

1
00:00:07,132 --> 00:00:09,342
[ticking]

2
00:00:16,808 --> 00:00:19,811
[men and women chattering in Spanish]

3
00:00:23,898 --> 00:00:27,902
-[Mariachi music playing]
-[chatter, laughter continuing]

4
00:01:10,487 --> 00:01:13,865
[speaking Spanish]

5
00:01:25,251 --> 00:01:27,253
-[grunts]
-[screaming]

6
00:01:27,337 --> 00:01:29,339
[shouting in Spanish]

7
00:01:31,883 --> 00:01:33,051
[screams]

8
00:01:33,134 --> 00:01:35,512
-[gags]
-[grunts]

9
00:01:51,361 --> 00:01:53,988
[music plays in Spanish over radio]

10
00:01:56,699 --> 00:01:59,744
[speaking Spanish]

11
00:02:06,543 --> 00:02:07,460
[man chuckles]

12
00:02:07,544 --> 00:02:08,711
[chatter continues in Spanish]

13
00:02:16,219 --> 00:02:18,221
Unh-unh. [speaking Spanish]

87

00:08:05,193 --> 00:08:07,820
But all that cash
is just sitting with Buddy

88

00:08:07,904 --> 00:08:09,030
doing jack squat.

89

00:08:10,615 --> 00:08:13,409
Listen, I'm not gonna start
laundering again

90

00:08:13,493 --> 00:08:14,785
until I feel completely safe.

91

00:08:14,869 --> 00:08:16,787
We hired over 200 people in this place.

92

00:08:16,871 --> 00:08:20,750
Law of averages tells me that the FBI
already planted an agent.

93

00:08:20,875 --> 00:08:22,919
[Ruth] Then you should've
fucking vetted people better.

94

00:08:23,044 --> 00:08:26,130
It was just me and one other human
at a desk. How can I trust that?

95

00:08:26,214 --> 00:08:28,758
[scoffs] Well, what the fuck else
is there to trust?

96

00:08:29,509 --> 00:08:30,593
[sighs] Listen.

97

00:08:30,676 --> 00:08:34,180
As individuals, people are
completely unpredictable. Okay?

98

00:08:34,514 --> 00:08:37,099
One person making one bet,

I couldn't tell you what they're gonna do.

99

00:08:37,183 --> 00:08:40,561
But the law of large numbers tells me
a million people making a million bets,

100

00:08:40,645 --> 00:08:42,647
that is completely predictable,
completely ordered.

101

00:08:42,772 --> 00:08:44,941
So, you give me a million people
walking in this place

102

00:08:45,024 --> 00:08:47,735
and I can tell you that 3%
are trying to cheat us,

103

00:08:47,818 --> 00:08:50,530
while another 1.2%
would have been sent here

104

00:08:50,863 --> 00:08:52,490
to try to catch us committing a crime.

105

00:08:52,573 --> 00:08:55,618
There will be a pattern
as to how those 3% are trying to cheat us,

106

00:08:55,701 --> 00:08:58,955
just as sure as there's a pattern
as to how the 1.2% are trying to catch us.

107

00:08:59,038 --> 00:09:02,458
And you give me a little bit
of surveillance and a little bit of time,

108

00:09:02,708 --> 00:09:04,210
and I'll find that pattern.

109

00:09:04,835 --> 00:09:05,836
Good morning.

110
00:09:08,714 --> 00:09:10,633
Jesus, fuck, you love this shit.

111
00:09:12,051 --> 00:09:14,178
Well, I'm just trying to keep us safe.

112
00:09:20,101 --> 00:09:22,853
[man] Obviously,
gambling has an allure for some,

113
00:09:22,937 --> 00:09:24,397
it's just not for everyone.

114
00:09:24,522 --> 00:09:28,985
I'm sure you can imagine,
dentists are a very diverse crew.

115
00:09:30,528 --> 00:09:34,448
Which is why I think
we are the perfect destination.

116
00:09:34,574 --> 00:09:36,784
We're not just offering
the Missouri Belle.

117
00:09:36,867 --> 00:09:38,869
It's the whole lake. It's the community.

118
00:09:38,953 --> 00:09:41,747
There are so many ways
to live your best life here.

119
00:09:41,956 --> 00:09:43,541
[man] It's just... [sighs]

120
00:09:44,333 --> 00:09:47,753
...I'm the president,
and this convention is my legacy.

121
00:09:48,129 --> 00:09:50,339
We went to Branson
under the last administration.

122

00:09:50,423 --> 00:09:51,382

Have you ever been?

123

00:09:52,008 --> 00:09:54,260

Hell, it's not just country.

That is a misnomer.

124

00:09:54,343 --> 00:09:58,556

We saw Molly Hatchet open for 38 Special.

125

00:09:59,807 --> 00:10:00,975

-Dr. Meade--

-Fred.

126

00:10:01,726 --> 00:10:04,687

Fr-- Well, let's-- let's cut right to it,
shall we, Fred?

127

00:10:05,313 --> 00:10:06,731

What is it gonna take...

128

00:10:07,523 --> 00:10:09,817

to put us over the top
and host your convention?

129

00:10:11,319 --> 00:10:12,695

REO Speedwagon.

130

00:10:16,157 --> 00:10:17,908

-REO Speedwagon.

-Yeah.

131

00:10:17,992 --> 00:10:20,119

If you're the kind of place
that can get the 'Wagon,

132

00:10:20,202 --> 00:10:22,204

you're gonna have yourself
a whole lot of dentists.

133

00:10:23,456 --> 00:10:24,290

Hmm.

134

00:10:54,612 --> 00:10:55,946
Motherfuckers.

135

00:11:00,409 --> 00:11:01,869
[Ruth] You're two hours late!

136

00:11:02,078 --> 00:11:03,996
[man] Whoa. What's the matter with you?

137

00:11:04,080 --> 00:11:05,956
I think I fucking just told you.

138

00:11:06,040 --> 00:11:07,667
Oh, right. I get it.

139

00:11:08,084 --> 00:11:09,001
Shark week?

140

00:11:10,127 --> 00:11:12,338
-Just give me my shit.
-Okay.

141

00:11:15,758 --> 00:11:17,927
[sighs] It's a nice spot.

142

00:11:20,680 --> 00:11:25,267
[grunts] I can see why you want us
to drive three hours out of the way to it.

143

00:11:31,232 --> 00:11:34,151
-Too bad we can't use it again.
-Next time, don't be fucking late.

144

00:11:34,235 --> 00:11:35,319
[man] Yeah.

145

00:11:37,154 --> 00:11:39,573
-[Ruth grunts]
-[driver's door opens]

146
00:11:39,865 --> 00:11:40,866
-Hello!
-[engine starts]

147
00:11:40,950 --> 00:11:42,535
-[man] Goodbye!
-[driver's door shuts]

148
00:12:01,929 --> 00:12:03,931
[TV playing indistinctly]

149
00:12:27,747 --> 00:12:29,498
[TV continues indistinctly]

150
00:12:29,582 --> 00:12:30,416
Hi.

151
00:12:32,334 --> 00:12:33,377
It's your lucky day.

152
00:12:33,461 --> 00:12:35,463
I got two steaks in my freezer,

153
00:12:35,546 --> 00:12:38,674
and if you'll run out and get them,
I'll cook for the both of us.

154
00:12:40,009 --> 00:12:41,051
[Ruth sighs]

155
00:12:41,135 --> 00:12:44,555
"Sure, Ruth, that sounds fucking awesome

156
00:12:44,638 --> 00:12:47,391
and real fucking nice of you, too!
Thanks."

157
00:12:48,684 --> 00:12:50,311
That sounds fucking awesome.

158
00:12:54,482 --> 00:12:56,150

What you smiling about?

159

00:12:56,233 --> 00:12:57,902
[clears throat] Um...

160

00:12:59,361 --> 00:13:02,782
[sighs]
Stacey's grandma is making sloppy joes.

161

00:13:04,033 --> 00:13:05,743
I mean, I could cancel if you want.

162

00:13:08,746 --> 00:13:11,665
I can't believe
someone's actually fucking dating you.

163

00:13:11,749 --> 00:13:13,459
[laughing]

164

00:13:26,096 --> 00:13:28,057
[engine starts, car door slams]

165

00:13:29,683 --> 00:13:31,602
[vehicle pulls away]

166

00:13:31,685 --> 00:13:33,229
[Jonah]
What you do is you mine the gold

167

00:13:33,312 --> 00:13:35,147
and then you sell it in bulk to a broker.

168

00:13:35,439 --> 00:13:38,067
It's almost like a commodities exchange,
and then...

169

00:13:38,150 --> 00:13:40,402
that third party sells it
to the mass market.

170

00:13:40,486 --> 00:13:42,321
Thank you for cooking. It smells great.

171
00:13:42,947 --> 00:13:44,365
[Charlotte]
Know what it pairs well with?

172
00:13:46,700 --> 00:13:47,535
Mom.

173
00:13:48,744 --> 00:13:49,662
One.

174
00:13:49,787 --> 00:13:50,996
But, sweetie, I just--

175
00:13:51,080 --> 00:13:53,332
I don't understand. It's a video game.

176
00:13:53,415 --> 00:13:55,793
-It's not real gold.
-Yeah, but gamers are real.

177
00:13:55,918 --> 00:13:57,628
And real people are impatient.

178
00:13:58,420 --> 00:14:00,005
They'll always pay to get ahead
if they can...

179
00:14:00,089 --> 00:14:02,842
-[Marty] Hi. Smells great.
-...and gold gets you to the next levels.

180
00:14:02,925 --> 00:14:04,760
[Wendy stammers] Is that even legal?

181
00:14:05,177 --> 00:14:07,930
Technically, no, but you can just log in
with a different username.

182
00:14:08,013 --> 00:14:09,473
[Wendy] Yeah, I don't like it.

183

00:14:10,224 --> 00:14:12,184
I've made \$6,000 so far this month.

184

00:14:12,268 --> 00:14:14,395
\$6,000? On what? That sounds good.

185

00:14:14,478 --> 00:14:18,232
Okay. The casino is open 24/7.
You don't have to watch it every second.

186

00:14:18,399 --> 00:14:20,860
I'm very well aware of that, honey.
We're on--

187

00:14:20,943 --> 00:14:24,196
-No phones at the dinner table.
-We just-- I just want you to have...

188

00:14:24,905 --> 00:14:26,907
a summer job, something...

189

00:14:27,449 --> 00:14:28,826
Something fun.

190

00:14:28,909 --> 00:14:30,536
Something outdoors.

191

00:14:30,661 --> 00:14:34,331
Whoa. Did I fall asleep five years
and miss your 21st birthday? What's that?

192

00:14:34,456 --> 00:14:36,458
[Wendy] No, it's just... it's just one.

193

00:14:36,542 --> 00:14:37,877
"Just one." Got it.

194

00:14:38,627 --> 00:14:40,629
[Charlotte]
Are you two going to therapy tomorrow?

195

00:14:40,713 --> 00:14:44,466
Yes, we're going to therapy tomorrow.
We're aware of your rules, Charlotte.

196
00:14:44,550 --> 00:14:47,261
But I don't need a job.
I already have one.

197
00:14:47,428 --> 00:14:50,806
Mining fake gold is not a job.

198
00:14:51,724 --> 00:14:53,893
Oh, and by the way, that reminds me,
there's a...

199
00:14:54,143 --> 00:14:57,271
I have a business idea I really wanted
to talk to you about.

200
00:14:58,272 --> 00:14:59,565
Okay, I'm intrigued.

201
00:14:59,690 --> 00:15:01,817
[Jonah]
You know, all money's actually imaginary.

202
00:15:04,361 --> 00:15:07,281
Uh, you know what, pal?
Maybe your mom is right. It is summer.

203
00:15:07,406 --> 00:15:09,575
Maybe you should be outdoors, huh?

204
00:15:10,159 --> 00:15:11,285
And maybe...

205
00:15:11,535 --> 00:15:13,495
uh, even make a friend, you know?

206
00:15:16,665 --> 00:15:17,666
Okay.

207

00:15:17,833 --> 00:15:19,919
And could I please have some lasagna?

208
00:15:25,090 --> 00:15:27,301
[door slides open]

209
00:15:28,552 --> 00:15:29,428
[closes]

210
00:15:32,514 --> 00:15:33,390
So, listen...

211
00:15:34,683 --> 00:15:37,061
I know how concerned you are
about security.

212
00:15:37,853 --> 00:15:38,812
And...

213
00:15:40,648 --> 00:15:43,108
I just want you to know
I've been thinking a lot about it, too.

214
00:15:44,526 --> 00:15:46,862
About safety... and our future.

215
00:15:48,656 --> 00:15:49,531
Okay.

216
00:15:52,242 --> 00:15:54,370
I've been reading about the cartel war.

217
00:15:55,746 --> 00:15:58,958
Navarro's lost 61 men
in the last five weeks alone.

218
00:15:59,291 --> 00:16:00,167
[Marty] Hmm.

219
00:16:01,335 --> 00:16:02,836
What's that got to do with us?

220
00:16:06,507 --> 00:16:08,050
There's a saying in politics.

221
00:16:09,426 --> 00:16:11,679
"Never let a good crisis go to waste."

222
00:16:16,225 --> 00:16:17,851
-And?
-And...

223
00:16:18,727 --> 00:16:20,354
Helen's coming into town.

224
00:16:20,437 --> 00:16:23,649
[stammers] I know,
you're expecting the worst, but let's...

225
00:16:24,942 --> 00:16:26,318
let's preempt that.

226
00:16:27,987 --> 00:16:29,738
Pitch her on the idea of expansion.

227
00:16:33,325 --> 00:16:34,451
What does that mean?

228
00:16:35,995 --> 00:16:36,870
Hotels.

229
00:16:37,413 --> 00:16:40,916
Casinos, but we keep
the daily operations legitimate.

230
00:16:41,291 --> 00:16:43,544
We sell the idea to Navarro
as a safety net.

231
00:16:44,044 --> 00:16:47,256
[stammers] We put his share in a trust...

232
00:16:47,423 --> 00:16:48,841

for his kids. Untouchable.

233

00:16:48,924 --> 00:16:50,718
That way, if the cartel war goes south,

234

00:16:50,801 --> 00:16:52,594
then he has a whole new revenue stream.

235

00:16:53,470 --> 00:16:54,596
Completely legal.

236

00:16:58,976 --> 00:16:59,935
Well?

237

00:17:02,730 --> 00:17:03,647
What do you think?

238

00:17:09,528 --> 00:17:12,614
Well, I just...
I think that's batshit crazy.

239

00:17:15,617 --> 00:17:16,577
It's not.

240

00:17:16,827 --> 00:17:18,162
-No?
-No.

241

00:17:19,747 --> 00:17:20,789
It's not.

242

00:17:22,291 --> 00:17:24,168
And actually, it was Helen's idea.

243

00:17:25,335 --> 00:17:27,463
She talked to us about expansion.

244

00:17:32,009 --> 00:17:33,135
There is a...

245

00:17:33,761 --> 00:17:35,179

hotel and casino

246

00:17:35,637 --> 00:17:37,765
on the Kansas border in St. Joe's.

247

00:17:37,848 --> 00:17:39,349
Its infrastructure is old.

248

00:17:39,433 --> 00:17:42,269
It's getting killed
by a casino across the river.

249

00:17:42,352 --> 00:17:45,564
And all it needs is an influx of cash
to upgrade,

250

00:17:45,647 --> 00:17:48,734
and they would crush their competition,
but their margins are too low.

251

00:17:48,859 --> 00:17:50,194
It's a win-win.

252

00:17:52,905 --> 00:17:53,906
No.

253

00:17:56,617 --> 00:17:57,618
Just like that?

254

00:17:58,410 --> 00:17:59,870
-Just like that.
-Jesus.

255

00:18:02,122 --> 00:18:03,457
[scoffs] Of course.

256

00:18:04,083 --> 00:18:06,418
-I'm trying to keep us safe, Wendy.
-Yeah, well, so am I.

257

00:18:06,502 --> 00:18:08,962
I mean, how much more fucking stress

do you wanna take on?

258

00:18:09,338 --> 00:18:11,131
This would all be legitimate.

259

00:18:12,841 --> 00:18:15,177
Except for the seed money
from the drug lord,

260

00:18:15,260 --> 00:18:17,596
which, by definition, is not legitimate?

261

00:18:17,679 --> 00:18:19,515
We are pre-approved
by the gaming commission.

262

00:18:19,598 --> 00:18:21,767
No one would question
the initial investment.

263

00:18:23,644 --> 00:18:25,479
We have Navarro's gratitude.

264

00:18:26,146 --> 00:18:27,731
This would only increase it.

265

00:18:31,151 --> 00:18:32,611
Don't you understand?

266

00:18:33,946 --> 00:18:34,905
We're in.

267

00:18:37,407 --> 00:18:40,119
We're alive. Big difference.

268

00:18:40,661 --> 00:18:43,455
You want to know what a good outcome
from this cartel war would be?

269

00:18:43,539 --> 00:18:45,499
Navarro getting blown
off the face of the Earth,

270

00:18:45,582 --> 00:18:47,292
and you and I being out
from underneath this.

271

00:18:47,376 --> 00:18:48,877
But what if that doesn't happen?

272

00:18:48,961 --> 00:18:51,880
Expansion makes us a political player.

273

00:18:51,964 --> 00:18:54,633
It insulates us, and that keeps us safe.

274

00:18:55,509 --> 00:18:58,011
We could be the very legitimate,

275

00:18:58,137 --> 00:19:00,556
very public face of Missouri gaming.
[chuckles]

276

00:19:01,515 --> 00:19:03,142
We'd be too big to fail.

277

00:19:03,308 --> 00:19:07,604
Wendy, I did not agree to stay here
to start raising red flag after red flag.

278

00:19:07,896 --> 00:19:09,273
It's the smart play.

279

00:19:09,439 --> 00:19:13,110
Stop. I'm here.
Take the fucking victory, okay?

280

00:19:13,235 --> 00:19:15,571
And do not tell me what is smart
and what is not smart.

281

00:19:15,654 --> 00:19:17,990
You blew through that stop sign
six months ago.

282

00:19:18,073 --> 00:19:19,408
Do you know what I did today?

283

00:19:20,367 --> 00:19:22,911
I talked to a woman
about her toe ring stand.

284

00:19:23,871 --> 00:19:27,040
I have the time. We have the clout.

285

00:19:27,624 --> 00:19:28,750
I can do this.

286

00:19:30,460 --> 00:19:33,088
Just think-- think about the things
we could build.

287

00:19:33,672 --> 00:19:35,757
Why should the Charles Wilkeses
of the world

288

00:19:35,841 --> 00:19:37,551
have a stranglehold on this state?

289

00:19:37,634 --> 00:19:39,261
We could have the money and the influence.

290

00:19:39,344 --> 00:19:41,680
We could control
every political lever in Missouri.

291

00:19:41,763 --> 00:19:44,766
We could give millions to the causes
that we care about.

292

00:19:44,850 --> 00:19:46,518
We could run this goddamn place.

293

00:19:47,644 --> 00:19:48,937
Do you even hear yourself?

294

00:19:49,271 --> 00:19:50,147
I do.

295

00:19:51,273 --> 00:19:52,232
Do you hear me?

296

00:19:52,941 --> 00:19:53,901
Good night.

297

00:19:53,984 --> 00:19:55,319
What? So that's it?

298

00:19:55,402 --> 00:19:57,654
-You're just gonna walk away?
-I'm not walking away.

299

00:19:57,738 --> 00:20:00,699
Really? That's funny. I'm standing here,
you're moving the other way.

300

00:20:00,782 --> 00:20:01,867
I'm saving it for therapy.

301

00:20:01,950 --> 00:20:04,286
Great. You wanna save everything
for fucking therapy!

302

00:20:04,369 --> 00:20:06,371
Well, that's what it's there for,
isn't it?

303

00:20:09,499 --> 00:20:10,751
[water splashing]

304

00:20:10,834 --> 00:20:13,003
[man, in Spanish]
What does your husband have on you?

305

00:20:13,086 --> 00:20:14,046
[woman whimpers]

306

00:20:14,129 --> 00:20:16,673
You said the divorce was settled.

307
00:20:16,798 --> 00:20:19,051
[sputtering, gagging]

308
00:20:19,134 --> 00:20:22,471
Why does he suddenly think
he can win a custody battle?

309
00:20:22,554 --> 00:20:23,597
[woman cries out]

310
00:20:23,680 --> 00:20:25,265
What does he know?

311
00:20:25,349 --> 00:20:26,475
Bring her up.

312
00:20:26,558 --> 00:20:28,602
[gagging, sputtering]

313
00:20:28,685 --> 00:20:29,853
What does he know?

314
00:20:29,937 --> 00:20:31,480
[panting]

315
00:20:31,563 --> 00:20:34,274
[in English]
Nothing. He's an entitled asshole.

316
00:20:34,358 --> 00:20:37,778
I have always shielded my family
from every aspect of the business.

317
00:20:37,861 --> 00:20:39,571
[in Spanish]
But we have to be sure, no?

318
00:20:40,864 --> 00:20:42,950
[gasping]

319
00:20:43,033 --> 00:20:45,118
[gagging, coughing]

320
00:20:45,202 --> 00:20:48,163
[man continues indistinctly in Spanish]

321
00:20:52,167 --> 00:20:55,254
[gasps, panting]

322
00:21:03,136 --> 00:21:05,639
[in English]
And you realize that this all goes away...

323
00:21:06,139 --> 00:21:07,808
if he just disappears?

324
00:21:07,891 --> 00:21:09,893
[panting, coughs]

325
00:21:09,977 --> 00:21:13,313
I told you, he doesn't know anything.

326
00:21:22,114 --> 00:21:24,574
[woman] No matter what I do,
I just can't get her to latch.

327
00:21:24,658 --> 00:21:27,160
Even if I manage,
it takes an hour for her to feed,

328
00:21:27,244 --> 00:21:30,414
which means it's only another hour
before I have to start again.

329
00:21:30,831 --> 00:21:32,124
I don't know what to do.

330
00:21:33,041 --> 00:21:35,335
I mean, I can't give her formula.

331

00:21:35,502 --> 00:21:38,088
I've read the studies.
Those babies don't thrive.

332
00:21:38,714 --> 00:21:40,340
[woman 2] It's all just overwhelming.

333
00:21:40,590 --> 00:21:43,552
My husband started working double shifts,
so he's never home,

334
00:21:43,927 --> 00:21:46,096
but we still can't afford full-time help.

335
00:21:46,763 --> 00:21:50,434
Well, at least your baby's not gonna die
from being poisoned by formula.

336
00:21:51,810 --> 00:21:55,897
Darlene, please remember
this is an emotionally safe space.

337
00:21:55,981 --> 00:21:57,024
I'm sorry.

338
00:21:58,066 --> 00:22:01,445
But you know,
I lost my husband six months ago,

339
00:22:01,528 --> 00:22:03,155
and I am on my own.

340
00:22:03,905 --> 00:22:05,657
And Ezekiel was born premature,

341
00:22:05,741 --> 00:22:08,744
so I worry about health issues.

342
00:22:11,038 --> 00:22:12,831
I didn't mean any offense.

343
00:22:13,332 --> 00:22:15,208

I know you didn't, sweetheart.

344

00:22:31,224 --> 00:22:33,393
-[air hissing]
-[grunts]

345

00:23:22,943 --> 00:23:25,570
[inhaling]

346

00:23:43,797 --> 00:23:45,465
[Ruth] How you paying for that, anyway?

347

00:23:45,549 --> 00:23:48,009
You know, I've been depositing money
in your account.

348

00:23:49,344 --> 00:23:50,345
Yeah, I know.

349

00:23:52,055 --> 00:23:53,640
Then fucking take it!

350

00:23:54,891 --> 00:23:55,725
What?

351

00:23:55,892 --> 00:23:59,938
They grow virgin ears in Overland Park
or Webster Grove or wherever the fuck?

352

00:24:00,105 --> 00:24:01,314
Bill your shit.

353

00:24:06,778 --> 00:24:08,405
Just fucking take the money.

354

00:24:08,905 --> 00:24:11,825
[Wendy] The problem is
we have very different philosophies

355

00:24:11,908 --> 00:24:13,368
about how to move forward.

356

00:24:13,577 --> 00:24:16,997
Well, that's going to happen
in a marriage, isn't it?

357

00:24:17,372 --> 00:24:19,833
Especially if business is involved.

358

00:24:19,916 --> 00:24:23,670
But in this case,
the ramifications are much more serious.

359

00:24:24,004 --> 00:24:26,006
It can feel that way.

360

00:24:26,923 --> 00:24:30,594
[Marty] Wendy has a much higher tolerance
for risk than I do.

361

00:24:30,719 --> 00:24:31,595
Well...

362

00:24:32,637 --> 00:24:35,056
let's dig into that a bit.

363

00:24:35,140 --> 00:24:37,142
That scares you, doesn't it?

364

00:24:39,019 --> 00:24:39,895
It does.

365

00:24:40,562 --> 00:24:44,566
[woman] Wendy, can you tell Marty
you understand he's scared?

366

00:24:47,652 --> 00:24:49,196
I understand you're scared.

367

00:24:49,738 --> 00:24:51,615
And when you get frightened...

368

00:24:52,240 --> 00:24:53,992

you withdraw.

369

00:24:55,660 --> 00:24:56,620
I do.

370

00:24:57,621 --> 00:24:58,663
[woman] Wendy.

371

00:24:59,206 --> 00:25:02,375
Sometimes, if you don't move forward...

372

00:25:03,043 --> 00:25:04,044
you die.

373

00:25:05,045 --> 00:25:08,548
[woman] Maybe it's best if we hold back
on the hyperbole.

374

00:25:10,884 --> 00:25:15,096
And why do you think
this is so loaded for you?

375

00:25:16,556 --> 00:25:19,809
Uh, well, I had a--
I used to have a business partner

376

00:25:19,893 --> 00:25:22,395
that, uh... that took unnecessary risks.

377

00:25:22,979 --> 00:25:27,776
[laughs] He didn't take unnecessary risks.
He was trying to cheat the system.

378

00:25:27,859 --> 00:25:29,778
I'm not trying to cheat the system.

379

00:25:29,861 --> 00:25:31,655
-I'm trying to grow the business.
-He blew up the company.

380

00:25:31,738 --> 00:25:33,573
-I'm not trying to cheat anybody.

-It's unfortunate.

381

00:25:33,657 --> 00:25:36,785
Okay, uh, let's take a step back.

382

00:25:38,453 --> 00:25:41,373
May I offer an observation?

383

00:25:43,124 --> 00:25:44,084
Please.

384

00:25:44,709 --> 00:25:49,256
Do you feel like most of the big movement,

385

00:25:49,381 --> 00:25:51,174
philosophically at least,

386

00:25:51,424 --> 00:25:52,884
has been from you?

387

00:25:53,802 --> 00:25:54,803
Or...

388

00:25:56,054 --> 00:25:58,098
has it really been from Marty?

389

00:26:08,942 --> 00:26:11,403
I swear, she always takes your side.

390

00:26:11,486 --> 00:26:13,238
I think she wants to sleep with you.

391

00:26:13,947 --> 00:26:16,575
Well, if she ever sides with me too much,
you'll know why.

392

00:26:17,325 --> 00:26:18,994
Let's just keep talking, okay?

393

00:26:22,038 --> 00:26:24,541
[both cars starting]

394

00:26:36,928 --> 00:26:38,221
[turns off engine]

395

00:26:41,182 --> 00:26:43,852
-[door opens]
-[Marty] Sue? Hey, there you are.

396

00:26:43,935 --> 00:26:48,773
[sighs] That was perfect.
I thought you were dynamite. Um...

397

00:26:49,107 --> 00:26:51,192
Next time, go a little bit tougher on me.

398

00:26:51,276 --> 00:26:54,946
You know?
Let her win a round or two, you know?

399

00:26:56,031 --> 00:26:57,824
That sound like a good plan to you?

400

00:26:57,907 --> 00:27:00,035
Either way, it's all fascinating.

401

00:27:00,118 --> 00:27:00,994
All right.

402

00:27:01,786 --> 00:27:05,123
Tea smells delicious, by the way.
We'll see ya.

403

00:27:06,249 --> 00:27:07,250
[door shuts]

404

00:27:08,168 --> 00:27:09,461
[sighs]

405

00:27:11,046 --> 00:27:12,464
[door opens]

406

00:27:18,345 --> 00:27:20,430
So this is where all the action is, huh?

407
00:27:21,222 --> 00:27:22,557
I thought you were at work.

408
00:27:23,058 --> 00:27:24,643
Yeah, well, Mom kicked me out.

409
00:27:24,726 --> 00:27:26,061
It's pretty ironic, huh?

410
00:27:28,688 --> 00:27:29,981
I got you something.

411
00:27:31,441 --> 00:27:32,484
Are you okay?

412
00:27:32,734 --> 00:27:35,153
Because summer jobs and friends...

413
00:27:35,737 --> 00:27:37,781
Mom and Dad don't know
what they're talking about.

414
00:27:37,864 --> 00:27:38,948
You know that, right?

415
00:27:41,910 --> 00:27:43,870
[unzipping bag]

416
00:27:43,953 --> 00:27:45,914
If you get mushy on me, I'll take it back.

417
00:27:49,626 --> 00:27:50,794
Holy shit!

418
00:27:51,252 --> 00:27:52,420
Is this for real?

419
00:27:52,504 --> 00:27:55,632

Yeah. You have to leave the gold mine
every once in a while.

420

00:27:56,216 --> 00:27:57,717
I-- I can pay you back.

421

588
00:36:32,607 --> 00:36:33,774
Everything okay?

589
00:36:34,400 --> 00:36:35,693
[Helen] My client's interested.

590
00:36:36,777 --> 00:36:39,113
Well, that's great.

591
00:36:39,197 --> 00:36:40,656
Mm-hmm. He wants to meet you.

592
00:36:43,367 --> 00:36:45,161
I'm sorry, what?

593
00:36:46,120 --> 00:36:47,246
We have a 24-hour window.

594
00:36:47,330 --> 00:36:49,707
So I'm gonna need to pick you up
first thing in the morning.

595
00:36:53,711 --> 00:36:54,795
[stammers] I was--

596
00:36:54,879 --> 00:36:58,007
I was under the impression
that you'd bring the idea to him.

597
00:36:59,217 --> 00:37:02,678
No, no. He wants you. It's important
for him to know who he's in bed with.

598
00:37:06,349 --> 00:37:07,975
I thought this was important to you.

599
00:37:08,643 --> 00:37:10,186
-It is.
-Good.

600
00:37:10,519 --> 00:37:12,063

Because it's significant enough for him

601

00:37:12,146 --> 00:37:14,148
that he's willing to leave
a fucking fortress.

602

00:37:14,232 --> 00:37:15,316
Do you understand that?

603

00:37:16,567 --> 00:37:17,485
Yeah.

604

00:37:18,819 --> 00:37:20,196
So, is that a yes?

605

00:37:23,032 --> 00:37:23,908
Yes.

606

00:37:24,242 --> 00:37:25,868
Good. See you in the morning.

607

00:37:25,952 --> 00:37:27,328
[call disconnects]

608

00:37:32,959 --> 00:37:34,085
[Marty] Everything all right?

609

00:37:34,961 --> 00:37:36,045
Everything's fine.

610

00:37:37,004 --> 00:37:39,006
You know, just... dentists,

611

00:37:39,090 --> 00:37:40,591
REO Speedwagon. [laughs]

612

00:37:56,649 --> 00:37:58,359
[Wendy]
So if you're gonna start laundering,

613

00:37:58,442 --> 00:38:00,653

how do you bring it
into the casino yourself?

614
00:38:01,696 --> 00:38:02,738
Slowly.

615
00:38:05,533 --> 00:38:06,575
How are you feeling?

616
00:38:09,704 --> 00:38:10,830
It's a good plan.

617
00:38:12,039 --> 00:38:13,040
It is, you know.

618
00:38:23,467 --> 00:38:26,637
[front door opens, shuts]

619
00:38:29,265 --> 00:38:31,267
[car door opens, shuts]

620
00:38:32,059 --> 00:38:33,352
[engine starts]

621
00:38:43,738 --> 00:38:46,615
[cell phone dials]

622
00:38:46,699 --> 00:38:48,701
-[line ringing]
-[sighs]

623
00:38:50,828 --> 00:38:52,580
This is Marty Byrde. Leave a message.

624
00:38:52,663 --> 00:38:53,956
[voicemail beeps]

625
00:38:54,123 --> 00:38:55,374
[Wendy] Hey, it's me.

626
00:38:56,000 --> 00:38:57,585

I know you won't get this until later,

627

00:38:58,544 --> 00:39:01,630
but I needed to tell you
I'm going to Chicago with Helen.

628

00:39:02,715 --> 00:39:05,593
Her client is interested
in our business proposition.

629

00:39:06,260 --> 00:39:10,348
I'm sorry I didn't tell you this morning,
but I know how stressful your day is.

630

00:39:11,015 --> 00:39:12,600
I didn't want to add to it.

631

00:39:13,184 --> 00:39:16,562
I don't want you to think that
this is some kind of unilateral decision.

632

00:39:16,645 --> 00:39:20,983
I'm just thinking about our safety
and exploring all our options.

633

00:39:21,484 --> 00:39:23,110
It'd be crazy not to.

634

00:39:23,819 --> 00:39:25,613
Anyway, we'll talk.

635

00:39:32,328 --> 00:39:33,788
[engine starts]

636

00:39:39,377 --> 00:39:42,421
[chattering, laughing]

637

00:40:33,931 --> 00:40:34,974
[cell phone chimes]

638

00:40:52,616 --> 00:40:55,828
-Boo! [laughing]

-[cooing]

639

00:40:59,123 --> 00:40:59,957
Hey.

640

00:41:01,709 --> 00:41:02,543
Hey.

641

00:41:03,711 --> 00:41:04,837
You want some honey?

642

00:41:05,546 --> 00:41:06,589
Do you know who I am?

643

00:41:07,089 --> 00:41:08,841
[laughs] Of course.

644

00:41:10,885 --> 00:41:13,554
Okay, so I need to know
why you paid my bail.

645

00:41:13,637 --> 00:41:16,974
I was in the station.
It seemed like you needed a break.

646

00:41:18,017 --> 00:41:19,101
You don't even know me.

647

00:41:21,729 --> 00:41:24,940
Well, I admire people
who take a principled stand,

648

00:41:25,274 --> 00:41:27,943
especially when it's not the easy choice.

649

00:41:29,987 --> 00:41:33,908
Look, I don't want to be in debt
to anybody, okay?

650

00:41:34,783 --> 00:41:36,869
Fair enough. I respect that.

651
00:41:37,536 --> 00:41:40,247
If you can wait a bit,
I'll take you on back to jail.

652
00:41:42,041 --> 00:41:45,836
Or if you're not afraid
of a little hard work, I run a farm.

653
00:41:46,754 --> 00:41:50,049
Maybe you and I could come
to some kind of arrangement.

654
00:41:58,849 --> 00:42:01,268
-Yes!
-[woman] Nice!

655
00:42:01,352 --> 00:42:04,730
-[chattering]
-[woman] Yeah!

656
00:42:04,813 --> 00:42:06,273
[Ruth] First of all, I wanna say

657
00:42:06,357 --> 00:42:11,862
how much we appreciate y'all playing
in the first ever Missouri Belle Classic.

658
00:42:11,946 --> 00:42:13,948
[applause]

659
00:42:16,742 --> 00:42:19,828
[Ruth] And to the folks who are here
to watch and gamble,

660
00:42:19,912 --> 00:42:22,289
it's a privilege to have you,
so thank you.

661
00:42:22,831 --> 00:42:25,751
The game is no-limit Texas hold 'em.

662
00:42:25,834 --> 00:42:27,586

It's a sit-and-go tournament.

663

00:42:27,670 --> 00:42:29,922
Buy-in is \$50,000.

664

00:42:30,005 --> 00:42:32,758
Blinds will increase every 45 minutes.

665

00:42:33,842 --> 00:42:36,053
Does anybody have any questions?

666

00:42:38,597 --> 00:42:40,599
No? All right.

667

00:42:40,683 --> 00:42:42,226
Players, introduce yourselves.

668

00:42:43,727 --> 00:42:45,229
[man] I'm Jim Atkins, St. Louis.

669

00:42:45,854 --> 00:42:49,066
-Hey, Frank Cosgrove Jr., Kansas City.
-[Jim] How are you?

670

00:42:50,025 --> 00:42:52,570
-Hey. Frank. How you doing, sweetheart?
-Hi.

671

00:43:28,522 --> 00:43:29,481
[sighs]

672

00:43:31,817 --> 00:43:32,860
Two minutes.

673

00:43:37,615 --> 00:43:40,993
We're all aware how much stress
this war is putting on the business.

674

00:43:41,076 --> 00:43:45,039
Um, obviously, it's difficult to find
other avenues for revenue,

675

00:43:45,122 --> 00:43:46,415
even in the best of times,

676

00:43:46,498 --> 00:43:50,002
but, uh, Wendy and Marty are
in a unique position to help with that.

677

00:43:51,211 --> 00:43:52,379
Why?

678

00:43:52,463 --> 00:43:54,798
Because they have been recognized
as a legitimate entity

679

00:43:54,882 --> 00:43:56,342
by the gaming industry in Missouri,

680

00:43:56,425 --> 00:44:00,471
which means they can create
revenue streams

681

00:44:00,554 --> 00:44:03,766
free of any legal entanglements,
which might give you a safety net.

682

00:44:03,849 --> 00:44:04,850
Why?

683

00:44:05,434 --> 00:44:07,186
Because they are pristine.

684

00:44:07,269 --> 00:44:08,646
Because they're white.

685

00:44:09,104 --> 00:44:10,314
Semantics.

686

00:44:13,025 --> 00:44:14,401
[inhales deeply]

687

00:44:15,653 --> 00:44:19,239

Wendy has identified a casino and hotel
in Northwest Missouri

688

00:44:19,323 --> 00:44:21,617
that needs an influx of cash to survive.

689

00:44:21,700 --> 00:44:24,370
I have seen the financials. She is right.

690

00:44:25,537 --> 00:44:27,623
-It could give you a foothold.
-[sighs]

691

00:44:27,706 --> 00:44:29,875
Why should I be worrying about this now?

692

00:44:30,000 --> 00:44:31,543
-[Helen] Well, we were thinking--
-Eh-eh.

693

00:44:36,131 --> 00:44:36,965
Please.

694

00:44:40,427 --> 00:44:44,973
Because you might very well be dead
in six months.

695

00:44:47,726 --> 00:44:49,228
We are all parents here,

696

00:44:49,937 --> 00:44:52,189
and if this war goes wrong...

697

00:44:53,232 --> 00:44:55,109
what can you leave your kids?

698

00:44:56,318 --> 00:44:57,903
[stammers] Or if you're arrested

699

00:44:58,112 --> 00:45:00,406
and-- and there's no...

700

00:45:00,864 --> 00:45:03,784
legitimate assets unencumbered
for them to access?

701

00:45:03,867 --> 00:45:04,910
[stammering] I...

702

00:45:05,494 --> 00:45:08,831
I mean, I imagine
you followed the trial last year.

703

00:45:08,914 --> 00:45:11,750
It was not your organization,
but-- but still,

704

00:45:12,543 --> 00:45:15,212
their kids, they had them testify
against their parents

705

00:45:15,295 --> 00:45:18,632
because they were--
they were trapped in the family business,

706

00:45:18,716 --> 00:45:21,385
and this-- this gives them
a different path.

707

00:45:23,345 --> 00:45:25,222
If you know you have a future,

708

00:45:26,223 --> 00:45:28,851
there's no reason to blow up anything
in the present.

709

00:45:30,144 --> 00:45:33,188
And-- And in two years,
if we're not all dead or in jail,

710

00:45:34,148 --> 00:45:36,567
what's wrong with millions more
legitimate cash?

711

00:45:38,777 --> 00:45:40,779
I've run the numbers, and I really think--

712
00:45:49,580 --> 00:45:50,497
Okay.

713
00:46:01,175 --> 00:46:02,092
[Wendy] I'm sorry.

714
00:46:02,509 --> 00:46:06,472
[Helen] Honestly, that's the longest
I've ever seen him sit for a meeting.

715
00:46:10,642 --> 00:46:11,977
[engine starts]

716
00:46:14,855 --> 00:46:16,106
[Marty] As you see...

717
00:46:16,815 --> 00:46:20,527
all the players in the game have filed
their 8300.

718
00:46:24,615 --> 00:46:27,326
Even Frank Cosgrove Jr.?

719
00:46:28,577 --> 00:46:32,539
\$50,000 buy-in automatically triggers
a filing, no exceptions.

720
00:46:33,999 --> 00:46:35,250
[sighs]

721
00:46:45,719 --> 00:46:48,013
Did you know Agent Petty and I dated?

722
00:46:55,604 --> 00:46:56,522
No.

723
00:46:58,232 --> 00:47:02,194
We'd been apart for a while before
Cade Langmore was hired to kill him.

724

00:47:05,322 --> 00:47:06,365

But still...

725

00:47:11,829 --> 00:47:13,288

I'm sorry for your loss.

726

00:47:14,581 --> 00:47:16,875

This is the point
where I'm ethically obligated to tell you

727

00:47:16,959 --> 00:47:18,252

that you can make a deal.

728

00:47:19,837 --> 00:47:21,547

I've got no reason to make a deal.

729

00:47:27,845 --> 00:47:29,263

I'm not sure you comprehend

730

00:47:29,388 --> 00:47:31,890

how poorly the cartel war is going
for Navarro,

731

00:47:32,933 --> 00:47:35,477

but it won't be long before all his hacks

732

00:47:35,561 --> 00:47:38,021

and all the petty criminals
working for you

733

00:47:38,105 --> 00:47:39,523

start looking for ways out.

734

00:47:40,899 --> 00:47:42,818

Do you think they'll be loyal to you?

735

00:47:55,831 --> 00:47:57,165

I find comfort

736

00:47:57,833 --> 00:48:00,794

in the idea of you waiting every day

737

00:48:01,545 --> 00:48:03,130
for that one slip-up...

738

00:48:03,839 --> 00:48:04,882
or betrayal.

739

00:48:08,635 --> 00:48:09,887
That one wild card.

740

00:49:09,529 --> 00:49:12,282
[Frank Jr.] What the fuck? Oh, come on.

741

00:49:12,366 --> 00:49:14,326
Come on.
You really trying to sweat me like that?

742

00:49:14,409 --> 00:49:15,869
-[dealer] Sir.
-[laughs]

743

00:49:15,953 --> 00:49:18,163
Hey, hey, I'm fucking talking to you.

744

00:49:19,581 --> 00:49:21,583
You really think you're gonna bluff me
on a flush?

745

00:49:21,667 --> 00:49:25,128
I'm sorry, there's no swearing
and addressing others at the table.

746

00:49:26,129 --> 00:49:27,506
How much we got there, dealer?

747

00:49:30,217 --> 00:49:31,301
Nineteen thousand.

748

00:49:31,760 --> 00:49:34,054
Okay, 19. That's fine with me.

749
00:49:34,388 --> 00:49:36,306
I don't give a fuck about that.

750
00:49:36,390 --> 00:49:38,892
Got your 19,000
right up your ass here, pal.

751
00:49:51,363 --> 00:49:53,740
[Frank Jr.] You think this makes you
some kind of fucking genius?

752
00:49:54,241 --> 00:49:55,951
Asshole! Look at me.

753
00:49:56,034 --> 00:49:57,077
[Ruth] Get him out of here.

754
00:50:01,957 --> 00:50:03,250
You sure you want to do this...

755
00:50:04,584 --> 00:50:06,169
with everything I know about you?

756
00:50:09,840 --> 00:50:12,384
-Get him the fuck out of here.
-[man] Sir.

757
00:50:27,941 --> 00:50:31,194
[men and women chattering, laughing]

758
00:50:41,079 --> 00:50:42,622
[sighs]

759
00:50:52,340 --> 00:50:53,884
[cell phone ringing]

760
00:51:10,942 --> 00:51:12,194
What did he say?

761
00:51:13,445 --> 00:51:15,489
[Wendy]

I'm standing in front of our old house.

762
