339

00:16:41,835 --> 00:16:42,919
[knock on door]

340

00:16:42,961 --> 00:16:45,588
- 'Alison.'
- Just one minute, dad.

341

00:16:45,630 --> 00:16:48,466
(Kenneth)
'Where's my phone?
Did you take my phone?'

342

00:16:48,508 --> 00:16:50,426
'Whoever you're talking to,
you hang up now!'

343

00:16:50,468 --> 00:16:52,470
- Ali?
- 'I've got to go.'

344

00:16:52,512 --> 00:16:55,473
Please, talk to Jason
and be careful.

345
00:16:59,393 --> 00:17:02,355
I know you're trying to protect
me, but what about Jason?

346
00:17:02,396 --> 00:17:04,983
What about my friends?
We have to tell someone.

347
00:17:05,024 --> 00:17:06,901
- Tell the police.
- Tell them what?

348
00:17:06,943 --> 00:17:09,111
That I lied about my son
for two decades?

349
00:17:09,153 --> 00:17:11,489
That I thought he was dead
and I was wrong?

350
00:17:11,531 --> 00:17:12,949
Will you just give me one day

351
00:17:12,991 --> 00:17:16,118
just one day
to figure things out?

352
00:17:25,879 --> 00:17:27,046
[cell phone beeps]

353
00:17:30,758 --> 00:17:32,552
[sighs]
Emily.

354
00:17:33,887 --> 00:17:35,763
[sighs]

355
00:17:35,805 --> 00:17:37,306
That was Claire.

356

00:17:37,348 --> 00:17:40,434
Her dad's gonna pick me up
in a couple hours.

357

00:17:40,476 --> 00:17:41,477
What? Why?

358

00:17:41,519 --> 00:17:43,479
Because it's the right thing
to do.

359

00:17:43,521 --> 00:17:46,024
I've put you and your mom
out for so long.

360

00:17:46,065 --> 00:17:48,192
No, you haven't.
You know that.

361

00:17:49,360 --> 00:17:51,278
Look, I didn't wanna
say anything

362

00:17:51,320 --> 00:17:53,948
but I've met Claire once before.

363

00:17:53,990 --> 00:17:57,326
And she didn't have the nicest
things to say about you.

364

00:17:57,368 --> 00:18:00,038
- I'm just not sure that--
- She told me.

365

00:18:00,079 --> 00:18:01,915
'Just now.'

366

00:18:01,956 --> 00:18:04,208
Honestly, Emily, uh

367

00:18:04,250 --> 00:18:07,336

I didn't like me
that much back then either.

368

00:18:07,378 --> 00:18:09,881
A-are you sure about this?

369

00:18:09,923 --> 00:18:12,550
You don't look sure.

370

00:18:12,592 --> 00:18:15,053
I've been thinking about
what you told me earlier.

371

00:18:15,094 --> 00:18:16,971
About what I want.

372

00:18:17,013 --> 00:18:20,266
If we're not living together,
we can go on a real date.

373

00:18:20,307 --> 00:18:23,770
Maybe eat a meal
your mom hasn't made for us.

374

00:18:23,811 --> 00:18:25,479
And isn't chaperoning.

375

00:18:27,023 --> 00:18:31,277
That would make it
easier...to do this.

376

00:18:31,318 --> 00:18:33,863
[instrumental music]

377

00:18:37,825 --> 00:18:39,118
[knock on door]

378

00:18:39,159 --> 00:18:41,079
Open up! Jason, come on.

379

00:18:41,120 --> 00:18:42,204
We know you're in there!

380
00:18:42,246 --> 00:18:44,457
Jason, just talk to us, please.

381
00:18:46,333 --> 00:18:48,419
[sighs]
Maybe he's not home.

382
00:18:48,461 --> 00:18:50,421
But his car's right there.

383
00:18:50,463 --> 00:18:52,590
(Spencer)
He knows why we're here.

384
00:18:52,632 --> 00:18:54,467
His dad already tried
to get him to leave.

385
00:18:54,508 --> 00:18:57,261
You mean Ali's prison guard.

386
00:18:57,303 --> 00:18:59,097
Everything okay over there?

387
00:18:59,138 --> 00:19:00,848
Uh, yeah. We're fine.

388
00:19:00,890 --> 00:19:02,349
Hey, have you seen Jason?

389
00:19:02,391 --> 00:19:04,435
Looks like he doesn't wanna
be bothered right now.

390
00:19:04,477 --> 00:19:06,604
Anything we can help you with?

391
00:19:06,646 --> 00:19:08,230
No, thank you.

392

00:19:11,525 --> 00:19:13,694
[indistinct radio chatter]

393
00:19:19,241 --> 00:19:20,660
[door closes]

394
00:19:24,998 --> 00:19:26,332
[gasps]

395
00:19:27,166 --> 00:19:29,376
What are you doing here?

396
00:19:29,418 --> 00:19:31,587
I convinced your mom
to let me in.

397
00:19:33,339 --> 00:19:35,508
I-I-I brought you something.

398
00:19:36,759 --> 00:19:38,469
From Aria, actually.

399
00:19:39,679 --> 00:19:42,473
I don't wanna see you.
You should leave.

400
00:19:42,515 --> 00:19:43,808
Why?

401
00:19:45,351 --> 00:19:48,521
I-I thought you were dead, Mona.

402
00:19:48,562 --> 00:19:50,982
I covered for you.
I did everything that you asked.

403
00:19:51,024 --> 00:19:53,192
I know.
That's the point, Mike.

404
00:19:53,233 --> 00:19:55,695
I know what I put you through.

405
00:19:55,736 --> 00:19:57,404
You begged me not
to go through with it.

406
00:19:57,446 --> 00:20:00,074
You stood in this room
and fought with me for days

407
00:20:00,116 --> 00:20:01,283
and I still did it.

408
00:20:01,325 --> 00:20:02,910
You thought you had to.

409
00:20:02,952 --> 00:20:04,620
And I was wrong.

410
00:20:04,662 --> 00:20:07,456
Everything we went through,
it was all for nothing.

411
00:20:10,376 --> 00:20:13,129
Hell is a very lonely hole
in A's dollhouse

412
00:20:13,171 --> 00:20:16,174
and maybe I deserved
to be there.

413
00:20:16,215 --> 00:20:19,093
What you did
was incredibly stupid.

414
00:20:19,135 --> 00:20:21,345
And yeah, I'm pissed
as hell at you.

415
00:20:22,805 --> 00:20:25,432
- But that doesn't matter.
- Yes, it does.

416

00:20:25,474 --> 00:20:28,561
- It matters.
- Not to me.

417
00:20:28,602 --> 00:20:30,312
Not now.

418
00:20:30,354 --> 00:20:32,899
All that matters
is that you're alive.

419
00:20:37,737 --> 00:20:39,739
Look at me, Mona.

420
00:20:42,575 --> 00:20:44,827
So you think Jason's gonna meet
Charles somewhere tonight?

421
00:20:44,869 --> 00:20:46,620
Well, A's not gonna show up
to Ali's house

422
00:20:46,662 --> 00:20:48,247
with all those cops out front,
so it's probably gonna be

423
00:20:48,288 --> 00:20:49,832
some place outside of Rosewood.

424
00:20:49,874 --> 00:20:52,043
I put one of Caleb's
GPS trackers on Jason's car.

425
00:20:52,085 --> 00:20:54,294
So the second he moves,
we can follow him to A.

426
00:20:54,336 --> 00:20:56,714
Follow him? We're being
tracked too, remember?

427
00:20:56,756 --> 00:20:58,465
Charles will know

we're onto him.

428

00:20:58,507 --> 00:21:00,885
That's why we have to remove
our chips and leave them behind.

429

00:21:00,927 --> 00:21:03,470
Our phones, anything
that A could be monitoring.

430

00:21:03,512 --> 00:21:05,098
Charles has to think
he's in the clear.

431

00:21:05,139 --> 00:21:06,599
We can't ambush A.

432

00:21:06,640 --> 00:21:09,185
Charles has everything
but superpowers.

433

00:21:09,227 --> 00:21:10,811
Hey, guys, listen to me.

434

00:21:10,853 --> 00:21:12,479
This has to be
some sort of a trap.

435

00:21:12,521 --> 00:21:14,107
'A is always one step
ahead of us.'

436

00:21:14,148 --> 00:21:15,441
(Aria)
Emily's right.

437

00:21:15,482 --> 00:21:17,443
Ali asked you to keep Jason safe

438

00:21:17,484 --> 00:21:18,736
not to get us
all kidnapped again.

439

00:21:18,778 --> 00:21:19,987
We need to take this
to the police

440

00:21:20,029 --> 00:21:21,197
and just step back from it.

441

00:21:21,239 --> 00:21:22,364
The second this goes over

442

00:21:22,406 --> 00:21:23,741
the police radio or an e-mail

443

00:21:23,783 --> 00:21:25,201
A is gonna know
he's being followed

444

00:21:25,243 --> 00:21:26,244
and he's never gonna show up.

445

00:21:26,285 --> 00:21:27,620
Well, that's fine by me.

446

00:21:27,661 --> 00:21:28,955
I don't want him anywhere
near us.

447

00:21:28,996 --> 00:21:30,748
Wait, so we're just supposed
to give up?

448

00:21:30,790 --> 00:21:32,833
Let Charles keep owning
our lives

449

00:21:32,875 --> 00:21:35,086
and keep lying to the one's
that we love?

450

00:21:35,128 --> 00:21:36,837
I'm not gonna live like that.

451

00:21:36,879 --> 00:21:38,547
We'll tell Toby.

452

00:21:38,589 --> 00:21:41,008
He's got a badge and a gun.
He can keep us safe.

453

00:21:41,050 --> 00:21:42,760
We can follow Jason
without Charles knowing

454

00:21:42,802 --> 00:21:45,012
and if anything goes wrong,
he's gonna be right there.

455

00:21:45,054 --> 00:21:46,639
What about Sara?

456

00:21:46,680 --> 00:21:48,348
What happens when A retaliates?

457

00:21:48,390 --> 00:21:50,601
Aria, if this works,
I promise you

458

00:21:50,643 --> 00:21:52,352
there's not gonna be
any fallout.

459

00:21:52,394 --> 00:21:53,854
Charles is never
gonna be able to hurt us

460

00:21:53,896 --> 00:21:56,023
or anybody that we love
ever again.

461

00:21:56,065 --> 00:21:58,109
So let's say we go through
with this.

462

00:21:58,151 --> 00:22:00,486

How the hell are we supposed
to remove these microchips?

463

00:22:02,989 --> 00:22:04,615
Well..

464

00:22:07,660 --> 00:22:10,830
...Spencer and I have been
studying videos online.

465

00:22:12,748 --> 00:22:15,251
- You can't be serious.
- Oh, my God.

466

00:22:15,293 --> 00:22:17,295
Who wants to go first?

467

00:22:17,336 --> 00:22:20,506
[intense music]

468

00:22:25,970 --> 00:22:27,805
(Aria)
'Ow!'

469

00:22:27,847 --> 00:22:30,516
I don't have much time.
I'm in the middle of a shift.

470

00:22:30,557 --> 00:22:32,559
- 'Ow!'
- 'Just hold still.'

471

00:22:32,601 --> 00:22:34,478
- What's going on up there?
- Um--

472

00:22:34,520 --> 00:22:36,147
- What's with the Band-Aid?
- Just..

473

00:22:36,189 --> 00:22:38,232
If you could hold your questions
until afterwards

474

00:22:38,274 --> 00:22:40,318
that would be great, okay?

475

00:22:40,358 --> 00:22:41,819
[sighs]

476

00:22:41,861 --> 00:22:44,155
Okay, I wanna
tell you everything.

477

00:22:44,197 --> 00:22:45,614
I'm going to tell you everything

478

00:22:45,656 --> 00:22:48,492
but I need you to promise me
one thing first.

479

00:22:48,534 --> 00:22:51,369
You cannot tell anybody,
including Tanner.

480

00:22:51,411 --> 00:22:53,747
- At least not at first.
- I can't promise that.

481

00:22:53,789 --> 00:22:55,499
Please, I'm not asking
you for forever.

482

00:22:55,541 --> 00:22:58,044
I'm just asking you
for one night.

483

00:22:58,085 --> 00:22:59,628
Please.

484

00:23:08,804 --> 00:23:11,557
This little boy is Jason.

485

00:23:11,598 --> 00:23:13,726
And this one is A.

486
00:23:15,353 --> 00:23:17,521
'His name
is Charles DiLaurentis.'

487
00:23:22,442 --> 00:23:23,861
[sighs]

488
00:23:27,323 --> 00:23:29,158
What was she using these for?

489
00:23:30,784 --> 00:23:32,119
Photographs.

490
00:23:35,039 --> 00:23:36,874
Of what we went through?

491
00:23:40,794 --> 00:23:42,046
Yeah.

492
00:23:48,928 --> 00:23:51,597
You're gonna have to forgive
yourself sometime.

493
00:24:01,565 --> 00:24:03,609
Do you want me to go?

494
00:24:06,444 --> 00:24:08,948
[instrumental music]

495
00:24:29,218 --> 00:24:31,137
Spencer, this information
could have helped us.

496
00:24:31,178 --> 00:24:32,679
Tanner needed to know
about this weeks ago.

497
00:24:32,721 --> 00:24:34,014
I didn't have a choice.

498

00:24:34,056 --> 00:24:35,849
A was holding a knife
to Sara's throat.

499

00:24:35,891 --> 00:24:38,602
He threatened everybody
we've ever cared about.

500

00:24:38,644 --> 00:24:40,438
Please, I just need one night.

501

00:24:40,478 --> 00:24:43,232
If we do not fly under
the radar, this won't work.

502

00:24:45,276 --> 00:24:46,652
(Hanna)
Jason's on the move.
We've gotta go.

503

00:24:46,693 --> 00:24:48,154
No, no, no.
Nobody's going anywhere.

504

00:24:48,195 --> 00:24:50,364
Toby, I just told you.
It has to be this way.

505

00:24:50,406 --> 00:24:52,408
You're not going
near A or Charles

506

00:24:52,450 --> 00:24:53,700
whatever that freak's name is.

507

00:24:53,742 --> 00:24:55,411
You want my help,
we're doin' it my way.

508

00:24:55,453 --> 00:24:58,038
No, you can't tell Tanner.
If A finds out about this plan--

509

00:24:58,080 --> 00:24:59,706
I got it, Spencer.

510

00:24:59,748 --> 00:25:01,792
But if you try and follow me
or go near Jason

511

00:25:01,834 --> 00:25:03,919
she's gonna be my first call.

512
