

# RIVERDALE

**CREATED BY**

Roberto Aguirre-Sacasa

**EPISODE 4.07**

**"Chapter Sixty-Four: The Ice Storm"**

The weather turns frightful as Riverdale celebrates Thanksgiving ... with a not-so-cheery series of tense confrontations and twisted revelations.

**WRITTEN BY:**

Arabella Anderson

**DIRECTED BY:**

Alex Pillai

**ORIGINAL BROADCAST:**

November 20, 2019

Lili Reinhart	...	Betty Cooper
Camila Mendes	...	Veronica Lodge
Cole Sprouse	...	Jughead Jones
Madelaine Petsch	...	Cheryl Blossom
Marisol Nichols	...	Hermione Lodge
Mark Consuelos	...	Hiram Lodge
Casey Cott	...	Kevin Keller
Skeet Ulrich	...	FP Jones
Charles Melton	...	Reggie Mantle
Vanessa Morgan	...	Toni Topaz
Mädchen Amick	...	Alice Cooper
Eli Goree	...	Mad Dog
Mishel Prada	...	Hermosa Lodge
Molly Ringwald	...	Mary Andrews
Azura Skye	...	Darla
Malcolm Stewart	...	Francis Dupont
Alex Barima	...	Johnathan
Arabella Anderson	...	Aunt Cricket
Sean Depner	...	Bret Weston Wallis
Sarah Desjardins	...	Donna Sweett
Ajay Friese	...	Eddie
Doralynn Mui	...	Joan Berkeley
Jordan Robinson	...	Toby
Alvin Sanders	...	Pop Tate
Barbara Wallace	...	Rose Blossom
Garrett Black	...	Bill Dickenson
Adam Klassen	...	Fagan
Alexander Lowe	...	Cousin Fester Blossom
Russell Roberts	...	Headmaster

1

00:00:08,258 --> 00:00:09,718  
[narrator] Previously on Riverdale:

2

00:00:09,801 --> 00:00:12,721  
[Hiram] I am excited to fulfill  
a lifelong dream of mine

3

00:00:12,804 --> 00:00:14,514  
and announce my candidacy for mayor.

4

00:00:14,597 --> 00:00:16,641  
Our father needed help.

5

00:00:16,725 --> 00:00:18,309  
"Our father"?

6

00:00:18,393 --> 00:00:20,812  
Thanks for meeting with me, Mr. DuPont.  
I wanted to talk to you

7

00:00:20,895 --> 00:00:22,981  
about the first book  
in the Baxter Brothers series.

8

00:00:23,064 --> 00:00:25,191  
-You didn't write it.  
-You're very lucky...

9

00:00:25,900 --> 00:00:28,820  
I don't take you to the headmaster  
and get you expelled.

10

00:00:29,154 --> 00:00:31,239  
-Are you okay?  
-[Chipping] I'm sorry, Jughead...

11

00:00:31,906 --> 00:00:33,241  
that I couldn't help you.

12

00:00:34,284 --> 00:00:36,327  
I will be taking over  
Mr. Chipping's seminar.

13  
00:00:37,495 --> 00:00:39,247  
[Cheryl] Aunt Cricket? Uncle Bedford?

14  
00:00:39,330 --> 00:00:40,498  
-Cheryl.  
-Uncle Bedford.

15  
00:00:40,874 --> 00:00:44,461  
You are going away  
for a long, long time, Cheryl.

16  
00:00:44,544 --> 00:00:48,131  
[Toni] Let go of her, you monster! [yells]

17  
00:00:49,758 --> 00:00:52,844  
-You wanna fight me again?  
-Don't you need to put your mask on first?

18  
00:00:54,095 --> 00:00:55,680  
We gotta get him to a hospital.

19  
00:00:58,349 --> 00:00:59,392  
[Jughead] Thanksgiving.

20  
00:01:00,226 --> 00:01:03,313  
The time of year when friends  
and family gather to eat turkey,

21  
00:01:03,897 --> 00:01:07,192  
watch the big game and give thanks  
for all that they have.

22  
00:01:12,238 --> 00:01:15,033  
But for Archie,  
this year was all about what he'd lost.

23  
00:01:15,742 --> 00:01:17,786  
It was the first Thanksgiving  
without his father.

24  
00:01:18,286 --> 00:01:20,163

And the void that Fred Andrews left

25

00:01:20,246 --> 00:01:22,707  
was as cold as the winds blowing  
through the town.

26

00:01:24,417 --> 00:01:27,253  
And while Archie was thinking of ways  
to give back,

27

00:01:27,337 --> 00:01:30,173  
Riverdale's new mayor was grabbing  
all that he could.

28

00:01:30,924 --> 00:01:32,926  
Hiram Lodge had run unopposed,

29

00:01:33,259 --> 00:01:36,262  
allowing him to ascend to power  
virtually overnight.

30

00:01:37,055 --> 00:01:40,517  
Meanwhile, across town,  
at Riverdale General Hospital,

31

00:01:40,600 --> 00:01:42,852  
a different family gathering  
was taking place.

32

00:01:42,936 --> 00:01:44,562  
For the Dickenson crime clan,

33

00:01:44,646 --> 00:01:46,981  
the only dish on the Thanksgiving menu  
was revenge.

34

00:01:47,357 --> 00:01:49,275  
Now that our boy Dodger is stable...

35

00:01:50,443 --> 00:01:52,195  
we'll find whoever did this to him.

36

00:01:52,904 --> 00:01:55,240  
Guy from the community center. Gotta be.

37  
00:01:56,449 --> 00:01:57,617  
What community center?

38  
00:01:58,827 --> 00:02:00,203  
Who the hell are you talking about?

39  
00:02:00,286 --> 00:02:03,373  
[Jughead] Weather forecasters were calling  
for an epic ice storm,

40  
00:02:03,456 --> 00:02:05,583  
and you could literally feel  
the temperature dropping.

41  
00:02:05,667 --> 00:02:06,501  
Mija.

42  
00:02:07,544 --> 00:02:09,796  
Hey. You were missed this morning.

43  
00:02:10,338 --> 00:02:13,591  
Oh, wait, was your inauguration today?

44  
00:02:15,009 --> 00:02:17,846  
Well, you can make it up to me  
tomorrow night.

45  
00:02:17,929 --> 00:02:20,557  
I made reservations  
at the Sweetwater Country Club.

46  
00:02:20,640 --> 00:02:22,934  
I'm helping Archie  
at the community center.

47  
00:02:23,017 --> 00:02:24,769  
Yeah, Archie's community center.

48  
00:02:25,895 --> 00:02:28,231

Wasn't a man found bleeding out,

49

00:02:28,314 --> 00:02:30,191  
on the verge of death,  
right in front of it?

50

00:02:31,776 --> 00:02:34,279  
Just terrible what's going on  
in that part of town.

51

00:02:35,113 --> 00:02:36,197  
It's a real problem.

52

00:02:38,533 --> 00:02:43,621  
Well, you make sure you wish Archie  
a very happy Thanksgiving for me.

53

00:02:46,916 --> 00:02:49,043  
All right, everyone. Bring it in! Come on.

54

00:02:49,836 --> 00:02:50,920  
Hustle up, hustle up.

55

00:02:54,883 --> 00:02:55,758  
All right, look.

56

00:02:56,217 --> 00:02:59,554  
We know some of you guys have nowhere  
to go for Thanksgiving,

57

00:02:59,637 --> 00:03:01,973  
so Munroe and I are gonna keep  
the center open tomorrow.

58

00:03:02,515 --> 00:03:04,893  
We're gonna have hot meals  
with all the fixings!

59

00:03:04,976 --> 00:03:06,603  
[all cheer]

60

00:03:07,937 --> 00:03:09,689

-Seriously? You guys are cooking?  
-Hell, yeah.

61  
00:03:09,772 --> 00:03:11,149  
-And my mom.  
-And grandma.

62  
00:03:11,232 --> 00:03:13,276  
So, tell your friends  
there's an open door policy.

63  
00:03:13,359 --> 00:03:15,194  
-Everyone is invited.  
-All right.

64  
00:03:17,906 --> 00:03:21,367  
And with that, the seminar is adjourned  
for the remainder of the week.

65  
00:03:21,451 --> 00:03:25,914  
I hope you all have a restful  
and productive Thanksgiving break.

66  
00:03:27,373 --> 00:03:29,709  
Mr. DuPont, before you go,  
I was wondering...

67  
00:03:32,003 --> 00:03:33,796  
I was wondering  
if you had any more information

68  
00:03:33,880 --> 00:03:35,840  
about why Mr. Chipping killed himself.

69  
00:03:36,549 --> 00:03:39,427  
Alcoholism. Drove him to the edge.

70  
00:03:39,510 --> 00:03:41,596  
Rupert had many demons, I'm afraid.

71  
00:03:42,222 --> 00:03:43,389  
Well, he didn't leave a note.

72

00:03:43,473 --> 00:03:46,059  
-Hasn't been much of an investigation.  
-At the family's request.

73

00:03:46,142 --> 00:03:49,312  
And it was clearly a suicide.  
You saw it with your own eyes.

74

00:03:51,105 --> 00:03:53,608  
Mr. Chipping didn't come to you  
to talk about me, did he?

75

00:03:53,942 --> 00:03:55,735  
No, why would he have?

76

00:03:55,818 --> 00:03:58,821  
-Well, because I shared with him--  
-That ridiculous notion...

77

00:03:59,572 --> 00:04:03,660  
of your grandfather writing  
the original Baxter Brothers novel?

78

00:04:04,118 --> 00:04:05,286  
He never brought it up.

79

00:04:06,162 --> 00:04:08,498  
And might I make a suggestion, Mr. Jones?

80

00:04:08,957 --> 00:04:12,168  
That you forget about this delusion  
over the Thanksgiving break.

81

00:04:14,212 --> 00:04:16,047  
Now, if you'll excuse me...

82

00:04:20,218 --> 00:04:21,552  
[Jughead] You still gonna make it?

83

00:04:21,636 --> 00:04:24,472  
Even with this biblical ice storm  
that they're predicting?

84

00:04:24,555 --> 00:04:26,975  
Jug, I don't care what my mom  
or the weatherman are saying.

85

00:04:27,058 --> 00:04:29,894  
There's zero chance  
that I'm not seeing you this weekend.

86

00:04:29,978 --> 00:04:31,854  
[on speaker] Then, hurry up  
and get here already.

87

00:04:32,188 --> 00:04:34,148  
-I need your help with something.  
-Oh...

88

00:04:34,232 --> 00:04:36,734  
You mean writing  
your Baxter Brothers sample?

89

00:04:36,818 --> 00:04:39,362  
Well, I am on a deadline,  
and that's the reason I'm hunkering down,

90

00:04:39,445 --> 00:04:43,157  
but also considering you and I are going  
to be the only ones on campus,

91

00:04:43,241 --> 00:04:45,285  
I figured it would be the perfect time

92

00:04:45,368 --> 00:04:48,288  
to do a little sleuthing  
into Chipping's death.

93

00:04:49,205 --> 00:04:51,040  
Because, believe me,  
no one else is doing it.

94

00:04:51,749 --> 00:04:55,920  
Hmm. Conspiracy theories  
and a murder mystery to solve?

95

00:04:56,629 --> 00:04:58,423  
Sounds like a romantic getaway to me.

96

00:04:59,340 --> 00:05:01,384  
All right. I love you. See you later.

97

00:05:07,098 --> 00:05:08,933  
[Cheryl] Did you hear the good news,  
Tee-Tee?

98

00:05:10,059 --> 00:05:13,396  
There's a Category 4 ice storm headed  
towards Riverdale like the wrath of God.

99

00:05:14,105 --> 00:05:15,648  
How is that good news, Cheryl?

100

00:05:16,607 --> 00:05:20,862  
Well, whilst the rest of Riverdale  
sits down to give thanks,

101

00:05:20,945 --> 00:05:23,740  
we'll be dumping Bedford's body  
in Sweetwater River,

102

00:05:23,823 --> 00:05:25,575  
just before it freezes over.

103

00:05:25,867 --> 00:05:29,412  
By the time spring thaw comes around,  
the salmon will have gobbled up his eyes.

104

00:05:33,082 --> 00:05:34,000  
Toni...

105

00:05:35,209 --> 00:05:36,502  
What is it, my sweet?

106

00:05:37,754 --> 00:05:40,131  
I feel like somebody's watching me  
all the time.

107  
00:05:41,174 --> 00:05:45,094  
Whatever guilt you're experiencing,  
free yourself of it.

108  
00:05:46,220 --> 00:05:49,599  
You didn't set out to do anyone any harm.

109  
00:05:50,224 --> 00:05:51,059  
Remember?

110  
00:05:51,642 --> 00:05:54,145  
You were defending me,  
and I love you for it.

111  
00:05:58,274 --> 00:06:02,695  
Feast your eyes on this, boys,  
a true Thanksgiving cornucopia.

112  
00:06:03,112 --> 00:06:06,991  
Wha--? Ronnie, how...?  
Where did you get all of this?

113  
00:06:07,075 --> 00:06:09,202  
I put in a to-go order  
at the country club.

114  
00:06:09,577 --> 00:06:10,745  
Daddy gave me the idea.

115  
00:06:11,245 --> 00:06:14,582  
I figured this could supplement whatever  
you and yours are cooking for the kids.

116  
00:06:16,042 --> 00:06:20,713  
Red, tell me this doesn't mean  
you are deep-frying a Thanksgiving turkey.

117  
00:06:20,797 --> 00:06:22,340  
Yes, I am.

118  
00:06:22,423 --> 00:06:24,383

It's tradition.  
My dad would do one every year.

119  
00:06:24,467 --> 00:06:26,594  
Best damn turkey I ever tasted.

120  
00:06:27,303 --> 00:06:29,013  
You should come by tomorrow, Mr. Jones.

121  
00:06:29,097 --> 00:06:31,933  
Actually, Archie,  
that's what we need to talk about.

122  
00:06:32,433 --> 00:06:35,144  
I hate to do this, but I'm under orders.

123  
00:06:35,895 --> 00:06:37,063  
To shut you down.

124  
00:06:38,314 --> 00:06:39,524  
What? Orders from who?

125  
00:06:40,775 --> 00:06:42,110  
Let me guess, the mayor?

126  
00:06:43,653 --> 00:06:45,530  
You've got to be kidding me.  
He can't do this.

127  
00:06:45,613 --> 00:06:48,491  
Yeah, he can.  
He's mayor now, he can do anything.

128  
00:06:49,117 --> 00:06:51,702  
And technically, the attack on Dodger's  
an open investigation,

129  
00:06:51,786 --> 00:06:53,746  
so this is still an active crime scene.

130  
00:06:53,830 --> 00:06:55,623  
Plus, Hiram said

with the ice storm coming--

131

00:06:55,706 --> 00:06:59,293

He's doing this to punish me,  
to get me to spend the holiday with him.

132

00:06:59,377 --> 00:07:01,129

-Can't we push back?  
-I did.

133

00:07:02,004 --> 00:07:03,297

For a couple of hours.

134

00:07:07,426 --> 00:07:08,261

Look...

135

00:07:08,886 --> 00:07:13,057

I'm not supposed to say this, but I know  
what I would do if I was in your place.

136

00:07:13,933 --> 00:07:15,226

Screw him.

137

00:07:16,060 --> 00:07:16,894

{\an8}Yeah.

138

00:07:17,645 --> 00:07:20,773

{\an8}I'm sorry, but Hiram Lodge is  
not canceling Thanksgiving.

139

00:07:21,482 --> 00:07:22,316

Good man.

140

00:07:23,443 --> 00:07:24,902

You're doing your dad proud.

141

00:07:41,752 --> 00:07:42,920

{\an8}Hey, stranger.

142

00:07:43,463 --> 00:07:46,090

{\an8}Hey. Wow, that was fast.

143  
00:07:46,382 --> 00:07:48,676  
{\an8}I took an earlier train to beat the storm.

144  
00:07:51,429 --> 00:07:53,598  
{\an8}Jug, hit save.

145  
00:07:54,098 --> 00:07:57,143  
{\an8}I know. I'm sorry.  
I'm almost done with my first chapter.

146  
00:07:57,226 --> 00:08:00,688  
{\an8}Yeah, and I can't wait to read it  
and to help you sleuth.

147  
00:08:01,981 --> 00:08:03,941  
{\an8}But right now,  
we have some catching up to do.

148

00:16:28,779 --> 00:16:29,613  
I am, Ronnie.

302  
00:16:31,699 --> 00:16:35,452  
It hasn't totally hit me yet,  
I don't think.

303  
00:16:36,286 --> 00:16:37,121  
Well...

304  
00:16:37,788 --> 00:16:38,622  
when it does...

305  
00:16:40,374 --> 00:16:41,250  
I'm here for you.

306  
00:16:42,918 --> 00:16:43,752  
Okay?

307  
00:16:45,921 --> 00:16:47,840  
[Munroe] Hi. Okay.

308  
00:16:49,925 --> 00:16:52,886  
Yo, just make your guys' selves at home  
and grab some cider.

309  
00:16:56,890 --> 00:16:58,976  
Hey, guys, come on in.  
Welcome to the center.

310  
00:16:59,393 --> 00:17:00,352  
And who are you?

311  
00:17:00,644 --> 00:17:04,690

I'm Archie. I run the center with Munroe,  
my friend. We're glad to have you.

312

00:17:04,773 --> 00:17:06,817  
But you're just a kid yourself.

313

00:17:07,109 --> 00:17:09,570  
Hey, Archie, uh,  
there's a spill over here.

314

00:17:09,653 --> 00:17:11,905  
I don't know where the bucket and mop is.

315

00:17:11,989 --> 00:17:13,282  
Uh, I got it, Mom.

316

00:17:13,365 --> 00:17:16,452  
Excuse me, guys. Help yourself  
to some hot chocolate or cider.

317

00:17:16,535 --> 00:17:18,037  
Dinner will be ready in a bit.

318

00:17:28,464 --> 00:17:29,631  
Well, that's...

319

00:17:30,466 --> 00:17:33,093  
That should do it.  
Three stitches, not too bad.

320

00:17:34,595 --> 00:17:36,597  
Yeah. It's easy for you to say.

321

00:17:38,640 --> 00:17:42,019  
Well, maybe next time,  
don't threaten my boyfriend with an ax.

322

00:17:54,698 --> 00:17:56,700  
"It saddens me greatly to realize

323

00:17:56,784 --> 00:17:59,036  
these will be the last words

I ever write"?

324

00:17:59,119 --> 00:18:01,580  
Hey. Hands off, Forsythe.

325

00:18:01,663 --> 00:18:04,875  
What was that? Was that a suicide note?  
Mr. Chipping's?

326

00:18:05,292 --> 00:18:06,960  
It was an exercise we did.

327

00:18:07,044 --> 00:18:09,505  
We each wrote a note to see  
who could best capture

328

00:18:09,588 --> 00:18:12,508  
the inner workings  
of Chipping's troubled mind.

329

00:18:12,591 --> 00:18:15,761  
If it was an official exercise,  
then why wasn't I included?

330

00:18:16,637 --> 00:18:18,847  
It was outside the curriculum. Relax.

331

00:18:19,139 --> 00:18:21,183  
Come on, Bret. Let's get you cleaned up.

332

00:18:28,107 --> 00:18:30,776  
-Jug, what are they doing here? Really?  
-I don't know.

333

00:18:30,859 --> 00:18:33,821  
But I certainly don't believe  
any of that BS about a writing exercise.

334

00:18:34,238 --> 00:18:37,908  
Well, maybe it's incriminating evidence  
that they wanna get rid of

335

00:18:37,991 --> 00:18:40,244  
or fake evidence  
that they're trying to plant?

336  
00:18:40,828 --> 00:18:42,538  
Okay, how we gonna play this game?

337  
00:18:43,372 --> 00:18:44,540  
You said it.

338  
00:18:44,623 --> 00:18:46,834  
Your chums like playing games.

339  
00:18:49,086 --> 00:18:51,046  
Let's give them a taste  
of their own medicine.

340  
00:18:54,633 --> 00:18:57,594  
Aunt Cricket. We're so thrilled  
you were able to join us

341  
00:18:58,011 --> 00:18:59,513  
and that you brought Cousin Fester.

342  
00:18:59,596 --> 00:19:01,098  
Well, I wanted witnesses

343  
00:19:01,181 --> 00:19:03,642  
so we don't go missing  
the way Bedford did.

344  
00:19:04,017 --> 00:19:04,893  
Don't be silly.

345  
00:19:05,602 --> 00:19:07,146  
Dinner will be ready soon.

346  
00:19:07,229 --> 00:19:09,773  
Can I offer you  
some mulled berry wine to start?

347  
00:19:11,275 --> 00:19:13,485

[oil bubbling]

348

00:19:21,076 --> 00:19:23,495

-Hey, Archie.

-What's up, Eddie?

349

00:19:24,746 --> 00:19:26,373

You see those people over there?

350

00:19:27,791 --> 00:19:29,877

I've seen them before at the arcade.

351

00:19:31,879 --> 00:19:33,130

They're Dodger's family.

352

00:19:35,674 --> 00:19:36,508

What the hell?

353

00:19:37,009 --> 00:19:37,843

You sure?

354

00:19:41,054 --> 00:19:44,141

All right. Thanks for the heads-up.  
Go grab a seat, I'll take care of it.

355

00:19:44,224 --> 00:19:45,559

And, hey, be cool.

356

00:19:55,277 --> 00:19:59,031

I'm not sure what you're here for,  
but you and your boys need to leave.

357

00:19:59,114 --> 00:20:00,949

We've got kids here.

We don't want any trouble.

358

00:20:02,117 --> 00:20:04,161

We don't want any trouble either.

359

00:20:07,623 --> 00:20:10,626

But we've come for the man  
who tried to kill our Dodger.

360  
00:20:12,377 --> 00:20:13,712  
Got a feeling he's you.

361  
00:20:14,963 --> 00:20:16,506  
Or one of your friends.

362  
00:20:16,590 --> 00:20:20,093  
I swear to you,  
no one here tried to hurt Dodger.

363  
00:20:20,177 --> 00:20:21,470  
Well, someone did.

364  
00:20:22,137 --> 00:20:25,474  
And whoever it is,  
he's got a real soft spot for this place.

365  
00:20:25,891 --> 00:20:30,020  
We think we hang out here long enough,  
he'll show.

366  
00:20:31,021 --> 00:20:32,898  
[Darla] In the meantime...

367  
00:20:32,981 --> 00:20:36,485  
how about some of that delicious food  
I'm smelling?

368  
00:20:37,778 --> 00:20:40,697  
You guys remember back in high school  
when we all used to hang out together?

369  
00:20:41,406 --> 00:20:43,825  
Us griping about how horrible  
our parents were?

370  
00:20:43,909 --> 00:20:45,744  
And now we're the horrible parents.

371  
00:20:47,412 --> 00:20:50,123  
Fred never complained about his folks,

not once.

372

00:20:50,874 --> 00:20:53,502  
And look what an amazing father  
he turned out to be.

373

00:20:54,878 --> 00:20:57,172  
I think we could all take a lesson  
from that, huh?

374

00:20:57,256 --> 00:20:58,090  
Yeah.

375

00:20:59,716 --> 00:21:03,011  
Hey, what say we continue  
this downstairs over drinks?

376

00:21:03,095 --> 00:21:05,472  
-Yes, yes.  
-Huh? To toast Fred.

377

00:21:06,014 --> 00:21:08,976  
What do you say, FP, huh?  
You're not on duty, are you?

378

00:21:12,312 --> 00:21:13,939  
Why the hell not, Mr. Mayor?

379

00:21:14,564 --> 00:21:16,441  
[Hermione and Hiram chuckle]

380

00:21:16,525 --> 00:21:20,612  
Well, considering we are trapped here  
until the morning at least,

381

00:21:21,280 --> 00:21:23,907  
let's say we pass the time with a game  
of Never Have I Ever.

382

00:21:23,991 --> 00:21:26,743  
I do love a good salacious drinking game.

383

00:21:27,661 --> 00:21:28,620  
I'll start.

384  
00:21:30,038 --> 00:21:32,958  
Never have I ever kissed a girl.

385  
00:21:35,711 --> 00:21:36,545  
Betty.

386  
00:21:41,091 --> 00:21:42,759  
Never have I ever...

387  
00:21:43,802 --> 00:21:44,636  
done drugs.

388  
00:21:48,223 --> 00:21:51,935  
Jones, I'm surprised. Isn't Riverdale  
like the drug capital of the world?

389  
00:21:54,271 --> 00:21:56,023  
Never have I ever...

390  
00:21:56,898 --> 00:21:57,899  
been in a gang.

391  
00:22:00,694 --> 00:22:01,528  
[Donna] Really?

392  
00:22:02,654 --> 00:22:04,156  
But you look so sweet.

393  
00:22:04,489 --> 00:22:06,783  
Oh, well, I'm not as sweet  
as you might think.

394  
00:22:13,206 --> 00:22:15,542  
Never have I ever been  
in a secret society.

395  
00:22:20,505 --> 00:22:22,883  
Oops, looks like you lose that round,  
Forsythe.

396  
00:22:22,966 --> 00:22:24,551  
Now you gotta finish the whole flask.

397  
00:22:30,599 --> 00:22:31,600  
[Betty] Time for a refill.

398  
00:22:31,683 --> 00:22:33,351  
I'll go get the bottle  
from your room, Jug.

399  
00:23:18,605 --> 00:23:22,734  
Jug, I found this tie pin in Donna's room,  
and it has an engraving on the back.

400  
00:23:23,318 --> 00:23:24,986  
The initials RC.

401  
00:23:26,029 --> 00:23:28,240  
-What was Mr. Chipping's first name?  
-Rupert.

402  
00:23:29,032 --> 00:23:31,076  
These are his initials.  
How does Donna have this?

403  
00:23:32,327 --> 00:23:34,746  
Killers often take something  
from their victim

404  
00:23:34,830 --> 00:23:36,873  
as a souvenir or trophy.

405  
00:23:43,463 --> 00:23:45,257  
How long can this go on for?

406  
00:23:46,466 --> 00:23:47,717  
We have to fight back.

407  
00:23:48,176 --> 00:23:51,096  
No offense to your guns, Munroe,  
but they have real ones.

408  
00:23:51,179 --> 00:23:53,265  
If I can get into the office, in my desk,

409  
00:23:53,849 --> 00:23:56,309  
I have a drawer full of weapons  
that I confiscated off the kids,

410  
00:23:56,393 --> 00:23:57,310  
knives, switchblades--

411  
00:23:57,394 --> 00:23:58,603  
Now hold on.

412  
00:23:58,687 --> 00:24:00,689  
I'm not sure I endorse this plan.

413  
00:24:00,772 --> 00:24:03,316  
Adding more weapons to the stew?  
One of those kids could get hurt.

414  
00:24:07,571 --> 00:24:09,573  
-[Fagan] Ooh.  
-[Bill] Whoo!

415  
00:24:09,656 --> 00:24:10,907  
[Darla] Mmm.

416  
00:24:14,411 --> 00:24:15,829  
-[Munroe] Malcolm!  
-What you doing?

417  
00:24:16,204 --> 00:24:18,290  
-Want this?  
-Relax! He didn't know what he was doing.

418  
00:24:18,373 --> 00:24:19,875  
Don't do it! He's just a kid.

419  
00:24:19,958 --> 00:24:21,418  
Everyone, stay back.

420  
00:24:21,835 --> 00:24:23,128  
[Mary] Archie!

421  
00:24:23,712 --> 00:24:24,713  
That's for my brother.

422  
00:24:27,757 --> 00:24:29,467  
You know what I think, Carrot Top?

423  
00:24:30,802 --> 00:24:32,846  
I think you've got a hero complex.

424  
00:24:34,598 --> 00:24:35,849  
You know what else I think?

425  
00:24:37,017 --> 00:24:39,895  
I think you beat my boy Dodger  
into a coma,

426  
00:24:40,395 --> 00:24:43,398  
and then you called an ambulance  
so no one would suspect you.

427  
00:24:44,024 --> 00:24:45,942  
But a mother, she knows.

428  
00:24:46,943 --> 00:24:47,777  
And you...

429  
00:24:48,612 --> 00:24:51,031  
you are gonna pay for what you've done!

430  
00:24:52,240 --> 00:24:53,700  
Now get your ass down!

431  
00:25:02,500 --> 00:25:04,753  
[oil bubbling]

432  
00:25:04,836 --> 00:25:05,670  
Say it.

433  
00:25:07,005 --> 00:25:08,131  
Say it's you.

434  
00:25:08,381 --> 00:25:10,383  
You're the one who almost killed my son.

435  
00:25:10,467 --> 00:25:11,718  
Ms. Dickenson, please...

436  
00:25:12,844 --> 00:25:15,013  
whatever it is that you think  
you have to do, you don't.

437  
00:25:15,096 --> 00:25:15,931  
Say it!

438  
00:25:17,766 --> 00:25:18,767  
Confess, boy,

439  
00:25:19,392 --> 00:25:21,895  
before things start getting  
real ugly in here.

440  
00:25:27,484 --> 00:25:28,443  
If I say it...

441  
00:25:29,611 --> 00:25:31,446  
you'll let everyone else here go?

442  
00:25:31,529 --> 00:25:33,073  
Then you can do whatever you want to me.

443  
00:25:33,156 --> 00:25:34,199  
I'll take that deal.

444  
00:25:35,700 --> 00:25:37,452  
But I need to hear you say it.

445  
00:25:39,204 --> 00:25:40,038  
Fine.

446  
00:25:43,208 --> 00:25:44,626  
[Eddie] Please, stop, stop. It's me!

447  
00:25:45,126 --> 00:25:46,503  
I wear the mask! I'm the dark dude!

448  
00:25:46,586 --> 00:25:48,004  
-Leave Archie alone!  
-Eddie, shut up.

449  
00:25:48,380 --> 00:25:49,297  
It's not him.

450  
00:25:49,381 --> 00:25:50,757  
It's me! The mask is mine.

451  
00:25:50,840 --> 00:25:52,676  
Toby, sit down and shut up.

452  
00:25:52,759 --> 00:25:54,135  
I'm the guy you want.

453  
00:25:54,219 --> 00:25:55,387  
[Darla] That's enough!

454  
00:25:56,638 --> 00:25:59,391  
Now, that was a touching display.

455  
00:26:00,058 --> 00:26:03,520  
Hell, another day, I might've even cried.

456  
00:26:03,937 --> 00:26:04,854  
But not today.

457  
00:26:05,230 --> 00:26:07,941  
I already spilt all my tears over my son.

458  
00:26:08,024 --> 00:26:08,984  
And, boy,

459

00:26:09,985 --> 00:26:13,780  
your mother is gonna find out exactly  
what that feels like.

460  
00:26:14,864 --> 00:26:16,783  
[all gasp]

461  
00:26:17,367 --> 00:26:20,161  
Go! Get in the office! Go, go, go!

462  
00:26:29,337 --> 00:26:31,256  
-[screams]  
-Don't even try it.

463  
00:26:33,133 --> 00:26:35,260  
Stop! Step away from my son!

464  
00:26:35,969 --> 00:26:39,973  
I have the right to protect myself  
against intruders with deadly force.

465  
00:26:40,056 --> 00:26:41,641  
So, unless you want me to use it,

466  
00:26:41,725 --> 00:26:44,978  
you have exactly five seconds  
to get the hell out of here.

467  
00:26:46,021 --> 00:26:46,855  
One...

468  
00:26:48,064 --> 00:26:48,898  
two...

469  
00:26:49,983 --> 00:26:51,526  
-three...  
-[groans]

470  
00:26:52,652 --> 00:26:53,737  
four...

471  
00:26:59,492 --> 00:27:01,786

Lock the door behind them.  
Let's call the police.

472  
00:27:01,870 --> 00:27:02,829  
Mrs. Andrews.

473  
00:27:04,372 --> 00:27:05,457  
I'm obsessed.

474  
00:27:06,624 --> 00:27:08,585  
Yeah, Mom, since when are you Dirty Harry?

475  
00:27:10,211 --> 00:27:11,588  
What was that explosion?

476  
00:27:22,807 --> 00:27:26,770  
Who in their right mind tries  
to deep-fry a turkey inside?

477  
00:27:30,357 --> 00:27:32,359  
[jazz music playing over speakers]

478  
00:27:34,235 --> 00:27:37,489  
You're nursing it, FP. What's the matter?  
You don't like my rum?

479  
00:27:37,572 --> 00:27:38,615  
[FP scoffs]

480  
00:27:39,574 --> 00:27:42,744  
Well, someone's gotta be clear-headed  
enough to drive the rest of you home.

481  
00:27:46,414 --> 00:27:47,248  
FP...

482  
00:27:48,625 --> 00:27:50,460  
you know, I sensed  
that you were upset with me

483  
00:27:50,543 --> 00:27:53,713  
when I asked you to shut down

Archie's community center earlier.

484

00:27:56,466 --> 00:27:59,260

Anyway, I appreciate your cooperation.

485

00:28:00,970 --> 00:28:03,848

-I'm gonna make this clear, Hiram.

-FP.

486

00:28:03,932 --> 00:28:05,392

I am not your puppet.

487

00:28:06,101 --> 00:28:08,561

When I took this job,

I pledged to serve and protect Riverdale,

488

00:28:08,645 --> 00:28:09,896

not to do your bidding.

489

00:28:17,153 --> 00:28:19,489

-Why don't you settle down?

-Mm-hm.

490

00:28:19,948 --> 00:28:20,949

What's the matter?

491

00:28:21,866 --> 00:28:25,620

You put a hit out on my son, you bastard.

You think I forgot about that?

492

00:28:25,703 --> 00:28:28,373

Yeah. Is that why you tried to murder me

493

00:28:28,456 --> 00:28:30,625

at the behest of my own wife?

494

00:28:31,209 --> 00:28:32,252

[Hermione] Hiram.

495

00:28:34,879 --> 00:28:35,713

[Alice] FP!

496  
00:28:37,924 --> 00:28:38,758  
FP.

497  
00:28:41,136 --> 00:28:42,262  
Finish it.

498  
00:28:43,304 --> 00:28:44,472  
Do it.

499  
00:28:44,973 --> 00:28:46,975  
-Or get the hell off me.  
-FP.

500  
00:28:47,559 --> 00:28:48,476  
[Hiram] Come on.

501  
00:28:48,560 --> 00:28:49,853  
I'm not gonna do it,

502  
00:28:49,936 --> 00:28:51,312  
but you deserve it.

503  
00:28:52,063 --> 00:28:54,899  
Everyone in this room,  
hell, everyone in this town,

504  
00:28:55,191 --> 00:28:56,860  
knows that you deserve it!

505  
00:29:01,448 --> 00:29:02,365  
[bottle shatters]

506  
00:29:05,118 --> 00:29:08,997  
[Cheryl] Whilst we all tuck  
into our delicious homemade meat pies,

507  
00:29:09,080 --> 00:29:11,583  
might I suggest we reminisce  
about some Thanksgivings of yore?

508  
00:29:13,042 --> 00:29:15,462

Nana, will you regale us?

509

00:29:15,920 --> 00:29:16,755  
Well...

510

00:29:18,673 --> 00:29:22,594  
there is the story  
of the first Blossom Thanksgiving,

511

00:29:22,677 --> 00:29:25,513  
but it's a dark chapter.

512

00:29:25,889 --> 00:29:27,265  
Deeply dark.

513

00:29:27,348 --> 00:29:28,183  
That's fine.

514

00:29:28,475 --> 00:29:30,059  
I'd love to hear more about your family,

515

00:29:30,643 --> 00:29:31,895  
warts and all.

516

00:29:32,312 --> 00:29:34,355  
[Nana] The weather turned,

517

00:29:34,773 --> 00:29:38,610  
and the Blossom settlers were surprised by

518

00:29:39,319 --> 00:29:43,615  
a sudden brutal onset of ice.

519

00:29:44,949 --> 00:29:46,576  
Much like tonight.

520

00:29:47,243 --> 00:29:50,205  
The wagons were snowed in, and soon after,

521

00:29:50,622 --> 00:29:53,249  
the hunger set in.

522  
00:29:55,627 --> 00:29:56,586  
Deep.

523  
00:29:58,213 --> 00:29:59,714  
Aching.

524  
00:30:00,882 --> 00:30:02,383  
Gnawing.

525  
00:30:03,343 --> 00:30:08,431  
Stomachs groaning so loud,  
they drowned out the wind until...

526  
00:30:09,182 --> 00:30:10,350  
Until what, Nana?

527  
00:30:12,852 --> 00:30:15,647  
The Blossoms turned on one another.

528  
00:30:16,606 --> 00:30:18,691  
They had to eat their own.

529  
00:30:19,484 --> 00:30:20,819  
Survive...

530  
00:30:21,945 --> 00:30:24,322  
on Blossom flesh.

531  
00:30:24,989 --> 00:30:25,990  
[Fester gulps]

532  
00:30:27,492 --> 00:30:29,786  
Do you mean... cannibalism?

533  
00:30:31,538 --> 00:30:35,375  
Why, I can only imagine what a scandal  
like that would do to our family name,

534  
00:30:35,917 --> 00:30:38,628  
especially if it were to come out

right as Aunt Cricket were attempting

535

00:30:38,711 --> 00:30:40,713  
to negotiate a sale  
for our maple business.

536

00:30:41,756 --> 00:30:44,843  
Please. No one would believe that snuff.

537

00:30:44,926 --> 00:30:46,469  
I wouldn't be so sure of that.

538

00:30:46,970 --> 00:30:49,931  
We Blossoms have always been  
highly carnivorous.

539

00:30:50,723 --> 00:30:51,558  
I mean...

540

00:30:52,684 --> 00:30:54,644  
I ate my brother Julian in the womb.

541

00:30:55,979 --> 00:30:58,940  
And you're eating those meat pies  
we prepared especially for you.

542

00:31:00,525 --> 00:31:02,235  
[grunts] My tooth.

543

00:31:04,821 --> 00:31:05,905  
What on earth?

544

00:31:09,200 --> 00:31:10,034  
[Cricket] What...?

545

00:31:10,785 --> 00:31:12,245  
Is this Uncle Bedford's ring?

546

00:31:14,581 --> 00:31:15,582  
What does this mean?

547

00:31:15,665 --> 00:31:17,417  
It means, Aunt Cricket...

548  
00:31:18,209 --> 00:31:20,211  
that you're welcome to search the house.

549  
00:31:20,837 --> 00:31:22,589  
It means that Uncle Bedford...

550  
00:31:23,548 --> 00:31:24,883  
will never be found.

551  
00:31:25,300 --> 00:31:27,594  
It means that any evidence  
he was ever here...

552  
00:31:29,429 --> 00:31:32,891  
is in the process of being... digested.

553  
00:31:35,184 --> 00:31:36,311  
In other words...

554  
00:31:36,811 --> 00:31:38,396  
I think you know what it means.

555  
00:31:39,355 --> 00:31:40,189  
You...

556  
00:31:40,648 --> 00:31:41,608  
You're bluffing.

557  
00:31:42,108 --> 00:31:46,529  
Not even you are deranged enough to commit  
such an unspeakable abomination.

558  
00:31:47,071 --> 00:31:48,114  
On the contrary.

559  
00:31:48,615 --> 00:31:52,410  
[gasps] Which reminds me,  
it's time for dessert.

560  
00:31:52,785 --> 00:31:53,620  
Tee-Tee?

561  
00:31:54,829 --> 00:31:55,914  
[Fester screams]

562  
00:31:56,581 --> 00:31:58,124  
[Cheryl] Face facts, Aunt Cricket.

563  
00:31:58,207 --> 00:32:01,753  
You and Cousin Fester have just committed  
a vile act of cannibalism,

564  
00:32:01,836 --> 00:32:03,755  
which is illegal in this state.

565  
00:32:04,297 --> 00:32:06,132  
So, unless you want the world  
to learn as much,

566  
00:32:06,215 --> 00:32:08,593  
you will leave us the hell alone.

567  
00:32:08,927 --> 00:32:11,429  
You do not knock on my door.  
You do not harass my girlfriend.

568  
00:32:11,512 --> 00:32:15,183  
You do not ask me to sell off  
my Blossom legacy ever again.

569  
00:32:15,683 --> 00:32:16,517  
Are we clear?

570  
00:32:17,685 --> 00:32:20,939  
Now, would you like me to pack up  
the rest of Bedford for you in Tupperware?

571  
00:32:21,731 --> 00:32:22,941  
[gagging]

572

00:32:24,233 --> 00:32:25,109  
Fester!

573  
00:32:26,945 --> 00:32:29,530  
-[door opens, then closes]  
-[Cheryl giggles]

574  
00:32:35,161 --> 00:32:37,455  
There you two are.  
We thought you'd been murdered.

575  
00:32:37,997 --> 00:32:39,874  
No dice on the booze, I see.

576  
00:32:39,958 --> 00:32:41,292  
Not a drop to be found.

577  
00:32:42,168 --> 00:32:44,921  
But I say we keep playing the game,  
and I'll go next.

578  
00:32:45,546 --> 00:32:48,549  
Never have I ever tried  
to cover up a murder.

579  
00:32:52,095 --> 00:32:55,348  
Oh, you guys are just so cool.  
You know that?

580  
00:32:56,599 --> 00:32:59,477  
You're never breaking a sweat,  
never betraying an emotion.

581  
00:33:00,186 --> 00:33:03,272  
Hell, writing fake suicide notes,  
how cool is that?

582  
00:33:05,733 --> 00:33:07,735  
But you guys aren't as devious  
as you think.

583  
00:33:07,819 --> 00:33:11,030  
Otherwise, you wouldn't have left

incriminating evidence,

584

00:33:11,114 --> 00:33:13,658  
like Mr. Chipping's tie pin.

585

00:33:14,325 --> 00:33:15,952  
You went into my room?

586

00:33:16,035 --> 00:33:18,579  
It was an accident.  
I mean, all the doors look the same.

587

00:33:18,663 --> 00:33:20,623  
[Jughead] Between the suicide note  
and the tie pin,

588

00:33:20,707 --> 00:33:23,543  
you two are trying to cover up something  
about Mr. Chipping's suicide.

589

00:33:24,002 --> 00:33:24,961  
Or was it a murder?

590

00:33:25,670 --> 00:33:26,504  
Care to explain?

591

00:33:28,006 --> 00:33:29,132  
You were there, Jones.

592

00:33:29,882 --> 00:33:30,925  
You saw him jump.

593

00:33:31,467 --> 00:33:32,885  
No one pushed him out that window.

594

00:33:32,969 --> 00:33:34,262  
Not physically.

595

00:33:35,388 --> 00:33:38,474  
But psychologically, Mr. Chipping could've  
been pushed to the edge.

596

00:33:46,691 --> 00:33:47,525  
Donna.

597

00:33:48,818 --> 00:33:52,488  
How? Where... did you get this?  
We just wanna know the truth.

598

00:33:52,864 --> 00:33:54,532  
Mr. Chipping gave it to me, okay?

599

00:33:54,615 --> 00:33:55,867  
We were having an affair.

600

00:34:02,915 --> 00:34:04,250  
I knew it was wrong,

601

00:34:04,917 --> 00:34:07,754  
and I didn't want anybody  
to get into trouble,

602

00:34:07,837 --> 00:34:09,797  
so I tried to break it off with him.

603

00:34:11,716 --> 00:34:13,968  
But then he got aggressive.

604

00:34:14,052 --> 00:34:15,803  
I was so scared.

605

00:34:15,887 --> 00:34:19,557  
I told him if he didn't stop,  
I'd go to the headmaster, and then...

606

00:34:21,517 --> 00:34:23,478  
the next day, he jumped out the window.

607

00:34:26,564 --> 00:34:29,484  
I can't live my life  
doing Hiram's bidding, Alice.

608

00:34:30,651 --> 00:34:33,654

I'm not cut out for it.  
There's too much blood on the tracks.

609  
00:34:34,572 --> 00:34:38,034  
-I hear you.  
-I am a Serpent, Alice. I'm a Serpent.

610  
00:34:39,827 --> 00:34:42,288  
Every bone in my body is a Serpent.

611  
00:34:44,290 --> 00:34:47,376  
Okay. So, is there a rule that says  
that you can't be both?

612  
00:34:54,217 --> 00:34:55,426  
That's not bad.

613  
00:34:57,220 --> 00:34:59,222  
If Hiram can be mayor and a kingpin,

614  
00:34:59,305 --> 00:35:01,265  
who says that I can't be sheriff...

615  
00:35:02,058 --> 00:35:03,017  
and a gang leader?

616  
00:35:07,188 --> 00:35:08,231  
[Alice chuckles]

617  
00:35:12,902 --> 00:35:14,362  
How are you feeling, my love?

618  
00:35:17,156 --> 00:35:18,908  
I think, relieved.

619  
00:35:20,535 --> 00:35:23,287  
Am I crazy, or did we just manage  
to pull our plan off?

620  
00:35:23,788 --> 00:35:24,622  
The latter.

621  
00:35:26,332 --> 00:35:28,835  
By morning,  
Sweetwater River will have frozen over,

622  
00:35:28,918 --> 00:35:31,087  
and Aunt Cricket  
and Cousin Fester will be back

623  
00:35:31,170 --> 00:35:33,548  
in whatever ring of hell  
they typically inhabit,

624  
00:35:34,173 --> 00:35:37,009  
digesting those yummy Iamb meat pies.

625  
00:35:38,469 --> 00:35:41,430  
And Uncle Bedford's name  
will never be spoken aloud again.

626  
00:35:42,723 --> 00:35:44,684  
I do feel some kind of peace,

627  
00:35:45,476 --> 00:35:46,769  
in some weird way.

628  
00:35:47,979 --> 00:35:50,106  
We defended our home  
from hostile invaders.

629  
00:35:51,816 --> 00:35:53,985  
And for the rest of the weekend,

630  
00:35:54,068 --> 00:35:56,362  
we have nothing to worry about  
but ourselves.

631  
00:36:00,825 --> 00:36:03,995  
And... something I haven't yet said.

632  
00:36:09,792 --> 00:36:10,710  
I love you...

633

00:36:11,544 --> 00:36:13,588  
and I'm so grateful to you.

634

00:36:14,255 --> 00:36:15,756  
Yeah, I love you, too, babe.

635

00:36:18,009 --> 00:36:19,427  
And happy Thanksgiving.

636

00:36:30,479 --> 00:36:31,814  
I'm just so confused.

637

00:36:32,565 --> 00:36:34,525  
This whole time,  
Mr. Chipping was the bad guy?

638

00:36:34,609 --> 00:36:37,111  
It wasn't Bret or Mr. DuPont?

639

00:36:38,237 --> 00:36:39,405  
And poor Donna...

640

00:36:41,115 --> 00:36:44,285  
I'm not so sure  
that Donna isn't playing us, Jug.

641

00:36:44,744 --> 00:36:47,872  
What do you mean?  
Are you saying she made all of that up?

642

00:36:47,955 --> 00:36:50,166  
Well, I don't wanna say that  
because there's a possibility

643

00:36:50,249 --> 00:36:51,918  
that they had a harrowing affair.

644

00:36:53,753 --> 00:36:58,466  
But there's a possibility  
in which the story that she told me

645

00:36:58,966 --> 00:37:02,595  
was just to stall us from uncovering  
the real truth.

646  
00:37:05,056 --> 00:37:08,017  
You should just talk  
to your headmaster, Jug.

647  
00:37:08,851 --> 00:37:11,979  
I mean, get it on his radar that something  
weird is happening at this school.

648  
00:37:12,063 --> 00:37:13,981  
Yeah. That's a good idea.

649  
00:37:14,649 --> 00:37:15,483  
I will.

650  
00:37:17,860 --> 00:37:20,696  
Hey, I was thinking maybe, if the storm  
clears up by tomorrow morning,

651  
00:37:20,780 --> 00:37:22,240  
that we can go home for the weekend.

652  
00:37:22,323 --> 00:37:24,367  
Sure. In the meantime, how...?

653  
00:37:24,617 --> 00:37:26,369  
How will we stay warm tonight?

654  
00:37:29,830 --> 00:37:30,998  
[Betty giggling]

655  
00:37:37,463 --> 00:37:39,173  
Before we start...

656  
00:37:39,966 --> 00:37:42,843  
we were never  
a particularly religious house,

657  
00:37:43,803 --> 00:37:45,846

but the one thing we always did,

658

00:37:46,264 --> 00:37:48,933

the one thing  
my husband always liked to do

659

00:37:49,350 --> 00:37:51,727

when we sat down together  
to eat as a family,

660

00:37:52,561 --> 00:37:53,646

was to say grace.

661

00:37:55,523 --> 00:37:56,440

He believed in that.

662

00:37:57,858 --> 00:37:59,986

Archie, would you do the honors?

663

00:38:00,695 --> 00:38:01,529

Yeah.

664

00:38:05,825 --> 00:38:09,620

Bless us, O Lord, for these, the gifts,  
which we are about to receive.

665

00:38:10,413 --> 00:38:12,581

For this day, for this food,

666

00:38:13,124 --> 00:38:16,627

for our family, for our friends,  
we thank you. Amen.

667

00:38:17,086 --> 00:38:18,379

-[Veronica] Amen.

-Amen.

668

00:38:18,462 --> 00:38:19,547

And then he would say...

669

00:38:21,090 --> 00:38:22,091

Dig in, everyone.

670

00:38:22,341 --> 00:38:24,760

I'm grateful to be alive  
and to be here with you.

671

00:38:34,687 --> 00:38:35,855

What's this about, sheriff?

672

00:38:35,938 --> 00:38:38,316

Dodger Dickenson's family is at-large  
and dangerous.

673

00:38:38,399 --> 00:38:41,485

And we have reason to believe they might  
try to get to him before they skip town.

674

00:38:41,569 --> 00:38:43,988

Well, we monitor our patients  
fairly closely.

675

00:38:47,450 --> 00:38:49,410

Well, not closely enough, huh, doc?

676

00:38:53,873 --> 00:38:55,333

Ah. Excuse me, headmaster?

677

00:38:57,084 --> 00:38:58,419

[inaudible dialogue]

678

00:39:08,054 --> 00:39:09,305

[Jughead] What's that all about?

679

00:39:10,556 --> 00:39:13,601

Donna came clean to the headmaster  
about her affair with Chipping.

680

00:39:14,310 --> 00:39:16,395

How he basically abused and harassed her.

681

00:39:18,314 --> 00:39:21,442

She was trying to protect his family,  
prevent any further pain,

682

00:39:21,525 --> 00:39:24,653  
but after Betty broke into her room,

683

00:39:24,737 --> 00:39:28,032  
Donna felt like she had no choice  
but to talk to the authorities

684

00:39:28,115 --> 00:39:30,868  
about all the awful things  
Chipping did to her.

685

00:39:33,204 --> 00:39:36,040  
Well, I guess there's no doubt  
about it anymore.

686

00:39:37,166 --> 00:39:38,793  
Chipping's death was a suicide,

687

00:39:39,585 --> 00:39:41,712  
driven by a guilty man's fear of exposure.

688

00:39:46,008 --> 00:39:47,551  
Case closed, Detective Jones.

689

00:40:15,871 --> 00:40:17,873  
[playing ballad]

690

00:40:27,425 --> 00:40:28,259  
Archie?

691

00:40:30,803 --> 00:40:33,889  
Yesterday was, without a doubt,

692

00:40:33,973 --> 00:40:36,267  
the strangest Thanksgiving I've ever had.

693

00:40:37,184 --> 00:40:39,770  
I mean, I pointed a gun at a woman.

694

00:40:40,146 --> 00:40:41,814

Welcome to Riverdale, Mom.

695

00:40:43,524 --> 00:40:47,319

Yeah, it's a far cry from me, you and Dad  
eating fried turkey and watching football.

696

00:40:49,071 --> 00:40:52,241

He never made it past the third quarter.  
He fell asleep on the couch.

697

00:40:55,411 --> 00:40:59,665

You know, I've been thinking about  
that deep fryer exploding when it did.

698

00:41:00,791 --> 00:41:02,543

I mean, what are the odds of that?

699

00:41:03,377 --> 00:41:06,213

-That saved us, Archie.  
-Yeah, we got lucky, Mom.

700

00:41:06,297 --> 00:41:08,132

No, that wasn't luck.

701

00:41:09,049 --> 00:41:10,843

That was your dad watching out for us.

702

00:41:13,387 --> 00:41:14,221

I think you're right.

703

00:41:15,598 --> 00:41:16,932

And that gives me an idea.

704

00:41:18,267 --> 00:41:20,269

[applause]

705

00:41:32,198 --> 00:41:33,115

What do you think, Mom?

706

00:41:33,741 --> 00:41:35,910

Your father never would've believed this.

707

00:41:36,660 --> 00:41:38,662  
Everything you've been building here.

708

00:41:39,997 --> 00:41:40,956  
All of you.

709

00:41:42,374 --> 00:41:43,334  
He'd be honored...

710

00:41:44,919 --> 00:41:45,878  
and so proud.
