
EPISODE CAST

Brenton Thwaites	...	Dick Grayson / Robin
Anna Diop	...	Kory Anders
Teagan Croft	...	Rachel Roth
Ryan Potter	...	Gar Logan
Rachel Nichols	...	Angela Azarath
Reed Birney	...	Dr. Adamson
Rachael Crawford	...	Asylum Doctor
Tomaso Sanelli	...	Young Dick Grayson
Torquil Colbo	...	Asylum Tech

Quite the opposite.

51

00:03:07 --> 00:03:13
You were not placed
on this Earth to destroy,

52

00:03:14 --> 00:03:16
but to heal.

53

00:03:23 --> 00:03:25
To save us.

54

00:03:30 --> 00:03:31
I'll prove it.

55

00:03:44 --> 00:03:47
Put your hands on this rended flesh.

56

00:03:50 --> 00:03:52
Save me!

57

00:03:53 --> 00:03:54
-[gasps]
-No!

58

00:03:56 --> 00:03:57
[groaning]

59

00:03:59 --> 00:04:01
[panting]

60

00:04:03 --> 00:04:05
[screaming]

61

00:04:10 --> 00:04:12
[gasping]

62

00:04:25 --> 00:04:26
[gasps]

63

00:04:39 --> 00:04:42

You will heal the world.

64

00:04:55 --> 00:04:57
[theme music playing]

65

00:05:10 --> 00:05:12
How did you know she could do that?

66

00:05:12 --> 00:05:14
[Messenger] I know
everything about her.

67

00:05:14 --> 00:05:16
She will purify the world.

68

00:05:19 --> 00:05:22
There's a prophecy that says
Rachel will destroy the world.

69

00:05:22 --> 00:05:25
-An interpretation based on fear.
-All right, you're sick.

70

00:05:25 --> 00:05:26
[choking]

71

00:05:26 --> 00:05:28
What do you want with Rachel?

72

00:05:28 --> 00:05:31
She will purify the world. [grunts]

73

00:05:32 --> 00:05:34
[groaning]

74

00:05:34 --> 00:05:35
I'm not gonna ask you again.

75

00:05:35 --> 00:05:38
[panting] To reunite her with her father.

76

00:05:42 --> 00:05:44
Who is he? Where is he?

77

00:05:44 --> 00:05:45
I don't know. I swear.

78

00:05:46 --> 00:05:48
[groaning]

79

00:05:48 --> 00:05:50
You can't stop him.

80

00:05:51 --> 00:05:53
Angela couldn't. Melissa couldn't.

81

00:05:53 --> 00:05:57
No one can keep Rachel from him.

82

00:05:57 --> 00:05:58
Who's Angela?

83

00:05:58 --> 00:06:00
[Messenger panting]

84

00:06:02 --> 00:06:04
You said she couldn't
keep Rachel from him.

85

00:06:05 --> 00:06:07
Who is Angela?

86

00:06:07 --> 00:06:09
[groaning]

87

00:06:11 --> 00:06:13
Her mother.

88

00:06:14 --> 00:06:18
Angela is her mother.

89

00:06:18 --> 00:06:20

Now we're getting somewhere.

90

00:06:21 --> 00:06:22

Let's talk about Angela.

91

00:06:23 --> 00:06:25

[groaning]

92

00:06:41 --> 00:06:43

He says your birth mother is still alive.

93

00:06:45 --> 00:06:46

What?

94

00:06:47 --> 00:06:50

He claims they've been holding her prisoner. He may be lying.

95

00:06:52 --> 00:06:55

He says your mother's name is Angela Azarath.

96

00:06:56 --> 00:06:58

They're holding her at some asylum.

97

00:06:58 --> 00:07:03

Apparently, he and his people are dead set on keeping you two apart.

98

00:07:05 --> 00:07:06

Why?

99

00:07:06 --> 00:07:10

[sighs] Some more blabber about Rachel's father and his divine mission.

100

00:07:10 --> 00:07:11

I don't know.

101

00:07:11 --> 00:07:13

Sounds like your mother isn't a fan.

102
00:07:14 --> 00:07:18
My mom's alive. I could meet my mom.

103
00:07:18 --> 00:07:20
[breathing shakily]

104
00:07:20 --> 00:07:22
We have to go. Now.

105
00:07:22 --> 00:07:24
[Dick] Even if he is telling the truth,
this could be a trap.

106
00:07:25 --> 00:07:28
At best, we would be marching
into an enemy stronghold.

107
00:07:28 --> 00:07:29
You've seen what they can do.

108
00:07:29 --> 00:07:32
No one's going anywhere
until we take some time for recon.

109
00:07:32 --> 00:07:34
What if they move her?
They know we have him.

110
00:07:34 --> 00:07:35
I'm not risking all of our lives
on his word.

111
00:07:38 --> 00:07:39
I'm sorry.

112
00:07:39 --> 00:07:41
Tell him he's wrong.

113
00:07:42 --> 00:07:46
I wish I could. You know
how I hate to agree with him, but--

114
00:07:46 --> 00:07:49
All you ever talk about
is finding out who you are.

115
00:07:53 --> 00:07:54
You think we should go. Right, Gar?

116
00:07:58 --> 00:07:59
Gar?

117
00:08:00 --> 00:08:01
I'm sorry, Rachel.

118
00:08:15 --> 00:08:16
Rachel.

119
00:08:29 --> 00:08:31
[knocking on door]

120
00:08:32 --> 00:08:33
Go away.

121
00:08:34 --> 00:08:37
Can I come in? Please?

122
00:08:45 --> 00:08:48
So, you can heal people?

123
00:08:48 --> 00:08:52
Maybe. I think so. Like you care.

124
00:08:52 --> 00:08:55
-Rachel--
-I can't believe you're on their side.

125
00:08:55 --> 00:08:57
Of all people,
I thought you would understand.

126
00:08:57 --> 00:08:58
Ever since my mom...

127
00:08:59 --> 00:09:03
Ever since Melissa died, I've been alone.
I don't have anyone.

128
00:09:04 --> 00:09:05
You've got us.

129
00:09:08 --> 00:09:10
[sighs] You know what I mean, right?

130
00:09:12 --> 00:09:15
Yeah, I do.

131
00:09:16 --> 00:09:19
If I had even the slightest chance
of getting my mom back,

132
00:09:19 --> 00:09:20
there's nothing I wouldn't do.

133
00:09:21 --> 00:09:24
-But you said--
-Yeah, I lied.

134
00:09:25 --> 00:09:27
I just said what they wanted to hear.

135
00:09:28 --> 00:09:30
You get good at that
when you live with Dr. Caulder.

136
00:09:31 --> 00:09:34
If you agree with people,
they tend to leave you alone. [chuckles]

137
00:09:35 --> 00:09:38
-[scoffs] So...
-I'll go with you.

138
00:09:39 --> 00:09:42
If your mom's there, we'll find her.

139

00:09:42 --> 00:09:44

And, uh...

140

00:09:46 --> 00:09:50

I'm thinking... we go in style.

141

00:09:51 --> 00:09:53

[Dick] Public records show

142

00:09:53 --> 00:09:55

that the facility
where Rachel's mom is being held

143

00:09:55 --> 00:09:56

is closed and abandoned.

144

00:09:56 --> 00:09:59

Doesn't look like either one to me.

145

00:09:59 --> 00:10:00

Nope.

146

00:10:00 --> 00:10:04

Fourteen monitored exits.
All hooked up to CCTV and IR sensors.

147

00:10:06 --> 00:10:09

Thermal scans showing upwards of ten
security staff patrolling on the inside.

148

00:10:09 --> 00:10:11

No heat signatures on the outer buildings,

149

00:10:11 --> 00:10:13

but another dozen
are patrolling the grounds.

150

00:10:13 --> 00:10:14

Okay.

151

00:10:14 --> 00:10:16
[Dick typing]

152
00:10:16 --> 00:10:18
So, option one,

153
00:10:19 --> 00:10:21
we walk up and knock on the door.

154
00:10:22 --> 00:10:23
Option two,

155
00:10:24 --> 00:10:27
I blow down the door.
Or option three.

156
00:10:27 --> 00:10:28
Tunnels.

157
00:10:29 --> 00:10:32
Connecting the main asylum
to the decommissioned outbuildings.

158
00:10:32 --> 00:10:34
We use them
to get past the ground patrols.

159
00:10:34 --> 00:10:38
Once inside, we'd still be
pretty heavily outnumbered.

160
00:10:38 --> 00:10:39
But I've faced worse.

161
00:11:07 --> 00:11:08
Damn it!

162
00:11:13 --> 00:11:15
[upbeat music playing over radio]

163
00:11:15 --> 00:11:18
You know, it's a federal offense

to use someone else's Uber account.

164

00:11:19 --> 00:11:20

No, it's not.

165

00:11:21 --> 00:11:24

Even so, Kory may kick your ass.

166

00:11:24 --> 00:11:27

-Eh, you'll protect me.

-Is that so?

167

00:11:27 --> 00:11:28

Yeah, it is.

168

00:11:34 --> 00:11:36

I wonder how long they've had her.

169

00:11:40 --> 00:11:42

Could be why

she never came looking for you.

170

00:11:46 --> 00:11:48

I wonder if she'll even recognize me.

171

00:11:50 --> 00:11:52

Mothers always do.

It's like with animals.

172

00:11:52 --> 00:11:55

Mother wolves always know
their offspring by their scent.

173

00:11:56 --> 00:11:57

You saying I smell?

174

00:12:09 --> 00:12:12

[Gar] I think we'll have to try
the south entrance away from the guards.

175

00:12:13 --> 00:12:15

-I don't think it's a safe bet, but--

-But what?

176

00:12:16 --> 00:12:20

I mean, we came this far, right?
Be stupid to back out now.

177

00:12:24 --> 00:12:26

-So, which way?
-Uh...

178

00:12:27 --> 00:12:29

[sighs] After you.

179

00:12:39 --> 00:12:41

Oh, I can't believe we're doing this.

180

00:12:43 --> 00:12:45

So, do you think she's my mom?

181

00:12:47 --> 00:12:48

-[electricity surges]
-[Gar grunts]

182

00:12:48 --> 00:12:50

[gasps and groans]

183

00:13:05 --> 00:13:07

[Kory] What are the chances
our two geniuses haven't got caught yet?

184

00:13:08 --> 00:13:10

[Dick] Next security sweep
is in ten minutes.

185

00:13:11 --> 00:13:12

Let's go.

186

00:13:41 --> 00:13:43

Left when we get to the end of the tunnel.

187

00:13:54 --> 00:13:55

Gar?

188
00:13:56 --> 00:13:59
[Doctor] Don't worry.
He's just taking a little nap.

189
00:14:00 --> 00:14:01
[Kory] Dick.

190
00:14:03 --> 00:14:05
[Doctor] We've got the girl, too.

191
00:14:06 --> 00:14:08
I don't want to kill either of them,

192
00:14:09 --> 00:14:12
but if you make a move,
I will give the order.

193
00:14:16 --> 00:14:17
Kory, wait.

194
00:14:19 --> 00:14:20
Gas lines. You'll burn us all up.

195
00:14:59 --> 00:15:00
[heart beating]

196
00:15:04 --> 00:15:05
[grunts]

197
00:15:10 --> 00:15:11
Hello, Mr. Grayson.

198
00:15:12 --> 00:15:14
[straining]

199
00:15:14 --> 00:15:17
[Doctor through speakers]
Please relax, Mr. Grayson.

200
00:15:17 --> 00:15:19

I think you'll find it will go easier
if you do.

201

00:15:19 --> 00:15:22

Where's Rachel? If you've hurt her--

202

00:15:22 --> 00:15:24

[Doctor] No one is getting hurt.
Quite the opposite.

203

00:15:24 --> 00:15:26

We're here to help.

204

00:15:26 --> 00:15:29

We're going to give you something
to help you settle down.

205

00:15:32 --> 00:15:34

[Dick] What the fuck is that?
What is that?

206

00:15:34 --> 00:15:37

Don't you fucking touch me!
Don't you fucking dare touch--

207

00:15:38 --> 00:15:39

[grunts]

208

00:15:55 --> 00:15:56

[Kory] Hey!

209

00:16:15 --> 00:16:17

[panting]

210

00:16:22 --> 00:16:24

[grunts]

211

00:16:32 --> 00:16:34

Let me out of here!

212

00:16:35 --> 00:16:39

Do you hear me? I know you hear me!

Let me out!

213

00:16:42 --> 00:16:44

-[typing]

-[Doctor] Shouldn't be long now.

214

00:16:54 --> 00:16:55

[grunts]

215

00:17:01 --> 00:17:02

[typing]

216

00:17:02 --> 00:17:05

She's depleted. Proceed.

217

00:17:09 --> 00:17:10

[vents whirring]

218

00:17:13 --> 00:17:15

[coughing]

219

00:17:32 --> 00:17:33

[asylum tech] Again.

220

00:17:33 --> 00:17:35

-[electricity surges]

-[Gar screaming and panting]

221

00:17:37 --> 00:17:41

[asylum tech] Now, now, Garfield.

Stop resisting.

222

00:17:42 --> 00:17:46

All that we want is

for you to show us what you are.

223

00:17:46 --> 00:17:47

[electricity surges]

224

00:17:47 --> 00:17:49

[screaming and gasping]

225

00:17:52 --> 00:17:53
That felt good!

226

00:17:54 --> 00:17:58
Don't worry.
It's going to get much, much better.

227

00:17:58 --> 00:18:01
-[electricity surges]
-[Gar screaming]

228

00:18:02 --> 00:18:04
[dishes clattering]

229

00:18:14 --> 00:18:16
[Rachel] How did you get here?

230

00:18:23 --> 00:18:24
Where's Gar?

231

00:18:25 --> 00:18:26
You better not have hurt him.

232

00:18:27 --> 00:18:31
You may be inclined to use your abilities
to escape this situation,

233

00:18:31 --> 00:18:36
but if you do, it won't be just Gar
that you place in danger.

234

00:18:37 --> 00:18:39
What are you talking about?

235

00:18:41 --> 00:18:44
Quite noble,
how they came looking for you.

236

00:18:48 --> 00:18:50
Where are they?

237

00:18:50 --> 00:18:52
[Messenger] Undergoing evaluation.

238
00:18:53 --> 00:18:54
They could be useful to us.

239
00:18:57 --> 00:18:59
[Rachel] Who are you fucking people?

240
00:18:59 --> 00:19:03
We are but servants
tasked with finding you,

241
00:19:04 --> 00:19:08
so that you and your father
can be reunited.

242
00:19:15 --> 00:19:18
You said my mother was here.
Was that a lie?

243
00:19:23 --> 00:19:26
Is she here? Is my mother alive?

244
00:19:28 --> 00:19:29
Yes.

245
00:19:32 --> 00:19:34
I want to see her.

246
00:19:35 --> 00:19:36
No.

247
00:19:37 --> 00:19:38
Why?

248
00:19:38 --> 00:19:41
She tried to hide you from us.

249
00:19:41 --> 00:19:43
To keep you from your father.

250

00:19:45 --> 00:19:48
Perhaps it was a mistake
keeping her alive.

251

00:19:50 --> 00:19:53
We believed that she could lead us to you.

252

00:19:53 --> 00:19:55
[scoffs]

253

00:19:57 --> 00:19:58
But we have you now.

254

00:19:59 --> 00:20:00
Don't hurt her.

255

00:20:04 --> 00:20:07
Well, I suppose that depends on you.

256

00:20:29 --> 00:20:31
-[surgeon 1] Subject ready.
-[surgeon 2] Shall we begin?

257

00:20:46 --> 00:20:48
[muffled groaning]

258

00:20:58 --> 00:20:59
[Robin grunts]

259

00:21:12 --> 00:21:14
[groans]

260

00:21:17 --> 00:21:20
[panting]

261

00:21:24 --> 00:21:28
[Doctor through speakers] It's useless
to deny who you really are, Mr. Grayson.

262

00:21:29 --> 00:21:30
This isn't who I am.

263

00:21:30 --> 00:21:32
