

# SHAZAM!

**SCREENPLAY BY**

Henry Gayden

**STORY BY**

Darren Lemke

**SHAZAM CREATED BY**

Bill Parker & C.C. Beck

**DIRECTED BY**

David F. Sandberg

**ABOUT THE FILM**

We all have a superhero inside us, it just takes a bit of magic to bring it out. In Billy Batson's (Asher Angel) case, by shouting out one word—SHAZAM!—this streetwise 14-year-old foster kid can turn into the adult Super Hero Shazam (Zachary Levi), courtesy of an ancient wizard (Djimon Hounsou). Still a kid at heart—inside a ripped, godlike body—Shazam revels in this adult version of himself by doing what any teen would do with superpowers: have fun with them! Can he fly? Does he have X-ray vision? Can he shoot lightning out of his hands? Can he skip his social studies tests Shazam sets out to test the limits of his abilities with the joyful recklessness of a child. But he'll need to master these powers quickly in order to fight the deadly forces of evil controlled by Dr. Thaddeus Sivana (Mark Strong).

**ORIGINAL THEATRICAL RELEASE:**

April 5, 2019

Keisha T. Fraser	...	Rachel Batson
Andi Osho	...	Ms. E.B. Glover
Lotta Losten	...	Dr. Lynn Crosby
Lisa Truong	...	Ms. Kwan
Carson MacCormac	...	Brett Breyer
Evan Marsh	...	Burke Breyer

1  
00:00:27,092 --> 00:00:32,092

2  
00:00:50,372 --> 00:00:52,375  
[Christmas music playing  
on radio]

3  
00:01:02,817 --> 00:01:03,784  
Thad...

4  
00:01:03,786 --> 00:01:05,718  
I said no toys  
at Grandfather's.

5  
00:01:05,720 --> 00:01:08,223  
- But it's Christmas.  
- [sighs]

6  
00:01:09,490 --> 00:01:11,091  
- Stop it!  
- [Mr. Sivana] Hey.

7  
00:01:11,093 --> 00:01:12,159  
Hey, Dad!

8  
00:01:12,161 --> 00:01:13,927  
[shouts] Hey! Thad,

9  
00:01:13,929 --> 00:01:16,796  
you can't go crying to  
other people all the time.

10  
00:01:16,798 --> 00:01:21,335  
A man needs to know when  
to stand up for himself.

11  
00:01:21,337 --> 00:01:23,869  
Dear Magic-Isn't-Real Ball,

12  
00:01:23,871 --> 00:01:25,571  
will Thad ever be a man?

00:01:25,573 --> 00:01:27,310  
- [scoffs]  
- [shakes Magic 8 Ball]

14  
00:01:29,177 --> 00:01:31,177  
[laughs] Ouch.

15  
00:01:31,179 --> 00:01:33,248  
"Outlook not so good."

16  
00:01:35,049 --> 00:01:36,251  
[chuckles]

17  
00:01:37,451 --> 00:01:38,787  
[Magic 8 Ball beeping]

18  
00:01:45,159 --> 00:01:46,561  
You broke it.

19  
00:01:48,296 --> 00:01:50,897  
Dad? Sid?

20  
00:01:50,899 --> 00:01:52,335  
[radio static]

21  
00:01:53,569 --> 00:01:55,835  
- [engine revving]  
- [gasping]

22  
00:01:55,837 --> 00:01:57,339  
Someone help me!

23  
00:01:58,572 --> 00:02:00,942  
[breathing heavily] Help!

24  
00:02:28,704 --> 00:02:29,772  
Hello?

25  
00:02:49,724 --> 00:02:51,526  
- [man] Thaddeus.  
- [gasps softly]

26

00:02:57,132 --> 00:02:58,933  
[breathing heavily]

27

00:03:22,258 --> 00:03:24,894  
Thaddeus Sivana.

28

00:03:25,828 --> 00:03:27,362  
Who are you?

29

00:03:28,062 --> 00:03:29,429  
How do you know my name?

30

00:03:29,431 --> 00:03:33,365  
I am the last of  
the Council of Wizards.

31

00:03:33,367 --> 00:03:38,573  
Sworn to protect the realms  
from the Seven Deadly Sins.

32

00:03:41,710 --> 00:03:43,813  
But years have passed,

33

00:03:44,413 --> 00:03:46,713  
and I grow weak.

34

00:03:46,715 --> 00:03:49,149  
That is why  
I seek a champion

35

00:03:49,151 --> 00:03:51,351  
to inherit my magic.

36

00:03:51,353 --> 00:03:54,487  
You want me to do magic?

37

00:03:54,489 --> 00:03:56,822  
With this,

38

00:03:56,824 --> 00:03:59,794  
all of my powers

will become yours.

39

00:04:05,067 --> 00:04:06,836  
Ah. But first...

40

00:04:08,037 --> 00:04:10,769  
you must demonstrate  
that you're pure of heart

41

00:04:10,771 --> 00:04:13,072  
and strong in spirit.

42

00:04:13,074 --> 00:04:14,542  
[voices whispering]

43

00:04:16,044 --> 00:04:19,144  
[Wrath] He lies.

44

00:04:19,146 --> 00:04:23,281  
Don't be his champion.

45

00:04:23,283 --> 00:04:27,252  
We can give you power.

46

00:04:27,254 --> 00:04:30,158  
[Wrath] Take the eye.

47

00:04:33,427 --> 00:04:34,596  
[Envy] Take it.

48

00:04:36,697 --> 00:04:40,000  
[Greed] Your father thinks  
you're weak.

49

00:04:40,002 --> 00:04:43,004  
Show him your power.

50

00:04:45,774 --> 00:04:47,108  
[Envy] Take the eye.

51

00:04:53,482 --> 00:04:55,418

- [wizard] No!  
- [gasps]

52  
00:04:56,619 --> 00:04:57,683  
[Thaddeus] What?

53  
00:04:57,685 --> 00:04:59,252  
What happened?

54  
00:04:59,254 --> 00:05:04,026  
Only the purest of hearts  
can resist their temptations.

55  
00:05:04,425 --> 00:05:05,757  
But you,

56  
00:05:05,759 --> 00:05:07,695  
you will never be worthy.

57  
00:05:08,463 --> 00:05:09,765  
[bangs staff]

58  
00:05:12,401 --> 00:05:13,968  
[Christmas music playing  
on radio]

59  
00:05:15,103 --> 00:05:16,135  
Wait.

60  
00:05:16,137 --> 00:05:18,171  
- I'm good enough, I swear!  
- What?

61  
00:05:18,173 --> 00:05:19,438  
Let me back in!

62  
00:05:19,440 --> 00:05:20,973  
- Calm down, Thad!  
- [Thaddeus shouting]

63  
00:05:20,975 --> 00:05:22,308  
- Don't open the door!

- Stop it!

64

00:05:22,310 --> 00:05:23,575

- Calm down.

- Stop!

65

00:05:23,577 --> 00:05:25,144

Hey, I'm gonna kill you,  
you little freak!

66

00:05:25,146 --> 00:05:26,146

[tires screeching]

67

00:05:27,915 --> 00:05:29,718

- Stop... Oh!

- [truck horn blaring]

68

00:05:31,887 --> 00:05:34,088

- [tires screeching]

- [all yelping]

69

00:05:43,298 --> 00:05:44,397

[Mr. Sivana exhales]

70

00:05:44,399 --> 00:05:45,932

I was just there.

71

00:05:45,934 --> 00:05:49,135

This man, this wizard,  
he took me to a castle and...

72

00:05:49,137 --> 00:05:50,502

[Mr. Sivana] Stop. Stop!

73

00:05:50,504 --> 00:05:52,204

Stop it!

74

00:05:52,206 --> 00:05:55,808

You miserable, whiny,  
little shit!

75

00:05:55,810 --> 00:05:57,743

You could have killed us!

76

00:05:57,745 --> 00:05:59,512  
Do you understand that?

77

00:05:59,514 --> 00:06:00,615  
[tires screeching]

78

00:06:02,016 --> 00:06:04,019  
[Christmas music  
continues playing]

79

00:06:23,838 --> 00:06:25,975  
- [music stops]  
- [breathing heavily]

80

00:06:45,927 --> 00:06:47,192  
Dad?

81

00:06:47,194 --> 00:06:48,197  
Dad!

82

00:07:01,009 --> 00:07:02,044  
Dad?

83

00:07:04,112 --> 00:07:05,844  
You're okay.

84

00:07:05,846 --> 00:07:07,247  
You're gonna be okay.

85

00:07:07,249 --> 00:07:08,981  
[groans]

86

00:07:08,983 --> 00:07:10,884  
[coughing]

87

00:07:10,886 --> 00:07:12,646  
- [Mr. Sivana groaning]  
- [young Sid panting]

88

00:07:14,288 --> 00:07:16,122  
You did this.

89  
00:07:16,124 --> 00:07:17,693  
You did this!

90  
00:07:19,026 --> 00:07:20,159  
No.

91  
00:07:20,161 --> 00:07:21,161  
Dad.

92  
00:07:22,197 --> 00:07:23,232  
[gasps]

93  
00:07:40,149 --> 00:07:41,283  
[stone cracking]

94  
00:07:44,285 --> 00:07:47,252  
Your magic grows weak.

95  
00:07:47,254 --> 00:07:52,492  
Soon, you won't be able to  
contain us.

96  
00:07:52,494 --> 00:07:54,961  
Seeking Spell,

97  
00:07:54,963 --> 00:07:58,233  
find me one soul  
who is worthy.

98  
00:08:00,634 --> 00:08:03,771  
No matter  
how long it takes.

99  
00:08:34,501 --> 00:08:37,072  
[alarm ringing]

100  
00:08:48,082 --> 00:08:50,916  
Holy moly! The boys in blue!

101  
00:08:50,918 --> 00:08:52,719  
Sure glad to see you.

102  
00:08:52,721 --> 00:08:54,956  
I called as soon as I saw.

103  
00:08:55,724 --> 00:08:57,223  
They're in there.

104  
00:08:57,225 --> 00:08:58,293  
You stay here.

105  
00:09:02,397 --> 00:09:04,664  
- Police!  
- [alarm stops]

106  
00:09:04,666 --> 00:09:06,068  
I saw 'em hide  
back in there.

107  
00:09:11,005 --> 00:09:12,845  
- [female officer] Police, coming in!  
- Police!

108  
00:09:16,010 --> 00:09:17,475  
- There's nobody here.  
- What do you mean?

109  
00:09:17,477 --> 00:09:19,447  
- It's a closet.  
- You really bought that, huh?

110  
00:09:20,782 --> 00:09:22,081  
[grunts]

111  
00:09:22,083 --> 00:09:24,185  
- Hey, no, no, no!  
- Hey!

112  
00:09:25,720 --> 00:09:27,122  
Stop, stop, stop!

113  
00:09:29,024 --> 00:09:30,522  
Open this up  
right now, kid.

114  
00:09:30,524 --> 00:09:32,624  
That's a federal offense, kid.  
You can't do that!

115  
00:09:32,626 --> 00:09:34,594  
Do not go in that car.

116  
00:09:34,596 --> 00:09:35,829  
Come on,  
open the door. Please.

117  
00:09:35,831 --> 00:09:37,432  
Please, come on.

118  
00:09:39,868 --> 00:09:42,403  
Open this, right now!  
[grunting]

119  
00:09:43,971 --> 00:09:45,272  
Very good, very funny.

120  
00:09:45,274 --> 00:09:48,009  
Very funny. That's great.  
That's hilarious.

121  
00:09:51,312 --> 00:09:54,112  
Uh, Dispatch, we need backup at the  
Laurelwood shopping center, please.

122  
00:09:54,816 --> 00:09:56,416  
[clears throat]

123  
00:09:56,418 --> 00:09:57,983  
[imitates male officer]  
Dispatch, cancel that request.

124  
00:09:57,985 --> 00:10:00,085  
Some kid stole

our walkie-talkies.

125

00:10:00,087 --> 00:10:03,289  
[dispatcher] Walkie-talkies?  
How old are you?

126

00:10:03,291 --> 00:10:04,291  
[inhales sharply]

127

00:10:08,964 --> 00:10:10,662  
No, no, no.

128

00:10:10,664 --> 00:10:11,833  
That's my lunch, kid!

129

00:10:16,037 --> 00:10:18,171  
[Billy] Miss Batson...

130

00:10:18,173 --> 00:10:20,272  
I've been looking for you.

131

00:10:20,274 --> 00:10:22,510  
[sighs] No. Gosh.

132

00:10:24,712 --> 00:10:26,414  
It's me. It's Billy.

133

00:10:28,383 --> 00:10:29,485  
[sighs]

134

00:10:32,486 --> 00:10:34,055  
[indistinct chattering]

135

00:10:34,755 --> 00:10:36,491  
[groans] Okay.

136

00:10:40,160 --> 00:10:42,295  
- [groans]  
- I want the tiger.

137

00:10:42,297 --> 00:10:46,335

I know, honey, I know.  
But Mom's not exactly going pro here.

138  
00:10:48,669 --> 00:10:51,038  
[gasps] We got one!  
[chuckles]

139  
00:10:53,408 --> 00:10:55,175  
But I wanted a tiger.

140  
00:10:55,177 --> 00:10:59,344  
Oh, but this is  
the real prize, baby. See?

141  
00:10:59,346 --> 00:11:00,946  
You can use that  
your whole life.

142  
00:11:00,948 --> 00:11:03,251  
You'll always find your way.

143  
00:11:04,019 --> 00:11:05,486  
[crowd chattering]

144  
00:11:23,238 --> 00:11:25,474  
[whispers] I can't let  
the ball get away.

145  
00:11:34,649 --> 00:11:35,850  
Mom?

146  
00:11:41,855 --> 00:11:42,990  
Mom!

147  
00:11:49,764 --> 00:11:51,133  
Mom!

148  
00:11:52,767 --> 00:11:54,166  
Hey.

149  
00:11:54,168 --> 00:11:55,537  
Who are you with, bud?

150  
00:11:57,938 --> 00:11:59,540  
Yeah, he says  
it's Billy Batson.

151  
00:12:01,174 --> 00:12:02,809  
Hey, don't worry, kid.

152  
00:12:02,811 --> 00:12:05,643  
I'm sure she'll come looking  
before too long, okay?

153  
00:12:05,645 --> 00:12:07,048  
They always do.

154  
00:12:08,716 --> 00:12:09,918  
[sighs]

155  
00:12:14,989 --> 00:12:17,926  
Mom, I'm home.

156  
00:12:20,662 --> 00:12:22,030  
[exhales]

157  
00:12:42,317 --> 00:12:43,351  
[exhales]

158  
00:12:46,955 --> 00:12:48,156  
[doorbell rings]

159  
00:12:51,393 --> 00:12:52,393  
[woman] Yes?

160  
00:12:53,260 --> 00:12:57,095  
Yeah, uh,  
is this Rachel Batson?

161  
00:12:57,097 --> 00:12:58,864  
Who's asking?

162  
00:12:58,866 --> 00:12:59,931

Um...

163

00:12:59,933 --> 00:13:01,535  
Yeah, see, the thing is...

164

00:13:03,236 --> 00:13:04,673  
I think you're my mom.

165

00:13:08,275 --> 00:13:09,577  
You sure about that?

166

00:13:12,880 --> 00:13:14,283  
Sorry to bother you.

167

00:13:15,984 --> 00:13:17,182  
[sighs]

168

00:13:17,184 --> 00:13:19,785  
[siren wails]

169

00:13:19,787 --> 00:13:22,287  
[male officer on loudspeaker]  
Just had to take my lunch, huh?

170

00:13:22,289 --> 00:13:25,023  
You save me any fries?

171

00:13:25,025 --> 00:13:29,228  
Foster home in Pittsburgh reported  
you missing two weeks ago.

172

00:13:29,230 --> 00:13:30,499  
You're sending me back?

173

00:13:30,898 --> 00:13:32,565  
No.

174

00:13:32,567 --> 00:13:33,965  
They don't want you.

175

00:13:33,967 --> 00:13:36,201

- [scoffs] Harsh.  
- You laugh,

176

00:13:36,203 --> 00:13:40,041  
but you've run from foster homes  
in six counties, Mr. Batson.

177

00:13:40,741 --> 00:13:43,575  
From good people

178

00:13:43,577 --> 00:13:46,078  
who want you,  
all in pursuit of someone

179

00:13:46,080 --> 00:13:48,050  
who arguably does not.

180

00:13:49,918 --> 00:13:53,352  
It's time someone looked you in the  
eye and told it to you straight.

181

00:13:53,354 --> 00:13:56,289  
I don't need parents  
to play make-believe with.

182

00:13:56,291 --> 00:13:59,157  
- I got a mom.  
- Yes.

183

00:13:59,159 --> 00:14:01,292  
You're some detective.

184

00:14:01,294 --> 00:14:03,094  
Seventy-three Batsons

185

00:14:03,096 --> 00:14:06,932  
between the ages of 28 to 40,  
and you've crossed out every one.

186

00:14:06,934 --> 00:14:09,737  
She's still out there.  
I know it.

187

00:14:18,413 --> 00:14:21,113  
There's a couple outside,  
Mr. Batson.

188

00:14:21,115 --> 00:14:22,985  
They run a group home.

189

00:14:24,217 --> 00:14:25,950  
I can take care of myself.

190

00:14:25,952 --> 00:14:27,619  
When you're 18.

191

00:14:27,621 --> 00:14:30,422  
Until then, I won't have you  
living on the streets,

192

00:14:30,424 --> 00:14:32,626  
looking for someone  
who never looked for you.

193

00:14:33,861 --> 00:14:36,127  
Give these people  
a chance.

194

00:14:36,129 --> 00:14:38,796  
'Cause that's what  
they're giving you.

195

00:14:38,798 --> 00:14:40,468  
You're out of options.

196

00:14:45,539 --> 00:14:46,574  
[car door opens]

197

00:14:51,011 --> 00:14:52,478  
I'm gonna skip the spiel.

198

00:14:52,480 --> 00:14:54,381  
Just know that me and  
Rosa, we get it.

199

00:14:54,383 --> 00:14:56,049  
We were foster kids  
back in the day.

200

00:14:56,051 --> 00:14:57,715  
Ooh, back in the Dark Ages.

201

00:14:57,717 --> 00:15:00,185  
Girl, I'm young at heart.

202

00:15:00,187 --> 00:15:01,820  
I got my finger  
on the pulse.

203

00:15:01,822 --> 00:15:03,355  
Yeah, that's a reference

204

00:15:03,357 --> 00:15:04,623  
- to his blood pressure because he's old.  
- [laughs]

205

00:15:04,625 --> 00:15:06,224  
Billy, do you have  
any food allergies?

206

00:15:06,226 --> 00:15:08,094  
[Victor] Gonna wish you did.  
Darla's cooking.

207

00:15:08,096 --> 00:15:09,764  
- [Rosa speaks Spanish]  
- What?

208

00:15:11,832 --> 00:15:13,965  
[Rosa in English] We know how  
overwhelming it can all be.

209

00:15:13,967 --> 00:15:15,834  
New house, new faces.

210

00:15:15,836 --> 00:15:17,368  
[Victor] All up in your face.

211  
00:15:17,370 --> 00:15:20,241  
Just take it  
at your own speed.

212  
00:15:26,246 --> 00:15:28,082  
[music playing]

213  
00:15:29,951 --> 00:15:31,286  
Hello?

214  
00:15:35,590 --> 00:15:36,655  
We're home.

215  
00:15:36,657 --> 00:15:39,127  
That's what happens  
when you suck!

216  
00:15:40,260 --> 00:15:41,627  
So much  
for the welcome party.

217  
00:15:41,629 --> 00:15:43,963  
[sighs] Yeah, that thing  
growing out of the couch

218  
00:15:43,965 --> 00:15:45,531  
would be Eugene.

219  
00:15:45,533 --> 00:15:46,866  
Is that him?

220  
00:15:46,868 --> 00:15:48,634  
Oh, my gosh! Billy!

221  
00:15:48,636 --> 00:15:50,069  
[Victor] Whoa!  
Slow down, slow down.

222  
00:15:50,071 --> 00:15:51,337  
[Darla] Welcome home!

223

00:15:51,339 --> 00:15:53,238  
- [Rosa] And that's Darla.  
- I'm Darla.

224

00:15:53,240 --> 00:15:54,172  
Big hugger.

225

00:15:54,174 --> 00:15:55,741  
I noticed.

226

00:15:55,743 --> 00:15:57,776  
Die, die, die!

227

00:15:57,778 --> 00:15:59,713  
He doesn't mean that.  
It's a game.

228

00:16:02,149 --> 00:16:03,382  
Hey.

229

00:16:03,384 --> 00:16:05,852  
No sodas after dark,  
remember?

230

00:16:05,854 --> 00:16:07,587  
Whoa. When did it get dark?

231

00:16:07,589 --> 00:16:09,821  
Oh, the poster.  
I made you one.

232

00:16:09,823 --> 00:16:13,092  
Come look! Oh, no!

233

00:16:13,094 --> 00:16:15,893  
Sorry, Pedro must've been  
working out.

234

00:16:15,895 --> 00:16:17,464  
His goal is to get swole.

235

00:16:17,466 --> 00:16:19,565  
[Eugene] Just one hit!  
Just one hit!

236  
00:16:19,567 --> 00:16:20,666  
Oh...

237  
00:16:20,668 --> 00:16:22,834  
Here.

238  
00:16:22,836 --> 00:16:26,738  
Yes, exactly why your math department  
is so uniquely suited for me.

239  
00:16:26,740 --> 00:16:28,239  
[Eugene] Shut up! No!

240  
00:16:28,241 --> 00:16:30,443  
I can't even  
with Eugene right now.

241  
00:16:30,445 --> 00:16:33,212  
I'm sorry. Mary, hi.  
College interview.

242  
00:16:33,214 --> 00:16:34,347  
I'm Billy.

243  
00:16:34,349 --> 00:16:35,881  
What am I  
most excited about?

244  
00:16:35,883 --> 00:16:39,352  
Oh! What a great question.  
I was hoping you'd ask.

245  
00:16:39,354 --> 00:16:41,219  
[mouthing] What am I most  
excited about?

246  
00:16:41,221 --> 00:16:42,754  
[mouthing]

247

00:16:42,756 --> 00:16:44,956  
Mention you're a foster kid.  
Colleges eat that up.

248

00:16:44,958 --> 00:16:48,294  
What I'm most excited about  
is the campus experience.

249

00:16:48,296 --> 00:16:52,131  
As a foster child, I'm a big believer  
in finding family and friends

250

00:16:52,133 --> 00:16:54,536  
in the most unlikely  
of places.

251

00:16:57,337 --> 00:16:59,204  
I'm gonna miss that girl  
so much.

252

00:16:59,206 --> 00:17:01,574  
It's Caltech.  
It's a very prestigious school.

253

00:17:01,576 --> 00:17:03,276  
And also all the way  
in California.

254

00:17:03,278 --> 00:17:05,611  
But we don't have to talk  
about that right now.

255

00:17:05,613 --> 00:17:07,145  
It's a tough subject  
for me.

256

00:17:07,147 --> 00:17:08,448  
Do you like vegan food?

257

00:17:08,450 --> 00:17:10,882  
- Mmm-mmm.  
- Because, see, I love animals.

258  
00:17:10,884 --> 00:17:12,485  
[fire alarm beeping]

259  
00:17:12,487 --> 00:17:14,420  
- [Rosa gasps]  
- Oh, no! The Tofurky!

260  
00:17:14,422 --> 00:17:16,255  
Oh, no, we may have to eat  
a real turkey!

261  
00:17:16,257 --> 00:17:17,390  
- Is that...  
- It's okay.

262  
00:17:17,392 --> 00:17:19,357  
Come, I'll show you  
your room.

263  
00:17:19,359 --> 00:17:22,629  
It's a bit of a madhouse,  
I know, but it's fun.

264  
00:17:22,631 --> 00:17:25,364  
[Eugene] Time to dance  
on your grave!

265  
00:17:25,366 --> 00:17:27,100  
Watch the bum step. Pedro...

266  
00:17:27,102 --> 00:17:28,968  
[speaking Spanish]

267  
00:17:28,970 --> 00:17:31,490  
- [music playing over earphones]  
- [in English] Say hi to Billy.

268  
00:17:31,771 --> 00:17:34,708  
Don't take it personally.  
He's like that with everyone.

269  
00:17:38,278 --> 00:17:39,748

Freddy.

270

00:17:40,446 --> 00:17:42,548  
This is Billy Batson.

271

00:17:42,550 --> 00:17:44,216  
Make sure you make him  
feel at home.

272

00:17:44,218 --> 00:17:45,417  
- Okay?  
- Yeah.

273

00:17:45,419 --> 00:17:47,385  
Maybe don't say anything  
too weird?

274

00:17:47,387 --> 00:17:49,220  
Oh, one weird thing is,

275

00:17:49,222 --> 00:17:51,902  
did you know that Romans used to  
brush their teeth with their urine?

276

00:17:52,826 --> 00:17:54,395  
And apparently, it works.

277

00:17:55,028 --> 00:17:56,463  
Yep. Um...

278

00:18:05,306 --> 00:18:07,738  
Oh, it's a long way down.

279

00:18:07,740 --> 00:18:10,311  
Trust me, I speak  
from experience.

280

00:18:13,847 --> 00:18:16,180  
Victor pushed me.

281

00:18:16,182 --> 00:18:19,084  
They seem nice,

but don't buy it.

282

00:18:19,086 --> 00:18:21,423  
It gets real Game of Thrones  
around here.

283

00:18:23,258 --> 00:18:24,323  
What?

284

00:18:24,325 --> 00:18:25,524  
[snickers]

285

00:18:25,526 --> 00:18:28,460  
Dude, I'm just  
messin' around.

286

00:18:28,462 --> 00:18:32,267  
It's, um, terminal cancer.  
I only have three months.

287

00:18:33,733 --> 00:18:35,968  
Kidding, again!  
You look at me, and you're like,

288

00:18:35,970 --> 00:18:38,804  
"Why so dark? You're a disabled foster kid.  
You've got it all."

289

00:18:38,806 --> 00:18:39,841  
Right? [chuckles]

290

00:18:41,375 --> 00:18:44,576  
Oh, yeah,  
that's the old Batarang.

291

00:18:44,578 --> 00:18:47,412  
I mean, it's a replica,  
but feel how sharp.

292

00:18:47,414 --> 00:18:49,254  
I could kill you in your  
sleep with that thing.

293

00:18:50,451 --> 00:18:52,485  
You more of a Supes guy?

294

00:18:52,487 --> 00:18:56,154  
Yeah, me, too.  
Behold, the holy grail.

295

00:18:56,156 --> 00:18:59,057  
One nine-millimeter round  
shot at Superman himself.

296

00:18:59,059 --> 00:19:00,759  
It's legit.

297

00:19:00,761 --> 00:19:03,328  
Probably worth, I don't know,  
five, six hundred, maybe more.

298

00:19:03,330 --> 00:19:04,498  
What's in the bag?

299

00:19:05,031 --> 00:19:06,731  
Hey.

300

00:19:06,733 --> 00:19:09,066  
Hey, it's all good.  
It's good to maintain boundaries.

301

00:19:09,068 --> 00:19:12,938  
[sighs] You don't gotta talk  
so much, you know.

302

00:19:12,940 --> 00:19:15,744  
Anyway, this place is great.  
You're gonna love it.

303

00:19:40,201 --> 00:19:41,702  
[Victor] Dinner!

304

00:19:48,977 --> 00:19:50,745  
All hands on deck.

305

00:19:52,546 --> 00:19:54,179  
[Rosa speaks Spanish]

306

00:19:54,181 --> 00:19:55,581  
- [chuckles]  
- [Victor] Thank you for this family.

307

00:19:55,583 --> 00:19:57,182  
Thank you for this day.

308

00:19:57,184 --> 00:20:01,019  
Thank you for this food,  
even if it's not steak filet.

309

00:20:01,021 --> 00:20:02,022  
[Darla laughs]

310

00:20:04,057 --> 00:20:07,058  
Big school.  
2,000 students, you might think,

311

00:20:07,060 --> 00:20:08,693  
"Wow, so many strangers."

312

00:20:08,695 --> 00:20:11,263  
But not if you think of them  
as possible future friends.

313

00:20:11,265 --> 00:20:13,466  
Then it's,  
"Wow, so many friends."

314

00:20:13,468 --> 00:20:16,701  
The principal, her name's Shirley.  
She's the best.

315

00:20:16,703 --> 00:20:18,636  
- Next.  
- [metal detector beeping]

316

00:20:18,638 --> 00:20:20,372  
This is

our security scanner.

317

00:20:20,374 --> 00:20:22,941  
Like in an airport.  
It's totally safe.

318

00:20:22,943 --> 00:20:24,843  
I know what it is.

319

00:20:24,845 --> 00:20:26,879  
- Does she always do this?  
- Mmm-hmm.

320

00:20:26,881 --> 00:20:29,382  
Silence makes me  
uncomfortable.

321

00:20:29,384 --> 00:20:31,952  
She's almost never  
uncomfortable.

322

00:20:34,321 --> 00:20:35,754  
Have a good first day,  
big brother.

323

00:20:35,756 --> 00:20:37,890  
Look, you don't have to  
hug me all the time.

324

00:20:37,892 --> 00:20:40,461  
We're not actually  
brother and sister, so...

325

00:20:42,163 --> 00:20:43,397  
[Darla] I'm sorry.

326

00:20:46,634 --> 00:20:48,933  
- Hey.  
- Hey.

327

00:20:48,935 --> 00:20:50,704  
[stammers] I didn't mean  
to make her...

328

00:20:53,641 --> 00:20:56,544

[Ms. Kwan on TV]

I was overwhelmed, honestly.

329

00:20:57,612 --> 00:21:01,212

He said

I must be pure of heart.

330

00:21:01,214 --> 00:21:03,481

He call himself a wizard.

331

00:21:03,483 --> 00:21:09,220

He even dressed like a wizard  
from Harry Potter or some...

332

00:21:09,222 --> 00:21:12,423

But you're saying that other  
people have experienced this?

333

00:21:12,425 --> 00:21:17,063

In a sense, yes.

Do you remember what he said to you?

334

00:21:17,065 --> 00:21:18,732

He tested me.

335

00:21:19,567 --> 00:21:22,235

There were these statues.

336

00:21:22,237 --> 00:21:26,337

Their eyes, it's like they were  
looking at me, making me think things.

337

00:21:26,339 --> 00:21:27,972

Horrible things.

338

00:21:27,974 --> 00:21:30,411

And do these approximate  
what you saw?

339

00:21:32,011 --> 00:21:35,713

Yes, that's exactly  
how I remember it.

340

00:21:35,715 --> 00:21:37,583  
I don't understand.  
How do you know...

341

00:21:37,585 --> 00:21:42,020  
Recurrent imagery has proven very  
common in cases of mass hysteria.

342

00:21:42,022 --> 00:21:43,055  
Mass hysteria?

343

00:21:43,057 --> 00:21:45,792  
I know. The term's  
a bit theatrical.

344

00:21:45,794 --> 00:21:48,660  
But take UFO sightings,  
for example.

345

00:21:48,662 --> 00:21:51,130  
Lights in the sky,  
flying saucers.

346

00:21:51,132 --> 00:21:54,266  
Isolated incidents of people  
who do not know each other...

347

00:21:54,268 --> 00:21:55,769  
[man] The symbols.

348

00:21:59,507 --> 00:22:02,408  
Ask her about the symbols.

349

00:22:02,410 --> 00:22:06,777  
Sorry, Ms. Kwan.  
But as an example of recurrent imagery,

350

00:22:06,779 --> 00:22:08,747  
maybe you'll recall seeing

351

00:22:08,749 --> 00:22:12,217  
these symbols  
before the alleged abduction.

352

00:22:12,219 --> 00:22:15,086  
I don't remember  
any symbols, no.

353

00:22:15,088 --> 00:22:18,923  
I think I got it on video.  
There was something, um...

354

00:22:18,925 --> 00:22:21,192  
I remember the numbers  
on my alarm clock.

355

00:22:21,194 --> 00:22:22,460  
They kept shifting.

356

00:22:22,462 --> 00:22:23,664  
Video?

357

00:22:25,799 --> 00:22:27,732  
Show me the video.

358

00:22:27,734 --> 00:22:30,335  
Uh, Ms. Kwan,  
this is Dr. Sivana.

359

00:22:30,337 --> 00:22:33,471  
- Um, one moment, I can send it.  
- [keyboard clacks]

360

00:22:33,473 --> 00:22:37,275  
- [rumbling]  
- [Ms. Kwan on video] Hello? Oh, my God!

361

00:22:37,277 --> 00:22:39,143  
Who's there?

362

00:22:39,145 --> 00:22:42,517  
Hello? What's going on?

What's happening?

363

00:22:43,984 --> 00:22:47,352  
[stammers] I'm going to call  
the police!

364

00:22:47,354 --> 00:22:50,055  
Then this blinding light  
all around me

365

00:22:50,057 --> 00:22:52,324  
and I felt like I was getting  
pulled down into something.

366

00:22:52,326 --> 00:22:55,093  
It felt like a temple  
carved inside a mountain.

367

00:22:55,095 --> 00:22:58,197  
He looked exactly what you'd expect  
from a guy who calls himself a wizard.

368

00:22:58,199 --> 00:23:00,365  
...and how you were brought  
there to save the world.

369

00:23:00,367 --> 00:23:02,601  
- [man] Wearing a cape.  
- And there's no ceiling.

370

00:23:02,603 --> 00:23:04,036  
[scientist] We ran  
the numbers again...

371

00:23:04,038 --> 00:23:05,638  
Dr. Sivana!

372

00:23:05,640 --> 00:23:10,842  
I appreciate your enthusiasm,  
but you're funding my project.

373

00:23:10,844 --> 00:23:13,911  
And when I'm interviewing,

I don't wanna be interrupted.

374

00:23:13,913 --> 00:23:16,282  
Fifty-six recorded abductions.

375

00:23:16,284 --> 00:23:17,752  
- I never saw it.  
- Saw what?

376

00:23:34,167 --> 00:23:35,269  
Doctor, what is all this?

377

00:23:36,269 --> 00:23:38,272  
All these years...

378

00:23:40,074 --> 00:23:44,343  
I was convinced  
I had the incorrect sequence.

379

00:23:44,345 --> 00:23:48,346  
Or perhaps the wrong symbols

380

00:23:48,348 --> 00:23:50,018  
to open the door.

381

00:23:51,251 --> 00:23:54,186  
But on that woman's  
alarm clock,

382

00:23:54,188 --> 00:23:55,690  
the seven symbols.

383

00:23:57,290 --> 00:24:02,663  
The sequence  
repeated itself seven times.

384

00:24:04,565 --> 00:24:06,097  
That's the difference.

385

00:24:06,099 --> 00:24:08,401  
Is this  
some sort of joke?

386

00:24:08,403 --> 00:24:10,169  
It may seem that way to you

387

00:24:10,171 --> 00:24:14,573  
because we're not in actuality  
studying mass hysteria.

388

00:24:14,575 --> 00:24:17,242  
What all these people  
have seen,

389

00:24:17,244 --> 00:24:20,880  
every single one of them,  
is absolutely real.

390

00:24:20,882 --> 00:24:23,981  
[scoffs] An alarm clock  
malfunctions

391

00:24:23,983 --> 00:24:27,119  
and your first thought is  
it's proof of a wizard?

392

00:24:27,121 --> 00:24:29,220  
- Hmm.  
- Come on, Dr. Sivana.

393

00:24:29,222 --> 00:24:31,960  
You can't believe  
any of this is real.

394

00:24:34,561 --> 00:24:35,896  
[Dr. Lynn gasps]

395

00:24:38,699 --> 00:24:40,565  
[groaning]

396

00:24:40,567 --> 00:24:42,269  
[screaming]

397

00:24:44,672 --> 00:24:45,839

Why, yes.

398

00:24:52,112 --> 00:24:53,748  
Yes, I do.

399

00:25:06,326 --> 00:25:07,362  
[exhales sharply]

400

00:25:22,276 --> 00:25:24,116  
- [footsteps approaching]  
- [labored breathing]

401

00:25:26,814 --> 00:25:28,249  
[wizard groaning]

402

00:25:32,051 --> 00:25:36,857  
I've been waiting for  
this moment for so long...

403

00:25:37,891 --> 00:25:40,257  
and now here we are.

404

00:25:40,259 --> 00:25:42,296  
You don't remember me,  
do you?

405

00:25:48,835 --> 00:25:50,971  
I remember you.

406

00:25:52,372 --> 00:25:53,904  
You were a boy.

407

00:25:53,906 --> 00:25:56,007  
And now you dare intrude  
in my kingdom.

408

00:25:56,009 --> 00:26:00,411  
Do you know what it's like for a child  
to be told you'll never be good enough?

409

00:26:00,413 --> 00:26:02,413  
No, you don't.

410  
00:26:02,415 --> 00:26:06,684  
What you said to me all those years  
ago made me realize who I really was.

411  
00:26:06,686 --> 00:26:08,321  
And you know something?

412  
00:26:09,722 --> 00:26:11,023  
[voices whispering]

413  
00:26:11,025 --> 00:26:13,792  
I am not pure of heart.

414  
00:26:13,794 --> 00:26:18,399  
[Wrath] The wizard  
is too weak to stop us.

415  
00:26:20,701 --> 00:26:22,133  
No!

416  
00:26:22,135 --> 00:26:23,270  
No!

417  
00:26:29,442 --> 00:26:30,744  
[rumbling]

418  
00:26:31,979 --> 00:26:35,083  
[Wrath] You never found  
your champion.

419  
00:26:36,384 --> 00:26:39,420  
But we found ours.

420  
00:26:40,153 --> 00:26:41,189  
[grunting]

421  
00:26:42,323 --> 00:26:43,721  
[Wrath growls]

422  
00:26:43,723 --> 00:26:45,358

[groaning]

423

00:26:54,134 --> 00:26:58,472

[Wrath] You are  
the true champion.

424

00:27:13,820 --> 00:27:15,122

[panting]

425

00:27:18,125 --> 00:27:20,094

[breathing heavily]

426

00:27:29,936 --> 00:27:31,370

[wizard] They're using you.

427

00:27:31,372 --> 00:27:34,573

You're nothing to them  
but a means of escape.

428

00:27:34,575 --> 00:27:35,777

[grunts]

429

00:27:40,381 --> 00:27:44,749

Through you, they'll spread their  
poison to everything they touch!

430

00:27:44,751 --> 00:27:48,019

Make mankind  
turn on each other!

431

00:27:48,021 --> 00:27:50,588

[Dr. Sivana] You seek  
a pure soul, old man,

432

00:27:50,590 --> 00:27:52,926

but no one's worthy.

433

00:27:53,727 --> 00:27:55,530

[groans]

434

00:27:56,396 --> 00:27:57,564

[panting]

435

00:28:01,402 --> 00:28:04,505  
- [students chattering]  
- Flight or invisibility?

436

00:28:05,471 --> 00:28:07,104  
If you could have  
one superpower,

437

00:28:07,106 --> 00:28:09,140  
flight or invisibility,  
what would you pick?

438

00:28:09,142 --> 00:28:11,677  
I mean, everybody chooses flight.  
You know why?

439

00:28:11,679 --> 00:28:13,845  
So they can fly away  
from this conversation?

440

00:28:13,847 --> 00:28:15,514  
No, no.  
'Cause heroes fly.

441

00:28:15,516 --> 00:28:17,481  
And who doesn't want people to  
think they're a hero, right?

442

00:28:17,483 --> 00:28:19,884  
But invisibility, no way.  
[scoffs]

443

00:28:19,886 --> 00:28:21,554  
That's pervy.

444

00:28:21,556 --> 00:28:23,622  
Spying around on people who  
don't even know you're there.

445

00:28:23,624 --> 00:28:25,657  
Sneaking around everywhere.  
It's a total villain power, right?

446  
00:28:25,659 --> 00:28:26,659  
[chattering stops]

447  
00:28:30,596 --> 00:28:32,698  
[scoffs]

448  
00:28:32,700 --> 00:28:34,767  
Then they did this study,  
and this is a real thing.

449  
00:28:34,769 --> 00:28:36,000  
They asked people  
the same question.

450  
00:28:36,002 --> 00:28:37,670  
You know, what power  
do you want?

451  
00:28:37,672 --> 00:28:39,036  
But this time, they made it  
so the answers were anonymous.

452  
00:28:39,038 --> 00:28:40,505  
And most people,  
since they knew

453  
00:28:40,507 --> 00:28:42,207  
that it was secret,  
said invisibility.

454  
00:28:42,209 --> 00:28:43,642  
And I think that's 'cause  
most people

455  
00:28:43,644 --> 00:28:46,177  
don't feel like heroes  
on the inside, deep down.

456  
00:28:46,179 --> 00:28:48,279  
You're gonna run away.

457

00:28:48,281 --> 00:28:50,849  
I mean, you stole  
my Superman bullet.

458  
00:28:50,851 --> 00:28:52,683  
Dude, I get it.  
I get it.

459  
00:28:52,685 --> 00:28:54,553  
You've been screwed over  
way too many times.

460  
00:28:54,555 --> 00:28:56,455  
You don't trust anyone.

461  
00:28:56,457 --> 00:29:01,159  
That's the thing about invisibility.  
You end up all by yourself.

462  
00:29:01,161 --> 00:29:03,931  
[scoffs] I didn't steal  
your dumb bullet.

463  
00:29:05,898 --> 00:29:07,664  
[door closes]

464  
00:29:07,666 --> 00:29:09,066  
[students chattering]

465  
00:29:09,068 --> 00:29:11,204  
Hey. How was it today?

466  
00:29:11,971 --> 00:29:13,607  
That good, huh?

467  
00:29:15,009 --> 00:29:16,208  
[tires screeching]

468  
00:29:16,210 --> 00:29:19,044  
- Whoa!  
- [groans]

469

00:29:19,046 --> 00:29:20,812  
Oh, my God! Freddy.

470  
00:29:20,814 --> 00:29:21,947  
Are you okay?

471  
00:29:21,949 --> 00:29:23,351  
- You okay?  
- [Freddy] Yes. Yes.

472  
00:29:25,118 --> 00:29:26,484  
What the hell?

473  
00:29:26,486 --> 00:29:28,120  
- What is wrong with you two?  
- [Burke] Oh, ho!

474  
00:29:28,122 --> 00:29:29,889  
- [groans]  
- No way that's gonna buff out.

475  
00:29:29,891 --> 00:29:31,222  
[Brett] You gonna pay  
for that, Freeman?

476  
00:29:31,224 --> 00:29:32,891  
For the dent you made  
almost hitting me?

477  
00:29:32,893 --> 00:29:34,025  
Yeah, sure. Um...

478  
00:29:34,027 --> 00:29:35,494  
You guys take these?

479  
00:29:35,496 --> 00:29:37,196  
[all laugh]

480  
00:29:37,198 --> 00:29:39,530  
- [Brett grunting]  
- [Freddy groaning]

481

00:29:39,532 --> 00:29:41,199  
- [Mary] Brett, stop!  
- [continues groaning]

482  
00:29:41,201 --> 00:29:42,167  
[both laughing]

483  
00:29:42,169 --> 00:29:43,768  
Don't touch my brother!

484  
00:29:43,770 --> 00:29:45,671  
What, do you need your fake  
family to stand up for you?

485  
00:29:45,673 --> 00:29:47,238  
- Stand up for yourself, Freeman.  
- [Burke] Yeah, huh?

486  
00:29:47,240 --> 00:29:48,940  
Hey, Freeman.  
Freeman, here, stand up.

487  
00:29:48,942 --> 00:29:50,374  
Stand up for yourself.

488  
00:29:50,376 --> 00:29:51,709  
What are you gonna do,  
go home and cry to Mommy?

489  
00:29:51,711 --> 00:29:54,279  
[Burke] Oh, yeah.  
You don't have a mommy.

490  
00:29:54,281 --> 00:29:56,414  
- [punches landing]  
- [Freddy groaning]

491  
00:29:56,416 --> 00:29:57,417  
[Billy] Hey.

492  
00:29:58,050 --> 00:30:00,617  
[both groaning]

493

00:30:00,619 --> 00:30:02,388  
Man, sorry about that.

494

00:30:02,390 --> 00:30:04,956  
That wasn't fair,  
but then again you don't fight fair, so...

495

00:30:04,958 --> 00:30:06,259  
[both grunting]

496

00:30:07,493 --> 00:30:09,628  
[Billy groans]

497

00:30:09,630 --> 00:30:13,198  
Back off, assbags.  
I know how to use these things.

498

00:30:13,200 --> 00:30:15,436  
- [both snicker]  
- [groaning]

499

00:30:18,404 --> 00:30:20,905  
[Burke] Hey! He's getting away!  
Where you going?

500

00:30:20,907 --> 00:30:22,509  
[Mary] Freddy, are you okay?

501

00:30:23,376 --> 00:30:24,476  
[panting]

502

00:30:24,478 --> 00:30:25,610  
[Brett] Hey, let's go  
through the back.

503

00:30:25,612 --> 00:30:26,647  
[Burke] Yeah, yeah, yeah.

504

00:30:27,580 --> 00:30:28,580  
[grunts]

505

00:30:29,282 --> 00:30:31,051  
[indistinct chatter]

506

00:30:33,619 --> 00:30:34,786  
[woman grunts]

507

00:30:34,788 --> 00:30:35,853  
Nowhere to run!

508

00:30:35,855 --> 00:30:37,221  
Hey!

509

00:30:37,223 --> 00:30:38,989  
- [Brett] Go, go, go!  
- [Burke] Grab him! Move!

510

00:30:38,991 --> 00:30:41,526  
- Get out the way.  
- Move, woman!

511

00:30:41,528 --> 00:30:42,529  
Whoa!

512

00:30:43,897 --> 00:30:45,831  
- [Burke] No, no, no.  
- [laughing]

513

00:30:45,833 --> 00:30:47,198  
You're dead, kid.

514

00:30:47,200 --> 00:30:48,665  
Yeah, you think  
you're funny.

515

00:30:48,667 --> 00:30:50,537  
We know where you go to  
school, buddy!

516

00:30:52,806 --> 00:30:55,739  
[woman on PA] Next stop,  
30th Street Station.

517

00:30:55,741 --> 00:30:58,078  
Change for the regional  
rail lines.

518  
00:31:00,914 --> 00:31:02,316  
[panting]

519  
00:31:05,920 --> 00:31:07,188  
[crackling]

520  
00:31:13,894 --> 00:31:14,894  
[gasps]

521  
00:31:16,896 --> 00:31:18,164  
Uh... Hello?

522  
00:31:19,066 --> 00:31:20,701  
What's going on?

523  
00:31:27,106 --> 00:31:28,509  
[train zooms past]

524  
00:31:31,412 --> 00:31:32,412  
[thud]

525  
00:31:34,949 --> 00:31:36,150  
Help!

526  
00:31:42,923 --> 00:31:44,525  
[breathing heavily]

527  
00:31:50,631 --> 00:31:51,766  
Okay.

528  
00:32:07,547 --> 00:32:09,115  
Holy moly.

529  
00:32:25,465 --> 00:32:26,599  
Hello?

530  
00:32:38,846 --> 00:32:40,513

- [train passes by]  
- [gasps]

531  
00:32:41,347 --> 00:32:43,081  
[echoing] What the hell?

532  
00:32:43,083 --> 00:32:44,752  
Who's doing this?

533  
00:33:12,645 --> 00:33:13,645  
[clears throat]

534  
00:33:16,584 --> 00:33:19,049  
Hi. Um...

535  
00:33:19,051 --> 00:33:21,719  
I was supposed to get off  
at 30th.

536  
00:33:21,721 --> 00:33:23,321  
Billy Batson.

537  
00:33:23,323 --> 00:33:24,956  
How'd you know my name?

538  
00:33:24,958 --> 00:33:29,294  
I am the last of  
the Council of Wizards.

539  
00:33:29,296 --> 00:33:31,765  
Keeper of  
the Rock of Eternity.

540  
00:33:32,532 --> 00:33:33,532  
Oh...

541  
00:33:33,901 --> 00:33:34,902  
You're...

542  
00:33:35,903 --> 00:33:37,369  
that guy.

543

00:33:37,371 --> 00:33:39,237  
Hey, listen, I don't have  
any money.

544

00:33:39,239 --> 00:33:41,442  
Do not patronize me, boy.

545

00:33:42,709 --> 00:33:43,941  
[gasps]

546

00:33:43,943 --> 00:33:47,078  
You are standing  
in the source of all magic.

547

00:33:47,080 --> 00:33:52,449  
The Rock of Eternity.  
Seven thrones of seven wizards.

548

00:33:52,451 --> 00:33:56,121  
But long ago,  
we chose a champion

549

00:33:56,123 --> 00:33:58,159  
and we chose recklessly.

550

00:34:01,228 --> 00:34:04,461  
He used his power for revenge,

551

00:34:04,463 --> 00:34:08,668  
releasing the Seven Deadly  
Sins into your world.

552

00:34:10,737 --> 00:34:12,137  
[people screaming]

553

00:34:12,139 --> 00:34:14,805  
Millions of lives were lost.

554

00:34:14,807 --> 00:34:19,512  
Entire civilizations  
erased from existence.

555

00:34:23,416 --> 00:34:27,217  
That is why I vowed  
never to pass on my magic

556

00:34:27,219 --> 00:34:31,591  
until I find  
one truly good person.

557

00:34:32,291 --> 00:34:34,693  
Strong in spirit,

558

00:34:34,695 --> 00:34:37,195  
pure in heart.

559

00:34:37,197 --> 00:34:40,434  
Look, man,  
maybe this is magic

560

00:34:41,068 --> 00:34:43,066  
and, I don't know,

561

00:34:43,068 --> 00:34:46,403  
but the people you're looking  
for, good, pure people,

562

00:34:46,405 --> 00:34:48,606  
I'm not one of them.

563

00:34:48,608 --> 00:34:50,744  
I don't know  
if anyone is, really.

564

00:34:51,512 --> 00:34:54,347  
You, Billy Batson,

565

00:34:55,047 --> 00:34:56,514  
are all I have.

566

00:34:56,516 --> 00:34:59,383  
All the world has.

567

00:34:59,385 --> 00:35:00,952  
[bangs staff]

568  
00:35:00,954 --> 00:35:03,220  
Lay your hands on my staff.

569  
00:35:03,222 --> 00:35:04,822  
Gross.

570  
00:35:04,824 --> 00:35:07,858  
And say my name so my  
powers may flow through you.

571  
00:35:07,860 --> 00:35:11,561  
I open my heart to you,  
Billy Batson.

572  
00:35:11,563 --> 00:35:15,934  
And in so doing,  
choose you as champion.

573  
00:35:15,936 --> 00:35:17,501  
- Thanks.  
- [bangs staff]

574  
00:35:17,503 --> 00:35:19,938  
Real sweet of you, mister,  
but I really gotta get going.

575  
00:35:19,940 --> 00:35:23,874  
My brothers and sisters  
were slain by the Sins.

576  
00:35:23,876 --> 00:35:27,177  
Their thrones lie empty.

577  
00:35:27,179 --> 00:35:29,780  
My magic  
must be passed on.

578  
00:35:29,782 --> 00:35:33,050  
- Now, speak my name!  
- [bangs staff]

579

00:35:33,052 --> 00:35:36,420  
I don't know your name, sir.  
We just met.

580

00:35:36,422 --> 00:35:38,691  
My name is...

581

00:35:39,291 --> 00:35:40,960  
Shazam.

582

00:35:43,063 --> 00:35:44,262  
[laughs] Wait, for real?

583

00:35:44,264 --> 00:35:45,966  
- Say it!  
- Okay!

584

00:35:46,634 --> 00:35:47,768  
Jeez.

585

00:35:58,577 --> 00:36:00,880  
So just say it? Like...

586

00:36:01,981 --> 00:36:02,983  
Shazam?

587

00:36:04,050 --> 00:36:05,615  
Yes!

588

00:36:05,617 --> 00:36:08,519  
Carry my name, and with it,  
you carry all my powers.

589

00:36:08,521 --> 00:36:11,423  
The wisdom of Solomon,  
the strength of Hercules,

590

00:36:11,425 --> 00:36:14,724  
the stamina of Atlas,  
the power of Zeus,

591

00:36:14,726 --> 00:36:18,632  
the courage of Achilles,  
and the speed of Mercury.

592

00:36:27,775 --> 00:36:28,773  
[gasping]

593

00:36:28,775 --> 00:36:30,842  
What happened to me?  
Why am...

594

00:36:30,844 --> 00:36:32,909  
[stammers] What did you do to me?  
What did you do to my voice?

595

00:36:32,911 --> 00:36:36,849  
You have been transformed to your  
full potential, Billy Batson.

596

00:36:38,217 --> 00:36:42,119  
With your heart,  
unlock your greatest power.

597

00:36:42,121 --> 00:36:44,724  
The thrones of our brothers  
and sisters await.

598

00:36:51,731 --> 00:36:53,032  
[gasping]

599

00:36:56,936 --> 00:36:58,938  
Get me outta here!

600

00:37:01,041 --> 00:37:02,874  
[man] Dope!

601

00:37:02,876 --> 00:37:04,141  
[laughing]

602

00:37:04,143 --> 00:37:07,077  
My brother,  
I applaud your choices today.

603

00:37:07,079 --> 00:37:09,947  
Gold shoes, gold belt,  
white cape.

604

00:37:09,949 --> 00:37:13,483  
It shouldn't work,  
but hot damn, it does!

605

00:37:13,485 --> 00:37:14,818  
[continues laughing]

606

00:37:14,820 --> 00:37:15,820  
Ow!

607

00:37:18,590 --> 00:37:19,990  
[train horn blares]

608

00:37:19,992 --> 00:37:21,362  
[indistinct chatter]

609

00:37:22,829 --> 00:37:23,964  
Hey!

610

00:37:26,365 --> 00:37:27,900  
[woman] Hey, babe!

611

00:37:34,206 --> 00:37:35,507  
[Rosa] Yes, Officer.

612

00:37:35,509 --> 00:37:37,077  
I'm aware he's run away  
in the past.

613

00:37:38,344 --> 00:37:40,110  
Twenty-three times?

614

00:37:40,112 --> 00:37:43,748  
Guy's got no social media presence.  
At all.

615

00:37:43,750 --> 00:37:45,052  
The guy is a ghost.

616  
00:37:57,063 --> 00:37:58,164  
[sighs]

617  
00:38:08,608 --> 00:38:10,541  
You know, guys,  
I'm happy to look for Billy.

618  
00:38:10,543 --> 00:38:11,876  
More than happy.

619  
00:38:11,878 --> 00:38:13,344  
But no, you gotta wash  
the dishes.

620  
00:38:13,346 --> 00:38:14,845  
That's what's  
more important.

621  
00:38:14,847 --> 00:38:16,246  
"What are you gonna do,  
Freddy, run after him?"

622  
00:38:16,248 --> 00:38:18,950  
[laughs mockingly] Very funny.

623  
00:38:18,952 --> 00:38:20,952  
- [Freddy screaming]  
- No, I said, don't scream.

624  
00:38:20,954 --> 00:38:22,619  
- Uh... Victor? Victor!  
- No, no!

625  
00:38:22,621 --> 00:38:24,188  
- Victor!  
- It's me. It's Billy.

626  
00:38:24,190 --> 00:38:25,990  
It's Billy!

627

00:38:25,992 --> 00:38:28,059  
You asked me flight or invisibility.  
I thought that was stupid,

628

00:38:28,061 --> 00:38:30,795  
but now I look like this  
and I need your help.

629

00:38:30,797 --> 00:38:32,796  
Meet me back here  
after lights-out?

630

00:38:32,798 --> 00:38:34,065  
[footsteps approaching]

631

00:38:34,067 --> 00:38:36,166  
[Victor] 'Sup, bud?  
You all right?

632

00:38:36,168 --> 00:38:39,503  
Yeah. Yeah. I'm just...

633

00:38:39,505 --> 00:38:42,840  
I'm really sad  
because Billy's gone.

634

00:38:42,842 --> 00:38:46,610  
And, you know, maybe it's my fault.  
Maybe I did it.

635

00:38:46,612 --> 00:38:48,244  
Uh, you know, maybe I snore.

636

00:38:48,246 --> 00:38:51,648  
Hey, hey, hey.  
Not your fault, son, all right?

637

00:38:51,650 --> 00:38:53,650  
We'll find him, 'kay?

638

00:38:53,652 --> 00:38:55,619  
You don't snore that bad.

639

00:38:55,621 --> 00:38:57,623  
[sniffs] But you kinda smell.

640

00:39:04,063 --> 00:39:05,063  
[Shazam groans]

641

00:39:07,934 --> 00:39:10,233  
[exclaiming] Oh, thank God!

642

00:39:10,235 --> 00:39:12,202  
Hey. Stop right there.

643

00:39:12,204 --> 00:39:14,706  
How do I know you're not a  
supervillain using telepathic abilities

644

00:39:14,708 --> 00:39:16,842  
to make me believe  
that you're Billy? Huh?

645

00:39:16,844 --> 00:39:18,043  
What?

646

00:39:18,045 --> 00:39:19,644  
All I have to do  
is press "dial" on this thing.

647

00:39:19,646 --> 00:39:21,112  
No! No, I have proof.  
I have proof. Here.

648

00:39:21,114 --> 00:39:22,313  
[grumbles]

649

00:39:22,315 --> 00:39:24,648  
Look, I lied, okay?  
I took your bullet.

650

00:39:24,650 --> 00:39:26,883  
- Oh, no! No, no, no.  
- No!

651

00:39:26,885 --> 00:39:29,253  
[grunts in frustration]  
Stupid adult hands.

652

00:39:29,255 --> 00:39:30,954  
But you saw it.

653

00:39:30,956 --> 00:39:34,023  
You saw it, right?  
Look, Freddy, I swear. It's me, okay?

654

00:39:34,025 --> 00:39:35,959  
Look, I know we're not really  
close friends or anything,

655

00:39:35,961 --> 00:39:37,461  
but you're the only person  
that I know

656

00:39:37,463 --> 00:39:38,996  
that knows anything about  
this caped crusader stuff.

657

00:39:38,998 --> 00:39:41,067  
- That's Batman.  
- What?

658

00:39:42,135 --> 00:39:43,804  
Forget it.

659

00:39:44,503 --> 00:39:45,806  
Can I...

660

00:39:47,405 --> 00:39:48,875  
Oh, yeah. Yeah, yeah.

661

00:39:52,711 --> 00:39:54,181  
[Freddy exclaiming in awe]

662

00:39:54,813 --> 00:39:56,250  
[both laughing]

663

00:39:57,117 --> 00:39:59,286  
Oh... Oh, my God!

664

00:40:00,420 --> 00:40:02,485  
It's crazy, right?

665

00:40:02,487 --> 00:40:04,287  
What are your superpowers?

666

00:40:04,289 --> 00:40:07,124  
Superpowers? Dude, I don't even  
know how to pee in this thing.

667

00:40:07,126 --> 00:40:08,728  
Okay. Can you fly?

668

00:40:10,797 --> 00:40:11,729  
[Shazam] Okay!

669

00:40:11,731 --> 00:40:13,565  
Let's do this.

670

00:40:13,567 --> 00:40:15,367  
How do we do this?

671

00:40:15,369 --> 00:40:17,836  
Just, um, like, Superman it.

672

00:40:17,838 --> 00:40:19,172  
[imitates takeoff]

673

00:40:20,206 --> 00:40:21,371  
[weakly imitates takeoff]

674

00:40:21,373 --> 00:40:23,139  
Oh, my God.  
Obviously, you have to jump.

675

00:40:23,141 --> 00:40:24,476  
Come on.

676  
00:40:24,478 --> 00:40:26,177  
How is any of this obvious?

677  
00:40:26,179 --> 00:40:27,711  
Okay.

678  
00:40:27,713 --> 00:40:30,648  
Try, uh, to believe  
that you can fly. Okay?

679  
00:40:30,650 --> 00:40:32,016  
I read this deep dive

680  
00:40:32,018 --> 00:40:33,684  
into peer-reviewed studies  
about superpowers

681  
00:40:33,686 --> 00:40:36,487  
and in six out of ten,  
belief is the key.

682  
00:40:36,489 --> 00:40:39,124  
Belief. Belief. Belief. Okay.  
Okay. I believe I can fly.

683  
00:40:39,126 --> 00:40:41,025  
- I believe I...  
- [cell phone beeps]

684  
00:40:41,027 --> 00:40:43,028  
I believe I can fly.  
[chuckles]

685  
00:40:43,030 --> 00:40:44,164  
I believe...

686  
00:40:48,568 --> 00:40:51,204  
Whoa! [groaning]

687  
00:40:52,306 --> 00:40:54,074  
- Did you believe?

- [groans]

688

00:40:57,010 --> 00:40:58,476  
Yeah.

689

00:40:58,478 --> 00:40:59,980  
You wanna try invisibility?

690

00:41:01,414 --> 00:41:02,612  
How do I do...

691

00:41:02,614 --> 00:41:04,115  
Forget it. You know, okay.

692

00:41:04,117 --> 00:41:06,086  
- Okay, okay, okay.  
- [cell phone beeps]

693

00:41:08,954 --> 00:41:11,621  
Oh, my God! It worked!

694

00:41:11,623 --> 00:41:12,826  
Where'd you go?

695

00:41:13,893 --> 00:41:15,327  
I'm right here.  
You can't see me?

696

00:41:15,329 --> 00:41:16,626  
Where?

697

00:41:16,628 --> 00:41:18,829  
[laughing] I'm invisible!

698

00:41:18,831 --> 00:41:20,597  
I'm right here. Over here.

699

00:41:20,599 --> 00:41:22,532  
[continues laughing]

700

00:41:22,534 --> 00:41:24,534

I'm invisible!  
I'm invisible!

701  
00:41:24,536 --> 00:41:25,568  
[man] Hey!

702  
00:41:25,570 --> 00:41:27,204  
Nice outfit, dipshit.

703  
00:41:27,206 --> 00:41:29,106  
- [snickers]  
- [all laughing]

704  
00:41:29,108 --> 00:41:31,208  
[Freddy] I might've been  
testing invisibility

705  
00:41:31,210 --> 00:41:33,244  
and super-intelligence  
at the same time.

706  
00:41:33,246 --> 00:41:36,246  
Freeman, I'm gonna come  
over there and beat you.

707  
00:41:36,248 --> 00:41:37,350  
[Freddy gasping]

708  
00:41:41,420 --> 00:41:43,387  
- [car alarms blaring]  
- [dogs barking]

709  
00:41:43,389 --> 00:41:45,555  
[Freddy laughs] Oh, my God!  
The lightning emblem!

710  
00:41:45,557 --> 00:41:48,260  
It was staring us right in  
the face the whole time.

711  
00:41:49,394 --> 00:41:50,894  
Literally!

712  
00:41:50,896 --> 00:41:52,766  
- [laughing]  
- [Shazam exclaims]

713  
00:41:57,269 --> 00:41:58,670  
[both laughing]

714  
00:41:58,672 --> 00:41:59,704  
Okay, okay.

715  
00:41:59,706 --> 00:42:01,238  
Clearly, we gotta give you

716  
00:42:01,240 --> 00:42:03,840  
- a lightning-themed superhero name.  
- Yeah.

717  
00:42:03,842 --> 00:42:06,212  
- [both continue laughing]  
- [screaming]

718  
00:42:08,782 --> 00:42:10,651  
[woman grunting]

719  
00:42:14,119 --> 00:42:15,153  
Oh, right.

720  
00:42:15,155 --> 00:42:16,155  
Hey, yo! Back...

721  
00:42:18,157 --> 00:42:19,289  
off.

722  
00:42:19,291 --> 00:42:23,028  
[Freddy] Hyper-speed, check.  
[laughing]

723  
00:42:23,030 --> 00:42:25,095  
[stammers] I'm sorry.  
I'm so sorry.

724

00:42:25,097 --> 00:42:26,697  
I thought you were the one  
who was screaming.

725  
00:42:26,699 --> 00:42:28,577  
- [man whimpering]  
- I doused him with pepper spray.

726  
00:42:28,601 --> 00:42:30,367  
Smart move.

727  
00:42:30,369 --> 00:42:33,470  
Yeah, hey, Mr. Mugger Guy.  
Give the old lady her purse back.

728  
00:42:33,472 --> 00:42:35,373  
I'm your age.

729  
00:42:35,375 --> 00:42:37,742  
And he didn't get a chance to take  
it 'cause I didn't let him take it.

730  
00:42:37,744 --> 00:42:40,311  
Good. Yeah, good.  
You're really on top of this stuff.

731  
00:42:40,313 --> 00:42:42,412  
And that should teach you  
that old ladies...

732  
00:42:42,414 --> 00:42:46,516  
Regular-aged ladies like yourself  
don't need your protecting, right?

733  
00:42:46,518 --> 00:42:47,784  
So get woke, bro.

734  
00:42:47,786 --> 00:42:49,353  
I'm sorry, who are you?

735  
00:42:49,355 --> 00:42:51,921  
His name is Thundercrack,

736

00:42:51,923 --> 00:42:55,927  
hero to the people with all the power  
and speed of lightning all in one.

737

00:42:55,929 --> 00:42:57,329  
Dude, that sounds  
like a butt thing.

738

00:42:57,797 --> 00:42:59,429  
[stammers]

739

00:42:59,431 --> 00:43:00,697  
Mister Philadelphia.

740

00:43:00,699 --> 00:43:02,166  
That's a cream cheese thing,  
dude!

741

00:43:02,168 --> 00:43:03,834  
Power Boy.  
'Cause he's got all the powers.

742

00:43:03,836 --> 00:43:06,403  
'Cause sometimes pepper spray  
can't protect against evil.

743

00:43:06,405 --> 00:43:08,474  
Power Boy, do you know  
this child?

744

00:43:10,610 --> 00:43:13,577  
[stammers] Like a teeny little bit.  
I don't really know...

745

00:43:13,579 --> 00:43:15,579  
Yeah. He's like  
a little miniature manager.

746

00:43:15,581 --> 00:43:17,548  
- I'm his manager.  
- [stammers]

747

00:43:17,550 --> 00:43:20,083  
But Power Boy's not gonna work, either,  
okay? So work on something else.

748  
00:43:20,085 --> 00:43:21,753  
Hey, bud, what could...

749  
00:43:21,755 --> 00:43:23,423  
[yelping]

750  
00:43:26,525 --> 00:43:29,827  
Electricity manipulation,  
hyper-speed, super-strength.

751  
00:43:29,829 --> 00:43:31,229  
Dude, you're stacked!

752  
00:43:31,231 --> 00:43:33,030  
You're almost as cool  
as Superman. Almost.

753  
00:43:33,032 --> 00:43:35,099  
I didn't see you.  
I don't know what just happened here.

754  
00:43:35,101 --> 00:43:36,934  
I don't wanna know.  
Just don't hurt me.

755  
00:43:36,936 --> 00:43:38,202  
I'm not doing it  
for the money.

756  
00:43:38,204 --> 00:43:39,670  
Thank you for  
your kind donation.

757  
00:43:39,672 --> 00:43:41,405  
No, no, no, but if you  
ever need any more help

758  
00:43:41,407 --> 00:43:43,340  
just look for the superhero

that still can't fly.

759

00:43:43,342 --> 00:43:46,309

Forget flying, man.  
We just made 73 bucks!

760

00:43:46,311 --> 00:43:48,345

- Seventy-three bucks?  
- [exclaims in delight]

761

00:43:48,347 --> 00:43:49,950

Come on!

762

00:43:50,650 --> 00:43:52,650

Hey, wait a minute.

763

00:43:52,652 --> 00:43:54,219

I just got an idea.

764

00:43:54,221 --> 00:43:55,552

[bell dings]

765

00:43:55,554 --> 00:43:57,954

I'd like to purchase some of  
your finest beer, please.

766

00:43:57,956 --> 00:43:59,492

[Muzak playing]

767

00:44:16,742 --> 00:44:19,275

I don't know about this.  
I mean, we don't have a fake ID even.

768

00:44:19,277 --> 00:44:21,244

Freddy, Freddy,  
would you relax?

769

00:44:21,246 --> 00:44:24,115

- Look at me. I am the fake ID.  
- [chuckles]

770

00:44:24,117 --> 00:44:25,349

- [bell dings]  
- [man] Everything from the register!

771  
00:44:25,351 --> 00:44:27,117  
- Go, go! Now!  
- [cashier screams]

772  
00:44:27,119 --> 00:44:29,686  
Come on! We don't have any time.  
Let's go. Move!

773  
00:44:29,688 --> 00:44:31,021  
We want it all! Hurry.

774  
00:44:31,023 --> 00:44:32,425  
This is your chance.

775  
00:44:33,159 --> 00:44:35,693  
Oh! Okay.

776  
00:44:35,695 --> 00:44:38,131  
Come on, come on, come on!  
Let's do this!

777  
00:44:38,831 --> 00:44:40,000  
That's it. That's it.

778  
00:44:41,733 --> 00:44:43,400  
Gentlemen,

779  
00:44:43,402 --> 00:44:45,805  
why use guns when we can  
handle this like real men?

780  
00:44:47,940 --> 00:44:49,442  
- Billy, look out!  
- [groans]

781  
00:45:01,887 --> 00:45:04,722  
Bullet immunity.  
You have bullet immunity!

782

00:45:04,724 --> 00:45:06,490  
I'm bulletproof.

783  
00:45:06,492 --> 00:45:07,724  
[Freddy laughing]

784  
00:45:07,726 --> 00:45:10,094  
- [cell phone beeps]  
- Today is December 8th,

785  
00:45:10,096 --> 00:45:12,532  
and this is video proof of  
authenticity.

786  
00:45:13,766 --> 00:45:15,298  
Shoot him again.

787  
00:45:15,300 --> 00:45:16,967  
Oh, yeah, yeah, yeah.  
Here, here. Go. Both of you!

788  
00:45:16,969 --> 00:45:18,405  
Come on. Go to town.

789  
00:45:24,911 --> 00:45:26,344  
Wait, wait, wait.

790  
00:45:26,346 --> 00:45:28,646  
We still don't know if  
the suit is bulletproof,

791  
00:45:28,648 --> 00:45:30,283  
or if you are.

792  
00:45:31,115 --> 00:45:32,383  
Shoot him in the face.

793  
00:45:32,385 --> 00:45:34,254  
Shoot me in the face.  
In the face?

794  
00:45:36,289 --> 00:45:37,390

[grunting]

795

00:45:38,490 --> 00:45:39,490  
[guns clicking]

796

00:45:41,994 --> 00:45:43,628  
It kinda tickles.

797

00:45:43,630 --> 00:45:44,729  
[both laugh]

798

00:45:44,731 --> 00:45:45,729  
You're dead.

799

00:45:45,731 --> 00:45:47,367  
[both screaming]

800

00:45:51,271 --> 00:45:53,070  
- Sorry about your window.  
- Have a good night!

801

00:45:53,072 --> 00:45:55,373  
But you're welcome  
for not getting robbed!

802

00:45:55,375 --> 00:45:58,708  
[man] Come on!  
Let's get outta here.

803

00:45:58,710 --> 00:46:00,177  
Hey.

804

00:46:00,179 --> 00:46:02,048  
- To fighting bad guys. [chuckles]  
- Yeah.

805

00:46:03,782 --> 00:46:05,085  
[Freddy] Bleh!

806

00:46:05,717 --> 00:46:06,983  
Ugh!

807  
00:46:06,985 --> 00:46:08,619  
That tastes  
like actual vomit.

808  
00:46:08,621 --> 00:46:10,287  
- [bell dings]  
- [Shazam chuckling]

809  
00:46:10,289 --> 00:46:12,557  
Hey, do you know  
habanero jerky,

810  
00:46:12,559 --> 00:46:15,659  
if you eat enough of it,  
it can burn a hole in your stomach?

811  
00:46:15,661 --> 00:46:16,827  
Worth it.

812  
00:46:16,829 --> 00:46:18,195  
Yeah.  
Probably not you, though.

813  
00:46:18,197 --> 00:46:19,764  
You've probably got  
stomach superpowers.

814  
00:46:19,766 --> 00:46:21,164  
Probably. Oh, hey.

815  
00:46:21,166 --> 00:46:22,532  
What's up?  
I'm a superhero.

816  
00:46:22,534 --> 00:46:24,101  
Yeah, his name is, uh,

817  
00:46:24,103 --> 00:46:25,603  
Captain Sparklefingers.

818  
00:46:25,605 --> 00:46:27,704  
No, it's not. No, it's not!

That's not my name.

819

00:46:27,706 --> 00:46:30,273

Hey, we should hang out.  
We're, like, the same age.

820

00:46:30,275 --> 00:46:32,008

- Oh, okay. I'm out.  
- [siren wails]

821

00:46:32,010 --> 00:46:33,380

Hey, wait up!

822

00:46:39,619 --> 00:46:42,119

[Shazam] I mean,  
it's a pretty sick view.

823

00:46:42,121 --> 00:46:45,592

I totally get why Rocky was  
training so hard to get up here.

824

00:46:47,659 --> 00:46:50,329

You know, I like you like this.  
This is so cool.

825

00:46:51,163 --> 00:46:53,063

I mean, no offense,

826

00:46:53,065 --> 00:46:58,034

but, like, at first you were kinda  
like the opposite of how Darla is.

827

00:46:58,036 --> 00:46:59,369

[yawns]

828

00:46:59,371 --> 00:47:00,304

A dick?

829

00:47:00,306 --> 00:47:02,807

[yawns] Your words.

Not mine.

830

00:47:02,809 --> 00:47:04,344  
But yeah.

831  
00:47:05,577 --> 00:47:07,311  
All right, well,  
I feel like every criminal

832  
00:47:07,313 --> 00:47:09,579  
is either on drugs or asleep  
by now.

833  
00:47:09,581 --> 00:47:11,016  
Wanna head home?

834  
00:47:11,951 --> 00:47:13,418  
Looking like this?

835  
00:47:13,420 --> 00:47:14,684  
Well, yeah,

836  
00:47:14,686 --> 00:47:17,753  
I mean, usually,  
we'd have a lair to go back to,

837  
00:47:17,755 --> 00:47:19,623  
but that's long-term.

838  
00:47:19,625 --> 00:47:22,429  
Right now, we have  
a bunk bed. [laughs]

839  
00:47:24,862 --> 00:47:26,396  
[Christmas music playing]

840  
00:47:26,398 --> 00:47:29,032  
Just scares me thinking of  
him out there all alone.

841  
00:47:29,034 --> 00:47:32,168  
This is what he does, Rosa.

842  
00:47:32,170 --> 00:47:34,405

Difference is,  
when they find him,

843

00:47:34,407 --> 00:47:36,840  
we'll be the first  
to take him back.

844

00:47:36,842 --> 00:47:38,311  
With open arms.

845

00:47:39,478 --> 00:47:41,144  
[laughs]

846

00:47:41,146 --> 00:47:43,713  
Didn't even make it two days.  
Not even two days.

847

00:47:43,715 --> 00:47:46,749  
Baby, we did our fair share  
of running off back when.

848

00:47:46,751 --> 00:47:48,519  
At least I did.

849

00:47:48,521 --> 00:47:50,921  
- Yeah.  
- Even Mary did it.

850

00:47:50,923 --> 00:47:52,358  
Hmm? Twice.

851

00:47:54,193 --> 00:47:56,159  
That second time  
she ran off,

852

00:47:56,161 --> 00:47:58,564  
you said something to me  
I'll never forget.

853

00:47:59,032 --> 00:48:00,363  
You said,

854

00:48:00,365 --> 00:48:02,766  
"It's not a home  
until you call it a home.

855  
00:48:02,768 --> 00:48:04,536  
It's something you choose."

856  
00:48:07,273 --> 00:48:10,708  
All we can do is give him  
a place full of love.

857  
00:48:10,710 --> 00:48:14,313  
Whether he chooses to call it a  
home, that's up to him.

858  
00:48:16,014 --> 00:48:17,683  
Yeah.

859  
00:48:19,318 --> 00:48:20,918  
You gonna help me  
with this tree?

860  
00:48:20,920 --> 00:48:22,353  
[Rosa laughs tearfully]

861  
00:48:22,355 --> 00:48:24,190  
- [Rosa] This tree's so sad.  
- [stair creaks]

862  
00:48:26,092 --> 00:48:27,492  
Hello?

863  
00:48:27,494 --> 00:48:29,592  
[Freddy] Got lost  
finding the bathroom.

864  
00:48:29,594 --> 00:48:31,461  
Oh, okay, Freddy, sweetie.  
Good night.

865  
00:48:31,463 --> 00:48:32,963  
- [Freddy] Good night.  
- [Shazam] Night.

866

00:48:32,965 --> 00:48:34,100  
[Shazam exclaims softly]

867

00:48:35,101 --> 00:48:36,733  
Freddy, who is that?

868

00:48:36,735 --> 00:48:39,235  
It's Billy. He's just really  
tired and he has laryngitis.

869

00:48:39,237 --> 00:48:40,403  
What? Laryngitis!

870

00:48:40,405 --> 00:48:42,206  
I'm just kidding!  
I'm just kidding.

871

00:48:42,208 --> 00:48:44,008  
He's really, really tired,  
and he wants to go to beddy-bye.

872

00:48:44,010 --> 00:48:45,510  
- Beddy-bye? Who says beddy-bye?  
- Just hide, hide.

873

00:48:45,512 --> 00:48:48,144  
Billy, you're back.  
Let us see you.

874

00:48:48,146 --> 00:48:50,414  
We've been so worried  
about you.

875

00:48:50,416 --> 00:48:52,249  
I told you  
this was a bad idea!

876

00:48:52,251 --> 00:48:53,950  
- [switch clicks]  
- [Darla] Freddy?

877

00:48:53,952 --> 00:48:55,353  
[Shazam gasping]

878  
00:48:55,355 --> 00:48:57,035  
[Rosa] Freddy,  
what happened to the stairs?

879  
00:48:57,155 --> 00:48:58,722  
[muffled] Mmm!

880  
00:48:58,724 --> 00:49:00,224  
Hey! Covering her mouth  
like you're gonna kidnap her

881  
00:49:00,226 --> 00:49:01,786  
is not gonna make her  
less scared, okay?

882  
00:49:04,163 --> 00:49:06,229  
Darla, it's me. It's Billy.  
I know I don't look like me.

883  
00:49:06,231 --> 00:49:07,398  
A wizard made me  
look like this.

884  
00:49:07,400 --> 00:49:08,664  
Maybe don't start  
with "wizard."

885  
00:49:08,666 --> 00:49:10,735  
It's just gonna make her  
more confused.

886  
00:49:10,737 --> 00:49:13,297  
Some old guy brought me to a temple  
and he made me say, "Shazam."

887  
00:49:14,873 --> 00:49:16,541  
Rosa!

888  
00:49:16,543 --> 00:49:18,742  
[Freddy] Verbally triggered

body-manipulation properties!

889

00:49:18,744 --> 00:49:20,346

You can switch  
by saying, "Shazam."

890

00:49:23,114 --> 00:49:25,682

Baby, was that you?  
Are you okay?

891

00:49:25,684 --> 00:49:27,016

Uh...

892

00:49:27,018 --> 00:49:29,318

I was screwing in a bulb.

893

00:49:29,320 --> 00:49:32,389

Listen to me, Darla. You cannot  
tell anybody about this, all right?

894

00:49:32,391 --> 00:49:34,525

But it's Billy.  
He's a hero.

895

00:49:34,527 --> 00:49:36,059

Yeah, but if a supervillain  
finds out that he's a hero,

896

00:49:36,061 --> 00:49:37,626

that endangers us, okay?

897

00:49:37,628 --> 00:49:40,563

A hero's loved ones are  
the perfect bad guy target.

898

00:49:40,565 --> 00:49:42,199

I mean, is she even good  
at keeping secrets?

899

00:49:42,201 --> 00:49:43,934

- Moderate.  
- No.

900  
00:49:43,936 --> 00:49:44,969  
Oh, God.

901  
00:49:44,971 --> 00:49:46,670  
Okay, listen, D,

902  
00:49:46,672 --> 00:49:48,972  
you cannot tell a single soul about  
this, all right? Please?

903  
00:49:48,974 --> 00:49:51,677  
Why? What if it's people  
we trust?

904  
00:49:52,878 --> 00:49:54,510  
[Billy sighs]

905  
00:49:54,512 --> 00:49:56,579  
Because good sisters  
don't tell secrets.

906  
00:49:56,581 --> 00:49:59,249  
- I'm a good sister.  
- [Freddy] Yeah, you are.

907  
00:49:59,251 --> 00:50:00,851  
You know what'd make you  
an even better sister?

908  
00:50:00,853 --> 00:50:02,220  
Is if you fixed  
the doorknob for us, okay?

909  
00:50:02,222 --> 00:50:03,487  
Yeah.

910  
00:50:03,489 --> 00:50:05,322  
- Sweet dreams.  
- Sweet dreams. Bye.

911  
00:50:05,324 --> 00:50:06,844  
- See you in the morning.

- Good night.

912

00:50:10,528 --> 00:50:12,329  
[elevator bell dings]

913

00:50:12,331 --> 00:50:14,231  
Hello, sir.  
How may I help you?

914

00:50:14,233 --> 00:50:16,566  
Hi. Sir?

915

00:50:16,568 --> 00:50:18,836  
Sir, you can't go in there.  
Excuse me!

916

00:50:18,838 --> 00:50:21,237  
- You cannot go in there!  
- [indistinct chatter]

917

00:50:21,239 --> 00:50:22,541  
[chattering stops]

918

00:50:24,143 --> 00:50:25,242  
[sighs]

919

00:50:25,244 --> 00:50:26,510  
Sorry I'm late.

920

00:50:26,512 --> 00:50:28,878  
Thad, this is for  
board members only.

921

00:50:28,880 --> 00:50:30,382  
I'm aware of that, Father.

922

00:50:32,684 --> 00:50:34,050  
[beeps]

923

00:50:34,052 --> 00:50:38,956  
Now, that night in the car.

924

00:50:38,958 --> 00:50:43,226  
I swore to you I saw something,  
but you never believed me.

925

00:50:43,228 --> 00:50:46,863  
So much easier to blame me,  
wasn't it?

926

00:50:46,865 --> 00:50:49,566  
And say that if I hadn't  
screamed that night,

927

00:50:49,568 --> 00:50:51,304  
you'd still have your legs.

928

00:50:52,237 --> 00:50:54,673  
Well, now I have proof.

929

00:50:57,143 --> 00:50:58,842  
That's enough, Thad.

930

00:50:58,844 --> 00:51:02,780  
Dear Sid, you think?

931

00:51:02,782 --> 00:51:06,950  
You know, even before the  
accident, you belittled me.

932

00:51:06,952 --> 00:51:10,153  
Don't make me  
throw you outta here, Thad.

933

00:51:10,155 --> 00:51:12,389  
You don't need  
to make a scene.

934

00:51:12,391 --> 00:51:14,025  
Oh, brother,

935

00:51:14,027 --> 00:51:16,563  
the scene  
has only just begun.

936  
00:51:19,797 --> 00:51:21,831  
Ask that if you can  
throw me out.

937  
00:51:21,833 --> 00:51:22,867  
What?

938  
00:51:22,869 --> 00:51:24,235  
Ask the ball  
if you're man enough

939  
00:51:24,237 --> 00:51:25,637  
to throw me  
out of this room.

940  
00:51:27,072 --> 00:51:28,374  
[laughing nervously]

941  
00:51:29,974 --> 00:51:31,510  
Let me spoil it for you.

942  
00:51:33,146 --> 00:51:35,945  
- [Dr. Sivana grunts]  
- [screaming]

943  
00:51:35,947 --> 00:51:37,916  
[board members gasping]

944  
00:51:39,851 --> 00:51:43,322  
Outlook not so good.

945  
00:51:45,090 --> 00:51:49,795  
I've come here during the  
season of giving to give you...

946  
00:51:53,431 --> 00:51:55,367  
what you deserve.

947  
00:52:01,639 --> 00:52:04,074  
[panicked chattering]

948  
00:52:04,076 --> 00:52:06,612  
- [Seven Deadly Sins snarling]  
- [people screaming]

949  
00:52:08,646 --> 00:52:09,815  
- [man] Run!  
- [screaming]

950  
00:52:14,353 --> 00:52:16,422  
[snarling]

951  
00:52:19,025 --> 00:52:20,026  
[yelps]

952  
00:52:21,393 --> 00:52:22,492  
[roars]

953  
00:52:22,494 --> 00:52:23,997  
[all screaming]

954  
00:52:28,867 --> 00:52:29,867  
[snarls]

955  
00:52:32,938 --> 00:52:34,574  
[screaming continues]

956  
00:52:48,554 --> 00:52:50,389  
- [man screams]  
- [receptionist exclaims]

957  
00:52:51,289 --> 00:52:52,488  
[screaming continues]

958  
00:52:52,490 --> 00:52:54,858  
[receptionist]  
Oh, my God! No!

959  
00:52:54,860 --> 00:52:57,327  
No! No! [screams]

960  
00:52:57,329 --> 00:52:59,332

[screaming continues]

961

00:53:02,400 --> 00:53:04,834  
[breathing heavily]

962

00:53:04,836 --> 00:53:07,003  
- [electricity crackles]  
- [yelps]

963

00:53:07,005 --> 00:53:08,540  
[Mr. Sivana whimpering]

964

00:53:12,277 --> 00:53:13,811  
Help!

965

00:53:13,813 --> 00:53:15,679  
Somebody!

966

00:53:15,681 --> 00:53:18,081  
Help me!

967

00:53:18,083 --> 00:53:20,585  
You can't go crying to  
other people all the time.

968

00:53:22,420 --> 00:53:26,055  
What sin best befits you,  
Father? Hmm?

969

00:53:26,057 --> 00:53:27,726  
I'll give you anything.

970

00:53:28,226 --> 00:53:29,726  
Money.

971

00:53:29,728 --> 00:53:31,597  
The company.  
You want the company?

972

00:53:32,130 --> 00:53:33,498  
There it is.

973  
00:53:35,134 --> 00:53:36,967  
Greed.

974  
00:53:36,969 --> 00:53:39,536  
Do you honestly think

975  
00:53:39,538 --> 00:53:43,643  
all this material  
you've accumulated

976  
00:53:45,043 --> 00:53:47,045  
amounts to actual power?

977  
00:53:49,514 --> 00:53:52,518  
This is power.

978  
00:53:54,052 --> 00:53:55,755  
More than you ever had.

979  
00:53:56,655 --> 00:53:58,557  
More than anyone has.

980  
00:53:59,559 --> 00:54:03,226  
There is one more powerful.

981  
00:54:03,228 --> 00:54:07,398  
The wizard  
found his champion.

982  
00:54:07,400 --> 00:54:13,369  
Kill the champion before he  
learns his true potential,

983  
00:54:13,371 --> 00:54:16,539  
or he will defeat you.

984  
00:54:16,541 --> 00:54:18,643  
Show me where to find him.

985  
00:54:33,458 --> 00:54:35,027  
Oh, Greed,

986  
00:54:36,594 --> 00:54:38,063  
you can have him.

987  
00:54:39,231 --> 00:54:40,362  
No.

988  
00:54:40,364 --> 00:54:43,568  
- [snarling]  
- No. Oh, no!

989  
00:54:45,036 --> 00:54:47,903  
No! No! No!

990  
00:54:47,905 --> 00:54:49,007  
[growls]

991  
00:55:04,456 --> 00:55:06,289  
[elevator beeping]

992  
00:55:06,291 --> 00:55:09,825  
[narrator on video] Family  
is more than just a word.

993  
00:55:09,827 --> 00:55:14,032  
At Sivana Industries,  
our focus is family.

994  
00:55:14,532 --> 00:55:15,835  
[static]

995  
00:55:24,210 --> 00:55:25,445  
[truck lock beeps]

996  
00:55:33,119 --> 00:55:34,187  
[whooshing]

997  
00:55:38,324 --> 00:55:40,126  
[Brett] Uh, Burke.

998  
00:55:42,360 --> 00:55:44,096

Where's the truck?

999

00:55:46,697 --> 00:55:48,467  
[truck lock beeping]

1000

00:55:53,105 --> 00:55:54,173  
I can hear it.

1001

00:55:59,443 --> 00:56:00,577  
[students exclaiming]

1002

00:56:00,579 --> 00:56:02,114  
[truck alarm beeping]

1003

00:56:04,483 --> 00:56:06,217  
[Brett] Oh, my God!

1004

00:56:06,219 --> 00:56:07,717  
My truck!

1005

00:56:07,719 --> 00:56:09,488  
- My truck!  
- Are you kidding?

1006

00:56:10,422 --> 00:56:12,490  
You know, guys,

1007

00:56:12,492 --> 00:56:14,527  
I don't think  
that's gonna buff out.

1008

00:56:23,168 --> 00:56:24,467  
Hey.

1009

00:56:24,469 --> 00:56:26,670  
Making the crippled kid  
do the dirty work. Wow!

1010

00:56:26,672 --> 00:56:28,738  
I'm a better lookout.  
I can play innocent.

1011  
00:56:28,740 --> 00:56:31,041  
And I can't?

1012  
00:56:31,043 --> 00:56:32,876  
Your face gives off  
a very strong vibe

1013  
00:56:32,878 --> 00:56:34,778  
of someone who's  
hatching schemes.

1014  
00:56:34,780 --> 00:56:37,380  
- My face? This face?  
- Yeah. Yeah.

1015  
00:56:37,382 --> 00:56:38,583  
Okay.

1016  
00:56:44,356 --> 00:56:46,488  
You boys got a hall pass?

1017  
00:56:46,490 --> 00:56:48,960  
Oh, us? Yeah. Always.

1018  
00:56:49,494 --> 00:56:50,863  
You!

1019  
00:56:53,132 --> 00:56:55,197  
You look like you're  
up to something.

1020  
00:56:55,199 --> 00:56:56,566  
Me? Up to something?

1021  
00:56:56,568 --> 00:56:58,668  
No. Never am I up  
to something.

1022  
00:56:58,670 --> 00:57:01,871  
Our dad's picking us up.  
He got held up at the...

1023  
00:57:01,873 --> 00:57:03,805  
The business office.

1024  
00:57:03,807 --> 00:57:05,644  
The business office, huh?

1025  
00:57:06,210 --> 00:57:07,376  
Sure, kid.

1026  
00:57:07,378 --> 00:57:09,311  
Look, parents or guardians

1027  
00:57:09,313 --> 00:57:12,918  
must appear physically  
to check out students.

1028  
00:57:13,518 --> 00:57:14,952  
Gotcha.

1029  
00:57:14,954 --> 00:57:16,952  
Okay, well,  
you hear that, Dad?

1030  
00:57:16,954 --> 00:57:18,354  
- Hey!  
- [Billy] Shazam!

1031  
00:57:18,356 --> 00:57:20,255  
- [lightning crashes]  
- Well, hey there, son,

1032  
00:57:20,257 --> 00:57:22,124  
and hey there,  
other son that I also have

1033  
00:57:22,126 --> 00:57:24,193  
that's related to that son  
I just passed in the hallway.

1034  
00:57:24,195 --> 00:57:28,900  
I'm so sorry I'm late.  
I got held up at the business office,

1035

00:57:29,733 --> 00:57:31,334  
doing all the work stuff.

1036

00:57:31,336 --> 00:57:35,072  
This is the security guard  
all the kids admire so much.

1037

00:57:35,074 --> 00:57:36,438  
Oh. [chuckles]

1038

00:57:36,440 --> 00:57:37,974  
Actually, that's the other one.  
This one sucks.

1039

00:57:37,976 --> 00:57:40,043  
[clears throat]  
That's not funny.

1040

00:57:40,045 --> 00:57:43,179  
I'm gonna talk to him  
about that. I apologize.

1041

00:57:43,181 --> 00:57:44,882  
Anyway, this is me  
appearing physically

1042

00:57:44,884 --> 00:57:46,715  
to check my sons  
out of school.

1043

00:57:46,717 --> 00:57:50,822  
So, thank you so much for keeping 'em  
safe, Detective Moron.

1044

00:57:52,690 --> 00:57:53,657  
[door closes]

1045

00:57:53,659 --> 00:57:55,858  
It's Moran.

1046

00:57:55,860 --> 00:57:57,762

- [Freddy] You ready?  
- [Shazam] Algebra!

1047  
00:57:58,697 --> 00:58:00,199  
[Shazam] Science!

1048  
00:58:01,032 --> 00:58:02,565  
English!

1049  
00:58:02,567 --> 00:58:03,902  
[whooping]

1050  
00:58:04,469 --> 00:58:05,769  
Health!

1051  
00:58:05,771 --> 00:58:07,606  
[continues whooping]

1052  
00:58:09,641 --> 00:58:10,776  
[beeps]

1053  
00:58:17,682 --> 00:58:18,818  
Oh. Oh.

1054  
00:58:20,418 --> 00:58:21,621  
[grunts]

1055  
00:58:23,789 --> 00:58:24,857  
[laughing]

1056  
00:58:28,960 --> 00:58:29,995  
[laughs]

1057  
00:58:37,335 --> 00:58:38,534  
[yelping]

1058  
00:58:38,536 --> 00:58:39,896  
- [groans]  
- [Freddy] Are you okay?

1059  
00:58:40,605 --> 00:58:41,807

[Freddy grunts]

1060  
00:58:44,976 --> 00:58:46,275  
[grunts]

1061  
00:58:46,277 --> 00:58:48,246  
[exclaims, laughs]

1062  
00:58:55,519 --> 00:58:56,755  
[exclaims]

1063  
00:59:16,409 --> 00:59:17,539  
[gasping]

1064  
00:59:17,541 --> 00:59:19,310  
I'm sorry! [screams]

1065  
00:59:42,166 --> 00:59:44,166  
More powerful  
than a locomotive.

1066  
00:59:44,168 --> 00:59:47,503  
Locomotive. What are you?  
An old prospector?

1067  
00:59:47,505 --> 00:59:50,076  
Can leap tall buildings  
in a single bound.

1068  
00:59:53,978 --> 00:59:55,146  
[Freddy] Single bound.

1069  
00:59:56,380 --> 00:59:57,680  
[grunts]

1070  
00:59:57,682 --> 00:59:59,416  
- [people screaming]  
- [Shazam] Oh!

1071  
00:59:59,418 --> 01:00:00,615  
I'm sorry, I'm so sorry!

1072

01:00:00,617 --> 01:00:01,784  
I'm sorry, people. Hi.

1073

01:00:01,786 --> 01:00:02,985  
- Your phone's charged.  
- Wow!

1074

01:00:02,987 --> 01:00:04,753  
Your phone's charged.

1075

01:00:04,755 --> 01:00:06,755  
Your phone's charged.

1076

01:00:06,757 --> 01:00:09,291  
You really need like a mic drop  
catchphrase after you do some cool shit.

1077

01:00:09,293 --> 01:00:10,860  
I've been thinking  
about that.

1078

01:00:10,862 --> 01:00:12,662  
What about this?

1079

01:00:12,664 --> 01:00:14,865  
"That's why you don't mess with  
electricity." [mimics mic drop]

1080

01:00:14,867 --> 01:00:16,999  
Catchphrases obviously aren't  
one of your superpowers.

1081

01:00:17,001 --> 01:00:18,601  
And your phone's charged.

1082

01:00:18,603 --> 01:00:21,371  
- Well, you think you can do better?  
- What the hell?

1083

01:00:21,373 --> 01:00:23,442  
Let there be light.

1084  
01:00:24,509 --> 01:00:25,744  
[Shazam grunting]

1085  
01:00:26,777 --> 01:00:29,013  
Yeah, yeah, baby.  
Yeah, baby, okay.

1086  
01:00:30,849 --> 01:00:32,117  
[stomach grumbles]

1087  
01:00:33,952 --> 01:00:35,584  
How do I... Never mind.

1088  
01:00:35,586 --> 01:00:36,789  
Shazam!

1089  
01:00:37,856 --> 01:00:39,222  
[screaming]

1090  
01:00:39,224 --> 01:00:40,456  
[toilet flushes]

1091  
01:00:40,458 --> 01:00:41,527  
[Billy] Shazam!

1092  
01:00:50,536 --> 01:00:52,302  
[Freddy] What'd you see?  
What'd you see? Were there boobies?

1093  
01:00:52,304 --> 01:00:54,539  
You see nipples?  
Why aren't you talking?

1094  
01:00:56,141 --> 01:00:57,541  
We're gonna need more money.

1095  
01:00:57,543 --> 01:00:58,907  
Why? You were in there  
for, like, five minutes.

1096  
01:00:58,909 --> 01:01:00,411

Dude, they were  
very convincing!

1097

01:01:05,717 --> 01:01:06,919  
Oh, get it, get it!

1098

01:01:08,686 --> 01:01:10,287  
Go, go, go!

1099

01:01:10,289 --> 01:01:11,891  
[Shazam whooping]

1100

01:01:15,628 --> 01:01:16,896  
[Freddy] No!

1101

01:01:17,429 --> 01:01:18,894  
Stop! No!

1102

01:01:18,896 --> 01:01:20,130  
- I'm not even looking!  
- Stop!

1103

01:01:20,132 --> 01:01:22,298  
- I'm not even looking! Oh!  
- Stop!

1104

01:01:22,300 --> 01:01:24,400  
- Why?  
- Oh, and done!

1105

01:01:24,402 --> 01:01:25,937  
Finished him.

1106

01:01:29,641 --> 01:01:31,340  
A lair.

1107

01:01:31,342 --> 01:01:32,407  
Yes.

1108

01:01:32,409 --> 01:01:34,077  
And obviously,  
we're gonna have to

1109  
01:01:34,079 --> 01:01:35,722  
- be making this purchase anonymously.  
- Mmm.

1110  
01:01:35,746 --> 01:01:37,146  
Obviously.

1111  
01:01:37,148 --> 01:01:39,916  
And, um, if you have  
a location on a cliff.

1112  
01:01:39,918 --> 01:01:41,650  
Like a castle-esque  
type thing.

1113  
01:01:41,652 --> 01:01:43,286  
- Overlooking some water.  
- [Freddy] Overlooking some water,

1114  
01:01:43,288 --> 01:01:45,354  
seas, below it.  
Rough, you know...

1115  
01:01:45,356 --> 01:01:46,856  
Like a waterfall,

1116  
01:01:46,858 --> 01:01:48,891  
- so you can drive into...  
- Waterfall, yeah. If you... Yeah.

1117  
01:01:48,893 --> 01:01:51,528  
Look, Maximum Voltage,  
is it?

1118  
01:01:51,530 --> 01:01:53,463  
You can call me Max.

1119  
01:01:53,465 --> 01:01:55,565  
Look, Max, why don't you  
just start with

1120

01:01:55,567 --> 01:01:57,099  
how many bedrooms  
you're looking for?

1121  
01:01:57,101 --> 01:01:58,501  
- One!  
- Seven.

1122  
01:01:58,503 --> 01:01:59,603  
- One?  
- Seven?

1123  
01:01:59,605 --> 01:02:01,240  
What, am I running  
a foster home now?

1124  
01:02:07,545 --> 01:02:08,914  
[students chattering]

1125  
01:02:12,851 --> 01:02:15,385  
[girl] Have you seen the one where  
he throws the football into space?

1126  
01:02:15,387 --> 01:02:16,853  
[boy] So dope.

1127  
01:02:16,855 --> 01:02:18,354  
Hey, you guys gotta wonder  
who's filming those, right?

1128  
01:02:18,356 --> 01:02:20,755  
I mean, that's bravery  
in and of itself.

1129  
01:02:20,757 --> 01:02:22,159  
I mean, is it, though?

1130  
01:02:22,161 --> 01:02:24,494  
Yeah. I'd actually argue  
maybe even more brave.

1131  
01:02:24,496 --> 01:02:25,662  
[Billy] Holding a camera?

1132

01:02:25,664 --> 01:02:28,565  
[scoffs] Staring in the face  
of danger.

1133

01:02:28,567 --> 01:02:30,068  
Like some weirdo fanboy.

1134

01:02:31,570 --> 01:02:32,802  
Hey, Freeman.

1135

01:02:32,804 --> 01:02:34,604  
I wouldn't do that  
if I were you.

1136

01:02:34,606 --> 01:02:37,673  
What, is your bestie gonna hit  
us with a wheelchair this time?

1137

01:02:37,675 --> 01:02:39,309  
No, maybe not him,  
but I have another best friend

1138

01:02:39,311 --> 01:02:41,191  
who might hunt you down  
and destroy both of you.

1139

01:02:41,913 --> 01:02:43,746  
Okay, Freddy.

1140

01:02:43,748 --> 01:02:46,349  
You may have heard of him.  
[stuttering] The Human Power Storm.

1141

01:02:46,351 --> 01:02:48,818  
Frequency Flinger.  
Sir Zaps-A-Lot.

1142

01:02:48,820 --> 01:02:50,686  
Yeah. He's a man  
of many names.

1143

01:02:50,688 --> 01:02:51,887  
[Burke] You know  
the Red Cyclone?

1144

01:02:51,889 --> 01:02:54,557  
You? [scoffs] My ass you do.

1145

01:02:54,559 --> 01:02:56,492  
Oh, we're a lot closer  
than you think.

1146

01:02:56,494 --> 01:02:58,729  
Maybe even at this  
very moment.

1147

01:02:58,731 --> 01:03:00,362  
Prove it.

1148

01:03:00,364 --> 01:03:02,898  
I will, tomorrow.  
Tomorrow he's gonna come to lunch.

1149

01:03:02,900 --> 01:03:04,767  
Right, right, Billy?

1150

01:03:04,769 --> 01:03:07,036  
Oh, yeah, and then Superman's gonna  
be bringing us dessert, right?

1151

01:03:07,038 --> 01:03:08,641  
[school bell ringing]

1152

01:03:10,007 --> 01:03:12,108  
Tomorrow at lunch.  
You'll see.

1153

01:03:12,110 --> 01:03:15,414  
And when he doesn't show,  
then we'll kick your ass.

1154

01:03:17,748 --> 01:03:21,851  
So, wait, my identity's a secret  
so no one I know can get hurt.

1155

01:03:21,853 --> 01:03:24,787  
Except when it makes you look  
cool, then it's all good.

1156

01:03:24,789 --> 01:03:26,423  
Billy, it's not like  
they're supervillains.

1157

01:03:26,425 --> 01:03:28,490  
They're just super douchebags.

1158

01:03:28,492 --> 01:03:31,026  
So, you're breaking  
your own rule?

1159

01:03:31,028 --> 01:03:32,695  
Got it.

1160

01:03:32,697 --> 01:03:36,532  
[scoffs] This thing is as  
much as mine as it is yours.

1161

01:03:36,534 --> 01:03:39,269  
Starting to think  
you think it's all your thing.

1162

01:03:39,271 --> 01:03:41,570  
Billy, you're still  
gonna do it, though, right?

1163

01:03:41,572 --> 01:03:43,975  
- I mean, what would a good brother do?  
- [door slams]

1164

01:03:45,309 --> 01:03:47,045  
[Victor] All hands on deck.

1165

01:03:50,181 --> 01:03:53,316  
Thank you for this family.  
Thank you for this day.

1166

01:03:53,318 --> 01:03:57,022  
Thank you for this food.  
Sorry Billy's hand's on vacay.

1167  
01:04:00,692 --> 01:04:03,860  
Big news in Philly.  
Got a costumed hero.

1168  
01:04:03,862 --> 01:04:05,095  
He's doing good.

1169  
01:04:05,097 --> 01:04:07,130  
[Eugene] Yeah,  
but is he, though?

1170  
01:04:07,132 --> 01:04:10,099  
Ooh! Controversy. Into it.

1171  
01:04:10,101 --> 01:04:13,469  
Share with us  
your perspective, Eugene.

1172  
01:04:13,471 --> 01:04:16,438  
Just saying, he's what?  
Charging people's phones?

1173  
01:04:16,440 --> 01:04:19,575  
So what?  
I can charge a phone with a plug.

1174  
01:04:19,577 --> 01:04:20,577  
[Victor] Preach.

1175  
01:04:21,211 --> 01:04:24,079  
Pedro, any thoughts?

1176  
01:04:24,081 --> 01:04:26,115  
- Costume's stupid.  
- [all laughing]

1177  
01:04:26,117 --> 01:04:27,849  
- Yeah.  
- [Victor] Okay.

1178

01:04:27,851 --> 01:04:29,485  
Big white cape like he's  
getting married or something.

1179

01:04:29,487 --> 01:04:31,954  
What if he didn't get  
to pick his costume?

1180

01:04:31,956 --> 01:04:34,157  
Ever think about that?

1181

01:04:34,159 --> 01:04:35,891  
You're a specialist, Freddy.  
What do you think?

1182

01:04:35,893 --> 01:04:40,162  
Yeah, Freddy,  
let's manage to see the positive.

1183

01:04:40,164 --> 01:04:42,164  
Okay, well,  
I think it looks like

1184

01:04:42,166 --> 01:04:44,432  
he doesn't have gratitude  
for what he's been given.

1185

01:04:44,434 --> 01:04:46,970  
[Victor] Very specific.  
All right.

1186

01:04:46,972 --> 01:04:48,371  
Maybe to the superhero,

1187

01:04:48,373 --> 01:04:50,039  
gratitude doesn't mean  
having to be clingy.

1188

01:04:50,041 --> 01:04:51,407  
Clingy?  
Wow, interesting take.

1189

01:04:51,409 --> 01:04:52,708  
[Billy] You know,  
maybe sometimes

1190

01:04:52,710 --> 01:04:55,677  
a superhero just wants  
a little me time.

1191

01:04:55,679 --> 01:04:57,813  
You know, me time  
could also be construed

1192

01:04:57,815 --> 01:04:59,081  
as pushing away his family.

1193

01:04:59,083 --> 01:05:00,883  
Family. Is that what  
they are now?

1194

01:05:00,885 --> 01:05:03,019  
[Freddy] It's a classic symptom  
of "Superhero Syndrome."

1195

01:05:03,021 --> 01:05:06,722  
Coined by German psychologist  
Heinrich Von German-something,

1196

01:05:06,724 --> 01:05:10,126  
where superpowers become  
an all-consuming narcotic.

1197

01:05:10,128 --> 01:05:11,327  
[spoon clatters]

1198

01:05:11,329 --> 01:05:13,362  
Son, we're still  
eating dinner.

1199

01:05:13,364 --> 01:05:15,231  
What he needs is a sidekick.

1200

01:05:15,233 --> 01:05:17,800

Name one cool sidekick.

1201

01:05:17,802 --> 01:05:20,202  
Darla, why are you  
so quiet over there, baby?

1202

01:05:20,204 --> 01:05:22,338  
You're never at a loss  
for words.

1203

01:05:22,340 --> 01:05:24,209  
[mouth full] I'm eating.

1204

01:05:25,409 --> 01:05:27,378  
- [bell ringing]  
- [students chattering]

1205

01:05:34,652 --> 01:05:36,653  
[Billy]  
Why am I still doing this?

1206

01:05:36,655 --> 01:05:39,255  
[sighs] Well,  
you can't skip every day.

1207

01:05:39,257 --> 01:05:41,356  
Not at your age.

1208

01:05:41,358 --> 01:05:43,726  
But I'm not your age anymore.

1209

01:05:43,728 --> 01:05:45,028  
But I can go with you.

1210

01:05:45,030 --> 01:05:47,530  
We just gotta trick the guard  
out, you know?

1211

01:05:47,532 --> 01:05:49,498  
Billy, where are you going?  
[stutters]

1212

01:05:49,500 --> 01:05:51,034  
You're still gonna have  
lunch with me, right?

1213

01:05:51,036 --> 01:05:52,668  
Billy!

1214

01:05:52,670 --> 01:05:57,039  
Sir Zaps-A-Lot's still gonna  
eat in the cafeteria, right?

1215

01:05:57,041 --> 01:05:59,244  
- [bell ringing]  
- [grumbling]

1216

01:06:02,947 --> 01:06:04,450  
[camera shutter clicking]

1217

01:06:05,782 --> 01:06:07,349  
All right.

1218

01:06:07,351 --> 01:06:09,084  
Did you check it to...

1219

01:06:09,086 --> 01:06:12,921  
People typically give me  
a little money, you know...

1220

01:06:12,923 --> 01:06:15,494  
You're a sweet couple.  
You guys have a good day.

1221

01:06:17,027 --> 01:06:18,396  
[vehicle approaching]

1222

01:06:25,135 --> 01:06:27,369  
- [yelps and gasps]  
- Ooh!

1223

01:06:27,371 --> 01:06:30,238  
- Oh, my God.  
- Mary, are you okay?

1224

01:06:30,240 --> 01:06:31,541  
How do you know my name?

1225

01:06:31,543 --> 01:06:34,376  
Uh... How do I know  
your name? Uh...

1226

01:06:34,378 --> 01:06:37,179  
One of my superpowers  
is name guessing.

1227

01:06:37,181 --> 01:06:38,981  
Which is really weird, I bet.

1228

01:06:38,983 --> 01:06:41,684  
Uh, it's not as cool as  
super-strength or super-speed,

1229

01:06:41,686 --> 01:06:44,686  
but it's really helpful  
when I meet new people.

1230

01:06:44,688 --> 01:06:45,954  
Are you hurt?

1231

01:06:45,956 --> 01:06:49,862  
[voice breaking] No, I'm okay.  
Thank you. Um...

1232

01:06:50,762 --> 01:06:51,628  
[sighs shakily]

1233

01:06:51,630 --> 01:06:54,262  
I just need a second to think.

1234

01:06:54,264 --> 01:06:56,566  
This has been  
such a weird day.

1235

01:06:56,568 --> 01:07:00,068  
Um, using my powers  
of super-observation,

1236

01:07:00,070 --> 01:07:02,704  
I see that you're holding  
a letter from a college

1237

01:07:02,706 --> 01:07:03,873  
in your hand.

1238

01:07:03,875 --> 01:07:06,545  
Are you upset  
because you didn't get in?

1239

01:07:09,981 --> 01:07:11,150  
I got in.

1240

01:07:13,451 --> 01:07:15,985  
[stammers] Well,  
now my superpowers are failing me

1241

01:07:15,987 --> 01:07:17,755  
and I am very confused.

1242

01:07:18,822 --> 01:07:21,423  
Yeah. Me, too.

1243

01:07:21,425 --> 01:07:23,425  
I don't know.  
I know I should be excited

1244

01:07:23,427 --> 01:07:26,397  
'cause this is my dream and I've  
worked really, really hard for this,

1245

01:07:27,099 --> 01:07:28,400  
but it's like...

1246

01:07:30,735 --> 01:07:33,403  
I don't know. Leaving my family  
does not feel fun, you know?

1247

01:07:33,405 --> 01:07:36,539  
[stammers] Could I give you

a little piece of advice?

1248

01:07:36,541 --> 01:07:38,441  
Don't be worried  
about everybody else.

1249

01:07:38,443 --> 01:07:40,376  
Always look out  
for number one.

1250

01:07:40,378 --> 01:07:41,778  
Gandhi said that.

1251

01:07:41,780 --> 01:07:43,713  
- I don't think he said that.  
- Yeah, he did.

1252

01:07:43,715 --> 01:07:45,180  
- Gandhi did not say...  
- Somebody like Gandhi said that.

1253

01:07:45,182 --> 01:07:46,648  
"Take care of number one."

1254

01:07:46,650 --> 01:07:48,284  
It was a really wise...  
It might've been Yoda.

1255

01:07:48,286 --> 01:07:49,952  
- Listen.  
- I'm sorry, no.

1256

01:07:49,954 --> 01:07:52,521  
Agree to disagree.  
The point is, you do you, you know?

1257

01:07:52,523 --> 01:07:54,023  
You gotta look out for you.

1258

01:07:54,025 --> 01:07:56,295  
And get as far away  
from this place as you can.

1259

01:07:58,429 --> 01:07:59,896  
I don't know if I want to.

1260

01:07:59,898 --> 01:08:01,731  
Of course you do.  
What're you gonna do?

1261

01:08:01,733 --> 01:08:03,973  
You gonna live in a group home  
for the rest of your life?

1262

01:08:05,469 --> 01:08:06,936  
Look, families are for people

1263

01:08:06,938 --> 01:08:09,374  
who can't take care  
of themselves, okay? So...

1264

01:08:10,507 --> 01:08:12,409  
And you can take care  
of yourself.

1265

01:08:12,411 --> 01:08:14,780  
[stammering] Also,  
look both ways when you cross the street.

1266

01:08:19,617 --> 01:08:21,784  
I'll just call him.  
I'll just make sure.

1267

01:08:21,786 --> 01:08:24,489  
- [indistinct murmuring]  
- [whimpers softly]

1268

01:08:25,222 --> 01:08:26,557  
It's ringing.

1269

01:08:28,726 --> 01:08:31,660  
Red Cyclone, hey!  
Hey, what's going on?

1270

01:08:31,662 --> 01:08:33,362

Oh, that's crazy!  
Yeah, it's Freddy, by the way.

1271  
01:08:33,364 --> 01:08:36,065  
Yeah, it's crazy!  
Great story.

1272  
01:08:36,067 --> 01:08:37,133  
[scoffs]

1273  
01:08:37,135 --> 01:08:38,800  
He's not talking to anyone.

1274  
01:08:38,802 --> 01:08:40,736  
- [all laughing]  
- I was!

1275  
01:08:40,738 --> 01:08:43,505  
I was! We're friends.  
I know him, I do!

1276  
01:08:43,507 --> 01:08:45,741  
I know him! I know him!  
Uh, yeah.

1277  
01:08:45,743 --> 01:08:46,743  
[Burke laughing]

1278  
01:08:49,381 --> 01:08:50,582  
Shit.

1279  
01:08:51,448 --> 01:08:52,917  
[birds squawking]

1280  
01:08:54,585 --> 01:08:56,117  
[Shazam] Come on now.

1281

- [panicked screaming]

1442

01:16:38,849 --> 01:16:40,383  
Who's the other guy?

1443

01:16:40,385 --> 01:16:41,782  
Santa!

1444

01:16:41,784 --> 01:16:42,921  
[laughing]

1445

01:16:44,855 --> 01:16:48,824  
So, like, what do you and Mrs.  
Claus do in the summertime?

1446

01:16:48,826 --> 01:16:51,294  
Well, in some ways,

1447

01:16:51,296 --> 01:16:53,394  
- Santa is always here for you.  
- [rumbling]

1448

01:16:53,396 --> 01:16:54,431  
[people gasp]

1449

01:16:56,300 --> 01:16:57,368  
[all gasp]

1450

01:17:00,238 --> 01:17:01,870  
Help Santa!

1451

01:17:01,872 --> 01:17:04,706  
Santa needs help! Help!

1452

01:17:04,708 --> 01:17:06,241  
Give us a shout  
if you need us.

1453

01:17:06,243 --> 01:17:08,277  
- [Shazam screams]  
- [women scream]

1454

01:17:08,279 --> 01:17:09,279  
[both gasp]

1455

01:17:09,712 --> 01:17:11,181  
[groans]

1456

01:17:12,248 --> 01:17:13,949  
[coughs]

1457

01:17:13,951 --> 01:17:16,471  
I'm just gonna chill in here for  
a little while, if that's okay.

1458

01:17:18,956 --> 01:17:20,688  
[grunts] This is crazy.

1459

01:17:20,690 --> 01:17:22,290  
This is crazy.  
You don't have to fight this guy.

1460

01:17:22,292 --> 01:17:24,660  
This isn't your job.  
You can run, right?

1461

01:17:24,662 --> 01:17:26,965  
Yes, you can run. Awesome!

1462

01:17:29,065 --> 01:17:30,234  
[both grunting]

1463

01:17:32,270 --> 01:17:35,470  
- [children's music playing]  
- [Shazam grunting]

1464

01:17:35,472 --> 01:17:36,873  
[Shazam] Get back!

1465

01:17:36,875 --> 01:17:38,408

Get away!

1466

01:17:40,377 --> 01:17:42,413  
- [Batman toy] I'm Batman!  
- Get him, Batman!

1467

01:17:45,048 --> 01:17:46,615  
- Oh, sorry.  
- [both yelp]

1468

01:17:46,617 --> 01:17:47,950  
[continues grunting]

1469

01:17:47,952 --> 01:17:49,420  
[crowd exclaiming]

1470

01:17:55,492 --> 01:17:56,895  
[notes playing]

1471

01:18:00,131 --> 01:18:03,299  
[low notes playing]

1472

01:18:03,301 --> 01:18:05,136  
- [groaning]  
- [people screaming]

1473

01:18:12,408 --> 01:18:13,545  
Come on!

1474

01:18:16,480 --> 01:18:17,815  
[gasping]

1475

01:18:18,448 --> 01:18:19,583  
[woman screaming]

1476

01:18:24,488 --> 01:18:25,490  
[Shazam exclaims]

1477

01:18:29,025 --> 01:18:30,194  
[grunting]

1478

01:18:31,729 --> 01:18:33,331  
[people screaming]

1479

01:18:36,266 --> 01:18:37,402  
[gasping]

1480

01:18:39,170 --> 01:18:41,003  
[stuttering] Shazam!

1481

01:18:41,005 --> 01:18:42,507  
[thunder rumbling]

1482

01:18:43,507 --> 01:18:45,143  
[people screaming]

1483

01:18:48,078 --> 01:18:49,947  
[people continue screaming]

1484

01:19:11,135 --> 01:19:12,337  
[Freddy] Billy!

1485

01:19:13,671 --> 01:19:14,671  
Billy!

1486

01:19:16,006 --> 01:19:17,508  
Billy, where are you?

1487

01:19:20,612 --> 01:19:21,613  
Billy!

1488

01:19:22,813 --> 01:19:24,079  
Where are you, Billy?

1489

01:19:24,081 --> 01:19:25,483  
[inaudible conversation]

1490

01:19:28,685 --> 01:19:30,188  
Billy, come on!

1491

01:19:33,090 --> 01:19:35,991  
Billy. Where is he?

1492

01:19:35,993 --> 01:19:37,393  
Supervillain.

1493

01:19:37,395 --> 01:19:40,298  
Supervillain! Supervillain!  
[whimpers softly]

1494

01:19:40,997 --> 01:19:43,932  
Worse. Much worse.

1495

01:19:43,934 --> 01:19:47,535  
Radioactive anthromorph?  
Psychic energy manipulator?

1496

01:19:47,537 --> 01:19:50,938  
I won't let you read my mind.  
My mind is blank. You can't get in.

1497

01:19:50,940 --> 01:19:53,275  
I don't need to read  
your mind.

1498

01:19:53,277 --> 01:19:54,913  
Because you are  
going to tell me.

1499

01:19:55,912 --> 01:19:57,347  
Where is he?

1500

01:20:00,650 --> 01:20:02,086  
[horn honking]

1501

01:20:04,721 --> 01:20:06,291  
[breathing heavily]

1502

01:20:09,426 --> 01:20:11,826  
Oh, my God,  
honey, are you okay?

1503

01:20:11,828 --> 01:20:13,662  
- Are you okay?

- Yeah.

1504

01:20:13,664 --> 01:20:15,598  
[Rosa] What happened?  
Are you hurt?

1505

01:20:15,600 --> 01:20:16,565  
Come inside.

1506

01:20:16,567 --> 01:20:18,800  
[Victor] We need  
to have a talk.

1507

01:20:18,802 --> 01:20:21,104  
[Rosa] Just don't be  
so hard on him, okay?

1508

01:20:27,344 --> 01:20:29,644  
Running out on us! Lying!

1509

01:20:29,646 --> 01:20:31,379  
Huh? Then I get a call  
from the school,

1510

01:20:31,381 --> 01:20:33,516  
telling me  
you've been cutting class!

1511

01:20:33,518 --> 01:20:34,849  
Getting in fights!

1512

01:20:34,851 --> 01:20:36,487  
[Victor continues yelling]

1513

01:20:37,154 --> 01:20:38,786  
[Eugene sighs]

1514

01:20:38,788 --> 01:20:41,055  
[Charlie on TV] Bill,  
the man saved nine people.

1515

01:20:41,057 --> 01:20:43,023

Whoa! Is that...

1516

01:20:43,025 --> 01:20:44,394  
I'm questioning his motive.

1517

01:20:45,561 --> 01:20:47,463  
What's Freddy doing  
with a superhero?

1518

01:20:47,465 --> 01:20:49,000  
[newscasters continue  
indistinctly]

1519

01:20:50,167 --> 01:20:54,237  
Or what's a superhero  
doing with Freddy?

1520

01:20:57,640 --> 01:20:58,941  
You remember dinner,

1521

01:20:58,943 --> 01:21:00,976  
when Billy and Freddy  
were arguing

1522

01:21:00,978 --> 01:21:03,978  
like an old married couple,  
like this?

1523

01:21:03,980 --> 01:21:06,548  
When he rescued me,  
he knew I lived in a group home.

1524

01:21:06,550 --> 01:21:08,985  
He knew my name.  
He called me Mary.

1525

01:21:08,987 --> 01:21:11,389  
[newscasters continue  
indistinctly]

1526

01:21:17,328 --> 01:21:20,928  
Wait, are you saying Billy's  
the Human Power Storm?

1527

01:21:20,930 --> 01:21:22,831  
Yes! You guys figured it out!

1528

01:21:22,833 --> 01:21:24,266  
All on your own.  
I didn't help.

1529

01:21:24,268 --> 01:21:27,001  
- I didn't break any promises.  
- You knew?

1530

01:21:27,003 --> 01:21:28,605  
I'm a good sister!

1531

01:21:32,609 --> 01:21:35,242  
[Victor] I mean,  
what were you thinking?

1532

01:21:35,244 --> 01:21:37,280  
And then you bring  
Freddy into it.

1533

01:21:42,953 --> 01:21:46,224  
Give him some space, guys.  
He's a little upset, okay?

1534

01:21:56,065 --> 01:21:57,268  
[Mary] Billy?

1535

01:22:02,273 --> 01:22:03,641  
You're him.

1536

01:22:04,742 --> 01:22:06,177  
You're the hero.

1537

01:22:07,176 --> 01:22:09,212  
Yeah, well,  
not anymore, so...

1538

01:22:10,547 --> 01:22:11,547  
[sighs]

1539

01:22:14,118 --> 01:22:16,487  
Why do you have my notebook?

1540

01:22:18,389 --> 01:22:20,158  
Eugene finished your search.

1541

01:22:21,057 --> 01:22:23,392  
Look, I'm not a hacker, okay?

1542

01:22:23,394 --> 01:22:25,727  
But I have played  
Watch Dogs and Uplink.

1543

01:22:25,729 --> 01:22:28,863  
And maybe I did pick up a few  
skills, which maybe did get me

1544

01:22:28,865 --> 01:22:31,133  
into federal databases  
most people can't get into.

1545

01:22:31,135 --> 01:22:33,302  
Good for you,  
but I'm gonna go.

1546

01:22:33,304 --> 01:22:37,274  
Your parents' names  
are Marilyn and C.C. Batson.

1547

01:22:42,579 --> 01:22:43,844  
What?

1548

01:22:43,846 --> 01:22:45,746  
[Eugene] You were born  
in Zumbrota, Minnesota.

1549

01:22:45,748 --> 01:22:47,583  
They divorced  
when you were three.

1550

01:22:47,585 --> 01:22:49,451

Your mom moved here  
that year.

1551

01:22:49,453 --> 01:22:51,786  
Twenty months later,  
you got lost.

1552

01:22:51,788 --> 01:22:53,555  
You never found them

1553

01:22:53,557 --> 01:22:55,891  
'cause your dad's been in  
prison in Florida for ten years.

1554

01:22:55,893 --> 01:22:57,261  
And your mom's...

1555

01:22:58,930 --> 01:23:00,131  
What?

1556

01:23:01,731 --> 01:23:03,331  
Is she dead?

1557

01:23:03,333 --> 01:23:05,235  
She's two subway stops away.

1558

01:23:06,503 --> 01:23:08,303  
What?

1559

01:23:08,305 --> 01:23:11,742  
You know, you didn't find her because  
she reverted to her maiden name.

1560

01:23:13,243 --> 01:23:14,545  
[door slams]

1561

01:23:16,011 --> 01:23:18,181  
[Rosa] Hey, Billy! Billy!

1562

01:23:21,819 --> 01:23:23,451  
- Victor, get the keys.  
- I got it.

1563  
01:23:23,453 --> 01:23:25,689  
[Rosa] Kids, stay here  
in case Billy comes back.

1564  
01:23:29,827 --> 01:23:31,195  
[tires screeching]

1565  
01:23:32,328 --> 01:23:35,298  
Come on. Inside, let's go.

1566  
01:23:43,640 --> 01:23:46,374  
Wait. I thought  
we were running after Billy.

1567  
01:23:46,376 --> 01:23:49,346  
No, we're gonna  
wait here for now.

1568  
01:23:51,615 --> 01:23:52,915  
[doorbell rings]

1569  
01:23:52,917 --> 01:23:54,318  
Billy?

1570  
01:23:56,819 --> 01:23:57,822  
Freddy?

1571  
01:23:59,456 --> 01:24:00,757  
[Freddy grunts]

1572  
01:24:02,324 --> 01:24:04,427  
Oh, how quaint.

1573  
01:24:07,297 --> 01:24:09,266  
Actually, I take that back.

1574  
01:24:11,234 --> 01:24:13,403  
What a shithole.

1575  
01:24:37,795 --> 01:24:39,495

[couple arguing]

1576

01:24:39,497 --> 01:24:41,030  
[glass shattering]

1577

01:24:41,032 --> 01:24:42,196  
[loud thump]

1578

01:24:42,198 --> 01:24:43,600  
[argument continues]

1579

01:24:52,609 --> 01:24:53,609  
[exhales]

1580

01:24:56,078 --> 01:24:57,648  
[woman] Just a second.

1581

01:25:02,086 --> 01:25:04,053  
Hey, look, I'm late  
for work already, all right?

1582

01:25:04,055 --> 01:25:06,854  
We don't need any magazines or whatever.  
Thanks, though.

1583

01:25:06,856 --> 01:25:08,490  
Oh, I'm not.

1584

01:25:08,492 --> 01:25:10,962  
You probably  
don't recognize me...

1585

01:25:12,529 --> 01:25:14,298  
but I found my way home.

1586

01:25:15,631 --> 01:25:16,634  
Mom.

1587

01:25:18,601 --> 01:25:19,737  
It's me.

1588

01:25:20,970 --> 01:25:22,239  
Oh, God.

1589  
01:25:23,341 --> 01:25:24,475  
Is it?

1590  
01:25:27,310 --> 01:25:29,546  
Um... Hang on.

1591  
01:25:30,479 --> 01:25:31,982  
[man] Who's at the door?

1592  
01:25:33,250 --> 01:25:35,183  
It's, um...

1593  
01:25:35,185 --> 01:25:37,288  
It's no one, Travis.

1594  
01:25:41,859 --> 01:25:43,628  
That wasn't Dad, was it?

1595  
01:25:44,595 --> 01:25:46,460  
No.

1596  
01:25:46,462 --> 01:25:49,300  
Listen, um...

1597  
01:25:51,134 --> 01:25:52,435  
It's really you, huh?

1598  
01:25:54,738 --> 01:25:59,074  
I didn't mean to run away.  
You know that, right?

1599  
01:25:59,076 --> 01:26:02,110  
I let go, but it was  
by accident. [stuttering]

1600  
01:26:02,112 --> 01:26:03,881  
Yeah, no. I know, yeah.

1601

01:26:04,948 --> 01:26:06,050  
I saw you.

1602  
01:26:07,217 --> 01:26:08,485  
What?

1603  
01:26:11,387 --> 01:26:13,323  
I saw you after.

1604  
01:26:15,760 --> 01:26:19,861  
So, it was never your fault.

1605  
01:26:19,863 --> 01:26:24,632  
Look, I was 17, okay?  
And my daddy kicked me out.

1606  
01:26:24,634 --> 01:26:28,639  
And your dad just decided  
not to be a part of anything.

1607  
01:26:29,974 --> 01:26:32,810  
And I was hurting,  
and I was screwed up.

1608  
01:26:34,043 --> 01:26:35,110  
[sighs]

1609  
01:26:35,112 --> 01:26:36,911  
- I want the tiger.  
- I know.

1610  
01:26:36,913 --> 01:26:38,546  
I know, honey,

1611  
01:26:38,548 --> 01:26:41,484  
but Mom's not exactly  
going pro here, okay?

1612  
01:26:43,921 --> 01:26:45,356  
Billy?

1613  
01:26:45,823 --> 01:26:46,823

Billy!

1614

01:26:47,425 --> 01:26:49,023  
Billy?

1615

01:26:49,025 --> 01:26:52,027  
Jesus Christ.  
Billy, this isn't funny!

1616

01:26:52,029 --> 01:26:53,661  
Here you go, buddy.

1617

01:26:53,663 --> 01:26:56,897  
That should warm you up.  
Is that better?

1618

01:26:56,899 --> 01:26:59,101  
[sniffles]

1619

01:26:59,103 --> 01:27:02,571  
[Marilyn] Look, it's just once  
I saw you with the police,

1620

01:27:02,573 --> 01:27:04,738  
I realized that they could do

1621

01:27:04,740 --> 01:27:07,645  
a better job taking care  
of you than I ever will.

1622

01:27:13,082 --> 01:27:14,652  
But you're good, right?

1623

01:27:16,286 --> 01:27:19,021  
I mean,  
you landed on your feet.

1624

01:27:19,023 --> 01:27:21,025  
Because, I mean,  
you look real good.

1625

01:27:23,359 --> 01:27:24,527

It's just...

1626

01:27:26,662 --> 01:27:30,033  
now is not a really good time  
for me, Bill.

1627

01:27:34,136 --> 01:27:39,376  
All I wanted to do is  
let you know I'm doing good,

1628

01:27:40,810 --> 01:27:43,980  
[sighs] but I have to get back  
to my real family.

1629

01:27:46,117 --> 01:27:47,118  
Here.

1630

01:27:50,621 --> 01:27:52,620  
What's this?

1631

01:27:52,622 --> 01:27:55,824  
[Travis] Marilyn!  
What's goin' on out there?

1632

01:27:55,826 --> 01:27:57,694  
You might need it  
more than me.

1633

01:28:07,703 --> 01:28:09,472  
[cell phone vibrating]

1634

01:28:15,212 --> 01:28:17,946  
Freddy, you were right.  
I'm sorry I yelled at you.

1635

01:28:17,948 --> 01:28:21,482  
[Dr. Sivana] Come home, Billy.  
Come home.

1636

01:28:21,484 --> 01:28:25,588  
[Freddy] Billy! Supervillain!  
Supervillain! [whimpers]

1637  
01:28:41,537 --> 01:28:42,772  
Shazam!

1638  
01:28:55,085 --> 01:28:56,483  
[wreath clatters]

1639  
01:28:56,485 --> 01:28:59,152  
Who are you? What do you want?

1640  
01:28:59,154 --> 01:29:00,755  
What do I want?

1641  
01:29:00,757 --> 01:29:02,760  
- I want...  
- [thunder rumbling]

1642  
01:29:07,497 --> 01:29:08,731  
That.

1643  
01:29:09,966 --> 01:29:11,067  
Whoa.

1644  
01:29:14,438 --> 01:29:16,239  
Kick his ass, Billy!

1645  
01:29:18,408 --> 01:29:19,607  
[children whimpering]

1646  
01:29:19,609 --> 01:29:21,343  
[Dr. Sivana] Yes, Billy.

1647  
01:29:21,345 --> 01:29:22,910  
- Try it, by all means.  
- [snarls]

1648  
01:29:22,912 --> 01:29:25,013  
Let them go  
and I'll come inside.

1649  
01:29:25,015 --> 01:29:27,281  
[Dr. Sivana]

No, first, you come inside,

1650

01:29:27,283 --> 01:29:28,885  
then maybe I'll let them go.

1651

01:29:30,686 --> 01:29:32,152  
[snarling]

1652

01:29:32,154 --> 01:29:33,157  
[all gasp]

1653

01:29:45,970 --> 01:29:47,570  
Good boy.

1654

01:29:50,039 --> 01:29:52,208  
Because that's all you are,  
isn't it?

1655

01:29:53,109 --> 01:29:54,276  
How old are you?

1656

01:29:54,278 --> 01:29:56,713  
- Basically 15.  
- Hmm.

1657

01:29:58,515 --> 01:30:02,517  
When I was a child,  
the old man told me I wasn't good enough.

1658

01:30:02,519 --> 01:30:06,454  
Yet here you are, a coward.

1659

01:30:06,456 --> 01:30:10,991  
Run from me and the wizard chooses you?  
You're not a hero.

1660

01:30:10,993 --> 01:30:14,728  
But I'm gonna give you  
the opportunity to be one.

1661

01:30:14,730 --> 01:30:16,565  
Give me the power

of the champion.

1662

01:30:16,567 --> 01:30:17,935  
No. Don't do it, Billy.

1663

01:30:34,717 --> 01:30:37,352  
Give me the power  
and I'll let them go.

1664

01:30:37,354 --> 01:30:39,187  
Darla, no.

1665

01:30:39,189 --> 01:30:41,188  
Don't go, Billy.

1666

01:30:41,190 --> 01:30:43,290  
- [crying] Don't go, Billy.  
- Darla, come here.

1667

01:30:43,292 --> 01:30:45,227  
[Shazam stammering]  
No, I have to.

1668

01:30:45,229 --> 01:30:48,298  
It's what a good brother  
would do. Right?

1669

01:30:53,304 --> 01:30:54,572  
Billy.

1670

01:31:13,523 --> 01:31:15,159  
[Shazam screaming, grunts]

1671

01:31:16,326 --> 01:31:17,860  
[groaning]

1672

01:31:18,560 --> 01:31:20,762  
[coughs]

1673

01:31:20,764 --> 01:31:23,734  
[Dr. Sivana] I dedicated  
my life to getting here.

1674

01:31:24,568 --> 01:31:26,768  
I scoured the earth.

1675

01:31:26,770 --> 01:31:28,169  
No one believed me.

1676

01:31:28,171 --> 01:31:30,871  
- [continues groaning]  
- No one helped.

1677

01:31:30,873 --> 01:31:32,609  
Not the wizard.

1678

01:31:33,542 --> 01:31:34,877  
Not my family.

1679

01:31:36,680 --> 01:31:38,946  
I only had myself.

1680

01:31:38,948 --> 01:31:40,147  
[Shazam] I get it.

1681

01:31:40,149 --> 01:31:43,220  
[panting]  
I get what that's like.

1682

01:31:45,021 --> 01:31:47,155  
Feeling like  
you're all alone in the world.

1683

01:31:47,157 --> 01:31:48,888  
Stand.

1684

01:31:48,890 --> 01:31:51,125  
Feeling like there's that one thing,  
and if you could just find it,

1685

01:31:51,127 --> 01:31:53,361  
then you'd finally  
be good enough.

1686  
01:31:53,363 --> 01:31:54,364  
Stand.

1687  
01:31:57,000 --> 01:31:59,400  
The champion's name.

1688  
01:31:59,402 --> 01:32:00,335  
[bangs staff]

1689  
01:32:00,337 --> 01:32:01,338  
Say it.

1690  
01:32:05,274 --> 01:32:06,943  
[wind howling]

1691  
01:32:09,680 --> 01:32:11,882  
[Seven Deadly Sins snarling]

1692  
01:32:28,664 --> 01:32:30,432  
Look, no offense, mister,

1693  
01:32:30,434 --> 01:32:32,967  
but I don't think these things  
have your best interest at heart.

1694  
01:32:32,969 --> 01:32:36,338  
[Lust] Don't listen  
to this child.

1695  
01:32:36,340 --> 01:32:39,072  
[Wrath] Take the staff.  
[snarls]

1696  
01:32:39,074 --> 01:32:44,012  
[Sloth] Hold it  
and say the champion's name.

1697  
01:32:44,014 --> 01:32:46,147  
They're using you.

1698  
01:32:46,149 --> 01:32:48,750

You have to see that,  
that they are using you.

1699

01:32:48,752 --> 01:32:50,087  
[Dr. Sivana] Say your name.

1700

01:32:53,489 --> 01:32:54,489  
[Freddy] His name...

1701

01:32:55,658 --> 01:32:57,558  
is Captain Sparklefingers.

1702

01:32:57,560 --> 01:32:59,960  
And we're gonna keep  
throwing things at your big,

1703

01:32:59,962 --> 01:33:01,995  
fat, ugly-eyed head,

1704

01:33:01,997 --> 01:33:04,100  
until you let our brother go.

1705

01:33:21,283 --> 01:33:22,283  
[Shazam grunts]

1706

01:33:23,287 --> 01:33:25,088  
[both grunt]

1707

01:33:28,425 --> 01:33:30,625  
Boy, am I glad  
I didn't sell that Batarang.

1708

01:33:30,627 --> 01:33:32,826  
- Pedro, is that a lamp?  
- [Pedro] It's an ugly one.

1709

01:33:32,828 --> 01:33:34,629  
[Shazam] Come on.  
Come on. Come on.

1710

01:33:34,631 --> 01:33:36,298  
Guys,

I appreciate the thought,

1711

01:33:36,300 --> 01:33:38,031  
I really do, but I don't think  
your weapons are gonna help.

1712

01:33:38,033 --> 01:33:39,869  
You can put 'em down now.

1713

01:33:41,371 --> 01:33:42,336  
The door was right here.

1714

01:33:42,338 --> 01:33:44,238  
Billy, how do we  
get outta here?

1715

01:33:44,240 --> 01:33:45,743  
What, you think I know?  
I don't know.

1716

01:33:46,777 --> 01:33:47,708  
This way!

1717

01:33:47,710 --> 01:33:49,177  
Go, go, go. Follow Darla.

1718

01:33:49,179 --> 01:33:51,278  
Good job, Darla. Go, go, go!

1719

01:33:51,280 --> 01:33:52,282  
[Rosa] Kids?

1720

01:33:53,783 --> 01:33:55,482  
Why is this open?

1721

01:33:55,484 --> 01:33:57,787  
Freddy? Mary?

1722

01:34:01,123 --> 01:34:02,723  
[Shazam]  
Pedro, Pedro, come on.

1723

01:34:02,725 --> 01:34:04,625  
Freddy? Freddy, keep up.

1724

01:34:04,627 --> 01:34:06,130  
Darla, stay in front.

1725

01:34:06,729 --> 01:34:08,065  
We gotta hurry.

1726

01:34:16,305 --> 01:34:17,540  
[grunts]

1727

01:34:18,640 --> 01:34:19,942  
[Batarang clatters]

1728

01:34:25,381 --> 01:34:26,949  
[all panting]

1729

01:34:31,587 --> 01:34:32,989  
[Eugene and Darla] Whoa!

1730

01:34:33,823 --> 01:34:36,057  
[Darla] So many doors.

1731

01:34:36,059 --> 01:34:38,959  
One of these has to be  
a way out, right?

1732

01:34:38,961 --> 01:34:40,396  
Yeah, I would hope so.

1733

01:34:48,771 --> 01:34:50,004  
[creatures grunting]

1734

01:34:50,006 --> 01:34:51,441  
[creatures hissing]

1735

01:34:54,577 --> 01:34:56,079  
[creatures snarling]

1736

01:34:57,413 --> 01:34:58,447  
Not this one.

1737  
01:35:01,650 --> 01:35:03,287  
[creature warbling]

1738  
01:35:06,622 --> 01:35:07,824  
[snarls]

1739  
01:35:09,960 --> 01:35:12,326  
- [creature roars]  
- [screams]

1740  
01:35:12,328 --> 01:35:14,461  
Okay, no more doors.  
Nobody open any more doors.

1741  
01:35:14,463 --> 01:35:16,664  
Come on, Billy.  
What are we gonna do?

1742  
01:35:16,666 --> 01:35:18,165  
Darla, I don't know.

1743  
01:35:18,167 --> 01:35:20,099  
Yes, you do. Just think.  
How'd you get out last time?

1744  
01:35:20,101 --> 01:35:22,437  
Uh, last time, I thought about the  
subway, and I was on the subway.

1745  
01:35:22,439 --> 01:35:24,438  
Okay. Then, Billy, look,  
think about the subway.

1746  
01:35:24,440 --> 01:35:27,176  
Think about any place  
except for here, okay?

1747  
01:35:44,661 --> 01:35:46,630  
[muffled music playing]

1748

01:35:48,465 --> 01:35:49,429  
[people gasp]

1749

01:35:49,431 --> 01:35:50,897  
[Shazam] Come on,  
come on, come on.

1750

01:35:50,899 --> 01:35:52,400  
[Darla] Why are you  
covering my eyes?

1751

01:35:52,402 --> 01:35:55,169  
Really? This is the first  
place you think of? Wow!

1752

01:35:55,171 --> 01:35:56,504  
You're welcome!

1753

01:35:56,506 --> 01:35:58,071  
[Darla] Why can't I see  
what's inside?

1754

01:35:58,073 --> 01:35:59,507  
You are not old enough.

1755

01:35:59,509 --> 01:36:01,645  
Old enough to know  
that was great music.

1756

01:36:02,444 --> 01:36:03,477  
Not my thing.

1757

01:36:03,479 --> 01:36:04,477  
Where's Freddy?

1758

01:36:04,479 --> 01:36:05,981  
[Freddy]  
Yeah, you, too, Sriracha.

1759

01:36:05,983 --> 01:36:07,682  
Hey, have a holly  
jolly Christmas. [laughs]

1760  
01:36:07,684 --> 01:36:08,982  
Freddy! What are you doing?

1761  
01:36:08,984 --> 01:36:10,550  
[stammers] Nice people.

1762  
01:36:10,552 --> 01:36:11,986  
Nice people? Come on.

1763  
01:36:11,988 --> 01:36:13,553  
Is that glitter? They have glitter!  
Can I get glitter?

1764  
01:36:13,555 --> 01:36:14,789  
[Mary] No, not from them.

1765  
01:36:14,791 --> 01:36:15,889  
[Darla] Please?

1766  
01:36:15,891 --> 01:36:16,825  
[Mary] No.

1767  
01:36:16,827 --> 01:36:18,028  
[people gasping]

1768  
01:36:18,795 --> 01:36:20,061  
[Mary] Darla.

1769  
01:36:20,063 --> 01:36:21,431  
[people exclaiming]

1770  
01:36:22,399 --> 01:36:23,500  
[exhales]

1771  
01:36:24,766 --> 01:36:26,768  
Go, go, go. Everybody, go!

1772  
01:36:26,770 --> 01:36:28,335  
Freddy? Freddy, Freddy.

1773

01:36:28,337 --> 01:36:30,107  
One, two, three.  
Up, up. Up we go.

1774

01:36:36,045 --> 01:36:38,178  
[Shazam pants]

1775

01:36:38,180 --> 01:36:39,946  
Carnival, go! Go, Mary, go.

1776

01:36:39,948 --> 01:36:41,984  
Come on, Pedro. Come on.

1777

01:36:46,922 --> 01:36:49,025  
[indistinct chatter]

1778

01:36:53,529 --> 01:36:55,229  
[Shazam] Don't run,  
but don't walk. Just be cool.

1779

01:36:55,231 --> 01:36:57,799  
Act naturally, like kids  
naturally act in a carnival.

1780

01:36:57,801 --> 01:36:59,768  
- He's not gonna look for us here.  
- [girl] Is that him?

1781

01:36:59,770 --> 01:37:01,701  
- [boy 1] Oh, my God!  
- [boy 2] Dude, it's Zap-tain America!

1782

01:37:01,703 --> 01:37:03,469  
- [boy 3] Power Boy!  
- [Freddy] He's an impersonator, okay?

1783

01:37:03,471 --> 01:37:05,138  
Yeah, I'm an impersonator!  
I'm a fake version of myself.

1784

01:37:05,140 --> 01:37:06,174  
Don't take pictures.

1785  
01:37:06,176 --> 01:37:07,644  
[crowd clamoring]

1786  
01:37:08,444 --> 01:37:09,445  
Shazam!

1787  
01:37:16,685 --> 01:37:18,152  
[man] Hey! Where'd he go?

1788  
01:37:18,154 --> 01:37:19,723  
[woman] What,  
is he invisible now?

1789  
01:37:21,090 --> 01:37:22,626  
[all panting]

1790  
01:37:26,863 --> 01:37:29,763  
Oh, man,  
I just spit on a baby!

1791  
01:37:29,765 --> 01:37:31,065  
[both laughing]

1792  
01:37:31,067 --> 01:37:32,735  
Yo, what is that?

1793  
01:37:36,104 --> 01:37:37,573  
[woman] Who is that guy?

1794  
01:37:38,574 --> 01:37:40,775  
Champion.

1795  
01:37:40,777 --> 01:37:42,876  
[indistinct chatter]

1796  
01:37:42,878 --> 01:37:46,246  
You don't deserve that name.

1797  
01:37:46,248 --> 01:37:48,849  
[man] See that?

Look at that up there!

1798

01:37:48,851 --> 01:37:52,756  
[Dr. Sivana] Hiding behind  
innocent people who will now die.

1799

01:37:54,390 --> 01:37:58,295  
Because deep down you're still  
just a scared little boy.

1800

01:38:00,430 --> 01:38:02,099  
Oh, no.

1801

01:38:03,131 --> 01:38:06,036  
- Run! Run!  
- [panicked screaming]

1802

01:38:09,439 --> 01:38:10,539  
[grunts]

1803

01:38:18,547 --> 01:38:21,215  
- Oh! What do we do?  
- [stuttering] Just hold on!

1804

01:38:21,217 --> 01:38:23,116  
- To what?  
- The bar, you idiot!

1805

01:38:23,118 --> 01:38:24,487  
[grunting]

1806

01:38:32,094 --> 01:38:34,094  
Well, you wanted  
me to be a hero.

1807

01:38:34,096 --> 01:38:35,362  
Are you kidding?

1808

01:38:35,364 --> 01:38:37,232  
Okay, no.  
Old guy's up there harboring

1809

01:38:37,234 --> 01:38:39,067  
multiple spiritual entities.

1810

01:38:39,069 --> 01:38:40,701  
Plus, he has  
the same powers as you.

1811

01:38:40,703 --> 01:38:42,669  
Plus, I mean,  
he knows what he's doing.

1812

01:38:42,671 --> 01:38:45,071  
Plus, I mean, you're my best friend.  
I don't want you to die.

1813

01:38:45,574 --> 01:38:48,478  
If a superhero  
can't save his family,

1814

01:38:49,746 --> 01:38:50,814  
he's not much of a hero.

1815

01:38:55,484 --> 01:38:57,086  
That was a decent catchphrase.

1816

01:38:57,921 --> 01:38:59,122  
Shazam!

1817

01:39:02,891 --> 01:39:04,126  
[grunts]

1818

01:39:08,131 --> 01:39:09,766  
Now, let's try this again.

1819

01:39:12,034 --> 01:39:13,436  
[Dr. Sivana grunts]

1820

01:39:17,539 --> 01:39:18,539  
[groans]

1821

01:39:24,079 --> 01:39:25,681  
Or try that again!

1822  
01:39:26,481 --> 01:39:27,650  
[groans]

1823  
01:39:33,789 --> 01:39:34,789  
Billy, look out!

1824  
01:39:37,792 --> 01:39:40,260  
[Shazam] Laser eyes!  
Guys, he's got laser eyes!

1825  
01:39:40,262 --> 01:39:42,599  
Too bad your aim sucks balls!

1826  
01:39:43,765 --> 01:39:45,266  
[grunts]

1827  
01:39:45,268 --> 01:39:48,102  
- [snarling]  
- [Shazam screaming]

1828  
01:39:48,104 --> 01:39:49,573  
[Shazam grunts]

1829  
01:39:52,307 --> 01:39:53,741  
That's his power matrix.

1830  
01:39:53,743 --> 01:39:55,108  
His what-what?

1831  
01:39:55,110 --> 01:39:58,412  
When the demon guys leave  
his eye, he loses his powers.

1832  
01:39:58,414 --> 01:40:00,250  
That's why  
the Batarang hurt him.

1833  
01:40:01,451 --> 01:40:02,215  
Hey!

1834

01:40:02,217 --> 01:40:04,518  
Over here!

1835  
01:40:04,520 --> 01:40:06,352  
- Wait. What are you doing?  
- Trust me. Divide and conquer.

1836  
01:40:06,354 --> 01:40:07,955  
We separate the Sins  
from the eye,

1837  
01:40:07,957 --> 01:40:09,322  
and he's just an old man.

1838  
01:40:09,324 --> 01:40:10,825  
Gather the mutts.

1839  
01:40:10,827 --> 01:40:11,827  
[bangs staff]

1840  
01:40:15,097 --> 01:40:16,699  
[Seven Deadly Sins snarling]

1841  
01:40:24,306 --> 01:40:25,705  
[Mary] Run!

1842  
01:40:25,707 --> 01:40:27,277  
[all panting]

1843  
01:40:29,179 --> 01:40:31,512  
[screaming]

1844  
01:40:31,514 --> 01:40:33,783  
- [Mary] Darla, no!  
- [Eugene screaming]

1845  
01:40:34,650 --> 01:40:35,885  
[roaring]

1846  
01:40:39,555 --> 01:40:40,890  
[panting]

1847  
01:40:48,564 --> 01:40:50,397  
[Shazam] Here. Take it.

1848  
01:40:50,399 --> 01:40:52,366  
Take it. It's for you.

1849  
01:40:52,368 --> 01:40:53,901  
Hold it tight.

1850  
01:40:53,903 --> 01:40:57,138  
Close your eyes.  
Everything's gonna be okay.

1851  
01:40:57,140 --> 01:40:58,842  
- Okay?  
- Mmm-hmm.

1852  
01:40:59,609 --> 01:41:01,174  
Okay.

1853  
01:41:01,176 --> 01:41:02,778  
[people screaming]

1854  
01:41:06,649 --> 01:41:07,684  
[snarls]

1855  
01:41:20,328 --> 01:41:21,797  
[Shazam groans]

1856  
01:41:23,064 --> 01:41:24,400  
[grunts]

1857  
01:41:27,636 --> 01:41:29,639  
- [Shazam straining]  
- [growling]

1858  
01:41:31,140 --> 01:41:32,474  
[Shazam yelling]

1859  
01:41:36,412 --> 01:41:38,248  
- [straining]

- [snarls]

1860

01:41:39,215 --> 01:41:40,947  
[roaring]

1861

01:41:40,949 --> 01:41:41,952  
Shazam!

1862

01:41:45,622 --> 01:41:46,622  
[roars]

1863

01:41:57,300 --> 01:41:58,768  
[gasping]

1864

01:42:04,340 --> 01:42:05,909  
[muffled] Shazam!

1865

01:42:10,945 --> 01:42:12,548  
Playtime's over, boy.

1866

01:42:13,817 --> 01:42:15,482  
Your friends  
can't help you anymore.

1867

01:42:15,484 --> 01:42:16,819  
[muffled] Shazam!

1868

01:42:21,289 --> 01:42:22,692  
- [Mary] Hey!  
- [cocks gun]

1869

01:42:41,377 --> 01:42:42,710  
[snarling]

1870

01:42:42,712 --> 01:42:43,780  
[gasps]

1871

01:42:49,318 --> 01:42:50,520  
Shazam!

1872

01:43:02,465 --> 01:43:03,900

[Shazam panting]

1873

01:43:12,740 --> 01:43:15,075  
- [children whimpering]  
- [Seven Deadly Sins snarling]

1874

01:43:15,077 --> 01:43:16,910  
[Dr. Sivana] Nice trick.

1875

01:43:16,912 --> 01:43:18,379  
Catchy.

1876

01:43:18,381 --> 01:43:20,347  
One simple word.

1877

01:43:20,349 --> 01:43:22,085  
I have a better trick.

1878

01:43:23,051 --> 01:43:24,384  
Four words.

1879

01:43:24,386 --> 01:43:25,518  
[snarling]

1880

01:43:25,520 --> 01:43:26,786  
Kill the little girl.

1881

01:43:26,788 --> 01:43:29,658  
- [all] Darla, no!  
- [Mary] Take me instead!

1882

01:43:31,394 --> 01:43:33,096  
- [snarling]  
- [Darla whimpering]

1883

01:43:33,863 --> 01:43:34,898  
Stop!

1884

01:43:36,565 --> 01:43:37,766  
[Darla grunts]

1885

01:43:44,039 --> 01:43:45,475  
[children groaning]

1886  
01:43:50,113 --> 01:43:52,979  
[Freddy] Billy, there's  
one more demon guy in his eye!

1887  
01:43:52,981 --> 01:43:55,281  
You gotta just rip it out  
of his face hole! [grunting]

1888  
01:43:55,283 --> 01:43:56,518  
It's where he gets his power.

1889  
01:43:58,887 --> 01:43:59,889  
[Mary grunts]

1890  
01:44:00,957 --> 01:44:02,359  
Reach for it.

1891  
01:44:03,926 --> 01:44:04,926  
I dare you.

1892  
01:44:14,002 --> 01:44:15,438  
Wise decision.

1893  
01:44:17,506 --> 01:44:19,639  
Hands on the staff.

1894  
01:44:19,641 --> 01:44:21,909  
[grunts] Billy,  
don't do this. Billy!

1895  
01:44:21,911 --> 01:44:23,643  
- [Mary] Billy.  
- [Eugene] Don't do it, Billy!

1896  
01:44:23,645 --> 01:44:24,847  
[Freddy] Don't!

1897  
01:44:44,167 --> 01:44:45,566  
[wizard] Say my name

1898

01:44:45,568 --> 01:44:47,701  
so my power  
may flow through you.

1899

01:44:47,703 --> 01:44:50,870  
I open my heart to you,  
Billy Batson.

1900

01:44:50,872 --> 01:44:55,276  
And in so doing,  
choose you as champion.

1901

01:44:55,278 --> 01:44:58,979  
With your heart,  
unlock your greatest power.

1902

01:44:58,981 --> 01:45:02,018  
The thrones of our brothers  
and sisters await.

1903

01:45:07,457 --> 01:45:09,057  
[both grunt]

1904

01:45:10,460 --> 01:45:11,594  
All hands on deck.

1905

01:45:17,100 --> 01:45:18,468  
Say my name.

1906

01:45:19,569 --> 01:45:21,134  
[all] Billy!

1907

01:45:21,136 --> 01:45:22,602  
No, not my name.

1908

01:45:22,604 --> 01:45:24,404  
Say the name that I say  
to turn into this guy.

1909

01:45:25,173 --> 01:45:26,176  
[all] Shazam!

1910  
01:45:38,320 --> 01:45:39,622  
[gasps]

1911  
01:45:55,204 --> 01:45:56,639  
[Super Hero Darla laughing]

1912  
01:45:57,672 --> 01:45:59,242  
[chuckles]

1913  
01:46:01,010 --> 01:46:02,011  
[gasps]

1914  
01:46:05,047 --> 01:46:06,048  
Guys.

1915  
01:46:08,016 --> 01:46:09,018  
What's happening?

1916  
01:46:13,421 --> 01:46:14,821  
I can fly!

1917  
01:46:14,823 --> 01:46:16,225  
[Super Hero Freddy laughing]

1918  
01:46:19,595 --> 01:46:20,960  
Guys.

1919  
01:46:20,962 --> 01:46:23,198  
- Check out these guns.  
- [gasps]

1920  
01:46:24,166 --> 01:46:27,203  
No. It's not possible.

1921  
01:46:28,970 --> 01:46:32,205  
[sighs] Gee-whiz, mister.  
Sorry I took your cane.

1922  
01:46:32,207 --> 01:46:33,576  
Do you want it back?

1923

01:46:35,811 --> 01:46:37,710  
[Super Hero Darla] Guys,  
I don't believe in violence,

1924

01:46:37,712 --> 01:46:41,550  
but I think we should kick this guy's  
butt, like, really hard.

1925

01:46:46,154 --> 01:46:47,590  
Whoa!

1926

01:46:49,458 --> 01:46:50,760  
[panting]

1927

01:46:52,895 --> 01:46:54,531  
Guys, I think  
I can move really...

1928

01:46:55,398 --> 01:46:57,130  
fast.

1929

01:46:57,132 --> 01:46:59,135  
Hyper-speed! Check!

1930

01:47:06,408 --> 01:47:08,174  
[Seven Deadly Sins snarling]

1931

01:47:08,176 --> 01:47:10,746  
Billy! The eye!

1932

01:47:13,681 --> 01:47:15,551  
[Shazam grunts]

1933

01:47:18,354 --> 01:47:19,586  
Look out!

1934

01:47:19,588 --> 01:47:21,068  
- [snarls]  
- [Super Hero Eugene yelps]

1935

01:47:21,658 --> 01:47:22,825  
Whoa!

1936  
01:47:24,260 --> 01:47:27,494  
What? [grunting]

1937  
01:47:27,496 --> 01:47:28,762  
- [Super Hero Mary] What!  
- [Super Hero Freddy] Dude!

1938  
01:47:28,764 --> 01:47:31,263  
You almost exploded me.

1939  
01:47:31,265 --> 01:47:33,135  
- [snarling]  
- [Super Hero Pedro grunting]

1940  
01:47:39,542 --> 01:47:40,677  
[roars]

1941  
01:47:57,693 --> 01:47:58,828  
[grunts]

1942  
01:48:03,765 --> 01:48:05,033  
[panicked screaming]

1943  
01:48:07,802 --> 01:48:09,771  
- [growling]  
- [Super Hero Mary grunting]

1944  
01:48:12,675 --> 01:48:14,177  
[Super Hero Mary straining]

1945  
01:48:16,779 --> 01:48:18,778  
Dude, I've studied  
the fighting techniques

1946  
01:48:18,780 --> 01:48:20,350  
of every single superhero.

1947  
01:48:21,583 --> 01:48:23,183  
What do you got?

1948

01:48:23,185 --> 01:48:24,787  
[roars]

1949

01:48:26,689 --> 01:48:28,621  
Well, that's terrifying.

1950

01:48:28,623 --> 01:48:29,826  
[growls]

1951

01:48:32,362 --> 01:48:33,863  
[Super Hero Freddy yelping]

1952

01:49:02,257 --> 01:49:05,092  
Enough games, boy.

1953

01:49:05,094 --> 01:49:06,895  
You think  
a pack of children can...

1954

01:49:08,329 --> 01:49:10,196  
[Dr. Sivana speaking faintly  
in the distance]

1955

01:49:10,198 --> 01:49:11,263  
Wait, what?

1956

01:49:11,265 --> 01:49:13,634  
[Dr. Sivana]  
You will beg for mercy

1957

01:49:13,636 --> 01:49:15,805  
as I feast on your heart...

1958

01:49:16,439 --> 01:49:17,737  
slow.

1959

01:49:17,739 --> 01:49:19,540  
[Dr. Sivana continues  
speaking faintly]

1960

01:49:19,542 --> 01:49:22,576  
Are you making some big evil guy  
speech right now or something?

1961

01:49:22,578 --> 01:49:26,280  
You're, like, a mile away from me  
right now. There's cars and trucks.

1962

01:49:26,282 --> 01:49:29,316  
I will have the world eating  
out of the palm of my hand...

1963

01:49:29,318 --> 01:49:31,951  
All I see is mouth moving.  
I don't hear any...

1964

01:49:31,953 --> 01:49:35,757  
Only I have  
the power to unleash...

1965

01:49:37,493 --> 01:49:38,928  
Ah, whatever. Screw it.

1966

01:49:40,462 --> 01:49:42,265  
[mimics fighting]

1967

01:49:47,369 --> 01:49:48,371  
[boy gasps]

1968

01:49:55,877 --> 01:49:57,210  
[gasps]

1969

01:49:57,212 --> 01:49:58,247  
[whooping]

1970

01:50:02,783 --> 01:50:03,817  
[growling]

1971

01:50:03,819 --> 01:50:05,021  
[people screaming]

1972

01:50:09,690 --> 01:50:11,193

Oh, my gosh. Those people!

1973

01:50:12,929 --> 01:50:14,197  
[girl screaming]

1974

01:50:19,234 --> 01:50:20,401  
Hi!

1975

01:50:20,403 --> 01:50:21,835  
Wow. I caught you.

1976

01:50:21,837 --> 01:50:23,306  
[metal clanging]

1977

01:50:28,677 --> 01:50:30,046  
[straining]

1978

01:50:33,082 --> 01:50:35,952  
I got it. I got it.

1979

01:50:36,652 --> 01:50:38,221  
[metal clanging]

1980

01:50:41,923 --> 01:50:43,926  
Oh, my God. I do got it.

1981

01:50:45,328 --> 01:50:47,296  
- [growling]  
- [both screaming]

1982

01:51:00,009 --> 01:51:01,641  
You're not gonna believe this,

1983

01:51:01,643 --> 01:51:03,143  
but you're actually the first  
villain I've ever fought.

1984

01:51:03,145 --> 01:51:05,144  
It's kind of  
a huge deal for me.

1985

01:51:05,146 --> 01:51:06,181  
[snarls]

1986

01:51:06,582 --> 01:51:08,050  
[grunts]

1987

01:51:13,655 --> 01:51:14,856  
[choking]

1988

01:51:15,690 --> 01:51:17,092  
[Shazam screaming]

1989

01:51:19,060 --> 01:51:21,861  
- [Christmas music playing]  
- Somebody help!

1990

01:51:21,863 --> 01:51:23,832  
[screaming]

1991

01:51:24,666 --> 01:51:26,002  
[snarls]

1992

01:51:30,604 --> 01:51:31,973  
[shouts indistinctly]

1993

01:51:35,677 --> 01:51:39,646  
- [both panting]  
- Hi. Wow. It's really you.

1994

01:51:39,648 --> 01:51:42,782  
My name is Darla,  
and I've been really good.

1995

01:51:42,784 --> 01:51:43,885  
What?

1996

01:51:45,220 --> 01:51:46,288  
[roaring]

1997

01:51:47,789 --> 01:51:49,125  
Oh, crap.

1998

01:51:50,525 --> 01:51:51,491  
No, no, no.

1999

01:51:51,493 --> 01:51:52,494  
No, no. No!

2000

01:51:53,561 --> 01:51:54,896  
[groans]

2001

01:51:58,399 --> 01:51:59,402  
[growls]

2002

01:52:07,976 --> 01:52:09,545  
[people screaming]

2003

01:52:10,512 --> 01:52:12,111  
[both] No! No, no.

2004

01:52:12,113 --> 01:52:13,915  
[Brett and Burke screaming]

2005

01:52:20,154 --> 01:52:21,487  
[Burke] Oh, my God!

2006

01:52:21,489 --> 01:52:23,192  
[Brett] Is he giving us  
suitcase wedgies?

2007

01:52:25,761 --> 01:52:27,230  
[both grunting]

2008

01:52:39,073 --> 01:52:40,942  
[Shazam screaming]

2009

01:52:42,511 --> 01:52:43,511  
[groans]

2010

01:52:47,682 --> 01:52:49,018  
[groaning]

2011

01:52:57,393 --> 01:53:00,126  
[sirens wailing in distance]

2012

01:53:00,128 --> 01:53:03,229  
So this is, like,  
the Seven Deadly Sins, right?

2013

01:53:03,231 --> 01:53:05,632  
I mean, I've never  
been great at math,

2014

01:53:05,634 --> 01:53:08,735  
but, uh, the big, angry one,  
that's Wrath, yeah?

2015

01:53:08,737 --> 01:53:11,638  
And then Gluttony, obvi.

2016

01:53:11,640 --> 01:53:14,874  
Pride, Greed, Sloth, Lust,

2017

01:53:14,876 --> 01:53:19,312  
who I thought was gonna be way  
hotter, if I'm being honest.

2018

01:53:19,314 --> 01:53:22,449  
But that's only six.  
Where's lucky number seven?

2019

01:53:22,451 --> 01:53:24,684  
Where's little man?  
Where's Envy?

2020

01:53:24,686 --> 01:53:27,687  
Is he just scared of me and my  
family because we're so awesome?

2021

01:53:27,689 --> 01:53:29,254  
Because I get that.

2022

01:53:29,256 --> 01:53:31,357  
Like, the other sins,  
they get to come out and fight

2023

01:53:31,359 --> 01:53:33,527  
because they're big  
and strong and scary.

2024

01:53:33,529 --> 01:53:34,597  
But Envy...

2025

01:53:35,898 --> 01:53:37,466  
he's just the runt.

2026

01:53:39,568 --> 01:53:40,603  
[Envy growls]

2027

01:53:49,778 --> 01:53:53,079  
And that's why all the other sins  
never invite him out to play, man.

2028

01:53:53,081 --> 01:53:55,648  
Because they all know  
who'd win.

2029

01:53:55,650 --> 01:54:01,289  
And it's not weak,  
worthless, ugly Envy.

2030

01:54:03,492 --> 01:54:05,027  
[growling]

2031

01:54:06,060 --> 01:54:07,529  
[Dr. Sivana screaming]

2032

01:54:13,667 --> 01:54:15,570  
[grunting]

2033

01:54:19,474 --> 01:54:20,740  
[snarls]

2034

01:54:20,742 --> 01:54:22,445  
[Shazam grunting]

2035

01:54:27,283 --> 01:54:29,516  
- Gotcha.  
- [snarling]

2036  
01:54:29,518 --> 01:54:30,519  
Shazam!

2037  
01:54:31,586 --> 01:54:32,586  
[Shazam grunts]

2038  
01:54:33,756 --> 01:54:35,589  
[screaming]

2039  
01:54:35,591 --> 01:54:36,726  
[panting]

2040  
01:54:37,592 --> 01:54:38,661  
Shazam!

2041  
01:54:39,894 --> 01:54:41,396  
[continues screaming]

2042  
01:54:44,932 --> 01:54:46,368  
[Dr. Sivana groaning]

2043  
01:54:49,237 --> 01:54:51,239  
Ready to go  
round up your buddies?

2044  
01:54:58,613 --> 01:54:59,648  
[snarls]

2045  
01:55:03,118 --> 01:55:04,453  
[roars]

2046  
01:55:10,725 --> 01:55:12,460  
- [Shazam grunts]  
- [groans]

2047  
01:55:14,762 --> 01:55:16,532  
[Shazam grunting]

2048

01:55:20,301 --> 01:55:23,505  
[breathing heavily] No. No!

2049

01:55:28,210 --> 01:55:29,677  
[Super Hero Darla grunting]

2050

01:55:33,314 --> 01:55:35,180  
[Super Hero Mary sighs]

2051

01:55:35,182 --> 01:55:37,453  
[both grunting]

2052

01:55:42,023 --> 01:55:43,458  
[snarling]

2053

01:55:47,095 --> 01:55:48,563  
[Shazam straining]

2054

01:55:50,931 --> 01:55:53,333  
[grunts]

2055

01:55:53,335 --> 01:55:55,736  
- Here's the thing about power.  
- [Dr. Sivana groaning]

2056

01:55:55,738 --> 01:55:59,708  
What good's power,  
if you got nobody to share it with?

2057

01:56:01,210 --> 01:56:02,875  
- [Super Hero Mary] Nice.  
- [Shazam] Ta-da!

2058

01:56:02,877 --> 01:56:05,010  
- That's disgusting.  
- [in a deep voice] Fatality.

2059

01:56:05,012 --> 01:56:06,646  
[all laughing]

2060

01:56:06,648 --> 01:56:07,981

[in normal voice]  
I got the voice.

2061  
01:56:07,983 --> 01:56:09,385  
[laughs]

2062  
01:56:11,686 --> 01:56:12,451  
What's that?

2063  
01:56:12,453 --> 01:56:14,255  
[voices whispering]

2064  
01:56:18,260 --> 01:56:20,596  
I can have anything  
I've ever wanted?

2065  
01:56:24,265 --> 01:56:25,766  
- Billy.  
- [all protesting]

2066  
01:56:25,768 --> 01:56:27,534  
[both] No, no, no!

2067  
01:56:27,536 --> 01:56:28,867  
- [Super Hero Darla] Stop it!  
- [Super Hero Pedro] Don't look at that!

2068  
01:56:28,869 --> 01:56:30,336  
[all] Billy, don't do it!

2069  
01:56:30,338 --> 01:56:32,338  
Ah! [laughing]

2070  
01:56:32,340 --> 01:56:34,574  
- You should hear yourselves!  
- Not funny.

2071  
01:56:34,576 --> 01:56:36,876  
You think I'm gonna put  
a demon ball in my head?

2072  
01:56:36,878 --> 01:56:38,510

That's disgusting.

2073

01:56:38,512 --> 01:56:40,245  
That's funny. That's pretty funny.  
You got me going.

2074

01:56:40,247 --> 01:56:41,915  
- You got me going.  
- Uh... Guys.

2075

01:56:41,917 --> 01:56:44,120  
- [people chattering]  
- [Shazam laughing]

2076

01:56:45,054 --> 01:56:46,018  
What?

2077

01:56:46,020 --> 01:56:47,853  
[people applauding]

2078

01:56:47,855 --> 01:56:49,755  
Oh. Hey.

2079

01:56:49,757 --> 01:56:52,858  
[Super Hero Darla]  
Oh, wow. [chuckles]

2080

01:56:52,860 --> 01:56:54,760  
[Super Hero Darla  
and Shazam exclaim]

2081

01:56:54,762 --> 01:56:57,164  
[crowd cheering]

2082

01:56:57,166 --> 01:56:58,734  
- [people applauding]  
- [laughing]

2083

01:56:59,934 --> 01:57:01,267  
All right, we did it!

2084

01:57:01,269 --> 01:57:05,474

Hey, all right, yeah!  
We did it!

2085

01:57:06,341 --> 01:57:08,941  
We did it! [laughs]

2086

01:57:08,943 --> 01:57:11,945  
Hey, you guys are all safe.  
There's no more danger anymore.

2087

01:57:11,947 --> 01:57:14,481  
- We're fine. It's okay.  
- All right, all right, all right.

2088

01:57:14,483 --> 01:57:15,815  
[Super Hero Pedro] We're good.

2089

01:57:15,817 --> 01:57:18,386  
- [cheering continues]  
- [whooping]

2090

01:57:25,827 --> 01:57:27,762  
[Shazam] You sure  
this is gonna work?

2091

01:57:29,364 --> 01:57:31,031  
[Super Hero Freddy] Told ya.

2092

01:57:31,033 --> 01:57:32,401  
[Super Hero Mary] Whoa!

2093

01:57:34,034 --> 01:57:35,304  
[Super Hero Freddy] Whoa!

2094

01:57:44,112 --> 01:57:45,447  
[laughter]

2095

01:57:49,684 --> 01:57:51,317  
You guys know  
what this place is, right?

2096

01:57:51,319 --> 01:57:54,486

A dark, haunted cave  
with demon statues.

2097

01:57:54,488 --> 01:57:57,425  
Well, yes, but also...

2098

01:57:59,461 --> 01:58:03,162  
[gasps] Lair! We got a lair!

2099

01:58:03,164 --> 01:58:04,429  
- [softly] Lair.  
- Yeah.

2100

01:58:04,431 --> 01:58:05,764  
- [Shazam laughing]  
- No, you right.

2101

01:58:05,766 --> 01:58:07,446  
- [Super Hero Mary laughs]  
- We got a lair.

2102

01:58:09,104 --> 01:58:11,236  
What's a lair?

2103

01:58:11,238 --> 01:58:12,906  
And thanks to six superheroes,

2104

01:58:12,908 --> 01:58:14,907  
citizens are back  
in their homes,

2105

01:58:14,909 --> 01:58:17,043  
safe again  
with their families.

2106

01:58:17,045 --> 01:58:19,678  
And here with an eyewitness  
account of the events...

2107

01:58:19,680 --> 01:58:22,148  
It was [bleep] crazy, man!

2108

01:58:22,150 --> 01:58:23,951  
Creatures from [bleep] hell!

2109  
01:58:23,953 --> 01:58:26,686  
Lightning coming out of  
everyone's [bleep] everything!

2110  
01:58:26,688 --> 01:58:29,555  
And that is not  
[bleep] cool, man!

2111  
01:58:29,557 --> 01:58:31,657  
[Freddy] So, first day  
as a superhero.

2112  
01:58:31,659 --> 01:58:34,760  
[Eugene] Automatic top spot  
for best ever.

2113  
01:58:34,762 --> 01:58:36,763  
The man shattered  
the glass noodle ceiling.

2114  
01:58:36,765 --> 01:58:38,999  
- No. That's racist.  
- [Eugene] Not if I say it.

2115  
01:58:39,001 --> 01:58:40,732  
Guys.

2116  
01:58:40,734 --> 01:58:42,335  
- All hands on deck.  
- [Eugene] Oh!

2117  
01:58:42,337 --> 01:58:43,639  
[laughing]

2118  
01:58:44,805 --> 01:58:46,940  
[Rosa] Wait, wait, wait.  
[laughs]

2119  
01:58:46,942 --> 01:58:48,040  
Wait.

2120  
01:58:48,042 --> 01:58:49,576  
Thank you for this food.

2121  
01:58:49,578 --> 01:58:51,678  
Thank you for this day.

2122  
01:58:51,680 --> 01:58:53,780  
Thank you for this family.

2123  
01:58:53,782 --> 01:58:56,182  
I thought maybe  
this time I'd stay.

2124  
01:58:56,184 --> 01:58:57,384  
[Victor chuckles]

2125  
01:58:57,386 --> 01:58:59,655  
I mean, after all,

2126  
01:59:00,255 --> 01:59:01,390  
I'm home.

2127  
01:59:05,326 --> 01:59:06,694  
[chuckles]

2128  
01:59:07,561 --> 01:59:09,030  
[indistinct chatter]

2129  
01:59:12,966 --> 01:59:13,969  
[laughter]

2130  
01:59:16,904 --> 01:59:18,340  
[students chattering]

2131  
01:59:33,255 --> 01:59:35,056  
[girl] He better not sit  
at our table.

2132  
01:59:38,726 --> 01:59:39,827  
Nope!

2133

01:59:42,030 --> 01:59:43,032  
Okay.

2134

01:59:46,501 --> 01:59:47,933  
What are you doing?

2135

01:59:47,935 --> 01:59:50,236  
Waiting for your imaginary BFF  
to show up?

2136

01:59:50,238 --> 01:59:51,670  
[Burke] Yeah.

2137

01:59:51,672 --> 01:59:52,840  
[grunts]

2138

02:00:00,114 --> 02:00:01,447  
What are you guys doing here?

2139

02:00:01,449 --> 02:00:02,915  
Well, we're having lunch  
with you.

2140

02:00:02,917 --> 02:00:04,851  
But you guys have  
different lunch periods.

2141

02:00:04,853 --> 02:00:08,287  
Well, we made  
a very special arrangement.

2142

02:00:08,289 --> 02:00:11,891  
- Darla, what's going on?  
- [mouth full] Why are you asking me?

2143

02:00:11,893 --> 02:00:12,991  
Freddy Freeman.

2144

02:00:12,993 --> 02:00:14,028  
[students gasp]

2145

02:00:15,262 --> 02:00:16,929  
This guy

2146

02:00:16,931 --> 02:00:20,599  
taught me everything I know  
about being a dope superhero.

2147

02:00:20,601 --> 02:00:22,869  
True story. You should get  
some pointers from him.

2148

02:00:22,871 --> 02:00:27,339  
What's going on,  
my best bud in the whole world?

2149

02:00:27,341 --> 02:00:32,077  
And also new kids that I'm meeting  
for the first time but seem very cool?

2150

02:00:32,079 --> 02:00:33,479  
Uh... [chuckles]

2151

02:00:33,481 --> 02:00:36,118  
I invited another friend.  
I hope that's okay.

2152

02:00:38,386 --> 02:00:39,921  
[students gasping]

2153

02:00:43,123 --> 02:00:44,425  
[gasps loudly]

2154

02:03:30,925 --> 02:03:32,724  
[Dr. Sivana grunting]

2155

02:03:32,726 --> 02:03:37,599  
Sun of Ra.

2156

02:03:38,332 --> 02:03:44,870  
Ouroboros.

2157

02:03:44,872 --> 02:03:46,673  
[breathing heavily]

2158  
02:03:46,675 --> 02:03:50,376  
Solomon's...

2159  
02:03:50,378 --> 02:03:53,015  
Knot.

2160  
02:03:59,453 --> 02:04:02,054  
- [pencil breaks]  
- [groans]

2161  
02:04:02,056 --> 02:04:03,956  
[screaming]

2162  
02:04:03,958 --> 02:04:07,593  
No! No!

2163  
02:04:07,595 --> 02:04:09,564  
[panting]

2164  
02:04:11,265 --> 02:04:13,665  
[voice laughing]

2165  
02:04:13,667 --> 02:04:16,436  
[voice on speaker]  
Primitive symbols.

2166  
02:04:16,438 --> 02:04:22,008  
You walking, talking monkeys  
with your cave drawings.

2167  
02:04:22,010 --> 02:04:26,344  
You assume there's only  
one way to gain magic.

2168  
02:04:26,346 --> 02:04:29,180  
No, no, no.

2169  
02:04:29,182 --> 02:04:32,320  
There are more ways

than a mind can imagine.

2170

02:04:33,387 --> 02:04:35,153  
What in God's name?

2171

02:04:35,155 --> 02:04:39,592  
I name the gods, Doctor.  
Not the other way around.

2172

02:04:39,594 --> 02:04:43,028  
Oh, what fun  
we're going to have together.

2173

02:04:43,030 --> 02:04:47,433  
The Seven Realms  
are about to be ours.

2174

02:04:47,435 --> 02:04:49,104  
[laughing]

2175

02:04:53,258 --> 02:04:58,258

2176

02:11:10,484 --> 02:11:11,686  
[shushing]

2177

02:11:13,421 --> 02:11:16,057  
Don't beat yourself up, buddy.  
You're gonna find someone.

2178

02:11:16,724 --> 02:11:18,391  
[laughs] Yeah, I'm sure.

2179

02:11:18,393 --> 02:11:20,925  
Because there's plenty of fish  
in the sea.

2180

02:11:20,927 --> 02:11:22,394  
[laughs]

2181

02:11:22,396 --> 02:11:24,362  
Of course it's not real.  
I can't talk to fish.

2182

02:11:24,364 --> 02:11:26,897

Even if I could, I mean, honestly,  
what could we do with that that's cool?

2183

02:11:26,899 --> 02:11:31,370

[scoffs] I don't know, maybe command  
an army of billions in the ocean.

2184

02:11:31,372 --> 02:11:34,709

Oh, yeah.

Well, that's not that cool.
