EPISODE 1.09

"It's Good to Be Back on the Moon"

With the launch just days away, General Naird copes with an unprepared crew. Captain Ali searches for the perfect words, and Erin visits her mom.

MAIN EPISODE CAST

Steve Carell	...	General Mark R. Naird
John Malkovich	...	Dr. Adrian Mallory
Ben Schwartz	...	F. Tony Scarapiducci
Diana Silvers	...	Erin Naird
Tawny Newsome	...	Captain Angela Ali
Dan Bakkedahl	...	John Blandsmith
Spencer House	...	Duncan Tabner
Lisa Kudrow	...	Maggie Naird
Don Lake	...	Brad Gregory
Jessica St. Clair	...	Kelly King
Jimmy O. Yang	...	Dr. Chan Kaifang
P.L. Brown	...	Officer Smith
Chris Gethard	...	Eddie
Bruce Locke	...	General Tsengjun
Amanda Lund	...	Female Astronaut Anna
Aparna Nancherla	...	Pella Bhat
Richard Ouyang	...	Dr. Zhang
Punam Patel	...	Ranatunga
Owen Daniels	...	Obie Hanrahan
Hector Duran	...	Julio Díaz - José
Megan Grano	...	Reporter #2 (Meredith)
Thomas Ohrstrom	...	Dr. Vandeveld
Mike Nojun Park	...	Reporter #1

1

00:00:09,884 --> 00:00:12,887
[rocket engine whooshing]

2

00:00:19,227 --> 00:00:22,480
[Mark] I could not be prouder
of these brave men and women.

3

00:00:22,564 --> 00:00:23,940
[applause]

4

00:00:24,024 --> 00:00:26,526
[Mark] They are truly the best of America.

5

00:00:28,069 --> 00:00:30,238
And as we, as a nation,

6

00:00:30,321 --> 00:00:33,616
look to extend our reach
to the moon and beyond,

7

00:00:33,700 --> 00:00:39,414
we find great comfort in the knowledge
that this courageous team

8

00:00:39,831 --> 00:00:40,957
will lead us there

9

00:00:41,332 --> 00:00:45,003
along with the many, many engineers
and scientists

10

00:00:45,086 --> 00:00:46,212
who stand behind them.

11

00:00:46,588 --> 00:00:48,923
Wonderful words, General.
Wonderful words.

12

00:00:49,007 --> 00:00:51,509
We have time for some questions.
Anybody have any questions?

13

00:00:51,593 --> 00:00:53,053
Glasses. The guy in the glasses.

14

00:00:53,511 --> 00:00:57,015
Is it true most of you are not astronauts?

15

00:00:58,516 --> 00:00:59,517
[Mark clears throat]

16

00:01:00,185 --> 00:01:02,771
Becoming an astronaut
is a little like losing your virginity.

17

00:01:02,854 --> 00:01:05,148
You can't claim it until after it happens.

18

00:01:05,231 --> 00:01:06,858
[scattered laughter]

19

00:01:07,442 --> 00:01:10,320
Not all who go into space
will be astronauts.

20

00:01:10,403 --> 00:01:13,323
Some will be asked to weld.

21

00:01:13,406 --> 00:01:15,033
Others will be asked to wire.

22

00:01:15,116 --> 00:01:17,327
Unbelievable. What a great answer
to a terrible question.

23

00:01:17,410 --> 00:01:18,828
Thank you very much
for ruining the moment.

24

00:01:18,912 --> 00:01:21,206
You can sit down.
Anybody else have a question?

25

00:01:21,289 --> 00:01:23,249
Anybody? Meredith, are you here?

26

00:01:23,333 --> 00:01:26,419
Text me next time. Meredith, right here.
Third row. Meredith, everybody. Yeah.

27

00:01:26,503 --> 00:01:29,672
This mission is happening
four years ahead of schedule.

28

00:01:29,756 --> 00:01:31,299
-[Mark] Mm-hmm.
-[Meredith] Impressive.

29

00:01:31,382 --> 00:01:35,261
How is it possible that you all are ready,
and don't you feel you're being reckless

30

00:01:35,345 --> 00:01:37,347
with the lives of your novice crew?

31

00:01:38,431 --> 00:01:40,433
-Well, that's an excellent question.
-[mouthing]

32

00:01:40,517 --> 00:01:45,146
And to your point, we are,
in fact, years ahead of schedule.

33

00:01:45,230 --> 00:01:50,110
You have to keep in mind
that the talented tradespeople on our team

34

00:01:50,193 --> 00:01:53,154
have been working at
the top of their profession for decades.

35

00:01:53,238 --> 00:01:56,950
So, in effect, they have been training
for this their entire lives.

36

00:01:57,033 --> 00:01:58,159

They just didn't know it.

37

00:01:58,243 --> 00:01:59,077

Wow.

38

00:01:59,452 --> 00:02:01,287

Really handled a terrible question
very well.

39

00:02:01,371 --> 00:02:02,747

Unbelievable. Thank you so much.

40

00:02:03,206 --> 00:02:06,000

Okay, I mean, I think we nailed it,
but does anybody else have any questions?

41

00:02:06,084 --> 00:02:07,252

-[reporters clamor]

-I don't see any.

42

00:02:07,335 --> 00:02:09,587

Uh, okay, good. Thank you guys so much.

43

00:02:13,383 --> 00:02:15,426

How you doing? Feeling confident?

44

00:02:15,510 --> 00:02:20,056

My entire career will depend on
what happens in the next 36 hours.

45

00:02:20,140 --> 00:02:22,392

I'll never get a second chance at this.

46

00:02:22,475 --> 00:02:25,603

And-- And frankly,
I'm feeling the weight of that.

47

00:02:25,687 --> 00:02:27,730

-I'm sure you are, as well.

-I'll be fine.

48

00:02:27,814 --> 00:02:29,190

No. It won't be fine, Mark.

49

00:02:29,274 --> 00:02:32,694
If it doesn't go well,
you'll certainly lose your position.

50

00:02:32,777 --> 00:02:33,695
I'll land on my feet.

51

00:02:33,778 --> 00:02:35,738
No. No, you won't, Mark.

52

00:02:35,822 --> 00:02:37,490
There are too many eyes on us.

53

00:02:37,574 --> 00:02:38,700
Stop it. Stop it!

54

00:02:38,783 --> 00:02:40,869
I get it. Keep it together, Adrian.

55

00:02:40,952 --> 00:02:42,245
All right? Just keep it together.

56

00:02:56,676 --> 00:02:58,344
[exhales]

57

00:03:12,692 --> 00:03:14,652
-[Obie] You know what you're gonna say?
-What?

58

00:03:14,944 --> 00:03:15,945
When you step out.

59

00:03:16,029 --> 00:03:18,781
The first woman on the moon.
I mean, that's crazy.

60

00:03:18,865 --> 00:03:20,366
-Congratulations.
-Oh.

61

00:03:20,742 --> 00:03:23,161

I... I don't know.

I'm just gonna do my job.

62

00:03:23,244 --> 00:03:24,954

All right.

It's just that, when you start talking,

63

00:03:25,038 --> 00:03:27,248

a billion people

are gonna be staring at your mouth.

64

00:03:28,499 --> 00:03:29,375

What are you gonna say?

65

00:03:30,335 --> 00:03:31,586

You know what? Just get dressed,

66

00:03:31,669 --> 00:03:33,171

or I'm gonna send you to space

in your underwear.

67

00:03:33,254 --> 00:03:34,130

Yes, ma'am.

68

00:03:38,051 --> 00:03:39,260

[sighs]

69

00:03:39,344 --> 00:03:41,804

[inspirational music playing]

70

00:04:03,993 --> 00:04:05,495

Verify actuators.

71

00:04:05,578 --> 00:04:07,789

Verified.

Space Force One ready for launch.

72

00:04:07,872 --> 00:04:09,832

-Good luck, spacemen.

-Thank you, sir.

73

00:04:09,916 --> 00:04:12,168
-I don't think I wanna go anymore.
-Too late for that.

74

00:04:12,252 --> 00:04:13,503
T-minus 45 seconds.

75

00:04:13,586 --> 00:04:15,588
-I'm getting out.
-Nope! No! Don't get out.

76

00:04:15,672 --> 00:04:17,131
-I'm leaving too.
-[Mark] Don't do that.

77

00:04:17,215 --> 00:04:19,092
You guys are gonna have a great trip.

78

00:04:19,175 --> 00:04:21,094
A really wonderful time. Enjoy.

79

00:04:21,177 --> 00:04:22,428
You're gonna love the moon.

80

00:04:22,512 --> 00:04:24,180
If not, do we get our money back?

81

00:04:24,264 --> 00:04:26,683
Did you buy tickets from someone?

82

00:04:26,766 --> 00:04:27,976
T-minus 30 seconds.

83

00:04:28,059 --> 00:04:29,978
[Eddie] How do you get the seatbelt open?

84

00:04:30,061 --> 00:04:31,271
Do not take off your seatbelt.

85

00:04:31,354 --> 00:04:32,689
I forgot about my bird!

86

00:04:32,772 --> 00:04:34,440
Oh, my God. I'll feed your bird.

87

00:04:34,524 --> 00:04:36,109
What's your bird's name?
I'll take care of it.

88

00:04:36,192 --> 00:04:37,193
They're all gonna die.

89

00:04:37,277 --> 00:04:38,361
[Pella] Oh, no. Here she is.

90

00:04:38,444 --> 00:04:39,487
[chirping]

91

00:04:40,738 --> 00:04:42,365
[sighing] She took
the goddamn bird with her.

92

00:04:42,448 --> 00:04:43,908
-What?
-[Eddie] Stop the rocket.

93

00:04:43,992 --> 00:04:45,785
-Abortion!
-Nope! Not possible.

94

00:04:45,868 --> 00:04:47,912
Mark, an astronaut has the right

95

00:04:47,996 --> 00:04:49,580
-to halt any launch.
-[shushing]

96

00:04:49,664 --> 00:04:50,665
Go for launch.

97

00:04:50,748 --> 00:04:52,083
[engines igniting]

98

00:04:59,507 --> 00:05:00,508
We have liftoff.

99

00:05:02,093 --> 00:05:04,053
[loud rattling]

100

00:05:09,726 --> 00:05:12,353
Fuck, yeah! [laughing]

101

00:05:13,104 --> 00:05:14,439
Coming up on bearing separation.

102

00:05:14,522 --> 00:05:15,606
Approaching max q.

103

00:05:15,690 --> 00:05:17,191
Side booster shut-down.

104

00:05:17,275 --> 00:05:18,985
And... separation.

105

00:05:21,446 --> 00:05:24,407
We have exited Earth's orbit
and reached trajectory.

106

00:05:24,866 --> 00:05:26,492
Next stop, the moon.

107

00:05:27,243 --> 00:05:29,787
[cheering]

108

00:05:31,080 --> 00:05:31,998
Whoo!

109

00:05:36,044 --> 00:05:37,045
[exhales]

110

00:05:37,879 --> 00:05:40,131
-Thirty-six hours.
-Thirty-six hours.

111
00:05:55,521 --> 00:05:56,898
Hey. Nice rocket.

112
00:05:56,981 --> 00:05:58,733
Ah. Went up good, right?

113
00:05:59,150 --> 00:06:00,151
Really high.

114
00:06:00,234 --> 00:06:01,069
[chuckles]

115
00:06:02,028 --> 00:06:03,029
[Mark sighs]

116
00:06:05,323 --> 00:06:06,741
[Mark] Uh...

117
00:06:09,327 --> 00:06:10,745
Are you gonna say something? Or...

118
00:06:10,828 --> 00:06:12,455
-Mm. It's coming.
-Okay.

119
00:06:12,538 --> 00:06:13,373
Um...

120
00:06:15,249 --> 00:06:17,668
Would you care to go to dinner
with me tonight?

121
00:06:18,544 --> 00:06:21,130
We could continue the conversation.

122
00:06:21,672 --> 00:06:23,299
Perhaps add other topics.

123
00:06:23,966 --> 00:06:26,177
So it's a, uh, business dinner?

124
00:06:26,260 --> 00:06:27,553
This would be a date.

125
00:06:27,637 --> 00:06:28,888
Oh! Hey, ho!

126
00:06:28,971 --> 00:06:30,390
Okay. Yeah.

127
00:06:30,473 --> 00:06:31,891
-Sure.
-Okay. [chuckling]

128
00:06:32,183 --> 00:06:33,184
Okay, good.

129
00:06:33,267 --> 00:06:34,143
Great.

130
00:06:35,269 --> 00:06:36,229
I...

131
00:06:37,313 --> 00:06:40,650
would like to point out
that I am wearing a wedding ring.

132
00:06:41,150 --> 00:06:43,486
Okay. So now I know what we'll talk about.

133
00:06:43,569 --> 00:06:45,238
I just want to be
completely up-front with you.

134
00:06:45,321 --> 00:06:47,657
I don't know
if you're familiar with my situation.

135
00:06:48,449 --> 00:06:50,785
My wife is incarcerated.

136
00:06:50,868 --> 00:06:51,828

Yeah. People talk.

137

00:06:51,911 --> 00:06:53,996
So I am in an awkward position right now

138

00:06:54,080 --> 00:06:59,293
where I am both married and available.

139

00:07:01,129 --> 00:07:02,505
I understand if it's too much.

140

00:07:02,588 --> 00:07:04,590
[stammering] No. That's... cool.

141

00:07:05,508 --> 00:07:08,719
I mean, I'm sorry for your wife,
but good for me!

142

00:07:08,803 --> 00:07:10,471
-No, I'm just kidding. That's weird.
-Okay.

143

00:07:10,555 --> 00:07:12,140
-But cool.
-Eight o'clock, then.

144

00:07:12,223 --> 00:07:13,516
Okay. All right.

145

00:07:15,435 --> 00:07:16,894
Listen, uh...

146

00:07:17,603 --> 00:07:20,815
really I'm interested
in mostly just companionship.

147

00:07:22,024 --> 00:07:22,942
Okay.

148

00:07:23,734 --> 00:07:24,944
Like a friend thing? Or is it--

149

00:07:25,027 --> 00:07:28,156
Well, initially, that's...
that was my impetus for...

150

00:07:29,615 --> 00:07:31,284
-Okay. All right.
-All right, all right.

151

00:07:31,576 --> 00:07:33,494
But, I mean,
if something else were to come of it,

152

00:07:33,578 --> 00:07:37,165
-whether it be emotional or physical...
-Okay.

153

00:07:37,248 --> 00:07:40,543
-That sounded really creepy. I apologize.
-No, I think I get it.

154

00:07:40,626 --> 00:07:41,794
We'll see what happens.

155

00:07:41,878 --> 00:07:42,712
-Okay.
-Wing it.

156

00:07:42,795 --> 00:07:44,464
-That sounds good. We'll wing it.
-Okay.

157

00:07:44,547 --> 00:07:45,923
I still love my wife.

158

00:07:46,007 --> 00:07:46,924
What?

159

00:07:47,008 --> 00:07:49,719
She's, uh, obviously a part of my life,

160

00:07:49,802 --> 00:07:52,805
but for the next 40 to 60 years,

not so much.

161

00:07:53,431 --> 00:07:55,892

Okay.

You know what we could do on the date

162

00:07:55,975 --> 00:07:57,435

is not talk so much about your wife.

163

00:07:57,518 --> 00:07:59,979

-That's a good idea.

-Just, uh, something to noodle.

164

00:08:00,062 --> 00:08:01,522

We won't talk about the wife...

165

00:08:01,772 --> 00:08:03,566

or sex, or anything.

166

00:08:04,192 --> 00:08:05,943

-What?

-Nope. Good night.

167

00:08:07,236 --> 00:08:08,571

That went pretty well.

168

00:08:17,371 --> 00:08:18,414

Erin!

169

00:08:18,498 --> 00:08:19,415

Hey, Dad.

170

00:08:19,499 --> 00:08:21,167

Hey, I didn't know you were running again.

171

00:08:21,459 --> 00:08:22,668

Uh, yeah. Wanna run with me?

172

00:08:23,294 --> 00:08:24,879

-Sure.

-I'll slow down for you.

173

00:08:24,962 --> 00:08:25,922
I'll slow down for you.

174

00:08:26,380 --> 00:08:27,256
Ha.

175

00:08:29,383 --> 00:08:31,385
[watch buzzing]

176

00:08:31,636 --> 00:08:33,554
-Go for Naird.
-[Brad] General, we have an emergenc--

177

00:08:33,638 --> 00:08:34,764
You sound funny. Where are you?

178

00:08:34,847 --> 00:08:36,474
I'm running. What's the emergency?

179

00:08:36,557 --> 00:08:38,017
I always forget
you have a watch phone.

180

00:08:38,100 --> 00:08:40,019
-That is so cool.
-Brad, what's the emergency?

181

00:08:40,102 --> 00:08:42,104
Oh, uh, it's bad, sir. It's the Chinese.

182

00:08:42,188 --> 00:08:43,147
You better come in.

183

00:08:43,231 --> 00:08:44,649
I... I gotta go.

184

00:08:45,149 --> 00:08:46,067
Okay.

185

00:08:49,487 --> 00:08:52,615
The Chinese just claimed

the entire Sea of Tranquility crater

186

00:08:52,698 --> 00:08:55,159
as a "territory of scientific research."

187

00:08:55,243 --> 00:08:57,203
But no one can own part of the moon.

188

00:08:57,286 --> 00:08:59,664
It violates the Outer Space Treaty.

189

00:08:59,747 --> 00:09:02,750
Technically they're not claiming
to own it, just to study it.

190

00:09:02,833 --> 00:09:04,835
See, their research base is here.

191

00:09:05,419 --> 00:09:08,839
We're supposed to land here
and set up a habitat here.

192

00:09:09,298 --> 00:09:10,508
About 100 miles away.

193

00:09:10,591 --> 00:09:13,386
Hundred miles seems like
plenty of privacy for their study.

194

00:09:13,469 --> 00:09:15,846
We planned a very specific
lunar landing site.

195

00:09:15,930 --> 00:09:17,723
It would mess up our mission to alter it.

196

00:09:17,807 --> 00:09:20,560
A fellow scientist would be loath
to put our mission at risk.

197

00:09:20,643 --> 00:09:23,187
We need to open a direct line

to their research center.

198

00:09:23,271 --> 00:09:24,480
Do you know anybody there?

199

00:09:24,564 --> 00:09:26,065
Science is a brotherhood.

200

00:09:26,148 --> 00:09:28,985
Even if we don't know each other,
we know each other.

201

00:09:29,986 --> 00:09:34,115
Dr. Zhang, this is Dr. Adrian Mallory.

202

00:09:34,198 --> 00:09:39,036
First of all, allow me to say that
I am delighted to be speaking with you,

203

00:09:39,120 --> 00:09:40,788
colleague to colleague.

204

00:09:40,871 --> 00:09:44,333
And also that your study of the enzymes

205

00:09:44,417 --> 00:09:48,129
which enable the digestion of human hair,

206

00:09:48,212 --> 00:09:49,797
that was a game changer,

207

00:09:49,880 --> 00:09:53,467
and I have the greatest respect
for Tsinghua University.

208

00:09:54,969 --> 00:09:55,886
What's your name?

209

00:09:56,971 --> 00:09:59,682
Dr. Adrian Mallory.

210

00:10:00,349 --> 00:10:01,726
Like the duck?

211
00:10:01,809 --> 00:10:02,643
No.

212
00:10:02,727 --> 00:10:03,644
Uh...

213
00:10:03,853 --> 00:10:09,066
Let me begin by congratulating you
on your lunar success.

214
00:10:09,150 --> 00:10:11,235
We are the first to live on the moon.

215
00:10:11,652 --> 00:10:14,280
Well, I'm not sure it matters so much
who was first,

216
00:10:14,363 --> 00:10:18,284
but it was a great achievement
for humanity nevertheless.

217
00:10:18,367 --> 00:10:19,201
We are the first.

218
00:10:19,285 --> 00:10:20,119
Uh-huh.

219
00:10:20,202 --> 00:10:24,290
Did news of something called
the Apollo missions

220
00:10:24,373 --> 00:10:26,042
reach you there in China?

221
00:10:26,542 --> 00:10:27,585
Maybe that happened.

222
00:10:28,002 --> 00:10:29,045
Maybe not.

223

00:10:29,462 --> 00:10:31,714
We've also heard of the green screen.

224

00:10:31,797 --> 00:10:32,673
[chuckles]

225

00:10:32,757 --> 00:10:34,967
But your astronauts slept in the capsule.

226

00:10:35,051 --> 00:10:37,011
The Chinese live in a moon house.

227

00:10:37,094 --> 00:10:37,928
So we are the first.

228

00:10:38,012 --> 00:10:39,138
[laughs]

229

00:10:39,221 --> 00:10:40,514
Yes. Um...

230

00:10:41,015 --> 00:10:42,558
Listen, Dr. Zhang.

231

00:10:42,642 --> 00:10:46,687
I'm calling you
in the hopes of clearing something up.

232

00:10:46,771 --> 00:10:51,692
The media is reporting here
that you made a statement,

233

00:10:51,776 --> 00:10:55,279
a declaration,
which I'm sure was misinterpreted,

234

00:10:55,363 --> 00:10:58,949
mistranslated,
but they seem to think that,

235

00:10:59,033 --> 00:11:00,951
on behalf of China,

236

00:11:01,035 --> 00:11:05,414
you laid a claim
to the entire Sea of Tranquility.

237

00:11:05,498 --> 00:11:06,957
You stay out. Thank you.

238

00:11:07,041 --> 00:11:13,756
But, Dr. Zhang, you understand that
no country can own any part of the moon.

239

00:11:13,839 --> 00:11:15,675
You can't make a claim to--

240

00:11:15,758 --> 00:11:16,759
Not a claim.

241

00:11:17,051 --> 00:11:20,721
We're simply occupying an area
of scientific study.

242

00:11:20,805 --> 00:11:22,473
We study the lunar temperature.

243

00:11:22,556 --> 00:11:26,060
And you landing to the crater,
that will change the temperature.

244

00:11:26,143 --> 00:11:27,311
-[sighs]
-Go see other craters.

245

00:11:27,395 --> 00:11:29,313
Thank you. Stay away. Thank you.

246

00:11:32,733 --> 00:11:34,443
[Mark sighs heavily]

247

00:11:34,610 --> 00:11:36,779

Mark, don't overreact.

248

00:11:36,862 --> 00:11:38,656
I'll take this through
the proper channels.

249

00:11:39,532 --> 00:11:40,366
In the meantime,

250

00:11:40,449 --> 00:11:42,785
we should probably look for
an alternative landing site.

251

00:11:42,868 --> 00:11:45,121
But don't underreact, either.

252

00:11:45,204 --> 00:11:47,498
I don't wanna start
an international incident.

253

00:11:47,581 --> 00:11:50,251
And we don't wanna jeopardize our mission.

254

00:11:50,334 --> 00:11:55,339
And, by the way, "Thank you, stay out,
thank you" is not very fucking fraternal.

255

00:11:55,423 --> 00:11:57,466
-A... Adrian.
-General. General.

256

00:11:58,217 --> 00:11:59,885
[reporter on TV]
Mr. Broser's criminal history

257

00:11:59,969 --> 00:12:02,805
-reaches as far back as 1998...
-What is it?

258

00:12:02,888 --> 00:12:05,641
...when he was accused of starting
a San Bruno County

259

00:12:05,725 --> 00:12:07,601
and state park brush fire.

260

00:12:07,685 --> 00:12:09,311
We were okay with the plea deal

261

00:12:09,395 --> 00:12:11,480
'cause we thought
he'd get shot in Afghanistan.

262

00:12:11,564 --> 00:12:13,232
But I don't mind him going to the moon.

263

00:12:13,315 --> 00:12:14,900
I mind him coming back.

264

00:12:16,777 --> 00:12:18,571
What the fuck, Brad?

265

00:12:18,654 --> 00:12:19,905
-Why didn't you vet that guy?
-What?

266

00:12:19,989 --> 00:12:20,990
That's inexcusable.

267

00:12:21,073 --> 00:12:22,908
-Me? I don't know how to vet someone.
-Ugh.

268

00:12:22,992 --> 00:12:26,454
It's easy, Brad. You just give the name
to our head media manager.

269

00:12:26,746 --> 00:12:28,247
Isn't that right, Tony?

270

00:12:30,666 --> 00:12:31,584
Tony?

271

00:12:33,377 --> 00:12:34,211

-Yeah?

-Yeah.

272

00:12:34,295 --> 00:12:35,588

-[Mark] Look up.

-The general...

273

00:12:35,671 --> 00:12:37,339

-wants to talk to you.

-Yeah. I'd love to talk to him.

274

00:12:37,423 --> 00:12:38,716

-Look at me.

-Right there.

275

00:12:38,799 --> 00:12:39,967

-Sure. Yeah.

-[Mark] Tony?

276

00:12:40,050 --> 00:12:41,385

-Mm-hmm.

-[Mark] Look up.

277

00:12:42,428 --> 00:12:44,054

-I'd like to see you outside.

-Yeah. Of course.

278

00:12:44,138 --> 00:12:46,891

-Somebody's gonna get vetted now.

-I'll kill you. I'll fucking kill you.

279

00:12:46,974 --> 00:12:48,768

Try it. I'll snap your neck like a twig.

280

00:12:49,351 --> 00:12:51,187

-How are you, sir?

-[muffled yelling] What the fuck?

281

00:12:51,896 --> 00:12:54,398

What the fuck are you doing?

I told you a million times.

282

00:12:54,482 --> 00:12:55,733

Why didn't you vet him?

283

00:12:55,816 --> 00:12:58,736

I told you a million times to vet him!
And you didn't vet him!

284

00:12:58,819 --> 00:13:00,279

Next time you're gonna do it!

285

00:13:02,072 --> 00:13:05,117

All right.

I need you guys to tell me all the dirt.

286

00:13:05,493 --> 00:13:07,495

Anything terrible
any of you might've done.

287

00:13:07,578 --> 00:13:08,829

Who wants to go first?

288

00:13:11,665 --> 00:13:13,417

Don't be scared.
We're gonna find out anyway.

289

00:13:13,501 --> 00:13:15,336

Anybody, all right?
Take it off like a Band-Aid.

290

00:13:15,419 --> 00:13:16,712

One, two, three. Somebody go.

291

00:13:16,796 --> 00:13:19,381

My grandfather is a terrorist in Ireland.

292

00:13:19,465 --> 00:13:21,842

Holy shit.
You came out big from the start.

293

00:13:21,926 --> 00:13:23,177

Has he killed anybody?

294

00:13:23,260 --> 00:13:26,263

No. He's a terrorist
that doesn't kill people. [scoffs]

295

00:13:26,347 --> 00:13:27,932
Okay. Okay.

296

00:13:28,015 --> 00:13:31,560
I went to a Halloween party
a few years ago as a film negative.

297

00:13:31,644 --> 00:13:33,854
So... blackface?

298

00:13:33,938 --> 00:13:35,022
Wait. What? You did what?

299

00:13:35,105 --> 00:13:37,441
A film negative. It was clever.

300

00:13:37,525 --> 00:13:38,359
All right.

301

00:13:38,442 --> 00:13:39,652
I went as Gandhi once.

302

00:13:39,735 --> 00:13:41,779
That is not okay.

303

00:13:42,363 --> 00:13:43,197
Right?

304

00:13:43,280 --> 00:13:44,323
No, it's not.

305

00:13:44,406 --> 00:13:45,324
Okay.

306

00:13:45,407 --> 00:13:47,493
I can't believe
I even have to ask this question.

307

00:13:47,576 --> 00:13:50,996
Has anybody masturbated
in front of an unwilling employee?

308
00:13:52,790 --> 00:13:54,416
Define masturbation.

309
00:13:54,500 --> 00:13:55,501
I will not.

310
00:13:55,584 --> 00:13:59,088
Well, however you define it,
I definitely did it.

311
00:13:59,171 --> 00:14:00,214
Oh, my God.

312
00:14:00,840 --> 00:14:02,258
It is very delicate.

313
00:14:02,341 --> 00:14:05,469
Either we seem weak
and let the Chinese have their way,

314
00:14:05,928 --> 00:14:08,931
or we risk pissing them off,
and tensions could escalate.

315
00:14:09,014 --> 00:14:11,600
Exactly.
I need guidance from the administration.

316
00:14:12,309 --> 00:14:13,185
Hmm.

317
00:14:13,644 --> 00:14:16,313
Or... I'm not telling anyone about this.

318
00:14:16,397 --> 00:14:18,232
You're not telling me about this.

319
00:14:18,315 --> 00:14:19,233

We never spoke.

320

00:14:19,316 --> 00:14:21,443
You just handle it,
and I'll write in my notes that

321

00:14:22,069 --> 00:14:24,113
we talked about you meeting a hooker
in an airport bathroom.

322

00:14:24,196 --> 00:14:25,865
-What was her name again?
-Hooker, sir?

323

00:14:25,948 --> 00:14:27,324
There was no hooker.

324

00:14:27,408 --> 00:14:30,202
Fine. I'll just call her "Charisma."
That's my hooker's name.

325

00:14:30,995 --> 00:14:32,204
Oh, God.

326

00:14:40,296 --> 00:14:42,673
-Did you find an alternate landing spot?
-No.

327

00:14:43,173 --> 00:14:45,676
Our people enter the moon's orbit
in 23 hours.

328

00:14:45,759 --> 00:14:46,969
They do?

329

00:14:47,219 --> 00:14:49,263
Adrian, get some rest.

330

00:14:49,346 --> 00:14:51,891
Take a bath. I'm gonna need you sharper
than ever tomorrow.

331

00:14:51,974 --> 00:14:55,477
Well, I can't take a bath because,
as I mentioned Monday,

332
00:14:55,561 --> 00:14:57,521
I am out of bath salts.

333
00:14:57,605 --> 00:14:59,481
But nobody ever listens to me!

334
00:15:02,359 --> 00:15:04,361
[Kelly laughing]

335
00:15:06,280 --> 00:15:07,406
How is yours?

336
00:15:09,450 --> 00:15:11,368
[chuckling]

337
00:15:11,911 --> 00:15:13,120
It's delicious. Yes.

338
00:15:13,704 --> 00:15:17,750
You know, people are always talking
about the environmental impact of beef,

339
00:15:17,833 --> 00:15:19,877
but, I mean, cows must be, like,
"Are you kidding me?"

340
00:15:19,960 --> 00:15:21,629
What about the impact of people?

341
00:15:22,212 --> 00:15:25,007
Don't blame everything on our farts."
[giggles]

342
00:15:25,090 --> 00:15:26,717
I just said that so loud.

343
00:15:26,800 --> 00:15:28,552
[chuckling]

344

00:15:28,969 --> 00:15:31,096
Well, now everyone in the restaurant knows

345

00:15:31,180 --> 00:15:33,349
that you care deeply
about our environment.

346

00:15:36,352 --> 00:15:38,646
So are you actually allowed to date me?

347

00:15:39,688 --> 00:15:42,232
Uh, that is the arrangement
as it stands, yes.

348

00:15:42,316 --> 00:15:45,194
But, like, the military,
they're cool with it?

349

00:15:45,277 --> 00:15:49,448
Oh, yes, you're an independent contractor
and not a part of the military. So, yes.

350

00:15:49,531 --> 00:15:50,491
Mm-hmm.

351

00:15:53,327 --> 00:15:56,288
Then why did we drive so far
to go to dinner?

352

00:15:58,082 --> 00:16:00,250
'Cause, like, I'm actually open

353

00:16:00,334 --> 00:16:04,088
to seeing whatever happens next
in this wacky...

354

00:16:04,171 --> 00:16:06,131
whatever we're doing. Um...

355

00:16:06,215 --> 00:16:09,426
But it just doesn't feel good

to feel like I'm being hidden away,

356

00:16:09,510 --> 00:16:12,221
you know, like an old-timey mistress.

357

00:16:15,140 --> 00:16:17,393
I don't want someone
to tell my daughter about this

358

00:16:17,476 --> 00:16:19,436
before I get a chance to say something.

359

00:16:19,937 --> 00:16:21,730
I feel like it should come from me.

360

00:16:22,898 --> 00:16:23,732
Oh.

361

00:16:24,400 --> 00:16:27,111
Yeah, sure. No.
My God, I totally understand.

362

00:16:27,194 --> 00:16:28,112
I'm sorry.

363

00:16:28,195 --> 00:16:30,489
Oh, no, no, no. Thank you for getting it.

364

00:16:30,572 --> 00:16:33,993
No. God. [stammers]
No, that's just you being a good father.

365

00:16:34,076 --> 00:16:35,119
Well...

366

00:16:35,202 --> 00:16:37,204
Just tell her before we have sex, okay?

367

00:16:37,287 --> 00:16:39,456
Yep. Yep, yep, yep.

368

00:16:40,040 --> 00:16:42,126
-Yep. Yeah. Yeah.
-Okay.

369
00:16:44,420 --> 00:16:47,464
You don't tell me where to land.
I tell you where to land.

370
00:16:47,548 --> 00:16:50,426
You don't know me. And no, fuck you.
I don't know you.

371
00:16:51,010 --> 00:16:51,927
What?

372
00:16:54,388 --> 00:16:56,015
And your paper was...

373
00:16:56,098 --> 00:17:01,395
it was absolutely redundant crap,
you nutsack.

374
00:17:01,478 --> 00:17:04,106
Your data set was unreliable.

375
00:17:04,189 --> 00:17:08,485
You confused me with the mallard?
I will fuck you up.

376
00:17:09,069 --> 00:17:12,072
Anyway, you only got your position

377
00:17:12,322 --> 00:17:17,369
after your uncle was appointed
to the National People's Congress.

378
00:17:17,453 --> 00:17:19,913
Oh! Is that a coincidence?

379
00:17:20,247 --> 00:17:21,540
I don't think so.

380

00:17:21,999 --> 00:17:24,585
I will fuck you up.

381
00:17:24,960 --> 00:17:27,880
I will fuck you up.

382
00:17:39,933 --> 00:17:42,102
[whispering] Hey. Chan. Are you there?

383
00:17:45,981 --> 00:17:46,815
Go for Chan.

384
00:17:47,274 --> 00:17:48,817
"Go for Chan." [scoffs]

385
00:17:48,901 --> 00:17:50,360
I wasn't sure if this was serious.

386
00:17:50,861 --> 00:17:52,488
Can you switch me to a private channel,
please?

387
00:17:53,113 --> 00:17:53,989
Yeah.

388
00:17:58,160 --> 00:18:00,496
Hey. How's space, dude?

389
00:18:00,579 --> 00:18:01,789
Uh, space is good.

390
00:18:01,872 --> 00:18:05,626
Listen, um,
I think I was supposed to prepare some,

391
00:18:05,709 --> 00:18:09,088
like, awesome sentence
for when I set foot on the moon.

392
00:18:09,588 --> 00:18:12,341
A dozen people have set foot on the moon.
They only ever remember Armstrong.

393

00:18:12,424 --> 00:18:15,094
Yeah. I will be the first black person
and the first woman.

394

00:18:15,177 --> 00:18:16,887
I think people
are gonna be paying attention.

395

00:18:16,970 --> 00:18:18,097
Pressure.

396

00:18:18,180 --> 00:18:19,473
Okay. What do you got?

397

00:18:19,556 --> 00:18:20,390
Okay.

398

00:18:20,474 --> 00:18:21,767
I'm thinking,

399

00:18:21,850 --> 00:18:23,644
"It's good to be back on the moon."

400

00:18:24,520 --> 00:18:26,355
-"It's good to be back on the moon"?
-Yeah.

401

00:18:26,438 --> 00:18:28,649
That's terrible.
Who are you even talking to?

402

00:18:28,732 --> 00:18:29,983
Who's your audience here?

403

00:18:30,567 --> 00:18:31,902
Okay, how about,

404

00:18:32,444 --> 00:18:35,572
"Ladies, if you want to lose
a quick 60 pounds, go to the moon."

405

00:18:35,656 --> 00:18:37,282

Oh, thank you. Yes.

You think that's better?

406

00:18:37,366 --> 00:18:38,325

Well, it's physics.

407

00:18:38,408 --> 00:18:39,326

It's sexist.

408

00:18:40,244 --> 00:18:41,829

Okay. How about,

409

00:18:42,121 --> 00:18:43,705

"There goes the neighborhood."

410

00:18:43,789 --> 00:18:45,666

Oh, you're so dead when I get back.

411

00:18:46,333 --> 00:18:48,460

No, listen, everyone's just trying
to tell me what to do.

412

00:18:48,544 --> 00:18:50,295

Like, my women's studies professor
was like,

413

00:18:50,379 --> 00:18:53,924

"You have to claim this for women."

My mom said to thank Jesus and Dr. King.

414

00:18:54,007 --> 00:18:56,301

Even my ex texted me to shout,
"Go Broncos."

415

00:18:56,385 --> 00:18:57,845

-Hmm. That's a good one.

-No.

416

00:18:57,928 --> 00:18:59,638

I'm the one who worked for this.

417

00:19:00,180 --> 00:19:02,432

I like "It's good to be back on the moon."

418

00:19:03,016 --> 00:19:04,810

Why can't I say what I wanna say?

419

00:19:04,893 --> 00:19:06,061

I respect that.

420

00:19:06,562 --> 00:19:08,438

"It's good to be back on the moon."

421

00:19:09,898 --> 00:19:11,316

It's gonna be a classic.

422

00:19:13,402 --> 00:19:14,444

Thanks.

423

00:19:14,987 --> 00:19:17,030

I mean, do consider

"There goes the neighborhood."

424

00:19:17,114 --> 00:19:18,115

I think that's good.

425

00:19:18,198 --> 00:19:19,533

Goodbye. I have moon business.

426

00:19:19,616 --> 00:19:20,492

[Chan chuckles]

427

00:19:24,454 --> 00:19:25,372

Morning.

428

00:19:25,455 --> 00:19:26,498

Morning, bug.

429

00:19:26,582 --> 00:19:28,167

I woke up so hungry today.

430

00:19:28,250 --> 00:19:30,335
That's all the running you've been doing.

431
00:19:31,044 --> 00:19:34,173
Listen, I, uh, have a question for you.

432
00:19:35,257 --> 00:19:36,091
Yeah?

433
00:19:36,341 --> 00:19:41,138
[sighs] What would you think
if I were to start dating someone?

434
00:19:41,722 --> 00:19:42,681
What?

435
00:19:42,764 --> 00:19:43,724
I don't know.

436
00:19:45,017 --> 00:19:46,143
Your mom and I,

437
00:19:46,768 --> 00:19:48,896
well, we have this forced separation.

438
00:19:48,979 --> 00:19:50,522
-We're not--
-Dad, no.

439
00:19:51,064 --> 00:19:52,024
Ew.

440
00:19:52,733 --> 00:19:53,650
You're married.

441
00:19:54,067 --> 00:19:56,653
That's a terrible idea.
Mom would be crushed.

442
00:19:56,737 --> 00:19:58,864
-I don't know about that.
-I do.

443

00:19:58,947 --> 00:20:00,073

God. No.

444

00:20:00,490 --> 00:20:02,117

What are you even saying?

445

00:20:02,743 --> 00:20:04,244

You and Mom have your visits.

446

00:20:04,328 --> 00:20:06,705

-Gross. Okay, that's plenty.

-Mmm.

447

00:20:07,122 --> 00:20:08,207

At your age?

448

00:20:08,290 --> 00:20:10,542

When would you even date? There's no time!

449

00:20:10,626 --> 00:20:12,252

You don't even have time
to help me with homework.

450

00:20:12,336 --> 00:20:15,339

Please-- Please don't date someone.
Please?

451

00:20:15,881 --> 00:20:17,549

So sorry. Just gotta get to work.

452

00:20:17,633 --> 00:20:19,259

Oh, hi, Erin.

453

00:20:20,219 --> 00:20:21,470

Uh...

454

00:20:22,638 --> 00:20:23,680

Okay.

455

00:20:24,097 --> 00:20:25,849

Erin, this is Kelly.

456

00:20:26,266 --> 00:20:28,810

Kelly has a background
as a structural engineer.

457

00:20:28,894 --> 00:20:30,103

I can't believe you.

458

00:20:30,187 --> 00:20:31,605

Honey. Hon. Hon.

459

00:20:33,982 --> 00:20:36,026

-[exhales] Oh, God.

-[door slams]

460

00:20:37,611 --> 00:20:40,030

-What about the Fra Mauro formation?

-Asteroids.

461

00:20:42,574 --> 00:20:45,118

The Sea of Serenity
has the same protection as Tranquility.

462

00:20:45,202 --> 00:20:46,745

Not in our current orbit.

463

00:20:46,828 --> 00:20:48,413

-It would add days.

-Right.

464

00:20:48,789 --> 00:20:50,123

-Mark.

-[Mark] Huh?

465

00:20:50,207 --> 00:20:53,543

I have been up all night
thinking about this.

466

00:20:53,627 --> 00:20:55,545

We are being bullied.

467

00:20:55,963 --> 00:20:57,130
Yeah. Possibly.

468
00:20:57,214 --> 00:21:01,093
No. Mark, this is about
standing up for ourselves.

469
00:21:01,510 --> 00:21:02,552
[stammers]

470
00:21:02,719 --> 00:21:04,429
Here's a "what if." Okay?

471
00:21:04,513 --> 00:21:07,641
What if your friend, who runs the Navy,

472
00:21:07,724 --> 00:21:10,686
were to move a carrier strike group

473
00:21:10,769 --> 00:21:13,772
or, no, two carrier strike groups,

474
00:21:13,855 --> 00:21:16,024
into the South China Sea?

475
00:21:16,108 --> 00:21:19,361
That would certainly be
a very aggressive and provocative act.

476
00:21:19,444 --> 00:21:20,862
But would it work?

477
00:21:20,946 --> 00:21:23,949
We are trying to de-escalate,
not start a war.

478
00:21:24,032 --> 00:21:25,909
You know the old sport adage,

479
00:21:25,993 --> 00:21:30,789
"Sometimes the best de-escalation
is an escalation."

480

00:21:30,872 --> 00:21:32,749
You recounted to me yourself

481

00:21:32,833 --> 00:21:36,586
that when the Air Force
is at a loss of what to do,

482

00:21:36,670 --> 00:21:37,963
they drop a bomb.

483

00:21:38,380 --> 00:21:40,841
So why can't we do that?

484

00:21:40,924 --> 00:21:46,471
Please, just walk me through how--
how this could work to our advantage if--

485

00:21:46,555 --> 00:21:48,390
Okay. Hold on. Hold on. Hold on.

486

00:21:48,473 --> 00:21:50,892
Brad, see if you can get General Tsengjun
up on the screen.

487

00:21:50,976 --> 00:21:51,935
-Yes, sir.
-Great.

488

00:21:52,019 --> 00:21:55,105
I met him a few years ago
at an anti-proliferation conference.

489

00:21:55,188 --> 00:21:56,023
He's a good man.

490

00:21:56,106 --> 00:22:01,486
Mark, you know that this kind of
personal diplomacy yields no results.

491

00:22:01,570 --> 00:22:04,406
Sometimes it's important

that cooler heads prevail.

492

00:22:05,407 --> 00:22:07,367

Hi. What is the country code for China?

493

00:22:07,451 --> 00:22:08,869

Eighty-six!

494

00:22:09,328 --> 00:22:11,621

I was so happy to hear
you're running again.

495

00:22:12,331 --> 00:22:13,248

[Erin grunts]

496

00:22:13,457 --> 00:22:14,541

Dad told you?

497

00:22:14,624 --> 00:22:16,710

No, uh, one of the girls mentioned it.

498

00:22:17,627 --> 00:22:20,172

She kind of couldn't stop talking
about you.

499

00:22:20,255 --> 00:22:22,090

Even when I told her
you're just in high school.

500

00:22:22,174 --> 00:22:23,050

Oh.

501

00:22:23,467 --> 00:22:24,968

I think that's why she's here.

502

00:22:25,385 --> 00:22:26,595

Don't hang out with her.

503

00:22:28,055 --> 00:22:29,890

Mom, there's something you need to know,

504

00:22:29,973 --> 00:22:33,310
and it really shouldn't come from me,
but there's no one else.

505
00:22:34,603 --> 00:22:35,604
So, uh...

506
00:22:36,521 --> 00:22:37,439
Oh, God.

507
00:22:38,940 --> 00:22:40,192
Dad's cheating on you.

508
00:22:41,360 --> 00:22:42,277
He is?

509
00:22:42,736 --> 00:22:43,612
Yeah.

510
00:22:45,947 --> 00:22:47,824
Do you like her? Is she nice to you?

511
00:22:48,658 --> 00:22:51,203
-What the fuck?
-Erin, the f-word.

512
00:22:51,787 --> 00:22:52,662
What the shit?

513
00:22:52,746 --> 00:22:54,331
Okay, well, no one says that.

514
00:22:54,414 --> 00:22:56,875
I just told you Dad's having an affair.
