Stephan Miers	...	Andre
Robyn Ross	...	Mrs. Klump
Alvin Sanders	...	Pop Tate
Beckham Skodje	...	Young Hal Cooper
Drew Ray Tanner	...	Fangs Fogarty

1

00:00:08,258 --> 00:00:11,052
-[narrator] Previously on Riverdale:
-The Conway Murders?

2

00:00:11,136 --> 00:00:13,304
-They were a family of five.
-I found justice.

3

00:00:13,388 --> 00:00:17,892
What if Mr. Svenson wasn't the Black Hood?
The Black Hood could be alive.

4

00:00:17,976 --> 00:00:20,145
My dad, he might be the Black Hood.

5

00:00:20,228 --> 00:00:23,815
Don't know. I've seen your father
sneak around Thistlehouse.

6

00:00:24,399 --> 00:00:25,358
Lodge is a problem.

7

00:00:25,942 --> 00:00:28,737
Did you have anything to do
with Poppa Poutine's death?

8

00:00:28,820 --> 00:00:30,405
Small Fry is looking for payback.

9

00:00:31,114 --> 00:00:34,534
[Jughead] Penny, you wanna deal drugs?
It's not gonna be with the Serpents.

10

00:00:34,617 --> 00:00:37,662
-That used to be my Serpent tattoo.
-You nuts? She will be back.

11

00:00:37,746 --> 00:00:42,292
Our adversaries, the Ghoulies, have
been released. They want Serpent blood.

12

00:00:42,375 --> 00:00:43,543

Midge?

13

00:00:44,085 --> 00:00:46,880

-You're dead!

-Mr. Fogarty. Come with us.

14

00:00:46,963 --> 00:00:48,965

-I didn't kill her.

-Didn't you?

15

00:00:49,048 --> 00:00:52,510

His release is going
to make a lot of people very unhappy.

16

00:00:52,594 --> 00:00:56,014

-The Circle is disbanded.

-You're not paying us. Hiram is.

17

00:00:56,097 --> 00:00:58,600

-Fangs Fogarty is being released.

-What?

18

00:00:59,809 --> 00:01:02,729

They wanna rip Fangs apart.

We need help, Archie.

19

00:01:04,981 --> 00:01:06,524

[gunshot, then woman screaming]

20

00:01:08,485 --> 00:01:10,361

Okay, Dad. Let's talk.

21

00:01:10,445 --> 00:01:13,114

I swear, Mother.

If this is one of your callers--

22

00:01:14,908 --> 00:01:16,159

[screaming]

23

00:01:23,541 --> 00:01:24,751

[panting]

24

00:01:29,506 --> 00:01:31,299
[continues screaming]

25
00:01:52,529 --> 00:01:53,696
[arrow thuds]

26
00:01:56,199 --> 00:02:01,579
I suggest you run whilst you still can.
I only miss when I mean to.

27
00:02:07,794 --> 00:02:08,795
[grunts]

28
00:02:12,966 --> 00:02:14,759
Help us! We need a doctor!

29
00:02:15,301 --> 00:02:16,803
-Ma'am.
-Wait your turn.

30
00:02:16,886 --> 00:02:18,221
-He was shot.
-Step back--

31
00:02:18,304 --> 00:02:20,640
-He's dying!
-Hey! What's going on here?

32
00:02:21,224 --> 00:02:23,726
-My friend was shot.
-Hey, get me a gurney.

33
00:02:25,145 --> 00:02:26,312
Be careful.

34
00:02:26,396 --> 00:02:27,355
[groaning]

35
00:02:27,814 --> 00:02:28,731
Let's go.

36
00:02:28,815 --> 00:02:30,942

[FP] Hang in there. Hang in there.

37

00:02:33,611 --> 00:02:36,030

-Where are you going?

-To find the guy who shot Fangs.

38

00:02:36,114 --> 00:02:38,032

You're not going. Not with people rioting.

39

00:02:38,116 --> 00:02:41,369

You're angry, you want justice? So do I.

You've got a fallen soldier,

40

00:02:41,452 --> 00:02:44,455

and we need to talk to his family.

That's part of being a leader.

41

00:02:44,539 --> 00:02:47,083

-Some leader I am.

-Don't go down that road.

42

00:02:47,834 --> 00:02:49,961

All right. Come on. Come on.

43

00:02:51,838 --> 00:02:54,132

[cell phone buzzing]

44

00:03:02,932 --> 00:03:03,892

[scoffs]

45

00:03:08,396 --> 00:03:09,522

[cell phone buzzing]

46

00:03:10,231 --> 00:03:11,065

Cheryl?

47

00:03:11,149 --> 00:03:13,359

[Cheryl] The Black Hood just attacked me.

48

00:03:13,735 --> 00:03:14,569

Oh, my God.

49

00:03:15,570 --> 00:03:16,738
Was it my dad?

50

00:03:16,821 --> 00:03:19,490
Based on waistline,
it could've been him, yes.

51

00:03:19,574 --> 00:03:22,535
Luckily, I was able to get
to my archery set and hunting cape.

52

00:03:22,619 --> 00:03:25,622
-You didn't kill him, did you?
-No. I shot to wound.

53

00:03:25,705 --> 00:03:29,375
Hit him in the right shoulder. He's fled
into the woods where I plan to track him.

54

00:03:29,459 --> 00:03:32,837
Just in case he escapes my clutches,
be forewarned:

55

00:03:32,921 --> 00:03:36,299
Now that he's a maimed animal,
he's operating on instinct,

56

00:03:36,591 --> 00:03:40,386
ready to lash out
and kill anyone in his path.

57

00:03:40,470 --> 00:03:41,721
Even his loved ones.

58

00:03:44,182 --> 00:03:45,433
Here, include that.

59

00:03:45,516 --> 00:03:47,268
[cell phone ringing]

60

00:03:48,478 --> 00:03:50,480
-Elizabeth, thank goodness.

-[Betty] Mom.

61

00:03:50,563 --> 00:03:53,441
-Are you okay? Have you seen Dad?
-He's out covering the riots.

62

00:03:53,524 --> 00:03:56,527
Where are you? The streets aren't safe.
You need to get here.

63

00:03:56,611 --> 00:03:59,614
-I'm on my way, but stay put, okay?
-I'm not going anywhere.

64

00:03:59,697 --> 00:04:02,575
It's a big night for The Register.
If it bleeds, it leads.

65

00:04:02,659 --> 00:04:03,993
Get over here now.

66

00:04:05,495 --> 00:04:06,579
[knocking on door]

67

00:04:06,871 --> 00:04:10,041
-Hey, Arch--
-It's just me, Mr. Andrews.

68

00:04:10,124 --> 00:04:12,669
I was about to slip out.
Is something wrong?

69

00:04:12,752 --> 00:04:16,130
On the news, it said a riot broke out
down at the sheriff's station.

70

00:04:17,257 --> 00:04:18,216
Where is Archie?

71

00:04:20,301 --> 00:04:22,262
-Where's Reggie?
-I thought he was with you.

72

00:04:22,345 --> 00:04:27,183
We got separated. Reggie had a gun.
He didn't shoot Fangs. I tackled him.

73

00:04:27,267 --> 00:04:29,936
-Why have a gun?
-I can guess who put the idea in his head.

74

00:04:30,019 --> 00:04:31,437
But we gotta find him.

75

00:04:31,521 --> 00:04:34,816
Some Serpents saw Reggie with the gun.
They're gonna go after him.

76

00:04:34,899 --> 00:04:36,776
Kev, Moose. We'll head to Reggie's house.

77

00:04:36,859 --> 00:04:38,945
Everyone else, fan out.
Call if you find him.

78

00:04:40,780 --> 00:04:43,032
Archie was there
when that Serpent got shot.

79

00:04:43,116 --> 00:04:46,327
-I don't know what he's caught up in.
-I'm coming with you.

80

00:04:51,457 --> 00:04:54,377
Good evening, Mr. Andrews.
I'm here to pick up Miss Lodge.

81

00:04:56,379 --> 00:04:59,132
Thank you, Andre.
Yes. Bring her directly home.

82

00:05:00,508 --> 00:05:04,220
Okay. Now that we know Veronica's safe,
one of Minetta's deputies

83

00:05:04,304 --> 00:05:06,931
will take you over to The Register.
Alice is waiting.

84
00:05:07,015 --> 00:05:09,976
There's no way of controlling
what could happen.

85
00:05:10,059 --> 00:05:11,602
Hiram, it's a huge gamble.

86
00:05:11,686 --> 00:05:15,189
No, the fire's started, mi amor.
Chaos is good for us.

87
00:05:16,816 --> 00:05:20,528
We have the pieces in place
to restore order. Fred doesn't.

88
00:05:20,611 --> 00:05:22,655
Andre will keep watch on Veronica.

89
00:05:28,995 --> 00:05:31,914
-Where will you be?
-Out with another deputy.

90
00:05:33,124 --> 00:05:33,958
Hiram.

91
00:05:39,213 --> 00:05:41,799
You're not keeping anything from me,
right?

92
00:05:44,135 --> 00:05:45,970
Don't start doubting me now.

93
00:05:54,645 --> 00:05:57,356
-Excuse me. How's Fangs?
-He's still in surgery.

94
00:05:57,440 --> 00:05:59,567
I wanna talk to him
as soon as he wakes up.

95

00:06:00,651 --> 00:06:01,611
Sheriff Minetta.

96

00:06:02,445 --> 00:06:06,574
-Shouldn't you looking for who shot Fangs?
-There's a manhunt underway.

97

00:06:06,824 --> 00:06:09,368
Your Serpent pals
aren't making things easy.

98

00:06:09,452 --> 00:06:12,997
Rioting, carousing, terrorizing.
Already arrested a few.

99

00:06:13,081 --> 00:06:16,751
Fangs wouldn't have a slug in his gut
if you had done your job.

100

00:06:16,834 --> 00:06:18,836
I don't know the details of your parole,

101

00:06:18,920 --> 00:06:21,798
but I'm certain harassing an officer
would violate them.

102

00:06:21,881 --> 00:06:22,715
[chuckles]

103

00:06:24,884 --> 00:06:25,718
[FP] Jug?

104

00:06:25,802 --> 00:06:28,137
[Reggie over phone]
Mr. Lodge. It's me, Reggie.

105

00:06:28,805 --> 00:06:32,016
I need your help. Someone shot Fangs.
It wasn't me.

106

00:06:32,100 --> 00:06:34,602

But I was there
and the Southsiders think I did it.

107

00:06:34,685 --> 00:06:37,688
That's unfortunate, Reggie.
But I'm afraid I can't help you.

108

00:06:37,772 --> 00:06:38,773
[phone beeps]

109

00:06:48,324 --> 00:06:50,493
Oh, my God-- Is that Mrs. Klump?

110

00:06:52,078 --> 00:06:53,496
Andre, stop the car.

111

00:06:55,039 --> 00:06:55,998
That's Midge's mom.

112

00:07:00,086 --> 00:07:02,713
-Miss Veronica, wait.
-Mrs. Klump?

113

00:07:05,133 --> 00:07:08,386
-Are you okay?
-I may have killed that boy.

114

00:07:12,306 --> 00:07:13,975
Archie, what is going on?

115

00:07:14,058 --> 00:07:17,895
-The Serpents are going nuts.
-Yeah. Reggie shot Fangs.

116

00:07:17,979 --> 00:07:21,774
No, I was with Reggie. It wasn't him.
You need to call off your crew.

117

00:07:21,858 --> 00:07:23,317
We're leaving Reggie's house.

118

00:07:23,401 --> 00:07:25,778

-They find him?
-No. We're headed to the school.

119
00:07:25,862 --> 00:07:29,073
-That's where Mrs. Mantle said they were.
-Okay. I'm on my way.

120
00:07:29,657 --> 00:07:32,869
-Whenever you're ready.
-As a mayoral candidate,

121
00:07:33,369 --> 00:07:36,205
it's important to take charge
in times of crisis.

122
00:07:37,248 --> 00:07:38,332
Like this riot,

123
00:07:38,416 --> 00:07:41,752
which I believe was brought about
by the actions of the Black Hood.

124
00:07:42,420 --> 00:07:45,590
Which is why I would like to offer
a bounty.

125
00:07:46,674 --> 00:07:50,344
One million dollars to whomever
can deliver the Black Hood.

126
00:07:51,053 --> 00:07:53,931
Alive or preferably dead.

127
00:08:03,441 --> 00:08:07,612
A bounty? What are you talking about?
Is that even legal?

128
00:08:07,695 --> 00:08:11,157
The Black Hood is a shooter
on the streets of Riverdale.

129
00:08:11,240 --> 00:08:15,786
-He tried to kill one of your classmates--

-No. The Black Hood did not shoot Fangs.

130

00:08:15,870 --> 00:08:18,331
Excuse me, how would you know that?

131

00:08:18,414 --> 00:08:20,917
Did anyone see the Black Hood
at the sheriff's station?

132

00:08:21,000 --> 00:08:23,586
Why are you being protective
of a murderer?

133

00:08:23,669 --> 00:08:24,921
[cell phone ringing]

134

00:08:26,589 --> 00:08:28,299
Cheryl. Any new leads?

135

00:08:28,674 --> 00:08:31,010
-[Cheryl] Where are you?
-At The Register. Why?

136

00:08:31,093 --> 00:08:34,347
He's exited the forest and headed
for the houses beyond the pines.

137

00:08:34,430 --> 00:08:35,640
Maybe even yours.

138

00:08:35,723 --> 00:08:37,475
-I have to go.
-Wait, cousin.

139

00:08:37,558 --> 00:08:40,394
Do not go into that house alone.

140

00:08:40,478 --> 00:08:43,147
I have to find my dad
before anyone else does.

141

00:08:43,231 --> 00:08:45,316

Otherwise, he's a dead man walking.

142

00:08:52,657 --> 00:08:54,367
That's gotta be Southsiders.

143

00:08:54,450 --> 00:08:58,204
-Serpent scum.
-Settle down. We're outmanned and unarmed.

144

00:08:58,287 --> 00:09:00,623
-I'm not gonna hide.
-I'm with Moose.

145

00:09:00,706 --> 00:09:03,668
All right, but it's us
against who knows how many.

146

00:09:03,751 --> 00:09:06,587
So, if we're gonna do this,
we gotta gear up.

147

00:09:09,257 --> 00:09:11,050
[cell phone buzzing]

148

00:09:13,886 --> 00:09:16,264
Ronnie, can I call you back?
A riot broke out.

149

00:09:16,347 --> 00:09:19,559
Yes, Archie, I know.
I was out in the middle of it.

150

00:09:19,642 --> 00:09:21,352
I thought you were at my house.

151

00:09:21,435 --> 00:09:26,440
Not only did I brave the streets,
I delivered Fangs' shooter, Mrs. Klump,

152

00:09:26,524 --> 00:09:28,734
-to the authorities.
-Mrs. Klump shot Fangs?

153

00:09:28,818 --> 00:09:31,612
-Can you blame her?
-I gotta tell the Serpents.

154

00:09:31,696 --> 00:09:33,906
-I love you.
-I love you, too.

155

00:09:38,244 --> 00:09:40,997
Mom? Sheriff Minetta.

156

00:09:41,622 --> 00:09:44,584
Veronica. What are you doing?
You're supposed to be at home.

157

00:09:44,667 --> 00:09:47,086
Andre's in the car.
We had to make a detour.

158

00:09:48,212 --> 00:09:50,131
Good Lord, Mom.

159

00:09:50,214 --> 00:09:53,759
Are you and Daddy trying to turn Riverdale
into Gotham City?

160

00:09:58,764 --> 00:09:59,849
[shouting]

161

00:10:00,516 --> 00:10:02,101
Serpents! Stop!

162

00:10:03,686 --> 00:10:06,939
Well, fellas. Looks like we found
some bulldogs to put down.

163

00:10:08,107 --> 00:10:11,110
Sweet Pea. I swear,
Reggie didn't shoot Fangs.

164

00:10:11,193 --> 00:10:13,321
-It was Mrs. Klump.

-I saw Mantle with a gun.

165

00:10:13,404 --> 00:10:16,616
Then you saw me tackle him
before he got a shot off.

166

00:10:16,699 --> 00:10:18,993
It was Midge's mom.
She's down at the station.

167

00:10:19,577 --> 00:10:21,370
And Fangs is clinging to life.

168

00:10:21,746 --> 00:10:24,790
Whether it was Reggie or Mrs. Klump
who pulled the trigger,

169

00:10:24,874 --> 00:10:27,543
a Northsider put him there!
You took our friend.

170

00:10:28,502 --> 00:10:29,378
Our land.

171

00:10:30,379 --> 00:10:32,798
You'll take everything
if we give you the chance.

172

00:10:35,343 --> 00:10:39,513
So, now you get to watch
as we burn your school to the ground.

173

00:10:57,239 --> 00:11:00,534
What do you boys think
you're doing to my school?

174

00:11:04,288 --> 00:11:06,499
[Betty] Hello? Dad?

175

00:11:18,386 --> 00:11:19,220
Dad.

176

00:11:23,391 --> 00:11:26,811
-You're too late, Jughead.
-Try Mad Max-ing your way through a riot.

177
00:11:26,894 --> 00:11:28,896
-What happened?
-Weatherbee shut us down.

178
00:11:28,979 --> 00:11:31,565
-Kicked our asses out.
-The Serpents took off again.

179
00:11:31,649 --> 00:11:33,109
-Where?
-They went down Fernleaf.

180
00:11:33,192 --> 00:11:35,194
-Midge Klump's house.
-Why there?

181
00:11:35,277 --> 00:11:38,197
To trash it. I told them Mrs. Klump
shot Fangs, not Reggie.

182
00:11:38,739 --> 00:11:40,950
Jughead, you have to coax them
off the ledge.

183
00:11:41,033 --> 00:11:42,618
-I'm on it.
-Wait.

184
00:11:43,702 --> 00:11:46,831
-Have you spoken to Betty?
-She's with her mom. Keep in touch.

185
00:11:47,790 --> 00:11:48,666
You, too.

186
00:11:50,793 --> 00:11:52,086
[cell phone buzzing]

187
00:11:53,087 --> 00:11:54,755

-Hello?

-[Pop] Archie, it's Pop.

188

00:11:54,839 --> 00:11:58,801
I've got a friend of yours here.
I think he needs help.

189

00:12:05,808 --> 00:12:07,476
[cell phone ringing]

190

00:12:16,777 --> 00:12:17,778
Hello?

191

00:12:17,862 --> 00:12:21,240
Betty, it's FP. I'm at Riverdale General.
Is Jug with you?

192

00:12:21,323 --> 00:12:24,285
Mr. Jones. No, I don't know where he is.

193

00:12:24,368 --> 00:12:26,579
If you see him,
tell him I'm looking for him.

194

00:12:26,662 --> 00:12:27,746
Of course I will.

195

00:12:27,830 --> 00:12:31,834
Also, uh, Betty, they just brought
your old man into to ER.

196

00:12:31,917 --> 00:12:32,751
My dad?

197

00:12:33,961 --> 00:12:36,088
Is he hurt badly?

198

00:12:36,172 --> 00:12:38,883
He's bleeding quite a bit.
You want me to check on him?

199

00:12:38,966 --> 00:12:41,844

No. That's okay, Mr. Jones. I'm on my way.

200

00:12:41,927 --> 00:12:45,890

Where do you plan on getting the million
dollars to pay for this lunatic bounty?

201

00:12:45,973 --> 00:12:49,435

-Your father has secret funds.
-My ass he does.

202

00:12:49,518 --> 00:12:53,272

If Daddy thinks he can use my money
for one of his Machiavellian ploys,

203

00:12:53,355 --> 00:12:57,401

he better think again, because I'm taking
back what I got from the St. Clairs.

204

00:12:57,485 --> 00:13:00,988

Your father already told you.
He put that money in a trust for you.

205

00:13:01,071 --> 00:13:02,656

He stole it, you mean.

206

00:13:06,494 --> 00:13:08,913

Veronica! Veronica!

207

00:13:09,997 --> 00:13:13,042

You're wasting your time.
Your money is not in there.

208

00:13:14,126 --> 00:13:17,129

Veronica, just open the door
and we can talk about this.

209

00:13:55,668 --> 00:13:57,253

I didn't know where else to go.

210

00:13:57,711 --> 00:13:59,797

-Mr. Lodge left me hanging.
-Wait, Reggie.

211

00:14:00,631 --> 00:14:02,758
I know he paid you
to trash the Whyte Wyrm.

212

00:14:03,342 --> 00:14:06,178
-But did he put you up to this?
-Guys. Outside.

213

00:14:06,262 --> 00:14:07,263
[car horn honking]

214

00:14:08,847 --> 00:14:10,307
[men] Fight! Fight! Fight!

215

00:14:11,892 --> 00:14:13,686
Serpents. They're coming for me.

216

00:14:16,647 --> 00:14:19,149
-What's up?
-Jughead, where are you guys?

217

00:14:19,233 --> 00:14:22,778
Just got the Serpents back to the Wyrm.
Mrs. Klump's house is secure.

218

00:14:23,487 --> 00:14:24,321
What's wrong?

219

00:14:24,405 --> 00:14:27,116
If the Serpents are with you,
then who is out here at Pop's?

220

00:14:27,199 --> 00:14:28,659
[men whooping]

221

00:14:30,202 --> 00:14:31,036
Oh, crap.

222

00:14:32,121 --> 00:14:36,625
Jug, looks like the Ghoulies
are back in town.

223

00:14:41,088 --> 00:14:42,381
[all cheering]

224

00:14:46,051 --> 00:14:47,636
[busy signal on phone]

225

00:14:47,720 --> 00:14:49,096
[Ghoulies clamoring]

226

00:14:51,390 --> 00:14:54,059
Damn it. Nobody's answering
at the sheriff's station.

227

00:14:54,560 --> 00:14:58,105
Looks like we're on our own.
We should be fine, as long as everybody--

228

00:14:58,480 --> 00:15:00,691
Everybody get away from the windows!

229

00:15:00,774 --> 00:15:02,318
[alarm wailing]

230

00:15:02,693 --> 00:15:03,694
Stay down!

231

00:15:10,117 --> 00:15:12,369
-Do you have a gun in here, Pop?
-No.

232

00:15:12,912 --> 00:15:17,958
I had my fill of gunfire back in the war.
But I learned a trick in the riots of '79.

233

00:15:18,042 --> 00:15:20,836
I have Mr. Lodge's leftover liquor
from poker night.

234

00:15:20,920 --> 00:15:23,464
If you can get to the roof
through the crawlspace--

235

00:15:23,547 --> 00:15:25,424
I like how you're thinking, Pop.

236

00:15:28,552 --> 00:15:30,930
Anyone, come out and play!

237

00:15:32,222 --> 00:15:34,600
We got some new toys to show you.

238

00:15:34,683 --> 00:15:36,018
Hey!

239

00:15:46,403 --> 00:15:47,321
Come on.

240

00:15:48,405 --> 00:15:49,239
Hit me!

241

00:15:53,285 --> 00:15:54,453
[police siren wailing]

242

00:15:59,750 --> 00:16:01,919
All right, now it's a party.

243

00:16:03,212 --> 00:16:04,463
[gun fires]

244

00:16:04,546 --> 00:16:06,548
Come on. Let's go. Let's go.

245

00:16:10,928 --> 00:16:12,054
Get out of here.

246

00:16:14,098 --> 00:16:15,224
[all applauding]

247

00:16:17,226 --> 00:16:20,354
-Mr. Keller, I thought you resigned.
-I turned in my badge,

248

00:16:20,437 --> 00:16:23,232
-but not the cruiser yet.
-How did you know we're here?

249
00:16:23,315 --> 00:16:25,275
Jug called, said you were in trouble.

250
00:16:25,359 --> 00:16:27,486
I called your dad.
Right when Kevin called.

251
00:16:28,028 --> 00:16:30,364
We're not letting this town
go down without a fight.

252
00:16:30,447 --> 00:16:32,449
Hot Riverdale Dads to the rescue.

253
00:16:33,409 --> 00:16:37,538
-I can't just sit here.
-Sweet Pea. You're staying put!

254
00:16:38,414 --> 00:16:40,582
You said it yourself.
The Ghoulies are back.

255
00:16:40,666 --> 00:16:44,086
We will deal with them.
As soon as my dad gets back--

256
00:16:44,169 --> 00:16:47,339
You're not our leader all of a sudden?
That's right.

257
00:16:47,423 --> 00:16:50,009
-You're just the guy that got Fangs shot.
-Watch it.

258
00:16:50,092 --> 00:16:53,137
Fangs might die.
The Ghoulies are out for our blood,

259
00:16:53,220 --> 00:16:55,389

because of a drag race you started.

260

00:16:56,932 --> 00:16:59,893

An hour.

That's all I'm asking for, Sweet Pea.

261

00:17:07,317 --> 00:17:09,028

[Veronica] This is utterly vile.

262

00:17:09,111 --> 00:17:12,948

Daddy has written the story
about the affair you and Fred had.

263

00:17:13,032 --> 00:17:15,951

What was he planning to do,
publish that in The Register,

264

00:17:16,035 --> 00:17:18,203

and drag you both through the mud?

265

00:17:18,287 --> 00:17:22,958

Fred's running on family values.
I'm the law and order candidate.

266

00:17:23,042 --> 00:17:26,879

Your father believes an October Surprise
would hurt me,

267

00:17:26,962 --> 00:17:30,591

but I'd survive, and it would utterly
destroy Fred's campaign.

268

00:17:30,674 --> 00:17:33,427

-You were in on this?

-There's a game plan.

269

00:17:33,510 --> 00:17:36,472

What kind of man would do this
to his own wife?

270

00:17:36,555 --> 00:17:40,601

I'll tell you. The kind of man who always
has someone else to take the risk,

271

00:17:40,684 --> 00:17:43,854
to stand in the line of fire,
to run for mayor.

272

00:17:45,939 --> 00:17:50,444
That's what you are to him.
A means to an end. Kindling for the fire.

273

00:17:50,527 --> 00:17:52,446
Oh, no, Veronica.

274

00:17:52,529 --> 00:17:55,115
Your father would never put us
in harm's way.

275

00:17:55,199 --> 00:17:58,911
The fact that you still believe that,
after everything he's done,

276

00:17:59,328 --> 00:18:01,163
chills me, Mom.

277

00:18:03,290 --> 00:18:05,918
Pop Tate. I heard there was an incident
at the diner.

278

00:18:06,001 --> 00:18:07,586
Rioters were here.

279

00:18:07,669 --> 00:18:11,965
But Fred Andrews showed up with Tom Keller
and FP Jones. They saved us.

280

00:18:12,049 --> 00:18:14,760
Helped defend the Chock'lit Shoppe
from the Ghoulies.

281

00:18:14,843 --> 00:18:16,804
-Everyone's calling them heroes.
-I see.

282

00:18:18,180 --> 00:18:19,640
Thank you, Pop. And, uh...

283
00:18:20,224 --> 00:18:22,184
-I'm glad you're okay.
-All right.

284
00:18:28,690 --> 00:18:31,443
Sorry. We're not serving right now.

285
00:18:32,945 --> 00:18:35,656
That wasn't Hiram Lodge
you were speaking with, was it?

286
00:18:36,323 --> 00:18:37,157
It was.

287
00:18:37,241 --> 00:18:38,951
He's an old friend of my father's.

288
00:18:39,827 --> 00:18:42,579
Wouldn't happen to know
where he lives, would you?

289
00:18:44,164 --> 00:18:45,082
Excuse me.

290
00:18:45,791 --> 00:18:49,002
Um, my dad is here. Hal Cooper.
What room is he in?

291
00:18:49,211 --> 00:18:50,087
Uh...

292
00:18:50,337 --> 00:18:52,714
-Two-twenty one, just down the hall.
-Thank you.

293
00:19:03,183 --> 00:19:04,601
Dad.

294
00:19:08,063 --> 00:19:09,064

Oh.

295

00:19:10,774 --> 00:19:12,192
[phone ringing]

296

00:19:19,658 --> 00:19:21,660
[Black Hood] We keep missing each other.

297

00:19:23,912 --> 00:19:29,042
-You murdered Dr. Masters.
-He asked too many questions.

298

00:19:29,126 --> 00:19:32,254
There's no method to the killing now?
No grand design?

299

00:19:32,337 --> 00:19:35,799
-You're just a run-of-the-mill psychopath?
-You need to come home,

300

00:19:36,258 --> 00:19:38,635
so we can talk and finish this.

301

00:19:39,303 --> 00:19:40,137
Fine.

302

00:19:41,680 --> 00:19:43,098
You don't scare me.

303

00:19:44,308 --> 00:19:45,726
Your mother's here.

304

00:19:48,520 --> 00:19:49,354
What?

305

00:19:49,980 --> 00:19:52,399
-Mom's there?
-If you're not home in ten minutes,

306

00:19:52,482 --> 00:19:55,986
or if you call the police,
I will slit your mother's throat.

307

00:19:56,069 --> 00:19:57,070

No.

308

00:20:02,868 --> 00:20:04,036

[cell phone ringing]

309

00:20:07,956 --> 00:20:12,085

-Hello?

-Hello, lover boy. It's your old gal pal.

310

00:20:12,669 --> 00:20:13,503

Penny.

311

00:20:14,796 --> 00:20:16,173

You picked a bad time.

312

00:20:16,256 --> 00:20:20,469

Oh, I heard. Riverdale,
burning to the ground. It's tragic.

313

00:20:20,552 --> 00:20:24,681

How about we meet up and talk about it?
Hmm? Your old hangout, by the docks?

314

00:20:25,474 --> 00:20:27,226

-Why would I do that?

-If you don't,

315

00:20:27,309 --> 00:20:29,978

I'll start carving up
your girlfriend's face.

316

00:20:30,062 --> 00:20:34,149

-Betty?

-Oh, please! Ponytail's a snooze.

317

00:20:34,233 --> 00:20:37,694

No, I mean, your Southside Smurfette.

318

00:20:37,986 --> 00:20:41,406

-What do you think I should start with?

-Tell her to go to hell.

319

00:20:41,907 --> 00:20:44,409
Maybe her tongue? Hmm? Come now.

320

00:20:44,993 --> 00:20:47,955
And alone.
It'll just be me and Pinkie here.

321

00:20:49,206 --> 00:20:51,541
Mom? Mom, where are you?

322

00:20:51,625 --> 00:20:54,836
Betty. Thank God. I've been calling you.
Where have you been?

323

00:20:54,920 --> 00:20:56,380
Mom, is Dad here? Is he--?

324

00:20:56,463 --> 00:20:58,298
-Yeah, honey. Why?
-Where is he?

325

00:20:58,382 --> 00:21:01,051
-What's going on? What?
-We have to leave. Let's go.

326

00:21:01,134 --> 00:21:03,178
Betty! You made it home.

327

00:21:04,888 --> 00:21:09,476
Your dad has some crazy idea
to show us old home movies.

328

00:21:09,559 --> 00:21:13,146
I figured we indulge him, since we're
practically on lockdown anyway.

329

00:21:15,315 --> 00:21:16,191
What's wrong?

330

00:21:19,069 --> 00:21:21,238

Well, I'm just happy we're all here.

331

00:21:21,863 --> 00:21:22,823

As a family.

332

00:21:23,323 --> 00:21:27,411

Sit down, Betty.

I think you're really going to enjoy this.

333

00:21:39,381 --> 00:21:44,553

[woman] I'm making this movie so we never forget what your daddy sacrificed for us.

334

00:21:44,636 --> 00:21:47,139

You do love your daddy, don't you, Harold?

335

00:21:47,222 --> 00:21:48,432

Yes, Mom.

336

00:21:48,515 --> 00:21:51,476

[woman] And you want your daddy to keep living with us?

337

00:21:52,060 --> 00:21:55,147

-Yes, Mom.

-I don't understand. What are we watching?

338

00:21:55,230 --> 00:21:57,107

-Is that you, Hal?

-[Hal] It is.

339

00:21:57,190 --> 00:22:00,277

[woman] Your daddy did something very noble, Harold.

340

00:22:00,360 --> 00:22:03,613

He took care of that Conway family.

They were sinners.

341

00:22:03,697 --> 00:22:07,492

-And what happens to sinners?

-Sinners have to die.

342

00:22:07,576 --> 00:22:10,203

-Oh, my God.

-What is this, a snuff film?

343

00:22:10,287 --> 00:22:14,041

Shut the hell up, Alice,
for once in your life.

344

00:22:14,124 --> 00:22:18,086

[woman] That's right.

Now, that little Conway boy who survived,

345

00:22:18,170 --> 00:22:20,839

they're gonna ask him
who killed his family.

346

00:22:20,922 --> 00:22:25,052

He needs to point out somebody.
Anybody. But not Daddy.

347

00:22:25,135 --> 00:22:28,638

Because we don't want Daddy
to be taken away from us, do we?

348

00:22:28,722 --> 00:22:31,349

No, I love my daddy.

349

00:22:31,433 --> 00:22:33,268

[woman] So, you have to help him.

350

00:22:33,351 --> 00:22:36,938

Make sure that when they ask
the Conway boy who he saw kill his family,

351

00:22:37,022 --> 00:22:41,651

make sure he doesn't say Daddy.
Can you do that, Harold? Convince him?

352

00:22:41,735 --> 00:22:43,320

I think so.

353

00:22:43,403 --> 00:22:48,200

[woman] You're a good boy, Hal.
Your father let him escape, but you?

354

00:22:48,283 --> 00:22:51,453
You will do better. You must do better.

355

00:22:52,162 --> 00:22:54,790
Take out your tape recorder, Alice.

356

00:22:56,917 --> 00:22:58,710
I need you to record this.

357

00:23:01,254 --> 00:23:04,758
The Conways. The family that was
murdered 40 years ago?

358

00:23:04,841 --> 00:23:06,176
Yes. Oh, my God.

359

00:23:06,259 --> 00:23:07,636
Take it out!

360

00:23:10,722 --> 00:23:13,475
Now I wanna tell my story.

361

00:23:14,893 --> 00:23:17,104
No, our story, really.

362

00:23:18,814 --> 00:23:20,941
First, to clear something up:

363

00:23:21,024 --> 00:23:26,279
Your Great-Grandpappy Cooper wasn't
murdered by his brother like some dog.

364

00:23:27,864 --> 00:23:29,157
He was the killer.

365

00:23:29,699 --> 00:23:33,620
He killed Great-Grandpappy Blossom
and then took on the Cooper name

366

00:23:33,703 --> 00:23:36,164
to create a new identity for himself.

367

00:23:37,207 --> 00:23:38,208
For us.

368

00:23:38,917 --> 00:23:41,169
What does that have to do
with the Conways?

369

00:23:41,253 --> 00:23:43,004
The Conways knew our secret.

370

00:23:43,088 --> 00:23:46,842
Mr. Conway blackmailed my father,
your grandpappy.

371

00:23:46,925 --> 00:23:48,552
So, Grandpa killed them.

372

00:23:49,136 --> 00:23:50,637
They were sinners, Betty.

373

00:23:50,720 --> 00:23:52,139
Even the children?

374

00:23:52,222 --> 00:23:55,600
Well, there was one survivor.
The Conways' boy Joseph.

375

00:23:55,684 --> 00:23:56,810
Mr. Svenson.

376

00:23:57,853 --> 00:24:00,689
Who you convinced to accuse
an innocent man.

377

00:24:00,772 --> 00:24:04,151
Joseph was easy to manipulate.

378

00:24:04,234 --> 00:24:08,363

-As a boy and as a man.
-What are you telling us? Hal? That--?

379

00:24:08,446 --> 00:24:10,365
That I have a darkness, Alice.

380

00:24:10,448 --> 00:24:15,078
The same darkness my father had,
the same darkness his father had.

381

00:24:16,204 --> 00:24:18,498
And now, it lives in Betty.

382

00:24:19,082 --> 00:24:19,958
No.

383

00:24:21,126 --> 00:24:22,335
Our daughter.

384

00:24:38,685 --> 00:24:40,061
Who am I, Betty?

385

00:24:41,688 --> 00:24:42,606
Say it.

386

00:24:44,858 --> 00:24:45,859
Say who I am!

387

00:24:51,948 --> 00:24:53,283
You're the Black Hood.

388

00:24:57,871 --> 00:24:58,872
That's right.

389

00:25:00,999 --> 00:25:02,375
Now say what I did.

390

00:25:06,004 --> 00:25:10,383
You... shot Mr. Andrews.

391

00:25:10,467 --> 00:25:13,178

You... killed Ms. Grundy...

392

00:25:14,137 --> 00:25:17,599
the Sugarman, Midge, Dr. Masters.

393

00:25:19,684 --> 00:25:21,978
-But, the debate--
-Was not me.

394

00:25:22,938 --> 00:25:25,106
I can't take credit for that.

395

00:25:27,025 --> 00:25:31,613
-How's Veronica doing with all this?
-She's in lockdown at The Pembroke.

396

00:25:31,696 --> 00:25:34,532
For all of Mr. Lodge's talk
about law and order,

397

00:25:34,616 --> 00:25:36,618
he was nowhere to be seen tonight.

398

00:25:36,701 --> 00:25:39,704
I just went out to try to find you.
I'm gonna take a shower.

399

00:25:40,205 --> 00:25:41,206
I'm gonna lock up.

400

00:26:07,107 --> 00:26:08,066
[thud]

401

00:26:18,493 --> 00:26:19,786
[grunting and shouting]

402

00:26:44,394 --> 00:26:45,478
Are you okay?

403

00:26:46,021 --> 00:26:48,440
Thought about going pro after high school.

404
00:26:49,983 --> 00:26:51,067
-Dad!
-What?

405
00:26:51,651 --> 00:26:52,902
No!

406
00:26:57,449 --> 00:26:59,367
-Dad. Dad.
-[groaning]

407
00:27:00,452 --> 00:27:05,290
I'm good. Tom Keller made us put these on
before we went to the diner.

408
00:27:05,373 --> 00:27:06,583
I'm good.

409
00:27:06,666 --> 00:27:08,793
No. Archie, no!

410
00:27:21,139 --> 00:27:23,725
Dad, why did you become the Black Hood?

411
00:27:23,808 --> 00:27:27,729
Because this is a town of sinners, Betty.

412
00:27:28,355 --> 00:27:29,189
And--

413
00:27:31,274 --> 00:27:33,193
Sinners have to die.

414
00:27:33,276 --> 00:27:34,944
Your speech at the Jubilee...

415
00:27:36,029 --> 00:27:39,991
Riverdale must do better.
We must do better.

416
00:27:40,075 --> 00:27:43,453

[woman]
You will do better. You must do better.

417
00:27:43,536 --> 00:27:46,873
Reminded me of a promise
that I made my mother.

418
00:27:46,956 --> 00:27:51,336
That this town will do better.
We must do better.

419
00:27:51,419 --> 00:27:53,838
So, I picked up my father's sword

420
00:27:53,922 --> 00:27:58,593
and I continued the work
that he and my grandfather started.

421
00:28:01,179 --> 00:28:02,514
The purging of sin.

422
00:28:02,597 --> 00:28:05,225
No. None of this makes any sense.

423
00:28:08,520 --> 00:28:10,647
Dad, why did you want this recorded?

424
00:28:10,730 --> 00:28:14,317
I want everyone to understand
when they find us.

425
00:28:22,409 --> 00:28:23,827
[Penny] Hiya, Jones.

426
00:28:26,996 --> 00:28:29,332
Toni. Are you okay?

427
00:28:29,916 --> 00:28:32,085
-Jughead, she's not alone.
-[metal clanging]

428
00:28:34,504 --> 00:28:35,547

Surprise!

429

00:28:39,259 --> 00:28:41,386
You said it was gonna be
the two of us.

430

00:28:41,469 --> 00:28:44,889
I never go without backup anymore.
Not after what you did to me.

431

00:28:44,973 --> 00:28:47,142
Besides, we need to talk.

432

00:28:48,268 --> 00:28:49,728
All of us.

433

00:28:49,811 --> 00:28:51,354
There's nothing to talk about.

434

00:28:52,355 --> 00:28:55,191
-I'm taking Toni and we're leaving.
-Not so fast.

435

00:28:55,775 --> 00:28:58,611
I've been waiting to see you again
for a long time.

436

00:28:58,695 --> 00:28:59,696
[crackling]

437

00:28:59,779 --> 00:29:01,531
Get back, you hobgoblin.

438

00:29:04,325 --> 00:29:09,330
I brought backup, too. Like I said,
I'm taking Toni and we're leaving.

439

00:29:10,915 --> 00:29:13,835
Untie her, you Serpent hag.

440

00:29:16,129 --> 00:29:17,088
[scoffs]

441

00:29:17,172 --> 00:29:18,673
Take her then.

442

00:29:19,758 --> 00:29:23,428
But remember, when all your friends
are dead, I tried giving you a chance.

443

00:29:30,101 --> 00:29:32,520
Why do you keep coming back?
What do you want?

444

00:29:32,604 --> 00:29:37,150
The Southside. There's money
to be made here in The Town With Pep.

445

00:29:37,817 --> 00:29:40,278
If you're not afraid of
getting your hands dirty.

446

00:29:40,945 --> 00:29:44,073
You partnered with the Ghoulies
to sell drugs on the Southside.

447

00:29:44,157 --> 00:29:49,370
Bingo. So, here's the offer I want you
to take back to your dad and your tribe.

448

00:29:50,455 --> 00:29:52,248
The Serpents ship out tonight,

449

00:29:52,332 --> 00:29:55,001
or it's a showdown
with the Ghoulies at Pickens Park.

450

00:29:59,798 --> 00:30:00,840
I'm fine either way.

451

00:30:13,645 --> 00:30:16,147
Hello. I'm here to see Mr. Lodge.

452

00:30:18,733 --> 00:30:20,360

I'm sorry, he's not available.

453

00:30:21,486 --> 00:30:24,072
Are his lovely wife and beautiful daughter
at home?

454

00:30:27,200 --> 00:30:30,703
This is a game of nerves,
and clearly you've lost yours.

455

00:30:30,787 --> 00:30:35,834
I would rather have lost my nerve than my
mind, which clearly you and Daddy have.

456

00:30:36,417 --> 00:30:41,047
That October Surprise wouldn't destroy
Fred's campaign, it would ruin his life.

457

00:30:41,130 --> 00:30:42,215
[knocking on door]

458

00:30:45,301 --> 00:30:46,761
Oh, God. Who is it?

459

00:30:58,523 --> 00:31:01,651
You may know my father.
Goes by the name Poppa Poutine.

460

00:31:02,318 --> 00:31:04,737
He told me if he was ever to be murdered,

461

00:31:04,821 --> 00:31:07,282
not to take the life of the man
who killed him,

462

00:31:07,365 --> 00:31:10,827
but to take the lives of those
that man loved the most.

463

00:31:10,910 --> 00:31:13,288
-Mom.
-Mija, run! Run!

464
00:31:23,506 --> 00:31:24,883
Stay behind me.

465
00:31:45,403 --> 00:31:46,487
[panting]

466
00:31:49,490 --> 00:31:53,661
It's time we end the Ghoulie scourge,
and that traitor Penny Peabody.

467
00:31:53,745 --> 00:31:56,080
-Permanently.
-Sweet Pea, two hours ago,

468
00:31:56,164 --> 00:31:58,416
your fight was with Reggie Mantle.

469
00:31:58,499 --> 00:32:02,795
Now you want us to go to war over
territory we don't even control anymore?

470
00:32:02,879 --> 00:32:05,340
This is Hiram Lodge's problem, not ours.

471
00:32:05,423 --> 00:32:08,217
You're gonna hand over
Sunnyside Trailer Park

472
00:32:08,301 --> 00:32:11,888
-to Penny and the Ghoulies?
-Toni, I don't want us to die.

473
00:32:11,971 --> 00:32:14,807
A rumble with the Ghoulies?
It's a suicide-run.

474
00:32:14,891 --> 00:32:17,810
-Better than a coward's death.
-Don't call me a coward!

475
00:32:17,894 --> 00:32:19,395
[FP] That's enough!

476

00:32:21,356 --> 00:32:23,858
I just got a call
from the sheriff's office.

477

00:32:25,860 --> 00:32:26,736
Fangs, uh...

478

00:32:30,531 --> 00:32:32,367
He didn't make it. He's gone.

479

00:32:34,118 --> 00:32:35,453
Fangs is dead?

480

00:32:35,536 --> 00:32:39,540
And we will mourn him. We will.
But first, we will honor him.

481

00:32:40,792 --> 00:32:43,419
From what I just heard,
we need to put it to a vote.

482

00:32:45,004 --> 00:32:48,591
All those against going to war
with the Ghoulies?

483

00:32:51,010 --> 00:32:54,597
And all those for giving them hell
on the battlefield tomorrow?

484

00:33:14,742 --> 00:33:17,537
Well, Hal, I can't say I'm surprised.

485

00:33:18,121 --> 00:33:19,038
Mom.

486

00:33:19,122 --> 00:33:21,457
I always knew you were a mama's boy.

487

00:33:21,541 --> 00:33:23,459
-What did you say?
-You heard me.

488

00:33:23,543 --> 00:33:24,585
[Alice chuckles]

489

00:33:26,504 --> 00:33:30,842
I knew it. I knew you couldn't do anything
for yourself.

490
