RIM OF THE WORLD

WRITTEN BY

Zack Stentz

Summer camp at Rim of the World has barely begun when four misfit teenagers -- Alex, ZhenZhen, Dariush, and Gabriel -- find they've got bigger problems to face than learning how to canoe and climb ropes when aliens suddenly invade the planet. Alone in a campground once teeming with people, the kids are unexpectedly entrusted with a key that carries the secret to stopping the invasion. Without any adults or electronics to help guide the way, it's clear what they must do: band together, conquer their fears, and save the world.

-[Alex] Oh, ow.
-Big mistake, bro.

336
00:17:41,435 --> 00:17:42,936
-[Dariush grunts]
-Ow!

337
00:17:43,020 --> 00:17:46,398
Ooh. Five years of Krav Maga, bitch.

338
00:17:46,607 --> 00:17:49,818
I'll Gal Gadot you so hard right now.
What's your ground game?

339
00:17:49,902 --> 00:17:52,237
What? What? Unh! [grunts]

340
00:17:52,654 --> 00:17:53,489
[thuds]

341
00:17:53,781 --> 00:17:54,782
[Dariush groans]

342
00:17:54,865 --> 00:17:55,699
You okay?

343
00:17:57,451 --> 00:17:58,368

Thanks.

344

00:17:59,244 --> 00:18:00,079
Yeah.

345

00:18:01,789 --> 00:18:04,041
-Who are you?
-My name is Gabriel.

346

00:18:05,542 --> 00:18:06,627
You live around here?

347

00:18:08,962 --> 00:18:10,339
Yeah. Yeah.

348

00:18:11,882 --> 00:18:14,218
You guys are from the, um,
the camp, right?

349

00:18:17,596 --> 00:18:20,766
-She's not much of a talker.
-You know what? You know...

350

00:18:21,308 --> 00:18:23,143
You know what? That was a lucky punch.

351

00:18:23,268 --> 00:18:26,605
Lucky punch. Yeah, you know,
I haven't acclimated to the altitudes yet.

352

00:18:26,688 --> 00:18:29,316
So my reflexes are kinda...
[pants] sub-par.

353

00:18:29,399 --> 00:18:31,401
[loud booms]

354

00:18:35,656 --> 00:18:37,658
[booming continues]

355

00:18:39,076 --> 00:18:40,285
What the hell was that?

356

00:18:41,036 --> 00:18:43,497
[cell phone alarms beeping]

357

00:18:44,832 --> 00:18:45,749
What does it say?

358

00:18:46,625 --> 00:18:48,418
It's the emergency broadcast system.

359

00:18:48,502 --> 00:18:52,089
"All civilians are to evacuate
metropolitan areas immediately.

360

00:18:52,172 --> 00:18:55,217
Under no circumstances
approach any unknown aircraft."

361

00:18:56,635 --> 00:18:57,928
It's the next 7-Eleven.

362

00:18:58,595 --> 00:18:59,972
We gotta get back to the van.

363

00:19:00,681 --> 00:19:01,723
Anyone know the way?

364

00:19:02,141 --> 00:19:03,350
-[Dariush] Uh...
-I do.

365

00:19:04,268 --> 00:19:05,144
Follow me.

366

00:19:05,227 --> 00:19:06,937
Okay. Whoa! Whoa.

367

00:19:07,020 --> 00:19:09,523
Slow your roll, Dora the Explorer,
all right, this is my clique.

368

00:19:09,606 --> 00:19:11,275
Soldiers, out! [scoffs]

369
00:19:13,110 --> 00:19:14,027
[Gabriel] Let's go.

370
00:19:14,945 --> 00:19:15,946
You guys know if--

371
00:19:17,823 --> 00:19:18,657
You--

372
00:19:19,700 --> 00:19:20,826
[sighs]

373
00:19:20,909 --> 00:19:22,870
[panting]

374
00:19:22,953 --> 00:19:23,996
Everyone's gone!

375
00:19:25,038 --> 00:19:26,123
[Dariush] Assholes!

376
00:19:28,041 --> 00:19:30,294
Probably got the emergency signal
and went back to camp.

377
00:19:30,377 --> 00:19:31,712
-[loud boom]
-Oh!

378
00:19:35,757 --> 00:19:36,925
What the fu--?

379
00:19:37,509 --> 00:19:39,803
Looks like explosions,
in the upper atmosphere.

380
00:19:39,887 --> 00:19:42,181
[Gabriel] Call and have them send
the van to pick you up.

381
00:19:42,264 --> 00:19:44,808
It's dead!
I had 90% two seconds ago.

382
00:19:44,892 --> 00:19:46,143
Piece of shit Boost Mobile.

383
00:19:46,226 --> 00:19:47,311
Mine's dead, too.

384
00:19:47,853 --> 00:19:50,147
[distant whooshing]

385
00:19:59,865 --> 00:20:01,867
[jet engines roaring]

386
00:20:02,159 --> 00:20:03,827
-Whoa! Ah!
-Ah!

387
00:20:04,953 --> 00:20:06,622
Oh my God, it's Independence Day.

388
00:20:07,331 --> 00:20:08,665
It's June, Gabriel!

389
00:20:10,125 --> 00:20:12,211
Oh, wait, maybe North Korea's invaded!

390
00:20:12,294 --> 00:20:13,337
Zhenzhen, call it off!

391
00:20:14,463 --> 00:20:17,674
We just need to wait here until the adults
realize they left us and come back.

392
00:20:17,758 --> 00:20:20,052
Oh, man! What if they never come back?

393
00:20:20,135 --> 00:20:21,887

I'm gonna die here with you losers?

394

00:20:21,970 --> 00:20:23,639
I never even had sex before!

395

00:20:27,267 --> 00:20:29,061
I'ma clear that up. I had sex...

396

00:20:29,228 --> 00:20:31,230
I had sex before, I mean...

397

00:20:31,313 --> 00:20:33,815
I haven't had sex with two girls at once.
That's what I mean.

398

00:20:33,899 --> 00:20:35,359
-I told you I had sex 'cause...
-No.

399

00:20:35,442 --> 00:20:38,737
All right, hey, look. We're not gonna die!
It's probably just a forest fire.

400

00:20:38,820 --> 00:20:40,906
We gotta get going,
bears out here can be crazy.

401

00:20:40,989 --> 00:20:43,784
Whoa! Whoa! Okay, slow your roll.
Did you just say bears?

402

00:20:43,867 --> 00:20:45,702
I don't do so well with bears, man.

403

00:20:45,786 --> 00:20:47,913
I'm not trying to get DiCaprio'd
up in here!

404

00:20:47,996 --> 00:20:51,416
-Look, no one does well with bears.
-Oh, whoa. Uh...

405

00:20:51,667 --> 00:20:53,418
ask Werner Herzog.

406

00:20:53,502 --> 00:20:56,755
Grizzly Man lived with those things
for years, so check that out.

407

00:20:56,838 --> 00:20:58,966
-Did you watch the end of that movie?
-"Did I watch..."

408

00:20:59,049 --> 00:21:02,302
-Yeah, I watched-- No, I didn't.
-No, dude. Okay, stop. Gabriel's right.

409

00:21:02,386 --> 00:21:05,430
Black bears are opportunistic carnivores.
We're not gonna survive the wilderness

410

00:21:05,514 --> 00:21:08,433
-through the night.
-Then let's go! Come on!

411

00:21:09,476 --> 00:21:11,478
[all panting]

412

00:21:12,271 --> 00:21:13,313
[Dariush yelling] Hello!

413

00:21:14,856 --> 00:21:15,732
Hello!

414

00:21:17,609 --> 00:21:18,652
Where is everybody?

415

00:21:19,820 --> 00:21:20,904
Is anyone here?

416

00:21:21,738 --> 00:21:23,156
[Dariush] Yo, do you see anybody?

417

00:21:25,575 --> 00:21:26,827

What's that?

418

00:21:26,910 --> 00:21:28,036
"Gone down mountain..."

419

00:21:28,704 --> 00:21:30,205
Oh, they left us!

420

00:21:30,872 --> 00:21:31,873
Oh, sh--

421

00:21:32,708 --> 00:21:35,836
-Not all of them!
-[Dariush] Huh? It's Heavy Metal Conrad.

422

00:21:35,919 --> 00:21:37,337
-[Alex] Conrad!
-[Gabriel] Conrad!

423

00:21:37,754 --> 00:21:38,672
[Dariush] Is he dead?

424

00:21:39,548 --> 00:21:42,050
He's breathing. He must have slept
through the evacuation.

425

00:21:42,134 --> 00:21:44,344
Okay, what kind of asshole
sleeps through an evacuation?

426

00:21:45,220 --> 00:21:46,179
Wake him up.

427

00:21:49,266 --> 00:21:50,100
Uh...

428

00:21:53,228 --> 00:21:54,980
I don't think that... that was milk.

429

00:21:59,401 --> 00:22:00,235
Line's dead.

430

00:22:02,112 --> 00:22:03,196
It's 'cause the power's out.

431

00:22:04,281 --> 00:22:05,449
You know what an EMP is?

432

00:22:05,532 --> 00:22:08,160
Uh, yeah, yeah, yeah,
that's that music white people dance to.

433

00:22:08,452 --> 00:22:09,536
No, that's EDM!

434

00:22:09,703 --> 00:22:11,913
EPM stands for electromagnetic pulse.

435

00:22:12,539 --> 00:22:15,167
A nuclear explosion
in the upper atmosphere can cause one.

436

00:22:15,709 --> 00:22:18,712
And it knocks out most electronics,
over a really big area.

437

00:22:19,129 --> 00:22:20,130
But what does that mean?

438

00:22:20,589 --> 00:22:22,215
It means nothing works.

439

00:22:22,591 --> 00:22:23,759
Not even cars?

440

00:22:24,217 --> 00:22:26,345
Well, you guys have food
and a roof over your head.

441

00:22:26,428 --> 00:22:27,888
You could do a lot worse than staying

442

00:22:27,971 --> 00:22:30,015

-and waiting this out.
-Wait, waiting what out?

443
00:22:30,098 --> 00:22:31,016
[loud explosion]

444
00:22:31,099 --> 00:22:32,809
Shit! Come on, come on, come on!

445
00:22:44,321 --> 00:22:46,490
Those are F-22 Raptor
air superiority fighters.

446
00:22:47,074 --> 00:22:49,076
[Gabriel] What are those ships
they're fighting?

447
00:22:49,159 --> 00:22:51,036
I've never seen anything like them.

448
00:22:51,578 --> 00:22:53,080
[engines roaring]

449
00:22:53,163 --> 00:22:56,124
[Dariush]
Run! Go, get the hell out here. Go!

450
00:22:56,249 --> 00:22:58,043
-[gunfire]
-Hurry up!

451
00:22:59,002 --> 00:23:00,212
Go, go, go!

452
00:23:00,587 --> 00:23:02,589
-Move out of the way!
-[guns blasting]

453
00:23:03,924 --> 00:23:05,342
[Alex] Come on, come on!

454
00:23:05,967 --> 00:23:06,927

Go!

455

00:23:07,928 --> 00:23:09,429
Oh! Look out!

456

00:23:09,513 --> 00:23:11,098
-Look out, look out!
-Whoa!

457

00:23:12,182 --> 00:23:14,059
[all grunting]

458

00:23:14,518 --> 00:23:16,353
[groaning]

459

00:23:19,940 --> 00:23:22,275
-[gunfire blasting]
-[engines roaring]

460

00:23:22,442 --> 00:23:23,777
What's going on?

461

00:23:28,615 --> 00:23:29,533
What?

462

00:23:36,915 --> 00:23:38,333
[yelling]

463

00:23:40,210 --> 00:23:42,045
[all groaning]

464

00:23:44,548 --> 00:23:46,383
What is that? [coughing]

465

00:23:46,466 --> 00:23:49,886
-[Alex] It's a Dragon capsule.
-[Gabriel] How do you know all this stuff?

466

00:23:49,970 --> 00:23:52,514
There's a reason my mom sent me
to outdoor camp.

467
00:23:53,140 --> 00:23:54,683
[Dariush] Oh, God, that thing's huge.

468
00:23:55,434 --> 00:23:56,268
What the hell?

469
00:23:56,351 --> 00:23:58,019
-No, don't touch it! Dude!
-Oh! Ah!

470
00:23:58,103 --> 00:23:59,438
It's still hot from re-entry.

471
00:23:59,813 --> 00:24:02,274
-Oh, does anyone have any water?
-[Alex] Good idea.

472
00:24:02,691 --> 00:24:03,525
Thanks. thanks.

473
00:24:04,192 --> 00:24:06,111
[gulping] Mmm...

474
00:24:07,070 --> 00:24:08,029
You serious?

475
00:24:10,115 --> 00:24:10,991
-What?
-Gimme it.

476
00:24:11,074 --> 00:24:11,908
What?

477
00:24:12,367 --> 00:24:13,243
[water hissing]

478
00:24:13,326 --> 00:24:15,036
You're not gonna open that thing, are you?

479
00:24:15,120 --> 00:24:16,580
There could be someone inside.

480
00:24:16,663 --> 00:24:18,123
No, leave it be. All right?

481
00:24:18,707 --> 00:24:21,376
-[Alex] What?
-We don't know what this shit is.

482
00:24:21,877 --> 00:24:23,628
-[Alex] Don't touch it.
-[sniffs] Ew.

483
00:24:23,712 --> 00:24:25,630
This is animal kingdom out here, bitches.

484
00:24:25,714 --> 00:24:27,841
All right, survival of the fit--

485
00:24:27,924 --> 00:24:28,758
[clangs]

486
00:24:37,893 --> 00:24:40,145
Hello. Is... is anybody in here?

487
00:24:50,155 --> 00:24:52,324
-[all] Ah!
-[moaning]

488
00:24:52,407 --> 00:24:53,283
[Alex] Guys!

489
00:24:55,160 --> 00:24:56,661
[Dariush] Come on, come on, come on!

490
00:24:56,745 --> 00:24:58,747
I thought space was supposed
to make you weightless?

491
00:24:58,830 --> 00:25:00,957
-[screams]
-[Alex] We're not in space, dude.

492
00:25:02,459 --> 00:25:04,586
[wheezing, groaning]

493
00:25:04,711 --> 00:25:07,130
-Where am I?
-At Rim of the World Adventure Camp.

494
00:25:07,214 --> 00:25:08,840
-Near Big Bear.
-This is a camp?

495
00:25:09,132 --> 00:25:10,550
Yeah, I was disappointed too, but...

496
00:25:11,009 --> 00:25:12,469
Coordinates all wrong.

497
00:25:13,011 --> 00:25:14,971
Pasadena... Dr. Fielding.

498
00:25:15,055 --> 00:25:17,474
I'm sorry, but we're not near Pasadena
right now.

499
00:25:17,557 --> 00:25:19,309
-JPL!
-JPL?

500
00:25:19,392 --> 00:25:21,520
The Jet Propulsion Laboratory.
It's part of NASA.

501
00:25:21,603 --> 00:25:23,188
[Gabriel] Try not to move as much, okay?

502
00:25:23,313 --> 00:25:25,232
-Try not to move as much.
-The key!

503
00:25:25,857 --> 00:25:26,691
The key.

504

00:25:26,858 --> 00:25:28,985
Take it to JPL, Dr. Fielding.

505

00:25:29,069 --> 00:25:31,363
It has everything on it.
Excalibur, everything.

506

00:25:31,446 --> 00:25:33,240
-[creature snarling]
-Go!

507

00:25:33,365 --> 00:25:35,075
[Dariush] What the actual shit?

508

00:25:35,450 --> 00:25:38,161
-You're gonna die if we leave you.
-We'll all die if you don't!

509

00:25:38,745 --> 00:25:39,913
Run!

510

00:25:42,958 --> 00:25:44,084
[screaming]

511

00:25:45,794 --> 00:25:46,962
Was that an alien?

512

00:25:47,087 --> 00:25:48,004
[Gabriel] Run!

513

00:25:49,464 --> 00:25:50,966
Keep going, come on! Let's go!

514

00:25:53,051 --> 00:25:54,177
[snarls]

515

00:25:54,261 --> 00:25:55,762
[growling]

516

00:25:55,845 --> 00:25:57,681
[cracking]

517
00:26:01,309 --> 00:26:02,769
[snarls]

518
00:26:03,103 --> 00:26:04,396
It has a dog!

519
00:26:04,479 --> 00:26:05,814
Alex! Come on!

520
00:26:12,445 --> 00:26:13,947
Hey, wait! Wait, wait!

521
00:26:14,030 --> 00:26:14,948
How big was it?

522
00:26:15,031 --> 00:26:17,993
Was it, like, puppy-size?
'Cause maybe it just wants to cuddle.

523
00:26:18,118 --> 00:26:19,035
[snarling]

524
00:26:19,119 --> 00:26:20,704
-Hell, no! We have to go!
-[Alex yelling]

525
00:26:28,587 --> 00:26:30,255
[Gabriel whispering] Alex, come here.

526
00:26:32,632 --> 00:26:34,467
Dariush. Come here.
Dariush. Come here.

527
00:26:34,551 --> 00:26:36,261
-[door bangs]
-Oh!

528
00:26:39,889 --> 00:26:41,474
[creature growling]

529

00:26:50,358 --> 00:26:51,484
[sniffing]

530
00:27:08,376 --> 00:27:09,628
Thank you, Baby Jesus!

531
00:27:10,754 --> 00:27:12,380
[clattering]

532
00:27:13,006 --> 00:27:13,882
[growls]

533
00:27:14,299 --> 00:27:15,508
[screaming]

534
00:27:19,638 --> 00:27:20,972
[panting] No!

535
00:27:21,306 --> 00:27:24,184
-[steam whooshing]
-[creature screeching]

536
00:27:29,981 --> 00:27:31,483
Help me, help me! I'm coming!

537
00:27:32,400 --> 00:27:34,611
[snarling]

538
00:27:34,694 --> 00:27:36,529
[all screaming]

539
00:27:38,740 --> 00:27:39,783
[locks]

540
00:27:40,033 --> 00:27:43,244
[loud banging]

541
00:27:43,578 --> 00:27:44,412
Go, go.

542
00:27:45,330 --> 00:27:46,581

[low growling]

543

00:27:46,748 --> 00:27:48,750
[Alex] Go, go. Go, go. Run! Run!

544

00:27:52,337 --> 00:27:53,630
Shit! Let's go!

545

00:27:53,713 --> 00:27:54,714
Come on! Let's go!

546

00:27:58,301 --> 00:27:59,177
[screaming]

547

00:28:02,806 --> 00:28:04,849
[wood smashing]

548

00:28:06,309 --> 00:28:08,395
[creature roaring]

549

00:28:09,187 --> 00:28:10,647
-What are you doing?
-Come on.

550

00:28:32,168 --> 00:28:33,795
[Dariush panting]

551

00:28:33,920 --> 00:28:34,963
Where is it?

552

00:28:38,550 --> 00:28:39,467
[exhales quietly]

553

00:28:41,761 --> 00:28:43,304
[growling]

554

00:28:44,889 --> 00:28:47,308
-[Dariush whispering] Oh, shit!
-[wood cracking]

555

00:28:50,395 --> 00:28:51,312

[snorts]

556

00:28:51,396 --> 00:28:52,522
[whimpers]

557

00:28:52,605 --> 00:28:53,815
-[Dariush mumbling]
-Shh.

558

00:28:55,775 --> 00:28:57,068
[whispering] Stop talking. Shh.

559

00:28:57,193 --> 00:28:58,278
Stop...

560

00:28:58,695 --> 00:29:00,697
-[creature snarling]
-[wood cracking]

561

00:29:05,744 --> 00:29:08,538
-He's coming, we have to hide. Please.
-Shh! Shh!

562

00:29:09,038 --> 00:29:10,957
[low growling]

563

00:29:13,835 --> 00:29:15,545
[whispering] He's coming, he's coming.

564

00:29:21,217 --> 00:29:23,553
That's fecal suicide! No!

565

00:29:28,725 --> 00:29:30,185
Crap!

566

00:29:31,311 --> 00:29:33,354
Ugh! Not sanitary.

567

00:29:34,981 --> 00:29:37,358
[coughing] We gotta go. Come on.

568

00:29:37,442 --> 00:29:38,568
Whoa, whoa, whoa!

569
00:29:38,902 --> 00:29:41,446
Why are we leaving?
This an alien-proof hiding spot.

570
00:29:41,529 --> 00:29:43,740
-We have to help them.
-And die too?

571
00:29:44,657 --> 00:29:46,159
-No, thanks!
-Just go! Go!

572
00:29:46,242 --> 00:29:47,160
No, come on.

573
00:29:47,243 --> 00:29:49,245
No, wait, look... Gabriel!

574
00:29:51,206 --> 00:29:52,415
Wait! Wait, wait, wait.

575
00:29:53,583 --> 00:29:54,417
[grunting]

576
00:29:55,543 --> 00:29:56,669
[metal rattling]

577
00:29:56,753 --> 00:29:57,670
Now what?

578
00:30:00,882 --> 00:30:02,717
Aw, hell, naw, man!

579
00:30:06,596 --> 00:30:07,430
[screeches]

580
00:30:07,514 --> 00:30:08,598
Oh, shit! Come on!

581
00:30:08,681 --> 00:30:10,266
Go, go, go. Go!

582
00:30:10,350 --> 00:30:11,434
[door banging]

583
00:30:15,146 --> 00:30:16,189
Shh.

584
00:30:16,272 --> 00:30:17,357
[door opens]

585
00:30:23,613 --> 00:30:25,698
[moaning]

586
00:30:25,782 --> 00:30:26,825
What the hell?

587
00:30:26,908 --> 00:30:29,285
[whispering] It's Conrad. Conrad. [gags]

588
00:30:30,119 --> 00:30:31,496
[gagging]

589
00:30:31,996 --> 00:30:34,332
[whispering] Conrad. Conrad!
Hey. Hey, Conrad.

590
00:30:34,624 --> 00:30:36,251
[wood smashing]

591
00:30:38,378 --> 00:30:40,839
-[creature snarling]
-[Conrad screaming]

592
00:30:42,799 --> 00:30:44,342
-[bones cracking]
-[screaming stops]

593
00:30:48,888 --> 00:30:49,722
Dariush.

594
00:30:50,098 --> 00:30:51,015
Go, go!

595
00:30:52,225 --> 00:30:53,476
Speed your ass up, Gabriel!

596
00:30:53,893 --> 00:30:54,936
It's Cujo.

597
00:30:55,019 --> 00:30:55,854
Go!

598
00:30:55,937 --> 00:30:57,230
[Gabriel] Oh, shit, get the door!

599
00:30:57,897 --> 00:30:59,774
-What?
-Get the door! Get the door!

600
00:31:00,817 --> 00:31:02,485
[screams] It's coming.

601
00:31:03,111 --> 00:31:04,821
-Come on, get in here!
-I forgot the door!

602
00:31:07,699 --> 00:31:09,117
-[bangs]
-[Dariush screams]

603
00:31:11,244 --> 00:31:13,663
[breathing heavily]

604
00:31:17,041 --> 00:31:18,501
Where is it? You see it?

605
00:31:18,918 --> 00:31:19,961
-No.
-I don't see it!

606

00:31:20,503 --> 00:31:21,671
-Oh!
-No!

607
00:31:21,754 --> 00:31:23,548
[Alex] Guys, come on. Let's go!

608
00:31:23,631 --> 00:31:25,550
-Leave! The dog is out there!
-Leave!

609
00:31:25,633 --> 00:31:27,176
[Alex yelling] We can't hear you!

610
00:31:27,260 --> 00:31:28,845
-Go away! The dog's out there.
-Go!

611
00:31:31,097 --> 00:31:32,181
[growling]

612
00:31:40,648 --> 00:31:42,358
We gotta let 'em in, we gotta let 'em in!

613
00:31:42,442 --> 00:31:44,068
No. What are you doing? "Let them in." No!

614
00:31:46,696 --> 00:31:49,198
Zhenzhen? Zhenzhen.

615
00:31:51,367 --> 00:31:52,452
[Dariush] Leave it alone!

616
00:31:52,535 --> 00:31:54,621
-Come on!
-Leave the buttons alone. Stop it!

617
00:32:01,920 --> 00:32:02,962
[roars]

618
00:32:03,046 --> 00:32:04,297
-You wanna die?

-[lever clicks]

619

00:32:06,966 --> 00:32:10,637
[screeching]

620

00:32:13,389 --> 00:32:14,223
Oh, shoot!

621

00:32:14,849 --> 00:32:16,851
Alex, you're welcome.

622

00:32:17,226 --> 00:32:19,312
I put the dog on fire for you guys!

623

00:32:19,479 --> 00:32:21,981
And Gabriel was selfish
and he didn't help at all.

624

00:32:22,357 --> 00:32:25,360
What button do I press to open
this window? Help me!

625

00:32:29,364 --> 00:32:30,323
Go.

626

00:32:31,616 --> 00:32:33,117
[Gabriel grunting]

627

00:32:35,078 --> 00:32:35,995
I think we got it.

628

00:32:36,079 --> 00:32:37,121
[sizzling]

629

00:32:38,915 --> 00:32:41,626
[loud snarling]

630

00:32:43,002 --> 00:32:46,422
At what point do we trip Zhenzhen
and keep running?

631

00:32:49,842 --> 00:32:52,095
[all screaming]

632
00:32:52,345 --> 00:32:53,262
[roars]

633
00:32:54,514 --> 00:32:56,557
[yelling]

634
00:32:59,060 --> 00:33:00,019
[choking]

635
00:33:01,604 --> 00:33:03,606
[rapid gunfire]

636
00:33:03,982 --> 00:33:05,441
[jet engine roars]

637
00:33:10,154 --> 00:33:11,280
[panting]

638
00:33:11,406 --> 00:33:13,408
[Dariush wheezes]

639
00:33:14,742 --> 00:33:16,452
I didn't sign up for this shit, man.

640
00:33:16,536 --> 00:33:17,870
[Gabriel] This can't be real.

641
00:33:18,997 --> 00:33:21,624
What about this isn't real?
He just sneeze-jizzed all over us!

642
00:33:21,708 --> 00:33:24,002
Just shut up, I can't think
with your constant bitching.

643
00:33:24,085 --> 00:33:27,880
Hey, I'm allowed to bitch, all right?
That thing had its tongue in my mouth.

644

00:33:27,964 --> 00:33:29,340
How do you know it was its tongue?

645

00:33:29,799 --> 00:33:30,883
We don't know their anatomy.

646

00:33:30,967 --> 00:33:32,010
What are you saying?

647

00:33:32,093 --> 00:33:34,470
Honestly, it's plausible that
sophisticated creatures,

648

00:33:34,554 --> 00:33:36,681
like alien males, have cranial genitalia.

649

00:33:41,019 --> 00:33:42,353
It had its dick in my mouth?

650

00:33:43,438 --> 00:33:44,522
Yeah.

651

00:33:45,773 --> 00:33:46,774
Uh-uh.

652

00:33:46,899 --> 00:33:48,317
Guys, we need to stay calm, okay?

653

00:33:48,401 --> 00:33:49,610
We need to stay calm.

654

00:33:50,111 --> 00:33:51,362
Calm? [scoffs]

655

00:33:51,446 --> 00:33:54,657
I just probably swallowed
a load of alien babies

656

00:33:54,741 --> 00:33:57,535
that are gonna turn into puppies
and leap out of my chest.

657

00:33:57,618 --> 00:33:59,620
I need to find my mom,
she's gonna know what to do.

658

00:33:59,704 --> 00:34:00,955
If she's alive.

659

00:34:01,205 --> 00:34:02,582
Hey, don't say that.

660

00:34:02,665 --> 00:34:04,375
Chances are our parents are gone,
all right!

661

00:34:04,459 --> 00:34:06,252
Hey, what did I say about
touching that kid?

662

00:34:06,461 --> 00:34:08,421
What are you gonna do?
Gonna sucker punch me again?

663

00:34:08,504 --> 00:34:10,423
Go for it,
'cause I chop your ass in the neck,

664

00:34:10,506 --> 00:34:11,883
and then I'll chop you in the head

665

00:34:11,966 --> 00:34:14,469
-and finish you with a rear-naked choke.
-Do you ever shut up?

666

00:34:14,552 --> 00:34:16,721
I mean, between my fist
and that alien's dick,

667

00:34:16,804 --> 00:34:18,931
your mouth should be worn out by now.

668

00:34:19,015 --> 00:34:19,932

[screaming]

669

00:34:22,268 --> 00:34:23,519
Why are you hitting me?

670

00:34:23,603 --> 00:34:25,021
What we do in life...

671

00:34:25,855 --> 00:34:27,523
echoes in eternity.

672

00:34:29,484 --> 00:34:30,526
What the fuck?

673

00:34:32,153 --> 00:34:33,154
[Zhenzhen] Hold the line!

674

00:34:33,988 --> 00:34:34,989
Stay with me.

675

00:34:35,782 --> 00:34:38,367
If you find yourself alone,
riding in green fields

676

00:34:38,451 --> 00:34:40,286
with the sun on your face,
do not be troubled.

677

00:34:41,037 --> 00:34:42,663
For you are in Elysium,

678

00:34:43,039 --> 00:34:44,415
and you're already dead.

679

00:34:46,959 --> 00:34:48,711
Did she just quote Gladiator?

680

00:34:49,045 --> 00:34:50,838
Since when did she speak English?

681

00:34:51,714 --> 00:34:52,965

Since when does she speak?

682

00:34:53,966 --> 00:34:55,718
-May I ask where we're going?
-My jaw hurts...

683

00:34:55,802 --> 00:34:57,220
The astronaut said that this key

684

00:34:57,303 --> 00:34:59,889
can stop the aliens
and we need to take it to TRL.

685

00:35:00,098 --> 00:35:01,099
JPL.

686

00:35:01,182 --> 00:35:03,726
-A NASA facility.
-[Dariush] Tastes like truffle butter.

687

00:35:03,810 --> 00:35:05,269
In the foothills of Pasadena.

688

00:35:06,020 --> 00:35:08,773
I went there once for a robotics contest
with my dad.

689

00:35:08,898 --> 00:35:11,067
-Do you know how to get there?
-Without GPS?

690

00:35:11,150 --> 00:35:13,986
No, probably not.
It's over 70 miles away from here.

691

00:35:14,070 --> 00:35:15,404
Whoa, whoa, whoa, what?

692

00:35:16,030 --> 00:35:18,407
Wait, you wanna head 70 miles
into the city?

693

00:35:18,491 --> 00:35:20,743
The alert said stay out
of metropolitan areas,

694

00:35:20,827 --> 00:35:21,953
not head straight into them.

695

00:35:22,036 --> 00:35:24,080
We don't have to take it all the way
to Pasadena.

696

00:35:24,664 --> 00:35:27,583
Let's just get this key down the mountain
and take it to adults.

697

00:35:27,667 --> 00:35:29,585
Tell them to take it to JPL.

698

00:35:30,670 --> 00:35:31,963
[sighing] Oh, my gosh.

699

00:35:33,673 --> 00:35:34,507
Guys.

700

00:35:35,424 --> 00:35:38,386
There's a sheriff's station down a bit,
we could get it to a cop.

701

00:35:38,469 --> 00:35:40,138
That's a great idea, Gabriel.

702

00:35:40,221 --> 00:35:42,765
Now, let's get some bikes
and kick some ass.

703

00:35:44,225 --> 00:35:45,977
[Dariush] Damn, girl,
your English is good.

704

00:35:46,561 --> 00:35:48,938
They gave us the code at registration,
it's, um...

705
00:35:49,021 --> 00:35:49,939
six-six-nine.

706
00:35:50,690 --> 00:35:51,899
Come on, man.

707
00:35:52,984 --> 00:35:54,777
[locks turning]

708
00:35:54,861 --> 00:35:57,029
[Dariush] Hurry up, dude. Come on.
It's six-six-nine.

709
00:35:57,321 --> 00:35:58,781
[Gabriel] Six... nine...

710
00:35:58,865 --> 00:36:01,033
Dude, what are you talking about?
I said six-six-nine.

711
00:36:01,868 --> 00:36:05,371
Come on, man. Dude, hurry up!
Just put it in there. What are you, dumb?

712
00:36:07,623 --> 00:36:08,457
I'm not dumb.

713
00:36:09,083 --> 00:36:11,169
Here, Gabriel. Let me help you.

714
00:36:12,545 --> 00:36:15,006
I want this one,
it's got a 'Wakanda Forever' sticker.

715
00:36:22,722 --> 00:36:24,432
Hey... what's wrong?

716
00:36:24,849 --> 00:36:25,850
I can't go with you.

717
00:36:27,476 --> 00:36:28,311

Why not?

718

00:36:29,854 --> 00:36:30,855
I can't ride a bike.

719

00:36:31,564 --> 00:36:32,440
I never learned.

720

00:36:34,192 --> 00:36:35,109
It's okay.

721

00:36:35,776 --> 00:36:37,153
You guys can go without me.

722

00:36:37,278 --> 00:36:38,905
-[Dariush] Cool, we out!
-[Gabriel] No.

723

00:36:38,988 --> 00:36:41,115
We got back down to your camp
and everyone left you,

724

00:36:41,199 --> 00:36:42,491
how did that make you feel?

725

00:36:42,575 --> 00:36:45,077
All right, you get on one side of Alex
and you get on the other,

726

00:36:45,161 --> 00:36:46,537
and we'll get him up to speed.

727

00:36:46,621 --> 00:36:47,580
-Gotcha.
-All right?

728

00:36:50,625 --> 00:36:51,959
I won't let you fall.

729

00:37:01,344 --> 00:37:02,261
You guys are...

730
00:37:03,429 --> 00:37:04,263
I...

731
00:37:06,432 --> 00:37:07,475
[sighs]

732
00:37:13,314 --> 00:37:14,273
[Dariush] You got this.

733
00:37:14,523 --> 00:37:16,359
Put your feet back on the pedal.

734
00:37:16,442 --> 00:37:18,152
[Gabriel] The key is to get moving.

735
00:37:18,236 --> 00:37:20,863
The faster you go,
the easier it is to stay balanced.

736
00:37:21,197 --> 00:37:22,657
Are you sure about this?

737
00:37:23,950 --> 00:37:24,909
[Gabriel] No.

738
00:37:25,493 --> 00:37:26,577
[Dariush] Good, you're good.

739
00:37:28,246 --> 00:37:29,664
Now, just keep doing that.

740
00:37:34,252 --> 00:37:35,878
I don't... I don't know if I can do this.

741
00:37:35,962 --> 00:37:36,796
Alex.

742
00:37:37,505 --> 00:37:38,714
You're already doing it.

743

00:37:38,881 --> 00:37:41,092
[all cheering]

744
00:37:42,385 --> 00:37:43,636
[Zhenzhen] You're doing it!

745
00:37:45,304 --> 00:37:46,222
[Alex] Yeah!

746
00:37:46,847 --> 00:37:47,890
[Zhenzhen] You're doing it.

747
00:37:47,974 --> 00:37:49,016
[Dariush] Yeah, boy!

748
00:37:49,100 --> 00:37:50,768
-[Zhenzhen] Whoo!
-[Gabriel] Look at him.

749
00:37:50,851 --> 00:37:53,145
Oh, my God.
Oh, my God, you guys. I'm doing it!

750
00:37:54,939 --> 00:37:55,940
Whoo-hoo!

751
00:37:59,318 --> 00:38:00,653
Whoo!

752
00:38:06,492 --> 00:38:07,410
Yeah!

753
00:38:07,868 --> 00:38:09,787
[vocalizing]

754
00:38:09,870 --> 00:38:11,455
This is so much fun, you--

755
00:38:13,124 --> 00:38:14,375
-[Dariush] Oh!
-[Zhenzhen] Alex?

756
00:38:17,003 --> 00:38:18,587
-Are you okay?
-Yo, is he dead?

757
00:38:18,671 --> 00:38:19,505
[Gabriel] Alex?

758
00:38:20,214 --> 00:38:21,549
-You okay?
-[Dariush] Yo, you good?

759
00:38:21,632 --> 00:38:22,508
[Zhenzhen] You okay?

760
00:38:24,802 --> 00:38:25,636
You okay?

761
00:38:26,178 --> 00:38:28,681
[distant explosions]

762
00:38:28,764 --> 00:38:29,724
Holy sh...

763
00:38:29,807 --> 00:38:30,933
Yeah, like holy...

764
00:38:31,809 --> 00:38:32,685
shit!

765
00:38:36,689 --> 00:38:37,982
[gunfire]

766
00:38:42,611 --> 00:38:43,654
[Zhenzhen] You all right?

767
00:38:44,113 --> 00:38:45,614
[Dariush] Is that where we're going?

768
00:38:50,369 --> 00:38:52,371
[wheezing]

769
00:38:53,164 --> 00:38:55,166
[bullets clattering]

770
00:39:00,421 --> 00:39:02,423
[growling]

771
00:39:09,513 --> 00:39:11,432
[roaring]

772
00:39:20,149 --> 00:39:21,567
[distant explosions]

773
00:39:31,035 --> 00:39:31,869
There!

774
00:39:32,286 --> 00:39:34,080
Man, this place is trashed.

775
00:39:34,830 --> 00:39:35,664
Looks empty.

776
00:39:36,040 --> 00:39:37,083
[Gabriel] Guys, I don't...

777
00:39:37,416 --> 00:39:38,417
Nobody's, uh...

778
00:39:40,669 --> 00:39:41,504
What?

779
00:39:42,880 --> 00:39:45,216
You guys go ahead. I'll just
stay back and watch our bikes.

780
00:39:45,299 --> 00:39:46,217
What?

781
00:39:46,675 --> 00:39:49,512
Oh, yeah, because the aliens
wanna jack our mountain bikes.

782

00:39:51,806 --> 00:39:52,973
Yeah, looters could take them.

783

00:39:53,724 --> 00:39:55,142
Yeah, someone should stay and watch.

784

00:39:58,771 --> 00:39:59,647
Whatever, man.

785

00:40:07,196 --> 00:40:08,864
[Alex] Hello? Officers?

786

00:40:08,989 --> 00:40:10,783
[Dariush] Shh! What if people are in here?

787

00:40:11,033 --> 00:40:12,284
[Alex] What do you mean, "shh"?

788

00:40:14,870 --> 00:40:16,789
[Dariush]
If I see a clown on a tricycle, I'm out.

789

00:40:16,872 --> 00:40:18,582
-[Alex] Yes, we should go back.
-No!

790

00:40:19,333 --> 00:40:20,751
We always move forward.

791

00:40:21,502 --> 00:40:22,461
Come on.

792

00:40:24,964 --> 00:40:25,965
Okay, offices.

793

00:40:29,844 --> 00:40:31,053
[Dariush] What? It's a warning.

794

00:40:34,682 --> 00:40:37,309
"Nuclear weapons authorized
for Los Angeles Basin.

795
00:40:37,393 --> 00:40:38,894
Europe destroyed.

796
00:40:40,813 --> 00:40:43,149
Asia... decimated."

797
00:40:43,524 --> 00:40:44,442
[Alex] Hello?

798
00:40:47,361 --> 00:40:48,362
Hello?

799
00:40:52,074 --> 00:40:53,367
"Primary directive:

800
00:40:54,285 --> 00:40:56,203
locate alien power source."

801
00:40:57,872 --> 00:40:58,831
What?

802
00:41:02,418 --> 00:41:03,377
Anybody?

803
00:41:09,008 --> 00:41:09,884
[man] Hey.

804
00:41:09,967 --> 00:41:10,885
[gasps]

805
00:41:12,553 --> 00:41:14,305
Oh, hey. Don't be scared.

806
00:41:14,763 --> 00:41:16,056
[grunts] Come on.

807
00:41:16,599 --> 00:41:17,600
Come on.

808

00:41:17,683 --> 00:41:18,642
Hey.

809
00:41:19,685 --> 00:41:20,728
What's your name?

810
00:41:22,688 --> 00:41:23,522
Alex.

811
00:41:24,315 --> 00:41:25,399
My name's Lou.

812
00:41:26,775 --> 00:41:28,152
See those keys right there?

813
00:41:29,612 --> 00:41:31,030
Can you get 'em for me?

814
00:41:31,113 --> 00:41:34,450
Alex, you're not gonna believe what
I just saw, man. It can't get any worse.

815
00:41:36,118 --> 00:41:37,912
Oh, shit! What...

816
00:41:37,995 --> 00:41:41,207
-[whispers] He wants me to let him go.
-[Dariush] What, you-- Oh, no.

817
00:41:41,290 --> 00:41:43,334
No, that's not going to happen.
Not today. Not at all.

818
00:41:43,417 --> 00:41:44,335
What's going on?

819
00:41:44,418 --> 00:41:47,046
Oh, what? They just evacuate
and leave me in here?

820
00:41:47,588 --> 00:41:50,341
-So whatever it is up there can kill me?

-They're aliens.

821

00:41:50,424 --> 00:41:53,928
And I suggest you keep your mouth
closed when they get up in here, 'cause...

822

00:41:54,345 --> 00:41:55,262
When it...

823

00:41:55,346 --> 00:41:56,639
What'd you do?

824

00:41:58,599 --> 00:41:59,683
I was trying to help.

825

00:42:00,601 --> 00:42:02,436
Yeah, it got a little crazy out there.

826

00:42:02,520 --> 00:42:05,606
Look, Alex, you can stay here
and flirt with Buffalo Bill all day long.

827

00:42:05,689 --> 00:42:09,360
All right? But let's get rid of that
astro-key so someone can stop this thing.

828

00:42:10,402 --> 00:42:12,780
So that key's gonna stop this thing?
[scoffs gently]

829

00:42:14,031 --> 00:42:15,241
Come on, man.

830

00:42:15,616 --> 00:42:19,411
Dariush, it shouldn't be our job
to decide who lives and who dies.

831

00:42:19,620 --> 00:42:21,914
Yeah. But right now it is, Alex.

832

00:42:21,997 --> 00:42:24,333
The police obviously put him

in here for a reason.

833

00:42:24,416 --> 00:42:27,086
All right, and I say...
we respect their decision,

834

00:42:27,169 --> 00:42:28,087
and I'm black!

835

00:42:28,170 --> 00:42:30,130
And he's probably a diddler.

836

00:42:30,214 --> 00:42:32,299
No one deserves to be left in a cage.

837

00:42:32,383 --> 00:42:34,134
Yeah, unless you're a murderer!

838

00:42:34,218 --> 00:42:35,469
I say we let him go.

839

00:42:35,761 --> 00:42:37,596
What do you say, Alex?
You're the final vote.

840

00:42:41,517 --> 00:42:43,310
Okay. Look, I got a boy at home.

841

00:42:44,895 --> 00:42:46,480
And if you leave me in here...

842

00:42:48,232 --> 00:42:49,316
I'm gonna die.

843

00:42:50,818 --> 00:42:53,112
No boy deserves to lose
his dad like that, right?

844

00:42:53,654 --> 00:42:54,530
I mean...

845

00:42:54,989 --> 00:42:56,407
you ready to live with that?

846

00:42:58,576 --> 00:43:00,452
Do you promise not to hurt us?

847

00:43:01,120 --> 00:43:03,122
Yeah, I promise not to hurt you, man.

848

00:43:12,590 --> 00:43:13,716
Wait until we leave.

849

00:43:15,092 --> 00:43:16,135
Then you can go.

850

00:43:25,102 --> 00:43:27,646
[Zhenzhen] How is your watch still working
after the pulse?

851

00:43:28,063 --> 00:43:29,940
It's not electronic, it's mechanical.

852

00:43:30,024 --> 00:43:31,650
-Yo, he's doing good, right?
-Oh.

853

00:43:33,110 --> 00:43:34,111
[Dariush] Yo. Watch out!

854

00:43:34,194 --> 00:43:35,362
It was my dad's.

855

00:43:37,114 --> 00:43:38,991
-He, uh...
-[Zhenzhen] Gave it to you?

856

00:43:40,242 --> 00:43:42,953
-Yeah, he gave it to me.
-[Dariush] Yo!

857

00:43:43,037 --> 00:43:45,039
You got this, Alex. You doing good, man!

858

00:43:47,666 --> 00:43:48,500
Whoa!

859

00:43:51,337 --> 00:43:53,380
-Hey! Hey!
-[kids yelling]

860

00:43:53,464 --> 00:43:55,466
-Help!
-Stop!

861

00:43:55,549 --> 00:43:56,967
-Hey!
-Stop!

862

00:43:57,051 --> 00:43:57,885
Hey!

863

00:43:57,968 --> 00:43:59,845
[soldier] Stay where you are.
Do not move!

864

00:44:01,221 --> 00:44:02,890
[Alex] Same side. Same side. Same side!

865

00:44:04,141 --> 00:44:05,601
Kids! Kids!

866

00:44:07,227 --> 00:44:09,563
You should've evacuated hours ago.
We're at war.

867

00:44:09,647 --> 00:44:12,066
Sir, we were in the mountains
when the attacks started.

868

00:44:12,650 --> 00:44:15,027
Can you tell us what's going on?
How big is the attack?

869

00:44:15,110 --> 00:44:17,237

Did it reach the nation's finest
Mercedes dealership?

870

00:44:17,321 --> 00:44:19,239
-[Zhenzhen] Dude, how can you...
-My dad owns it.

871

00:44:19,323 --> 00:44:20,616
-I'm the future heir.
-Shut up!

872

00:44:20,699 --> 00:44:22,368
All I can tell you
is you are not safe here.

873

00:44:22,451 --> 00:44:23,952
Everyone on the bus right now.

874

00:44:24,036 --> 00:44:25,579
It'll take you to the evacuation center.

875

00:44:25,663 --> 00:44:26,789
-Let's go!
-[Dariush] Whoa.

876

00:44:26,872 --> 00:44:28,082
-Hey, wait!
-Let's go!

877

00:44:28,165 --> 00:44:29,958
-Knock it off!
-Wait! Hey! Stop!

878

00:44:30,042 --> 00:44:30,876
What?

879

00:44:31,043 --> 00:44:33,045
You need to take this key to Pasadena.

880

00:44:34,630 --> 00:44:35,464
Where'd you get this?

881

00:44:35,547 --> 00:44:37,466
An astronaut from the space station
gave it to us.

882
00:44:37,549 --> 00:44:40,636
-She said we need to take it to JPL.
-What's on that key can stop the aliens.

883
00:44:40,719 --> 00:44:43,764
You need to get that to JPL in Pasadena
to a Dr. Fielding.

884
00:44:44,640 --> 00:44:47,267
We've been receiving Morse code
from a Dr. Fielding at JPL all day.

885
00:44:47,351 --> 00:44:50,396
Finding this key has been
the primary objective. Thanks, kid.

886
00:44:50,479 --> 00:44:52,022
You may have just saved the world.

887
00:44:52,731 --> 00:44:53,774
We'll take it from here.

888
00:44:53,857 --> 00:44:55,693
Okay, we need to go. Move out. Now!

889
00:44:55,776 --> 00:44:58,195
-Yeah.
-Yeah! We did it! Yo, we did--

890
00:44:58,278 --> 00:45:01,281
Yo, I am so happy I told y'all
to go down the hill.

891
00:45:02,574 --> 00:45:03,992
Great job, guys, you did it.

892
00:45:04,702 --> 00:45:06,745
[Dariush]
Yeah, we did it. Now move your ass.

893
00:45:08,163 --> 00:45:09,123
Let's go!

894
00:45:10,416 --> 00:45:11,667
-Yo.
-[Zhenzhen] We did it.

895
00:45:13,001 --> 00:45:14,420
[Dariush] Zhenzhen, we did it.

896
00:45:14,503 --> 00:45:16,255
-Yeah.
-Let's go.

897
00:45:17,506 --> 00:45:18,340
[Dariush sighs]

898
00:45:18,424 --> 00:45:19,341
Look!

899
00:45:21,009 --> 00:45:21,969
There they go.

900
00:45:23,387 --> 00:45:24,930
-[guns blasting]
-[explosion]

901
00:45:25,514 --> 00:45:26,765
[man screaming]

902
00:45:31,395 --> 00:45:32,438
[glass shattering]

903
00:45:32,521 --> 00:45:34,857
[all screaming]

904
00:45:34,940 --> 00:45:36,275
[Alex] Oh, my... Shit!

905
00:45:36,358 --> 00:45:37,609

[Gabriel] Alex, are you okay?

906

00:45:37,776 --> 00:45:38,610
Alex!

907

00:45:39,862 --> 00:45:40,738
[man] Get out of here.

908

00:45:40,821 --> 00:45:42,573
-Go!

-[Gabriel] Which door is blocked?

909

00:45:42,656 --> 00:45:43,532
[soldier] Take cover!

910

00:45:44,491 --> 00:45:45,701
Go.

911

00:45:45,784 --> 00:45:46,910
Come on!

912

00:45:46,994 --> 00:45:48,662
-Let's go!
-[man] Move!

913

00:45:48,746 --> 00:45:50,706
[Dariush] Let's go.
We gotta get out of here, man!

914

00:45:50,789 --> 00:45:51,665
[man] Get out of here.

915

00:45:52,124 --> 00:45:53,709
[Dariush] Kick it!

916

00:45:53,834 --> 00:45:56,086
-Go! Go, go, go!
-[rapid gunfire]

917

00:45:56,170 --> 00:45:57,171
[woman] Let's go, out!

918
00:45:57,296 --> 00:45:59,173
[Dariush] Go! Oh, shit!

919
00:45:59,256 --> 00:46:00,591
Go the other way.

920
00:46:02,342 --> 00:46:03,594
Watch out for the dogs!

921
00:46:04,845 --> 00:46:06,180
-[gunshots]
-[roaring]

922
00:46:06,263 --> 00:46:07,222
[Alex] Come on!

923
00:46:07,306 --> 00:46:08,849
[Dariush] Go! Go! Go!

924
00:46:09,516 --> 00:46:10,851
Keep your head down, man!

925
00:46:14,021 --> 00:46:15,606
Holy shit! Oh, no!

926
00:46:16,315 --> 00:46:17,941
-Pick this up with me.
-What are you doing?

927
00:46:18,025 --> 00:46:19,860
-Pick it up with me.
-You gotta get out of here.

928
00:46:20,486 --> 00:46:22,780
-We're gonna get you out!
-[captain] Stop, you gotta go.

929
00:46:22,863 --> 00:46:23,947
I can't move it by myself!

930
00:46:24,031 --> 00:46:25,616

-[explosion]
-[captain] You have to go.

931
00:46:25,699 --> 00:46:27,117
[radio beeping Morse code]

932
00:46:27,201 --> 00:46:28,660
[Dariush]
Yo, Zhenzhen, get the radio.

933
00:46:28,994 --> 00:46:30,204
Come on, we can't leave you.

934
00:46:30,287 --> 00:46:31,163
Stop. Stop.

935
00:46:31,872 --> 00:46:32,790
It's okay.

936
00:46:33,707 --> 00:46:34,750
It's on you now. Okay?

937
00:46:35,542 --> 00:46:37,002
You have to let me go.

938
00:46:37,669 --> 00:46:39,338
-[Alex] No, no, I... I can't!
-Shh.

939
00:46:39,421 --> 00:46:40,714
-No!
-Stop!

940
00:46:41,173 --> 00:46:42,883
Take this key. Here, take it.

941
00:46:44,134 --> 00:46:45,135
Promise me.

942
00:46:45,219 --> 00:46:46,220
Promise me...

943

00:46:47,054 --> 00:46:49,389
you will not let anything stop you.

944

00:46:49,932 --> 00:46:50,849
Okay?

945

00:46:51,016 --> 00:46:52,309
Okay, now go. Go!

946

00:46:52,684 --> 00:46:53,852
Now! Move!

947

00:46:54,019 --> 00:46:54,937
Come on!

948

00:46:55,103 --> 00:46:56,605
[heavy gunfire]

949

00:47:06,824 --> 00:47:08,826
[distant gunfire]

950

00:47:12,246 --> 00:47:13,914
[Dariush panting]

951

00:47:14,122 --> 00:47:14,998
Oh, shit!

952

00:47:15,249 --> 00:47:17,292
I told you that was a stupid idea.

953

00:47:17,417 --> 00:47:19,044
You idiots almost got me killed.

954

00:47:19,378 --> 00:47:20,963
I don't even wanna be at summer camp.

955

00:47:21,046 --> 00:47:24,007
I should be in Cabo taking jelly shots
off someone's ass cheeks.

956

00:47:25,300 --> 00:47:26,468
Slow down. Slow down.

957

00:47:26,552 --> 00:47:28,637
What do you think these things are after?

958

00:47:28,929 --> 00:47:30,848
Food maybe? Resources?

959

00:47:30,931 --> 00:47:34,101
It's possible their planet went dry
and the came to raid ours.

960

00:47:35,310 --> 00:47:36,436
What gives you that idea?

961

00:47:36,770 --> 00:47:39,356
Nothing! It's the most common
invasion movie plot.

962

00:47:39,439 --> 00:47:40,983
Maybe they're here to find mates.

963

00:47:41,066 --> 00:47:43,986
That would explain the erotic rendezvous
with Dariush earlier.

964

00:47:44,069 --> 00:47:46,154
Hey, whoa. No.
We're not gonna do all that, okay?

965

00:47:46,238 --> 00:47:47,614
That was strictly platonic.

966

00:47:48,115 --> 00:47:50,117
Let's just head north, okay?
To the desert.

967

00:47:50,367 --> 00:47:53,287
Get as far away from that thing
as we can get, all right?

968

00:47:53,370 --> 00:47:56,582

-As far away--

-There is no away from those things.

969

00:47:57,040 --> 00:47:58,292

[Alex] Zhenzhen's right.

970

00:47:58,375 --> 00:48:01,587

The only way we're going to survive
is if we get this key to Dr. Fielding.

971

00:48:01,837 --> 00:48:04,089

-It's what that soldier was gonna do.
-He died.

972

00:48:04,172 --> 00:48:06,967

Okay, look, if a bunch of bad-ass marines
can't get that key

973

00:48:07,050 --> 00:48:08,677

40 feet away without getting deep fried,

974

00:48:09,136 --> 00:48:11,972

what makes you think
that we can get it 40 miles?

975

00:48:13,140 --> 00:48:14,016

We have to.

976

00:48:14,349 --> 00:48:15,183

What?

977

00:48:15,934 --> 00:48:16,810

It's on us.

978

00:48:19,897 --> 00:48:22,524

Okay. We're not going anywhere
until we get some food.

979

00:48:22,858 --> 00:48:24,526

Maybe even some sleep if we can.

980

00:48:25,277 --> 00:48:26,528
[Dariush] All right, fine.

981
00:48:28,030 --> 00:48:29,239
What's up with Chico?

982
00:48:32,951 --> 00:48:35,120
-It's my street.
-Great!

983
00:48:35,537 --> 00:48:36,580
Can we go in your house?

984
00:48:38,248 --> 00:48:39,708
That's my house, but...

985
00:48:40,542 --> 00:48:42,669
[sniffles, sighs]

986
00:48:42,753 --> 00:48:43,837
It's not my home.

987
00:48:44,796 --> 00:48:47,257
I haven't been totally honest
with you guys.

988
00:48:48,300 --> 00:48:50,010
I was in the mountains because...

989
00:48:51,094 --> 00:48:52,179
I was in juvie.

990
00:48:53,221 --> 00:48:54,222
And I escaped.

991
00:48:58,435 --> 00:48:59,978
So even if my mom is here...

992
00:49:01,897 --> 00:49:03,398
she's not gonna wanna see me.

993

00:49:06,151 --> 00:49:07,736
[distant gunfire]

994
00:49:12,741 --> 00:49:13,909
Come on, man.

995
00:49:19,414 --> 00:49:21,458
[spacecraft approaching]

996
00:49:21,541 --> 00:49:22,542
[Alex] Go, go, jump left!

997
00:49:27,673 --> 00:49:29,049
-No!
-What the hell was that?

998
00:49:29,132 --> 00:49:30,759
-Run!
-Where do we go? Follow me.

999
00:49:35,222 --> 00:49:36,473
[Dariush] Oh, damn!

1000
00:49:37,099 --> 00:49:38,892
Man, we need to get my man Jacobi
up in here.

1001
00:49:39,267 --> 00:49:40,352
[Gabriel] It's looters.

1002
00:49:42,104 --> 00:49:44,022
[Dariush] All right,
let's find something to eat.

1003
00:49:44,106 --> 00:49:47,150
Man, I need a T-bone steak,
some cheese eggs and Welch's grape.

1004
00:49:49,361 --> 00:49:50,612
I shouldn't have hit you.

1005
00:49:50,946 --> 00:49:51,822

It was my fault.

1006

00:49:52,364 --> 00:49:54,533
I don't know. I'm good, bro. I mean...

1007

00:49:54,825 --> 00:49:57,953
it doesn't hurt as much
as seeing all this gunk on my new J's.

1008

00:49:58,745 --> 00:50:01,164
How do you care about sneakers
in a time like this?

1009

00:50:01,915 --> 00:50:03,625
You know what? You guys are lucky.

1010

00:50:04,334 --> 00:50:05,293
You don't have friends.

1011

00:50:05,877 --> 00:50:07,713
It's hard out here for a pimp,
you know?

1012

00:50:07,796 --> 00:50:10,632
Gotta keep up with the flyest shit,
you know, the dopest kicks.

1013

00:50:10,716 --> 00:50:12,509
Tightest whip. Baddest chick.

1014

00:50:12,592 --> 00:50:15,262
And my friends, they're like bears.
Soon as they smell weakness,

1015

00:50:15,345 --> 00:50:17,264
they're just coming straight at your neck.

1016

00:50:17,639 --> 00:50:20,058
That's why I keep this on my neck.
Diamonds.

1017

00:50:20,142 --> 00:50:22,602

Does Dariush mean "douchebag" in Farsi?

1018

00:50:23,937 --> 00:50:24,813

What's Farsi?

1019

00:50:24,896 --> 00:50:26,440

It's the language your mom was screaming

1020

00:50:26,523 --> 00:50:28,358

-when you were coming out of her ass.

-[giggles]

1021

00:50:28,859 --> 00:50:30,986

Hey, don't talk about my mom's ass.

All right.

1022

00:50:31,069 --> 00:50:32,279

You wish you were there.

1023

00:50:32,362 --> 00:50:34,364

No offense, dude,
those don't sound like friends.

1024

00:50:34,448 --> 00:50:35,323

Yeah...

1025

00:50:35,407 --> 00:50:39,286

[spacecraft approaching]

1026

00:50:41,121 --> 00:50:42,664

[spacecraft departing]

1027

00:50:49,129 --> 00:50:51,298

Hey, how did you even end up in jail?

1028

00:50:56,803 --> 00:50:59,139

My dad left when... when I was about ten.

1029

00:51:00,140 --> 00:51:03,852

You know, I got a job as a bag boy,
at a grocery store my mom worked at.

1030
00:51:04,019 --> 00:51:06,063
To, you know... help her with money.

1031
00:51:07,147 --> 00:51:09,941
One time she steps away,
I took over the cash register.

1032
00:51:14,613 --> 00:51:15,781
I was helping a customer,

1033
00:51:16,364 --> 00:51:19,409
and, uh, he started to accuse me
of stealing from him.

1034
00:51:21,119 --> 00:51:23,163
I guess I gave him the wrong change.

1035
00:51:26,708 --> 00:51:27,793
I get numbers...

1036
00:51:28,168 --> 00:51:30,128
like, muddled in my head sometimes,

1037
00:51:30,462 --> 00:51:32,047
unless I see them written down.

1038
00:51:33,173 --> 00:51:34,424
But he didn't believe me.

1039
00:51:34,758 --> 00:51:35,592
And, um...

1040
00:51:35,675 --> 00:51:36,551
I just...

1041
00:51:38,011 --> 00:51:38,887
I lost it.

1042
00:51:38,970 --> 00:51:40,138
So I decked him.

1043
00:51:40,680 --> 00:51:41,556
Broke his nose.

1044
00:51:43,934 --> 00:51:45,185
Mom got fired and...

1045
00:51:46,394 --> 00:51:47,604
they sent me away.

1046
00:51:48,438 --> 00:51:50,398
She never came around to visit me once.

1047
00:51:53,193 --> 00:51:54,653
You can't choose your family.

1048
00:51:56,113 --> 00:51:57,864
But you can always make a new one.

1049
00:52:03,120 --> 00:52:03,954
Come on.

1050
00:52:04,037 --> 00:52:05,330
A young Yoda up in here?

1051
00:52:05,413 --> 00:52:06,581
[laughing]

1052
00:52:06,665 --> 00:52:09,501
-Come on, guys.
-Oh, we're taking an old school selfie?

1053
00:52:09,876 --> 00:52:11,628
One, two, three.

1054
00:52:11,711 --> 00:52:12,712
[clicks, pops]

1055
00:52:13,130 --> 00:52:15,674
-Dude, stop playing with the Rubik's cube.
-I can't, okay! I can't!

1056

00:52:15,757 --> 00:52:18,301
We can all agree
that she gets her own bed, right?

1057

00:52:18,385 --> 00:52:20,720
Well, yeah, obviously.
It's the only gentlemanly thing to do.

1058

00:52:20,804 --> 00:52:22,347
It's only right. It sounds like a plan.

1059

00:52:26,268 --> 00:52:27,811
One of you can sleep with me.

1060

00:52:33,316 --> 00:52:34,860
Hold it. Hold it. Wait, wait!

1061

00:52:34,943 --> 00:52:36,820
Did she just say one of us
could sleep with her?

1062

00:52:36,903 --> 00:52:38,280
-Maybe we misheard her.
-Okay, look.

1063

00:52:38,363 --> 00:52:40,490
I will volunteer my services
for the good of the group,

1064

00:52:40,574 --> 00:52:42,200
and because I've had the most experience.

1065

00:52:42,284 --> 00:52:43,326
With what? Not getting any?

1066

00:52:43,410 --> 00:52:46,454
Hey, it's better than eating Lithuanian
smoothies from your bunk mate in juvie.

1067

00:52:46,538 --> 00:52:48,331
-Lithuanian smoothies?
-You don't need to know.

1068

00:52:48,415 --> 00:52:50,417
How about we get Alex and Zhenzhen
to sleep together?

1069

00:52:50,500 --> 00:52:52,878
-Because he doesn't want to.
-I wouldn't say I don't want to.

1070

00:52:52,961 --> 00:52:54,713
-They have a connection!
-We do?

1071

00:52:54,880 --> 00:52:56,214
So don't be a cock-block.

1072

00:52:57,132 --> 00:52:59,259
Fine, fine. All right. Okay, cool.

1073

00:52:59,509 --> 00:53:00,719
I won't block your cock.

1074

00:53:01,136 --> 00:53:02,012
Be free.

1075

00:53:03,763 --> 00:53:04,598
Thanks.

1076

00:53:05,056 --> 00:53:06,016
It's no problem.

1077

00:53:09,769 --> 00:53:13,148
Ah, crap! I forgot my sleep apnea mask.
If I snore, I'm sorry.

1078

00:53:13,231 --> 00:53:14,482
You have sleep apnea?

1079

00:53:14,649 --> 00:53:15,734
How old are you?

1080

00:53:15,817 --> 00:53:17,903
It's non-age-discriminate, Gabriel!

1081
00:53:19,446 --> 00:53:20,739
Just move over.

1082
00:53:36,046 --> 00:53:36,963
[clicking]

1083
00:53:47,140 --> 00:53:48,391
I'm glad it was you.

1084
00:54:08,536 --> 00:54:11,414
[Dariush snoring]

1085
00:54:14,751 --> 00:54:16,127
-[loud banging]
-[cat squealing]

1086
00:54:17,337 --> 00:54:18,797
[all panting]

1087
00:54:18,880 --> 00:54:19,923
[clears throat]

1088
00:54:20,090 --> 00:54:22,092
Shh! Shh! Shh! [whispers] Aliens...

1089
00:54:22,175 --> 00:54:23,093
Yeah.

1090
00:54:23,593 --> 00:54:24,552
We gotta go.

1091
00:54:28,932 --> 00:54:29,808
You see anything?

1092
00:54:31,268 --> 00:54:32,102
No, come on.

1093
00:54:32,477 --> 00:54:34,104

[shushing]

1094

00:54:49,119 --> 00:54:50,453
[Alex] Guys, we should turn back.

1095

00:54:50,912 --> 00:54:52,831
We can't now, man. We're already here.

1096

00:54:52,914 --> 00:54:55,583
Dude, I'm telling you,
this is how people die in movies.

1097

00:55:00,964 --> 00:55:02,966
Guys. You see anything?

1098

00:55:05,176 --> 00:55:07,220
You need some Febreze on these sheets.

1099

00:55:07,929 --> 00:55:09,180
Ah! Oh! Oh!

1100

00:55:09,889 --> 00:55:10,724
[gun cocks]

1101

00:55:10,807 --> 00:55:12,517
-Oh, shit!
-[all gasping]

1102

00:55:12,600 --> 00:55:14,185
[man] Not another step.

1103

00:55:14,769 --> 00:55:16,104
-Move!
-[Dariush] I'm backing up.

1104

00:55:16,187 --> 00:55:18,982
The hell you doing out here?
We're in the middle of an alien invasion.

1105

00:55:19,065 --> 00:55:21,901
Oh, yeah, I mean, and you're the ones
with the Purge masks.

1106
00:55:21,985 --> 00:55:23,862
-Wrong genre, bro.
-[man] We got a comedian here.

1107
00:55:23,945 --> 00:55:25,071
No!

1108
00:55:25,155 --> 00:55:26,406
There are aliens out here, okay?

1109
00:55:26,489 --> 00:55:27,657
We're not the enemy.

1110
00:55:27,741 --> 00:55:29,451
You guys have something we're looking for.

1111
00:55:29,909 --> 00:55:30,827
Dignity?

1112
00:55:32,495 --> 00:55:33,830
What'd you say?

1113
00:55:34,914 --> 00:55:37,250
[man 2] Everybody calm down.

1114
00:55:40,420 --> 00:55:42,297
Look what we found.

1115
00:55:50,847 --> 00:55:51,723
Lou!

1116
00:55:52,349 --> 00:55:54,017
-Oh my God, Lou!
-Thank you, Baby Jesus.

1117
00:55:54,100 --> 00:55:55,560
-Thank you, God!
-Lou.

1118
00:55:55,643 --> 00:55:57,645

-Thank God!

-Hold on, you know this guy?

1119

00:55:57,729 --> 00:55:58,855

[man] No. No, no, no, no.

1120

00:55:58,938 --> 00:56:00,774

Do we know him? Hell, yeah we know him!

1121

00:56:00,857 --> 00:56:04,277

-Yes! Yes!

-We go way back. Lou, my negro!

1122

00:56:04,361 --> 00:56:06,446

Lou, you know me. We're like this.

1123

00:56:06,529 --> 00:56:09,449

I wanted to free... Alex was the one
who was like, "Leave him in there,"

1124

00:56:09,532 --> 00:56:11,826

and I was like,

"Dude, let's free him. He's a human."

1125

00:56:11,910 --> 00:56:15,372

Do you mind, if you could just tell
these handsome men, the ones...

1126

00:56:15,538 --> 00:56:17,832

pointing the shotguns at our face,
to, you know...

1127

00:56:18,208 --> 00:56:20,293

not... not do that?

1128

00:56:21,002 --> 00:56:22,003

-Please?

-Please.

1129

00:56:26,549 --> 00:56:27,384

Please.

1130

00:56:28,468 --> 00:56:30,595
I don't think anyone needs
to get hurt tonight.

1131
00:56:32,722 --> 00:56:33,556
But Alex...

1132
00:56:33,640 --> 00:56:36,893
if you'd be so kind as to give me that?

1133
00:56:39,479 --> 00:56:40,397
This?

1134
00:56:41,189 --> 00:56:42,023
Yeah.

1135
00:56:43,608 --> 00:56:46,069
This is our only shot
at defeating the aliens.

1136
00:56:46,444 --> 00:56:47,487
Yeah.

1137
00:56:48,696 --> 00:56:51,241
That means someone
will pay a lot of money for it.

1138
00:56:54,994 --> 00:56:55,954
Give me...

1139
00:56:56,955 --> 00:56:58,039
the key.

1140
00:57:02,377 --> 00:57:03,294
I can't.

1141
00:57:07,132 --> 00:57:08,299
I made a promise.

1142
00:57:08,466 --> 00:57:10,552
Alex, give him the key. Enough. Okay?

1143
00:57:10,718 --> 00:57:12,178
[Lou] You can give me the key

1144
00:57:12,429 --> 00:57:13,721
and just walk away.

1145
00:57:15,682 --> 00:57:18,810
Or I can cut your head off
and take the key from the stump.

1146
00:57:21,146 --> 00:57:22,355
I trusted you.

1147
00:57:22,856 --> 00:57:25,483
The cemeteries are full of people
who trusted me.

1148
00:57:25,567 --> 00:57:26,443
Oh, shit!

1149
00:57:28,945 --> 00:57:29,946
[man screaming]

1150
00:57:30,029 --> 00:57:31,156
[roaring]

1151
00:57:36,578 --> 00:57:37,996
-[man screaming]
-Oh, sh--

1152
00:57:40,707 --> 00:57:42,083
-Hurry!
-[Alex] Run!

1153
00:57:44,919 --> 00:57:45,795
Come on!

1154
00:57:45,879 --> 00:57:47,255
[creature snarling]

1155
00:57:49,340 --> 00:57:50,425

[shotgun blast]

1156

00:57:52,552 --> 00:57:54,762
[shouting]

1157

00:57:55,555 --> 00:57:56,556
[bones crunching]

1158

00:57:56,681 --> 00:57:59,058
[Lou screaming]

1159

00:58:00,310 --> 00:58:02,020
[boys grunting]

1160

00:58:03,855 --> 00:58:05,565
-Gabriel!
-Gabriel!

1161

00:58:05,690 --> 00:58:07,108
Gabriel, what are you doing?

1162

00:58:07,192 --> 00:58:08,568
Zhenzhen, throw me the glow sticks.

1163

00:58:08,651 --> 00:58:10,195
-What are you doing?
-What are you doing?

1164

00:58:10,278 --> 00:58:11,529
-Gabriel, hurry up!
-Over here.

1165

00:58:11,613 --> 00:58:13,406
-Throw 'em! Come on!
-[Alex] Come here.

1166

00:58:15,200 --> 00:58:16,201
[sticks snapping]

1167

00:58:17,076 --> 00:58:18,161
[Alex] What are you doing?

1168
00:58:18,369 --> 00:58:19,245
Hey!

1169
00:58:19,329 --> 00:58:20,747
[growling]

1170
00:58:22,373 --> 00:58:23,208
Come here!

1171
00:58:23,625 --> 00:58:25,835
-Gabriel, hurry up!
-Come here, you're gonna die!

1172
00:58:25,919 --> 00:58:27,545
-Get over here!
-Hurry!

1173
00:58:27,629 --> 00:58:29,631
[Dariush] Hurry up, Gabriel! Come on!

1174
00:58:29,714 --> 00:58:31,007
Get him, get him, get him!

1175
00:58:32,008 --> 00:58:33,843
-Come on! Come get me!
-Gabriel!

1176
00:58:33,927 --> 00:58:34,761
Gabriel!

1177
00:58:34,886 --> 00:58:36,012
[roaring]

1178
00:58:36,721 --> 00:58:37,847
-Hurry up!
-Gabriel, come on!

1179
00:58:37,931 --> 00:58:38,848
Go! Hurry!

1180
00:58:39,349 --> 00:58:40,266

Gabriel, come on!

1181

00:58:47,565 --> 00:58:49,067
[Dariush] Get out, Gabriel!

1182

00:58:55,156 --> 00:58:56,741
Oh, shit, it worked, Gabriel!

1183

00:58:57,075 --> 00:58:58,493
-Oh, my God.
-It worked.

1184

00:58:58,618 --> 00:58:59,494
Go! Go!

1185

00:59:08,461 --> 00:59:10,338
[guns blasting]

1186

00:59:14,342 --> 00:59:17,637
That was the same alien from camp.
I thought we killed that thing.

1187

00:59:19,138 --> 00:59:20,557
If it came down with the capsule,

1188

00:59:20,640 --> 00:59:22,976
that means it survived the heat
of atmospheric re-entry

1189

00:59:23,059 --> 00:59:25,812
Which means it must have tremendous
cellular regeneration abilities.

1190

00:59:25,895 --> 00:59:28,147
English, Alex, please.

1191

00:59:28,523 --> 00:59:29,774
It's like Wolverine.

1192

00:59:29,941 --> 00:59:30,775
Oh.

1193

00:59:31,192 --> 00:59:32,860
Why the hell is the following us?

1194

00:59:32,944 --> 00:59:34,362
It's pissed about its dog.

1195

00:59:34,445 --> 00:59:36,573
You ever watch Marley and Me
or Beethoven?

1196

00:59:36,656 --> 00:59:37,991
It's a primal bond.

1197

00:59:38,116 --> 00:59:39,993
It's out for revenge. Ask John Wick.

1198

00:59:40,076 --> 00:59:42,579
You're putting human motives
on an alien lifeform.

1199

00:59:42,662 --> 00:59:44,789
No, it probably just had orders
to kill Collins

1200

00:59:44,872 --> 00:59:47,792
and anyone she came in contact with.
We're just loose ends to this thing.

1201

00:59:47,875 --> 00:59:51,588
-No, you know what, dog theory was better.
-Who gives a frog's fat ass why?

1202

00:59:51,879 --> 00:59:53,256
This ain't Comic-Con, bitches.

1203

00:59:54,591 --> 00:59:57,302
All that matters is that it wants us dead.

1204

00:59:57,802 --> 00:59:59,262
And we can't kill it.

1205

01:00:00,638 --> 01:00:02,682
She's right. We should just keep moving.

1206
01:00:02,974 --> 01:00:04,225
I'm done with your ideas.

1207
01:00:04,809 --> 01:00:07,520
You were the one who thought
to let Hannibal Lecter out of his cell.

1208
01:00:07,937 --> 01:00:09,939
Consider your leadership privileges...

1209
01:00:10,023 --> 01:00:10,857
revoked!

1210
01:00:10,940 --> 01:00:13,860

1380

01:10:33,896 --> 01:10:35,481
[all] Hey, behind you!

1381

01:10:35,564 --> 01:10:36,398
What?

1382

01:10:37,233 --> 01:10:38,108
I got it.

1383

01:10:38,192 --> 01:10:39,652
-No!
-Dariush, behind you!

1384

01:10:39,735 --> 01:10:40,903
-Turn around!
-No!

1385

01:10:40,986 --> 01:10:42,321
[roaring]

1386

01:10:43,364 --> 01:10:44,782
[groaning]

1387

01:10:51,288 --> 01:10:52,498
We gotta go.

1388

01:10:57,419 --> 01:10:58,462
[Gabriel] Come on, Dariush!

1389

01:10:58,545 --> 01:10:59,380
[Alex] Go, run!

1390

01:10:59,463 --> 01:11:01,382
-[Zhenzhen] Look out!
-[Gabriel] We gotta go!

1391

01:11:04,426 --> 01:11:05,970
Come on. You okay?

1392
01:11:06,095 --> 01:11:08,055
-That cut looks terrible.
-I'm okay, I'm all right.

1393
01:11:08,138 --> 01:11:10,099
Let's just get this key to JPL.

1394
01:11:20,609 --> 01:11:22,820
That was really cool driving back there.

1395
01:11:24,113 --> 01:11:25,447
I couldn't have done that.

1396
01:11:26,532 --> 01:11:28,450
You don't give yourself enough credit.

1397
01:11:30,202 --> 01:11:32,246
I'm told girls find bravery attractive.

1398
01:11:33,038 --> 01:11:34,790
I've never really had much of that.

1399
01:11:40,838 --> 01:11:43,757
[in Mandarin] My whole life
I have been searching for love.

1400
01:11:43,841 --> 01:11:45,467
When I saw you on the bridge...

1401
01:11:46,760 --> 01:11:48,929
I knew you were the one.

1402
01:11:50,055 --> 01:11:52,057
If you feel the same way...

1403
01:11:54,393 --> 01:11:56,645
kiss me now
and we will be together forever.

1404
01:12:01,900 --> 01:12:03,902
[in English]
I'm sorry, my Mandarin is rudimentary.

1405
01:12:03,986 --> 01:12:04,820
Hmm?

1406
01:12:06,447 --> 01:12:08,407
-What did you say?
-[chuckles softly]

1407
01:12:09,825 --> 01:12:11,577
-[Zhenzhen sighs]
-What did you say?

1408
01:12:12,369 --> 01:12:14,371
Zhenzhen, I don't actually speak Mandarin.

1409
01:12:14,455 --> 01:12:17,166
-What did you say?
-Yo, look! Look, JPL.

1410
01:12:17,750 --> 01:12:18,917
-What?
-Whoa!

1411
01:12:19,001 --> 01:12:20,210
-Let's go.
-Come on!

1412
01:12:23,797 --> 01:12:26,383
-Man, this place got hit hard.
-[Dariush] The building is destroyed.

1413
01:12:26,467 --> 01:12:27,676
Nobody can survive that.

1414
01:12:27,760 --> 01:12:29,928
-[radio beeping Morse code]
-[Zhenzhen] He's still here.

1415
01:12:30,262 --> 01:12:31,930

Dr. Fielding's still here!

1416

01:12:32,556 --> 01:12:33,390
[Alex] This way!

1417

01:12:33,474 --> 01:12:35,142
[Dariush] If we get out of this alive,

1418

01:12:35,225 --> 01:12:36,852
NASA's paying for my therapy.

1419

01:12:37,603 --> 01:12:38,645
Oh, wow.

1420

01:12:38,812 --> 01:12:40,356
They're testing plasma rockets.

1421

01:12:41,106 --> 01:12:43,359
Those things burn hotter
than the surface of the Sun.

1422

01:12:43,442 --> 01:12:45,444
Look, all we gotta do
is get this key to Dr. Fielding

1423

01:12:45,527 --> 01:12:47,488
then you can look at all
the nerd porn you want.

1424

01:12:50,532 --> 01:12:52,910
Dr. Fielding! Dr. Fielding!

1425

01:12:53,577 --> 01:12:54,495
We have the key, sir.

1426

01:12:54,578 --> 01:12:55,913
Dr. Fielding, we have the key.

1427

01:12:55,996 --> 01:12:57,623
-Dr. Fielding.
-Dr. Fielding.

1428
01:12:58,415 --> 01:13:00,667
-Dr. Fielding!
-We have the key, sir!

1429
01:13:00,918 --> 01:13:01,919
Over here.

1430
01:13:02,002 --> 01:13:02,836
Guys!

1431
01:13:03,962 --> 01:13:05,672
-Go, go, go!
-Dr. Fielding.

1432
01:13:15,265 --> 01:13:16,225
He's dead, guys.

1433
01:13:19,770 --> 01:13:20,854
[Alex] But how?

1434
01:13:20,938 --> 01:13:22,773
[Morse code beeping]

1435
01:13:25,567 --> 01:13:28,779
-[dripping]
-[beeping]

1436
01:13:30,239 --> 01:13:32,574
[radio beeping Morse code]

1437
01:13:35,494 --> 01:13:36,412
Shoot!

1438
01:13:36,495 --> 01:13:37,371
We've failed.

1439
01:13:39,665 --> 01:13:40,541
It's over.

1440
01:13:47,881 --> 01:13:48,757
I mean...

1441
01:13:50,968 --> 01:13:52,386
let's be honest, guys.

1442
01:13:53,220 --> 01:13:54,471
Who do we think we are?

1443
01:13:57,349 --> 01:13:58,225
Nerd.

1444
01:13:59,601 --> 01:14:00,436
Criminal.

1445
01:14:01,061 --> 01:14:01,895
Orphan.

1446
01:14:02,729 --> 01:14:03,564
A joke.

1447
01:14:08,068 --> 01:14:09,194
I guess I'll...

1448
01:14:10,154 --> 01:14:11,572
go try and find my parents.

1449
01:14:12,990 --> 01:14:13,949
Me too.

1450
01:14:19,121 --> 01:14:20,038
[sighs]

1451
01:14:34,011 --> 01:14:35,095
What are you doing?

1452
01:14:53,906 --> 01:14:54,823
Look.

1453
01:14:55,532 --> 01:14:57,117
They didn't even get to open this.

1454

01:14:58,118 --> 01:15:01,580
Well, since we're all gonna die together,
may I propose a toast?

1455
01:15:02,623 --> 01:15:05,292
Oh, crap. This is from 1969!

1456
01:15:05,834 --> 01:15:09,296
I mean, could at least get some fresh wine
if this is gonna be my first time, right?

1457
01:15:10,214 --> 01:15:12,216
[bottle clattering]

1458
01:15:12,299 --> 01:15:13,133
[button clicks]

1459
01:15:13,217 --> 01:15:15,135
[general] Citadel, this is Crystal Palace.

1460
01:15:15,219 --> 01:15:17,221
-What? What was that?
-Go! What the heck?

1461
01:15:17,429 --> 01:15:18,430
Citadel...

1462
01:15:18,514 --> 01:15:20,807
-[Alex] Hello?
-...this is Crystal Palace. Do you copy?

1463
01:15:20,891 --> 01:15:22,351
We're here, over!

1464
01:15:22,434 --> 01:15:24,061
Citadel, identify yourself.

1465
01:15:24,144 --> 01:15:26,396
What is your name, ma'am? Over!

1466
01:15:26,480 --> 01:15:27,564
I'm Alex.

1467

01:15:27,648 --> 01:15:28,649
How old are you?

1468

01:15:28,732 --> 01:15:29,691
I'm thirteen.

1469

01:15:30,108 --> 01:15:32,569
And if you don't mind me asking,
who are we talking to?

1470

01:15:32,694 --> 01:15:35,531
This is General George Khoury
at Cheyenne Mountain.

1471

01:15:35,906 --> 01:15:37,491
Is anyone alive at JPL?

1472

01:15:37,574 --> 01:15:38,992
Is Dr. Fielding there?

1473

01:15:39,076 --> 01:15:41,370
[Alex] There are four of us,
everyone else is dead.

1474

01:15:41,453 --> 01:15:43,747
The astronaut sent us, before she died.

1475

01:15:43,830 --> 01:15:45,624
You were sent by Major Collins?

1476

01:15:45,707 --> 01:15:46,792
Yeah, that's why we came.

1477

01:15:46,875 --> 01:15:49,169
She gave us the key
and said something about Excalibur.

1478

01:15:49,253 --> 01:15:51,421
What, you have the crypto-key
in your possession?

1479

01:15:51,505 --> 01:15:53,882
That's right. What do we need to do
to get it to work?

1480

01:15:53,966 --> 01:15:55,050
[Khoury sighs]

1481

01:15:55,926 --> 01:15:56,843
Nothing.

1482

01:15:57,386 --> 01:15:58,971
You need to get out of there.

1483

01:15:59,054 --> 01:16:00,597
I'm... I'm sorry. It's over.

1484

01:16:01,932 --> 01:16:04,518
There's nothing you kids
can do against this thing.

1485

01:16:05,310 --> 01:16:08,397
Now get out of there immediately,
we're sending two units to pick you--

1486

01:16:08,480 --> 01:16:09,314
No.

1487

01:16:11,316 --> 01:16:13,235
-What did you say, son?
-I said no.

1488

01:16:13,652 --> 01:16:16,280
I made a promise
I wouldn't let anything stop me.

1489

01:16:16,613 --> 01:16:18,824
So I'm gonna keep trying
and it will be a lot easier

1490

01:16:18,907 --> 01:16:20,075
if you would help me.

1491

01:16:20,158 --> 01:16:22,202
We didn't come all this way
to give up now.

1492

01:16:23,036 --> 01:16:25,581
We're done being told
what we can and can't do.

1493

01:16:25,914 --> 01:16:28,500
We made it across
half of southern California.

1494

01:16:28,584 --> 01:16:30,711
-Past aliens and soldiers.
-[Dariush] A diddler!

1495

01:16:30,794 --> 01:16:32,004
Don't forget about the diddler.

1496

01:16:32,087 --> 01:16:33,255
All the way here.

1497

01:16:33,797 --> 01:16:35,173
Nobody helped us get here.

1498

01:16:35,257 --> 01:16:36,842
All we had was each other.

1499

01:16:37,884 --> 01:16:40,304
So you're gonna listen to me,
because we're not kids anymore,

1500

01:16:40,387 --> 01:16:41,847
and we're the best chance you've got.

1501

01:16:42,431 --> 01:16:45,434
I'm going to ask you
one more time, General.

1502

01:16:45,726 --> 01:16:48,353
What do we need to do
to get this thing working?

1503

01:16:50,480 --> 01:16:53,650
All right, someone needs to go down
to the basement and fire up

1504

01:16:53,734 --> 01:16:55,027
the emergency generators.

1505

01:16:55,110 --> 01:16:56,862
Start them in sequence,

1506

01:16:56,945 --> 01:16:59,114
exactly four seconds apart.

1507

01:16:59,197 --> 01:17:00,991
Send your fastest, strongest--

1508

01:17:01,074 --> 01:17:02,117
I'll do it!

1509

01:17:02,659 --> 01:17:05,120
I'm sorry, that sounded like a young girl.

1510

01:17:05,454 --> 01:17:08,206
Oh, yeah!
Aliens don't stand a chance against her.

1511

01:17:08,874 --> 01:17:11,335
All right!
You need to climb through the vent.

1512

01:17:11,418 --> 01:17:15,005
The vault door won't open
until the power is back on.

1513

01:17:15,088 --> 01:17:16,340
-Got it.
-Look...

1514

01:17:16,965 --> 01:17:18,175
You're not safe at JPL.

1515

01:17:18,717 --> 01:17:20,844
-Did you hear the four seconds part?
-Yeah.

1516

01:17:21,595 --> 01:17:23,722
If this doesn't work,
I need to make sure...

1517

01:17:23,805 --> 01:17:25,390
[Alex] You're gonna need to time it.

1518

01:17:28,226 --> 01:17:29,144
Take care of it.

1519

01:17:31,563 --> 01:17:32,522
And yourself.

1520

01:17:38,236 --> 01:17:39,988
Your father would be proud.

1521

01:17:42,866 --> 01:17:43,784
[kisses]

1522

01:17:49,456 --> 01:17:51,249
What are we doing? What is Excalibur?

1523

01:17:51,333 --> 01:17:54,002
Excalibur was a Cold War defense project.

1524

01:17:54,086 --> 01:17:55,671
It was meant to shoot down

1525

01:17:55,754 --> 01:17:56,797
Russian missiles.

1526

01:17:56,880 --> 01:17:59,675
Yeah, using fusion pumped X-ray lasers,
I read about that.

1527

01:17:59,758 --> 01:18:02,344
Never mind him. He knows everything.

Keep going.

1528

01:18:02,427 --> 01:18:04,596
The key that Major Collins gave you

1529

01:18:04,680 --> 01:18:08,392
contains the coordinates
of the alien mothership in high orbit.

1530

01:18:09,142 --> 01:18:10,560
We can destroy the mothership.

1531

01:18:11,353 --> 01:18:12,562
You're our last hope.

1532

01:18:14,022 --> 01:18:16,274
Okay, what else do we need to do
to get this shit started?

1533

01:18:16,358 --> 01:18:19,111
You need to realign the satellite dish
on the roof,

1534

01:18:19,194 --> 01:18:20,654
then get a working computer

1535

01:18:20,737 --> 01:18:23,657
and load the coordinates
Major Collins gave you.

1536

01:18:24,116 --> 01:18:25,784
Then activate Excalibur.

1537

01:18:25,867 --> 01:18:28,036
-All right, I'll go to the roof.
-No, Gabriel.

1538

01:18:30,664 --> 01:18:33,792
You guys load the programs.
I'm gonna go to the roof.

1539

01:18:34,376 --> 01:18:36,920

Plus you're hurt
and he's the only one keeping you alive.

1540

01:18:38,714 --> 01:18:40,757
What are you talking about?
You're afraid of heights!

1541

01:18:40,841 --> 01:18:42,467
I'm scared of everything.

1542

01:18:43,427 --> 01:18:44,511
It's my turn.

1543

01:18:46,722 --> 01:18:48,473
Tell Zhenzhen,
I'm gonna want my watch back.

1544

01:18:52,519 --> 01:18:53,562
And if I die...

1545

01:18:55,272 --> 01:18:56,565
tell her I love her.

1546

01:19:01,194 --> 01:19:04,448
Actually, wait... don't tell her
I love her, just tell her I was into her.

1547

01:19:04,531 --> 01:19:06,408
I don't want to freak her out
with the "L" word.

1548

01:19:06,491 --> 01:19:07,576
Just go!

1549

01:19:10,454 --> 01:19:11,288
[grunting]

1550

01:19:14,166 --> 01:19:15,792
[roars]

1551

01:19:26,052 --> 01:19:27,888

01:30:50,987 --> 01:30:53,322
-Whoo! Yeah.
-Oh, man!

1730

01:30:53,531 --> 01:30:54,407
Oh, my God.

1731

01:30:55,992 --> 01:30:56,826
Yeah!

1732

01:31:01,247 --> 01:31:03,458
I guess you're pretty brave after all.

1733

01:31:06,669 --> 01:31:07,795
You really think so?

1734

01:31:16,554 --> 01:31:19,515
[triumphant music playing]

1735

01:31:30,109 --> 01:31:31,444
[sonic booms]

1736

01:31:31,527 --> 01:31:33,321
[all cheering]

1737

01:31:34,197 --> 01:31:35,990
[jet engines roaring]

1738

01:31:37,825 --> 01:31:40,912
[Dariush] Oh, yeah, I'm definitely
coming back next year, for sure.

1739

01:31:40,995 --> 01:31:42,788
[Alex] We saved the world!

1740

01:31:44,040 --> 01:31:46,042
[dramatic upbeat music playing]

1741

01:32:06,646 --> 01:32:08,147
[bear roaring]
