The casino deal is completely legal.

200

00:17:58,619 --> 00:18:00,913
But the business your investors
are involved in isn't.

201

00:18:04,875 --> 00:18:05,793
No.

202

00:18:08,670 --> 00:18:10,798
Did you know this
before you started working with them?

203

00:18:14,093 --> 00:18:15,219
Yes.

204

00:18:16,929 --> 00:18:19,306
Well, don't stop now, Charles. Let's go.

205

00:18:19,389 --> 00:18:21,058
You want the whole truth,
now's your chance.

206

00:18:30,484 --> 00:18:32,027
Shit. Fuck.

207

00:18:35,322 --> 00:18:36,240
Hi.

208

00:18:38,242 --> 00:18:39,201
Hi.

209

00:18:40,661 --> 00:18:44,373
I didn't, uh... I didn't know
if you'd be in today.

210

00:18:44,456 --> 00:18:45,624
[chuckles softly]

211

00:18:46,500 --> 00:18:49,878
You think those poles
wipe themselves off? [sniffs]

212
00:18:52,047 --> 00:18:55,259
No, I mean...
You know, you weren't answering my calls.

213
00:18:55,342 --> 00:19:01,265
And, you know, I just figured that I would
make the rounds myself until you got back.

214
00:19:02,641 --> 00:19:06,478
Mmm, just throw it in the safe.
I'll deal with it later.

215
00:19:06,979 --> 00:19:10,774
You know, Ruth, if you need more time,
you take all that you need. I can--

216
00:19:10,858 --> 00:19:12,526
I'm fucking fine, Marty.

217
00:19:13,110 --> 00:19:14,570
Okay? Just...

218
00:19:15,487 --> 00:19:18,782
Just put it in the safe!
I got other shit I have to deal with.

219
00:19:25,080 --> 00:19:26,540
[chattering]

220
00:20:02,826 --> 00:20:05,245
-Call my lawyer.
-I already did.

221
00:20:06,830 --> 00:20:08,415
I want to hear you say it.

222
00:20:10,584 --> 00:20:11,793
Say what?

223
00:20:11,877 --> 00:20:14,838
That we should never have gotten involved

with these people.

224

00:20:16,548 --> 00:20:20,802
Whose idea was it to put the bones
into the poppy field? Ash's?

225

00:20:21,887 --> 00:20:26,058
If I was you, I don't think Ash would be
the topic to be talking about right now.

226

00:20:26,141 --> 00:20:27,267
[Petty] Excuse me.

227

00:20:28,602 --> 00:20:30,062
Here's where I ask
if you'd like to discuss

228

00:20:30,145 --> 00:20:32,231
all your business dealings
with Marty Byrde.

229

00:20:32,314 --> 00:20:34,733
[Jacob] I ain't gonna discuss anything
without a lawyer.

230

00:20:34,816 --> 00:20:36,652
Oh. Well, in that case,
I'm required by law

231

00:20:36,735 --> 00:20:38,779
to tell you that you have the right
to remain silent.

232

00:20:38,862 --> 00:20:42,115
Anything you say can and will be used
against you in a court of law.

233

00:20:42,199 --> 00:20:46,870
The mere existence of bones in a field
does not constitute a crime.

234

00:20:46,954 --> 00:20:48,997
Are you waiving your Miranda rights, hmm?

235

00:20:49,581 --> 00:20:50,749
Will the sheriff please note

236

00:20:50,832 --> 00:20:53,252
that Mr. Snell here is choosing
to waive his Miranda rights?

237

00:20:53,752 --> 00:20:54,795
We're gonna have to bring you in.

238

00:20:55,671 --> 00:20:57,172
On what charge?

239

00:20:57,256 --> 00:21:00,300
There's a county ordinance banning fires,
due to drought.

240

00:21:00,384 --> 00:21:02,010
You're a farmer. You know.

241

00:21:02,678 --> 00:21:03,929
Are you kidding me?

242

00:21:04,012 --> 00:21:05,806
[Petty] The good news is
I'm gonna get that all thrown out

243

00:21:05,889 --> 00:21:07,599
when I charge you for murder.

244

00:21:08,100 --> 00:21:09,059
Cuff him.

245

00:21:11,395 --> 00:21:12,771
Oh, I don't think that's necessary.

246

00:21:12,854 --> 00:21:13,814
I do.

247

00:21:14,523 --> 00:21:15,774

Cuff him.

248

00:21:37,212 --> 00:21:38,380
Let's go.

249

00:21:43,302 --> 00:21:45,679
Would someone please explain
to your business partner

250

00:21:45,762 --> 00:21:49,516
that we need to know exactly what it is
that the FBI is about to uncover.

251

00:21:49,599 --> 00:21:51,351
-Oh, do you now?
-Yes, we do.

252

00:21:51,435 --> 00:21:54,062
Darlene, is Del in that field?

253

00:21:54,146 --> 00:21:55,480
Del...

254

00:21:56,773 --> 00:21:58,483
Del is located elsewhere.

255

00:21:59,192 --> 00:22:00,569
Okay, good.

256

00:22:00,652 --> 00:22:05,365
Uh, and the other missing persons,
are they gonna cause us any problems?

257

00:22:05,449 --> 00:22:06,450
I can't rightly say.

258

00:22:06,533 --> 00:22:08,285
[Helen] In case this is somehow unclear,

259

00:22:08,368 --> 00:22:12,164
targets of murder investigations
are not granted casino licenses.

260
00:22:12,247 --> 00:22:15,917
I don't give a damn
about any casino license.

261
00:22:16,001 --> 00:22:17,169
[Helen] I'll rephrase that.

262
00:22:17,252 --> 00:22:19,504
Your husband might go away
for mass murder.

263
00:22:19,588 --> 00:22:21,089
What do you plan to do about it?

264
00:22:21,173 --> 00:22:24,676
Seems to me
that the people who burnt our field

265
00:22:24,760 --> 00:22:27,179
are the ones who have to come up
with some kind of solution.

266
00:22:27,262 --> 00:22:28,555
But we didn't burn your field.

267
00:22:28,638 --> 00:22:31,516
-[Darlene] You're a goddamn liar.
-I burned the field.

268
00:22:32,100 --> 00:22:33,226
And it's a good thing, too.

269
00:22:33,310 --> 00:22:36,104
Otherwise, both you and Jacob
would be in jail for drug trafficking.

270
00:22:43,570 --> 00:22:45,572
You stood in my home

271
00:22:46,615 --> 00:22:49,659
and talked about adoption agencies.

272

00:22:50,869 --> 00:22:52,537
You lied to me.

273

00:22:53,121 --> 00:22:55,791
I saved this entire enterprise
from going under.

274

00:22:57,000 --> 00:22:59,461
[Marty] Darlene, they found bones
on your property.

275

00:22:59,544 --> 00:23:01,046
We need to find out who they belong to,

276

00:23:01,129 --> 00:23:03,590
and we need to figure out
what to do about it.

277

00:23:06,593 --> 00:23:10,806
You need to get my husband out
of fucking jail.

278

00:23:25,904 --> 00:23:27,322
[machine whirring]

279

00:23:32,411 --> 00:23:33,703
[clears throat]

280

00:23:42,212 --> 00:23:45,048
Pastor, I thought that was you.
What brings you in here?

281

00:23:45,132 --> 00:23:48,593
Uh, on the TV, they said they found bones
on the Snells' property. Is that true?

282

00:23:48,677 --> 00:23:50,262
Yeah. There was a search warrant
executed yesterday.

283

00:23:50,345 --> 00:23:51,221

Is it Grace?

284

00:23:51,304 --> 00:23:52,931
We don't know anything yet.

285

00:23:53,515 --> 00:23:55,684
I told you that they're the ones
that killed her.

286

00:23:55,767 --> 00:23:58,895
Well, we don't want to jump
to any conclusions.

287

00:23:58,979 --> 00:24:01,982
They're in the initial stages
of identifying the remains,

288

00:24:02,065 --> 00:24:04,609
-checking the DNA against missing persons.
-Okay.

289

00:24:05,110 --> 00:24:08,530
But, you know,
I'm afraid Grace isn't in the database.

290

00:24:09,781 --> 00:24:12,367
Um, what if I bring my boy in?

291

00:24:12,451 --> 00:24:15,745
And you can sample his DNA for Grace.
You can do that, right?

292

00:24:16,663 --> 00:24:19,749
[stammers] Medical examiner's
not gonna be in the office

293

00:24:19,833 --> 00:24:23,003
till the day after tomorrow,
but, yeah, you could bring him back then.

294

00:24:23,086 --> 00:24:24,254
-Okay.
-All right.

295

00:24:24,754 --> 00:24:26,548

-Okay, thank you.

-Sure.

296

00:24:40,562 --> 00:24:42,439

Wendy, that was Darlene.

297

00:24:42,522 --> 00:24:46,776

Mason plans to bring his baby in
to get a sample of Grace's DNA.

298

00:24:48,945 --> 00:24:52,157

-Oh, Jesus. Is Grace in that grave?

-She wouldn't say.

299

00:24:53,325 --> 00:24:56,912

You don't really have a plan
for what to do about those bones, do you?

300

00:24:57,621 --> 00:24:58,663

Do you?

301

00:24:59,456 --> 00:25:00,457

Uh, not yet.

302

00:25:03,376 --> 00:25:06,421

-I have to talk to Jacob.

-What good will that do?

303

00:25:06,505 --> 00:25:11,092

-Um, honestly, I don't know, but--

-Yeah. No, we have to warn him.

304

00:25:13,053 --> 00:25:15,263

-Who?

-Mason.

305

00:25:15,972 --> 00:25:17,307

You know what Darlene is capable of.

306

00:25:17,390 --> 00:25:19,518

There's no way in hell
she's gonna let him take her down.

307

00:25:21,686 --> 00:25:23,230
I'm right. You know I'm right.

308

00:25:29,528 --> 00:25:32,447
[Jim] I want it on record
that my client is here voluntarily,

309

00:25:32,989 --> 00:25:34,199
as a courtesy.

310

00:25:34,908 --> 00:25:37,118
[Petty clears throat] It's noted.

311

00:25:38,745 --> 00:25:40,705
Okay, let's see.

312

00:25:44,292 --> 00:25:47,629
Fifth largest private business owner
in the state.

313

00:25:49,589 --> 00:25:53,009
And you serve on the boards
of museums, universities.

314

00:25:53,093 --> 00:25:56,596
In the last year,
you donated over \$2.3 million

315

00:25:56,680 --> 00:26:00,684
to Republican candidates
in local and state elections.

316

00:26:05,814 --> 00:26:09,776
Guess I understand
what the Byrdes see in you,

317

00:26:09,859 --> 00:26:12,779
but I'm having a hard time understanding
what you see in them.

318

00:26:12,862 --> 00:26:15,991
My client and the Byrdes
have no official business ties.

319

00:26:17,409 --> 00:26:22,706
Does a \$50,000 donation to your charity
really buy that much goodwill?

320

00:26:23,415 --> 00:26:25,792
I have nothing but goodwill in this state.

321

00:26:26,293 --> 00:26:30,088
The idea that \$50,000 somehow
buys my loyalty is ridiculous.

322

00:26:30,547 --> 00:26:33,758
[Petty] Okay, fine.
Let's just stick to the facts.

323

00:26:33,842 --> 00:26:39,097
Like, you're 18 days late
on a \$136 million bank payment.

324

00:26:39,431 --> 00:26:40,932
My guess,

325

00:26:41,558 --> 00:26:44,853
if we were to look into your charity,
we'd see that you're siphoning funds

326

00:26:44,936 --> 00:26:47,480
to help prop up
your agricultural business.

327

00:26:48,690 --> 00:26:53,445
That's the real reason
you need this casino so badly, isn't it?

328

00:26:54,529 --> 00:26:56,197
I'm not interested in your business.

329

00:26:57,157 --> 00:26:59,242

But I do know some people who would be.

330

00:26:59,951 --> 00:27:01,620
Unless I talk about Marty Byrde.

331

00:27:01,703 --> 00:27:02,829
Mm-hmm.

332

00:27:08,835 --> 00:27:11,171
Are you sure you want to be filming this?

333

00:27:13,673 --> 00:27:15,842
-I am.
-Fair enough.

334

00:27:16,426 --> 00:27:17,344
September.

335

00:27:17,844 --> 00:27:19,721
A man described
as looking very much like you

336

00:27:19,804 --> 00:27:23,642
fired a handgun inside a bar
called The Rusty Hull.

337

00:27:24,517 --> 00:27:29,522
Silly name if you ask me,
The Rusty Hull, but to each his own.

338

00:27:31,232 --> 00:27:34,944
That was, coincidentally,
the night before your motel room

339

00:27:35,028 --> 00:27:37,614
sustained over \$10,000 worth of damage.

340

00:27:38,114 --> 00:27:39,449
Another funny thing,

341

00:27:39,532 --> 00:27:41,451
when I inquired about the shooting,

342
00:27:41,534 --> 00:27:45,330
a local drug dealer
became particularly interested.

343
00:27:46,289 --> 00:27:49,959
Turns out he was robbed and assaulted.

344
00:27:50,627 --> 00:27:54,089
Didn't report it. Drug dealer and all.

345
00:27:55,090 --> 00:27:58,635
It's amazing what you can find
if you look hard enough.

346
00:27:59,803 --> 00:28:02,639
I imagine at the moment
your bosses aren't particularly interested

347
00:28:02,722 --> 00:28:05,517
in looking hard at you at all.

348
00:28:06,976 --> 00:28:09,729
Though, I'm sure those things change.

349
00:28:21,991 --> 00:28:23,368
Quid pro quo.

350
00:28:24,244 --> 00:28:26,454
I tell you everything I know
about the Byrdes.

351
00:28:27,330 --> 00:28:28,832
[Petty] And what do you get?

352
00:28:29,332 --> 00:28:34,337
I'm free from investigation.
And Wendy Byrde gets protection.

353
00:28:45,807 --> 00:28:48,768
[Marty] Come on, God damn it.
Just tell me about the bods, okay?

354

00:28:49,352 --> 00:28:52,814
Who are they? Is one of the bodies Grace?

355

00:28:53,732 --> 00:28:55,984
Shouldn't ask questions you don't want
to know the answers to.

356

00:28:56,067 --> 00:28:57,777
You're old enough to know that.

357

00:28:58,278 --> 00:29:01,197
Are there other Masons out there
that are looking for answers?

358

00:29:01,281 --> 00:29:04,492
"Who knows what hath been buried,

359

00:29:05,493 --> 00:29:07,412
until the earth belches it up,

360

00:29:07,495 --> 00:29:12,333
and new eyes
are lain upon some old, dank deed."

361

00:29:13,460 --> 00:29:16,379
I hope you're enjoying yourself.
I'm just trying to get you out of here.

362

00:29:16,463 --> 00:29:18,131
Feds are just trying to screw me

363

00:29:18,214 --> 00:29:21,217
the same way they screwed my family
when they flooded us out.

364

00:29:23,595 --> 00:29:26,890
Five generations of Snells have lived
on that land.

365

00:29:27,891 --> 00:29:31,227
Their remains are scattered all over.

366
00:29:32,645 --> 00:29:36,232
You can't expect me to account
for every pile of bones that turns up.

367
00:29:40,904 --> 00:29:42,155
Say that again.

368
00:29:43,948 --> 00:29:44,908
No.

369
00:29:46,409 --> 00:29:50,288
It's a possible way out of here.
Tell me where your ancestors are buried.

370
00:29:50,789 --> 00:29:52,665
That is desecration.

371
00:29:53,249 --> 00:29:55,460
We do not disturb our dead.

372
00:29:57,754 --> 00:29:59,297
Then you're gonna rot in here.

373
00:30:13,520 --> 00:30:14,562
Mason.

374
00:30:15,855 --> 00:30:16,940
What are you doing here?

375
00:30:17,023 --> 00:30:20,693
[scoffs] He's beautiful. What's his name?

376
00:30:28,827 --> 00:30:30,745
I heard you came by to see Sheriff Nix.

377
00:30:30,829 --> 00:30:32,080
[Mason groans]

378
00:30:32,163 --> 00:30:34,749
-You people--

-I'm here because I'm worried about you,

379

00:30:34,833 --> 00:30:36,709
and I'm worried about your baby.

380

00:30:38,586 --> 00:30:41,047
You've never cared
about anyone but yourself ever.

381

00:30:42,799 --> 00:30:44,884
I am so sorry that Grace is gone.

382

00:30:46,302 --> 00:30:48,179
There is nothing we can do
to bring her back,

383

00:30:48,263 --> 00:30:50,014
but you can still help your son.

384

00:30:50,098 --> 00:30:51,724
Call the sheriff.

385

00:30:51,808 --> 00:30:54,936
Tell him you don't plan to bring
the baby in to test for Grace's DNA.

386

00:30:57,313 --> 00:31:00,275
-Why would I do that?
-Because you know the Snells.

387

00:31:01,401 --> 00:31:03,486
You know what they're capable of.

388

00:31:04,529 --> 00:31:06,656
They'll do anything they can
to stop that test.

389

00:31:09,784 --> 00:31:13,580
Grace would still be alive
if it wasn't for you and Marty.

390

00:31:15,206 --> 00:31:17,792

If I hadn't invited you into my home,

391

00:31:17,876 --> 00:31:21,504
if you hadn't fed me lies
about your father

392

00:31:21,588 --> 00:31:24,841
helping build a church
and the depth of your faith.

393

00:31:24,924 --> 00:31:26,259
That wasn't a lie.

394

00:31:26,342 --> 00:31:28,469
You think coming here
is gonna absolve you?

395

00:31:29,554 --> 00:31:33,558
That blood is never washing off.
I'm gonna see to that.

396

00:31:35,351 --> 00:31:36,936
I want you to remember
what happened to you

397

00:31:37,020 --> 00:31:39,063
the last time you didn't listen to reason.

398

00:31:40,023 --> 00:31:42,150
Please, I am begging you. Smarten up.

399

00:31:43,318 --> 00:31:46,863
Save yourself. Save your son.
Don't come back to the lake.

400

00:31:57,957 --> 00:31:59,792
[TV playing]

401

00:32:04,923 --> 00:32:06,090
[Ruth clears throat]

402

00:32:08,217 --> 00:32:09,510

You not working?

403

00:32:10,720 --> 00:32:12,221
I took the day off.

404

00:32:14,182 --> 00:32:17,894
-What's Marty gonna say about that?
-I don't know, and I don't care.

405

00:32:23,316 --> 00:32:25,360
Can I ask you for a favor?

406

00:32:26,611 --> 00:32:27,904
Yeah, of course.

407

00:32:29,447 --> 00:32:31,199
You know those pills you had?

408

00:32:32,408 --> 00:32:33,701
Can I have a couple?

409

00:32:35,203 --> 00:32:37,705
-You okay?
-I'm fine.

410

00:32:38,873 --> 00:32:40,208
I mean, it's just...

411

00:32:40,291 --> 00:32:43,544
You're coming in here, asking me for Oxy.
I'm just wondering if--

412

00:32:43,628 --> 00:32:47,757
You know, I can go to Jimmy in town.
I just figured if you had...

413

00:32:47,840 --> 00:32:49,425
It's all right. I got you.

414

00:32:57,976 --> 00:33:00,520
This have anything to do
with why you're not at work?

415
00:33:03,064 --> 00:33:04,273
[sighs]

416
00:33:04,816 --> 00:33:10,488
You know that FBI guy Petty,
the one that raided Marty?

417
00:33:11,531 --> 00:33:13,449
-Mm-hmm.
-He still comes in here?

418
00:33:15,034 --> 00:33:16,494
Sometimes.

419
00:33:17,453 --> 00:33:19,580
Well, stay the fuck away from him.

420
00:33:23,751 --> 00:33:25,044
Tell me what happened.

421
00:33:30,717 --> 00:33:33,469
He set me up to look like a rat.

422
00:33:34,804 --> 00:33:37,974
Did something fucking happen to you?
Is that what you're saying?

423
00:33:40,059 --> 00:33:42,186
Jesus, Ruth,
tell me what fucking happened.

424
00:33:58,995 --> 00:34:01,748
Who did that? Did he?

425
00:34:04,167 --> 00:34:06,085
All I'm just saying,

426
00:34:06,169 --> 00:34:09,630
if that fuckwad shows up here,
don't trust him.

427
00:34:10,131 --> 00:34:13,134
He'll use you up and spit you out.

428
00:34:33,446 --> 00:34:35,198
You fucking with me, nerdcore?

429
00:34:38,326 --> 00:34:42,789
-Um... no. I don't think so.
-Is this how you run a business?

430
00:34:42,872 --> 00:34:44,665
You take people's money and flake?

431
00:34:46,000 --> 00:34:47,126
Oh, crap.

432
00:34:49,587 --> 00:34:53,549
Look, I'm... so sorry.
We, uh, had a death in the family.

433
00:34:53,633 --> 00:34:55,009
What the fuck's that?

434
00:34:55,676 --> 00:34:57,303
It's your money back.

435
00:34:57,386 --> 00:34:59,347
I'm failing that class
because of you, dipshit.

436
00:34:59,430 --> 00:35:01,516
And I'll give you 50% discount
on the next one.

437
00:35:02,558 --> 00:35:03,476
That's fragile.

438
00:35:04,936 --> 00:35:06,020
[grunts]

439
00:35:06,896 --> 00:35:07,897

[Wyatt] Hey!

440

00:35:09,190 --> 00:35:11,567

-What the fuck, man?

-He's, like, half your size, bro.

441

00:35:11,651 --> 00:35:13,277

Just stay the fuck out of it, burnout.

442

00:35:14,529 --> 00:35:16,531

-[crowd gasping]

-[boy] Oh, yeah!

443

00:35:20,409 --> 00:35:21,577

[man] Hey, hey! Break it up.

444

00:35:49,021 --> 00:35:52,275

[cell phone beeps]

445

00:35:53,776 --> 00:35:55,027

This is Marty Byrde.

446

00:35:55,528 --> 00:35:57,280

[Charlotte] So, they really suspended you?

447

00:35:58,990 --> 00:35:59,991

For a week.

448

00:36:00,700 --> 00:36:02,994

They said it was a violation
of the honor code.

449

00:36:04,495 --> 00:36:05,663

What about Wyatt?

450

00:36:06,164 --> 00:36:07,498

He's still in there.

451

00:36:11,169 --> 00:36:13,462

You two, let's go.

We can talk about this at home.

452

00:36:13,546 --> 00:36:15,631

-Hi.

-I'm gonna stay and talk to Wyatt.

453

00:36:15,715 --> 00:36:18,217

Talk to him later. We got a lot of stuff
on our plate. Come on.

454

00:36:18,759 --> 00:36:22,013

He saved Jonah from getting beat up.
That kid was huge.

455

00:36:22,096 --> 00:36:23,139

[Marty] Yeah, that's another thing.

456

00:36:23,222 --> 00:36:25,016

You're doing homework
for tenth graders, huh?

457

00:36:25,099 --> 00:36:27,727

-What did they say?
-They expelled me.

458

00:36:27,810 --> 00:36:30,771

[Charlotte] What? They can't do that.

459

00:36:30,855 --> 00:36:33,566

It's 'cause of the zero-tolerance policy
against fighting.

460

00:36:33,649 --> 00:36:35,234

You were protecting Jonah.

461

00:36:35,318 --> 00:36:37,653

I'm gonna go the fuck in there
and talk to them.

462

00:36:37,737 --> 00:36:39,572

Please, Ruth, not now.

463

00:36:39,655 --> 00:36:43,159

If you get kicked out, that means

no Mizzou. You know that, right?

464

00:36:43,242 --> 00:36:46,704

-I know. Please, can you just let it be?
-Dad, you have to fix this.

465

00:36:46,787 --> 00:36:48,206

I don't make the rules. Come on.

466

00:36:48,289 --> 00:36:52,210

What? Oh, the rules about the one
suspending your kid for cheating,

467

00:36:52,293 --> 00:36:55,671

but kick out Wyatt for saving his ass
from being stomped on?

468

00:36:56,839 --> 00:36:58,174

What am I supposed to do?

469

00:36:58,758 --> 00:36:59,926

I don't know, Marty.

470

00:37:00,009 --> 00:37:03,346

I guess there's nothing
you ever can do, is there?

471

00:37:04,889 --> 00:37:05,806

Come on.

472

00:37:09,060 --> 00:37:11,604

-Stay the fuck away from Wyatt.
-[Wyatt] Ruth.

473

00:37:14,649 --> 00:37:18,319

-She's a bad goddamn influence, Marty.
-Ruth, stop!

474

00:37:23,282 --> 00:37:25,660

[Marty] I don't understand.
If you needed money, you could just ask.

475

00:37:27,870 --> 00:37:30,164

-I know.

-Then why did you do it?

476

00:37:36,003 --> 00:37:37,922

Uh-oh. You got something you wanna add?

477

00:37:41,884 --> 00:37:44,470

I didn't steal five thousand, I stole ten.

478

00:37:45,471 --> 00:37:46,847

And we split it.

479

00:37:47,348 --> 00:37:48,933

Before you yell at me about honesty,

480

00:37:49,016 --> 00:37:52,478

look me in the eye and tell me that
you've never lied to us about anything.

481

00:37:55,314 --> 00:37:56,816

You would have done the same thing.

482

00:37:59,277 --> 00:38:01,237

Hey, what'd you do with your money?

483

00:38:01,821 --> 00:38:02,655

Jonah?

484

00:38:04,991 --> 00:38:05,908

I cleaned it.

485

00:38:07,827 --> 00:38:08,869

[Wendy] You what?

486

00:38:09,704 --> 00:38:12,248

-You don't have a bank account.

-Yeah, well...

487

00:38:13,416 --> 00:38:14,625

I sort of do.

488
00:38:22,800 --> 00:38:24,969
This says Mike Fleming. Who's that?

489
00:38:25,052 --> 00:38:27,096
-[chuckling]
-Who's Mike Fleming?

490
00:38:27,888 --> 00:38:29,932
It's the name on the passport you got me.

491
00:38:31,100 --> 00:38:32,727
I used it to open a bank account,

492
00:38:33,436 --> 00:38:34,979
along with two offshore accounts...

493
00:38:35,563 --> 00:38:37,189
one in Panama, another in Cyprus.

494
00:38:38,691 --> 00:38:41,277
They're numbered, just like you taught me.

495
00:38:42,320 --> 00:38:43,821
Every time I got paid for doing homework,

496
00:38:43,904 --> 00:38:47,783
I'd generate an invoice and mix in some
of the dirty money with the clean.

497
00:38:47,867 --> 00:38:49,577
[Wendy]
Okay, go to your rooms, both of you, now.

498
00:38:54,332 --> 00:38:56,334
Uh, listen, before you get...

499
00:38:56,417 --> 00:38:57,918
-We don't need to make a big deal of this.
-Oh, yeah?

500
00:38:58,002 --> 00:38:58,878

-No.
-Yeah?

501
00:38:58,961 --> 00:39:01,464
Jonah is laundering money
under his second identity.

502
00:39:01,547 --> 00:39:05,634
Charlotte is stealing drug cartel cash
and telling secrets to Wyatt Langmore,

503
00:39:05,718 --> 00:39:07,511
who, incidentally,
thinks that you killed his dad.

504
00:39:07,595 --> 00:39:08,846
So, you know, I think, even for us,

505
00:39:08,929 --> 00:39:10,681
we need to make
a big fucking deal about this.

506
00:39:10,765 --> 00:39:12,183
I don't need a recap, either, okay?

507
00:39:12,266 --> 00:39:14,685
[stammering] This is just a moment,
and we're gonna get out of it.

508
00:39:14,769 --> 00:39:16,604
We need six months,
and then we're free, Wendy.

509
00:39:18,064 --> 00:39:20,983
-You're lying to yourself.
-How so?

510
00:39:21,484 --> 00:39:24,445
And every time you say it out loud,
I decide to believe you,

511
00:39:24,528 --> 00:39:27,198
because it sounds so much better

than what's actually going on here.

512

00:39:27,281 --> 00:39:28,574
It is what's really going on.

513

00:39:28,657 --> 00:39:30,326
Oh, stop. Just stop it.

514

00:39:30,409 --> 00:39:32,912
Well, what would you like to do, Wendy?
You want to send 'em out of here?

515

00:39:32,995 --> 00:39:35,873
No, we tried that already.
It didn't work.

516

00:39:35,956 --> 00:39:38,000
Yeah, because you let them
talk you into coming back.

517

00:39:39,085 --> 00:39:41,170
Is that what you wish?
That we didn't come back?

518

00:39:41,253 --> 00:39:44,757
-No, that's not what I said.
-Then we need to be here for them.

519

00:39:45,633 --> 00:39:48,219
What does that mean? Was that for me?

520

00:39:48,803 --> 00:39:51,222
Marty, you can't sit in this house
for more than 15 minutes

521

00:39:51,305 --> 00:39:52,431
without being distracted.

522

00:39:52,515 --> 00:39:55,726
-Okay, that's enough.
-No, what, the deposits, the meetings...

523

00:39:55,810 --> 00:39:58,354
-You're hiding from me and the kids...
-I'm busy.

524
00:39:58,854 --> 00:40:00,773
I'm not going back to that life.

525
00:40:00,856 --> 00:40:03,317
I mean, do you want to know why
Jonah is laundering money?

526
00:40:03,401 --> 00:40:05,403
Because he wants to prove to you
that he's useful,

527
00:40:05,486 --> 00:40:07,113
so that you have to
pay some attention to him.

528
00:40:07,196 --> 00:40:08,614
[scoffs] Jesus Christ.

529
00:40:09,198 --> 00:40:12,868
What? What? Where are you going?

530
00:40:14,245 --> 00:40:15,704
You want me to deal with things?
This is what it looks like.

531
00:40:15,788 --> 00:40:17,123
This is me dealing with things.
I gotta go.

532
00:40:17,206 --> 00:40:20,334
-Great. Of course you do. [scoffs]
-I don't know what you want from me.

533
00:40:20,418 --> 00:40:23,170
This is our life now. I can stay here.
I can talk about our feelings.

534
00:40:23,254 --> 00:40:27,049
Or I can go take care of shit

and make sure that we don't die, okay?

535

00:40:36,392 --> 00:40:37,685
[Marty grunting]

536

00:40:38,352 --> 00:40:41,439
[Darlene] I hope you understand
what you've asked of us.

537

00:40:42,898 --> 00:40:44,400
[Marty] I'm saving your husband.

538

00:40:45,734 --> 00:40:48,696
[Darlene] Because you think
what's dead is dead. Is that it?

539

00:40:49,447 --> 00:40:51,991
[Marty panting]

540

00:40:52,074 --> 00:40:54,410
This ground is fucking half-frozen.

541

00:41:00,207 --> 00:41:01,208
[thuds]

542

00:41:13,387 --> 00:41:14,805
[cell phone vibrating]

543

00:41:22,438 --> 00:41:23,397
Hey.

544

00:41:23,898 --> 00:41:25,149
[Wilkes] You lied to me.

545

00:41:25,733 --> 00:41:27,693
Look, it's not a good time, Charles.

546

00:41:28,611 --> 00:41:30,404
I need to talk to you.

547

00:41:30,488 --> 00:41:32,823

Marty's not home.
I can't leave the kids alone.

548
00:41:32,907 --> 00:41:34,200
I'm on your dock.

549
00:41:57,973 --> 00:42:00,309
Don't act like you're some kind of hero.

550
00:42:00,392 --> 00:42:04,730
We both know I could've taken care
of our preacher problem.

551
00:42:09,902 --> 00:42:11,946
[Wilkes] You told me the relationship
with your investors

552
00:42:12,029 --> 00:42:14,073
started a year ago in Chicago...

553
00:42:14,907 --> 00:42:16,325
that you got involved with them

554
00:42:16,408 --> 00:42:19,787
when you were soliciting money
for a business venture.

555
00:42:21,580 --> 00:42:24,375
Marty's been working for them
for over ten years.

556
00:42:25,125 --> 00:42:28,003
You're not just involved with the cartel.
You are the cartel.

557
00:42:28,087 --> 00:42:31,507
-What did you tell the FBI?
-What does it matter? It was all lies.

558
00:42:31,590 --> 00:42:33,217
I needed to know what you'd feed them.

559

00:42:33,300 --> 00:42:36,595
-You think this is some kind of game?
-Trust me. I know it's not.

560
00:42:36,679 --> 00:42:37,680
Ah...

561
00:42:38,556 --> 00:42:41,517
-I was trying to protect you.
-I don't need your protection.

562
00:42:42,309 --> 00:42:46,188
Wendy, for a smart woman,
you are so, so wrong.

563
00:42:46,855 --> 00:42:49,900
I have seen people shift money
from account to account,

564
00:42:49,984 --> 00:42:53,195
trying to keep hustling fast enough that
the whole thing somehow stays together.

565
00:42:53,279 --> 00:42:55,489
It's not sustainable.

566
00:42:56,699 --> 00:42:59,952
If what you say is true, there's nothing
you can do for me anyway.

567
00:43:01,954 --> 00:43:03,330
What if there was?

568
00:43:06,709 --> 00:43:07,751
Leave Marty.

569
00:43:09,878 --> 00:43:13,340
-So you can be my knight in shining armor?
-No, this isn't about me.

570
00:43:13,424 --> 00:43:14,508
You need to get out.

571

00:43:15,968 --> 00:43:19,013
You do that, I'll push the casino through.

572

00:43:19,096 --> 00:43:23,267
And then Marty will be able to try to keep
this insanity alive for as long as he can.

573

00:43:29,106 --> 00:43:30,357
You should go.

574

00:43:38,449 --> 00:43:39,867
[Wilkes sighs]

575

00:43:45,289 --> 00:43:46,415
[knocking on door]

576

00:43:49,501 --> 00:43:51,253
What happened to Ruth Langmore?

577

00:43:54,340 --> 00:43:56,383
You don't just show up here
without any warning.

578

00:43:56,467 --> 00:43:59,053
This isn't a partnership.
I don't talk about my work with you.

579

00:43:59,136 --> 00:44:02,765
She has bruises up and down her arms.
Did you do that to her?

580

00:44:02,848 --> 00:44:04,975
Ruth Langmore is a petty thief helping

581

00:44:05,059 --> 00:44:07,519
to launder money
for a Mexican drug cartel.

582

00:44:07,603 --> 00:44:10,356
So it's a miracle she's not gutted
in a ditch somewhere.

583

00:44:15,027 --> 00:44:16,570
I want to talk to your boss.

584

00:44:17,071 --> 00:44:20,074
I want it in writing that I get
a plea deal when this is over.

585

00:44:20,157 --> 00:44:21,867
There is no written agreement.

586

00:44:21,950 --> 00:44:25,829
Besides, no one knows who you are,
and that's for your own safety.

587

00:44:25,913 --> 00:44:28,499
You only get a plea deal
when you deliver something useful.

588

00:44:28,582 --> 00:44:32,211
-I got you a search warrant.
-Yeah, which so far is doing nothing.

589

00:44:32,294 --> 00:44:34,171
Well, that's not my fucking problem.

590

00:44:34,254 --> 00:44:36,757
Maybe if you hadn't outed me
to Marty Byrde...

591

00:44:36,840 --> 00:44:38,676
Maybe if you hadn't forced my hand...

592

00:44:38,759 --> 00:44:40,260
Maybe if you could hold
a fucking conversation with him

593

00:44:40,344 --> 00:44:41,178
without being loaded...

594

00:44:41,261 --> 00:44:44,223
I did everything I was supposed to do.

595

00:44:44,723 --> 00:44:47,434
-You can't keep doing this to me.
-"To you"?

596

00:44:47,851 --> 00:44:49,687
Doing this to you?

597

00:44:51,313 --> 00:44:56,193
Christ, why is it that criminals
are always so indignant?

598

00:44:56,276 --> 00:44:58,779
-I'm not a criminal.
-Yeah?

599

00:44:59,279 --> 00:45:01,907
Then why are you in this mess, huh?

600

00:45:02,491 --> 00:45:07,162
Why are you standing here,
in some strange gay guy's \$40 motel room,

601

00:45:07,246 --> 00:45:11,417
whining like a grade school brat
who just flunked her test

602

00:45:11,500 --> 00:45:14,169
and swears it's everyone else's fault
but her own?

603

00:45:15,629 --> 00:45:17,381
[sighs]

604

00:45:19,383 --> 00:45:22,136
-I don't want any more drugs.
-Well, they're not for you.

605

00:45:22,511 --> 00:45:25,514
The next time Ruth comes
looking for drugs, give her these.

606

00:45:39,027 --> 00:45:41,029

[TV playing]

607

00:45:48,495 --> 00:45:50,956
Still chopping boats out
at Taylor's place?

608

00:45:52,332 --> 00:45:55,127
I thought you didn't wanna hear nothing
about that shit.

609

00:45:56,295 --> 00:45:58,714
You keep Wyatt and Three out of it.

610

00:45:58,797 --> 00:46:01,300
You do that,
and I'm in for whatever you need.

611

00:46:29,620 --> 00:46:31,622
That's the FBI, isn't it?

612

00:46:32,664 --> 00:46:33,749
Ignore them.

613

00:47:19,962 --> 00:47:22,381
What's Wilkes doing here?
He never met Buddy.

614

00:47:22,881 --> 00:47:25,300
I don't know.
Paying his respects, I guess.

615

00:47:26,301 --> 00:47:27,886
-Hey, Harry.
-Mr. Byrde.

616

00:47:30,097 --> 00:47:31,223
Mrs. Byrde.

617

00:47:31,890 --> 00:47:33,517
-Should we get started?
-Yeah, I think so.

618

00:47:59,626 --> 00:48:00,794
Who are they?

619
00:48:02,337 --> 00:48:03,755
Kansas City mob.

620
00:48:05,132 --> 00:48:06,300
[chuckles]

621
00:48:06,383 --> 00:48:07,926
Of course they are.

622
00:48:10,095 --> 00:48:12,014
Any news
from the medical examiner?

623
00:48:13,181 --> 00:48:14,516
[Marty] Not yet.

624
00:48:20,647 --> 00:48:22,566
We have a positive DNA match.

625
00:48:33,118 --> 00:48:37,205
Hi, I'm Jonah Byrde.
Did we speak over the phone?

626
00:48:37,289 --> 00:48:38,290
[Frank sighs]

627
00:48:39,166 --> 00:48:41,543
-You're Marty's boy?
-Yes, sir.

628
00:48:41,627 --> 00:48:42,586
[sighs]

629
00:48:43,337 --> 00:48:44,421
Frank Cosgrove.

630
00:48:45,130 --> 00:48:47,424
-I'm really glad you could make it.
-Me, too.

631

00:48:47,925 --> 00:48:48,842

Frank.

632

00:48:50,552 --> 00:48:53,513

Me and the boys wanted to come by
and pay our respects.

633

00:48:53,597 --> 00:48:54,431

Sure.

634

00:48:55,682 --> 00:48:57,935

And by the way,
hell of a kid you got here.

635

00:49:01,438 --> 00:49:02,898

I'm not sure I follow.

636

00:49:03,482 --> 00:49:08,946

I found a paper wheel in Buddy's room.
You know, with all his contacts on it.

637

00:49:09,029 --> 00:49:10,948

-You mean Jimmy.
-You mean a Rolodex.

638

00:49:11,031 --> 00:49:15,160

Yeah, so I contacted some of his friends
to tell them about the funeral.

639

00:49:15,661 --> 00:49:17,412

I hope that was okay.

640

00:49:17,496 --> 00:49:19,456

Yeah, no, good idea. Thank you.

641

00:49:21,041 --> 00:49:23,001

-A word?
-Yeah.

642

00:49:23,085 --> 00:49:24,920

Give us one second, Jonah, please?

643
00:49:25,671 --> 00:49:26,838
Thank you, pal.

644
00:49:28,674 --> 00:49:31,551
Our people,
they're just standing around, Marty.

645
00:49:31,635 --> 00:49:33,762
We're gonna break ground
at the casino any day now.

646
00:49:33,845 --> 00:49:35,555
We got a couple of, uh...

647
00:49:35,639 --> 00:49:37,265
-Hitches.
-Yeah. Uh...

648
00:49:37,766 --> 00:49:41,770
No disrespect, but if there's any way
that we can delay paying them

649
00:49:41,853 --> 00:49:45,482
until after the work
actually gets done or started?

650
00:49:45,565 --> 00:49:46,483
Ah.

651
00:49:47,401 --> 00:49:48,568
[chuckles]

652
00:49:50,445 --> 00:49:51,863
In Jimmy's memory.

653
00:49:52,948 --> 00:49:54,324
I'll see what I can do.

654
00:49:54,908 --> 00:49:56,284
I appreciate it. Thank you.

655

00:49:57,703 --> 00:50:02,249
All five skeletons have about
a 1 to 12.5% match to Jacob Snell.

656

00:50:02,332 --> 00:50:04,918
Hmm? I don't understand.

657

00:50:06,461 --> 00:50:09,297
Isotope analysis showed
that the remains ranged

658

00:50:09,381 --> 00:50:11,800
from 90 to 150 years old.

659

00:50:12,884 --> 00:50:14,261
They're all related.

660

00:50:14,803 --> 00:50:17,639
Must have been
just an old family burial plot.

661

00:50:22,477 --> 00:50:25,147
Jesus wanted me to tell you
that just because you go to church,

662

00:50:25,230 --> 00:50:27,524
just because you dress
in your Sunday best,

663

00:50:27,607 --> 00:50:29,735
does not mean that he smiles down on you.

664

00:50:30,610 --> 00:50:33,905
Christ wants you to know also that
false piety is the greatest of all sins,

665

00:50:33,989 --> 00:50:36,408
because false piety is fakery.

666

00:50:37,409 --> 00:50:40,412
-In James 1:26--
-Excuse me.

667
00:50:40,871 --> 00:50:42,164
Do you have a permit to be out here?

668
00:50:44,958 --> 00:50:46,877
[stammers] A permit?

669
00:50:46,960 --> 00:50:50,547
Why would I need a permit
to exercise my freedom of speech

670
00:50:50,630 --> 00:50:53,133
on behalf of my Lord and Savior
Jesus Christ?

671
00:50:53,216 --> 00:50:54,426
-That what it is?
-Yes.

672
00:50:54,509 --> 00:50:56,178
Calling all these Christians fakers?

673
00:50:58,722 --> 00:51:00,348
[stutters]

674
00:51:00,432 --> 00:51:01,892
I'm not calling them all fakers.

675
00:51:02,476 --> 00:51:03,977
We received a child endangerment report

676
00:51:04,061 --> 00:51:07,355
about a preacher out here, with a baby,
in the cold,

677
00:51:07,439 --> 00:51:08,732
-seven, eight hours a day.
-[sighs]

678
00:51:08,815 --> 00:51:10,108
Now, I think that report's true.

679
00:51:11,568 --> 00:51:12,652
[Mason] No, don't touch him!

680
00:51:12,736 --> 00:51:14,071
Don't touch him!

681
00:51:14,946 --> 00:51:17,240
Oh, God. [panting]

682
00:51:17,324 --> 00:51:19,076
-No, no, no.
-Do not resist.

683
00:51:19,159 --> 00:51:20,035
No.

684
00:51:21,661 --> 00:51:23,914
Leave my son alone! [grunts]

685
00:51:25,165 --> 00:51:28,502
[Wendy] When we first met, I actually
didn't know what to make of Jimmy Small,

686
00:51:29,503 --> 00:51:30,712
whom we called Buddy.

687
00:51:31,797 --> 00:51:35,133
We were roommates, but we didn't get off
to a particularly smooth start.

688
00:51:35,217 --> 00:51:38,053
See, Buddy liked to skinny-dip.

689
00:51:38,136 --> 00:51:39,054
[crowd laughs]

690
00:51:41,223 --> 00:51:45,060
In fact, the first morning that my husband
and I woke up in the Ozarks, we...

691
00:51:45,977 --> 00:51:49,397

we looked out over the vastness
of the lake, and there was Buddy,

692

00:51:49,481 --> 00:51:52,359
buck naked, staring back at us.

693

00:51:54,194 --> 00:51:56,822
But we... we got to know him.

694

00:51:57,948 --> 00:51:59,074
And love him.

695

00:52:01,451 --> 00:52:02,828
[chuckles]

696

00:52:02,911 --> 00:52:04,412
He saved our family.

697

00:52:05,497 --> 00:52:08,667
In ways I can't explain,
he literally saved us.

698

00:52:10,418 --> 00:52:14,256
And he was the man who I wanted to
have a drink with at the end of a bad day.

699

00:52:15,799 --> 00:52:18,135
We weren't related, but he was family.

700
