

# RIVERDALE

**CREATED BY**

Roberto Aguirre-Sacasa

**EPISODE 3.05**

**"Chapter Forty: The Great Escape"**

Jughead rolls the dice on a new psychological theory, Archie makes a renegade plan, and Veronica recruits the gang for a high-stakes mission.

**WRITTEN BY:**

| Kyle Jaspersen    | ... | Loading Dock Guard |
| Matthew Mandzija  | ... | Bouncer            |

1

00:00:08,091 --> 00:00:09,884  
[narrator] Previously on Riverdale:

2

00:00:09,968 --> 00:00:11,886  
Welcome to the Pit. Give us a show.

3

00:00:11,970 --> 00:00:12,971  
Hit me.

4

00:00:13,388 --> 00:00:15,056  
[Veronica] Warden Norton  
is in your pocket.

5

00:00:15,140 --> 00:00:18,309  
Everyone is in your pocket,  
except for me and Archie.

6

00:00:18,393 --> 00:00:20,812  
Where's Mad Dog?  
Captain Golightly said he died.

7

00:00:20,895 --> 00:00:21,980  
What'd you do to him?

8

00:00:22,063 --> 00:00:24,983  
All three victims played  
the game Gryphons and Gargoyles.

9

00:00:25,066 --> 00:00:27,485  
You're admitting  
the game killed Dilton and Ben?

10

00:00:27,569 --> 00:00:29,779  
You've clearly played G&G before.

11

00:00:29,863 --> 00:00:32,782  
When you were my age,  
there was another suspicious death

12

00:00:32,866 --> 00:00:34,492  
where the corpse had blue lips.

13

00:00:34,576 --> 00:00:37,662  
-[Alice] One of us was a murderer.  
-[Betty] I saw a creature in the woods.

14

00:00:37,746 --> 00:00:40,498  
What if it's the same person  
from the Midnight Club?

15

00:00:40,582 --> 00:00:42,375  
Swear to me that you won't play it.

16

00:00:42,459 --> 00:00:44,544  
I want to be worthy, Ethel. Show me how.

17

00:00:44,627 --> 00:00:47,297  
-Welcome to your first game.  
-This game is pure evil.

18

00:00:47,380 --> 00:00:49,591  
That book is our best shot  
at figuring out what happened.

19

00:00:49,674 --> 00:00:51,301  
[Archie] We're gonna get out of here.

20

00:00:51,384 --> 00:00:53,261  
-We're escaping.  
-Count me in.

21

00:00:58,808 --> 00:01:01,686  
You are imprisoned  
in the Gargoyle King's fortress.

22

00:01:02,353 --> 00:01:05,231  
Trapped in pens, you live in fear,

23

00:01:05,315 --> 00:01:09,069  
never knowing when his Legion of Gargoyles  
will descend from the sky to feed.

24

00:01:09,611 --> 00:01:11,321  
But his guards are arrogant.

25

00:01:11,404 --> 00:01:14,324  
You've been able to observe  
and study their movements.

26

00:01:15,116 --> 00:01:16,618  
And you've planned an escape.

27

00:01:16,701 --> 00:01:19,746  
It's down. Baby Teeth got to the breaker,  
and cut the juice.

28

00:01:19,829 --> 00:01:20,830  
You're sure?

29

00:01:21,915 --> 00:01:23,291  
You're absolutely positive?

30

00:01:23,792 --> 00:01:26,419  
We can squeeze through those wires  
at the top corner.

31

00:01:26,503 --> 00:01:30,090  
But it won't be long before they notice  
and turn that fly-fryer back on.

32

00:01:30,298 --> 00:01:31,633  
It's now or never, Archie.

33

00:01:35,678 --> 00:01:38,473  
[Jughead]  
Roll the dice to decide your fate.

34

00:01:39,808 --> 00:01:40,809  
Let's do it.

35

00:01:45,480 --> 00:01:46,314  
Now.

36

00:01:50,401 --> 00:01:51,402  
[whistle blowing]

37  
00:01:51,486 --> 00:01:52,570  
[Jughead] Remember...

38  
00:01:53,238 --> 00:01:54,114  
It's only a game.

39  
00:01:55,281 --> 00:01:56,699  
It's not life or death.

40  
00:01:58,034 --> 00:01:58,868  
They wouldn't.

41  
00:01:59,994 --> 00:02:01,663  
[Jughead] Unless, of course, it is.

42  
00:02:05,792 --> 00:02:06,793  
[grunting]

43  
00:02:21,808 --> 00:02:23,768  
Your mission was unsuccessful.  
Everyone dies.

44  
00:02:23,852 --> 00:02:24,727  
[all sigh]

45  
00:02:24,811 --> 00:02:28,606  
Jug, you won't believe  
the story my mom told me last night.

46  
00:02:30,942 --> 00:02:33,444  
Jug, what are you doing?

47  
00:02:34,487 --> 00:02:38,575  
Betty, it's all making sense.  
All of this is becoming clear.

48  
00:02:38,950 --> 00:02:40,994  
The game. The Gargoyle King.

49  
00:02:41,077 --> 00:02:44,205  
I'm on Level Three.

It's only a matter of time until I ascend.

50

00:02:44,706 --> 00:02:45,832  
And I get to meet him.

51

00:02:47,625 --> 00:02:48,626  
You've confirmed?

52

00:02:49,294 --> 00:02:51,671  
So, my dad played G&G in high school, huh?

53

00:02:51,754 --> 00:02:53,089  
Of course. It makes sense.

54

00:02:53,173 --> 00:02:56,467  
All of our parents did,  
and they swore each other to secrecy.

55

00:02:56,551 --> 00:02:58,469  
But, Jug, while they were playing,

56

00:02:58,553 --> 00:03:01,264  
one of them killed  
their principal back then,

57

00:03:01,347 --> 00:03:04,559  
Felix Featherhead,  
either accidentally or on purpose,

58

00:03:04,642 --> 00:03:06,603  
but he had blue lips,

59

00:03:07,145 --> 00:03:08,479  
just like Ben and Dilton.

60

00:03:08,563 --> 00:03:11,524  
Which is why all of this has to stop.

61

00:03:11,608 --> 00:03:13,860  
Betty, the fact our parents played G&G

62

00:03:13,943 --> 00:03:16,112  
just corroborates  
what I've come to believe.

63

00:03:16,779 --> 00:03:20,909  
That we have been playing this game  
for a lot longer than we know.

64

00:03:20,992 --> 00:03:22,160  
And off-board.

65

00:03:22,243 --> 00:03:24,120  
Think about it. The Hot Dog rescue.

66

00:03:24,204 --> 00:03:25,580  
What was it if not a quest?

67

00:03:25,997 --> 00:03:27,624  
The Serpents, the Ghoulies.

68

00:03:27,707 --> 00:03:31,961  
What are they if not warring tribes?  
Might as well call us orcs and goblins.

69

00:03:32,045 --> 00:03:33,463  
You're not making any sense.

70

00:03:33,546 --> 00:03:35,965  
And you're also not listening  
to what I'm saying.

71

00:03:36,049 --> 00:03:37,967  
We have nine suspects

72

00:03:38,051 --> 00:03:41,221  
that are all real, tangible leads.

73

00:03:41,304 --> 00:03:44,599  
One of our parents could be a murderer.  
Let's go investigate them.

74

00:03:44,682 --> 00:03:46,142

You're not seeing the big picture.

75

00:03:47,143 --> 00:03:50,271  
Eldervair,  
the realm of Gryphons and Gargoyles,

76

00:03:50,355 --> 00:03:52,232  
is an anagram for "Riverdale."

77

00:03:52,690 --> 00:03:55,109  
The whole game is an analog for Riverdale.

78

00:03:55,193 --> 00:03:59,197  
The game only exists in Riverdale.  
That's why we couldn't find it on the Web.

79

00:03:59,280 --> 00:04:01,407  
Okay, well, that is a weird coincidence.

80

00:04:01,491 --> 00:04:03,826  
It's not a coincidence.  
It's all connected.

81

00:04:03,910 --> 00:04:08,206  
It's all one big narrative,  
that's still being written and played.

82

00:04:08,289 --> 00:04:11,042  
You need to calm down, Jug.  
Who's telling you this?

83

00:04:11,125 --> 00:04:14,545  
The game. The more I play,  
the more familiar I become with Eldervair,

84

00:04:14,629 --> 00:04:16,965  
and its rules.  
The more I see the patterns.

85

00:04:17,048 --> 00:04:18,841  
The more I understand him or her.

86

00:04:19,509 --> 00:04:21,261  
And how we'll catch The Gargoyle King.

87

00:04:21,344 --> 00:04:23,930  
This game is their psychology.  
Their imagination.

88

00:04:24,013 --> 00:04:25,223  
How they view Riverdale.

89

00:04:25,306 --> 00:04:28,184  
My mom was right.  
This game messes with your head.

90

00:04:28,268 --> 00:04:30,687  
No. This is the clarity I needed.  
It's the truth.

91

00:04:31,312 --> 00:04:34,232  
G&G's myths, they're our stories.  
Our parents' stories.

92

00:04:34,315 --> 00:04:37,610  
It's simple logic, Betty.  
How do you catch a game master?

93

00:04:39,237 --> 00:04:40,905  
Become a game master yourself.

94

00:04:41,281 --> 00:04:42,407  
That's what I'm doing.

95

00:04:42,490 --> 00:04:45,868  
And in the end,  
when I prove that I'm at his level...

96

00:04:47,704 --> 00:04:49,330  
I'll come face-to-face with him.

97

00:04:49,872 --> 00:04:50,707  
Fine.

98

00:04:51,749 --> 00:04:53,793  
Fine. As long as you're

99

00:04:53,876 --> 00:04:56,546  
safe down here,  
that's one less thing to worry about.

100

00:04:56,629 --> 00:04:58,131  
So, you-- You keep playing.

101

00:04:59,007 --> 00:05:02,218  
I'm gonna go figure this out,  
starting with our nine suspects.

102

00:05:10,643 --> 00:05:13,021  
Go on a run with me  
one of these mornings, mija.

103

00:05:14,147 --> 00:05:15,606  
Nothing's more invigorating.

104

00:05:19,485 --> 00:05:23,489  
By the way, did you hear what happened  
at Leopold and Loeb?

105

00:05:25,825 --> 00:05:28,661  
Apparently some inmates tried to escape.

106

00:05:29,245 --> 00:05:33,458  
I hear the ringleader was,  
once again, Archie Andrews.

107

00:05:35,209 --> 00:05:37,337  
But no worries.  
The guards caught them all.

108

00:05:37,795 --> 00:05:40,798  
After shooting them with rubber bullets.  
They'll be punished.

109

00:05:41,674 --> 00:05:43,634  
Might add a year to Archie's sentence.

110  
00:05:44,177 --> 00:05:45,595  
[Hiram chuckles]

111  
00:05:49,474 --> 00:05:52,769  
My friend, Warden Norton,  
runs an awfully tight ship.

112  
00:05:53,770 --> 00:05:55,980  
I know you're trying  
to set me off right now,

113  
00:05:56,189 --> 00:05:57,148  
but it won't work.

114  
00:05:58,274 --> 00:06:00,234  
I'm getting Archie out,  
one way or the other.

115  
00:06:01,277 --> 00:06:03,780  
And then you'll be the one rotting away,

116  
00:06:04,072 --> 00:06:06,324  
in the very prison  
your blood money has built.

117  
00:06:15,833 --> 00:06:16,667  
Yes.

118  
00:06:17,794 --> 00:06:19,128  
Warden Norton, please.

119  
00:06:22,215 --> 00:06:23,216  
Are you comfortable?

120  
00:06:23,883 --> 00:06:26,719  
The idea to escape was all mine.  
I told them to do it.

121  
00:06:26,803 --> 00:06:28,304  
Why am I not surprised?

122

00:06:33,518 --> 00:06:34,519  
Whoa, whoa, whoa.

123  
00:06:36,145 --> 00:06:37,188  
What are you doing?

124  
00:06:38,606 --> 00:06:40,066  
Let this serve as a reminder.

125  
00:06:41,567 --> 00:06:43,069  
You can't fight your destiny.

126  
00:06:44,153 --> 00:06:45,613  
No, please. No, don't.

127  
00:06:45,696 --> 00:06:46,989  
[skin sizzling]

128  
00:06:47,281 --> 00:06:48,199  
[screams]

129  
00:06:49,784 --> 00:06:50,993  
[school bell ringing]

130  
00:06:51,702 --> 00:06:54,539  
Hold up. You're telling me that my mother

131  
00:06:54,622 --> 00:07:00,086  
was a rule-breaking,  
anti-apartheid activist in high school?

132  
00:07:00,378 --> 00:07:02,755  
And that she and my dad  
were together back then?

133  
00:07:04,006 --> 00:07:05,007  
I don't buy it.

134  
00:07:05,758 --> 00:07:08,761  
There's no way my old man hung out  
and did, like, cosplay

135

00:07:08,845 --> 00:07:10,471  
with a group of lame-ass nerds.

136

00:07:11,097 --> 00:07:12,598  
Okay, it's true, Reggie.

137

00:07:12,682 --> 00:07:16,185  
And you want us to find out what, exactly?

138

00:07:17,687 --> 00:07:21,023  
My suspicion is that  
whoever was running the game back then

139

00:07:21,107 --> 00:07:24,485  
is running it now,  
which is why we need to stop them

140

00:07:24,569 --> 00:07:26,904  
-before things get any worse.  
-What are you saying?

141

00:07:26,988 --> 00:07:31,367  
One of our parents might be responsible  
for what happened to Dilton and Ben?

142

00:07:31,451 --> 00:07:32,326  
Maybe.

143

00:07:32,410 --> 00:07:35,496  
You can't tell them  
that you know about their Midnight Club.

144

00:07:35,580 --> 00:07:39,167  
You have to be careful and subtle  
when you ask them what they know.

145

00:07:42,545 --> 00:07:45,214  
[Elio] The speakeasy is impressive,  
Veronica.

146

I'm supposed to put this  
with the other refreshments.

471

00:25:09,174 --> 00:25:10,800  
If you don't mind, I can run this inside.

472

00:25:22,812 --> 00:25:23,855  
I think it's starting.

473

00:25:27,943 --> 00:25:29,945  
[Jughead] We're entering the lion's den.

474

00:25:30,362 --> 00:25:32,489  
The Paladin is being marched in,

475

00:25:33,448 --> 00:25:34,449  
to meet his doom.

476

00:25:35,242 --> 00:25:36,368  
For he must face...

477

00:25:38,286 --> 00:25:39,829  
a resurrected hellhound.

478

00:25:48,547 --> 00:25:49,422  
[bell rings]

479

00:25:52,133 --> 00:25:54,844  
Mad Dog. Thought you were dead.  
Where have you been?

480

00:25:56,346 --> 00:25:57,639  
It's me, Archie.

481

00:25:58,848 --> 00:26:00,308  
[grunting and shouting]

482

00:26:26,459 --> 00:26:27,544  
Care for a drink?

483

00:26:29,671 --> 00:26:32,716  
I just overheard some guards  
betting heavily against Archie.

484

00:26:33,967 --> 00:26:35,010  
They say he's going down.

485

00:26:36,094 --> 00:26:38,305  
That other guy's huge.  
I'm not sure Archie's got long.

486

00:26:39,764 --> 00:26:40,640  
[grunts]

487

00:26:41,141 --> 00:26:41,975  
Okay.

488

00:26:43,518 --> 00:26:45,395  
Get in position. Wait for my signal.

489

00:26:54,362 --> 00:26:56,489  
[Jughead] You've arrived  
at the Mad Emperor's tunnel.

490

00:26:56,573 --> 00:26:57,741  
You've found the entrance.

491

00:26:58,158 --> 00:27:02,120  
But the Mad Emperor has placed  
a Bano protection spell on the barrier.

492

00:27:02,203 --> 00:27:03,663  
Well, that is super annoying.

493

00:27:08,835 --> 00:27:09,794  
Joaquin?

494

00:27:11,004 --> 00:27:12,589

Kevin, what are you doing here?

495

00:27:12,672 --> 00:27:15,008

Breaking Archie out.

What are you doing here?

496

00:27:16,843 --> 00:27:19,763

It doesn't matter,  
and it's too late for Archie.

497

00:27:20,639 --> 00:27:22,807

Where are you going? Back to the Serpents?

498

00:27:23,350 --> 00:27:25,477

No, no, no. I joined a different gang.

499

00:27:25,560 --> 00:27:27,395

-Who?

-You don't want to know, Kevin.

500

00:27:27,562 --> 00:27:30,065

Just leave.

You've gotta get out of here right now.

501

00:27:31,149 --> 00:27:32,400

-Wait--

-Go. Go.

502

00:27:32,484 --> 00:27:33,485

Wait, Joaquin.

503

00:27:38,907 --> 00:27:39,908

Come on, hit me.

504

00:27:40,283 --> 00:27:41,242

Right here, do it.

505

00:27:47,290 --> 00:27:49,626

I'm not fighting you. You're not my enemy.

506

00:27:50,043 --> 00:27:51,127

But listen to me.

507

00:27:51,211 --> 00:27:52,420  
There's a plan in place.

508

00:27:52,504 --> 00:27:54,464  
My girl is gonna cause a commotion.

509

00:27:54,547 --> 00:27:57,175  
I'll make a break  
for the drain underneath the ring.

510

00:27:57,258 --> 00:27:58,134  
Come with me.

511

00:28:04,516 --> 00:28:05,975  
You'll never make it.

512

00:28:06,559 --> 00:28:08,019  
Not after getting shivved.

513

00:28:08,978 --> 00:28:10,188  
Yes, I can.

514

00:28:11,815 --> 00:28:12,941  
You need a head start.

515

00:28:16,486 --> 00:28:18,655  
Deadeye Blossom. You're up.

516

00:28:18,738 --> 00:28:19,781  
Betty, thank God.

517

00:28:19,864 --> 00:28:23,576  
-Kev, why isn't the grate open?  
-There's a lock we didn't know about.

518

00:28:24,452 --> 00:28:26,621  
But look. Joaquin was just here.

519

00:28:27,414 --> 00:28:29,791  
-I have to go after him.

-Well, I got this,

520

00:28:29,874 --> 00:28:32,335  
but you can't go after Joaquin.  
What about Archie?

521

00:28:32,419 --> 00:28:33,628  
I'll be back. I promise.

522

00:28:34,921 --> 00:28:36,589  
[Cheryl] What is it, game master?

523

00:28:36,965 --> 00:28:38,007  
It's a curveball.

524

00:28:41,010 --> 00:28:44,097  
You're about to come face-to-face  
with the Dark Dragon.

525

00:28:44,431 --> 00:28:47,475  
The most evil-tempered,  
vile creature in the land.

526

00:28:47,934 --> 00:28:50,228  
With forked tongue,  
and snarling black slime,

527

00:28:50,311 --> 00:28:51,938  
it reeks of rotting flesh.

528

00:28:52,021 --> 00:28:54,023  
Veronica, what are you doing here?

529

00:28:55,567 --> 00:28:59,279  
I could ask you the same, Daddy.  
But I bet my answer is better than yours.

530

00:28:59,362 --> 00:29:02,574  
Whatever scheme you've cooked up,  
it ends right now.

531

00:29:03,658 --> 00:29:04,909

Sorry, Daddykins.

532

00:29:05,910 --> 00:29:08,371  
This is gonna hurt you a lot more  
than it will me.

533

00:29:09,581 --> 00:29:10,582  
Ow!

534

00:29:10,707 --> 00:29:11,708  
Well played.

535

00:29:11,791 --> 00:29:14,419  
You've impaled the dragon  
with your concealed dagger.

536

00:29:33,313 --> 00:29:34,355  
Let's go. Come on.

537

00:29:35,815 --> 00:29:37,025  
I won't get through the grate.

538

00:29:37,942 --> 00:29:40,653  
I tried. But you go.  
I'll hold off the guards.

539

00:29:40,737 --> 00:29:42,280  
-Yeah, but you--  
-Just go, Red!

540

00:29:42,363 --> 00:29:43,364  
Don't look back.

541

00:29:51,623 --> 00:29:53,458  
Warden, he's getting away.

542

00:29:53,541 --> 00:29:55,043  
Guards. Stop him!

543

00:29:55,126 --> 00:29:56,127  
[whistle blows]

544  
00:30:06,179 --> 00:30:08,056  
[thudding and grunting]

545  
00:30:21,986 --> 00:30:23,321  
Find him.

546  
00:30:26,199 --> 00:30:28,076  
You know where that pipe leads?

547  
00:30:31,329 --> 00:30:34,999  
Find him right now!

548  
00:30:39,629 --> 00:30:40,463  
Archie.

549  
00:30:41,339 --> 00:30:42,715  
[panting]

550  
00:30:53,101 --> 00:30:54,519  
-Betty.  
-Hi.

551  
00:30:55,019 --> 00:30:57,772  
-What took you so long?  
-I could ask you the same thing.

552  
00:30:57,856 --> 00:30:59,107  
Are these clothes for me?

553  
00:30:59,274 --> 00:31:00,275  
Oh, my God.

554  
00:31:01,276 --> 00:31:02,277  
You're bleeding.

555  
00:31:03,987 --> 00:31:05,238  
Here. Put pressure on it.

556  
00:31:05,697 --> 00:31:06,698  
Here, come here.

557

00:31:09,409 --> 00:31:11,035  
[Jughead] You freed the Paladin,

558

00:31:11,119 --> 00:31:12,912  
but you're not clear  
of the Mad Emperor yet.

559

00:31:13,037 --> 00:31:14,497  
[engine sputtering]

560

00:31:23,214 --> 00:31:25,633  
What the hell are you waiting for?  
Go after them!

561

00:31:25,842 --> 00:31:28,678  
In fact, the Emperor sends  
a ruthless cavalry in pursuit.

562

00:31:29,095 --> 00:31:32,348  
Your noble steed is no match  
for the cavalry's mighty stallions.

563

00:31:32,974 --> 00:31:34,601  
Do you continue on your path?

564

00:31:35,435 --> 00:31:37,395  
Or do you surrender and beg for mercy?

565

00:31:37,478 --> 00:31:38,563  
-Keep going.  
-Never give up.

566

00:31:38,646 --> 00:31:40,481  
-Go. Go.  
-Keep going.

567

00:31:40,565 --> 00:31:42,358  
You lean forward in your saddle,

568

00:31:42,442 --> 00:31:44,569  
urging your horse to fly.

569

00:31:44,694 --> 00:31:47,238  
On all sides,  
the forest becomes a blur of green.

570

00:31:48,031 --> 00:31:49,449  
But a quick peek back...

571

00:31:49,824 --> 00:31:53,620  
reveals the Emperors nightmares  
galloping at supernatural speed.

572

00:31:53,703 --> 00:31:56,873  
It's like hell itself is chasing you,  
and it's gaining ground.

573

00:31:57,248 --> 00:31:58,333  
One loose rock,

574

00:31:59,208 --> 00:32:02,587  
one cursed root would send you toppling  
at this lethal speed.

575

00:32:02,837 --> 00:32:05,089  
But you force those thoughts  
out of your mind.

576

00:32:05,924 --> 00:32:08,509  
You feel the battle fury  
of your forefathers

577

00:32:09,052 --> 00:32:10,386  
rise within you.

578

00:32:10,470 --> 00:32:13,306  
An inextinguishable fire,  
pulsing through your veins.

579

00:32:13,932 --> 00:32:16,309  
You are the light,  
outrunning the darkness.

580

00:32:16,851 --> 00:32:18,645

[guard] Go around. He's on the other side.

581

00:32:18,728 --> 00:32:20,104

[Jughead] You will escape.

582

00:32:20,188 --> 00:32:22,190

You will be victorious.

583

00:32:22,941 --> 00:32:23,942

But then...

584

00:32:24,025 --> 00:32:25,944

you're barreling towards the edge  
of a cliff.

585

00:32:26,027 --> 00:32:26,861

You must stop.

586

00:32:35,745 --> 00:32:37,413

What can we do for you, fellas?

587

00:32:37,664 --> 00:32:38,498

[Jughead] Bravo.

588

00:32:38,998 --> 00:32:40,750

Your deception gambit has paid off.

589

00:32:41,250 --> 00:32:42,835

You've outsmarted the Emperor's cavalry.

590

00:32:42,919 --> 00:32:43,920

Yeah!

591

00:32:44,671 --> 00:32:45,546

Yes!

592

00:32:50,343 --> 00:32:51,719

[police sirens wailing]

593

00:33:11,781 --> 00:33:12,865

Game master.

594

00:33:13,616 --> 00:33:15,326  
Um, hello? What happened?

595

00:33:15,660 --> 00:33:17,078  
Did we save the Red Paladin?

596

00:33:18,287 --> 00:33:20,957  
I don't know.  
I made a last-minute change to the quest.

597

00:33:21,040 --> 00:33:24,210  
I was hoping to have the ending  
or answer when we got this far.

598

00:33:24,293 --> 00:33:27,547  
-What do you mean, you don't know?  
-Where is the Red Paladin?

599

00:33:28,006 --> 00:33:29,215  
Where is he?

600

00:33:30,049 --> 00:33:31,759  
Where is the Red Paladin?

601

00:33:33,720 --> 00:33:35,680  
I don't know what you're talking about.

602

00:33:35,763 --> 00:33:37,181  
Let him go, Warden Norton.

603

00:33:39,058 --> 00:33:40,977  
Let him go, or I'll mace you.

604

00:33:46,274 --> 00:33:47,108  
Fall back.

605

00:33:48,317 --> 00:33:49,777  
Everyone, back to the center.

606

00:33:59,412 --> 00:34:00,955

Is it over? Did he die?

607

00:34:01,831 --> 00:34:02,999  
[banging nearby]

608

00:34:08,546 --> 00:34:09,422  
[banging continues]

609

00:34:16,637 --> 00:34:18,056  
[groans, then panting]

610

00:34:34,697 --> 00:34:37,533  
There. You are all patched up.

611

00:34:38,076 --> 00:34:39,702  
Don't make any sudden movements.

612

00:34:40,244 --> 00:34:41,454  
I won't. Thanks, Toni.

613

00:34:49,295 --> 00:34:50,713  
Who did that to you, Archie?

614

00:34:51,547 --> 00:34:53,341  
It was Joaquin. He stabbed me.

615

00:34:54,300 --> 00:34:56,010  
I think the warden made him do it.

616

00:35:01,849 --> 00:35:03,184  
Guys, where the hell am I?

617

00:35:04,185 --> 00:35:05,478  
In Dilton Doiley's bunker.

618

00:35:05,561 --> 00:35:08,064  
[Betty] The only people  
who know it exists are in this room.

619

00:35:08,147 --> 00:35:11,067  
Now it's the safest place

in Riverdale for you, I promise.

620

00:35:11,442 --> 00:35:12,819  
Dilton Doiley has a bunker?

621

00:35:15,029 --> 00:35:17,657  
We'll catch you up to speed  
once you're rested, okay?

622

00:35:20,827 --> 00:35:21,953  
Archie?

623

00:35:24,831 --> 00:35:26,124  
What is that on your hip?

624

00:35:27,959 --> 00:35:29,335  
Courtesy of Warden Norton.

625

00:35:30,586 --> 00:35:34,173  
To put me in my place,  
after I tried to escape the first time.

626

00:35:34,257 --> 00:35:36,509  
The warden branded you,  
and ordered Joaquin to stab you?

627

00:35:38,803 --> 00:35:39,679  
Jug.

628

00:35:45,184 --> 00:35:46,811  
Can I have everyone's attention?

629

00:35:51,107 --> 00:35:53,317  
Since my father saw me,

630

00:35:53,401 --> 00:35:55,945  
I need to do some damage control  
on the home front.

631

00:35:56,028 --> 00:35:59,365  
But someone needs to stay with Archie,  
at all times.

632

00:35:59,448 --> 00:36:01,367  
Ronnie, I don't need anyone--

633

00:36:01,450 --> 00:36:02,743  
Yes. You do.

634

00:36:02,827 --> 00:36:05,663  
You go ahead, V.  
Jughead and I will take the first shift.

635

00:36:05,746 --> 00:36:06,664  
Excellent.

636

00:36:07,999 --> 00:36:09,959  
Now, equally important...

637

00:36:10,501 --> 00:36:14,297  
everyone in this room is part of a pact.

638

00:36:14,881 --> 00:36:15,923  
From this moment on,

639

00:36:16,382 --> 00:36:18,509  
no one knows where this bunker is.

640

00:36:19,510 --> 00:36:22,346  
No one was involved with that breakout.

641

00:36:23,556 --> 00:36:26,601  
And no one is aware  
of Archie's whereabouts.

642

00:36:29,061 --> 00:36:29,937  
To the grave.

643

00:36:31,856 --> 00:36:32,690  
Capiche?

644

00:36:41,282 --> 00:36:42,783  
Are you out of your mind, Hiram?

645

00:36:42,867 --> 00:36:45,494  
Archie escaped  
from an underground fight club?

646

00:36:45,953 --> 00:36:47,121  
That you knew about?

647

00:36:47,205 --> 00:36:49,248  
I am being hounded by social workers.

648

00:36:49,332 --> 00:36:51,709  
The Innocence Project  
is breathing down my neck.

649

00:36:51,792 --> 00:36:54,837  
I mean, for God's sake,  
I took donations from Warden Norton.

650

00:36:54,921 --> 00:36:57,423  
Stop yelling.  
We can get ahead of it. Contain it.

651

00:36:58,883 --> 00:37:00,218  
Oh, and finally.

652

00:37:01,344 --> 00:37:02,220  
She arrives.

653

00:37:02,303 --> 00:37:04,555  
Do you have any idea the mess you've made?

654

00:37:05,264 --> 00:37:07,225  
Me? What about your husband?

655

00:37:07,934 --> 00:37:08,851  
[scoffs]

656

00:37:08,935 --> 00:37:09,977  
[speaking in Spanish]

657

00:37:10,061 --> 00:37:11,938  
You two are unbelievable.

658

00:37:12,313 --> 00:37:17,276  
This obsession that you both have with  
Archie Andrews is going to destroy us.

659

00:37:22,073 --> 00:37:23,616  
Where the hell are you going?

660

00:37:23,699 --> 00:37:26,118  
To try and contain the mess  
that you and your daughter made.

661

00:37:28,663 --> 00:37:30,289  
[door opens, then closes]

662

00:37:33,584 --> 00:37:35,461  
I tried to find him, but it was no use.

663

00:37:35,544 --> 00:37:37,672  
-I had to double back, and be the decoy.  
-Oh, tsk, tsk.

664

00:37:42,051 --> 00:37:43,594  
-Thanks, Pop.  
-[Pop] You're welcome.

665

00:37:45,388 --> 00:37:46,430  
He's out there.

666

00:37:47,306 --> 00:37:48,849  
Joaquin is out there.

667

00:37:51,644 --> 00:37:54,647  
-I can't believe we pulled off the escape.  
-Shh.

668

00:37:54,730 --> 00:37:57,024  
Sorry. My bad.

669

00:37:57,108 --> 00:37:58,567

It's a secret.

670

00:37:58,651 --> 00:37:59,527  
[Josie] Yeah.

671

00:38:01,195 --> 00:38:02,154  
Speaking of...

672

00:38:03,322 --> 00:38:05,032  
Are we gonna do this or not?

673

00:38:10,037 --> 00:38:11,038  
I don't know, guys.

674

00:38:11,122 --> 00:38:12,248  
Come on, Josie.

675

00:38:12,331 --> 00:38:16,210  
Don't you want to find out  
what our parents and Betty won't tell us?

676

00:38:21,882 --> 00:38:23,217  
I want to know the truth.

677

00:38:23,968 --> 00:38:24,885  
Wherever it leads.

678

00:38:29,640 --> 00:38:33,477  
[man on radio] We interrupt our top-ten  
countdown with an important news bulletin.

679

00:38:33,602 --> 00:38:36,063  
Convicted murderer Archibald Andrews  
has escaped

680

00:38:36,147 --> 00:38:38,733  
from the Leopold and Loeb  
Juvenile Detention Center.

681

00:38:39,025 --> 00:38:40,443  
He is extremely dangerous.

682

00:38:40,526 --> 00:38:42,486  
The public is advised to remain indoors

683

00:38:42,945 --> 00:38:44,655  
and to report suspicious activity.

684

00:38:45,114 --> 00:38:48,326  
It is believed he will seek refuge  
in his hometown of Riverdale.

685

00:38:50,911 --> 00:38:52,246  
He's finally asleep.

686

00:38:52,788 --> 00:38:56,375  
-Jug, his burn mark.  
-You mean his brand.

687

00:38:57,585 --> 00:39:00,296  
Looks like a runic symbol  
from Gryphons and Gargoyles.

688

00:39:00,796 --> 00:39:01,714  
[sighs]

689

00:39:01,797 --> 00:39:06,302  
-He said the warden gave it to him.  
-The warden called Archie a Red Paladin.

690

00:39:06,385 --> 00:39:09,722  
Does that mean the warden is playing G&G?

691

00:39:09,805 --> 00:39:11,390  
See? This is what I'm saying.

692

00:39:11,474 --> 00:39:14,226  
This game is so much bigger  
than a couple kids playing.

693

00:39:15,269 --> 00:39:17,688  
What if Warden Norton  
is The Gargoyle King?

694

00:39:18,314 --> 00:39:19,148  
Jug.

695

00:39:20,775 --> 00:39:22,234  
Before we dive back in...

696

00:39:23,194 --> 00:39:26,113  
I think you should go home  
and get some rest.

697

00:39:26,489 --> 00:39:28,657  
How long has it been since you've slept?

698

00:39:30,576 --> 00:39:32,453  
Just get a couple hours at least.

699

00:39:33,871 --> 00:39:35,164  
I'll take this watch.

700

00:39:44,340 --> 00:39:45,508  
Sleep well, Paladin.

701

00:39:47,676 --> 00:39:50,262  
I have a bad feeling  
your trials are only beginning.

702

00:40:07,571 --> 00:40:08,697  
[knock on door]

703

00:40:09,740 --> 00:40:11,826  
Sir? Mayor Lodge is here.

704

00:40:12,576 --> 00:40:13,869  
She'd like to have a word.

705

00:40:16,038 --> 00:40:17,415  
Tell her I'll be right out.

706

00:40:20,876 --> 00:40:22,044  
[Jughead] In the end...

707

00:40:22,878 --> 00:40:24,505  
why did Warden Norton do it?

708

00:40:25,631 --> 00:40:28,050  
Was he afraid of retribution  
from the authorities

709

00:40:28,134 --> 00:40:29,552  
for his illegal activities?

710

00:40:30,678 --> 00:40:33,097  
Or was it that the game of G&G  
he'd been playing

711

00:40:33,389 --> 00:40:34,390  
was finally over?

712

00:40:36,559 --> 00:40:39,311  
And the Gargoyle King  
was calling him home to ascend.

713

00:40:40,980 --> 00:40:43,399  
Either way, the result was the same.

714

00:40:44,233 --> 00:40:45,860  
Death by cyanide poisoning.

715

00:41:14,138 --> 00:41:15,264  
[gasping]

716

00:41:31,447 --> 00:41:32,448  
[branches crack]

717

00:41:32,531 --> 00:41:33,866  
[growling]
