EPISODE 2.03

"Once a Langmore..."

Wendy does damage control when Wilkes's pressure on Sen. Blake backfires. Rachel is sent on a mission. Ruth resists accepting her Langmore destiny.

EPISODE CAST

Jason Bateman	... Martin 'Marty' Byrde
Laura Linney	... Wendy Byrde
Sofia Hublitz	... Charlotte Byrde
Skylar Gaertner	... Jonah Byrde
Jason Butler Harner	... Roy Petty
Julia Garner	... Ruth Langmore
Charlie Tahan	... Wyatt Langmore
Peter Mullan	... Jacob Snell
Lisa Emery	... Darlene Snell
McKinley Belcher III	... Agent Trevor Evans
Henry Boston	... Kevin
Rowan Bousaid	... Yardie
Claire Bronson	... Susan Blake
Nancy De Mayo	... Elena Del Rio
Scott Deal	... Father Bill

1
00:00:11,177 --> 00:00:13,179
[chattering]

2
00:00:14,806 --> 00:00:16,641
[woman] Senator Blake, can we have a word?

3
00:00:16,725 --> 00:00:17,726
Yeah, the word is "no."

4
00:00:17,809 --> 00:00:19,436
The casino bill. You opposed it,

5
00:00:19,519 --> 00:00:21,104
called it another
Charles Wilkes boondoggle.

6
00:00:21,187 --> 00:00:22,480
Why'd you skip the vote?

7
00:00:22,564 --> 00:00:23,815
I had a family emergency.

8
00:00:23,898 --> 00:00:25,483
[woman] There are whispers
you made a deal with Wilkes.

9
00:00:25,567 --> 00:00:27,277
Whispers? Is that what passes
for reporting now?

10
00:00:27,360 --> 00:00:29,654
I'm giving you a chance
to clear the record, Senator.

11
00:00:30,655 --> 00:00:32,115
God damn it, do I need to call security?

12
00:00:32,198 --> 00:00:33,616
If you'd just make a statement.

13
00:00:33,700 --> 00:00:34,743

You want my statement?

14

00:00:34,826 --> 00:00:35,994
Here's my statement.

15

00:00:36,077 --> 00:00:38,121
The media can go fuck itself.

16

00:00:39,456 --> 00:00:41,708
Angie, call the Capitol Police.

17

00:00:44,085 --> 00:00:46,004
He is not gonna like how that looks
when it leads tonight.

18

00:00:46,087 --> 00:00:47,630
Do I really need to make this call?

19

00:00:47,714 --> 00:00:49,007
Okay, okay. We're leaving.

20

00:00:49,090 --> 00:00:50,008
But this is public property,

21

00:00:50,091 --> 00:00:51,217
-and the press is entitled--
-[gunshot]

22

00:00:51,301 --> 00:00:52,594
[gasps]

23

00:00:56,681 --> 00:00:57,807
[Angie] Oh, my God!

24

00:01:20,622 --> 00:01:22,624
[doorbell rings]

25

00:01:24,751 --> 00:01:26,836
-[Wendy] Have you seen it?
-[Wilkes] Yeah. Come on in.

26

00:01:26,920 --> 00:01:28,505
[Wendy] It's running non-stop.

27
00:01:29,380 --> 00:01:31,841
And that reporter
was asking about our bill.

28
00:01:32,425 --> 00:01:35,970
-She was asking about you.
-Yeah. She called me for a statement.

29
00:01:36,554 --> 00:01:37,555
[Wendy] What did you say?

30
00:01:38,056 --> 00:01:39,682
[Wilkes] What did I say?
That it was a tragedy.

31
00:01:40,266 --> 00:01:43,353
My prayers go out to his family.
[breathes deeply]

32
00:01:43,436 --> 00:01:46,356
Blake had a history of depression
and hospitalizations, okay?

33
00:01:46,439 --> 00:01:47,357
No one knew.

34
00:01:47,857 --> 00:01:50,443
It's a sad fact, but sometimes
depressed people kill themselves.

35
00:01:51,945 --> 00:01:53,571
That's what you had on him?

36
00:01:55,240 --> 00:01:57,283
His psychiatric record?
That's what you were gonna expose?

37
00:01:57,367 --> 00:02:00,203
He was in a business
where there's no room for secrets.

38
00:02:00,286 --> 00:02:01,371
You know that.

39
00:02:02,247 --> 00:02:03,706
Let me get you some coffee.

40
00:02:05,083 --> 00:02:06,084
[sighs]

41
00:02:08,294 --> 00:02:09,337
[Wendy] What is this?

42
00:02:13,800 --> 00:02:14,801
[Wilkes] Oh.

43
00:02:15,802 --> 00:02:18,513
I wasn't ready to quite talk
about it yet, but, uh...

44
00:02:18,596 --> 00:02:19,806
That's our casino.

45
00:02:19,889 --> 00:02:23,726
Yeah, plus a 300-room hotel,
upscale mall, green space.

46
00:02:23,810 --> 00:02:26,479
Hmm. I've been waiting for something.

47
00:02:27,355 --> 00:02:28,439
It's just business, Wendy.

48
00:02:28,523 --> 00:02:31,192
Well, have you talked to the Snells?
It's their land.

49
00:02:31,276 --> 00:02:33,486
-I was counting on you for that.
-You're counting wrong.

00:02:34,404 --> 00:02:37,824
[stammers] The Snells are proud people.
They will never sell.

51
00:02:37,907 --> 00:02:40,243
-They haven't heard my offer.
-It doesn't matter.

52
00:02:40,326 --> 00:02:43,037
-We can discuss other possibilities--
-There's nothing to discuss.

53
00:02:43,121 --> 00:02:44,539
This is what I want.

54
00:02:46,833 --> 00:02:48,209
I don't wanna fight with you.

55
00:02:48,793 --> 00:02:52,255
You and your husband need this casino.
I can deliver it, or I can kill it.

56
00:03:10,064 --> 00:03:12,275
[door opens]

57
00:03:13,234 --> 00:03:15,278
You can't just walk in here like this.

58
00:03:16,196 --> 00:03:17,280
What if I was dressing?

59
00:03:19,073 --> 00:03:21,868
[Cade] You really think I'm gonna
see something that shocks me?

60
00:03:23,661 --> 00:03:26,080
And you got a fucking job to see about.

61
00:03:29,375 --> 00:03:30,919
[breathes deeply]

62
00:03:33,421 --> 00:03:37,300

I'm sorry I laid hands on you.

63

00:03:42,513 --> 00:03:44,265
You sound like your brother.

64

00:03:44,349 --> 00:03:48,728
Hmm. I just gotta
get myself re-socialized, I guess.

65

00:03:49,229 --> 00:03:50,980
There is no excuse.

66

00:03:52,023 --> 00:03:53,983
-Hmm.
-Can you forgive me?

67

00:04:01,908 --> 00:04:04,786
You wanna talk about a house,
all that shit?

68

00:04:05,370 --> 00:04:06,412
I'll listen.

69

00:04:09,290 --> 00:04:10,458
No.

70

00:04:12,293 --> 00:04:13,419
You're right.

71

00:04:15,588 --> 00:04:17,173
That's not for us.

72

00:04:28,935 --> 00:04:31,145
[Marty] You know, obviously,
we're in the off-season now,

73

00:04:31,229 --> 00:04:32,814
so most of the work's
gonna be maintenance.

74

00:04:32,897 --> 00:04:34,983
[Cade] Seems to me the eaves need cleaning

75

00:04:35,066 --> 00:04:37,819
and the, uh, cabins could use
a fresh coat of paint.

76

00:04:37,902 --> 00:04:39,696
Looks like you haven't
winterized that dock, either.

77

00:04:39,779 --> 00:04:42,156
There's gonna be hell to pay
if we get an early ice storm.

78

00:04:42,240 --> 00:04:43,491
[Marty] Yeah, that's true.

79

00:04:43,574 --> 00:04:46,577
Listen, um, all that sounds perfect.
How soon can you start?

80

00:04:46,661 --> 00:04:48,955
[Cade] Oh, I'm not interested.

81

00:04:51,165 --> 00:04:54,836
Manual labor, weather stripping cabins,
roofing work...

82

00:04:54,919 --> 00:04:56,462
You ever done anything like that?

83

00:04:57,171 --> 00:04:58,548
Ruth said that you were looking for a job.

84

00:04:58,631 --> 00:05:04,012
No. I need a paycheck, an employer,
as per conditions of my parole.

85

00:05:05,805 --> 00:05:06,973
-I see.
-Mmm.

86

00:05:07,056 --> 00:05:09,392

You expect me to just give you that
without the work part of the work?

87

00:05:09,475 --> 00:05:12,395
It seems about right,
after all my daughter done for you.

88

00:05:15,440 --> 00:05:16,607
I'm not sure I follow.

89

00:05:16,691 --> 00:05:17,984
I think you do.

90

00:05:19,652 --> 00:05:23,990
Patricide was my crime.
I learned that word in the prison library.

91

00:05:24,073 --> 00:05:27,035
But what the fuck is the word
for a girl killing her uncles?

92

00:05:33,082 --> 00:05:35,084
I'm sorry things didn't work out
for you here.

93

00:05:37,628 --> 00:05:39,839
I'd think about that offer if I was you.

94

00:05:40,381 --> 00:05:41,591
[Marty] I don't need to.

95

00:05:42,884 --> 00:05:44,761
[woman] That's Elena Del Rio
under that veil,

96

00:05:44,844 --> 00:05:46,179
stepping out of an Escalade.

97

00:05:46,262 --> 00:05:48,389
Mexico's archbishop blessing her.

98

00:05:48,973 --> 00:05:51,934

Jorge Mendoza and a few others
entering the cathedral.

99

00:05:52,518 --> 00:05:55,938
They don't have a body, but this was
definitely Del's memorial service.

100

00:05:56,522 --> 00:05:58,191
[woman 2] Financial structure,
Agent Evans?

101

00:05:58,274 --> 00:06:00,401
We've made some progress from last time.

102

00:06:00,902 --> 00:06:04,447
We now know Paradise LP,
a limited Delaware company,

103

00:06:04,530 --> 00:06:07,533
is owned, at least in part,
by this numbered company

104

00:06:07,617 --> 00:06:08,993
that we've named El Diablo.

105

00:06:09,535 --> 00:06:10,870
Based in Mexico City.

106

00:06:10,953 --> 00:06:14,415
-Who's the other owner of Paradise?
-That's the billion dollar question.

107

00:06:14,499 --> 00:06:17,251
Some operating capital
recently came out of Bermuda

108

00:06:17,335 --> 00:06:19,462
by way of Singapore and Panama.

109

00:06:20,046 --> 00:06:22,632
A pattern that we're hoping
to trace to Martin Byrde.

110
00:06:22,715 --> 00:06:25,802
-[woman 2] Agent Petty?
-Uh, I have a good new CI.

111
00:06:25,885 --> 00:06:28,262
How's this one different than the last?

112
00:06:28,763 --> 00:06:30,306
Other than not being dead.

113
00:06:31,099 --> 00:06:34,560
Well, they're much closer to Byrde.
Better access to the books.

114
00:06:36,604 --> 00:06:37,772
Revised time line?

115
00:06:38,189 --> 00:06:40,108
A month to a warrant. Two, tops.

116
00:06:40,858 --> 00:06:42,735
[FBI agent] Agent Evans, do you concur?

117
00:06:44,404 --> 00:06:46,823
Two or three months seems possible.

118
00:06:51,369 --> 00:06:53,454
Do better than you've been doing.

119
00:06:55,873 --> 00:06:57,500
See you all in a month.

120
00:07:07,009 --> 00:07:09,762
[Petty clears throat] Hey.

121
00:07:11,556 --> 00:07:12,723
Thanks for the backup.

122
00:07:14,350 --> 00:07:15,560
With the shit you pulled,

123
00:07:15,643 --> 00:07:17,645
you're lucky
I haven't taken your knees out.

124
00:07:17,728 --> 00:07:18,729
[Petty scoffs]

125
00:07:19,981 --> 00:07:23,568
Well, what are you waiting for?
Go. Follow.

126
00:07:33,703 --> 00:07:34,996
[Marty] You mind telling me
what you were thinking

127
00:07:35,079 --> 00:07:37,707
by telling your dad about Russ and Boyd?

128
00:07:37,790 --> 00:07:41,085
I mean, isn't the idea that
if you wanna get away with something,

129
00:07:41,169 --> 00:07:42,336
you don't tell anyone?

130
00:07:43,087 --> 00:07:45,423
I don't know, Marty, if you say so.

131
00:07:45,506 --> 00:07:47,633
I must have ditched that day
in crime school.

132
00:07:47,717 --> 00:07:49,677
Hey, Ruth, he's using it
to try to extort me,

133
00:07:49,760 --> 00:07:51,971
so I'd like to know
why you decided to tell him.

134
00:07:52,054 --> 00:07:53,764
He figured it out, okay?

135
00:07:55,391 --> 00:07:57,894
-How?
-I don't know. He just did.

136
00:07:57,977 --> 00:08:00,146
Well, how did you explain
killing his brothers?

137
00:08:01,147 --> 00:08:04,859
I told him the truth.
I thought Russ was a fucking rat.

138
00:08:07,612 --> 00:08:08,488
What are you talking about?

139
00:08:10,198 --> 00:08:14,744
I found a bug in his trailer.
That shit didn't get there by accident.

140
00:08:14,827 --> 00:08:17,079
You found a bug in Russ' trailer?

141
00:08:17,163 --> 00:08:19,373
You didn't think that you should
mention that to me, Ruth?

142
00:08:19,957 --> 00:08:21,125
He's fucking dead.

143
00:08:21,751 --> 00:08:24,253
Okay, but whoever he was working with,

144
00:08:24,337 --> 00:08:26,506
unless you killed them too,
is probably still around.

145
00:08:26,589 --> 00:08:27,632
[man] Hello.

146
00:08:28,132 --> 00:08:29,800
We ain't open till 1:00.

147
00:08:31,427 --> 00:08:33,095
Hello. Anybody here?

148
00:08:33,179 --> 00:08:36,265
Touch-squirts always show up here early.
It's a fucking thing.

149
00:08:37,350 --> 00:08:40,061
-Black Label, rocks, Calvin?
-[Marty] Ruth.

150
00:08:40,144 --> 00:08:42,104
Hey. Ruth.

151
00:08:42,188 --> 00:08:44,273
-You Martin Byrde?
-Yeah.

152
00:08:45,983 --> 00:08:51,239
You're hereby shut down pursuant
to Missouri Statute 573537.

153
00:08:53,449 --> 00:08:54,617
"Improper layout"?

154
00:08:55,493 --> 00:08:58,621
Fire hazard.
Ingress and egress and all that.

155
00:08:59,121 --> 00:09:00,248
We'll just move some tables around.

156
00:09:00,331 --> 00:09:01,958
You're gonna have to take it up
with the state board.

157
00:09:03,751 --> 00:09:06,796
[man] There's missing fire-retardant
insulation in half the cabins.

158
00:09:06,879 --> 00:09:08,381

We also have concerns
about the dock wiring,

159

00:09:08,464 --> 00:09:09,674
considering the recent deaths.

160

00:09:09,757 --> 00:09:12,468
[Marty stutters] That wiring was fixed
the day after it happened.

161

00:09:12,552 --> 00:09:15,429
-I don't understand why that's a problem.
-Not by someone licensed by the county.

162

00:09:15,513 --> 00:09:16,472
Are you the owner?

163

00:09:16,556 --> 00:09:19,141
'Cause every piece of paper I have here
lists the owner as Rachel Garrison.

164

00:09:19,225 --> 00:09:22,061
Yeah, yeah. Well, she's...
You know, she's away, but I'm a partner.

165

00:09:22,144 --> 00:09:23,354
I'm a silent partner, so--

166

00:09:23,437 --> 00:09:26,232
Well, you can go back to being silent.
I need Miss Garrison.

167

00:09:27,858 --> 00:09:30,861
-[camera shutter clicks]
-Well, you know, she is away, sir.

168

00:09:30,945 --> 00:09:32,738
Well, I'd give her a call.

169

00:09:32,822 --> 00:09:35,241
Tell her she's shut down until she gets
in touch with our department.

170
00:09:35,324 --> 00:09:38,578
Shut down? Hang on.
She's not reachable, and I'm fully auth--

171
00:09:38,661 --> 00:09:39,662
[engine starts]

172
00:09:45,209 --> 00:09:46,252
[camera shutter clicks]

173
00:09:48,921 --> 00:09:49,964
[Marty] Hey, Tuck...

174
00:09:52,758 --> 00:09:54,427
when's the last time you spoke to Rachel?

175
00:09:56,512 --> 00:09:58,180
They hit the funeral home, too?

176
00:09:58,764 --> 00:09:59,599
What did they say?

177
00:09:59,682 --> 00:10:03,769
"Unusually high levels of dioxin
and mercury in the surrounding soil"?

178
00:10:03,853 --> 00:10:04,770
I mean, it's just...

179
00:10:06,230 --> 00:10:08,232
It's not a coincidence.
Somebody is targeting us.

180
00:10:08,816 --> 00:10:10,901
Could be whoever was working
with Russ Langmore.

181
00:10:11,402 --> 00:10:14,322
It's somebody with pull.
Three state agencies all at the same time?

182

00:10:14,739 --> 00:10:18,951
It's not the Snells. It's not KC mob.
They have no reason to hit us.

183
00:10:19,535 --> 00:10:20,661
What about Wilkes?

184
00:10:21,537 --> 00:10:22,455
[Marty] Wilkes?

185
00:10:23,706 --> 00:10:26,375
He finally made his ask.
I wasn't very receptive.

186
00:10:26,792 --> 00:10:28,252
What was his ask?

187
00:10:29,712 --> 00:10:32,715
He wants to build a hotel
and a shopping mall next to the casino.

188
00:10:34,258 --> 00:10:35,426
The Snells are never gonna go for that.

189
00:10:35,509 --> 00:10:37,970
That's what I told him.
And then he threatened us.

190
00:10:39,138 --> 00:10:42,099
So he's just gonna jam up hundreds
of thousands of dollars in cash,

191
00:10:42,183 --> 00:10:44,977
and I gotta explain that
to Chicago and to the Snells?

192
00:10:45,061 --> 00:10:47,688
-They're not gonna be happy about that.
-We can get another business.

193
00:10:48,272 --> 00:10:49,649
[Wendy] Where?

194
00:10:49,732 --> 00:10:51,233
I think I might have something.

195
00:10:51,317 --> 00:10:53,611
Well, appreciate it. Thank you, Ruth.

196
00:10:53,694 --> 00:10:55,196
But, you know,
we gotta get this up and running.

197
00:10:55,780 --> 00:10:57,114
Wendy, why don't you go
talk to Wilkes, please,

198
00:10:57,198 --> 00:10:58,532
and see if you can work something out.

199
00:10:58,616 --> 00:11:00,910
I'll see if the Snells
have any wiggle room at all.

200
00:11:00,993 --> 00:11:02,703
We've gotta go pick up the kids.

201
00:11:02,787 --> 00:11:04,622
[sighs] Fuck.

202
00:11:05,998 --> 00:11:07,541
[exhales]

203
00:11:08,125 --> 00:11:10,836
[Kevin] I don't see why I have to pay
for a B plus, dude.

204
00:11:11,754 --> 00:11:14,799
[Jonah] I wrote you an 89 paper.
You have a 78 average.

205
00:11:15,383 --> 00:11:17,760
C to an A too fast
and they're gonna find out.

206
00:11:17,843 --> 00:11:20,388
Then we're all screwed
and my business goes bust.

207
00:11:22,306 --> 00:11:24,642
I want a solid A
on my history project, though.

208
00:11:26,644 --> 00:11:28,771
-[Wendy] Where's your sister?
-[Jonah] Wyatt's.

209
00:11:30,022 --> 00:11:31,357
Is that a new friend?

210
00:11:31,857 --> 00:11:34,235
-Sorta.
-Oh.

211
00:11:50,251 --> 00:11:52,670
[wood creaking]

212
00:11:54,046 --> 00:11:57,425
-Well, what can I do for you?
-Hey, Taylor.

213
00:11:58,467 --> 00:12:01,137
Last I heard,
you were shooting your mouth off

214
00:12:01,220 --> 00:12:04,515
about demanding
that I deliver your boat myself.

215
00:12:05,015 --> 00:12:09,478
[Ruth] Well, I'm not here for that.
I got a business proposition.

216
00:12:10,271 --> 00:12:14,191
I heard you had money trouble,
and I wanna invest in your business.

217

00:12:14,275 --> 00:12:18,863
And here I was, all concerned
that you could pay your boat repair bill.

218
00:12:18,946 --> 00:12:21,031
I guess it must be my lucky day.

219
00:12:21,115 --> 00:12:24,368
Well, I'm working in an office:
Marty Byrde Enterprises.

220
00:12:24,452 --> 00:12:26,412
And he wants to invest in your business.

221
00:12:26,495 --> 00:12:27,788
You're serious?

222
00:12:27,872 --> 00:12:32,001
I can see rot and bend in these supports.

223
00:12:32,501 --> 00:12:34,920
And I bet you don't have money
for a breakwater.

224
00:12:35,004 --> 00:12:37,715
-[Taylor] Don't need one.
-[Ruth] That's where you're wrong.

225
00:12:37,798 --> 00:12:41,802
You've got all those fancy yachts
tooling around here during the summer.

226
00:12:42,178 --> 00:12:45,389
They can't even stop here for gas
if you got no breakwater.

227
00:12:45,473 --> 00:12:48,476
And we'll get you that breakwater
and that business.

228
00:12:48,976 --> 00:12:51,645
The place ain't for sale, Ruthie.

229

00:12:53,606 --> 00:12:55,191
We're not buying.

230

00:12:56,108 --> 00:13:00,571
We're just injecting some capital
in something we know can improve.

231

00:13:00,654 --> 00:13:01,781
Your boat's out back.

232

00:13:01,864 --> 00:13:05,409
I'll tell the boys to make sure you pay
before they give you the keys.

233

00:13:21,634 --> 00:13:23,135
[Wendy] Oh, Jesus, now what?

234

00:13:23,719 --> 00:13:26,597
[Marty sighs] Jonah, I want you
to go straight to your room, okay?

235

00:13:28,599 --> 00:13:30,601
Jacob. Darlene.

236

00:13:31,185 --> 00:13:32,895
You left a message for us.

237

00:13:32,978 --> 00:13:35,564
[Marty] Well, you didn't need
to respond in person. Hi.

238

00:13:35,648 --> 00:13:36,899
It sounded important.

239

00:13:37,650 --> 00:13:39,068
Well, uh, listen, it's cold.

240

00:13:39,151 --> 00:13:41,904
Why don't we go inside.
We can discuss it. Okay? Hi.

241

00:13:41,987 --> 00:13:44,865
It wouldn't have anything to do with
the man who showed up on our property,

242
00:13:44,949 --> 00:13:47,952
looking to turn our land
into a theme park, would it?

243
00:13:50,204 --> 00:13:51,872
You know what today is?

244
00:13:52,957 --> 00:13:53,791
No.

245
00:13:54,375 --> 00:13:56,001
I'll bet the boy knows.

246
00:13:57,753 --> 00:14:00,589
-First day of hunting season.
-Jonah, go inside.

247
00:14:00,673 --> 00:14:03,551
I haven't missed one in 50 years.

248
00:14:04,051 --> 00:14:05,803
I don't intend to start now.

249
00:14:07,096 --> 00:14:10,182
-So, what I suggest, Martin...
-[gun cocks]

250
00:14:10,266 --> 00:14:13,894
is you join us in the woods,
and we can talk privately.

251
00:14:14,311 --> 00:14:15,729
Get some things worked out.

252
00:14:17,439 --> 00:14:19,233
[Jonah] Is that a Remington 700?

253
00:14:19,316 --> 00:14:20,568

It is.

254

00:14:22,987 --> 00:14:26,532
Nightforce scope. You hunt, son?

255

00:14:26,615 --> 00:14:28,617
[Wendy] No. No, he doesn't.

256

00:14:28,701 --> 00:14:29,827
I'd like to.

257

00:14:30,661 --> 00:14:32,413
[Jacob] Go ahead. Now...

258

00:14:33,497 --> 00:14:37,293
all you gotta do is put the vest on.

259

00:14:37,376 --> 00:14:40,754
Well, our talk is about business,
and he's got schoolwork to do.

260

00:14:40,838 --> 00:14:41,922
No, I don't.

261

00:14:42,506 --> 00:14:44,216
[Jacob] He's old enough to learn our ways.

262

00:14:47,678 --> 00:14:50,431
-Jonah, honey, you're not going.
-[gun cocks]

263

00:14:52,141 --> 00:14:54,018
Anybody mind if I tag along?

264

00:14:55,269 --> 00:14:57,313
[Jacob] We move quick, old-timer.

265

00:14:57,897 --> 00:14:59,481
Not if you keep talking.

266

00:15:00,691 --> 00:15:01,734

Let's go.

267

00:15:21,295 --> 00:15:22,504
[gunshot in distance]

268

00:15:22,588 --> 00:15:25,215
[Jacob] So, he's shut down
your businesses.

269

00:15:25,758 --> 00:15:28,052
That means all our money's tied up.

270

00:15:28,135 --> 00:15:29,762
[Marty] Yeah, temporarily.

271

00:15:30,346 --> 00:15:31,263
Unacceptable.

272

00:15:32,139 --> 00:15:36,226
I know it.
Wilkes is definitely sending us a message.

273

00:15:37,061 --> 00:15:41,315
Well, maybe you need to send him one back.

274

00:15:41,398 --> 00:15:42,358
[gunshot in distance]

275

00:15:42,441 --> 00:15:45,653
Some people only respond
to a certain kind of pressure.

276

00:15:45,736 --> 00:15:48,864
Yeah. Well, listen,
we are going to need Wilkes

277

00:15:48,948 --> 00:15:51,825
to help push our bid
through the gaming commission,

278

00:15:51,909 --> 00:15:55,371
so, uh, maybe there is a middle ground.

279
00:15:56,038 --> 00:16:00,668
I'm not selling any more land, Martin.
We've sacrificed enough.

280
00:16:00,751 --> 00:16:01,752
[gunshots continue]

281
00:16:02,628 --> 00:16:06,048
Jacob, if he kills this bid,
it's gonna hurt us all.

282
00:16:06,131 --> 00:16:08,258
Not everything is negotiable.

283
00:16:08,342 --> 00:16:09,343
[loud gunshot]

284
00:16:10,719 --> 00:16:14,098
I gotta stop. [breathing heavily]

285
00:16:14,181 --> 00:16:16,058
Hold on. [sniffs, grunts]

286
00:16:16,141 --> 00:16:17,309
[Marty] Buddy, you all right?

287
00:16:17,393 --> 00:16:19,269
-You okay?
-[Buddy] Never better.

288
00:16:19,353 --> 00:16:22,523
-You tired?
-No. [exhales]

289
00:16:24,566 --> 00:16:27,277
-Getting close.
-Good, good.

290
00:16:27,361 --> 00:16:29,405
-Quiet.
-Yep.

291
00:16:33,575 --> 00:16:34,910
[Marty] Ready?

292
00:16:34,994 --> 00:16:36,078
[Jacob] The thing is, Martin...

293
00:16:38,205 --> 00:16:42,918
anyone who's your enemy is now our enemy.

294
00:16:44,920 --> 00:16:48,465
I appreciate that, but I don't need you
to do anything. I got this.

295
00:16:49,049 --> 00:16:53,679
You got 24 hours.
If you can't persuade him, we will.

296
00:17:03,856 --> 00:17:05,733
You know, I don't really believe
in this sort of thing.

297
00:17:06,316 --> 00:17:09,028
-No harm in trying.
-[gunshot in distance]

298
00:17:12,031 --> 00:17:15,284
-When will they be back?
-Well, it depends.

299
00:17:17,453 --> 00:17:19,329
Strong heart line...

300
00:17:20,748 --> 00:17:22,583
and long marriage.

301
00:17:24,585 --> 00:17:27,838
This little circle here indicates
there's been some sadness.

302
00:17:27,921 --> 00:17:30,591
-Yeah, that's true of any marriage.

-Yes, it is.

303

00:17:31,467 --> 00:17:34,386
Now, your lifeline got a couple
of breaks here.

304

00:17:35,929 --> 00:17:36,930
And...

305

00:17:39,933 --> 00:17:40,934
Huh.

306

00:17:41,977 --> 00:17:42,895
That's it.

307

00:17:43,437 --> 00:17:44,438
What?

308

00:17:45,522 --> 00:17:47,858
-What did you see?
-What does it matter?

309

00:17:47,941 --> 00:17:49,693
You don't believe in this, anyway.

310

00:17:49,777 --> 00:17:52,571
Come on. You can't do that.
What did you see?

311

00:17:56,116 --> 00:17:57,534
You lost a child.

312

00:18:06,543 --> 00:18:07,920
[rustling]

313

00:18:15,052 --> 00:18:16,470
[whispers] Nice-looking buck.

314

00:18:19,723 --> 00:18:21,850
No, let the boy take him.

315

00:18:28,649 --> 00:18:32,319
You don't have to do this, okay?
Don't feel any pressure.

316
00:18:53,006 --> 00:18:55,008
-[gunshot]
-[birds screeching]

317
00:19:10,524 --> 00:19:13,193
-Your boy's first kill.
-[Marty] Hmm.

318
00:19:13,277 --> 00:19:14,403
We believe in blood.

319
00:19:14,987 --> 00:19:17,739
[stutters] Oh, no, no.
We don't need the blood. Thank you.

320
00:19:17,823 --> 00:19:20,367
It'd be disrespectful to the deer.

321
00:19:21,451 --> 00:19:22,661
It's okay, Dad.

322
00:19:44,516 --> 00:19:46,143
My thighs feel like pillows.

323
00:19:46,226 --> 00:19:47,227
[Wyatt chuckles]

324
00:19:50,814 --> 00:19:54,818
Hey, how come in five months,
you've never tried to kiss me?

325
00:19:59,239 --> 00:20:00,115
[Wyatt] Uh...

326
00:20:03,619 --> 00:20:06,246
I don't wanna just be
some story you tell someday

327

00:20:06,330 --> 00:20:11,668
at some dinner party or whatever to...
[inhales sharply]

328
00:20:11,752 --> 00:20:16,924
I don't know, to show that you've got,
like, real grit in your life or something.

329
00:20:17,007 --> 00:20:18,008
[door opens]

330
00:20:18,091 --> 00:20:21,386
Jesus. You can't even fucking see in here.

331
00:20:24,723 --> 00:20:26,391
You're supposed to be writing your essay.

332
00:20:26,892 --> 00:20:29,269
It's in my head. [laughs]

333
00:20:31,438 --> 00:20:34,107
Can you excuse us for a second?

334
00:20:36,985 --> 00:20:37,945
Yeah.

335
00:20:39,780 --> 00:20:41,782
[Charlotte sighs]

336
00:20:52,251 --> 00:20:56,713
That girl never ever has to worry
about getting into a college.

337
00:20:57,631 --> 00:21:01,301
Her daddy can just donate
a fucking library or something.

338
00:21:01,385 --> 00:21:02,761
It's different for you.

339
00:21:02,844 --> 00:21:06,223
Yes, I'm well aware

that it's different, Ruth.

340

00:21:06,306 --> 00:21:09,226
No, you need to take your seat
at the fucking table, Wyatt,

341

00:21:09,309 --> 00:21:10,769
and make your place.

342

00:21:10,852 --> 00:21:13,772
Look, I got nothing to say to those people

343

00:21:13,855 --> 00:21:16,191
that'll change the way
that they see me, okay?

344

00:21:16,775 --> 00:21:20,570
Then be who they want, then. Pretend.
I don't know. Lie. Just...

345

00:21:21,488 --> 00:21:23,115
Just write the essay, okay?

346

00:21:27,202 --> 00:21:28,328
Where are you going?

347

00:21:28,412 --> 00:21:30,455
[Wyatt] I'll write the fucking thing.
I gotta drive Charlotte home.

348

00:21:30,539 --> 00:21:32,249
Wait. No, no, no. You're wasted.

349

00:21:32,332 --> 00:21:33,500
There's back roads.

350

00:21:37,629 --> 00:21:40,340
[doorbell rings]

351

00:21:43,844 --> 00:21:44,678
Mrs. Byrde.

352
00:21:45,679 --> 00:21:47,472
I wanna talk to Charlie.

353
00:21:48,640 --> 00:21:49,725
He's out of town.

354
00:21:49,808 --> 00:21:51,226
He's not returning my calls.

355
00:21:51,810 --> 00:21:53,812
Well, that probably means
he doesn't wanna talk to you.

356
00:21:54,980 --> 00:21:58,400
Now, if you don't mind,
I'm finishing up some work for him here--

357
00:21:58,483 --> 00:21:59,818
Is he shutting down our businesses?

358
00:22:00,402 --> 00:22:02,863
-I have no idea what you're talking about.
-You are full of shit.

359
00:22:02,946 --> 00:22:05,615
He is pressuring us
to get the Snells to sell him the land.

360
00:22:06,283 --> 00:22:09,745
-Has your answer changed?
-It's not possible.

361
00:22:10,329 --> 00:22:13,832
Mr. Wilkes doesn't believe
anything is impossible.

362
00:22:13,915 --> 00:22:16,793
That's why he's been
as successful as he's been.

363
00:22:16,877 --> 00:22:19,212
Well, he's behaving like a spoiled brat.

364
00:22:20,088 --> 00:22:21,631
I'll pass along your message.

365
00:22:54,247 --> 00:22:56,249
[door opens]

366
00:22:58,710 --> 00:23:00,003
-[door closes]
-Tuck?

367
00:23:16,269 --> 00:23:17,187
Hi.

368
00:23:19,856 --> 00:23:22,067
You got a lot of nerve,
calling me back here.

369
00:23:22,150 --> 00:23:24,569
-[scoffs] I've got nerve?
-That's right.

370
00:23:24,653 --> 00:23:27,155
You stole \$300,000 from me, Rachel.

371
00:23:27,239 --> 00:23:29,324
That I found in my wall of my business.

372
00:23:29,408 --> 00:23:33,370
Do you think that I'm afraid to tell
my partners that I lost their money?

373
00:23:33,453 --> 00:23:35,580
How does hanging from a bridge
sound to you?

374
00:23:35,664 --> 00:23:36,706
Fuck you, Marty.

375
00:23:37,290 --> 00:23:39,543
Hang on. Hey, hey. Rachel, Rachel.

376
00:23:43,004 --> 00:23:44,548
I'll keep them out of this

377
00:23:45,715 --> 00:23:48,927
if you help me
get this place up and running again,

378
00:23:49,010 --> 00:23:53,014
because apparently, you're the only person
that the inspector will deal with.

379
00:23:54,433 --> 00:23:55,559
Okay? Please?

380
00:23:56,476 --> 00:24:01,648
And I need you to be the face
of this place for an investigation.

381
00:24:04,401 --> 00:24:05,861
Who's investigating you?

382
00:24:06,945 --> 00:24:11,533
The gaming commission.
I'm opening a casino somewhere else.

383
00:24:12,826 --> 00:24:14,244
-Of course you are.
-Mm-hmm.

384
00:24:14,327 --> 00:24:16,663
Preying on addicts and hillbillies.

385
00:24:19,708 --> 00:24:22,502
For the record, I'm only here
'cause Tuck said he needed me...

386
00:24:22,586 --> 00:24:24,546
-Okay.
-to protect his job.

387
00:24:25,046 --> 00:24:26,214
You threaten him?

388
00:24:28,175 --> 00:24:29,426
Of course not.

389
00:24:31,511 --> 00:24:33,889
You don't even know what's a lie
and what's the truth, do you?

390
00:24:38,768 --> 00:24:40,353
[sighs]

391
00:24:40,437 --> 00:24:41,771
Oh, fuck. God.

392
00:24:42,564 --> 00:24:45,442
[gasps] Oh, you scared me.

393
00:24:49,154 --> 00:24:50,322
I couldn't sleep.

394
00:24:52,324 --> 00:24:53,617
Are you okay?

395
00:24:57,913 --> 00:24:58,997
You know...

396
00:25:00,999 --> 00:25:03,710
I only went hunting once as a kid.

397
00:25:07,631 --> 00:25:09,841
I couldn't do it again after that.

398
00:25:16,389 --> 00:25:18,391
Why did you ask me to kill that man?

399
00:25:20,435 --> 00:25:23,271
You nodded at me to pull the trigger,
and I did.

400
00:25:24,523 --> 00:25:26,816
Honey, I thought he was gonna kill us.

401
00:25:31,446 --> 00:25:35,617
If I'd done it, would you have thought
of me as a murderer?

402
00:25:35,700 --> 00:25:36,993
No, no.

403
00:25:38,662 --> 00:25:43,041
I would have thanked you
for your unbelievable bravery.

404
00:25:51,758 --> 00:25:53,843
Mind if I stay up a little longer?

405
00:25:58,807 --> 00:26:00,267
Can I sit up with you?

406
00:26:16,533 --> 00:26:18,785
[Marty] Okay. But, sir,
the weekend is the only time

407
00:26:18,868 --> 00:26:21,079
that the club makes any money
in the off-season.

408
00:26:23,039 --> 00:26:27,168
If you don't re-inspect,
then we can't get our clearance letter,

409
00:26:27,252 --> 00:26:29,921
and then we can't get our license back,
which means we can't re-open,

410
00:26:30,005 --> 00:26:32,465
so, you know,
I'll meet you anytime that you want.

411
00:26:34,092 --> 00:26:35,719
Great. Thank you.

412
00:26:36,219 --> 00:26:37,304

Prick.

413

00:26:37,846 --> 00:26:38,888
[knock on door]

414

00:26:40,223 --> 00:26:41,891
-Hello.
-Hi. Are you Wendy Byrde?

415

00:26:41,975 --> 00:26:44,269
-I am.
-I'm Janet Rayner with KZYO News.

416

00:26:44,352 --> 00:26:45,520
I know who you are.

417

00:26:45,604 --> 00:26:46,771
I was hoping
I could ask you a few questions

418

00:26:46,855 --> 00:26:48,481
about Charles Wilkes and Tim Blake.

419

00:26:49,983 --> 00:26:53,778
I'm sorry. [stutters]
I don't really have anything to say.

420

00:26:53,862 --> 00:26:56,072
You and Wilkes worked together
to pass a casino bill?

421

00:26:56,906 --> 00:26:59,784
Well, we have no official relationship
with Charles Wilkes.

422

00:26:59,868 --> 00:27:02,704
Okay, but unofficially,
you lobbied senators with Wilkes.

423

00:27:04,623 --> 00:27:06,207
I'm sorry, I have no comment.

424

00:27:06,291 --> 00:27:09,085
Mrs. Byrde, we can talk on background
or off the record if you want.

425
00:27:09,169 --> 00:27:11,046
I don't mean to be rude, but...

426
00:27:11,129 --> 00:27:13,089
I really think
you should leave the property now.

427
00:27:13,173 --> 00:27:14,799
Did you know that Tim Blake's widow

428
00:27:14,883 --> 00:27:17,260
is filing a wrongful death suit
against Charles Wilkes?

429
00:27:17,761 --> 00:27:19,137
That's crazy.

430
00:27:19,220 --> 00:27:21,056
She's going to announce it at his funeral.

431
00:27:21,931 --> 00:27:23,308
But he was clinically depressed.

432
00:27:24,017 --> 00:27:25,268
How do you know that?

433
00:27:28,021 --> 00:27:29,856
Thank you so much for stopping by.

434
00:27:57,050 --> 00:28:01,304
"A mortgage applicant agrees to pay
to consult an attorney.

435
00:28:01,388 --> 00:28:02,972
Do not sign.

436
00:28:06,059 --> 00:28:08,061
If this is..."

[continues reading indistinctly]

437

00:28:22,242 --> 00:28:23,451
I was just looking.

438

00:28:23,535 --> 00:28:25,161
Yeah, looking to move.

439

00:28:26,079 --> 00:28:31,167
You wanna lie to me, girl,
[breathes deeply] fine, I get it.

440

00:28:31,960 --> 00:28:33,545
But you're lying to yourself,

441

00:28:34,587 --> 00:28:37,257
and you're filling Wyatt's head
with lies, too.

442

00:28:38,383 --> 00:28:39,300
College.

443

00:28:39,384 --> 00:28:44,472
I have a real job, Daddy,
in an office, with responsibilities.

444

00:28:45,098 --> 00:28:48,768
Tell me what they've ever asked you to do
'sides their dirty work.

445

00:28:52,564 --> 00:28:56,401
You're a Langmore, baby girl.
You carry the weight of that name.

446

00:28:58,111 --> 00:29:01,823
I know it. The rest of the world knows it.

447

00:29:01,906 --> 00:29:06,035
Seems like the only one
who doesn't understand is you.

448

00:29:15,003 --> 00:29:16,963

[woman] So, you're here
to open a bank account.

449

00:29:17,464 --> 00:29:19,048
Yeah. I know I'm supposed
to have an adult present,

450

00:29:19,132 --> 00:29:21,301
but my mom's running errands.

451

00:29:21,384 --> 00:29:24,763
She gave me these papers and signed
all the forms she's supposed to.

452

00:29:25,722 --> 00:29:26,681
All right.

453

00:29:28,141 --> 00:29:30,018
Looks like everything is here.

454

00:29:32,645 --> 00:29:34,230
Filled out correctly.

455

00:29:34,898 --> 00:29:37,233
Let's just give your mom
a quick call to confirm.

456

00:29:37,317 --> 00:29:40,320
-What's her number?
-I have her on speed dial.

457

00:29:41,946 --> 00:29:44,073
-[line rings]
-[woman] Oh.

458

00:29:45,700 --> 00:29:46,785
[Charlotte] Hello.

459

00:29:46,868 --> 00:29:49,078
Hello. This is Connie at the bank.

460

00:29:49,162 --> 00:29:50,955

Hi. I'd be there myself,

461

00:29:51,039 --> 00:29:52,832
but I've been stuck
at the dog groomer's all day.

462

00:29:53,416 --> 00:29:55,502
He definitely has my permission.

463

00:29:55,585 --> 00:29:57,545
[Connie] And \$5,000 is correct?

464

00:29:58,421 --> 00:30:00,131
\$5,000, that's correct.

465

00:30:01,090 --> 00:30:02,967
[Connie] All right, well, thank you.

466

00:30:04,385 --> 00:30:06,012
Your mom sounds nice.

467

00:30:06,095 --> 00:30:07,180
It's the weekend.

468

00:30:07,263 --> 00:30:08,765
Do you have a passport?

469

00:30:08,848 --> 00:30:10,600
Oh, yeah.

470

00:30:11,643 --> 00:30:13,770
And what name
do you want the account under?

471

00:30:13,853 --> 00:30:16,189
Mine. Michael Fleming.

472

00:30:39,003 --> 00:30:41,005
[chattering]

473

00:30:41,089 --> 00:30:44,092

Hi. I'm looking for Mrs. Blake.

474

00:30:45,009 --> 00:30:46,094
I'm Susan Blake.

475

00:30:46,678 --> 00:30:49,514
Mrs. Blake, I am so sorry
for your loss. I...

476

00:30:50,807 --> 00:30:54,060
I wanted to come and pay my respects.
I'm Wendy Byrde.

477

00:30:54,936 --> 00:30:56,855
-Hi.
-This is a shepherd's pie.

478

00:30:56,938 --> 00:31:00,400
Oh. Thank you. Were you friends with Tim?

479

00:31:01,651 --> 00:31:02,652
We met once.

480

00:31:04,153 --> 00:31:05,738
I know this is a terrible time,

481

00:31:05,822 --> 00:31:07,949
but is there a place
we could speak privately?

482

00:31:09,284 --> 00:31:12,328
[Wendy] Oh, what a beautiful family.

483

00:31:12,412 --> 00:31:14,497
[Susan chuckles] Thank you.

484

00:31:14,998 --> 00:31:16,332
How did you know Tim?

485

00:31:17,375 --> 00:31:18,793
Uh... [sighs]

486
00:31:19,711 --> 00:31:22,297
To be honest, we were
on the opposite sides of an issue.

487
00:31:23,339 --> 00:31:24,173
Oh.

488
00:31:25,383 --> 00:31:27,760
He was against a bill I was backing.

489
00:31:27,844 --> 00:31:32,432
-[chuckles] Tim could be a tough opponent.
-Yes. Yes, he could.

490
00:31:32,515 --> 00:31:33,516
Are you a lobbyist?

491
00:31:34,434 --> 00:31:39,814
No. My husband and I own a company
that's investing in a new casino.

492
00:31:43,026 --> 00:31:45,028
You work with Charles Wilkes, don't you?

493
00:31:47,322 --> 00:31:48,865
We have mutual interests.

494
00:31:50,408 --> 00:31:52,911
You know I'm gonna sue him.
Wrongful death.

495
00:31:53,828 --> 00:31:54,787
I heard.

496
00:31:55,288 --> 00:31:57,790
-Hmm.
-And you'll lose.

497
00:31:59,334 --> 00:32:02,378
When a clinically depressed person
kills themselves,

498
00:32:02,879 --> 00:32:05,757
there's no way to win that case in court.

499
00:32:05,840 --> 00:32:07,425
I don't care.

500
00:32:08,176 --> 00:32:10,428
The corruption, that's what Tim
fought against his entire life,

501
00:32:10,511 --> 00:32:12,513
and at least now it'll be out
in the public.

502
00:32:12,597 --> 00:32:16,309
Charles Wilkes has the money to fight you,
and he will fight you.

503
00:32:17,185 --> 00:32:20,063
He will fight you until you are bankrupt.

504
00:32:20,563 --> 00:32:21,773
He killed my husband.

505
00:32:21,856 --> 00:32:23,066
Oh, Mrs. Blake...

506
00:32:25,693 --> 00:32:30,990
I am so sorry,
but he didn't kill your husband.

507
00:32:33,451 --> 00:32:35,203
[sighs]

508
00:32:36,204 --> 00:32:37,497
I have a brother.

509
00:32:37,997 --> 00:32:42,543
He is manic-depressive,
and he has been a mess his whole life.

510

00:32:43,044 --> 00:32:45,338
And I have spent much of my life
resenting him

511
00:32:45,421 --> 00:32:46,798
and what he put my family through.

512
00:32:46,881 --> 00:32:51,552
To me, he was indulgent,
and he was embarrassing,

513
00:32:51,636 --> 00:32:53,554
and, quite frankly, he was weak.

514
00:32:55,139 --> 00:32:56,140
[chuckles]

515
00:32:57,100 --> 00:32:59,560
And then, ten years ago,

516
00:32:59,644 --> 00:33:03,690
I fell into my own depression
when I lost a child.

517
00:33:04,816 --> 00:33:06,317
And I learned very quickly

518
00:33:06,985 --> 00:33:12,448
that depression
is not a passive, lethargic state.

519
00:33:13,199 --> 00:33:16,911
Far from it. It might seem that way
to people on the outside.

520
00:33:16,995 --> 00:33:22,041
But to the person depressed,
it is an active state of roiling pain

521
00:33:22,125 --> 00:33:25,712
from the tip of your hair
to the bottom of your feet.

522

00:33:26,838 --> 00:33:30,591
And I think, deep down, you know,

523

00:33:32,260 --> 00:33:34,262
probably more than anyone,

524

00:33:35,304 --> 00:33:37,765
that Charles Wilkes
didn't kill your husband.

525

00:33:38,891 --> 00:33:44,313
Tim killed himself
because he wanted the pain to stop.

526

00:33:44,981 --> 00:33:49,068
He just wanted it to end.
I mean, it feels like torture.

527

00:33:49,861 --> 00:33:51,404
That's why he killed himself.

528

00:33:53,031 --> 00:33:56,492
And... and we want to fund a foundation
in his name

529

00:33:56,576 --> 00:34:00,288
to take care of the mentally ill
in Missouri,

530

00:34:00,371 --> 00:34:04,042
with an emphasis
for those with depression.

531

00:34:05,001 --> 00:34:07,086
We're prepared to start
with a million dollars.

532

00:34:10,214 --> 00:34:12,884
-You're trying to buy me?
-Yes, I am.

533

00:34:14,510 --> 00:34:19,098

I am also trying to do some good here...

534

00:34:21,350 --> 00:34:23,644
so that Tim's suicide isn't in vain.

535

00:34:32,403 --> 00:34:33,863
Just think about it.

536

00:34:35,073 --> 00:34:36,199
Thank you for your time.

537

00:35:01,891 --> 00:35:04,185
[woman] I think this is a really great
opportunity for you.

538

00:35:04,268 --> 00:35:07,480
You can do so much with the landscaping
and the big trees.

539

00:35:07,563 --> 00:35:10,108
And you're really close
to everything, so...

540

00:35:10,191 --> 00:35:13,694
Thank you so much for coming.
It was great to meet you.

541

00:35:14,946 --> 00:35:16,239
Have a great day.

542

00:35:22,620 --> 00:35:26,624
Yeah. Well, I've tried everything, Jacob,

543

00:35:26,707 --> 00:35:30,044
and, uh, it's gonna be at least a week.

544

00:35:31,629 --> 00:35:33,798
Yes, I understand what that means.

545

00:35:47,478 --> 00:35:49,105
Hey, easy, creepy.

546
00:35:49,188 --> 00:35:51,899
A breast is a breast is a breast.

547
00:35:52,859 --> 00:35:54,944
It's not my sandbox.

548
00:35:57,655 --> 00:35:59,532
What time is he supposed to meet you?

549
00:36:00,575 --> 00:36:01,617
Nine.

550
00:36:03,119 --> 00:36:05,788
[Petty] This is
the "Terms of Compliance" letter.

551
00:36:08,666 --> 00:36:11,210
Just tell him you don't understand any
of the particulars.

552
00:36:14,255 --> 00:36:18,593
And try to act fucking natural.
Here, these will help.

553
00:36:20,136 --> 00:36:21,679
And what if he gets suspicious?

554
00:36:21,762 --> 00:36:25,433
This whole charade
was so he would come calling you,

555
00:36:25,516 --> 00:36:26,684
which he did.

556
00:36:29,395 --> 00:36:30,938
He's not gonna be suspicious.

557
00:36:32,023 --> 00:36:33,941
I hate your guts. You know that?

558
00:36:34,942 --> 00:36:36,444

That's my cue to go.

559

00:36:41,032 --> 00:36:47,788
[Jacob] Can you believe he spent \$10,000
on that toy hotel and paddle boat?

560

00:36:49,290 --> 00:36:52,919
The man thinks he can wow people
into acquiescence.

561

00:36:53,920 --> 00:36:55,671
So did Hitler.

562

00:36:55,755 --> 00:36:58,674
He held on to his power
'cause no one stood up.

563

00:36:59,258 --> 00:37:01,552
People ain't afraid of autocrats.

564

00:37:01,636 --> 00:37:03,971
People are afraid of being different
from their neighbors.

565

00:37:04,555 --> 00:37:10,436
I think we are actually preserving
democracy in the fine state of Missouri.

566

00:37:46,180 --> 00:37:47,098
Shit.

567

00:37:54,021 --> 00:37:56,023
[explosion]

568

00:37:58,818 --> 00:38:00,820
[both moaning and grunting]

569

00:38:02,196 --> 00:38:03,197
[Jacob] Come on!

570

00:38:05,616 --> 00:38:07,868
-[Jacob laughing]

-[Darlene moaning]

571

00:38:08,536 --> 00:38:09,662
[Jacob exhales loudly]

572

00:38:12,790 --> 00:38:14,792
[both breathing heavily]

573

00:38:16,669 --> 00:38:18,462
[both laughing]

574

00:38:18,546 --> 00:38:20,172
Oh, Darlene.

575

00:38:21,382 --> 00:38:25,886
-You are a marvel to me. You know that?
-Mmm.

576

00:38:27,305 --> 00:38:28,139
[Jacob sighs]

577

00:38:28,222 --> 00:38:31,892
-[Darlene] Oh, your heart.
-It's beating like a jackhammer.

578

00:38:31,976 --> 00:38:34,061
-[Darlene moans]
-[Jacob grunts]

579

00:38:34,145 --> 00:38:36,105
[both laughing]

580

00:38:41,110 --> 00:38:43,404
[Jacob grunts] Easy now. Easy.

581

00:38:44,697 --> 00:38:47,825
-Whoa! Don't take 'em with you.
-[both laugh]

582

00:38:48,784 --> 00:38:52,330
-[Jacob exhales, sighs]
-Mmm.

583
00:38:56,542 --> 00:38:58,878
You know what I've been thinking about?

584
00:39:00,046 --> 00:39:04,592
My mind is an empty shell right now.

585
00:39:07,553 --> 00:39:09,221
I want a baby.

586
00:39:16,854 --> 00:39:20,608
-Don't you think we're a little past that?
-Mnh-mnh.

587
00:39:21,192 --> 00:39:25,279
-Huh?
-There are millions of ways to get a baby.

588
00:39:26,655 --> 00:39:29,950
And I'd be a wonderful mother.

589
00:39:31,702 --> 00:39:33,079
[Darlene sighs]

590
00:39:39,668 --> 00:39:42,171
I'm serious, Jacob.

591
00:39:44,632 --> 00:39:49,804
What is the point of all this
if we got no one to leave it all to?

592
00:39:55,184 --> 00:39:56,143
Rachel?

593
00:39:57,019 --> 00:39:58,437
[Rachel] You're late.

594
00:40:03,401 --> 00:40:05,736
Oh. Turn the lights off, man.

595
00:40:06,320 --> 00:40:09,365

Come on.
The place is shut the fuck down anyway.

596
00:40:09,448 --> 00:40:10,366
You okay?

597
00:40:10,991 --> 00:40:12,243
Turn it off.

598
00:40:13,369 --> 00:40:14,286
Yeah.

599
00:40:16,956 --> 00:40:17,998
[Rachel] You're late.

600
00:40:18,916 --> 00:40:20,209
[Marty] I'm sorry about that.

601
00:40:22,837 --> 00:40:27,174
That's the... letters. Compliance or...

602
00:40:27,258 --> 00:40:30,469
-some shit. I don't really get it.
-It's a bunch of things they asked for.

603
00:40:30,553 --> 00:40:32,430
This should get it done.
What are you doing?

604
00:40:32,513 --> 00:40:33,514
What are you doing? Ow! Ow!

605
00:40:33,597 --> 00:40:35,099
-What the fuck are you doing?
-I'm just trying to see

606
00:40:35,182 --> 00:40:38,102
if Marty Byrde has some feelings.
That's all I'm trying to do.

607
00:40:38,185 --> 00:40:40,312
Ah, why don't we pick up

this conversation tomorrow?

608

00:40:40,396 --> 00:40:42,356

-Oh, shit.

-[Marty] Jesus.

609

00:40:42,440 --> 00:40:45,067

You all right? Hey. What's wrong with you?

610

00:40:45,151 --> 00:40:47,778

I mean, you wrecked my fucking life,
but I'm okay.

611

00:40:48,279 --> 00:40:51,073

[Marty] I wrecked your life?

All right, look. Come here. Come here.

612

00:40:52,241 --> 00:40:53,534

Let's get you to bed.

613

00:40:53,617 --> 00:40:55,870

Sleep this off a little bit, okay?

614

00:40:55,953 --> 00:40:57,079

-Come on.

-Okay.

615

00:40:57,163 --> 00:40:59,498

-[Marty] Come on.

-You do not get to see me naked.

616

00:40:59,582 --> 00:41:00,916

You had your chance.

617

00:41:01,500 --> 00:41:04,128

-I'm fine.

-[Marty] You're not fine.

618

00:41:04,211 --> 00:41:06,046

One foot in front of the other.

619

00:41:06,630 --> 00:41:09,258

-[Rachel] All right.
-I'll set you down. Come here.

620
00:41:09,341 --> 00:41:11,302
Come here. Right here.

621
00:41:11,385 --> 00:41:13,179
Slowly, slowly, slowly.

622
00:41:13,262 --> 00:41:15,181
-[Marty] Okay, all right?
-Okay.

623
00:41:15,264 --> 00:41:16,474
[Marty] Right there.

624
00:41:16,974 --> 00:41:18,476
-Thank you.
-Let go. Yeah.

625
00:41:18,559 --> 00:41:20,227
-Thank you.
-You all right?

626
00:41:24,565 --> 00:41:25,399
[Marty sighs]

627
00:41:26,984 --> 00:41:27,818
Yeah.

628
00:41:29,069 --> 00:41:30,905
You sleep this off.

629
00:41:31,489 --> 00:41:34,992
And you'll be back to normal, okay?

630
00:41:36,660 --> 00:41:37,953
All right.

631
00:41:38,037 --> 00:41:39,788
-Marty.
-Yep.

632
00:41:41,957 --> 00:41:43,250
They're gonna find you.

633
00:41:43,834 --> 00:41:44,668
Hmm?

634
00:41:44,752 --> 00:41:48,506
They're gonna lock you up.
Or they're gonna kill you.

635
00:42:37,555 --> 00:42:39,557
[engine revving]

636
00:43:10,421 --> 00:43:12,423
[line ringing]

637
00:43:14,800 --> 00:43:17,678
-Hello.
-What the fuck are you doing, Ruthie?

638
00:43:17,761 --> 00:43:20,806
I got \$50,000 worth of damage here
on my dock!

639
00:43:20,889 --> 00:43:23,851
I have not the slightest idea
what you're talking about.

640
00:43:23,934 --> 00:43:28,439
I was actually gonna call you to follow up
on our conversation from two days ago.

641
00:43:29,398 --> 00:43:30,566
Is now a good time?

642
00:43:31,150 --> 00:43:32,526
I ought to kick your ass.

643
00:43:32,610 --> 00:43:34,528
Your insurer will likely see

644

00:43:34,612 --> 00:43:37,740
that the damage was not caused
by an act of God,

645

00:43:37,823 --> 00:43:39,241
but a large boat.

646

00:43:39,825 --> 00:43:41,660
And if he's a suspicious type...

647

00:43:41,744 --> 00:43:43,787
You know those insurance fuckers.

648

00:43:43,871 --> 00:43:48,167
He might even think that it was caused
by a \$300,000 wake boat.

649

00:43:49,543 --> 00:43:53,297
No payout coming from Allstate,
if you know what I mean.

650

00:43:53,797 --> 00:43:58,594
So, one option is to declare bankruptcy,
of course,

651

00:43:58,677 --> 00:44:02,556
and the other is to take
what I offered you two days ago.

652

00:44:02,640 --> 00:44:06,810
Marty Byrde Enterprises
will replace all these boats out front

653

00:44:06,894 --> 00:44:08,937
before the owners know a thing.

654

00:44:09,521 --> 00:44:11,565
You're worse than your dad.

655

00:44:12,691 --> 00:44:14,485
We'll get you your breakwater.

656

00:44:19,948 --> 00:44:21,867
[Susan] Most of you knew Tim.

657

00:44:21,950 --> 00:44:25,954
When he believed in something,
nothing could dissuade him.

658

00:44:26,038 --> 00:44:29,249
-He was a bulldog with a bone. [chuckles]
-[congregation laughs]

659

00:44:30,542 --> 00:44:34,672
He loved being a senator,
serving his constituents.

660

00:44:36,131 --> 00:44:42,221
And he believed that systemic corruption
was destroying the thing he loved.

661

00:44:45,140 --> 00:44:46,558
What some of you may not know

662

00:44:46,642 --> 00:44:51,814
is that Tim also suffered...
from clinical depression.

663

00:44:53,941 --> 00:44:56,193
He was hospitalized several times.

664

00:44:56,902 --> 00:45:01,490
He didn't tell people, because he didn't
want to be defined by his condition.

665

00:45:02,533 --> 00:45:05,119
Now the reason I am telling you all this

666

00:45:05,202 --> 00:45:07,621
is because I have an announcement
to make today,

667

00:45:07,705 --> 00:45:09,540
and I think Tim would approve.

668
00:45:13,544 --> 00:45:16,130
We are starting the Tim Blake Foundation

669
00:45:16,213 --> 00:45:20,008
for the mentally ill
with a substantial endowment.

670
00:45:21,760 --> 00:45:23,554
As Father Bill says,

671
00:45:25,389 --> 00:45:29,643
"Though he were dead, yet shall he live."

672
00:45:33,689 --> 00:45:34,898
[Wendy] You owe me.

673
00:45:34,982 --> 00:45:36,316
Yeah, I owe you.

674
00:45:37,067 --> 00:45:39,653
You wouldn't know anything
about my boat being blown up, would you?

675
00:45:39,737 --> 00:45:42,364
About as much as you know
about my businesses being shut down.

676
00:45:43,282 --> 00:45:46,827
So, listen. I'm the one
who convinced Mrs. Blake not to sue.

677
00:45:48,495 --> 00:45:50,622
-The foundation? That was your idea?
-Mm-hmm.

678
00:45:50,706 --> 00:45:53,959
We told her we'd donate a million.
You're gonna pony up half.

679
00:45:54,042 --> 00:45:55,002
I am, am I?

680
00:45:55,502 --> 00:45:59,173
Unless you want to be sued for a lot more.
Dragged through the mud.

681
00:46:00,507 --> 00:46:02,885
Listen, the Snells are a no-go, but...

682
00:46:03,761 --> 00:46:06,722
we have 3% of the profit.
We're willing to give you 1.5%.

683
00:46:06,805 --> 00:46:08,557
-Oh.
-It's the best we can do.

684
00:46:08,640 --> 00:46:11,018
You're a very persuasive woman,
Wendy Byrde.

685
00:46:11,769 --> 00:46:12,978
What about my boat?

686
00:46:13,562 --> 00:46:15,189
That's why you have insurance.

687
00:46:16,273 --> 00:46:19,735
Hey, for the record,
I didn't close down your businesses.

688
00:46:20,527 --> 00:46:22,571
Someone's got you in their crosshairs.

689
00:46:23,197 --> 00:46:24,615
The commission's gonna come at you hard,

690
00:46:24,698 --> 00:46:26,533
and I hope you have
everything buttoned up.

691
00:46:27,993 --> 00:46:29,995
That's what we're working on now.

692

00:46:36,710 --> 00:46:39,379
-We own a dry storage business.
-Um, good. I need to talk to you.

693

00:46:39,463 --> 00:46:42,466
Or at least we're investors
in a dry storage business.

694

00:46:42,549 --> 00:46:44,134
All we just need is new hydraulics

695

00:46:44,218 --> 00:46:45,928
-and a shit-ton of dock repair.
-Can you hold on for one second?

696

00:46:46,011 --> 00:46:47,304
-And I figure we can make up...
-Let me...

697

00:46:47,387 --> 00:46:49,473
-Hey, Ruth.
-...for most of the laundering we've lost,

698

00:46:49,556 --> 00:46:51,642
with the businesses shut down,
just on repairs alone.

699

00:46:51,725 --> 00:46:53,560
Just stop for a second, okay?

700

00:46:53,644 --> 00:46:56,480
-Do you hear what I'm fucking saying?
-It's impossible not to.

701

00:46:56,563 --> 00:46:58,440
I got us a brand-new business

702

00:46:58,524 --> 00:47:00,400
-to launder through.
-Great!

703

00:47:00,984 --> 00:47:02,569
What the fuck is going on?

704
00:47:03,153 --> 00:47:06,782
We can't have you around the offices
for a little while, okay?

705
00:47:09,451 --> 00:47:11,161
Are you fucking firing me?

706
00:47:11,245 --> 00:47:14,581
No, I am not. The gaming commission
is launching, uh, an investigation.

707
00:47:14,665 --> 00:47:17,835
We can't have a convicted felon
on any paperwork. That's all.

708
00:47:17,918 --> 00:47:19,670
You're fucking firing me.

709
00:47:19,753 --> 00:47:21,672
Just in name.
You're still gonna manage the strip club.

710
00:47:21,755 --> 00:47:23,090
You're still gonna get paid. We just...

711
00:47:23,173 --> 00:47:25,592
We need to have somebody else
be the face of the place.

712
00:47:26,802 --> 00:47:27,678
Okay?

713
00:47:28,595 --> 00:47:30,097
-I get it.
-Good.

714
00:47:38,397 --> 00:47:40,023
[Rachel] Why are you yelling at me?

715

00:47:40,107 --> 00:47:42,192
Because he could've found the wire.

716
00:47:42,276 --> 00:47:43,193
He didn't.

717
00:47:43,694 --> 00:47:45,279
How the fuck do you know?

718
00:47:48,824 --> 00:47:52,578
-Hey, look, I am not cut out for this.
-I don't care.

719
00:47:56,373 --> 00:47:58,584
It just makes me hate myself so much.

720
00:48:11,430 --> 00:48:13,223
Do better than you've been doing.

721
00:48:22,107 --> 00:48:23,984
[Jacob] Here's to our working partnership.

722
00:48:24,484 --> 00:48:26,862
-[Marty] Yeah. Sure. Cheers.
-[clinking]

723
00:48:26,945 --> 00:48:30,198
Absolutely, and to us
being up and running again.

724
00:48:33,660 --> 00:48:35,579
We appreciate you understanding

725
00:48:35,662 --> 00:48:38,916
that sometimes diplomacy has
to take a back seat to action.

726
00:48:39,917 --> 00:48:42,669
Well, maybe there was
a little diplomacy, too.

727
00:48:43,295 --> 00:48:46,340

The point is,
the man shut down your businesses.

728
00:48:46,840 --> 00:48:49,509
And now he knows the cost
of stepping out of line.

729
00:48:49,593 --> 00:48:50,677
Ain't that right?

730
00:48:51,261 --> 00:48:52,971
Charles Wilkes won't be a problem again.

731
00:48:54,348 --> 00:48:58,268
You know, I thought you'd be a real cunt.

732
00:48:59,227 --> 00:49:00,562
I was wrong.

733
00:49:01,396 --> 00:49:02,314
[chuckles]

734
00:49:05,192 --> 00:49:09,988
[chuckles] Well, thank you.
Thank you. This is delicious.

735
00:49:10,697 --> 00:49:13,784
Don't thank us. Thank your boy.
He shot it.

736
00:49:23,377 --> 00:49:24,336
[Ruth] Wyatt.

737
00:49:27,756 --> 00:49:33,220
"You ask why I belong at Mizzou.
The simple answer is I don't."

738
00:49:33,303 --> 00:49:35,472
-[Wyatt and Three chuckle]
-[Three] Dude, you really wrote that?

739
00:49:38,767 --> 00:49:42,020

"An undercurrent of savagery
pervaded my life

740

00:49:42,104 --> 00:49:44,272
long before the violence truly began.

741

00:49:44,356 --> 00:49:49,027
My dad made grand theft auto
seem like a good career path,

742

00:49:49,611 --> 00:49:53,031
like we were entrepreneurs in a start-up.

743

00:49:53,115 --> 00:49:57,411
Only our start-up
was the motor of someone else's car

744

00:49:57,494 --> 00:49:59,287
or truck or boat."

745

00:50:01,665 --> 00:50:03,333
You shouldn't be saying this, Wyatt.

746

00:50:03,417 --> 00:50:05,043
Keep reading. It gets better.

747

00:50:07,713 --> 00:50:10,924
"My childhood traumas are not like yours.

748

00:50:12,467 --> 00:50:16,555
My mother's leaving
is not like your mother's leaving.

749

00:50:17,973 --> 00:50:22,060
You see, I'm a cursed Langmore,

750

00:50:22,644 --> 00:50:26,732
long inured to violence and death.

751

00:50:26,815 --> 00:50:31,653
'Taken too soon?'
people ask me of an untimely death.

752
00:50:32,529 --> 00:50:34,948
And in the case of a Langmore,

753
00:50:37,325 --> 00:50:39,578
perhaps not soon enough."

754
00:50:40,412 --> 00:50:42,039
[breathes deeply]

755
00:50:42,122 --> 00:50:44,374
You shouldn't be saying this shit, Wyatt.

756
00:50:44,458 --> 00:50:47,586
It sounds like you're ready
to off yourself,

757
00:50:47,669 --> 00:50:49,504
not get into college.

758
00:50:49,588 --> 00:50:51,715
I wrote the essay. I don't know
what else you want me to do.

759
00:50:51,798 --> 00:50:53,842
You're not fucking cursed, Wyatt.

760
00:51:02,392 --> 00:51:03,393
[slams door]

761
00:51:04,770 --> 00:51:06,772
[bobcats meowing]

762
00:51:28,085 --> 00:51:30,504
You believe in the Langmore curse?

763
00:51:31,630 --> 00:51:34,966
Walking the same fucking path
you always walked,

764
00:51:35,050 --> 00:51:37,719

'cause nothing's gonna change anyway.

765

00:51:39,596 --> 00:51:42,974
Are you losing your shit, baby girl? Hmm?

766

00:51:50,690 --> 00:51:55,487
To Hurn's, the dry dock
Russ and Boyd used to work at.

767

00:51:56,238 --> 00:52:00,575
You can make a job for yourself there.
Look all busy when your PO stops by.

768

00:52:01,201 --> 00:52:02,869
Look, I don't want to know
nothing about it.

769

00:52:02,953 --> 00:52:05,372
It ain't my business,
but, you know, after dark,

770

00:52:05,455 --> 00:52:10,210
if someone wanted to chop boats for parts,

771

00:52:10,293 --> 00:52:12,504
you could probably
make a fair amount of coin.

772

00:52:13,380 --> 00:52:15,590
I thought you didn't approve
of that shit no more.

773

00:52:18,426 --> 00:52:20,137
You want the keys or not?

774

00:52:50,876 --> 00:52:52,919
[meowing]

775

00:53:09,895 --> 00:53:11,479
Your fucking choice.
