1
00:00:08,258 --> 00:00:11,302
-[narrator] Previously on Riverdale:
-Ben and I thought it was a game.

2
00:00:11,386 --> 00:00:13,013
But it's not. It's so much more.

3
00:00:13,096 --> 00:00:15,098
-He's real. The Gargoyle King.
-Dilton?

4
00:00:17,642 --> 00:00:19,060
Ben. Hey.

5
00:00:19,561 --> 00:00:23,064
Framing Archie for murder,
conspiring to keep him locked away?

6
00:00:23,148 --> 00:00:25,191
You don't have a daughter anymore.

7
00:00:25,692 --> 00:00:26,943
We start a version of the Farm.

8
00:00:27,027 --> 00:00:29,529
You're actually buying this Farm crap

9
00:00:29,612 --> 00:00:32,282
that a huckster named
Edgar Evernever is selling you.

10
00:00:32,991 --> 00:00:33,825
[Alice] Oh, my God.

11
00:00:33,908 --> 00:00:35,410
-Betty.
-I didn't kill anyone.

12
00:00:35,493 --> 00:00:37,912
But I could've.
I have to take responsibility.

13
00:00:37,996 --> 00:00:40,123
I can't put everyone through this again.

14
00:00:40,206 --> 00:00:42,333
I'll take the deal.
Your Honor, I'm guilty.

15
00:00:44,085 --> 00:00:45,503
[school bell ringing]

16
00:00:46,337 --> 00:00:47,630
[Jughead] We've all felt it.

17
00:00:47,714 --> 00:00:49,466
The first day of a new school year.

18
00:00:50,300 --> 00:00:51,676
Butterflies in the stomach.

19
00:00:52,469 --> 00:00:54,512
We've all looked around, and wondered,

20
00:00:55,305 --> 00:00:56,556
where will I fit in here?

21
00:00:57,265 --> 00:00:58,850
Who will I sit with at lunch?

22
00:01:03,688 --> 00:01:05,273
Will I even make it till lunch?

23
00:01:09,611 --> 00:01:13,490
Multiply that by a thousand,
and that's how Archie Andrews felt

24
00:01:13,573 --> 00:01:14,908
as he was being processed

25
00:01:15,241 --> 00:01:18,411
at the Leopold & Loeb

Juvenile Detention Center.

26

00:01:19,579 --> 00:01:22,791
Andrews. Warden wants to see you.
Let's go.

27

00:01:34,177 --> 00:01:36,221
It's Shakespeare. Know what it means?

28

00:01:36,763 --> 00:01:37,764
No, sir.

29

00:01:37,972 --> 00:01:40,809
Means you're alone
and have no one to blame but yourself.

30

00:01:41,601 --> 00:01:42,477
I read your file.

31

00:01:43,603 --> 00:01:45,980
Besides killing that boy at Shadow Lake...

32

00:01:47,315 --> 00:01:49,317
I'm told you have an affinity for music.

33

00:01:50,026 --> 00:01:51,111
We have a music room.

34

00:01:51,569 --> 00:01:53,154
No one uses it, but it's there.

35

00:01:53,655 --> 00:01:56,533
I keep an orderly house, Mr. Andrews.

36

00:01:56,616 --> 00:01:59,702
Respect that, and we'll get on just fine.

37

00:02:00,537 --> 00:02:02,789
-You understand?
-Yes, sir.

38

00:02:04,749 --> 00:02:08,128
I just got off the phone with the warden
at juvenile hall.

39
00:02:08,211 --> 00:02:10,004
He says Archie's been processed.

40
00:02:10,088 --> 00:02:12,215
-He's okay.
-Oh, thank God.

41
00:02:12,298 --> 00:02:16,678
Yeah. They got a line on those three thugs
that gave false testimony against him.

42
00:02:16,761 --> 00:02:19,055
I'm friends with the sheriff
at Shadow County.

43
00:02:19,139 --> 00:02:21,224
He found a campfire in the deep woods.

44
00:02:21,307 --> 00:02:24,561
Archie's in jail,
and these cretins are basically camping.

45
00:02:24,644 --> 00:02:26,646
Not for long. We'll make sure of that.

46
00:02:26,729 --> 00:02:29,732
Meanwhile I'll keep the home fires burning
at Riverdale High

47
00:02:29,816 --> 00:02:33,903
so everyone knows my Archiekins
will be back in time for Homecoming.

48
00:02:34,529 --> 00:02:36,656
And everything will be just as he left it.

49
00:02:36,823 --> 00:02:39,409
Dr. Patel kept Betty overnight
for observation,

50

00:02:39,492 --> 00:02:41,244
but it was just a precaution.

51

00:02:41,327 --> 00:02:43,329
Did he say what caused the seizure?

52

00:02:43,413 --> 00:02:47,625
They ran tests, but he suspects
it's just good old-fashioned stress.

53

00:02:48,418 --> 00:02:51,921
Oh, Betty.
I was up all night with the twins.

54

00:02:52,005 --> 00:02:54,924
-We were so worried about you.
-You were worried about me?

55

00:02:55,508 --> 00:02:57,802
And Juniper and Dagwood?
Are they all right?

56

00:02:57,886 --> 00:02:59,345
Okay, here we go again.

57

00:02:59,429 --> 00:03:02,307
Juniper and Dagwood are napping.
They're fine.

58

00:03:03,349 --> 00:03:04,434
Why wouldn't they be?

59

00:03:05,560 --> 00:03:10,899
Um, because I saw you and Mom throw
the twins into a giant bonfire last night.

60

00:03:10,982 --> 00:03:12,066
Right, that's enough.

61

00:03:12,150 --> 00:03:15,653
The only thing burning last night

was the hibachi in the backyard.

62

00:03:15,737 --> 00:03:18,072
-We made skewers with friends.
-From the Farm?

63

00:03:18,156 --> 00:03:19,449
Yeah, as a matter of fact.

64

00:03:19,532 --> 00:03:22,577
You must've had a hallucination
while you had the seizure.

65

00:03:28,583 --> 00:03:30,126
It was so real.

66

00:03:31,753 --> 00:03:32,629
Sweetheart.

67

00:03:32,712 --> 00:03:34,505
[cell phone buzzing]

68

00:03:38,468 --> 00:03:39,427
[Betty] My God.

69

00:03:39,510 --> 00:03:41,012
-Dilton is dead?
-Yeah.

70

00:03:41,638 --> 00:03:44,515
And Ben from the drive-in?
He's barely hanging on.

71

00:03:44,599 --> 00:03:47,352
Doctors don't know when,
or if, he's even gonna wake up.

72

00:03:47,435 --> 00:03:50,897
Sheriff Minetta asked me
to keep it hush-hush for the families,

73

00:03:50,980 --> 00:03:52,649

but, Betty, what I saw was...

74

00:03:53,608 --> 00:03:55,777

-What, Jug?

-It was like a ritual site.

75

00:03:56,694 --> 00:04:01,032

Their lips were blue. There were chalices,
that were filled with poison or something.

76

00:04:01,115 --> 00:04:04,535

Animal bones were in a circle.
The tree had markings on it.

77

00:04:04,619 --> 00:04:07,247

There was a winged totem,
with a skull and branches.

78

00:04:07,330 --> 00:04:09,540

Was it a murder
or a suicide pact gone wrong?

79

00:04:09,624 --> 00:04:12,210

I have no idea. I saw Ben and Dilton.

80

00:04:12,293 --> 00:04:13,920

Playing a weird game at Pop's.

81

00:04:14,003 --> 00:04:16,839

Dilton was raving
about someone called the Gargoyle King.

82

00:04:18,675 --> 00:04:22,470

I was also thinking that maybe
you and I could investigate this together.

83

00:04:23,554 --> 00:04:27,433

For old times' sake. Or at least until
we catch a new lead with Archie's case.

84

00:04:29,560 --> 00:04:30,561

I like that idea.

85
00:04:33,481 --> 00:04:36,818
I'll try to see if Dr. Curdle can get us
into the coroner's office.

86
00:04:36,901 --> 00:04:39,404
Have more romantic words ever been spoken?

87
00:04:39,487 --> 00:04:40,405
No.

88
00:04:42,365 --> 00:04:43,574
[man] You bunk with Mad Dog.

89
00:04:43,658 --> 00:04:44,575
[inmates shouting]

90
00:04:51,541 --> 00:04:53,751
[jazz music playing on speakers]

91
00:04:53,876 --> 00:04:55,044
Hey.

92
00:04:55,878 --> 00:04:57,672
I'm Archie. You're Mad Dog, right?

93
00:04:58,047 --> 00:04:58,965
[exhaling sharply]

94
00:05:14,939 --> 00:05:16,316
How long you been in?

95
00:05:23,031 --> 00:05:24,032
[music stops]

96
00:05:34,876 --> 00:05:37,170
-Listen, since we're cellmates--
-Nice shoes.

97
00:05:38,546 --> 00:05:40,214
I'd keep them tied real tight.

98

00:05:48,514 --> 00:05:52,810
Mr. Weatherbee? As Archie's girlfriend,
and former running mate,

99

00:05:52,894 --> 00:05:56,647
I wanted to let you know I'm stepping in
as interim student body president.

100

00:05:56,731 --> 00:05:59,609
Sorry, someone else already petitioned
to be president.

101

00:05:59,692 --> 00:06:02,320
-Just this morning.
-What? Who did?

102

00:06:03,863 --> 00:06:08,284
Cheryl, what do you think you're doing,
trying to steal Archie's presidency?

103

00:06:08,368 --> 00:06:10,953
Who would you have lead us
through these dark times?

104

00:06:11,037 --> 00:06:13,122
Ethel Muggs? I saw the poor girl earlier.

105

00:06:13,206 --> 00:06:15,249
She was fuguing about a winged creature

106

00:06:15,333 --> 00:06:17,001
-that was after her.
-Actually...

107

00:06:17,418 --> 00:06:19,337
I thought I'd keep Archie's seat warm.

108

00:06:20,838 --> 00:06:24,384
Why? When JFK was shot,
Jackie O. didn't become president.

109

00:06:24,467 --> 00:06:25,593

Lyndon B. Johnson did.

110

00:06:26,094 --> 00:06:27,887
And then he lead us into Vietnam.

111

00:06:28,930 --> 00:06:29,972
I'm just saying.

112

00:06:31,265 --> 00:06:33,893
Her man's in the big house, Cheryl.
Give her a break.

113

00:06:33,976 --> 00:06:38,898
I get it. And I sympathize, up to a point.

114

00:06:38,981 --> 00:06:40,566
But let's be reals, Veronica.

115

00:06:40,650 --> 00:06:42,985
I need this presidency
for college applications

116

00:06:43,069 --> 00:06:44,320
a lot more than Archie.

117

00:07:07,802 --> 00:07:08,803
You mind if I sit?

118

00:07:17,145 --> 00:07:18,146
I'm Slash.

119

00:07:19,730 --> 00:07:20,857
Who gave you that ink?

120

00:07:20,940 --> 00:07:22,775
-Looks fresh.
-FP Jones did.

121

00:07:23,359 --> 00:07:27,363
His son, Jughead, made me a Serpent.
Said I could hang out with you guys.

122
00:07:28,156 --> 00:07:29,866
[Joaquin] You're no Serpent, Archie.

123
00:07:31,868 --> 00:07:34,704
Joaquin.
What the hell are you doing in juvie?

124
00:07:35,204 --> 00:07:37,915
Didn't you hear?
I came to town to help Fangs escape,

125
00:07:38,583 --> 00:07:39,500
stuck around.

126
00:07:40,460 --> 00:07:42,170
Got hauled in during Riot Night.

127
00:07:43,671 --> 00:07:47,383
I know this guy, Slash.
He's Mr. Clean-Cut, All-American.

128
00:07:47,467 --> 00:07:49,343
You're Jughead's pal, not a Serpent.

129
00:07:49,844 --> 00:07:53,639
You have to earn our trust and protection,
with a test of loyalty.

130
00:07:54,891 --> 00:07:55,892
See that Ghoulie?

131
00:07:58,853 --> 00:08:00,313
I want you to go up to him...

132
00:08:02,773 --> 00:08:03,774
and shiv him.

133
00:08:05,526 --> 00:08:07,945
Don't worry about the guards.
We pay them to turn a blind eye.

134

00:08:10,072 --> 00:08:12,825
Do that,
and then we'll have your back, huh?

135
00:08:12,909 --> 00:08:13,951
You're kidding, right?

136
00:08:21,459 --> 00:08:22,585
Not gonna happen, bro.

137
00:08:23,544 --> 00:08:25,463
I don't need your protection that bad.

138
00:08:28,591 --> 00:08:29,592
[inmate] Nice shoes.

139
00:08:29,926 --> 00:08:31,260
[inmates whistling]

140
00:08:36,516 --> 00:08:37,350
Dr. Curdle?

141
00:08:39,560 --> 00:08:41,812
-Oh. You're not--
-I'm his son.

142
00:08:42,146 --> 00:08:45,775
We spoke over the phone earlier.
I took over after my father passed away.

143
00:08:45,858 --> 00:08:48,402
-Oh, I'm sorry.
-Do you have the money?

144
00:08:55,826 --> 00:08:57,411
The toxicology report revealed

145
00:08:57,495 --> 00:09:00,122
lethal levels of cyanide
in Mr. Doiley's blood.

146
00:09:00,206 --> 00:09:03,459

I surmise the surviving boy
didn't drink enough to finish the job.

147

00:09:03,543 --> 00:09:07,213
Dr. Curdle, if you had to guess,
murder or suicide?

148

00:09:07,296 --> 00:09:10,591
Well, the body did show signs of stress.

149

00:09:12,468 --> 00:09:15,137
Three symbols carved out on his back.
Runic, I'd say.

150

00:09:15,221 --> 00:09:16,430
Mind if I get a shot of this?

151

00:09:19,809 --> 00:09:22,979
What caused, uh... the blue lips?

152

00:09:23,062 --> 00:09:26,148
The cyanide was mixed
into a sugary drink called Fresh-Aid.

153

00:09:26,816 --> 00:09:27,858
Blueberry-flavored.

154

00:09:30,403 --> 00:09:32,572
There's something dimly familiar
about this.

155

00:09:32,780 --> 00:09:35,658
But you asked me before
if I thought this was murder,

156

00:09:36,033 --> 00:09:37,034
or suicide.

157

00:09:37,118 --> 00:09:40,663
I'm not sure what it is,
but whatever it is,

158

00:09:40,746 --> 00:09:43,583
it's darker
than what happened to Jason Blossom,

159
00:09:44,166 --> 00:09:45,543
or what the Black Hood did.

160
00:09:45,626 --> 00:09:48,296
No, what we're looking at here, I believe,

161
00:09:49,171 --> 00:09:50,965
is the true face of evil.

162
00:10:29,045 --> 00:10:30,421
[playing blues tune]

163
00:10:42,433 --> 00:10:44,644
-What's up, guys?
-You don't remember us?

164
00:10:44,727 --> 00:10:46,187
Should I? Have we met before?

165
00:10:46,562 --> 00:10:49,482
We were at the drag race
the day you called the cops on us.

166
00:10:49,565 --> 00:10:50,775
We're in because of you.

167
00:10:51,776 --> 00:10:52,610
Ghoulies.

168
00:10:52,943 --> 00:10:53,778
Crap.

169
00:10:53,903 --> 00:10:56,030
Look, I don't want any trouble. I'm sorry.

170
00:10:56,989 --> 00:10:59,116
Neither do we. We just want your shoes.

171
00:11:00,409 --> 00:11:01,452
What?

172
00:11:03,829 --> 00:11:04,914
Don't touch his face.

173
00:11:09,502 --> 00:11:11,003
Why are you sitting that way?

174
00:11:11,379 --> 00:11:12,963
I'm just a little sore, Ronnie.

175
00:11:13,422 --> 00:11:14,340
Sore from what?

176
00:11:15,257 --> 00:11:17,134
Working out. There's an amazing gym.

177
00:11:17,218 --> 00:11:18,135
Uh-huh.

178
00:11:19,470 --> 00:11:22,056
And where are your shoes?

179
00:11:22,556 --> 00:11:25,518
The warden took them when I got here,
with my other clothes.

180
00:11:25,601 --> 00:11:27,186
-That makes no sense.
-Ronnie.

181
00:11:27,853 --> 00:11:29,063
Talk to me about school.

182
00:11:29,772 --> 00:11:32,108
What am I missing?
How's the speakeasy coming?

183
00:11:33,025 --> 00:11:33,859
It's coming.

184
00:11:33,943 --> 00:11:36,112
What's it like,
being president in my place?

185
00:11:39,031 --> 00:11:42,493
Hi, I'm checking in on the status
of a friend of mine, Ben Button.

186
00:11:44,912 --> 00:11:47,289
Oh. Wait, he's out of the ICU?

187
00:11:47,373 --> 00:11:48,916
That's great.

188
00:11:48,999 --> 00:11:51,252
Uh, what time are your visiting hours?

189
00:11:52,878 --> 00:11:54,004
Uh, thank you.

190
00:11:56,173 --> 00:11:57,133
[Betty sighs]

191
00:11:57,758 --> 00:11:58,592
Hi.

192
00:11:59,135 --> 00:12:01,053
I'm Evelyn. And you're Betty Cooper?

193
00:12:01,137 --> 00:12:02,847
I'm sorry. Do I know you?

194
00:12:03,305 --> 00:12:06,100
Not exactly. We almost met,
through your mom and sister.

195
00:12:07,893 --> 00:12:10,396
-They're studying with my dad.
-Edgar Evernever.

196

00:12:10,479 --> 00:12:11,647
Yeah. That's right.

197
00:12:11,731 --> 00:12:14,316
Anyway, I go to school here now.
I wanted to say hi,

198
00:12:14,400 --> 00:12:17,945
let you know I won't tell anyone
about what happened the other night.

199
00:12:18,529 --> 00:12:21,031
-What are you talking about?
-Your seizure, of course.

200
00:12:22,867 --> 00:12:24,869
Wait, sorry, you--? You were there?

201
00:12:24,952 --> 00:12:28,622
Your mom invited us over for a cookout,
and to burn a few of her things.

202
00:12:29,498 --> 00:12:30,499
How are you feeling?

203
00:12:32,293 --> 00:12:33,502
Uh... [chuckles]

204
00:12:33,836 --> 00:12:35,171
Um...

205
00:12:35,921 --> 00:12:39,258
Uh, you know what, Evelyn? I have to go.

206
00:12:39,341 --> 00:12:42,386
I have to visit a friend in the hospital.

207
00:12:42,470 --> 00:12:43,304
So...

208
00:12:43,387 --> 00:12:45,473
Yeah, no worries. I totally understand.

209
00:12:52,021 --> 00:12:54,815
-Dude, what are you doing?
-What we've done all summer.

210
00:12:54,899 --> 00:12:57,109
I thought we'd sneak off
to the boiler room--

211
00:12:57,193 --> 00:12:58,611
My dad is right over there.

212
00:13:01,655 --> 00:13:02,490
Why?

213
00:13:03,574 --> 00:13:05,326
He's the new RROTC instructor.

214
00:13:05,618 --> 00:13:06,786
He's making me sign up.

215
00:13:07,745 --> 00:13:10,080
If he's around school,
we have to take it easy.

216
00:13:10,164 --> 00:13:11,707
Hey, Cadet Mason.

217
00:13:12,208 --> 00:13:14,293
On time is late. Let's go. Room 302.

218
00:13:20,216 --> 00:13:21,133
Talk to you later.

219
00:13:23,886 --> 00:13:25,221
[school bell ringing]

220
00:13:25,304 --> 00:13:26,931
[pop music playing on speakers]

221
00:13:40,194 --> 00:13:41,237

Veronica.

222

00:13:41,320 --> 00:13:42,947
That's right, you work here now.

223

00:13:43,030 --> 00:13:45,032
Cherry phosphate and curly fries. Girls?

224

00:13:45,115 --> 00:13:47,368
I don't work at Pop's, Cheryl. I own it.

225

00:13:47,451 --> 00:13:49,870
And as of this moment,
you're no longer welcome.

226

00:13:50,746 --> 00:13:53,374
You can't discriminate against someone
'cause they're better-looking.

227

00:13:53,499 --> 00:13:56,877
Cheryl, you're acting like trash,
and I don't wanna get a citation.

228

00:13:57,503 --> 00:13:58,337
[sighs]

229

00:13:59,171 --> 00:14:01,215
Vixens, leave us be.

230

00:14:05,469 --> 00:14:06,303
Now, then.

231

00:14:07,721 --> 00:14:09,098
What are you mad about?

232

00:14:09,181 --> 00:14:12,017
It can't be that I'm making a play
for student body president.

233

00:14:12,101 --> 00:14:14,186
Actually, that's exactly why I'm mad.

234
00:14:14,270 --> 00:14:16,564
I promised Archie that when he gets out,

235
00:14:16,647 --> 00:14:18,649
I'll have everything in place, waiting.

236
00:14:18,732 --> 00:14:20,776
That includes this stupid presidency.

237
00:14:20,860 --> 00:14:23,153
Just a suggestion,
but maybe channel that rage

238
00:14:23,237 --> 00:14:26,782
into something more productive,
like getting your boyfriend sprung.

239
00:14:28,617 --> 00:14:31,245
There's an organization
called the Innocence Project.

240
00:14:31,328 --> 00:14:34,039
Looked into it when I was accused
of Jay-Jay's murder.

241
00:14:34,540 --> 00:14:35,624
Maybe check it out.

242
00:14:37,668 --> 00:14:39,044
A little food for thought.

243
00:14:40,254 --> 00:14:42,047
Speaking of food, cancel my order.

244
00:14:42,756 --> 00:14:44,133
I'm going to TGI Thursdays.

245
00:14:49,471 --> 00:14:53,309
[woman on PA] Dr. Matthews to Pediatrics.

246
00:15:01,984 --> 00:15:02,943

[EKG beeping]

247

00:15:04,904 --> 00:15:06,739
Hi, Mrs. Button.

248

00:15:08,324 --> 00:15:11,535
-We wanted to see how Ben was doing.
-How do you know my Ben?

249

00:15:11,619 --> 00:15:15,289
Uh... From school. And he and I worked
at the Twilight Drive-In.

250

00:15:15,372 --> 00:15:16,290
Oh.

251

00:15:18,500 --> 00:15:19,460
How he's doing?

252

00:15:19,543 --> 00:15:21,962
He's stabilized,
but he hasn't woken up yet.

253

00:15:22,796 --> 00:15:25,925
Do you know what happened
in the woods, Mrs. Button?

254

00:15:26,008 --> 00:15:30,137
No. Ben's always been a bit
of an odd duck, you could say.

255

00:15:30,220 --> 00:15:33,682
Kept to himself. Especially after
his piano teacher was murdered.

256

00:15:34,767 --> 00:15:36,894
But this summer, he became friends with--

257

00:15:36,977 --> 00:15:37,978
Dilton Doiley.

258

00:15:38,062 --> 00:15:41,315

That's right.
It's like he became a different person.

259
00:15:43,275 --> 00:15:45,569
Secretive, sneaking out at all hours.

260
00:15:46,362 --> 00:15:48,155
Having these horrible nightmares.

261
00:15:48,948 --> 00:15:49,782
Mrs. Button.

262
00:15:52,660 --> 00:15:54,411
Know what this is, or how it got here?

263
00:15:54,495 --> 00:15:56,413
Maybe that nice girl left it.

264
00:15:56,830 --> 00:15:58,582
Someone else came to visit Ben?

265
00:15:58,666 --> 00:16:00,125
Another friend from school.

266
00:16:00,751 --> 00:16:03,295
I don't remember her name.
She wore a bow in her hair.

267
00:16:07,341 --> 00:16:08,801
Jughead, Betty.

268
00:16:08,884 --> 00:16:11,345
I don't care how Keller ran things
when he was sheriff.

269
00:16:11,428 --> 00:16:15,224
I won't let a couple teenagers
compromise an active murder investigation.

270
00:16:15,307 --> 00:16:17,518
If it's an active murder investigation,

271
00:16:17,601 --> 00:16:19,561
start by letting
the rest of the town know.

272
00:16:19,645 --> 00:16:20,479
Sheriff Minetta?

273
00:16:21,939 --> 00:16:24,650
-What, Henderson?
-An Adventure Scout's parents called.

274
00:16:24,733 --> 00:16:26,694
-Haven't seen him in two days.
-What?

275
00:16:26,777 --> 00:16:30,072
We've got a missing kid.
And he was part of Dilton Doiley's troop.

276
00:16:39,415 --> 00:16:41,792
-[Veronica] Madam Mayor.
-Wait, why are you not in school?

277
00:16:41,875 --> 00:16:44,795
I'm on my way, but this couldn't wait.

278
00:16:45,379 --> 00:16:49,091
I'm starting a chapter
of the Innocence Project here in Riverdale

279
00:16:49,174 --> 00:16:51,427
and with a letter of support
from Town Hall,

280
00:16:51,510 --> 00:16:53,762
I can cut through all that silly red tape.

281
00:16:53,846 --> 00:16:56,515
I can't get in this war
between you and your father.

282
00:16:56,598 --> 00:16:59,518

But I'm not here as your daughter.
I'm here as a citizen.

283
00:17:00,394 --> 00:17:03,522
One of your constituents
sits in juvenile detention,

284
00:17:03,605 --> 00:17:07,276
wrongfully convicted,
and I intend to get him acquitted.

285
00:17:08,027 --> 00:17:08,861
[Veronica sighs]

286
00:17:08,944 --> 00:17:12,072
Your endorsement could help sway
a lot of dubious minds.

287
00:17:12,865 --> 00:17:13,741
Please, Mom.

288
00:17:17,202 --> 00:17:18,037
Fine.

289
00:17:18,579 --> 00:17:20,789
-I'll have Gloria draft a letter.
-Wonderful.

290
00:17:21,957 --> 00:17:24,043
Oh, and I'm also accepting donations.

291
00:17:26,670 --> 00:17:27,671
[Jughead] Hi, Ethel.

292
00:17:28,213 --> 00:17:30,841
-Does this look familiar to you?
-Where'd you get it?

293
00:17:32,718 --> 00:17:34,053
Ben's hospital room.

294
00:17:34,928 --> 00:17:37,806

-Why were you there?
-I don't have to tell you anything.

295
00:17:37,890 --> 00:17:39,516
-You're not police.
-Ethel, wait.

296
00:17:39,600 --> 00:17:43,437
We're trying to find out what happened
to Ben, Dilton, and the missing Scout.

297
00:17:43,854 --> 00:17:45,481
-Is it the Gargoyle King?
-How do you know?

298
00:17:45,564 --> 00:17:47,900
Dilton started to tell me,
but only got so far.

299
00:17:48,776 --> 00:17:49,610
So, is it?

300
00:17:50,819 --> 00:17:51,945
No. No.

301
00:17:52,029 --> 00:17:52,946
It's the opposite.

302
00:17:53,280 --> 00:17:56,492
I made that talisman to-- To protect Ben.

303
00:17:57,117 --> 00:17:59,661
-How do you even know Ben?
-He's my boyfriend.

304
00:17:59,745 --> 00:18:03,957
-I've never seen you two together.
-We started dating this summer.

305
00:18:05,000 --> 00:18:07,336
-We spent all our time in the bunker.
-Bunker?

306
00:18:09,296 --> 00:18:10,130
Never mind.

307
00:18:10,214 --> 00:18:11,048
Ethel, just...

308
00:18:12,257 --> 00:18:13,175
What bunker?

309
00:18:16,345 --> 00:18:17,179
Dilton's.

310
00:18:17,262 --> 00:18:18,097
In the woods.

311
00:18:18,305 --> 00:18:21,141
Dilton Doiley has a secret bunker
in the woods?

312
00:18:23,477 --> 00:18:24,728
It was our secret spot.

313
00:18:25,729 --> 00:18:28,982
-And Dilton's, too.
-Can you at least tell us where it is?

314
00:18:29,650 --> 00:18:30,859
I mean, I can't.

315
00:18:30,943 --> 00:18:32,277
It's too hard to describe.

316
00:18:32,694 --> 00:18:34,404
Then can you show us where it is?

317
00:18:35,155 --> 00:18:38,492
Ethel, it's either us or Sheriff Minetta.

318
00:18:39,326 --> 00:18:41,537
Okay, fine.
But you have to keep it a secret.

319
00:18:41,620 --> 00:18:42,663
-Sure.
-Of course.

320
00:18:42,746 --> 00:18:44,873
And go at night, so nobody can see us.

321
00:18:44,957 --> 00:18:46,542
Know where Fox Footbridge is?

322
00:18:54,716 --> 00:18:55,843
I tried to warn you.

323
00:18:56,468 --> 00:18:57,302
Yeah.

324
00:18:59,930 --> 00:19:02,808
Apparently,
the Ghoulies really like sneakers.

325
00:19:03,267 --> 00:19:04,268
You're a Serpent.

326
00:19:04,893 --> 00:19:07,855
-Why didn't they look out for you?
-I wouldn't shiv a Ghoulie.

327
00:19:13,152 --> 00:19:13,986
How come?

328
00:19:14,278 --> 00:19:16,321
Because that's not who I am.

329
00:19:18,115 --> 00:19:18,949
Maybe not yet.

330
00:19:20,284 --> 00:19:21,451
But you will be soon.

331
00:19:22,035 --> 00:19:24,163

When you got here, you lost your humanity.

332

00:19:24,246 --> 00:19:26,081

all those years ago.

677
00:39:53,724 --> 00:39:55,309
Why are you talking about this?

678
00:39:55,393 --> 00:39:59,105
This hasn't been made public yet, Fred,
but Dilton Doiley and Ben Button...

679
00:40:00,815 --> 00:40:02,775
were found in the woods with blue lips.

680
00:40:04,777 --> 00:40:05,903
Dilton is dead.

681
00:40:07,363 --> 00:40:08,364
Ben is in a coma.

682
00:40:09,490 --> 00:40:11,867
Don't you keep Sheriff Minetta
on a short leash?

683
00:40:11,951 --> 00:40:15,162
-Can't you just make this all go away?
-We control Minetta, yes.

684
00:40:15,246 --> 00:40:17,248
-Jughead found the body.
-That's the concern.

685
00:40:17,331 --> 00:40:20,126
We talked with Jughead and Betty,
told them to stop.

686
00:40:20,209 --> 00:40:22,169

But you know how crazy our kids can be.

687

00:40:22,253 --> 00:40:24,422

We made a pact
to never revisit that night.

688

00:40:24,505 --> 00:40:26,882

Not to mention it,
not to even think about it.

689

00:40:26,966 --> 00:40:30,261

-My vote is we stick to that.
-We might not have that luxury, Tom.

690

00:40:30,761 --> 00:40:33,431

Not if it's happening again.
Not if it's our children.

691

00:40:34,014 --> 00:40:35,891

All our children.

692

00:40:37,393 --> 00:40:38,394

They're in danger.

693

00:40:41,230 --> 00:40:43,190

[Betty] Mrs. Muggs said Ethel's resting.

694

00:40:43,816 --> 00:40:46,026

It just doesn't make sense, Jug.

695

00:40:46,110 --> 00:40:50,406

It can't be a coincidence,
but seizures aren't contagious.

696

00:40:50,489 --> 00:40:52,950

So... what? What is it?

697

00:40:54,452 --> 00:40:56,620

Sounds like another mystery
for us to solve.

698

00:40:58,247 --> 00:40:59,248

If you're up for it.

699

00:41:00,541 --> 00:41:01,375
I am.

700

00:41:02,418 --> 00:41:03,836
And maybe it's the same one.

701

00:41:03,919 --> 00:41:07,715
Maybe there's a connection
between the seizures

702

00:41:07,798 --> 00:41:09,800
and whatever happened to Dilton, and...

703

00:41:11,302 --> 00:41:13,429
Do you wanna check on Ben
while we're here?

704

00:41:19,018 --> 00:41:19,852
Ben?

705

00:41:21,020 --> 00:41:21,854
[Jughead] Ben.

706

00:41:22,730 --> 00:41:25,316
Hey, what are you doing?
Come away from the window.

707

00:41:25,399 --> 00:41:27,318
It's okay. Everything's okay.

708

00:41:27,735 --> 00:41:28,569
I know.

709

00:41:29,153 --> 00:41:32,198
I know it is.
I'm gonna be with Dilton now.

710

00:41:32,865 --> 00:41:34,116
We both flipped the coin.

711

00:41:34,200 --> 00:41:37,036
He was scared to ascend, but I'm not.

712

00:41:37,119 --> 00:41:40,456
What about--?
What about your Princess Etheline, huh?

713

00:41:40,539 --> 00:41:41,540
We'll be reunited.

714

00:41:42,416 --> 00:41:43,417
In the Kingdom.

715

00:41:43,918 --> 00:41:45,461
One day, all of us will.

716

00:41:45,544 --> 00:41:46,921
It's all part of his plan.

717

00:41:47,421 --> 00:41:48,297
-You'll see.
-Ben.

718

00:41:49,131 --> 00:41:49,965
Soon.

719

00:41:51,008 --> 00:41:52,885
-You'll fly, too.
-[Betty] Ben, no!

720

00:41:52,968 --> 00:41:55,638
[glass breaking, car alarm wailing]
