Deal with it later.

169

00:13:11,957 --> 00:13:14,460  
[Wendy sighs and chuckles]

170

00:13:24,845 --> 00:13:28,974

As our Jewish brethren say, "To life."

171

00:13:29,058 --> 00:13:30,267  
[Wendy chuckles]

172

00:13:30,351 --> 00:13:31,435  
L'chaim.

173

00:13:37,441 --> 00:13:38,359  
[sighs]

174

00:13:39,401 --> 00:13:41,111  
[chuckles] It's good.

175

00:13:41,195 --> 00:13:44,073  
-Uh-huh. Been saving it.  
-[chuckles]

176

00:13:46,492 --> 00:13:52,248  
There was a French writer,  
long time ago...

177

00:13:56,293 --> 00:13:58,003  
I can't remember his name.

178

00:13:59,463 --> 00:14:02,299  
Well, I can't remember anybody's name.

179

00:14:03,634 --> 00:14:07,763  
Anyway, he was old for those days...

180

00:14:08,722 --> 00:14:10,266  
[clears throat] ...and very sick,

181

00:14:10,349 --> 00:14:14,937  
lungs and ticker all going,  
and he was stuck in bed.

182

00:14:15,729 --> 00:14:18,065  
Now, this guy's a loner all his life.

183

00:14:19,650 --> 00:14:21,986  
But he tells the lady taking care of him

184  
00:14:22,069 --> 00:14:25,614  
that he wants to see his friends,  
say goodbye.

185  
00:14:27,074 --> 00:14:33,080  
So she sends out word, and all his friends  
come to his little hovel,

186  
00:14:34,039 --> 00:14:37,585  
gather around his deathbed,  
telling stories.

187  
00:14:40,296 --> 00:14:41,672  
And you know what happens?

188  
00:14:44,592 --> 00:14:45,718  
What happens?

189  
00:14:47,511 --> 00:14:49,722  
-He doesn't die.  
-[chuckles]

190  
00:14:51,390 --> 00:14:56,896  
And then after a couple days, the friends,  
well, they leave. They have lives.

191  
00:14:59,106 --> 00:15:00,649  
And then he dies.

192  
00:15:02,109 --> 00:15:04,612  
Sad, but sweet.

193  
00:15:05,571 --> 00:15:11,827  
Because, when you think you're gonna  
die yesterday, today is sweet.

194  
00:15:16,415 --> 00:15:18,125  
So, hang in, Wendy.

195

00:15:20,544 --> 00:15:22,338  
Lose your shit tomorrow.

196  
00:15:24,256 --> 00:15:26,717  
Today's no day to fall apart.

197  
00:15:28,218 --> 00:15:29,803  
[chuckles and sniffles]

198  
00:15:56,080 --> 00:15:57,289  
They found my money.

199  
00:16:01,043 --> 00:16:03,212  
Well, maybe you shouldn't have  
kept it on a shelf.

200  
00:16:03,295 --> 00:16:05,839  
Mom asked if you knew anything about it,  
and I said no.

201  
00:16:06,423 --> 00:16:08,676  
-You should be thanking me.  
-Thanks.

202  
00:16:10,469 --> 00:16:11,804  
But you need to be really careful.

203  
00:16:13,222 --> 00:16:16,350  
We both do. Next time, give me your money.

204  
00:16:17,351 --> 00:16:19,561  
I created two shell companies like Dad's.

205  
00:16:20,896 --> 00:16:23,607  
The money's safe. It can't be traced.

206  
00:16:26,986 --> 00:16:30,572  
Do you think I could have some of it?  
For a van?

207  
00:16:32,783 --> 00:16:35,077  
-What?

-A van.

208

00:16:35,661 --> 00:16:39,081

I mean, you can live in it.

We can get away. You know?

209

00:16:39,999 --> 00:16:41,959

[stammers] I can't.

210

00:16:42,543 --> 00:16:43,877

But I gave it to you.

211

00:16:43,961 --> 00:16:46,255

But the money's tied up, Charlotte.

212

00:16:47,297 --> 00:16:48,841

It's safe, running interest.

213

00:16:53,345 --> 00:16:55,014

I want you to meet somebody.

214

00:16:56,598 --> 00:16:58,225

This here is Wally.

215

00:16:59,143 --> 00:17:04,398

Wally, say hello to Mrs. Snell.

Or maybe you could call her Darlene.

216

00:17:05,357 --> 00:17:07,901

Hello, Miss Darlene.

217

00:17:09,653 --> 00:17:11,447

[Jacob] Wally's come to help out a little.

218

00:17:12,865 --> 00:17:14,408

Help us out doing what?

219

00:17:15,409 --> 00:17:16,702

[Jacob] Help out.

220

00:17:16,785 --> 00:17:20,789

Spend time on the farm,  
around the house, learn our ways.

221

00:17:20,873 --> 00:17:23,459  
-Wouldn't that be good, Wally?  
-Yes, sir.

222

00:17:26,295 --> 00:17:29,548  
Wally was born near Linn.  
Lost both his parents.

223

00:17:30,049 --> 00:17:34,553  
Fell on hard times,  
but righted himself a little, didn't you?

224

00:17:34,636 --> 00:17:38,223  
-Would you excuse us for a minute, boy?  
-Yes, ma'am.

225

00:17:44,813 --> 00:17:47,399  
Why you bringing some kid  
into our kitchen?

226

00:17:47,483 --> 00:17:50,486  
He's a foster child, and I thought that...

227

00:17:51,070 --> 00:17:53,947  
if he likes us and we like him,

228

00:17:54,698 --> 00:17:57,910  
then maybe he might be...

229

00:17:58,577 --> 00:17:59,828  
Our heir?

230

00:18:01,663 --> 00:18:07,544  
No, I want a baby boy,  
someone we can mold.

231

00:18:10,839 --> 00:18:13,467  
We're gonna try this boy out, Darlene.

232

00:18:15,636 --> 00:18:16,929  
So, please...

233  
00:18:17,513 --> 00:18:20,474  
keep an open mind, please?

234  
00:18:21,141 --> 00:18:23,102  
-[knock on door]  
-[door opens]

235  
00:18:23,185 --> 00:18:24,728  
Oh.

236  
00:18:24,812 --> 00:18:26,063  
Am I interrupting something?

237  
00:18:27,147 --> 00:18:28,816  
You're interrupting nothin'.

238  
00:18:31,276 --> 00:18:34,113  
[Nix] FBI is all over Marty Byrde.

239  
00:18:34,696 --> 00:18:37,574  
He had a dozen men to his house.  
Took him in for questioning.

240  
00:18:37,658 --> 00:18:39,034  
[Jacob] I know all about it.

241  
00:18:39,618 --> 00:18:41,662  
Well, you need to know something else.

242  
00:18:41,745 --> 00:18:44,832  
These feds. They're not messing around.

243  
00:18:44,915 --> 00:18:47,626  
And they don't care much  
for local law enforcement.

244  
00:18:47,709 --> 00:18:48,961  
What are you saying?

245  
00:18:49,878 --> 00:18:55,134  
I'm saying that if the feds decide to come  
around here, there's not much I can do.

246  
00:18:56,093 --> 00:18:59,138  
May I remind you of your debt to us?

247  
00:19:00,597 --> 00:19:02,307  
That's why I'm here.

248  
00:19:03,684 --> 00:19:05,310  
But, like I said, I can't--

249  
00:19:05,394 --> 00:19:07,771  
I'd offer you coffee,  
but I just rinsed the pot.

250  
00:19:11,900 --> 00:19:13,443  
I'll be on my way, then.

251  
00:19:14,319 --> 00:19:15,654  
[Darlene] Oh, and, Sheriff.

252  
00:19:16,446 --> 00:19:18,490  
That boy on the porch? His name's Willy.

253  
00:19:18,574 --> 00:19:19,575  
Wally.

254  
00:19:20,784 --> 00:19:24,538  
On your way out, run him back down  
where he came from.

255  
00:19:27,374 --> 00:19:28,208  
All right.

256  
00:19:41,471 --> 00:19:43,140  
Sit on the other side.

257  
00:19:48,145 --> 00:19:49,479  
Who's Ruth Langmore?

258

00:19:51,815 --> 00:19:57,362  
We work together closely.  
She's very valuable. She's smart.

259

00:19:59,823 --> 00:20:01,116  
I shouldn't need to tell you this,

260

00:20:01,200 --> 00:20:04,286  
but if we get any indication  
that your loyalty isn't solid,

261

00:20:04,369 --> 00:20:06,496  
arrangements will be made.  
Do you understand that?

262

00:20:10,042 --> 00:20:12,502  
-I'm sorry, do you understand that?  
-Yeah, I understand that.

263

00:20:26,266 --> 00:20:28,310  
[Helen] Okay, so tell me  
about your computers.

264

00:20:28,393 --> 00:20:30,187  
What are they likely to find on them?

265

00:20:30,687 --> 00:20:32,898  
-Nothing.  
-You sure about that?

266

00:20:34,191 --> 00:20:35,776  
If they found anything,  
I wouldn't be sitting here.

267

00:20:35,859 --> 00:20:37,611  
Do you know that for a fact?

268

00:20:38,403 --> 00:20:41,198  
You know, I'd appreciate it  
if you didn't treat me like a child.

269

00:20:41,281 --> 00:20:44,076  
Speaking of, what about the money  
on your daughter's shelf?

270

00:20:44,159 --> 00:20:46,620  
-Is that my client's money?  
-It is not.

271

00:20:51,250 --> 00:20:55,254  
How much do they know,  
your son and daughter, about everything?

272

00:20:55,337 --> 00:20:56,588  
They don't know anything.

273

00:20:57,339 --> 00:20:59,591  
Well, as a parent,  
I find that implausible.

274

00:20:59,675 --> 00:21:01,426  
Kids see things. They hear things.

275

00:21:03,345 --> 00:21:06,181  
-What do your kids know?  
-This isn't about my kids.

276

00:21:06,265 --> 00:21:09,434  
They know that I'm opening a casino.  
They think the raid is connected to that.

277

00:21:09,518 --> 00:21:11,520  
Are you lying to protect them or yourself?

278

00:21:11,603 --> 00:21:15,482  
Your son pulled a gun  
on a federal agent, Marty. Pull over.

279

00:21:43,260 --> 00:21:44,511  
[lighter clicks]

280

00:21:52,352 --> 00:21:55,772  
My kids don't know I smoke. I hide it.

281

00:21:59,776 --> 00:22:01,236  
What about the Snells?

282

00:22:02,279 --> 00:22:03,113  
What about them?

283

00:22:03,697 --> 00:22:06,783  
The FBI sent half its Midwest dipshits  
to our little hamlet,

284

00:22:06,867 --> 00:22:10,537  
so I'd say we have a problem with their  
crop of opium poppies. Do you agree?

285

00:22:13,540 --> 00:22:14,875  
I agree.

286

00:22:18,879 --> 00:22:20,672  
I have a source  
at the US Attorney's office.

287

00:22:20,756 --> 00:22:22,257  
I can see if there's a warrant pulled.

288

00:22:22,924 --> 00:22:26,136  
Because if the FBI find our poppies,  
then our casino is dead.

289

00:22:26,219 --> 00:22:27,220  
And if our casino is dead--

290

00:22:27,304 --> 00:22:29,806  
Arrangements will have to be made.  
I wish you'd stop saying that.

291

00:22:29,890 --> 00:22:31,516  
Well, I really wish I didn't have to.

292

00:22:34,144 --> 00:22:38,065  
I'm loyal to you. I've been loyal to you  
for years, to a fault.

293  
00:22:38,648 --> 00:22:41,985  
If you have reason to suspect otherwise,  
I'd like to hear about it.

294  
00:22:42,069 --> 00:22:44,279  
Why do you think you're sitting in my car?

295  
00:22:54,122 --> 00:22:56,041  
Call the Snells. Set up a meeting.

296  
00:23:16,728 --> 00:23:18,897  
[Rachel] Um, all right, you guys good?  
Yeah?

297  
00:23:19,689 --> 00:23:20,816  
[man laughs]

298  
00:23:22,984 --> 00:23:25,237  
-What's up?  
-Have you seen Marty?

299  
00:23:27,072 --> 00:23:28,657  
-Mnh-mnh.  
-Have you heard?

300  
00:23:30,117 --> 00:23:33,370  
Just what everybody else heard.  
They raided the house.

301  
00:23:33,453 --> 00:23:35,956  
-What about you?  
-No, I haven't heard shit.

302  
00:23:36,039 --> 00:23:38,834  
I left Marty messages,  
but he hasn't called back.

303  
00:23:39,751 --> 00:23:41,086  
[Rachel] Hmm.

304  
00:23:44,089 --> 00:23:47,676  
He doesn't leave anything here, does he?

305  
00:23:48,844 --> 00:23:49,719  
Like what?

306  
00:23:50,303 --> 00:23:51,805  
I don't know. His shit?

307  
00:23:51,888 --> 00:23:56,351  
Shit that he doesn't want, you know,  
people to be going through, or...

308  
00:23:57,769 --> 00:24:01,523  
I mean, you think they got something  
on him, or...

309  
00:24:04,526 --> 00:24:07,821  
-Do you want something to drink?  
-No, no.

310  
00:24:07,904 --> 00:24:09,573  
[Rachel clears throat]

311  
00:24:10,365 --> 00:24:11,408  
Okay.

312  
00:24:13,994 --> 00:24:15,662  
You think they're gonna bring you in?

313  
00:24:16,288 --> 00:24:19,416  
They're more likely to bring you in,  
since you're his partner and all.

314  
00:24:19,499 --> 00:24:21,293  
You're his friend and partner  
in the strip club.

315  
00:24:21,376 --> 00:24:23,587  
Well, then he has a lot of partners.

316  
00:24:23,670 --> 00:24:25,630  
Sure fuckin' does.

317  
00:24:30,719 --> 00:24:32,679  
Hey, what would you do if he went down?

318  
00:24:36,683 --> 00:24:38,351  
I haven't thought that far.

319  
00:24:39,144 --> 00:24:40,228  
You should.

320  
00:24:41,855 --> 00:24:43,732  
You should get your story straight.

321  
00:24:45,233 --> 00:24:46,943  
I mean, fuck, we both should.

322  
00:24:48,445 --> 00:24:49,446  
[Ruth] Yeah.

323  
00:24:50,030 --> 00:24:52,365  
[Rachel] Like, if they ask what he does...

324  
00:24:55,869 --> 00:24:57,746  
Rachel sounds buzzed.

325  
00:24:58,705 --> 00:25:00,707  
She may have a little Oxy problem.

326  
00:25:01,833 --> 00:25:03,752  
-Roy--  
-Come on.

327

My client is extremely worried.

483

00:35:18,866 --> 00:35:20,618

We take no chances, okay?

484

00:35:20,701 --> 00:35:23,329

To us, the acceptable risk here is zero.

Got that?

485

00:35:24,288 --> 00:35:25,873

[engine starts]

486

00:35:38,594 --> 00:35:42,140

[Darlene] Your friend Wilkes,  
he funds that orphanage, doesn't he?

487

00:35:42,890 --> 00:35:43,975  
[Wendy] Uh-huh.

488

00:35:44,767 --> 00:35:48,479  
You think he could help me and Jacob  
find a baby?

489

00:35:50,731 --> 00:35:51,899  
I'm sorry.

490

00:35:52,483 --> 00:35:54,777  
A child, Wendy, a baby boy.

491

00:35:56,028 --> 00:36:01,367  
We'd take more kindly to destroying  
our field if you could get us a baby.

492

00:36:05,746 --> 00:36:08,583  
We've done a lot of things, Marty,  
things that we said we would never do.

493

00:36:08,666 --> 00:36:11,127  
But I am sorry. I am not gonna help  
that woman get a baby.

494

00:36:11,210 --> 00:36:13,087  
I would get them quadruplets  
if they would plow that field.

495

00:36:13,171 --> 00:36:15,256  
What does she think?  
She can just snap her fingers--

496

00:36:15,339 --> 00:36:16,883  
Who the hell knows?  
What else do you want to do?

497

00:36:16,966 --> 00:36:18,551  
-I don't know. I don't know.  
-[cell phone rings]

498

00:36:18,634 --> 00:36:19,635  
Hey, Ruth.

499

00:36:20,219 --> 00:36:21,596  
They're setting me up, Marty.

500

00:36:21,679 --> 00:36:24,807  
That fed Petty fuckin' blindsides me  
in the parking lot

501

00:36:24,891 --> 00:36:26,976  
and starts saying all this fuckin' shit.

502

00:36:27,059 --> 00:36:29,228  
[Marty] Listen, not now, okay?

503

00:36:29,312 --> 00:36:31,022  
You know I didn't talk to them, right?

504

00:36:31,105 --> 00:36:34,025  
-Hey, not over the phone.  
-All I'm just asking--

505

00:36:34,108 --> 00:36:36,444  
I said not over the phone.  
I'm gonna call you later.

506

00:36:37,195 --> 00:36:39,655  
-When?  
-Later. I'm hanging up now.

507

00:36:46,370 --> 00:36:48,664  
[muffled music playing]

508

00:37:07,183 --> 00:37:10,019  
[cell phone ringing]

509

00:37:15,274 --> 00:37:17,068  
-Hello.  
-[Ruth] Sam.

510  
00:37:18,194 --> 00:37:21,739  
Wait, why are you calling me?  
Aren't you, like, in the office right now?

511  
00:37:22,490 --> 00:37:24,450  
I need you to give me a ride home.

512  
00:37:26,285 --> 00:37:28,162  
Uh... okay.

513  
00:37:29,121 --> 00:37:31,290  
And I need you to pull around back.

514  
00:37:35,127 --> 00:37:36,212  
[exhales]

515  
00:37:49,183 --> 00:37:51,936  
Hey, guys,  
how's your day going so far?

516  
00:37:52,853 --> 00:37:55,898  
God, remember when waiters used to come up  
to the table,

517  
00:37:55,982 --> 00:37:58,609  
middle of your meal and ask you,  
"How is everything?"

518  
00:37:59,277 --> 00:38:01,737  
Now they have to ask,  
"How's everything tasting?"

519  
00:38:01,821 --> 00:38:05,616  
All because some poor bastard  
was probably fighting with his wife

520  
00:38:05,700 --> 00:38:07,660  
and yelled, "We're getting a divorce."

521  
00:38:07,743 --> 00:38:09,954  
Hey, I told you everything that I know  
this morning.

522

00:38:10,037 --> 00:38:12,748  
Oh, actually,  
I'm here to talk with Mrs. Byrde.

523

00:38:13,582 --> 00:38:17,420  
But if you both want to, that's okay, too.

524

00:38:17,503 --> 00:38:21,632  
Feel free to call your lawyer,  
and we can make it a double date.

525

00:38:21,716 --> 00:38:22,883  
Where do you want to do it?

526

00:38:23,467 --> 00:38:25,261  
[clicks tongue] Uh...

527

00:38:25,344 --> 00:38:27,513  
-Well, inside?  
-[Wendy] The kids are home.

528

00:38:28,014 --> 00:38:29,724  
Okay, right.

529

00:38:29,807 --> 00:38:31,809  
So, do you guys have an open marriage?

530

00:38:32,310 --> 00:38:36,022  
You know, some kind of arrangement?

531

00:38:37,106 --> 00:38:38,649  
What are you talking about?

532

00:38:39,358 --> 00:38:45,114  
Oh, Charles Wilkes?  
You call him Charlie in your email.

533

00:38:45,740 --> 00:38:47,241  
You two having an affair?

534

00:38:48,909 --> 00:38:51,704  
-Wow.  
-Sorry, you wanna do this inside?

535  
00:38:51,787 --> 00:38:53,205  
Ah, shit, the kids.

536  
00:38:53,289 --> 00:38:54,582  
Sorry about this, Marty.

537  
00:38:54,665 --> 00:38:56,459  
In one email to you, Wendy,

538  
00:38:56,542 --> 00:39:00,046  
Charlie talks about doing something  
that he shouldn't have,

539  
00:39:00,129 --> 00:39:04,425  
but that a part of him kind of thought  
you wanted him to.

540  
00:39:04,508 --> 00:39:08,971  
What did he do? Did he kiss you?  
He feel you up?

541  
00:39:10,639 --> 00:39:12,933  
Why don't you go fuck yourself?  
You're out of line.

542  
00:39:13,017 --> 00:39:15,811  
-This is an ethics violation.  
-You wanna hit me, Marty?

543  
00:39:15,895 --> 00:39:17,480  
It'd be a pretty bad idea,  
don't you think?

544  
00:39:17,563 --> 00:39:18,606  
Marty, it's okay.

545  
00:39:20,107 --> 00:39:21,901  
[chuckles] It's okay.

546

00:39:23,069 --> 00:39:25,946  
Well, it's kind of touching,

547

00:39:26,530 --> 00:39:31,243  
the way he still defends your honor.  
I mean, after what you did.

548

00:39:31,827 --> 00:39:33,120  
Who do you think you are?

549

00:39:33,204 --> 00:39:35,790  
[Petty] A federal agent conducting  
a criminal investigation.

550

00:39:35,873 --> 00:39:38,542  
And whether you've accepted it or not,  
you're a criminal, Wendy,

551

00:39:38,626 --> 00:39:39,794  
in serious trouble, I'd say.

552

00:39:39,877 --> 00:39:41,879  
In serious marital trouble,  
if I'm reading any of this right.

553

00:39:42,713 --> 00:39:45,049  
-Are you finished?  
-No, not quite.

554

00:39:46,425 --> 00:39:47,676  
Hmm.

555

00:39:51,764 --> 00:39:52,973  
I've seen it.

556

00:39:53,557 --> 00:39:54,475  
We've talked about it.

557

00:39:56,644 --> 00:39:57,853  
Really?

558

00:39:58,646 --> 00:39:59,605  
Wow.

559  
00:40:00,356 --> 00:40:01,607  
And what'd you say?

560  
00:40:02,566 --> 00:40:03,984  
You say that "I'm sorry"?

561  
00:40:04,068 --> 00:40:06,404  
[Wendy] You really think you can shame me?

562  
00:40:07,196 --> 00:40:09,323  
Shame us into witness protection?

563  
00:40:09,865 --> 00:40:12,743  
What's your angle here?  
Divide and conquer?

564  
00:40:13,244 --> 00:40:14,412  
[chuckles softly]

565  
00:40:14,495 --> 00:40:16,789  
Are you guys just staying together  
for the kids?

566  
00:40:17,832 --> 00:40:19,417  
Because if you really want  
to do them a favor,

567  
00:40:19,500 --> 00:40:22,294  
and by that I mean  
save their fucking lives,

568  
00:40:22,378 --> 00:40:24,130  
then get them out here right now.

569  
00:40:24,213 --> 00:40:27,633  
-We'll get in my car and get out of--  
-Get the fuck off our property.

570  
00:40:44,608 --> 00:40:46,444

Why would you save that video?

571

00:40:53,701 --> 00:40:56,787  
[door opens, closes]

572

00:41:13,888 --> 00:41:16,390  
-What are you doing?  
-[gasps]

573

00:41:16,474 --> 00:41:17,641  
What's it look like?

574

00:41:19,018 --> 00:41:20,102  
You hear from Marty?

575

00:41:20,603 --> 00:41:24,231  
-No, he won't talk over the phone.  
-He's right.

576

00:41:27,234 --> 00:41:28,569  
What's the matter with you?

577

00:41:29,069 --> 00:41:31,822  
-I got a bad feeling about this, Daddy.  
-Yeah?

578

00:41:32,448 --> 00:41:33,616  
Well, where you going?

579

00:41:34,450 --> 00:41:37,369  
-What?  
-You're packing. Where you going?

580

00:41:42,416 --> 00:41:43,542  
I don't know.

581

00:41:44,210 --> 00:41:45,544  
That's your first mistake.

582

00:41:46,378 --> 00:41:50,758  
And what'd I tell you? How many times?  
We don't rat, and we don't run.

583

00:41:51,258 --> 00:41:52,593  
You know why you don't run?

584

00:41:53,511 --> 00:41:54,803  
It makes you look guilty.

585

00:41:55,429 --> 00:41:58,182  
Now, did you rat anybody out?

586

00:41:59,225 --> 00:42:00,851  
Well, what are you worried about?

587

00:42:03,479 --> 00:42:04,730  
The cartel.

588

00:42:06,941 --> 00:42:08,567  
Maybe they think I ratted.

589

00:42:08,651 --> 00:42:12,154  
You ain't done nothin' wrong, Ruth.  
Okay?

590

00:42:12,905 --> 00:42:17,117  
There's one way in here and one way out.  
Plus, we got all manner of weaponry.

591

00:42:17,618 --> 00:42:20,246  
And it's dark. They don't know the layout.

592

00:42:21,121 --> 00:42:23,874  
If those Mexicans are stupid enough  
to come here half-cocked,

593

00:42:23,958 --> 00:42:26,168  
we'll take 'em out. Bim-bam-boom.

594

00:42:34,468 --> 00:42:35,553  
[zips bag]

595

00:42:35,636 --> 00:42:37,638

[man on TV] Starting now  
at their own 38.

596

00:42:38,138 --> 00:42:41,684  
Rogers in the shotgun looking around,  
trying to figure out the defense.

597

00:42:42,601 --> 00:42:45,604  
Good protection, looks right,  
plenty of time...

598

00:42:45,729 --> 00:42:46,814  
[door opens]

599

00:42:52,069 --> 00:42:53,279  
[Marty] Hey, Buddy.

600

00:42:53,862 --> 00:42:55,030  
What's the score?

601

00:42:55,656 --> 00:42:58,951  
By the time you're in the ground,  
there won't be any football.

602

00:42:59,994 --> 00:43:01,662  
Not like this, anyway.

603

00:43:02,663 --> 00:43:05,332  
National Flag Football League.

604

00:43:06,542 --> 00:43:08,419  
Glad I won't have to see that.

605

00:43:13,757 --> 00:43:14,925  
What's going on?

606

00:43:16,802 --> 00:43:19,179  
I gotta do something  
about those poppy fields.

607

00:43:20,264 --> 00:43:22,141  
-Snells?

-Mm-hmm.

608

00:43:23,684 --> 00:43:25,686

-What are you gonna do?

-I don't know.

609

00:43:27,229 --> 00:43:29,231

I'm tired of playing  
monkey in the middle, though.

610

00:43:30,441 --> 00:43:34,570

[sighs] Yeah, well, that's because  
you're trying to please everybody,

611

00:43:34,653 --> 00:43:37,406

and it's not goddamn possible.

612

00:43:38,490 --> 00:43:39,950

You gotta act.

613

00:43:40,993 --> 00:43:43,287

And let everybody else react.

614

00:43:45,789 --> 00:43:47,625

[doorbell rings]

615

00:44:01,889 --> 00:44:04,642

If there are children in the house,  
they should go to their rooms.

616

00:44:16,945 --> 00:44:18,364

[Wendy] How can we help you?

617

00:44:21,825 --> 00:44:23,160

What's going on?

618

00:44:25,996 --> 00:44:28,874

Is this Ruth? Talking to that fed?

619

00:44:39,718 --> 00:44:42,346

I'd say we have a problem, wouldn't you?

620

00:44:43,263 --> 00:44:44,598  
[Wendy] Seriously? Ruth?

621

00:44:46,517 --> 00:44:48,060  
-Do you trust her?  
-Absolutely.

622

00:44:48,143 --> 00:44:51,188  
What about you, Marty?  
Do you trust her with your life?

623

00:44:56,610 --> 00:44:57,486  
Yeah.

624

00:44:59,655 --> 00:45:00,489  
You hesitated.

625

00:45:01,073 --> 00:45:03,117  
-You can trust her.  
-[Helen] Why did you hesitate?

626

00:45:04,993 --> 00:45:07,037  
[Marty] I was considering the question,  
Helen.

627

00:45:21,760 --> 00:45:23,470  
[cell phone rings]

628

00:45:28,851 --> 00:45:30,728  
-Marty.  
-Hey, where are you right now?

629

00:45:31,395 --> 00:45:34,106  
-I'm home. Where do you think?  
-You gotta get out of there.

630

00:45:34,189 --> 00:45:36,108  
I need you to meet me somewhere, in town.

631

00:45:37,192 --> 00:45:39,027  
What, now? Why?

632

00:45:39,111 --> 00:45:40,988  
Behind the movie theater, that lot?

633

00:45:41,071 --> 00:45:43,073  
What the fuck's going on, Marty?

634

00:45:43,157 --> 00:45:44,867  
Ruth, meet me.

635

00:45:44,950 --> 00:45:47,661  
No. I'm staying put.

636

00:45:47,745 --> 00:45:49,872  
Fine, don't move.  
I'm gonna be right there.

637

00:45:50,622 --> 00:45:52,541  
Marty, they will kill her.

638

00:45:53,667 --> 00:45:55,377  
Why did you hesitate?

639

00:45:56,670 --> 00:45:57,880  
She tried to kill me.

640

00:45:59,256 --> 00:46:01,925  
-What?  
-Ruth tried to kill me.

641

00:46:02,968 --> 00:46:05,262  
Bruce turned on me. You cheated on me.

642

00:46:05,971 --> 00:46:07,681  
Maybe I'm not the best judge of character.

643

00:46:21,528 --> 00:46:22,780  
[Charlotte] Close the door.

644

00:46:31,538 --> 00:46:32,873  
[sighs]

645  
00:46:34,082 --> 00:46:37,711  
Mom... Mom had an affair.

646  
00:46:40,506 --> 00:46:43,509  
-What? With who?  
-I don't know.

647  
00:46:46,678 --> 00:46:49,890  
-How do you know?  
-I just heard them talking about it.

648  
00:46:51,558 --> 00:46:53,185  
-Who, her and Dad?  
-Yes.

649  
00:46:55,437 --> 00:46:58,941  
He said, "You cheated on me."  
And she didn't even say anything.

650  
00:46:59,024 --> 00:47:00,776  
I mean, she didn't even deny it.

651  
00:47:03,070 --> 00:47:03,987  
So...

652  
00:47:05,864 --> 00:47:07,241  
what do you think's gonna happen?

653  
00:47:07,741 --> 00:47:08,867  
I don't know.

654  
00:47:10,953 --> 00:47:14,790  
You don't think they'll split up  
or something?

655  
00:47:16,416 --> 00:47:17,626  
[exhales deeply]

656  
00:47:21,839 --> 00:47:22,923  
That van...

657

00:47:24,591 --> 00:47:25,759  
How much does it cost?

658

00:47:38,605 --> 00:47:40,816  
[Buddy] Nobody's functioning around here.

659

00:47:44,403 --> 00:47:46,196  
Put the pasta in, Wendy.

660

00:47:51,493 --> 00:47:53,829  
-[Wendy] Are you hungry?  
-No.

661

00:47:54,746 --> 00:47:56,331  
[water running]

662

00:47:59,668 --> 00:48:01,753  
You know, there's a lot going on.

663

00:48:03,088 --> 00:48:05,632  
And when that's happening,  
and you don't know what to do,

664

00:48:06,633 --> 00:48:10,762  
you do what's right in front of you.  
You understand?

665

00:48:13,348 --> 00:48:14,600  
I like Marty.

666

00:48:15,809 --> 00:48:17,269  
But he thinks too much.

667

00:48:17,895 --> 00:48:19,313  
He's got to act.

668

00:48:21,857 --> 00:48:23,150  
Somebody does.

669

00:48:47,674 --> 00:48:48,884  
That fuckin' fed, Marty,

670

00:48:48,967 --> 00:48:52,262  
had me outside the strip club,  
saying that I murdered Russ and Boyd.

671

00:48:52,346 --> 00:48:55,057  
Yeah? If he had any evidence,  
you'd already be arrested.

672

00:48:55,140 --> 00:48:58,310  
What about the cartel, Marty?  
He said that they're gonna kill me.

673

00:48:58,810 --> 00:49:01,188  
So? It's all part of the same thing.  
That's just his play.

674

00:49:01,271 --> 00:49:02,105  
He's trying to scare you.

675

00:49:02,189 --> 00:49:04,399  
He's trying to shake us all up  
so that we turn on each other.

676

00:49:04,483 --> 00:49:06,693  
Did you say something to him?

677

00:49:07,611 --> 00:49:08,445  
What?

678

00:49:09,029 --> 00:49:13,742  
Did you try to kill me last August  
on my dock?

679

00:49:14,326 --> 00:49:16,954  
Your car broke down. I loaned you the van.

680

00:49:18,455 --> 00:49:20,415  
Did you wire that dock? Yes or no?

681

00:49:24,211 --> 00:49:25,462  
It was a long time ago.

682  
00:49:26,046 --> 00:49:29,591  
No, it was not. It was three months ago.  
You were working for me. Come on.

683  
00:49:29,675 --> 00:49:31,718  
[Ruth exhales slowly]

684  
00:49:31,802 --> 00:49:34,346  
Hey, I need to know if I can trust you.

685  
00:49:34,429 --> 00:49:37,307  
Our lives are on the line,  
both of our lives.

686  
00:49:38,934 --> 00:49:39,768  
Okay?

687  
00:49:40,352 --> 00:49:46,149  
I swear to God, Marty. You can trust me.  
I swear on my life.

688  
00:49:47,150 --> 00:49:48,694  
I swear on Wyatt's life.

689  
00:49:56,827 --> 00:49:58,870  
-[Marty] Cade. You don't need that.  
-[gun cocks]

690  
00:49:58,954 --> 00:50:00,664  
-[Cade] Yeah, I do.  
-[Marty] Cade.

691  
00:50:00,747 --> 00:50:02,874  
[Cade] No. Done talking.

692  
00:50:03,709 --> 00:50:04,710  
Got this.

693  
00:50:06,586 --> 00:50:09,506  
-[Helen] Drop it.  
-[Cade] Get the fuck off my property.

694

00:50:15,220 --> 00:50:16,972  
-[Helen] Drop it.  
-Cade.

695

00:50:26,023 --> 00:50:28,608  
[Marty] You can trust her.  
I just talked to her.

696

00:50:29,109 --> 00:50:31,028  
Well, you weren't so sure an hour ago.

697

00:50:32,446 --> 00:50:34,197  
Well, we'll know soon enough.

698

00:50:34,990 --> 00:50:38,160  
-[stammers] You told 'em I was here?  
-No.

699

00:50:38,243 --> 00:50:39,870  
[Ruth] Then how do they know where I live?

700

00:50:39,953 --> 00:50:41,872  
[Marty] They know where everybody lives,  
all right, Ruth?

701

00:50:41,955 --> 00:50:43,874  
[Cade grunting] Fuck off!

702

00:50:43,957 --> 00:50:45,792  
You little-- fucking Marty.

703

00:50:49,588 --> 00:50:53,258  
Let go of me! No! No!

704

00:50:54,301 --> 00:50:56,136  
Stop! Don't!

705

00:50:57,763 --> 00:50:59,097  
[grunting]

706

00:51:01,058 --> 00:51:02,184

Let go!

707

00:51:07,981 --> 00:51:09,024  
[Ruth] Let go!

708

00:51:11,902 --> 00:51:12,986  
Let go of me!

709

00:51:29,044 --> 00:51:32,214  
-[man] Name?  
-It's Wendy Byrde, for Darlene.

710

00:51:50,732 --> 00:51:54,820  
-You don't have to do this.  
-It was my idea, God damn it.

711

00:52:01,284 --> 00:52:02,369  
[Buddy] Go, go.

712

00:52:16,299 --> 00:52:18,969  
-[Ruth coughing]  
-[Helen] Are you working for the FBI?

713

00:52:19,052 --> 00:52:20,512  
[Ruth] No! No!

714

00:52:20,595 --> 00:52:23,515  
Have you ever spoken  
to Agent Petty before today?

715

00:52:23,598 --> 00:52:27,144  
Have you stolen from the cartel?  
Have you stolen from Marty Byrde?

716

00:52:27,936 --> 00:52:29,104  
[coughing continues]

717

00:52:29,187 --> 00:52:31,815  
Do you understand  
that betraying Marty Byrde

718

00:52:31,898 --> 00:52:33,525

is the same as betraying the cartel?

719

00:52:33,608 --> 00:52:36,153

-Yes.

-Oh, I don't think you do.

720

00:52:36,236 --> 00:52:38,864

[muffled screaming]

721

00:52:39,739 --> 00:52:41,283

[choking]

722

00:52:46,705 --> 00:52:51,418

So, I've made an exhaustive list of Missouri adoption agencies.

723

00:52:56,089 --> 00:52:57,340

[sighs]

724

00:52:58,675 --> 00:52:59,926

[laughs nervously]

725

00:53:10,937 --> 00:53:13,023

[breathing heavily]

726

00:53:57,400 --> 00:53:58,985

[exhaling]

727

00:54:12,624 --> 00:54:13,750

[grunts]

728

00:54:13,833 --> 00:54:15,835

[liquid pouring]

729

00:54:20,632 --> 00:54:22,300

[coughing]

730

00:54:25,095 --> 00:54:26,680

[muffled screaming]

731

00:54:30,392 --> 00:54:32,602

You better pray she fucking lives.

732

00:54:34,729 --> 00:54:36,648  
[screaming continues]

733

00:55:07,887 --> 00:55:10,056  
[laughing]

734

00:55:19,607 --> 00:55:22,319  
[breathing heavily]

735

00:55:33,788 --> 00:55:35,040  
Here goes nothin'.

736

00:55:35,999 --> 00:55:36,875  
[grunts]

737

00:55:42,005 --> 00:55:42,881  
Yeah.

738

00:55:48,470 --> 00:55:53,516  
Burn, baby, burn. Burn...

739

00:55:54,809 --> 00:55:57,020  
[laughing]

740

00:56:15,789 --> 00:56:16,998  
She's a tough kid.

741

00:56:24,422 --> 00:56:26,466  
[Ruth whimpering]

742

00:56:27,884 --> 00:56:30,261  
-[gasping]  
-Lean on me. Lean on me, girl.

743

00:56:31,179 --> 00:56:36,351  
Go slow. Go slow. Go slow.  
That's it, nice and easy.

744

00:56:37,227 --> 00:56:39,229

-Yeah.  
-[sobbing]

745  
00:56:42,065 --> 00:56:43,233  
[Cade] Take it easy.

746  
00:56:43,316 --> 00:56:45,652  
[sobbing continuing]

747  
00:56:53,785 --> 00:56:55,495  
[Ruth coughing]

748  
00:57:03,211 --> 00:57:04,838  
[car engine starts]

749  
00:57:18,685 --> 00:57:19,686  
[sighs]

750  
00:57:24,816 --> 00:57:26,818  
[dramatic music playing]
