1  
00:00:17,225 --> 00:00:19,227  
[classical music playing]

2  
00:00:21,479 --> 00:00:23,106  
[Marty] So where do we live?

3  
00:00:24,107 --> 00:00:25,650  
[Wendy] Look who's getting  
ahead of himself.

4  
00:00:25,734 --> 00:00:26,985  
[Marty] How about Luxembourg?

5  
00:00:28,111 --> 00:00:30,530  
[Wendy] That's the best you've got?  
Luxembourg?

6  
00:00:32,657 --> 00:00:34,492  
-[Marty] How about Santorini?  
-[Wendy] No.

7  
00:00:34,576 --> 00:00:37,579  
-[Marty] No? Some white sand beaches?  
-[Wendy] Mnh-mnh.

8  
00:00:37,662 --> 00:00:42,375  
Tourists. Steep inclines. Donkeys.

9  
00:00:42,459 --> 00:00:45,378  
[chattering]

10  
00:00:45,462 --> 00:00:48,506  
[Marty] There's Slugworth. Who's he with?

11  
00:00:49,090 --> 00:00:51,384  
[Wendy] Steve Simmons,  
chief compliance officer.

12  
00:00:51,468 --> 00:00:54,637  
-[Marty] Hmm. Someone's been studying.  
-[Wendy] You're surprised?

13

00:00:56,139 --> 00:00:57,348  
[Marty] Who are the other two?

14

00:00:57,432 --> 00:01:00,310  
[Wendy] State attorney general  
and Leslie Ann Mackey.

15

00:01:00,852 --> 00:01:03,521  
She's the founder  
of Missourians for Morality.

16

00:01:05,231 --> 00:01:08,026  
[Marty] Hanging out with the other  
Missourians is probably more fun.

17

00:01:08,109 --> 00:01:10,737  
[Wendy] Okay, be nice and play nice.

18

00:01:12,697 --> 00:01:14,324  
Hyannis Port?

19

00:01:16,242 --> 00:01:19,245  
-Are we the Kennedys now?  
-Please.

20

00:01:19,329 --> 00:01:22,957  
What do you think it was starting out as  
a bootlegger in the real world, actually?

21

00:01:23,792 --> 00:01:24,834  
The Gold Coast?

22

00:01:27,128 --> 00:01:30,090  
Australia, Wendy? Come on.

23

00:01:30,173 --> 00:01:32,258  
Nobody'd be looking for us in Australia.

24

00:01:32,342 --> 00:01:34,260  
Yeah. No shit.

25

00:01:39,724 --> 00:01:41,142  
-You got him?  
-Mm-hmm.

26  
00:01:45,230 --> 00:01:46,773  
-Is he alone?  
-Mm-hmm.

27  
00:01:48,399 --> 00:01:49,567  
[Marty] Are you ready?

28  
00:01:50,485 --> 00:01:51,611  
[Wendy] Mm-hmm.

29  
00:01:53,947 --> 00:01:55,198  
-Good luck.  
-Mm-hmm.

30  
00:02:24,519 --> 00:02:26,813  
[Darlene] Jacob's angry with me.  
I can tell.

31  
00:02:27,981 --> 00:02:30,525  
[sighs] Just feels different.

32  
00:02:35,947 --> 00:02:39,492  
I think maybe  
I shouldn't have killed this Mexican.

33  
00:02:41,286 --> 00:02:43,663  
[Ash] The man disrespected you  
in your own home.

34  
00:02:46,416 --> 00:02:47,834  
[grunts]

35  
00:02:47,917 --> 00:02:50,461  
Now, you know how much I admire Mr. Snell.

36  
00:02:54,340 --> 00:02:55,967  
[Darlene] Speak your mind, child.

37

00:02:57,051 --> 00:02:59,345  
[Ash] Sometimes you have to agree  
to disagree.

38  
00:03:04,142 --> 00:03:05,393  
That's part of the covenant.

39  
00:03:07,812 --> 00:03:11,774  
You're a sweet boy, Ash. You know that?

40  
00:03:41,346 --> 00:03:42,513  
[Jacob] Wendy.

41  
00:03:43,264 --> 00:03:48,102  
Jacob Snell. My wife, Darlene.  
Our associate Ash.

42  
00:03:48,186 --> 00:03:51,064  
-[Darlene] Fresh from our hives.  
-Thank you.

43  
00:03:51,147 --> 00:03:51,981  
Hi, there.

44  
00:03:52,649 --> 00:03:54,984  
-A moment?  
-Yeah. Excuse me.

45  
00:03:57,445 --> 00:04:00,573  
-I take it she knows your business.  
-Uh, yeah.

46  
00:04:02,116 --> 00:04:06,704  
Tricky thing, combining work and marriage,  
but a blessing when it works.

47  
00:04:06,788 --> 00:04:07,872  
That's true.

48  
00:04:08,748 --> 00:04:11,834  
You have the keys  
to our Mexican friend's vehicle?

49

00:04:11,918 --> 00:04:16,798  
Yeah. Here you go. It's parked  
around the bend, off the road a bit.

50

00:04:17,632 --> 00:04:19,759  
Ash will drive it to Chicago.

51

00:04:19,842 --> 00:04:22,929  
He's got the man's cell phone  
and his credit cards.

52

00:04:23,012 --> 00:04:25,932  
Okay. Just make sure you swipe one  
of them when you get up there.

53

00:04:26,474 --> 00:04:28,142  
As far the world will know,

54

00:04:28,226 --> 00:04:31,354  
the man drove to Chicago  
and fell off the face of God's Earth.

55

00:04:31,437 --> 00:04:35,024  
Yeah, yeah. I left, like, three messages  
on his cell phone.

56

00:04:35,108 --> 00:04:37,443  
Call me back when you get there.  
Make sure the cell towers--

57

00:04:37,527 --> 00:04:41,906  
-This is a drill we're familiar with.  
-Uh-huh. Okay. See you.

58

00:04:42,532 --> 00:04:45,994  
[Darlène] You buckle up! Drive safe.

59

00:04:52,166 --> 00:04:55,753  
Things happen.  
You apologize and you move on.

60

00:04:57,547 --> 00:04:58,798

She blew a man's head off.

61

00:05:00,425 --> 00:05:02,093  
For which she is contrite.

62

00:05:05,138 --> 00:05:06,639  
Am I supposed to believe that?

63

00:05:07,598 --> 00:05:10,101  
-The woman brought you fresh honey.  
-Mm-hmm.

64

00:05:15,189 --> 00:05:16,566  
[door opens]

65

00:05:24,073 --> 00:05:25,074  
[exhales]

66

00:05:26,701 --> 00:05:28,119  
Clean sheets again.

67

00:05:31,956 --> 00:05:33,666  
I thought I'd feel different.

68

00:05:35,418 --> 00:05:38,338  
Like we went around the world,  
came back and everything had changed.

69

00:05:40,214 --> 00:05:41,674  
I know that sounds stupid.

70

00:05:44,385 --> 00:05:49,515  
I wouldn't have been as brave as you were  
when that fucker was in the living room.

71

00:05:50,600 --> 00:05:52,185  
I wouldn't have been able  
to pull the trigger.

72

00:05:53,895 --> 00:05:55,313  
Yes, you would have.

73  
00:06:00,193 --> 00:06:01,903  
I keep thinking about it.

74  
00:06:04,489 --> 00:06:05,990  
I would have just frozen.

75  
00:06:11,496 --> 00:06:12,997  
Mom told me to.

76  
00:06:21,506 --> 00:06:23,257  
Figured you should have half.

77  
00:06:28,388 --> 00:06:30,598  
Took it the night  
we were putting it in the wall.

78  
00:06:31,599 --> 00:06:33,059  
I don't even know why I did it.

79  
00:06:35,895 --> 00:06:38,606  
-How much is it?  
-Ten thousand.

80  
00:06:41,901 --> 00:06:43,444  
You think I should tell Mom and Dad?

81  
00:06:44,028 --> 00:06:44,862  
No.

82  
00:06:48,658 --> 00:06:49,826  
We might need it.

83  
00:06:52,078 --> 00:06:53,538  
[Charlotte sighs]

84  
00:06:59,710 --> 00:07:01,963  
[door opens and closes]

85  
00:07:03,339 --> 00:07:05,842  
[Ruth] I used to not even think  
about the future.

86  
00:07:07,051 --> 00:07:08,469  
Because, you know...

87  
00:07:09,720 --> 00:07:10,888  
what was the point?

88  
00:07:12,515 --> 00:07:17,645  
So I'd get mad or get into trouble.

89  
00:07:22,608 --> 00:07:24,986  
But in the last few months, I've been...

90  
00:07:26,654 --> 00:07:29,031  
I've been tryin' to be a better person.

91  
00:07:31,200 --> 00:07:35,746  
Think about people besides just myself.

92  
00:07:37,623 --> 00:07:40,334  
You know, I got a real job,

93  
00:07:41,461 --> 00:07:43,963  
one with insurance and everything, and...

94  
00:07:45,548 --> 00:07:50,386  
I'm looking after two boys,  
and I'm even thinking about their futures.

95  
00:07:53,055 --> 00:07:53,890  
[inhales]

96  
00:07:55,141 --> 00:07:58,227  
But I know I gotta keep myself right.

97  
00:07:59,645 --> 00:08:02,148  
Because if I don't, I'll lose everything.

98  
00:08:06,486 --> 00:08:10,156  
And I don't think any  
of that would be possible

99  
00:08:11,491 --> 00:08:13,576  
if it wasn't for my dad.

100  
00:08:13,659 --> 00:08:14,994  
[breathes deeply]

101  
00:08:20,249 --> 00:08:23,002  
I've been coming  
to visit him regular and...

102  
00:08:25,254 --> 00:08:27,882  
And I know how bad he wants to do good.

103  
00:08:29,258 --> 00:08:31,302  
Thank you, Miss Langmore.

104  
00:08:32,470 --> 00:08:35,097  
Though it's important  
for this parole board

105  
00:08:35,181 --> 00:08:37,183  
to consider the inmate's character,

106  
00:08:37,266 --> 00:08:41,270  
it's also important to consider  
the question, "Why now?"

107  
00:08:45,191 --> 00:08:46,192  
Yes, ma'am.

108  
00:08:49,445 --> 00:08:50,696  
[Ruth] Like I said,

109  
00:08:51,697 --> 00:08:56,744  
I'm becoming the guardian of two boys,  
my cousins,

110  
00:08:56,827 --> 00:08:59,705  
who recently lost their dad.

111

00:09:02,250 --> 00:09:04,460  
And I'm tryin' my best every day.

112  
00:09:06,295 --> 00:09:08,214  
But I'm just a young girl.

113  
00:09:11,342 --> 00:09:13,803  
I know what it means to need a daddy.

114  
00:09:32,697 --> 00:09:33,614  
[Tuck] Hey, Marty!

115  
00:09:34,991 --> 00:09:36,701  
Hey, Tuck. What's going on?

116  
00:09:37,451 --> 00:09:42,415  
Everything's locked.  
Down here and by the front door, too.

117  
00:09:42,498 --> 00:09:44,208  
Yeah? Did you try Rachel?

118  
00:09:44,292 --> 00:09:47,837  
It goes straight to her voicemail.  
Just like yesterday.

119  
00:09:48,921 --> 00:09:51,591  
-Yesterday, too, huh?  
-Yes.

120  
00:09:57,221 --> 00:10:00,558  
-Um, is your mom and sister home?  
-Yes.

121  
00:10:00,641 --> 00:10:03,644  
Why don't you head home? I'll call you  
when I need you for work, okay?

122  
00:10:03,728 --> 00:10:04,770  
Okay.

123  
00:10:14,655 --> 00:10:15,990

[breathes deeply]

124

00:10:17,199 --> 00:10:18,159  
Fuck!

125

00:10:55,946 --> 00:10:57,281  
-[Harry] Mrs. Byrde?  
-Oh.

126

00:10:58,157 --> 00:11:00,618  
[chuckles] Harry, you scared me.

127

00:11:00,701 --> 00:11:03,954  
-Can I help you with something?  
-Yes.

128

00:11:04,038 --> 00:11:07,750  
I was wondering. Why do we use the freezer

129

00:11:07,833 --> 00:11:10,294  
when embalmed bodies don't need  
to be refrigerated?

130

00:11:12,046 --> 00:11:13,047  
Coolers.

131

00:11:14,382 --> 00:11:15,758  
[Wendy] I'm sorry.

132

00:11:15,841 --> 00:11:19,637  
They're called coolers, not freezers.  
In the funeral game.

133

00:11:19,720 --> 00:11:21,013  
That notwithstanding,

134

00:11:21,097 --> 00:11:24,600  
I think we could save an enormous amount  
of money on refrigeration costs

135

00:11:24,684 --> 00:11:27,311  
if we turned the coolers

into storage units.

136

00:11:30,147 --> 00:11:31,148  
I'll buy the locks myself.

137

00:11:32,066 --> 00:11:33,067  
[Harry] Of course.

138

00:11:34,652 --> 00:11:36,028  
Also, I was thinking...

139

00:11:36,112 --> 00:11:38,906  
We should probably buy some more caskets.

140

00:11:38,989 --> 00:11:41,534  
In bulk. To save money. Say 25?

141

00:11:46,664 --> 00:11:49,041  
-I need to borrow the hearse.  
-I'm sorry.

142

00:11:50,543 --> 00:11:55,464  
We have a terminally ill tenant.  
He wants to test drive his final ride.

143

00:11:58,008 --> 00:11:59,468  
That's okay, isn't it?

144

00:12:00,469 --> 00:12:01,470  
Well...

145

00:12:02,096 --> 00:12:05,891  
[stammering] it's all highly unusual.

146

00:12:09,145 --> 00:12:09,979  
Hmm.

147

00:12:21,073 --> 00:12:23,242  
Don't seem so fucking glad to see me.

148

00:12:24,201 --> 00:12:25,661

I'm expecting somebody else.

149

00:12:26,912 --> 00:12:28,456  
I've been callin'.

150

00:12:28,539 --> 00:12:29,749  
And I've been busy.

151

00:12:31,917 --> 00:12:33,669  
We need to talk about my future.

152

00:12:35,671 --> 00:12:37,840  
I can't talk right now, okay?

153

00:12:37,923 --> 00:12:40,634  
Wyatt's got to go to college.  
You have any idea what college costs?

154

00:12:40,718 --> 00:12:42,386  
-Yeah, I got a pretty good idea.  
-A shit ton.

155

00:12:42,470 --> 00:12:44,972  
-I'm serious. This is not a good time  
-A shit ton.

156

00:12:45,055 --> 00:12:46,807  
for us to talk, okay?

157

00:12:50,436 --> 00:12:55,274  
I was thinkin', you and me,  
we could be partners.

158

00:12:56,692 --> 00:12:58,527  
What I meant was, not now.

159

00:12:59,487 --> 00:13:00,446  
No, stay in the car.

160

00:13:00,529 --> 00:13:03,991  
At least I can get a percentage!  
I think I fucking earned it, Marty!

161

00:13:04,074 --> 00:13:07,119  
-You gotta pump the brakes a bit--  
-I'm not fucking stupid!

162

00:13:07,203 --> 00:13:12,124  
I know that the cartels are gonna  
eventually dump another pile

163

00:13:12,208 --> 00:13:13,876  
of shit money on you!

164

00:13:16,378 --> 00:13:17,296  
We'll see.

165

00:13:19,215 --> 00:13:23,844  
We'll see. I promise we'll talk, okay?  
I promise.

166

00:13:27,848 --> 00:13:29,141  
Nice whip.

167

00:13:33,354 --> 00:13:36,440  
-What was that about?  
-Her uncles.

168

00:13:40,736 --> 00:13:42,363  
Any idea how much she took?

169

00:13:42,822 --> 00:13:44,865  
No. We're just gonna have to  
count it all

170

00:13:44,949 --> 00:13:48,118  
and pray to God we can absorb the loss  
without the cartel finding out.

171

00:13:48,202 --> 00:13:49,912  
It's gonna take half the night  
to move all this.

172

00:13:49,995 --> 00:13:53,332

Yeah, well, she fucked us.  
She fucked us and now she's...

173  
00:13:55,125 --> 00:13:56,585  
She fucked us.

174  
00:13:56,669 --> 00:13:58,295  
What did you tell the kids?

175  
00:13:59,213 --> 00:14:02,383  
Just that we had to work late,  
not to stay up. Buddy's with them.

176  
00:14:05,469 --> 00:14:09,139  
Wendy, I know.  
I know. Let's just get started.

177  
00:14:38,669 --> 00:14:39,503  
Hey.

178  
00:14:40,796 --> 00:14:41,755  
Hey.

179  
00:14:44,091 --> 00:14:46,343  
-I'm just gonna be in here, all right?  
-Yeah, I'll be right over.

180  
00:14:47,803 --> 00:14:48,721  
Hey.

181  
00:14:49,305 --> 00:14:50,139  
What?

182  
00:14:52,933 --> 00:14:54,143  
I hope you're using a rubber.

183  
00:14:55,311 --> 00:14:57,605  
Come on, it's not like that.  
We just hang out.

184  
00:14:58,981 --> 00:15:00,357  
Fixing it up for your dad?

185  
00:15:01,317 --> 00:15:02,318  
Yeah.

186  
00:15:04,194 --> 00:15:05,446  
It's gonna be okay.

187  
00:15:06,363 --> 00:15:10,492  
I know. I just want him to have  
a nice place. [chuckles]

188  
00:15:11,327 --> 00:15:12,286  
Start straight.

189  
00:15:12,369 --> 00:15:14,455  
Well, just saying you're not alone.

190  
00:15:23,547 --> 00:15:26,425  
[growling]

191  
00:15:30,679 --> 00:15:32,139  
You dicks go to bed.

192  
00:15:38,896 --> 00:15:40,773  
[Jonah] Have you seen  
my humanities folder?

193  
00:15:40,856 --> 00:15:42,942  
[Wendy] It's next to the TV.

194  
00:15:43,025 --> 00:15:45,277  
[Marty] Guys, tell me one more time  
where you were last week

195  
00:15:45,361 --> 00:15:46,445  
when you were out of school.

196  
00:15:46,528 --> 00:15:48,364  
[Charlotte] At a funeral  
in North Carolina.

197

00:15:48,447 --> 00:15:49,531  
[Marty] Yep. For who?

198  
00:15:51,575 --> 00:15:53,911  
-Great-Aunt Tyra.  
-[Marty] Yep.

199  
00:15:54,662 --> 00:15:57,414  
[Charlotte] Think we could start making  
chai instead of coffee?

200  
00:15:57,498 --> 00:16:00,376  
Maybe matcha?  
You know, something macrobiotic.

201  
00:16:00,960 --> 00:16:03,462  
-Do we even have a Great-Aunt Tyra?  
-Yeah, unfortunately.

202  
00:16:03,545 --> 00:16:07,591  
Before you ask, don't worry.  
I'll replace your phone this afternoon.

203  
00:16:07,675 --> 00:16:11,470  
Guys, this is a new baseline, okay?  
We're gonna build normal from here.

204  
00:16:12,054 --> 00:16:13,055  
We're out of danger?

205  
00:16:13,389 --> 00:16:17,935  
Uh, yes. But everything from now on  
needs to be about keeping it that way.

206  
00:16:18,018 --> 00:16:20,479  
Which means we need 100% honesty.

207  
00:16:20,562 --> 00:16:23,107  
Like our lives depend on it.  
You understand that?

208  
00:16:26,068 --> 00:16:27,069  
Yeah.

209

00:16:28,904 --> 00:16:31,448

-Why is Buddy here?

-Buddy's not deaf.

210

00:16:31,532 --> 00:16:34,493

Buddy's gonna oversee the installation  
of a security system this morning.

211

00:16:34,576 --> 00:16:36,328

Plus, we need to get that window replaced.

212

00:16:36,412 --> 00:16:40,165

Yeah, next time I'll aim lower,  
shoot 'em in the ball sack,

213

00:16:40,249 --> 00:16:42,001

avoid the shattered glass.

214

00:16:42,543 --> 00:16:43,836

What happened to the body?

215

00:16:44,503 --> 00:16:47,089

We took it to the funeral parlor.

We cremated it.

216

00:16:47,172 --> 00:16:48,465

[Charlotte] What funeral parlor?

217

00:16:49,133 --> 00:16:50,884

I bought one before we left town.

218

00:16:51,677 --> 00:16:52,845

You bought a funeral parlor?

219

00:16:52,928 --> 00:16:54,138

-[Wendy] Uh-huh.

-[cellphone chiming]

220

00:16:54,221 --> 00:16:55,556

Have you killed other people?

221  
00:16:55,639 --> 00:16:57,391  
-Of course not.  
-We do not kill people.

222  
00:16:57,474 --> 00:16:59,977  
Guys, that's it. Please, to school.  
Learning. Hello.

223  
00:17:01,854 --> 00:17:02,688  
Yeah.

224  
00:17:04,148 --> 00:17:04,982  
Okay.

225  
00:17:08,110 --> 00:17:09,361  
I understand.

226  
00:17:10,446 --> 00:17:11,572  
Yeah, bye.

227  
00:17:13,949 --> 00:17:15,200  
[Charlotte] Is everything okay?

228  
00:17:16,660 --> 00:17:17,953  
Total honesty.

229  
00:17:18,996 --> 00:17:24,376  
Yeah, everything's great. In fact,  
our casino project has its first meeting.

230  
00:17:26,378 --> 00:17:28,505  
Oh. They're here.

231  
00:17:30,299 --> 00:17:31,842  
All right. Everyone in the car.

232  
00:17:37,014 --> 00:17:38,724  
They should have come to us.

233  
00:17:40,517 --> 00:17:42,144  
This is neutral territory.

234

00:17:43,312 --> 00:17:46,148  
It's a lack of respect and trust,  
is what it is.

235

00:17:47,441 --> 00:17:53,280  
Well, just... Everybody stay calm, okay?  
This is a simple business arrangement.

236

00:17:54,364 --> 00:17:56,909  
All of life's  
a simple business arrangement.

237

00:17:57,367 --> 00:17:59,620  
That's why you prepare for anything.

238

00:18:22,976 --> 00:18:24,895  
-You must be Marty Byrde.  
-Yeah.

239

00:18:24,978 --> 00:18:26,855  
Helen Pierce.  
I'm the attorney for your employer.

240

00:18:29,566 --> 00:18:32,027  
Jacob Snell. My wife Darlene.

241

00:18:37,407 --> 00:18:38,700  
Where's Del?

242

00:18:40,744 --> 00:18:42,287  
I was hoping you could tell me.

243

00:18:44,123 --> 00:18:45,624  
Oh. Uh...

244

00:18:46,542 --> 00:18:47,835  
I assumed he'd be here.

245

00:18:51,505 --> 00:18:55,134  
We can't seem to locate him.  
Last we heard, he was in Chicago.

246

00:18:55,968 --> 00:18:59,221  
Okay. Well, what does that mean?

247

00:19:00,264 --> 00:19:01,765  
[Helen] It means we endeavor without him.

248

00:19:03,142 --> 00:19:06,353  
Trust me when I tell you that  
my client has a very deep bench.

249

00:19:08,355 --> 00:19:09,189  
Yeah.

250

00:19:09,565 --> 00:19:11,859  
Should we go inside?  
Discuss things more casually?

251

00:19:13,485 --> 00:19:14,486  
Good.

252

00:19:17,197 --> 00:19:19,950  
My client is prepared to offer  
an 80-20 split.

253

00:19:20,909 --> 00:19:22,119  
[Darlene] In whose favor?

254

00:19:24,079 --> 00:19:30,419  
Seems to me that 80-20 in either direction  
doesn't exactly speak to a partnership.

255

00:19:31,420 --> 00:19:34,798  
My client appreciates what a project  
this size must mean for you.

256

00:19:35,215 --> 00:19:38,719  
You're donating your land,  
but he's the one incurring all the risk.

257

00:19:38,802 --> 00:19:40,554  
-[Darlene] His risk?

-That's right.

258

00:19:41,138 --> 00:19:42,723  
From a pueblo in Mexico.

259

00:19:43,307 --> 00:19:44,766  
Financial risk.

260

00:19:44,850 --> 00:19:48,312  
Well, there's certainly plenty of risk  
to go around.

261

00:19:48,896 --> 00:19:52,024  
Not to mention the potential loss  
of reputation to my client

262

00:19:52,107 --> 00:19:54,735  
if he distributes  
a product that's inferior.

263

00:19:57,029 --> 00:19:58,030  
In...

264

00:20:00,115 --> 00:20:04,578  
[chuckles] I've been patient,  
and I have been respectful.

265

00:20:08,373 --> 00:20:11,627  
I suggest you do the same  
when you're talkin' about my business.

266

00:20:13,378 --> 00:20:17,007  
I am simply suggesting  
that all farms are unique.

267

00:20:17,424 --> 00:20:18,675  
Quality can vary.

268

00:20:20,469 --> 00:20:21,386  
Uh-huh.

269

00:20:26,892 --> 00:20:29,645

That can be tested, right? The quality?

270

00:20:30,395 --> 00:20:33,190

Quite frankly,  
my client and I both have doubts

271

00:20:33,273 --> 00:20:35,442

you can even deliver this casino.

272

00:20:36,360 --> 00:20:37,778

Okay. Why is that?

273

00:20:37,861 --> 00:20:40,614

'Cause Missouri has a cap on the number  
of casinos allowed to open?

274

00:20:41,406 --> 00:20:45,035

[Helen] Or the fact that the casino has  
to be actually physically completed

275

00:20:45,118 --> 00:20:46,912

before a bid can be approved?

276

00:20:46,995 --> 00:20:49,581

Which creates a huge financial risk  
for most people,

277

00:20:49,665 --> 00:20:54,670

but provides an opportunity  
to move cash for us.

278

00:20:54,753 --> 00:20:58,674

Don't forget about the political campaign  
needed to overturn that cap.

279

00:20:59,341 --> 00:21:01,843

It would take a seasoned pro, right?

280

00:21:02,261 --> 00:21:05,055

Someone like, say, my wife.

281

00:21:06,556 --> 00:21:11,186

So, my job is to deliver a casino.  
I can do that.

282  
00:21:11,270 --> 00:21:12,771  
You just need to make a fair deal.

283  
00:21:17,359 --> 00:21:20,237  
And to be clear,  
I'm gonna be taking 3% of the profits.

284  
00:21:20,570 --> 00:21:22,781  
Okay? That's my customary fee.

285  
00:21:22,864 --> 00:21:25,284  
I don't want anyone to think I'm being  
anything less than transparent.

286  
00:21:26,827 --> 00:21:30,038  
You do realize you're betting everything  
on being able to pull this off.

287  
00:21:30,664 --> 00:21:33,166  
Yeah.  
Six months you're gonna have a casino.

288  
00:21:37,212 --> 00:21:39,214  
Let me ask you, for the record,

289  
00:21:39,298 --> 00:21:42,092  
did Del say anything to you  
about going to Chicago?

290  
00:21:43,010 --> 00:21:43,844  
No.

291  
00:21:43,927 --> 00:21:46,888  
Because he was scheduled  
on a private jet to Mexico City.

292  
00:21:46,972 --> 00:21:49,266  
Changing plans would have been  
a breach of trust.

293  
00:21:50,100 --> 00:21:52,769  
My client is a man  
who demands absolute trust,

294  
00:21:52,853 --> 00:21:54,604  
as I'm sure you can appreciate.

295  
00:21:55,605 --> 00:21:56,940  
Of course.

296  
00:21:57,024 --> 00:22:01,278  
Don't fuck with me.  
And don't fuck with my client. Understand?

297  
00:22:03,780 --> 00:22:05,407  
They'll kill your children.

298  
00:22:05,490 --> 00:22:07,451  
They'll gut your fucking wife.

299  
00:22:09,870 --> 00:22:12,122  
Do you want me to tell you  
what they'll do to you?

300  
00:22:16,335 --> 00:22:17,502  
Okay.

301  
00:22:20,130 --> 00:22:21,340  
This was productive.

302  
00:22:26,762 --> 00:22:27,763  
[Wendy] Well?

303  
00:22:29,806 --> 00:22:32,351  
The last they heard, Del was in Chicago.

304  
00:22:32,893 --> 00:22:34,770  
[Wendy exhales]

305  
00:22:38,607 --> 00:22:40,400  
11:30 in the morning.

306  
00:22:42,611 --> 00:22:45,489  
Now we just have to pull off  
opening a fucking casino.

307  
00:22:54,247 --> 00:22:56,249  
[upbeat music playing]

308  
00:23:04,132 --> 00:23:06,635  
[Rose] I don't wanna get  
a bitch in trouble,

309  
00:23:06,718 --> 00:23:10,055  
but Cheyenne, she's turning tricks  
in the VIP room again.

310  
00:23:18,688 --> 00:23:19,815  
[Cheyenne moaning]

311  
00:23:19,898 --> 00:23:21,983  
-What the fuck? Get off!  
-[Cheyenne screams]

312  
00:23:22,067 --> 00:23:23,652  
[yells]

313  
00:23:23,735 --> 00:23:24,861  
[Ruth] What the fuck?

314

00:42:10,361 --> 00:42:13,280  
I would be more than happy  
to pay for any inconvenience.

628  
00:42:16,575 --> 00:42:19,161  
How's 500 grand?

629  
00:42:20,162 --> 00:42:22,540  
I'm sorry we couldn't come  
to an agreement.

630  
00:42:43,727 --> 00:42:47,147  
Dude, if you're with that bitch,  
I already said everything I had to say.

631  
00:42:49,441 --> 00:42:50,317  
Hey.

632

00:42:52,653 --> 00:42:55,447  
No, no, no, no, no. No, no.

633  
00:42:59,285 --> 00:43:00,578  
Don't kill me.

634  
00:43:08,210 --> 00:43:09,587  
[man groaning]

635  
00:43:09,670 --> 00:43:11,005  
[door closes]

636  
00:43:13,132 --> 00:43:14,717  
[door opens]

637  
00:43:28,230 --> 00:43:29,648  
[man gags]

638  
00:43:31,066 --> 00:43:32,318  
How about now?

639  
00:43:44,246 --> 00:43:48,000  
Tell me. How does a casino equate  
to a more simple family life?

640  
00:43:49,918 --> 00:43:55,257  
What we do for a living has  
absolutely no bearing on how we parent.

641  
00:43:55,341 --> 00:43:56,717  
And I refute anybody

642  
00:43:56,800 --> 00:43:59,762  
who says Christian values  
and capitalism can't coexist.

643  
00:44:02,306 --> 00:44:03,140  
[Marty] Hmm.

644  
00:44:03,974 --> 00:44:04,808  
[Wendy] Hmm?

645  
00:44:05,434 --> 00:44:06,852  
We are new to Missouri,

646  
00:44:06,935 --> 00:44:10,898  
but we understand business,  
and we understand the power of community.

647  
00:44:13,233 --> 00:44:15,444  
You said you worked in politics  
in Chicago?

648  
00:44:16,153 --> 00:44:16,987  
I did.

649  
00:44:17,613 --> 00:44:19,490  
[Wilkes] And you think  
you can sell me on this idea.

650  
00:44:19,573 --> 00:44:21,450  
-I do.  
-[Wilkes] Yeah?

651  
00:44:24,078 --> 00:44:25,329  
Enlighten me.

652  
00:44:28,415 --> 00:44:33,796  
Well, as Marty sort of  
skimmed the surface...

653  
00:44:33,879 --> 00:44:37,007  
[panting]

654  
00:44:42,513 --> 00:44:44,056  
-Ow.  
-[both chuckle]

655  
00:44:44,139 --> 00:44:45,474  
-Careful.  
-[laughs]

656  
00:44:45,557 --> 00:44:49,853  
Don't you dent my top-ranked minivan

in the US, okay?

657

00:45:07,621 --> 00:45:09,206  
Let's go. Out of the car.

658

00:45:09,289 --> 00:45:10,541  
Out of the car.

659

00:45:12,876 --> 00:45:13,877  
In the back seat.

660

00:45:29,143 --> 00:45:29,977  
You lied.

661

00:45:33,522 --> 00:45:36,608  
This is Del's credit card being used  
in Chicago.

662

00:45:37,818 --> 00:45:41,488  
I'm sure you can recognize that gentleman.  
He's rather distinctive.

663

00:45:46,785 --> 00:45:48,454  
Distinctively not Del.

664

00:45:52,124 --> 00:45:54,877  
-I had no idea--  
-[Helen] Oh, please.

665

00:45:54,960 --> 00:45:56,295  
For both our sakes.

666

00:45:57,129 --> 00:45:59,006  
We know you are not a killer.

667

00:46:00,340 --> 00:46:01,800  
You're a businessman,

668

00:46:02,801 --> 00:46:07,639  
which is why we are giving you an hour  
to negotiate reparations for Del's death.

669  
00:46:09,099 --> 00:46:11,018  
-One hour?  
-Mm-hmm.

670  
00:46:12,019 --> 00:46:14,813  
After that, I have to leave it  
to my associates outside.

671  
00:46:17,566 --> 00:46:19,234  
[Marty] Uh, well...

672  
00:46:23,197 --> 00:46:25,282  
Del was completely out of line.

673  
00:46:25,365 --> 00:46:29,453  
We had a deal made  
and then he started insulting the Snells.

674  
00:46:29,536 --> 00:46:32,247  
I don't doubt it. I knew Del.

675  
00:46:33,373 --> 00:46:34,625  
Nevertheless.

676  
00:46:39,171 --> 00:46:40,964  
What kind of deal  
are you willing to accept?

677  
00:46:42,424 --> 00:46:44,343  
I'll know it when I hear it.

678  
00:46:46,762 --> 00:46:47,763  
Okay.

679  
00:46:49,890 --> 00:46:50,849  
Okay.

680  
00:46:51,809 --> 00:46:53,227  
Let's go see the Snells.

681  
00:46:54,895 --> 00:46:55,729

Good.

682

00:46:56,313 --> 00:46:57,606  
[all laughing]

683

00:46:58,857 --> 00:47:00,359  
[Wyatt] So were you ever scared in there?

684

00:47:01,485 --> 00:47:04,988  
[Cade] Most of those boys don't really  
fight, they just push and shove.

685

00:47:07,783 --> 00:47:08,992  
But forget about me.

686

00:47:09,993 --> 00:47:12,913  
Tell me about you, boy.  
How's that local talent?

687

00:47:13,997 --> 00:47:17,125  
-What are you talking about?  
-Girls. Lakeside.

688

00:47:18,585 --> 00:47:20,212  
You managing to get your share?

689

00:47:20,295 --> 00:47:22,548  
[Wyatt] They don't pay  
much attention to me.

690

00:47:22,631 --> 00:47:26,176  
None of 'em? There must be at least one  
with some sense.

691

00:47:26,635 --> 00:47:29,054  
I don't know. Maybe one.

692

00:47:30,097 --> 00:47:31,431  
[laughing]

693

00:47:32,891 --> 00:47:34,226  
[Cade] Do tell.

694  
00:47:34,643 --> 00:47:36,186  
[Ruth] You need to go to sleep.

695  
00:47:36,812 --> 00:47:38,230  
It's a fucking school night.

696  
00:47:38,814 --> 00:47:39,773  
[Cade] Tell you what.

697  
00:47:40,607 --> 00:47:44,069  
We'll do a little business together,  
put some money in your pocket,

698  
00:47:44,611 --> 00:47:46,113  
let the girls notice...

699  
00:47:46,780 --> 00:47:48,073  
that bulge.

700  
00:47:48,156 --> 00:47:50,742  
[both laughing]

701  
00:47:51,827 --> 00:47:53,704  
-[Ruth] Classy.  
-[chuckling] Oh! Whoa!

702  
00:47:54,997 --> 00:47:56,832  
[Ruth] You're not supposed  
to drink on parole.

703  
00:47:56,915 --> 00:47:59,585  
Hmm. Girl thinks  
she's both our mamas.

704  
00:48:04,882 --> 00:48:05,716  
So...

705  
00:48:06,925 --> 00:48:09,303  
what do you think happened  
to your daddy, anyway?

706

00:48:09,386 --> 00:48:13,015  
How's he careless enough to go  
and get himself electrocuted?

707

00:48:13,098 --> 00:48:14,641  
That's not like him.

708

00:48:17,060 --> 00:48:19,104  
Yeah. I don't know.

709

00:48:19,897 --> 00:48:21,773  
Probably Boyd did something stupid.

710

00:48:21,857 --> 00:48:22,983  
[Cade] Yeah.

711

00:48:23,650 --> 00:48:24,568  
Mm-hmm.

712

00:48:25,110 --> 00:48:26,653  
Maybe it was Boyd.

713

00:48:30,407 --> 00:48:34,870  
Fuck it. I'm going to bed.  
Don't blame me if your mornings are shit.

714

00:48:38,123 --> 00:48:40,000  
-[Wyatt] Night!  
-Night.

715

00:48:41,335 --> 00:48:42,961  
[Jacob] What are they asking for?

716

00:48:44,046 --> 00:48:45,339  
Fair reparations.

717

00:48:46,048 --> 00:48:47,966  
The man violated a code.

718

00:48:49,384 --> 00:48:52,012  
The man was a top lieutenant

in a billion dollar business.

719

00:48:54,306 --> 00:48:55,474  
Thank you, Ash.

720

00:49:00,896 --> 00:49:02,439  
What are you suggesting?

721

00:49:03,607 --> 00:49:05,567  
You should offer them \$5 million.

722

00:49:06,985 --> 00:49:10,280  
-For that Mexican man?  
-[Wendy] Del had a wife and two children.

723

00:49:10,364 --> 00:49:11,406  
They're better off without him.

724

00:49:12,741 --> 00:49:14,451  
[Marty] We can't leave here  
without a solution.

725

00:49:15,035 --> 00:49:17,496  
[Darlene] There's nothing needs solving.

726

00:49:17,579 --> 00:49:20,832  
I take it they didn't give you  
clear guidelines.

727

00:49:23,919 --> 00:49:24,920  
What about \$4 million?

728

00:49:30,175 --> 00:49:33,303  
[Wendy] What if you adjusted  
your percentage in the casino?

729

00:49:33,971 --> 00:49:36,598  
Nothing comes out of your pocket  
until it makes money.

730

00:49:41,019 --> 00:49:45,899  
5%? 3%. That'd pay for

any misunderstanding in perpetuity.

731

00:49:45,983 --> 00:49:47,150  
[Darlene] It's weakness.

732

00:49:47,234 --> 00:49:48,068  
[Wendy] Your heroin.

733

00:49:49,152 --> 00:49:52,114  
Maybe you surrender profits  
on a certain number of shipments.

734

00:49:52,197 --> 00:49:55,033  
They'd still need to provide distribution.

735

00:49:55,117 --> 00:49:56,535  
[Marty] We could negotiate that.

736

00:49:56,618 --> 00:50:00,580  
[Darlene] Giving away our crop for free  
goes against the backbone of this deal.

737

00:50:00,664 --> 00:50:02,332  
You shot their man's fucking head off.

738

00:50:03,041 --> 00:50:06,336  
[Jacob] The man violated a code.  
That has a price...

739

00:50:07,713 --> 00:50:09,464  
but it's not ours to pay.

740

00:50:17,472 --> 00:50:19,141  
Jacob, there are Mexicans at your gate

741

00:50:19,224 --> 00:50:22,227  
that are ready to come up here  
and wipe us all out.

742

00:50:22,310 --> 00:50:23,854  
[Darlene] Let 'em come.

743  
00:50:25,814 --> 00:50:27,774  
[Wendy] You have got  
to think this through.

744  
00:50:29,609 --> 00:50:33,405  
The cartel has more men and more guns  
than you could ever have,

745  
00:50:33,488 --> 00:50:37,117  
and if it doesn't happen tonight,  
they'll just send more men.

746  
00:50:37,200 --> 00:50:40,620  
More and more and more.  
So, I'm begging you.

747  
00:50:42,831 --> 00:50:44,583  
We are begging you. We have two children.

748  
00:50:44,666 --> 00:50:49,296  
So, I ask you, just see this through.  
Just think it through.

749  
00:50:50,839 --> 00:50:52,049  
You need to go.

750  
00:50:53,842 --> 00:50:54,718  
Go.

751  
00:51:00,348 --> 00:51:01,683  
Don't do this.

752  
00:51:01,767 --> 00:51:04,770  
[Jacob] No more compromises,  
no more deals.

753  
00:51:05,645 --> 00:51:09,191  
Ash, escort them out. Get the men.

754  
00:51:12,903 --> 00:51:15,030  
-[grunts]  
-[Wendy yells] Oh!

755  
00:51:22,079 --> 00:51:24,122  
-[Wendy gasping] Oh, God.  
-[Marty] Jesus Christ.

756  
00:51:24,206 --> 00:51:25,207  
[Darlene] No!

757  
00:51:26,208 --> 00:51:28,919  
Jacob! No! No!

758  
00:51:29,002 --> 00:51:31,046  
[gasps] Ash! Ash!

759  
00:51:31,129 --> 00:51:33,715  
[breathing heavily]

760  
00:51:33,799 --> 00:51:35,425  
[Marty] Jesus Christ, Jacob.

761  
00:51:36,635 --> 00:51:37,636  
What the fuck?

762  
00:51:38,220 --> 00:51:39,304  
Why, Jacob?

763  
00:51:40,055 --> 00:51:41,098  
No. Ash.

764  
00:51:41,181 --> 00:51:43,058  
You killed their man, Darlene.

765  
00:51:43,141 --> 00:51:46,144  
-[Darlene whimpering] Shit.  
-Go on.

766  
00:51:46,269 --> 00:51:48,688  
This was the only thing  
that was gonna make it right.

767  
00:51:48,772 --> 00:51:49,981

And you know it.

768

00:51:52,776 --> 00:51:54,486  
Now, go get your Mexican.

769

00:51:55,278 --> 00:51:56,363  
[Darlene sighs]

770

00:51:57,989 --> 00:52:00,075  
[Marty] Come on. Yeah.

771

00:52:05,122 --> 00:52:06,748  
[Wendy] Excuse me. I'm sorry.

772

00:52:48,665 --> 00:52:50,083  
Is that what we wanted?

773

00:52:55,505 --> 00:52:57,299  
We didn't want anything.

774

00:53:02,345 --> 00:53:03,430  
[Wendy] So, that's it?

775

00:53:05,182 --> 00:53:08,268  
We go back in that house, go to bed,  
wake up in the morning, kiss the kids?

776

00:53:11,855 --> 00:53:13,773  
That's exactly what we do.

777

00:53:14,608 --> 00:53:18,236  
We make the pancakes, and ask the kids  
what's going on with school

778

00:53:18,320 --> 00:53:21,698  
and we just keep trying to figure out  
a way out of this, Wendy.

779

00:53:21,781 --> 00:53:23,033  
We're responsible.

780

00:53:24,284 --> 00:53:25,785  
-What for?  
-All of it.

781  
00:53:25,869 --> 00:53:26,703  
No, we're not.

782  
00:53:26,786 --> 00:53:29,539  
-Another man is dead.  
-Because of his choices.

783  
00:53:29,623 --> 00:53:32,751  
He didn't have to try  
to cover up a murder, okay?

784  
00:53:32,834 --> 00:53:35,837  
Just like Darlene didn't have to  
kill Del in the first place,

785  
00:53:35,921 --> 00:53:39,674  
or Russ and Boyd didn't have to decide  
to try to kill me,

786  
00:53:39,758 --> 00:53:42,886  
or Mason should have stayed out  
on the water.

787  
00:53:42,969 --> 00:53:45,180  
Should've stayed on the fucking water.

788
