EPISODE 3.02

"Thank God I'm a Country Boy"

After a doctor joins Gus and his crew, they seek a way to the coast and stumble upon a plane owned by a family in desperate need of medical attention.

Greta Gregory	...	Cass
James Gaylyn	...	Odell
Elena Stejko	...	Elena
Nathaniel Lees	...	Munaqsriri
Michael Hurst	...	Walt
Amie Donald	...	Wolf Boy #2

1
00:00:11,219 --> 00:00:12,846
[faint birdsong]

2
00:00:13,596 --> 00:00:15,598
[low, mysterious music playing]

3
00:00:20,228 --> 00:00:22,480
[narrator] We all have stories to tell.

4
00:00:23,523 --> 00:00:25,483
Some of them we tell to others.

5
00:00:26,026 --> 00:00:28,528
All of them we tell to ourselves.

6
00:00:28,611 --> 00:00:31,531
[trilling, clucking]

7
00:00:31,614 --> 00:00:32,991
[fluttery rustling]

8
00:00:35,702 --> 00:00:36,828
[clucks]

9
00:00:36,911 --> 00:00:39,497
[sprightly, adventurous music playing]

10
00:00:44,961 --> 00:00:45,962
[clucking]

11
00:00:48,715 --> 00:00:49,716
Ah-ha!

12
00:00:51,468 --> 00:00:52,802
-[net whips]

-[flustered clucking]

13

00:00:53,928 --> 00:00:54,846
Gotcha!

14

00:00:56,556 --> 00:00:58,391
Whatcha doin', Kirby the Rooster?

15

00:00:58,475 --> 00:01:01,352
You know the League of Evil Roosters
is out there.

16

00:01:01,853 --> 00:01:03,605
[man] Theo! Where are you?

17

00:01:04,314 --> 00:01:06,983
[narrator] But where are our stories born?

18

00:01:07,609 --> 00:01:09,778
With our parents? Or with us?

19

00:01:09,861 --> 00:01:10,862
[man] Theo!

20

00:01:10,945 --> 00:01:12,947
[delicate, rueful music playing]

21

00:01:14,365 --> 00:01:16,451
Theo! Come on, come on, come on.

22

00:01:17,494 --> 00:01:18,703
Come on.

23

00:01:18,787 --> 00:01:21,873
Where have you been? I need you here.
Your mother needs you here.

24

00:01:21,956 --> 00:01:24,375
-Is my brother coming already?
-[woman] Don't...

25

00:01:24,959 --> 00:01:27,378
-[man] You should be laying down.
-Don't go. [panting]

26

00:01:27,462 --> 00:01:29,923
You don't know what the doctor will say.
They'll ask questions.

27

00:01:30,006 --> 00:01:32,634
Honey, we said we'd do it right this time.

28

00:01:32,717 --> 00:01:34,594
We need a doctor for the delivery.

29

00:01:34,677 --> 00:01:36,638
-I'll be back soon.
-I don't want you to go.

30

00:01:36,721 --> 00:01:37,931
Help your mother inside.

31

00:01:39,015 --> 00:01:40,350
Come here, Theo.

32

00:01:41,434 --> 00:01:44,521
Don't worry, Mom.
He's gonna be normal, just like us.

33

00:01:44,604 --> 00:01:46,815
-[door clattering]
-[man clambering]

34
00:01:46,898 --> 00:01:48,149
[engine sputtering]

35
00:01:51,402 --> 00:01:53,404
[tense, sweeping music playing]

36
00:02:00,411 --> 00:02:01,412
Gus.

37
00:02:02,831 --> 00:02:04,082
I must speak with you.

38
00:02:05,250 --> 00:02:06,626
[Jepp grunts]

39
00:02:07,252 --> 00:02:08,628
[Singh grunting]

40
00:02:08,711 --> 00:02:10,630
Who are you?! Who are you with?!

41
00:02:10,713 --> 00:02:14,509
My name is Doctor Aditya Singh.
And I am alone.

42
00:02:14,592 --> 00:02:17,137
Dr. Singh. He killed Roy!

43
00:02:18,429 --> 00:02:19,764
[Jepp snarls]

44
00:02:20,765 --> 00:02:22,267
-[Jepp grunts]
-Ah!

45

00:02:22,767 --> 00:02:23,726
[Jepp wincing]

46
00:02:25,812 --> 00:02:27,939
You're injured. I can take a look at that.

47
00:02:28,022 --> 00:02:29,274
[emphatically] Shut up!

48
00:02:38,658 --> 00:02:39,492
[Becky] Hey, hey!

49
00:02:40,368 --> 00:02:41,953
[Becky grunts]

50
00:02:43,454 --> 00:02:48,209
[Dr. Singh] I... I know this can't make up
for what you've gone through.

51
00:02:48,293 --> 00:02:50,295
You mean what you put him through.

52
00:02:55,216 --> 00:02:57,802
I'm not here to ask for forgiveness,

53
00:02:58,928 --> 00:03:00,555
because I don't deserve it.

54
00:03:01,264 --> 00:03:02,807
I worked for the Last Men.

55
00:03:03,433 --> 00:03:06,227
I thought what I was doing
would save the world.

56
00:03:10,648 --> 00:03:11,691

But I was wrong.

57

00:03:13,860 --> 00:03:14,694
I'm sorry.

58

00:03:14,777 --> 00:03:16,487
How did you find us?

59

00:03:16,571 --> 00:03:19,866
Would you believe me if I said faith?

60

00:03:20,575 --> 00:03:24,537
Faith in your young friend,
and in destiny.

61

00:03:24,621 --> 00:03:25,955
Destiny.

62

00:03:26,039 --> 00:03:28,041
[uneasy music playing]

63

00:03:29,334 --> 00:03:33,463
I should have died a dozen times already.

64

00:03:35,423 --> 00:03:38,843
I even tried to end my own life,
but I keep being spared,

65

00:03:39,719 --> 00:03:43,514
because the world has
a greater purpose for me.

66

00:03:44,307 --> 00:03:45,642
That's why I'm here,

67

00:03:45,725 --> 00:03:47,852

to lead Gus to Alaska.

68

00:03:50,480 --> 00:03:51,606
To the cave.

69

00:03:54,943 --> 00:03:55,860
[softly] The cave...

70

00:03:57,737 --> 00:04:00,323
-You're not talking your way out of this.
-[Dr. Singh grunting]

71

00:04:01,491 --> 00:04:02,575
Wait!

72

00:04:02,659 --> 00:04:03,910
[music trails off]

73

00:04:17,674 --> 00:04:19,592
How do you know about the cave?

74

00:04:24,514 --> 00:04:25,682
Because I saw it.

75

00:04:28,351 --> 00:04:30,895
You did too, didn't you?

76

00:04:34,941 --> 00:04:36,776
We're running out of time, Gus.

77

00:04:37,527 --> 00:04:39,529
[ominous music building]

78

00:04:41,197 --> 00:04:42,198
[music trails off]

79

00:04:42,282 --> 00:04:43,700
[dogs barking]

80

00:04:48,162 --> 00:04:50,164
[man] Got some good-looking fish today.

81

00:04:58,965 --> 00:04:59,966
[indistinct chatter]

82

00:05:02,385 --> 00:05:03,303
Damn it.

83

00:05:04,595 --> 00:05:07,223
-Leave it alone.
-There's a cap! That's how it works.

84

00:05:07,307 --> 00:05:09,434
[woman] And I told you that's not enough.

85

00:05:09,517 --> 00:05:11,269
[power hums, dwindles]

86

00:05:11,352 --> 00:05:12,770
I am getting Siana.

87

00:05:12,854 --> 00:05:14,605
I'm right here, Elena. Talk to me.

88

00:05:14,689 --> 00:05:16,316
-I told her she can't--
-I told him--

89

00:05:16,399 --> 00:05:18,276
Ah, ah, ah, ah, ah! Elena first.

90

00:05:18,359 --> 00:05:21,612
The crops need eight hours
of artificial light per day

91

00:05:21,696 --> 00:05:23,406
if we want to harvest by December.

92

00:05:23,489 --> 00:05:26,075
[man] And the snowcat batteries
need topping up,

93

00:05:26,159 --> 00:05:28,161
but she keeps kicking off
the power to the garage.

94

00:05:28,244 --> 00:05:29,495
Please! I did it once!

95

00:05:29,579 --> 00:05:30,747
Twice.

96

00:05:30,830 --> 00:05:33,291
-I saw you switch the breakers last week.
-[smugly] Huh!

97

00:05:33,374 --> 00:05:35,960
Don't gloat, Walter.
You're the newest arrival.

98

00:05:36,044 --> 00:05:38,004
You need all the friends you can get.

99

00:05:42,550 --> 00:05:43,384
Nuka?

100

00:05:47,096 --> 00:05:48,348
What do you think?

101

00:05:48,431 --> 00:05:50,600
They should apologize to each other.

102

00:05:53,102 --> 00:05:53,936
And?

103

00:05:54,020 --> 00:05:55,897
They should alternate charging days.

104

00:05:57,357 --> 00:05:59,025
Milton's not gonna like that, Siana.

105

00:05:59,108 --> 00:06:01,277
Well, I'll talk to Milton.
Plug her back in.

106

00:06:01,778 --> 00:06:03,321
This place, I swear.

107

00:06:03,404 --> 00:06:06,366
You forget how lucky we are
to be alive up here.

108

00:06:06,866 --> 00:06:09,786
Maybe you haven't heard,
but the Sick is getting worse out there.

109

00:06:09,869 --> 00:06:11,996
You're welcome to leave any time.

110

00:06:13,831 --> 00:06:16,167
[electricity humming]

111

00:06:16,250 --> 00:06:17,960
Thank you, Siana.

112
00:06:20,213 --> 00:06:22,173
[pleasant pop song playing in distance]

113
00:06:22,256 --> 00:06:25,635
Why did you tell Walt and Elena
the Sick was getting worse?

114
00:06:27,804 --> 00:06:29,097
Because it is.

115
00:06:31,516 --> 00:06:32,850
We've been lucky here.

116
00:06:35,645 --> 00:06:38,439
You've been lucky
not to know anything else.

117
00:06:40,650 --> 00:06:42,777
It's too bad Birdie couldn't fix it.

118
00:06:44,946 --> 00:06:46,072
It is too bad.

119
00:06:46,155 --> 00:06:49,283
Do you think she's gonna find Gus?

120
00:06:49,367 --> 00:06:50,451
I don't know.

121
00:06:50,535 --> 00:06:52,120
The world can be..

122
00:06:53,871 --> 00:06:55,206
unpredictable.

123
00:06:56,416 --> 00:06:57,834
Humans fight a lot.

124
00:06:59,460 --> 00:07:00,461
Why?

125
00:07:00,962 --> 00:07:03,297
It's a bad habit from the before times.

126
00:07:03,381 --> 00:07:04,674
Things get hard,

127
00:07:04,757 --> 00:07:08,136
and people forget all the good lessons
their parents taught them.

128
00:07:12,723 --> 00:07:15,810
What are you gonna do
now that your only friend is gone?

129
00:07:15,893 --> 00:07:18,396
Well, that's what I have you for,
isn't it?

130
00:07:18,980 --> 00:07:20,857
No, I mean one your age.

131
00:07:21,482 --> 00:07:22,358
Maybe a boy?

132
00:07:24,152 --> 00:07:27,113
Remind me to bury you in chores
from now on.

133
00:07:31,033 --> 00:07:33,327
Nuka, what's in your pocket?

134

00:07:37,707 --> 00:07:40,877
[sighs] How many times
do we have to talk about this?

135

00:07:40,960 --> 00:07:43,463
What did we say
about taking things without asking?

136

00:07:43,546 --> 00:07:47,049
But you always say
the land and the fishes are for everyone.

137

00:07:48,634 --> 00:07:50,386
[wind rushing]

138

00:07:56,726 --> 00:08:00,771
I found something out on the pass.
I think something happened to Birdie.

139

00:08:00,855 --> 00:08:02,857
[tense, uneasy music playing]

140

00:08:06,777 --> 00:08:09,739
Captain James Thacker traveled to Alaska

141

00:08:10,615 --> 00:08:14,202
to find a cure to end all cures,
but he was never heard from again.

142

00:08:15,912 --> 00:08:19,499
Your mother
and the scientists at Fort Smith

143

00:08:19,582 --> 00:08:22,043
sent a team in to investigate,

144
00:08:22,126 --> 00:08:24,837
but when they returned,
they brought back the Sick

145
00:08:24,921 --> 00:08:26,130
and the hybrids.

146
00:08:26,214 --> 00:08:28,716
I believe everything began in that cave,

147
00:08:28,799 --> 00:08:32,970
and now... whatever's in there
is calling out to both of us.

148
00:08:33,054 --> 00:08:34,055
[sighs]

149
00:08:35,806 --> 00:08:37,975
Why else would we be
sharing the same vision

150
00:08:38,059 --> 00:08:40,228
of a place we've never been to before?

151
00:08:40,311 --> 00:08:42,939
[Jepp] All right.
Enough of this woo-woo crap.

152
00:08:43,814 --> 00:08:44,982
No, he's right.

153
00:08:45,608 --> 00:08:47,693
I felt it too. I saw her there.

154
00:08:48,277 --> 00:08:51,030
-Your mother?

-Yes. She said she needed me.

155

00:08:51,113 --> 00:08:53,824

She went up there
after I was born to stop the Sick.

156

00:08:53,908 --> 00:08:54,909

Yes.

157

00:08:55,493 --> 00:08:57,912

Of course, but she... she can't succeed,

158

00:08:57,995 --> 00:08:59,247

not without you, Gus.

159

00:09:01,499 --> 00:09:02,667

Because you're the key.

160

00:09:04,418 --> 00:09:06,420

[faint, subdued ringing]

161

00:09:08,839 --> 00:09:10,841

[distant baying]

162

00:09:12,426 --> 00:09:14,428

[keening howls]

163

00:09:18,140 --> 00:09:19,141

Dogs.

164

00:09:20,351 --> 00:09:22,144

[pack snarling]

165

00:09:22,228 --> 00:09:24,522

Shit, they're coming this way fast.

166
00:09:24,605 --> 00:09:26,357
We need to ditch him now.

167
00:09:26,440 --> 00:09:29,402
Doubt me all you want,
but you'll never find her without me.

168
00:09:29,485 --> 00:09:31,195
-We can't leave him.
-Gus!

169
00:09:32,947 --> 00:09:36,200
We don't have to forgive him,
but we can't leave him.

170
00:09:37,076 --> 00:09:38,452
[distant snarling, yipping]

171
00:09:38,536 --> 00:09:39,537
[Wendy] Guys?

172
00:09:40,580 --> 00:09:41,581
Guys?

173
00:09:42,415 --> 00:09:43,833
[chilling music playing]

174
00:09:43,916 --> 00:09:45,918
[feral growling]

175
00:09:52,383 --> 00:09:53,426
[horse whinnying]

176
00:09:59,223 --> 00:10:02,226
Something with your scent,
each of you. Now.

177
00:10:08,482 --> 00:10:10,943
[pack snarling, sniffing]

178
00:10:18,242 --> 00:10:19,076
[pack howling]

179
00:10:19,160 --> 00:10:20,620
Go, go. Go!

180
00:10:21,579 --> 00:10:23,581
[hoofbeats receding]

181
00:10:24,206 --> 00:10:26,917
[pack howling]

182
00:10:30,379 --> 00:10:31,881
[panicked whinnying]

183
00:10:34,008 --> 00:10:34,967
Let's go.

184
00:10:37,011 --> 00:10:37,887
Move, now.

185
00:10:43,267 --> 00:10:46,312
[howling in distance]

186
00:10:46,395 --> 00:10:47,396
[wind whistling]

187
00:10:53,444 --> 00:10:54,904
That's definitely hers.

188
00:10:56,113 --> 00:10:58,115

[mysterious, unsettling music playing]

189

00:11:00,326 --> 00:11:06,290

Mom, if the bad person followed Birdie
from the shack, then where are they now?

190

00:11:06,374 --> 00:11:08,209

Let's hope she got away.

191

00:11:10,211 --> 00:11:11,170

Smell anything?

192

00:11:18,719 --> 00:11:19,720

I smell her.

193

00:11:19,804 --> 00:11:21,806

[suspenseful music playing]

194

00:11:27,937 --> 00:11:29,271

No footprints.

195

00:11:33,734 --> 00:11:34,860

Where did you go?

196

00:11:35,486 --> 00:11:36,487

Mom, look!

197

00:11:38,739 --> 00:11:40,741

[dark, cryptic music playing]

198

00:11:44,412 --> 00:11:45,413

Is that a hoof?

199

00:11:48,040 --> 00:11:50,418

Caribou, a big one.

200
00:11:54,630 --> 00:11:55,631
Whatever it is...

201
00:11:57,675 --> 00:11:59,427
it walked on two legs.

202
00:11:59,510 --> 00:12:02,263
What if it's the Caribou Man?

203
00:12:02,805 --> 00:12:04,807
[suspenseful music intensifying]

204
00:12:07,351 --> 00:12:08,352
[music trails off]

205
00:12:08,436 --> 00:12:09,437
[gentle birdsong]

206
00:12:11,939 --> 00:12:13,691
[Wendy] Did the Last Men send those dogs?

207
00:12:13,774 --> 00:12:15,609
The Last Men are all gone.

208
00:12:15,693 --> 00:12:17,445
[Becky] Then who the hell's after you?

209
00:12:17,987 --> 00:12:19,739
I fear it's not me they're after.

210
00:12:19,822 --> 00:12:22,074
Less talking, more walking.

211
00:12:22,158 --> 00:12:24,994
We're still far from the coast.

They might still be back on our asses.

212

00:12:25,077 --> 00:12:26,829
[plane whooshing overhead]

213

00:12:34,837 --> 00:12:38,299
There must be an airfield up here.
That's one way to get to the coast.

214

00:12:38,382 --> 00:12:40,342
One might say it's the only way.

215

00:12:42,636 --> 00:12:43,721
He's right.

216

00:12:45,055 --> 00:12:46,599
Might be our only way.

217

00:13:14,126 --> 00:13:15,377
[Becky] It's a Bolkow Junior.

218

00:13:15,961 --> 00:13:17,338
Sick ride.

219

00:13:18,464 --> 00:13:20,591
I'm a certified Junior Air Captain.

220

00:13:21,175 --> 00:13:23,886
On a flight simulator,
but I logged 200 hours.

221

00:13:25,012 --> 00:13:27,515
So if I can hot-wire that thing,
you can fly it?

222

00:13:27,598 --> 00:13:28,474

Yeah.

223

00:13:29,433 --> 00:13:31,560
Landing might be a different story though.

224

00:13:32,436 --> 00:13:33,771
[Jepp] Okay. You don't do nothing,

225

00:13:33,854 --> 00:13:35,815
you don't say nothing,
and you don't know nothing.

226

00:13:35,898 --> 00:13:39,109
Don't give me an excuse
to ditch your ass, capisce?

227

00:13:39,193 --> 00:13:40,027
Capisce.

228

00:13:48,244 --> 00:13:49,870
-Who the hell are you?
-Hey, hey.

229

00:13:49,954 --> 00:13:51,831
We're just travelers.

230

00:13:51,914 --> 00:13:56,502
We saw your plane fly over, and we just
need a ride to the coast. It's urgent.

231

00:13:56,585 --> 00:13:57,711
[Theo's mom] Ven!

232

00:13:58,379 --> 00:13:59,213
You need to leave.

233

00:13:59,296 --> 00:14:00,422
-But--
-[Ven] Now!

234
00:14:01,799 --> 00:14:02,800
[Theo's mom] Ven...

235
00:14:03,717 --> 00:14:05,177
Sir! Sir!

236
00:14:06,011 --> 00:14:06,971
Sir.

237
00:14:08,347 --> 00:14:09,473
I'm a doctor.

238
00:14:09,557 --> 00:14:10,808
[Theo's mom groaning]

239
00:14:10,891 --> 00:14:12,852
Does someone need medical attention?

240
00:14:26,740 --> 00:14:27,992
[Ven] My wife's in labor.

241
00:14:28,742 --> 00:14:31,287
I flew to Twin Falls to find a doctor,
but there's no one left.

242
00:14:31,370 --> 00:14:34,790
Well, my good friend,
Dr. Singh, could help you

243
00:14:34,874 --> 00:14:38,335
if you were to fly us
to Nag's Reef after he's done.

244

00:14:38,419 --> 00:14:41,297

Oh God, Ven!

[Theo's mom panting, groaning]

245

00:14:41,380 --> 00:14:42,464

[Jepp] It's urgent.

246

00:14:44,258 --> 00:14:45,092

Pinkies.

247

00:14:51,390 --> 00:14:53,142

Help us, and you'll get your ride.

248

00:14:54,059 --> 00:14:54,935

You got a deal.

249

00:14:55,019 --> 00:14:56,395

But they have to wait outside.

250

00:14:56,478 --> 00:14:58,522

That's my sister you're talking about.

251

00:14:58,606 --> 00:14:59,565

[sarcastic chuckle]

252

00:15:00,065 --> 00:15:02,318

Excuse me.

I didn't notice the resemblance.

253

00:15:03,068 --> 00:15:05,779

But your sister,
she's gonna have to wait outside.

254

00:15:06,405 --> 00:15:08,616

Whatever it takes
for us to get out of here.

255

00:15:14,330 --> 00:15:15,331
Go on.

256

00:15:19,001 --> 00:15:20,210
[Ven] She's in the back.

257

00:15:29,553 --> 00:15:32,306
There were people at the door.
One of them's a doctor.

258

00:15:32,389 --> 00:15:34,350
-God!
-He agreed to help us.

259

00:15:34,433 --> 00:15:36,727
-Are you sure?
-[Ven] It's the best chance we have.

260

00:15:36,810 --> 00:15:40,314
-[Theo's mom] But what if he won't?
-[Ven] They don't know anything.

261

00:15:40,397 --> 00:15:42,358
-That way... Yeah.
-Hey, no...

262

00:15:43,484 --> 00:15:45,611
[Theo's mom moaning]

263

00:15:45,694 --> 00:15:48,489
Hello, ma'am. My name is Dr. Singh.

264

00:15:48,572 --> 00:15:49,990
And I'm here to help.

265

00:15:50,574 --> 00:15:54,328
[straining] Is there any chance
our child will be normal?

266

00:15:54,411 --> 00:15:56,413
[gentle, bleak music playing]

267

00:15:59,333 --> 00:16:00,250
[clears throat]

268

00:16:00,334 --> 00:16:04,213
The, uh, fetus develops hybrid features
in the third trimester.

269

00:16:04,296 --> 00:16:09,009
I haven't counted any exceptions,
but I assure you,

270

00:16:09,093 --> 00:16:13,013
many people who feel as you do
learn to accept what's to come...

271

00:16:15,140 --> 00:16:16,183
as a blessing.

272

00:16:21,355 --> 00:16:22,648
-[Theo's mom moans]
-Okay.

273

00:16:22,731 --> 00:16:25,442
-[Ven] You're doing great.
-[Theo's mom] It's happening again!

274

00:16:25,526 --> 00:16:27,945
-[Theo's mom wails]
-[Dr. Singh] Right. Come on. That's it.

275

00:16:28,028 --> 00:16:31,824
Now sit back for me.
Sit back! Sit back for me now.

276
00:16:37,079 --> 00:16:39,123
It wasn't like this the first time.

277
00:16:40,207 --> 00:16:43,168
-So you mean this wasn't your first?
-[Theo's mom whimpering in distance]

278
00:16:43,252 --> 00:16:46,880
We have a boy, 12,
from before all of this.

279
00:16:46,964 --> 00:16:48,257
We wanted a brother for him.

280
00:16:48,340 --> 00:16:53,178
Hard time to bring a child into this world
with the Doomsday strain and all.

281
00:16:53,262 --> 00:16:55,180
Was there ever a good time?

282
00:16:55,889 --> 00:16:59,101
We just wanted a normal life,
a normal family.

283
00:16:59,184 --> 00:17:01,729
Hybrid kids aren't so bad, you know.

284
00:17:01,812 --> 00:17:04,106
No, it's the people out there
that scare me.

285
00:17:04,982 --> 00:17:06,900

They hate anyone that's different.

286

00:17:10,112 --> 00:17:12,448
That's why I moved my family to this farm.

287

00:17:13,782 --> 00:17:15,784
[tense, wary music playing]

288

00:17:18,120 --> 00:17:21,248
What about you?
You on the run or something?

289

00:17:21,331 --> 00:17:24,460
Like you said,
there's a lot of people out there

290

00:17:24,543 --> 00:17:27,921
who don't exactly have
hybrids' best interest at heart.

291

00:17:31,216 --> 00:17:33,552
If you've brought danger on your tail,

292

00:17:34,261 --> 00:17:37,306
I will do whatever I have to
to protect my family.

293

00:17:37,973 --> 00:17:38,974
[Theo's mom] Ven!

294

00:17:42,227 --> 00:17:43,228
Excuse me.

295

00:17:44,730 --> 00:17:47,316
[subdued, uneasy music playing]

296

00:18:01,455 --> 00:18:04,666
[whispers] He's hiding something.
This place gives me the creeps.

297

00:18:05,584 --> 00:18:08,212
And I really don't like
counting on that nut job.

298

00:18:08,295 --> 00:18:09,755
I don't like it either,

299

00:18:09,838 --> 00:18:13,592
but until we get that plane,
we're at Singh's mercy.

300

00:18:17,179 --> 00:18:19,181
[wind rushing]

301

00:18:28,232 --> 00:18:29,566
It's not her!

302

00:18:30,150 --> 00:18:32,361
But if he was dead, how'd he get up here?

303

00:18:32,945 --> 00:18:35,572
Don't look, baby. Someone did this to him.

304

00:18:36,365 --> 00:18:37,699
[Nuka] Or some thing.

305

00:18:42,162 --> 00:18:44,164
[dramatic music playing]

306

00:18:46,708 --> 00:18:49,419
[Siana] Someone must have
sent him here, but why?

307
00:18:51,630 --> 00:18:53,340
Was it because of her mission?

308
00:18:54,007 --> 00:18:55,384
Save the world?

309
00:18:55,467 --> 00:18:56,468
Maybe.

310
00:18:58,137 --> 00:19:01,723
But if she's out there,
she's running out of time.

311
00:19:01,807 --> 00:19:03,934
[dramatic music swells]

312
00:19:04,017 --> 00:19:04,935
[music trails off]

313
00:19:05,018 --> 00:19:07,020
-[indistinct chatter]
-[horse whinnies]

314
00:19:08,230 --> 00:19:09,815
[cow lows]

315
00:19:11,233 --> 00:19:12,734
[strained lowing]

316
00:19:15,279 --> 00:19:16,113
Chains!

317
00:19:17,865 --> 00:19:19,658
[cow lows]

318

00:19:28,041 --> 00:19:29,042
Mother?

319
00:19:29,793 --> 00:19:30,711
I'm a little busy.

320
00:19:31,628 --> 00:19:32,629
It's Rosie.

321
00:19:33,630 --> 00:19:34,631
[sighs]

322
00:19:38,969 --> 00:19:40,512
Tell me something good, Rosie.

323
00:19:40,596 --> 00:19:42,264
I'm in Idaho now.

324
00:19:42,347 --> 00:19:45,309
The boys caught up to the deer kid,
just north of an avalanche.

325
00:19:45,392 --> 00:19:46,852
But he wasn't alone, apparently.

326
00:19:47,769 --> 00:19:48,729
He got away.

327
00:19:48,812 --> 00:19:49,730
Huh.

328
00:19:50,230 --> 00:19:53,942
The boys got distracted by a horse,
but they'll pick up the scent again.

329
00:19:54,026 --> 00:19:55,569

The hybrid can't have gotten far.

330

00:19:59,656 --> 00:20:00,490
Mother?

331

00:20:00,574 --> 00:20:04,995
We don't have time for mistakes
or disobedient mutts!

332

00:20:05,078 --> 00:20:05,913
I know.

333

00:20:05,996 --> 00:20:08,290
Your sister's baby could turn any day now.

334

00:20:08,373 --> 00:20:10,667
You know this
better than anyone, Rosalina!

335

00:20:10,751 --> 00:20:12,169
The boys will find them.

336

00:20:12,878 --> 00:20:13,879
They listen to me.

337

00:20:15,672 --> 00:20:16,965
I'm gonna take care of this.

338

00:20:17,049 --> 00:20:19,051
I know you will, for your family.

339

00:20:20,928 --> 00:20:24,431
[whispering sharply] Hurry up.
All this stress isn't good for the baby!

340

00:20:25,724 --> 00:20:26,767

How's Tex?

341

00:20:27,476 --> 00:20:29,603
[disconnect tone drones]

342

00:20:33,315 --> 00:20:34,691
Your wife asked about you.

343

00:20:34,775 --> 00:20:35,734
How is she?

344

00:20:37,778 --> 00:20:40,322
That is the last bullet I take for you.

345

00:20:40,405 --> 00:20:43,325
-Next time you call my mother.
-But you won't get a real bullet.

346

00:20:46,119 --> 00:20:48,455
Some cowboy you turned out to be.

347

00:20:49,790 --> 00:20:51,625
What does my sister see in you?

348

00:20:55,254 --> 00:20:57,381
Guess it's slim pickings
in the apocalypse.

349

00:20:57,464 --> 00:20:58,465
[door opens]

350

00:21:00,133 --> 00:21:01,051
[door closes]

351

00:21:03,804 --> 00:21:05,639
Stay. I want you to watch this.

352
00:21:09,268 --> 00:21:10,269
[grunts]

353
00:21:10,352 --> 00:21:11,561
[cow lows]

354
00:21:12,688 --> 00:21:14,523
[strained lowing]

355
00:21:17,609 --> 00:21:18,610
[grunts]

356
00:21:23,156 --> 00:21:23,991
Attagirl.

357
00:21:24,074 --> 00:21:26,076
Oh, that's disgusting, Mother.

358
00:21:30,247 --> 00:21:35,043
Animals should beget animals,
humans should beget humans.

359
00:21:36,169 --> 00:21:37,754
It's not complicated.

360
00:21:38,422 --> 00:21:42,634
Everyone has their place
in the natural order of things.

361
00:21:44,052 --> 00:21:45,053
But soon...

362
00:21:46,888 --> 00:21:49,850
there will be no more mistakes.

363

00:21:51,768 --> 00:21:53,770
[mysterious music playing]

364

00:22:01,737 --> 00:22:04,698
Are you mad at me for bringing Singh?

365

00:22:06,450 --> 00:22:07,868
[Wendy] Do you believe him?

366

00:22:07,951 --> 00:22:10,829
Do you really think
people can have the same dream?

367

00:22:14,499 --> 00:22:16,626
I don't know what to think, but...

368

00:22:18,378 --> 00:22:20,088
he does seem to know a lot.

369

00:22:21,173 --> 00:22:23,175
[clattering in distance]

370

00:22:23,967 --> 00:22:26,178
It's them. They found us.

371

00:22:32,851 --> 00:22:33,727
Hybrids!

372

00:22:39,858 --> 00:22:41,568
I've never met a human kid before.

373

00:22:45,822 --> 00:22:46,823
Should we say hi?

374

00:22:51,745 --> 00:22:53,163

[Wendy whispers] Up there.

375

00:22:53,246 --> 00:22:55,248
[mysterious music playing]

376

00:23:03,632 --> 00:23:04,591
[Gus] Hello?

377

00:23:10,972 --> 00:23:12,974
[mysterious music continues]

378

00:23:14,142 --> 00:23:15,143
Hello?

379

00:23:24,611 --> 00:23:26,613
[suspenseful music grows]

380

00:23:28,031 --> 00:23:29,032
[jarring stinger]

381

00:23:29,116 --> 00:23:30,450
[Theo] Lay down your weapon!

382

00:23:30,534 --> 00:23:31,535
[Kirby clucks]

383

00:23:36,623 --> 00:23:37,958
[suspenseful music swells]

384

00:23:38,041 --> 00:23:39,167
[music trails off]

385

00:23:39,251 --> 00:23:40,252
[power humming]

386

00:23:40,335 --> 00:23:42,337
[delicate, wondrous music playing]

387
00:24:02,065 --> 00:24:04,568
[in growly voice]
Don't even think about eating me.

388
00:24:04,651 --> 00:24:05,735
Or my rooster.

389
00:24:05,819 --> 00:24:06,862
[clucks]

390
00:24:08,738 --> 00:24:09,656
I'm Wendy.

391
00:24:10,532 --> 00:24:12,409
This is Gus, and, uh...

392
00:24:14,411 --> 00:24:15,620
we don't eat people.

393
00:24:16,788 --> 00:24:17,622
Pinky promise.

394
00:24:17,706 --> 00:24:19,124
Pinkies are bad luck.

395
00:24:19,207 --> 00:24:20,709
[Wendy] Not for hybrids.

396
00:24:20,792 --> 00:24:23,211
I'm not supposed to talk to hybrids.

397
00:24:32,053 --> 00:24:33,054
Huh.

398

00:24:33,555 --> 00:24:37,559
Kirby the Rooster likes you,
so maybe you're okay.

399

00:24:39,060 --> 00:24:39,936
Hey, Kirby.

400

00:24:40,020 --> 00:24:40,937
[agitated cluck]

401

00:24:41,021 --> 00:24:42,522
-Ow!
-[Theo] Bad rooster!

402

00:24:42,606 --> 00:24:44,149
Sorry.

403

00:24:44,232 --> 00:24:48,361
He gets mad if you just say..
[whispers] ...K-I-R-B-Y.

404

00:24:52,449 --> 00:24:54,242
Sorry, Kirby the Rooster.

405

00:24:57,621 --> 00:24:59,539
You can just call me Theo though.

406

00:25:02,417 --> 00:25:03,752
Hey, give it back.

407

00:25:04,711 --> 00:25:06,171
Did your parents cut it off?

408

00:25:06,254 --> 00:25:07,881
What? No!

409

00:25:07,964 --> 00:25:11,593
We're going to find his mom,
who loves him more than anything.

410

00:25:11,676 --> 00:25:15,305
But if she loves you so much,
then why do you have to find her?

411

00:25:15,388 --> 00:25:17,891
Because she went to Alaska
to save the world.

412

00:25:17,974 --> 00:25:19,226
Oh, cool.

413

00:25:19,309 --> 00:25:20,477
What's Alaska?

414

00:25:22,771 --> 00:25:24,773
[suspenseful, furtive music playing]

415

00:25:30,070 --> 00:25:31,571
[indistinct radio chatter]

416

00:25:52,092 --> 00:25:53,885
[Ven] Breathe. Breathe.

417

00:25:53,969 --> 00:25:56,638
-That's it. You're doing great.
-[Theo's mom whimpers]

418

00:25:57,472 --> 00:26:00,600
[Ven] Listen to the doctor.
That's why he's here.

419

00:26:00,684 --> 00:26:02,435
[foreboding music playing]

420
00:26:03,270 --> 00:26:05,272
-[faucet squeaks]
-[water running loudly]

421
00:26:07,399 --> 00:26:09,401
-[Theo's mom whimpers]
-[tap squeaks off]

422
00:26:12,279 --> 00:26:15,574
He can't have called us in.
We've been with him the whole time.

423
00:26:15,657 --> 00:26:18,368
What if he does it
the moment Singh delivers that baby?

424
00:26:21,037 --> 00:26:22,872
Ven needs us as much as we need him.

425
00:26:22,956 --> 00:26:26,751
Plus, if that's who's really after us,
we're definitely gonna need that plane.

426
00:26:26,835 --> 00:26:28,169
Then this is too risky.

427
00:26:28,253 --> 00:26:30,547
Hey, hey, hey, hey. Put it back.

428
00:26:30,630 --> 00:26:32,674
-[Theo's mom whimpering]
-I'll keep an eye on him.

429
00:26:33,466 --> 00:26:35,719

And we'll hold him to his word.

430

00:26:35,802 --> 00:26:36,678
But if we're wrong?

431

00:26:36,761 --> 00:26:40,807
Then we'll do whatever we have to
to protect our family.

432

00:26:45,812 --> 00:26:48,857
This is my first-place award
for exceptional chicken wrangling.

433

00:26:48,940 --> 00:26:52,110
I have three Michelin stars
for my blueberry jam,

434

00:26:52,193 --> 00:26:55,030
and this is my certificate
of Advanced Bushcraft.

435

00:26:55,113 --> 00:26:58,283
The C actually makes
an S sound in "certificate."

436

00:26:58,366 --> 00:26:59,492
We can read, you know.

437

00:26:59,576 --> 00:27:00,744
You must be smart

438

00:27:01,578 --> 00:27:02,495
for a hybrid.

439

00:27:08,418 --> 00:27:09,711
You really like planes, huh?

440
00:27:10,378 --> 00:27:11,963
I love planes.

441
00:27:12,047 --> 00:27:14,257
My dad won't actually let me fly.

442
00:27:14,341 --> 00:27:16,051
He says it's dangerous out there.

443
00:27:16,134 --> 00:27:17,719
Oh, but check this out.

444
00:27:20,764 --> 00:27:22,390
[soft, measured inhale]

445
00:27:22,474 --> 00:27:24,476
[aching, poignant music playing]

446
00:27:27,145 --> 00:27:29,064
It kind of feels like flying, right?

447
00:27:34,110 --> 00:27:37,739
I wish I could build my own plane
and fly far away from here.

448
00:27:42,285 --> 00:27:46,414
My sister Jojo built a bicycle once,
all by herself.

449
00:27:46,498 --> 00:27:48,458
Can all hybrids do cool stuff?

450
00:27:48,541 --> 00:27:51,711
My brother Earl is
as strong as three grownups combined.

451

00:27:51,795 --> 00:27:53,088

No way!

452

00:27:53,171 --> 00:27:57,050

And Maya can hang from her monkey tail,
and Teddy has super turtle-shell defense,

453

00:27:57,133 --> 00:27:59,010

and Bobby can dig for miles!

454

00:27:59,094 --> 00:28:01,304

Oh, what kind of hybrid is Bobby?

455

00:28:01,388 --> 00:28:02,555

I don't know.

456

00:28:03,723 --> 00:28:05,225

He's really furry.

457

00:28:05,892 --> 00:28:07,811

You're gonna love having a hybrid brother.

458

00:28:10,105 --> 00:28:11,648

[sulkily] My brother's gonna be normal.

459

00:28:16,820 --> 00:28:18,446

All babies are hybrids now.

460

00:28:18,530 --> 00:28:21,074

Look, hybrids are wild,

461

00:28:21,157 --> 00:28:23,993

and 70% of their brains are animal,

462

00:28:24,577 --> 00:28:26,663

so they aren't fit for society.

463

00:28:26,746 --> 00:28:29,249
No offense. It's just science.

464

00:28:29,791 --> 00:28:31,584
That's not gonna be my brother.

465

00:28:31,668 --> 00:28:33,378
Where did you hear that?

466

00:28:34,170 --> 00:28:35,547
My parents told me.

467

00:28:36,339 --> 00:28:38,925
You wouldn't think that
if you met more hybrids.

468

00:28:43,513 --> 00:28:46,307
Can any hybrids fly?

469

00:28:47,809 --> 00:28:49,185
My sister Haley can.

470

00:28:49,686 --> 00:28:51,146
She's part mockingbird.

471

00:28:52,647 --> 00:28:54,065
Why do you ask?

472

00:29:02,323 --> 00:29:03,324
Actually...

473

00:29:05,368 --> 00:29:06,911
you remind me of her.

474

00:29:08,913 --> 00:29:09,748

In fact,

475

00:29:11,249 --> 00:29:14,043

she probably loves flying
just as much as you do.

476

00:29:17,505 --> 00:29:19,382

Theo, how old are you?

477

00:29:19,466 --> 00:29:21,176

I'm not supposed to tell.

478

00:29:22,093 --> 00:29:23,762

[Gus] Were you born after the Crumble?

479

00:29:26,431 --> 00:29:27,974

We're your friends now.

480

00:29:29,392 --> 00:29:30,685

You can tell us.

481

00:29:31,227 --> 00:29:33,229

[pensive, subdued music playing]

482

00:29:34,147 --> 00:29:36,149

[inhales, exhales shakily]

483

00:29:41,029 --> 00:29:42,614

If I show you something,

484

00:29:43,865 --> 00:29:46,493

do you promise not to tell anybody?

485

00:29:53,500 --> 00:29:54,667

Pinky promise?

486

00:29:55,919 --> 00:29:58,671
-[Theo's mom screams]
-Breathe. It's okay, breathe.

487

00:30:00,840 --> 00:30:01,674
Breathe.

488

00:30:01,758 --> 00:30:03,843
-[Dr. Singh] All right.
-[moaning]

489

00:30:03,927 --> 00:30:06,304
-[Theo's mom muttering blearily]
-[Dr. Singh] One, two, three.

490

00:30:06,387 --> 00:30:08,181
[Theo's mom screaming]

491

00:30:10,600 --> 00:30:13,478
[Dr. Singh] Great! You're doing very well.

492

00:30:13,561 --> 00:30:15,063
[Ven] You got this, baby. Come on.

493

00:30:15,688 --> 00:30:16,773
What is it?

494

00:30:16,856 --> 00:30:18,316
The child is breech.

495

00:30:19,526 --> 00:30:20,777
It's stuck.

496

00:30:20,860 --> 00:30:22,403

It's out of position.

497

00:30:23,696 --> 00:30:24,948

And I see a tail.

498

00:30:26,658 --> 00:30:28,868

[Ven] Jesus. Jesus, what's going on?

499

00:30:28,952 --> 00:30:30,203

I'm not gonna lie to you.

500

00:30:30,286 --> 00:30:33,248

There is a complication.

I just need to reposition the baby.

501

00:30:33,331 --> 00:30:34,916

-[whimpers]

-It's okay.

502

00:30:36,000 --> 00:30:37,418

[whispering] This is getting worse.

503

00:30:37,502 --> 00:30:41,172

[whispering] Whatever you are planning,
I'm not gonna leave her like this.

504

00:30:41,256 --> 00:30:44,175

All right? So just make yourself useful
and keep her calm.

505

00:30:44,759 --> 00:30:45,677

Come on.

506

00:30:45,760 --> 00:30:50,431

Okay. Look at me.

Can you look at me? Okay.

507
00:30:50,515 --> 00:30:51,683
[water sloshing]

508
00:30:51,766 --> 00:30:53,351
[Theo's mom wailing]

509
00:30:53,434 --> 00:30:57,355
Look here. Look here.
All right, one, two, three.

510
00:30:57,438 --> 00:30:59,440
[delicate, rueful music playing]

511
00:31:23,923 --> 00:31:26,718
[wings fluttering, rustling]

512
00:31:27,302 --> 00:31:28,511
[Theo] You can look now.

513
00:31:38,021 --> 00:31:40,315
[Theo] Sorry, I know they're gross.

514
00:31:40,398 --> 00:31:41,733
They're not gross.

515
00:31:42,650 --> 00:31:43,818
They're awesome.

516
00:31:46,446 --> 00:31:47,447
Theo.

517
00:31:48,573 --> 00:31:49,616
You're like us.

518
00:31:49,699 --> 00:31:51,409

[ringing audio distortion]

519

00:31:51,492 --> 00:31:53,494
[Theo's mom wailing]

520

00:31:53,578 --> 00:31:55,747
You're doing great!
Remember your breathing!

521

00:31:55,830 --> 00:31:56,873
Shut up!

522
