1

00:00:30,875 --> 00:00:32,791
[Valeska] I thought
you called it.

2

00:00:32,875 --> 00:00:35,583
[Telly] I thought
Perez called it.

3

00:00:35,666 --> 00:00:38,166
[Santiago] Why the fuck
would I wanna see any of you?

4

00:00:39,083 --> 00:00:40,291
Especially tonight.

5

00:00:41,166 --> 00:00:42,916
You hear anything, Valeska?

6

00:00:44,708 --> 00:00:46,958
I've heard plenty.

7

00:00:47,041 --> 00:00:49,250
My guy says he cracked
the Joker's head in two.

8

00:00:49,333 --> 00:00:52,750
One swing, and the man's brains
spilled out like wedding soup.

9

00:00:52,833 --> 00:00:54,583
It wasn't him.

10

00:00:54,666 --> 00:00:57,291
We all know the Bat
doesn't do murder.

11

00:00:59,250 --> 00:01:00,416
He does now.

12
00:01:04,458 --> 00:01:09,541
Well, let's do this again
when one of you dies.

13
00:01:09,625 --> 00:01:10,666
[knocks on table]

14
00:01:12,625 --> 00:01:13,666
[guns cocking]

15
00:01:13,750 --> 00:01:14,791
What the fuck?

16
00:01:16,666 --> 00:01:17,666
[man] Open it.

17
00:01:22,125 --> 00:01:23,125
Jimmy.

18
00:01:41,500 --> 00:01:44,333
Like I said, until
the next time.

19
00:01:44,416 --> 00:01:45,916
[man] Open the bag!

20
00:01:49,833 --> 00:01:51,666
[gunshot]

21
00:01:51,750 --> 00:01:53,708
Shit, where the
fuck is this guy?

22

00:01:57,625 --> 00:01:58,833
[projectile fires]

23
00:01:58,916 --> 00:01:59,958
[grunts, screams]

24
00:02:26,666 --> 00:02:27,666
The bag.

25
00:02:43,708 --> 00:02:44,750
[man 2] Oh, shit.

26
00:02:45,250 --> 00:02:46,250
Fuck me.

27
00:02:49,125 --> 00:02:51,916
That's Danny. That's
my sister's kid!

28
00:02:52,000 --> 00:02:53,708
All your number-twos
are in there.

29
00:02:57,166 --> 00:02:58,625
Who the fuck are you?

30
00:02:58,708 --> 00:03:01,041
I'm the guy you
want on your side.

31
00:03:01,125 --> 00:03:02,416
I can protect you.

32
00:03:02,500 --> 00:03:06,083
- From the Bat?
- Batman's gone. I retired him.

33

00:03:06,166 --> 00:03:10,583
Check the sky every night. No more
Bat Signals. The nightmare's over.

34

00:03:10,666 --> 00:03:13,166
Any problems with
cops or other masks,

35

00:03:13,250 --> 00:03:15,416
I take care of it from now on.

36

00:03:15,500 --> 00:03:17,958
It'll cost you 40%
of what you make.

37

00:03:18,041 --> 00:03:19,833
And trust me,

38

00:03:19,916 --> 00:03:21,875
you're about to make a lot more.

39

00:03:23,708 --> 00:03:24,708
Fuck this...

40

00:03:30,125 --> 00:03:31,166
[thudding]

41

00:03:43,958 --> 00:03:45,166
Any more questions?

42

00:03:46,666 --> 00:03:48,750
[theme music playing]

43

00:04:25,458 --> 00:04:28,375
They said you were
undercover before this.

44

00:04:30,000 --> 00:04:31,000
Yeah.

45

00:04:32,416 --> 00:04:33,416
Vice?

46

00:04:35,041 --> 00:04:36,041
Gangs?

47

00:04:37,083 --> 00:04:38,500
Narcotics?

48

00:04:38,583 --> 00:04:40,791
- A little bit of everything.
- Wow.

49

00:04:40,875 --> 00:04:42,250
How long you been on the force?

50

00:04:42,333 --> 00:04:45,875
You ask a lot of
questions, Tod-with-one-D.

51

00:04:45,958 --> 00:04:48,875
No, I... It's just
funny, you know.

52

00:04:48,958 --> 00:04:56,583
You show up a few months ago, nobody knows
from where, people are whispering... IA?

53

00:04:56,666 --> 00:04:58,208
I'm not IA.

54

00:04:58,291 --> 00:05:01,791

I was with a special branch of
law enforcement before this.

55

00:05:01,875 --> 00:05:04,041
Like Secret Service?

56

00:05:05,666 --> 00:05:07,583
I was a bird, Tod.

57

00:05:07,666 --> 00:05:13,583
A big, red bird with latex talons
and a composite beak-like helmet.

58

00:05:13,666 --> 00:05:18,208
Okay, Mr. Mystery. [Clicks
tongue] Have it your way.

59

00:05:18,291 --> 00:05:20,250
[policeman on radio] 20th
& Grand. Shots fired.

60

00:05:20,333 --> 00:05:22,291
- I'll take the tunnel.
- Yeah, I'll take 20th.

61

00:05:25,000 --> 00:05:26,375
[bicycle bell ringing]

62

00:05:26,458 --> 00:05:27,583
[Hank] Stop running!

63

00:05:29,166 --> 00:05:30,166
[grunting]

64

00:05:32,541 --> 00:05:35,000
- [Hank] That was fast.
- [Dove] Yeah.

65

00:05:35,083 --> 00:05:36,250
[man grunts]

66

00:05:36,333 --> 00:05:38,291
Practically delivered
himself to me.

67

00:05:38,375 --> 00:05:39,708
[Hank] Wanna grab a coffee?

68

00:05:41,291 --> 00:05:43,250
I... I have a lunch.

69

00:05:43,333 --> 00:05:46,333
Oh, yeah. Yeah. Boat salesman.

70

00:05:47,000 --> 00:05:48,000
The broker.

71

00:05:49,875 --> 00:05:52,583
Um, I'll be around
if you need me.

72

00:05:54,833 --> 00:05:56,166
We still got it.

73

00:05:56,250 --> 00:05:57,333
[Dove] Always will.

74

00:06:02,583 --> 00:06:05,166
- [man groans]
- [handcuffs clicking]

75

00:06:17,583 --> 00:06:20,708
[female reporter on TV] Late breaking

news: Confirmed by several sources,

76

00:06:20,791 --> 00:06:26,958
the man who terrorized Gotham for a
generation, known only as "the Joker," is dead.

77

00:06:27,041 --> 00:06:30,416
He was brutally murdered
last night in Arkham Asylum.

78

00:06:30,500 --> 00:06:34,083
Prison staffers have unofficially
speculated the assailant was the Batman,

79

00:06:34,166 --> 00:06:36,458
but police have yet to confirm.

80

00:06:36,541 --> 00:06:38,000
Calls to health officials...

81

00:06:38,083 --> 00:06:40,625
[Gordon] Of course, Mr. Mayor.
Yeah. Night and day.

82

00:06:40,708 --> 00:06:42,458
No special dispensation.

83

00:06:45,208 --> 00:06:46,208
Can I help you?

84

00:06:46,875 --> 00:06:47,791
I'm Dick Grayson.

85

00:06:47,875 --> 00:06:49,541
Yeah, I know.

86

00:06:49,625 --> 00:06:51,708
You picked a nice
time for a reunion.

87
00:06:51,791 --> 00:06:52,791
And you are?

88
00:06:53,916 --> 00:06:55,000
[Gordon] Thanks, Vee.

89
00:07:04,916 --> 00:07:09,541
11:20 last night, Bruce's jet
took off. Changed IFR in mid-air.

90
00:07:09,625 --> 00:07:11,000
Nobody knows where
he touched down.

91
00:07:11,083 --> 00:07:13,791
- Except maybe you?
- [scoffs] I wish I did.

92
00:07:13,875 --> 00:07:16,000
- What happened?
- I was asleep.

93
00:07:16,083 --> 00:07:19,166
Bruce came into my room and dropped
a bloody crowbar on the floor.

94
00:07:19,250 --> 00:07:21,625
Said it was over with him and
the Joker. That he ended it.

95
00:07:21,708 --> 00:07:25,833
Then he said he was done with
Gotham, the Bat, all of it.

96

00:07:25,916 --> 00:07:28,833

So that's it? No
note? Marching orders?

97

00:07:28,916 --> 00:07:30,666

He said be a better Batman.

98

00:07:30,750 --> 00:07:33,875

[scoffs softly] That's some
fucked-up parent jiu-jitsu.

99

00:07:33,958 --> 00:07:36,198

- Trying to reel you back...
- [indistinct radio chatter]

100

00:07:40,708 --> 00:07:42,125

Trying to reel you back home.

101

00:07:42,208 --> 00:07:44,041

"Be a better me, son."

102

00:07:44,125 --> 00:07:45,708

[sighs]

103

00:07:45,791 --> 00:07:46,958

You're not serious.

104

00:07:48,541 --> 00:07:50,416

I can't leave now, can I?

105

00:07:50,500 --> 00:07:52,500

You know how crazy
that is, right?

106

00:07:52,583 --> 00:07:54,250

Trying to step into

your father's shoes?

107

00:07:54,333 --> 00:07:55,708
I do, Commissioner Gordon.

108

00:08:02,375 --> 00:08:03,958
"Be a better Batman," huh?

109

00:08:05,750 --> 00:08:09,250
[Dick] Bruce wasn't perfect,
okay? He got sloppy.

110

00:08:09,333 --> 00:08:11,041
Let it get personal
with the Joker.

111

00:08:11,125 --> 00:08:13,085
What happens when Gotham
takes one of yours, Dick?

112

00:08:13,125 --> 00:08:15,645
I'm not gonna go around Gotham
swinging a fucking crowbar, am I?

113

00:08:16,833 --> 00:08:18,041
I'm sorry.

114

00:08:19,541 --> 00:08:20,583
We'll see.

115

00:08:24,375 --> 00:08:26,041
Any other headlines?

116

00:08:26,125 --> 00:08:27,416
I'm bringing in the Titans.

117

00:08:29,500 --> 00:08:30,583
Are you sure about that?

118

00:08:32,166 --> 00:08:33,726
[male reporter] Arriving
from San Francisco,

119

00:08:33,750 --> 00:08:35,750
the Titans have been
spotted in Gotham City

120

00:08:35,833 --> 00:08:39,541
just one day after the Joker
was murdered in Arkham Asylum.

121

00:08:39,625 --> 00:08:41,750
The Titans did not
answer questions,

122

00:08:41,833 --> 00:08:45,041
but sources say that the timing of
their appearance is not coincidental.

123

00:08:45,125 --> 00:08:47,666
First Robin's murder,
then Joker, the...

124

00:08:49,666 --> 00:08:52,250
[Dick] Thank you all for
coming on such short notice.

125

00:08:52,333 --> 00:08:54,041
I wish it was under
better circumstances.

126

00:08:54,125 --> 00:08:56,916
[Kory scoffs] Nobody calls us
under better circumstances.

127

00:08:59,291 --> 00:09:05,625
I appreciate you for coming, but I should
warn you, you're not in San Francisco.

128

00:09:05,708 --> 00:09:07,833
This city breeds a
special class of criminal.

129

00:09:08,833 --> 00:09:10,291
People die here.

130

00:09:10,375 --> 00:09:13,791
Not just regular
people. People like us.

131

00:09:13,875 --> 00:09:15,458
I don't wanna lose anybody else.

132

00:09:16,875 --> 00:09:18,916
We know what we're up against.

133

00:09:19,000 --> 00:09:21,708
You're family. We'd never
let you do this alone.

134

00:09:24,291 --> 00:09:25,416
Can we see the Batsuit?

135

00:09:26,708 --> 00:09:27,500
No.

136

00:09:27,583 --> 00:09:28,625
The Batmobile?

137

00:09:28,708 --> 00:09:30,625

- Guys!
- What? He made me ask.

138
00:09:30,708 --> 00:09:33,166
I did not. Dick!

139
00:09:33,250 --> 00:09:34,833
There'll be enough
time for all of that,

140
00:09:34,916 --> 00:09:36,958
but right now we need to
focus on the task at hand.

141
00:09:37,041 --> 00:09:41,000
Word's out in Gotham that Batman's
gone. News like that travels fast.

142
00:09:41,083 --> 00:09:42,708
So we'll have our hands full.

143
00:09:42,791 --> 00:09:46,958
Get some food. Get some
rest. Could be a long night.

144
00:09:47,041 --> 00:09:49,226
[computerized female voice]
Incoming call from Barbara Gordon.

145
00:09:49,250 --> 00:09:50,500
Looks like it already started.

146
00:09:50,583 --> 00:09:51,625
[breathes deeply]

147
00:09:53,125 --> 00:09:56,083
[indistinct conversations]

148

00:09:56,166 --> 00:09:59,291
This is Hoskins. Yeah, go ahead.

149

00:09:59,375 --> 00:10:02,750
Her name's Ann Williams. She's a
34-year-old marketing consultant.

150

00:10:02,833 --> 00:10:06,750
No record, no religious groups,
no terrorist affiliations.

151

00:10:07,250 --> 00:10:08,500
Married?

152

00:10:08,583 --> 00:10:10,101
She's a widow. She has
a 7-year-old daughter.

153

00:10:10,125 --> 00:10:12,166
- Where's she?
- We're looking.

154

00:10:13,791 --> 00:10:15,666
She ask for a lawyer?

155

00:10:15,750 --> 00:10:18,710
She hasn't said a word since we brought
her in. She just brought this note.

156

00:10:20,416 --> 00:10:22,291
Asking to talk to Nightwing.

157

00:10:22,375 --> 00:10:25,136
Looks like it was written on the
back of a textbook page or something.

158
00:10:25,583 --> 00:10:26,625
Play it.

159
00:10:46,666 --> 00:10:48,041
She's terrified.

160
00:10:51,875 --> 00:10:52,875
Red hood.

161
00:10:54,333 --> 00:10:57,125
Joker started out his
career wearing one.

162
00:10:57,208 --> 00:10:58,333
Think it might be related?

163
00:11:00,041 --> 00:11:01,083
I hope not.

164
00:11:14,416 --> 00:11:15,416
[explosion]

165
00:11:24,333 --> 00:11:25,958
[Ann] The Lord is my shepherd.

166
00:11:28,583 --> 00:11:31,916
I shall not want.
[breath trembling]

167
00:11:32,000 --> 00:11:35,000
He maketh me to lie
down in green pastures.

168
00:11:38,000 --> 00:11:39,041
[whimpers]

169

00:11:43,250 --> 00:11:44,958

- You asked to speak to me?

- [gasps]

170

00:11:56,291 --> 00:11:58,541

- Can you speak?

- Mmm-mmm.

171

00:12:00,291 --> 00:12:02,375

The red hood you were wearing...

172

00:12:02,458 --> 00:12:04,083

Was that something
to do with the Joker?

173

00:12:08,875 --> 00:12:10,416

Why do you wanna talk to me?

174

00:12:19,375 --> 00:12:20,458

Who did that to you?

175

00:12:22,833 --> 00:12:24,291

Am I supposed to call that?

176

00:12:28,458 --> 00:12:29,625

7-3-5...

177

00:12:31,250 --> 00:12:32,375

7-2-0...

178

00:12:33,583 --> 00:12:34,666

2-6-6-0.

179

00:12:34,750 --> 00:12:35,833

[keyboard clacking]

180
00:12:36,750 --> 00:12:37,750
[dialing]

181
00:12:39,875 --> 00:12:40,916
[line ringing]

182
00:12:42,916 --> 00:12:43,958
[gasps]

183
00:12:46,000 --> 00:12:47,083
You okay?

184
00:12:47,166 --> 00:12:48,291
- Hey.
- [groans]

185
00:12:52,750 --> 00:12:54,333
Make it stop.

186
00:12:56,291 --> 00:12:57,625
Hang up the call!

187
00:12:57,708 --> 00:12:58,833
Hang up the call.

188
00:13:00,958 --> 00:13:03,791
Make it stop!

189
00:13:05,375 --> 00:13:06,375
[gasps]

190
00:13:39,041 --> 00:13:42,750
We found Ann's daughter wandering
around the bus station an hour ago.

191

00:13:42,833 --> 00:13:45,041
Also wearing a red hood.

192
00:13:45,125 --> 00:13:48,416
She said some strange man in a
mask snatched her out of bed.

193
00:13:49,291 --> 00:13:51,333
So Ann wasn't working alone.

194
00:13:53,458 --> 00:13:55,250
Or he used the
kid to coerce her.

195
00:13:56,250 --> 00:13:59,041
No money, no
political manifestos.

196
00:13:59,125 --> 00:14:01,208
Doesn't sound like a
Joker copycat to me.

197
00:14:02,208 --> 00:14:03,291
So what does he want?

198
00:14:04,291 --> 00:14:05,875
What's any terrorist want?

199
00:14:05,958 --> 00:14:10,916
Create chaos, paranoia,
fear. The noisy kind.

200
00:14:11,000 --> 00:14:12,625
Toxicology came back.

201
00:14:12,708 --> 00:14:15,416
The woman had a subdermal drug

delivery system in her arm.

202

00:14:15,500 --> 00:14:18,666
Our guy said it was some
sort of Flakka derivation.

203

00:14:18,750 --> 00:14:20,958
Like nuclear bath salts.

204

00:14:21,041 --> 00:14:24,625
He juiced her with some
serious chemical strength.

205

00:14:24,708 --> 00:14:29,458
A bomb and pharmacology. Points to a
science background, maybe military.

206

00:14:29,541 --> 00:14:31,625
Well, that narrows it down
a few hundred thousand.

207

00:14:31,708 --> 00:14:33,583
Probably with a mental
health issue, too.

208

00:14:33,666 --> 00:14:35,250
Might help narrow the profile.

209

00:14:40,375 --> 00:14:42,208
I wasn't gonna mention this,

210

00:14:42,291 --> 00:14:45,833
but for cases like these, we've
been using a consultant, a profiler.

211

00:14:45,916 --> 00:14:49,125
And we've gotten good results,

but you're not gonna like it.

212

00:14:50,875 --> 00:14:52,458

Okay.

213

00:14:52,541 --> 00:14:54,208

You're really not gonna like it.

214

00:14:55,958 --> 00:14:57,291

Scarecrow.

215

00:14:57,375 --> 00:14:58,375

What?

216

00:14:58,416 --> 00:14:59,616

Told you you wouldn't like it.

217

00:15:01,208 --> 00:15:05,333

You know, Batman put him in
Arkham years ago for a reason.

218

00:15:05,416 --> 00:15:06,541

Oh, he's still there.

219

00:15:06,625 --> 00:15:08,458

He's just helping
us out on the side.

220

00:15:08,541 --> 00:15:12,000

This is nuts. You're taking advice
from a fucking crazy person.

221

00:15:12,083 --> 00:15:13,416

It was Bruce's idea.

222

00:15:18,291 --> 00:15:19,916

He thought that Crane had value.

223

00:15:20,000 --> 00:15:21,791
And so far, he's been right.

224

00:15:21,875 --> 00:15:24,833
When it comes to profiling
the criminally insane,

225

00:15:24,916 --> 00:15:28,541
I hate to admit it, but he's
the best that we've got.

226

00:15:28,625 --> 00:15:30,791
And after what happened today,

227

00:15:30,875 --> 00:15:32,166
I think that we need the best.

228

00:15:37,541 --> 00:15:39,208
[sighs]

229

00:15:39,291 --> 00:15:41,625
I'll call ahead,
make an introduction.

230

00:16:46,125 --> 00:16:49,958
"I, Richard D. Grayson,
under no circumstances,

231

00:16:50,041 --> 00:16:52,375
not death, nor love,
nor loneliness,

232

00:16:52,458 --> 00:16:54,750
will ever give comfort to fear."

233

00:16:57,541 --> 00:16:59,666
Welcome to Camp
Cruel and Unusual.

234

00:17:03,500 --> 00:17:04,500
[gasping]

235

00:17:18,625 --> 00:17:24,958
This is insane. Batman's
actual books! [Chuckles]

236

00:17:25,041 --> 00:17:29,416
The Red Book by Carl Jung.
Original 1959 estate manuscript.

237

00:17:29,500 --> 00:17:33,541
Meditations of the Emperor
Marcus Aurelius Antoninus.

238

00:17:34,791 --> 00:17:36,625
- What are you doing?
- What?

239

00:17:36,708 --> 00:17:38,541
Don't put food on
his books, man.

240

00:17:38,625 --> 00:17:40,041
Were you raised in a barn?

241

00:17:40,125 --> 00:17:42,125
Mmm. Test tube, actually.

242

00:17:43,666 --> 00:17:45,958
Hey, does Superman
have a library?

243

00:17:46,750 --> 00:17:48,375
Mmm, I don't know.

244

00:17:48,458 --> 00:17:52,291
I feel like he's got a whole
bunch of space rocks and shit.

245

00:17:52,375 --> 00:17:53,666
[Kory speaking Tamaranian]

246

00:17:55,791 --> 00:17:58,041
Oh, hey Kory, you gotta
check this out. It's...

247

00:17:58,125 --> 00:17:59,365
[continues speaking Tamaranian]

248

00:18:07,333 --> 00:18:08,791
Uh, Kory?

249

00:18:08,875 --> 00:18:10,115
[continues speaking Tamaranian]

250

00:18:18,166 --> 00:18:19,406
[continues speaking Tamaranian]

251

00:18:24,958 --> 00:18:26,000
Kory, talk to me.

252

00:18:32,583 --> 00:18:33,625
[gasps]

253

00:18:44,916 --> 00:18:46,833
Please tell me that
was a grease fire.

254

00:18:47,958 --> 00:18:49,000
[panting]

255

00:18:53,250 --> 00:18:54,291
[cell phone ringing]

256

00:19:00,583 --> 00:19:03,666
The famous Starfire
finally returns a call.

257

00:19:03,750 --> 00:19:08,208
- [Kory on phone] Sorry, Justin. I've been a rat.
- That's okay.

258

00:19:08,291 --> 00:19:11,125
Been busy saving San
Francisco, now Gotham.

259

00:19:12,000 --> 00:19:14,125
- What's going on?
- Um...

260

00:19:14,208 --> 00:19:16,458
We had a death in the family.

261

00:19:16,541 --> 00:19:18,000
I'm sorry.

262

00:19:18,083 --> 00:19:21,416
Jesus. Is there
anything I can do?

263

00:19:21,500 --> 00:19:22,666
Actually, there is.

264

00:19:26,166 --> 00:19:27,708

I had a couple of
strange episodes.

265

00:19:27,791 --> 00:19:30,083
I didn't know who else to call.

266

00:19:30,166 --> 00:19:32,125
I don't know what
to make of them.

267

00:19:33,166 --> 00:19:34,708
Well, grief can do that.

268

00:19:35,958 --> 00:19:37,083
Yeah?

269

00:19:37,166 --> 00:19:39,416
Crying, laughing, drinking.

270

00:19:40,250 --> 00:19:41,583
Sleeping with strangers.

271

00:19:41,666 --> 00:19:44,291
I wish it was that
kind. It's not.

272

00:19:44,375 --> 00:19:47,125
This is more of a...

273

00:19:47,208 --> 00:19:51,625
"Blacking out in the middle of the day
and torching the walls" kind of episode.

274

00:19:53,416 --> 00:19:55,458
Ah. That kind.

275

00:19:56,333 --> 00:19:58,791
You've heard of that?

276

00:19:58,875 --> 00:20:02,791
What you described sounds like
a violent parasomnia episode.

277

00:20:02,875 --> 00:20:04,795
That's usually when our
subconscious is knocking,

278

00:20:04,833 --> 00:20:07,875
saying, "Yo, something's
not right down here."

279

00:20:07,958 --> 00:20:09,750
So, I'm nuts.

280

00:20:09,833 --> 00:20:13,250
Yup. Like the rest of us.

281

00:20:13,333 --> 00:20:16,583
If it happens again, call me.
Maybe I can prescribe something.

282

00:20:17,625 --> 00:20:19,083
Thanks.

283

00:20:19,166 --> 00:20:21,326
And if it doesn't happen
again, you can call me anyway.

284

00:20:23,208 --> 00:20:24,208
I will.

285

00:20:54,458 --> 00:20:55,541
What cell?

286

00:20:55,625 --> 00:20:57,708

He's on the end.
Only one down here.

287

00:21:18,500 --> 00:21:19,541

Dr. Crane?

288

00:21:20,416 --> 00:21:21,458

[duct tape ripping]

289

00:21:26,291 --> 00:21:27,333

[Crane] Weed?

290

00:21:29,666 --> 00:21:32,375

Look, if you want
my help, and you do,

291

00:21:32,458 --> 00:21:34,708

then I'm gonna need some
high-quality flower.

292

00:21:34,791 --> 00:21:38,875

I'm talking 70-30 sativa. Lemon Lyric is my
favorite, but I'm not a name-brand whore.

293

00:21:38,958 --> 00:21:40,708

Just get me in the ballpark.

294

00:21:40,791 --> 00:21:44,416

Anything above 25% THC, we can
have our little tete-a-tete.

295

00:21:46,458 --> 00:21:47,500

[soft thudding]

296

00:21:48,875 --> 00:21:50,458
[Dick] You're doing
the stoner act, huh?

297
00:21:55,625 --> 00:21:58,291
It's not an act. It
helps my brain slow down.

298
00:22:00,333 --> 00:22:03,958
Arkham isn't really a
venue for depressants.

299
00:22:04,041 --> 00:22:06,208
Gotham PD actually has
you on the payroll?

300
00:22:09,083 --> 00:22:11,541
[exhales] No.

301
00:22:11,625 --> 00:22:15,208
But when I am a good little
doggie, they give me my treats.

302
00:22:15,291 --> 00:22:17,250
A woman killed
herself today, Doctor.

303
00:22:17,333 --> 00:22:18,458
Very strange case.

304
00:22:18,541 --> 00:22:19,583
[chuckles]

305
00:22:20,166 --> 00:22:21,583
I heard.

306
00:22:21,666 --> 00:22:24,375

She asked for a
new guy, Nightwing.

307

00:22:25,083 --> 00:22:26,416
Poor Batman.

308

00:22:26,500 --> 00:22:28,541
I mean, the dude has one
little murdering spree

309

00:22:28,625 --> 00:22:31,125
and all of a sudden he's
yesterday's news, right?

310

00:22:31,208 --> 00:22:32,625
[chuckles]

311

00:22:32,708 --> 00:22:34,000
You got rolling papers?

312

00:22:38,666 --> 00:22:41,791
Ah. Love you, brother. Love ya.

313

00:22:42,500 --> 00:22:44,083
[Crane exhales]

314

00:22:44,166 --> 00:22:46,184
Somebody installed a subdermal
drug pump in her arm.

315

00:22:46,208 --> 00:22:48,083
Yeah, Barb sent
over a cheat sheet.

316

00:22:48,166 --> 00:22:49,916
He's a vicious little
fucker, this one.

317

00:22:50,000 --> 00:22:52,000
Although, if we're being honest,

318

00:22:52,083 --> 00:22:54,767
I mean, a subcutaneous drug pump?
[Chuckles] That's too clever by half.

319

00:22:54,791 --> 00:22:56,708
Gotta give him an A+
for originality, though.

320

00:22:56,791 --> 00:22:59,958
The victim was a mother.
Afraid of losing her child.

321

00:23:00,041 --> 00:23:02,291
So afraid, in fact, she
murdered four strangers.

322

00:23:02,375 --> 00:23:03,934
Wait, wait, wait. You
know, when Barb...

323

00:23:03,958 --> 00:23:05,541
When she said your name, it, uh

324

00:23:05,625 --> 00:23:07,375
it rung a little
bell in my head.

325

00:23:07,458 --> 00:23:11,458
The carney kid that Bruce
Wayne took in for PR?

326

00:23:12,250 --> 00:23:13,541
You're that Dick Grayson?

327

00:23:15,041 --> 00:23:16,625
You know who I am.

328

00:23:16,708 --> 00:23:18,791
And your story's
biblical, brother.

329

00:23:18,875 --> 00:23:24,416
I mean, really, you ditched the family
safety net, you flee swinging Wayne Manor.

330

00:23:24,500 --> 00:23:26,416
And then, years later,

331

00:23:27,708 --> 00:23:29,958
like the motherfucking
prodigal son,

332

00:23:30,041 --> 00:23:33,125
home again, home
again, jiggety jig.

333

00:23:33,208 --> 00:23:35,375
I didn't come here
to talk about myself.

334

00:23:35,458 --> 00:23:38,083
If you've read the file,
maybe you have a few ideas?

335

00:23:38,166 --> 00:23:40,791
Well, do you have a light?

336

00:23:41,708 --> 00:23:42,708
No, sorry.

337

00:23:45,708 --> 00:23:48,708
That's okay. I got connections.

338

00:23:48,791 --> 00:23:50,625
Yes. The file.

339

00:23:51,541 --> 00:23:54,041
Now... [clears throat] Um...

340

00:23:56,041 --> 00:23:59,500
My best guess, and it's
just a guess, is that, uh,

341

00:23:59,583 --> 00:24:01,726
he somehow knows who this
Nightwing character really is

342

00:24:01,750 --> 00:24:04,333
and he has some sort
of jealousy complex.

343

00:24:06,625 --> 00:24:08,416
- That's it?
- That's it.

344

00:24:08,500 --> 00:24:12,041
Maybe he has a background in
explosives, military, construction.

345

00:24:12,125 --> 00:24:14,125
Maybe just an Internet moog.

346

00:24:14,208 --> 00:24:18,000
Okay, it's nice to see that higher
learning wasn't wasted on you, Doctor.

347

00:24:18,083 --> 00:24:19,125
Thanks for your help.

348

00:24:21,000 --> 00:24:22,250
It's the Bird's Opening.

349

00:24:24,791 --> 00:24:26,125
What?

350

00:24:26,208 --> 00:24:28,291
It's the Bird's Opening.

351

00:24:28,375 --> 00:24:31,541
It's one of the oldest
known openings in chess.

352

00:24:31,625 --> 00:24:35,125
It was made famous in
1855 by Henry Edward Bird.

353

00:24:35,208 --> 00:24:37,250
It's a classic
king-pawn opening.

354

00:24:40,541 --> 00:24:44,208
The two are connected,
relying on each other.

355

00:24:44,291 --> 00:24:47,750
The King moves stealthily
in the shadows,

356

00:24:47,833 --> 00:24:52,041
while the pawns are sent into the teeth
of destruction so that he may advance.

357

00:24:52,125 --> 00:24:56,250

- You got all that from the police cheat sheet?
- Yeah.

358

00:24:56,333 --> 00:25:01,458
The note, it's written on the back
of a page torn from a chess manual.

359

00:25:03,333 --> 00:25:04,916
It's just his opening move.

360

00:25:06,541 --> 00:25:10,125
[Dick] f4 d5, Knight f3 g6,

361

00:25:10,208 --> 00:25:13,541
e3 Bishop g7, Bishop e2,

362

00:25:13,625 --> 00:25:16,458
Knight f6, castles, castles.

363

00:25:16,541 --> 00:25:18,250
Is it some kind of code?

364

00:25:18,333 --> 00:25:20,250
That's the Bird's
Opening, chess moves.

365

00:25:20,333 --> 00:25:22,517
I've been running the piece and
board numbers through the computer.

366

00:25:22,541 --> 00:25:25,083
- Looking at all the combinations.
- For what?

367

00:25:25,166 --> 00:25:28,458
A telephone number, bank
accounts... [breathes deeply]

368

00:25:29,583 --> 00:25:30,875
Needle in a haystack.

369

00:25:36,291 --> 00:25:37,291
[beeping]

370

00:25:38,416 --> 00:25:39,500
"Robin."

371

00:25:39,583 --> 00:25:41,125
The Bird's Opening, Robin.

372

00:25:42,250 --> 00:25:43,416
That can't be random.

373

00:25:43,500 --> 00:25:46,166
Ann lived at 2289 Blue Bird Way.

374

00:25:47,791 --> 00:25:48,875
[keyboard clacking]

375

00:25:53,375 --> 00:25:55,833
Let's get a list of all the
Gotham streets with bird names.

376

00:25:58,291 --> 00:26:00,250
There's five in Gotham.

377

00:26:00,333 --> 00:26:04,500
Blue Bird, Condor Court, Finch
Street, Falcon Way and Eagle Crest.

378

00:26:04,583 --> 00:26:06,517
I'll see if the numbers
correlate to the actual addresses

379

00:26:06,541 --> 00:26:09,083
- and the addresses of the next victims.
- [whooshing]

380

00:26:10,500 --> 00:26:12,000
I pedaled as fast as I could.

381

00:26:12,083 --> 00:26:14,958
- [laughs] Hank!
- How are you doing, Kory?

382

00:26:15,041 --> 00:26:16,541
- Hi. Oh!
- Good to see you.

383

00:26:16,625 --> 00:26:18,916
- About time.
- Hey, buddy.

384

00:26:19,000 --> 00:26:20,208
So, are we suiting up?

385

00:26:22,208 --> 00:26:23,250
[laughing]

386

00:26:25,916 --> 00:26:28,083
What the fuck? You just show up.

387

00:26:28,166 --> 00:26:30,000
- No phone call.
- Phone call?

388

00:26:30,083 --> 00:26:33,000
You left me a message saying
you were going out of town.

389

00:26:33,083 --> 00:26:34,541
Then I see the news.

390

00:26:34,625 --> 00:26:36,708
- You weren't gonna tell me you were here?
- [scoffs]

391

00:26:36,791 --> 00:26:38,458
I don't have to tell
you my every move.

392

00:26:38,541 --> 00:26:40,958
Oh, I guess I'm a little
fuzzy on the rules.

393

00:26:41,041 --> 00:26:43,000
The rules are you do
your thing, I do mine.

394

00:26:43,083 --> 00:26:46,041
Okay. Well, this is
kind of my thing, too.

395

00:26:46,125 --> 00:26:47,500
[scoffs]

396

00:26:47,583 --> 00:26:50,666
Look, when Donna died, I
let you follow me to D.C.

397

00:26:50,750 --> 00:26:53,833
because we both had roots
there. It made sense.

398

00:26:53,916 --> 00:26:55,458
It still does.

399

00:26:55,541 --> 00:26:58,000
Except, I still wanna suit up,
answer the call, you don't!

400

00:26:58,083 --> 00:26:59,791
It's not that simple.

401

00:26:59,875 --> 00:27:03,291
Putting on the Hawk suit and not
being together kind of sucked.

402

00:27:09,541 --> 00:27:11,666
Are you planning on
going back to D.C.?

403

00:27:15,583 --> 00:27:16,625
I don't know.

404

00:27:17,458 --> 00:27:18,458
[exhales]

405

00:27:19,500 --> 00:27:21,333
That doesn't look
like an overnight bag.

406

00:27:26,875 --> 00:27:28,083
This is Gotham.

407

00:27:29,458 --> 00:27:32,375
If you're gonna
Dove, I'm gonna Hawk.

408

00:27:34,083 --> 00:27:35,125
[groans softly]

409

00:27:39,166 --> 00:27:42,583

Let's go. We have work to do.

410

00:27:42,666 --> 00:27:44,083
Next time send a text.

411

00:27:51,666 --> 00:27:53,791
[sirens wailing in distance]

412

00:27:57,166 --> 00:27:59,083
Nobody in the back.

413

00:27:59,166 --> 00:28:02,583
Hey. We cleared Finch Street.
Any luck on Eagle Crest?

414

00:28:02,666 --> 00:28:06,875
Nothing. Conner called,
he and Gar came up empty.

415

00:28:06,958 --> 00:28:08,583
- We're too late.
- [line beeping]

416

00:28:09,125 --> 00:28:10,125
Hold on.

417

00:28:10,875 --> 00:28:12,791
Talk to me.

418

00:28:12,875 --> 00:28:15,351
Dick. It's Barb. We've got a
problem. Bank robbery in progress.

419

00:28:15,375 --> 00:28:18,833
Four armed men and hostages,
we don't know how many.

420

00:28:18,916 --> 00:28:21,916
I wasn't gonna call you, but
they're all wearing red hoods.

421

00:28:23,500 --> 00:28:24,541
Let's go.

422

00:28:28,875 --> 00:28:29,916
[sirens wailing]

423

00:28:31,166 --> 00:28:32,406
[policeman shouts indistinctly]

424

00:28:41,166 --> 00:28:42,916
Hey.

425

00:28:43,000 --> 00:28:46,416
They have hostages, but they won't
talk to us. Issued no demands.

426

00:28:46,500 --> 00:28:48,833
It's not a bank robbery.
Tell your men to pull back.

427

00:28:48,916 --> 00:28:50,166
Pull back?

428

00:28:50,250 --> 00:28:52,250
It's a setup, just
like with Ann Williams.

429

00:28:52,333 --> 00:28:55,541
They've been forced into this. I
think it's the same person behind it.

430

00:28:55,625 --> 00:28:58,625

So what? We just pull back,
wait for the mayhem to start?

431

00:28:58,708 --> 00:29:00,791
No, I can go in there
and talk to them.

432

00:29:00,875 --> 00:29:02,458
They're not criminals,
they're parents.

433

00:29:02,541 --> 00:29:04,541
They think their
children are in danger.

434

00:29:04,625 --> 00:29:06,875
Gar and Conner are searching
for the kids right now.

435

00:29:06,958 --> 00:29:10,125
That's the leverage. We find
them, this all goes away.

436

00:29:10,208 --> 00:29:12,000
Call your men off
and let us handle it.

437

00:29:14,500 --> 00:29:16,708
If you're wrong, this
is gonna be a bloodbath.

438

00:29:18,916 --> 00:29:19,958
We got this.

439

00:29:29,083 --> 00:29:30,833
Stand down!

440

00:29:30,916 --> 00:29:32,000
[policemen clamoring]

441

00:29:38,625 --> 00:29:41,375
[Nightwing] All right. Each
of us has a gunman to contain.

442

00:29:41,458 --> 00:29:43,333
But remember, they're
not professionals.

443

00:29:43,416 --> 00:29:45,458
They're scared, may be on drugs,

444

00:29:45,541 --> 00:29:47,541
so don't be surprised
if they're irrational.

445

00:29:47,625 --> 00:29:50,791
No sudden moves. No loud
voices. The calmer the better.

446

00:29:55,416 --> 00:29:57,041
[woman whimpers] Please...

447

00:29:57,125 --> 00:29:59,583
[gunman 1] Come on, come
on. Give me the bag.

448

00:30:01,291 --> 00:30:02,833
Please don't...

449

00:30:07,000 --> 00:30:08,416
[gunman 2] It's time.

450

00:30:09,875 --> 00:30:12,583
Do it. He has my son.

451

00:30:12,666 --> 00:30:14,000
He has our kids.

452

00:30:20,333 --> 00:30:21,333
[Nightwing] Wait.

453

00:30:22,375 --> 00:30:23,666
Stay back!

454

00:30:23,750 --> 00:30:26,416
Easy. Everyone, just relax.

455

00:30:26,500 --> 00:30:28,250
You don't have to do this.

456

00:30:28,333 --> 00:30:30,434
Look, we know somebody took your
children and forced you into this.

457

00:30:30,458 --> 00:30:33,083
We're gonna find them and bring
them back to you safe and sound.

458

00:30:33,166 --> 00:30:34,541
Nobody needs to get hurt.

459

00:30:58,375 --> 00:31:00,083
We found the kids.

460

00:31:00,166 --> 00:31:01,625
[over comms] Safe and sound.

461

00:31:01,708 --> 00:31:04,125
The kids are safe.
We found them.

462
00:31:05,416 --> 00:31:06,791
Now put your guns down.

463
00:31:13,166 --> 00:31:16,416
Nobody needs to get
hurt. This is over.

464
00:31:16,500 --> 00:31:19,833
No, it's not over. Not yet.

465
00:31:28,916 --> 00:31:29,916
Conner!

466
00:31:32,166 --> 00:31:33,833
[over comms] Those
people in bank

467
00:31:35,375 --> 00:31:36,583
they aren't the parents.

468
00:31:36,666 --> 00:31:37,666
Now it's over.

469
00:31:39,875 --> 00:31:40,875
[pulsing]

470
00:32:05,416 --> 00:32:06,458
[high-pitched ringing]

471
00:32:15,916 --> 00:32:17,000
[fire alarm beeping]

472
00:32:29,958 --> 00:32:32,875
[Gordon] They walked
out with \$25 million,

473

00:32:32,958 --> 00:32:36,208
and drove off with my
men two blocks away.

474

00:32:36,291 --> 00:32:38,333
You practically gave
them a police escort.

475

00:32:38,416 --> 00:32:41,208
We got played. I'm
sorry, but it happens.

476

00:32:41,291 --> 00:32:43,166
Didn't happen with Batman.

477

00:32:43,250 --> 00:32:46,208
Be a better Batman, I believe
were the instructions, Dick.

478

00:32:46,291 --> 00:32:49,375
- Whoever this is, this is exactly what they want.
- Which is?

479

00:32:49,458 --> 00:32:51,958
- Mistrust between us.
- [scoffs]

480

00:32:52,041 --> 00:32:53,500
Well, they should've
called first.

481

00:32:53,583 --> 00:32:55,458
That box was already checked.

482

00:32:55,541 --> 00:32:57,958
Those guys at the bank

looked like Perez's people.

483

00:32:58,041 --> 00:32:59,921
I find them, I find out
who's running this show.

484

00:32:59,958 --> 00:33:04,250
The people who have sworn to
defend Gotham will handle it.

485

00:33:04,333 --> 00:33:07,208
- The ones in this building.
- I can help.

486

00:33:08,500 --> 00:33:11,125
I stood down for you tonight.

487

00:33:11,208 --> 00:33:14,458
Nobody else could have
convinced me to do that.

488

00:33:14,541 --> 00:33:16,958
- It wasn't professional.
- Right.

489

00:33:17,833 --> 00:33:19,000
Keep it professional.

490

00:33:22,333 --> 00:33:24,666
I'm sorry we failed you
tonight, Commissioner.

491

00:33:24,750 --> 00:33:28,875
The city is on edge and it's my
job to protect them, not yours.

492

00:33:29,833 --> 00:33:31,208

This is a police matter.

493

00:33:47,708 --> 00:33:48,708
[Dick] Hey, man.

494

00:33:53,583 --> 00:33:54,625
What you eating?

495

00:33:56,041 --> 00:33:57,541
I don't know.

496

00:33:57,625 --> 00:33:59,208
Gar made it, I think.

497

00:34:00,166 --> 00:34:01,166
Some kind of meat thing.

498

00:34:02,833 --> 00:34:03,833
That's Krypto's.

499

00:34:06,500 --> 00:34:07,541
[chuckles softly]

500

00:34:15,416 --> 00:34:16,666
How'd it go with Barbara?

501

00:34:18,875 --> 00:34:20,750
She said she wants us
to keep it professional.

502

00:34:20,833 --> 00:34:25,583
Whoa. The "break up and work
together" thing is not for amateurs.

503

00:34:25,666 --> 00:34:28,916
- There's nothing going on between us anymore.

- Of course.

504

00:34:29,000 --> 00:34:32,166

- Serious.

- Oh, yeah, sure.

505

00:34:32,250 --> 00:34:36,083

You want me to go out and grab a shovel, help you dig a little deeper?

506

00:34:38,375 --> 00:34:41,166

I disappointed her.

Fucked it up again.

507

00:34:43,833 --> 00:34:45,166

[sighs deeply]

508

00:34:45,250 --> 00:34:47,017

Bruce wouldn't have fallen for that bank shit.

509

00:34:47,041 --> 00:34:48,583

Eh, nobody's perfect.

510

00:34:49,333 --> 00:34:50,541

Not even Bruce.

511

00:34:50,625 --> 00:34:52,291

He sure wasn't the other night.

512

00:34:53,833 --> 00:34:56,333

Yeah, that must have been tough to see.

513
