1  
00:00:08,258 --> 00:00:10,969  
-[narrator] Previously on Riverdale:  
-I'm your Uncle Claudius.

2  
00:00:11,052 --> 00:00:12,929  
Daddy never said anything  
about having a brother.

3  
00:00:13,012 --> 00:00:15,515  
The Lodges. Have I dreamt  
of getting my revenge on them.

4  
00:00:15,598 --> 00:00:18,893  
Now, Claudius, first things first,  
Nana then Cheryl.

5  
00:00:18,977 --> 00:00:22,230  
Effective immediately,  
Southside High School is shut down.

6  
00:00:22,313 --> 00:00:25,442  
-Okay, let's not overreact.  
-[Jughead] Hiram is like Dracula.

7  
00:00:25,525 --> 00:00:29,112  
He's snapping up properties  
to expand his empire and feed.

8  
00:00:29,195 --> 00:00:32,365  
Twilight Drive-In, Sunnyside Trailer Park,  
Southside High,

9  
00:00:32,449 --> 00:00:36,119  
-and Pop's Chock'lit Shoppe.  
-Southside High will be turned into--

10  
00:00:36,202 --> 00:00:40,248  
-A private, for-profit prison.  
-We are leaving, and we are leaving now.

11  
00:00:40,331 --> 00:00:43,460  
-Dad, I'll stay.  
-This tradition has been in my family

12

00:00:43,543 --> 00:00:46,337  
going back generations.  
Archie, we come first.

13

00:00:46,421 --> 00:00:48,339  
The only way I can get Chic  
to open up--

14

00:00:48,423 --> 00:00:49,674  
But catfishing him?

15

00:00:49,758 --> 00:00:51,676  
[Betty] When you wouldn't submit  
the DNA test,

16

00:00:51,760 --> 00:00:54,471  
I found your dental floss  
and sent it to the lab.

17

00:00:54,554 --> 00:00:56,723  
You're not who you say you are,  
Chic.

18

00:00:59,017 --> 00:01:00,518  
[Jughead] One sheet of paper.

19

00:01:01,102 --> 00:01:04,773  
That's all it took to confirm everything  
Betty had feared.

20

00:01:05,899 --> 00:01:10,153  
That she'd let a dangerous stranger  
into her house.

21

00:01:12,238 --> 00:01:14,449  
This is why you didn't want  
the DNA test.

22

00:01:14,532 --> 00:01:18,078  
Because you knew the results.  
You have no Blossom blood.

23

00:01:18,161 --> 00:01:20,705

I don't. I'm not a Blossom.

I don't know them.

24

00:01:20,789 --> 00:01:25,376

Blossom blood is Cooper blood, Chic.

My dad was a Blossom,

25

00:01:25,460 --> 00:01:29,756

which means you would've tested positively  
for Blossom DNA, but you didn't

26

00:01:29,839 --> 00:01:31,257

because you're an imposter.

27

00:01:32,133 --> 00:01:33,384

-Mom.

-[Alice] Betty, listen.

28

00:01:34,636 --> 00:01:38,389

The truth is, Chic's DNA doesn't match...

29

00:01:39,557 --> 00:01:41,434

because Hal isn't his father.

30

00:01:42,685 --> 00:01:46,397

-But I am your mother, you understand me?

-Hang on. What?

31

00:01:47,440 --> 00:01:51,152

-What? Then who is Chic's father?

-Chic's my son.

32

00:01:52,529 --> 00:01:55,323

Whoever the father is  
won't be a part of our lives.

33

00:01:55,406 --> 00:01:59,577

There's no reason to open old wounds  
that have healed many times over.

34

00:02:01,246 --> 00:02:02,372

Come here.

35

00:02:12,632 --> 00:02:15,927  
Now, for our Register readers,

36

00:02:16,010 --> 00:02:19,806  
why would you, Hermione Lodge,  
run for mayor of Riverdale?

37

00:02:19,889 --> 00:02:22,100  
Every year, our population decreases,

38

00:02:22,183 --> 00:02:25,478  
more and more businesses close.  
We're at a deficit.

39

00:02:25,562 --> 00:02:28,189  
We need to change that  
before it's too late.

40

00:02:28,273 --> 00:02:32,485  
That is why Lodge Industries has secured  
a bid for a maximum security prison

41

00:02:32,569 --> 00:02:36,406  
on the Southside. Now, that means jobs,  
economic growth, stability.

42

00:02:36,489 --> 00:02:39,492  
-It'll give Riverdale its future back.  
-I have to ask.

43

00:02:39,951 --> 00:02:43,121  
You're building a prison  
on the bones of a school.

44

00:02:43,830 --> 00:02:45,206  
Are you okay with that?

45

00:02:45,290 --> 00:02:49,711  
Losing a school is a tough pill  
to swallow, but once our facility is up,

46

00:02:49,794 --> 00:02:53,464  
a quarter of our earnings  
are gonna be funneled into education.

47

00:02:53,548 --> 00:02:56,342  
We are building a brand-new wing  
at Riverdale High.

48

00:02:58,303 --> 00:03:02,974  
And, Veronica, are you going to follow  
and run for student body president

49

00:03:03,057 --> 00:03:06,603  
-in the upcoming election?  
-Maybe, if I don't have my hands full

50

00:03:06,686 --> 00:03:08,229  
campaigning for my mom.

51

00:03:08,313 --> 00:03:11,441  
I'm excited to show Riverdale  
she's more than a housewife.

52

00:03:11,524 --> 00:03:16,237  
And speaking of housewives,  
we have a very special guest,

53

00:03:16,321 --> 00:03:21,034  
Bravo's very own Andy Cohen.  
Mr. Cohen, what brings you to Riverdale?

54

00:03:21,701 --> 00:03:25,663  
I'm here to endorse my great friend,  
Hermione Lodge.

55

00:03:25,830 --> 00:03:27,790  
She's a very savvy businesswoman,

56

00:03:27,874 --> 00:03:30,501  
always three steps ahead  
of everyone around her.

57

00:03:30,585 --> 00:03:34,797  
She's a fighter, too. She doesn't give up.  
I'd love to have her in my corner.

58  
00:03:35,173 --> 00:03:37,967  
[Veronica] Kevin just died  
and went to Clubhouse heaven.

59  
00:03:38,051 --> 00:03:41,179  
-Thank you for letting me invite him, Mom.  
-Of course.

60  
00:03:41,262 --> 00:03:44,599  
Any and all goodwill during this election  
will go a long way.

61  
00:03:46,601 --> 00:03:48,394  
And, Veronica...

62  
00:03:50,563 --> 00:03:52,482  
this campaign isn't gonna be easy

63  
00:03:52,732 --> 00:03:56,152  
since we had to lead  
with your father's plans for the prison.

64  
00:03:56,319 --> 00:04:00,657  
Certain people in town and in school  
are gonna see us as the enemy.

65  
00:04:01,783 --> 00:04:04,786  
After this endorsement,  
let's keep our heads down,

66  
00:04:04,869 --> 00:04:08,373  
-let the storm pass, understand?  
-Color me a wallflower.

67  
00:04:24,222 --> 00:04:27,725  
Dad, I know you think a prison  
is a bad idea for Riverdale,

68  
00:04:27,809 --> 00:04:30,520

but Mr. and Mrs. Lodge  
have thought this through.

69

00:04:30,603 --> 00:04:33,856  
A prison would rip the soul out  
of the Southside.

70

00:04:33,940 --> 00:04:37,944  
So, I'm not gonna support that plan,  
or Hiram and Hermione.

71

00:04:38,027 --> 00:04:42,490  
I'm severing ties with Lodge Industries  
and SoDale. All of it. I'm done.

72

00:04:42,573 --> 00:04:45,076  
Just like that?  
Will they let you walk away?

73

00:04:45,159 --> 00:04:46,786  
I'm not asking his permission.

74

00:04:47,036 --> 00:04:50,540  
They will, or they'll have  
a hell of a fight on their hands.

75

00:04:51,082 --> 00:04:54,294  
I just loved your spin piece  
in the paper, Olivia Pope.

76

00:04:54,377 --> 00:04:55,878  
Can we not, Jughead?

77

00:04:55,962 --> 00:04:58,256  
Did you know about Southside High closing?  
Or the prison?

78

00:04:58,339 --> 00:05:01,509  
Of course not. That was all  
her parents' doing. Right, V?

79

00:05:04,304 --> 00:05:07,098  
She didn't know, Jughead, okay?

So, back off.

80

00:05:07,640 --> 00:05:10,310

Fine. I have to conserve my energy anyhow.

81

00:05:11,436 --> 00:05:15,440

I'm going on a hunger strike  
to protest Southside High closing

82

00:05:15,982 --> 00:05:18,109

-and to get it reopened.  
-[chuckles]

83

00:05:18,192 --> 00:05:19,569

What?

84

00:05:20,653 --> 00:05:22,071

Sorry, man, it's just--

85

00:05:22,155 --> 00:05:25,074

You're always eating.  
Good luck with that, but--

86

00:05:25,158 --> 00:05:28,286

Hey, it's Jughead's prerogative  
to protest peacefully,

87

00:05:28,369 --> 00:05:31,372

-so, we're gonna support that, aren't we?  
-Veronica?

88

00:05:31,456 --> 00:05:32,874

Oh, hey, Ethel.

89

00:05:32,957 --> 00:05:36,753

For your crimes against Riverdale,  
everything your family has done

90

00:05:36,836 --> 00:05:40,757

and continue to do, we find you guilty.  
Your sentence is this.

91

00:05:41,841 --> 00:05:42,967  
[gasps]

92  
00:05:53,227 --> 00:05:56,314  
The chilling thing is  
Ethel went through the trouble

93  
00:05:56,397 --> 00:05:59,442  
of bringing that milkshake here  
from Pop's.

94  
00:06:00,401 --> 00:06:01,944  
I mean, how mad is she?

95  
00:06:03,446 --> 00:06:07,575  
My dad is responsible for the Muggs family  
losing basically everything.

96  
00:06:08,201 --> 00:06:10,703  
And he still hasn't made amends, so...

97  
00:06:10,787 --> 00:06:13,915  
-[sighs] Ethel has a right to be upset.  
-So do you.

98  
00:06:14,499 --> 00:06:16,000  
Are you sure you're okay?

99  
00:06:17,502 --> 00:06:18,336  
I'll manage.

100  
00:06:18,878 --> 00:06:22,006  
I'm impressed.  
I'd wanna rip Ethel's head off.

101  
00:06:22,090 --> 00:06:25,468  
As my mom keeps saying,  
"This is not the time for drama

102  
00:06:25,551 --> 00:06:27,178  
and flying off the handle."

103

00:06:27,637 --> 00:06:28,554  
I just need...

104  
00:06:30,056 --> 00:06:33,726  
to take deep breaths, keep smiling,  
turn the other cheek.

105  
00:06:35,311 --> 00:06:36,813  
Give Ethel a wide berth.

106  
00:06:41,609 --> 00:06:44,821  
Veronica, I heard you got  
a face full of dairy.

107  
00:06:44,904 --> 00:06:48,658  
-I've got some nuts to top off that shake.  
-Leave her alone, Reggie.

108  
00:06:48,741 --> 00:06:50,952  
You do not wanna push me right now.

109  
00:06:51,035 --> 00:06:54,413  
One question I gotta ask  
as future student body president:

110  
00:06:54,497 --> 00:06:56,999  
What are the odds  
your dad's the first inmate

111  
00:06:57,083 --> 00:07:00,628  
in that prison he's building?  
Oh, man, that's heavy.

112  
00:07:00,711 --> 00:07:04,549  
He'd be considered one of us.  
Or is he building a female prison, too?

113  
00:07:05,007 --> 00:07:06,509  
For your mom? Maybe I'll visit...

114  
00:07:09,512 --> 00:07:10,346  
For your mom?

115  
00:07:35,496 --> 00:07:36,747  
Who's there?

116  
00:07:43,212 --> 00:07:47,467  
Oh, don't be ridiculous, Cheryl. No one  
was trying to break into your room.

117  
00:07:47,550 --> 00:07:50,636  
You're imagining things.  
You're worse than Nana Rose.

118  
00:07:50,720 --> 00:07:54,682  
-I know what I heard and saw.  
-Claudius, we should talk about you

119  
00:07:54,765 --> 00:07:57,810  
taking over Nana's stewardship  
of the syrup business.

120  
00:07:57,894 --> 00:08:00,980  
That factory's mine.  
I'm not dead yet, you vultures.

121  
00:08:01,063 --> 00:08:04,233  
Oh, Mother, now, come, come.  
Let's not get too upset.

122  
00:08:04,692 --> 00:08:08,905  
Have some more of Penelope's tea.  
It's a special blend that she makes.

123  
00:08:16,704 --> 00:08:18,789  
Are we feeling calmer this morning?

124  
00:08:18,873 --> 00:08:22,126  
We are.  
I'm drinking my High Point decaffeinated.

125  
00:08:22,210 --> 00:08:26,255  
-So, you won't be punching a boy today?  
-Again, I'm sorry, Mom.

126

00:08:28,841 --> 00:08:32,512  
Maybe if you'd offered Mr. Muggs  
a job at the prison,

127  
00:08:33,095 --> 00:08:36,724  
-all of this could've been avoided.  
-Oh, no, no, no. No, mija.

128  
00:08:37,266 --> 00:08:38,809  
We tell you what to do.

129  
00:08:39,727 --> 00:08:43,898  
And right now, we're telling you, again,  
keep your head in the sand.

130  
00:08:43,981 --> 00:08:45,816  
Before it gets cut off.

131  
00:08:47,360 --> 00:08:50,613  
We need you to be our good,  
obedient little girl.

132  
00:08:51,781 --> 00:08:53,491  
You can do that, right?

133  
00:08:57,370 --> 00:09:00,873  
[Veronica] Friends, I have an exciting  
announcement to make.

134  
00:09:01,290 --> 00:09:03,876  
I'm running for student council president

135  
00:09:03,960 --> 00:09:08,089  
-against Reggie "the Misogynist" Mantle.  
-[groans] You've gotta be kidding me.

136  
00:09:08,172 --> 00:09:11,342  
If yesterday's dramatic events  
taught me anything,

137  
00:09:11,425 --> 00:09:16,556  
it's that Veronica Lodge is not a victim,  
nor will she ever allow herself to be one.

138  
00:09:16,639 --> 00:09:19,850  
Your parents are taking over Riverdale,  
you wanna take over school?

139  
00:09:19,934 --> 00:09:21,936  
What is this, part of Mommy  
and Daddy's evil bidding?

140  
00:09:22,019 --> 00:09:25,106  
I get you're in a bad mood  
because you haven't eaten--

141  
00:09:25,189 --> 00:09:28,317

Too bad. I got a dozen burgers.

450

00:28:33,169 --> 00:28:34,838  
Guess they're all yours now.

451  
00:28:37,382 --> 00:28:42,178  
Come on, it's just you and me. I won't  
tell anyone you broke your hunger strike.

452  
00:28:45,432 --> 00:28:46,266  
So, uh...

453  
00:28:48,393 --> 00:28:51,062  
just like clockwork,  
I got a call from Hiram.

454  
00:28:52,689 --> 00:28:55,775  
-What's he offering?  
-You know how they're saying SoDale

455  
00:28:55,859 --> 00:28:58,069  
will mostly be low-income housing?

456  
00:28:58,153 --> 00:29:02,323  
Well, apparently, there'll be  
a few penthouses at the top.

457  
00:29:03,616 --> 00:29:07,704  
It would be more than enough space  
for all of us. Your mom, Jellybean.

458  
00:29:08,830 --> 00:29:10,749  
Just like you always wanted.

459  
00:29:10,832 --> 00:29:12,000  
Just imagine me...

460  
00:29:13,668 --> 00:29:16,671  
standing on that balcony  
and looking over a prison.

461  
00:29:18,965 --> 00:29:22,302  
In the same spot that my friends  
and I used to go to school.

462  
00:29:25,180 --> 00:29:28,516  
And Jellybean, growing up in a town...

463  
00:29:29,934 --> 00:29:33,521  
where her best hope, her only hope,  
aside from getting the hell out,

464  
00:29:33,605 --> 00:29:34,981  
is to work at the prison?

465  
00:29:36,065 --> 00:29:36,983  
[grunts]

466  
00:29:40,653 --> 00:29:41,571  
It's not right.

467  
00:29:43,281 --> 00:29:45,784  
-What'd you say to him?  
-Nothing. I hung up

468  
00:29:45,867 --> 00:29:48,203  
and went to Pop's and got some burgers.

469  
00:29:54,417 --> 00:29:56,628  
I was hoping to see Jughead.

470  
00:29:56,711 --> 00:29:59,631  
He's still at Southside High, Mom,  
chained up.

471  
00:29:59,714 --> 00:30:02,509  
You may not believe  
in what he's fighting for...

472  
00:30:02,592 --> 00:30:05,887  
I'm not sure he's fighting  
for anything, Dad.

473  
00:30:06,930 --> 00:30:11,434  
I think he's fighting against Mr. Lodge,  
like people in this town who are afraid.

474

00:30:11,518 --> 00:30:14,771

-Archie.

-Afraid? Afraid of what?

475

00:30:14,854 --> 00:30:18,858

Afraid of having a vision, of seeing  
what has to be done and doing it.

476

00:30:20,401 --> 00:30:22,862

I hope you're not referring  
to your father.

477

00:30:23,154 --> 00:30:25,615

This man who broke rocks  
when he was in school

478

00:30:25,698 --> 00:30:28,117

to support his family  
when his dad was sick.

479

00:30:28,201 --> 00:30:31,371

A man who saw what had  
to be done and did it,

480

00:30:31,454 --> 00:30:33,581

and built a business out of nothing.

481

00:30:33,665 --> 00:30:36,417

One that pays for this house  
and the food you eat.

482

00:30:36,501 --> 00:30:40,421

For your information, your father  
had and has a vision for Riverdale,

483

00:30:40,505 --> 00:30:44,425

one that doesn't end up  
with everyone working in a penal colony.

484

00:30:44,509 --> 00:30:46,636

You don't have to side with your dad.

485

00:30:46,719 --> 00:30:49,430  
You can side with Hiram,  
even though he's a crook

486  
00:30:49,514 --> 00:30:52,183  
and has no intention  
of letting your father out.

487  
00:30:52,267 --> 00:30:53,893  
You can do that. That is your right.

488  
00:30:53,977 --> 00:30:58,189  
But I'll be damned if I'm gonna sit here  
and listen to you disrespect him.

489  
00:31:17,208 --> 00:31:19,627  
Betty, I have to ask.

490  
00:31:20,587 --> 00:31:23,840  
-Are you being safe with Jughead?  
-Yes, Mom.

491  
00:31:24,215 --> 00:31:26,634  
-Of course.  
-Well, that's something.

492  
00:31:28,261 --> 00:31:31,472  
Because, look,  
when I was your age, I wasn't always.

493  
00:31:32,181 --> 00:31:33,308  
But you need to be.

494  
00:31:33,558 --> 00:31:38,980  
And I am very well acquainted  
with how alluring the Jones men are.

495  
00:31:40,273 --> 00:31:44,444  
Whoa. Wait. Mom, did you and FP...?

496  
00:31:45,737 --> 00:31:49,324  
I mean, is it possible  
that FP is Chic's dad?

497  
00:31:49,407 --> 00:31:50,408  
Absolutely not.

498  
00:31:51,659 --> 00:31:56,205  
But Chic is a part of our family.  
He's your brother.

499  
00:31:56,789 --> 00:31:59,834  
I know that he's odd and damaged.

500  
00:32:00,376 --> 00:32:03,046  
I see that. I'm not blind.

501  
00:32:03,129 --> 00:32:07,550  
But for the past 25 years,  
he hasn't had anyone to love him.

502  
00:32:08,176 --> 00:32:10,094  
He's dangerous.

503  
00:32:10,970 --> 00:32:13,681  
Mom, don't forget what he did.

504  
00:32:13,765 --> 00:32:15,391  
I will never forget, Betty.

505  
00:32:16,684 --> 00:32:18,102  
But Chic needs us.

506  
00:32:32,784 --> 00:32:33,660  
[Cheryl] Dr. Masters?

507  
00:32:34,744 --> 00:32:38,122  
-Any updates on my nana?  
-Yes, we just got her panel back.

508  
00:32:38,957 --> 00:32:42,126  
There was a paralytic toxin  
in her bloodstream.

509

00:32:42,210 --> 00:32:45,088  
Tannis root. Which is strange,  
because it's so rare.

510  
00:32:45,171 --> 00:32:49,550  
Your mom and uncle have caught your nana  
on more than one occasion

511  
00:32:49,634 --> 00:32:52,345  
chewing Tannis root  
she grows in your greenhouse.

512  
00:32:52,428 --> 00:32:55,348  
So, it's more of her sundowner syndrome.

513  
00:32:55,431 --> 00:32:58,559  
We'll keep her another day,  
then she'll return home.

514  
00:32:58,643 --> 00:33:01,354  
To my mother and uncle?  
You don't understand--

515  
00:33:01,437 --> 00:33:05,483  
Cheryl. There you are.  
Looking a little worse for wear.

516  
00:33:06,067 --> 00:33:08,111  
Poor dear hasn't slept in days.

517  
00:33:08,194 --> 00:33:11,781  
Why don't we stop bothering Dr. Masters  
and I'll take you home?

518  
00:33:12,490 --> 00:33:13,366  
Come on.

519  
00:33:13,449 --> 00:33:14,283  
Sorry.

520  
00:33:21,958 --> 00:33:26,087  
Mom says we should bury the hatchet.  
So, for her sake, how about a truce?

521  
00:33:27,171 --> 00:33:28,006  
[scoffs]

522  
00:33:30,633 --> 00:33:33,678  
Why should I believe you when all  
you've done is try to get rid of me?

523  
00:33:34,387 --> 00:33:37,807  
If I really wanted  
to get rid of you, Chic...

524  
00:33:38,850 --> 00:33:41,394  
I would go to the sheriff's office  
and explain to him

525  
00:33:41,477 --> 00:33:43,938  
how you brained a man in our kitchen.

526  
00:33:46,357 --> 00:33:48,192  
You're not gonna do that.

527  
00:33:51,070 --> 00:33:53,698  
You see, I never touched that body, Betty.

528  
00:33:54,115 --> 00:33:58,578  
Or the car. Or went  
through his phone, or called his contacts.

529  
00:33:58,661 --> 00:34:00,663  
I didn't go to the sewer pipe.

530  
00:34:01,622 --> 00:34:04,500  
It's not my fingerprints or hair  
they're gonna find.

531  
00:34:05,043 --> 00:34:09,547  
Maybe I should call the police, tell them  
what my sister is capable of doing.

532  
00:34:09,630 --> 00:34:11,299  
You wouldn't dare.

533  
00:34:13,885 --> 00:34:16,637  
I'm not comfortable  
being in a room with someone

534  
00:34:16,721 --> 00:34:18,097  
who's done those things.

535  
00:34:19,182 --> 00:34:21,100  
It scares me, Betty.

536  
00:34:21,684 --> 00:34:24,187  
You scare me. Can't you see that?

537  
00:34:24,896 --> 00:34:28,107  
You're scaring me, Betty.  
You're scaring me.

538  
00:34:37,784 --> 00:34:39,827  
I think I figured it out.

539  
00:34:41,704 --> 00:34:44,248  
You paralyzed Nana Rose  
with the Tannis root

540  
00:34:44,332 --> 00:34:46,167  
and pushed her down the stairs.

541  
00:34:48,961 --> 00:34:51,839  
You've gone mad.  
That's all there is to it.

542  
00:34:52,799 --> 00:34:54,509  
You have lost your mind and--

543  
00:34:55,927 --> 00:34:57,553  
And you leave us no choice.

544  
00:35:00,014 --> 00:35:01,808  
What do you mean, no choice?

545

00:35:02,266 --> 00:35:03,392  
But it's all right.

546  
00:35:06,187 --> 00:35:07,980  
We're gonna make you all better.

547  
00:35:11,109 --> 00:35:11,943  
All better.

548  
00:35:13,861 --> 00:35:19,367  
Every hour that passes that Jughead  
is out there is bad for business.

549  
00:35:20,535 --> 00:35:23,704  
Time to remove Jughead  
and his fellow Serpents by force.

550  
00:35:23,788 --> 00:35:26,499  
Grown-ups after teenagers?  
Wouldn't that be bad?

551  
00:35:26,582 --> 00:35:29,836  
If Sheriff Keller and his men do it, yes.

552  
00:35:31,337 --> 00:35:33,589  
But boys, led bravely by you?

553  
00:35:34,340 --> 00:35:37,510  
The wrestling team.  
No one would be too upset by that.

554  
00:35:37,593 --> 00:35:38,427  
I can't.

555  
00:35:40,346 --> 00:35:41,764  
I'm sorry, I won't.

556  
00:35:43,850 --> 00:35:46,853  
Archie, you made a promise to me.

557  
00:35:47,353 --> 00:35:49,939  
An oath to this family in this very room.

558  
00:35:53,192 --> 00:35:56,487  
-You break it, there will be consequences.  
-I understand.

559  
00:35:57,321 --> 00:35:59,824  
So... you'll help me?

560  
00:36:02,285 --> 00:36:03,494  
Yes, sir.

561  
00:36:08,583 --> 00:36:11,586  
But I hope you can prove  
your loyalty to me in return.

562  
00:36:12,211 --> 00:36:14,088  
And how would I do that?

563  
00:36:14,172 --> 00:36:17,842  
By releasing my dad  
from all commitments to Lodge Industries.

564  
00:36:22,638 --> 00:36:27,268  
[chanting] Save our school.  
Save our school. Save our school.

565  
00:36:28,728 --> 00:36:30,271  
Send a car by the station.

566  
00:36:50,625 --> 00:36:54,629  
Cops may let you by, but you come in here,  
and I'll knock you down.

567  
00:36:54,712 --> 00:36:58,299  
Dad, don't. They'll throw you in jail.  
Don't give them an excuse.

568  
00:36:59,759 --> 00:37:01,594  
I'm sorry, Jughead.

569  
00:37:03,763 --> 00:37:04,597  
Me, too.

570  
00:37:06,974 --> 00:37:08,893  
I'm not gonna fight you, Archie.

571  
00:37:11,354 --> 00:37:12,188  
Look around.

572  
00:37:13,940 --> 00:37:16,651  
Now people know what Hiram's doing.

573  
00:37:17,985 --> 00:37:21,113  
What's happening here.  
This fight is not gonna go away.

574  
00:37:21,197 --> 00:37:22,823  
We're not going to go away.

575  
00:37:24,659 --> 00:37:26,744  
So, go on. Cut us down.

576  
00:37:27,870 --> 00:37:29,580  
I want them to see you do it.

577  
00:38:22,425 --> 00:38:26,012  
Do you think it made any difference?  
Us freezing our asses off?

578  
00:38:26,095 --> 00:38:27,138  
Definitely.

579  
00:38:28,681 --> 00:38:31,600  
Every revolution starts somewhere.

580  
00:38:31,684 --> 00:38:32,518  
Good.

581  
00:38:33,853 --> 00:38:37,565  
'Cause I've been thinking.  
We lost Southside High.

582  
00:38:38,399 --> 00:38:40,818

I don't want to lose Riverdale High, too.

583

00:38:43,404 --> 00:38:47,325

And you've not heard more unlikely words  
come from my mouth, but...

584

00:38:48,034 --> 00:38:48,868

[sighs]

585

00:38:53,789 --> 00:38:56,125

I wanna run for student body president.

586

00:38:57,293 --> 00:38:59,670

And I want you to be my co-president.

587

00:39:00,504 --> 00:39:02,715

-I know that you and Veronica--  
-Okay.

588

00:39:05,593 --> 00:39:08,554

-Really? Just like that?  
-Just like that.

589

00:39:10,431 --> 00:39:11,599

I'm in, Jug.

590

00:39:12,850 --> 00:39:14,685

There is no me and Veronica.

591

00:39:17,521 --> 00:39:19,523

You have to do me a favor, though.

592

00:39:22,693 --> 00:39:24,362

You have to let me stay here.

593

00:39:26,489 --> 00:39:29,408

I can't stay in the same house  
as Chic anymore.

594

00:39:33,162 --> 00:39:33,996

Okay.

595  
00:39:42,421 --> 00:39:43,255  
Okay.

596  
00:39:44,090 --> 00:39:45,257  
[Mary laughing]

597  
00:39:45,674 --> 00:39:49,136  
-What's going on?  
-Your pal Hiram Lodge called.

598  
00:39:49,595 --> 00:39:52,098  
He's letting your dad out of his contract.

599  
00:39:52,181 --> 00:39:55,810  
Well, I never doubted your mom  
for a second. Knew she'd do it.

600  
00:39:55,893 --> 00:39:56,727  
Wow, that's--

601  
00:39:57,937 --> 00:40:00,231  
-That's great.  
-Yeah, and another thing.

602  
00:40:00,314 --> 00:40:03,859  
-We've been talking--  
-I'll stick around for a while.

603  
00:40:03,943 --> 00:40:07,071  
Help your dad  
with some more unfinished business.

604  
00:40:07,363 --> 00:40:10,241  
That contract was the last thing  
holding him back.

605  
00:40:11,659 --> 00:40:12,535  
From what?

606  
00:40:14,829 --> 00:40:16,455  
I'm gonna run for mayor.

607  
00:40:17,248 --> 00:40:19,708  
Against the Lodges. Come what may.

608  
00:40:23,379 --> 00:40:24,797  
[doorbell rings]

609  
00:40:28,592 --> 00:40:30,344  
Mrs. Blossom, hi.

610  
00:40:30,428 --> 00:40:34,098  
I'm looking for Cheryl. She wasn't  
at the hospital with her nana.

611  
00:40:34,181 --> 00:40:37,059  
No, she's gone.  
Boarding school in Switzerland.

612  
00:40:37,643 --> 00:40:39,854  
All girls. She left just last night.

613  
00:40:39,937 --> 00:40:43,482  
[chuckles] Mrs. Blossom,  
that doesn't make any sense.

614  
00:40:43,816 --> 00:40:45,067  
Don't come here again.

615  
00:41:09,049 --> 00:41:10,342  
[shivering]

616  
00:41:18,017 --> 00:41:22,438  
Oh, you poor child.  
There's nothing to be afraid of.

617  
00:41:24,523 --> 00:41:28,861  
-Sister Woodhouse is going to help you.  
-Thank you, Sister Woodhouse.

618  
00:41:29,778 --> 00:41:33,532  
Yes, she's going to rid you  
of all those naughty demons.

619

00:41:35,576 --> 00:41:39,288

The ones making you think  
such awful, unnatural thoughts.

620

00:41:42,458 --> 00:41:43,918

Today, you must rest.

621

00:41:46,086 --> 00:41:49,089

Tomorrow, the real work...

622

00:41:50,633 --> 00:41:52,510

the conversion begins.
