Shannon Purser	...	Ethel Muggs
Alvin Sanders	...	Pop Tate
Yasmeene Ball	...	Daisy
Nancy Amelia Bell	...	Old Lady Willa
Brad Bergeron	...	Bartender
Beverley Breuer	...	Sister Woodhouse
Jesse Goldwater	...	Dealer
Julian Haig	...	Elio
Camille Legg	...	Happy Patient
Ellen MacNevin	...	Young Female Patient
Angela Moore	...	Sister Agnes
Wylie Stiver	...	Gracie Lake (as Wylie-Jane Stiver)
Ava Telek	...	Pearl
Milli Wilkinson	...	Tiffany

1

00:00:08,258 --> 00:00:11,344
-[narrator] Previously on Riverdale:
-So, my dad played G & G in high school.

2

00:00:11,428 --> 00:00:12,804
[Betty] All of our parents did.

3

00:00:13,930 --> 00:00:15,348
-What's that, Hiram?
-Fizzle Rocks.

4

00:00:16,808 --> 00:00:20,061
This house is no longer safe.
They'll watch over you now.

5

00:00:20,145 --> 00:00:21,396
Mom, are you out of your mind?

6

00:00:21,479 --> 00:00:23,898
[Woodhouse] You're safe
with the Sisters of Quiet Mercy.

7

00:00:25,191 --> 00:00:28,695
Framing Archie for murder,
conspiring to keep him locked away.

8

00:00:28,778 --> 00:00:31,156
An old-fashioned prison break
might be your best option.

9

00:00:32,073 --> 00:00:33,908
[Jughead]
You're breaking Archie out of juvie?

10

00:00:34,409 --> 00:00:37,162
[Minetta] Ten thousand apiece.
You say that you saw Archie Andrews

11

00:00:37,579 --> 00:00:39,080
kill your friend Cassidy Bullock.

12

00:00:39,164 --> 00:00:41,916

Your henchman, Minetta, is going down.

13

00:00:42,000 --> 00:00:46,046

If you added slots, table games,
you'd have quite the little gold mine.

14

00:00:46,129 --> 00:00:49,257

[Archie] Hiram Lodge has done everything
in his power to destroy me.

15

00:00:49,340 --> 00:00:50,884

I can't go back to Riverdale.

16

00:00:50,967 --> 00:00:53,553

-I'm not letting you go off alone.
-I'm not alone.

17

00:00:53,636 --> 00:00:55,430

Leaving is my best option, Jug.

18

00:00:58,683 --> 00:01:00,143

[train horn blaring]

19

00:01:02,854 --> 00:01:05,273

[Jughead] The two young men
had been walking for days.

20

00:01:06,441 --> 00:01:07,525

Looking at them...

21

00:01:08,068 --> 00:01:09,861

you might think they were brothers.

22

00:01:10,028 --> 00:01:11,821

And in a way, they were.

23

00:01:13,782 --> 00:01:14,949

Brothers fearful...

24

00:01:15,533 --> 00:01:19,037

that Hiram Lodge might catch up to them.

25

00:01:22,123 --> 00:01:24,584
[Betty on recording]
Hi, this is Betty. Leave a message.

26

00:01:24,667 --> 00:01:26,294
[Jughead] Hey. Betty, it's me.

27

00:01:26,878 --> 00:01:28,171
Just trying you again.

28

00:01:29,255 --> 00:01:30,340
Hoping you're okay.

29

00:01:30,423 --> 00:01:34,010
We're looking for a place to settle down.
I'll let you know when we do. Okay.

30

00:01:34,094 --> 00:01:35,595
Uh... I love you.

31

00:01:36,513 --> 00:01:37,347
Bye.

32

00:01:38,389 --> 00:01:39,390
Still no answer?

33

00:01:42,727 --> 00:01:44,562
Look, Jug, maybe you should go back.

34

00:01:45,939 --> 00:01:46,815
I'm fine.

35

00:01:48,191 --> 00:01:50,110
Really, dude, I'm gonna be fine.

36

00:01:50,193 --> 00:01:53,488
Archie, no offense, but Betty
took down a serial killer last year.

37

00:01:54,114 --> 00:01:56,533
You can't go five minutes

without being kidnapped

38

00:01:56,616 --> 00:01:58,243
or getting the crap kicked out of you.

39

00:01:58,326 --> 00:02:00,662
That was before you were marked for death
by Hiram Lodge.

40

00:02:01,287 --> 00:02:03,915
[Archie] It would be nice to stop looking
over my shoulder.

41

00:02:03,998 --> 00:02:06,501
-Just find somewhere to settle, you know?
-We will.

42

00:02:07,502 --> 00:02:10,255
When we find the right place,
we'll know. We'll feel it.

43

00:02:11,172 --> 00:02:12,632
Or maybe we're already there.

44

00:02:19,347 --> 00:02:21,516
Nice try. Let's go a couple more miles
before nightfall.

45

00:02:21,599 --> 00:02:23,643
Come on. Jug, we gotta bunk somewhere.

46

00:02:43,037 --> 00:02:44,038
[gun cocks]

47

00:02:45,039 --> 00:02:46,374
[girl] You're trespassing.

48

00:02:46,791 --> 00:02:49,669
Now let's see you do a little turn,
nice and slow.

49

00:03:05,143 --> 00:03:06,311

Who are you?

50

00:03:06,936 --> 00:03:08,479
I'm Cal. This is Biff.

51

00:03:09,230 --> 00:03:10,231
From Centerville.

52

00:03:12,901 --> 00:03:13,943
I don't like liars.

53

00:03:14,527 --> 00:03:15,528
Shoot them, Gracie.

54

00:03:15,612 --> 00:03:16,696
Wait. Wait.

55

00:03:16,779 --> 00:03:18,198
We got robbed on a train.

56

00:03:18,281 --> 00:03:21,242
They took all our money.
We've been walking for days. Just--

57

00:03:21,826 --> 00:03:24,454
We need some food and water,
and we'll be on our way.

58

00:03:25,246 --> 00:03:26,331
Put the rifle down.

59

00:03:26,706 --> 00:03:28,374
-I don't trust them.
-Do as I say.

60

00:03:32,837 --> 00:03:34,464
I'm Laurie Lake. This is Gracie.

61

00:03:36,257 --> 00:03:37,383
You boys like stew?

62

00:03:47,018 --> 00:03:48,144
Where's everyone else?

63

00:03:51,314 --> 00:03:52,315
I only meant...

64

00:03:52,982 --> 00:03:55,401
A farm this size, I thought there'd
be more people working it.

65

00:03:55,485 --> 00:03:58,780
A lot of the men in town are at a job,
down the river.

66

00:03:58,863 --> 00:04:02,367
Our father and our brother went with them.
They come back now and then.

67

00:04:03,785 --> 00:04:05,203
You have somewhere to stay?

68

00:04:05,286 --> 00:04:06,496
-We're good.
-[Archie] No.

69

00:04:07,705 --> 00:04:09,290
We should get out of your hair.

70

00:04:10,583 --> 00:04:12,669
You could stay, if you sleep in the barn.

71

00:04:12,752 --> 00:04:15,213
That's amazing.
Anything we can do to repay you?

72

00:04:15,296 --> 00:04:17,340
-[clearing throat]
-Just some farm work.

73

00:04:18,508 --> 00:04:20,551
I have some bales of hay I need to move.

74

00:04:21,552 --> 00:04:23,179
Just stay out of the main house.

75

00:04:27,767 --> 00:04:30,061
-Dude, we can't stay here.
-One night, Jug.

76

00:04:30,144 --> 00:04:32,021
-What's the problem?
-I don't know.

77

00:04:32,146 --> 00:04:34,565
Something about this place weirds me out.
It's...

78

00:04:34,816 --> 00:04:36,943
a little too American Gothic, even for me.

79

00:04:38,111 --> 00:04:40,446
You're right. Where is everybody?

80

00:04:41,239 --> 00:04:44,701
When I asked what her dad and brother did,
it seemed like she was lying.

81

00:04:44,784 --> 00:04:46,452
You mean like we are, Cal?

82

00:04:47,161 --> 00:04:48,788
-[chuckles]
-[Laurie] Am I interrupting?

83

00:04:50,498 --> 00:04:51,624
No. Not at all.

84

00:04:52,583 --> 00:04:55,461
I brought some extra blankets,
in case you guys get cold.

85

00:04:57,463 --> 00:04:58,548
Thank you, Laurie.

86

00:05:03,886 --> 00:05:04,721
All right.

87
00:05:06,472 --> 00:05:07,557
See you tomorrow.

88
00:05:09,017 --> 00:05:09,851
Good night.

89
00:05:13,813 --> 00:05:15,148
-Seriously?
-What?

90
00:05:16,357 --> 00:05:18,526
We have to stay on task. No distractions.

91
00:05:20,528 --> 00:05:21,612
I totally agree.

92
00:05:23,072 --> 00:05:24,073
No distractions.

93
00:05:26,659 --> 00:05:28,119
[rooster crowing]

94
00:05:32,790 --> 00:05:33,624
Hey.

95
00:05:36,044 --> 00:05:38,254
You missed eggs and bacon for breakfast.

96
00:05:38,338 --> 00:05:41,341
Meanwhile,
you are literally moving bales of hay.

97
00:05:41,841 --> 00:05:42,675
Yep.

98
00:05:43,593 --> 00:05:44,969
Feel free to help out, too.

99

00:05:45,428 --> 00:05:48,556
I'm going into town,
take some pictures before we hit the road.

100
00:05:49,432 --> 00:05:50,475
Remember?

101
00:05:50,933 --> 00:05:52,143
Like we said we would.

102
00:05:53,353 --> 00:05:54,479
Gonna be okay here?

103
00:05:55,063 --> 00:05:56,397
I think I'll be fine, Jug.

104
00:06:55,164 --> 00:06:56,249
Excuse me.

105
00:07:02,004 --> 00:07:03,005
Excuse me.

106
00:07:03,381 --> 00:07:04,215
Hi.

107
00:07:05,633 --> 00:07:08,219
I'm, uh... I'm a little lost.

108
00:07:13,015 --> 00:07:15,852
I saw some strange symbols
on the sides of the buildings.

109
00:07:16,227 --> 00:07:18,980
Didn't look as faded as the rest.
Know what they mean?

110
00:07:20,481 --> 00:07:22,775
Town wasn't always like this.

111
00:07:23,401 --> 00:07:28,072
First it was the jingle-jangle.
Now we're back to Fizzle Rocks.

112
00:07:28,948 --> 00:07:29,949
Fizzle Rocks.

113
00:07:31,033 --> 00:07:32,034
Like the candy?

114
00:07:32,118 --> 00:07:33,953
I used to eat that when I was a kid.

115
00:07:34,454 --> 00:07:36,873
That's normal Fizzle Rocks.

116
00:07:37,582 --> 00:07:42,003
What we got nowadays...
is laced with drugs.

117
00:07:43,337 --> 00:07:46,757
As for them symbols,
they started showing up in town

118
00:07:46,841 --> 00:07:49,969
about the same time
Fizzle Rocks trickled in.

119
00:07:51,262 --> 00:07:54,182
You've done so much for me.
You don't have to do this, too.

120
00:07:54,265 --> 00:07:55,725
I used to do this for my father.

121
00:07:55,808 --> 00:07:59,520
-And you did move all that hay.
-My dad's a construction worker, so...

122
00:08:00,730 --> 00:08:02,106
I'm used to physical labor.

123
00:08:02,899 --> 00:08:06,110
Well, there's a lot of that around here.

124

00:08:06,986 --> 00:08:07,820
[chuckles]

125

00:08:08,279 --> 00:08:11,115
If you and your friend wanna stick around
for a few days.

126

00:08:13,576 --> 00:08:15,077
I'm not sure about Cal, but...

127

00:08:16,370 --> 00:08:17,914
I would be, I think.

128

00:08:19,874 --> 00:08:23,211
There's something about this place
that just makes me feel at home.

129

00:08:23,961 --> 00:08:24,962
I don't know why.

130

00:08:46,108 --> 00:08:47,360
I'm sorry, Laurie.

131

00:08:49,237 --> 00:08:50,988
I just-- I can't do this right now.

132

00:08:55,535 --> 00:08:56,827
There's a girl back home.

133

00:08:59,455 --> 00:09:00,456
There always is.

134

00:09:00,665 --> 00:09:02,875
Though we're not together,
I still love her.

135

00:09:03,626 --> 00:09:05,628
If you love her, Biff, why are you here?

136

00:09:10,299 --> 00:09:11,509
Because of her father...

137

00:09:12,635 --> 00:09:13,719
and my past with him.

138

00:09:16,722 --> 00:09:20,434
Sometimes when you try to survive,
it's easy to lose sight of who you are.

139

00:09:26,941 --> 00:09:28,317
Laurie, my name's not Biff.

140

00:09:30,570 --> 00:09:32,321
It's Archie Andrews.

141

00:09:32,822 --> 00:09:36,033
I'm from a small town called Riverdale,
which I can't go back to.

142

00:09:36,117 --> 00:09:37,743
Because of your girl's father?

143

00:09:39,370 --> 00:09:41,205
Hiram Lodge. Yes.

144

00:09:43,332 --> 00:09:44,959
[sighs] I'm sorry I lied to you.

145

00:09:46,335 --> 00:09:47,336
It's okay.

146

00:09:48,379 --> 00:09:49,380
Archie Andrews.

147

00:09:50,172 --> 00:09:52,883
Around here,
everybody's running from something.

148

00:09:54,051 --> 00:09:56,053
Let me see about getting you some lunch.

149

00:10:21,871 --> 00:10:22,872

[girls giggling]

150

00:10:39,430 --> 00:10:40,264
Are you a king?

151

00:10:41,307 --> 00:10:42,892
I'm actually a Game Master.

152

00:10:43,851 --> 00:10:46,228
-Started as a Hellcaster, like you.
-What level?

153

00:10:46,312 --> 00:10:50,608
Almost three. On my way to four.
Where'd you learn to play?

154

00:10:50,900 --> 00:10:53,653
Our older brothers used to play,
before they left town.

155

00:10:53,736 --> 00:10:56,113
Yeah, I noticed that
there are no men here.

156

00:10:56,197 --> 00:10:57,990
-All gone to work building a prison.
-Prison?

157

00:10:58,074 --> 00:11:00,409
My brother told me
it's not just for prisoners.

158

00:11:00,493 --> 00:11:02,328
It's for making Fizzle Rocks, too.

159

00:11:03,037 --> 00:11:04,747
The prison doubles as a drug lab.

160

00:11:04,830 --> 00:11:06,666
Where you shacking up, Game Master?

161

00:11:08,125 --> 00:11:11,337

-Uh... Lake Farm.
-[Tiffany scoffs] Gracie's house?

162
00:11:12,129 --> 00:11:14,924
-We used to be friends with her.
-Acts like she's too good for everybody,

163
00:11:15,007 --> 00:11:17,802
even though her daddy works
for the Man in Black like ours do.

164
00:11:19,011 --> 00:11:21,389
-Who's the Man in Black?
-[Pearl] He's always in a black suit.

165
00:11:21,472 --> 00:11:23,265

What is?

515

00:31:14,998 --> 00:31:17,876
The Sisters take patients
into the Gargoyle King's chamber

516

00:31:17,959 --> 00:31:19,002
when they misbehave.

517

00:31:19,419 --> 00:31:21,546
Other girls are scared of him,
but I'm not.

518

00:31:23,339 --> 00:31:24,591
Where's his chamber?

519

00:31:24,674 --> 00:31:27,302
I can't tell you.
That's Sister Woodhouse's job.

520

00:31:30,388 --> 00:31:32,599
Hmm. You'd tell Jughead.

521

00:31:35,727 --> 00:31:36,769
About Jughead...

522

00:31:38,438 --> 00:31:41,608
I wasn't going to mention this,
but since you brought him up...

523

00:31:44,027 --> 00:31:44,861
Betty.

524

00:31:45,653 --> 00:31:47,739
I don't think Jughead's into you anymore.

525

00:31:48,239 --> 00:31:51,534
We connected
when we played the game together,

526

00:31:51,618 --> 00:31:54,829
and things got pretty hot and heavy
in the bunker.

527

00:31:55,455 --> 00:31:56,956
[Betty] This psycho bitch.

528

00:31:57,040 --> 00:32:01,794
Oh, he definitely told me about
how you blackmailed him into kissing you.

529

00:32:05,548 --> 00:32:06,799
I knew you would do this.

530

00:32:07,175 --> 00:32:09,385
You always acted
like you're better than me.

531

00:32:09,469 --> 00:32:12,305
-You and all your shallow friends.
-What are you talking about?

532

00:32:12,388 --> 00:32:14,057
This isn't Riverdale High.

533

00:32:14,432 --> 00:32:15,767
Rules are different here.

534

00:32:15,850 --> 00:32:18,311
I'm the queen bee, not you, Betty Cooper.

535

00:32:18,394 --> 00:32:21,105
And if you wanna get better,
change your attitude.

536

00:32:21,189 --> 00:32:24,317
And you have to be honest with yourself,
and with others.

537

00:32:24,400 --> 00:32:28,112
And you can start
with what you threw into the trash.

538

00:32:33,826 --> 00:32:35,995
Ethel, I'm sorry.

539

00:32:36,955 --> 00:32:39,999
I want to be your friend,
if you'll have me.

540

00:32:40,083 --> 00:32:42,961
Can you just not tell anyone
about the candy?

541

00:32:43,419 --> 00:32:46,047
Can you just keep it between us, please?

542

00:32:47,256 --> 00:32:48,216
Roomie.

543

00:32:51,010 --> 00:32:51,844
Okay, Betty.

544

00:32:52,679 --> 00:32:54,263
I'll keep it our little secret.

545

00:32:55,056 --> 00:32:56,975
But you really should take the candy.

546

00:32:57,600 --> 00:32:59,310
It's super delicious.

547

00:33:01,729 --> 00:33:03,564
[Agnes] Be careful of the thorns, girls.

548

00:33:06,317 --> 00:33:07,443
Very good, my child.

549

00:33:10,405 --> 00:33:11,489
[Betty] That's funny.

550

00:33:11,990 --> 00:33:15,118
The Sisters don't serve maple syrup
in the cafeteria.

551

00:33:15,952 --> 00:33:19,372
And why would Claudius Blossom
be making the delivery?

552

00:33:22,000 --> 00:33:23,001
What the hell?

553

00:33:31,342 --> 00:33:35,096
What kind of business does Hiram Lodge
have with Sister Woodhouse,

554

00:33:35,179 --> 00:33:37,306
and how are the Blossoms connected to it?

555

00:33:40,768 --> 00:33:42,562
Hey. Do you know who that is?

556

00:33:44,480 --> 00:33:46,065
They call him the Man in Black.

557

00:33:46,149 --> 00:33:47,275
He's an angel donor.

558

00:33:47,358 --> 00:33:49,861
Helps the sisters
with anything they may need.

559

00:33:49,944 --> 00:33:51,571
Isn't that nice of him?

560

00:33:51,988 --> 00:33:53,114
Yeah. Amazing.

561

00:33:53,197 --> 00:33:55,158
Wait a minute. According to my mom,

562

00:33:55,241 --> 00:33:57,618
Hiram was the one
who brought the Fizzle Rocks

563

00:33:57,702 --> 00:33:59,662
to Ascension Night all those years ago.

564

00:33:59,746 --> 00:34:02,206
Back to it, Betty.
Idle hands make the devil's work.

565

00:34:03,875 --> 00:34:04,876
[Betty] Bite me.

566

00:34:06,794 --> 00:34:10,423
What did Hiram give the Sisters?
And what did Woodhouse give him?

567

00:34:11,549 --> 00:34:14,135
Maybe there's a clue
in those files they're keeping.

568

00:34:14,343 --> 00:34:17,388
If I can just find the right office
or a records room...

569

00:34:21,601 --> 00:34:25,772
Wait, this must be the Gargoyle King's

chamber Ethel was talking about.

570

00:34:34,822 --> 00:34:37,075
[girl screaming]

571

00:34:38,993 --> 00:34:40,787
[girl grunting and whimpering]

572

00:34:49,420 --> 00:34:50,713
[girl sobbing]

573

00:34:51,672 --> 00:34:53,466
Hush. Hush, child. Hush.

574

00:35:19,784 --> 00:35:21,369
[Ethel] What do you think you're doing?

575

00:35:21,869 --> 00:35:23,496
This area is off-limits.

576

00:35:23,579 --> 00:35:24,580
Ethel, I...

577

00:35:25,998 --> 00:35:27,834
Know where the medical archives are?

578

00:35:28,459 --> 00:35:31,712
Sister Agnes sent me to fetch some files.
I got kind of lost.

579

00:35:32,338 --> 00:35:35,883
Silly Betty. Only the infirm are allowed
in the infirmary.

580

00:35:37,760 --> 00:35:39,512
Time to go back to our room now.

581

00:35:39,595 --> 00:35:40,805
While I'm watching.

582

00:35:41,139 --> 00:35:41,973

Okay.

583

00:35:50,189 --> 00:35:53,025
Acting normal. This me acting normal.

584

00:35:53,818 --> 00:35:55,319
All I need is a pen,

585

00:35:55,403 --> 00:35:58,656
a bobby pin that hasn't
been dulled down, or--

586

00:35:59,532 --> 00:36:00,575
A paperclip.

587

00:36:00,658 --> 00:36:01,492
Bingo.

588

00:36:09,333 --> 00:36:11,252
Hey, Betty, come play with us.

589

00:36:13,754 --> 00:36:15,339
Uh, no, thanks, Ethel.

590

00:36:15,423 --> 00:36:17,300
Betty, you said we were friends.

591

00:36:18,259 --> 00:36:19,760
And friends play together.

592

00:36:20,261 --> 00:36:23,389
[Betty] This isn't how I imagined myself
getting to those medical files,

593

00:36:23,472 --> 00:36:27,268
but since only the infirm
go to the infirmary...

594

00:36:29,312 --> 00:36:31,147
You wanna be real friends, Ethel?

595

00:36:33,482 --> 00:36:34,692
Hmm. That's weird,

596

00:36:34,775 --> 00:36:37,987
because real friends
don't kiss each other's boyfriends.

597

00:36:40,865 --> 00:36:44,285
That's because the Gargoyle King
wants Jughead and me to be together.

598

00:36:44,368 --> 00:36:46,037
-Oh, yeah?
-We're gonna be a ship.

599

00:36:47,121 --> 00:36:48,039
Oh.

600

00:36:48,915 --> 00:36:49,832
Ethelhead?

601

00:36:52,251 --> 00:36:53,419
In your dreams.

602

00:36:53,502 --> 00:36:54,462
[chuckles]

603

00:36:54,837 --> 00:36:55,838
You're just jealous.

604

00:36:56,505 --> 00:36:58,799
Jealous that Jughead and I are worthy,
and you're not,

605

00:36:58,883 --> 00:37:01,177
but here's the thing, Betty, okay?

606

00:37:01,260 --> 00:37:02,887
You're never going to be worthy.

607

00:37:02,970 --> 00:37:05,181
And the Gargoyle King?

You'll never meet him.

608

00:37:05,681 --> 00:37:06,724
[Betty] Here we go.

609

00:37:11,187 --> 00:37:13,272
Sister Woodhouse, she's having a seizure.

610

00:37:14,607 --> 00:37:15,691
Ethel, get the nurse.

611

00:37:16,275 --> 00:37:18,277
[Betty] Yes, Ethel, get the nurse.

612

00:37:18,361 --> 00:37:21,280
And God willing,
she'll take me exactly where I need to go.

613

00:37:21,364 --> 00:37:24,033
There, there, Elizabeth.
You're going to be all right.

614

00:37:24,450 --> 00:37:26,410
We'll get you to the infirmary.

615

00:37:29,330 --> 00:37:30,790
[Betty] Well, they bought it.

616

00:37:30,873 --> 00:37:33,417
They actually believe I had a seizure.

617

00:37:34,085 --> 00:37:36,963
Let's re-evaluate her dosage
as soon as possible.

618

00:37:37,046 --> 00:37:38,297
Yes, Sister Woodhouse.

619

00:37:56,983 --> 00:37:58,526
[Betty] Jackpot. There you are.

620

00:38:11,914 --> 00:38:13,124
Elizabeth Cooper.

621
00:38:18,045 --> 00:38:21,424
"Two doses of Bullio Lapis, mornings only.

622
00:38:21,632 --> 00:38:22,633
Sporadic seizures.

623
00:38:22,717 --> 00:38:25,386
Patient seems to be responding well
to testing.

624
00:38:25,469 --> 00:38:28,848
Per HL, increase dosage after first week."

625
00:38:29,724 --> 00:38:31,017
HL?

626
00:38:33,394 --> 00:38:34,228
Oh, my God.

627
00:38:34,312 --> 00:38:37,690
Is Hiram Lodge using patients
at the Sisters as lab rats?

628
00:38:37,940 --> 00:38:40,693
And what is Bullio Lapis? Unless...

629
00:38:41,277 --> 00:38:42,528
Fizzle Rocks.

630
00:38:42,611 --> 00:38:43,612
Oh, my God.

631
00:38:43,988 --> 00:38:45,281
Okay, now that I have my proof,

632
00:38:45,364 --> 00:38:47,408
it's officially time
to get the hell out of here.

633

00:38:48,993 --> 00:38:50,911

The door to escape is in the basement.

634

00:38:56,625 --> 00:38:59,420

X marks the spot. Just like Veronica said.

635

00:38:59,920 --> 00:39:00,880

I'm so out of here.

636

00:39:05,593 --> 00:39:06,427

No.

637

00:39:10,514 --> 00:39:12,725

No.

638

00:39:16,145 --> 00:39:17,438

[Ethel] There she is.

639

00:39:19,273 --> 00:39:20,107

Ethel.

640

00:39:20,858 --> 00:39:21,901

Sister Woodhouse.

641

00:39:22,902 --> 00:39:24,487

I just-- I got lost again.

642

00:39:24,570 --> 00:39:27,073

I told you she was up to no good,

Sister Woodhouse.

643

00:39:28,741 --> 00:39:29,909

Restrain her.

644

00:39:30,576 --> 00:39:31,869

No.

645

00:39:33,079 --> 00:39:33,913

No.

646

00:39:34,914 --> 00:39:35,831
[grunts]

647
00:39:38,084 --> 00:39:39,835
What are you doing, Sister Woodhouse?

648
00:39:40,419 --> 00:39:43,672
You've been a very bad girl, Betty.

649
00:39:44,507 --> 00:39:46,258
You haven't been taking your candy.

650
00:39:48,844 --> 00:39:49,678
Ethel.

651
00:39:50,137 --> 00:39:52,556
-Steady her.
-No.

652
00:39:55,101 --> 00:39:56,143
[grunting]

653
00:40:01,273 --> 00:40:03,526
My King. My Savior.

654
00:40:04,026 --> 00:40:05,403
Guide me through the night.

655
00:40:05,694 --> 00:40:08,364
Bless me with your darkness,
gift me with your flight.

656
00:40:08,447 --> 00:40:12,159
She needs a good, strong talking-to
from the King, I think.

657
00:40:20,876 --> 00:40:23,212
I was wrong. You are gonna meet the King.

658
00:40:42,773 --> 00:40:43,607
No.

659
00:40:55,619 --> 00:40:57,204
The King awaits you.

660
00:41:09,008 --> 00:41:10,551
[Betty screaming]

661
00:41:15,055 --> 00:41:17,224
Now let's try this again, shall we?

662
00:41:21,353 --> 00:41:22,771
Tell me what you see, Betty.

663
00:41:24,773 --> 00:41:25,774
A dead body.

664
00:41:29,445 --> 00:41:30,696
What do you see now?

665
00:41:31,113 --> 00:41:31,947
The Black Hood.

666
00:41:37,286 --> 00:41:38,287
And now?

667
00:41:42,917 --> 00:41:44,752
The Gargoyle King.

668
00:41:45,836 --> 00:41:47,796
Wonderful, wonderful work.

669
00:41:48,255 --> 00:41:49,757
You've already made progress.

670
00:41:50,257 --> 00:41:52,259
[Betty] My King. My Savior.

671
00:41:52,593 --> 00:41:54,011
Guide me through the night.

672
00:41:54,136 --> 00:41:57,348

Bless me with your darkness,
gift me with your flight.
