EPISODE 3.04

"Beyond the Sea"

An unsettling discovery at sea forces Gus to take on a grim chore as tensions swell between his companions. On land, an enemy interrogates Becky.

George Ferrier	...	Jordan
Leo Maggs	...	Darwin
John Leigh	...	Captain Stafford
Amie Donald	...	Wolf Boy #2

1

00:00:11,177 --> 00:00:13,179
[spirited, upbeat music playing]

2

00:00:16,808 --> 00:00:18,810
[indistinct chatter]

3

00:00:30,030 --> 00:00:31,656
[man] Welcome aboard, everybody.

4

00:00:32,240 --> 00:00:33,491
I'm Captain Stafford.

5

00:00:34,284 --> 00:00:35,285
Now...

6

00:00:36,244 --> 00:00:38,455
I know you've all been through a lot.

7

00:00:39,289 --> 00:00:43,793
We've all seen more than
our fair share of loss and tragedy.

8

00:00:45,336 --> 00:00:48,089
But... that changes today.

9

00:00:48,882 --> 00:00:51,968
Because today, we're on our way to Canada.

10

00:00:52,802 --> 00:00:55,221
There's no way of knowing what awaits us.

11

00:00:55,722 --> 00:00:58,183
But for the moment, we're safe.

12

00:01:01,311 --> 00:01:05,565

So, smile... hug the person next to you,

13

00:01:05,648 --> 00:01:09,027
and let's honor the memory
of those we've lost along the way

14

00:01:09,110 --> 00:01:13,615
by doing the one thing they'd want us
to be doing for making it this far.

15

00:01:14,783 --> 00:01:15,658
Celebrate.

16

00:01:15,742 --> 00:01:17,494
-[passenger] Yeah!
-Drop a beat, DC!

17

00:01:17,577 --> 00:01:19,204
[excited chatter]

18

00:01:19,287 --> 00:01:20,789
[passengers exclaiming]

19

00:01:20,872 --> 00:01:22,791
[Soul Finger" by the Bar-Kays playing]

20

00:01:22,874 --> 00:01:24,542
[upbeat soul music playing]

21

00:01:24,626 --> 00:01:27,253
[narrator] We all want
to be remembered in some way.

22

00:01:28,254 --> 00:01:30,924
The question is always how.

23

00:01:31,674 --> 00:01:33,927
How would we like to be remembered?

24
00:01:35,220 --> 00:01:37,847
By going gracefully into that good night?

25
00:01:38,765 --> 00:01:42,060
Or by carrying the weight of the world
on your shoulders?

26
00:01:42,936 --> 00:01:47,023
However it may be, one thing is certain.

27
00:01:48,066 --> 00:01:52,028
We all want to know
we left this world doing some good,

28
00:01:52,695 --> 00:01:55,156
that our lives truly meant something.

29
00:01:55,240 --> 00:01:57,242
["Soul Finger" continuing]

30
00:01:58,827 --> 00:02:00,829
[song grows distorted, fades away]

31
00:02:00,912 --> 00:02:02,914
[folksy, adventurous music playing]

32
00:02:08,086 --> 00:02:09,254
We made it!

33
00:02:09,337 --> 00:02:10,505
Just in time.

34
00:02:11,047 --> 00:02:12,632

Hello there!

35

00:02:14,008 --> 00:02:16,594
[ship's bell ringing]

36

00:02:20,682 --> 00:02:22,684
[upbeat party music playing]

37

00:02:29,482 --> 00:02:31,484
[Dr. Singh]
Now the other hand. Two, three...

38

00:02:31,568 --> 00:02:33,486
[Gus grunting]

39

00:02:38,283 --> 00:02:39,200
[Jepp grunts]

40

00:02:44,914 --> 00:02:46,291
Where is everybody?

41

00:02:49,210 --> 00:02:51,921
-Maybe we shouldn't be here.
-Yeah, about that...

42

00:02:58,094 --> 00:02:59,387
[Jepp] We aren't going anywhere.

43

00:03:10,481 --> 00:03:13,109
Looks like they had
a big party or something.

44

00:03:13,610 --> 00:03:15,695
What, and everybody just vamoosed?

45

00:03:15,778 --> 00:03:18,281

Maybe they're sleeping it off
in their cabins.

46

00:03:18,364 --> 00:03:19,699
Including the entire crew?

47

00:03:19,782 --> 00:03:22,035
[disquieting music building]

48

00:03:22,118 --> 00:03:24,245
We're not moving. The engine's off.

49

00:03:24,329 --> 00:03:25,830
[ship's bell tolling]

50

00:03:27,332 --> 00:03:30,418
I'm going to take a look around,
see what's going on.

51

00:03:33,796 --> 00:03:35,590
You two, stay put.

52

00:03:36,174 --> 00:03:37,467
I'll look after him.

53

00:03:43,514 --> 00:03:45,516
[disquieting music intensifies]

54

00:03:55,860 --> 00:03:57,862
[eerie music playing]

55

00:03:58,863 --> 00:04:00,698
Hello? Anybody here?

56

00:04:03,034 --> 00:04:05,036
[tense notes pulsing]

57

00:04:20,134 --> 00:04:22,428
[harrowing music playing]

58

00:04:24,931 --> 00:04:25,932
[Jepp panting]

59

00:04:26,015 --> 00:04:27,183
[music intensifies]

60

00:04:28,393 --> 00:04:29,519
[jarring stinger]

61

00:04:29,602 --> 00:04:31,854
I thought I told you to stay put.
Turn around.

62

00:04:31,938 --> 00:04:33,564
-But what is it?
-What's wrong?

63

00:04:33,648 --> 00:04:35,483
We can't be here. Come on, come on.

64

00:04:35,566 --> 00:04:38,611
-[Dr. Singh] What did you find?
-Come on, let's get in there.

65

00:04:43,616 --> 00:04:45,076
[Jepp] Keep going, Gus.

66

00:04:47,662 --> 00:04:49,664
[music intensifies, trails off]

67

00:04:52,500 --> 00:04:54,711
Jepp, what's wrong? What'd you find?

68

00:04:57,171 --> 00:05:00,008
The Sick's on the ship, isn't it?
Were you exposed?

69

00:05:00,091 --> 00:05:01,384
I don't know.

70

00:05:01,467 --> 00:05:05,680
-It's rather important to know if you're--
-I said I don't know!

71

00:05:07,515 --> 00:05:10,518
One thing's certain, we can't stay here.
There's no food, no water.

72

00:05:10,601 --> 00:05:14,856
-None of that matters if we can't get--
-None of that matters if you were exposed.

73

00:05:14,939 --> 00:05:16,566
I wasn't exposed!

74

00:05:20,028 --> 00:05:22,864
Okay? I... I'm fine.

75

00:05:25,616 --> 00:05:26,826
How do you know?

76

00:05:27,910 --> 00:05:30,204
[distressing music playing]

77

00:05:30,288 --> 00:05:31,289
[Gus] Jepp?

78

00:05:34,417 --> 00:05:36,836

[music intensifies]

79

00:05:36,919 --> 00:05:37,920
[music trails off]

80

00:05:41,090 --> 00:05:43,092
[Rosie's son whimpering]

81

00:05:43,176 --> 00:05:44,177
[Rosie grunts]

82

00:05:45,261 --> 00:05:46,512
[weak mewling]

83

00:05:46,596 --> 00:05:48,514
I... I can't stop the bleeding.

84

00:05:50,350 --> 00:05:51,309
I'm sorry.

85

00:05:53,269 --> 00:05:55,229
I didn't realize he was a hybrid.

86

00:06:01,486 --> 00:06:02,487
[Becky grunts]

87

00:06:03,863 --> 00:06:06,199
And what if he wasn't? What then?

88

00:06:08,034 --> 00:06:09,619
[menacing music playing]

89

00:06:13,164 --> 00:06:14,332
You hurt my son.

90

00:06:17,293 --> 00:06:20,046
Give me one good reason not to hurt you.

91
00:06:20,129 --> 00:06:20,963
[Tex] Rosie.

92
00:06:21,047 --> 00:06:22,548
[vehicle approaching]

93
00:06:30,223 --> 00:06:31,307
[brakes screech]

94
00:06:31,391 --> 00:06:34,018
[doors opening]

95
00:06:35,478 --> 00:06:36,854
What are you doing here?

96
00:06:37,647 --> 00:06:39,357
I was worried sick about you.

97
00:06:40,400 --> 00:06:43,486
One minute we're talking, the next,
I can't reach you. Where is he?

98
00:06:44,737 --> 00:06:47,740
Where is he, Rosie? The deer boy.

99
00:06:49,283 --> 00:06:51,869
We'll find him, because now we've got her.

100
00:06:51,953 --> 00:06:54,038
[suspenseful music pulsing]

101
00:06:56,874 --> 00:06:58,835
One little teenage girl?

102

00:06:59,419 --> 00:07:02,880

She was traveling with them.
She can tell us where they're headed.

103

00:07:02,964 --> 00:07:05,967

Why don't I take it from here?
You look after your boy.

104

00:07:08,386 --> 00:07:10,805

Let's take our new guest
on up to the house.

105

00:07:10,888 --> 00:07:13,433

We're gonna have ourselves a little chat.

106

00:07:16,769 --> 00:07:18,771

[Rosie's son whimpering]

107

00:07:21,357 --> 00:07:22,900

[harsh, martial music playing]

108

00:07:28,823 --> 00:07:30,825

[breathing shakily]

109

00:07:38,791 --> 00:07:40,793

[uneasy music playing]

110

00:07:47,592 --> 00:07:48,593

[music trailing off]

111

00:07:51,095 --> 00:07:53,556

-We gotta get this boat moving.
-[Dr. Singh] He's right.

112

00:07:53,639 --> 00:07:54,682

[Gus] So how do we do that?

113

00:07:54,765 --> 00:07:56,726
One of us would have to get to the bridge,

114

00:07:56,809 --> 00:07:59,395
and then we might be able
to get the engine started.

115

00:07:59,979 --> 00:08:02,023
Only one little problem with your plan.

116

00:08:04,192 --> 00:08:05,485
The Sick's still out there.

117

00:08:07,236 --> 00:08:10,072
Well... we have to do something.

118

00:08:10,156 --> 00:08:13,284
[Jepp] What's this "we" shit?
You got lucky you ended up here.

119

00:08:13,367 --> 00:08:15,995
Should've been your ass
left on that beach and not the sisters.

120

00:08:16,078 --> 00:08:17,205
I'm here for Gus.

121

00:08:17,288 --> 00:08:19,207
-Don't give me that fate shit again!
-[door slams]

122

00:08:19,290 --> 00:08:20,124
Gus?

123

00:08:21,042 --> 00:08:22,835
No, wait! No!

124
00:08:22,919 --> 00:08:24,337
Wait, what are you doing?

125
00:08:24,420 --> 00:08:26,464
I'm going to the bridge
to find out what happened.

126
00:08:26,547 --> 00:08:28,174
Gus, listen. You cannot do that.

127
00:08:28,799 --> 00:08:31,928
I'm the only one who can.
I can't get sick, remember?

128
00:08:32,011 --> 00:08:35,181
[Jepp] Maybe not,
but those purple flowers will mess you up.

129
00:08:36,641 --> 00:08:38,684
I'll be careful. Promise.

130
00:08:39,685 --> 00:08:40,686
Sweet Tooth...

131
00:08:40,770 --> 00:08:42,271
Just trust me, okay?

132
00:08:43,064 --> 00:08:44,690
I'll figure out what's going on.

133
00:08:46,943 --> 00:08:48,861
Try not to kill each other while I'm gone.

134

00:08:54,617 --> 00:08:55,701
He'll be okay.

135
00:08:56,827 --> 00:08:59,205
You have any idea
what he's gonna see out there?

136
00:09:00,414 --> 00:09:01,415
What's worse?

137
00:09:02,875 --> 00:09:03,876
Gus seeing death...

138
00:09:05,670 --> 00:09:06,671
or dying?

139
00:09:07,588 --> 00:09:09,590
[somber, crestfallen music playing]

140
00:09:19,433 --> 00:09:22,311
[ship creaking and groaning]

141
00:09:25,606 --> 00:09:27,608
[eerie, unsettling music playing]

142
00:10:01,934 --> 00:10:03,936
[unsettling music continuing]

143
00:10:18,534 --> 00:10:20,036
[distant clattering]

144
00:10:29,378 --> 00:10:30,338
[eerie stinger]

145
00:10:30,421 --> 00:10:31,422
[Gus gasps]

146
00:10:32,965 --> 00:10:33,966
[panting]

147
00:10:38,095 --> 00:10:39,263
[yelps]

148
00:10:39,347 --> 00:10:40,264
[chilling stinger]

149
00:10:40,348 --> 00:10:42,141
[screams, pants]

150
00:10:45,519 --> 00:10:46,354
[radio squawks]

151
00:10:46,437 --> 00:10:47,438
[man] Hello?

152
00:10:51,776 --> 00:10:53,402
Is there anybody out there?

153
00:10:54,779 --> 00:10:56,906
Somebody, please answer.

154
00:11:02,078 --> 00:11:03,120
Hello?

155
00:11:03,204 --> 00:11:04,288
Hello?

156
00:11:05,831 --> 00:11:07,541
[exhales] Oh, thank God.

157
00:11:08,376 --> 00:11:10,002

Thought I was the only one left.

158

00:11:11,045 --> 00:11:12,046
Who are you?

159

00:11:12,129 --> 00:11:14,131
[subdued, thoughtful music playing]

160

00:11:15,424 --> 00:11:16,509
I'm Gus.

161

00:11:18,803 --> 00:11:19,804
Who are you?

162

00:11:21,097 --> 00:11:23,140
Darwin. The first mate.

163

00:11:25,643 --> 00:11:26,727
Where are you?

164

00:11:29,647 --> 00:11:30,690
In my cabin.

165

00:11:32,024 --> 00:11:34,110
I must've made it back here somehow.

166

00:11:34,193 --> 00:11:36,445
I got really drunk last night
and passed out,

167

00:11:36,529 --> 00:11:38,197
and when I woke up this morning..

168

00:11:40,241 --> 00:11:41,242
everybody was gone.

169
00:11:43,411 --> 00:11:44,495
From the Sick.

170
00:11:45,663 --> 00:11:46,497
Yeah.

171
00:11:48,124 --> 00:11:50,209
I guess that's how I'm still alive.

172
00:11:53,754 --> 00:11:54,880
What about you?

173
00:11:56,090 --> 00:11:57,508
How are you still alive?

174
00:12:05,975 --> 00:12:06,976
I'm immune.

175
00:12:10,187 --> 00:12:11,188
You're a hybrid.

176
00:12:14,191 --> 00:12:15,067
Yeah.

177
00:12:17,278 --> 00:12:18,446
I stowed away.

178
00:12:19,572 --> 00:12:21,949
Looking for my mom.

179
00:12:23,659 --> 00:12:26,454
She's up in a town
at the very top of Alaska.

180
00:12:29,331 --> 00:12:30,624

I can't believe it.

181

00:12:31,125 --> 00:12:33,878
You're the only one on board
who is perfectly safe.

182

00:12:39,175 --> 00:12:40,926
Which means I can fix everything.

183

00:12:41,844 --> 00:12:44,513
But I'll need your help.
I'm trying to find the bridge

184

00:12:44,597 --> 00:12:46,348
to figure out why the engine's off.

185

00:12:46,432 --> 00:12:48,309
Can you tell me what I'm looking for?

186

00:12:49,226 --> 00:12:51,854
Yeah. Actually, I can.

187

00:12:54,982 --> 00:12:56,025
Holy shit.

188

00:12:57,067 --> 00:12:58,944
We might actually
make it out of this alive.

189

00:12:59,528 --> 00:13:01,530
We will make it out of this alive.

190

00:13:03,073 --> 00:13:04,074
Right.

191

00:13:04,700 --> 00:13:05,701

Right.

192

00:13:06,452 --> 00:13:07,495

Okay, Gus.

193

00:13:08,162 --> 00:13:10,206

Find the nearest stairs
and start heading up.

194

00:13:19,131 --> 00:13:20,966

[Mrs. Zhang] Don't just sit there, honey.

195

00:13:21,050 --> 00:13:24,136

You must be starving
after that long journey you've been on.

196

00:13:25,137 --> 00:13:26,889

[Becky] I'm not hungry.

197

00:13:27,973 --> 00:13:29,642

And I don't eat pork.

198

00:13:29,725 --> 00:13:32,394

Well, at least try the cornbread.

199

00:13:32,478 --> 00:13:35,606

My chef Arlo won the Southwest Cook-off
five years running.

200

00:13:35,689 --> 00:13:38,192

I promise you've never had
anything like it.

201

00:13:39,693 --> 00:13:41,487

You're wasting your time.

202

00:13:42,404 --> 00:13:43,697
I'm not gonna talk.

203
00:13:45,825 --> 00:13:46,951
You poor thing.

204
00:13:48,035 --> 00:13:49,119
You were what,

205
00:13:50,037 --> 00:13:52,248
five years old when all this started?

206
00:13:53,833 --> 00:13:56,961
You never got a taste
of what life was like before all this.

207
00:13:58,796 --> 00:13:59,797
Back then...

208
00:14:01,966 --> 00:14:03,384
life was wonderful.

209
00:14:05,010 --> 00:14:06,345
People were people.

210
00:14:07,471 --> 00:14:11,016
Now let me guess,
you're trying to bring people back?

211
00:14:12,434 --> 00:14:14,103
Exactly right.

212
00:14:14,186 --> 00:14:17,189
See? I knew you were sharp.

213
00:14:17,273 --> 00:14:18,315

If you really knew me,

214

00:14:18,399 --> 00:14:20,818
-you'd know you're wasting your time.
-I know you, Becky.

215

00:14:22,486 --> 00:14:24,488
Or should I call you Bear?

216

00:14:28,409 --> 00:14:30,661
Former leader of the Animal Army?

217

00:14:31,537 --> 00:14:35,624
Defender of all hybrids,
excluding my grandson, of course.

218

00:14:37,042 --> 00:14:39,211
You really did a number on him out there.

219

00:14:39,295 --> 00:14:40,963
[Rosie's son howling in distance]

220

00:14:41,046 --> 00:14:42,298
Can you hear him?

221

00:14:43,424 --> 00:14:46,927
Howling in all that pain and misery?

222

00:14:49,763 --> 00:14:52,433
I'd be surprised
if he makes it through the night.

223

00:14:59,064 --> 00:15:00,232
You couldn't help it.

224

00:15:01,859 --> 00:15:04,945

You were angry and confused.

225

00:15:06,697 --> 00:15:08,741
And I understand why.

226

00:15:08,824 --> 00:15:10,409
Ever since your parents died,

227

00:15:11,410 --> 00:15:15,998
you've been searching for the one thing
you've always wanted but could never find.

228

00:15:16,707 --> 00:15:18,167
And that's a family.

229

00:15:19,251 --> 00:15:22,630
You want a family, Becky,
just like all of us.

230

00:15:23,839 --> 00:15:25,799
But you deserve so much more than

231

00:15:25,883 --> 00:15:28,636
that piss-poor gang
you've been hanging with.

232

00:15:29,511 --> 00:15:31,597
You deserve a real family.

233

00:15:33,098 --> 00:15:35,976
One that will love and remember you.

234

00:15:37,436 --> 00:15:41,398
And that means having children
of your own flesh and blood.

235

00:15:44,068 --> 00:15:46,403
You know what they say.
Blood is thicker than water.

236
00:15:49,907 --> 00:15:50,908
[chuckles softly]

237
00:15:52,368 --> 00:15:53,702
What's so funny, hon?

238
00:15:56,956 --> 00:15:59,458
You know,
you've got that saying all wrong.

239
00:16:02,086 --> 00:16:04,463
Since you know so much about me,

240
00:16:05,673 --> 00:16:08,884
you must also know
that my parents were professors.

241
00:16:10,427 --> 00:16:12,137
Real smart folks.

242
00:16:13,681 --> 00:16:17,768
One day when I was little, they told me
I was going to have a baby sister.

243
00:16:19,520 --> 00:16:21,063
You see, I'm adopted.

244
00:16:21,689 --> 00:16:23,190
They told me that phrase.

245
00:16:23,732 --> 00:16:25,317
"Blood is thicker than water."

246

00:16:25,401 --> 00:16:27,778

But they explained
people always get it wrong.

247

00:16:29,321 --> 00:16:33,367

Water refers... to the water of the womb.

248

00:16:35,411 --> 00:16:37,287

Families related by birth.

249

00:16:38,497 --> 00:16:39,707

But blood...

250

00:16:42,584 --> 00:16:44,670

Blood means bonds forged in battle.

251

00:16:47,297 --> 00:16:52,636

It means the relationships we choose are
stronger than the ones we're born into.

252

00:16:53,971 --> 00:16:57,933

I've always wondered why that phrase
always stuck with me at such a young age.

253

00:16:58,017 --> 00:16:59,977

[pack snarling]

254

00:17:00,811 --> 00:17:02,896

What's got you boys all worked up?

255

00:17:05,983 --> 00:17:07,067

But now I know.

256

00:17:09,528 --> 00:17:13,115

It's so I could be here now
to call out your ignorance.

257

00:17:17,202 --> 00:17:20,456

I don't think you understand
who you're dealing with, pumpkin.

258

00:17:23,375 --> 00:17:25,210

I always get what I want.

259

00:17:25,294 --> 00:17:28,964

And one way or another, you're gonna
help me find that little shit.

260

00:17:29,715 --> 00:17:34,261

The only question is, are you gonna
do it the easy way or the hard way?

261

00:17:37,097 --> 00:17:38,348

Think it over.

262

00:17:39,975 --> 00:17:41,268

Don't take too long.

263

00:17:47,149 --> 00:17:48,525

[door opens]

264

00:17:57,284 --> 00:17:58,285

[door closes]

265

00:18:04,625 --> 00:18:05,626

[tool clicks]

266

00:18:06,752 --> 00:18:07,961

Any twitching?

267

00:18:10,005 --> 00:18:12,049

If I had, I would have told you.

268

00:18:14,384 --> 00:18:18,055
Even if this is your time, don't worry.

269

00:18:19,306 --> 00:18:20,516
I'll look after him.

270

00:18:21,892 --> 00:18:24,228
What the hell is that supposed to mean?

271

00:18:24,311 --> 00:18:25,604
I told you before.

272

00:18:26,188 --> 00:18:28,065
I'm not meant to die on this journey.

273

00:18:28,565 --> 00:18:29,525
And I am?

274

00:18:30,651 --> 00:18:31,610
Well...

275

00:18:32,528 --> 00:18:35,864
I've, uh, seen the way you move

276

00:18:36,657 --> 00:18:38,117
when no one's looking.

277

00:18:39,326 --> 00:18:40,744
You've lived a brutal life.

278

00:18:41,745 --> 00:18:43,372
Even before the Crumble.

279

00:18:43,455 --> 00:18:44,456

[grunts]

280

00:18:45,249 --> 00:18:47,876
[groans] If the Sick doesn't get you...

281

00:18:50,671 --> 00:18:53,966
your old battle wounds will, soon enough.

282

00:18:59,638 --> 00:19:01,515
[Dr. Singh chuckling]

283

00:19:05,102 --> 00:19:05,936
What?

284

00:19:06,019 --> 00:19:07,229
[Dr. Singh] No, I just...

285

00:19:07,980 --> 00:19:08,981
Just had a thought.

286

00:19:09,064 --> 00:19:12,109
Captain James Thacker... traveled to Alaska

287

00:19:12,192 --> 00:19:15,112
nearly a century ago
with the hopes of changing the world.

288

00:19:15,195 --> 00:19:16,613
Now here we are,

289

00:19:17,114 --> 00:19:18,991
sailing north as he did,

290

00:19:19,867 --> 00:19:21,410
to where it all started.

291

00:19:22,202 --> 00:19:25,455
Just tell me, is that coincidence or fate?

292

00:19:26,707 --> 00:19:27,624
Neither.

293

00:19:29,126 --> 00:19:33,213
People want to act like something's
bigger out there so they can deal with it,

294

00:19:33,714 --> 00:19:35,299
so they can make sense of it.

295

00:19:36,508 --> 00:19:39,678
But seeing what I've seen,
I know it's all bullshit.

296

00:19:41,180 --> 00:19:43,682
There's no such thing as fairy tales.

297

00:19:43,765 --> 00:19:45,893
And yet, you hope

298

00:19:47,144 --> 00:19:50,272
a little boy... with deer antlers

299

00:19:50,355 --> 00:19:53,609
will stay an innocent child... forever.

300

00:19:55,235 --> 00:19:56,987
Now, Mr. Jepperd,

301

00:19:57,654 --> 00:19:59,573
fate brought us together.

302

00:19:59,656 --> 00:20:04,453
[tightly restrained] And what if I was
to plant my fist into your skull?

303

00:20:04,536 --> 00:20:05,954
What would you call that?

304

00:20:06,038 --> 00:20:08,457
[Dr. Singh] Nothing. Because you wouldn't.

305

00:20:10,626 --> 00:20:12,669
Gus would never forgive you.

306

00:20:12,753 --> 00:20:13,962
You son of a bitch!

307

00:20:14,046 --> 00:20:15,214
-Come here!
-[grunts]

308

00:20:15,297 --> 00:20:18,258
You don't remember, do you?
We met. Ten years ago.

309

00:20:18,342 --> 00:20:21,136
-What the hell are you talking about?
-Crescent City!

310

00:20:21,720 --> 00:20:23,263
Sacred Heart Hospital!

311

00:20:24,640 --> 00:20:26,141
We shared an elevator.

312

00:20:28,894 --> 00:20:31,939
The world was falling apart.

313
00:20:33,232 --> 00:20:36,109
And your wife
had just given birth to a son.

314
00:20:36,193 --> 00:20:38,195
[bleak, despondent music playing]

315
00:20:39,279 --> 00:20:40,280
So tell me.

316
00:20:42,199 --> 00:20:46,245
Was I able to convince you...
to go back to him?

317
00:20:56,296 --> 00:20:57,297
[door opens]

318
00:20:59,258 --> 00:21:01,009
[Gus] I made it. I'm at the bridge.

319
00:21:02,177 --> 00:21:04,930
[Darwin] Okay.
Look around for the captain's log.

320
00:21:05,847 --> 00:21:10,352
It's a book he writes his notes in.
Hopefully, it'll tell us what happened.

321
00:21:12,479 --> 00:21:13,480
Gus?

322
00:21:16,692 --> 00:21:17,526
I found it.

323
00:21:17,609 --> 00:21:20,195
I need you to read

the last couple entries for me.

324

00:21:20,862 --> 00:21:22,656
You can read, can't you?

325

00:21:22,739 --> 00:21:24,032
Yes, I can read.

326

00:21:33,792 --> 00:21:34,960
Okay, here we go.

327

00:21:35,627 --> 00:21:39,798
"1:14 a.m. Medic Caraway informs me

328

00:21:39,881 --> 00:21:44,303
passenger Quintana Stanley
has tested positive for Doomsday."

329

00:21:44,386 --> 00:21:46,305
[Darwin] The woman in the green hat.

330

00:21:47,973 --> 00:21:52,436
"1:55 a.m. Four more passengers
have tested positive."

331

00:21:52,519 --> 00:21:55,022
"My crew and I are doing what we can."

332

00:21:56,606 --> 00:22:01,445
"5:31 a.m. Passenger Stanley has passed."

333

00:22:01,528 --> 00:22:05,824
"My men have disposed of her body
at sea per my orders,

334

00:22:05,907 --> 00:22:08,410

but I fear she won't be the last."

335

00:22:09,786 --> 00:22:15,167

"11:18 a.m. More than half
of the passengers have passed now."

336

00:22:15,792 --> 00:22:18,211

"Several of my crew as well."

337

00:22:19,212 --> 00:22:21,715

"We have disposed of
the unlucky overboard,

338

00:22:21,798 --> 00:22:23,633

and I shut down the engine."

339

00:22:26,428 --> 00:22:28,096

"This must stop here."

340

00:22:28,930 --> 00:22:31,391

"We must not make landfall again."

341

00:22:35,395 --> 00:22:36,355

Darwin?

342

00:22:37,939 --> 00:22:39,024

Keep going.

343

00:22:39,649 --> 00:22:40,650

Finish.

344

00:22:43,070 --> 00:22:47,991

"2:59 p.m. The end is nigh."

345

00:22:49,117 --> 00:22:52,829

"I have done all I can."

346

00:22:56,666 --> 00:22:59,628
"Darwin, my boy, if you are reading this,

347

00:22:59,711 --> 00:23:02,964
I hope fate found a way
to save you when I couldn't."

348

00:23:03,715 --> 00:23:06,301
"I'm proud of the man you've become."

349

00:23:08,470 --> 00:23:10,472
[delicate, contemplative music playing]

350

00:23:11,515 --> 00:23:12,682
Is he there?

351

00:23:14,309 --> 00:23:15,977
[shakily] Captain Stafford?

352

00:23:19,356 --> 00:23:20,357
Yeah.

353

00:23:25,987 --> 00:23:27,155
He was your friend?

354

00:23:29,533 --> 00:23:30,534
Yeah.

355

00:23:32,035 --> 00:23:33,787
More like a father, really.

356

00:23:35,247 --> 00:23:37,707
He took me under his wing
when I really needed it.

357

00:23:41,753 --> 00:23:43,755
[radio static crackling]

358

00:23:57,894 --> 00:24:00,272
Captain Stafford sounds like a good man.

359

00:24:00,981 --> 00:24:01,982
[Darwin] Yeah.

360

00:24:02,858 --> 00:24:03,859
He was.

361

00:24:05,026 --> 00:24:06,945
And we need to honor his wishes.

362

00:24:07,446 --> 00:24:09,114
We can't restart the engine.

363

00:24:10,866 --> 00:24:13,076
But he said he hoped
you found a way to live.

364

00:24:13,577 --> 00:24:15,120
"This has to end here."

365

00:24:15,620 --> 00:24:18,540
Those were his final orders,
and I have to honor them.

366

00:24:25,213 --> 00:24:27,841
I never told you
why I'm trying to find my mom.

367

00:24:28,341 --> 00:24:31,303
She's a scientist
looking for a cure to the Sick,

368

00:24:31,386 --> 00:24:33,221
and I'm supposed to help her, but...

369

00:24:34,014 --> 00:24:35,891
I can't do that if I can't get there.

370

00:24:37,100 --> 00:24:38,894
So I need your help

371

00:24:40,312 --> 00:24:42,314
to help the friends I left behind,

372

00:24:43,023 --> 00:24:47,986
and you... so nobody else
like Captain Stafford has to die.

373

00:24:53,575 --> 00:24:54,951
[Darwin] I'm sorry, Gus.

374

00:24:56,119 --> 00:24:57,120
I can't.

375

00:25:10,592 --> 00:25:13,303
What if I finish
what Captain Stafford started?

376

00:25:14,804 --> 00:25:15,805
What do you mean?

377

00:25:18,099 --> 00:25:20,477
He was burying bodies in the ocean.

378

00:25:20,560 --> 00:25:22,354
Right? To get rid of the Sick?

379

00:25:26,816 --> 00:25:28,527

I can bury the rest.

380

00:25:30,362 --> 00:25:32,864

Then there would be no more Sick on board.

381

00:25:35,867 --> 00:25:39,162

[Darwin] You're just... a kid, Gus.

382

00:25:42,249 --> 00:25:43,375

You can't.

383

00:25:45,168 --> 00:25:46,169

I have to try.

384

00:25:49,839 --> 00:25:51,383

Then will you help me?

385

00:25:58,723 --> 00:25:59,724

Okay.

386

00:25:59,808 --> 00:26:01,810

[spare, haunting music playing]

387

00:26:09,150 --> 00:26:10,652

[Jepp] So that was you.

388

00:26:12,779 --> 00:26:15,115

Why didn't you say something earlier?

389

00:26:17,534 --> 00:26:19,202

Never felt like the right time.

390

00:26:23,081 --> 00:26:25,166

That was the worst day of my life.

391

00:26:29,045 --> 00:26:31,631
It was a hard day for me as well.

392

00:26:33,592 --> 00:26:34,968
It was the day I realized

393

00:26:35,468 --> 00:26:38,847
I couldn't help people anymore,
that I couldn't cure them,

394

00:26:39,848 --> 00:26:41,224
make them better.

395

00:26:41,808 --> 00:26:43,476
[breathy, weary sigh]

396

00:26:44,728 --> 00:26:47,397
After that,
I was just watching people die.

397

00:26:51,610 --> 00:26:53,778
I lost myself that day.

398

00:26:55,113 --> 00:26:56,364
And I lost my wife.

399

00:26:58,116 --> 00:27:01,369
Even though it took me
a long time to realize it.

400

00:27:03,580 --> 00:27:05,582
[low, aching music playing]

401

00:27:08,335 --> 00:27:10,378
That moment in the elevator...

402

00:27:12,547 --> 00:27:13,673

I was scared..

403

00:27:17,177 --> 00:27:21,181
that I didn't have what it took
to be a dad, a good dad.

404

00:27:23,350 --> 00:27:24,684

So I hesitated.

405

00:27:28,647 --> 00:27:32,067

And because of that.. I lost my wife too.

406

00:27:33,151 --> 00:27:34,402

And my son.

407

00:27:37,864 --> 00:27:38,865

But...

408

00:27:40,367 --> 00:27:42,285

Gus brought me back..

409

00:27:45,080 --> 00:27:47,916

when I thought
there wouldn't be any coming back.

410

00:27:52,587 --> 00:27:53,880

Don't you see?

411

00:27:56,091 --> 00:27:58,301

There are no coincidences.

412

00:28:00,136 --> 00:28:02,013

You and I are here,

413
00:28:03,306 --> 00:28:06,142
ten years later, together once more,

414
00:28:06,226 --> 00:28:07,977
and against all odds...

415
00:28:11,147 --> 00:28:12,357
because of Gus.

416
00:28:13,608 --> 00:28:14,818
Now tell me.

417
00:28:15,860 --> 00:28:19,072
Do you still think
this is all just bullshit?

418
00:28:21,866 --> 00:28:23,326
Or is it something more?

419
00:28:44,514 --> 00:28:47,225
[steady, resolute music playing]

420
00:29:14,753 --> 00:29:16,755
[music swells]

421
00:29:16,838 --> 00:29:18,840
[music trails off]

422
00:29:21,760 --> 00:29:23,762
[weak whimpering]

423
00:29:25,430 --> 00:29:26,431
[Rosie] I'm sorry.

424
00:29:34,606 --> 00:29:35,607

[door opens]

425

00:29:44,199 --> 00:29:47,368

Zhang would like to know
if the girl has changed her mind yet.

426

00:29:53,082 --> 00:29:55,043

Well, I guess it's the hard way, then.

427

00:29:56,461 --> 00:29:57,962

[chilling music playing]

428

00:30:06,262 --> 00:30:07,138

[jolting stinger]

429

00:30:07,222 --> 00:30:08,556

[guard struggling]

430

00:30:13,853 --> 00:30:15,021

What are you doing?

431

00:30:15,104 --> 00:30:17,816

What does it look like I'm doing?
Getting you out of here.

432

00:30:28,409 --> 00:30:30,829

I don't understand. How did you even--

433

00:30:30,912 --> 00:30:32,914

I was injured in the battle for the zoo.

434

00:30:33,540 --> 00:30:35,792

But Zhang's army found me
and picked me up.

435

00:30:36,751 --> 00:30:38,002

Why are you helping me?

436

00:30:38,086 --> 00:30:40,046
I couldn't just let them torture you,

437

00:30:40,129 --> 00:30:42,507
even if things didn't work out between us.

438

00:30:44,092 --> 00:30:47,595
That deer kid. He's the one
you were after at the zoo, isn't he?

439

00:30:49,430 --> 00:30:51,808
We were on our way to Alaska
to find his mom.

440

00:30:53,101 --> 00:30:54,477
I'm glad you found him.

441

00:30:58,231 --> 00:30:59,274
Come on.

442

00:31:00,775 --> 00:31:02,694
[indistinct chatter in distance]

443

00:31:02,777 --> 00:31:06,406
Okay. There's one more truck on the road,
but there's no one watching it.

444

00:31:06,489 --> 00:31:07,866
[car door slams]

445

00:31:11,619 --> 00:31:12,745
Shit! Come on.

446

00:31:14,455 --> 00:31:17,792

Nothing like a little escape attempt
to spice things up.

447

00:31:19,752 --> 00:31:21,796

What was your name again, young man?

448

00:31:22,505 --> 00:31:23,506

Jordan.

449

00:31:23,590 --> 00:31:27,677

Well, Jordan, you're really starting
to earn your keep around here. [chuckles]

450

00:31:28,761 --> 00:31:30,680

-You set me up.

-[Jordan] They're going to Alaska.

451

00:31:30,763 --> 00:31:34,350

I told you, hon, one way or another,
I always get what I want.

452

00:31:35,435 --> 00:31:36,311

Alaska, huh?

453

00:31:37,604 --> 00:31:40,565

Popular place.

Get me a sat phone, would you, honey?

454

00:31:40,648 --> 00:31:42,275

[distressing music playing]

455

00:31:43,568 --> 00:31:45,570

[music swells, trails off]

456

00:31:45,653 --> 00:31:46,988

[ringing]

457

00:31:58,583 --> 00:31:59,500
[Siana] Hello?

458

00:32:01,502 --> 00:32:02,420
Hello?

459

00:32:07,175 --> 00:32:08,635
If someone is there and can hear me,

460

00:32:08,718 --> 00:32:11,596
I'm afraid the person
who owns this phone is deceased.

461

00:32:12,180 --> 00:32:16,017
By any chance,
do you happen to know if he crossed paths

462

00:32:16,100 --> 00:32:18,019
with a Doctor Gertrude Miller?

463

00:32:18,770 --> 00:32:20,229
[suspenseful stinger]

464

00:32:20,313 --> 00:32:21,648
Who the hell is this?

465

00:32:22,690 --> 00:32:24,192
[disconnect tone beeps]

466

00:32:24,275 --> 00:32:25,777
We leave in the morning.

467

00:32:25,860 --> 00:32:28,154
-We're headed to Alaska.
-What's in Alaska?

468
00:32:28,237 --> 00:32:29,656
Turns out, everything.

469
00:32:32,116 --> 00:32:33,952
[ship creaking]

470
00:32:35,453 --> 00:32:37,455
[delicate, distressing music playing]

471
00:32:58,601 --> 00:32:59,519
[radio crackles]

472
00:32:59,602 --> 00:33:02,480
[Darwin] Gus, are you there?

473
00:33:08,111 --> 00:33:09,028
I'm here.

474
00:33:11,239 --> 00:33:12,532
[breathing shakily]

475
00:33:12,615 --> 00:33:13,616
I just...

476
00:33:14,784 --> 00:33:16,703
I found the first people.

477
00:33:18,037 --> 00:33:19,122
Oh.

478
00:33:20,081 --> 00:33:21,207
Who were they?

479
00:33:22,709 --> 00:33:24,585
They were all kinds of people.

480

00:33:25,837 --> 00:33:28,881
Farmers, welders, retirees,

481

00:33:29,590 --> 00:33:30,967
young people like me.

482

00:33:31,884 --> 00:33:34,595
Anyone who still wanted to live.

483

00:33:36,055 --> 00:33:37,140
That's everybody.

484

00:33:37,640 --> 00:33:39,434
Everybody wants to live.

485

00:33:42,353 --> 00:33:44,355
[sweeping, heartsick music playing]

486

00:34:00,163 --> 00:34:01,205
Justin.

487

00:34:04,208 --> 00:34:06,085
His name was Justin.

488

00:34:28,524 --> 00:34:30,276
This was a boy and his dad.

489

00:34:31,235 --> 00:34:33,237
[aching, heartsick music continuing]

490

00:34:45,833 --> 00:34:47,835
[restrained sobbing]

491

00:34:50,421 --> 00:34:52,423

[ragged breathing]

492

00:35:07,480 --> 00:35:08,523
[Darwin] Gus?

493

00:35:08,606 --> 00:35:10,066
[music trails off]

494

00:35:10,149 --> 00:35:11,651
Are you okay?

495

00:35:14,070 --> 00:35:16,114
I don't know if I can do this.

496

00:35:17,198 --> 00:35:19,200
I thought I could, but...

497

00:35:20,493 --> 00:35:21,702
I can't.

498

00:35:23,454 --> 00:35:24,831
You don't have to.

499

00:35:24,914 --> 00:35:26,207
I have to.

500

00:35:26,833 --> 00:35:28,709
Otherwise, Jepp's gonna die.

501

00:35:32,171 --> 00:35:34,924
The Sick's everywhere,
and I'm afraid he's gonna get it,

502

00:35:35,007 --> 00:35:36,717
and then he's gonna die too.

503

00:35:37,260 --> 00:35:40,555
And... that's why I have to find my mom.

504

00:35:40,638 --> 00:35:44,433
Because she's... I don't know how,
but she's gonna find a cure to the Sick.

505

00:35:45,601 --> 00:35:48,187
She has to find a cure. She has to.

506

00:35:52,525 --> 00:35:53,860
Is Jepp your friend?

507

00:35:55,778 --> 00:35:57,155
[Gus] He's Big Man.

508

00:35:59,824 --> 00:36:00,867
Just...

509

00:36:02,285 --> 00:36:04,036
I've lost so many people.

510

00:36:04,537 --> 00:36:08,124
Pubba, Aimee, Becky and Wendy...

511

00:36:09,500 --> 00:36:11,127
I can't lose Jepp too.

512

00:36:15,423 --> 00:36:19,260
Death is hardest on those who live on,
because we get left behind,

513

00:36:20,178 --> 00:36:22,597
with nothing but memories
of the people we loved.

514

00:36:30,146 --> 00:36:31,606
But they can live on.

515

00:36:33,065 --> 00:36:34,150
Through us.

516

00:36:37,612 --> 00:36:38,738
I know what to do.

517

00:36:42,742 --> 00:36:44,535
[Gus] Justin was a wonderful son.

518

00:36:45,203 --> 00:36:47,955
A boy who loved camping and being outside.

519

00:36:49,123 --> 00:36:50,917
And his dad loved him a lot.

520

00:36:54,503 --> 00:36:57,089
[intricate, cathartic music playing]

521

00:37:07,141 --> 00:37:10,895
Chris was a wonderful dad,
and he loved his son very much.

522

00:37:11,896 --> 00:37:14,065
They took all kinds of trips together.

523

00:37:19,904 --> 00:37:22,073
And they'll always be together.

524

00:37:22,156 --> 00:37:25,660
And they'll always stay alive
if we tell their story.

525

00:37:27,495 --> 00:37:29,080
All of their stories.

526
00:37:29,163 --> 00:37:32,833
[emotional music continuing]

527
00:37:44,345 --> 00:37:46,347
[Gus] I couldn't find all of your names,

528
00:37:46,847 --> 00:37:48,182
or much about you...

529
00:37:51,602 --> 00:37:54,397
but you won't be forgotten.

530
00:37:57,733 --> 00:37:59,026
I'll remember you.

531
00:38:23,592 --> 00:38:25,594
[music trailing off]

532
00:38:39,442 --> 00:38:40,484
I did it.

533
00:38:41,569 --> 00:38:42,653
It's done.

534
00:38:54,665 --> 00:38:55,624
Gus?

535
00:38:59,920 --> 00:39:00,921
Darwin?

536
00:39:01,547 --> 00:39:04,091
Deer, huh? Never would have guessed.

537

00:39:11,349 --> 00:39:13,809

I guess it's my turn
to uphold my end of our deal.

538

00:39:16,312 --> 00:39:18,981

Let's get the engine started
and get you headed north.

539

00:39:20,358 --> 00:39:21,233

Your mom's waiting.

540

00:39:23,194 --> 00:39:24,278

Okay.

541

00:39:28,199 --> 00:39:29,533

[console buzzes faintly]

542

00:39:31,285 --> 00:39:32,411

Here goes nothing.

543

00:39:34,080 --> 00:39:35,498

[systems roaring to life]

544

00:39:38,292 --> 00:39:39,585

He really did it.

545

00:39:40,294 --> 00:39:41,379

Of course he did.

546

00:39:41,879 --> 00:39:43,631
[bold, triumphant music building]

547

00:39:43,714 --> 00:39:44,840

You were right.

548

00:39:46,092 --> 00:39:47,093
About what?

549
00:39:50,596 --> 00:39:51,514
A lot of things.

550
00:39:52,014 --> 00:39:52,932
[music trails off]

551
00:39:53,015 --> 00:39:56,519
It's gonna take me a couple minutes
to set a course and everything.

552
00:39:58,813 --> 00:39:59,647
Thank you.

553
00:40:00,898 --> 00:40:01,899
For helping me.

554
00:40:02,858 --> 00:40:03,818
No, Gus.

555
00:40:04,693 --> 00:40:05,653
Thank you.

556
00:40:07,780 --> 00:40:09,782
Be right back.
I have to show you something.

557
00:40:15,329 --> 00:40:17,331
[distressing music playing]

558
00:40:19,291 --> 00:40:20,668
[weary sigh]

559
00:40:20,751 --> 00:40:22,753

[disorienting notes warble]

560

00:40:25,089 --> 00:40:27,049

-Jepp!

-Gus!

561

00:40:27,842 --> 00:40:29,301

Everything okay, kid?

562

00:40:29,385 --> 00:40:32,054

Yeah. It's okay to come out now.
The Sick's all gone.

563

00:40:33,180 --> 00:40:35,599

Come on, there's someone
I want you guys to meet.

564

00:40:42,565 --> 00:40:46,318

Darwin. I want you to meet my friends,
Jepp and Dr. Singh.

565

00:40:47,903 --> 00:40:48,988

Darwin?

566

00:40:54,743 --> 00:40:55,578

Darwin?

567

00:40:56,245 --> 00:40:57,204

[Dr. Singh] Gus.

568

00:41:00,541 --> 00:41:01,667

[Darwin] Hey, Gus.

569

00:41:02,751 --> 00:41:05,379

It turns out
I'm not the only survivor after all.

570

00:41:05,880 --> 00:41:08,591

I'm just the person
who held out the longest.

571

00:41:10,968 --> 00:41:14,180

I've set the ship
on the course for northern Alaska.

572

00:41:14,263 --> 00:41:16,515

You should get there in two days' time.

573

00:41:18,017 --> 00:41:20,978

I'm only sorry
I can't finish the journey with you.

574

00:41:21,061 --> 00:41:23,814

But I have to carry out
Captain Stafford's orders

575

00:41:24,482 --> 00:41:27,109

and make sure the Sick never reaches land.

576

00:41:29,737 --> 00:41:31,530

I guess that makes you captain now.

577

00:41:33,407 --> 00:41:34,575

Thank you, Gus.

578

00:41:35,284 --> 00:41:38,746

I hope you find your mom...
and save your friends.

579

00:41:39,788 --> 00:41:40,873

[calm, steady exhale]

580

00:41:40,956 --> 00:41:41,999

So long.

581

00:41:43,083 --> 00:41:44,084
Darwin.

582

00:41:46,962 --> 00:41:48,464
[sorrowful music playing]

583

00:42:03,771 --> 00:42:05,272
[plaintive music playing]

584

00:42:22,039 --> 00:42:24,375
Momma's here. Hey...

585

00:42:25,793 --> 00:42:28,128
We're done here.
Let's get back to the plane.

586

00:42:28,212 --> 00:42:29,463
What about this one?

587

00:42:31,298 --> 00:42:32,258
Bring her.

588

00:42:36,929 --> 00:42:39,306
But leave him. He'll slow us down.

589

00:42:39,390 --> 00:42:42,017
[Rosie's son breathing shallowly]

590

00:42:53,988 --> 00:42:54,989
Hey...

591

00:42:57,283 --> 00:42:59,285
[Rosie shuddering]

592
00:42:59,785 --> 00:43:01,287
[whispers] I'm sorry.

593
00:43:02,288 --> 00:43:03,289
[sobbing]

594
00:43:08,669 --> 00:43:09,920
I'm so sorry.

595
00:43:11,755 --> 00:43:13,382
You're gonna be okay.

596
00:43:14,008 --> 00:43:15,634
It's gonna be okay.

597
00:43:16,594 --> 00:43:19,221
It's gonna be... It's gonna be okay.

598
00:43:19,305 --> 00:43:20,556
It's gonna be okay.

599
00:43:20,639 --> 00:43:22,641
[sorrowful, emotional music playing]

600
00:43:28,897 --> 00:43:30,816
[music intensifies]

601
00:43:30,899 --> 00:43:32,901
[gunshot echoing]

602
00:43:34,236 --> 00:43:35,571
[brakes screech]

603
00:43:35,654 --> 00:43:37,656
[tense, bleak music playing]

604

00:43:44,580 --> 00:43:46,582
[pack growling]

605

00:44:00,054 --> 00:44:02,514
[plane engine revving]

606

00:44:22,868 --> 00:44:24,203
[tense music continuing]

607

00:44:24,286 --> 00:44:26,121
[bay doors grinding]

608

00:44:36,006 --> 00:44:38,050
[agitated snarling]

609

00:44:38,801 --> 00:44:41,637
[man] Hey! Hey!
You mutts keep it down back there.

610

00:44:41,720 --> 00:44:42,721
[music trails off]

611

00:44:45,557 --> 00:44:46,892
We'll know right away.

612

00:44:52,106 --> 00:44:54,149
[radio static crackling]

613

00:44:59,446 --> 00:45:00,531
Bear?

614

00:45:03,117 --> 00:45:04,118
Wendy?

615

00:45:10,666 --> 00:45:12,918
I know you guys
probably can't hear this, but...

616
00:45:14,753 --> 00:45:17,965
I just wanted to let you guys know
that we made it onto the boat.

617
00:45:23,345 --> 00:45:27,975
I really hope that you guys are okay,
and that you can get back to the others.

618
00:45:29,309 --> 00:45:32,104
And once we find Birdie,
we'll come back to you guys.

619
00:45:32,187 --> 00:45:33,105
Okay?

620
00:45:36,859 --> 00:45:38,485
Okay. Bye.

621
00:45:42,281 --> 00:45:43,741
Good news, Mr. Jepperd.

622
00:45:44,408 --> 00:45:46,452
You're completely Sick-free.

623
00:45:53,375 --> 00:45:56,420
[narrator] Something changed
out on the ocean that day.

624
00:45:57,421 --> 00:45:58,505
For the boy...

625
00:45:58,589 --> 00:45:59,590
[Jepp] Gus.

626

00:46:00,299 --> 00:46:02,092
[narrator] ...and for the Big Man.

627

00:46:03,093 --> 00:46:05,929
Is there anything you want to talk about?

628

00:46:07,389 --> 00:46:12,102
All it took was..
a brush with the other side.

629

00:46:15,397 --> 00:46:16,982
[man] Hello, is somebody there?

630

00:46:18,609 --> 00:46:20,068
Yeah. We're here.

631

00:46:20,819 --> 00:46:22,404
Name and location, please.

632

00:46:23,822 --> 00:46:25,157
I don't know where we are.

633

00:46:25,240 --> 00:46:27,242
We're somewhere
in the middle of the ocean.

634

00:46:28,035 --> 00:46:29,536
My name's Gus.

635

00:46:29,620 --> 00:46:31,622
[measured, optimistic music playing]

636

00:46:33,290 --> 00:46:34,541
Birdie's Gus?

637

00:46:35,626 --> 00:46:36,668
[in disbelief] What?

638

00:46:38,587 --> 00:46:41,715
Wait, how do you know Birdie? Who is this?

639

00:46:42,966 --> 00:46:44,760
My name is Siana, Gus.

640

00:46:45,385 --> 00:46:46,887
I'm a friend of your mom's.

641

00:46:47,554 --> 00:46:49,723
And if you're getting through to us,

642

00:46:49,807 --> 00:46:50,724
that means

643

00:46:50,808 --> 00:46:52,643
you're only a couple days away.

644

00:46:54,061 --> 00:46:56,021
Next stop, Alaska.

645

00:46:56,104 --> 00:46:58,899
[sweeping, triumphant music playing]

646

00:46:58,982 --> 00:47:00,359
[music trails off]

647

00:47:00,442 --> 00:47:02,528
[pensive, mysterious outro music playing]

SWEET TOOTH
