

# RIVERDALE

**CREATED BY**

Roberto Aguirre-Sacasa

**EPISODE 3.10**

**"Chapter Forty-Five: The Stranger"**

While Archie stages a shocking return, the gang prepares for a new kind of test. Betty struggles with a covert visit. Jughead navigates a fatal error.

**WRITTEN BY:**

Alvin Sanders	...	Pop Tate
Drew Ray Tanner	...	Fangs Fogarty
Tyson Arner	...	Gargoyle Leader
Shaquan Lewis	...	Guard Barnaby
Brad Mann	...	Leo
Todd Mann	...	Nico
Scott McNeil	...	Tall Boy
Sam Spear	...	Deputy
Elizabeth Thai	...	Proctor

1

00:00:08,258 --> 00:00:09,551

[narrator]

Previously on Riverdale:

2

00:00:09,634 --> 00:00:11,928

[Jughead] Hiram's gonna follow you or us,  
wherever we go.

3

00:00:12,012 --> 00:00:13,346

Where is he?

4

00:00:13,930 --> 00:00:16,933

-I've heard of this game before.  
-It's an urban legend.

5

00:00:17,017 --> 00:00:18,560

We definitely have to play it.

6

00:00:18,643 --> 00:00:20,687

[Alice] We dubbed ourselves  
the Midnight Club.

7

00:00:20,770 --> 00:00:22,605

[Penelope] Welcome to the Ascension Party.

8

00:00:22,689 --> 00:00:23,982

What about these drugs?

9

00:00:24,065 --> 00:00:27,444

-I don't know how they get them.  
-A Serpent dealer. Fangs Fogarty.

10

00:00:27,527 --> 00:00:29,612

Go undercover. Join the Gargoyle Gang.

11

00:00:29,696 --> 00:00:32,115

Need a man inside Hiram Lodge's  
drug operations

12

00:00:32,198 --> 00:00:34,117

-to take him down.  
-[Archie] Your dad's out there.

13

00:00:34,200 --> 00:00:37,537  
If we're together, he'll hunt me down.  
Everyone close to me is his target.

14

00:00:37,620 --> 00:00:39,706  
If you loved me, you would come home.

15

00:00:40,290 --> 00:00:42,042  
[Archie]  
If I ever wanna go back to Riverdale,

16

00:00:42,125 --> 00:00:44,377  
I have to destroy  
that part of me that's weak.

17

00:00:44,461 --> 00:00:45,336  
[bear roars]

18

00:00:45,420 --> 00:00:47,672  
I was attacked by a grizzly.  
I'm in bad shape.

19

00:00:48,673 --> 00:00:50,175  
[woman] Come on. Wake up, kid.

20

00:00:54,596 --> 00:00:57,015  
[Jughead] At 8:47 on a Wednesday morning,

21

00:00:57,265 --> 00:00:58,391  
Archie Andrews died.

22

00:01:06,483 --> 00:01:08,860  
At least, the Archie we knew.

23

00:01:10,987 --> 00:01:13,323  
What returned to Riverdale  
was something far different

24

00:01:13,406 --> 00:01:15,158  
from the redheaded boy next door.

25  
00:01:16,743 --> 00:01:18,286  
He was now a stranger,

26  
00:01:19,204 --> 00:01:20,997  
with dark hair and scars...

27  
00:01:22,165 --> 00:01:23,458  
both inside and out.

28  
00:01:27,962 --> 00:01:28,963  
What, Vegas?

29  
00:01:31,549 --> 00:01:32,383  
Archie.

30  
00:01:34,594 --> 00:01:35,595  
Hey, Dad.

31  
00:01:37,597 --> 00:01:38,932  
[groans]

32  
00:01:39,390 --> 00:01:40,600  
What? What's wrong, son?

33  
00:01:41,059 --> 00:01:42,143  
It's a long story.

34  
00:01:44,896 --> 00:01:46,397  
I don't remember the rangers finding me.

35  
00:01:46,481 --> 00:01:50,610  
Then I woke up in the hospital,  
knowing that... I couldn't keep running.

36  
00:01:51,194 --> 00:01:54,906  
It was time to come home,  
back to a normal life, if that's possible.

37  
00:01:55,865 --> 00:01:56,783  
What about Hiram?

38

00:01:56,866 --> 00:01:59,410  
[chuckles] I survived a bear attack, Dad.

39

00:02:00,245 --> 00:02:03,623  
I can't live my life in fear  
of when he might come after me anymore.

40

00:02:05,792 --> 00:02:07,752  
I'm more worried  
about him gunning for you.

41

00:02:09,129 --> 00:02:10,463  
I survived the Black Hood.

42

00:02:11,047 --> 00:02:11,881  
Twice.

43

00:02:12,507 --> 00:02:13,675  
Hiram doesn't scare me.

44

00:02:14,551 --> 00:02:16,928  
He's not the only one in this town  
with friends.

45

00:02:18,054 --> 00:02:20,265  
What about Veronica? You reach out to her?

46

00:02:28,398 --> 00:02:29,440  
[Archie] Veronica?

47

00:02:32,318 --> 00:02:33,153  
Archie?

48

00:02:45,456 --> 00:02:47,667  
What are you doing here?  
Where have you been?

49

00:02:47,750 --> 00:02:49,752  
-Why haven't you called me?  
-I wanted to.

50

00:02:50,086 --> 00:02:51,963  
Every day. But after the last call...

51  
00:02:52,422 --> 00:02:54,257  
What the hell happened to your hair?

52  
00:02:56,092 --> 00:02:58,845  
I dyed it,  
so I wouldn't get recognized, in case...

53  
00:03:00,305 --> 00:03:02,015  
your father came looking for me.

54  
00:03:02,807 --> 00:03:03,641  
Right.

55  
00:03:17,447 --> 00:03:18,448  
Veronica, I'm sorry.

56  
00:03:20,158 --> 00:03:24,370  
If you don't wanna ever talk to me again,  
I completely understand that.

57  
00:03:26,122 --> 00:03:27,290  
Don't be crazy, Archie.

58  
00:03:27,707 --> 00:03:29,459  
I'm just so happy that you're home.

59  
00:03:32,337 --> 00:03:33,379  
And safe.

60  
00:03:48,937 --> 00:03:52,607  
[Pop] Two chocolates, one vanilla,  
and a root beer float for Archie.

61  
00:03:53,233 --> 00:03:54,609  
-Welcome home.  
-Thanks, Pop.

62  
00:03:56,069 --> 00:03:58,238  
Since when do you drink root beer floats?

63  
00:03:58,488 --> 00:04:00,573  
I'm just not in the mood for a milkshake.

64  
00:04:02,992 --> 00:04:04,535  
New drink, new hair...

65  
00:04:05,203 --> 00:04:07,121  
new haunted, vacant look in your eyes.

66  
00:04:07,205 --> 00:04:11,459  
Guys, Archie lived through The Revenant.  
Let him order what he wants.

67  
00:04:12,877 --> 00:04:15,213  
So, what'd I miss while I was gone?

68  
00:04:16,923 --> 00:04:20,885  
Well, thanks to the town quarantine  
orchestrated by my father,

69  
00:04:20,969 --> 00:04:23,221  
Pop's was shut down, and just reopened.

70  
00:04:23,513 --> 00:04:26,099  
He's also been attacking shipments  
to the speakeasy.

71  
00:04:26,182 --> 00:04:29,060  
But I've hired the Serpents  
as my full-time protection,

72  
00:04:29,143 --> 00:04:31,604  
and that service extends to you, Archie.

73  
00:04:31,688 --> 00:04:34,148  
Don't worry about Hiram's goons  
coming after you or your dad.

74  
00:04:34,232 --> 00:04:36,818  
You won't see them,  
but I have guys watching you.

75

00:04:36,901 --> 00:04:40,446  
I have a possible lead that could diffuse  
this threat permanently.

76

00:04:41,155 --> 00:04:42,573  
What, Jug?

77

00:04:45,868 --> 00:04:47,036  
You can't tell anyone.

78

00:04:47,704 --> 00:04:50,498  
Fangs is deep undercover  
in the Gargoyle Gang.

79

00:04:50,581 --> 00:04:52,667  
Hasn't met the King. He's working on it.

80

00:04:52,750 --> 00:04:54,752  
When we get access, we'll take him down.

81

00:04:55,420 --> 00:04:57,505  
My bet is it's Hiram underneath the mask.

82

00:04:59,507 --> 00:05:00,883  
-Sorry, Veronica.  
-Don't be.

83

00:05:01,342 --> 00:05:04,971  
-I wouldn't put it past him.  
-Well, there goes studying for the SATs.

84

00:05:06,180 --> 00:05:07,015  
What?

85

00:05:07,557 --> 00:05:08,391  
SATs?

86

00:05:08,474 --> 00:05:10,018  
Yeah, they're this Saturday.

87

00:05:13,021 --> 00:05:15,481  
Don't worry.  
I will help you study and catch up.

88  
00:05:15,565 --> 00:05:16,482  
Okay? We all will.

89  
00:05:16,566 --> 00:05:17,734  
[sighs]

90  
00:05:18,568 --> 00:05:21,821  
I'm sorry, Betty,  
but your debit card was declined.

91  
00:05:22,447 --> 00:05:24,866  
I got you, Bee.  
Just put it on my tab, Pop.

92  
00:05:26,743 --> 00:05:29,954  
This is a new low. I was on the phone  
with the Bank of Riverdale,

93  
00:05:30,038 --> 00:05:33,708  
who told me that all of my accounts,  
including my college fund,

94  
00:05:33,791 --> 00:05:35,752  
have been completely drained of assets.

95  
00:05:35,835 --> 00:05:37,879  
Not drained, just transferred.

96  
00:05:38,296 --> 00:05:39,630  
Most of it was blood money

97  
00:05:39,714 --> 00:05:41,716  
-you inherited from the Blossoms.  
-Okay.

98  
00:05:42,425 --> 00:05:44,552  
Tell me where that money went.

99

00:05:45,595 --> 00:05:49,515  
It was wired to the Farm,  
as a tax-deductible donation.

100  
00:05:50,350 --> 00:05:51,893  
You gave my money to the Farm?

101  
00:05:51,976 --> 00:05:55,104  
To help support the children you liberated  
from the Sisters.

102  
00:05:55,188 --> 00:05:57,440  
-You just gave away my tuition money.  
-Or...

103  
00:05:57,523 --> 00:06:00,360  
of course, you could always study  
at the Farm for free.

104  
00:06:00,443 --> 00:06:02,070  
Mom, I swear to God,

105  
00:06:02,153 --> 00:06:05,615  
you are not cornering me  
into joining your cult.

106  
00:06:10,036 --> 00:06:11,120  
[Hiram] Fred Andrews.

107  
00:06:12,288 --> 00:06:13,331  
FP Jones.

108  
00:06:14,123 --> 00:06:15,583  
What can I do for you fellas?

109  
00:06:16,584 --> 00:06:19,379  
Came to let you know  
that my son is home permanently.

110  
00:06:19,879 --> 00:06:20,880  
He is?

111

00:06:22,507 --> 00:06:24,967  
-That's just great, Fred.  
-[FP] Cut the crap, Hiram.

112  
00:06:25,051 --> 00:06:28,346  
-We all know you have it out for his kid.  
-I'll stop you there.

113  
00:06:28,596 --> 00:06:30,390  
I've never wished any harm to...

114  
00:06:32,308 --> 00:06:33,559  
either of your sons.

115  
00:06:37,355 --> 00:06:40,566  
Hiram, if you harm a hair  
on Archie's head, I will kill you.

116  
00:06:41,025 --> 00:06:43,694  
Make no mistake about it.  
And I'll be at peace

117  
00:06:43,778 --> 00:06:46,781  
with whatever the consequences  
of that are.

118  
00:06:58,793 --> 00:07:02,213  
As you transition back into your life  
at Riverdale High,

119  
00:07:02,588 --> 00:07:06,676  
I would advise you to be realistic  
in terms of your goals.

120  
00:07:07,135 --> 00:07:08,219  
I am, Mr. Weatherbee.

121  
00:07:08,970 --> 00:07:12,348  
I just wanna get caught up,  
and I wanna be a normal student again.

122  
00:07:12,432 --> 00:07:14,350  
The SATs are this coming Saturday.

123  
00:07:14,767 --> 00:07:18,729  
I'm guessing you haven't really had  
a chance to adequately prepare?

124  
00:07:19,397 --> 00:07:20,398  
Not yet, sir.

125  
00:07:22,191 --> 00:07:24,402  
Mr. Andrews, given your situation,

126  
00:07:24,485 --> 00:07:25,945  
I would strongly recommend...

127  
00:07:27,321 --> 00:07:28,990  
that you repeat your junior year.

128  
00:07:34,120 --> 00:07:35,788  
And not graduate with my friends?

129  
00:07:36,998 --> 00:07:38,040  
In the long term...

130  
00:07:39,500 --> 00:07:41,252  
I believe it would be best for you.

131  
00:07:56,601 --> 00:07:57,685  
Everything all right?

132  
00:07:57,768 --> 00:07:59,979  
-You didn't text me back last night.  
-Reggie.

133  
00:08:00,521 --> 00:08:01,355  
Cool it.

134  
00:08:02,607 --> 00:08:03,816  
Archie's back.

135  
00:08:06,110 --> 00:08:07,987  
-Archie's back? Since when?

-Look.

136

00:08:08,070 --> 00:08:09,697  
I know we were...

137

00:08:11,115 --> 00:08:14,243  
But I can't tell Archie  
that one of his best friends

138

00:08:14,327 --> 00:08:17,205  
and his ex-girlfriend got together  
while he was away, so,

139

00:08:17,288 --> 00:08:19,415  
-you and I, this has to--  
-No, I get it.

140

00:08:20,041 --> 00:08:21,083  
Archie's back.

141

00:08:22,835 --> 00:08:23,836  
'Nuff said.

142

00:08:25,838 --> 00:08:26,797  
How's he doing?

143

00:08:27,590 --> 00:08:28,591  
He's feeling...

144

00:08:30,760 --> 00:08:31,594  
unsettled,

145

00:08:32,303 --> 00:08:33,304  
and stressed.

146

00:08:33,971 --> 00:08:36,057  
I can't do anything about the former,

147

00:08:36,140 --> 00:08:38,768  
but I definitely can about the latter.

148

00:08:40,102 --> 00:08:43,022  
With something that'll help all of us  
blow off some steam.

149  
00:08:43,481 --> 00:08:45,274  
[Betty] She can't do this, can she?

150  
00:08:45,358 --> 00:08:49,320  
She can as long as both  
of your parents signed off

151  
00:08:49,403 --> 00:08:50,571  
to release your funds.

152  
00:08:51,113 --> 00:08:55,535  
And from these, it looks like...  
your father did sign.

153  
00:08:55,618 --> 00:08:58,079  
No, that's impossible.  
She never goes to see him.

154  
00:08:58,454 --> 00:08:59,580  
Is this his signature?

155  
00:09:01,207 --> 00:09:02,500  
No. That's a forgery.

156  
00:09:03,000 --> 00:09:05,836  
And I know because I, myself,  
have forged it in the past.

157  
00:09:07,588 --> 00:09:09,006  
As part of an investigation.

158  
00:09:09,590 --> 00:09:12,552  
Well, you need to get your real father  
to sign an affidavit,

159  
00:09:12,635 --> 00:09:16,305  
attesting to the fact that he never agreed  
to liquidate your funds.

160  
00:09:16,722 --> 00:09:18,349  
Then we can pursue legal action.

161  
00:09:19,267 --> 00:09:20,268  
Which means...

162  
00:09:22,270 --> 00:09:23,563  
I have to see my dad.

163  
00:09:26,399 --> 00:09:27,858  
I'm sure you've heard, Hiram,

164  
00:09:27,942 --> 00:09:30,570  
the Sisters of Quiet Mercy estate  
is up for auction.

165  
00:09:30,653 --> 00:09:33,698  
Appears to be a competitive situation  
with multiple bidders,

166  
00:09:33,781 --> 00:09:36,701  
including the Farm,  
coming in with strong offers.

167  
00:09:36,784 --> 00:09:38,828  
I have other plans for that property.

168  
00:09:39,287 --> 00:09:40,288  
For my brothel?

169  
00:09:40,580 --> 00:09:43,749  
The Sisters will not be turned  
into a brothel, Madame Blossom.

170  
00:09:43,833 --> 00:09:46,460  
So, then why did you summon us here,  
Hiram?

171  
00:09:46,544 --> 00:09:48,212  
Because we need a new sheriff.

172

00:09:49,088 --> 00:09:51,549  
Someone who'll allow  
our various enterprises

173  
00:09:51,632 --> 00:09:53,801  
to continue without scrutiny.

174  
00:09:55,511 --> 00:09:57,471  
And I'm nominating you, Claudius.

175  
00:09:58,514 --> 00:10:01,934  
The last sheriff, Minetta,  
was found decapitated.

176  
00:10:03,561 --> 00:10:05,938  
-You're out of your mind, Hiram.  
-Oh, I'm sorry.

177  
00:10:07,773 --> 00:10:10,526  
Did I make it seem  
as if you had a choice in the matter?

178  
00:10:11,444 --> 00:10:12,695  
It's where I want you.

179  
00:10:13,154 --> 00:10:14,280  
It's not a request.

180  
00:10:20,119 --> 00:10:21,537  
Iconoclast?

181  
00:10:21,621 --> 00:10:22,455  
Iconoclast.

182  
00:10:24,123 --> 00:10:26,125  
[sighs] Okay, iconoclast.

183  
00:10:26,500 --> 00:10:27,335  
That is...

184  
00:10:30,087 --> 00:10:32,089  
A person who attacks another's beliefs.

185  
00:10:32,173 --> 00:10:34,216  
I'm in high school. How should I know?

186  
00:10:34,300 --> 00:10:37,219  
Let's start thinking about the SATs  
in terms of strategy.

187  
00:10:37,303 --> 00:10:41,807  
When in doubt, why don't you just  
fill in all the bubbles marked D?

188  
00:10:41,891 --> 00:10:44,727  
Betty, how'd I do on the practice test?  
I tanked it?

189  
00:10:45,436 --> 00:10:46,270  
Um...

190  
00:10:50,316 --> 00:10:51,484  
I got 600 on this part.

191  
00:10:51,984 --> 00:10:54,362  
That's your combined score, Arch.

192  
00:10:54,779 --> 00:10:57,239  
It's in the bottom 10th percentile.

193  
00:10:58,991 --> 00:11:00,284  
[cell phone buzzing]

194  
00:11:04,497 --> 00:11:06,832  
-I gotta go. It's Fangs.  
-Want me to come?

195  
00:11:06,916 --> 00:11:09,418  
No, stay,  
get a couple extra hours of cramming in.

196  
00:11:09,502 --> 00:11:12,338  
-Betty's gonna catch you up to speed. Bye.  
-Bye.

197  
00:11:12,421 --> 00:11:13,422  
Good luck.

198  
00:11:16,717 --> 00:11:17,718  
[Archie sighs]

199  
00:11:18,844 --> 00:11:21,430  
What's the point? It's hopeless, right?

200  
00:11:21,722 --> 00:11:24,934  
You said that when you were  
in second grade and couldn't read.

201  
00:11:25,017 --> 00:11:27,603  
-Remember? We got you caught up.  
-You did, you mean.

202  
00:11:28,562 --> 00:11:32,316  
Maybe Weatherbee's right.  
Maybe I've just missed too much here.

203  
00:11:32,400 --> 00:11:33,859  
I've changed too much.

204  
00:11:33,943 --> 00:11:36,112  
Well, in one respect, maybe you have.

205  
00:11:38,948 --> 00:11:39,949  
Do you trust me?

206  
00:11:41,617 --> 00:11:42,952  
Jughead, I'm in.

207  
00:11:44,704 --> 00:11:48,332  
-Tell me everything. What happened?  
-The Gargoyle King.

208  
00:11:49,041 --> 00:11:52,420  
The other guys told me that he's impressed  
by my Fizzle Rocks sales,

209  
00:11:52,503 --> 00:11:57,049  
so, he wants to invite me  
into his inner circle.

210  
00:11:57,675 --> 00:11:59,760  
They're having a ceremony tomorrow night.

211  
00:12:00,594 --> 00:12:01,595  
He'll be there.

212  
00:12:02,555 --> 00:12:05,391  
Fangs, this is huge. Where's it happening?

213  
00:12:05,474 --> 00:12:07,893  
A clearing in Fox Forest.  
Not too far from here.

214  
00:12:08,853 --> 00:12:10,271  
-What do you want me to do?  
-Go.

215  
00:12:11,397 --> 00:12:13,357  
But don't worry, you'll have backup.

216  
00:12:13,441 --> 00:12:15,151  
[Betty] Okay, Archie, let's see it.

217  
00:12:15,234 --> 00:12:16,068  
[grunts]

218  
00:12:19,530 --> 00:12:20,531  
[sighs]

219  
00:12:20,948 --> 00:12:21,949  
There he is.

220  
00:12:23,409 --> 00:12:24,702  
And just in time, too.

221  
00:12:26,245 --> 00:12:27,371  
Just in time for what?

222  
00:12:30,624 --> 00:12:31,709  
[crowd] Surprise!

223  
00:12:33,210 --> 00:12:34,628  
-[all cheering]  
-[Archie chuckles]

224  
00:12:34,712 --> 00:12:36,088  
What is all this?

225  
00:12:36,172 --> 00:12:38,174  
Well, it was going to be a study party,

226  
00:12:38,257 --> 00:12:40,509  
but that was before  
you came back home to us.

227  
00:12:40,593 --> 00:12:44,847  
So, now it's  
a study-slash-welcome-home party, Archie,

228  
00:12:45,556 --> 00:12:48,642  
complete with a musical amuse-bouche,  
provided by moi.

229  
00:12:49,059 --> 00:12:51,979  
So, take a seat, lover,  
and let me entertain you.

230  
00:12:53,731 --> 00:12:55,649  
[music playing on speakers]

231  
00:13:04,408 --> 00:13:06,744  
[singing in Spanish]

232  
00:14:18,774 --> 00:14:20,192  
It's good to see you, Betty.

233  
00:14:21,777 --> 00:14:23,445  
I'm disappointed it took so long.

234  
00:14:23,529 --> 00:14:24,905  
Let's skip the small talk.

235  
00:14:28,117 --> 00:14:29,285  
Is this your signature?

236  
00:14:34,290 --> 00:14:35,332  
No.

237  
00:14:36,625 --> 00:14:37,626  
What is that?

238  
00:14:37,877 --> 00:14:41,547  
Mom stole my college funds,  
so, I need you to sign an affidavit

239  
00:14:41,630 --> 00:14:43,924  
that says  
that this signature is a forgery.

240  
00:14:45,759 --> 00:14:47,720  
In reading the papers most recently,

241  
00:14:47,803 --> 00:14:52,057  
I found myself compelled  
by this Gargoyle King.

242  
00:14:53,475 --> 00:14:55,311  
Fourteen souls he's claimed.

243  
00:14:55,978 --> 00:14:56,937  
Remarkable.

244  
00:14:57,021 --> 00:15:01,650  
Of course,  
you'd find a kill count impressive.

245  
00:15:01,734 --> 00:15:04,236  
I bet it roils you up  
that you haven't caught him.

246

00:15:06,780 --> 00:15:07,865  
I could help you.

247  
00:15:08,782 --> 00:15:10,451  
I'm just trying to go to college.

248  
00:15:13,621 --> 00:15:14,788  
[Hal clears throat]

249  
00:15:14,872 --> 00:15:18,417  
This Gryphons and Gargoyles manual  
that I've read so much about,

250  
00:15:18,500 --> 00:15:19,877  
bring me a copy...

251  
00:15:21,045 --> 00:15:23,589  
and I'll be happy to sign your affidavit.

252  
00:15:25,883 --> 00:15:27,384  
[Reggie] I'm not down with it, Ronnie.

253  
00:15:27,468 --> 00:15:30,262  
Archie taking off like that?  
It's not cool.

254  
00:15:30,346 --> 00:15:33,599  
He's... in extremis, Reggie.

255  
00:15:34,183 --> 00:15:37,561  
For all we know he walked back  
to Riverdale all the way from Canada,

256  
00:15:37,645 --> 00:15:41,482  
and right into the pressure cooker  
of school and the SATs.

257  
00:15:41,565 --> 00:15:42,650  
All I'm saying is...

258  
00:15:43,692 --> 00:15:46,445  
the Archie I saw last night,

he's different.

259

00:15:46,528 --> 00:15:48,447  
I don't disagree.

260

00:15:49,740 --> 00:15:52,409  
-He is different, Reggie.  
-And if it's permanent?

261

00:15:53,243 --> 00:15:54,078  
Hmm?

262

00:15:54,411 --> 00:15:58,415  
-And he's not your Archiekins anymore?  
-Look, I know what you want me to say.

263

00:16:00,626 --> 00:16:03,045  
But I just can't even think  
about that right now.

264

00:16:06,465 --> 00:16:07,466  
[door bangs]

265

00:16:11,637 --> 00:16:14,807  
You got some pretty big coconuts,  
pulling that stunt last night.

266

00:16:14,890 --> 00:16:17,017  
You don't know what you're talking about.

267

00:16:18,435 --> 00:16:22,147  
I'm talking about how you stormed out  
of the speakeasy like a little bitch.

268

00:16:23,399 --> 00:16:27,569  
Bro, I'm warning you,  
you don't wanna start with me.

269

00:16:27,653 --> 00:16:30,739  
Dude, what the hell happened?  
How'd you get those scars?

270

00:16:32,116 --> 00:16:34,910

-I was attacked by a bear.

-What? You serious?

271

00:16:35,369 --> 00:16:37,162

You were attacked by a frigging bear?

272

00:16:38,330 --> 00:16:41,333

Damn. No wonder why you're all messed up.

273

00:16:47,172 --> 00:16:49,299

[Hiram]

Mi amor, we've outgrown the Pembroke,

274

00:16:49,383 --> 00:16:53,095

so, I've decided  
to buy the Sisters of Quiet Mercy.

275

00:16:53,554 --> 00:16:55,389

It'll be our castle, our stronghold.

276

00:16:55,681 --> 00:16:56,932

Sounds wonderful.

277

00:16:57,391 --> 00:17:01,937

Except that the place is probably haunted  
by the ghosts of the nuns that died there.

278

00:17:02,021 --> 00:17:03,731

I'll have it cleansed by a señora.

279

00:17:04,565 --> 00:17:06,191

In the meantime, I need you

280

00:17:06,275 --> 00:17:08,944

to appoint Claudius Blossom  
sheriff of Riverdale.

281

00:17:09,028 --> 00:17:12,781

After some careful consideration,  
he's agreed to take on the challenge.

282

00:17:13,198 --> 00:17:14,491  
Hiram...

283  
00:17:15,451 --> 00:17:16,827  
-no.  
-Mm.

284  
00:17:16,910 --> 00:17:19,621  
Claudius Blossom is your business partner.

285  
00:17:20,581 --> 00:17:22,458  
-People will talk.  
-So, let them talk.

286  
00:17:23,459 --> 00:17:24,918  
Given our recent expansions,

287  
00:17:25,002 --> 00:17:28,130  
it's imperative that we have a friend  
in the sheriff's office.

288  
00:17:28,213 --> 00:17:31,258  
Ironically, considering I don't know  
what these expansions are.

289  
00:17:31,341 --> 00:17:32,593  
Yeah, it doesn't matter.

290  
00:17:35,262 --> 00:17:38,015  
It's what's best for the family,  
Hermione, so...

291  
00:17:38,724 --> 00:17:39,850  
for all our sakes...

292  
00:17:41,894 --> 00:17:42,978  
but especially yours,

293  
00:17:43,437 --> 00:17:44,438  
I'd do it quick.

294  
00:17:48,067 --> 00:17:50,986

[Betty] The G&G manual, as requested.

295

00:17:53,113 --> 00:17:54,531  
Did you bring the affidavit?

296

00:18:20,557 --> 00:18:21,642  
Leaving so quickly?

297

00:18:22,684 --> 00:18:24,853  
Can't we at least exchange pleasantries?

298

00:18:26,980 --> 00:18:29,316  
What? What do you wanna talk about, huh?

299

00:18:30,192 --> 00:18:31,985  
The SATs? My college applications?

300

00:18:32,069 --> 00:18:34,363  
I think we're beyond that point,  
don't you?

301

00:18:34,446 --> 00:18:35,280  
[Hal] Perhaps.

302

00:18:35,364 --> 00:18:37,950  
So, what if we talked  
about Ascension Night?

303

00:18:40,410 --> 00:18:41,787  
How do you know about that?

304

00:18:43,789 --> 00:18:44,790  
I was there.

305

00:18:45,374 --> 00:18:48,877  
How? You weren't a member  
of the Midnight Club.

306

00:18:48,961 --> 00:18:49,795  
No.

307

00:18:50,796 --> 00:18:52,005  
But I knew about them.

308  
00:18:52,089 --> 00:18:53,090  
Who they were.

309  
00:18:54,466 --> 00:18:56,718  
I was the one  
who sent them the invitations

310  
00:18:56,802 --> 00:18:57,845  
for Ascension Night,

311  
00:18:57,928 --> 00:19:00,139  
who dressed up as the Gargoyle King,

312  
00:19:00,222 --> 00:19:01,890  
and who poisoned the chalices.

313  
00:19:01,974 --> 00:19:04,643  
Wait, you killed Principal Featherhead?

314  
00:19:06,186 --> 00:19:07,980  
-Why?  
-My plan had been

315  
00:19:08,063 --> 00:19:11,316  
to kill as many members  
of the Midnight Club as possible,

316  
00:19:12,276 --> 00:19:14,236  
because they were all sinners, Betty.

317  
00:19:14,695 --> 00:19:15,863  
Every last one of them.

318  
00:19:17,865 --> 00:19:21,952  
But Featherhead crashed the party  
and drank from the cups.

319  
00:19:22,619 --> 00:19:25,164  
-Was he your first kill?

-Yes.

320

00:19:25,247 --> 00:19:27,875

Is that why you think  
you can solve the mystery

321

00:19:27,958 --> 00:19:29,960

of the Gargoyle King in the present?

322

00:19:30,043 --> 00:19:33,463

-Because--?

-Because I was the Gargoyle King...

323

00:19:34,506 --> 00:19:35,591

in the past.

324

00:19:43,849 --> 00:19:46,894

-You and your mom keep missing each other.

-Excuse me?

325

00:19:46,977 --> 00:19:48,937

My mother hasn't been here in months.

326

00:19:49,021 --> 00:19:52,900

-Her name is Alice Cooper, isn't it?

-Yeah.

327

00:19:52,983 --> 00:19:55,068

She comes every Monday, like clockwork.

328

00:19:56,987 --> 00:19:57,988

[Fred] Fresh whites.

329

00:19:58,322 --> 00:19:59,323

Coming in.

330

00:19:59,907 --> 00:20:01,742

Changing it up in here a little bit?

331

00:20:01,825 --> 00:20:04,703

I was studying at my desk,  
but it was cluttered with crap.

332  
00:20:04,786 --> 00:20:08,916  
Whoa. Who is this guy?  
The Variety Show. You remember that?

333  
00:20:08,999 --> 00:20:11,126  
-That was great.  
-Barely, to be honest.

334  
00:20:12,252 --> 00:20:16,048  
-Are you feeling okay, son?  
-Yeah, Dad. I'm just restless.

335  
00:20:16,131 --> 00:20:20,260  
It's weird being home, back in this room,  
after all this time. I feel kind of lost.

336  
00:20:21,220 --> 00:20:22,054  
Wanna--?

337  
00:20:22,137 --> 00:20:23,388  
Wanna talk about it?

338  
00:20:23,472 --> 00:20:26,308  
Maybe after the SATs.  
I gotta keep studying.

339  
00:20:27,809 --> 00:20:28,644  
Can you...?

340  
00:20:29,228 --> 00:20:30,604  
-Yeah.  
-Thanks.

341  
00:20:40,280 --> 00:20:41,323  
[breathing deeply]

342  
00:21:01,969 --> 00:21:04,513  
Fangs Fogarty, kneel before your king.

343  
00:21:12,771 --> 00:21:14,690  
[growling]

344  
00:21:18,068 --> 00:21:20,112  
[clinking]

345  
00:21:23,532 --> 00:21:26,243  
To enter his kingdom,  
you must bear his mark,

346  
00:21:26,326 --> 00:21:27,828  
the mark of the Gargoyle.

347  
00:21:32,165 --> 00:21:33,166  
[both grunt]

348  
00:21:37,921 --> 00:21:40,632  
-[Jughead] Now!  
-[Serpents yelling]

349  
00:21:40,716 --> 00:21:42,718  
[Gargoyle] It's the Serpents. Scatter.

350  
00:21:44,261 --> 00:21:46,054  
[Jughead] Sweet Pea, get Fangs!

351  
00:21:47,389 --> 00:21:48,432  
[FP] Mine.

352  
00:21:58,066 --> 00:21:59,067  
Tall Boy?

353  
00:22:07,534 --> 00:22:11,371  
We all thought you were dead, Tall Boy.  
Where you been hiding?

354  
00:22:13,457 --> 00:22:15,334  
A small town called Athens.

355  
00:22:17,085 --> 00:22:18,128  
Gotta say,

356  
00:22:18,211 --> 00:22:19,296

it's good to be back.

357

00:22:20,297 --> 00:22:23,175

Alice Cooper, she was looking extra sweet

358

00:22:23,258 --> 00:22:25,510

the night me and my boys  
broke into her house,

359

00:22:25,594 --> 00:22:28,889

scared the crap out of her  
and her bitch daughter. That was fun.

360

00:22:29,973 --> 00:22:30,849

[laughs]

361

00:22:31,391 --> 00:22:33,393

All right. Let's cut to the chase.

362

00:22:34,770 --> 00:22:36,146

We know you work for Hiram.

363

00:22:36,855 --> 00:22:40,025

You've been dressing up  
in that little costume, like his mascot.

364

00:22:40,275 --> 00:22:41,443

So, now you...

365

00:22:42,069 --> 00:22:43,695

are gonna help us take him down.

366

00:22:44,279 --> 00:22:46,114

You know what else was fun?

367

00:22:47,657 --> 00:22:50,869

Carving that symbol on Joaquin's forehead  
after I killed him.

368

00:22:50,952 --> 00:22:52,788

-You're dead!  
-You son of a bitch!

369

00:22:52,871 --> 00:22:53,705

What?

370

00:22:53,789 --> 00:22:55,749

-I'm gonna kill him!

-He killed Joaquin!

371

00:22:55,832 --> 00:22:59,711

What do you think, Tall Boy, huh?

Should I let them tear you limb from limb?

372

00:22:59,795 --> 00:23:02,964

Or are you gonna help us get to Hiram?

You have access to him.

373

00:23:03,048 --> 00:23:06,301

The Man in Black would never agree

to meet with me.

374

00:23:06,385 --> 00:23:11,807

Not unless I have something

that he really wants.

375

00:23:19,064 --> 00:23:20,107

Mom?

376

00:23:22,275 --> 00:23:24,444

-Why are you dressed like that?

-Hmm?

377

00:23:24,528 --> 00:23:27,072

Oh, is that what you wear

when you go visit Dad?

378

00:23:27,155 --> 00:23:30,158

Okay, I don't have time

for your mad ranting, Betty.

379

00:23:30,242 --> 00:23:32,911

I'm prepping for an interview with RIVW.

380

00:23:32,994 --> 00:23:35,831  
It's my lifelong dream  
to work for local broadcast news.

381  
00:23:36,248 --> 00:23:37,290  
I went to see Dad.

382  
00:23:38,375 --> 00:23:41,378  
To try and get my money back,  
after you forged his signature.

383  
00:23:41,461 --> 00:23:42,462  
Okay, Betty...

384  
00:23:42,754 --> 00:23:45,882  
Dad said he was the one  
who murdered Principal Featherhead.

385  
00:23:46,675 --> 00:23:49,636  
That's impossible.  
Your father wasn't even there that night.

386  
00:23:49,719 --> 00:23:53,306  
How would Dad know details  
about Ascension Night, and he does,

387  
00:23:53,765 --> 00:23:54,766  
unless he was there,

388  
00:23:54,850 --> 00:23:57,018  
or someone told him  
about the Midnight Club?

389  
00:23:57,102 --> 00:23:58,478  
That someone has to be you.

390  
00:23:58,562 --> 00:24:01,940  
Okay, Betty, I swear to you,  
in 25 years of marriage,

391  
00:24:02,023 --> 00:24:04,359  
I never mentioned Ascension Night once.

392  
00:24:04,443 --> 00:24:06,111  
I haven't gone to see your father

393  
00:24:06,194 --> 00:24:09,239  
since before this whole  
Gryphons and Gargoyles mess started.

394  
00:24:09,322 --> 00:24:11,658  
Someone named Alice Cooper's  
been visiting him.

395  
00:24:13,285 --> 00:24:14,870  
[Reggie] No. No.

396  
00:24:16,663 --> 00:24:18,123  
Hey, Reg, you busy?

397  
00:24:18,206 --> 00:24:19,791  
No, just swiping on Bumble,

398  
00:24:19,875 --> 00:24:23,378  
praying that the future Mrs. Mantle  
is within a 30-mile radius.

399  
00:24:23,462 --> 00:24:26,923  
The truth is love doesn't come easily  
to me these days.

400  
00:24:27,090 --> 00:24:28,467  
[cell phone buzzing]

401  
00:24:29,342 --> 00:24:30,594  
Or does it?

402  
00:24:31,636 --> 00:24:32,471  
Okay.

403  
00:24:33,722 --> 00:24:34,723  
So, Reg...

404  
00:24:37,350 --> 00:24:39,311

I need to talk you about something.

405

00:24:40,353 --> 00:24:42,063  
I need to talk to you about cheating.

406

00:24:42,147 --> 00:24:44,107  
Oh, dude. She told you?

407

00:24:44,941 --> 00:24:46,860  
You know it's over, right?

408

00:24:47,736 --> 00:24:48,737  
[chuckles]

409

00:24:48,904 --> 00:24:50,280  
What are you talking about?

410

00:24:52,824 --> 00:24:54,326  
What are you talking about?

411

00:24:56,077 --> 00:24:56,912  
I--

412

00:24:57,287 --> 00:24:59,915  
I figured you'd know a way  
to cheat on the SATs.

413

00:25:00,457 --> 00:25:01,917  
Oh, crap.

414

00:25:03,251 --> 00:25:04,252  
She's gonna kill me.

415

00:25:06,838 --> 00:25:10,383  
She didn't think you'd come back.  
I didn't think you'd come back.

416

00:25:11,051 --> 00:25:12,219  
Maybe I shouldn't have.

417

00:25:14,471 --> 00:25:17,057

Jug, I don't know  
if I can handle any more quizzing.

418  
00:25:17,140 --> 00:25:19,601  
That's not why I'm here.  
I need your help, Archie.

419  
00:25:19,809 --> 00:25:23,438  
The Gargoyle King is Tall Boy.  
We have him locked down in the bunker.

420  
00:25:23,688 --> 00:25:26,024  
-Tall Boy's alive?  
-He's been hiding in Athens.

421  
00:25:26,107 --> 00:25:26,942  
[sighs]

422  
00:25:27,526 --> 00:25:30,362  
This is our shot  
to finally smoke out Hiram Lodge.

423  
00:25:30,904 --> 00:25:33,740  
We need bait to lure the Man in Black  
out of the shadows.

424  
00:25:33,823 --> 00:25:36,409  
I'm betting the thing  
that he still wants most...

425  
00:25:38,203 --> 00:25:39,037  
is you.

426  
00:25:39,871 --> 00:25:41,039  
Save your breath, Jug.

427  
00:25:41,122 --> 00:25:44,042  
You don't have to convince me  
to take down Hiram. I'm in.

428  
00:25:46,628 --> 00:25:49,256  
-This is Hiram.  
-[Tall Boy] I have the Red Paladin.

429  
00:25:49,381 --> 00:25:51,967  
Him and his friends tried  
to ambush us in the woods.

430  
00:25:52,509 --> 00:25:53,426  
If you want him...

431  
00:25:54,094 --> 00:25:55,595  
[Hiram] I do. Where?

432  
00:25:56,304 --> 00:25:57,889  
[Tall Boy] Usual meeting place.

433  
00:25:58,765 --> 00:25:59,766  
Nine o'clock.

434  
00:26:02,477 --> 00:26:03,311  
Understood.

435  
00:26:04,104 --> 00:26:05,105  
Good work.

436  
00:26:11,069 --> 00:26:12,904  
Hi, this is Elizabeth Cooper.

437  
00:26:12,988 --> 00:26:16,116  
I was just there yesterday  
visiting my dad, Hal Cooper,

438  
00:26:16,199 --> 00:26:19,619  
and you mentioned  
that my mom has also been visiting.

439  
00:26:21,162 --> 00:26:23,248  
This is gonna seem like a weird question,

440  
00:26:23,331 --> 00:26:26,376  
but can you just describe to me  
what Alice Cooper looks like?

441

00:26:27,919 --> 00:26:29,754  
[Betty] Thank you for meeting me, Auntie.

442  
00:26:30,755 --> 00:26:32,299  
I was reluctant to show up,

443  
00:26:32,382 --> 00:26:35,594  
since the last time we met,  
you accused me of murder.

444  
00:26:36,344 --> 00:26:38,763  
-I trust that won't happen again.  
-No, Auntie.

445  
00:26:38,847 --> 00:26:40,265  
But I did want to ask,

446  
00:26:40,682 --> 00:26:44,519  
are you one of those sickos  
who fantasizes about serial killers?

447  
00:26:47,814 --> 00:26:48,982  
As a young woman,

448  
00:26:49,691 --> 00:26:52,360  
I did write the odd letter  
to Jeffrey Dahmer, yes.

449  
00:26:53,028 --> 00:26:53,987  
[Penelope chuckles]

450  
00:26:54,863 --> 00:26:57,699  
-Was there a specific reason you ask?  
-Yeah.

451  
00:26:58,366 --> 00:27:01,244  
You've been posing as my mother  
to visit my father.

452  
00:27:02,245 --> 00:27:03,288  
Why?

453

00:27:04,914 --> 00:27:06,750  
The only way to get conjugal visits.

454  
00:27:07,042 --> 00:27:08,293  
A man has his needs.

455  
00:27:08,376 --> 00:27:11,171  
Did you ever tell him  
about Ascension Night?

456  
00:27:13,798 --> 00:27:15,759  
Yes, during pillow talk.

457  
00:27:16,259 --> 00:27:18,678  
He's claiming  
he was the Gargoyle King back then.

458  
00:27:19,429 --> 00:27:22,724  
-Why would he lie to me about that?  
-Oh. Men and their delusions.

459  
00:27:22,807 --> 00:27:24,059  
Why do they do anything?

460  
00:27:25,977 --> 00:27:27,020  
Self-aggrandizement.

461  
00:27:29,064 --> 00:27:30,815  
[Betty] You sick narcissist.

462  
00:27:30,899 --> 00:27:34,194  
You made it all up.  
You were not at Ascension Night.

463  
00:27:34,277 --> 00:27:38,323  
The only reason you even know about it  
is because Penelope Blossom told you.

464  
00:27:38,698 --> 00:27:40,325  
So, I've been asking myself,

465  
00:27:40,909 --> 00:27:43,495

why would you take credit  
for murdering Featherhead?

466

00:27:43,578 --> 00:27:45,246  
Was it so I would write about it?

467

00:27:45,955 --> 00:27:50,669  
To put you, the original  
Big Bad Black Hood, back in the spotlight?

468

00:27:51,294 --> 00:27:52,128  
Try again.

469

00:27:52,629 --> 00:27:55,548  
Why would I dangle such an outrageous lie  
in front of you?

470

00:27:55,632 --> 00:27:58,218  
-I have no clue.  
-Come on, think about it, Betty.

471
