Henderson Wade	...	Sheriff Michael Minetta
Peter Bryant	...	Principal Waldo Weatherbee
Jordan Connor	...	Sweet Pea
Drew Ray Tanner	...	Fangs Fogarty
Beverley Breuer	...	Sister Woodhouse
BJ Harrison	...	Gloria
Matthew Yang King	...	Marty Mantle
Donnie MacNeil	...	Shadow Lake Boy
Nikolai Witschl	...	Dr. Curdle Jr.

1

00:00:08,258 --> 00:00:09,926
[narrator] Previously on Riverdale:

2

00:00:10,010 --> 00:00:12,303
How did Hiram Lodge pin
Cassidy Bullock's murder on me?

3

00:00:12,387 --> 00:00:16,099
[Norton] He paid Mr. Bullock's friends
to say that they saw you pull the trigger.

4

00:00:16,182 --> 00:00:17,934
It's my understanding
that they're in hiding.

5

00:00:18,018 --> 00:00:19,978
I'd hide in the mines by Shadow Lake.

6

00:00:20,353 --> 00:00:22,480
The warden said if I did this, I'd ascend.

7

00:00:23,440 --> 00:00:25,400
[Jughead]
You're breaking Archie out of juvie?

8

00:00:25,483 --> 00:00:27,736
[Veronica] We'll need a distraction
to disorient the guards

9

00:00:27,819 --> 00:00:30,488
-and hide Archie's play for the grate.
-[Norton] Find him!

10

00:00:30,572 --> 00:00:32,824
Right now!

11

00:00:32,907 --> 00:00:35,201
Joaquin? Where are you going?
Back to the Serpents?

12

00:00:35,285 --> 00:00:36,995
-No, I joined a different gang.

-Game Master.

13

00:00:37,078 --> 00:00:38,913

-Where is the Red Paladin?

-The Red Paladin?

14

00:00:38,997 --> 00:00:41,708

[Veronica]

Everyone in this room is part of a pact.

15

00:00:41,791 --> 00:00:44,377

No one knows of Archie's whereabouts,
capisce?

16

00:00:45,170 --> 00:00:46,796

[Archie] Does Hiram Lodge own you, too?

17

00:00:46,880 --> 00:00:48,923

[Norton] My soul belongs
to no mere mortal.

18

00:00:49,007 --> 00:00:51,676

He's watching us. He's always watching.

19

00:00:56,097 --> 00:00:57,140

[Betty] Oh, Archie.

20

00:00:59,601 --> 00:01:00,769

What does it mean?

21

00:01:19,537 --> 00:01:21,831

How are we gonna get out of this mess?

22

00:01:24,876 --> 00:01:25,919

[Jughead] Betty.

23

00:01:26,878 --> 00:01:27,879

I saw him.

24

00:01:28,713 --> 00:01:29,631

The Gargoyle King.

25

00:01:31,674 --> 00:01:33,676
Jug. What the hell? Just now?

26

00:01:33,760 --> 00:01:36,846
Yeah. As I was walking home.
I followed him into a clearing.

27

00:01:37,347 --> 00:01:39,891
Betty, there were others.
There's like ten of them.

28

00:01:39,974 --> 00:01:42,727
They looked like his disciples.
Like they were worshiping the king.

29

00:01:43,019 --> 00:01:44,729
-Oh, my God.
-They had on these masks.

30

00:01:45,271 --> 00:01:47,398
Like they were a gang.
A gang of gargoyles.

31

00:01:47,482 --> 00:01:49,526
-Let's go after them.
-No. We shouldn't push our luck.

32

00:01:49,609 --> 00:01:51,986
-Not until we know more.
-Who could they be?

33

00:01:52,904 --> 00:01:53,822
[Archie] Joaquin.

34

00:02:01,704 --> 00:02:04,582
Joaquin told Kevin about a new gang.

35

00:02:05,750 --> 00:02:07,919
And then Joaquin ran into the woods.

36

00:02:09,379 --> 00:02:12,090
We know Warden Norton is playing G&G.

37

00:02:12,507 --> 00:02:14,384
And Joaquin was doing his dirty work.

38

00:02:15,051 --> 00:02:18,847
Another piece of damning evidence that
Warden Norton could be our Gargoyle King.

39

00:02:19,973 --> 00:02:21,015
[Betty sighs]

40

00:02:22,225 --> 00:02:23,643
[police sirens wailing]

41

00:02:33,695 --> 00:02:35,321
Where have you been, young lady?

42

00:02:35,822 --> 00:02:38,241
There's a manhunt
for Archie Andrews underway.

43

00:02:38,658 --> 00:02:42,287
Police with guns and dogs,
all over the streets of Riverdale.

44

00:02:42,370 --> 00:02:44,372
-Did you have something to do with this?
-No, Mom.

45

00:02:44,455 --> 00:02:46,958
We didn't hear
about his escape until this morning.

46

00:02:48,209 --> 00:02:50,837
The warden from that juvie
killed himself last night.

47

00:02:52,172 --> 00:02:53,006
What?

48

00:02:54,007 --> 00:02:55,008
How come?

49

00:02:55,091 --> 00:02:59,429
RIVW is reporting
that he was found with blue lips.

50

00:03:03,474 --> 00:03:05,393
So, he was playing G&G.

51

00:03:06,603 --> 00:03:08,396
Mom, did you know Warden Norton?

52

00:03:09,063 --> 00:03:10,148
Why would you even ask that?

53

00:03:10,231 --> 00:03:14,194
Because he had ties to Hiram Lodge,
who played G&G with you 25 years ago.

54

00:03:14,277 --> 00:03:15,820
Sure you don't remember him?

55

00:03:15,904 --> 00:03:17,906
Yes, I am sure, Elizabeth.

56

00:03:18,198 --> 00:03:20,074
I've told you everything that I know.

57

00:03:28,458 --> 00:03:29,459
I missed this.

58

00:03:31,336 --> 00:03:32,921
I missed you, Archie.

59

00:03:35,173 --> 00:03:36,257
[chuckles]

60

00:03:40,178 --> 00:03:41,012
Ronnie.

61

00:03:43,640 --> 00:03:44,599
[grunts]

62

00:03:46,142 --> 00:03:48,269
I may know where the Shadow Lake boys are.

63

00:03:48,895 --> 00:03:51,856
The warden thought they were camping
in the abandoned mines.

64

00:03:51,940 --> 00:03:52,982
I need to get there.

65

00:03:53,066 --> 00:03:55,151
No, Archie, I don't think you understand.

66

00:03:56,277 --> 00:03:59,239
Outside this bunker,
there is a manhunt going on.

67

00:03:59,322 --> 00:04:05,036
Roadblocks, checkpoints, wanted posters,
with your strong jawline all over town.

68

00:04:05,119 --> 00:04:09,165
I need to find those witnesses.
Warden said all three guys were paid off.

69

00:04:09,249 --> 00:04:11,417
They're the only ones
who can clear my name.

70

00:04:11,751 --> 00:04:12,919
So I can stop running.

71

00:04:13,002 --> 00:04:15,004
Paid off by my father, no doubt.

72

00:04:16,381 --> 00:04:17,423
[sighs]

73

00:04:20,760 --> 00:04:21,594
Archie.

74

00:04:22,470 --> 00:04:23,846
This is a long shot, but...

75

00:04:24,347 --> 00:04:28,309
when Betty was working with Attorney McCoy
and your mom, that was at your house?

76

00:04:28,393 --> 00:04:29,227
Yeah.

77

00:04:31,104 --> 00:04:32,689
Are the case files still there?

78

00:04:32,772 --> 00:04:34,857
Yeah, but they've been through them all.

79

00:04:35,817 --> 00:04:36,818
And, Ronnie,

80

00:04:37,151 --> 00:04:39,237
my dad can't know where I am.

81

00:04:39,487 --> 00:04:41,906
Or that you saw me.
I don't want him wrapped up in this.

82

00:04:41,990 --> 00:04:44,117
-I feel bad enough you're involved.
-Hey.

83

00:04:45,952 --> 00:04:48,746
This was the only way
to get you out of that mess.

84

00:04:51,124 --> 00:04:53,501
Ronnie, I took that plea deal...

85

00:04:54,627 --> 00:04:58,047
because I was tired of putting my friends
and my family through hell.

86

00:04:58,131 --> 00:05:00,008
All the people who have helped you...

87
00:05:01,342 --> 00:05:03,261
are doing it because we love you.

88
00:05:03,845 --> 00:05:05,763
So, I need you to trust me

89
00:05:06,472 --> 00:05:07,473
to handle this.

90
00:05:08,599 --> 00:05:10,727
And stay put.

91
00:05:18,401 --> 00:05:20,028
[Minetta] Archie is a murderer.

92
00:05:20,111 --> 00:05:22,780
And we know he didn't escape alone.
He had help.

93
00:05:22,864 --> 00:05:25,783
Hiding a convict
or withholding information from the law

94
00:05:25,867 --> 00:05:27,327
is a felony offense.

95
00:05:27,410 --> 00:05:29,954
So, whoever's aided
and abetted Archie Andrews

96
00:05:30,038 --> 00:05:32,457
is just as much of a criminal as he is.

97
00:05:32,540 --> 00:05:34,167
I was busy all day, sheriff.

98
00:05:34,250 --> 00:05:38,296
You can check my browser history,
if you know what I mean.

99

00:05:38,838 --> 00:05:40,048
[classmates chuckling]

100

00:05:43,885 --> 00:05:45,553
I don't know this Archie person.

101

00:05:45,636 --> 00:05:48,014
And on Mondays,
I host a group for teen Farmies.

102

00:05:48,097 --> 00:05:49,932
We are still accepting members.

103

00:05:52,352 --> 00:05:55,063
Where were you, Ms. McCoy,
at the time of the breakout?

104

00:05:56,689 --> 00:05:58,691
Don't look at me, sir. I, uh...

105

00:05:59,859 --> 00:06:00,693
I...

106

00:06:03,196 --> 00:06:05,406
I was in the music room.

107

00:06:06,491 --> 00:06:08,284
-Practicing.
-Alone?

108

00:06:10,578 --> 00:06:12,288
I'll look into all of your alibis.

109

00:06:12,372 --> 00:06:16,417
And if I find out later
that someone in here was involved,

110

00:06:17,001 --> 00:06:19,087
well, you can say goodbye to this school,

111

00:06:19,754 --> 00:06:22,048
your hopes and dreams.

112
00:06:22,131 --> 00:06:26,511
Your music, your entire future.
All of it goes away, just like that.

113
00:06:26,594 --> 00:06:30,181
Again, to be clear, if you know anything,
now's the time to tell me--

114
00:06:30,264 --> 00:06:31,307
Sheriff Minetta, back off!

115
00:06:40,400 --> 00:06:42,318
-[boy 1] What just happened?
-[boy 2] Is she okay?

116
00:06:43,403 --> 00:06:45,947
[Jughead] Another seizure?
As if things weren't crazy enough.

117
00:06:46,030 --> 00:06:49,117
I know. First me, then Ethel, then Josie?

118
00:06:49,200 --> 00:06:50,743
What's the connection there?

119
00:06:51,285 --> 00:06:53,704
Speaking of connections,
with Warden Norton dead,

120
00:06:53,788 --> 00:06:55,790
there goes our theory
of him as the Gargoyle King.

121
00:07:00,253 --> 00:07:01,254
Maybe not.

122
00:07:03,256 --> 00:07:04,424
Look.

123

00:07:06,008 --> 00:07:08,678
There's the connection between our parents
and Warden Norton.

124
00:07:09,137 --> 00:07:12,098
Warden Norton was the RROTC instructor
of Riverdale High?

125
00:07:12,181 --> 00:07:14,684
Yeah, the same year
our parents started the Midnight Club.

126
00:07:15,268 --> 00:07:16,352
This proves once more

127
00:07:16,436 --> 00:07:19,021
that our parents continue
to hide things from us.

128
00:07:19,105 --> 00:07:21,441
And it all started
with the Midnight Club, Jug.

129
00:07:21,649 --> 00:07:24,360
Featherhead was
the first blue-lipped death on record.

130
00:07:25,403 --> 00:07:27,822
Somehow I need to get our parents
to talk to us.

131
00:07:27,905 --> 00:07:30,074
Force them into telling us the truth.

132
00:07:30,158 --> 00:07:33,411
-Even if that backs them into a corner.
-What'd you have in mind?

133
00:07:33,494 --> 00:07:36,831
Depends whether or not
I can borrow Veronica's speakeasy.

134
00:07:36,914 --> 00:07:40,293

Okay, while you're working on that,
I'm going to rally the Serpents.

135

00:07:40,960 --> 00:07:43,337
We have to find Joaquin.
As Norton's accomplice,

136

00:07:43,421 --> 00:07:46,549
he's our best shot to figure out
what was going on inside Norton's mind.

137

00:07:50,052 --> 00:07:50,887
Bye.

138

00:07:57,101 --> 00:07:59,770
[Sweet Pea] Minetta's trashing tent city,
Jug, looking for Archie.

139

00:08:01,147 --> 00:08:04,525
I propose a manhunt of our own.
Every Serpent searching for Joaquin.

140

00:08:04,609 --> 00:08:05,943
No stone left unturned.

141

00:08:06,027 --> 00:08:09,030
Serpents don't just shiv other Serpents.
What got into him?

142

00:08:09,113 --> 00:08:11,616
According to Archie,
Joaquin did it for Warden Norton.

143

00:08:11,699 --> 00:08:14,619
The warden confronted Betty,
called Archie the Red Paladin.

144

00:08:14,702 --> 00:08:17,997
Plus the warden poisoned himself
with cyanide and blueberry Fresh-Aid.

145

00:08:18,247 --> 00:08:20,791
And he worked for Riverdale High

before the detention center.

146

00:08:21,292 --> 00:08:24,462

The question is, was he playing G&G
with someone or for someone?

147

00:08:24,545 --> 00:08:27,548

And since he's dead,
Joaquin's the only one who can know.

148

00:08:27,632 --> 00:08:31,302

But Joaquin may not be alone.
Kevin said he's rolling with a new gang.

149

00:08:31,385 --> 00:08:33,429

-Those gargoyle creeps you saw?
-Exactly.

150

00:08:34,472 --> 00:08:39,018

And if the gang is working for the King,
then they're gonna take us right to him.

151

00:08:41,103 --> 00:08:43,022

Archie, you haven't eaten your burger.

152

00:08:44,023 --> 00:08:46,609

To be honest,
I'm not feeling so hot right now, Kev.

153

00:08:47,401 --> 00:08:48,277

[grunts]

154

00:08:48,861 --> 00:08:50,655

Let me see your, uh, bandage.

155

00:08:57,787 --> 00:08:58,621

Okay.

156

00:08:59,872 --> 00:09:01,290

That is definitely infected.

157

00:09:02,124 --> 00:09:04,377

-Great.
-No worries, Arch.

158
00:09:05,086 --> 00:09:08,130
Betty's got a connection.
She'll know what to do.

159
00:09:08,589 --> 00:09:10,383
[Betty] It's okay, Kevin. He's a doctor.

160
00:09:10,758 --> 00:09:11,884
We can trust him.

161
00:09:12,843 --> 00:09:15,763
Oh, and bring small bills.

162
00:09:31,529 --> 00:09:34,031
Elizabeth.
Don't tell me this is your doing.

163
00:09:38,953 --> 00:09:42,081
I sent the invitations
from the Gargoyle King.

164
00:09:43,291 --> 00:09:46,335
-What?
-And look, you all came.

165
00:09:46,419 --> 00:09:47,420
What are you up to?

166
00:09:47,503 --> 00:09:50,881
All of the secrets end now, Mom.

167
00:09:50,965 --> 00:09:53,718
And this was the only way
to get all of you together.

168
00:09:53,801 --> 00:09:55,970
Someone in this room is a murderer.

169
00:10:07,607 --> 00:10:10,776

[Hermione] Alice, we promised each other
we would never talk about this.

170

00:10:10,860 --> 00:10:13,904
-I mean, who else did you tell?
-I told Betty to protect her,

171

00:10:13,988 --> 00:10:16,824
-so she wouldn't play the game.
-And it worked. I'm not playing the game.

172

00:10:16,907 --> 00:10:20,119
But many of your kids are.
This is about protecting them.

173

00:10:20,202 --> 00:10:21,495
-Don't you care?
-[Sierra] Care?

174

00:10:21,579 --> 00:10:25,082
Josie had a seizure this morning.
I should be with her right now.

175

00:10:25,166 --> 00:10:28,127
Not here, rehashing the past,
when it has zero relevance.

176

00:10:28,210 --> 00:10:30,671
Attorney McCoy, it is relevant.

177

00:10:30,755 --> 00:10:34,634
Your daughter is playing the game,
along with Kevin and Cheryl.

178

00:10:34,717 --> 00:10:36,260
Even your son Reggie, Mr. Mantle,

179

00:10:36,344 --> 00:10:38,220
no matter
how many black eyes you give him.

180

00:10:39,597 --> 00:10:40,848
I would never hit my son.

181
00:10:41,307 --> 00:10:42,308
Another lie.

182
00:10:42,391 --> 00:10:44,727
Guys, it was bound to get out sometime.

183
00:10:44,810 --> 00:10:48,022
Our children need to know the truth.
Betty, where do we start?

184
00:10:48,105 --> 00:10:50,691
With the dead warden from Archie's juvie.

185
00:10:50,775 --> 00:10:54,862
He was also the RROTC instructor
when you guys were in high school.

186
00:10:54,945 --> 00:10:58,157
Mr. Keller, you were a cadet then.
Did you play the game with him?

187
00:10:58,240 --> 00:11:01,911
Major Norton just confiscated
a stray manual. That's all.

188
00:11:03,412 --> 00:11:05,331
Mr. Lodge, you had business dealings

189
00:11:05,414 --> 00:11:07,083
with Warden Norton until he died.

190
00:11:08,209 --> 00:11:11,212
What were they?
And did you know that he was playing G&G?

191
00:11:11,295 --> 00:11:14,423
None of your business, and not a clue.

192
00:11:14,507 --> 00:11:16,467
What about Ascension Night? Was he there?

193
00:11:16,550 --> 00:11:18,010
How can we answer that?

194
00:11:18,094 --> 00:11:21,389
We were all high off our gourds,
hallucinating gargoyles.

195
00:11:22,181 --> 00:11:24,642
Wait, FP. You saw it, too?

196
00:11:25,059 --> 00:11:27,436
Oh, this is such a waste of our time.

197
00:11:27,520 --> 00:11:29,689
I have a job that I need to get back to.

198
00:11:29,772 --> 00:11:31,107
So, if you'll excuse me...

199
00:11:31,399 --> 00:11:32,400
No, Hiram.

200
00:11:34,068 --> 00:11:37,530
Let's just get this over with.
Otherwise, it will never end.

201
00:11:40,866 --> 00:11:43,202
Betty, you wanna know
who poisoned the chalice.

202
00:11:44,870 --> 00:11:47,289
The Game Master is the one
who sets up the game.

203
00:11:47,373 --> 00:11:50,000
So, my instinct is telling me that...

204
00:11:51,335 --> 00:11:53,003
the culprit was Penelope Blossom.

205
00:11:53,629 --> 00:11:56,966

My guess is maybe she grew the poison
in her greenhouse.

206

00:11:57,049 --> 00:12:00,094
You don't grow cyanide, Hermione.

207

00:12:00,177 --> 00:12:02,304
A fact that only a Blossom would know.

208

00:12:07,226 --> 00:12:08,227
[sighs]

209

00:12:10,479 --> 00:12:11,689
It was Daryl Doiley.

210

00:12:14,150 --> 00:12:16,318
We were both Game Masters.

211

00:12:16,986 --> 00:12:18,821
And he was secretly in love with me.

212

00:12:21,073 --> 00:12:23,117
He put poison in the chalice,

213

00:12:23,617 --> 00:12:25,828
because he wanted us to ascend together.

214

00:12:28,456 --> 00:12:29,457
But I said no.

215

00:12:33,335 --> 00:12:34,378
I assumed...

216

00:12:35,796 --> 00:12:39,759
the chalices were emptied afterwards,
but they were not.

217

00:12:40,342 --> 00:12:42,261
Years later, Daryl came to me,

218

00:12:42,344 --> 00:12:44,847

riddled with guilt
over that tragic incident,

219
00:12:45,431 --> 00:12:46,432
and seeking comfort.

220
00:12:48,058 --> 00:12:50,436
And I refused him again.

221
00:12:51,729 --> 00:12:54,940
We were both married with families, and...

222
00:12:56,776 --> 00:13:02,364
I was afraid, you see,
of revisiting that unholy night.

223
00:13:04,658 --> 00:13:05,659
So, he left.

224
00:13:07,953 --> 00:13:08,954
The next day...

225
00:13:10,372 --> 00:13:11,999
he was found dead in his garage.

226
00:13:13,000 --> 00:13:16,796
Sitting in his sedan,
engine running, windows up.

227
00:13:19,089 --> 00:13:19,965
[sighs]

228
00:13:28,265 --> 00:13:30,434
Dilton Doiley's dead dad did it?

229
00:13:30,518 --> 00:13:33,562
That explains how Dilton got his hands
on the game,

230
00:13:33,646 --> 00:13:35,022
and why he started playing.

231

00:13:35,856 --> 00:13:38,943
No, but that doesn't explain
who the Gargoyle King is today.

232

00:13:39,026 --> 00:13:40,945
-Jughead and I saw him.
-What do you mean?

233

00:13:41,028 --> 00:13:43,948
In Fox Forest.
We've tried to track him down ever since.

234

00:13:44,031 --> 00:13:45,991
Why do you think Jughead started playing?

235

00:13:46,075 --> 00:13:49,370
-He's not still playing, is he?
-I'm afraid so, Mr. Jones.

236

00:13:49,453 --> 00:13:53,499
He's made some really weird connections
between the game and Riverdale,

237

00:13:53,582 --> 00:13:55,918
-which he wouldn't have--
-I've heard enough.

238

00:13:56,001 --> 00:13:57,670
Boy's gonna be the death of me.

239

00:14:07,721 --> 00:14:09,807
Satisfied, Elizabeth?

240

00:14:09,890 --> 00:14:10,891
No, Mom.

241

00:14:12,726 --> 00:14:13,769
Not even close.

242

00:14:18,566 --> 00:14:19,942
[cell phone buzzing]

243
00:14:21,902 --> 00:14:23,362
Fangs. Did you find Joaquin?

244
00:14:23,445 --> 00:14:26,949
[Fangs] Centerville Serpents spotted him
at the Last Resort Youth Hostel.

245
00:14:27,032 --> 00:14:28,450
-We're on our way.
-Grab him.

246
00:14:28,534 --> 00:14:30,703
Take him to Fox Forest,
near the footbridge.

247
00:14:30,953 --> 00:14:32,872
-I'll meet you there.
-On it, boss man.

248
00:14:33,747 --> 00:14:36,000
-[FP] Going somewhere, boy?
-To meet the Serpents.

249
00:14:36,083 --> 00:14:37,835
Yeah? Like hell you are.

250
00:14:38,460 --> 00:14:40,838
What are you doing?
Are you out of your mind?

251
00:14:40,921 --> 00:14:42,965
What I should have done,
the second I saw you playing.

252
00:14:43,048 --> 00:14:45,968
You're addicted. G&G's like a drug.
It got into your blood.

253
00:14:46,051 --> 00:14:47,052
I'm not addicted.

254
00:14:48,804 --> 00:14:49,930

I just need to ascend,

255

00:14:50,139 --> 00:14:53,350
so I can find the Gargoyle King,
and put an end to all this.

256

00:14:53,934 --> 00:14:54,935
You're right.

257

00:14:55,144 --> 00:14:57,855
You sound nothing like an addict.
My mistake.

258

00:14:59,565 --> 00:15:02,568
It's time for you to sober up, boy.
For your own good.

259

00:15:14,288 --> 00:15:15,122
[Archie grunts]

260

00:15:15,372 --> 00:15:17,166
[Curdle Jr.] Keep it clean and dry.

261

00:15:18,417 --> 00:15:19,877
As for the infection,

262

00:15:20,836 --> 00:15:23,339
I have some antibiotics in the back room.

263

00:15:24,465 --> 00:15:25,466
That is,

264

00:15:26,091 --> 00:15:28,010
if you have something for me.

265

00:15:28,385 --> 00:15:32,348
Thank you, Dr. Curdle Junior.
Betty said to pay you in small bills.

266

00:15:37,227 --> 00:15:40,189
-We should get back to the bunker.
-I can't go back there.

267
00:15:41,106 --> 00:15:42,650
I'm going to Shadow Lake, to the mines,

268
00:15:42,733 --> 00:15:44,735
to find the guys responsible
for putting me away.

269
00:15:44,818 --> 00:15:47,821
How far do you think you're gonna get,
on foot and alone?

270
00:15:47,905 --> 00:15:49,073
Will you help me, Kev?

271
00:15:51,825 --> 00:15:53,410
Veronica is going to kill me.

272
00:16:02,086 --> 00:16:05,005
[Minetta on video] Okay, Donny.
Let's try this one more time.

273
00:16:09,051 --> 00:16:10,552
Come on. I don't have all day.

274
00:16:13,722 --> 00:16:14,723
What the hell?

275
00:16:15,975 --> 00:16:17,351
[rewinding]

276
00:16:20,104 --> 00:16:22,356
Oh, my God. It's been edited.

277
00:16:23,899 --> 00:16:24,942
Veronica?

278
00:16:27,486 --> 00:16:28,696
Are those Archie's case files?

279
00:16:30,823 --> 00:16:33,867

He's not going to be
behind bars ever again, Daddy.

280
00:16:35,285 --> 00:16:36,286
That's a promise.

281
00:16:47,756 --> 00:16:50,718
There are too many variables
up at Shadow Lake.

282
00:16:51,885 --> 00:16:52,886
Take care of them.

283
00:16:54,471 --> 00:16:55,472
All of them.

284
00:16:56,098 --> 00:16:58,559
[Betty knocking on door] Jug?

285
00:16:58,976 --> 00:17:00,269
-Are you--?
-[Jughead] Betty.

286
00:17:00,352 --> 00:17:03,272
-Are you hungry?
-Jug. What the hell?

287
00:17:04,690 --> 00:17:06,984
You don't have a trusty bobby pin, do you?

288
00:17:07,568 --> 00:17:08,402
Always.

289
00:17:09,319 --> 00:17:10,446
Did your dad do this?

290
00:17:10,529 --> 00:17:12,656
Yeah. He doesn't like me playing G&G.

291
00:17:12,740 --> 00:17:14,867
That's my fault. I'm sorry.

292

00:17:14,950 --> 00:17:17,327
It came out when I talked
to all of our parents.

293

00:17:17,411 --> 00:17:19,329
How'd that sit-down go, Miss Marple?

294

00:17:19,413 --> 00:17:23,333
Penelope Blossom said Daryl Doiley
is the one who poisoned the chalices.

295

00:17:24,043 --> 00:17:25,085
[groans]

296

00:17:26,879 --> 00:17:27,880
Dilton's dad?

297

00:17:28,380 --> 00:17:30,090
-Isn't he--?
-Dead? Yeah.

298

00:17:30,174 --> 00:17:31,508
Pretty convenient, right?

299

00:17:31,759 --> 00:17:34,970
The one man who can't confirm
or deny Penelope's story.

300

00:17:35,054 --> 00:17:36,930
-I don't buy that.
-Neither do I, Jug.

301

00:17:37,097 --> 00:17:41,101
I called Dr. Curdle Junior and asked
if he'd pull Mr. Doiley's autopsy report.

302

00:17:41,560 --> 00:17:42,936
Think you can handle this yourself?

303

00:17:43,020 --> 00:17:46,732
-Sweet Pea and Fangs maybe found Joaquin.
-Just be careful, Jug.

304
00:17:47,983 --> 00:17:50,819
I know we're getting close
to something, Betty.

305
00:18:00,329 --> 00:18:01,497
[cell phone ringing]

306
00:18:03,832 --> 00:18:04,708
[Kevin sighs]

307
00:18:05,584 --> 00:18:06,877
Hey, Veronica. What's up?

308
00:18:06,960 --> 00:18:09,713
Seriously, Kevin? You had one job to do.

309
00:18:10,297 --> 00:18:12,049
Put Archie on right the hell now.

310
00:18:16,386 --> 00:18:18,013
Don't blame Kev. It was all me.

311
00:18:18,097 --> 00:18:20,307
If you tell me you're going
to Shadow Mines--

312
00:18:20,390 --> 00:18:23,352
-I am. It's my one shot to clear my name.
-But it's not.

313
00:18:23,435 --> 00:18:24,686
I found something.

314
00:18:25,437 --> 00:18:30,150
Ten minutes of Minetta's interrogation
of the Shadow Lake boys was deleted.

315
00:18:30,234 --> 00:18:31,902
I just have to find the missing footage.

316

00:18:31,985 --> 00:18:33,862
-Wouldn't it have been destroyed?
-No.

317
00:18:33,946 --> 00:18:37,157
My dad hangs on to dirt
in case he needs to lord it over someone.

318
00:18:37,241 --> 00:18:38,534
Think it's in his study?

319
00:18:38,617 --> 00:18:40,828
Something as radioactive as this?

320
00:18:41,954 --> 00:18:44,039
He'd keep it far away from himself.

321
00:18:45,124 --> 00:18:49,378
Closer to, let's say, the Mayor's Office.

322
00:18:49,461 --> 00:18:52,047
It's worth a look,
but it won't change my plans.

323
00:18:52,589 --> 00:18:53,423
Fine.

324
00:18:54,174 --> 00:18:57,010
Tell Kevin if he doesn't
get you back to me in one piece,

325
00:18:57,094 --> 00:18:58,637
I will eviscerate him.

326
00:19:14,278 --> 00:19:17,156
So, what's the plan?
I mean, what if these guys are armed?

327
00:19:18,073 --> 00:19:20,200
And you're a sneeze away
from tearing those stitches.

328

00:19:20,284 --> 00:19:21,285
Kevin, I'm fine.

329
00:19:21,869 --> 00:19:22,828
Shh.

330
00:19:23,203 --> 00:19:24,538
[man] Tango-ten-Charlie...

331
00:19:49,521 --> 00:19:50,689
[Veronica] Always my birthday.

332
00:19:50,772 --> 00:19:51,773
[chuckles]

333
00:19:55,652 --> 00:19:57,279
Holy crap.

334
00:19:58,572 --> 00:20:00,199
Please, be it.

335
00:20:03,327 --> 00:20:06,413
[Minetta] Okay, Donny.
Let's try this one more time.

336
00:20:07,122 --> 00:20:08,123
Ten thousand apiece.

337
00:20:08,916 --> 00:20:13,045
You just say that you saw Archie Andrews
kill your friend Cassidy Bullock.

338
00:20:13,128 --> 00:20:15,797
If that's not proof of coercion,
I don't know what is.

339
00:20:25,140 --> 00:20:26,767
Come on, Internet.

340
00:20:27,184 --> 00:20:28,644
Come on.

341
00:20:29,519 --> 00:20:32,105
-[knocking on door]
-[Gloria] She's in here.

342
00:20:32,189 --> 00:20:33,065
[knocking continues]

343
00:20:33,148 --> 00:20:34,399
-Come on.
-Hello?

344
00:20:39,238 --> 00:20:40,906
I'm the mayor's daughter. I can be here.

345
00:20:40,989 --> 00:20:42,824
False. Her mother and father told me

346
00:20:42,908 --> 00:20:45,619
to call the Sheriff's Department
if she broke in again.

347
00:20:47,704 --> 00:20:49,957
Okay. That's not necessary.

348
00:20:52,000 --> 00:20:52,960
[Sweet Pea] Get up.

349
00:20:53,043 --> 00:20:54,044
Get up!

350
00:20:54,127 --> 00:20:55,462
[Joaquin grunting]

351
00:20:58,840 --> 00:21:00,175
Look what we found on him.

352
00:21:04,638 --> 00:21:06,765
So, you jumped ship for the gargoyle gang?

353
00:21:07,683 --> 00:21:09,434
You have a lot of explaining to do.

354
00:21:10,435 --> 00:21:11,853
[grunts then coughs]

355
00:21:12,271 --> 00:21:14,398
Why not start with why you shivved Archie,

356
00:21:14,481 --> 00:21:16,525
instead of protecting him,
like you were supposed to?

357
00:21:17,651 --> 00:21:19,903
The warden said I had no other choice.

358
00:21:19,987 --> 00:21:21,822
You don't know what it's like there.

359
00:21:21,905 --> 00:21:23,282
You do anything to survive.

360
00:21:23,949 --> 00:21:27,369
For me, it was being the warden's pawn.
A chess piece.

361
00:21:28,161 --> 00:21:30,914
-In some ways, he was a pawn, too.
-What does that mean?

362
00:21:30,998 --> 00:21:33,959
I saw him with these game cards
that told him what to do.

363
00:21:34,918 --> 00:21:36,795
Whoever sent them wanted Archie dead.

364
00:21:37,212 --> 00:21:39,965
From the moment he was locked up,
he was already marked.

365
00:21:42,551 --> 00:21:43,760
[Jughead] Marked with what?

366
00:21:45,387 --> 00:21:46,388
This symbol...

367
00:21:47,347 --> 00:21:49,349
the warden branded on Archie's hip?

368
00:21:49,725 --> 00:21:50,642
What does it mean?

369
00:21:51,184 --> 00:21:52,019
No, no.

370
00:21:54,438 --> 00:21:56,148
-Pick him up.
-No, no, no.

371
00:21:56,565 --> 00:21:59,526
Just-- Hey, just-- Just stop. Just stop.

372
00:21:59,609 --> 00:22:00,569
Okay.

373
00:22:03,905 --> 00:22:04,740
Sacrifice.

374
00:22:05,866 --> 00:22:06,867
It means that--

375
00:22:07,993 --> 00:22:09,619
It meant that Archie had to die.

376
00:22:10,620 --> 00:22:13,498
Look, I'm sorry, Jug.
I know he was your pal. I--

377
00:22:13,582 --> 00:22:14,708
Oh, Archie's alive.

378
00:22:16,001 --> 00:22:17,419
He won't be for much longer.

379
00:22:17,502 --> 00:22:19,046
Who's giving Warden Norton his orders?

380
00:22:19,546 --> 00:22:21,715
-No.
-Okay.

381
00:22:22,382 --> 00:22:24,176
-I don't think you understand.
-No.

382
00:22:24,259 --> 00:22:26,553
I can't let you go until you talk.

383
00:22:32,642 --> 00:22:34,519
I saw them meet once.

384
00:22:35,812 --> 00:22:37,064
But you know him, Jones.

385
00:22:37,147 --> 00:22:38,482
The man in the black suit.

386
00:22:39,358 --> 00:22:41,568
[Jughead]
An ancient evil long forgotten has awoken.

387
00:22:41,651 --> 00:22:44,529
The embodiment of pure malice and cruelty.

388
00:22:46,907 --> 00:22:47,908
It finally happened.

389
00:22:48,825 --> 00:22:49,993
You've lost your mind.

390
00:22:50,869 --> 00:22:52,746
You met Warden Norton in high school.

391
00:22:53,288 --> 00:22:55,415
All this time,

you've sent him quest cards,

392

00:22:55,499 --> 00:22:58,418
instructing him how to torture
and then kill Archie.

393

00:22:58,502 --> 00:23:04,549
You're not just the criminal kingpin
of Riverdale. You're the Gargoyle King.

394

00:23:04,633 --> 00:23:06,426
-What did you call me?
-The Gargoyle King.

395

00:23:07,552 --> 00:23:10,806
The Ghoulies and this new gang
of gargoyles are your soldiers.

396

00:23:10,889 --> 00:23:13,016
The Southside is your kingdom.

397

00:23:13,100 --> 00:23:16,520
You orchestrated Archie's arrest
to put him under Norton's sadistic thumb.

398

00:23:16,603 --> 00:23:19,147
The game is how
you've been communicating with him,

399

00:23:19,231 --> 00:23:20,273
pulling the strings.

400

00:23:20,357 --> 00:23:22,776
Back in the day,
you killed Principal Featherhead

401

00:23:22,859 --> 00:23:24,319
in the same way you tried to kill me,

402

00:23:24,403 --> 00:23:26,279
and in the same way you tried
to kill Archie.

403
00:23:26,363 --> 00:23:28,323
You're the Gargoyle King, Hiram.

404
00:23:30,700 --> 00:23:33,537
I am not a 16-year-old nerd playing games

405
00:23:33,620 --> 00:23:36,957
to live out
my overactive hormonal fantasies.

406
00:23:37,416 --> 00:23:39,876
I'm not the Gargoyle King.
Because you know what?

407
00:23:40,544 --> 00:23:41,753
That's not a real thing.

408
00:23:42,212 --> 00:23:45,841
Nor am I the murderer that you
and Betty Cooper are looking for.

409
00:23:46,925 --> 00:23:48,885
But if homicidal parents
are what you're after,

410
00:23:48,969 --> 00:23:51,388
may I suggest Clifford Blossom...

411
00:23:52,347 --> 00:23:54,558
Hal Cooper, Tom Keller.

412
00:23:56,476 --> 00:23:57,519
And perhaps...

413
00:23:58,687 --> 00:23:59,813
even your own father.

414
00:23:59,896 --> 00:24:01,857
They all make solid suspects.

415
00:24:04,818 --> 00:24:06,027

[phone ringing]

416

00:24:06,111 --> 00:24:08,321

Now if you'll excuse me,
I have to take this.

417

00:24:11,116 --> 00:24:12,868

You'll see yourself out, won't you?

418

00:24:19,207 --> 00:24:20,333

[sighs] This is Lodge.

419

00:24:22,419 --> 00:24:23,420

She did what?

420

00:24:29,843 --> 00:24:33,555

What exactly were you hoping to find
in your mother's office, Veronica?

421

00:24:33,972 --> 00:24:37,100

Does Mom even know
what you've been hiding on her desktop?

422

00:24:37,184 --> 00:24:39,019

She doesn't have a computer anymore.

423

00:24:40,604 --> 00:24:42,439

I've requested to speak to a lawyer.

424

00:24:45,400 --> 00:24:47,319

It's my right as an American citizen.

425

00:24:49,321 --> 00:24:53,825

So, get your lapdog, Sheriff Minetta,
to bring me to the phone.

426

00:24:53,909 --> 00:24:55,243

Minetta. Hmm.

427

00:24:56,745 --> 00:24:57,913

He's otherwise engaged.

428
00:24:59,873 --> 00:25:01,124
But let me see what I can do.

429
00:25:03,001 --> 00:25:05,295
[Fred] Yeah, Veronica, is everything okay?

430
00:25:05,795 --> 00:25:07,172
Have you heard from Archie?

431
00:25:07,255 --> 00:25:10,008
He asked me not to tell you,
Mr. Andrews, but...

432
00:25:10,884 --> 00:25:13,345
Archie's headed for the mines
by Shadow Lake with Kevin

433
00:25:13,428 --> 00:25:15,347
to look for the guys
who testified against him.

434
00:25:16,223 --> 00:25:19,184
My intuition tells me
Sheriff Minetta may be doing the same.

435
00:25:19,976 --> 00:25:23,146
-Okay. Uh, I'm on the way.
-Wait.

436
00:25:23,230 --> 00:25:25,065
Tell Archie
I found what I was looking for.

437
00:25:25,148 --> 00:25:26,566
I just have to get it to the judge.

438
00:25:26,650 --> 00:25:28,276
-Veronica, I--
-And on that note,

439
00:25:28,360 --> 00:25:30,737
would you mind

calling Attorney McCoy for me?

440

00:25:36,701 --> 00:25:37,661

[Betty] I'm confused.

441

00:25:37,744 --> 00:25:41,498

Why is there no mention
of carbon monoxide in Mr. Doiley's file?

442

00:25:41,581 --> 00:25:44,042

Because it was not
the cause of death, Ms. Cooper.

443

00:25:44,459 --> 00:25:48,213

Daryl Doiley was indeed found
in a running car with the windows up,

444

00:25:48,296 --> 00:25:51,007

but there was no trace
of carbon monoxide in his lungs.

445

00:25:51,174 --> 00:25:53,426

That can only mean he was dead beforehand.

446

00:25:55,345 --> 00:25:57,430

Then how did he die, Dr. Curdle Junior?

447

00:26:02,060 --> 00:26:02,894

Oleander.

448

00:26:02,978 --> 00:26:06,856

If ingested, it's one of the most
poisonous plants known to mankind.

449

00:26:06,940 --> 00:26:08,483

In my opinion, Ms. Cooper,

450

00:26:08,567 --> 00:26:12,153

Daryl Doiley's death was a murder,
disguised as a suicide.

451

00:26:12,237 --> 00:26:14,197

Can that be proven with this file?

452

00:26:14,281 --> 00:26:15,824
Unfortunately, no.

453

00:26:16,408 --> 00:26:19,286
This is from my father's
personal collection.

454

00:26:19,369 --> 00:26:22,455
Fine. Then I'll just have
to question whoever closed the case.

455

00:26:23,206 --> 00:26:24,040
Doctor...

456

00:26:25,041 --> 00:26:28,044
who was the sheriff
at the time of Mr. Doiley's death?

457

00:26:28,962 --> 00:26:30,839
Thank you for meeting me, Mr. Keller.

458

00:26:30,922 --> 00:26:31,840
Sure.

459

00:26:31,923 --> 00:26:33,592
Mr. Doiley's death was classified

460

00:26:33,675 --> 00:26:37,137
as suicide by carbon monoxide poisoning,
by your department.

461

00:26:37,554 --> 00:26:41,182
Yet oddly enough there wasn't
a trace of it found in his lungs.

462

00:26:41,266 --> 00:26:43,643
What is this, Betty?
Is this another ambush?

463

00:26:43,727 --> 00:26:45,270

Because I didn't kill anybody.

464

00:26:45,353 --> 00:26:47,731

Maybe not,
but you're complicit in a cover-up.

465

00:26:49,065 --> 00:26:50,483

Who were you protecting?

466

00:26:56,197 --> 00:26:57,198

All of us.

467

00:26:58,325 --> 00:27:00,243

Your mother included.

468

00:27:00,327 --> 00:27:02,996

Someone murdered Daryl Doiley.

469

00:27:03,079 --> 00:27:07,208

Whoever was pulling the strings back then
may be the one killing people today.

470

00:27:08,335 --> 00:27:11,421

The truth is it could've
been any member of the Midnight Club.

471

00:27:12,714 --> 00:27:17,385

But only one of us grows oleander
in their greenhouse.

472

00:27:17,469 --> 00:27:19,471

Now, I know this because I saw it

473

00:27:19,554 --> 00:27:22,223

when I was investigating
Jason Blossom's murder.

474

00:27:22,307 --> 00:27:25,143

-Uh, wait, Mr. Keller, can--?
-[cell phone buzzing]

475

00:27:26,061 --> 00:27:26,895

Yeah, Fred.

476

00:27:27,562 --> 00:27:28,396
What?

477

00:27:28,813 --> 00:27:31,566
Son of a gun. All right, all right.
I'll be right there.

478

00:27:31,650 --> 00:27:32,942
-Mr. Keller--
-I gotta go.

479

00:27:58,051 --> 00:27:58,885
Come on.

480

00:28:06,518 --> 00:28:07,519
Let's keep going.

481

00:28:21,616 --> 00:28:23,993
-Oh, my God.
-Oh, no. It's the Shadow Lake crew.

482

00:28:24,077 --> 00:28:25,787
[Kevin] And Sheriff Minetta was just here.

483

00:28:31,084 --> 00:28:31,918
Hey, hey.

484

00:28:34,504 --> 00:28:36,381
He's still alive.
We gotta get him to a hospital.

485

00:28:36,464 --> 00:28:38,717
-Archie--
-Minetta shot them because of me.

486

00:28:39,050 --> 00:28:41,970
I can't have any more blood on my hands.
Now grab his legs.

487

00:28:51,396 --> 00:28:53,314

[Sweet Pea] Someone's sending us
a message, Jones.

488
00:28:54,023 --> 00:28:55,483
-What's the message?
-Come on.

489
00:29:15,378 --> 00:29:16,212
Joaquin.

490
00:29:23,678 --> 00:29:24,888
Who do you think did it?

491
00:29:27,390 --> 00:29:28,391
Uh...

492
00:29:30,310 --> 00:29:31,144
I don't know.

493
00:29:33,938 --> 00:29:36,608
The Gargoyle Gang, or Hiram Lodge.
It could be anyone.

494
00:29:38,359 --> 00:29:39,903
That symbol on his forehead.

495
00:29:41,613 --> 00:29:42,447
Sacrifice.

496
00:29:46,451 --> 00:29:47,660
I have to get to Archie.

497
00:29:50,413 --> 00:29:52,165
[motorcycle revving]

498
00:29:58,129 --> 00:29:59,172
We're too late.

499
00:29:59,547 --> 00:30:03,009
Well, for all we know,
Archie and Kevin never made it here, Fred.

500
00:30:04,302 --> 00:30:07,263
Yeah, this is Tom Keller.
I'd like to report a multiple 187.

501
00:30:08,264 --> 00:30:10,475
Two young men, Shadow Lake Mine.

502
00:30:11,434 --> 00:30:12,268
Gunshots.

503
00:30:18,775 --> 00:30:20,401
Police were called
to Shadow Lake Hospital.

504
00:30:20,485 --> 00:30:23,112
A boy was brought in.
Critical condition with gunshot wounds.

505
00:30:23,196 --> 00:30:25,365
-Is it Kevin or Archie?
-They can't tell me.

506
00:30:25,448 --> 00:30:26,908
No ID. Come on. We should go.

507
00:30:39,921 --> 00:30:41,339
I just heard from the nurse.

508
00:30:42,131 --> 00:30:45,093
He didn't make it, Archie.
They said he lost too much blood.

509
00:30:46,302 --> 00:30:47,303
I'm sorry, man.

510
00:30:48,054 --> 00:30:49,055
Everywhere I go...

511
00:30:51,099 --> 00:30:53,560
everything I do just leads to more death.

512

00:30:54,060 --> 00:30:55,228
More pain.

513
00:30:55,311 --> 00:30:57,897
Those guys would still be alive
if I wasn't in the picture.

514
00:30:57,981 --> 00:31:00,316
Let me remind you,
those guys weren't innocent.

515
00:31:00,400 --> 00:31:02,735
Okay? They were-- They were criminals.

516
00:31:02,819 --> 00:31:04,571
They didn't deserve to die for it.

517
00:31:05,697 --> 00:31:08,616
Hiram Lodge has done everything
in his power to destroy me.

518
00:31:10,159 --> 00:31:12,287
And he won't stop until I'm dead, too.

519
00:31:13,037 --> 00:31:16,416
Even if by some-- Some miracle,

520
00:31:17,333 --> 00:31:18,710
my innocence is proven...

521
00:31:20,378 --> 00:31:22,463
I don't think I can go back to Riverdale.

522
00:31:30,263 --> 00:31:33,224
Attorney McCoy,
thank you for posting my bail.

523
00:31:33,725 --> 00:31:34,893
How's Josie doing?

524
00:31:34,976 --> 00:31:37,604
She's resting.

And what about you, Veronica?

525

00:31:37,687 --> 00:31:38,688
You tell me.

526

00:31:39,731 --> 00:31:42,525
If one has concrete proof of coercion

527

00:31:42,901 --> 00:31:44,235
and tampering of evidence,

528

00:31:45,069 --> 00:31:47,530
would it be enough
to free the wrongfully accused?

529

00:31:50,575 --> 00:31:51,784
[Betty] Mrs. Blossom.

530

00:31:51,868 --> 00:31:53,870
Please, Betty. Call me Aunty.

531

00:31:55,747 --> 00:31:56,706
Aunty Blossom...

532

00:31:58,166 --> 00:32:01,294
Mr. Doiley died from oleander poisoning.

533

00:32:03,588 --> 00:32:05,715
Do you have that flower
in your greenhouse?

534

00:32:15,767 --> 00:32:19,854
Even if I wanted to poison Daryl Doiley...

535

00:32:21,397 --> 00:32:24,150
I wouldn't use oleander. It leaves traces.

536

00:32:26,819 --> 00:32:31,366
You know, Betty, I came here to help you,
out of the kindness of my heart.

537

00:32:31,783 --> 00:32:34,035
But if you're looking for someone
to accuse,

538
00:32:34,118 --> 00:32:35,244
it was your own mother

539
00:32:35,328 --> 00:32:37,747
who wrote the article
reporting Daryl's suicide.

540
00:32:38,665 --> 00:32:41,334
So, maybe you should ask yourself,
and her,

541
00:32:41,960 --> 00:32:44,462
what reasons she had
for covering up a murder.

542
00:32:50,301 --> 00:32:52,887
Well, do you have anything
to say for yourself, Mom?

543
00:32:54,013 --> 00:32:58,935
[sighs] You have shaken every tree today.
I'm sure there's nothing left to say.

544
00:32:59,018 --> 00:33:02,021
How about that you helped
cover up Daryl Doiley's murder?

545
00:33:02,105 --> 00:33:04,065
Oh, Betty. When will you stop?

546
00:33:04,148 --> 00:33:06,359
When you stop lying to me, Mom.

547
00:33:06,442 --> 00:33:09,529
Mr. Doiley didn't die
from carbon monoxide inhalation,

548
00:33:09,612 --> 00:33:11,614
like you wrote in this article.

549
00:33:11,698 --> 00:33:13,992
Someone staged it to look like a suicide.

550
00:33:14,075 --> 00:33:16,995
Someone afraid
of what Mr. Doiley might say.

551
00:33:17,078 --> 00:33:20,081
Thanks to Sheriff Keller,
there was no murder investigation.

552
00:33:20,164 --> 00:33:21,958
You all have a hand in this.

553
00:33:22,041 --> 00:33:24,836
You're all just circling the wagons,
playing a part.

554
00:33:25,336 --> 00:33:26,379
Why, Mom?

555
00:33:27,088 --> 00:33:28,339
Who are you protecting?

556
00:33:28,423 --> 00:33:29,632
[thunder rumbling]

557
00:33:32,969 --> 00:33:34,470
-Mom?
-Stay here.

558
00:33:34,554 --> 00:33:36,973
-I'll check the circuit breaker.
-No, I'm coming.

559
00:33:37,306 --> 00:33:38,975
[banging on door]

560
00:33:42,687 --> 00:33:43,688
Who is it?

561
00:33:44,272 --> 00:33:45,273
Who's there?

562
00:33:47,567 --> 00:33:48,401
Mom.

563
00:33:51,529 --> 00:33:52,363
Hello?

564
00:33:53,906 --> 00:33:54,991
Betty, call 911.

565
00:34:13,384 --> 00:34:14,385
Oh, my God.

566
00:34:16,512 --> 00:34:17,555
They were in here.

567
00:34:23,269 --> 00:34:24,353
Get behind me, Betty.

568
00:34:25,980 --> 00:34:26,981
Come on.

569
00:34:29,567 --> 00:34:33,529
Whoa, whoa. I was looking for Jughead,
but someone slammed the door in my face.

570
00:34:33,613 --> 00:34:36,783
-I was trying to get in.
-FP, the Gargoyle King is in the house.

571
00:34:36,866 --> 00:34:37,950
He's in the house.

572
00:34:38,201 --> 00:34:39,243
Shh.

573
00:34:40,661 --> 00:34:41,496
It's okay.

574
00:34:42,163 --> 00:34:43,247
It's okay.

575
00:34:52,673 --> 00:34:53,508
Excuse me.

576
00:34:54,092 --> 00:34:56,594
-A boy was brought here. He was shot.
-[Kevin] Dad?

577
00:34:56,677 --> 00:34:57,512
[Keller] Hey.

578
00:34:58,846 --> 00:35:00,473
-You all right?
-Yeah. I'm fine.

579
00:35:02,391 --> 00:35:04,393
Um, where's Archie? Is--?

580
00:35:04,477 --> 00:35:07,355
He's okay, Mr. Andrews, but he's gone.

581
00:35:07,772 --> 00:35:10,566
He, uh-- He left you something. A note.

582
00:35:26,290 --> 00:35:28,292
Someone let you out of your cage, I see.

583
00:35:29,627 --> 00:35:30,837
What do you mean, Hiram?

584
00:35:31,170 --> 00:35:32,547
You didn't know, Mom?

585
00:35:33,631 --> 00:35:35,883
Your husband left me in a jail cell,

586
00:35:35,967 --> 00:35:37,885
for putting my nose
where it didn't belong.

587

00:35:37,969 --> 00:35:39,929
But it was so worth it.

588

00:35:40,012 --> 00:35:42,765
-What are you talking about?
-Archie, of course.

589

00:35:43,432 --> 00:35:46,978
I found the deleted tape
of Sheriff Minetta coercing witnesses.

590

00:35:47,061 --> 00:35:50,648
Attorney McCoy's meeting with the judge
to overturn Archie's conviction.

591

00:35:50,731 --> 00:35:52,400
Your henchman, Minetta...

592

00:35:53,109 --> 00:35:54,193
[chuckles]

593

00:35:54,360 --> 00:35:56,279
is going down.

594

00:35:56,654 --> 00:35:59,031
And if you two evildoers go down with him,

595

00:36:01,033 --> 00:36:01,868
so be it.

596

00:36:04,745 --> 00:36:06,747
[Alice] We're no longer safe, Betty.

597

00:36:06,831 --> 00:36:09,834
And that attack was only the beginning.

598

00:36:10,751 --> 00:36:13,379
It's clear that you won't
drop this investigation,

599

00:36:13,462 --> 00:36:15,006
no matter the consequences.

600
00:36:15,381 --> 00:36:17,300
And this house is no longer safe.

601
00:36:18,176 --> 00:36:19,177
Which is why...

602
00:36:21,137 --> 00:36:22,263
I'm going to the Farm,

603
00:36:23,389 --> 00:36:25,850
with Polly and the twins.

604
00:36:25,933 --> 00:36:26,934
Well, have fun.

605
00:36:27,727 --> 00:36:29,937
Because I'm definitely not going
to the Farm.

606
00:36:30,021 --> 00:36:31,939
No. You're not.

607
00:36:32,023 --> 00:36:32,982
[door opens]

608
00:36:34,317 --> 00:36:36,277
Edgar said that you would resist.

609
00:36:37,028 --> 00:36:40,656
-And that we should send you elsewhere.
-Mom, what's--? What's happening?

610
00:36:40,740 --> 00:36:43,743
Betty, there's no safer place for you now.

611
00:36:43,826 --> 00:36:46,537
The Sisters protected me.
They protected Polly.

612
00:36:46,621 --> 00:36:47,830
They'll watch over you.

613
00:36:48,456 --> 00:36:49,665
No. Mom.

614
00:36:50,541 --> 00:36:51,375
Mom.

615
00:36:51,626 --> 00:36:54,045
Are you out of your mind?
Why are you doing this?

616
00:36:54,128 --> 00:36:56,088
Because I love you, Elizabeth.

617
00:36:56,172 --> 00:36:57,423
Hey. Mom.

618
00:36:58,049 --> 00:36:59,550
Let me go. Mom.

619
00:36:59,634 --> 00:37:00,927
[cell phone ringing]

620
00:37:07,600 --> 00:37:09,810
What do you mean, "he's gone," Kevin?

621
00:37:09,894 --> 00:37:12,688
Believe me, I tried.
Archie said he couldn't come back.

622
00:37:12,772 --> 00:37:14,857
Only because he doesn't know
he's been exonerated.

623
00:37:14,941 --> 00:37:17,777
-And you let him go alone?
-Not-- Not alone.

624
00:37:17,860 --> 00:37:18,736

He called--

625

00:37:18,819 --> 00:37:19,904
[cell phone ringing]

626

00:37:25,576 --> 00:37:26,994
-Archie?
-[sighs]

627

00:37:27,703 --> 00:37:28,537
Veronica.

628

00:37:29,330 --> 00:37:31,582
I am so glad you called, Archie.

629

00:37:31,791 --> 00:37:34,543
We did it. Attorney McCoy worked it out
with the judge.

630

00:37:34,627 --> 00:37:38,005
-You're a free man.
-I shouldn't be surprised. You're amazing.

631

00:37:38,089 --> 00:37:41,884
-I promised you'd be free by homecoming.
-Veronica Lodge keeps her word.

632

00:37:41,968 --> 00:37:43,094
Thank you, Veronica.

633

00:37:44,387 --> 00:37:46,097
For everything you've done for me.

634

00:37:46,472 --> 00:37:47,848
No need to thank me, lover.

635

00:37:48,641 --> 00:37:50,351
Just tell me where to pick you up.

636

00:37:58,109 --> 00:37:59,110
Ronnie, I...

637
00:38:01,946 --> 00:38:03,197
I can't come home.

638
00:38:05,408 --> 00:38:06,492
Didn't you hear me?

639
00:38:08,786 --> 00:38:10,663
There's nothing to be afraid of.

640
00:38:10,746 --> 00:38:14,250
Sheriff Minetta's going to prison
for a long, long time.

641
00:38:14,333 --> 00:38:15,960
But your dad is still out there.

642
00:38:17,169 --> 00:38:18,629
And I can't escape him.

643
00:38:18,713 --> 00:38:20,506
As long as we're together,
he'll hunt me down.

644
00:38:20,589 --> 00:38:23,301
Everyone close to me is his target.
That includes you.

645
00:38:23,384 --> 00:38:24,385
Where are you?

646
00:38:25,469 --> 00:38:28,723
I'm not letting you go off,
God knows where, and alone.

647
00:38:30,599 --> 00:38:31,600
I'm not alone.

648
00:38:39,233 --> 00:38:40,818
Ronnie, when I first met you...

649
00:38:42,987 --> 00:38:43,946

you were it for me.

650

00:38:45,906 --> 00:38:47,616
Everything I could've ever wanted.

651

00:38:48,701 --> 00:38:50,745
I saw our whole future.

652

00:38:51,245 --> 00:38:53,581
Because we're endgame, Archie.

653

00:38:56,709 --> 00:38:58,586
I hope you know how much I love you.

654

00:38:59,670 --> 00:39:02,715
[sobbing]
If you loved me, you would come home.

655

00:39:03,883 --> 00:39:06,052
You know in your heart
I'm right about this.

656

00:39:06,135 --> 00:39:07,303
It just hurts to admit it.

657

00:39:09,847 --> 00:39:12,308
Don't make me say goodbye to you,
Archie Andrews.

658

00:39:12,808 --> 00:39:14,560
Because I don't wanna hear it back.

659

00:39:18,105 --> 00:39:18,939
I can't.

660

00:39:20,858 --> 00:39:22,151
I can't. I...

661

00:39:22,234 --> 00:39:23,444
[crying]

662

00:39:40,878 --> 00:39:41,962
Goodbye, Veronica.

663
00:39:54,850 --> 00:39:55,851
Some money.

664
00:39:56,310 --> 00:39:57,520
A change of clothes.

665
00:39:59,313 --> 00:40:00,940
Granola bars, juice boxes.

666
00:40:02,608 --> 00:40:04,235
Thanks for coming out here, Jug.

667
00:40:07,279 --> 00:40:08,697
Sure you wanna do this, man?

668
00:40:10,116 --> 00:40:11,700
Leaving is my best option, Jug.

669
00:40:12,910 --> 00:40:13,911
It's my only option.

670
00:40:15,162 --> 00:40:16,163
I don't disagree.

671
00:40:24,880 --> 00:40:25,881
Joaquin is dead.

672
00:40:27,633 --> 00:40:30,845
That symbol you have branded on your hip,
he had one on his forehead.

673
00:40:32,430 --> 00:40:33,514
It means "sacrifice."

674
00:40:34,056 --> 00:40:34,890
What?

675
00:40:36,142 --> 00:40:38,269

-Who the hell is doing this?
-I don't know.

676
00:40:39,854 --> 00:40:42,064
I have a feeling
Hiram Lodge is a part of it.

677
00:40:43,065 --> 00:40:44,066
He always is.

678
00:40:45,734 --> 00:40:47,945
Don't worry.
I won't let you out of my sight.

679
00:40:48,028 --> 00:40:49,613
["The Ballad of Paladin" playing]
