,129 --> 00:59:11,548

I might have overreacted.

736

00:59:12,757 --> 00:59:14,884

This cost me my family, you know that?

737

00:59:15,635 --> 00:59:17,846

This deal was done.

They could have come home.

738

00:59:17,929 --> 00:59:19,513

Now, there's gonna be men coming here,

739

00:59:19,598 --> 00:59:21,683

they're gonna be looking for answers

I can't give.

740

00:59:23,267 --> 00:59:26,020

They made a deal with us,
and they're gonna honor it.

741

00:59:26,980 --> 00:59:30,567

And if they don't,
then you're in partnership with us now.

742

00:59:30,650 --> 00:59:32,902

And we know how to look after our own.

743

00:59:34,403 --> 00:59:40,284

Right now, you go home, relax,
maybe get yourself a frozen custard.

744

00:59:41,661 --> 00:59:43,246

Me and Darlene will clean up this mess.

745

00:59:51,462 --> 00:59:52,881

[sighs]

746

01:00:15,028 --> 01:00:16,195

[siren wails]

747
01:00:25,538 --> 01:00:28,499
[Nix on speaker] Turn the vehicle off,
drop the keys on the ground.

748
01:00:28,582 --> 01:00:29,876
Open the door.

749
01:00:33,963 --> 01:00:34,881
[keys clatter]

750
01:00:35,464 --> 01:00:37,926
Open the door. Exit the car slowly.

751
01:00:38,009 --> 01:00:40,011
Hands up. Hands up!

752
01:00:45,558 --> 01:00:47,101
[translating in Spanish]

753
01:01:22,095 --> 01:01:23,387
On the ground.

754
01:01:27,976 --> 01:01:28,977
[Evans] Shut 'em off.

755
01:01:43,825 --> 01:01:44,909
Don't you move.

756
01:02:02,969 --> 01:02:04,303
Where the hell is he?

757
01:02:05,679 --> 01:02:08,016
-Who?
-Camino Del Rio. Where the fuck is he?

758
01:02:08,891 --> 01:02:10,268
[Marty] I don't know who that is.

759
01:02:10,852 --> 01:02:11,894
[Evans sighs]

760

01:02:13,354 --> 01:02:15,314
Get the fuck up. Get up.

761

01:02:22,739 --> 01:02:25,658
I've been in this car all day.
No one else has been in it.

762

01:02:26,200 --> 01:02:28,369
-[door opens]
-Clear these out of here.

763

01:02:29,370 --> 01:02:30,579
What? Where are you going?

764

01:02:30,663 --> 01:02:32,874
I'm pulling this out of the way,
then I'm going up there.

765

01:02:32,957 --> 01:02:35,794
Yeah, no. No, I can't let you do that.

766

01:02:36,294 --> 01:02:37,211
You what?

767

01:02:37,503 --> 01:02:40,464
The warrant was to locate the car.
We found it.

768

01:02:42,633 --> 01:02:43,802
You're shitting me, right?

769

01:02:44,635 --> 01:02:47,096
I don't have probable cause to go
onto private property.

770

01:02:48,097 --> 01:02:51,434
I've got a witness
who saw Del Rio in this car.

771

01:02:55,063 --> 01:02:56,605
Can you produce him?

772
01:03:07,491 --> 01:03:08,868
Does that mean I can go now?

773
01:03:15,124 --> 01:03:16,292
You got my keys.

774
01:03:43,528 --> 01:03:46,322
[inaudible]

775
01:04:09,428 --> 01:04:11,764
[soft classical music playing]

776
01:04:13,224 --> 01:04:14,475
[baby crying]

777
01:04:16,352 --> 01:04:17,854
[Mason shushing]

778
01:04:17,937 --> 01:04:19,939
[crying continues]

779
01:04:36,372 --> 01:04:37,623
[knocking]

780
01:04:39,917 --> 01:04:41,419
-[door opens]
-[Marty] Hi.

781
01:04:45,131 --> 01:04:46,757
I was just driving by and I saw your car.

782
01:04:46,840 --> 01:04:50,428
I thought I'd stop in and...
and check on you guys.

783
01:04:55,934 --> 01:04:57,936
Heard about Grace. I'm sorry.

784
01:05:06,860 --> 01:05:09,322
You know, if you fold this
in a triangle...

785

01:05:09,863 --> 01:05:12,200
Can I show you? You can...

786

01:05:15,744 --> 01:05:17,830
You just put his head here.
Let me show you.

787

01:05:17,914 --> 01:05:19,790
-I got him.
-Yeah? Okay. Sorry.

788

01:05:19,873 --> 01:05:22,876
If you just put his head there
in the middle, you can... kinda...

789

01:05:23,920 --> 01:05:25,588
wrap this one side around him.

790

01:05:26,422 --> 01:05:27,756
-[Mason sighs]
-[baby coos]

791

01:05:28,549 --> 01:05:30,259
Yep, and then bring up the bottom.

792

01:05:30,927 --> 01:05:34,097
Then you wrap the other side around and
tuck it in like an envelope, and...

793

01:05:37,266 --> 01:05:38,642
make, like, a little burrito.

794

01:05:42,939 --> 01:05:45,191
-[Mason exhales]
-[baby cooing]

795

01:05:45,274 --> 01:05:47,901
Oh, yeah. Come here, bubba.

796

01:05:47,986 --> 01:05:50,196
-[baby crying]

-[shushing] Come here. Come here.

797

01:05:50,279 --> 01:05:54,242
Charlotte fought it at first,
but it keeps them feeling safe.

798

01:05:56,744 --> 01:05:59,122
The police are saying
that there's no evidence of a crime.

799

01:06:01,540 --> 01:06:03,501
They're acting like I'm the insane one.

800

01:06:07,380 --> 01:06:10,091
-What's his name?
-He doesn't have a name.

801

01:06:13,261 --> 01:06:15,679
Well, don't wait too long.
He's gotta hear it.

802

01:06:17,598 --> 01:06:20,059
Why would I want to keep
a baby alive in this world?

803

01:06:26,774 --> 01:06:29,652
Because kids are hope. Hmm?

804

01:06:32,405 --> 01:06:35,908
You know, that...
that maybe things can get better.

805

01:06:40,913 --> 01:06:42,498
You know, I had this, uh...

806

01:06:42,581 --> 01:06:45,918
faith that getting shot and surviving
meant that there was a God.

807

01:06:48,046 --> 01:06:51,924
It was Grace who told me
how naive I was and that...

808
01:06:53,009 --> 01:06:54,885
all it meant was that shit happens.

809
01:06:56,970 --> 01:06:58,389
Sometimes we get lucky.

810
01:07:02,018 --> 01:07:04,103
-[softly] Yeah.
-You don't believe that, do you?

811
01:07:06,772 --> 01:07:07,773
Uh...

812
01:07:09,733 --> 01:07:11,277
No, you're right.

813
01:07:14,280 --> 01:07:15,781
There's gotta be a God.

814
01:07:19,952 --> 01:07:21,412
'Cause there's a devil.

815
01:07:23,622 --> 01:07:25,624
I think you're the fucking devil.

816
01:07:42,683 --> 01:07:45,311
[soft classical music continues]

817
01:07:55,196 --> 01:07:56,489
[dialing]

818
01:08:00,993 --> 01:08:02,078
[sighs]

819
01:08:03,037 --> 01:08:04,497
-[Wendy] Okay?
-[cell phone ringing]

820
01:08:04,580 --> 01:08:06,039
-I'm serious.
-[Jonah] Yeah.

821

01:08:09,293 --> 01:08:12,630
Hi. Please tell me you're okay.

822

01:08:12,713 --> 01:08:15,383
[Marty] Yeah, I'm fine.
I'm sorry that I haven't called.

823

01:08:15,466 --> 01:08:17,718
No, it's... [sighs]
It doesn't matter. It's okay.

824

01:08:18,386 --> 01:08:19,887
Look, we'll come straight home.

825

01:08:19,970 --> 01:08:21,555
Uh, Wendy, you can't.

826

01:08:23,182 --> 01:08:27,561
You were right. Um, it's...
it's never gonna be safe here.

827

01:08:28,687 --> 01:08:29,688
Okay?

828

01:08:30,397 --> 01:08:31,816
Then you come to us.

829

01:08:35,694 --> 01:08:37,279
I don't think I can.

830

01:08:37,696 --> 01:08:41,784
I think if I do that...
they'll never stop looking.

831

01:08:45,078 --> 01:08:46,079
You know?

832

01:08:52,378 --> 01:08:56,423
Um, I saw Mason's baby today.

833

01:08:56,757 --> 01:09:00,094
He's healthy. He's perfect.

834

01:09:01,637 --> 01:09:03,264
There has to be a solution here.

835

01:09:05,516 --> 01:09:07,518
Yeah, there is. You're doing it.

836

01:09:12,898 --> 01:09:14,358
You want to talk to the kids?

837

01:09:19,905 --> 01:09:20,906
No.

838

01:09:25,118 --> 01:09:28,789
I think if...
if I hear their voices it's, um...

839

01:09:33,169 --> 01:09:34,170
You know.

840

01:09:35,546 --> 01:09:37,047
Maybe I'll try you tomorrow.

841

01:09:40,551 --> 01:09:42,511
I am so sorry I hurt you, Marty.

842

01:09:47,099 --> 01:09:48,892
I should never have done that.

843

01:09:51,562 --> 01:09:54,357
It's not your fault.
I was just shut down, you know?

844

01:10:02,990 --> 01:10:04,325
I don't wanna hang up.

845

01:10:09,997 --> 01:10:11,123
[disconnects call]

846

01:10:13,083 --> 01:10:14,543
[trembling sigh]

847
01:10:24,678 --> 01:10:25,888
[Charlotte] Was that Dad?

848
01:10:29,933 --> 01:10:32,185
Was it?
Nobody else would have that number.

849
01:10:32,936 --> 01:10:33,937
[Jonah] Is he okay?

850
01:10:35,105 --> 01:10:36,357
Are we going home?

851
01:10:38,776 --> 01:10:40,027
[engine starts]

852
01:10:40,110 --> 01:10:41,237
[engine stops]

853
01:10:42,405 --> 01:10:45,157
-We're trying to keep you safe.
-So that's a no. We're not going home.

854
01:10:45,241 --> 01:10:46,742
Your father and I
made this decision together.

855
01:10:46,825 --> 01:10:48,076
[Charlotte] So let me talk to him.

856
01:10:48,160 --> 01:10:50,371
Charlotte, give me the keys.

857
01:10:50,454 --> 01:10:52,331
Is it unsafe there right now?
Right this second?

858
01:10:52,415 --> 01:10:53,791
Honestly, I do not know.

859

01:10:56,335 --> 01:10:58,504
Look, I know you're just trying
to take us somewhere safe,

860

01:10:58,587 --> 01:11:00,088
but that place doesn't exist.

861

01:11:00,923 --> 01:11:03,592
I mean, we should at least stay together.

862

01:11:03,676 --> 01:11:07,513
[sighs] We won't even know where to turn
once we get out of this parking lot.

863

01:11:07,596 --> 01:11:10,808
I mean, we'll just be driving.
We've been driving for days.

864

01:11:12,476 --> 01:11:14,978
How are you silent back there?
Just say something!

865

01:11:17,022 --> 01:11:17,940
[Charlotte sighs]

866

01:11:19,608 --> 01:11:21,234
I don't want to be Mike Fleming.

867

01:11:21,944 --> 01:11:23,195
It's just a name, sweetheart.

868

01:11:23,279 --> 01:11:25,030
[Charlotte]
I'm old enough to decide for myself.

869

01:11:25,113 --> 01:11:26,114
That's not what I meant.

870

01:11:26,198 --> 01:11:27,783
[Charlotte]
I'm not some little girl, you know?

871
01:11:30,160 --> 01:11:33,121
I've done things
that you have no idea about.

872
01:11:37,501 --> 01:11:41,088
You made us adults the second
you told us about what Dad was doing.

873
01:11:42,590 --> 01:11:44,633
You can't take it all back now.

874
01:11:49,972 --> 01:11:51,932
I meant, I don't want Jonah to die.

875
01:11:56,770 --> 01:11:57,730
What do you mean?

876
01:11:59,148 --> 01:12:01,150
Well, the second I become Mike Fleming...

877
01:12:02,901 --> 01:12:04,737
that means Jonah Byrde is dead.

878
01:12:10,409 --> 01:12:11,869
I don't want him to be dead.

879
01:12:31,889 --> 01:12:33,724
[soft classical music continues]

880
01:12:49,323 --> 01:12:50,949
[no audible sounds]

881
01:13:20,979 --> 01:13:22,440
[baby crying]

882
01:13:25,108 --> 01:13:26,318
[Mason grunts softly]

883
01:14:24,710 --> 01:14:26,169
[baby crying]

884
01:14:27,337 --> 01:14:28,338
Hey.

885
01:14:29,047 --> 01:14:30,257
[panting]

886
01:14:40,767 --> 01:14:42,060
[baby cries]

887
01:14:55,407 --> 01:14:57,534
[soft classical music continues]

888
01:15:34,822 --> 01:15:35,823
You ready?

889
01:15:37,991 --> 01:15:38,992
Yep.

890
01:15:45,415 --> 01:15:48,001
-[Ruth] I love you.
-[Wyatt] I love you, too.

891
01:15:59,262 --> 01:16:01,056
[vehicle approaching]

892
01:16:04,434 --> 01:16:06,228
-[vehicle doors opening]
-Hello?

893
01:16:07,104 --> 01:16:10,190
[vehicle doors closing]

894
01:16:13,235 --> 01:16:14,570
-[Charlotte] Dad?
-Dad!
