1

00:00:09,676 --> 00:00:12,137
[rocket engine whooshing]

2

00:00:17,058 --> 00:00:18,101
What would I tell them?

3

00:00:18,184 --> 00:00:21,312
Well, I guess I would tell the readers
of Stars and Stripes

4

00:00:21,396 --> 00:00:23,648
that defeating the Air Force

5

00:00:23,732 --> 00:00:26,818
in the first annual Space Flag Games
felt great.

6

00:00:27,277 --> 00:00:30,739
We had a worthy adversary,
but we were able to vanquish them.

7

00:00:31,740 --> 00:00:32,574
Oh, yeah.

8

00:00:33,116 --> 00:00:34,325
I hate to flex,

9

00:00:34,617 --> 00:00:37,579
but we dropped them faster
than a Mark Ronson bass line.

10

00:00:37,662 --> 00:00:39,372
-[Tony giggles loudly]
-"Flex"?

11

00:00:39,456 --> 00:00:40,707
Mm-hmm.

12

00:00:42,500 --> 00:00:43,501
Yeah.

13

00:00:43,960 --> 00:00:45,128
I don't know what that means.

14

00:00:45,462 --> 00:00:47,172
You don't even need to write that down.

15

00:00:47,255 --> 00:00:49,215
Bottom line, we had a great win.

16

00:00:49,299 --> 00:00:51,760
And much of the credit
goes to the person sitting to your right,

17

00:00:51,843 --> 00:00:53,136
Dr. Adrian Mallory.

18

00:00:53,553 --> 00:00:56,056
Tell me,
what makes your relationship work?

19

00:00:56,765 --> 00:00:57,599
Trust.

20

00:00:57,682 --> 00:00:58,975
And mutual respect.

21

00:01:00,560 --> 00:01:01,853
Certainly trust.

22

00:01:02,395 --> 00:01:04,647
Oh, and that is our time.
How fun was that?

23

00:01:04,731 --> 00:01:06,649
Thank you so much for this.
And do you need a picture?

24

00:01:06,733 --> 00:01:08,234
'Cause I can Photoshop it.
Not a problem.

25

00:01:08,318 --> 00:01:10,236

You want them on the Enterprise?
I'll do it. Fine.

26

00:01:10,320 --> 00:01:11,780
You want me to give this guy pointy ears?

27

00:01:11,863 --> 00:01:14,657
[laughing] Can you even imagine
how funny that would be?

28

00:01:14,741 --> 00:01:17,952
So "flex" is like
when you're dunking on someone,

29

00:01:18,036 --> 00:01:20,413
but, like, you wanna do it in a cool way.

30

00:01:21,581 --> 00:01:23,416
God, I hate him. I hate him so much.

31

00:01:24,209 --> 00:01:25,251
I understand.

32

00:01:25,668 --> 00:01:28,338
You seem unusually peppy today.

33

00:01:28,421 --> 00:01:32,425
Did one of your favorite sporting teams
succeed in their goals?

34

00:01:32,509 --> 00:01:33,551
Can you keep a secret?

35

00:01:33,635 --> 00:01:37,055
I have a conjugal visit
with my wife today.

36

00:01:37,138 --> 00:01:39,390
Oh, my. When was the last one?

37

00:01:39,474 --> 00:01:43,353
Well, this'll be the first time

since she was sentenced six months ago.

38

00:01:43,853 --> 00:01:46,981
POTUS approved it
because of our big Space Flag win.

39

00:01:47,065 --> 00:01:49,609
So, in essence, I got you laid.
You're welcome.

40

00:01:50,026 --> 00:01:50,860
Don't be gross.

41

00:01:50,944 --> 00:01:53,279
And thanks for acknowledging me earlier.

42

00:01:53,363 --> 00:01:56,574
It's nice for my mother
when I'm mentioned in the papers.

43

00:01:56,658 --> 00:01:57,992
Your mother is still alive?

44

00:01:58,535 --> 00:01:59,494
Yes.

45

00:01:59,577 --> 00:02:00,537
Impressive.

46

00:02:00,620 --> 00:02:04,999
You know, a lot of centenarians
are living long, healthy lives.

47

00:02:05,083 --> 00:02:06,334
Probably due to better nutrition.

48

00:02:06,417 --> 00:02:08,503
How old do you think I am?

49

00:02:08,586 --> 00:02:09,462
Um...

50

00:02:09,546 --> 00:02:10,380
Hmm.

51

00:02:10,463 --> 00:02:12,924
[people clamoring]

52

00:02:14,342 --> 00:02:15,593
[Mallory] What's going on?

53

00:02:15,677 --> 00:02:16,761
[Mark] I don't know.

54

00:02:20,890 --> 00:02:22,058
What the hell?

55

00:02:22,392 --> 00:02:23,226
India?

56

00:02:23,643 --> 00:02:25,937
Can you zoom in on the exhaust mount?

57

00:02:28,273 --> 00:02:29,232
Enhance!

58

00:02:29,315 --> 00:02:30,567
[muffled laughter]

59

00:02:31,025 --> 00:02:31,943
Enhance!

60

00:02:32,235 --> 00:02:34,320
That's not how it works in real life.

61

00:02:34,404 --> 00:02:37,699
You can't create information from nothing.

62

00:02:37,782 --> 00:02:39,701
-I can increase the contrast.
-[Mallory] Yeah.

63

00:02:41,744 --> 00:02:42,954
-[murmuring]
-[Mallory] Oh, whoa.

64
00:02:43,037 --> 00:02:45,790
That's a Pegasus fin system.

65
00:02:45,874 --> 00:02:48,001
But we're the only ones with Pegasus.

66
00:02:48,084 --> 00:02:49,085
I designed it.

67
00:02:49,169 --> 00:02:50,920
Don't be that way, Ranatunga.

68
00:02:51,004 --> 00:02:52,213
There's no "I" in "team."

69
00:02:52,297 --> 00:02:53,381
What does this mean?

70
00:02:53,464 --> 00:02:56,426
It could mean any number of things.

71
00:02:56,551 --> 00:02:58,761
[phone alarm playing
ahooga horn noise]

72
00:02:58,845 --> 00:02:59,721
Ah.

73
00:03:00,513 --> 00:03:01,514
Put it in a report.

74
00:03:01,598 --> 00:03:03,683
I've got my appointment to get to.

75
00:03:03,933 --> 00:03:07,770
Yeah, that's right. Your appointment.
Well, go get 'em, tiger. You earned it.

76

00:03:08,563 --> 00:03:10,398
What kind of appointment is this?

77

00:03:10,481 --> 00:03:11,649
-Dentist.
-Dentist.

78

00:03:18,406 --> 00:03:20,658
[Mallory] Can I help you, Major?

79

00:03:23,536 --> 00:03:25,455
Yes, so, tell me
about your cable package...

80

00:03:26,331 --> 00:03:27,248
[clears throat]

81

00:03:27,332 --> 00:03:29,375
Oh, you look nice, sir.

82

00:03:29,459 --> 00:03:31,669
I used cream rinse.

83

00:03:32,337 --> 00:03:33,588
Is that, like, a conditioner?

84

00:03:33,671 --> 00:03:35,673
Yes. Same-- Same thing.

85

00:03:36,090 --> 00:03:38,301
That's a very nice flower.
It's a nice touch.

86

00:03:38,718 --> 00:03:42,430
If there's a more perfect flower
than the rose, I've never seen it.

87

00:03:42,513 --> 00:03:46,768
So nice hair, nice flower,
what are we talking about?

88

00:03:46,851 --> 00:03:47,852
Anniversary?

89

00:03:47,936 --> 00:03:49,020
[chuckling]

90

00:03:49,103 --> 00:03:50,855
Uh, no. Nope.

91

00:03:52,523 --> 00:03:53,858
[clears throat]

92

00:03:55,944 --> 00:03:57,987
Have you ever heard the term
"conjugal visit"?

93

00:03:59,906 --> 00:04:01,324
Uh, yes.

94

00:04:03,284 --> 00:04:06,454
[Mark] God, the hoops
that I had to jump through.

95

00:04:06,537 --> 00:04:07,497
The forms.

96

00:04:07,580 --> 00:04:11,251
And all of it has to do with,
"Well, is it consensual?"

97

00:04:11,334 --> 00:04:14,087
Of course it's consensual.
This is my wife.

98

00:04:14,837 --> 00:04:16,798
"How long? How long do you want?"

99

00:04:16,881 --> 00:04:19,217
Fifteen-minute--
It's all 15-minute increments.

100

00:04:19,300 --> 00:04:21,135

Are you kidding me? Fifteen minutes?

101

00:04:21,219 --> 00:04:23,513
Who can do anything in 15 minutes?

102

00:04:23,596 --> 00:04:26,474
We settled on 45 minutes.
That should do the trick.

103

00:04:26,557 --> 00:04:27,392
But...

104

00:04:34,148 --> 00:04:36,317
I probably shouldn't have said anything.
I'm--

105

00:04:37,735 --> 00:04:38,611
Um...

106

00:04:38,695 --> 00:04:42,490
No, sir. That's-- It's all part of--
part of being a person.

107

00:04:44,701 --> 00:04:45,535
Yeah.

108

00:04:46,536 --> 00:04:49,163
I'd appreciate it
if you could erase any images

109

00:04:49,247 --> 00:04:50,873
you now have in your mind.

110

00:04:53,126 --> 00:04:53,960
Yep.

111

00:04:59,882 --> 00:05:01,175
[Mark] All right.

112

00:05:03,511 --> 00:05:04,512
Thank you.

113
00:05:08,891 --> 00:05:09,934
Oh.

114
00:05:19,277 --> 00:05:20,320
[sighs]

115
00:05:22,363 --> 00:05:23,197
[door buzzes]

116
00:05:24,657 --> 00:05:25,825
You can't see her.

117
00:05:26,451 --> 00:05:28,369
-What?
-Came from the White House.

118
00:05:28,453 --> 00:05:29,495
Check your phone.

119
00:05:37,128 --> 00:05:38,171
[groans]

120
00:05:50,892 --> 00:05:52,477
Wow, that was fast.

121
00:05:53,269 --> 00:05:55,104
-It was canceled.
-Oh, no.

122
00:05:55,188 --> 00:05:56,189
Here.

123
00:06:09,994 --> 00:06:11,704
POTUS is furious. Let's go.

124
00:06:12,246 --> 00:06:13,539
Me? Well...

125
00:06:13,623 --> 00:06:16,167
-I didn't do anything.
-If I'm in trouble, you're in trouble.

126

00:06:18,961 --> 00:06:20,880
How did India get the Pegasus?

127

00:06:20,963 --> 00:06:23,341
-[Mark] That's what we're wondering.
-Yeah, I'll tell you how.

128

00:06:23,424 --> 00:06:27,136
Because you got a goddamn spy over there,
and you better find him ASAP!

129

00:06:27,220 --> 00:06:29,639
The president has a name
for countries like India.

130

00:06:29,722 --> 00:06:31,307
A name I can't repeat.

131

00:06:31,391 --> 00:06:33,518
Jesus. The timing on this.

132

00:06:34,018 --> 00:06:35,478
Timing? What do you mean?

133

00:06:35,561 --> 00:06:39,482
It just comes on a very inauspicious day.

134

00:06:40,233 --> 00:06:41,442
I'm not sure I follow.

135

00:06:42,235 --> 00:06:44,320
Oh, it's POTUS' birthday.

136

00:06:44,404 --> 00:06:45,530
I didn't say that.

137

00:06:45,822 --> 00:06:47,657
But if I were you, I would be very aware

138

00:06:47,740 --> 00:06:50,451

of his desire
to have this day feel special.

139

00:06:50,535 --> 00:06:51,661
I completely understand.

140

00:06:51,744 --> 00:06:53,996
Maybe we can launch something
of our own to celebrate the day.

141

00:06:54,414 --> 00:06:55,873
Do we have any missions ready to launch?

142

00:06:55,957 --> 00:06:57,417
The climate orbiter.

143

00:06:57,500 --> 00:06:59,836
-Not that.
-Why not? It's ready to go.

144

00:06:59,919 --> 00:07:01,254
You know why.

145

00:07:01,337 --> 00:07:04,424
And find the goddamn spy
before this thing hits the news cycle.

146

00:07:04,507 --> 00:07:06,926
We need to nail somebody's head
to the wall on this thing,

147

00:07:07,009 --> 00:07:08,636
or else it's gonna be yours. Get it?

148

00:07:08,719 --> 00:07:13,891
Given history, are we literally
going to nail someone's head to a wall?

149

00:07:13,975 --> 00:07:14,809
Of course not.

150

00:07:14,892 --> 00:07:17,019

No, well, hold on now.
We don't know that for sure.

151
00:07:17,103 --> 00:07:20,565
Let's just find the spy,
and we'll talk about what comes next.

152
00:07:20,648 --> 00:07:24,360
Since when has making the president happy
on his birthday

153
00:07:24,444 --> 00:07:25,903
become part of our mission?

154
00:07:25,987 --> 00:07:27,071
Tell me about it.

155
00:07:27,488 --> 00:07:30,491
I feel like the party clown
I hired on Erin's fifth birthday.

156
00:07:31,075 --> 00:07:33,703
At least I let him go home
with the rest of the cake.

157
00:07:34,203 --> 00:07:36,914
He looked hungry, tired...

158
00:07:37,915 --> 00:07:38,749
Hey!

159
00:07:38,833 --> 00:07:40,918
Are you eavesdropping
on a classified conversation?

160
00:07:41,002 --> 00:07:43,629
Sorry. Earbuds. I didn't-- Earbuds. So...

161
00:07:52,847 --> 00:07:55,933
Everybody leave.
We need this space for a private meeting.

162

00:07:56,017 --> 00:07:58,394
Take that sandwich with ya. Take it to go.

163
00:07:59,395 --> 00:08:00,563
You too, Hildy.

164
00:08:01,189 --> 00:08:03,399
I will have an egg salad sandwich
on your way out.

165
00:08:03,483 --> 00:08:04,484
You want anything?

166
00:08:04,567 --> 00:08:06,777
What are your impressions
of the grilled cheese?

167
00:08:06,861 --> 00:08:09,155
Oh, my God. He's not hungry. Never mind.

168
00:08:09,238 --> 00:08:10,239
Have a muffin.

169
00:08:11,407 --> 00:08:12,867
All right, let's make a list.

170
00:08:12,950 --> 00:08:13,993
Who is the spy?

171
00:08:14,076 --> 00:08:16,662
Yuri, obviously. He's on Putin's payroll.

172
00:08:17,288 --> 00:08:18,331
Yeah.

173
00:08:18,414 --> 00:08:20,666
And Baxter. That guy gives me the creeps.

174
00:08:20,750 --> 00:08:23,669
Every time I'm anywhere near him,
he hides his cell phone.

175
00:08:23,753 --> 00:08:24,962
Mm-hmm. Uh...

176
00:08:25,046 --> 00:08:26,047
Chan. Definitely.

177
00:08:26,506 --> 00:08:28,424
Wait. Chan is my number two.

178
00:08:28,508 --> 00:08:30,551
I consider him above suspicion.

179
00:08:30,635 --> 00:08:32,762
All right, so we've got Yuri,
Baxter, Chan.

180
00:08:32,845 --> 00:08:34,931
-Brad.
-What? No way.

181
00:08:35,014 --> 00:08:38,851
Well, you come after my number two,
I'm gonna come after your number two.

182
00:08:39,352 --> 00:08:41,437
[with accent]
"You send one of mine to the hospital,

183
00:08:41,521 --> 00:08:43,523
I send one of yours to the morgue."

184
00:08:43,606 --> 00:08:44,899
What the fuck?

185
00:08:45,483 --> 00:08:47,360
Were-- Were you doing Nixon?

186
00:08:47,985 --> 00:08:49,862
What? No.

187
00:08:50,321 --> 00:08:51,197

Who was it?

188

00:08:52,448 --> 00:08:53,741
It was Sean Connery.

189

00:08:53,824 --> 00:08:54,700
Ah.

190

00:08:55,117 --> 00:08:57,537
My family's from Hong Kong.
Why would I help India?

191

00:08:59,121 --> 00:09:03,042
China and India are both part of Asia,
are they not?

192

00:09:04,377 --> 00:09:07,713
People can be very loyal
to their continents.

193

00:09:09,257 --> 00:09:11,676
I got nothing to hide.
You can go look in my browser history.

194

00:09:11,759 --> 00:09:14,345
Maybe you actually learn a thing or two
about BWAM.

195

00:09:16,055 --> 00:09:18,140
It stands for Black Women Asian Men.

196

00:09:18,224 --> 00:09:21,811
We're actually the least likely pairing
statistically in American couples,

197

00:09:21,894 --> 00:09:23,437
yet we have the highest marriage rates.

198

00:09:23,521 --> 00:09:25,982
So when we find each other,
it's actually a wonderful, wonderful--

199

00:09:26,065 --> 00:09:27,483
Enough. Enough.

200
00:09:28,651 --> 00:09:31,779
IT will do an invasive search
of your electronic history.

201
00:09:31,862 --> 00:09:34,407
Make no attempt to leave the country.

202
00:09:34,490 --> 00:09:35,783
And let me tell you something, mister,

203
00:09:35,866 --> 00:09:40,454
if we do not find this specialty porn,
you are in a lot of trouble.

204
00:09:41,372 --> 00:09:42,582
It's not porn.

205
00:09:43,583 --> 00:09:44,458
It's love.

206
00:09:45,167 --> 00:09:46,669
We will be the judge of that.

207
00:09:47,211 --> 00:09:49,547
Can we go talk to your number two now?

208
00:09:50,840 --> 00:09:51,716
Yeah.

209
00:09:52,717 --> 00:09:55,052
Yeah, yeah, yeah, yeah. Okay.

210
00:09:55,136 --> 00:09:57,555
Brad, may I see you in my office, please?

211
00:09:57,638 --> 00:09:58,472
Uh, sure.

212

00:09:59,682 --> 00:10:00,558
May I come in, sir?

213
00:10:01,601 --> 00:10:03,352
-I asked you to come in.
-Ah.

214
00:10:04,270 --> 00:10:05,438
What can I do for you?

215
00:10:05,896 --> 00:10:07,815
Uh, is your calendar up to date?

216
00:10:08,149 --> 00:10:10,359
Can I make a reservation
at the Outback for you for tonight?

217
00:10:10,443 --> 00:10:11,402
No, Brad. Nope.

218
00:10:11,485 --> 00:10:14,280
[clears throat] Is it your car?
You want me to get it washed?

219
00:10:14,822 --> 00:10:17,325
Is it Erin? Do you need me to babysit
or drive her somewhere?

220
00:10:17,408 --> 00:10:18,909
-To her friend's house.
-Jesus, Brad.

221
00:10:18,993 --> 00:10:20,494
You're a one-star general. Act like it.

222
00:10:20,578 --> 00:10:21,954
-All right?
-Okay.

223
00:10:22,955 --> 00:10:25,541
[sighs] Just warning you,
the Outback fills up quick.

224
00:10:25,625 --> 00:10:27,543
Brad, have a seat.

225
00:10:29,170 --> 00:10:30,004
Okay.

226
00:10:32,590 --> 00:10:37,803
Brad, have you ever seen
or done anything suspicious on base?

227
00:10:40,598 --> 00:10:42,767
Um... maybe.

228
00:10:44,560 --> 00:10:45,728
I don't know. Uh...

229
00:10:48,147 --> 00:10:49,148
Like what?

230
00:10:50,191 --> 00:10:51,651
Your leg's jiggling.

231
00:10:51,734 --> 00:10:53,235
Ah. [chuckles]

232
00:10:54,445 --> 00:10:58,240
Perhaps you called someone,
shared some information?

233
00:11:00,284 --> 00:11:01,285
Tony?

234
00:11:01,369 --> 00:11:03,329
Mm. No. A country.

235
00:11:03,621 --> 00:11:04,580
Oh.

236
00:11:06,540 --> 00:11:07,625
England?

237

00:11:07,708 --> 00:11:08,709
Close.

238

00:11:08,793 --> 00:11:12,505
This country we're talking about
was once ruled by England.

239

00:11:14,674 --> 00:11:15,549
Us.

240

00:11:15,633 --> 00:11:16,717
Us?

241

00:11:17,301 --> 00:11:18,844
-Us.
-How would that work, Brad?

242

00:11:18,928 --> 00:11:21,347
I don't know.
You said a country ruled by England.

243

00:11:21,430 --> 00:11:22,973
Yeah, it was once a colony.

244

00:11:23,057 --> 00:11:24,308
[Brad] Oh, a colony.

245

00:11:24,392 --> 00:11:26,352
But it's further east than us.

246

00:11:26,435 --> 00:11:27,478
Okay. Don't encourage.

247

00:11:27,561 --> 00:11:28,646
Wow, this is, uh...

248

00:11:29,647 --> 00:11:31,524
Is it Can-- It's Canada.

249

00:11:34,819 --> 00:11:35,986
Yes, that's right.

250

00:11:36,070 --> 00:11:37,154
Oh, I did--

251

00:11:37,238 --> 00:11:38,531
-Good. Well done, Brad.
-Phew.

252

00:11:38,614 --> 00:11:39,907
Thank you. We're done.

253

00:11:39,990 --> 00:11:41,617
Oh! Okay.

254

00:11:42,410 --> 00:11:44,578
Well, if you change your mind
about the Outback, let me know.

255

00:11:44,662 --> 00:11:46,205
No, no, no. We're fine. Thank you.

256

00:11:46,288 --> 00:11:48,374
-I can call in some favors, you know.
-[Mark] Thank you, Brad.

257

00:11:48,457 --> 00:11:50,126
-Apply a little pressure.
-No, no, we're good.

258

00:11:50,209 --> 00:11:51,794
-Thank you. Well done.
-All right. Very good then.

259

00:11:51,877 --> 00:11:52,962
Thanks. That was fun.

260

00:11:54,004 --> 00:11:57,049
He is not the spy.

261

00:11:59,218 --> 00:12:02,638
His eyes were empty,
like a department store mannequin.

262

00:12:02,722 --> 00:12:05,349
That man pulled me out of a burning F-16.

263

00:12:05,433 --> 00:12:06,767
I knew it was something.

264

00:12:07,685 --> 00:12:10,271
General, you want me to make a reservation
at The Bloomin' Onion?

265

00:12:10,980 --> 00:12:12,857
That's a menu item at the Outback, Brad.

266

00:12:12,940 --> 00:12:15,985
Oh, I--
No wonder they were giving me a hard time.

267

00:12:16,402 --> 00:12:17,820
[softly] Close the door, please.

268

00:12:18,904 --> 00:12:20,114
-Oh, my God.
-[Brad] Bloomin' Onion.

269

00:12:20,197 --> 00:12:21,657
Now it's all ringing a bell.

270

00:12:22,324 --> 00:12:23,200
[sniffing]

271

00:12:23,284 --> 00:12:24,744
[Tony] Uh-oh! Dr. Chan!

272

00:12:24,827 --> 00:12:25,911
There's my guy.

273

00:12:25,995 --> 00:12:27,997
Listen, I know we haven't had
enough time to connect,

274

00:12:28,080 --> 00:12:29,874
but, honestly, I love your vibe, man.

275

00:12:29,957 --> 00:12:32,710
I can't make you molly, Tony.
Go ask Dr. Chandreshekar.

276

00:12:32,793 --> 00:12:33,878
That's not why I'm here.

277

00:12:33,961 --> 00:12:35,171
Dr. Chandreshekar, you said?

278

00:12:35,254 --> 00:12:37,757
That's the molly person?
Doesn't matter. That's not why I'm here.

279

00:12:37,840 --> 00:12:38,883
It is POTUS's birthday,

280

00:12:38,966 --> 00:12:41,802
and he wants something special
from Space Force.

281

00:12:41,886 --> 00:12:43,053
Is this official business?

282

00:12:43,137 --> 00:12:47,683
Not exactly, but when we deliver something
cool and spacey for the big guy's big day,

283

00:12:47,767 --> 00:12:51,645
you, my friend, will get the gratitude
of a grateful president.

284

00:12:51,729 --> 00:12:54,940
Can you imagine how proud
your parents would be over in, uh...

285

00:12:55,024 --> 00:12:55,983
Mongolia?

286

00:12:56,901 --> 00:12:58,402
-Baltimore.
-Baltimore.

287
00:12:58,486 --> 00:13:00,362
That's insane. You have a Baltimore too?

288
00:13:00,446 --> 00:13:02,072
-That is crazy!
-[sighing] Okay. Okay.

289
00:13:02,156 --> 00:13:04,325
Okay, all right. Let's think of a gift.
Together. As a team.

290
00:13:04,408 --> 00:13:06,494
Here we go. Uh, la, la, la...

291
00:13:06,577 --> 00:13:07,787
Do you have an invisibility cloak?

292
00:13:07,870 --> 00:13:10,164
Absolutely. Everyone's wearing one but me.

293
00:13:11,874 --> 00:13:13,042
-No.
-Mm-hmm.

294
00:13:13,501 --> 00:13:14,627
Fuck you.

295
00:13:14,710 --> 00:13:15,669
That's not real.

296
00:13:16,212 --> 00:13:18,506
That's not real.
Let's think of something real together.

297
00:13:19,507 --> 00:13:20,883
Let's think of something real together.

298
00:13:23,385 --> 00:13:27,348

Hello, Miss Erin Naird,
if I recall correctly.

299

00:13:28,849 --> 00:13:30,851
You do recall correctly,

300

00:13:30,935 --> 00:13:33,187
even though we only met once.

301

00:13:33,896 --> 00:13:35,022
Three weeks ago.

302

00:13:36,565 --> 00:13:37,399
Stalker.

303

00:13:37,483 --> 00:13:38,609
[chuckles]

304

00:13:38,901 --> 00:13:39,902
Um...

305

00:13:40,110 --> 00:13:42,154
Well, I can't deny
you did make an impression.

306

00:13:42,238 --> 00:13:43,155
Oh.

307

00:13:43,614 --> 00:13:46,992
I left a little footprint on the soft,
Alabama soil of your brain.

308

00:13:47,535 --> 00:13:48,744
You remember where I'm from.

309

00:13:49,620 --> 00:13:51,038
Not exactly.

310

00:13:51,372 --> 00:13:54,375
Your accent says "dumb state,"
and I was going alphabetically.

311
00:13:55,376 --> 00:13:58,546
So, can I offer you a little "ack-eye"?

312
00:13:59,338 --> 00:14:00,548
Oh. [chuckles]

313
00:14:00,631 --> 00:14:02,550
Well, that's part of the reason
why I'm here.

314
00:14:03,425 --> 00:14:06,846
Last time we spoke,
I learned I might be saying that wrong.

315
00:14:06,929 --> 00:14:08,305
No!

316
00:14:08,389 --> 00:14:09,473
Fake news.

317
00:14:09,557 --> 00:14:10,808
[chuckles]

318
00:14:11,183 --> 00:14:13,477
It is pronounced "ah-sigh-ee."

319
00:14:15,229 --> 00:14:16,647
Look at you.

320
00:14:17,106 --> 00:14:20,234
You practiced in the mirror,
and you nailed it.

321
00:14:20,317 --> 00:14:24,238
For that,
you have earned the sacred berry bowl.

322
00:14:25,155 --> 00:14:28,033
Crowned with the Crunch of Capitan.

323
00:14:29,535 --> 00:14:30,494

You remembered my order.

324

00:14:30,578 --> 00:14:33,831
Yes, Duncan, it's hard to forget
the sight of a grown man

325

00:14:33,914 --> 00:14:36,166
ordering children's cereal
as a dessert topping.

326

00:14:36,584 --> 00:14:38,043
And you remembered my name.

327

00:14:40,129 --> 00:14:44,216
Well, we do try to make it special
here at Meal Armstrong.

328

00:14:44,300 --> 00:14:45,676
Formerly Orion's Melt.

329

00:14:45,759 --> 00:14:47,845
Formerly Area Fifty Yum.

330

00:14:49,972 --> 00:14:52,057
Y'all come back
and order some more, ya hear?

331

00:14:59,565 --> 00:15:01,525
Yo. What's up, nerds? What do you want?

332

00:15:02,902 --> 00:15:04,695
There, I knew it.
He's doing something with his phone.

333

00:15:04,778 --> 00:15:06,280
-Grab it!
-Hey. Come on.

334

00:15:06,363 --> 00:15:07,531
-Get it from him.
-Wait.

335

00:15:07,615 --> 00:15:09,658
Get his thumb on the screen.

336
00:15:09,742 --> 00:15:12,536
Open the screen. Get his thumb down.
Put his thumb on the screen.

337
00:15:12,620 --> 00:15:13,871
[grunting]

338
00:15:13,954 --> 00:15:14,788
All right, good.

339
00:15:14,872 --> 00:15:17,333
Okay, let's see
who you've been feeding information to.

340
00:15:17,416 --> 00:15:19,668
Prime Minister Modi, perhaps?

341
00:15:19,752 --> 00:15:21,128
Go to texts...

342
00:15:21,629 --> 00:15:22,796
Kick Grabaston?

343
00:15:22,880 --> 00:15:24,298
The Air Force? What the hell?

344
00:15:24,381 --> 00:15:26,634
-All right, those are confidential.
-Not anymore.

345
00:15:27,718 --> 00:15:31,221
"Mark's wife had to go
to maximum security prison

346
00:15:31,305 --> 00:15:32,932
just to escape her marriage"?

347
00:15:33,807 --> 00:15:36,226
Actually,

she committed a very serious crime.

348

00:15:36,310 --> 00:15:38,187

-Okay, can I have my phone back?

-No, get away. Get away.

349

00:15:38,687 --> 00:15:39,897

This is from Kick.

350

00:15:39,980 --> 00:15:42,274

"Mark is the appendix of Space Force.

351

00:15:42,358 --> 00:15:43,442

Useless.

352

00:15:43,525 --> 00:15:45,235

And one day it will explode."

353

00:15:45,319 --> 00:15:47,321

You might wanna let your pen pal know

354

00:15:47,404 --> 00:15:50,699

the appendix is a safe house
for good bacteria.

355

00:15:50,783 --> 00:15:51,825

[Mark] Thank you, Adrian.

356

00:15:51,909 --> 00:15:54,912

Let's see how it works
when I text him back as you.

357

00:15:55,412 --> 00:16:02,211

"Naird is handling
this India crisis brilliantly."

358

00:16:02,962 --> 00:16:04,129

[phone chimes]

359

00:16:04,546 --> 00:16:05,381

He's responding.

360
00:16:06,507 --> 00:16:07,675
[phone chimes]

361
00:16:07,758 --> 00:16:09,343
"Naird, is that you?" Shit.

362
00:16:09,426 --> 00:16:12,221
But he has to think
it's written by Baxter.

363
00:16:12,304 --> 00:16:13,639
So insult yourself.

364
00:16:13,722 --> 00:16:14,932
-Insult myself?
-Just--

365
00:16:15,015 --> 00:16:16,642
Voice to text.

366
00:16:16,725 --> 00:16:20,270
Mark is a little chunk ball
who looks like Uncle Fester

367
00:16:20,354 --> 00:16:21,730
with an ass so tight,

368
00:16:21,814 --> 00:16:24,316
he can make diamonds
from the corn in his turds.

369
00:16:24,400 --> 00:16:25,567
-Jesus, Adrian.
-Send.

370
00:16:25,651 --> 00:16:26,652
-Well--
-Come on.

371
00:16:26,735 --> 00:16:27,820
-[phone chimes]
-He wrote back.

372

00:16:27,903 --> 00:16:29,863
-[laughing] "LOL."
-Okay.

373

00:16:29,947 --> 00:16:31,824
Yeah. No. You know what?
Let's ram it home.

374

00:16:31,907 --> 00:16:33,409
What did Chan say about you?

375

00:16:33,492 --> 00:16:34,493
Enough, enough, enough.

376

00:16:34,576 --> 00:16:37,871
So you're not spying for India,
but you are spying for Kick.

377

00:16:38,038 --> 00:16:39,832
And I don't know which one is worse.

378

00:16:40,040 --> 00:16:42,167
I'm transferring you to Space Fence.

379

00:16:42,251 --> 00:16:43,252
Wait. Isn't that--

380

00:16:43,335 --> 00:16:47,047
Yeah, yeah, it's a monitoring station
on an island in the South Pacific,

381

00:16:47,131 --> 00:16:50,092
and, at high tide, it is mostly submerged.

382

00:16:50,175 --> 00:16:53,387
So I suggest that when you get down there,
you take the top bunk.

383

00:16:55,014 --> 00:16:56,515
I never did like Baxter.

384
00:16:56,598 --> 00:16:59,518
He eats a burrito
like he's slowly undressing it.

385
00:16:59,601 --> 00:17:00,436
Oof.

386
00:17:00,519 --> 00:17:02,354
-Who's next?
-Gentlemen.

387
00:17:02,938 --> 00:17:05,274
General, let me say I am very sorry

388
00:17:05,357 --> 00:17:08,318
for canceled sex visit
with your convict wife.

389
00:17:08,402 --> 00:17:10,821
-How do you know about that?
-From observation.

390
00:17:11,405 --> 00:17:12,406
The way you walk.

391
00:17:13,115 --> 00:17:14,658
[chuckles] Wait...

392
00:17:15,659 --> 00:17:16,785
you think I'm spy?

393
00:17:16,869 --> 00:17:18,912
The thought has crossed our minds, yeah.

394
00:17:18,996 --> 00:17:20,622
[laughs]

395
00:17:21,915 --> 00:17:25,627
Please, my phone doesn't stop ringing.

396
00:17:26,128 --> 00:17:30,007

Like, "Yuri, why does India have Pegasus
and not Russia?"

397

00:17:30,090 --> 00:17:31,133
What are we paying you for?"

398

00:17:31,633 --> 00:17:33,886
"Mr. President, Father, I am sorry."

399

00:17:33,969 --> 00:17:34,970
You see?

400

00:17:35,054 --> 00:17:37,139
Our interests, the same.

401

00:17:37,222 --> 00:17:38,599
Let Bobby help you.

402

00:17:38,932 --> 00:17:41,727
You don't need an advanced degree
to be FBI.

403

00:17:41,810 --> 00:17:43,187
Actually, you do.

404

00:17:43,270 --> 00:17:45,272
Most of them
are either lawyers or accountants.

405

00:17:45,355 --> 00:17:48,859
It's amusing
you consider those advanced degrees.

406

00:17:49,276 --> 00:17:51,070
[Mark] So what do you think we should do?

407

00:17:51,653 --> 00:17:54,198
Do you have
all the security cameras checked?

408

00:17:54,281 --> 00:17:55,365
We have.

409
00:17:55,616 --> 00:17:56,867
They weren't helpful.

410
00:17:56,950 --> 00:18:00,579
Then ask yourself who installed them.

411
00:18:01,080 --> 00:18:01,997
Huh?

412
00:18:02,081 --> 00:18:03,207
[imitates machine gun]

413
00:18:04,208 --> 00:18:06,543
Civilian contractor, Kelly King.

414
00:18:08,337 --> 00:18:09,379
He has a point.

415
00:18:09,463 --> 00:18:10,631
-Kelly?
-Maybe.

416
00:18:10,714 --> 00:18:11,799
She's so nice.

417
00:18:11,882 --> 00:18:14,259
I don't think it could be her.

418
00:18:14,343 --> 00:18:15,844
-[Mallory] No.
-[Mark] Kelly?

419
00:18:15,928 --> 00:18:18,680
-Yeah.
-Kelly? Huh? Mmm.

420
00:18:18,764 --> 00:18:20,724
Get your fuckin' feet off the table.

421
00:18:24,103 --> 00:18:26,480

Okay, to figure out what the president
would want for his birthday,

422

00:18:26,563 --> 00:18:27,940
we have to think like him.

423

00:18:28,023 --> 00:18:28,941
-Okay.
-[Tony] Go.

424

00:18:29,024 --> 00:18:31,527
"I'm the President. I implement new laws.

425

00:18:31,610 --> 00:18:34,530
-And I appoint heads of federal agencies."
-Holy shit. You're terrible at this.

426

00:18:34,613 --> 00:18:35,989
Okay, what about this?

427

00:18:36,073 --> 00:18:40,702
Is there some sort of liquid or serum
that turns an old man into a young person?

428

00:18:40,786 --> 00:18:43,664
What are stem cells?
Blood of a young thing? Like a baby?

429

00:18:43,747 --> 00:18:46,250
Doesn't work that way,
and it's morally questionable.

430

00:18:46,333 --> 00:18:48,168
I'm not trying to say
all the blood of a baby.

431

00:18:48,252 --> 00:18:51,088
Just, like, a little bit of blood
from a lot of different babies.

432

00:18:51,171 --> 00:18:54,800
Nobody's using all of their blood,
and I'm talking about the best babies.

433

00:18:55,467 --> 00:18:58,345
Okay, I'm not explaining it right,
but you're not even giving me a chance.

434

00:18:58,428 --> 00:19:01,098
-Because it's horrible.
-Okay, why don't you say something then?

435

00:19:01,765 --> 00:19:04,351
"I'm in the Oval Office.
A bill comes to my desk,

436

00:19:04,434 --> 00:19:07,146
I pass it into law
because that is my constitutional role."

437

00:19:07,229 --> 00:19:08,689
Fuck, I am bad at this.

438

00:19:08,772 --> 00:19:10,440
It's insane to me
that you have degrees in things.

439

00:19:10,524 --> 00:19:12,526
[dramatic music playing]

440

00:19:28,500 --> 00:19:30,294
-[brakes screeching]
-Oh. Excuse me.

441

00:19:30,377 --> 00:19:32,629
-[Mark] Ms. King!
-General Naird. Is everything all right?

442

00:19:32,713 --> 00:19:35,257
Yeah, I just happened
to be in the neighborhood,

443

00:19:35,340 --> 00:19:36,717
investigating some treason,

444

00:19:36,800 --> 00:19:38,760
and I thought I'd stop by and say hello.

445
00:19:38,844 --> 00:19:41,180
Oh. Uh.. okay. Hello.

446
00:19:41,263 --> 00:19:42,139
Hello.

447
00:19:42,639 --> 00:19:44,057
Are-- Treason, did you say?

448
00:19:44,141 --> 00:19:46,226
Yeah. Yeah. Probably.

449
00:19:46,310 --> 00:19:47,186
Little bit. Yep.

450
00:19:47,269 --> 00:19:49,021
-Little bit of treason?
-Perhaps.

451
00:19:49,104 --> 00:19:51,356
[chuckles] All right.
Well, I'm not involved, right?

452
00:19:51,440 --> 00:19:53,192
We don't know. We'll see.

453
00:19:53,775 --> 00:19:55,319
-Can I talk to you for a minute?
-Sure.

454
00:19:55,402 --> 00:19:56,737
-Can't wait.
-All right.

455
00:19:57,446 --> 00:20:00,032
In your video system,
are there any blind spots?

456
00:20:00,115 --> 00:20:00,949

No.

457

00:20:01,033 --> 00:20:04,995
Is there any way to physically photograph
the Pegasus without being recorded?

458

00:20:05,078 --> 00:20:10,334
No. Unless you had the password
and access to the system to reset after.

459

00:20:10,417 --> 00:20:12,669
-Does anybody have that?
-Just you.

460

00:20:13,795 --> 00:20:14,838
You set it up for me.

461

00:20:16,048 --> 00:20:18,008
-Well, yeah.
-So you have it too.

462

00:20:18,592 --> 00:20:20,177
Okay, should I get a lawyer?

463

00:20:21,345 --> 00:20:22,221
[snaps]

464

00:20:23,388 --> 00:20:25,641
Do you mind
if I look into your eyes for a moment?

465

00:20:26,350 --> 00:20:28,477
Uh, no. Okay.

466

00:20:35,943 --> 00:20:36,944
[chuckles softly]

467

00:20:42,366 --> 00:20:44,368
-Okay. You're good.
-Okay.

468

00:20:44,451 --> 00:20:46,578

-Sorry about this.
-No, no. [clears throat]

469
00:20:46,662 --> 00:20:49,790
Oh, some dipshit
gave the Pegasus to India.

470
00:20:49,873 --> 00:20:51,208
Oh, motherfuckers.

471
00:20:51,291 --> 00:20:53,210
-Yeah.
-Sorry you're going through this.

472
00:20:53,293 --> 00:20:56,213
Well, maybe it's all for the best,
you know?

473
00:20:56,296 --> 00:20:58,173
Otherwise,
I wouldn't have been able to drop by.

474
00:20:58,257 --> 00:20:59,841
-Well, not for the best.
-No. Right.

475
00:20:59,925 --> 00:21:03,428
I mean, it's a huge breach,
so national security...

476
00:21:03,512 --> 00:21:05,597
-Yeah. Treason, and...
-Yes, it is.

477
00:21:05,681 --> 00:21:08,141
-All right.
-I hope you find the person, so I...

478
00:21:08,225 --> 00:21:09,601
-I gotta go. See ya later.
-All right.

479
00:21:09,685 --> 00:21:10,978

-Bye-bye.
-Stop by--

480
00:21:11,561 --> 00:21:12,646
Oh, God.

481
00:21:12,729 --> 00:21:14,439
[sighing]

482
00:21:14,731 --> 00:21:16,108
We're getting nowhere.

483
00:21:16,191 --> 00:21:18,902
Agreed. Maybe we should put a stop to it.

484
00:21:21,822 --> 00:21:23,490
-Who, me?
-Hmm?

485
00:21:23,615 --> 00:21:25,158
Or him? What are-- Who--

486
00:21:28,578 --> 00:21:30,747
What-- What are you saying?

487
00:21:31,498 --> 00:21:33,166
Oh, my God. I'll be right back.

488
00:21:34,751 --> 00:21:38,422
-Why don't you just walk in the room?
-It's about Dr. Mallory.

489
00:21:38,505 --> 00:21:40,090
-What about him?
-Act natural.

490
00:21:40,173 --> 00:21:42,384
Like I just said something
to make you laugh.

491
00:21:42,467 --> 00:21:45,637
[Brad laughs]

492
00:21:45,887 --> 00:21:47,472
[Mark chuckles flatly]

493
00:21:48,223 --> 00:21:49,474
[Brad continues laughing]

494
00:21:49,558 --> 00:21:51,268
-What are we doing?
-I don't know, sir.

495
00:21:51,768 --> 00:21:52,936
I spoke to Wolf in IT.

496
00:21:53,478 --> 00:21:55,355
Two hours ago, Mallory sent an email

497
00:21:55,439 --> 00:21:58,150
to a random EarthLink address
with the message,

498
00:21:58,233 --> 00:22:01,570
"Searching our computers here.
Can't keep this on mine."

499
00:22:02,070 --> 00:22:03,488
-Are you serious?
-Yes.

500
00:22:03,572 --> 00:22:05,866
Attached to the email
was a large video file.

501
00:22:05,949 --> 00:22:06,908
Double encrypted.

502
00:22:06,992 --> 00:22:08,535
What the hell do you think
he's trying to hide?

503
00:22:08,618 --> 00:22:09,828
I don't know. But laugh again.

504

00:22:09,911 --> 00:22:11,913
-[both laughing loudly]
-That's good.

505

00:22:11,997 --> 00:22:13,498
That is funny, sir.

506

00:22:13,582 --> 00:22:14,750
Mm-hmm.

507

00:22:14,875 --> 00:22:17,419
Yeah. Yes, I made a joke.
And that's funny.

508

00:22:17,502 --> 00:22:18,920
Yes. You did.

509

00:22:19,796 --> 00:22:20,672
All right.

510

00:22:21,256 --> 00:22:22,382
-Sorry.
-Yeah.

511

00:22:22,924 --> 00:22:24,217
Good joke, Brad.

512

00:22:25,344 --> 00:22:26,887
Brad is so funny.

513

00:22:27,929 --> 00:22:29,556
Is he really a general?

514

00:22:29,639 --> 00:22:30,557
Yes.

515

00:22:30,640 --> 00:22:32,642
That's unfortunate. What was that about?

516

00:22:33,226 --> 00:22:36,021

Nothing.
