Joseph Conway,

324
00:21:02,552 --> 00:21:05,806
Joseph Svenson as you know him,
was a troubled youth.

325
00:21:05,889 --> 00:21:08,392
-There was no saving him.
-Meaning, he was a sinner?

326
00:21:08,475 --> 00:21:12,437
-No, he was a child, a victim.
-Did he suffer from survivor's guilt?

327
00:21:15,649 --> 00:21:18,026
I've already said too much.

328
00:21:18,110 --> 00:21:19,778
-[Betty] No.
-[Archie] Betty.

329
00:21:20,821 --> 00:21:25,784
Sister Woodhouse,
when my sister escaped this dungeon,

330
00:21:25,867 --> 00:21:28,495
she told me
all about the corporal punishment.

331
00:21:28,578 --> 00:21:31,498
So, please help us with this,

332
00:21:31,915 --> 00:21:35,127
or I will expose
the Sisters of Quiet Mercy

333
00:21:35,210 --> 00:21:37,921
for the house of horrors
that it really is.

334
00:21:41,008 --> 00:21:43,218
[Woodhouse]
After his family was massacred,

335
00:21:43,677 --> 00:21:47,848
young Conway-- Svenson identified
the man responsible.

336
00:21:48,432 --> 00:21:51,435
Then a small group of Riverdale citizens

337
00:21:52,019 --> 00:21:57,649
took matters into their own hands,
and, well, executed him.

338
00:21:59,109 --> 00:22:00,861
It was only later when he was with us

339
00:22:00,944 --> 00:22:03,864
that Joseph admitted that,
in his terror and shock,

340
00:22:03,947 --> 00:22:06,325
he may have pointed a finger
of accusation--

341
00:22:06,408 --> 00:22:07,659
At the wrong man.

342
00:22:09,077 --> 00:22:10,037
Oh, my God.

343
00:22:10,662 --> 00:22:14,124
Svenson's sin was sentencing
the wrong man to death.

344
00:22:15,751 --> 00:22:20,047
Did Svenson--? Did Conway ever talk
about who carried out the execution?

345
00:22:22,883 --> 00:22:25,010
They came here once to see Joseph.

346
00:22:25,844 --> 00:22:28,638
It was a group of men and one woman.

347
00:22:29,222 --> 00:22:30,766
I don't know their names.

348
00:22:31,349 --> 00:22:33,894
And I can't remember
what they looked like.

349
00:22:35,020 --> 00:22:37,647
Just that the woman had
the most striking hair.

350
00:22:39,733 --> 00:22:42,652
White, save for a cherry-red stripe.

351
00:22:45,739 --> 00:22:47,199
[Betty] Nana Rose Blossom?

352
00:22:51,661 --> 00:22:53,163
[banging on door]

353
00:22:56,208 --> 00:22:57,042
FP?

354
00:22:58,335 --> 00:23:00,087
Well, you're early, old hoss.

355
00:23:05,675 --> 00:23:06,510
Penny.

356
00:23:07,636 --> 00:23:08,845
Ho, merry, ho.

357
00:23:09,262 --> 00:23:11,348
[sighs] Jughead Jones.

358
00:23:11,932 --> 00:23:13,391
Nice crowbar.

359
00:23:14,309 --> 00:23:17,395
This? I brought it
in case I need to pry the door open.

360
00:23:18,480 --> 00:23:20,774
Are you gonna give me a hand with this?

361
00:23:20,857 --> 00:23:23,860
Your dad will be here in, like, what,
15, 20 minutes?

362
00:23:24,778 --> 00:23:26,613
He probably won't be too happy
to see you, huh?

363
00:23:26,696 --> 00:23:30,283
I wouldn't worry about that.
Neither of us are gonna be here.

364
00:23:33,245 --> 00:23:34,454
[sighs]

365
00:23:34,538 --> 00:23:36,248
Is this supposed to scare me?

366
00:23:38,917 --> 00:23:41,837
I would not do this if I were you.
You are making a big mistake.

367
00:23:41,920 --> 00:23:44,339
You are making--
Are you out of your mind?!

368
00:23:49,886 --> 00:23:50,804
Hey, guys.

369
00:23:52,931 --> 00:23:55,267
Finishing up some last-minute shopping?

370
00:23:56,226 --> 00:24:00,147
We were, but then we got
the most fascinating call from our bank,

371
00:24:00,230 --> 00:24:04,901
confirming a charge that was made

to my credit card, the amount of \$86,000.

372

00:24:05,777 --> 00:24:07,863

Oh. So that went through.

373

00:24:08,947 --> 00:24:09,781

Great.

374

00:24:10,657 --> 00:24:14,578

Yeah, I decided that you would cover
Fred's medical expenses.

375

00:24:15,162 --> 00:24:19,583

I mean, if you can afford to buy Pop's
and then lie to my face about it.

376

00:24:21,334 --> 00:24:25,422

So, how is it that we can now
suddenly afford an entire diner?

377

00:24:28,925 --> 00:24:32,012

[Hiram] You wanted a more active role
in Lodge Industries

378

00:24:32,095 --> 00:24:33,471

and we let you have it.

379

00:24:34,306 --> 00:24:38,143

Then you break into my office and try
to use whatever you find as leverage.

380

00:24:38,226 --> 00:24:42,272

Now, I admit, there's a lot
you don't know, and that's on purpose.

381

00:24:42,355 --> 00:24:45,400

How can I be part of this family
if you keep hiding things from me?

382

00:24:45,483 --> 00:24:48,320

Mija, you think you wanna know everything,
but you don't.

383
00:24:48,403 --> 00:24:51,907
My name is on all of those documents
in your desk, Daddy.

384
00:24:51,990 --> 00:24:54,034
Doesn't that mean
I have the right to know?

385
00:24:54,117 --> 00:24:57,120
Yes, yes, it does, Veronica.

386
00:24:58,121 --> 00:25:02,042
But that means the time
for being daddy's little girl is over.

387
00:25:03,043 --> 00:25:04,252
It's time to work.

388
00:25:05,378 --> 00:25:07,881
All of us in lockstep.

389
00:25:08,465 --> 00:25:10,091
She deserves to know the truth, Hiram.

390
00:25:13,053 --> 00:25:13,887
All right.

391
00:25:15,805 --> 00:25:17,015
All right.

392
00:25:17,599 --> 00:25:19,267
Follow me to the study.

393
00:25:25,315 --> 00:25:26,191
[breathing heavily]

394
00:25:30,612 --> 00:25:32,447
-Where am I?
-You're in Greendale.

395
00:25:33,657 --> 00:25:34,616

Your new home.

396

00:25:36,117 --> 00:25:40,247

But frankly, Penny,
I don't care where you set up shop.

397

00:25:42,415 --> 00:25:46,711

But it's not gonna be in Riverdale,
and it's not gonna be with the Serpents.

398

00:25:47,254 --> 00:25:50,340

You wanna deal drugs?
You wanna extort people?

399

00:25:50,757 --> 00:25:52,008

That's your business.

400

00:25:52,842 --> 00:25:55,720

But not on the Southside.
That belongs to us.

401

00:25:55,804 --> 00:25:57,097

[laughing]

402

00:25:57,472 --> 00:26:00,100

You stupid, cocky kid.

403

00:26:02,394 --> 00:26:06,064

The Serpent law says
you can't hurt one of your own.

404

00:26:08,066 --> 00:26:10,068
Oh, Penny, it's time you learn.

405

00:26:12,362 --> 00:26:13,363

Grab her.

406

00:26:15,657 --> 00:26:19,995

What are you doing?
Get off of me! Get off. Get off of me!

407

00:26:21,371 --> 00:26:24,749

-That tattoo doesn't make you a Serpent.
-No, no. [screams]

408
00:26:24,833 --> 00:26:25,875
No, no, no.

409
00:26:32,382 --> 00:26:34,759
Cheryl, we need to see your grandmother.

410
00:26:34,843 --> 00:26:38,763
Nana Rose seldom has visitors.
She'll be pleased. Entree.

411
00:26:43,018 --> 00:26:45,937
[Betty] Nana Rose,
we have some questions for you

412
00:26:46,021 --> 00:26:48,940
about something that happened
in Riverdale a long time ago.

413
00:26:50,025 --> 00:26:53,403
A man killed his family,
and a group of people decided

414
00:26:53,486 --> 00:26:56,323
-to take justice into their own hands.
-Oh, dear.

415
00:26:56,406 --> 00:26:58,992
Here in Riverdale?

416
00:26:59,075 --> 00:27:03,455
Yes, and you were part of that group,
weren't you?

417
00:27:03,997 --> 00:27:07,334
-Is this a Christmas inquest?
-A man's life is at stake.

418
00:27:08,126 --> 00:27:10,545
[Betty]
Were you with this group when they--?

419
00:27:11,129 --> 00:27:14,174
When you killed this man for revenge?

420
00:27:14,257 --> 00:27:15,216
Oh, no.

421
00:27:15,800 --> 00:27:17,844
No girls allowed.

422
00:27:17,927 --> 00:27:23,099
They told me to stay at home
while they took care of the bad man.

423
00:27:26,561 --> 00:27:30,774
Nana Rose, this is so important.

424
00:27:31,358 --> 00:27:33,360
Where did they hang the bad man?

425
00:27:33,943 --> 00:27:35,737
Oh, they didn't hang him.

426
00:27:36,654 --> 00:27:39,366
Oh, no. They gave him a proper burial.

427
00:27:41,117 --> 00:27:45,246
Buried him alive.

428
00:27:46,331 --> 00:27:48,458
Where? Where did they do that?

429
00:27:49,125 --> 00:27:52,712
Ask your grandfather, Polly dear.
He was there.

430
00:27:53,296 --> 00:27:55,215
My--? My grandfather?

431
00:27:55,632 --> 00:28:00,470
I had a picture of them

smiling at the place.

432

00:28:01,054 --> 00:28:04,849
Standing under the devil's hands.

433

00:28:05,475 --> 00:28:08,019
Picture? What picture?

434

00:28:09,729 --> 00:28:10,563
Cheryl?

435

00:28:11,147 --> 00:28:14,192
I wonder if you might take me to my room.

436

00:28:14,275 --> 00:28:17,445
I suddenly feel quite ill.

437

00:28:17,737 --> 00:28:19,823
[Cheryl] Satisfied, you vultures?

438

00:28:19,906 --> 00:28:22,951
Your reindeer games are over.
Now get the hell out.

439

00:28:24,702 --> 00:28:29,082
Archie, my grandfather helped murder
an innocent man.

440

00:28:29,165 --> 00:28:31,209
Betty, who even knows
if what she was saying is true?

441

00:28:31,292 --> 00:28:32,794
That picture Nana Rose mentioned.

442

00:28:32,877 --> 00:28:35,588
When Grandpa Louis died,
we packed up his house,

443

00:28:35,672 --> 00:28:37,006
and we donated most of his stuff.

444

00:28:37,090 --> 00:28:40,009

He had pictures.

We kept them and we organized them.

445

00:28:40,093 --> 00:28:43,513

-Take a breath. Where are they?

-They're at my house.

446

00:28:43,596 --> 00:28:45,181

-That's great.

-Archie,

447

00:28:45,265 --> 00:28:49,269

my grandfather killed a man in cold blood.

448

00:28:49,352 --> 00:28:52,439

An innocent man.

What if that's why he picked me?

449

00:28:52,522 --> 00:28:54,774

The Black Hood.

That's why he's been calling me.

450

00:28:54,858 --> 00:28:57,861

-Revenge for something I didn't do.

-Betty, listen.

451

00:28:58,987 --> 00:29:02,407

This is the part... where we end this.

452

00:29:03,324 --> 00:29:06,244

Where we save Mr. Svenson

and stop the Black Hood.

453

00:29:06,327 --> 00:29:09,539

But I need you with me.

I can't do this alone.

454

00:29:09,622 --> 00:29:13,001

Tomorrow, we're gonna wake up and
everything is gonna go back to how it was.

455

00:29:13,084 --> 00:29:15,253
But right now, I need you with me.

456
00:29:15,628 --> 00:29:17,547
-I need Betty Cooper.
-Arch.

457
00:29:25,305 --> 00:29:26,264
Betty.

458
00:29:27,182 --> 00:29:28,183
We have to hurry.

459
00:29:44,574 --> 00:29:45,909
[Hermione] Well, Veronica.

460
00:29:46,785 --> 00:29:47,869
Now you know.

461
00:29:47,952 --> 00:29:49,245
You know everything.

462
00:29:49,871 --> 00:29:51,748
So, mija, what do you think?

463
00:29:57,545 --> 00:29:58,379
I'm in.

464
00:29:58,463 --> 00:30:00,298
But I have ground rules.

465
00:30:00,757 --> 00:30:01,591
Well...

466
00:30:02,383 --> 00:30:03,343
one ground rule.

467
00:30:04,385 --> 00:30:05,220
By all means.

468
00:30:06,721 --> 00:30:09,933

-I refuse to do anything illegal.
-[Hermione] Well, that's fine.

469

00:30:10,725 --> 00:30:13,895
Especially since we're not doing
anything illegal either.

470

00:30:15,146 --> 00:30:17,190
Let me share two words to live by.

471

00:30:18,608 --> 00:30:20,109
Plausible deniability.

472

00:30:20,652 --> 00:30:25,281
Also... that charge I made
for Fred's medical bills?

473

00:30:25,865 --> 00:30:28,993
-I want that to stick.
-It's gonna complicate matters.

474

00:30:29,077 --> 00:30:32,705
-Fred is a proud man. He's not--
-We'll smooth that over.

475

00:30:32,789 --> 00:30:35,917
And the truth is, we'll need Fred
for what comes next.

476

00:30:36,584 --> 00:30:40,129
Fine. Assuming the Fred situation
can be finessed...

477

00:30:42,590 --> 00:30:43,842
do we have a deal?

478

00:30:44,801 --> 00:30:46,135
We do, Daddykins.

479

00:30:47,887 --> 00:30:48,805
We have a deal.

480

00:30:53,226 --> 00:30:55,103
-[Jughead] Hey, Dad.
-[FP] What's all this?

481
00:30:55,186 --> 00:30:58,314
This is a celebratory dinner.

482
00:31:00,900 --> 00:31:03,278
Penny didn't show up
for your pickup, did she?

483
00:31:04,279 --> 00:31:05,113
No.

484
00:31:06,239 --> 00:31:08,867
No, she didn't. Why?
Do you know something about that?

485
00:31:09,701 --> 00:31:10,952
She's gone, Dad.

486
00:31:12,328 --> 00:31:15,206
I rallied the younger Serpents.
We drove her out of Riverdale.

487
00:31:15,290 --> 00:31:18,167
-I got my pound of flesh in the process.
-Are you nuts?!

488
00:31:18,668 --> 00:31:21,379
-She'll be back. Better believe that.
-She won't!

489
00:31:21,921 --> 00:31:23,506
I was very persuasive.

490
00:31:24,507 --> 00:31:27,468
And even if she does,
we will take care of it.

491
00:31:28,011 --> 00:31:30,179
You and me and the other Serpents.

492

00:31:30,930 --> 00:31:32,640
In unity, there is strength.

493

00:31:32,724 --> 00:31:37,353
