[beeping]

173
00:14:36,959 --> 00:14:37,960
Weird?

174
00:14:39,295 --> 00:14:41,255
Well, confidential-like.

175
00:14:41,338 --> 00:14:43,549
Oh. Do tell.

176
00:14:45,175 --> 00:14:47,094
Do you like what you do, Harry?

177
00:14:48,554 --> 00:14:50,973
I never wanted to be anything else. Why?

178
00:14:51,515 --> 00:14:52,683
Well...

179
00:14:53,183 --> 00:14:55,978
you know, I work in the strip club, and...

180
00:14:56,604 --> 00:14:59,231
I've just been thinking
about job security.

181
00:14:59,899 --> 00:15:04,445
I mean, that's not something
I really wanna do for the rest of my life.

182
00:15:05,529 --> 00:15:07,031
Not like what you do.

183
00:15:07,823 --> 00:15:09,825
Well, that's the thing about our business.

184
00:15:09,909 --> 00:15:11,660
You never run out of customers.

185
00:15:12,161 --> 00:15:13,412
[both chuckle]

186
00:15:14,914 --> 00:15:17,499
To tell the truth,
not everyone has the stomach for it.

187
00:15:17,583 --> 00:15:19,543
I got a pretty strong fucking stomach.

188
00:15:23,130 --> 00:15:24,340
Pardon my French.

189
00:15:24,840 --> 00:15:26,008

Why don't you come back with me?

190

00:15:26,091 --> 00:15:28,093
I'll show you what we do. Come on.

191

00:15:30,679 --> 00:15:31,597
What's the line?

192

00:15:33,098 --> 00:15:34,433
Eagles and three?

193

00:15:35,351 --> 00:15:37,186
No, fuck the spread.

194

00:15:37,269 --> 00:15:38,812
I told you before,
I'll tell you again, man.

195

00:15:38,896 --> 00:15:40,105
They just a fluke.

196

00:15:40,689 --> 00:15:42,441
Yeah, let me get three large
on the Browns.

197

00:15:42,524 --> 00:15:44,401
-[crashing]
-[man] FBI! Everybody down!

198

00:15:44,485 --> 00:15:45,361
[shouting]

199

00:15:45,444 --> 00:15:47,237
[man] Don't move!
Don't move! Don't move!

200

00:15:47,321 --> 00:15:49,031
[shouting continuing]

201

00:15:57,247 --> 00:15:59,875
-Hands! Freeze! Drop it!
-Put your hands up.

202

00:16:00,626 --> 00:16:05,547
The latest update is 22 fatalities,
seven more in critical condition.

203

00:16:05,923 --> 00:16:07,716
Fentanyl mixed with heroin.

204

00:16:09,969 --> 00:16:11,929
Upstairs is getting their asses kicked.

205

00:16:12,429 --> 00:16:15,265
No one cared as long as the minority
communities were the ones dying,

206

00:16:15,349 --> 00:16:17,601
but once it hit Northwestern...

207

00:16:17,685 --> 00:16:18,727
[man] Do we have a source yet?

208

00:16:18,811 --> 00:16:21,438
[woman] We're rolling up as many
mid-level and street dealers as we can.

209

00:16:21,522 --> 00:16:25,067
The ODs seem to be limited
to the Navarro Cartel's territory.

210

00:16:25,150 --> 00:16:27,569
With all due respect,
it doesn't sound like Navarro.

211

00:16:28,070 --> 00:16:30,781
For all you who haven't had the pleasure,
this is Agent Petty.

212

00:16:32,533 --> 00:16:35,285
He's been undercover down in Lake Ozark
for the past few months,

213

00:16:35,369 --> 00:16:38,330

that is, until one of his informants
blew his cover.

214

00:16:40,040 --> 00:16:42,376
Our theory is they're amping the dope
with fentanyl.

215

00:16:42,876 --> 00:16:44,169
Maybe they overdid it.

216

00:16:46,213 --> 00:16:47,673
Got a better idea?

217

00:16:48,257 --> 00:16:50,134
Look at it epidemiologically.

218

00:16:50,634 --> 00:16:52,469
If the tainted drugs were
from the Navarro Cartel,

219

00:16:52,553 --> 00:16:56,807
we'd see a spike in ODs in Chicago,
Milwaukee, Detroit,

220

00:16:56,890 --> 00:16:59,977
Cleveland and Indianapolis,
because Chicago's the hub.

221

00:17:00,060 --> 00:17:02,563
But right now, we have a spike in ODs
in only two places:

222

00:17:02,646 --> 00:17:05,232
Chicago and the Ozarks,
which indicates two things.

223

00:17:05,816 --> 00:17:08,694
The contaminated drugs are a small batch,

224

00:17:08,777 --> 00:17:11,739
and the drugs came
from the Ozarks to Chicago.

225
00:17:12,531 --> 00:17:13,741
[woman] Okay.

226
00:17:14,742 --> 00:17:15,868
Find the connection.

227
00:17:18,454 --> 00:17:20,581
[Harry] You can tell a lot
about a guest...

228
00:17:20,664 --> 00:17:23,917
I call them guests.
When you're working on them.

229
00:17:24,877 --> 00:17:27,337
Did they drink? Were they fit?

230
00:17:27,921 --> 00:17:29,798
I can even tell you their station in life.

231
00:17:30,549 --> 00:17:31,884
Like this guy.

232
00:17:32,593 --> 00:17:34,219
Had his teeth straightened.

233
00:17:34,720 --> 00:17:36,722
Family probably had money.

234
00:17:41,769 --> 00:17:43,103
[sniffs]

235
00:17:44,354 --> 00:17:45,606
Oh, my God.

236
00:17:46,148 --> 00:17:47,691
The smell of formaldehyde. [chuckles]

237
00:17:51,070 --> 00:17:53,989
The funny thing is people are scared
of the dead, and they shouldn't be.

238
00:17:54,490 --> 00:17:55,783
It's the living who can hurt you.

239
00:17:57,701 --> 00:17:59,203
-We don't do that.
-Sorry.

240
00:18:04,166 --> 00:18:06,543
Is there a bathroom I can use?

241
00:18:07,294 --> 00:18:10,547
Stomach not as strong as
you thought? [chuckles]

242
00:18:10,631 --> 00:18:12,132
Come on. I'll show you.

243
00:18:15,385 --> 00:18:16,678
What's in here?

244
00:18:16,762 --> 00:18:19,723
That's a storage room.
Just some surplus caskets.

245
00:18:20,432 --> 00:18:22,059
Bathroom's just down the hall.

246
00:18:28,398 --> 00:18:30,400
[Amos] I appreciate you bailing me out,
Ms. Pierce.

247
00:18:30,901 --> 00:18:31,819
I'll pay you back every penny

248
00:18:31,902 --> 00:18:33,821
just as soon as
we get back up and rolling.

249
00:18:33,904 --> 00:18:35,531
I know you will, Amos.

250
00:18:36,740 --> 00:18:39,701
I don't know what happened, man.
It seemed like the feds was everywhere.

251
00:18:40,369 --> 00:18:42,621
Come on. We'll give you a ride home.

252
00:18:43,288 --> 00:18:46,375
I really appreciate it,
but, uh, I can just catch me an Uber.

253
00:18:47,000 --> 00:18:49,002
It's no problem. It's on our way.

254
00:18:55,050 --> 00:18:57,177
[Wendy] You can't save the world, Marty.

255
00:18:57,261 --> 00:18:58,428
[Marty] I'm not trying to.

256
00:18:59,012 --> 00:19:03,016
I told Rachel that I'm gonna help her
get out from under Petty.

257
00:19:06,061 --> 00:19:07,062
Jesus.

258
00:19:08,647 --> 00:19:11,316
-How are you gonna do that?
-I don't know yet.

259
00:19:15,737 --> 00:19:17,739
You're a good man, Marty. You are.

260
00:19:20,450 --> 00:19:21,827
But right now,

261
00:19:21,910 --> 00:19:24,955
we need to get the casino over the hump,
and then we can make things right.

262

00:19:26,039 --> 00:19:27,875
She almost died because of what we did.

263
00:19:30,294 --> 00:19:32,713
Rachel almost died
because she's a drug addict.

264
00:19:33,881 --> 00:19:36,175
She stole from us. She informed on us.

265
00:19:36,258 --> 00:19:39,386
She wore a wire.
At what point is any of that our fault?

266
00:19:44,766 --> 00:19:46,977
Is there something I need to know
about you and Rachel?

267
00:19:48,979 --> 00:19:51,273
-[door slides]
-[Charlotte] Mom, Dad.

268
00:19:52,482 --> 00:19:54,359
[Wendy] Sheriff Nix, this is a surprise.

269
00:19:54,443 --> 00:19:56,486
Mrs. Byrde. Marty.

270
00:19:57,362 --> 00:19:58,697
I'm sorry to stop by so late,

271
00:19:58,780 --> 00:20:01,909
but I needed to ask you some questions
about Mason Young.

272
00:20:03,285 --> 00:20:04,369
Thank you, Charlotte.

273
00:20:04,453 --> 00:20:06,872
Can I get you some coffee?
Or maybe some tea, or...

274

00:20:06,955 --> 00:20:08,332
No, I won't be long.

275
00:20:09,208 --> 00:20:11,210
Social services is looking for Mason.

276
00:20:11,835 --> 00:20:13,837
It seems like he's disappeared.

277
00:20:15,964 --> 00:20:17,758
-Oh, dear.
-Disappeared, huh?

278
00:20:17,841 --> 00:20:20,719
He hasn't answered his phone,
and no one's seen him.

279
00:20:20,802 --> 00:20:23,889
So, I thought I would check with you,
see if you knew anything.

280
00:20:25,182 --> 00:20:26,183
[both stutter]

281
00:20:26,266 --> 00:20:30,729
Well, we were contacted
by social services about the baby,

282
00:20:30,812 --> 00:20:34,149
but we actually hadn't spoken
to Mason in months.

283
00:20:34,233 --> 00:20:38,028
See, it just seems a hair strange
that you end up with his child,

284
00:20:38,111 --> 00:20:39,529
and then he goes missing.

285
00:20:40,989 --> 00:20:42,783
Yeah, well, uh...

286

00:20:44,868 --> 00:20:47,913
Actually, I think
it was probably the reverse.

287
00:20:48,413 --> 00:20:49,748
He must've gone missing

288
00:20:49,831 --> 00:20:52,668
after social services took the baby
into custody.

289
00:20:52,751 --> 00:20:54,920
So, you think he might've
done himself some harm?

290
00:20:57,422 --> 00:20:59,716
We know how much he loved that baby.

291
00:20:59,800 --> 00:21:01,510
-[Marty] Yeah.
-Which is why we wanted to get the boy

292
00:21:01,593 --> 00:21:04,513
out of the system as quickly as possible.
We've been waiting to hear from Mason.

293
00:21:04,596 --> 00:21:06,265
You didn't try to reach him?

294
00:21:06,348 --> 00:21:09,101
We went up to Jeff City looking for him,
but he wasn't on his regular corner.

295
00:21:09,184 --> 00:21:10,227
[Wendy] Mm-hmm.

296
00:21:10,310 --> 00:21:11,770
[Nix] Why not just call him?

297
00:21:14,481 --> 00:21:16,024
We didn't have his new number.

298

00:21:16,775 --> 00:21:17,859
[Nix] Hmm.

299
00:21:19,152 --> 00:21:20,362
You know...

300
00:21:22,364 --> 00:21:24,324
you might wanna talk to the Snells.

301
00:21:26,827 --> 00:21:28,495
You know they have a relationship.

302
00:21:32,332 --> 00:21:34,960
Yeah, I may have to do that.

303
00:21:38,005 --> 00:21:41,383
You know, the Snells and I,
we go back a long way.

304
00:21:42,259 --> 00:21:43,969
But everything has its limit.

305
00:21:48,807 --> 00:21:50,058
Thank you for your time.

306
00:21:50,559 --> 00:21:52,394
You'll let me know if you hear from Mason?

307
00:21:52,477 --> 00:21:55,439
-[Wendy] Of course.
-[Nix] All right. Good night now.

308
00:22:02,070 --> 00:22:02,988
[door closes]

309
00:22:08,368 --> 00:22:10,495
Why are you asking me this? [sniffling]

310
00:22:10,579 --> 00:22:12,164
[Helen] I don't know, Amos.

311

00:22:12,247 --> 00:22:14,666
Maybe because most of the ODs were
on your turf.

312
00:22:15,876 --> 00:22:18,837
I don't know nothing about it. Any of it.

313
00:22:18,920 --> 00:22:20,547
[Helen] You cut our heroin with fentanyl.

314
00:22:20,630 --> 00:22:24,009
You tampered with our product,
and now people are dying.

315
00:22:24,092 --> 00:22:26,511
I didn't. I wouldn't!

316
00:22:26,595 --> 00:22:28,096
[Amos sobbing]

317
00:22:28,764 --> 00:22:30,432
[grunting]

318
00:22:39,649 --> 00:22:41,193
We don't wanna do this.

319
00:22:42,527 --> 00:22:44,780
But we are going to find out,
one way or another.

320
00:22:45,530 --> 00:22:47,074
Make it easy on yourself.

321
00:22:47,157 --> 00:22:49,576
-What did you do to the drugs?
-Nothing.

322
00:22:51,328 --> 00:22:53,413
There's still some hidden
in the body shop.

323
00:22:53,997 --> 00:22:56,541

It's wrapped in that plastic.
That's the way it came.

324
00:23:00,212 --> 00:23:01,838
[choking]

325
00:23:08,470 --> 00:23:10,055
[gasping] Okay.

326
00:23:11,640 --> 00:23:15,060
I lost money on the market,
so I hit the dope.

327
00:23:15,977 --> 00:23:17,562
But only with inert stuff.

328
00:23:18,230 --> 00:23:19,356
Fentanyl?

329
00:23:20,482 --> 00:23:22,567
No fucking way, I swear to God.

330
00:23:22,651 --> 00:23:25,362
I only used B12,
and who's that gonna hurt, huh?

331
00:23:27,823 --> 00:23:29,241
[sniffling]

332
00:23:31,785 --> 00:23:33,995
I appreciate your honesty, Amos.

333
00:23:34,496 --> 00:23:36,998
And don't worry. It's all over now.

334
00:23:42,879 --> 00:23:44,589
[gasps, choking]

335
00:23:51,680 --> 00:23:53,557
I saw Susan Blake today.

336

00:23:54,516 --> 00:23:56,768
Her husband kept a file on Wilkes.

337
00:23:57,269 --> 00:23:58,728
He's over-leveraged.

338
00:24:00,147 --> 00:24:02,899
He's using his charity
as his own personal account.

339
00:24:02,983 --> 00:24:05,569
Now, I have a plan, but I need your help.

340
00:24:09,865 --> 00:24:10,991
Did you hear me?

341
00:24:13,743 --> 00:24:15,745
[sighs heavily]

342
00:24:17,122 --> 00:24:20,250
I wanted to tell Nix the truth
about Mason,

343
00:24:21,209 --> 00:24:22,669
just to get it over with.

344
00:24:25,422 --> 00:24:26,465
[sighs]

345
00:24:26,548 --> 00:24:28,675
That would have been a very bad idea.

346
00:24:34,181 --> 00:24:37,142
Well, I didn't say I was going to.
I just wanted to.

347
00:25:22,187 --> 00:25:23,772
So, why are we here, Marty?

348
00:25:27,567 --> 00:25:31,238
EMTs found a wire on Rachel.

349
00:25:32,113 --> 00:25:33,782
I know she was working with you.

350
00:25:34,908 --> 00:25:35,867
And?

351
00:25:36,618 --> 00:25:38,245
She's worthless to you now.

352
00:25:39,913 --> 00:25:42,582
It's kind of touching,
the way you care about her.

353
00:25:43,083 --> 00:25:45,293
I mean, she was trying to put you away.

354
00:25:45,794 --> 00:25:46,962
She almost died last night.

355
00:25:47,045 --> 00:25:50,382
I'm asking you as a human being
to let her go.

356
00:25:52,384 --> 00:25:55,303
You work for one of the most
vicious cartels in the world,

357
00:25:55,387 --> 00:25:57,597
and you're talking to me
about being human?

358
00:25:58,390 --> 00:25:59,724
Rachel isn't a criminal.

359
00:26:00,559 --> 00:26:03,061
Does your wife know
about your feelings for Rachel?

360
00:26:03,562 --> 00:26:07,941
Do your superiors know
that you were supplying drugs to Rachel?

361
00:26:09,526 --> 00:26:13,613
Just so we're clear, the drugs she OD'd on
came from your business partners.

362
00:26:15,490 --> 00:26:18,827
But I might be willing
to let her off the hook, if...

363
00:26:18,910 --> 00:26:19,786
If?

364
00:26:20,787 --> 00:26:22,706
I want the Snells' operation.

365
00:26:23,707 --> 00:26:27,377
The Snells are our partners in the casino.
I'm not aware of an operation.

366
00:26:28,169 --> 00:26:30,714
We think the Snells poisoned
the cartel's dope.

367
00:26:30,797 --> 00:26:34,843
Maybe this marriage of convenience
became inconvenient.

368
00:26:35,343 --> 00:26:37,095
But once the cartel figures it out,

369
00:26:37,178 --> 00:26:39,347
it doesn't bode well
for their partnership.

370
00:26:39,431 --> 00:26:43,560
So... if you really care about Rachel,

371
00:26:44,644 --> 00:26:47,063
you're gonna have to choose sides, Marty.

372
00:26:59,618 --> 00:27:01,036
What are you doing down here?

373
00:27:02,829 --> 00:27:03,997
I like it here.

374
00:27:07,083 --> 00:27:09,419
-Is the baby asleep?
-Finally.

375
00:27:12,380 --> 00:27:13,590
Is that homework?

376
00:27:16,885 --> 00:27:20,138
-Do you know what gamer currency is?
-Mnh-mnh.

377
00:27:21,139 --> 00:27:23,224
Cyber criminals use it to launder money.

378
00:27:24,976 --> 00:27:26,186
I could do this.

379
00:27:28,229 --> 00:27:31,650
We're not looking to get into more crime,
sweetheart. We're trying to get out of it.

380
00:27:38,239 --> 00:27:40,492
But let me ask you a question.

381
00:27:42,744 --> 00:27:45,330
The account you were using,
Mike Fleming's...

382
00:27:47,332 --> 00:27:49,793
How did you open that
without an adult's permission?

383
00:27:52,087 --> 00:27:54,923
Well, I looked into some local banks,

384
00:27:55,006 --> 00:27:59,302
and there was one small one
that failed the stress test a few times.

385
00:28:00,136 --> 00:28:01,179
Not enough capital,

386
00:28:01,262 --> 00:28:03,723
so I figured they wouldn't look
too closely into a kid's account.

387
00:28:04,724 --> 00:28:08,812
So, hypothetically speaking, um...

388
00:28:09,854 --> 00:28:12,816
I mean, would it be possible to open
an offshore account with that?

389
00:28:13,441 --> 00:28:16,319
-You wanna launder money through it?
-No. No, no, no. No, of course not.

390
00:28:16,403 --> 00:28:18,238
I'm just wondering if it's possible.

391
00:28:20,281 --> 00:28:21,825
I've already done it, Mom.

392
00:28:23,993 --> 00:28:26,913
So, if I wanted to disguise the source
of some funds...

393
00:28:27,831 --> 00:28:28,915
I can do it.

394
00:28:33,920 --> 00:28:35,130
Just this once.

395
00:28:40,427 --> 00:28:41,845
[Petty] You going somewhere?

396
00:28:46,182 --> 00:28:47,475
Yeah, I'm going home.

397
00:28:48,059 --> 00:28:49,436

I'll give you a ride.

398

00:28:51,020 --> 00:28:52,272

I'll take a cab.

399

00:28:54,566 --> 00:28:56,860

You outed yourself to Marty, didn't you?

400

00:28:59,696 --> 00:29:02,073

You really think he's gonna rescue you?

401

00:29:04,617 --> 00:29:05,827

Maybe he will.

402

00:29:08,872 --> 00:29:10,415

You're not going home.

403

00:29:12,250 --> 00:29:16,838

You're being detained until I can
extradite you back to Louisiana, so...

404

00:29:22,051 --> 00:29:23,553

You still belong to me.

405

00:29:32,645 --> 00:29:34,564

[Marty] Hi. I didn't know you had a key.

406

00:29:35,482 --> 00:29:36,566

[Helen] We don't.

407

00:29:39,819 --> 00:29:41,988

[Marty] You should've called.

I would've met you here.

408

00:29:42,071 --> 00:29:45,825

No need.

I just wanted to talk about the accounts.

409

00:29:46,826 --> 00:29:48,328

I send you statements.

410

00:29:48,828 --> 00:29:52,749
Hmm. We're kinda like the US government.
Trust, but verify.

411
00:29:54,501 --> 00:29:58,004
Like this \$1.8 million withdrawal
from the construction account made today

412
00:29:58,087 --> 00:29:59,339
caught my attention.

413
00:30:00,715 --> 00:30:01,758
Um...

414
00:30:03,468 --> 00:30:04,886
Right. Yeah, \$1.8.

415
00:30:04,969 --> 00:30:08,765
That seems a little odd.
We haven't started building yet.

416
00:30:10,141 --> 00:30:12,185
We have infrastructure costs.

417
00:30:12,769 --> 00:30:15,647
Gas and water and power.
We gotta get it all up there.

418
00:30:15,730 --> 00:30:19,359
And, uh, we, uh... We took out a loan
to get things rolling.

419
00:30:19,442 --> 00:30:20,777
Today was the due date.

420
00:30:24,113 --> 00:30:25,031
Okay.

421
00:30:29,452 --> 00:30:33,289
I just don't want you
to confuse our money with yours.

422

00:30:34,541 --> 00:30:39,254
So from now on, all expenditures
over \$50,000 get run by me.

423
00:30:42,090 --> 00:30:43,132
Okay.

424
00:30:44,843 --> 00:30:46,970
Uh... understood.

425
00:30:48,721 --> 00:30:49,639
Anything else?

426
00:30:50,598 --> 00:30:53,309
-The Snells.
-What about them?

427
00:30:53,893 --> 00:30:55,603
They spiked our dope with fentanyl.

428
00:30:56,104 --> 00:30:59,232
The feds are up our asses.
My client is furious with them.

429
00:31:00,400 --> 00:31:01,276
And?

430
00:31:01,776 --> 00:31:03,862
The cartel's gonna do
what the cartel does.

431
00:31:04,529 --> 00:31:06,072
The casino is on their land.

432
00:31:06,155 --> 00:31:08,908
The casino is gonna get built,
with or without them.

433
00:31:08,992 --> 00:31:12,161
-Helen, that's gonna be a huge problem.
-Your problem, Marty.

434

00:31:12,954 --> 00:31:15,540
I'm an accountant. I move numbers around.

435
00:31:15,623 --> 00:31:17,792
I'm a lawyer. I move words around.

436
00:31:19,043 --> 00:31:22,255
There are no victims here.
Just volunteers, right?

437
00:31:35,894 --> 00:31:39,147
[woman] Following a teacher walkout
that began ten days ago,

438
00:31:39,230 --> 00:31:42,692
state lawmakers finally passed
a new education budget bill

439
00:31:42,775 --> 00:31:46,738
providing, on average,
a \$3,000 raise for teachers statewide.

440
00:31:47,322 --> 00:31:51,075
The strike ends amid a wave
of teacher protests throughout the state,

441
00:31:51,159 --> 00:31:53,161
as reduced education...

442
00:31:54,746 --> 00:31:57,999
I tried reaching you. I made dinner.

443
00:31:59,334 --> 00:32:02,337
Helen Pierce, um, was curious today

444
00:32:02,420 --> 00:32:06,799
as to why \$1.8 million was missing
from the construction account.

445
00:32:06,883 --> 00:32:08,968
I was gonna tell you when you got home.

446

00:32:09,052 --> 00:32:10,261
Okay, I'm home.

447
00:32:11,429 --> 00:32:14,557
I had to put something in motion
on Wilkes. I had to move fast.

448
00:32:16,643 --> 00:32:19,562
Did it not occur to you
to ask me first, Wendy?

449
00:32:20,480 --> 00:32:21,439
I did.

450
00:32:22,106 --> 00:32:24,442
I asked for your help.
You were more interested in Rachel.

451
00:32:24,525 --> 00:32:26,778
Okay, that ground
feels a little shaky to me.

452
00:32:26,861 --> 00:32:28,404
Look, we're gonna get most
of the money back,

453
00:32:28,488 --> 00:32:29,322
if that's what you're worried about.

454
00:32:29,405 --> 00:32:31,407
Do you not know
what happens to people who skim?

455
00:32:33,368 --> 00:32:34,661
This is not skimming.

456
00:32:35,161 --> 00:32:36,496
This is me trying to make sure

457
00:32:36,579 --> 00:32:38,957
that we build a fucking casino
for the fucking cartel,

458
00:32:39,040 --> 00:32:40,458
so that we all don't get killed.

459
00:32:40,875 --> 00:32:43,211
Now, you wanna second-guess me,
go right ahead.

460
00:32:43,294 --> 00:32:45,797
-What I want is to not be blindsided...
-[Zeke crying]

461
00:32:45,880 --> 00:32:48,132
-[Wendy shushing]
-...by having \$1.8 million

462
00:32:48,216 --> 00:32:50,301
just mysteriously disappear.

463
00:32:50,385 --> 00:32:51,219
You know what?

464
00:32:51,302 --> 00:32:54,722
Since Mason, your priorities have been
completely upside down.

465
00:32:55,223 --> 00:32:58,101
Well, you seem completely unaffected
by what happened. How about that?

466
00:32:58,601 --> 00:33:00,645
I'm the one he kidnapped!

467
00:33:01,896 --> 00:33:06,359
I'm the one who he threatened to kill,
so don't you fucking tell me what I feel.

468
00:33:06,442 --> 00:33:07,652
[Zeke continues crying]

469
00:33:08,319 --> 00:33:09,487
Do you know what? Just...

470
00:33:09,570 --> 00:33:11,572
You take care of the baby.
I'm gonna go get some sleep.

471
00:33:20,707 --> 00:33:22,333
[Darlene] Is something bothering you?

472
00:33:23,710 --> 00:33:25,920
As a matter of fact, there is.

473
00:33:27,964 --> 00:33:30,383
Should I make you some cocoa?

474
00:33:30,466 --> 00:33:32,051
It was you, wasn't it?

475
00:33:33,886 --> 00:33:35,847
You spiked the product.

476
00:33:37,348 --> 00:33:38,516
[Darlene scoffs]

477
00:33:38,599 --> 00:33:39,934
What if I did?

478
00:33:42,311 --> 00:33:44,397
You know how many people you've hurt?

479
00:33:44,480 --> 00:33:45,606
[Darlene] Ugh!

480
00:33:46,190 --> 00:33:50,236
Some junkies who were killing themselves
with dope succeeded.

481
00:33:50,319 --> 00:33:53,406
So what? This is about respect.

482
00:33:54,157 --> 00:33:57,535
The cartel thought
they could roll right over us.

483
00:33:57,618 --> 00:33:59,620
Well, they don't anymore.

484
00:34:00,121 --> 00:34:02,832
I think you misconstrue the situation.

485
00:34:03,958 --> 00:34:07,462
I told you not to get involved with them.

486
00:34:07,545 --> 00:34:09,630
I don't answer to you, Darlene.

487
00:34:13,593 --> 00:34:17,138
I think you misconstrue the situation.

488
00:34:17,221 --> 00:34:18,848
They'll come after us.

489
00:34:20,475 --> 00:34:21,976
There'll be a war.

490
00:34:22,060 --> 00:34:24,062
We've had to fight before.

491
00:34:24,145 --> 00:34:26,522
I am not afraid. Are you?

492
00:34:27,231 --> 00:34:30,193
Yes, I am. I am afraid.

493
00:34:32,320 --> 00:34:33,362
Of you...

494
00:34:34,989 --> 00:34:36,908
and your implacable rage.

495
00:34:38,076 --> 00:34:39,410
Your rashness.

496

00:34:39,994 --> 00:34:43,414
You killed Ash...

497
00:34:44,290 --> 00:34:46,250
for no reason.

498
00:34:47,293 --> 00:34:50,088
For money, for a casino.

499
00:34:50,630 --> 00:34:52,965
I killed him to save you.

500
00:34:55,426 --> 00:34:58,179
I guess we just see things differently.

501
00:35:07,980 --> 00:35:09,148
[door shuts]

502
00:35:15,905 --> 00:35:17,532
[Zeke cooing]

503
00:35:22,912 --> 00:35:24,122
[Marty grunts]

504
00:35:28,793 --> 00:35:30,503
[sighs]

505
00:35:33,714 --> 00:35:34,549
Hey.

506
00:35:35,133 --> 00:35:37,218
[Zeke coughs]

507
00:35:39,053 --> 00:35:40,054
You okay?

508
00:35:43,057 --> 00:35:44,100
Morning.

509
00:35:56,737 --> 00:35:58,364
[bell ringing]

510
00:36:06,914 --> 00:36:08,291
Hello, Ruth.

511
00:36:08,374 --> 00:36:11,252
What the fuck is it now?
You already kicked out Wyatt.

512
00:36:11,335 --> 00:36:13,254
-Please sit down.
-You kicking out Three, too?

513
00:36:13,337 --> 00:36:15,882
-What, you get a family rate?
-I guess they didn't tell you.

514
00:36:15,965 --> 00:36:17,842
This school has had it in
for the Langmores

515
00:36:17,925 --> 00:36:20,178
-since my daddy's been here.
-This has nothing to do with Three.

516
00:36:20,261 --> 00:36:22,430
Wyatt is a good kid.

517
00:36:22,805 --> 00:36:26,475
Did you even read his application essay
for Mizzou?

518
00:36:26,851 --> 00:36:28,102
He's smart.

519
00:36:28,186 --> 00:36:31,230
He ain't like the rest of us.
I mean, he can go somewhere.

520
00:36:31,314 --> 00:36:32,899
We're letting him back in, Ruth.

521
00:36:34,734 --> 00:36:35,568

What?

522

00:36:35,651 --> 00:36:39,280
Assuming there are no further incidents,
we're rescinding the expulsion.

523

00:36:40,156 --> 00:36:43,784
A benefactor made a very eloquent case
on his behalf.

524

00:36:45,203 --> 00:36:47,330
-Who?
-Well, I can't tell you.

525

00:36:47,830 --> 00:36:49,248
He prefers it that way.

526

00:36:51,667 --> 00:36:53,336
Make sure Wyatt's back on Monday.

527

00:36:56,255 --> 00:36:57,173
[mouths] Okay.

528

00:37:10,394 --> 00:37:11,229
Hey, boss.

529

00:37:11,812 --> 00:37:12,730
What's up?

530

00:37:12,813 --> 00:37:15,691
[Rettelsdorf] Well, some interesting news.

531

00:37:18,236 --> 00:37:20,655
Looks like the right-to-work initiative's
gonna make it on the ballot.

532

00:37:20,738 --> 00:37:22,156
Mmm! About time.

533

00:37:22,240 --> 00:37:24,992
And a lot of pushback from the unions,
big surprise.

534

00:37:26,285 --> 00:37:30,581
And a \$1.8 million donation was made
to the foundation.

535

00:37:31,540 --> 00:37:33,793
-That's generous.
-Yeah, with some strings.

536

00:37:33,876 --> 00:37:36,462
Half goes to the Wilkes Foundation,

537

00:37:36,545 --> 00:37:39,799
a third passes through
to the Blake Foundation,

538

00:37:39,882 --> 00:37:42,927
and the rest goes
to some hurricane victims charity.

539

00:37:43,010 --> 00:37:44,679
600K to Blake?

540

00:37:46,305 --> 00:37:49,016
-That's close to the amount we owe them.
-I know.

541

00:37:49,100 --> 00:37:51,310
-It smells a little.
-Who's the donor?

542

00:37:51,978 --> 00:37:55,231
-It's an anonymous gift.
-That's even worse.

543

00:37:55,731 --> 00:37:58,567
[sighs] Before you accept it,

544

00:37:58,651 --> 00:38:00,695
you better find out
who the hell anonymous is.

545

00:38:00,778 --> 00:38:01,737
[Rettelsdorf] Yeah.

546
00:38:02,321 --> 00:38:05,366
[Wyatt] Whoa!
They've got a ton of first editions.

547
00:38:06,075 --> 00:38:07,285
Look Homeward, Angel.

548
00:38:07,368 --> 00:38:10,454
That's, like, probably
my favorite American novel ever.

549
00:38:11,330 --> 00:38:12,290
[exhales sharply]

550
00:38:15,376 --> 00:38:19,422
Excuse me.
Could you unlock that case for me? Thanks.

551
00:38:25,761 --> 00:38:29,849
Just be careful. These are worth a lot.

552
00:38:30,349 --> 00:38:31,225
-Thanks.
-Thank you.

553
00:38:31,309 --> 00:38:32,226
You're welcome.

554
00:38:34,353 --> 00:38:35,396
Wow!

555
00:38:38,357 --> 00:38:41,485
Thomas Wolfe, huge guy. Like, 6'6".

556
00:38:41,569 --> 00:38:43,446
But he liked to write standing up.

557
00:38:44,071 --> 00:38:47,491
So, he would stand at his refrigerator

and use it as a desk.

558

00:38:47,575 --> 00:38:48,617
[chuckles]

559

00:38:49,285 --> 00:38:50,161
Crazy.

560

00:38:50,828 --> 00:38:52,246
[cell phone ringing]

561

00:38:56,625 --> 00:38:57,626
Ruth, what's up?

562

00:38:59,587 --> 00:39:00,504
Yeah.

563

00:39:02,798 --> 00:39:03,966
Okay, what's that mean?

564

00:39:09,055 --> 00:39:10,222
Okay.

565

00:39:12,016 --> 00:39:13,559
-Did she tell you who?
-[Charlotte sighs]

566

00:39:16,270 --> 00:39:17,730
[Wyatt] All right. Love you. Bye.

567

00:39:20,983 --> 00:39:23,069
I got back into school. [scoffs]

568

00:39:23,152 --> 00:39:24,695
-What?
-Yeah.

569

00:39:25,196 --> 00:39:26,322
Well, that's cool.

570

00:39:26,906 --> 00:39:27,823

What happened?

571

00:39:28,991 --> 00:39:30,159
I don't know.

572

00:39:31,494 --> 00:39:33,329
Ruth just said she talked to Abbott.

573

00:39:33,829 --> 00:39:35,623
She said someone came in
and made my case for me,

574

00:39:35,706 --> 00:39:37,333
and I go back on Monday.

575

00:39:40,044 --> 00:39:41,837
Hey, do you think it was Marty?

576

00:39:41,921 --> 00:39:43,172
I don't know.

577

00:39:43,255 --> 00:39:47,676
You think he felt guilty about my dad?
About what happened?

578

00:39:48,928 --> 00:39:51,347
I'm not sure I know
who my parents are anymore.

579

00:40:14,912 --> 00:40:16,497
[door opens]

580

00:40:20,418 --> 00:40:22,169
Bet you were a teacher's pet.

581

00:40:24,380 --> 00:40:30,636
Straight-A student. Sat in the front row.
Hair combed. Hand up first.

582

00:40:30,719 --> 00:40:35,641
Yeah, you'd lose that bet.
I, um... I spent fifth grade in the hall.

583
00:40:35,724 --> 00:40:38,978
I kept correcting the teacher's spelling.
She never appreciated it.

584
00:40:39,061 --> 00:40:41,605
You always thought you were
the smartest one in the room, huh?

585
00:40:42,606 --> 00:40:44,358
Some rooms are smarter than others.

586
00:40:48,154 --> 00:40:50,781
You got Wyatt back into school,
didn't you?

587
00:40:55,202 --> 00:40:56,912
It didn't seem fair.

588
00:40:56,996 --> 00:41:00,374
Like being tossed out of the classroom
for knowing more than the teacher?

589
00:41:01,834 --> 00:41:02,960
Listen, um...

590
00:41:05,421 --> 00:41:09,049
I... I should've protected you
from the cartel.

591
00:41:09,133 --> 00:41:11,635
I know it doesn't mean much,
but I blame myself.

592
00:41:13,429 --> 00:41:14,430
You should.

593
00:41:19,643 --> 00:41:21,437
I want my office back.

594
00:41:23,647 --> 00:41:24,940
Anything else?

595
00:41:28,027 --> 00:41:29,487
It's a start. [scoffs]

596
00:41:31,614 --> 00:41:32,531
Turn off the lights when you leave.

597
00:41:47,296 --> 00:41:48,255
[door closes]

598
00:42:21,121 --> 00:42:22,248
You bought that?

599
00:42:23,249 --> 00:42:24,500
Not exactly.

600
00:42:26,126 --> 00:42:27,294
What did you do?

601
00:42:28,420 --> 00:42:30,256
What does it matter? It's yours.

602
00:42:32,591 --> 00:42:33,676
I don't want it.

603
00:42:34,301 --> 00:42:35,803
Why? What's wrong?

604
00:42:37,555 --> 00:42:40,766
You just don't get it.
It's like what happened at school.

605
00:42:40,849 --> 00:42:41,892
If you get caught,

606
00:42:41,976 --> 00:42:44,603
you get a slap on the wrist.
Marty pays for the book.

607
00:42:44,687 --> 00:42:46,272
I get caught, I go to fucking jail.

608
00:42:46,355 --> 00:42:49,108
[scoffs] You liked it so much,
and I wanted to get it for you, so--

609
00:42:49,191 --> 00:42:51,610
I just got back into school,
for Christ's sake.

610
00:42:51,694 --> 00:42:53,737
-I thought you hated school.
-I... [sighs]

611
00:42:54,488 --> 00:42:56,448
That's not what I said, Charlotte.

612
00:42:58,534 --> 00:43:01,620
-I'm sorry, okay? It was stupid.
-No...

613
00:43:03,497 --> 00:43:07,167
You just don't understand
who my family is, okay?

614
00:43:07,251 --> 00:43:09,545
The shit that they've done,
it's like I can't escape it.

615
00:43:09,628 --> 00:43:14,800
Oh, Jesus, you think you're the only one?
I saw a guy get killed in my house.

616
00:43:14,883 --> 00:43:18,512
I loaded money into a wall.
The fucking FBI raided us.

617
00:43:18,596 --> 00:43:21,432
My parents are paranoid
about anyone I hang out with.

618
00:43:21,515 --> 00:43:23,767
And now we have a baby,

619
00:43:23,851 --> 00:43:26,061
and I know they're lying
about how they got it.

620
00:43:26,145 --> 00:43:29,481
A fucking baby!
It's all just so fucked up.

621
00:43:34,903 --> 00:43:37,072
[sighs] Why would you do that?

622
00:43:37,823 --> 00:43:39,825
Do you have any idea
how much that's worth?

623
00:43:46,624 --> 00:43:49,418
Charlotte, will you let your brother know
that dinner's ready, please?

624
00:43:50,210 --> 00:43:51,670
Jonah!

625
00:43:51,754 --> 00:43:53,631
That's great. I could have done that.

626
00:43:55,090 --> 00:43:56,300
[door closes]

627
00:44:01,847 --> 00:44:03,098
Take a seat, sweetheart.

628
00:44:03,182 --> 00:44:04,975
[Jonah] Sorry, I was just finishing up.

629
00:44:06,101 --> 00:44:07,561
What were you finishing up?

630
00:44:10,731 --> 00:44:12,107
Jonah is...

631
00:44:13,317 --> 00:44:15,736

um, creating an online profile...

632

00:44:16,570 --> 00:44:17,863
for Mike Fleming.

633

00:44:20,908 --> 00:44:22,076
What does that mean?

634

00:44:23,202 --> 00:44:25,329
[Wendy] We're using his account,
only temporarily.

635

00:44:26,246 --> 00:44:28,207
The Blake Foundation
is having a benefit tomorrow night,

636

00:44:28,290 --> 00:44:30,292
and we'll see if Wilkes bites.

637

00:44:30,376 --> 00:44:32,086
You didn't need to ask Jonah.

638

00:44:33,629 --> 00:44:35,881
[Wendy]
It was an emergency, and you were busy.

639

00:44:41,845 --> 00:44:43,681
What'd you do today, Charlotte?

640

00:44:45,265 --> 00:44:46,350
I stole a book.

641

00:44:47,518 --> 00:44:48,852
-[Wendy] You what?
-You stole a book?

642

00:44:49,353 --> 00:44:52,940
A first edition of Look Homeward, Angel,
from an antiquarian bookstore.

643

00:44:53,023 --> 00:44:54,358
Why would you do that?

644
00:44:54,942 --> 00:44:58,028
[chuckles] I don't know.
Because I'm a Byrde and that's what we do.

645
00:44:58,612 --> 00:44:59,530
Then you return it.

646
00:44:59,613 --> 00:45:02,616
-It's too late. I gave it to someone.
-[Wendy] Then you need to pay them for it.

647
00:45:02,700 --> 00:45:05,828
You don't steal things from a store.
You know that.

648
00:45:07,913 --> 00:45:11,417
This is insane. You see that, right?

649
00:45:12,126 --> 00:45:13,335
[Zeke crying]

650
00:45:15,713 --> 00:45:19,007
Charlotte. Charlotte!

651
00:45:19,091 --> 00:45:20,509
[cell phone ringing]

652
00:45:23,721 --> 00:45:24,888
Hi, Helen.

653
00:45:24,972 --> 00:45:27,433
[Helen] I got the link you sent
and did some digging.

654
00:45:27,516 --> 00:45:29,393
Check your inbox. I think you'll be happy.

655
00:45:31,186 --> 00:45:32,688
[cell phone ringing]

656

00:45:35,107 --> 00:45:38,026
-[Wilkes clears throat] Yeah?
-[Rettelsdorf] It's me. I wake you?

657
00:45:38,110 --> 00:45:41,363
-[chuckles] What do you think?
-Yeah, say hello to Sherry.

658
00:45:41,447 --> 00:45:44,032
-She finish your taxes yet?
-Fuck off.

659
00:45:44,992 --> 00:45:46,368
What do you want?

660
00:45:46,452 --> 00:45:49,788
Well, I paid off a teller at the bank
that made the wire transfer.

661
00:45:49,872 --> 00:45:52,624
The name of the anonymous benefactor
is Michael Fleming.

662
00:45:53,834 --> 00:45:56,879
[sighs] Michael-- Never heard of him.

663
00:45:56,962 --> 00:45:59,673
That's because he's a 14-year-old boy.

664
00:46:00,299 --> 00:46:01,258
What?

665
00:46:01,341 --> 00:46:04,762
Evidently, his father died
and left him a foundation.

666
00:46:04,845 --> 00:46:07,306
They need to make some bequests
for tax reasons.

667
00:46:10,434 --> 00:46:11,602
[Wilkes chuckles]

668
00:46:11,685 --> 00:46:12,603
Hello.

669
00:46:13,520 --> 00:46:14,688
I'm here. [grunts]

670
00:46:14,772 --> 00:46:15,981
What do you want me to do?

671
00:46:16,064 --> 00:46:17,316
-If I had more time--
-It's fine.

672
00:46:18,108 --> 00:46:23,238
The world needs a little bit more trust.
Just accept it. Accept the money.

673
00:46:33,207 --> 00:46:36,001
[Petty] There's not much to like
about the Ozarks, but, man...

674
00:46:38,086 --> 00:46:39,546
This French toast is...

675
00:46:42,716 --> 00:46:44,468
I think it's the fresh buttermilk.

676
00:46:49,014 --> 00:46:51,016
You gonna give me the details
of the Snell operation,

677
00:46:51,099 --> 00:46:52,309
or are you on your way out?

678
00:47:07,866 --> 00:47:10,953
[Barb] You're a fucking angel.
I needed a fix, and there you were.

679
00:47:11,703 --> 00:47:12,996
How did you know who I was?

680

00:47:13,080 --> 00:47:14,873
[man] I'm a friend of your son's.
You want me to tie you off?

681
00:47:14,957 --> 00:47:17,042
-[Barb] Oh, yeah. Yeah.
-Yeah.

682
00:47:18,210 --> 00:47:20,045
[Barb breathing heavily]

683
00:47:29,096 --> 00:47:30,097
[grunts]

684
00:47:35,435 --> 00:47:36,854
[Barb exhales]

685
00:47:38,730 --> 00:47:40,232
[sighs heavily]

686
00:47:40,315 --> 00:47:42,818
You're a fucking angel.

687
00:47:44,194 --> 00:47:45,362
Angel.

688
00:47:45,863 --> 00:47:48,031
I will fucking kill you.

689
00:47:49,199 --> 00:47:50,409
No, you won't.

690
00:47:51,743 --> 00:47:53,495
Not if you care about your mother.

691
00:47:58,000 --> 00:48:01,670
You're gonna let Rachel go,
and you're gonna drop all pending charges.

692
00:48:02,421 --> 00:48:05,215
If she gets so much as a parking ticket...

693
00:48:08,093 --> 00:48:09,511
You proud of yourself?

694
00:48:11,597 --> 00:48:13,056
Threatening a sick woman?

695
00:48:17,561 --> 00:48:18,562
No.

696
00:48:20,480 --> 00:48:21,690
Not for a second.

697
00:48:23,734 --> 00:48:25,861
[chattering]

698
00:48:58,602 --> 00:49:00,187
[Wendy] Hello, Charlie.

699
00:49:01,438 --> 00:49:03,315
I didn't know you had an eye for art.

700
00:49:03,941 --> 00:49:08,195
I don't. It's a commodity,
like everything else. Should I buy it?

701
00:49:08,779 --> 00:49:11,406
It's better than hog futures,
and it's for a good cause.

702
00:49:13,909 --> 00:49:15,452
Mind if I borrow your date?

703
00:49:16,203 --> 00:49:18,747
As long as you return him
in the same condition.

704
00:49:28,465 --> 00:49:29,758
[Wilkes sighs]

705
00:49:32,010 --> 00:49:33,303
What are you doing here?

706

00:49:34,179 --> 00:49:35,973
I heard you finally made good
on your donation.

707

00:49:36,056 --> 00:49:38,517
-Yeah? Where'd you hear that?
-Susan Blake.

708

00:49:39,017 --> 00:49:39,851
Oh, you're friends now?

709

00:49:40,477 --> 00:49:42,604
-We have mutual interests.
-Like what?

710

00:49:43,730 --> 00:49:46,024
Like making sure promises are lived up to.

711

00:49:47,359 --> 00:49:49,194
Are you trying to tell me something?

712

00:49:50,112 --> 00:49:54,408
Marty and I facilitated the donation
from Mike Fleming to you.

713

00:49:55,283 --> 00:49:58,662
My position has not changed on the casino.
I am still out.

714

00:49:58,745 --> 00:50:00,080
I assumed.

715

00:50:00,163 --> 00:50:03,041
Unfortunately, you just accepted
Mexican drug cartel money

716

00:50:03,125 --> 00:50:05,669
and helped launder it
through a Guyanese charity.

717

00:50:06,044 --> 00:50:09,423

That is just not a good look
for a moralist like you.

718

00:50:10,799 --> 00:50:12,843
We had no idea where that money came from.

719

00:50:13,427 --> 00:50:16,013
I'm not so sure
the FBI will see it that way.

720

00:50:16,096 --> 00:50:17,180
And once they start looking into

721

00:50:17,264 --> 00:50:20,642
how you use your own charity
as your own personal piggy bank,

722

00:50:20,726 --> 00:50:23,562
well, I guess you're looking at
tax evasion,

723

00:50:23,645 --> 00:50:24,938
wire fraud, money laundering--

724

00:50:25,022 --> 00:50:27,274
-You fucking set me up?
-Hey.

725

00:50:28,108 --> 00:50:29,901
Take a drink, Charlie.

726

00:50:30,944 --> 00:50:32,863
Smile. People are watching.

727

00:50:33,447 --> 00:50:34,573
[chuckles]

728

00:50:35,282 --> 00:50:36,783
You try and take me down,

729

00:50:37,534 --> 00:50:40,120
believe me,

I take you and Marty down with me.

730

00:50:40,704 --> 00:50:41,997
I don't doubt that for a second,

731

00:50:42,080 --> 00:50:44,207
but there's a less painful way out
of this,

732

00:50:44,291 --> 00:50:45,959
one where you get to keep the donation,

733

00:50:46,043 --> 00:50:48,045
recoupable against your piece
of the profits,

734

00:50:48,128 --> 00:50:51,423
and we get the casino.
Just help us get through the commission.

735

00:50:52,632 --> 00:50:55,969
You are one cold-hearted bitch.

736

00:51:07,731 --> 00:51:08,899
[Cade exhales]

737

00:51:10,233 --> 00:51:11,485
Let's go.

738

00:51:17,949 --> 00:51:19,117
[Ruth] Camera to the left.

739

00:51:23,497 --> 00:51:25,123
[beeping]

740

00:51:33,799 --> 00:51:35,675
-[doorknob jiggling]
-[Ruth] Oh, shit.

741

00:51:55,445 --> 00:51:56,279
[Cade grunts]

742
00:51:56,363 --> 00:51:57,405
[Ruth] Fuck.

743
00:52:03,829 --> 00:52:05,956
God damn it. Fuck.

744
00:52:06,039 --> 00:52:08,708
[groaning]

745
00:52:10,418 --> 00:52:11,253
Fuck!

746
00:52:12,462 --> 00:52:13,797
[grunts] Where is it?

747
00:52:16,842 --> 00:52:17,884
[Ruth] Maybe I just got it wrong.

748
00:52:17,968 --> 00:52:21,388
You're always wrong
when it comes to Marty fucking Byrde.

749
00:52:21,888 --> 00:52:25,684
You are like a fucking dog,
going to whoever feeds you.

750
00:52:25,767 --> 00:52:28,228
I saw the hearse. It has to be here.

751
00:52:28,311 --> 00:52:29,855
Yeah? And when was that?

752
00:52:30,564 --> 00:52:32,274
-How long you been holding out?
-I'm not holding out.

753
00:52:32,357 --> 00:52:35,193
You been leading me on this
fucking goose chase for months now.

754
00:52:35,277 --> 00:52:38,238

-Where the fuck's the money?
-I don't know!

755

00:52:39,447 --> 00:52:42,659
You know what? You're worthless to me.

756

00:52:43,660 --> 00:52:48,540
You're like a piece of shit
on the bottom of my shoe. Yeah.

757

00:52:50,208 --> 00:52:51,501
Don't say that, Daddy.

758

00:52:51,585 --> 00:52:52,752
[Ruth grunts]

759

00:52:54,212 --> 00:52:57,674
You made me do it.
When are you gonna learn?

760

00:53:00,677 --> 00:53:02,387
What, are you gonna cut me now?

761

00:53:03,138 --> 00:53:05,515
You ungrateful fucking cunt.

762

00:53:14,065 --> 00:53:15,150
[door shuts]

763

00:53:16,693 --> 00:53:18,195
[breathing shakily]

764

00:53:24,326 --> 00:53:26,203
[Marty] What were you running from, Buddy?

765

00:53:28,872 --> 00:53:29,915
Ghosts?

766

00:53:33,460 --> 00:53:35,170
Were they in your dreams?

767

00:53:38,089 --> 00:53:39,591
Did they forgive you?

768
00:54:00,445 --> 00:54:01,488
Bye, Buddy.

769
00:54:03,865 --> 00:54:05,242
I'll be seeing you.

770
00:54:07,494 --> 00:54:09,120
[knock on door]

771
00:54:22,467 --> 00:54:23,343
Hey.

772
00:54:24,844 --> 00:54:27,055
-Hi.
-Can I come in?

773
00:54:40,068 --> 00:54:41,361
How do you feel?

774
00:54:43,697 --> 00:54:44,781
Um, okay.

775
00:54:46,241 --> 00:54:47,242
Good.

776
00:54:50,996 --> 00:54:53,581
Petty is not going to be
bothering you anymore.

777
00:54:58,712 --> 00:55:00,463
How'd you get me out?

778
00:55:02,173 --> 00:55:03,883
He had a change of heart.

779
00:55:13,018 --> 00:55:14,144
What's this?

780

00:55:15,437 --> 00:55:16,563
That's a plane ticket.

781
00:55:20,775 --> 00:55:21,818
To Miami?

782
00:55:22,319 --> 00:55:24,779
There's a clinic there
where you can clean up.

783
00:55:26,489 --> 00:55:28,450
I said I wanted to help,
and this is what it looks like.

784
00:55:28,533 --> 00:55:29,868
Well, I can't even afford that, so...

785
00:55:29,951 --> 00:55:31,703
It's paid for. It's done.

786
00:55:34,831 --> 00:55:39,044
And this is an advance on the Blue Cat.

787
00:55:39,127 --> 00:55:42,797
You send me your account information,
and I'll deposit the rest.

788
00:55:47,927 --> 00:55:49,721
I guess I should say thank you.

789
00:55:51,473 --> 00:55:52,599
No.

790
00:55:55,935 --> 00:55:57,896
I fucked your life up pretty good.

791
00:56:03,943 --> 00:56:04,944
Hey, Marty.

792
00:56:09,783 --> 00:56:10,867
I, uh...

793
00:56:39,604 --> 00:56:40,730
Thank you.

794
00:56:45,276 --> 00:56:47,112
[children giggling]

795
00:56:47,904 --> 00:56:49,447
-[Reverend] Y'all take care.
-[man] Appreciate it.

796
00:56:49,531 --> 00:56:50,949
Wonderful sermon, Reverend.

797
00:56:51,616 --> 00:56:54,285
The nature of salvation.
Gave me a lot to think about.

798
00:56:54,369 --> 00:56:55,203
Thank you.

799
00:56:55,286 --> 00:56:58,248
And that fried chicken.
It must be genetic.

800
00:56:58,331 --> 00:57:01,292
Women around these parts
all just seem to know how to cook.

801
00:57:01,376 --> 00:57:03,420
-Isn't that right, Darlene?
-Mmm.

802
00:57:03,503 --> 00:57:04,879
Oh, it was good to see you, Darlene.

803
00:57:04,963 --> 00:57:05,922
Well...

804
00:57:07,298 --> 00:57:09,008
-good night now.
-Good night.

805
00:57:09,509 --> 00:57:12,804
Jesus, it's just fucking fried chicken.

806
00:57:12,887 --> 00:57:14,764
A cat could make it.

807
00:57:17,725 --> 00:57:18,726
Thank you.

808
00:57:20,270 --> 00:57:21,688
[engine turns over]

809
00:57:54,596 --> 00:57:56,014
[Jacob] Y'all got a problem?

810
00:57:56,097 --> 00:57:57,390
[tires screeching]

811
00:58:17,368 --> 00:58:19,996
[Wendy] Where have you been?
It's late. We've been worried.

812
00:58:24,501 --> 00:58:26,794
I have something
I wanna talk to you about.

813
00:58:29,255 --> 00:58:30,507
What is it?

814
00:58:36,679 --> 00:58:38,681
I wanna get emancipated.

815
00:58:39,599 --> 00:58:41,643
-What are you talking about?
-What?

816
00:58:42,143 --> 00:58:44,437
Do you remember Jordan Parks
from back home?

817
00:58:45,146 --> 00:58:48,191

He did it. He had his own apartment
when he was a senior.

818

00:58:48,858 --> 00:58:51,611
That kid's parents are drug addicts.

819

00:58:51,694 --> 00:58:54,072
-There's a difference there.
-This is silly.

820

00:58:55,156 --> 00:58:57,367
You'd have to pay for rent, food, clothes.

821

00:58:57,450 --> 00:58:58,284
I'll get a job.

822

00:58:58,368 --> 00:59:00,161
Where? McDonald's?

823

00:59:01,120 --> 00:59:02,997
You think minimum wage
would pay for all that?

824

00:59:03,081 --> 00:59:07,919
Charlotte, I know things have been crazy,

825

00:59:08,586 --> 00:59:11,047
-but we gotta stay together.
-[Charlotte] Why?

826

00:59:11,130 --> 00:59:12,882
We're a family.

827

00:59:12,966 --> 00:59:14,634
What does that even mean?

828

00:59:16,219 --> 00:59:18,221
I don't wanna hurt you.

829

00:59:19,013 --> 00:59:22,600
I love you,
but I can't be a part of this anymore.

830
00:59:23,184 --> 00:59:26,145
Everyone lies about everything.

831
00:59:26,813 --> 00:59:28,356
It's gone too far.

832
00:59:29,065 --> 00:59:32,235
You can fight me on this,
or you can help me.

833
00:59:35,113 --> 00:59:36,739
I've made up my mind.

834
00:59:39,576 --> 00:59:41,077
I want out.

835
00:59:56,426 --> 00:59:57,635
[thuds]
