Amie Donald	...	Maya / Wolf Boy #2
Apii Pukeiti	...	Otto
Harvey Gui	...	Max
Ravi Narayan	...	Earl
Aeon Lin Scott	...	Anna
Cyan Lin Scott	...	Hanna
Zoey Javierto	...	Junior

1
00:00:12,595 --> 00:00:13,596
[wind whistling]

2
00:00:13,680 --> 00:00:15,682
[delicate, uneasy music playing]

3
00:00:17,767 --> 00:00:18,768
[squeaky creaking]

4
00:00:33,033 --> 00:00:34,743
[narrator] All stories end.

5
00:00:39,497 --> 00:00:42,459
We may not be ready for it when it comes.

6
00:00:46,463 --> 00:00:49,758
In fact, we may never be.

7
00:00:54,262 --> 00:00:56,848
We say it's too soon.

8
00:01:00,143 --> 00:01:04,272
We ask ourselves
if the journey was too difficult.

9
00:01:09,027 --> 00:01:11,362
If the cost was too high.

10
00:01:14,866 --> 00:01:16,659
All stories end.

11
00:01:18,161 --> 00:01:20,580
The only question that remains,

12
00:01:20,663 --> 00:01:23,500

who will be left alive to tell this one,

13

00:01:24,292 --> 00:01:26,836
humans or hybrids?

14

00:01:26,920 --> 00:01:30,590
[Gus wailing] No!

15

00:01:34,094 --> 00:01:38,098
No, no, no, no!

16

00:01:39,390 --> 00:01:40,225
No.

17

00:01:43,937 --> 00:01:45,063
[Jepp] You killed her!

18

00:01:46,439 --> 00:01:47,398
You killed her!

19

00:01:47,482 --> 00:01:50,151
[Mrs. Zhang] Somebody, please shut him up.

20

00:01:50,735 --> 00:01:53,154
Let her death be a lesson to you, Jepperd.

21

00:01:53,238 --> 00:01:55,115
I will get what I came here for.

22

00:01:55,198 --> 00:01:56,699
I always get what I want.

23

00:01:56,783 --> 00:01:57,742
How far are they?

24

00:01:57,826 --> 00:02:00,703
[man] The Beast's on the move.
Ginger's on her way. Baby's getting close.

25
00:02:00,787 --> 00:02:03,039
Bring her in the second she arrives.

26
00:02:03,581 --> 00:02:04,707
[strains, grunts]

27
00:02:04,791 --> 00:02:05,959
[music intensifies]

28
00:02:06,042 --> 00:02:07,085
[echoing clang]

29
00:02:07,168 --> 00:02:08,128
Nice try.

30
00:02:08,711 --> 00:02:12,507
Sorry, kiddo, but only one species
is walking out of here today,

31
00:02:12,590 --> 00:02:13,758
and it isn't you.

32
00:02:17,345 --> 00:02:19,347
You don't deserve to survive.

33
00:02:27,522 --> 00:02:28,648
My mom was right.

34
00:02:31,985 --> 00:02:33,444
Your time is over.

35
00:02:34,237 --> 00:02:35,864

Humans don't deserve any more.

36

00:02:36,990 --> 00:02:38,491
All you do is take.

37

00:02:40,660 --> 00:02:42,662
All... All you do is turn on each other.

38

00:02:46,166 --> 00:02:47,834
All you care about is yourselves.

39

00:02:49,586 --> 00:02:50,712
You steal,

40

00:02:51,796 --> 00:02:53,006
and you lie.

41

00:02:55,258 --> 00:02:57,385
You hate everything that's not you.

42

00:02:58,845 --> 00:03:00,763
You think you're better than animals.

43

00:03:01,931 --> 00:03:04,809
Well, animals don't destroy
everything around them.

44

00:03:09,189 --> 00:03:12,817
All this time.. I tried to defend people.

45

00:03:14,235 --> 00:03:15,778
I looked for the good in them.

46

00:03:20,658 --> 00:03:21,701
For what?

47

00:03:23,828 --> 00:03:25,079
All this time,

48

00:03:26,581 --> 00:03:28,333
I thought humans were worth saving.

49

00:03:33,671 --> 00:03:34,672
But I was wrong.

50

00:03:37,717 --> 00:03:39,135
You don't deserve it.

51

00:03:44,307 --> 00:03:45,391
Well.

52

00:03:46,768 --> 00:03:49,354
Then it's a shame
you're half us, isn't it?

53

00:03:52,190 --> 00:03:53,358
Let's be clear.

54

00:03:54,150 --> 00:03:58,279
The biggest mistake
humans ever made was you.

55

00:03:59,239 --> 00:04:02,200
And you've been
rubbing our faces in it ever since.

56

00:04:02,283 --> 00:04:03,952
But that ends today.

57

00:04:04,035 --> 00:04:07,247
If spilling your blood
brings back human birth...

58

00:04:08,373 --> 00:04:09,332
[exhales sharply]

59

00:04:09,916 --> 00:04:12,418
...then humans will be humans again.

60

00:04:13,586 --> 00:04:14,796
But we can't stop there,

61

00:04:14,879 --> 00:04:18,591
because what'll happen to all the other
little mistakes like you out there?

62

00:04:18,675 --> 00:04:22,845
They'll grow up and make more of you,
more mistakes like nasty little rabbits.

63

00:04:24,847 --> 00:04:27,642
Undoing hybrids isn't enough.

64

00:04:28,768 --> 00:04:30,311
We have to eradicate them.

65

00:04:31,479 --> 00:04:35,066
Once we've traded your life
for human birth,

66

00:04:35,149 --> 00:04:37,568
I'm going to make a new virus.

67

00:04:37,652 --> 00:04:41,614
One that targets every remaining hybrid,

68

00:04:41,698 --> 00:04:44,033
just like the Sick did to us.

69

00:04:45,994 --> 00:04:48,621
Until hybrids are wiped out for good.

70

00:04:49,580 --> 00:04:51,874
Every last one of you!

71

00:04:55,044 --> 00:04:56,629
No more mistakes.

72

00:04:57,630 --> 00:05:01,718
You're going to use the tree sap
to make that virus.

73

00:05:01,801 --> 00:05:03,970
And just how do you intend to extract it?

74

00:05:04,053 --> 00:05:06,597
We're talking about
a highly dangerous substance.

75

00:05:06,681 --> 00:05:09,392
Don't you worry, Doctor.

76

00:05:10,601 --> 00:05:12,353
I have just the thing.

77

00:05:12,437 --> 00:05:14,439
[foreboding, suspenseful music playing]

78

00:05:23,698 --> 00:05:26,075
We've gotta stop that thing
before it gets to the cave!

79

00:05:26,159 --> 00:05:27,660
What vehicles do we have left?

80

00:05:27,744 --> 00:05:30,455

The bigger question is
how do we take down a tank from hell?

81

00:05:30,538 --> 00:05:33,082

It's gonna take a lot more
than hockey sticks, that's for sure.

82

00:05:34,083 --> 00:05:35,710

What if we did it like Dad used to?

83

00:05:35,793 --> 00:05:37,462

What did your dad used to do?

84

00:05:38,463 --> 00:05:39,839

[mysterious music playing]

85

00:05:39,922 --> 00:05:41,549

He hunted whales.

86

00:05:42,300 --> 00:05:43,801

How do you hunt whales?

87

00:05:48,556 --> 00:05:49,557

With harpoons.

88

00:05:51,059 --> 00:05:53,061

[tense, determined music playing]

89

00:05:57,440 --> 00:05:58,441

[engine revs]

90

00:06:15,375 --> 00:06:17,668

[man] Path's all clear, entrance and exit.

91

00:06:17,752 --> 00:06:20,213
We're reinforcing the ladder bridges
for the Beast crew.

92

00:06:20,296 --> 00:06:23,299
Paging Dr. Singh.
Clock's ticking. You ready to do this?

93

00:06:23,383 --> 00:06:26,135
-Gus's mother wasn't part of the plan.
-Shit happens!

94

00:06:26,219 --> 00:06:28,471
Don't act like
you never killed anyone before.

95

00:06:28,554 --> 00:06:31,724
-But that's different. I had a reason--
-She started all this!

96

00:06:32,433 --> 00:06:36,354
Now it's up to you to finish it.
Kill him and save the human race. Okay?

97

00:06:37,146 --> 00:06:38,147
You got it.

98

00:06:39,273 --> 00:06:41,275
-Take him to the tree.
-No! Get away from me!

99

00:06:41,359 --> 00:06:42,944
Let's get this over with, boys.

100

00:06:43,569 --> 00:06:44,570
[muffled grunting]

101
00:06:48,908 --> 00:06:51,035
[rousing percussive music playing]

102
00:06:52,745 --> 00:06:54,122
[overlapping agitated chatter]

103
00:06:55,498 --> 00:06:57,458
-[flare hisses]
-Don't move!

104
00:07:00,211 --> 00:07:04,173
Lady, you fucked with the wrong kid.

105
00:07:05,967 --> 00:07:07,635
Now here's what we're gonna do.

106
00:07:08,136 --> 00:07:12,807
You and your third-rate posse
are going to let me and little man go.

107
00:07:13,599 --> 00:07:15,977
Then you're gonna turn your asses around

108
00:07:16,060 --> 00:07:18,479
and get back on
whatever horse you rode in on,

109
00:07:19,063 --> 00:07:22,150
or I'm gonna blow this place to hell!

110
00:07:23,651 --> 00:07:24,652
Me,

111
00:07:25,736 --> 00:07:26,696
you,

112
00:07:26,779 --> 00:07:28,072
and the tree,

113
00:07:28,156 --> 00:07:29,365
and whatever is inside.

114
00:07:30,950 --> 00:07:32,577
You got to the count of three.

115
00:07:34,704 --> 00:07:35,705
One...

116
00:07:38,124 --> 00:07:40,418
[ominous music playing]

117
00:07:41,544 --> 00:07:42,462
...two...

118
00:07:47,758 --> 00:07:49,552
Go ahead, light that thing.

119
00:07:52,054 --> 00:07:54,807
You think that kid
can get out of this cave before it blows?

120
00:07:54,891 --> 00:07:56,309
Be my guest.

121
00:07:57,602 --> 00:07:59,061
But deep down inside,

122
00:08:00,062 --> 00:08:03,316
you know you light that thing,

123
00:08:03,816 --> 00:08:06,235

and you kill everyone in here.

124

00:08:07,320 --> 00:08:09,197
Including that little deer boy.

125

00:08:14,285 --> 00:08:16,579
You're willing to die for him.
I can see that.

126

00:08:21,751 --> 00:08:25,880
But are you willing to risk his life
just to take out little old me?

127

00:08:26,380 --> 00:08:28,382
[flare whooshing, sputtering]

128

00:08:28,466 --> 00:08:30,801
[ominous music intensifying]

129

00:08:30,885 --> 00:08:31,886
[music trailing off]

130

00:08:37,767 --> 00:08:39,060
I didn't think so.

131

00:08:42,021 --> 00:08:44,148
You're very good at getting in the way.

132

00:08:45,733 --> 00:08:48,236
-[Jepp grunts]
-Now, kindly stay out of mine.

133

00:08:49,362 --> 00:08:51,113
-Jepp!
-[Jepp yelps]

134

00:08:51,197 --> 00:08:53,241
No! No! Jepp!

135
00:08:53,824 --> 00:08:54,659
Jepp!

136
00:08:54,742 --> 00:08:57,119
[Gus wailing] No! No!

137
00:08:57,203 --> 00:08:58,788
[harsh grinding, clanking]

138
00:08:58,871 --> 00:09:01,249
[urgent, suspenseful music playing]

139
00:09:04,961 --> 00:09:06,420
[tires screeching]

140
00:09:09,340 --> 00:09:10,383
Can you drive smoother?

141
00:09:10,466 --> 00:09:12,093
Zip it. You're lucky you made it this far.

142
00:09:12,176 --> 00:09:14,637
Rosie, am I going to be okay?

143
00:09:15,221 --> 00:09:16,889
Is this what it was like for you?

144
00:09:17,932 --> 00:09:20,101
-Rosie!
-You don't want what happened to me.

145
00:09:20,184 --> 00:09:21,394
I had quadruplets.

146

00:09:21,477 --> 00:09:22,478
[groans]

147

00:09:24,522 --> 00:09:25,940
I think my water just broke.

148

00:09:26,023 --> 00:09:27,608
-Shit.
-Drive faster!

149

00:09:27,692 --> 00:09:30,611
Ginger, if we don't make it
back to that cave, I want you to know...

150

00:09:30,695 --> 00:09:31,696
What?

151

00:09:33,948 --> 00:09:35,074
I just want you to know...

152

00:09:35,157 --> 00:09:36,909
[Rosie's sons snarling, growling]

153

00:09:36,993 --> 00:09:38,703
[Tex] Headlights! Who the hell is that?

154

00:09:39,912 --> 00:09:41,497
[engines revving]

155

00:09:43,958 --> 00:09:45,585
You still got that rifle, Tex?

156

00:09:45,668 --> 00:09:48,004
-Yeah.
-Good, because we got company.

157

00:09:56,679 --> 00:09:57,680
[Jepp grunting]

158

00:09:57,763 --> 00:09:59,307
[Mrs. Zhang] Make it quick.

159

00:09:59,390 --> 00:10:00,891
Ginger's due any minute,

160

00:10:00,975 --> 00:10:03,352
and this is the best chance we've got.

161

00:10:03,978 --> 00:10:04,979
Take it.

162

00:10:05,730 --> 00:10:08,441
That's your chance
at eternal karma over there.

163

00:10:08,941 --> 00:10:10,943
Do this and wipe your slate clean.

164

00:10:11,027 --> 00:10:12,486
Can you stop talking!

165

00:10:13,070 --> 00:10:15,948
I've had enough of people like you
telling me what to do for one lifetime.

166

00:10:16,032 --> 00:10:18,242
Ugh! Jesus, you're pathetic.

167

00:10:19,744 --> 00:10:21,370
I'll do it myself.

168
00:10:22,246 --> 00:10:23,998
No. No, you won't.

169
00:10:25,082 --> 00:10:26,334
We had a deal.

170
00:10:27,251 --> 00:10:29,170
This is my fate, not yours.

171
00:10:30,588 --> 00:10:31,589
Prove it!

172
00:10:32,089 --> 00:10:33,841
[unsettling music playing]

173
00:10:34,925 --> 00:10:38,929
[whispering menacingly]
You've no idea the things... I've seen.

174
00:10:41,807 --> 00:10:43,267
The things I've done.

175
00:10:49,732 --> 00:10:50,941
The things I regret.

176
00:10:51,025 --> 00:10:53,027
[subdued, plaintive strains playing]

177
00:10:54,779 --> 00:10:55,988
But if I'm correct...

178
00:10:59,075 --> 00:11:00,534
soon they'll all be forgiven.

179
00:11:04,705 --> 00:11:06,165

[Gus struggling] No. No!

180
00:11:06,248 --> 00:11:07,458
No!

181
00:11:09,919 --> 00:11:10,836
[Gus panting]

182
00:11:10,920 --> 00:11:11,754
I'm sorry, Gus.

183
00:11:11,837 --> 00:11:14,131
No! No! No!

184
00:11:14,215 --> 00:11:17,301
-This'll be over before you know it.
-No, Jepp! Jepp!

185
00:11:17,385 --> 00:11:19,387
[urgent, suspenseful music playing]

186
00:11:32,775 --> 00:11:34,443
The fuel tank's the heart of that thing.

187
00:11:34,527 --> 00:11:37,697
We take it out, with any luck
it'll bleed out before the cave.

188
00:11:37,780 --> 00:11:38,989
Only one way to find out.

189
00:11:39,615 --> 00:11:41,409
-Ready?
-[radio beeping]

190
00:11:41,492 --> 00:11:43,869

Three, two, one.

191
00:11:48,124 --> 00:11:48,999
What the hell?

192
00:11:50,042 --> 00:11:51,794
[Rosie's sons snarling]

193
00:11:53,295 --> 00:11:54,714
What are you doing back there?

194
00:11:58,175 --> 00:11:59,176
[Siana] Light 'em up.

195
00:12:02,096 --> 00:12:03,639
-[horn blaring]
-Shit!

196
00:12:07,184 --> 00:12:09,103
Did they just leapfrog us?

197
00:12:09,186 --> 00:12:10,855
Shut up and shoot them already!

198
00:12:11,981 --> 00:12:13,399
-[Ginger moans]
-It's okay.

199
00:12:16,819 --> 00:12:18,362
Oh no, you don't.

200
00:12:19,864 --> 00:12:20,740
[both yelp]

201
00:12:21,949 --> 00:12:22,992
We got Rosie.

202

00:12:26,120 --> 00:12:27,955

-Shit!

-Do it!

203

00:12:35,671 --> 00:12:36,589

Fire one!

204

00:12:38,591 --> 00:12:39,508

Missed.

205

00:12:41,135 --> 00:12:43,637

Reload. Make it count.

206

00:12:46,223 --> 00:12:48,142

-[Nuka screams]

-Nuka, stay down!

207

00:12:48,934 --> 00:12:49,769

Fire two!

208

00:12:55,524 --> 00:12:56,442

Damn it!

209

00:12:56,525 --> 00:12:58,402

We need a little more oomph, Odell.

210

00:12:59,653 --> 00:13:01,989

This is it, guys. The last harpoon.

211

00:13:02,865 --> 00:13:03,866

How are you feeling?

212

00:13:03,949 --> 00:13:06,952

Probably a good time to let you know
I've only got one good eye.

213
00:13:07,036 --> 00:13:08,704
Now you tell us?

214
00:13:10,581 --> 00:13:11,624
Fire three!

215
00:13:13,751 --> 00:13:14,668
Bullseye!

216
00:13:15,753 --> 00:13:17,463
[engine chugging]

217
00:13:20,925 --> 00:13:21,759
One problem.

218
00:13:21,842 --> 00:13:23,469
It's barely draining.

219
00:13:27,515 --> 00:13:29,725
We need to pull it out somehow.

220
00:13:32,269 --> 00:13:33,354
Leave that to us.

221
00:13:36,148 --> 00:13:37,525
What are we doing?

222
00:13:37,608 --> 00:13:39,235
Get ready! You're gonna drive!

223
00:13:40,611 --> 00:13:41,779
While you do what?

224
00:13:41,862 --> 00:13:42,988

Something stupid.

225
00:13:43,072 --> 00:13:44,490
[rousing music continues]

226
00:14:09,390 --> 00:14:10,724
[Becky grunts]

227
00:14:15,479 --> 00:14:16,897
I knew I liked her.

228
00:14:30,578 --> 00:14:31,662
[strains]

229
00:14:34,832 --> 00:14:36,417
Come on... [grunts]

230
00:14:36,500 --> 00:14:38,878
[low, guttural growling]

231
00:14:45,342 --> 00:14:47,344
[continues growling]

232
00:15:27,009 --> 00:15:29,053
-Jordan.
-What do you think you're doing?

233
00:15:30,054 --> 00:15:32,723
Jordan, I know
I'm the last person you want to see,

234
00:15:32,806 --> 00:15:34,266
but you have to stop this.

235
00:15:34,350 --> 00:15:36,101
You have no idea what she's trying to do.

236

00:15:36,185 --> 00:15:37,019
Piss off.

237

00:15:37,102 --> 00:15:38,312
Please.

238

00:15:38,395 --> 00:15:39,980
Zhang doesn't give a shit about you!

239

00:15:40,064 --> 00:15:42,274
Newsflash, Becky! No one does.

240

00:15:43,400 --> 00:15:45,778
Jordan, no matter how you feel about me

241

00:15:45,861 --> 00:15:47,446
and what I've done to you,

242

00:15:47,529 --> 00:15:49,573
-I am begging you.
-Get over yourself.

243

00:15:49,657 --> 00:15:51,075
This has nothing to do with you.

244

00:15:51,158 --> 00:15:54,161
-Then why are you doing this?
-Because I'm tired of losing!

245

00:15:57,581 --> 00:16:02,252
You might be okay with our species
going down the drain, but I'm not!

246

00:16:02,336 --> 00:16:03,545
[throttle grinding]

247

00:16:05,714 --> 00:16:07,549
Then I'm really sorry for this.

248

00:16:15,849 --> 00:16:17,059
Becky!

249

00:16:19,436 --> 00:16:21,188
[panicked gasping]

250

00:16:23,774 --> 00:16:25,776
[dramatic, distressing music playing]

251

00:16:37,371 --> 00:16:38,372
[Becky's grunt echoing]

252

00:16:39,289 --> 00:16:41,375
[metal clanging]

253

00:16:49,800 --> 00:16:51,093
[shakily] Becky?

254

00:17:05,983 --> 00:17:07,985
[shrill ringing]

255

00:17:08,068 --> 00:17:09,111
[Gus gasps]

256

00:17:20,706 --> 00:17:21,999
Please, Dr. Singh.

257

00:17:23,625 --> 00:17:25,169
I'm not a doctor anymore.

258

00:17:30,382 --> 00:17:32,051

[Jepp] Please... just...

259

00:17:33,010 --> 00:17:35,345
Whatever you think your purpose is,

260

00:17:35,429 --> 00:17:36,847
this isn't it!

261

00:17:40,267 --> 00:17:42,186
[dark, sinister music playing]

262

00:18:02,623 --> 00:18:03,499
I'm not afraid.

263

00:18:05,876 --> 00:18:06,877
I'm not afraid.

264

00:18:08,337 --> 00:18:11,381
If you do this, Gus is right!

265

00:18:12,674 --> 00:18:14,468
We don't deserve to survive.

266

00:18:15,135 --> 00:18:17,012
You were right on the elevator.

267

00:18:17,513 --> 00:18:18,931
We all lost people that day.

268

00:18:19,681 --> 00:18:22,392
[Jepp forcefully] Don't lose yourself!

269

00:18:23,769 --> 00:18:25,687
Don't listen to him, Singh.

270

00:18:26,814 --> 00:18:28,315
Think of your redemption.

271
00:18:30,776 --> 00:18:32,277
Think of your destiny.

272
00:18:33,403 --> 00:18:35,906
[Singh breathing heavily]

273
00:18:36,698 --> 00:18:37,991
Think of Rani.

274
00:18:38,075 --> 00:18:39,576
[clipped seething]

275
00:18:45,332 --> 00:18:46,416
Gargoyle.

276
00:18:47,668 --> 00:18:48,627
What?

277
00:18:50,921 --> 00:18:55,717
Never mention... my wife's name... again.

278
00:18:57,845 --> 00:18:59,221
[screams]

279
00:18:59,304 --> 00:19:00,973
-Go!
-No!

280
00:19:01,056 --> 00:19:01,974
Get back!

281
00:19:02,516 --> 00:19:04,268
-[Dr. Singh] Run, Gus!

-[Mrs. Zhang] Stop him!

282

00:19:04,351 --> 00:19:06,478

-Stop both of them!

-Gus, get out of here!

283

00:19:06,562 --> 00:19:10,399

We had a deal! You begged me for this!

284

00:19:10,983 --> 00:19:12,442

Back! Move!

285

00:19:12,526 --> 00:19:14,987

[erratic, suspenseful music playing]

286

00:19:15,070 --> 00:19:16,155

[sap squelches wetly]

287

00:19:16,238 --> 00:19:18,031

[harrowing vocalizations echoing]

288

00:19:18,615 --> 00:19:20,325

[Mrs. Zhang] I'm gonna kill you!

289

00:19:20,409 --> 00:19:23,620

[wailing] You brought this on yourself.

290

00:19:24,121 --> 00:19:25,080

Wait!

291

00:19:25,164 --> 00:19:27,332

[shrill, piercing ringing]

292

00:19:33,589 --> 00:19:35,716

[unsettling gurgling]

293
00:19:41,763 --> 00:19:44,558
What did you do?

294
00:19:44,641 --> 00:19:45,809
No.

295
00:19:53,066 --> 00:19:54,943
You just gave everyone the Sick.

296
00:19:56,570 --> 00:19:57,487
No.

297
00:19:57,988 --> 00:19:59,448
How is this happening?

298
00:20:01,325 --> 00:20:03,327
[hollow coughing]

299
00:20:04,494 --> 00:20:05,329
[wheezing]

300
00:20:05,412 --> 00:20:08,081
[low, harrowing music building]

301
00:20:08,165 --> 00:20:09,291
Big Man!

302
00:20:13,378 --> 00:20:14,379
What?

303
00:20:14,922 --> 00:20:16,798
Mom! What's happening?

304
00:20:18,133 --> 00:20:19,259
Mom. Mom!

305

00:20:19,343 --> 00:20:21,220

Help! Help!

306

00:20:21,303 --> 00:20:23,305

[all coughing, gasping]

307

00:20:26,266 --> 00:20:27,267

[grunts]

308

00:20:28,810 --> 00:20:30,812

[coughing, wheezing]

309

00:20:32,314 --> 00:20:34,358

[Rosie's sons whimpering]

310

00:20:38,946 --> 00:20:40,113

[mournful howling]

311

00:20:45,535 --> 00:20:47,412

No, no, no, Big Man! You can't die.

312

00:20:47,496 --> 00:20:49,164

You can't. We have to fix this.

313

00:20:49,248 --> 00:20:51,541

[struggling] I tried to protect you.

314

00:20:52,876 --> 00:20:54,544

I tried my best.

315

00:20:55,212 --> 00:20:58,131

Just hang on, okay? I'll make you better.

316

00:20:59,591 --> 00:21:02,135

[restrained, emotional music playing]

317

00:21:07,349 --> 00:21:09,434
[Gus breathing shakily]

318

00:21:09,935 --> 00:21:11,561
[disembodied, guttural growling]

319

00:21:12,896 --> 00:21:14,481
[panting]

320

00:21:16,400 --> 00:21:18,235
[yelling] Is this what you wanted?

321

00:21:18,318 --> 00:21:20,445
Is this what it takes?!

322

00:21:21,029 --> 00:21:22,572
Is this why I'm here?!

323

00:21:22,656 --> 00:21:24,825
[guttural growling,
shrill ringing reverberate]

324

00:21:24,908 --> 00:21:27,202
[Gus panting]

325

00:21:28,036 --> 00:21:29,204
[desperately] Please!

326

00:21:29,913 --> 00:21:31,999
Please, you can save him!

327

00:21:32,082 --> 00:21:33,458
Please!

328
00:21:33,542 --> 00:21:35,168
[screaming]

329
00:21:35,252 --> 00:21:36,920
[shrill ringing]

330
00:21:37,004 --> 00:21:39,006
[raptor shrieking]

331
00:21:41,591 --> 00:21:44,678
[Gus whispering] Please. Please.

332
00:21:44,761 --> 00:21:46,013
[Pubba] Gus?

333
00:21:46,096 --> 00:21:47,097
[Gus gasps]

334
00:21:52,144 --> 00:21:53,228
You okay, bud?

335
00:21:54,896 --> 00:21:56,023
Pubba?

336
00:21:56,106 --> 00:21:57,816
What'd that tree ever do to you?

337
00:22:01,987 --> 00:22:04,740
The tree... is trying to take my friend,

338
00:22:04,823 --> 00:22:05,991
and I don't want it to.

339
00:22:08,910 --> 00:22:11,788
I've lost everyone

who's ever meant something to me,

340

00:22:11,872 --> 00:22:13,915
and I'm not ready to lose Jepp too.

341

00:22:13,999 --> 00:22:15,500
[sweet, poignant music playing]

342

00:22:15,584 --> 00:22:17,586
[rich, vibrant wildlife calls]

343

00:22:23,550 --> 00:22:25,093
You said there were fires.

344

00:22:25,844 --> 00:22:27,804
You said that people were greedy,

345

00:22:28,805 --> 00:22:31,350
mean, and self-destructive.

346

00:22:32,934 --> 00:22:35,729
So nature set the world on fire
to punish them.

347

00:22:39,358 --> 00:22:42,069
The fire was the Sick, wasn't it?

348

00:22:43,987 --> 00:22:45,989
You grew up even faster than I thought.

349

00:22:55,457 --> 00:22:56,333
Look.

350

00:22:57,334 --> 00:22:59,795
What do you see
when you look at this forest?

351

00:23:08,387 --> 00:23:09,763

I see death.

352

00:23:10,389 --> 00:23:11,848

That's one way to look at it.

353

00:23:12,557 --> 00:23:15,560

But, you know,
death isn't just an ending, Gus.

354

00:23:16,478 --> 00:23:18,480

Death is a part of life.

355

00:23:21,900 --> 00:23:24,152

All things come to an end sometime.

356

00:23:27,823 --> 00:23:29,699

So the next one can begin.

357

00:23:31,493 --> 00:23:33,912

Like seasons, the ring of a tree,

358

00:23:35,414 --> 00:23:36,415

or stories.

359

00:23:39,292 --> 00:23:40,627

When you went away...

360

00:23:42,712 --> 00:23:47,592

it felt like time stood still,
and it stayed that way for a long time.

361

00:23:51,721 --> 00:23:53,223

I thought it broke me.

362

00:23:57,894 --> 00:24:01,898

But then I realized..
it was okay to move on.

363

00:24:04,651 --> 00:24:06,695

That's why I left the woods.

364

00:24:08,363 --> 00:24:09,948

To go looking.

365

00:24:11,575 --> 00:24:12,868

And what'd you find?

366

00:24:16,455 --> 00:24:17,414

A life.

367

00:24:17,998 --> 00:24:20,000

[aching, poignant music playing]

368

00:24:24,880 --> 00:24:27,716

The world needs to move on, Gus.
Nature's ready.

369

00:24:28,800 --> 00:24:30,677

I think it's time
to finally turn the page.

370

00:24:32,220 --> 00:24:34,222

[whispery vocalizations]

371

00:24:39,060 --> 00:24:42,939

[Pubba] You said humans don't deserve
to survive. Do you really think that?

372

00:24:47,235 --> 00:24:48,445

Sometimes.

373

00:24:50,322 --> 00:24:51,323
I don't know.

374

00:24:52,407 --> 00:24:54,367
There is good in people,

375

00:24:54,451 --> 00:24:56,369
but it comes with the bad too.

376

00:24:57,787 --> 00:24:58,788
They're complicated.

377

00:25:00,999 --> 00:25:03,502
There are no easy answers in life, Gus.

378

00:25:03,585 --> 00:25:05,253
[Wendy yelling] Becky!

379

00:25:06,671 --> 00:25:07,547
Becky!

380

00:25:07,631 --> 00:25:11,134
[Pubba] We just have to trust
if we live our lives the best we can...

381

00:25:13,178 --> 00:25:16,139
we can leave this world
a little better than we found it.

382

00:25:16,223 --> 00:25:18,433
[hearts beating]

383

00:25:18,517 --> 00:25:20,393
No matter how much time we have left.

384
00:25:21,603 --> 00:25:23,271
[gasping, coughing forcefully]

385
00:25:23,355 --> 00:25:25,982
[heartbeat thumping]

386
00:25:26,733 --> 00:25:29,402
[all grunting, moaning]

387
00:25:29,486 --> 00:25:30,779
[Jepp groaning]

388
00:25:32,531 --> 00:25:33,740
Goddamn.

389
00:25:36,326 --> 00:25:38,495
[heartbeat intensifies]

390
00:25:38,578 --> 00:25:39,579
[Jepp] Hold on!

391
00:25:39,663 --> 00:25:41,498
So you ready to turn the page?

392
00:25:44,793 --> 00:25:45,752
I'm ready.

393
00:25:45,835 --> 00:25:47,837
[bold, wondrous music building]

394
00:25:50,632 --> 00:25:53,885
But how will I know he's going to survive?

395
00:25:55,720 --> 00:25:56,763
You won't.

396
00:26:01,268 --> 00:26:02,435
[Jepp] Gus!

397
00:26:05,772 --> 00:26:06,815
Gus.

398
00:26:13,071 --> 00:26:14,489
Come back, Sweet Tooth.

399
00:26:15,240 --> 00:26:16,366
Please.

400
00:26:19,119 --> 00:26:20,120
Gus, please.

401
00:26:21,204 --> 00:26:22,205
Come back.

402
00:26:24,708 --> 00:26:26,209
[Jepp, faintly] Gus, please.

403
00:26:59,618 --> 00:27:01,620
-[Jepp breathing raspily]
-[Gus gasps]

404
00:27:09,753 --> 00:27:10,754
I know what to do.

405
00:27:12,756 --> 00:27:14,758
[Gus panting]

406
00:27:14,841 --> 00:27:16,259
[disoriented groaning]

407

00:27:21,097 --> 00:27:22,515
No!

408

00:27:22,599 --> 00:27:24,225
[shrill shrieking, guttural howling]

409

00:27:26,728 --> 00:27:28,730
[flames roaring]

410

00:27:35,028 --> 00:27:37,030
[somber, cathartic music building]

411

00:27:41,576 --> 00:27:42,577
Oh...

412

00:27:43,787 --> 00:27:44,788
[groans]

413

00:28:01,638 --> 00:28:03,306
[rousing, spirited music playing]

414

00:28:29,874 --> 00:28:31,918
[Rosie's sons whimpering]

415

00:28:41,469 --> 00:28:42,345
Hey, hey.

416

00:28:46,141 --> 00:28:47,142
[chuckles] Yeah.

417

00:29:02,240 --> 00:29:03,241
[grunting]

418

00:29:33,146 --> 00:29:35,690
[somber music playing]

419
00:29:35,774 --> 00:29:37,108
[flames crackling]

420
00:29:37,192 --> 00:29:38,234
Becky!

421
00:29:42,197 --> 00:29:44,324
[Becky] You weren't worried
about me, were you?

422
00:29:44,407 --> 00:29:46,659
[tender, emotional music playing]

423
00:29:49,454 --> 00:29:50,455
[Wendy] Never.

424
00:29:51,039 --> 00:29:52,040
You're Bear.

425
00:29:53,124 --> 00:29:54,334
You're my sister.

426
00:29:58,379 --> 00:29:59,881
I love you, Wendy.

427
00:30:00,465 --> 00:30:01,466
I love you too.

428
00:30:03,593 --> 00:30:04,803
[both chuckling]

429
00:30:04,886 --> 00:30:06,888
[keening howls in distance]

430
00:30:08,431 --> 00:30:09,265

Come on.

431

00:30:21,110 --> 00:30:22,111
[Gus gasps]

432

00:30:22,737 --> 00:30:23,655
You're alive.

433

00:30:24,280 --> 00:30:25,281
Yeah.

434

00:30:26,282 --> 00:30:27,200
We both are.

435

00:30:29,869 --> 00:30:30,829
But how?

436

00:30:32,997 --> 00:30:34,457
Sweet Tooth, what did you do?

437

00:30:34,541 --> 00:30:36,543
[delicate, pensive music playing]

438

00:30:40,255 --> 00:30:41,756
I let nature decide.

439

00:30:45,343 --> 00:30:46,678
[crackling, crumbling]

440

00:30:49,597 --> 00:30:52,058
Shit, the cave's coming down. We gotta go.

441

00:30:52,141 --> 00:30:53,810
Come on. Come on, Sweet Tooth.

442

00:30:54,310 --> 00:30:56,104
[yelps] Big Man!

443
00:30:56,729 --> 00:30:57,772
Gus!

444
00:30:59,315 --> 00:31:01,568
[suspenseful music playing]

445
00:31:01,651 --> 00:31:03,528
[Dr. Singh] Gus! Gus! Gus! Gus!

446
00:31:03,611 --> 00:31:04,696
[loud crash]

447
00:31:04,779 --> 00:31:06,406
[Dr. Singh screaming]

448
00:31:07,407 --> 00:31:09,784
[Dr. Singh grunting in pain]

449
00:31:09,868 --> 00:31:10,785
Go, Gus.

450
00:31:11,870 --> 00:31:12,871
Go, Gus.

451
00:31:12,954 --> 00:31:13,788
Go!

452
00:31:14,414 --> 00:31:15,248
[screams] Go!

453
00:31:17,375 --> 00:31:18,334
You're free.

454
00:31:22,088 --> 00:31:23,089
I am too.

455
00:31:25,258 --> 00:31:26,259
Go on.

456
00:31:30,805 --> 00:31:32,557
Come on, Gus, we gotta go.

457
00:31:34,058 --> 00:31:36,102
-Come on!
-[Gus whimpers, pants]

458
00:31:39,397 --> 00:31:40,398
[grunts]

459
00:31:41,524 --> 00:31:43,026
[bittersweet music playing]

460
00:31:43,109 --> 00:31:44,110
[Dr. Singh pants]

461
00:31:58,082 --> 00:32:00,752
[snarling]

462
00:32:13,139 --> 00:32:14,098
You're scared.

463
00:32:17,560 --> 00:32:18,686
We're here to help.

464
00:32:23,191 --> 00:32:24,192
Take it easy.

465
00:32:25,610 --> 00:32:27,111

[cagey growling]

466

00:32:29,864 --> 00:32:31,407

-There.

-[whines, whimpers]

467

00:32:31,908 --> 00:32:32,909

[Wendy] You're free.

468

00:32:36,663 --> 00:32:37,664

[gun cocks]

469

00:32:40,124 --> 00:32:41,167

Go ahead.

470

00:32:42,502 --> 00:32:44,170

You deserve your revenge.

471

00:32:44,253 --> 00:32:45,380

[Rosie's son whimpers]

472

00:32:45,463 --> 00:32:46,965

[menacing music playing]

473

00:32:47,966 --> 00:32:49,592

But leave my sister alone.

474

00:32:50,468 --> 00:32:51,886

She just freed your son.

475

00:32:56,891 --> 00:32:58,893

[contemplative music playing]

476

00:32:59,644 --> 00:33:00,728

What's next for them,

477
00:33:02,397 --> 00:33:03,398
after tonight?

478
00:33:05,817 --> 00:33:06,818
I don't know.

479
00:33:09,821 --> 00:33:11,447
[Ginger wailing] Rosie!

480
00:33:17,662 --> 00:33:19,664
Rosie!

481
00:33:19,747 --> 00:33:22,875
[Ginger panting rapidly]

482
00:33:22,959 --> 00:33:24,293
The baby's coming.

483
00:33:25,795 --> 00:33:27,505
Stay calm. Breathe.

484
00:33:28,631 --> 00:33:29,757
Rosie, what if...

485
00:33:30,758 --> 00:33:32,093
what if it's a hybrid?

486
00:33:32,176 --> 00:33:35,555
It won't matter.
You'll love him either way.

487
00:33:36,180 --> 00:33:38,599
That's what I wanted to tell you earlier.

488
00:33:39,475 --> 00:33:42,437

No matter what, it's gonna be okay.

489

00:33:43,521 --> 00:33:45,356
Well, what would Mom say?

490

00:33:48,526 --> 00:33:50,111
That's not important anymore.

491

00:33:52,155 --> 00:33:54,991
I don't know what the hell
I'm doing here. Rosie?

492

00:33:55,074 --> 00:33:57,660
-[Rosie] It's been a while. I...
-[Becky] Can we help?

493

00:33:59,037 --> 00:34:01,164
-[Rosie] Okay.
-We need to keep her warm.

494

00:34:02,540 --> 00:34:06,169
-You know what you're doing?
-I watched someone do this the other day.

495

00:34:06,836 --> 00:34:08,963
Okay, get ready to push.

496

00:34:09,881 --> 00:34:11,090
On the count of three.

497

00:34:11,174 --> 00:34:14,010
One, two, three.

498

00:34:14,093 --> 00:34:15,553
Push! Yes.

499

00:34:15,636 --> 00:34:16,721
[Ginger grunting]

500
00:34:16,804 --> 00:34:17,930
[Becky] That's it.

501
00:34:18,014 --> 00:34:19,891
Okay, and again.

502
00:34:19,974 --> 00:34:21,684
[panicked clamoring]

503
00:34:21,768 --> 00:34:23,770
[suspenseful music playing]

504
00:34:24,604 --> 00:34:25,855
[Jepp] Keep moving!

505
00:34:27,607 --> 00:34:28,608
Back!

506
00:34:29,442 --> 00:34:30,693
Go! Come on!

507
00:34:40,828 --> 00:34:41,662
Gus?

508
00:34:41,746 --> 00:34:44,415
[stirring music playing]

509
00:34:45,208 --> 00:34:47,210
-Are you okay?
-Yeah. [pants]

510
00:34:47,794 --> 00:34:51,255
[Mrs. Zhang] What are you doing

standing there? Get him!

511
00:34:51,339 --> 00:34:52,548
He's right there!

512
00:34:53,132 --> 00:34:54,425
Kill him!

513
00:34:54,509 --> 00:34:55,343
Go!

514
00:34:55,426 --> 00:34:57,345
What's wrong with you?

515
00:34:57,428 --> 00:34:59,555
Get him! He's right there!

516
00:35:02,683 --> 00:35:03,601
Rosie!

517
00:35:04,268 --> 00:35:05,269
Ginger!

518
00:35:05,353 --> 00:35:07,772
[Rosie's sons huffing, whining]

519
00:35:08,606 --> 00:35:10,233
Have you all gone crazy?

520
00:35:11,984 --> 00:35:14,529
Why aren't you killing him
before it's too late?

521
00:35:15,321 --> 00:35:17,782
[strong, clear cry ringing out]

522

00:35:19,659 --> 00:35:21,661
[delicate, wondrous music playing]

523

00:35:26,916 --> 00:35:28,918
[gentle, wondrous music playing]

524

00:35:44,851 --> 00:35:45,768
What is it?

525

00:35:50,898 --> 00:35:52,400
[coos]

526

00:35:52,483 --> 00:35:54,527
[fusses]

527

00:36:18,009 --> 00:36:20,761
[narrator] It was clear
to our remaining humans

528

00:36:22,138 --> 00:36:24,557
that after all they had been through,

529

00:36:26,058 --> 00:36:30,021
nature... decided to show them mercy.

530

00:36:34,317 --> 00:36:35,443
[Rosie's sons yipping]

531

00:36:49,874 --> 00:36:52,710
[narrator] But it became clear
in the days that followed..

532

00:36:56,088 --> 00:36:59,342
that those humans would be the last.

533

00:37:01,844 --> 00:37:04,764
Hybrids would indeed inherit the earth.

534
00:37:23,824 --> 00:37:27,036
The Sick was buried for good in that cave...

535
00:37:30,373 --> 00:37:33,584
and the clock stopped ticking
for humankind.

536
00:37:36,462 --> 00:37:40,591
Now, they could spend whatever
remaining time they had left together

537
00:37:42,009 --> 00:37:43,094
in peace.

538
