### EPISODE CAST

K.J. Apa	...	Archie Andrews
Lili Reinhart	...	Betty Cooper
Camila Mendes	...	Veronica Lodge
Cole Sprouse	...	Jughead Jones
Marisol Nichols	...	Hermione Lodge
Madelaine Petsch	...	Cheryl Blossom
Mark Consuelos	...	Hiram Lodge
Casey Cott	...	Kevin Keller
Skeet Ulrich	...	FP Jones
Mädchen Amick	...	Alice Cooper
Luke Perry	...	Fred Andrews
Jordan Connor	...	Sweet Pea
Robin Givens	...	Sierra McCoy
Charles Melton	...	Reggie Mantle
Vanessa Morgan	...	Toni Topaz
Lochlyn Munro	...	Hal Cooper
Henderson Wade	...	Sheriff Michael Minetta
Peter Bryant	...	Principal Waldo Weatherbee
Rob Raco	...	Joaquin DeSantos
Andre Anthony	...	Lenny Junior
Brent Clark	...	Middle-Aged Man
Nelson Giles	...	Tall Man
Mackenzie Gray	...	Dr. Curdle
Julian Haig	...	Elio
Cody Kearsley	...	Moose Mason
Aason Nadjiwan	...	Boxing Suitor
Vanessa Richards	...	Receptionist
Ryan Rosery	...	Horsetrack Suitor
Robyn Ross	...	Mrs. Klump
Drew Ray Tanner	...	Fangs Fogarty
Christopher Thomas	...	Carl Junior

1

00:00:08,258 --> 00:00:10,760  
-[narrator] Previously on Riverdale:  
-We will not rest

2

00:00:10,844 --> 00:00:15,098  
until those responsible for the murder  
of our sister is rightly punished.

3

00:00:15,181 --> 00:00:16,016  
[Kevin] Fangs.

4

00:00:16,599 --> 00:00:19,602  
Mrs. Klump. The Sheriff Department  
is working around the clock.

5

00:00:20,186 --> 00:00:22,647  
You were supposed to be protecting  
our children.

6

00:00:22,939 --> 00:00:24,315  
-What's this?  
-Ransom money.

7

00:00:24,399 --> 00:00:26,109  
Not for Archie. I got him back.

8

00:00:26,192 --> 00:00:29,946  
This is from when I turned the tables  
on Nick and held him for ransom instead.

9

00:00:30,030 --> 00:00:31,614  
I haven't made my bones with you.

10

00:00:31,698 --> 00:00:34,409  
Only one man I'm interested  
in bringing down.

11

00:00:34,492 --> 00:00:37,162  
-Black Hood.  
-Whatever I can do to help you

12

00:00:37,245 --> 00:00:38,455

you can count on me.

13

00:00:39,039 --> 00:00:40,540  
[Black Hood] The Black Hood speaking.

14

00:00:40,623 --> 00:00:44,169  
[Betty] And I got a letter.  
These symbols look so familiar to me.

15

00:00:44,377 --> 00:00:46,129  
I used to check out this book.

16

00:00:46,212 --> 00:00:48,339  
[Jughead] How could the Black Hood  
know that?

17

00:00:48,423 --> 00:00:49,340  
[Black Hood] Put it on.

18

00:00:50,008 --> 00:00:53,511  
-Why are you doing this to me?  
-To show you we're the same.

19

00:00:53,595 --> 00:00:56,347  
Where is he, Betty?  
Where did you take Chic?

20

00:00:56,431 --> 00:00:59,684  
-Did you kill my brother?  
-I didn't mean to hurt him.

21

00:01:00,143 --> 00:01:02,062  
I'm gonna give you a head start.

22

00:01:05,732 --> 00:01:07,150  
Mom, where's Dad?

23

00:01:15,575 --> 00:01:16,868  
-Hello.  
-Hello, sir.

24

00:01:16,951 --> 00:01:21,081

I'm campaigning for my dad. He's running  
for mayor and could use your vote.

25

00:01:21,164 --> 00:01:25,502  
[Jughead] On the eve of the debate,  
as Archie Andrews goes door-to-door...

26

00:01:27,045 --> 00:01:30,715  
he doesn't mention the murder  
of his classmate Midge Klump.

27

00:01:31,257 --> 00:01:34,260  
Excuse me.  
I'm campaigning for my dad, Fred Andrews.

28

00:01:34,344 --> 00:01:37,639  
-I'm voting for Hiram Lodge.  
-You mean Hermione Lodge?

29

00:01:39,057 --> 00:01:41,309  
Take the flyer, sir,  
in case you change your mind.

30

00:01:41,392 --> 00:01:42,310  
Sure.

31

00:01:42,393 --> 00:01:45,063  
[Jughead] Most believed Midge was murdered  
by someone else.

32

00:01:46,898 --> 00:01:50,401  
But not Archie. He was certain,  
beyond a shadow of a doubt,

33

00:01:50,485 --> 00:01:51,903  
the Black Hood was back.

34

00:01:52,529 --> 00:01:55,031  
As was his next-door neighbor  
Betty Cooper.

35

00:01:55,115 --> 00:01:58,034  
Who had, in fact,

laid eyes on the Black Hood,

36

00:01:58,118 --> 00:02:00,537  
and suspected he was much closer.

37

00:02:01,996 --> 00:02:03,873  
Penny for your thoughts, hon?

38

00:02:05,959 --> 00:02:08,628  
I was thinking that he was a test.

39

00:02:10,755 --> 00:02:13,508  
-Who was?  
-The imposter. Chic.

40

00:02:13,591 --> 00:02:19,597  
Everything that he did to us  
and brought to us was kind of a test.

41

00:02:20,181 --> 00:02:24,602  
-We survived and we're stronger for it.  
-Well, that remains to be seen.

42

00:02:24,686 --> 00:02:29,399  
No, Mom, we are.  
We'll survive whatever comes next.

43

00:02:34,612 --> 00:02:36,322  
[Archie] Can't see my bruises anymore.

44

00:02:36,406 --> 00:02:39,826  
Yes, no reason whatsoever  
to bring up Nick's failed attempt

45

00:02:39,909 --> 00:02:41,786  
to kidnap and murder you.

46

00:02:42,078 --> 00:02:43,079  
Speaking of.

47

00:02:43,163 --> 00:02:46,332  
-There's one thing I wanted to tell you.

-What's that?

48

00:02:46,416 --> 00:02:49,419  
Word of my exploits  
serving Nick his comeuppance

49

00:02:49,502 --> 00:02:52,922  
has seeped into the demimonde  
of mobsters and molls

50

00:02:53,006 --> 00:02:55,091  
my father used to associate with.

51

00:02:55,174 --> 00:02:58,845  
So, the five families  
are sending their youngest and brightest,

52

00:02:58,928 --> 00:03:03,892  
their princes, as it were, to, well,  
come court the rare Mafia princess

53

00:03:03,975 --> 00:03:06,019  
who can belly up to the bar  
with the big boys.

54

00:03:06,102 --> 00:03:07,186  
What do you mean court?

55

00:03:07,270 --> 00:03:09,898  
Thanks to my play,  
the families are looking

56

00:03:09,981 --> 00:03:13,484  
to make business and/or political  
alliances with my parents.

57

00:03:13,568 --> 00:03:15,737  
It's all very Borgia-Medici.

58

00:03:15,820 --> 00:03:17,822  
Archie. If you have a moment?

59

00:03:18,114 --> 00:03:21,784  
Go ahead. We'll meet up at lunch.  
After I welcome the tributes.

60  
00:03:23,661 --> 00:03:26,873  
My spies tell me  
you're campaigning for your father.

61  
00:03:26,956 --> 00:03:30,919  
I'm not campaigning, Mr. Lodge.  
I'm trying to find the Black Hood.

62  
00:03:31,461 --> 00:03:34,672  
It sounds insane, but I remember his eyes.

63  
00:03:34,756 --> 00:03:36,966  
So, I'm going house-to-house to...

64  
00:03:37,800 --> 00:03:42,388  
Stare into men's eyes? That sounds  
like looking for a needle in a haystack.

65  
00:03:42,472 --> 00:03:45,099  
But we don't even know  
if that needle is in the haystack.

66  
00:03:45,183 --> 00:03:48,144  
You wanted to make your bones.  
Is that still true?

67  
00:03:50,355 --> 00:03:51,689  
-Yes.  
-Then...

68  
00:03:53,942 --> 00:03:58,446  
reform your Dark Circle. You'll want  
backup should you identify Black Hood.

69  
00:03:58,529 --> 00:04:01,491  
Reggie and the guys are fired up,  
for sure,

70  
00:04:01,574 --> 00:04:04,827

but I need focused lasers,  
not loose cannons.

71

00:04:05,453 --> 00:04:09,791  
To help with that, a new sheriff's  
taken over for Keller. Michael Minetta.

72

00:04:09,874 --> 00:04:12,919  
A man I know well.  
You could coordinate with him.

73

00:04:13,002 --> 00:04:14,170  
-Really?  
-Yes.

74

00:04:14,254 --> 00:04:17,090  
I'll arrange a meeting,  
but move fast, Archie.

75

00:04:17,507 --> 00:04:21,511  
Every hour that passes, our killer  
could be planning his next attack.

76

00:04:23,888 --> 00:04:25,139  
Any word from Chic?

77

00:04:26,557 --> 00:04:31,104  
No. He hasn't called since I took him  
to the bus station, so, who knows?

78

00:04:31,187 --> 00:04:32,730  
Maybe he's gone for good.

79

00:04:35,817 --> 00:04:39,445  
Silver lining to all this Chic stuff  
over the last weeks is...

80

00:04:39,821 --> 00:04:43,658  
that's as bad as it gets, Betty.  
It can't get worse. How could it?

81

00:04:44,492 --> 00:04:46,202  
My dad could be the Black Hood.

82

00:04:46,286 --> 00:04:48,579  
[chuckles] Yeah. Okay, well...

83

00:04:49,497 --> 00:04:51,082  
that would be worse.

84

00:04:55,336 --> 00:05:00,925  
Well, well, well. Aren't you boys  
a handsome assortment of he-devils?

85

00:05:01,259 --> 00:05:04,470  
Veronica, these young men have come  
to pay their respects.

86

00:05:04,554 --> 00:05:06,097  
I know why they're here.

87

00:05:06,180 --> 00:05:09,225  
While I'm dying to hear your proposals,  
I'm late.

88

00:05:09,309 --> 00:05:11,436  
Maybe I can squeeze you in tomorrow?

89

00:05:11,519 --> 00:05:12,437  
Uh...

90

00:05:13,229 --> 00:05:15,565  
-Tomorrow?  
-You do things your way, Mom,

91

00:05:15,648 --> 00:05:16,774  
I do things mine.

92

00:05:19,402 --> 00:05:21,237  
[Betty] There's no one else I can talk to.

93

00:05:21,321 --> 00:05:23,823  
No one else who might understand  
what I'm going through.

94

00:05:24,782 --> 00:05:27,285  
Dear cousin, you look harrowed.  
What is it?

95

00:05:27,744 --> 00:05:30,455  
Cheryl,  
before you saw the video of your dad...

96

00:05:31,205 --> 00:05:32,665  
shooting Jason...

97

00:05:33,499 --> 00:05:36,127  
did you know that he was the murderer?

98

00:05:36,461 --> 00:05:37,754  
Subconsciously, yes.

99

00:05:38,254 --> 00:05:39,172  
Why do you ask?

100

00:05:41,049 --> 00:05:43,843  
I think there's a chance that my dad...

101

00:05:45,344 --> 00:05:46,471  
That somehow...

102

00:05:49,766 --> 00:05:51,392  
he might be the Black Hood.

103

00:05:53,519 --> 00:05:54,395  
Oh.

104

00:05:54,979 --> 00:05:57,273  
Oh, Betty, I don't know.

105

00:05:57,857 --> 00:06:00,568  
I've seen your pater  
sneak around Thistlehouse,

106

00:06:00,651 --> 00:06:03,446  
and he has all the stealth

of a Marshmallow Man.

107

00:06:03,529 --> 00:06:06,240  
-Wherefore comes this accusation?  
-Intuition.

108

00:06:06,324 --> 00:06:08,701  
I don't want my dad to be a murderer.

109

00:06:08,785 --> 00:06:11,329  
It would destroy our lives even more,  
but...

110

00:06:12,663 --> 00:06:15,792  
I don't know. I can feel it in my bones.

111

00:06:17,919 --> 00:06:20,421  
If you're coming to me for advice, fine.

112

00:06:20,630 --> 00:06:23,674  
Let's get you to the po-po.  
Maybe this new sheriff has half a brain.

113

00:06:23,758 --> 00:06:25,551  
No. No. Not yet.

114

00:06:25,676 --> 00:06:28,387  
I need to be sure  
before I involve anyone else.

115

00:06:28,971 --> 00:06:32,100  
It's hard to explain,  
but if my dad is the Black Hood,

116

00:06:32,183 --> 00:06:35,645  
I need to be the one who confronts him,  
who stops him.

117

00:06:37,105 --> 00:06:40,566  
In that case,  
absorb my hard-learned advice.

118

00:06:40,858 --> 00:06:43,277  
You need concrete proof or a confession  
or both.

119  
00:06:43,402 --> 00:06:45,780  
Buy yourself time while you investigate.

120  
00:06:45,863 --> 00:06:49,784  
-Means pretending everything is normal.  
-Well, that's my specialty.

121  
00:06:50,535 --> 00:06:53,579  
You're playing a very dangerous game,  
Betty Cooper.

122  
00:06:57,291 --> 00:07:00,044  
I don't think he would hurt  
his own daughter.

123  
00:07:01,879 --> 00:07:04,549  
I never thought my dad  
would shoot his son.

124  
00:07:05,341 --> 00:07:07,260  
But that's the world we live in.

125  
00:07:08,594 --> 00:07:10,138  
Tread carefully, cousin.

126  
00:07:17,937 --> 00:07:21,315  
You and Fred are neck and neck,  
and with the town divided over our prison,

127  
00:07:21,399 --> 00:07:24,026  
-this debate--  
-Is the most important event

128  
00:07:24,110 --> 00:07:25,528  
of the election, I know.

129  
00:07:25,611 --> 00:07:28,281  
-I know, basta.  
-We already control the Sheriff's Office,

130  
00:07:28,364 --> 00:07:30,908  
and the Register,  
but we need the mayor's office as well.

131  
00:07:30,992 --> 00:07:32,410  
So the prison can't be blocked.

132  
00:07:32,493 --> 00:07:34,745  
I'm hoping Archie's Dark Circle  
will cause unrest.

133  
00:07:34,829 --> 00:07:36,998  
If Fred can't control his own son,

134  
00:07:37,081 --> 00:07:41,544  
he certainly can't control a town  
on the verge of sliding into chaos.

135  
00:07:43,171 --> 00:07:47,550  
If what happened to Midge taught us  
anything, it's no one is safe, anywhere.

136  
00:07:47,633 --> 00:07:50,052  
The town needs us, needs Dark Circle.

137  
00:07:50,136 --> 00:07:53,598  
And this time, we'll have the new  
sheriff's support. No offense, Kev.

138  
00:07:53,681 --> 00:07:55,391  
None taken. I'm here to catch the guy

139  
00:07:55,475 --> 00:07:58,311  
-who cost my dad his job.  
-Guys, I gotta tell you something.

140  
00:07:58,728 --> 00:08:01,481  
The night of the show, Midge and I  
got into a fight backstage

141  
00:08:01,564 --> 00:08:04,775

because she admitted... she was seeing  
someone else behind my back.

142

00:08:04,859 --> 00:08:05,735

-Who?

-Who?

143

00:08:06,819 --> 00:08:09,197

-She let it slip it was a Serpent.

-What?

144

00:08:11,699 --> 00:08:15,286

I knew it. I knew it the second  
they set foot in this school.

145

00:08:15,369 --> 00:08:17,788

Moose, why didn't you say anything to us?

146

00:08:17,872 --> 00:08:19,457

-Or my dad?

-I didn't wanna look

147

00:08:19,540 --> 00:08:21,626

like the jealous boyfriend,  
have people think--

148

00:08:23,419 --> 00:08:25,338

-We talk to the new sheriff.

-[Reggie] Screw that.

149

00:08:25,421 --> 00:08:30,051

Some Serpent scumbag was doing Midge.

We just gotta figure out which one.

150

00:08:30,468 --> 00:08:33,012

[Jughead] War Baby called my father and I  
from Shankshaw.

151

00:08:33,095 --> 00:08:35,806

Our adversaries, the Ghoulies,  
have been released.

152

00:08:35,890 --> 00:08:39,727

They want Serpent blood.  
They're gunning for a rematch.

153  
00:08:39,810 --> 00:08:40,853  
They want war.

154  
00:08:41,437 --> 00:08:44,815  
-Which of you was screwing Midge Klump?  
-What is going on?

155  
00:08:44,899 --> 00:08:48,611  
-This is a private meeting.  
-I'm guessing it was you, Sweet Pea.

156  
00:08:49,445 --> 00:08:52,532  
-Reggie, that's enough.  
-Ass. I didn't even know Midge.

157  
00:08:52,615 --> 00:08:56,035  
I get why she wouldn't want fleas  
from you mangy Bulldogs.

158  
00:08:56,118 --> 00:08:57,286  
-Reggie, no!  
-Hey!

159  
00:08:57,370 --> 00:09:00,331  
-Serpents, back off! Now!  
-Dark Circle, stand down!

160  
00:09:13,678 --> 00:09:15,179  
So, I've been thinking...

161  
00:09:15,930 --> 00:09:19,308  
Dad, you've been so busy  
at the Register lately,

162  
00:09:19,392 --> 00:09:20,935  
maybe Mom should go back to work.

163  
00:09:21,018 --> 00:09:25,231  
I mean, she's moderating the debate,  
why not report on it, as well?

164  
 00:09:26,816 --> 00:09:30,695  
 -That's not a terrible idea.  
 -And I could help, too, after school.

165  
 00:09:30,778 --> 00:09:34,949  
 -With proofing and layout.  
 -My two best girls back at the Register?

166  
 00:09:36,909 --> 00:09:38,077  
 [Fangs] It's bad, Jones.

167  
 00:09:38,160 --> 00:09:39,787  
 It's really bad.

168  
 00:09:39,870 --> 00:09:42,540  
 -Talk to me.  
 -On the opening night of Carrie,

169  
 00:09:42,623 --> 00:09:44,792  
 when you were backstage  
 filming your documentary

170  
 00:09:44,875 --> 00:09:47,128  
 and you found me  
 in Midge's dressing room...

171  
 00:09:47,920 --> 00:09:49,880  
 I wasn't just giving her notes.

172  
 00:09:50,464 --> 00:09:51,674  
 You were hooking up?

173  
 00:09:53,009 --> 00:09:55,094  
 And you didn't tell Sheriff Keller?

174  
 00:09:56,137 --> 00:10:00,474  
 -You know how guilty this makes you look?  
 -I know. I know.

175  
 00:10:01,517 --> 00:10:02,351  
 [sighs]

176  
00:10:03,477 --> 00:10:04,312  
Did you do it?

177  
00:10:05,271 --> 00:10:08,941  
Of course not.  
You've gotta believe me, Jones.

178  
00:10:09,025 --> 00:10:11,736  
-I do.  
-Delete the footage off your camera.

179  
00:10:11,819 --> 00:10:14,322  
I already gave the footage over to Keller  
as evidence.

180  
00:10:14,405 --> 00:10:16,198  
-What do I do, Jones?  
-Nothing.

181  
00:10:16,907 --> 00:10:18,951  
Lay low. Serpents got your back.

182  
00:10:20,244 --> 00:10:21,203  
I got your back.

183  
00:10:24,624 --> 00:10:26,042  
[pop music playing]

184  
00:10:29,962 --> 00:10:30,796  
Okay.

185  
00:10:30,880 --> 00:10:34,258  
Canned meat isn't exactly sexy,  
but it's making a comeback.

186  
00:10:34,342 --> 00:10:38,012  
Tell your folks we should open a cannery  
in that maple syrup factory.

187  
00:10:38,095 --> 00:10:40,514  
I like my meat free-range and grass-fed.

188  
00:10:41,098 --> 00:10:43,351  
My family runs a 5000-seat arena  
in Pacific City.

189  
00:10:43,434 --> 00:10:46,145  
They're looking to do the same here.  
Have a favorite boxer?

190  
00:10:46,228 --> 00:10:48,314  
Michelle Rodriguez in Girlfight.

191  
00:10:49,273 --> 00:10:53,110  
My family owns a track. If you get  
your old man to invest with my old man,

192  
00:10:53,194 --> 00:10:57,323  
-I'll name a horse after you.  
-I want ships named after me, not horses.

193  
00:10:59,617 --> 00:11:02,495  
We own the largest chain of casinos  
in the region, Miss Lodge.

194  
00:11:02,578 --> 00:11:05,748  
-And we're looking to expand.  
-I'm not opposed to games of luck, Elio,

195  
00:11:05,831 --> 00:11:08,959  
-but are your dice loaded?  
-No. No need to be crooked.

196  
00:11:09,335 --> 00:11:10,586  
Or haven't you heard?

197  
00:11:10,878 --> 00:11:12,213  
The house always wins.

198  
00:11:13,130 --> 00:11:14,715  
Tell me more, Elio.

199  
00:11:15,341 --> 00:11:17,593

Oh, and it's Veronica, not Miss Lodge.

200

00:11:30,439 --> 00:11:32,942  
[Jughead] That's pretty forceful branding,  
Archie.

201

00:11:33,025 --> 00:11:34,527  
Reggie made those, not me.

202

00:11:34,610 --> 00:11:37,321  
I need your Dark Circle  
to lay off my Serpents.

203

00:11:37,863 --> 00:11:41,283  
-Though they were right about something.  
-What do you mean?

204

00:11:42,034 --> 00:11:45,121  
One of my Serpents was canoodling  
with Midge, but he didn't kill her.

205

00:11:45,204 --> 00:11:47,456  
And I'm not gonna give you his name,  
so don't ask,

206

00:11:47,540 --> 00:11:51,001  
but rest assured, none of my crew is  
a middle-aged white guy with green eyes.

207

00:11:51,085 --> 00:11:53,629  
-And that's who you're looking for.  
-Yeah.

208

00:11:55,089 --> 00:11:56,924  
-I'll tell Reggie to lay off.  
-Thank you.

209

00:11:58,426 --> 00:12:01,637  
In the meantime, I need to get back  
some possibly incriminating footage

210

00:12:01,720 --> 00:12:02,721  
from this new sheriff.

211  
00:12:03,013 --> 00:12:06,142  
-Have you met him yet?  
-No. You mind if I tag along?

212  
00:12:08,644 --> 00:12:09,478  
[Hiram] Gentlemen.

213  
00:12:11,397 --> 00:12:13,691  
The man I was telling you about.  
Archie Andrews

214  
00:12:13,774 --> 00:12:15,651  
The one organizing the safety initiative.

215  
00:12:15,818 --> 00:12:18,237  
The Dark Circle.  
A man after my own heart.

216  
00:12:19,363 --> 00:12:21,615  
And this is the other one.

217  
00:12:22,908 --> 00:12:23,993  
The muckraker.

218  
00:12:24,743 --> 00:12:25,786  
The troublemaker.

219  
00:12:25,870 --> 00:12:26,704  
Hmm.

220  
00:12:27,163 --> 00:12:28,539  
You forgot iconoclast.

221  
00:12:29,206 --> 00:12:32,334  
I was wondering if I could have a word  
about some documentary footage.

222  
00:12:32,543 --> 00:12:34,462  
That I lent to your predecessor?

223

00:12:34,920 --> 00:12:37,089  
Sure. Let's chat in my office.

224  
00:12:42,178 --> 00:12:44,597  
Mm. Archie, Archie, Archie.

225  
00:12:47,057 --> 00:12:50,269  
You said you wanted to introduce me  
to Sheriff Minetta.

226  
00:12:50,478 --> 00:12:53,022  
So, I took it upon myself to stop by.

227  
00:12:53,981 --> 00:12:56,317  
Well, since you have so much free time,

228  
00:12:56,609 --> 00:12:59,195  
Veronica may have mentioned  
she's entertaining a young man

229  
00:12:59,278 --> 00:13:02,531  
from a prominent family tonight.  
I'm hoping you'll accompany them.

230  
00:13:03,157 --> 00:13:04,783  
Absolutely, Mr. Lodge.

231  
00:13:10,831 --> 00:13:15,085  
[Veronica] Out of all the offers on the  
table, Elio, yours inspired me the most.

232  
00:13:15,169 --> 00:13:19,882  
So, what if our families were to partner  
up for, say, The Sweetwater Casino?

233  
00:13:19,965 --> 00:13:22,176  
Nothing would make my father happier.

234  
00:13:22,510 --> 00:13:23,344  
Perfection.

235  
00:13:28,015 --> 00:13:31,352

Now, play nice, boys,  
while I go powder my nose.

236

00:13:40,444 --> 00:13:42,404  
How'd you get in with the Lodges?

237

00:13:44,532 --> 00:13:48,494  
-I'm mostly just with Veronica.  
-My dad says you're one of Hiram's capos.

238

00:13:48,577 --> 00:13:50,996  
You made your bones  
taking care of Papa Poutine?

239

00:13:51,080 --> 00:13:51,914  
No.

240

00:13:52,540 --> 00:13:53,457  
That wasn't me.

241

00:13:53,541 --> 00:13:56,418  
Word is Papa Poutine's son Small Fry  
is looking for payback.

242

00:13:56,502 --> 00:13:59,421  
No one in Riverdale had anything to do  
with that.

243

00:14:05,553 --> 00:14:08,097  
Sure you don't wanna take a break  
and join us for dinner?

244

00:14:08,180 --> 00:14:09,348  
I'm not hungry right now.

245

00:14:09,431 --> 00:14:11,809  
Get me a tomato bisque for later?

246

00:14:12,560 --> 00:14:14,812  
[clears throat]  
And maybe an Orange Freeze?

247

00:14:15,479 --> 00:14:16,564  
Sounds great, Dad.

248  
00:14:43,549 --> 00:14:46,135  
I got into my dad's planner  
and cross-referenced the dates

249  
00:14:46,218 --> 00:14:49,430  
of every Black Hood attack  
with his schedule, and they all line up.

250  
00:14:49,513 --> 00:14:53,225  
Okay. Worked late the night  
Midge and Moose were attacked.

251  
00:14:53,309 --> 00:14:55,269  
Early meeting the morning Fred was shot.

252  
00:14:55,853 --> 00:14:58,230  
Business trip  
the night Miss Grundy was killed.

253  
00:14:58,314 --> 00:15:00,024  
Business trip to Greendale.

254  
00:15:00,107 --> 00:15:02,151  
This isn't proof,  
but this is corroboration.

255  
00:15:02,234 --> 00:15:03,652  
[ringing]

256  
00:15:09,825 --> 00:15:10,701  
Register.

257  
00:15:10,784 --> 00:15:14,204  
[Curdle] Mrs. Cooper, this is Dr. Curdle  
from the coroner's office.

258  
00:15:14,663 --> 00:15:15,497  
How...?

259

00:15:17,249 --> 00:15:18,500  
How can I help you?

260  
00:15:18,584 --> 00:15:20,753  
I have a warm corpse for you.

261  
00:15:20,836 --> 00:15:23,005  
Unidentified male, mid-20s.

262  
00:15:23,213 --> 00:15:27,176  
His body turned up off the highway,  
just outside of town. Mutilated.

263  
00:15:30,095 --> 00:15:31,013  
Mrs. Cooper?

264  
00:15:31,388 --> 00:15:32,222  
Are you there?

265  
00:15:32,723 --> 00:15:33,557  
Yes.

266  
00:15:34,183 --> 00:15:36,977  
I'll come by to see it.  
Thank you, Dr. Curdle.

267  
00:15:37,770 --> 00:15:40,147  
As always, small bills are preferable.

268  
00:15:44,193 --> 00:15:47,821  
-We have to go to the morgue.  
-Why? Another Black Hood victim?

269  
00:15:48,656 --> 00:15:50,616  
I sent the Black Hood after Chic.

270  
00:15:51,659 --> 00:15:54,286  
I gave Chic a head start  
and told him to run,

271  
00:15:54,370 --> 00:15:56,163  
but maybe he didn't make it.

272  
00:16:02,461 --> 00:16:06,799  
Sheriff wouldn't give me back my footage.  
He wants to go through it frame by frame.

273  
00:16:06,882 --> 00:16:10,511  
Only a matter of time before he puts  
two and two together and brings Fangs in.

274  
00:16:10,594 --> 00:16:13,514  
Damn it.  
Of all the girls in Riverdale High.

275  
00:16:14,932 --> 00:16:15,766  
What do I do?

276  
00:16:16,141 --> 00:16:18,686  
If Fangs runs, he looks guilty.

277  
00:16:18,769 --> 00:16:21,814  
If he gets caught withholding the truth,  
he'll look like the killer.

278  
00:16:21,897 --> 00:16:22,773  
[scoffs]

279  
00:16:24,942 --> 00:16:28,404  
It's a perfect storm.  
The Lodges endorsed this new sheriff.

280  
00:16:28,487 --> 00:16:29,989  
They want Midge's killer caught.

281  
00:16:30,072 --> 00:16:33,409  
-If it's a Southsider, much better.  
-Then we hunker down.

282  
00:16:36,120 --> 00:16:37,246  
Get ready to fight.

283  
00:16:48,173 --> 00:16:49,008  
Dad?

284  
00:16:54,179 --> 00:16:55,848  
What are you still doing up?

285  
00:16:56,849 --> 00:16:59,685  
I got this note. Pinned to the door.

286  
00:17:00,728 --> 00:17:03,939  
I can only assume it's our old pal,  
the Black Hood.

287  
00:17:09,862 --> 00:17:12,448  
[Hiram] It's clear what has to be done.  
We cancel the debate.

288  
00:17:12,656 --> 00:17:14,366  
It's not a risk we can take.

289  
00:17:14,450 --> 00:17:16,910  
Until the Black Hood's caught,  
we have to be careful.

290  
00:17:16,994 --> 00:17:19,038  
Can you beef up security at the town hall?

291  
00:17:19,121 --> 00:17:20,956  
-Fred--  
-You can't be serious.

292  
00:17:21,040 --> 00:17:22,666  
We'll lock town hall down tighter.

293  
00:17:22,750 --> 00:17:26,295  
The town is scared.  
They need to be shown we can't be cowed.

294  
00:17:27,129 --> 00:17:29,631  
Well, if Fred's in, so are we.

295  
00:17:34,678 --> 00:17:36,722  
[Curdle] You're not the Mrs. Cooper  
I was expecting.

296  
00:17:36,805 --> 00:17:39,683  
Yeah, well, my money is good  
just the same.

297  
00:17:48,817 --> 00:17:52,780  
This poor creature was found  
in the men's room of a rest stop.

298  
00:18:09,505 --> 00:18:13,383  
-[Cheryl] It's okay, it wasn't Chic.  
-[sobbing] But it could have been.

299  
00:18:13,967 --> 00:18:16,970  
Chic is probably out there,  
with a bullet in his--

300  
00:18:17,054 --> 00:18:20,641  
Or he got away  
and he's on a train back to Transylvania.

301  
00:18:20,724 --> 00:18:23,310  
I delivered him to the Black Hood, Cheryl.

302  
00:18:23,393 --> 00:18:24,895  
That makes me a murderer.

303  
00:18:25,521 --> 00:18:28,190  
I've been trying to prove  
my dad's a killer,

304  
00:18:28,273 --> 00:18:31,985  
when, really, all I had to do  
is look in the mirror. Oh, my God.

305  
00:18:32,820 --> 00:18:34,154  
He got what he wanted.

306  
00:18:35,030 --> 00:18:35,948  
We're the same.

307  
00:18:37,491 --> 00:18:40,202

None of this is your fault, Betty.

308

00:18:40,744 --> 00:18:43,705  
Part of me wanted to punish Chic  
for what he did.

309

00:18:43,789 --> 00:18:47,960  
If Chic is dead,  
that's a psycho's doing, not yours.

310

00:18:48,043 --> 00:18:52,756  
I don't know how much longer I can keep  
going before I snap and say something.

311

00:18:54,133 --> 00:18:56,343  
I think you should say something.

312

00:18:57,469 --> 00:19:01,140  
I think you need to confront your father  
with as much of the truth as you dare...

313

00:19:01,849 --> 00:19:03,559  
and see how he reacts.

314

00:19:12,776 --> 00:19:14,444  
I have something to confess.

315

00:19:18,907 --> 00:19:20,534  
Well, what is it, honey?

316

00:19:24,288 --> 00:19:27,624  
While the Black Hood  
was first hurting people...

317

00:19:30,085 --> 00:19:31,503  
he was also calling me.

318

00:19:32,212 --> 00:19:33,797  
Asking me to do things.

319

00:19:35,132 --> 00:19:36,508  
He said I was like him.

320  
00:19:37,634 --> 00:19:39,970  
He offered to help me get rid of Chic.

321  
00:19:41,930 --> 00:19:44,516  
So, I delivered Chic to the Black Hood.

322  
00:19:48,270 --> 00:19:49,438  
If he's dead...

323  
00:19:51,648 --> 00:19:54,193  
that makes me an accomplice to murder.

324  
00:19:58,363 --> 00:19:59,198  
And I think...

325  
00:20:01,158 --> 00:20:02,451  
I'm okay with that.

326  
00:20:03,952 --> 00:20:07,706  
The truth is there's always been  
this darkness inside me.

327  
00:20:10,751 --> 00:20:14,087  
I thought Chic could help me  
understand it, but really...

328  
00:20:16,840 --> 00:20:18,634  
it was the Black Hood who did.

329  
00:20:21,803 --> 00:20:22,638  
Honey.

330  
00:20:26,892 --> 00:20:28,393  
I don't know what to say.

331  
00:20:32,147 --> 00:20:32,981  
[Hal] Betty.

332  
00:20:36,610 --> 00:20:38,111  
I experience it, too.

333  
00:20:38,695 --> 00:20:39,571  
The darkness.

334  
00:20:41,240 --> 00:20:43,617  
When I was away from you and your mom...

335  
00:20:45,953 --> 00:20:47,955  
it felt like I was drowning in it.

336  
00:20:51,750 --> 00:20:54,169  
It's why we need each other.

337  
00:21:04,846 --> 00:21:06,098  
Jug. Did you see it?

338  
00:21:06,598 --> 00:21:08,308  
-What?  
-Fangs was dating Midge

339  
00:21:08,392 --> 00:21:11,770  
-and forgot to tell Sheriff Keller.  
-Where'd you get this?

340  
00:21:11,853 --> 00:21:14,231  
Posted on the Register's website.  
Somebody leaked it.

341  
00:21:14,314 --> 00:21:17,401  
-It makes Fangs look guilty as sin.  
-[Weatherbee] Attention.

342  
00:21:17,484 --> 00:21:20,112  
This is Principal Weatherbee.  
I need Fangs Fogarty

343  
00:21:20,195 --> 00:21:22,281  
-to come to my office.  
-Where is he?

344  
00:21:22,364 --> 00:21:23,907  
-I don't know.

-We have to find him

345

00:21:23,991 --> 00:21:27,828

-before the Dark Circle does.

-What the hell? This video's everywhere.

346

00:21:27,911 --> 00:21:29,871

-How'd it get out?

-We have to get you out.

347

00:21:29,955 --> 00:21:31,790

You're dead, Vixen killer.

348

00:21:31,873 --> 00:21:33,792

-This way.

-[Minetta] Mr. Fogarty.

349

00:21:33,875 --> 00:21:36,920

-We need you to come with us.

-I didn't do anything.

350

00:21:39,548 --> 00:21:41,550

Okay, come on, come on. Hey, hey.

351

00:21:49,725 --> 00:21:52,936

I know today's all about the debate,  
but I was curious.

352

00:21:53,186 --> 00:21:54,896

Did you get my proposal?

353

00:21:54,980 --> 00:21:58,191

About partnering with Elio's family  
on a modestly-sized casino?

354

00:21:58,275 --> 00:21:59,609

I did, yes.

355

00:21:59,693 --> 00:22:02,321

But no business Elio's family runs  
is legal.

356

00:22:02,404 --> 00:22:05,866  
Their casinos are fronts  
for numerous criminal activities.

357  
00:22:05,949 --> 00:22:06,825  
No, Daddy.

358  
00:22:07,326 --> 00:22:08,327  
Elio assured me.

359  
00:22:08,410 --> 00:22:10,579  
This partnership  
just doesn't make sense for us.

360  
00:22:10,662 --> 00:22:14,291  
Not now. Not when we're on the verge  
of coming out of the shadows

361  
00:22:14,583 --> 00:22:16,460  
and into the light ourselves.

362  
00:22:17,419 --> 00:22:19,296  
Surely you understand that?

363  
00:22:27,804 --> 00:22:30,932  
You don't have to do that.  
There's a deputy out there.

364  
00:22:33,560 --> 00:22:36,772  
What if the deputy falls asleep  
and the Black Hood slips past him?

365  
00:22:36,855 --> 00:22:39,357  
-What if I can't stop him again?  
-Again?

366  
00:22:39,441 --> 00:22:42,444  
-Look, what happened at Pop's--  
-Changed everything.

367  
00:22:44,112 --> 00:22:47,407  
I really thought you were gonna die, Dad.  
I felt...

368  
00:22:50,160 --> 00:22:50,994  
helpless.

369  
00:22:52,245 --> 00:22:53,872  
Everything broke that day.

370  
00:22:53,955 --> 00:22:56,541  
I've been trying to put it back together  
ever since.

371  
00:22:57,542 --> 00:23:00,629  
-First with the Red Circle, and then...  
-Hiram Lodge?

372  
00:23:02,339 --> 00:23:03,965  
Is that what this is about?

373  
00:23:04,633 --> 00:23:06,635  
You backing him, working for him?

374  
00:23:06,968 --> 00:23:08,720  
Makes you feel...

375  
00:23:08,804 --> 00:23:11,431  
I just hate feeling  
like I can't do anything.

376  
00:23:11,515 --> 00:23:12,766  
I know you do, son.

377  
00:23:13,683 --> 00:23:16,645  
Especially when it seems  
like the world is on fire.

378  
00:23:29,407 --> 00:23:30,617  
All right, War Dogs.

379  
00:23:32,536 --> 00:23:33,745  
Let's have some fun.

380

00:23:49,261 --> 00:23:51,138  
[cell phone ringing]

381  
00:23:55,058 --> 00:23:55,976  
Jug, what's up?

382  
00:23:56,059 --> 00:23:59,020  
You and your Dark Circle went wilding  
on the Southside last night,

383  
00:23:59,104 --> 00:24:01,690  
-that's what up.  
-That's impossible.

384  
00:24:01,773 --> 00:24:04,943  
Unless it was some other group  
in letterman jackets

385  
00:24:05,026 --> 00:24:08,446  
who set a dumpster on fire  
and slashed our tires.

386  
00:24:08,530 --> 00:24:10,407  
Archie, Hog Eye saw you guys.

387  
00:24:10,490 --> 00:24:12,993  
I swear, I don't know anything about this.

388  
00:24:13,076 --> 00:24:14,578  
-I wasn't there.  
-Jughead.

389  
00:24:15,287 --> 00:24:16,997  
-Attorney McCoy.  
-Where is he?

390  
00:24:19,916 --> 00:24:22,586  
You were in Midge Klump's dressing room  
doing what?

391  
00:24:22,669 --> 00:24:25,172  
We were just talking. I didn't kill her.

392  
00:24:25,255 --> 00:24:27,674  
Didn't you? With this knife you had?

393  
00:24:27,757 --> 00:24:31,887  
Don't say another word.  
I'll be representing Mr. Fogarty,

394  
00:24:31,970 --> 00:24:35,682  
and I'd appreciate it  
if you'd stopped harassing my client.

395  
00:24:38,977 --> 00:24:41,897  
You're being held because  
you were in possession of a weapon

396  
00:24:41,980 --> 00:24:44,524  
-on school property.  
-For protection.

397  
00:24:44,608 --> 00:24:47,402  
Yes, they have 24 hours  
to make something stick.

398  
00:24:47,485 --> 00:24:52,073  
In the meantime, you exercise your right  
to remain the hell silent.

399  
00:24:56,244 --> 00:24:59,456  
Have you lost your minds?  
Vandalizing the Southside?

400  
00:24:59,539 --> 00:25:03,043  
-We were celebrating Fangs' arrest.  
-That's not something to celebrate.

401  
00:25:03,126 --> 00:25:05,545  
-He didn't do it.  
-He had a knife on him.

402  
00:25:05,629 --> 00:25:09,341  
We're not having this argument, guys.  
The Circle is disbanded.

403  
00:25:09,424 --> 00:25:14,262  
That's not your decision to make, dude.  
You're not the one paying us. Hiram is.

404  
00:25:15,222 --> 00:25:16,056  
Wait.

405  
00:25:20,769 --> 00:25:22,270  
Mr. Lodge is paying you?

406  
00:25:22,354 --> 00:25:26,816  
Yeah. He was the one that suggested  
we go out and have a little fun.

407  
00:25:26,900 --> 00:25:30,862  
Said you might've started the Dark Circle,  
but it was mine now.

408  
00:25:32,030 --> 00:25:35,325  
[McCoy] I'm afraid I've already taken on  
my pro bono case for the week.

409  
00:25:36,743 --> 00:25:39,829  
That should cover an hour of legal advice,  
I hope.

410  
00:25:42,624 --> 00:25:46,628  
-What can I do for you?  
-Let's say someone wanted to open a casino

411  
00:25:46,836 --> 00:25:47,671  
in Riverdale.

412  
00:25:47,754 --> 00:25:50,257  
For starters,  
they'd need a gaming license.

413  
00:25:50,340 --> 00:25:52,884  
Which are difficult to obtain without...

414  
00:25:54,386 --> 00:25:55,387  
connections.

415  
00:25:56,346 --> 00:25:59,641  
Let's say one wanted to do this  
strictly aboveboard.

416  
00:26:08,316 --> 00:26:09,567  
[cell phone buzzing]

417  
00:26:12,529 --> 00:26:13,530  
Has he confessed yet?

418  
00:26:13,613 --> 00:26:16,700  
No, but he said something  
about not being his best self

419  
00:26:16,783 --> 00:26:19,160  
when my mom kicked him out.  
Just a hunch,

420  
00:26:19,244 --> 00:26:23,123  
but I got into his credit card statements,  
and he's still making weekly payments

421  
00:26:23,206 --> 00:26:26,084  
to the ShareBNB he'd been renting  
even though he's back at home.

422  
00:26:26,167 --> 00:26:29,713  
Think it's his serial killer lair?  
Tell me we're breaking in.

423  
00:26:50,108 --> 00:26:53,570  
What are we looking for exactly?  
Trophies from his victims?

424  
00:26:54,154 --> 00:26:58,450  
Just anything unusual or incriminating.

425  
00:27:04,331 --> 00:27:05,165  
Betty?

426  
00:27:06,875 --> 00:27:09,044

Does your father have  
an affinity for kiddie lit

427

00:27:09,127 --> 00:27:11,379  
or would this be considered unusual?

428

00:27:14,549 --> 00:27:15,383  
Cheryl...

429

00:27:17,469 --> 00:27:20,680  
the Black Hood used this book  
to write the cipher.

430

00:27:20,764 --> 00:27:22,849  
The cipher only I could solve.

431

00:27:22,932 --> 00:27:26,311  
My dad knew I was obsessed  
with this book growing up.

432

00:27:26,394 --> 00:27:28,104  
[cell phone ringing]

433

00:27:30,357 --> 00:27:32,442  
-My God, it's him.  
-Don't answer it.

434

00:27:33,151 --> 00:27:34,986  
-Hi, Dad.  
-Betty, where are you?

435

00:27:35,070 --> 00:27:38,823  
-Um, I'm at Pop's with Cheryl.  
-Your mom and I

436

00:27:38,907 --> 00:27:41,701  
are about to head to the debate.  
Want us to wait, pick you up?

437

00:27:41,785 --> 00:27:44,287  
No, uh, just go ahead.  
We'll meet you there.

438  
00:27:53,296 --> 00:27:57,884  
Daddy. I've done research. I've figured  
out how we can make the casino happen

439  
00:27:57,967 --> 00:28:01,262  
without involving Elio's family.  
Legal, like you asked.

440  
00:28:01,346 --> 00:28:06,309  
I didn't ask. We're moments away from your  
mother's debate. So, if we can table this?

441  
00:28:07,560 --> 00:28:10,397  
[Alice] Welcome, one and all,  
to tonight's mayoral debate.

442  
00:28:10,480 --> 00:28:11,981  
[audience applauding]

443  
00:28:17,028 --> 00:28:20,907  
Jumping right in.  
Fear and unrest rule the streets.

444  
00:28:21,116 --> 00:28:24,661  
Hermione Lodge.  
How would you restore safety to the town?

445  
00:28:24,744 --> 00:28:27,080  
[Hermione]  
We're already making strides, Alice.

446  
00:28:27,205 --> 00:28:31,084  
My husband and I  
personally recruited Sheriff Minetta

447  
00:28:31,167 --> 00:28:33,711  
from Centerville  
after Tom Keller resigned.

448  
00:28:33,795 --> 00:28:35,547  
Not one week on the job,

449

00:28:36,172 --> 00:28:38,717  
and he's apprehended  
Midge Klump's murderer.
