

**N** SERIES

# SPACE FORCE

**CREATED BY**

Steve Carell | Greg Daniels

**EPISODE 1.07**

**"Edison Jaymes"**

A heavily hyped entrepreneur offers to let Space Force use her revolutionary rocket fuel. Dr. Chan gives Captain Ali a crash course in botany.

**WRITTEN BY:**

Yael Green

**DIRECTED BY:**

Jeff Blitz

**ORIGINAL BROADCAST:**

May 29, 2020

**NOTE:** This is a transcription of the spoken dialogue and audio, with time-code reference, provided without cost by 8FLiX.com for your entertainment, convenience, and study. **MAIN EPISODE CAST**

Steve Carell	...	General Mark R. Naird
John Malkovich	...	Dr. Adrian Mallory
Ben Schwartz	...	F. Tony Scarapiducci
Diana Silvers	...	Erin Naird
Tawny Newsome	...	Captain Angela Ali
Spencer House	...	Duncan Tabner
Kaitlin Olson	...	Edison Jaymes
Fred Willard	...	Fred Naird
Jimmy O. Yang	...	Dr. Chan Kaifang
Janina Gavankar	...	Hannah Howard
Punam Patel	...	Ranatunga
Marc Sully Saint-Fleur	...	Jean Baptiste Bosou

1

00:00:10,135 --> 00:00:13,930  
[rocket engine whooshing]

2

00:00:16,433 --> 00:00:19,019  
[soldiers singing indistinctly]

3

00:00:21,521 --> 00:00:22,981  
[cell phone buzzing, dinging]

4

00:00:31,906 --> 00:00:35,035  
POTUS is still mad  
about the whole India thing.

5

00:00:35,118 --> 00:00:38,913  
So, as punishment, he wants us  
to partner with private industry.

6

00:00:38,997 --> 00:00:43,460  
Specifically, he wants us  
to use this tech guru's new fuel

7

00:00:43,543 --> 00:00:45,295  
in the lunar satellite launch.

8

00:00:45,545 --> 00:00:46,546  
Not her.

9

00:00:48,006 --> 00:00:49,966  
Ed... Edison Jaymes?  
Are you kidding me?

10

00:00:50,050 --> 00:00:53,553  
No. She's gonna be here in a few minutes  
to inspect the base

11

00:00:53,928 --> 00:00:56,681  
and make sure  
that we are worthy of her product.

12

00:00:56,765 --> 00:00:57,724  
I read about that.

13

00:00:57,807 --> 00:01:01,936  
It's supposedly half as heavy  
as normal fuel, and no pollutants.

14

00:01:02,020 --> 00:01:03,730  
I mean, that would be a game changer.

15

00:01:03,813 --> 00:01:07,358  
God, I am so sick of people  
fawning over these young tech moguls.

16

00:01:07,442 --> 00:01:09,194  
The government is plenty innovative.

17

00:01:09,277 --> 00:01:11,988  
Did you know that the US Postal Service

18

00:01:12,072 --> 00:01:14,157  
issues a new Christmas stamp  
every Christmas

19

00:01:14,240 --> 00:01:16,409  
and has done so for the past 200 years?

20

00:01:16,826 --> 00:01:19,496  
Mark, I don't think the Postal Service  
still exists.

21

00:01:20,747 --> 00:01:22,540  
-Well, I think they do.  
-No.

22

00:01:22,624 --> 00:01:24,959  
Where do you think our funding came from?

23

00:01:29,172 --> 00:01:30,298  
Hmm.

24

00:01:33,885 --> 00:01:34,928  
She's late.

25

00:01:35,178 --> 00:01:36,471  
She's too rich to be late.

26

00:01:36,554 --> 00:01:38,181  
Rich people are such babies.

27

00:01:44,354 --> 00:01:45,438  
[Mark] There she is.

28

00:01:45,772 --> 00:01:49,275  
Well, jeans  
and \$100,000 worth of diamonds.

29

00:01:49,359 --> 00:01:50,401  
That's a good look.

30

00:01:50,485 --> 00:01:51,903  
It's a confusing look.

31

00:01:51,986 --> 00:01:55,657  
I don't know whether she's going  
to Cinderella's ball or a pig roast.

32

00:01:56,366 --> 00:01:58,284  
Fuck. Fuck me.

33

00:01:58,368 --> 00:02:00,161  
[Mark] You bite the inside of your mouth?  
I've done that.

34

00:02:00,245 --> 00:02:02,372  
No. That's Hannah Howard.

35

00:02:02,789 --> 00:02:04,290  
We came up in the PR world together.

36

00:02:04,374 --> 00:02:07,585  
She single-handedly orchestrated  
my dismissal from American Apparel

37

00:02:07,669 --> 00:02:10,046  
by leaking my text messages.

38

00:02:10,505 --> 00:02:13,842  
She is by far the worst person  
I have ever met in my entire life.

39

00:02:14,259 --> 00:02:15,135  
Hannah!

40

00:02:15,218 --> 00:02:16,845  
Oh, my God, I'm coming down.

41

00:02:16,928 --> 00:02:18,012  
You look amazing!

42

00:02:18,388 --> 00:02:19,514  
[Mallory] Ms. Jaymes?

43

00:02:22,684 --> 00:02:24,394  
Here he is. [chuckles]

44

00:02:24,561 --> 00:02:25,520  
Nice to meet you.

45

00:02:25,603 --> 00:02:26,855  
-General Naird.  
-Welcome to Space--

46

00:02:26,938 --> 00:02:28,857  
-Ah-ah.  
-[camera clicks]

47

00:02:29,649 --> 00:02:30,650  
Good to tweet?

48

00:02:31,359 --> 00:02:33,069  
-Yes, with the usual adjustments.  
-Of course.

49

00:02:33,778 --> 00:02:36,197  
When POTUS called me  
and asked me to help you guys out,

50

00:02:36,281 --> 00:02:37,198  
I was stoked.

51

00:02:37,615 --> 00:02:40,535  
I was stoked as well. And... amped.

52

00:02:40,952 --> 00:02:45,290  
Yeah. Not just for our country,  
but my rocket fuel needs customers.

53

00:02:45,373 --> 00:02:48,084  
And you'll have to forgive me  
if I sound like a woman on a mission,

54

00:02:48,918 --> 00:02:49,836  
but I am one.

55

00:02:50,962 --> 00:02:54,924  
You see, my fuel  
makes your rocket burn more cleanly.

56

00:02:55,842 --> 00:02:56,801  
Well done.

57

00:02:57,552 --> 00:02:58,636  
Oh, please.

58

00:03:00,263 --> 00:03:02,140  
[Fred on phone]  
Have you made any new friends yet?

59

00:03:02,223 --> 00:03:03,308  
No, Grandpa.

60

00:03:03,600 --> 00:03:05,310  
I still have my old friends in DC.

61

00:03:05,393 --> 00:03:06,394  
No, you don't.

62

00:03:06,811 --> 00:03:08,771

People move on fast at your age.

63

00:03:09,439 --> 00:03:12,525

I can't name one friend  
I had in high school.

64

00:03:12,609 --> 00:03:14,569

Oh, I'm guessing there was an Al.

65

00:03:15,153 --> 00:03:16,863

-There were a lot of Als back then.  
-[grunting]

66

00:03:17,363 --> 00:03:18,990

Most of them died during the war, though.

67

00:03:19,073 --> 00:03:20,200

[moaning]

68

00:03:20,283 --> 00:03:21,868

That's why there's no more Als.

69

00:03:22,869 --> 00:03:23,703

Cool.

70

00:03:24,287 --> 00:03:25,538

[Fred] Hey, put your mom on.

71

00:03:26,372 --> 00:03:28,833

My phone's at one percent,  
and Mom's in prison.

72

00:03:28,917 --> 00:03:30,043

Oh, my gosh.

73

00:03:30,293 --> 00:03:32,337

Darling,  
you've got to keep your phone char--

74

00:03:35,298 --> 00:03:36,132

Great.

75  
00:04:02,742 --> 00:04:03,701  
Nice.

76  
00:04:04,452 --> 00:04:05,370  
Very...

77  
00:04:06,496 --> 00:04:07,372  
very...

78  
00:04:08,414 --> 00:04:09,749  
nice.

79  
00:04:24,639 --> 00:04:26,516  
[exhales]

80  
00:04:29,852 --> 00:04:31,437  
Ooh. Fancy.

81  
00:04:31,521 --> 00:04:32,563  
-[knocking]  
-Ah!

82  
00:04:32,647 --> 00:04:34,274  
License and registration, miss!

83  
00:04:35,441 --> 00:04:36,567  
-[laughs]  
-Jesus Christ!

84  
00:04:36,651 --> 00:04:38,444  
Duncan, you scared the shit out of me!

85  
00:04:38,528 --> 00:04:39,821  
Oh, I'm sorry.

86  
00:04:40,238 --> 00:04:42,073  
-Should I get rags or paper towels?  
-Oh, no.

87  
00:04:42,156 --> 00:04:44,409  
-My mom hates wasting paper towels...

-Oh, no, no.

88

00:04:44,492 --> 00:04:46,703  
...but folks don't sell rags in Colorado--

89

00:04:46,786 --> 00:04:48,079  
Oh, just move. Move, move, move!

90

00:04:48,162 --> 00:04:49,914  
Just go. Go, go, go!

91

00:04:51,332 --> 00:04:55,169  
This is a sample  
of the treatment I recently developed

92

00:04:55,253 --> 00:04:58,214  
for methicillin-resistant pathogens  
in space.

93

00:04:58,298 --> 00:05:02,010  
Bleh. God, that thing. Six months  
and a bunch of rats over budget.

94

00:05:02,885 --> 00:05:04,721  
At the biotech arm of Edison Jaymes,

95

00:05:04,804 --> 00:05:07,682  
it would have taken us half the time  
and a quarter of the rats.

96

00:05:08,099 --> 00:05:11,185  
Well, always said  
we spend way too much money on the rats.

97

00:05:11,269 --> 00:05:12,854  
Well, it didn't take that long.

98

00:05:13,396 --> 00:05:16,816  
I did invent a medicine, after all.

99

00:05:17,233 --> 00:05:19,485  
Thank you for signing these NDAs.

Standard procedure.

100

00:05:19,569 --> 00:05:22,280  
Thank you for signing these NDAs.  
You get it. [laughs]

101

00:05:22,363 --> 00:05:24,240  
You know what an NDA is,  
don't you, Scarapiducci?

102

00:05:24,324 --> 00:05:27,285  
So cute. You know what?  
Ours don't even need to be signed.

103

00:05:27,368 --> 00:05:30,413  
-You sign them just by being here.  
-Hmm. Never heard of that.

104

00:05:30,496 --> 00:05:33,583  
What you don't know about this place  
could fill a giant underground silo

105

00:05:33,666 --> 00:05:35,001  
that you don't even know exists.

106

00:05:35,084 --> 00:05:36,711  
Mm. Is that where they keep your office?

107

00:05:37,378 --> 00:05:38,212  
No.

108

00:05:41,174 --> 00:05:43,593  
Hey!  
I heard you know some shit about plants.

109

00:05:43,843 --> 00:05:44,927  
Hmm. Let's see.

110

00:05:45,011 --> 00:05:47,138  
I'm an astrobotanist  
with an advanced degree

111

00:05:47,221 --> 00:05:50,391  
in cross-pollination  
and dry terrain root systems.

112  
00:05:50,475 --> 00:05:51,309  
What does that mean?

113  
00:05:51,893 --> 00:05:53,811  
I know some shit about plants.

114  
00:05:54,103 --> 00:05:55,146  
Sorry. Who are you?

115  
00:05:55,229 --> 00:05:56,773  
I'm Captain Angela Ali.

116  
00:05:58,316 --> 00:05:59,859  
I wanna learn astrobotany.

117  
00:06:00,360 --> 00:06:01,402  
For fun.

118  
00:06:01,486 --> 00:06:03,738  
Well, I'm not a science tutor.

119  
00:06:04,113 --> 00:06:05,823  
Well, I'll pay you 50 bucks an hour.

120  
00:06:06,532 --> 00:06:08,659  
I could do every day from noon to one.

121  
00:06:08,743 --> 00:06:11,704  
Great. Meet me here. Please be organized,  
be prepped, and be early.

122  
00:06:11,788 --> 00:06:14,707  
I really don't wanna pay for, like,  
"Hi, how are you, weather" bullshit.

123  
00:06:14,791 --> 00:06:18,252  
Cool! I haven't started,  
and I already wanna quit.

124  
00:06:18,336 --> 00:06:19,921  
So glad I made this choice.

125  
00:06:20,004 --> 00:06:20,838  
Yeah.

126  
00:06:20,922 --> 00:06:21,756  
Me too.

127  
00:06:24,717 --> 00:06:25,802  
[controlled exhale]

128  
00:06:25,885 --> 00:06:26,719  
[Edison] Wow.

129  
00:06:27,261 --> 00:06:29,305  
Which one of these awards  
means the most to you?

130  
00:06:31,140 --> 00:06:32,141  
Bronze Star.

131  
00:06:32,850 --> 00:06:36,896  
I was shot down over Bosnia,  
survived on worms for six days.

132  
00:06:36,979 --> 00:06:37,814  
Oh, I did that.

133  
00:06:37,897 --> 00:06:39,607  
-On an episode of Bear Grylls.  
-Oh.

134  
00:06:39,690 --> 00:06:41,234  
Yeah. Very keto.

135  
00:06:41,651 --> 00:06:42,527  
Okay.

136  
00:06:44,362 --> 00:06:48,199

I used a sponge to collect rainwater  
and store it in plastic bags.

137

00:06:49,158 --> 00:06:51,035  
Where did you get a sponge  
and plastic bags?

138

00:06:51,536 --> 00:06:52,578  
Piddle pack.

139

00:06:53,454 --> 00:06:55,373  
Pilots use them to relieve themselves.

140

00:06:56,082 --> 00:06:57,125  
Sexually.

141

00:06:57,417 --> 00:06:58,251  
[sighs]

142

00:06:58,334 --> 00:07:01,504  
Mmm, no, no. Like going to the bathroom.

143

00:07:02,713 --> 00:07:03,840  
Oh, my God.

144

00:07:05,133 --> 00:07:07,051  
General Mark Naird,  
do you know what you are?

145

00:07:07,135 --> 00:07:08,136  
No, no, no, no.

146

00:07:08,219 --> 00:07:09,387  
I am not a deviant.

147

00:07:09,470 --> 00:07:12,807  
I didn't pee on the sponge and then use  
that same sponge to collect rainwater.

148

00:07:12,890 --> 00:07:15,560  
-That's not my thing.  
-Right. No. No.

149

00:07:16,310 --> 00:07:18,521  
You are an innovator!

150

00:07:18,729 --> 00:07:20,148  
[chuckles] Oh, okay.

151

00:07:20,231 --> 00:07:21,232  
-You are.  
-Yeah.

152

00:07:21,315 --> 00:07:22,442  
-Well...  
-Think about it.

153

00:07:22,525 --> 00:07:23,818  
That was very MacGyver.

154

00:07:24,235 --> 00:07:26,362  
If that's not innovation,  
then I don't even know what is.

155

00:07:26,446 --> 00:07:29,282  
I wouldn't really call it innovation.  
It was just something that I did.

156

00:07:29,365 --> 00:07:30,658  
It was just using the tools

157

00:07:30,741 --> 00:07:32,535  
-that I had at my disposal.  
-Come on.

158

00:07:33,035 --> 00:07:34,036  
[clears throat]

159

00:07:34,120 --> 00:07:35,580  
I have an idea, from time to time.

160

00:07:35,663 --> 00:07:39,250  
-I had a feeling.  
-I am not a tech whiz like you,

161

00:07:39,333 --> 00:07:41,085  
but I think of some things.

162

00:07:41,169 --> 00:07:43,588  
-Tell me. Tell me!  
-No. No, they're silly.

163

00:07:44,547 --> 00:07:45,465  
I wanna hear.

164

00:07:46,799 --> 00:07:47,758  
Okay.

165

00:07:49,135 --> 00:07:51,512  
So you know how people shake hands  
all over the world?

166

00:07:51,596 --> 00:07:53,264  
-Mm-hmm.  
-It's a universal thing.

167

00:07:53,347 --> 00:07:56,684  
It is a sign of respect, decency.

168

00:07:57,518 --> 00:07:59,562  
Yeah. It's a normal human handshake.

169

00:07:59,645 --> 00:08:02,064  
Exactly. So imagine a device,

170

00:08:02,440 --> 00:08:05,818  
like a mannequin, with a shakable arm.

171

00:08:06,235 --> 00:08:09,614  
And you put one in Times Square.  
You put one in Tiananmen Square.

172

00:08:09,697 --> 00:08:11,991  
It's all linked up technologically.

173

00:08:12,074 --> 00:08:13,701  
You've got video screens.

174

00:08:13,784 --> 00:08:16,454  
You can shake the hand  
of someone in China.

175

00:08:20,791 --> 00:08:22,668  
It's brilliant.

176

00:08:24,003 --> 00:08:26,631  
-Bringing strangers together.  
-That's exactly right!

177

00:08:26,797 --> 00:08:28,299  
-Mm-hmm.  
-That's what I've been saying!

178

00:08:28,382 --> 00:08:30,927  
-I love it.  
-Shaking hands across the world.

179

00:08:31,552 --> 00:08:32,845  
Will that be its name?

180

00:08:33,679 --> 00:08:34,639  
Yes.

181

00:08:35,056 --> 00:08:36,015  
It's good.

182

00:08:36,390 --> 00:08:39,352  
So-- And inside the booth,  
there's an attendant.

183

00:08:39,435 --> 00:08:42,855  
That precludes  
any sort of sexual shenanigans going on.

184

00:08:42,939 --> 00:08:43,940  
Mmm.

185

00:08:44,023 --> 00:08:45,399  
And you don't have to tip the attendant

186  
00:08:45,483 --> 00:08:47,485  
because it's part  
of the cost of admission.

187  
00:08:47,568 --> 00:08:48,444  
It's all covered.

188  
00:08:48,528 --> 00:08:49,403  
Okay.

189  
00:08:49,487 --> 00:08:52,406  
It sounds silly when you just say it  
to people, but it's...

190  
00:08:52,490 --> 00:08:53,533  
No! No, it does not.

191  
00:08:53,616 --> 00:08:55,952  
Mark, this is your vision.

192  
00:08:56,035 --> 00:08:57,328  
I don't want you to shame it.

193  
00:08:57,411 --> 00:08:58,788  
-[chuckling]  
-You believe in it,

194  
00:08:59,622 --> 00:09:01,290  
and you will change the world.

195  
00:09:02,833 --> 00:09:03,668  
Well...

196  
00:09:03,751 --> 00:09:04,669  
Oh.

197  
00:09:05,753 --> 00:09:06,796  
Wow.

198

00:09:07,004 --> 00:09:08,923  
[chuckling]

199

00:09:09,048 --> 00:09:11,217  
Okay. We need to get our stories straight.

200

00:09:11,884 --> 00:09:14,178  
The guy who spilled the soft serve

201

00:09:14,262 --> 00:09:17,974  
was a rich white guy  
in a "Where's Waldo" T-shirt.

202

00:09:18,391 --> 00:09:21,143  
See?  
That's so specific, people will buy it.

203

00:09:21,394 --> 00:09:23,479  
I don't know. I can't picture it.

204

00:09:24,230 --> 00:09:26,107  
You can't picture people believing it?

205

00:09:26,190 --> 00:09:27,984  
No, I can't picture  
what you're describing.

206

00:09:28,067 --> 00:09:29,694  
I don't have that ability.

207

00:09:31,362 --> 00:09:32,321  
Okay.

208

00:09:32,863 --> 00:09:33,864  
Close your eyes.

209

00:09:35,575 --> 00:09:37,326  
Ronald McDonald on a surfboard.

210

00:09:38,286 --> 00:09:39,203  
What do you see?

211  
00:09:39,829 --> 00:09:42,456  
Nothing.  
It's just like staring at a blank page.

212  
00:09:43,249 --> 00:09:44,625  
Oh, my God.

213  
00:09:45,376 --> 00:09:47,837  
You have no imagination. That's...

214  
00:09:48,546 --> 00:09:49,755  
That's adorable.

215  
00:09:50,881 --> 00:09:52,758  
Hey, it's a real condition.

216  
00:09:52,842 --> 00:09:54,176  
-Aphantasia.  
-Oh.

217  
00:09:54,260 --> 00:09:56,512  
Yes. Well, way to sell yourself.

218  
00:09:56,846 --> 00:09:58,681  
So, what are your strengths?

219  
00:09:58,764 --> 00:10:00,766  
Oh, that is one of my strengths.

220  
00:10:00,850 --> 00:10:02,602  
I can stare at a cereal box.

221  
00:10:02,685 --> 00:10:04,645  
That's like watching HBO to me.

222  
00:10:07,481 --> 00:10:11,736  
I can't wait to talk to you  
about the nuts and bolts of your fuel,

223  
00:10:11,819 --> 00:10:13,362

the actual chemistry.

224

00:10:13,446 --> 00:10:14,864  
Patience, Dr. Mallory.

225

00:10:14,947 --> 00:10:16,949  
I'm about to answer all of your questions.

226

00:10:17,491 --> 00:10:20,703  
In fact,  
may I invite you to a little barbecue?

227

00:10:26,500 --> 00:10:28,502  
-[clears throat] Your phone.  
-No, thank you.

228

00:10:28,878 --> 00:10:30,171  
You have to put it in the secure case,

229

00:10:30,254 --> 00:10:32,173  
which will open again  
after the demo is over.

230

00:10:32,256 --> 00:10:33,799  
No phones is part of the NDA you signed.

231

00:10:33,883 --> 00:10:35,217  
Yeah, no,  
I don't think I'll be doing that,

232

00:10:35,301 --> 00:10:37,637  
because the last time  
I handed you my phone,

233

00:10:37,720 --> 00:10:40,931  
I wasn't allowed within 300 feet  
of my own fucking office.

234

00:10:41,015 --> 00:10:43,559  
Are you still holding a grudge?  
Don't be petulant, Anthony.

235

00:10:43,643 --> 00:10:45,895  
"Don't be petulant, Anthony."  
You're a goblin.

236  
00:10:46,270 --> 00:10:47,271  
[clears throat]

237  
00:10:47,688 --> 00:10:49,607  
-What? What are you doing?  
-The ankle.

238  
00:10:50,066 --> 00:10:51,776  
-The holster on your ankle...  
-This is so--

239  
00:10:51,859 --> 00:10:53,569  
-...that you hand-stitched yourself.  
-This is stupid.

240  
00:10:53,653 --> 00:10:55,321  
You are pathetic. Jesus Christ.

241  
00:10:55,946 --> 00:10:57,239  
For generations,

242  
00:10:57,323 --> 00:11:00,534  
chemists have looked to the stars  
and asked a question:

243  
00:11:01,577 --> 00:11:05,623  
Can a fuel be created  
that consumes its own exhaust?

244  
00:11:06,582 --> 00:11:08,084  
Those chemists were men,

245  
00:11:08,542 --> 00:11:10,044  
and the answer was no.

246  
00:11:10,711 --> 00:11:11,962  
And then I came along.

247

00:11:12,338 --> 00:11:16,092  
Ladies and gentlemen,  
presenting Skinny Fuel...

248

00:11:16,759 --> 00:11:18,469  
a rosé colored rocket fuel

249

00:11:18,552 --> 00:11:23,641  
cheaper, lighter, and cleaner  
than any fuel ever created.

250

00:11:24,433 --> 00:11:27,144  
I can't help but be impressed.

251

00:11:27,561 --> 00:11:30,481  
-Thank you.  
-But it's just that NASA astrochemists

252

00:11:30,564 --> 00:11:32,983  
have been trying to concoct a solution

253

00:11:33,067 --> 00:11:35,486  
with the same end result for years,

254

00:11:35,569 --> 00:11:39,115  
so, what is the molecular structure,

255

00:11:39,198 --> 00:11:41,283  
and how did you arrive at it?

256

00:11:41,367 --> 00:11:42,660  
Excellent. Thank you.

257

00:11:43,327 --> 00:11:46,831  
Edison Jaymes  
is a publicly traded company,

258

00:11:46,914 --> 00:11:50,876  
and it would be unfair to our stockholders  
to share proprietary information.

259

00:11:50,960 --> 00:11:51,961

However...

260

00:11:52,628 --> 00:11:54,338  
I can demonstrate for you.

261

00:11:58,342 --> 00:11:59,677  
-This...  
-[BBQ ignites]

262

00:11:59,927 --> 00:12:01,846  
...regular Kingsford lighter fuel.

263

00:12:05,141 --> 00:12:05,975  
And this...

264

00:12:07,601 --> 00:12:08,811  
is Skinny Fuel.

265

00:12:10,146 --> 00:12:11,439  
[crowd gasps, murmurs]

266

00:12:11,522 --> 00:12:13,733  
[applause]

267

00:12:14,859 --> 00:12:15,693  
Thank you.

268

00:12:18,237 --> 00:12:22,366  
So, why won't she be open  
about the chemistry?

269

00:12:22,575 --> 00:12:24,201  
That seems really sketchy.

270

00:12:24,285 --> 00:12:25,870  
You're not jealous, are you?

271

00:12:25,953 --> 00:12:28,998  
Just because she answered the question  
no male scientist could?

272

00:12:29,081 --> 00:12:30,708  
Excuse me, Mark,

273

00:12:30,791 --> 00:12:34,670  
I'm on the board  
of Cincinnati Women in STEM.

274

00:12:34,754 --> 00:12:36,672  
This is about the science.

275

00:12:37,506 --> 00:12:39,341  
I think she covered it  
with her presentation.

276

00:12:39,425 --> 00:12:40,843  
No, she told us nothing.

277

00:12:40,926 --> 00:12:42,803  
She doesn't even need the fuel to work.

278

00:12:42,887 --> 00:12:48,142  
She can fundraise off the mere fact  
of having gotten her fuel into a rocket,

279

00:12:48,225 --> 00:12:51,145  
and then she can always blame us  
if it all goes sideways.

280

00:12:51,228 --> 00:12:52,271  
This is classic.

281

00:12:52,354 --> 00:12:54,690  
As soon as somebody thinks  
that I am smart,

282

00:12:54,774 --> 00:12:56,233  
you decide that they are dumb.

283

00:12:57,234 --> 00:12:59,487  
What did you discuss in here, exactly?

284

00:12:59,904 --> 00:13:03,115

Noth-- We just exchanged some ideas,  
I offered some of mine.

285

00:13:03,199 --> 00:13:05,910  
Such as... what? The six-day workweek?

286

00:13:05,993 --> 00:13:08,412  
The pear-grape hybrid?

287

00:13:10,623 --> 00:13:16,086  
Did you discuss with her  
your idea for a handshaking machine,

288

00:13:16,170 --> 00:13:21,842  
which I swear to you,  
people will only use to jerk off into?

289

00:13:22,468 --> 00:13:26,013  
I added an attendant  
after your feedback, Adrian.

290

00:13:26,096 --> 00:13:27,681  
[laughing]

291

00:13:27,765 --> 00:13:29,892  
Look, I am the one who is in charge here.

292

00:13:29,975 --> 00:13:32,228  
We're going with the Skinny Fuel.  
That's final.

293

00:13:32,311 --> 00:13:33,270  
Damn it.

294

00:13:33,646 --> 00:13:35,397  
-Adrian. Adrian! Wait.  
-What?

295

00:13:36,357 --> 00:13:38,359  
Are we still going tie shopping later  
at Walmart?

296

00:13:38,442 --> 00:13:40,528  
My conjugal visit is next week.

297

00:13:40,903 --> 00:13:43,072  
No. You have great ideas. You go.

298

00:13:43,781 --> 00:13:46,951  
And anyway,  
they have fantastic fashion consultants.

299

00:13:47,034 --> 00:13:49,203  
They're the ones wearing the red vests.

300

00:13:49,286 --> 00:13:50,329  
[Mark] You dick.

301

00:13:54,041 --> 00:13:55,042  
I hope I'm not interrupting.

302

00:13:55,125 --> 00:13:57,753  
No, no, no. just a heated discussion  
with a colleague.

303

00:13:58,128 --> 00:14:00,214  
Well, I do know a little bit  
about fashion,

304

00:14:00,297 --> 00:14:01,549  
if you'd like another opinion.

305

00:14:02,508 --> 00:14:03,467  
Hmm.

306

00:14:04,468 --> 00:14:06,095  
Dude, you're late.

307

00:14:06,512 --> 00:14:07,346  
I texted you.

308

00:14:07,429 --> 00:14:09,265  
Okay, I want a discount on my hour.

309

00:14:09,348 --> 00:14:11,767  
Jesus, for someone  
who's trying to study botany for fun,

310

00:14:11,851 --> 00:14:13,978  
you're taking your shit really seriously.

311

00:14:14,478 --> 00:14:18,941  
Okay, fine. It's for the AAT.  
I wanna be an astronaut.

312

00:14:19,692 --> 00:14:20,901  
You wanna be an astronaut?

313

00:14:20,985 --> 00:14:22,736  
Yeah, what?  
You think I can't fly a spaceship?

314

00:14:22,820 --> 00:14:24,822  
No, I didn't say that. Go fly a spaceship.

315

00:14:24,905 --> 00:14:27,283  
I'm sure you'd be  
a real calming presence up there.

316

00:14:27,366 --> 00:14:30,369  
The others will love being trapped  
in a tiny capsule with you

317

00:14:30,452 --> 00:14:32,496  
in the vacuum of space.

318

00:14:33,163 --> 00:14:34,915  
Just-- Could we study plants, please?

319

00:14:37,459 --> 00:14:38,419  
[Angela sighs]

320

00:14:39,503 --> 00:14:41,922  
This is my new fashion website. "Shrt."

321

00:14:42,006 --> 00:14:43,048  
[Mark] Mmm.

322  
00:14:43,132 --> 00:14:44,258  
You got a little typo.

323  
00:14:44,341 --> 00:14:46,093  
Might wanna fix that  
before you roll this thing out.

324  
00:14:46,176 --> 00:14:48,345  
[chuckles] This was a team effort.

325  
00:14:48,429 --> 00:14:50,598  
And there is no "I" in "shirt."

326  
00:14:51,682 --> 00:14:53,517  
[Mark] Ah. Okay.

327  
00:14:53,601 --> 00:14:55,436  
So you answered your survey,  
the six questions?

328  
00:14:55,519 --> 00:14:56,979  
-Uh, yeah.  
-Okay.

329  
00:14:57,062 --> 00:14:59,064  
Let's see what the algorithm says  
you should wear.

330  
00:14:59,148 --> 00:15:01,317  
-Algorithm. That's crazy.  
-[chuckles]

331  
00:15:04,862 --> 00:15:05,779  
[dings]

332  
00:15:05,863 --> 00:15:08,282  
-[Edison gasps]  
-[Mark] Okay, well...

333

00:15:08,365 --> 00:15:10,951  
Huh. Ah... Huh.

334  
00:15:11,035 --> 00:15:15,164  
I've never... worn anything that purposely  
showed off my ankles before.

335  
00:15:15,247 --> 00:15:16,248  
Don't you love it, though?

336  
00:15:16,332 --> 00:15:18,042  
Nah... no, I don't, actually.

337  
00:15:18,125 --> 00:15:19,793  
-It looks kind of goofy.  
-Goofy?

338  
00:15:19,877 --> 00:15:21,211  
Not me. It's just not me.

339  
00:15:21,295 --> 00:15:24,089  
Mark, you need to believe in yourself.

340  
00:15:24,548 --> 00:15:26,634  
Your ankles look beautiful.

341  
00:15:27,551 --> 00:15:29,720  
-You look amazing.  
-[Mark chuckles]

342  
00:15:29,803 --> 00:15:32,681  
Your wife is going to love this.

343  
00:15:33,432 --> 00:15:35,309  
-Oh, really?  
-Mmm.

344  
00:15:37,144 --> 00:15:38,103  
Okay.

345  
00:15:38,187 --> 00:15:39,271  
Okay. You know what?

346

00:15:39,563 --> 00:15:41,482  
You may be the publicist  
to a major celebrity,

347

00:15:41,565 --> 00:15:45,402  
but I am the publicist  
to man's search for something grander,

348

00:15:45,486 --> 00:15:47,988  
something that transcends this world.

349

00:15:48,072 --> 00:15:50,699  
Fuck you. I'm so jealous. I'm so jealous.

350

00:15:50,783 --> 00:15:52,368  
What are they even doing in there?

351

00:15:52,618 --> 00:15:53,869  
It's a new venture.

352

00:15:54,244 --> 00:15:55,579  
Blue Apron meets Bonobos.

353

00:15:55,663 --> 00:15:57,122  
The algorithm tells you  
it loves your pants

354

00:15:57,206 --> 00:15:59,083  
regardless of how fat your ass looks.

355

00:15:59,166 --> 00:16:01,669  
She's doing that,  
and she has a rocket fuel?

356

00:16:01,752 --> 00:16:05,381  
Uh, yeah. Skinny Fuel is like  
one of 100 projects she's developing.

357

00:16:05,464 --> 00:16:07,675  
'Cause if one thing works,  
nobody remembers the failures.

358

00:16:08,926 --> 00:16:11,136  
What do you mean, "if" one thing works?

359

00:16:11,971 --> 00:16:13,097  
I mean, "when."

360

00:16:14,098 --> 00:16:15,808  
Hannah, does the rocket fuel work?

361

00:16:16,809 --> 00:16:17,768  
Yeah.

362

00:16:19,395 --> 00:16:20,354  
Hannah.

363

00:16:24,274 --> 00:16:26,485  
Botany's actually, like,  
pretty self-explanatory.

364

00:16:26,568 --> 00:16:29,029  
"Chloroplast and Epidural Stomata."

365

00:16:29,113 --> 00:16:31,323  
Yeah, these words just define themselves.

366

00:16:31,407 --> 00:16:32,950  
-Right?  
-[sighs]

367

00:16:33,701 --> 00:16:34,910  
Do you not know Latin?

368

00:16:34,994 --> 00:16:37,705  
Okay, just teach me  
like I'm a child who knows nothing,

369

00:16:37,788 --> 00:16:39,456  
but also,  
don't talk to me like I'm stupid.

370

00:16:39,540 --> 00:16:42,501  
Okay, that's gonna be  
a little bit of a high-wire act.

371  
00:16:42,584 --> 00:16:44,795  
And can we pick up the pace, please?  
It's been 20 minutes,

372  
00:16:44,878 --> 00:16:47,047  
and I have learned,  
like, literally nothing.

373  
00:16:47,131 --> 00:16:48,340  
Okay, you gotta calm down.

374  
00:16:48,424 --> 00:16:51,135  
If we're gonna do this,  
we're gonna do it my way. Okay?

375  
00:16:51,218 --> 00:16:52,678  
I'm gonna go grab a bite to eat.

376  
00:16:52,761 --> 00:16:55,723  
Oh, cool! Yeah, yeah, let's all kick back.  
Just get a bite to eat.

377  
00:16:55,806 --> 00:16:57,516  
Why don't we just order in  
and watch Frasier?

378  
00:16:57,599 --> 00:16:59,810  
I have shit to do, bro. Do you see this?

379  
00:17:00,227 --> 00:17:01,353  
Okay, "bro."

380  
00:17:01,437 --> 00:17:04,231  
Nice talking to you  
for the second time in my life.

381  
00:17:05,399 --> 00:17:06,400  
Okay, hey.

382

00:17:06,483 --> 00:17:07,526  
Wait. I'm sorry.

383

00:17:07,609 --> 00:17:08,527  
I'm just...

384

00:17:09,653 --> 00:17:10,571  
[sighs]

385

00:17:10,696 --> 00:17:15,909  
God, saying you want to be an astronaut  
after age, like, eight, feels very silly.

386

00:17:16,952 --> 00:17:19,204  
I just really need you  
to take me seriously.

387

00:17:20,164 --> 00:17:21,665  
I do take you seriously.

388

00:17:23,751 --> 00:17:27,129  
I mean, maybe not as serious as you  
take yourself, but that's off the charts.

389

00:17:27,880 --> 00:17:28,714  
Yeah.

390

00:17:30,758 --> 00:17:32,843  
If you're gonna get a snack,  
I will take a Rocket Pie.

391

00:17:32,926 --> 00:17:34,553  
Peanut butter or banana, please.

392

00:17:34,970 --> 00:17:36,555  
-What if they have both?  
-Ooh.

393

00:17:36,972 --> 00:17:37,973  
Good question.

394

00:17:38,432 --> 00:17:39,600  
Peanu...

395  
00:17:39,683 --> 00:17:41,393  
nana...

396  
00:17:41,477 --> 00:17:44,271  
butter-peanut-nana-banana.

397  
00:17:44,354 --> 00:17:46,482  
No, coconut or lime.

398  
00:17:47,399 --> 00:17:51,361  
Well, if you die in space,  
it'll be from murder.

399  
00:17:54,615 --> 00:17:56,158  
Mmm. You excited?

400  
00:17:56,241 --> 00:17:57,242  
Sure am.

401  
00:17:58,160 --> 00:18:00,579  
But how are you feeling, Mark?  
Are you excited?

402  
00:18:00,662 --> 00:18:01,747  
About the launch?

403  
00:18:01,830 --> 00:18:03,707  
You are going to love it.

404  
00:18:04,666 --> 00:18:05,626  
Am I?

405  
00:18:06,668 --> 00:18:07,628  
[knocking]

406  
00:18:07,711 --> 00:18:10,422  
-Oh, my God. What is he doing?  
-It's me! Can I talk to you?

407

00:18:10,506 --> 00:18:13,217  
Let's not incinerate my media manager.  
I'll be right back.

408

00:18:16,303 --> 00:18:18,263  
Okay, General, I never get involved

409

00:18:18,347 --> 00:18:20,307  
in whether people  
are telling the truth or lying.

410

00:18:20,390 --> 00:18:22,935  
I mean, those words carry  
very little meaning to me,

411

00:18:23,018 --> 00:18:26,396  
but something one of Edison's people said,  
it's got me worried.

412

00:18:26,814 --> 00:18:27,689  
What was that?

413

00:18:28,690 --> 00:18:29,608  
"Yeah."

414

00:18:31,151 --> 00:18:34,196  
Sorry, guess it was more how she said it.  
I asked, "Does the rocket fuel work?"

415

00:18:34,279 --> 00:18:36,406  
Then she said, "Yeah."

416

00:18:37,825 --> 00:18:40,702  
I'm butchering it. She said it like this.  
She said it like this.

417

00:18:41,703 --> 00:18:42,663  
"Yeah."

418

00:18:42,746 --> 00:18:45,040  
Fuck. She said, "Yeah."

419

00:18:46,250 --> 00:18:47,167  
It doesn't matter.

420

00:18:47,251 --> 00:18:51,922  
As a publicist, I never reveal my sources,  
but it was Hannah.

421

00:18:56,844 --> 00:18:58,720  
Hmm. Dr. Mallory, come with me.

422

00:18:59,388 --> 00:19:01,140  
And, Tony, nicely done.

423

00:19:05,686 --> 00:19:07,187  
Fuck you, American Apparel.

424

00:19:07,729 --> 00:19:08,939  
What's going on?

425

00:19:09,022 --> 00:19:10,858  
It's a simple scientific formula.

426

00:19:10,941 --> 00:19:14,403  
When a guy as full of BS as Tony  
calls BS on someone else,

427

00:19:14,486 --> 00:19:16,113  
that is BS squared.

428

00:19:16,196 --> 00:19:21,118  
I wouldn't call it a scientific formula,  
but, okay.

429

00:19:23,537 --> 00:19:24,955  
Our first crime together.

430

00:19:26,290 --> 00:19:27,791  
May there be many more.

431

00:19:32,713 --> 00:19:33,922  
So, uh...

432

00:19:35,382 --> 00:19:36,341

What...

433

00:19:36,884 --> 00:19:38,677

what have you been reading lately?

434

00:19:39,553 --> 00:19:40,470

Excuse me?

435

00:19:40,888 --> 00:19:42,097

Nothing. Nothing.

436

00:19:42,347 --> 00:19:46,518

Just that, uh, that Denver airport  
sure is crazy, huh? [chuckles]

437

00:19:47,269 --> 00:19:50,606

Duncan, have you been reading  
to impress me?

438

00:19:50,689 --> 00:19:52,191

[Duncan] No. No.

439

00:19:52,608 --> 00:19:55,027

But if I had, would you be impressed?

440

00:19:55,944 --> 00:19:57,196

I very much...

441

00:19:58,071 --> 00:19:59,114

might.

442

00:20:01,408 --> 00:20:02,826

So...

443

00:20:03,869 --> 00:20:07,122

that, uh... Denver airport.

444

00:20:08,665 --> 00:20:11,251

Well, I read it was two billion dollars

over budget.

445

00:20:11,335 --> 00:20:13,212

Ooh, I was not aware.

446

00:20:13,295 --> 00:20:16,215

Yeah.

And many believe that the money was used

447

00:20:16,298 --> 00:20:18,675

to build underground meeting rooms

448

00:20:18,759 --> 00:20:21,136

for those who control the world economy.

449

00:20:21,970 --> 00:20:23,347

The Illuminati.

450

00:20:24,556 --> 00:20:25,557

Wait.

451

00:20:26,308 --> 00:20:27,976

What are you reading?

452

00:20:28,435 --> 00:20:29,478

Websites.

453

00:20:31,104 --> 00:20:32,022

Oh.

454

00:20:34,024 --> 00:20:34,983

Uh...

455

00:20:35,609 --> 00:20:37,569

Uh, did you know that  
the queen of England--

456

00:20:37,653 --> 00:20:41,198

The queen of England  
is the largest drug pusher in the world?

457

00:20:41,615 --> 00:20:42,658  
No, seriously.

458

00:20:42,741 --> 00:20:45,744  
And she killed Jeffrey Epstein  
with her bare hands.

459

00:20:45,994 --> 00:20:48,914  
And she leaves one of her fingernails  
real long

460

00:20:48,997 --> 00:20:50,582  
and has poison on the tip.

461

00:20:52,167 --> 00:20:53,126  
Wow.

462

00:20:56,922 --> 00:20:59,675  
[automated voice] Ten, nine, eight,

463

00:21:00,008 --> 00:21:02,844  
seven, six, five,

464

00:21:03,512 --> 00:21:05,389  
four, three,

465

00:21:05,847 --> 00:21:07,182  
two, one.

466

00:21:10,227 --> 00:21:11,770  
Okay, so far, so good.

467

00:21:12,479 --> 00:21:13,355  
Fingers crossed.

468

00:21:13,855 --> 00:21:16,817  
Don't worry. I adjusted the fuel ratios.

469

00:21:16,900 --> 00:21:17,901  
Off the books.

470

00:21:18,777 --> 00:21:20,112  
I hope that's all right.

471  
00:21:21,571 --> 00:21:24,741  
Well, how much Skinny Fuel  
did you end up using?

472  
00:21:24,825 --> 00:21:26,159  
Uh...

473  
00:21:26,243 --> 00:21:27,077  
Zero.

474  
00:21:27,661 --> 00:21:28,787  
[sighs] Oh, thank you.

475  
00:21:29,538 --> 00:21:30,414  
[exhales]

476  
00:21:30,497 --> 00:21:33,709  
It's... completely off the books?

477  
00:21:33,792 --> 00:21:34,960  
One hundred percent.

478  
00:21:35,711 --> 00:21:37,379  
[man] Booster separation complete.

479  
00:21:42,801 --> 00:21:45,178  
If there's ever anything  
I can do for you...

480  
00:21:47,306 --> 00:21:48,890  
Actually, you can call POTUS.

481  
00:21:48,974 --> 00:21:51,184  
And you can tell him  
that we're doing just fine.

482  
00:21:51,268 --> 00:21:54,563  
We don't need any outside help  
from the private sector.

483

00:21:56,064 --> 00:21:57,649

-Something like that.

-You got it.

484

00:21:57,733 --> 00:21:58,692

Okay.

485

00:22:00,444 --> 00:22:01,528

[Edison exhaling]

486

00:22:01,611 --> 00:22:02,904

-[Mark] It's beautiful, isn't it?

-Mm.

487

00:22:03,363 --> 00:22:05,032

It's not running on Kingsford.

488

00:22:05,115 --> 00:22:06,116

[laughs]

489

00:22:06,575 --> 00:22:07,409

Okay.

490

00:22:07,492 --> 00:22:08,327

Cute.

491

00:22:10,495 --> 00:22:12,289

Congratulations, Ms. Jaymes.

492

00:22:12,372 --> 00:22:17,294

Today you appeared to have  
a very successful launch with your fuel.

493

00:22:17,377 --> 00:22:18,295

Thank you.

494

00:22:18,587 --> 00:22:22,049

Um, don't take this the wrong way,  
but you could use some mouthwash.

495

00:22:22,883 --> 00:22:25,594  
Ah, well,  
perhaps the breath refreshment sector

496  
00:22:25,677 --> 00:22:28,555  
is where you should redirect your efforts.

497  
00:22:28,638 --> 00:22:31,308  
That feels a bit more feasible for you.

498  
00:22:31,391 --> 00:22:32,309  
Hmm.

499  
00:22:33,393 --> 00:22:35,562  
If you ever get big and powerful one day,  
come see me.

500  
00:22:35,645 --> 00:22:37,564  
I might have  
an extremely low-level position for you.

501  
00:22:37,647 --> 00:22:39,483  
Or maybe one day  
you'll be big and powerful enough

502  
00:22:39,566 --> 00:22:42,027  
-for me to take you seriously.  
-Maybe we'll both be big and powerful.

503  
00:22:42,110 --> 00:22:43,070  
Maybe we will.

504  
00:22:54,373 --> 00:22:55,332  
Fuck!

505  
00:22:56,541 --> 00:22:57,876  
-All right, so take--  
-[door slams]

506  
00:23:02,589 --> 00:23:04,508  
[Edison] Why does my car  
smell like baby vomit?

507  
00:23:13,100 --> 00:23:13,975  
So...

508  
00:23:14,726 --> 00:23:15,936  
what do you make...

509  
00:23:17,604 --> 00:23:18,605  
of this one?

510  
00:23:18,855 --> 00:23:20,482  
Oh. It's brown.

511  
00:23:20,565 --> 00:23:21,983  
Brown doesn't go with anything.

512  
00:23:22,067 --> 00:23:25,195  
Oh, there are things  
that go with brown, I'm sure.

513  
00:23:25,529 --> 00:23:26,446  
Oh.

514  
00:23:28,073 --> 00:23:29,449  
Thank God I have you.

515  
00:23:31,243 --> 00:23:33,078  
That's a very nice thing to say.

516  
00:23:33,954 --> 00:23:36,081  
-Oh, I like that.  
-That one? Pretty.

517  
00:23:38,667 --> 00:23:39,626  
[knocking on door]

518  
00:23:40,168 --> 00:23:41,044  
Yeah?

519  
00:23:41,503 --> 00:23:45,757  
The Prospector Satellite  
is now in orbit around the moon.

520

00:23:45,841 --> 00:23:48,301  
Good! Is the camera transmitting yet?

521

00:23:48,385 --> 00:23:51,012  
Yes, sir. Uh, we have our first images.

522

00:23:51,096 --> 00:23:52,347  
Very good.

523

00:23:52,806 --> 00:23:55,016  
Oh, excellent.

524

00:23:56,101 --> 00:23:58,353  
Oh, that's a beautiful shot.

525

00:23:58,437 --> 00:24:00,981  
[Chan] You might enjoy  
scrolling through these quickly.

526

00:24:03,024 --> 00:24:03,942  
[Mark] What is that?

527

00:24:05,610 --> 00:24:08,822  
Oh... We're not 100 percent sure  
what that is yet.

528

00:24:12,617 --> 00:24:14,077  
The Chinese flag.

529

00:24:14,161 --> 00:24:15,662  
[Chan] What?

530

00:24:16,121 --> 00:24:17,747  
-Oh.  
-What?

531

00:24:18,248 --> 00:24:19,583  
-Did-- Did you--  
-Oh!

532

00:24:19,666 --> 00:24:21,460  
Wow! Look at that!

533  
00:24:22,043 --> 00:24:24,254  
I had no idea they were that far along.

534  
00:24:24,337 --> 00:24:26,465  
-That's something.  
-Huh.

535  
00:24:26,548 --> 00:24:28,592  
Oh, good for them!

536  
00:24:28,758 --> 00:24:30,969  
That's great.

537  
00:24:31,052 --> 00:24:33,597  
Got a... [laughing]

538  
00:24:34,097 --> 00:24:36,683  
Oh, I am happy for them.

539  
00:24:37,225 --> 00:24:38,685  
They really are there.

540  
00:24:38,768 --> 00:24:39,978  
Look at that.

541  
00:24:41,021 --> 00:24:42,314  
[laughs]

542  
00:24:43,106 --> 00:24:45,233  
Oh, shit!

543  
00:24:45,775 --> 00:24:49,070  
Those Chinese bastards did it.

544  
00:24:49,696 --> 00:24:50,906  
They did it!

545  
00:24:51,698 --> 00:24:54,493

Ha! That is rich.

546

00:24:54,576 --> 00:24:56,369  
[chortles]

547

00:24:56,495 --> 00:24:58,497  
[theme music plays]
