1
00:00:20,687 --> 00:00:22,022
-[woman] Smile.
-[camera shutter clicks]

2
00:00:25,650 --> 00:00:28,194
-You want a do-over?
-Uh, no.

3
00:00:28,820 --> 00:00:29,779
-Are you sure?
-Yep.

4
00:00:29,863 --> 00:00:31,781
If I was going on a trip, I'd be smiling.

5
00:00:31,865 --> 00:00:36,327
Well, it's a white background, no shadow,
eyes open, neutral expression.

6
00:00:36,411 --> 00:00:38,413
That's a TSA checklist right there.

7
00:00:39,039 --> 00:00:41,666
-So, where are you headed?
-Abroad.

8
00:00:52,427 --> 00:00:53,511
[Ruth] Holy shit.

9
00:00:54,929 --> 00:00:55,889
[Marty] I know.

10
00:00:57,057 --> 00:00:58,767
[Ruth] How much money is there?

11
00:00:58,850 --> 00:01:00,894
[Marty] Approximately \$43 million.

12
00:01:00,977 --> 00:01:02,604
[Ruth] Holy shit.

13

00:01:02,687 --> 00:01:04,314
[Marty] The exact numbers are in here,

14
00:01:04,397 --> 00:01:08,443
along with a complete listing
of the real accounts, plus their shadows.

15
00:01:08,526 --> 00:01:13,406
And the operational account
is gonna be active... [grunts]

16
00:01:13,490 --> 00:01:16,451
as soon as we're done with the ceremony,
day after tomorrow.

17
00:01:22,207 --> 00:01:23,958
What if I can't do this?

18
00:01:24,042 --> 00:01:25,835
It's just like Lickety Splitz,
only bigger.

19
00:01:25,919 --> 00:01:27,128
You're gonna come here,

20
00:01:27,212 --> 00:01:28,880
you're gonna pay respects to Buddy
a couple of times a week.

21
00:01:28,963 --> 00:01:30,924
You're gonna mix this money
with the legit receipts

22
00:01:31,007 --> 00:01:32,342
and then you're gonna deposit it.

23
00:01:32,425 --> 00:01:34,928
Long as the flow stays steady,
no one's gonna bat an eye.

24
00:01:35,386 --> 00:01:36,763
This is crazy.

25

00:01:38,556 --> 00:01:40,141
I don't know shit about fuck.

26

00:01:41,101 --> 00:01:42,018
Ruth.

27

00:01:43,728 --> 00:01:46,815
Which LP is held by Davisville Limited?

28

00:01:49,859 --> 00:01:51,194
Lighthouse Landing.

29

00:01:51,778 --> 00:01:54,447
-And where are they registered?
-Panama City.

30

00:01:55,698 --> 00:01:57,158
And they're a shell company for?

31

00:01:57,242 --> 00:02:01,830
Horizon Cove Inc, which is a subsidiary
for Byrde Enterprises.

32

00:02:03,248 --> 00:02:06,209
If I didn't think you could handle it,
I wouldn't be risking my family's lives.

33

00:02:09,212 --> 00:02:10,839
[Helen] Thanks for the walkthrough.

34

00:02:11,840 --> 00:02:14,342
As these things get close,
my client always gets nervous.

35

00:02:14,425 --> 00:02:15,510
He's very detail-oriented.

36

00:02:15,593 --> 00:02:18,805
[Wendy] Well, it's my pleasure.
I find it oddly beautiful.

37

00:02:18,888 --> 00:02:20,390
[Marty] Hi. Sorry I'm late.

38
00:02:20,974 --> 00:02:22,016
Hi.

39
00:02:22,100 --> 00:02:23,601
I was just about to tell your wife,

40
00:02:23,685 --> 00:02:25,728
you can see the rest of your life
from up here.

41
00:02:25,812 --> 00:02:27,730
-[Marty] Yeah.
-Everything okay?

42
00:02:27,814 --> 00:02:29,107
[Zeke cooing]

43
00:02:29,190 --> 00:02:31,568
Yeah. Yeah, yeah.
Just some personal stuff.

44
00:02:31,651 --> 00:02:32,861
-[Wendy] Mm-hmm.
-How you doing?

45
00:02:32,944 --> 00:02:35,655
I trust if there were any
last-minute issues, you'd let me know.

46
00:02:36,030 --> 00:02:36,865
Of course.

47
00:02:36,948 --> 00:02:39,534
-Now would be the time to fix them.
-We're good.

48
00:02:40,785 --> 00:02:42,453
[Zeke cooing]

49

00:02:42,537 --> 00:02:45,331
I'm not sure you appreciate
the historical significance

50

00:02:45,415 --> 00:02:47,083
of what it is you're about to pull off.

51

00:02:48,168 --> 00:02:49,961
Medellín, Sinaloa, Juárez,

52

00:02:50,044 --> 00:02:52,547
every one of them tried to create
something like this.

53

00:02:52,630 --> 00:02:53,923
Every one of them failed.

54

00:02:54,007 --> 00:02:57,594
A legitimate, self-sustaining operation
like a casino.

55

00:02:57,677 --> 00:02:59,596
This is why crime organizes.

56

00:03:00,471 --> 00:03:03,183
Have you given any thought
to the next five years?

57

00:03:03,266 --> 00:03:05,852
Uh, I'd love to talk about
the operational account.

58

00:03:05,935 --> 00:03:07,812
Because you're pillars
of the community now.

59

00:03:07,896 --> 00:03:11,107
You've established a foothold
in the gaming industry.

60

00:03:11,191 --> 00:03:13,943
You could expand, completely legitimately.

61

00:03:14,027 --> 00:03:16,237
Honoring your obligations
to my client, obviously.

62

00:03:16,321 --> 00:03:17,530
[Zeke coos]

63

00:03:17,614 --> 00:03:20,950
I am so sorry, but I have to get him home.

64

00:03:21,034 --> 00:03:24,037
I mean, it's just been a long time
since we've been tied to a nap schedule.

65

00:03:24,120 --> 00:03:25,830
It's funny how you forget
there was ever a time

66

00:03:25,914 --> 00:03:28,041
before they could tell you
to go fuck yourself.

67

00:03:28,124 --> 00:03:29,626
[chuckles] But not you.

68

00:03:30,293 --> 00:03:31,711
No. You wouldn't call up and talk

69

00:03:31,794 --> 00:03:33,963
about your father's girlfriend,
would you? No.

70

00:03:34,047 --> 00:03:35,340
The operational account.

71

00:03:35,882 --> 00:03:38,092
-What about it?
-It's not up and running.

72

00:03:38,176 --> 00:03:39,844
Once the contracts are signed.

73

00:03:40,386 --> 00:03:43,056
That's in two days.
I could be working now.

74

00:03:44,474 --> 00:03:46,851
Well, is there some kind of rush
I'm not aware of?

75

00:03:47,977 --> 00:03:49,520
Just trying to be efficient.

76

00:03:50,855 --> 00:03:52,523
Well, call us superstitious.

77

00:03:52,607 --> 00:03:53,566
On a long road trip,

78

00:03:53,650 --> 00:03:56,236
you're most likely to get into an accident
a mile from your home.

79

00:04:05,161 --> 00:04:06,955
-[Wendy] You okay?
-[Marty] Yeah.

80

00:04:08,039 --> 00:04:09,832
What did you have to take care of?

81

00:04:10,833 --> 00:04:12,168
Just life stuff.

82

00:04:12,543 --> 00:04:16,631
Hmm. I called the school.
Charlotte went to first period.

83

00:04:18,800 --> 00:04:19,801
Great.

84

00:04:21,427 --> 00:04:22,804
Helen's right, you know.

85

00:04:23,596 --> 00:04:26,391
This could be the beginning
of a great new chapter in our lives.

86
00:04:27,725 --> 00:04:29,936
We just have to work harder
at being better parents.

87
00:04:33,147 --> 00:04:34,857
What if that's not possible here?

88
00:04:35,525 --> 00:04:36,901
It has to be.

89
00:04:36,985 --> 00:04:38,236
[Zeke cooing]

90
00:04:39,570 --> 00:04:41,489
Oh, yeah. Okay.

91
00:04:46,244 --> 00:04:49,205
[Cade] I was there.
I saw the cartel torture her.

92
00:04:49,289 --> 00:04:50,623
[Petty] Mm-hmm.

93
00:04:50,707 --> 00:04:53,710
Well, could you get her
to file charges against him?

94
00:04:53,793 --> 00:04:56,296
[Cade] Well, I know he paid
for that paddle wheeler in cash.

95
00:04:56,379 --> 00:04:59,590
-[Petty] Well, that's not illegal.
-It is if it's cartel money.

96
00:05:00,758 --> 00:05:02,343
[Petty] Do you know where he hides it?

97

00:05:04,554 --> 00:05:05,638
What about the books?

98
00:05:06,848 --> 00:05:08,433
Do you even know where he keeps 'em?

99
00:05:09,225 --> 00:05:10,143
Does he even talk to you?

100
00:05:10,226 --> 00:05:11,894
If you were wired,
would he confide in you?

101
00:05:11,978 --> 00:05:13,104
He talks to my daughter.

102
00:05:13,187 --> 00:05:15,606
Yeah, and would you wear
a wire against her?

103
00:05:19,986 --> 00:05:20,945
You know what I think?

104
00:05:22,113 --> 00:05:23,323
I think you're looking at me

105
00:05:23,406 --> 00:05:25,325
as some kind of
"get out of jail free" card.

106
00:05:25,408 --> 00:05:27,201
[Cade] No, I'm giving you
Marty fucking Byrde.

107
00:05:27,285 --> 00:05:28,745
[Petty] You didn't give me shit.

108
00:05:28,828 --> 00:05:32,206
You haven't said a single thing
that I don't already know.

109
00:05:32,290 --> 00:05:34,834

In fact, I have no confidence you can get
anywhere close to Marty Byrde.

110
00:05:34,917 --> 00:05:36,085
You fucking owe me.

111
00:05:36,169 --> 00:05:37,462
[laughs]

112
00:05:37,545 --> 00:05:39,630
-I owe you?
-Yeah, that's right.

113
00:05:40,214 --> 00:05:41,341
I don't even know you.

114
00:05:41,841 --> 00:05:45,219
You got my fucking daughter tortured.
You got my brothers killed.

115
00:05:45,303 --> 00:05:46,262
You know what?

116
00:05:46,971 --> 00:05:50,058
Your five minutes are up,
so get the fuck away from me.

117
00:05:53,644 --> 00:05:55,646
What? You don't like hearing the truth?

118
00:05:55,730 --> 00:05:57,648
[sighs] The truth?

119
00:05:58,358 --> 00:06:00,735
The truth is, you smell desperate.

120
00:06:01,611 --> 00:06:02,445
It reeks.

121
00:06:02,528 --> 00:06:04,530
I give it a month
before you're back in prison.

122
00:06:04,614 --> 00:06:07,700
And your fucking
trailer-trash daughter... [scoffs]

123
00:06:07,784 --> 00:06:09,744
who you're so willing to rat out.

124
00:06:12,246 --> 00:06:14,123
She's in so far over her head,

125
00:06:14,207 --> 00:06:17,794
[laughs] it'll be a minute behind you,
whether I'm following the case or not.

126
00:06:17,877 --> 00:06:20,713
The truth is that Russ
deserved better than every fucking--

127
00:06:20,797 --> 00:06:21,798
[Cade yells]

128
00:06:21,881 --> 00:06:22,882
[both panting]

129
00:06:27,428 --> 00:06:28,596
Oh, fuck.

130
00:06:30,807 --> 00:06:31,682
[grunts]

131
00:06:32,975 --> 00:06:34,977
[grunting]

132
00:07:41,502 --> 00:07:43,171
[water bubbling]

133
00:08:16,496 --> 00:08:18,498
[Zeke cooing]

134
00:08:26,047 --> 00:08:27,381

[Wendy] Darlene.

135

00:08:27,465 --> 00:08:28,925
[Darlene] I thought you should know...

136

00:08:30,218 --> 00:08:32,220
Jacob passed away this morning.

137

00:08:34,096 --> 00:08:35,056
What?

138

00:08:37,016 --> 00:08:38,017
Oh, Darlene.

139

00:08:38,935 --> 00:08:40,019
Oh.

140

00:08:40,603 --> 00:08:41,812
I'm so sorry.

141

00:08:42,772 --> 00:08:45,525
His dying wish was to stop the casino.

142

00:08:47,235 --> 00:08:48,736
I intend to honor that.

143

00:08:51,739 --> 00:08:53,074
I don't understand.

144

00:08:53,157 --> 00:08:55,993
Jacob was always committed
to making the casino work.

145

00:08:56,827 --> 00:08:58,079
He had an epiphany.

146

00:09:02,166 --> 00:09:04,252
-He passed this morning?
-That's right.

147

00:09:04,335 --> 00:09:05,586

And you came right here?

148

00:09:10,466 --> 00:09:11,842
May I ask how he died?

149

00:09:12,635 --> 00:09:15,513
His heart. It failed him.

150

00:09:18,099 --> 00:09:19,475
Just to be clear...

151

00:09:20,726 --> 00:09:23,771
Jacob understood
that this casino is happening.

152

00:09:24,689 --> 00:09:26,357
There's no way for you to win.

153

00:09:27,233 --> 00:09:29,819
Did the Viet Cong have to win?

154

00:09:31,279 --> 00:09:32,989
-I'm sorry.
-The gooks.

155

00:09:33,406 --> 00:09:34,782
They didn't have to win.

156

00:09:35,366 --> 00:09:38,160
They just had to not lose. It's my land.

157

00:09:38,244 --> 00:09:40,162
The cartel's already tried
to kill you once.

158

00:09:40,788 --> 00:09:42,540
-Is that a threat?
-Just a fact.

159

00:09:44,917 --> 00:09:49,672
There might be one solution
to honor Jacob's memory.

160
00:09:50,548 --> 00:09:54,135
Is that Mason Young's baby in the car?
It is, isn't it?

161
00:09:55,136 --> 00:09:57,763
Social Services told me
you were looking after him

162
00:09:57,847 --> 00:10:00,224
until they found a suitable home.

163
00:10:00,308 --> 00:10:03,894
Now, you help me adopt him,
and I'll stand aside.

164
00:10:03,978 --> 00:10:05,980
You are not fucking touching that baby.

165
00:10:06,063 --> 00:10:08,441
I delivered that child.

166
00:10:09,525 --> 00:10:10,776
You need to go.

167
00:10:12,111 --> 00:10:13,821
He's not your kin.

168
00:10:13,904 --> 00:10:16,449
He's not worth the cost you'll pay.

169
00:10:17,366 --> 00:10:18,451
Now.

170
00:10:48,522 --> 00:10:50,107
[knock on door]

171
00:10:55,237 --> 00:10:56,489
[Ruth] What the hell do you want?

172
00:10:59,241 --> 00:11:00,868

I need a favor, baby girl.

173

00:11:01,869 --> 00:11:04,413

If anybody asks,
I was here with you all morning.

174

00:11:06,082 --> 00:11:09,251

-What the fuck did you do?
-You don't worry about that, okay?

175

00:11:09,835 --> 00:11:12,922

I just need you to be ready
to alibi me up, just in case.

176

00:11:13,381 --> 00:11:14,882

Like when you robbed my strip club?

177

00:11:14,965 --> 00:11:17,635

Right. That was wrong of me.

178

00:11:17,718 --> 00:11:20,262

I was angry,
and I shouldn't have done that.

179

00:11:20,888 --> 00:11:21,931

You made it real clear

180

00:11:22,014 --> 00:11:24,767

that you don't want me
to be a part of your shit no more.

181

00:11:24,850 --> 00:11:27,269

Well, guess what. This is your shit.

182

00:11:28,521 --> 00:11:29,605

I did it for you.

183

00:11:33,234 --> 00:11:34,610

What are you talking about?

184

00:11:34,694 --> 00:11:37,863

That fed, the one that got you tortured,

185
00:11:39,198 --> 00:11:40,825
he's done fucking with you, girl.

186
00:11:42,702 --> 00:11:44,620
Tell me you didn't kill a fucking fed.

187
00:11:44,787 --> 00:11:46,956
It was an accident. I...

188
00:11:47,373 --> 00:11:50,209
He was talking about sending you
to prison. I lost my temper.

189
00:11:50,793 --> 00:11:52,545
Fuck. Jesus Christ.

190
00:11:53,129 --> 00:11:56,340
I need your help really bad, Ruthie.

191
00:12:00,386 --> 00:12:02,012
Did anybody see you?

192
00:12:02,096 --> 00:12:05,057
It was early. Down by the river
where Russ used to fish.

193
00:12:07,601 --> 00:12:08,602
Is he still there?

194
00:12:09,311 --> 00:12:10,604
I sunk the body.

195
00:12:14,483 --> 00:12:16,360
You didn't touch nothing, did you?

196
00:12:17,111 --> 00:12:18,571
What about his car?

197
00:12:18,654 --> 00:12:21,532
I left it. There's no reason for anybody

to guess I was ever there.

198

00:12:21,949 --> 00:12:26,579
You don't think when they find the car,
an FBI agent's car,

199

00:12:26,662 --> 00:12:29,123
they're not gonna come looking
for the family

200

00:12:29,206 --> 00:12:31,167
of his dead fucking informant?

201

00:12:31,250 --> 00:12:33,085
Which is why I need an alibi!

202

00:12:38,716 --> 00:12:40,259
This is your life.

203

00:12:42,011 --> 00:12:43,596
It ain't fucking mine.

204

00:12:50,853 --> 00:12:52,104
Fuck, Ruthie... You...

205

00:12:53,439 --> 00:12:55,232
Come out here right now, girl.

206

00:12:55,316 --> 00:12:56,484
You hear me, girl?

207

00:12:57,443 --> 00:12:58,778
Don't you fucking do this!

208

00:12:59,737 --> 00:13:02,406
I'm your father! Fuck!

209

00:13:08,412 --> 00:13:10,331
[Marty] Byrde. B-y-r-d-e.

210

00:13:11,874 --> 00:13:12,875

[man] There you are.

211

00:13:12,958 --> 00:13:15,920
[Marty] Uh, so, you know, sir,
we were never intending

212

00:13:16,003 --> 00:13:17,546
on being a long-term family.

213

00:13:17,630 --> 00:13:18,881
We were just doing a friend a favor.

214

00:13:19,507 --> 00:13:20,925
You know, Mason Young.

215

00:13:21,008 --> 00:13:24,887
And now it seems pretty clear
that he has abandoned his child,

216

00:13:25,554 --> 00:13:28,390
so we were thinking
that maybe it would be good to, you know,

217

00:13:28,474 --> 00:13:34,855
get the kid in with an incredibly loving,
stable couple, right away.

218

00:13:34,939 --> 00:13:38,526
Well, I must say, I really do appreciate
your care and commitment.

219

00:13:39,276 --> 00:13:41,070
Yeah. So, possible?

220

00:13:41,153 --> 00:13:42,822
-Oh, absolutely.
-That's great.

221

00:13:42,905 --> 00:13:46,575
We'll have him placed in,
I'd say, six to eight weeks.

222

00:13:48,452 --> 00:13:49,453
Hmm.

223
00:13:51,288 --> 00:13:53,624
-Six to eight.
-Well, ten, tops.

224
00:13:53,707 --> 00:13:54,708
[sighs]

225
00:13:56,001 --> 00:14:01,382
What if I was to, say,
get transferred to another country?

226
00:14:02,424 --> 00:14:03,759
Well, that's not advisable.

227
00:14:04,844 --> 00:14:05,970
Exactly. Yeah.

228
00:14:06,053 --> 00:14:08,347
Which is why
it would just be great

229
00:14:08,430 --> 00:14:12,101
if we could find an amazing family
there on your list

230
00:14:12,184 --> 00:14:16,230
that is looking for a call,
you know, right away.

231
00:14:38,919 --> 00:14:39,920
[tires screech]

232
00:14:46,343 --> 00:14:47,761
Don't make a fuss.

233
00:14:52,349 --> 00:14:53,183
Wendy.

234
00:14:54,852 --> 00:14:55,686

Wendy?

235

00:14:59,356 --> 00:15:00,399
Where is he?

236

00:15:01,066 --> 00:15:02,067
Did they shave it all off?

237

00:15:04,445 --> 00:15:05,738
It's okay. I'm not hurt.

238

00:15:12,745 --> 00:15:13,829
[Marty sighs]

239

00:15:15,456 --> 00:15:16,665
It was just a message.

240

00:15:23,422 --> 00:15:25,841
Mrs. Snell says
that you know what she wants.

241

00:15:27,927 --> 00:15:30,095
I'm gonna have him lie down
for a little bit and get some rest.

242

00:15:30,679 --> 00:15:31,889
Come on, let's go to your room.

243

00:15:54,453 --> 00:15:56,455
[typing]

244

00:16:03,379 --> 00:16:04,380
[cell phone chimes]

245

00:16:47,840 --> 00:16:49,049
Do you need help?

246

00:17:22,499 --> 00:17:24,209
[Zeke crying]

247

00:17:27,129 --> 00:17:28,422

Did I wake you up?

248

00:17:29,923 --> 00:17:30,799
Huh?

249

00:17:30,883 --> 00:17:32,760
Hey. Hey.

250

00:17:32,843 --> 00:17:35,637
-[crying continues]
-Shh.

251

00:17:35,721 --> 00:17:37,347
Oh, that's some grip.

252

00:17:37,431 --> 00:17:40,392
You got a real grip there. Come here.

253

00:17:41,351 --> 00:17:43,520
Okay. [shushing].

254

00:17:57,201 --> 00:17:58,869
I don't know how to protect you.

255

00:17:58,952 --> 00:18:00,496
[Zeke cooing]

256

00:18:06,877 --> 00:18:08,253
[man] He was a good man.

257

00:18:09,046 --> 00:18:09,963
[Darlene] Mmm.

258

00:18:10,047 --> 00:18:11,507
[woman] We were lucky to know him.

259

00:18:13,467 --> 00:18:16,345
Well, he loved the both of you.

260

00:18:29,066 --> 00:18:30,692
How you holding up, sweetie?

261
00:18:30,776 --> 00:18:32,528
[breathes deeply]

262
00:18:33,278 --> 00:18:35,364
I smell him on my skin,

263
00:18:36,281 --> 00:18:39,993
but I can't shower
because I'm afraid it might wash off.

264
00:18:41,411 --> 00:18:42,329
[chuckles]

265
00:18:42,412 --> 00:18:44,331
And then a little while ago,

266
00:18:45,749 --> 00:18:47,709
I started a conversation,

267
00:18:48,544 --> 00:18:52,506
and then I realized
I was just talking to myself.

268
00:18:52,589 --> 00:18:54,133
So, I don't know.

269
00:18:54,883 --> 00:18:56,844
[stammers] How am I?

270
00:18:56,927 --> 00:18:58,095
Oh, baby.

271
00:19:10,399 --> 00:19:11,984
I spoke to Social Services.

272
00:19:13,193 --> 00:19:15,070
You're on a list to foster a child,

273
00:19:15,154 --> 00:19:19,700
so the state is approving you

to take Zeke temporarily.

274

00:19:20,242 --> 00:19:24,538
I'm not interested in fostering.
I want to adopt.

275

00:19:25,414 --> 00:19:26,874
The foster agreement comes with a clause

276

00:19:26,957 --> 00:19:29,251
saying that you can
formally adopt the child

277

00:19:29,334 --> 00:19:33,672
if no parent comes forward
to make a claim in the next two years.

278

00:19:33,755 --> 00:19:36,300
And if Mason comes back into the picture?

279

00:19:38,802 --> 00:19:41,054
You have to trust me
that that's not gonna happen.

280

00:19:42,389 --> 00:19:44,016
[Zeke cooing]

281

00:19:46,518 --> 00:19:49,438
You ever touch either one of my children
ever again,

282

00:19:51,106 --> 00:19:52,149
I'll fucking kill you.

283

00:19:55,569 --> 00:19:56,653
I'm so sorry.

284

00:19:58,447 --> 00:20:00,449
[Zeke crying]

285

00:20:01,867 --> 00:20:02,910
Hello.

286
00:20:03,660 --> 00:20:04,870
Hello, baby.

287
00:20:06,038 --> 00:20:07,456
[sighs]

288
00:20:07,539 --> 00:20:13,795
I am gonna love this baby
more than you ever possibly could.

289
00:20:16,465 --> 00:20:17,341
Hello.

290
00:20:18,300 --> 00:20:19,676
You're home now.

291
00:20:20,761 --> 00:20:21,595
Yeah.

292
00:20:22,304 --> 00:20:23,805
Hello, young man.

293
00:20:37,653 --> 00:20:39,655
-This your vehicle?
-Yes, sir.

294
00:20:39,738 --> 00:20:40,906
Park closes at sunset.

295
00:20:42,199 --> 00:20:44,243
I was scouting fishing spots

296
00:20:44,326 --> 00:20:47,746
and seeing how the water was running,
and I lost track of light.

297
00:20:49,414 --> 00:20:51,458
Just vacate the park, please.

298
00:21:01,009 --> 00:21:03,136

[rock music playing]

299

00:21:03,220 --> 00:21:05,931

Since when do rich girls
know their way around a grill?

300

00:21:07,140 --> 00:21:08,392

Since fuck you.

301

00:21:10,018 --> 00:21:12,604

Hey, I was thinking, uh,

302

00:21:13,313 --> 00:21:16,858

maybe you should move into Wyatt's room
after he takes off for Mizzou.

303

00:21:19,152 --> 00:21:21,738

You know, I was actually thinking
about coming to Columbia with you.

304

00:21:22,948 --> 00:21:26,076

I don't know. I need to finish out
my senior year, and we can get a place.

305

00:21:27,202 --> 00:21:28,870

[car approaching]

306

00:21:39,923 --> 00:21:41,508

I need to talk to you.

307

00:21:43,010 --> 00:21:44,678

What the fuck are you all looking at?

308

00:21:44,761 --> 00:21:47,514

Go inside. Mind your own fucking business.

309

00:21:48,724 --> 00:21:50,392

Fucking now, girl.

310

00:21:53,895 --> 00:21:55,981

[Wyatt] How about I call you
when things calm down around here?

311
00:21:56,064 --> 00:21:57,399
[Charlotte] What, you don't wanna
come with me?

312
00:21:57,482 --> 00:22:00,736
I wanna stick around for Ruth.
I'll be fine. Talk to you later, okay?

313
00:22:00,819 --> 00:22:01,653
Okay.

314
00:22:08,744 --> 00:22:10,078
I need money.

315
00:22:10,162 --> 00:22:13,081
I told you,
I don't know where Marty stashes it.

316
00:22:13,165 --> 00:22:15,417
You forget about that. Anything you got.

317
00:22:15,500 --> 00:22:17,753
I moved that fed's car,
and it's your fault.

318
00:22:18,712 --> 00:22:23,216
I moved it, and when I come back,
that ranger was there, took down my plate.

319
00:22:24,384 --> 00:22:26,261
When they find that car, he's gonna know.

320
00:22:26,345 --> 00:22:30,307
It might be days, might be a week,
a month, I don't know.

321
00:22:30,390 --> 00:22:34,561
But they're gonna find that fucking car,
and they're gonna come looking for me...

322
00:22:35,270 --> 00:22:36,938

and I better be fucking gone.

323

00:22:38,065 --> 00:22:40,692

The only money I got is
for Wyatt's tuition.

324

00:22:41,526 --> 00:22:43,278

Well, then you're gonna give it to me.

325

00:22:44,696 --> 00:22:45,697

No.

326

00:22:46,365 --> 00:22:47,866

You're gonna give it to me,

327

00:22:48,784 --> 00:22:49,993

or I'm gonna walk over there

328

00:22:50,077 --> 00:22:52,913

and I'm gonna tell him
exactly what happened to his daddy.

329

00:23:30,784 --> 00:23:33,829

Three, I need you to fuck off.
I need to talk to Wyatt alone.

330

00:23:39,918 --> 00:23:41,420

And turn up the TV loud.

331

00:23:46,925 --> 00:23:49,761

-What did Cade say?

-This ain't about Cade.

332

00:23:50,679 --> 00:23:53,473

-Okay, what's up?

-I need you to listen to me.

333

00:24:01,273 --> 00:24:04,860

I know Marty didn't kill your dad...

334

00:24:08,280 --> 00:24:09,573

because I did.

335
00:24:14,536 --> 00:24:15,912
What are you talking about?

336
00:24:16,746 --> 00:24:18,081
I wired the dock.

337
00:24:18,874 --> 00:24:21,877
I knew that they were going there,
so I wired it,

338
00:24:21,960 --> 00:24:24,963
so the second they touched the ladder,
they'd get electrocuted.

339
00:24:26,339 --> 00:24:27,799
You're making this up.

340
00:24:28,884 --> 00:24:30,093
Why would I be doing that?

341
00:24:30,177 --> 00:24:31,261
You're afraid I won't go to Mizzou

342
00:24:31,344 --> 00:24:32,762
if I don't find out
what happened to my dad,

343
00:24:32,846 --> 00:24:34,389
and now you're
just fucking making this up!

344
00:24:34,473 --> 00:24:38,143
I wish I was. I wish to fucking God...
I wish it was a lie.

345
00:24:40,687 --> 00:24:45,525
Russ was working with the feds.
He was trying to get me on a wire.

346
00:24:45,609 --> 00:24:48,069
No. No way. No fucking way!

347
00:24:48,153 --> 00:24:51,740
You were right about that night.
They had the guns.

348
00:24:53,867 --> 00:24:55,535
They were gonna kill Marty.

349
00:24:59,247 --> 00:25:03,502
I practiced on our dock, with a mouse.

350
00:25:04,419 --> 00:25:09,049
At first,
I rigged Marty's dock to get him,

351
00:25:10,383 --> 00:25:13,553
but then it was fucked up and...

352
00:25:15,138 --> 00:25:19,226
things changed,
and they were going to the Blue Cat.

353
00:25:23,980 --> 00:25:25,565
Say something.

354
00:25:29,110 --> 00:25:32,656
[stammers] You can hate me,
and I know you will.

355
00:25:36,826 --> 00:25:39,412
But I need you to know that you're the...

356
00:25:41,665 --> 00:25:45,877
you're the only thing in this world
that I'll ever fucking love.

357
00:25:45,961 --> 00:25:47,963
[sobbing]

358
00:25:49,339 --> 00:25:50,549
[Wyatt sighs]

359
00:26:25,959 --> 00:26:27,252
Jonah's still asleep.

360
00:26:31,506 --> 00:26:33,133
Marty, are you all right? What's going on?

361
00:26:37,512 --> 00:26:39,014
Where's Zeke?

362
00:26:39,723 --> 00:26:40,974
What have you done?

363
00:26:41,057 --> 00:26:42,434
I'm just trying to save us, Wendy.

364
00:26:43,101 --> 00:26:44,102
Get him back.

365
00:26:44,811 --> 00:26:47,814
And then what? Wait for Darlene
to come after our kids again?

366
00:26:47,897 --> 00:26:50,066
Or have her blow up the casino
and have the cartel come after us?

367
00:26:50,150 --> 00:26:53,778
I mean, what are we supposed to do?
Have her killed?

368
00:26:59,159 --> 00:27:02,746
She touched our child,
and you give her a baby?

369
00:27:02,829 --> 00:27:05,123
-I didn't have a fucking choice, Wendy.
-Of course you did.

370
00:27:05,915 --> 00:27:06,791
We're leaving.

371

00:27:07,834 --> 00:27:11,588
We're leaving the very second that casino
is finalized and the cartel's out of town.

372
00:27:11,671 --> 00:27:12,839
I got a plane standing by.

373
00:27:12,922 --> 00:27:14,758
We wouldn't have been able to
take this baby out of the country

374
00:27:14,841 --> 00:27:16,301
without triggering an AMBER alert.

375
00:27:18,219 --> 00:27:21,222
-You made these plans without me?
-Yeah.

376
00:27:24,184 --> 00:27:26,269
Once the operational account is active,

377
00:27:26,353 --> 00:27:30,315
a tiny percentage is gonna flow
into an encrypted account that I created.

378
00:27:31,232 --> 00:27:34,152
You and the kids are gonna travel
under the Fleming passports,

379
00:27:34,235 --> 00:27:35,862
and a seaplane is gonna
take us to Little Rock,

380
00:27:35,945 --> 00:27:37,113
where I have an identity waiting for me.

381
00:27:37,197 --> 00:27:38,823
And after Little Rock,
we can go to Costa Rica,

382
00:27:38,907 --> 00:27:40,700
and after Costa Rica,
we're going to Australia.

383

00:27:43,328 --> 00:27:44,704
We're going to the Gold Coast.

384

00:27:46,206 --> 00:27:48,750
A surrogate there is gonna pay
for the housing and utilities

385

00:27:48,833 --> 00:27:51,252
so that nothing is even under
our fake identities.

386

00:27:51,336 --> 00:27:53,963
We're gonna be two layers removed
from any detection.

387

00:27:55,674 --> 00:27:58,593
And this surrogate,
you've actually already found him?

388

00:27:59,803 --> 00:28:01,680
-I'm gonna do that when we get there.
-Hmm.

389

00:28:02,514 --> 00:28:05,600
And if the cartel reviews the accounts
before that happens?

390

00:28:06,017 --> 00:28:08,144
I taught Ruth how to do the books.
She knows how to move the money.

391

00:28:09,896 --> 00:28:12,357
So you were never really trying
to make any of this work.

392

00:28:16,111 --> 00:28:19,698
I did try to make a lot of it work,
but Charlotte wants to emancipate,

393

00:28:19,781 --> 00:28:22,701
and our son is describing getting
his head shaved by a fucking lunatic

394
00:28:22,784 --> 00:28:25,620
as just a message, like it's normal?

395
00:28:28,164 --> 00:28:30,458
[breathes deeply]

396
00:28:32,293 --> 00:28:33,461
Nothing's working.

397
00:28:42,929 --> 00:28:44,222
We have two problems.

398
00:28:45,181 --> 00:28:49,018
The casino might fail,
and our family's falling apart.

399
00:28:50,311 --> 00:28:54,023
Giving Darlene that kid is the only way
we were gonna solve both.

400
00:28:57,944 --> 00:29:00,155
Why the fuck didn't you talk to me
about this?

401
00:29:04,159 --> 00:29:05,869
I didn't have time to argue with you.

402
00:29:17,297 --> 00:29:18,298
[sniffles]

403
00:29:50,580 --> 00:29:52,457
So, you said four passengers, Mr. Bennett?

404
00:29:52,540 --> 00:29:56,753
Uh, yes, sir. Two adults and two children.
This'll be able to take all of us, huh?

405
00:29:56,836 --> 00:29:59,589
[man] We're cleared to travel
to Lake Conway. It's near Little Rock.

406
00:30:00,256 --> 00:30:01,966
With the amount of fuel
we'll need to hold,

407
00:30:02,050 --> 00:30:04,177
you'll have to keep it
to two bags per passenger.

408
00:30:04,969 --> 00:30:06,846
I'll have a jeep standing by
on the other side.

409
00:30:06,930 --> 00:30:09,182
Uh, great. I'll bring you the other half
of this tomorrow.

410
00:30:09,265 --> 00:30:10,475
Okay? I'll see you then.

411
00:30:18,149 --> 00:30:19,526
[knock on door]

412
00:30:34,666 --> 00:30:35,834
-Hi.
-[Helen] Hi.

413
00:30:36,417 --> 00:30:39,379
Sorry to intrude.
I know mornings are sacred family time.

414
00:30:39,462 --> 00:30:42,632
No. Actually, Marty's already gone,

415
00:30:42,715 --> 00:30:45,760
and Charlotte was spending the night
at a friend's, so...

416
00:30:45,844 --> 00:30:48,555
-Do you want some coffee?
-Uh, yeah, thank you. Black.

417
00:30:53,142 --> 00:30:54,978

Don't tell me the baby's still asleep.

418

00:30:57,105 --> 00:30:59,065
Social Services found a home for him.

419

00:31:00,567 --> 00:31:02,193
He was with you only yesterday.

420

00:31:03,987 --> 00:31:07,031
-It took us by surprise. But we're...
-Thanks.

421

00:31:07,657 --> 00:31:10,618
We're happy he's finally placed in a...

422

00:31:12,495 --> 00:31:15,623
healthy, permanent situation.

423

00:31:17,000 --> 00:31:18,001
[Helen] Hmm.

424

00:31:18,793 --> 00:31:20,295
[Jonah] Can I go for Buddy's old walk?

425

00:31:21,671 --> 00:31:22,589
[Wendy] No further.

426

00:31:24,924 --> 00:31:25,758
Morning.

427

00:31:28,595 --> 00:31:30,555
Teenagers. [chuckles]

428

00:31:36,811 --> 00:31:39,314
Jacob Snell is dead. Did you know?

429

00:31:40,315 --> 00:31:41,816
Darlene came by yesterday.

430

00:31:43,735 --> 00:31:44,819
Do we have a problem?

431
00:31:46,696 --> 00:31:47,822
It's taken care of.

432
00:31:50,825 --> 00:31:52,035
[Helen laughs]

433
00:31:52,160 --> 00:31:56,289
I was serious, you know,
when I said how impressed my client is.

434
00:31:57,916 --> 00:32:01,044
I have to say, when the idea
of a casino was first floated,

435
00:32:01,127 --> 00:32:03,212
neither of us thought
you had a chance in hell.

436
00:32:04,505 --> 00:32:06,716
My client even had us monitor
your every move.

437
00:32:06,799 --> 00:32:09,385
Your purchases, your browser history.

438
00:32:10,929 --> 00:32:15,516
He was convinced that once it became clear
that the casino was a loser,

439
00:32:16,184 --> 00:32:19,896
you'd have to make a run for it.
And yet, here we are.

440
00:32:19,979 --> 00:32:20,980
[Wendy] Hmm.

441
00:32:23,399 --> 00:32:25,610
I've been particularly impressed with you.

442
00:32:30,907 --> 00:32:31,991
I appreciate that.

443
00:32:33,117 --> 00:32:35,578
It's not easy navigating this world
as a woman.

444
00:32:36,704 --> 00:32:40,333
You must be happy to be going home
to Chicago? See your family?

445
00:32:41,125 --> 00:32:42,877
-The children, yeah.
-Hmm.

446
00:32:42,961 --> 00:32:44,545
The divorce attorney? Hmm.

447
00:32:45,630 --> 00:32:46,798
I'm sorry.

448
00:32:46,881 --> 00:32:49,050
Like I said, it's not easy navigating.

449
00:32:53,471 --> 00:32:55,598
So, where is Marty
this early in the morning?

450
00:32:55,682 --> 00:32:59,227
Oh, he's just off shoring up
a few last details.

451
00:33:00,728 --> 00:33:01,562
How is he?

452
00:33:01,646 --> 00:33:02,772
-He's good.
-Good.

453
00:33:06,943 --> 00:33:10,321
You know, you really should think about
what you want out of your new situation.

454
00:33:11,155 --> 00:33:11,990

I have.

455

00:33:12,865 --> 00:33:16,202

-And what is it you want?

-Your gratitude.

456

00:33:16,536 --> 00:33:17,745

Well, you have that.

457

00:33:19,956 --> 00:33:20,790

[chuckles]

458

00:33:22,000 --> 00:33:23,626

And that is a powerful thing.

459

00:33:29,716 --> 00:33:32,343

-Tell Marty I'm sorry I missed him.

-I will.

460

00:33:45,440 --> 00:33:46,607

[door opens]

461

00:33:50,445 --> 00:33:55,491

Hey. Frank. How you doing?

Something I can help you with?

462

00:33:56,075 --> 00:33:58,077

[Frank] I've been hearing things. [sighs]

463

00:33:58,161 --> 00:33:59,620

"Things"? What kind of things?

464

00:34:00,121 --> 00:34:02,206

[sighs] Don't try my patience.

465

00:34:03,082 --> 00:34:05,793

I don't like playing games

any more than I like driving three hours

466

00:34:05,877 --> 00:34:08,337

to a fucking lake

in the middle of the off-season.

467
00:34:09,297 --> 00:34:12,717
If you're talking about the union,
um, it's true that I had to strike a deal,

468
00:34:12,800 --> 00:34:14,510
but I promise you,
all your guys are gonna get hired.

469
00:34:14,594 --> 00:34:15,636
I don't want you to worry.

470
00:34:17,013 --> 00:34:18,639
-But I am worried.
-Don't.

471
00:34:19,599 --> 00:34:22,560
Do you think I'm someone
that you can fuck with?

472
00:34:23,728 --> 00:34:24,562
Come on.

473
00:34:25,855 --> 00:34:32,028
Do you think the gaming commission
thinks I'm someone who they can fuck with?

474
00:34:34,072 --> 00:34:38,284
I do not. And I can't imagine
that they think that.

475
00:34:38,367 --> 00:34:40,703
Then why are you letting them
fuck with me, Marty?

476
00:34:40,787 --> 00:34:42,997
Frank, I told you that your guys
are gonna get taken care of.

477
00:34:44,624 --> 00:34:45,625
They're gonna get taken care of.

478

00:34:45,708 --> 00:34:48,086
We're gonna make sure
the union rolls stay high.

479
00:34:49,420 --> 00:34:50,880
Because you know my business.

480
00:34:51,964 --> 00:34:52,799
Yeah.

481
00:34:52,882 --> 00:34:55,301
Do you really think there's an angle
in the gaming industry

482
00:34:55,384 --> 00:34:57,386
-that I haven't seen?
-No.

483
00:34:58,805 --> 00:35:00,973
Do you honestly believe

484
00:35:01,974 --> 00:35:07,021
that a handshake agreement with you
is the end of our discussions?

485
00:35:09,107 --> 00:35:13,694
What do I have to do
to make you take me seriously?

486
00:35:14,320 --> 00:35:17,240
Is this fun for you?
Are you having a fucking good time?

487
00:35:17,323 --> 00:35:18,908
What's the plan here?
What's this guy gonna do?

488
00:35:18,991 --> 00:35:21,160
Are you gonna kill me,
or fucking beat me up or something?

489
00:35:21,244 --> 00:35:22,453
Is this guy here to send me a message?

490
00:35:22,537 --> 00:35:24,914
How about you just get the fuck out
of here and let me do my job?

491
00:35:25,665 --> 00:35:27,458
All right? Because without those deals,
there'd be no casino,

492
00:35:27,542 --> 00:35:30,169
which means there'd be no jobs
for your guys at all.

493
00:35:30,253 --> 00:35:31,212
Is that what you want?

494
00:35:31,796 --> 00:35:34,966
How about you just give me the freedom
to do my fucking job?

495
00:35:36,425 --> 00:35:37,635
That's all I'm doing.

496
00:35:47,895 --> 00:35:49,397
Place smells like a new car.

497
00:35:52,150 --> 00:35:53,234
Just moved in.

498
00:36:10,001 --> 00:36:12,545
-Have you seen Wyatt?
-Thought he was with you.

499
00:36:12,628 --> 00:36:15,006
No, I've been worried
'cause I've been calling him all night

500
00:36:15,089 --> 00:36:15,923
and he hasn't picked up his phone.

501
00:36:16,007 --> 00:36:17,758
[Cade] Did you really buy that van

with your own money?

502

00:36:19,427 --> 00:36:20,595

-Yeah.

-Yeah?

503

00:36:20,678 --> 00:36:22,430

You sure it wasn't your daddy's money?

504

00:36:22,513 --> 00:36:24,974

The money he's got hidden
around here somewheres?

505

00:36:25,600 --> 00:36:27,143

[Charlotte] I don't know
what you're talking about.

506

00:36:27,226 --> 00:36:30,313

-I think you're lying to me, little girl.

-I'm not.

507

00:36:30,396 --> 00:36:32,732

-Hey. You're scaring her, Uncle Cade.

-Stay out of this, boy.

508

00:36:34,525 --> 00:36:36,694

If you called your daddy right now
and told him you needed money,

509

00:36:36,777 --> 00:36:37,653

would he give it to you?

510
