314

00:18:09,546 --> 00:18:13,550  
A Glamergé Egg worth more than the GNP  
of most developing countries?

315

00:18:13,634 --> 00:18:15,302  
Why, yes, Kitty Cat, it is.

316

00:18:17,805 --> 00:18:19,014  
[Toni] Okay, let's go.

317

00:18:23,185 --> 00:18:24,645  
Wait, Tee-Tee.

318

00:18:31,318 --> 00:18:33,570

I'm feeling particularly brazen tonight.

319

00:18:53,382 --> 00:18:54,383  
[Archie] Cassidy?

320

00:18:57,845 --> 00:18:59,596  
Good. You're awake.

321

00:19:00,139 --> 00:19:01,181  
Time to play.

322

00:19:05,686 --> 00:19:09,064  
-This isn't real. You guys are all dead.  
-You keep saying that.

323

00:19:09,148 --> 00:19:11,942  
But then how are we here,  
talking with you?

324

00:19:12,025 --> 00:19:14,278  
I'm dreaming. I must be.

325

00:19:14,361 --> 00:19:16,655  
Or I'm hallucinating  
from the loss of blood.

326

00:19:17,114 --> 00:19:19,992  
Or we're here, and this is real.

327

00:19:20,075 --> 00:19:20,909  
No.

328

00:19:21,869 --> 00:19:26,248  
I went to juvie... after being framed  
for your murder, Cassidy.

329

00:19:26,331 --> 00:19:29,877  
I found you three in the mines  
after Sheriff Minetta gunned you down.

330

00:19:29,960 --> 00:19:33,255  
If what you say is true, and we are dead,

331

00:19:33,338 --> 00:19:35,132  
it sounds like it's all your fault.

332

00:19:35,632 --> 00:19:37,551  
If you ever wanna return to Eldervair,

333

00:19:37,634 --> 00:19:38,969  
you're gonna have to play.

334

00:19:39,344 --> 00:19:40,179  
And win.

335

00:19:42,681 --> 00:19:43,682  
Come on.

336

00:19:44,516 --> 00:19:45,684  
One round, at least?

337

00:19:53,150 --> 00:19:54,151  
One round.

338

00:19:55,944 --> 00:19:57,362  
Any luck, Ms. Weiss?

339

00:19:58,697 --> 00:20:01,366  
I'm on the phone  
with Child Services nonstop, Betty.

340

00:20:01,450 --> 00:20:02,284  
But...

341

00:20:04,912 --> 00:20:08,624  
But it's gonna be hard getting the kids  
you're housing adopted or fostered.

342

00:20:09,583 --> 00:20:12,169  
There's concern about the trauma  
they've suffered.

343

00:20:12,252 --> 00:20:14,922

Yeah, well,  
the Sisters really did a number on them.

344

00:20:16,757 --> 00:20:19,468  
Any luck getting the Sisters  
to testify against Hiram?

345

00:20:21,303 --> 00:20:23,096  
They've taken a vow of silence.

346

00:20:24,097 --> 00:20:26,016  
It's part of their religion.

347

00:20:26,099 --> 00:20:27,059  
Religion?

348

00:20:27,351 --> 00:20:28,185  
Mm-hm.

349

00:20:29,186 --> 00:20:30,020  
Betty.

350

00:20:32,231 --> 00:20:35,859  
As a social worker, I've had dealings  
with the Sisters over the years.

351

00:20:36,276 --> 00:20:39,988  
And there's something you need to know  
about their affiliation with the Church.

352

00:20:40,864 --> 00:20:42,658  
[Veronica] Josie was stalked, Daddy.

353

00:20:42,741 --> 00:20:44,243  
By those Gargoyles of yours.

354

00:20:44,326 --> 00:20:47,496  
So, tell me, if I'm paying you ten percent  
for protection,

355

00:20:47,579 --> 00:20:49,248  
why is my headliner harassed?

356

00:20:49,331 --> 00:20:52,251  
Because you had the audacity  
to try to deceive me.

357

00:20:52,334 --> 00:20:55,379  
Cooking the books?  
That's the move of a rank amateur.

358

00:20:56,088 --> 00:20:57,923  
Now I want the full amount I'm owed.

359

00:20:58,006 --> 00:21:00,550  
And your mother's Glamergé Egg  
that was stolen.

360

00:21:01,426 --> 00:21:03,804  
-Come again?  
-One of your Serpent school chums

361

00:21:03,887 --> 00:21:06,640  
broke into our apartment  
and stole your mother's bauble.

362

00:21:06,723 --> 00:21:08,850  
And based on the calling card they left...

363

00:21:10,477 --> 00:21:12,604  
I'm guessing it's probably Cheryl Blossom.

364

00:21:13,689 --> 00:21:15,691  
Anyway, get it back for me, won't you?

365

00:21:15,774 --> 00:21:17,276  
Why is this my responsibility?

366

00:21:17,359 --> 00:21:19,278  
Because you have more to lose than me.

367

00:21:20,946 --> 00:21:22,864  
[Veronica] You need to fix this, Jughead.

368

00:21:22,948 --> 00:21:25,826  
If Cheryl took the Egg, why come to me?  
Why not go to her?

369

00:21:26,326 --> 00:21:27,786  
She's dodging my phone calls.

370

00:21:28,453 --> 00:21:30,080  
Besides, aren't you her king?

371

00:21:30,998 --> 00:21:33,417  
-Why are you and your father aligned?  
-We're not.

372

00:21:34,126 --> 00:21:36,461  
He's squeezing me.  
He's squeezing my business.

373

00:21:36,545 --> 00:21:39,631  
Now, not only does he  
have me paying him protection,

374

00:21:40,257 --> 00:21:43,760  
he's got me on this wild-goose chase  
to get my mom's stolen Egg back.

375

00:21:43,844 --> 00:21:47,556  
-You pay your father protection money?  
-Against his very own Gargoyle Gang.

376

00:21:50,058 --> 00:21:52,936  
What if you pay less money  
not to be in business with him?

377

00:21:53,020 --> 00:21:55,772  
-What are you suggesting?  
-Let the Serpents work for you.

378

00:21:55,856 --> 00:21:58,108  
Get real protection  
from your father's goons.

379

00:21:58,191 --> 00:22:00,527  
And the Serpents get jobs,  
with a steady income.

380  
00:22:00,610 --> 00:22:01,528  
This is a win-win.

381  
00:22:03,280 --> 00:22:06,241  
Get me that Glamergé Egg back,  
and we have an accord.

382  
00:22:10,162 --> 00:22:11,496  
Your turn, Red.

383  
00:22:17,544 --> 00:22:19,546  
"Defeat the Hooded Specter of Death."

384  
00:22:22,090 --> 00:22:22,924  
Go on.

385  
00:22:26,553 --> 00:22:28,805  
The challenge reveals the weakness.

386  
00:22:28,889 --> 00:22:31,224  
The weakness is  
what keeps you from winning.

387  
00:22:46,698 --> 00:22:48,033  
[man] Give me your wallet!

388  
00:23:02,255 --> 00:23:03,173  
[gunshot]

389  
00:23:09,721 --> 00:23:11,139  
[Archie] I did it.

390  
00:23:11,556 --> 00:23:13,517  
Now am I finished playing this game?

391  
00:23:14,226 --> 00:23:16,561  
[Norton] The Red Paladin returns.

392

00:23:17,521 --> 00:23:18,814  
[Archie] Warden Norton?

393

00:23:18,897 --> 00:23:20,899  
Take a load off, my boy.

394

00:23:21,483 --> 00:23:22,901  
We're just getting started.

395

00:23:27,364 --> 00:23:29,783  
I won't play the game  
with someone who died from it.

396

00:23:29,866 --> 00:23:31,201  
I didn't die.

397

00:23:31,743 --> 00:23:33,495  
I ascended to the kingdom.

398

00:23:33,578 --> 00:23:35,914  
And what about Joaquin?  
Did he ascend, too?

399

00:23:35,997 --> 00:23:38,708  
That was his reward for stabbing me,  
wasn't it?

400

00:23:38,792 --> 00:23:40,961  
That was the card Mr. DeSantos drew.

401

00:23:41,670 --> 00:23:43,004  
His do-or-die moment.

402

00:23:43,588 --> 00:23:46,258  
You know all about those,  
don't you, Archie?

403

00:23:46,341 --> 00:23:48,093  
Didn't you have one yourself?

404

00:23:48,176 --> 00:23:49,177

With the Black Hood?

405

00:23:49,636 --> 00:23:50,470

Yes.

406

00:23:52,264 --> 00:23:56,518

And I stopped him,  
but I'm still trapped here, in this hell.

407

00:23:56,601 --> 00:23:58,019

Then that wasn't the moment.

408

00:23:58,979 --> 00:24:01,481

The place and time  
where it all went wrong.

409

00:24:01,857 --> 00:24:03,066

Roll the dice,

410

00:24:03,525 --> 00:24:06,987

and you may find the path  
that leads back to Eldervair.

411

00:24:10,157 --> 00:24:12,325

We know your secret, Sister Woodhouse.

412

00:24:12,409 --> 00:24:15,203

The Church disbanded  
the Sisters of Quiet Mercy

413

00:24:15,287 --> 00:24:16,329

during Vatican II,

414

00:24:16,413 --> 00:24:20,542

over allegations  
of cruel and inhumane practices.

415

00:24:20,625 --> 00:24:25,380

You and your sisters haven't been nuns  
for more than 60 years.

416

00:24:25,797 --> 00:24:29,134

Which means your vow of silence  
won't hold up in court.

417

00:24:29,217 --> 00:24:30,552  
Here's the new deal.

418

00:24:30,635 --> 00:24:32,345  
Testify against Hiram Lodge,

419

00:24:32,429 --> 00:24:35,265  
and I won't have you charged  
with the following crimes:

420

00:24:35,348 --> 00:24:39,269  
Child endangerment,  
illegal drug testing, human trafficking.

421

00:24:43,982 --> 00:24:44,858  
[sighs]

422

00:24:45,358 --> 00:24:46,193  
Fine.

423

00:24:48,612 --> 00:24:49,696  
What do I need to do?

424

00:24:49,779 --> 00:24:53,241  
Swear in court  
that Hiram Lodge gave you money and drugs

425

00:24:53,325 --> 00:24:54,493  
for illegal testing.

426

00:24:55,035 --> 00:24:56,119  
You'll have immunity.

427

00:24:59,331 --> 00:25:00,332  
[Jughead] Serpents.

428

00:25:00,415 --> 00:25:01,500  
Earlier today...

429

00:25:02,667 --> 00:25:03,919  
I brokered a deal.

430

00:25:06,505 --> 00:25:07,464  
Got us a paid gig.

431

00:25:08,381 --> 00:25:10,842  
From here on out,  
we'll be working security detail

432

00:25:10,926 --> 00:25:14,012  
for Veronica Lodge,  
her speakeasy, and her employees.

433

00:25:14,095 --> 00:25:16,556  
-Long live the Serpents. Whoo!  
-[all cheering]

434

00:25:17,557 --> 00:25:18,517  
Settle down.

435

00:25:20,018 --> 00:25:22,270  
It's good news,  
but I've also gathered us here

436

00:25:22,354 --> 00:25:23,813  
for less celebratory reasons.

437

00:25:25,690 --> 00:25:27,817  
Cheryl, Toni.

438

00:25:29,402 --> 00:25:30,904  
-Come up here.  
-Excuse me?

439

00:25:32,113 --> 00:25:33,114  
What did we do?

440

00:25:33,198 --> 00:25:36,952  
You broke into the Lodge apartment  
and stole a Glamergé Egg.

441  
00:25:39,788 --> 00:25:40,956  
So what if we did?

442  
00:25:41,289 --> 00:25:43,792  
Well, more than that,  
you left your calling card...

443  
00:25:44,543 --> 00:25:46,878  
attaching yourself, and, by extension,

444  
00:25:46,962 --> 00:25:48,713  
all of the Serpents to your crime.

445  
00:25:48,797 --> 00:25:49,965  
I'm not afraid of Lodge.

446  
00:25:50,048 --> 00:25:51,299  
What's he gonna do?

447  
00:25:51,383 --> 00:25:52,384  
Call the sheriff?

448  
00:25:52,926 --> 00:25:55,637  
-Oh, right, there is no sheriff.  
-That's not the point.

449  
00:25:55,720 --> 00:25:56,721  
You broke the Code.

450  
00:25:58,557 --> 00:26:01,101  
-Turn in your jackets and go.  
-[Toni] Are you serious?

451  
00:26:01,184 --> 00:26:04,729  
I'm a Serpent by blood.  
You can't take that away from me.

452  
00:26:05,272 --> 00:26:06,606  
[Cheryl] You hypocrite.

453  
00:26:06,690 --> 00:26:08,984

Give your buddy Fangs a pass,  
but crucify us?

454

00:26:09,442 --> 00:26:13,029  
In case you're wondering how we know,  
Fangs told Sweet Pea, who told me.

455

00:26:13,113 --> 00:26:14,030  
Who told me.

456

00:26:15,907 --> 00:26:18,618  
If you ask for our jackets,  
shouldn't you ask for his?

457

00:26:24,416 --> 00:26:25,250  
Jug.

458

00:26:29,379 --> 00:26:30,589  
You're right.

459

00:26:31,756 --> 00:26:34,175  
-Fangs, give me your jacket.  
-Hey. What the hell, man?

460

00:26:34,551 --> 00:26:35,760  
It's okay, Sweet Pea.

461

00:26:55,196 --> 00:26:56,531  
Some leader you are.

462

00:26:57,240 --> 00:26:58,074  
Fangs.

463

00:27:02,621 --> 00:27:03,788  
[Jughead] Cheryl? Toni?

464

00:27:05,165 --> 00:27:06,708  
We'll go, but we're keeping our jackets.

465

00:27:06,791 --> 00:27:09,377  
Fine. But I need that Egg back.

466

00:27:10,337 --> 00:27:11,171  
Come again?

467

00:27:11,254 --> 00:27:12,964  
You need to give me that damn Egg.

468

00:27:13,298 --> 00:27:15,258  
Or Veronica won't give us the contract.

469

00:27:15,342 --> 00:27:17,177  
Why would I care? I'm not a Serpent.

470

00:27:17,260 --> 00:27:19,846  
Because I believe  
that you still have honor, Cheryl.

471

00:27:20,889 --> 00:27:22,223  
And it's getting cold out,

472

00:27:22,307 --> 00:27:25,060  
and the rest of us don't  
get to go back to Thistlehouse.

473

00:27:28,938 --> 00:27:30,565  
[Veronica] Well done, Torombolo.

474

00:27:30,815 --> 00:27:34,110  
Cost me a lot to get that ugly thing back.  
You put it to good use.

475

00:27:34,194 --> 00:27:36,154  
Oh, don't you worry, I shall.

476

00:27:36,571 --> 00:27:37,572  
And in the meantime,

477
