

# TITANS

**CREATED BY**

Greg Berlanti | Akiva Goldsman | Geoff Johns

**BASED ON**

"Teen Titans" by Bob Haney | Bruno Premiani

**EPISODE 2.07**

**"Bruce Wayne"**

Dick tries to shake an uneasy feeling in his conscience while an ostracized Jason gets to know Rose. Also, Eve searches for a way to help Conner.

Iain Glen	...	Bruce Wayne
Genevieve Angelson	...	Dr. Eve Watson
Natalie Gumede	...	Mercy Graves
Demore Barnes	...	William Wintergreen
Curtis Lum	...	Benny
Natalie Liconti	...	MC
Olunike Adeliyi	...	Matti Matisse

1

00:00:13 --> 00:00:14  
[Dick] Previously on Titans...

2

00:00:14 --> 00:00:15  
[Conner] What am I?

3

00:00:15 --> 00:00:19  
You were the genetic material  
of two different people blended together.

4

00:00:19 --> 00:00:21  
-Lex Luthor.  
-And who else?

5

00:00:21 --> 00:00:23  
-[chuckles] Superman.  
-If they get me, what will they do to me?

6

00:00:23 --> 00:00:24  
[Mercy] We're doing it my way.

7

00:00:24 --> 00:00:26  
-I don't wanna leave you.  
-Go.

8

00:00:26 --> 00:00:29  
Don't use your powers, don't be a hero.

9

00:00:29 --> 00:00:31  
If I'm Robin, who are you?

10

00:00:31 --> 00:00:33  
That's a good question.

11

00:00:33 --> 00:00:35  
His name is Deathstroke.  
Old Titans business.

12

00:00:35 --> 00:00:37  
-That's Rose's father?  
-He killed my brother.

13

00:00:38 --> 00:00:39  
I'm Dick.

14

00:00:39 --> 00:00:41  
[Rose] Said big brother  
fell in with the wrong crowd.

15

00:00:41 --> 00:00:43  
[Dick] I'm training them to be  
a better version of us.

16

00:00:43 --> 00:00:44  
[Donna] But there's ghosts in this place.

17

00:00:44 --> 00:00:47  
Do they even know what happened last time?

18

00:00:49 --> 00:00:50  
[Donna] Garth!

19

00:00:50 --> 00:00:52  
[Dawn] Reopening this tower was a mistake.

20

00:00:52 --> 00:00:55  
How many people have to die  
for you to realize that?

21

00:00:55 --> 00:00:57  
[Dick] You want revenge for what happened,  
you can have me.

22

00:00:59 --> 00:01:00  
Say goodbye to your friend.

23

00:01:00 --> 00:01:01  
[Dick] No!

24

00:01:06 --> 00:01:08  
-[Jason] I don't know how to thank you.  
-[gun firing]

25

00:01:09 --> 00:01:11  
-[gasping]  
-This guy just saved my life.

26  
00:01:15 --> 00:01:17  
[Jason screaming]

27  
00:01:18 --> 00:01:20  
No!

28  
00:01:59 --> 00:02:01  
[Bruce] They say the suit makes the man.

29  
00:02:03 --> 00:02:07  
In your case, I guess it would be a...  
memorial urn.

30  
00:02:07 --> 00:02:12  
A whole life reduced  
to a decorative can of ash.

31  
00:02:13 --> 00:02:15  
But you're not sentimental, are you?

32  
00:02:15 --> 00:02:16  
[chuckles]

33  
00:02:16 --> 00:02:18  
When you walk away from a job,  
you really walk away.

34  
00:02:19 --> 00:02:22  
Let things go, let, ooh, people... go.

35  
00:02:29 --> 00:02:32  
I guess you figured one less Robin  
in the world wouldn't hurt.

36  
00:02:35 --> 00:02:39  
Or maybe you had another idea.  
Let me guess.

37

00:02:40 --> 00:02:43  
You were gonna trade  
your life for Jason's.

38  
00:02:44 --> 00:02:45  
Noble.

39  
00:02:46 --> 00:02:48  
And fuckin' stupid.

40  
00:02:48 --> 00:02:49  
You thought Deathstroke wanted you?

41  
00:02:49 --> 00:02:52  
Guess what, precious?  
He wants everybody but you.

42  
00:02:53 --> 00:02:54  
At least for now.

43  
00:02:56 --> 00:02:58  
You were supposed to protect these kids.

44  
00:02:59 --> 00:03:03  
That's why I sent Jason to you.  
You were supposed to make him right.

45  
00:03:03 --> 00:03:07  
Instead, you hurt him, you ostracized him,  
humiliated him.

46  
00:03:08 --> 00:03:09  
You lied to him.

47  
00:03:10 --> 00:03:14  
Not the florid lies  
you told in grade school. This was, uh...

48  
00:03:15 --> 00:03:16  
more insidious.

49  
00:03:16 --> 00:03:19

A lie of... omission.

50

00:03:20 --> 00:03:23

This blood feud  
between you and Deathstroke...

51

00:03:23 --> 00:03:26

you just let Jason walk  
right into the middle of it.

52

00:03:28 --> 00:03:29

Psst. Hey.

53

00:03:30 --> 00:03:32

You know what this is really about?

54

00:03:34 --> 00:03:34

[door opens]

55

00:03:35 --> 00:03:36

[Dawn] Dick?

56

00:03:41 --> 00:03:41

You okay?

57

00:03:44 --> 00:03:45

Yeah.

58

00:03:45 --> 00:03:47

I can't say the same about the kid  
who saved Jason.

59

00:03:49 --> 00:03:50

I thought you patched him up.

60

00:03:50 --> 00:03:55

I did the best I could, considering.  
But there are complications.

61

00:03:56 --> 00:03:58

You might wanna come take a look.

62

00:04:06 --> 00:04:08  
[theme music playing]

63

00:04:21 --> 00:04:22  
[monitor beeping]

64

00:04:28 --> 00:04:29  
[Dick] Is he stable?

65

00:04:30 --> 00:04:31  
For the moment.

66

00:04:31 --> 00:04:33  
Whatever they shot him with  
left something behind.

67

00:04:33 --> 00:04:34  
Some sort of toxin.

68

00:04:35 --> 00:04:36  
Maybe we should take him to a hospital.

69

00:04:36 --> 00:04:40  
[Bruce] Genius. A nice, quiet place  
where they can finish him off.

70

00:04:40 --> 00:04:42  
The boy has special abilities.

71

00:04:42 --> 00:04:43  
Yeah, I think he's safest here.

72

00:04:44 --> 00:04:45  
Okay.

73

00:04:45 --> 00:04:47  
[Dawn] And I think you should call Bruce.

74

00:04:47 --> 00:04:49  
He catalogues these things.  
He might know who he is.

75

00:04:50 --> 00:04:51  
Hello?

76

00:04:51 --> 00:04:52  
Hey, Dick.

77

00:04:53 --> 00:04:54  
Oh, sure, I can look the kid up.

78

00:04:54 --> 00:04:57  
Hey, I just realized  
what your special skill is,

79

00:04:57 --> 00:05:00  
the thing that makes you  
the natural leader in this group.

80

00:05:00 --> 00:05:02  
You're the only one with my phone number.

81

00:05:03 --> 00:05:04  
[Kory] Dick?

82

00:05:07 --> 00:05:09  
-I'll call Bruce.  
-Good. You check on Jason?

83

00:05:11 --> 00:05:12  
On my way.

84

00:05:16 --> 00:05:19  
-[heavy metal music playing]  
-[grunting]

85

00:05:29 --> 00:05:31  
-You all right?  
-All good.

86

00:05:31 --> 00:05:32  
[Bruce] Of course he's all right.

87

00:05:32 --> 00:05:35  
Fifteen stories of free-falling  
probably did him good.

88

00:05:38 --> 00:05:40  
It's past midnight.  
You should probably take it easy.

89

00:05:40 --> 00:05:42  
I don't want to take it easy. I feel good.

90

00:05:43 --> 00:05:47  
[Bruce] More people should drop  
their problem children off buildings.

91

00:05:47 --> 00:05:48  
It clarifies the mind and body.

92

00:05:53 --> 00:05:54  
That was quite the fall you took.

93

00:05:55 --> 00:05:56  
[Jason] Yeah, it was hellacious.

94

00:05:57 --> 00:05:58  
How'd it look from your angle?

95

00:05:59 --> 00:06:00  
Scary.

96

00:06:00 --> 00:06:02  
Well, good thing Conner was there.

97

00:06:05 --> 00:06:06  
I'm sorry.

98

00:06:07 --> 00:06:10  
[Bruce] That should do it.  
"Sorry" always makes things right.

99

00:06:13 --> 00:06:14

[Jason panting]

100

00:06:14 --> 00:06:15

[Bruce] Ah...

101

00:06:16 --> 00:06:17

rest will fix him.

102

00:06:18 --> 00:06:21

Then a team of shrinks, maybe some meds.

103

00:06:21 --> 00:06:23

Uppers, downers, in-betweens.

104

00:06:24 --> 00:06:25

Kid'll be right as rain.

105

00:06:27 --> 00:06:29

-You sure you're all right?

-[Jason] Man, cut the crap.

106

00:06:29 --> 00:06:32

Why don't you say  
what you really want to say, huh?

107

00:06:32 --> 00:06:35

That all this is my fucking fault  
for going out there alone.

108

00:06:36 --> 00:06:38

No.

109

00:06:38 --> 00:06:39

I don't think that.

110

00:06:40 --> 00:06:42

[Bruce] The master of understatement.

111

00:06:45 --> 00:06:45

Rest up.

112

00:06:46 --> 00:06:47

[Bruce] Well done.

113

00:06:47 --> 00:06:49

You can check that off the list.

114

00:06:52 --> 00:06:53

[grunting]

115

00:06:56 --> 00:06:57

[Hank] What's with the Houdini act?

116

00:06:58 --> 00:07:00

-What?

-Out there with Deathstroke.

117

00:07:01 --> 00:07:02

You disappear and leave us in the dark.

118

00:07:02 --> 00:07:06

[Bruce] Houdini is flattering.

Houdini was not suicidal.

119

00:07:06 --> 00:07:08

There's no egg fried rice?

120

00:07:08 --> 00:07:10

[Dawn] You go off by yourself  
with nobody to trade?

121

00:07:10 --> 00:07:11

No backup?

122

00:07:11 --> 00:07:12

Can we not do this now?

123

00:07:12 --> 00:07:14

Now is working for me.

124

00:07:15 --> 00:07:16

[sighs] I fucked up.

125  
00:07:17 --> 00:07:18  
-No shit.  
-[Bruce] No shit.

126  
00:07:20 --> 00:07:21  
[Hank] Is there...

127  
00:07:21 --> 00:07:23  
Is there something you're not telling us?

128  
00:07:24 --> 00:07:25  
Bastard's clever, too.

129  
00:07:26 --> 00:07:27  
No wonder Dawn made the trade.

130  
00:07:27 --> 00:07:31  
I always imagined it was a lateral move,  
but now I see it's an upgrade.

131  
00:07:31 --> 00:07:32  
Something to do with Deathstroke, maybe?

132  
00:07:33 --> 00:07:33  
There's nothing.

133  
00:07:34 --> 00:07:36  
It was just a tactical error.

134  
00:07:36 --> 00:07:38  
Military speak for when  
you're bald-faced lying.

135  
00:07:38 --> 00:07:39  
You take note, kids.

136  
00:07:39 --> 00:07:41  
-[Dick] I'll take care of it.  
-Everything else has gone so well.

137  
00:07:41 --> 00:07:43

-[Dawn] Where are you going?  
-Be back later.

138  
00:07:43 --> 00:07:45  
People were just shooting at us  
and you're gonna go out?

139  
00:07:45 --> 00:07:47  
It's nothing to worry about, kids.

140  
00:07:47 --> 00:07:49  
Just a mild psychic split.

141  
00:07:49 --> 00:07:52  
Anybody need anything? Milk? Eggs?

142  
00:07:52 --> 00:07:54  
Body bags?

143  
00:07:58 --> 00:08:00  
-[water running]  
-[Kory humming]

144  
00:08:10 --> 00:08:11  
[Kory gasps]

145  
00:08:11 --> 00:08:13  
[speaking Kryptonian]

146  
00:08:13 --> 00:08:14  
[Kory grunts]

147  
00:08:14 --> 00:08:17  
[both speaking Kryptonian]

148  
00:08:18 --> 00:08:20  
-[Dawn] Kory.  
-[Kory exhales heavily]

149  
00:08:22 --> 00:08:25  
-What did you say?  
-Let go of my damn arm.

150  
00:08:25 --> 00:08:26  
He's from Tamaran?

151  
00:08:26 --> 00:08:29  
No, Kryptonian. It's a dead language.

152  
00:08:29 --> 00:08:30  
[groans]

153  
00:08:33 --> 00:08:35  
Which also explains this IV.

154  
00:08:36 --> 00:08:39  
I couldn't get it in.  
His skin is completely impenetrable.

155  
00:08:39 --> 00:08:40  
[softly] Where's Eve?

156  
00:08:41 --> 00:08:45  
Where's Eve? Where's Eve?

157  
00:08:45 --> 00:08:46  
He's saying "Eve."

158  
00:08:47 --> 00:08:48  
Who the hell is Eve?

159  
00:08:58 --> 00:09:00  
[door opening]

160  
00:09:03 --> 00:09:05  
[Mercy] I'm thinking of teaching him  
to do a new trick.

161  
00:09:07 --> 00:09:08  
How about "play dead"?

162  
00:09:09 --> 00:09:11  
-[Eve] Where is he?

-Subject 13?

163

00:09:11 --> 00:09:12  
It's dead.

164

00:09:13 --> 00:09:15  
Mmm... almost dead.

165

00:09:16 --> 00:09:18  
I suppose by now the Kryptonite  
should have done its job.

166

00:09:19 --> 00:09:19  
[stammers]

167

00:09:20 --> 00:09:22  
-You don't have him?  
-Luthor considers it another write-off.

168

00:09:23 --> 00:09:24  
On to Subject 14.

169

00:09:25 --> 00:09:27  
You just... left him to die?

170

00:09:28 --> 00:09:30  
If you'd just brought it back to us  
as instructed,

171

00:09:30 --> 00:09:31  
all of this could have been avoided.

172

00:09:32 --> 00:09:33  
Assemble another team.  
Bring him back here.

173

00:09:33 --> 00:09:35  
If I just have another couple of hours  
with him in the lab--

174

00:09:36 --> 00:09:38  
It's over. Subject 13 has been terminated.

175  
00:09:39 --> 00:09:40  
And so have you.

176  
00:09:41 --> 00:09:43  
Mr. Luthor wants you  
off the premises within the hour.

177  
00:09:45 --> 00:09:46  
Let's have your party pass.

178  
00:09:47 --> 00:09:48  
[scoffs]

179  
00:09:53 --> 00:09:55  
Have you considered  
that this might all be for the best?

180  
00:09:57 --> 00:09:59  
No, Mercy. I haven't.

181  
00:09:59 --> 00:10:00  
Think about it.

182  
00:10:00 --> 00:10:05  
A thing made from even a little  
of Lex Luthor's DNA... that's super?

183  
00:10:05 --> 00:10:07  
Have you met our boss?

184  
00:10:08 --> 00:10:10  
There's no good end to that story.

185  
00:10:11 --> 00:10:12  
The world's better off without it.

186  
00:10:13 --> 00:10:14  
Conner.

187  
00:10:16 --> 00:10:17

What?

188

00:10:17 --> 00:10:20  
He's a person. He has a name.  
His name is Conner.

[Jason] Fuck.

386

00:21:08 --> 00:21:10

Look, I'm sorry. Don't hit me.

387

00:21:11 --> 00:21:13

[Rose] It's a thing that happened.

388

00:21:14 --> 00:21:16

Don't get stupid about it  
and it might happen again.

389

00:21:19 --> 00:21:20  
[whispers] Okay.

390

00:21:32 --> 00:21:33  
What?

391

00:21:34 --> 00:21:36  
The fuck you doing  
with my brother's record?

392

00:21:36 --> 00:21:37  
You have a brother?

393

00:21:37 --> 00:21:38  
I did.

394

00:21:38 --> 00:21:40  
This is his. This is his handwriting.

395

00:21:40 --> 00:21:41  
How the fuck did it get here?

396

00:21:41 --> 00:21:43  
They're Dick's. I borrowed them.

397

00:21:43 --> 00:21:46  
-Okay, maybe he bought them secondhand.  
-Bullshit.

398

00:21:46 --> 00:21:47  
You guys playing me?

399

00:21:47 --> 00:21:50  
-What am I, bait?  
-What are you talking about, Rose?

400

00:21:50 --> 00:21:52  
Don't fucking lie to me!  
This is my dead brother's shit.

401

00:21:53 --&gt; 00:21:55

Did you use him to get to Deathstroke?  
And you're using me, too?

402

00:21:55 --&gt; 00:21:58

Rose, calm down, okay?  
What are you talking about?

403

00:21:58 --&gt; 00:21:59

Deathstroke killed my brother.

404

00:22:00 --&gt; 00:22:04

Rumor was he fell in with the wrong crowd,  
people who used him to get to my dad.

405

00:22:05 --&gt; 00:22:06

Sound familiar?

406

00:22:07 --&gt; 00:22:10

If this record is here,  
then my brother was here.

407

00:22:11 --&gt; 00:22:13

Dick knew him and he never told me!

408

00:22:14 --&gt; 00:22:15

You know what? Fuck him!

409

00:22:15 --&gt; 00:22:17

-Fuck all of you!  
-Rose!

410

00:22:19 --&gt; 00:22:20

Rose, wait!

411

00:22:20 --&gt; 00:22:21

Fuck.

412

00:22:22 --&gt; 00:22:22

[sighs]

413

00:22:25 --> 00:22:27  
[Bruce] This doesn't feel right  
and you know it.

414

00:22:30 --> 00:22:31  
What are we really doing?

415

00:22:31 --> 00:22:33  
Finding Deathstroke.

416

00:22:34 --> 00:22:35  
Then what?

417

00:22:35 --> 00:22:36  
Bury him.

418

00:22:37 --> 00:22:38  
You mean so you can bury your secret.

419

00:22:38 --> 00:22:40  
We all played our part.

420

00:22:40 --> 00:22:43  
Yeah, but yours was a featured role.

421

00:22:52 --> 00:22:53  
[beeping]

422

00:22:57 --> 00:22:59  
Hey, get out of here.

423

00:23:14 --> 00:23:15  
Hey, scat!

424

00:23:29 --> 00:23:30  
Where's Slade?

425

00:23:33 --> 00:23:34  
[chuckles softly]

426

00:23:35 --> 00:23:37  
I'm not sure which one's crazier.

427  
00:23:37 --> 00:23:39  
You or him.

428  
00:23:39 --> 00:23:40  
[scoffs]

429  
00:23:46 --> 00:23:47  
[gun cocks]

430  
00:23:51 --> 00:23:53  
[Bruce] Pretty sure you win, Dick.

431  
00:23:56 --> 00:23:57  
Where is he?

432  
00:23:59 --> 00:24:00  
You've hit a dead end.

433  
00:24:00 --> 00:24:02  
-Next round's in the stomach.  
-I know.

434  
00:24:02 --> 00:24:06  
The thing is, I'm a middleman, a buffer...

435  
00:24:06 --> 00:24:09  
a safety zone  
between guys like you and Slade.

436  
00:24:10 --> 00:24:11  
So kill me if you want,

437  
00:24:12 --> 00:24:14  
but I didn't get this job  
'cause I'm personable.

438  
00:24:15 --> 00:24:17  
I got this job 'cause I hold the line.

439  
00:24:24 --> 00:24:26  
How long has it been since that went down  
with you and Slade?

440  
00:24:26 --> 00:24:28  
-[Bruce] Oh, please, God.  
-Five years.

441  
00:24:29 --> 00:24:29  
Thank you.

442  
00:24:30 --> 00:24:34  
You crossed the line, man.  
Used the man's family.

443  
00:24:34 --> 00:24:36  
-Even I wouldn't I do that.  
-Dick.

444  
00:24:36 --> 00:24:38  
-The fuck is he?  
-[Bruce] These guys are playing you.

445  
00:24:38 --> 00:24:40  
You should get back to the Tower.

446  
00:24:40 --> 00:24:41  
-Back to where you're needed.  
-Stop.

447  
00:24:41 --> 00:24:43  
-Stop fucking talking.  
-Are you all right?

448  
00:24:44 --> 00:24:45  
[groans]

449  
00:24:48 --> 00:24:50  
You kill him, then Slade, then who?

450  
00:24:50 --> 00:24:52  
Who else you gotta kill

to keep this secret?

451

00:24:56 --> 00:24:57  
[Dick sighs]

452

00:24:57 --> 00:24:59  
[Bruce] And I'm the one  
with the anger issues?

453

00:25:02 --> 00:25:03  
What now, genius?

454

00:25:05 --> 00:25:06  
Come on.

455

00:25:06 --> 00:25:08  
-What say we--  
-[phone vibrating]

456

00:25:15 --> 00:25:16  
Hello?

457

00:25:16 --> 00:25:19  
[Deathstroke] 123 Lakeland.

458

00:25:19 --> 00:25:20  
What?

459

00:25:20 --> 00:25:22  
You'll remember it when you see it.

460

00:25:23 --> 00:25:25  
[phone clicks]

461

00:25:25 --> 00:25:28  
Deathstroke again, huh? Let me guess.

462

00:25:29 --> 00:25:30  
We have a date.

463

00:25:38 --> 00:25:39

Uh, I need chives.

464

00:25:42 --> 00:25:44  
Chives coming right up.

465

00:25:53 --> 00:25:55  
Did you take this from my dresser?

466

00:25:56 --> 00:25:57  
No.

467

00:25:58 --> 00:25:59  
Somebody did.

468

00:26:01 --> 00:26:03  
Somebody's fucking with us.

469

00:26:03 --> 00:26:05  
-Bad timing?  
-[Dawn] Look at this.

470

00:26:07 --> 00:26:08  
This is our friend who Dr. Light killed.

471

00:26:08 --> 00:26:11  
Someone took it from my dresser  
and put it there for me to find.

472

00:26:12 --> 00:26:14  
There was a bottle of orange soda  
like the one Garth gave me

473

00:26:14 --> 00:26:16  
waiting on my bed this morning.

474

00:26:17 --> 00:26:18  
A bottle of bourbon for me.

475

00:26:20 --> 00:26:22  
Why didn't you tell me?

476

00:26:24 --> 00:26:26  
So, who's the asshole playing pranks?

477  
00:26:35 --> 00:26:36  
[Dick echoing] Jason!

478  
00:26:41 --> 00:26:43  
[monitor beeping]

479  
00:26:49 --> 00:26:51  
[Kory] I don't know if you can hear me,

480  
00:26:52 --> 00:26:55  
but you're one of  
the strongest people I've ever seen.

481  
00:26:56 --> 00:26:58  
And I know,  
because I'm pretty strong, too.

482  
00:27:00 --> 00:27:02  
Thing is, there's not much more  
I can do for you.

483  
00:27:06 --> 00:27:08  
You're making me feel helpless...

484  
00:27:10 --> 00:27:11  
and I hate feeling helpless.

485  
00:27:13 --> 00:27:15  
So do me a favor, okay?

486  
00:27:16 --> 00:27:17  
Don't die.

487  
00:27:20 --> 00:27:22  
'Cause that will really piss me off.

488  
00:27:25 --> 00:27:26  
[Gar] What did you say your name was?

489  
00:27:26 --> 00:27:29  
My name is Eve Watson. Please let me in.

490  
00:27:29 --> 00:27:33  
Look, I know this doesn't make any sense,  
but I was led here by a dog.

491  
00:27:34 --> 00:27:36  
[on intercom] Is there someone  
named Conner there?

492  
00:27:36 --> 00:27:37  
Let her up.

493  
00:27:40 --> 00:27:41  
[keypad beeps]

494  
00:27:43 --> 00:27:45  
[voice breaking] I am so sorry.

495  
00:27:45 --> 00:27:47  
Save the apologies. Can you help him?

496  
00:27:47 --> 00:27:50  
Maybe if I'd gotten here sooner,

497  
00:27:50 --> 00:27:52  
but the Kryptonite poisoning  
has gone too far.

498  
00:27:53 --> 00:27:54  
Seriously? Is that the best you got?

499  
00:27:54 --> 00:27:57  
I am a scientist. I'm not God.

500  
00:27:57 --> 00:27:59  
You just told me you created him.

501  
00:27:59 --> 00:28:02  
You're the closest thing to God he has.

502

00:28:02 --> 00:28:06  
Half of his DNA is from a guy  
that lifts skyscrapers

503

00:28:06 --> 00:28:08  
and flies faster than the speed of light.

504

00:28:08 --> 00:28:09  
At least fucking try.

505

00:28:09 --> 00:28:12  
It's not about speed or strength, okay?

506

00:28:13 --> 00:28:15  
In order to save him,  
we would need a level of radiation

507

00:28:15 --> 00:28:17  
that can't be found on this Earth.

508

00:28:17 --> 00:28:21  
We would need to fly him to the sun.  
And we don't have time for that.

509

00:28:21 --> 00:28:25  
By now, in order to heal him,  
we would need to bring the sun here.

510

00:28:30 --> 00:28:31  
Well, why didn't you say so?

511

00:28:33 --> 00:28:35  
[Krypto whines inquisitively]

512

00:28:35 --> 00:28:39  
[Kory] All right, Eve, stay back.  
This may get a little crazy.

513

00:28:40 --> 00:28:41  
You ready?

514  
00:28:42 --> 00:28:45  
-Uh... I hope so.  
-Rachel.

515  
00:28:45 --> 00:28:46  
Yeah.

516  
00:28:46 --> 00:28:49  
Obviously, I am fully confident.

517  
00:28:49 --> 00:28:51  
Just contain me.

518  
00:28:52 --> 00:28:53  
Let's do it.

519  
00:28:55 --> 00:28:57  
[breathes deeply]

520  
00:28:59 --> 00:29:02  
-[air rushing]  
-[rippling]

521  
00:29:06 --> 00:29:07  
[flames igniting]

522  
00:29:13 --> 00:29:14  
[softly] Holy shit.

523  
00:29:32 --> 00:29:34  
[Conner gasping]

524  
00:29:41 --> 00:29:42  
Well, hello, there.

525  
00:29:43 --> 00:29:44  
[Kory chuckles]

526  
00:29:50 --> 00:29:51  
Hi.

527

00:30:01 --&gt; 00:30:05

It's gonna take a while for the radiation  
to fully saturate your cells,

528

00:30:05 --&gt; 00:30:06

but you're gonna be okay.

529

00:30:07 --&gt; 00:30:08

[sighs heavily]

530

00:30:08 --&gt; 00:30:09

I'm sorry.

531

00:30:10 --&gt; 00:30:11

What for?

532

00:30:12 --&gt; 00:30:14

[voice breaking] You told me...

533

00:30:14 --&gt; 00:30:16

not to be a hero.

534

00:30:17 --&gt; 00:30:20

You have nothing to be sorry for.

535

00:30:21 --&gt; 00:30:22

Okay?

536

00:30:22 --&gt; 00:30:25

I mean, that advice I gave you,  
that was terrible!

537

00:30:26 --&gt; 00:30:29

The world is a much better place  
with you in it.

538

00:30:30 --&gt; 00:30:33

[stammers] What's gonna happen to you...

539

00:30:35 --&gt; 00:30:36

[stammers] Mo...

540  
00:30:36 --> 00:30:37  
Say it.

541  
00:30:39 --> 00:30:40  
Mom.

542  
00:30:44 --> 00:30:44  
[chuckles]

543  
00:30:49 --> 00:30:51  
I'm gonna be okay.

544  
00:30:52 --> 00:30:54  
I'm going to get as far away  
from LexCorp as possible,

545  
00:30:54 --> 00:30:56  
but I'm gonna be fine.

546  
00:30:57 --> 00:30:59  
You're gonna need  
a few days of sleep to recover.

547  
00:31:00 --> 00:31:01  
You rest.

548  
00:31:04 --> 00:31:05  
My sweet boy.

549  
00:31:18 --> 00:31:19  
[Krypto yips]

550  
00:31:19 --> 00:31:20  
Hey, boy. [laughs]

551  
00:31:22 --> 00:31:22  
[chuckles]

552  
00:31:25 --> 00:31:27  
[motorcycle approaching]

553

00:31:47 --> 00:31:49  
You really want to be back here?

554

00:31:50 --> 00:31:51  
[Dick] Where is he?

555

00:31:52 --> 00:31:54  
[Bruce] He's feeding on your guilt.

556

00:31:55 --> 00:31:56  
Like a spider.

557

00:31:58 --> 00:32:01  
He's lured you away  
from where you need to be...

558

00:32:02 --> 00:32:03  
who you need to protect.

559

00:32:04 --> 00:32:05  
[Dick] He killed my friend.

560

00:32:06 --> 00:32:08  
Nearly killed Jason. He has to be stopped.

561

00:32:08 --> 00:32:11  
Very heroic of you. Except...

562

00:32:12 --> 00:32:13  
you don't give a shit.

563

00:32:13 --> 00:32:14  
[scoffs]

564

00:32:14 --> 00:32:16  
-You don't know.  
-But I do.

565

00:32:17 --> 00:32:19  
I know everything.

566

00:32:20 --> 00:32:21  
That's why you brought me.

567

00:32:22 --> 00:32:26  
Just like I know why you keep  
sneaking off on these solo runs.

568

00:32:26 --> 00:32:28  
Just like you did five years ago.

569

00:32:29 --> 00:32:30  
You have blood on your hands.

570

00:32:31 --> 00:32:32  
Not just me.

571

00:32:33 --> 00:32:35  
But you have more, son.

572

00:32:36 --> 00:32:38  
Blood only you and Slade know about.

573

00:32:40 --> 00:32:42  
You're afraid of the dark.

574

00:32:43 --> 00:32:45  
Always have been.

575

00:32:46 --> 00:32:50  
Even as a little boy,  
the great chasm of silence.

576

00:32:51 --> 00:32:54  
The coldness of isolation.

577

00:32:55 --> 00:32:58  
You're afraid if the others  
know your secret, they'll leave you.

578

00:32:58 --> 00:33:00

And you'll be alone again.

579

00:33:02 --> 00:33:04

And they may.

580

00:33:05 --> 00:33:06

They don't need to know.

581

00:33:07 --> 00:33:09

What difference does it make?

582

00:33:09 --> 00:33:11

It's done. It's in the past.

It's behind me.

583

00:33:12 --> 00:33:13

But it's not.

584

00:33:16 --> 00:33:17
