[Krypto whimpers]

405

00:25:54 --> 00:25:56

I know. I'm hungry, too, buddy.

406

00:25:58 --> 00:25:59

Maybe she'll bring us some hot dogs.

407

00:26:00 --> 00:26:02

Get it? Hot dogs?

408

00:26:02 --> 00:26:03

[laughing]

409

00:26:03 --> 00:26:04

-Dogs? Get it?

-[whimpers]

410

00:26:07 --> 00:26:08

[man] Get back in the car!

411

00:26:09 --> 00:26:10

[woman] Stop it!

412

00:26:11 --> 00:26:13

Get your hands off of me!

413

00:26:14 --> 00:26:16

[woman screaming]

414

00:26:20 --> 00:26:21

[Eve] Hey.

415

00:26:21 --> 00:26:23

Hey, don't.

416

00:26:24 --> 00:26:25

-He's hurting her.

-Just let it go.

417

00:26:25 --> 00:26:26

Why?

418

00:26:27 --> 00:26:28

Because I said so.

419

00:26:33 --> 00:26:35

[car door opening]

420

00:26:43 --> 00:26:44

-You should have let me help.

-Nope.

421

00:26:44 --> 00:26:47

Because if you make a scene,
then Cadmus finds us that much faster.

422

00:26:47 --> 00:26:49

So what? I don't care!

And you're not my mom!

423

00:26:50 --> 00:26:50

You're damn right, I'm not!

424

00:26:53 --> 00:26:56

All right, there's a word, "consequences."

425

00:26:56 --> 00:26:57

Do you know what that means?

426

00:26:58 --> 00:26:59

No.

427

00:26:59 --> 00:27:00

I didn't think so.

428

00:27:00 --> 00:27:04

Okay. Consequences are
the shitty things that happen

429

00:27:04 --> 00:27:06

when you make stupid decisions
without thinking.

430

00:27:06 --> 00:27:07

I can do whatever I want.

431

00:27:07 --> 00:27:09

No, you can't. That's the problem.

432

00:27:09 --> 00:27:12

You don't have the maturity
to do what's in your best interest.

433

00:27:12 --> 00:27:13

Fine. Then I'm leaving.

434

00:27:15 --> 00:27:16

Come on, buddy.

435

00:27:17 --> 00:27:18

Don't you dare!

436

00:27:18 --> 00:27:22

You come right back here, now!
Both of you!

437

00:27:26 --> 00:27:29

This is exactly the sort of behavior
that's gonna get you in trouble.

438

00:27:30 --> 00:27:32

What were you gonna do to that guy, huh?

439

00:27:33 --> 00:27:34

I was gonna make him
leave his girlfriend alone.

440

00:27:34 --> 00:27:36

How? Were you gonna throw him
through a wall?

441

00:27:37 --> 00:27:38

-Maybe.

-Were you gonna kill him?

442

00:27:38 --> 00:27:41
-[voice booming] I don't know!
-[car alarms blaring]

443

00:27:47 --> 00:27:49
Okay. Okay. Fine.

444

00:27:50 --> 00:27:52
You wanna know who you are? What you are?

445

00:27:55 --> 00:27:56
Let's go.

446

00:27:57 --> 00:27:58
Go where?

447

00:28:04 --> 00:28:05
I'm gonna show you.

448

00:28:12 --> 00:28:13
Come on, buddy.

449

00:28:18 --> 00:28:20
[thunder rumbling]

450

00:28:20 --> 00:28:22
[rain pattering]

451

00:28:38 --> 00:28:40
What are you doing?

452

00:28:40 --> 00:28:43
Having breakfast. You want some?

453

00:28:43 --> 00:28:44
That smells like brandy.

454

00:28:50 --> 00:28:52
Why are you drinking that stuff?

455

00:28:53 --> 00:28:54
[Eve exhales]

456

00:28:54 --> 00:28:55
This is what grown-ups do

457

00:28:56 --> 00:28:58
when they don't like
the way that they're feeling.

458

00:29:03 --> 00:29:04
Where are we?

459

00:29:06 --> 00:29:08
Cadmus Industries.

460

00:29:12 --> 00:29:14
"A better future, tomorrow."

461

00:29:17 --> 00:29:18
Welcome home, Conner.

462

00:29:25 --> 00:29:26
[Krypto barks]

463

00:29:29 --> 00:29:30
[Krypto whines]

464

00:29:42 --> 00:29:43
[Conner] What happened here?

465

00:29:43 --> 00:29:45
[Eve] There was an isobutylene explosion.

466

00:29:46 --> 00:29:48
The fumes were highly toxic.

467

00:29:48 --> 00:29:52
Sixteen people were killed
and the entire facility was condemned.

468

00:29:53 --> 00:29:54
What was this place?

469

00:29:54 --> 00:29:57
This was a chemical factory and lab.

470

00:29:57 --> 00:30:00
Walter Hawn used to say, "This was where
the devil's work got done."

471

00:30:02 --> 00:30:04
Fire alarm went off just after lunch.

472

00:30:06 --> 00:30:07
Everyone was evacuated.

473

00:30:08 --> 00:30:09
We thought we'd be back
within a couple of days

474

00:30:10 --> 00:30:12
and things would go back to normal,
but they never did.

475

00:30:13 --> 00:30:14
[Conner] I don't understand.

476

00:30:15 --> 00:30:16
What are we doing here?

477

00:30:17 --> 00:30:18
I wanted to meet Lex Luthor.

478

00:30:19 --> 00:30:21
[Eve] That's why we're here.

479

00:30:21 --> 00:30:22
This place?

480

00:30:23 --> 00:30:25
This is Lex Luthor.

481

00:30:40 --> 00:30:43
-[Conner] "Project Rakshasa"?
-Don't ask.

482

00:30:44 --> 00:30:46
-[Conner] Was it something bad?
-[Eve scoffs]

483

00:30:46 --> 00:30:48
Lex Luthor used to say,

484

00:30:48 --> 00:30:51
"Knowledge is a fire that, once lit,
can never be extinguished."

485

00:30:51 --> 00:30:53
He thought he was being clever.

486

00:30:53 --> 00:30:56
He was mangling the words
of the man who invented the atomic bomb,

487

00:30:56 --> 00:31:01
"Knowledge is a fire that,
absent of morality, will consume us all."

488

00:31:02 --> 00:31:03
I don't wanna be here.

489

00:31:03 --> 00:31:04
I wanna leave.

490

00:31:04 --> 00:31:06
I lied to you, Conner.

491

00:31:06 --> 00:31:09
I told you that there's no such thing
as a bad science experiment.

492

00:31:09 --> 00:31:10
Of course there is.

493

00:31:11 --> 00:31:15

Tuskegee, MK-Ultra, the Nazis, and this.

494

00:31:16 --> 00:31:19

Eve Watson's Nobel Prize-losing work.

495

00:31:19 --> 00:31:20

Stop...

496

00:31:23 --> 00:31:24

doing that.

497

00:31:26 --> 00:31:30

Lex Luthor wanted to clone Superman,
but he just couldn't figure out how.

498

00:31:31 --> 00:31:35

I told him he needed to use human genes
to stabilize the alien ones.

499

00:31:38 --> 00:31:42

I gave him the idea
to use his own DNA to create you.

500

00:31:44 --> 00:31:46

You're saying I'm bad?

501

00:31:47 --> 00:31:47

No.

502

00:31:49 --> 00:31:51

[voice breaking] I'm saying I am.

503

00:31:53 --> 00:31:57

I had so many chances
to go against Cadmus.

504

00:31:58 --> 00:31:59

I could have left.

505

00:31:59 --> 00:32:03
I could have tried harder to stop them.
But I didn't.

506
00:32:04 --> 00:32:08
I told myself there would be at least
one good person involved in this project.

507
00:32:08 --> 00:32:10
But I'm no better than Lex Luthor,

508
00:32:10 --> 00:32:15
because when it comes right down to it,
I just wanted to see if we could do it.

509
00:32:18 --> 00:32:19
I don't think you're bad.

510
00:32:20 --> 00:32:21
I just wanna leave.

511
00:32:25 --> 00:32:28
You said you wanted to know who you are
and where you come from.

512
00:32:30 --> 00:32:32
All the answers that you're looking for...

513
00:32:34 --> 00:32:36
are on the other side of that door.

514
00:32:38 --> 00:32:40
You're the only person
who could possibly open it.

515
00:32:42 --> 00:32:44
But, kiddo, I really suggest you don't.

516
00:33:00 --> 00:33:01
[whimpers]

517
00:33:04 --> 00:33:05

[barks]

518

00:33:06 --> 00:33:07
I have to.

519

00:33:08 --> 00:33:09
[whimpering]

520

00:33:17 --> 00:33:19
[metal creaking loudly]

521

00:35:00 --> 00:35:02
I know what I am now.

522

00:35:05 --> 00:35:08
-[gasps]
-[barking]

523

00:35:08 --> 00:35:09
-[choking]
-[barking continues]

524

00:35:11 --> 00:35:12
[Eve] Conner...

525

00:35:12 --> 00:35:14
What the hell's the matter with you?

526

00:35:17 --> 00:35:19
-[gasping]
-[Krypto barking]

527

00:35:23 --> 00:35:25
[coughing]

528

00:35:27 --> 00:35:29
That's why you brought me here?

529

00:35:30 --> 00:35:32
[angrily] You wanted me to see what I am?

530

00:35:36 --> 00:35:38
[softly] I'm a monster.

531
00:35:38 --> 00:35:41
I didn't bring you here to shame you.

532
00:35:42 --> 00:35:44
I brought you here to warn you.

533
00:35:46 --> 00:35:47
You're not Lex Luthor.

534
00:35:48 --> 00:35:50
And you're not Superman.

535
00:35:51 --> 00:35:52
You're both.

536
00:35:52 --> 00:35:55
Which means you have to be very careful.

537
00:35:56 --> 00:35:57
[sobbing] I'm sorry.

538
00:35:59 --> 00:36:00
I just...

539
00:36:01 --> 00:36:04
I got so mad.

540
00:36:05 --> 00:36:06
I know.

541
00:36:08 --> 00:36:10
Sometimes, that anger will be yours.

542
00:36:11 --> 00:36:13
And sometimes, it will be his.

543
00:36:15 --> 00:36:18
And either way,

you have got to learn how to control it.

544

00:36:22 --> 00:36:24

When you woke up yesterday...

545

00:36:26 --> 00:36:28

why did you attack those scientists?

546

00:36:28 --> 00:36:31

I heard someone howling in pain.

547

00:36:34 --> 00:36:36

It was Krypto.

They were experimenting on him.

548

00:36:37 --> 00:36:39

I wanted to make it stop.

549

00:36:40 --> 00:36:43

And when those men from Cadmus
tried to capture you last night...

550

00:36:44 --> 00:36:46

why did you kill them?

551

00:36:46 --> 00:36:47

They were hurting the old man.

552

00:36:49 --> 00:36:50

He was helpless. It wasn't fair.

553

00:36:52 --> 00:36:52

See?

554

00:36:54 --> 00:36:56

You're not a monster.

555

00:36:57 --> 00:36:58

You're a person.

556

00:37:00 --> 00:37:02

What does that mean?

557

00:37:04 --> 00:37:05

That means...

558

00:37:11 --> 00:37:12

[chuckles softly]

559

00:37:13 --> 00:37:15

Your life is gonna be difficult...

560

00:37:17 --> 00:37:18

and complicated...

561

00:37:19 --> 00:37:21

and painful...

562

00:37:22 --> 00:37:24

and sometimes full of joy.

563

00:37:28 --> 00:37:33

Just remember, people are not
what they say they're going to do.

564

00:37:33 --> 00:37:36

They are what they do.

565

00:37:39 --> 00:37:40

So, what should I do?

566

00:37:41 --> 00:37:42

Run.

567

00:37:43 --> 00:37:45

Don't put down roots.

568

00:37:45 --> 00:37:46

Be careful who you trust.

569

00:37:46 --> 00:37:50

Don't use your powers,

because that will draw attention to you,

570

00:37:50 --> 00:37:51
and for you, that is a bad thing.

571

00:37:53 --> 00:37:54
And above all...

572

00:37:56 --> 00:37:58
-don't be a hero.
-[Krypto whimpers]

573

00:37:58 --> 00:38:00
-[door opens]
-[growls]

574

00:38:01 --> 00:38:02
It's time to start running.

575

00:38:03 --> 00:38:04
[Conner] No, I...

576

00:38:04 --> 00:38:06
I can't leave you here.

577

00:38:07 --> 00:38:08
They'll kill you.

578

00:38:08 --> 00:38:11
What are you gonna do?
Save my life by killing all of them?

579

00:38:11 --> 00:38:13
[Conner] But you said they made you bad.

580

00:38:14 --> 00:38:16
They didn't make me bad.

581

00:38:17 --> 00:38:19
You have a chance to be good.

582

00:38:20 --> 00:38:22
To be better than I am.

583
00:38:22 --> 00:38:24
You have to get out of here.

584
00:38:24 --> 00:38:26
[stammers] I don't wanna leave you.

585
00:38:28 --> 00:38:29
Go.

586
00:38:38 --> 00:38:39
Where is he?

587
00:38:39 --> 00:38:42
[Eve] I don't know! He tried to kill me.
I begged for my life.

588
00:38:49 --> 00:38:50
Bullshit.

589
00:38:50 --> 00:38:52
This time...

590
00:38:54 --> 00:38:56
we're doing it my way.

591
00:39:02 --> 00:39:03
Let's go!

592
00:39:09 --> 00:39:11
-[indistinct chatter]
-[blows landing]

593
00:39:11 --> 00:39:13
-[man groaning]
-[Krypto whimpers]

594
00:39:15 --> 00:39:16
-[barks]
-No, boy.

595
00:39:17 --> 00:39:18
We can't.

596
00:39:25 --> 00:39:26
[helicopter whirring]

597
00:39:28 --> 00:39:30
[glass breaking]

598
00:39:34 --> 00:39:35
Hang on.

599
00:39:42 --> 00:39:43
No!

600
00:39:59 --> 00:40:00
[both panting]

601
00:40:01 --> 00:40:02
Who the fuck are you?

602
00:40:03 --> 00:40:04
I'm not super sure yet.

603
00:40:11 --> 00:40:12
[Jason grunts]

604
00:40:21 --> 00:40:22
Whoever you are...

605
00:40:24 --> 00:40:25
I don't know how to thank you.

606
00:40:27 --> 00:40:29
I'm just glad I could help.

607
00:40:29 --> 00:40:30
[laughs]

608

00:40:30 --> 00:40:33
[gun firing]

609
00:40:34 --> 00:40:35
[gasping]

610
00:40:36 --> 00:40:37
[Conner groaning]

611
00:40:40 --> 00:40:41
Jason?

612
00:40:44 --> 00:40:45
What happened?

613
00:40:45 --> 00:40:47
-[gasping]
-This guy just saved my life.

614
00:40:53 --> 00:40:56
[distorted] Hang in there, buddy.
All right?

615
00:41:00 --> 00:41:01
[whimpering]

616
00:41:06 --> 00:41:08
[melancholy music playing]
